Young Cotton Is Infested With Thrip, Agent Says

Examination of growing cotton the last two days reveals that much of it is infested with thrip, states Bob Gibson, County Agent. Thrip are evident by observing the new leaves that are forming, these leaves, when attacked by thrip, appear to be rough and deformed. You will also find small holes in the leaves, broken edges, dry edges and spots. The new leaves appear to have been in a sand storm. When the leaves appear this way examination of the growing tips will reveal a very small straw colored insect in the folds of the new leaves forming.

Gibson said ninety per cent of the cotton in Floyd County that is ten days old is slightly to heavily infested. Thrip can be controlled by applying 3-4 to 1 1/2 lbs. of Toxophene or equal amounts of a mixture containing 2 parts toxophene and one part DDT per acre. Aldrin 1.8 to 1.4 lbs. or dieldrin 1.10 to 1.5 lbs. per acre will also control thrip. Cotton should be treated at least twice at 7-10 day intervals to stop the thrip until the plants are large enough to overcome their damage.

Thrip will not kill cotton, but will stunt it and cause later maturing. In 1950 the cotton crop in Floyd County was reduced twenty to forty per cent because of thrip. Early last year the cotton was severely attacked by thrip and was stunted 2 or 3 weeks the full effects were observed when our cotton failed to reach full maturity and the yield was greatly reduced by the frost.

Some of the later cotton is affected by dampening fungus. This fungus causes the young plant to die. Examination reveals a black spot on the stem just above the seed. Seed treatment will help eliminate this fungus. Nothing can be done now. The damage is not expected too great. Only very young cotton is attacked.

There is a large number of large horn worms migrating from lakes and heavily weeded areas. These worms do not readily attack cotton, they much prefer ground pursely, tumble, and other weeds. Where ever they are attacking cotton treat the area with 15 to 20 pounds of 10 per cent Chlordane dust or DDT. If using a spray the equivalent of chlordane or DDT should be used. These worms are the black and yellow worms with a horn on the last segment of their body. They are often 3 to 4 inches long.

Uncle Ben Reecer In Serious Condition

Uncle Ben Reecer underwent a head operation in Baylor Hospital at Dallas early Monday morning and was reported to be in a serious condition Wednesday. He had not regained consciousness at that time.

Uncle Ben was injured about two weeks ago when he walked out into the street and was hit by a slow moving car. His injuries were not thought to be serious at that time but he became worse the past week end, was carried to the Lubbock hospital and from there was carried by ambulance to Dallas Sunday.

Relatives who started to Lockney to see him were also involved in an accident near Sherman and were injured Sunday. These were his brother, Ernest Reecer and wife and two sisters, Mrs. Cell Watson and Mrs. Mattie Coffey, all of Sherman. They had started to Lockney Sunday and had not traveled more than 50 miles when their car overturned. Mr. Reecer and his wife were in a hospital but the other two ladies had only minor injuries.

Mr. and Mrs. Sid Thomas returned last week end after spending a week visiting relatives near Waco.

Lions Challenge Rotarians For Return Match

The softball feud between the Lockney Lions Club and the Lockney Rotary Club has flared into being again this year, with the two teams playing last Friday afternoon on the local field. The Rotarians won the game easily 13-11 but only after breaking up an eighth inning rally by the Lions.

On the mound for the Rotarians was Ike (Fireball) Johnson while Rhea (Twister) Mitchell did most of the mound duty for the Lions.

A return match is set for Saturday night of this week at 8 p. m. under the lights, weather permitting. Both teams are making plans to put their best players in the line up and each has a determination to win. An admission charge will be made and the money used for some worthy cause, it was said.

4-H Boys Enter District Contests

Floyd County 4-H Club boys entered a dairy, crops and tractor demonstration team in the District 2 Contests Saturday, June 9, at Texas Tech College, Lubbock.

The dairy judging team was composed of Lavon Shearer, Floydada, Bobby Carmack, Sand Hill, Johnny B. Griffin, Lone Star, and Troy Lee McNeill, Dougherty. The dairy team placed 3rd out of a total of eight teams. Bobby Carmack was 3rd place individual in the entire contest.

The Crops Judging Team was composed of Weldon Pickens of Providence, Wilton Green, Floydada, Stanley Vickers, Floydada and McBurnett Davis of Lockney. This team placed 3rd out of a total of 6 teams.

The Tractor Demonstration team was composed of Bob Hambright, Lakeview and Don Pope, Floydada. This team placed 6th out of ten teams.

Bob Gibson, County Agent is very proud of the showing the teams made. Plenty competition was exhibited from the more than 200 4-H Club boys entering the contest.

County Board Adds Campbell And Baker Districts To Floydada

At the county board meeting of Floyd county in the county court room Monday afternoon, two school districts which had been dormant for the past two years, were consolidated with the Floydada Independent School district. They were Baker and Campbell.

This was in accordance with the Gilmer-Aiken bill, requiring districts that have been dormant for two years to be consolidated with some adjoining district.

The board also approved the county school bus routes for the year 1951 and 1952.

Members of the board present were Ben Quebe, M. P. Goen, R. W. Smith, W. Earl Edwards, Bill Beedy. Also present were county superintendent of schools, Clarence Gaffee and school secretary, Mrs. Virgie Shaw.

Examinations To Be Held Here For Sub Clerk-Carrier

The United States Civil Service Commission has announced that examinations will be held soon for the purpose of filling a vacancy of substitute clerk carrier for the Lockney Post Office.

The position pays \$1,311 1/2 per hour but of course is not a full time job.

To be eligible to take the examination applicants must actually reside within the delivery of the Lockney postoffice or be a bona fide patrons thereof.

Application forms and additional information may be secured at the local post office or from the regional director, 14th from the regional director, 210 U. S. Civil Service Region, 210 South Harwood, Dallas 1, Texas.

Rural Routes Will Not Be Changed

A letter from postal authorities to Postmaster H. B. Machen recently stated that mail routes out of Lockney, both rural and star, would be unchanged.

Plans were studied to combine the star routes into a rural route at one time, local postal employees said, but apparently the plan has been dropped and the routes will remain as they are.

RAIN, TORNADO HITS COUNTY

Slow, gentle rain fell in the Lockney vicinity late Wednesday and a tornado swept through the southeast part of the county apparently without doing any damage.

Rains in this area were all very close to .6 of an inch. Hilburn Casey reported .6 at his place eight miles northeast of town. Lloyd Reidhimer had .81 of an inch in the Lone Star community. Leslie Ferguson had .6 at his home five miles north of town. W. A. Gilbreath six miles east reported .6 of an inch. Harmon Handley, four miles southwest reported .6. Charlie Andrews at Aiken reported .65.

