THE LOCKNEY BEACON

• SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY •

VOLUME 49

LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, AUGUST 31, 1951

NUMBER 52

Lt. Henry N. Schacht Is Platoon Leader

Headquarters, Aviation Engineer Force, Wolters Air Force Base, Texas 21, August 1951. — Active in the ROTC program at Texas Tech before graduating last June, 2nd Lt. Henry Neil Schacht of Lockney, has recently been assigned as platoon leader in Company A of the 1901st Engineer Aviation Battalion at Wolters Air Force Base, Mineral Wells, Texas.

Lt. Schacht majored in Industrial Engineering while at the Lovett, Texas institution and was a member of Silver Key and Tau Beta Pi, honorary engineering fraternities.

At Wolters, "Home of the Aviation Engineers," is headquarters of the Aviation Engineer Force, newly organized component of the United States Air Force whose mission is to build, maintain, rehabilitate and defend air bases both here and abroad in the interest of the USAF.

Football Squad Hard At Work

Thirty-two sore and stiff football candidates were hard at work Wednesday morning on the local practice field with three

Don Bartram, regular on last year's team, hurt his shoulder and will be out of play for some time, it was reported Wednesday.

coaches urging them on at every step. The boys are members of the 1951 Lockney Longhorn squad and they are trying to get in shape to play the rough and tough Littlefield Wildcats on Friday night, Sept. 7.

Coach Curtis Kelly said Wednesday "We have a long way to go to get back into the condition we were in at the close of spring practice but we are going to do it." Wednesday morning was spent mostly in pass practice.

Coach Kelly will probably take the boys up to Happy Friday night for a scrimmage with the Happy Cowboys and there find what shape they are really in. The Cowboys are last year's regional champs and they lost only three off that team.

The boys are camping in the school gymnasium and working out morning and evening this week. Next week they will drop back into their regular practice schedule one time each day since school will start Monday.

Agent Estimates Cotton Crop At 130,000 Bales

County Agent Bob Gibson told The Beacon last Friday that the recent rains were good enough to raise the estimate of cotton production for Floyd county to 130,000 bales, probably an all time record.

Gibson estimated the county acreage to be around 170,000 acres. He is figuring that irrigated cotton will average a bale per acre and the dryland cotton will produce at least a half bale average.

The insect problem is still bothering local farmers and probably will continue to be a problem until frost. A few farmers have been spraying in this area this week but the boll worm infestation is not bad in any certain area.

Hollis Thornton Lands In States

Cpl. Hollis Thornton landed at Seattle, Washington, last Friday after eight months service in Korea and is expected to be here this week according to a telephone call to his wife here this week. Hollis is slightly wounded while in Korea. It was reported here that he will be discharged soon from the Army.

Registration For School Monday

All pupils in the grade school and those in high school who did not register last Spring will be registered and all pupils will receive books and assignments Monday, Supt. Sidney Reeves said this week. The school buses will run so as to get the pupils to school at 10 a. m. Monday and will make their return trip at noon. Regular class sessions will begin Tuesday morning.

Principal Weldon Dodson has assigned certain rooms in which each grade in the elementary school will register and he requests pupils to report to their assigned rooms at 10 a. m. Monday. His room assignment is as follows:

First grade—room 19, second grade—room 17, third grade—room 16, fourth grade—room 6, fifth grade—room 4, sixth grade—room 5, eighth grade—room 2.

The seventh grade will report to the high school building where they will be housed this year. School officials were unable to work out plans to house the eighth grade at the high school building as they did last year because of their number. There are 78 pupils in the eighth grade this year and high school facilities would not take care of that many.

Meanwhile Supt. Reeves was trying to complete the faculty and get other things in readiness for the school year. Mrs. Ben Wood, a first grade teacher resigned the past week and that vacancy has not been filled as yet. Mrs. Wood will accompany her husband to Dallas where he will enter a school.

Building Redecorated
The high school building has been completely refinished inside. Mr. Reeves said, adding much to its attractiveness. The floors at the grade school have also been refinished.

Wildcat Slated For SW Floyd

A 7,800-foot wildcat has been announced for southwest Floyd county, three miles east of the Arick Pennsylvania pool, which straddles the Floyd-Hale county line.

Floyd H. Flake of Houston will drill the test on farmout acreage obtained from Honolulu Oil corporation and George F. Livermore, Inc. of Lubbock.

Flake's No. 1 G. W. Cordova will be in the southeast quarter of section 25, block K, TT survey, and 10 miles southwest of Floydada.

Acreage Located
Acreage obtained from Honolulu and Livermore includes: north half of southwest quarter of section 22, northwest quarter of southwest quarter and east half of southeast quarter of section 25, northeast quarter of section 24, east half of northeast quarter of section 22, east half of northwest quarter section 24, and the northeast quarter of section 28, all in block K, TTRR survey.

Operations reportedly will begin as soon as drilling rig can be obtained.

City Uses Nearly Half Million Gallons Water Per Day

Citizens of Lockney used nearly a half a million gallons of water per day for the fiscal month July 17 to August 17, according to figures released this week by Harmon Mills, city water superintendent.

The pumpage totaled 13,170,000 gallons for the 30 day period. This averages approximately 438,000 gallons per day. It was the highest water consumption record in the city's history, Mills said.

Marjitta Thompson of Lovington, New Mexico visited her aunt, Miss Juanita Thompson over the week end.

Providence School To Begin Monday

The new school term will begin at Providence school Monday morning, Sept. 3rd. It was announced this week. School will be in session only from 10 a. m. until 12 noon on Monday and the regular class work will begin Tuesday.

The interior of the Providence school has undergone a complete redecoration and all parents of the community are invited to visit school Monday and see the building after it has been renovated.

Districts Vote On Consolidation

The Lockney Common School District No. A and Lone Star Common School District No. 14 will each vote on the question of whether the two districts will be consolidated for school purposes Saturday of this week.

Polls will open at 8 a. m. and close at 7 p. m. in each place. Lockney voters will vote at the high school building and Lone Star voters will vote at the Lone Star school building.

At Lone Star Mrs. C. D. Merrick has been named presiding officer and Mrs. W. H. Wingo and Mrs. Rex Jackson as clerks. At Lockney Frank Dodson is presiding judge and clerks will be T. B. Mitchell and Carl McAdams.

The matter is drawing considerable interest in the Lone Star district and the vote there is expected to be very heavy. It will probably be tight in the Lockney district. The proposal must have a majority vote in each district to carry.

County Wide 4-H Camp This Week

The annual county-wide 4-H Camp for the 4-H Club boys and girls in the county will be held Thursday and Friday of this week. The Camp will be held at the Baptist Encampment grounds. Registration will start at 3:00 o'clock Thursday afternoon and Camp will end by 10:00 o'clock Friday morning.

Parents of the boys and girls are invited to come to the Camp on Thursday and stay until after the evening's program. Leaders will spend the night. Those spending the night should bring cots and bed rolls.

Parents are asked to bring a picnic supper, or the boys and girls will bring a sack lunch. Breakfast will be prepared at Camp Friday morning. A charge will be made for breakfast.

Games, swimming, talent show and movies will make up the program of the Camp. County officers will be elected Friday morning.

Lions Goat To Be Auctioned Off

The Lockney Lions Club goat, christened "Billy Applesmith" will be auctioned off to the highest bidder for cash and the proceeds donated to the Lockney Cub Scout troop, it was revealed this week.

The goat was purchased several weeks ago and used in promoting attendance at the club's weekly meetings. However, he is fat now and ready for the butcher so the Lions have decided to auction him off. Barry Barker, amateur auctioneer and one of the best in this area will do the auctioneering and the sale will be held in front of Hammond & Company building Saturday afternoon at 3:30.

The Lions invite everyone to come and bid on the goat and especially members of the Lockney Rotary Club, they said this week.

Pfc. and Mrs. James Carroll returned to Long Branch, New Jersey after a short visit here with his parents, Mr. and Mrs. Hugh Carroll.