The gauge at Hammond & Company here showed .59 of an inch and Floydada had .6 according to Homer Steen of The Hesperian.

The rain fell very slow and will be of great benefit to cotton according to observers.

TORNADO STRIKES
The tornado struck in the vicinity of Daugherty but did no damage as far as The Beacon was able to find out. It apparently formed in the Cone vicinity and traveled northeast striking in a field belonging to R. J. Heinsley, five miles southwest of Daugherty. It sucked up dirt which was still falling 30 minutes later, according to reports here. There was no damage at Daugherty and none reported at any other place in that vicinity.

The alarm was sounded at Floydada and there was considerable excitement there during the storm. The tornado was seen by almost everyone in Floyd County who was outside and looking that way. People in the Lone Star and South Plains areas as well as people here watched it as it cut across the southeast part of the county. It struck about 6 p. m.

Radio reports of a tornado in the Lockney vicinity were in error.

There was some hail damage to crops in the Fairview and McCoy areas. Mr. Steen said but the extent of damage had not been determined Thursday morning. No hail fell in this vicinity as far as could be determined early Thursday.

Wesley Daniel In Seminary At SMU

Rev. Wesley Daniel is attending the Perkins School of Theology at Southern Methodist University. Mrs. Daniel is with him and will enter school at a later date. He is the son of Rev. and Mrs. N. S. Daniel of Lockney and was formerly pastor at Becton. He entered the school June 5.

Rev. Hugh Daniel, another son of the local pastor, expects to enter the same school next fall. He and his wife are working in Pampa this summer. Both men and their wives are graduates of McMurry.

ANNUALS AT HARLEY WRIGHT HOME

The Lockney High School annuals have arrived and may be secured at the Harley Wright home. Mr. Wright announced this week. The books came in after school was out.

A pocket size precision instrument for detecting atomic radiation has been developed for military purposes by the Navy's Bureau of Ships and the Naval Research Laboratory.

Wheat Begins Arriving At Local Elevators

The first wheat of the 1951 crop has arrived at local elevators. The first to come to Lockney was hauled in Tuesday afternoon to Baxter & Smith here by Bailey Henderson, who lives in the Lone Star community. The wheat tested 61 pounds and had a moisture content of 15%. Mr. Henderson expects to have about 70 acres ready to cut by the latter part of this week and he estimates the wheat will yield 8 to 10 bushels.

The Muncy elevator at Muncy received a load last Saturday from Shirley Race who lives south of town. This wheat tested 61 pounds and had a moisture content of 13.5%. The Muncy elevator also had a load of wheat Tuesday of this week from the Irving Bennett place in Crosby county that weighed 61 pounds and showed only 13% moisture.

Local elevator men estimate that it will be a week or 10 days before wheat starts coming in very fast. They say that most dry land wheat in this area will yield from 5 to 12 bushels but there will be more acreage than last year and therefore the total yield will be more. They estimate irrigated wheat to yield as high as 20 to 25 bushels, although a great deal of it won't yield that high.

It was estimated that last year all elevators in this area of the county handled less than 200,000 bushels of wheat. This year they are expected to handle two or three times that much in spite of the dry winter weather and the infestation of cutworms and green bugs. The present crop is extremely hard to estimate, elevator men say, because individual fields may vary from one side to another. On one side of the field, the wheat may look very good and on the other, it may be thin and weedy.

Legion And Fire Dept. Undefeated In League Play

Both the American Legion team and the Fire Department team are undefeated in play of the Lockney Softball League. The Legion team has won five while the Fire Department won four and had one game rained out.

The Providence team is in third place with Lone Star and Aiken Paymaster tied for fourth.

In games the past week results were as follows:

Thursday night, June 7: Fire Dept. 6, Lone Star 5; Aiken Elevator 1, Legion 12.

Friday night, June 8: South Plains No. 1 10, South Plains No. 2 3; Aiken Paymaster 7, Providence 3.

Monday night, June 11, games postponed.

Tuesday night, June 12: Legion 11, South Plains No. 1 8; Providence 10, South Plains No. 2 7.

	W	L
American Legion	5	0
Fire Department	4	0
Providence	3	2
Lone Star	2	2
Aiken Paymaster	2	2
Aiken Elevator	1	3
South Plains No. 1	1	4
South Plains No. 2	0	5

Schedule for the next week is as follows:

Thursday night, June 14: Lone Star vs. Providence; Aiken Paymaster vs. Aiken Elevator.

Friday night, June 15: Fire Department vs. South Plains No. 2; Legion vs. Providence.

Monday night, June 18: South Plains No. 1 vs. Aiken Elevator; Fire Department vs. Legion.

Tuesday night, June 19: Paymaster vs. South Plains No. 1; Lone Star vs. South Plains No. 2.

The Tuesday night play will end the first round of the season's play. The schedule calls for three rounds of play.

GO TO CHURCH SUNDAY.

Two Blasts Are Storm Signal

Fire Chief Lowell Bilbrey said this week that two blasts on the siren would be a signal for the approach of a tornado and that residents should listen for such signal.

There has been some confusion about signals on the siren. Three blasts indicate a fire and one blast calls the firemen to a meeting, he said.

Cobbs To Attend Convention At San Francisco

Rev. and Mrs. E. J. Cobb and children, Carolyn and Juadon, will leave Friday afternoon by auto for San Francisco where they will attend the annual Southern Baptist Convention meeting there next week.

Also attending the convention from Lockney will be Mrs. M. P. Fulkerson who with her sister, Mrs. S. H. Watson and Mrs. Charlie Wayburn, both of Matador, will leave by train from Lubbock Friday morning. The ladies will visit three of their sisters in California as well as attend the convention.

The Cobbs will visit old friends, Rev. and Mrs. Robert Mathis of San Francisco while attending the convention. Rev. Mathis is an Army chaplain. Rev. Cobb will spend a week following the convention at Turlock, Calif., where he will teach a study course in a Baptist Church pastored by Rev. D. D. Brian. Rev. Brian is a former pastor at the Fairview Baptist Church near Levelland and has several brothers who are preachers, one of them, Rev. A. A. Brian, holding a meeting at the Lockney church two years ago.

The sessions of the convention will be held in the San Francisco municipal auditorium and a round 25,000 are expected to attend. The Women's Missionary Union meetings will be held Monday, the Baptist Brotherhood meetings on Tuesday of next week and the main convention will start Wednesday morning, extending through Sunday, June 24. The Cobbs expect to return home around July 1.

Vester Martin Is Wounded In Korea

Pfc. James Vester Martin, son of Mr. and Mrs. C. P. Martin of Childress, was wounded recently in Korea, according to information reaching his parents last Wednesday. The Martin family formerly lived here, moving from here to Amarillo and thence to Childress. Vester graduated from the Lockney High School in 1946.

There was no information available here as to the seriousness or extent of his wounds.

Vester landed at Pusan, Korea on May 2 of this year, according to a letter he wrote recently to Billy Griffith, who is now stationed at Camp Gordon, Ga. His last address is Pfc. James Vester Martin, SN 115694, C Co., 1st Bn., 3rd Sec. Machine Guns, 7th Marines, 1st Marine Div., MFP, San Francisco, Calif.

Methodist Vacation Bible School Starts Monday, June 25th

The vacation Bible school at the Lockney Methodist Church will start Monday, June 25th. Rev. N. S. Daniel announced this week. The workers have met, ordered the material and made plans for a good and enjoyable time for all who attend, Rev. Daniels said.

The school will be held each afternoon from 3:45 to 6 o'clock and will be in session one week.

JANICE THOMPSON ON HONOR ROLL AT McMURRAY
Miss Janice Thompson, McMurray College student from Lockney, has been named to the honor roll for the spring term, according to Jerome Vannoy, registrar. Janice is a niece of Miss Juanita Thompson and Mrs. Buck Sams, both of Lockney.

12 Indictments Returned Friday By Grand Jury

The Floyd County Grand Jury in session last Friday returned 12 true bills of indictment. Two of these were for second offense driving while intoxicated, eight were for forgery, one was for theft of more than \$50 and one was for defrauding by worthless check for more than \$50. Deputy Sheriff Alton May said Wednesday.

James Earl Carothers who was indicted on three counts of forgery, pleaded guilty immediately after indictment and was sentenced to four years in the penitentiary in each case, the sentences to run concurrently. The forgery indictments were all for forging and passing checks.

Deputy Sheriff and Mrs. Jimmy Jackson returned from Palo Pinto early Wednesday bringing back with them Jackie Faye Thomas who was one of the persons indicted for forgery.

All defendants in the indictments are either under arrest or under bond with the exception of one ex-convict who passed a worthless check to Bill's Cafe in Lockney. He has not been apprehended.

Deputy Sheriff May picked up two drunken drivers the past few days, one on Sunday and one on Wednesday. Sheriff Alton May arrested one man this week and charged him with transporting liquor in a dry area. These are all county court cases.

Accidents Damage Cars But No Injury

Two separate auto accidents the past week in this area damaged the cars but no one involved suffered injury, it was reported here.

Last Saturday just after lunch a 1940 Oldsmobile driven by J. D. Perkins, who lives just south of Highway 70, collided with a 1950 Oldsmobile driven by Rubeen Jones Goode of Plainview at the intersection of Highway 70 and the Pleasant Valley road. The Perkins car caught the back fender of the Goode car and ripped a fender off. Deputy Sheriff Alton May said. He investigated the wreck.

On Monday of this week, a caliche truck working on the Sand Hill road south of Lockney started to pass the 1948 Chevrolet driven by W. C. Watson at the road intersection four miles south of Lockney. At the same time Mr. Watson started to make a left turn. The truck made the turn with the car, side swiping it and causing some damage but no injuries. Mrs. Watson was in the car with her husband. Deputy May also investigated this accident.

Soldier Home On Leave Takes Ill

Pvt. W. C. Meeceer Jr., home on leave from his post at Fort Hood, Texas, became seriously ill Monday and was admitted to the local hospital where attending physicians diagnosed his illness as "complications from a small pox vaccination."

His condition was considerably better Wednesday and he was thought to be out of danger.

The Vacation Bible School had
their commencement program
on Sunday evening. Mrs. R. C.
Guest, as principal, was in charge
of the forty-three children who
attended the school during the
past week. After the songs, mem-
ory verses, and entertainment,
the children and teachers re-
ceived certificates of attendance,
and their rooms were opened to
all those who attended church
Sunday night. Many useful and
lovely things were made by each
department.

Mr. and Mrs. Wm. Staniforth
Sr. have been enjoying a good
visit with his brother, S. C. Stani-
forth and Mrs. Staniforth from
Gainesville, and Mr. and Mrs.
J. T. King from Gainesville, also
Mr. King is Mrs. Staniforth's
brother. They all spent the past
week end at the Staniforth home.

Last Monday afternoon, Mr.
and Mrs. L. A. Claborn from
Sterley visited a few hours with
Mr. and Mrs. Otho Sanders and
children. Martha is home from
college for the summer vacation.
Elmo Fortenberry spent last
week and is going to stay this
week also in Fort Worth with his
maternal grandfather, T. A. Mc-
Cain. Mr. McCain has a small
farm, about eleven acres, in truck
patch, near Grapevine. Elmo re-
ports tomatoes are already ripe
down there.

Mrs. Early Joiner left Tuesday
morning to join her parents, Mr.
and Mrs. G. W. Brumley of Here-
ford, at their home and they
leave Wednesday for the South-
ern Baptist Convention at San
Francisco on June 20-24. They
intend to be away about two
weeks.

Johnny West and Bradley
Yeary stayed last week at the
John Key ranch, near Silvertown,
where Willard Merle is in charge
and they helped do some fence-
ing. Mr. Yeary is leaving June

12 for an extended trip back to
Virginia. He intends to be gone
for two or three weeks.

Mr. and Mrs. Fred Fortenberry
went to Cedar Hill to a singing
last Sunday afternoon, and they
went to see Mr. Fortenberry's
grandfather, Cephus Fortenberry,
who is not at all well these last
few weeks.

Mr. and Mrs. Audie Nolan
from near Center community
were guests in the home of Mr.
and Mrs. Otho Sanders last Mon-
day night. Richard Sanders is
employed at the Nolan farm
this summer, while Roger is
working at the R. G. Dunlap farm
at present.

Mrs. Otho Sander's aunt, Mrs.
J. F. Colston from Sterley, was
a visitor in the Sanders' home
all day Thursday.

Little Benny Edmonds has been
ill with the old-fashioned croup
all the past week. The parents
took him to the doctor, thinking
perhaps he had an asthmatic at-
tack, but the doctor pronounced
it croup. Mr. and Mrs. Edmonds
leave on Friday for Dallas to
take Benny for his periodical
check-up at the Scottish Rites
Hospital in Dallas. Mrs. Ed-
mond's parents will accompany
the Edmonds home for an in-
definite stay.