Pioneer Lady Is Taken By Death

Mrs. Nanny Rebecah Ramsey, a real Floyd County pioneer and one of the first persons to live in the area now called Lockney, passed away at the Lockney General Hospital late Tuesday evening. She was 75 years of age and had been bed fast for the past year at the home of her daughter, Mrs. Henry Bollman in Lockney.

Funeral services were held at the First Methodist Church here Wednesday afternoon at 3:00 o'clock with Rev. H. W. Hanks, pastor of the Muleshoe Methodist Church officiating. Interment was in the Lockney Cemetery with Carter Funeral Home in charge of arrangements. She had been a member of the Lockney Methodist Church for many years.

Mrs. Ramsey was the last survivor of the immediate family of Mr. and Mrs. George Farnsworth who moved to the present site of Lockney in December, 1890.

She was born February 27, 1876 at Armor, near Coolee, Texas, in Limestone County. She was the third daughter of the Farnsworths. Her mother passed away in 1887 leaving four girls and two boys.

Her father married Mattie Brown of Kentucky and in December of 1890 the family came here to make their home, living in a half dug-out southeast of the Al Smith home in what was Old Lockney. Mrs. Ramsey attended the second school held in Lockney.

In 1891 the Farnsworths moved east of Lockney several miles and Mr. Farnsworth operated a store at Mayshaw, a ghost town that was located on the Smalley place. The Farnsworth children attended the Mayshaw school which was taught by Miss Rose Ewing, later Mrs. E. P. Thompson.

In 1894 Mayshaw was moved away and Mr. Farnsworth disposed of his store there.

On August 16, 1908, Nannie Farnsworth was married to J. W. Hammonds at Dilley, Texas where the Farnsworths had moved a short time before. The couple came back to Floyd County to make their home. Two children were born to this union, being Mary Lou Hammonds, now Mrs. Henry Bollman of Lockney, and Edwin Hammonds who lives south of Lockney, near Sand Hill.

Mr. Hammonds passed away on July 20, 1919 and on February 4, 1923 Mrs. Ramsey was married to C. F. Ramsey who died on February 17, 1942.

Mrs. Ramsey was well known among all old settlers of this area and she could recall many events of early day history of Floyd County.

Survivors include her two children, six grandchildren as follows: Eddie Lynn and Jimmie Hammonds of Sand Hill, Nancy, Wiley, Louise and Billy Bollman of Lockney. Among the nephews and nieces surviving are Mrs. William Wood and Herman Huffman, both of the Prairie Chapel community.

Clyde Stowe's Father Passes At Olney

S. A. Stowe, 88 years of age, father of Clyde Stowe of Lockney, passed away at his home near Olney late Thursday afternoon of last week. Mr. Stowe had been in ill health for several years but death came suddenly and unexpectedly since his condition seemed to have improved lately.

Funeral services were held at the Cumberland Presbyterian Church in Olney Friday afternoon with burial in the Olney cemetery.

Mr. Stowe was born in Tennessee on May 6, 1863. He moved to Young County in 1900 and made his home there since.

Survivors include his wife, five sons, Clyde of Lockney, Audra of Wichita Falls, Elven, Willie and Wayne of Olney. Also surviving are 13 grandchildren and seven great-grandchildren.

Pfc. Leach Is Honor Guard At Korean Peace Camp

With the 7th Cavalry Regiment in Korea, — Pfc. James H. Leach of Lockney is a member of the honor guard for the United Nations' advance peace camp at Munsan.

Private First Class Leach earned his select post as a member of the 7th Cavalry Regiment's Second Battalion Combat Team, the unit chosen to guard the historic camp site.

In addition to protecting the peace camp the yellow-scarved cavalrymen provide security for the correspondent's press train and the road leading to Kaesong, site of the peace talks.

X-Ray Survey At Lockney Auto

As it was last year, the mass x-ray survey by the mobile x-ray unit from the State Department of Health will be held this year at the Lockney Auto Company show rooms. The survey will be held in Lockney Friday and Saturday, Sept. 7 and 8 and at Floydada Tuesday and Wednesday, Sept. 11 and 12.