Mr. and Mrs. Rene Yeary, Mr.
and Mrs. Jack Yeary and Jac-
queline and Mr. and Mrs. Bill
Sauls, from Quitaque, made a
trip to San Angelo on Tuesday
of last week to attend the Aber-
deen-Angus sale at the sale ring
there. The sale was held on
Wednesday and they report that
some of the most beautiful cows
in the country were sold there.
Mr. Sauls purchased a truck
load of cows and calves to bring
home. This is the largest sale
ring of black Angus cattle any-
where in the world. Some of the
cattle sold as high as \$3,700.00.

Mr. and Mrs. R. G. Dunlap and
children and Mr. and Mrs. C. E.
Bartlett of Dougherty were Sun-
day afternoon visitors at the

home of Mr. and Mrs. Otho Sand-
ers and family.

Brenda and Linda Alexander
from LeFors, who are nieces of
Mrs. Joe Phillips of Lockney,
were guests Friday night and
Saturday at the home of Mr.
and Mrs. Rene Yeary.

Mr. and Mrs. J. P. Taylor and
children went to Dallas on a
business trip last week.

Mrs. Carl Daniels and Mrs.
Horace Marble are both recover-
ing from infections caused by
insect bites. They both had to go
to the doctor several times for
the bites caused much pain. Mr.
Daniels thought a tarantula had
caused her trouble.

Little Sharon Evans from
Amarillo is spending this week
and next with her grand parents,
Mr. and Mrs. George West.
Sharon is just recovering from
an attack of the measles. Her
parents brought her down when
they visited here over Sunday,
and she is enjoying her visit very
much.

Rev. and Mrs. Guest left this
Monday morning for a two weeks
stay with Mrs. Guest's mother,
Mrs. Campbell, who resides at
Deport, Texas. Mrs. Campbell has
not been well for some time, and
Mrs. Guest wishes to spend as
much time as possible with her.
We will have a guest minister
at church next Sunday.

Mrs. John Smitherman went to
Floydada on Wednesday of last
week to attend a Year Book
meeting at the office of Miss
Leila Petty. Mrs. Smitherman is
a council representative.

Mrs. O. T. Hewitt who was ill
in the hospital the last week of
school, and had to have a sub-
stitute teacher, is feeling just
fine again, and Friday morning
of this past week, she made
trips to the homes of all her
pupils, and brought their report
cards to them. She reports that
her husband is doing fine, also.

Last Thursday evening several
friends went to the home of Mr.
and Mrs. Lenton Lanham, in
Floydada, and spent an enjoy-
able few hours. Rev. R. C. and
Mrs. Guest and Mr. and Mrs.
John Smitherman.

Mr. and Mrs. Will Sims, and
Mr. and Mrs. Lee Pearson went
to Crosbyton on Friday evening
and saw a fine rodeo perform-
ance.

Mrs. Lena King is feeling much
better this week. She has been

resting most of the day since
her return from her daughter's
home in Dumas last week. Mrs.
Carrie Bostick is home each
evening with Mrs. King.

Mr. and Mrs. John Wilson and
children spent all day with her
mother, Mrs. Menard Field and
family Sunday. The occasion
was a family reunion of Mrs.
Field's family, the Johnstons.
The bountiful dinner was spread
outdoors at Sunday noon, and it
was a wonderful day for Mrs.
Fields to have many of her own
with her.

The South Plains men ball

VA Direct Loans Expire June 30

World War II veterans planning to apply for direct home and farm loans from the Veterans Administration are reminded by the VA that the Direct Loan Program ends by law on June 30, 1951.

VA states it would scarcely be possible in most instances to process applications before the June 30 deadline that are received by the VA Regional Offices after June 15.

The Housing Act of 1950 authorized VA to make direct loans up to \$10,000 at four per cent interest to World War II veterans with which to buy or build a home, or to build or improve a farmhouse.

While the Direct Government Loan Program ends June 30, 1951, the regular GI Loan Program does not expire until July 25, 1951.

Capt. Ian Crawford Eddy, USN, Navy football player of 1929-30 and a World War II submarine hero, has been ordered to report in June to the U. S. Naval Academy, Annapolis, Md.

The Navy has seven ships named Banger.

Texas Farm Income Higher In 1951

Austin. — Texas farm income in the first third of 1951 was 53 per cent higher than the same period last year, the University of Texas Bureau of Business Research reports.

Only cotton, cottonseed, wheat, fruit and vegetables showed a downward trend in income.

Total farm cash income, January through April, was estimated at \$378,316,000. More than a third of the total came from cattle sales, 63 per cent higher than during the like period in 1950.

Other impressive gains were made by milk and milk products, up 80 per cent, and hogs, up 60 per cent.

Wool and mohair prices have more than doubled since April, 1950. Consequently, in spite of nearly equal marketings, income from these items has risen 71 per cent for mohair and much more than that for wool.

Texas farm products prices continued their slow but steady climb in April. The Department of Agriculture mid-April index was up three points, nearly one per cent higher than in March.

The Navy's first "submersible torpedo boat", the USS Holland, was accepted on April 11, 1900. Fifty-one years later the U. S. Fleet boasts 76 submarines on active service and 120 in reserve.

Texas dairy producers in 1950 produced approximately four billion pounds of milk that was valued at \$200 million.

'I recently gave Conoco Super a thorough test,' writes A. E. Standbridge, Garage Owner, Salt Lake City. 'My engine never performed more perfectly. Conoco Super gave me super economy in oil consumption and gasoline mileage.'

'I depend on my car for my living, so I'm looking for the best in motor oil,' states Ewell T. Roe, Rural Mail Carrier, Waxahachie, Texas. 'I've found it in Conoco Super. This car still runs like new, after 40,000 miles of service!'

'50,000 Miles-No Wear!' Proved Here:

After a punishing 50,000-mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

When bass definitely are feeding those plugs and fly-rod lures which imitate natural foods are usually tops. These are of two principal types—underwater, the most important of which is the imitation minnow, and surface lures, which resemble mice, grasshoppers and other insects.

Plugs with excellent action brought out by slow reeling are not suited to this fishing. Plugs with a propeller head, and darter spoons are the ones to use.

However, they do become suspicious if it moves too fast, for when creatures that live in the air and on the land fall in the water they never move very fast, mostly they just struggle and rest.

We fished some last week and found the water muddy, and the only lures that we could get the bass to take, was the surface lures that made a lot of popping noise.

Lone Star H. D. Club Meets

Mrs. I. O. Graves was hostess to the Lone Star Home Demonstration club on Tuesday, June 5, with ten members and six 4-H girls present.

The 4-H club girls were guests and presented a very interesting program for the afternoon.

Mrs. Hubert Frizzell, president, presided during the business session. Mrs. C. L. King gave the council report, and Mrs. M. O. Peugh was elected nominee for the craft school to be held at Lubbock.

Delicious refreshments were served to the following 4-H club girls and members: Loretta Peugh, Nell Wells, LaJuan Henderson, Betty Jackson, Leona and Cleona Graves, Mrs. Bailey Henderson, Mrs. Hubert Frizzell, Mrs. G. B. Johnston, Wiley Nance, E. O. Barrett, C. L. King, A. O. Foster, Tom Wells, I. O. Graves, Mrs. Weldon Graves and Mrs. M. O. Peugh.

The club adjourned to meet with Mrs. Jess Lovvorn July 3.

NEWLY WEDS—Mr. and Mrs. Jerry McCulloch, who were married in the bride's home at Floydada on May 30th.

Jerry McCulloch and Floydada Girl Wed

Pfc. Jerry McCulloch, son of Mr. and Mrs. J. S. McCulloch of Route 2, Lockney, and Miss Sammie L. Vickers, daughter of Mr. and Mrs. J. R. Vickers of Floydada, were united in marriage in a double ring ceremony in the home of the bride's parents, May 30.

The couple stood before an improvised altar of white gladioli and fern while Clyde C. Sloan, Church of Christ minister of Lockney, read the marriage vows.

Attendants were Miss Johnnie Owens and Bob Vickers, brother of the bride. The bride was dressed in a tan linen street length dress with white accessories and wore a corsage of pale green carnations. Miss Owens wore a dress of pale green tissue gingham with white accessories and a corsage of pale pink carnations. Mrs. Vickers, mother of the bride, wore a black dress with a corsage of white carnations. Mrs. McCulloch, mother of the groom, also wore black with a corsage of white carnations.

Presiding at the bride's table were Misses LaJuana McAda and Barbara Dutton, serving cake, punch and mints. The table was covered with lace cloth.

The groom is a graduate of Lockney High school with the class of 1949. He was employed with Southwestern Bell until his enlistment in the Air Force. He is now stationed at Lowry Air Force Base in Denver, Colo.

The bride is a graduate of Floydada High School with the class of 1950 and is employed at Floydada.

Guests attending the wedding were Mr. and Mrs. J. R. Vickers, Mr. and Mrs. J. S. McCulloch, Gene Vickers, Mr. and Mrs. Don McCulloch, Lewis Gilliland, Misses LaJuana McAda, Barbara Dutton, Gayle Vickers, Frances Vickers, Wanda Strickland, Messrs. J. R. McDaniels, Rudolph Zachery, Bob Vickers, Don, Ronnie and Stanley Vickers.

Nora Lee Stanley of Jal, N. M., is here visiting her grandparents, Rev. and Mrs. F. R. Pickens of Aiken.

Mary Sammann and Charles Durning Married June 2

In a candlelight setting, Miss Mary Alice Sammann, daughter of Mr. William M. Sammann of Providence community, and Charles V. Durning Jr., of Odessa, son of Mr. and Mrs. C. V. Durning, of Plainview, were united in marriage by the Rev. Donald V. Hafeman in the St. Paul's Lutheran Church the evening of June 2.

Rev. Hafeman, pastor of the church, read the double ring ceremony before an altar decorated with baskets of white gladioli and roping. Candelabra holding cathedral tapers furnished the background and white satin bows marked the pews.

Mrs. Pollyanna Cavett provided pre-nuptial selections at the organ and accompanied Miss Alice Ann Yates who sang "I Love Thee," and "The Lord's Prayer." Traditional wedding marches were used.

The bride's father gave her in marriage. She wore a dress of ice blue net over slipper satin. The fitted bodice was fashioned with a sweetheart neckline and bore a row of tiny satin buttons extending to the waist, and cap sleeves. She wore elbow-length mitts and her fingertip veil was attached to a Juliet cap of blue flowers centered with pearls. She carried a white Bible topped with purple-tipped white orchid, stephanotis and flowing satin ribbons. She wore a ruby ring which had belonged to her mother and a diamond lavalier belonging to the groom's mother.

Mrs. Dorothy Tilson of Odessa, sister of the groom, was matron of honor and wore a dress of lime green and orchid net over lime taffeta and carried a colonial bouquet of yellow roses.

Miss Alice Johnson of Petersburg served as bridesmaid and she wore a yellow lace and mainline dress. Her colonial bouquet was of pink roses. Miss Tillie Durning, sister of the groom, and Mr. Carol Sammann, brother of the bride, lighted the candles. Miss Durning wore a gown of pink net over pink taffeta with wristlets of pink carnations.

Little Donna Sammann, sister of the bride, was flower girl and wore a dress of ice blue net over slipper satin. She carried a basket of rose petals.

J. A. Tilson, brother-in-law of the groom, was best man and ushers were Carol and Bobby Sammann, brothers of the bride.

Following the wedding, a reception was held in the home of the groom's parents. Assisting the couple in receiving were Mr. and Mrs. Durning and the bride's father.

The serving table was laid with lace over blue satin and centered with an arrangement of white roses and mock orange.

Thornton-Seitz Vows Exchanged

Mrs. Emma Hodel Thornton, daughter of Mr. and Mrs. John Hodel of Lockney, and Bill Seitz exchanged wedding vows in a quiet service read in Tucumcari, New Mexico on Saturday, June 2.

Mrs. Seitz has been home economist for International Harvester Company in Amarillo for several years. The couple will be at home at Spearman where Mr. Seitz is engaged in wheat farming.

The couple will be at home at Odessa after June 11, where the groom is associated with the Plains Machinery Co.

The bride is a graduate of Lockney High School with the class of 1951 where she was very popular and active in school affairs. The groom graduated from Plainview High School.

in the House against the natural resources lobby. The final tax bill did these things:

1. Freeze at its present level (\$7,300,000 a year) the surplus money from the state bond assumption fund going to counties to spend on rural roads.

2. Earmark for rural roads the remainder of the surplus going to the state highway department.

3. Levy a gathering tax on natural gas of approximately one-half of a cent per 1,000 cubic feet.

The fight was not only over the levying of a gathering tax on natural gas, which of course the natural resources lobby opposed, but also one over who would get to spend the money for rural roads—the counties themselves or the state highway department. Apparently the provision in the original bill providing money for city streets was eliminated altogether.

The passing of any sort of a natural resource bill is a victory for the people of the state and Mr. LaFont is due considerable part of the credit for the bill.

The legislature also passed amendments revamping the state's criminal code, one of the provisions allowing a jury to recommend a fine and imprisonment up to five years for a second offense of drunken driving. Also a new law forbids possession of slot machines, pay-off marble boards or punch boards.

If the state law enforcing agencies will be as zealous in enforcing the laws as the 52nd Legislature was in passing them we will see a definite improvement in living conditions in all West Texas.

Users of the 1c government post cards are in for a shock if a House of Representatives bill passes the Senate. The bill would double the cost of the postcard, making it sell for 2c and charge you 10c extra if you buy as many as 100. The bill also raises the postage rate on third class mail by about 50% and another move is on foot to raise the rates for second class mail, mostly newspapers, by 60%.

We don't know why it is so much easier for our law makers to raise taxes than it is to economize on their expenditures.

WAYLAND'S BOLD STEP

It isn't too much to say that Wayland Baptist College at Plainview wrote a new chapter in the history of human relations Thursday afternoon. By unanimous consent, the doors of the small, but old-established school, were opened to a negro. The action was taken without any of the fanfare and controversy which has attended applications of Negroes into state-operated schools, in Texas and elsewhere.

The simple announcement of the action by Dr. J. W. Marshall is not only explanatory but significant: "The board as a whole felt it was the Christian and democratic thing to do."

After three hours of discussion, mostly pertaining to the qualifications of the applicant, Mrs. Annie Taylor, the Wayland board voted unanimously to admit her to classes. Prior to this official action an even more revealing vote had been taken on the campus; this one a poll of students on the question: "Would you like to see Negroes admitted to Wayland College?"

The vote on the question was 265 in favor of admission; 9 against.

While the same measure of unanimity among the general public is not anticipated, the re-

favorable as to bring possible action to Wayland's step is so similar action among other sectarian schools in the South. The Baptist denomination, it should be remembered, has made its growth in the South.

The unanimity in a school steeped in the Southern tradition might point to another possible fact: that opposition to admission of Negroes in state schools was more vocal and vociferous than popular. The action by Wayland could be the move which will bring to a sudden end a controversy which never had a strong basis in Christian and truly democratic circles.—Amarillo Daily News.

LEANING OVER BACKWARD

Many Lynn county folks have been expressing amazement that nothing was said in any of the daily papers at any time last week to indicate that the Lincoln car which figured in the terrific and tragic crash at West Point on Monday night was loaded with liquor, although a pick-up and two passenger cars were used in hauling the approximately 150 bottles of whiskey and gin and fifteen or twenty cases of beer, minus destroyed by a number of bottles destroyed by the crash from the scene of the wreck into Tahoka. Besides, the wrecked Lincoln, its floor soaked with whiskey and covered with broken glass, was viewed by hundreds of people.

While officers were perhaps a little hesitant to talk much about the tragedy before completing a thorough investigation, yet they surely did not suppress any information that was obviously available to any newspaper representative or other citizen who might wish to take a look.

Of course weekly newspapers in other counties did not send representatives to the scene to make independent investigations. Customarily they do not do so. They depend upon what they hear from witnesses and officers and the daily newspapers. They should not be expected to publish anything that is not well authenticated.

But why did the daily papers never mention the whiskey or the beer? we were asked many times.

Frankly, it must have been because many newspaper publishers lean over backwards, in our opinion, to avoid the possibility of a libel suit if they erroneously charge or insinuate that any individual has been guilty of acts which constitute a crime unless a complaint has been filed in some court charging a crime. We said that they "lean over backwards," for the scene of the wreck itself furnished plenty of evidence that one of the cars had carried liquor, and the most casual inspection of the cars would amply show which car it was.

The Lynn County News published the facts gathered at the scene of the wreck and other obvious or incontrovertible facts, and we published them, liquor-loaded car and all, without coming any where near violating any libel law.—Lynn County News.

Another move to Texas with a well-informed effective game warden being taken by the Fish and Oyster Commission.

First of a three-section school opened Monday at Camp Mabry under the Executive Secretary by the two-thirds of the 170-warden staff in the field the other one-third takes summer course.

ment heads and district chiefs will lead discussions. Emphasis will be placed on field patrol from enforcement and public view point, said the Secretary. Talks and also will include management and restoration, fish propagation, court routine, predator control, pollution and ballistics.

Classes will be held night and day. The Camp 10 p. m. "lights-out" rule will be observed. Captain F. M. Cowsett, director of law enforcement for the commission, will be in personal charge of the schools.

As the wardens assembled, some of the results of their patrol work were indicated in the May arrest report. There were 211 arrests for various charges, with total fines and costs of \$4,926.65.

Sixty-four of the cases were for fishing without a license. Eight convictions were for using the so-called "hot rod" illegal fishing device. Twelve persons were fined for deer law violations, mainly for hunting at night.

LOCKNEY — STERLEY

Irick News

By Mrs. J. C. Chambers

Mr. and Mrs. Warren Graham have had as a guest in their home this week, her brother, Pfc. Delbert Calloway of Ft. Lewis, Washington. He has been on a fifteen day furlough and spent four days with them. Tommy Calloway and Bruce Calloway of the Lone Star community and Gene Miller from Dimmitt, also visited with them while Delbert was there. Gene plans to work for Warren the remainder of the summer. They ate Sunday dinner with the C. H. Calloways in the Lone Star community, and visited Sunday afternoon with Mr. and Mrs. George Graham in Lockney. Warren's uncle and aunt, Mr. and Mrs. John Graham were there from near Bakersfield, Calif.

Jerry and John Mack Holmes, sons of Mr. and Mrs. Oliver Holmes spent the week end with their grandmother, Mrs. R. J. Weems of Floydada.

Visitors in the home of Mr. and Mrs. Andy Jolly this week were Mr. and Mrs. Don Murphy from Corpus Christi, Texas, Mr. and Mrs. W. A. Jolly of Plainview, and Mr. and Mrs. A. F. Mann of Tulia.

Mr. and Mrs. Travis Dunn entertained with a Canasta party Saturday night, celebrating the birthday of Mrs. Glen Kinard. Those taking part were: Mr. and Mrs. Andy Jolly, Mr. and Mrs. Billy Dollar, Mr. and Mrs. Shot Dollar, Mr. and Mrs. James Tinsall, Mr. and Mrs. Glen Kinard and the host and hostess, Mr. and Mrs. Travis Dunn. Refreshments of coffee and cake were served. The women won the tournament.

Louise Graham, daughter of Mrs. Glen Kinard, spent the week end with her grandparents, Mr. and Mrs. George Graham at Lockney.

Mr. and Mrs. Wallace Allen and children made a business trip to Lubbock Monday. Guests in their home this week were:

BEAUTY LEADS THE PACK

Charming Indianapolis Speedway Queen Loretta Young with David A. Wallace, president, Chrysler Division, in the Chrysler New Yorker convertible in which Wallace paced the racers to what turned out to be the fastest "500" ever driven with Lee Wallard capturing top prize money with a blazing average speed of 126 miles per hour.

Mr. and Mrs. Jimmie Allen from Kress, Mr. and Mrs. Gilbert Robertson of Olton.

Mr. and Mrs. Allen went to Amarillo Tuesday to see a doctor about having their sons tonsils removed. This was recommended by the physician they consulted at Lubbock Monday.

Mr. and Mrs. J. C. Chambers and family spent last week at Umberger, visiting with Mr. Chambers' brother, R. E. Chambers and went fishing every night at Buffalo Lake. They accomplished a lot in their building but very little with their fishing.

Mr. and Mrs. J. C. Chamber and family spent Monday night with his brother and family, A. L. Chambers at Canyon.

Visiting in the home of Mr. and Mrs. J. C. Chambers Friday of last week was Mrs. Chambers' grandfather, A. C. Huff of Temple, who was just returning from a missionary work for the Church of Christ at Kins, Colorado. Mr. Huff is eighty-seven years of age. Mr. and Mrs. Fred Duvall had as a guest in their home last

week, Fred's cousin, J. W. Ward of Ivanhoe, Calif.

Mr. and Mrs. Hugh Stitt and children of Hereford visited in the E. T. Pigg home Monday of this week.

Mr. and Mrs. Eugene Probasco shopped in Amarillo Saturday.

Mr. and Mrs. Tommy Bird of Petersburg visited in the Hillman home Sunday.

Mrs. Melvin Potts and children and Mrs. Dale Laceywell and children have been attending the Vacation Bible School which is being conducted at the Baptist Church at Lockney this week.

Mr. and Mrs. John Holmes had as visitors in their home Sunday their daughter, Mrs. Al Cannon from Friona and another daughter, Johnnie Holmes of Plainview, and Jack Dollar and his wife.

Mrs. R. J. Battle visited her sister, Mrs. J. E. Watson at Floydada Sunday. Mrs. Battle's granddaughter, Barbara Ann Withrow of Lockney, spent last week with her.

Mr. and Mrs. Frank McClure and family went to Jayton, Texas Saturday and visited with Mr. and Mrs. Grady Jones there. Sunday they had as visitors in their home, Mr. and Mrs. Roy Collins from Englewood, Calif.

Farm Taxes Up 4% Last Year

College Station. — Taxes on Texas farm and ranch real estate increased in 1950 for the fourth successive year. The average increase for the state was four percent, compared with 15 per cent for 1949.

Total taxes levied averaged 26.6 cents per acre. This is about 50 per cent higher than the 1936-46 average of 18 cents per acre. A record high of 29 cents was levied in 1931.

Taxes ranged from an average of five cents per acre in the Trans-Pecos area to \$3.11 in the Lower Rio Grande Valley. This variation reflects the wide differences in Texas agriculture and the intensity of governmental development, according to Robert G. Cherry and L. P. Gabbard, Texas Agricultural Experiment Station economists, who made the 1950 tax study.

Some counties recorded slight decreases, and the rise in some counties was much higher than the state average.

Cherry and Gabbard report that school districts were responsible for most of the increase in 1950. State and county taxes generally showed no appreciable change.

In recent years schools have increased their share of the total tax bill, while the proportion from county levies has declined. In 1950 school districts accounted for 50 per cent of the farm and ranch real estate taxes, counties for 29 per cent, and other districts for 7 per cent.

The extension of levies to most land by the Gilmer-Aiken school laws has been a contributing factor to the growth of school

taxes, report the economists. Although assessments per acre were higher in 1950, taxes were easier to pay than in 1949. The relative rise of taxes was less than the rise of prices over 1949. The tax-price ratio declined in 1950 from 1.03 to .97, which is slightly less than the base year 1913.

The experiment station economists expect the upward trend of taxes to be halted, at least temporarily, in 1951, since 1950 was the last year in which the state will levy a property tax for general revenue purposes. However, the possible tax load has not been greatly diminished — because counties may now levy an additional 30-cent rate.

SUNDAY VISITORS

Sunday visitors in the home of Mr. and Mrs. John Hodel included Mrs. Grady Burson, Clayton, N. M., Mr. and Mrs. Otto Hodel and Dee of Eunice, N. M., Mrs. Burl Blevin and children, Bristol, Tennessee; Lt. Col. and Mrs. Jim Postalwaite of Lubbock; Mr. and Mrs. J. C. Owens and family, Plainview, Lt. Col. and Mrs. Postalwaite left Tuesday for a station near Boise, Idaho, where he will be in training previous to going overseas.

FISHING TRIP

Udell Cunningham, Tom Marr, Dave Willis and Frank Beard spent the past week end at Lake Kickapoo, near Acher City, on a fishing expedition. The men report that they caught some fish but did not bring any home with them.

Mr. and Mrs. Elmer Duncan left Thursday of last week for their home in Farmington, N. M., after a visit here with Mrs. Duncan's sister, Mrs. Joe Parrish and family.

**Renew Now—
The Beacon Is
Going Up!**

The Lockney Beacon sub-
scription price is going up!
After six years of trying to
hold prices down, we are now
forced to raise our subscrip-
tion price. Effectively July 1,
1951, the subscription price for
The Beacon, either new or re-
newal, will be \$2.00 in Floyd
County and \$2.50 elsewhere.

The Beacon has been selling at
a lower price than most any
other weekly paper on the plains
because we want everyone in our
territory to read The Beacon.
However we feel that the increase
in price at this time will not de-
prive any one of The Beacon but
it will help us to meet the high
price of the materials that go
into the making of a newspaper.

Up until July 1, the price for
The Beacon will remain as it
is now—\$1.50 in Floyd County,
\$2.00 elsewhere. If your sub-
scription is out or nearly out,
now is the time to renew. Or if
you are not getting The Beacon
and have been planning to sub-
scribe do it today.

We will not accept any sub-
scription more than two years in
advance. It is not the policy of
The Beacon to accept subscrip-
tions far in advance. You may
not run your subscription up
further than July 1, 1953.

Now is the time to either re-
new or subscribe. Don't neglect
or delay. Come in today or send
in your subscription to The
Beacon.

Slot machines have been re-
moved from all Navy installa-
tions.

Glen Rhine Bruised In Auto Wreck

Just a few bruises was all the injuries received by Glen Rhine last Friday morning when the pick up he was driving collided with a model A Ford at the intersection near the Providence school house. Occupants of the other car were not injured. The Dodge pick up overturned once and possibly twice before it stopped rolling. It belonged to Glen's employer and was very badly wrecked. The Ford was not damaged to a great extent, reports here said.

Baptist Vacation Bible School To Close Friday

A picnic and commencement exercises at the Plains Baptist encampment in Blanco canyon south of Floydada on Friday will close out the two weeks of vacation Bible school held at the Lockney Baptist Church this year, Rev. E. J. Cobb said this week. The school had reached an enrollment of 242 Tuesday with an average attendance of around 200. Sessions are held from 9 a. m. until noon each day. The school will meet as usual at the church at 9 a. m. Friday, Rev. Cobb said, and hold opening exercises. At 10 a. m. the entire group will leave by cars for the camp grounds. Each will bring his own picnic lunch. Games will be played until lunch time, and immediately after lunch the commencement exercises will be held and diplomas awarded to those completing the courses.

ATTEND CONVENTION

Mr. and Mrs. Claude Brown and Ann, Audvie Barnett, all of Brown's Cleaners of Lockney, and Eddie Holcomb of Tulsa, went to Dallas the past week end where they attended the Texas Dry Cleaners Institute Saturday and Sunday. Outstanding dry cleaning authorities of the nation appeared on the program, Mr. Brown said.

Chevrolet Offers Demonstrations On Powerglide

If you want to drive a Powerglide Chevrolet visit the showrooms of the Lockney Auto Company from June 18 to 30. A. P. Barker has set aside special demonstrators for use of the public and the period will be devoted to giving as many people as possible rides in the cars. Because of the customer demand for Powerglide automatic transmissions in this area, Mr. Barker explains, he has been unable to set aside demonstrators. However, he will hold cars solely for this purpose through the demonstration period. "Chevrolet has just built its 500,000th Powerglide and to observe the milestones it has requested all dealers to co-operate in mass demonstrations," he declared.

Mr. Barker pointed out that Powerglide differs from other automatic transmissions on the market in that it represents a "package" improvement. Included, besides the revolutionary automatic shift, are a more powerful engine of 105 horsepower and an "Economiser" rear axle. "The opportunity for mass demonstrations here will show what owners have learned in more than a billion miles of driving," Mr. Barker declared. "Even a brief trial will prove that Powerglide-equipped cars are easier and more restful to drive.

"With Powerglide, the car has no clutch. This means the elimination of hundreds of manual operations in the course of an average day's driving. The result is that a driver finishes the day more refreshed and relaxed. A person has to experience the effortless process of automatic Powerglide fully to appreciate its advantages.

"We urge everyone not acquainted with Powerglide automatic transmission to visit our showrooms during the special demonstration period to find out for himself all the features of Powerglide automatic transmission."

Floyd Youths Are Awarded Livestock Prizes By Concern

Floydada. —Cow hog hen winners among Floyd county 4-H club boys gathered at the county agents office to receive their prize gifts, which they will raise and exhibit this fall. They won their pigs in a contest which is based on interest shown, 4-H club records and essays written. Awards were made by a committee of five co-operative business concerns in the county. Winners were James Teague, Joe Neil Rexrode, Donald Pigg, J. E. Waller, Norman Brinz, Roy Hartman, Jerry Finley, John Paul Schacht, James Hartline and Jerry Cross.

Bake Sale Saturday For Girl Scouts

A bake sale will be held Saturday benefitting the Sunflower girl scout troop No. 7. It was announced this week by Mrs. Hugh Counts, troop leader. The pies and cakes will be on sale in the offices formerly occupied by K. W. Cook, jeweler, in the Plains Theatre building. Everyone is invited to bring a cake or pie to be sold and also those interested in purchasing a cake or pie are invited to come by and make their selections. Mrs. Counts said that handbooks for the girls have arrived and that they should see her to secure one.

Rev. Young To Preach Here

Rev. J. E. Young of Floydada will preach at the City Auditorium in Lockney each evening at 8 o'clock starting Monday night of next week, June 18, it was announced this week. The meeting will continue through June 30.

Rev. Young said that his first message will be "Behold the Bridegroom Cometh, Go Ye Out to Meet Him."

"We wish to invite the public out to hear the gospel preached in its power and purity," he said. "You will hear messages that will stir your heart on the soon coming of Jesus."

Clyde Applewhite and Henry Hodel returned Sunday after spending several days at Mineral Wells fishing.

Church Filled At Special Services

The Trinity Lutheran Church at Providence was filled to overflowing at services Sunday which marked both the 40th anniversary of the church's founding and the first ordination of one of its members to the ministry. The morning service was an observance of the 40th anniversary with the sermon by Rev. F. A. Bracher of Fredericksburg, who assisted the congregation in founding the church. His sermon was on "Trinity Church, A Mount of Transfiguration," and the scripture was from Matthew 17:1-18.

Special music was under the direction of Albert Scheele and entitled "Great Is Thy Mercy" by Handel. At the noon hour a delicious basket lunch was served and during the noon hour greetings were read to the group from many friends of the church.

At 3 p. m. a service ordaining Rev. Lee Roy Brandes to the ministry was held. The following program marked the ordination service:

Prelude: "My Jesus, I Love Thee"—Gordon.

Practical Hymn: "I Know Whom I Believe In."

The Old Testament Lesson: Psalm 121.

Gloria Patri.

New Testament Lesson: II Timothy 4:15.

Hymn: "O Pour Thy Spirit from on High."

Sermon: Rev. E. Herber of Thrall, Texas.

Special Anthem: "O Lord, Speak Now Within Me"—Sullivan.

The services of ordination were conducted by Rev. C. N. Roth, assisted by Rev. H. L. Anderson, Rev. Bracher, Rev. Daniel Scholmer of Amarillo, Rev. Lowell Green, Posey, Rev. Sieburg, Lubbock, Student Pastor Leslie Hebenner, Wilson, and Rev. Koethree, Odessa.

Special Benediction Song: "The Lord Bless You and Keep You," by Mrs. H. L. Anderson.

Recessional Hymn: "Go With Jesus To Thy Task."

Postlude: "Day Is Dying in the West."—Sherwin.

Gifts presented to Rev. Brandes included a beautiful Bible from the Luther League and the Candle Light Circle, a tinted portrait.

trait of Jesus with electric lighting from members of the congregation, and a nice clock from the Sunday School. Relatives of Rev. Brandes attending the ordination from other places included Mr. and Mrs. Leo Luedtke and Mr. and Mrs. Charlie Luedtke of Plugerville, Texas; Mr. and Mrs. Gus Amthor and daughter, Karen and Miss Bertha Luedtke of Waco.

Floyd Stowe of Lamar, Colorado, Denver Alfalfa Milling Company executive and Mr. and Mrs. Lee Leatherman of Plainview were dinner guests of Mr. and Mrs. J. D. Wood Tuesday.