Mrs. M. W. Wiley again heads the drive at Lockney and in this part of the county. This week she named her committee chairman to help in arrangements for the drive. They are:

Telephone committee — Mrs. Estelle Powers.

Location committee — Arthur Barker Sr.

Loading and unloading — Dee Copeland and Fay Pinner.

Publicity — Edgar Hays.

Hostess committee — Mrs. Henry Hodel.

House-to-house canvas committee — Mrs. Marvin Gilbert.

Clerical committee — Mrs. Wanda Baker.

Transportation committee — Bilbrey Motor Co., "Whitey" Bacus Motor Co., Lockney Auto Co.

Electrical committee — Joe Parrish.

The survey will run each day from 9 a. m. until 5:30 p. m. and everyone over 15 years of age is urged to appear for a free chest x-ray. Although most people were x-rayed last year, a chest x-ray every year is desired in order that tuberculosis or other chest abnormalities may be detected in the very early stages.

First New Maize Came In Monday

The Colvin Brothers, farming four miles east of Lockney, brought in the first new maize to local elevators Monday and Tuesday. The maize was from a dry land field and produced 1050 pounds per acre. Moisture content of the grain was 15 1/2% in the first load but fell to 14%.

Baxter & Smith Elevator handled the grain.

Ivy Thomas brought in a load of maize to Patterson Grain Company elevator here Tuesday also from a dry land field. He estimated that the grain was making 1200 pounds per acre.

It will be close to October 1 probably before irrigated milo is ready for harvest and the acreage this year is much less than last, according to elevator men. The decline in acreage of milo is due, of course, to the tremendous cotton acreage.

A recent survey in this county revealed that the total milo acreage this year is only around 37,000 acres while it was close to 90,000 last year. The survey showed 12,000 acres of dryland milo compared to 50,000 acres last year, and 25,000 acres of irrigated milo compared to 40,000 last year. Yield per acre will vary from around 1,000 pounds on dryland to as high as 5,000 pounds on irrigated. The rains last week will be of considerable value to late dry land milo.

Mr. and Mrs. M. L. Anderson and family of Benicia, Calif., came Saturday night for a ten-day visit with his parents, Mr. and Mrs. C. L. Anderson.

Taylor's Lake Pump Produces 2,000 Gallons

Another lake irrigation project in this area is attracting lots of attention among farmers that being the recently installed pump and line on the C. J. Taylor farm just two miles north of Lockney. The turbine pump produces 2,000 gallons of water per minute, enough water to run 170 2-inch tubes, Mr. Taylor said.

An indication of the tremendous amount of water produced by the pump is the fact that soon after installation Mr. Taylor watered a 20 acre block of alfalfa hay in a 12 hour period.

The 55-acre lake is located on the Taylor and John F. Bickley farms and has a large amount of water in it. Mr. Taylor said that in the past six years the lake had been dry only one time and that he believed that sufficient water would be in the lake at some time during almost any year to be of value in irrigation.

Mr. Taylor dug a 5x5 pit at the south edge of the lake and dredged a 5-foot wide ditch from the deep part of the lake to the pit. The pit is concreted and the turbine pump is set on a concrete foundation six feet above the ground level. The water is pushed up the hill in a 15 inch concrete pipe some 1500 feet with two outlets, either or both which may be used when the pump is running. The turbine pump is pulled with a 25 h. p. electric motor, however the motor is only using around 22 h. p. according to local electricians. The pit is only 10 feet below ground level and the short distance the water is raised by the pump reduces materially the amount of power necessary for pumping. The pump is on 10-foot setting with one 14-inch stage. The water is pumped into a basin and is pushed up the hill by gravity when the water level in the basin gets high enough. The rise from the ground level at the pump site to the top of the hill is 12.9 feet, engineers said. The line was installed by Gifford, Hill & Western of Lubbock and Plainview.

Mr. Taylor said that by using a turbine pump with a 10 inch opening, there was no binding of the water at the opening and building up the horse-power. This reduces the amount of power needed to pump the water.

Engineers who installed the pipe said that agricultural men are of the opinion that lake water is much richer than well water and that this type water is much more beneficial in irrigating than is well water. The disadvantage to this type irrigation is that weed seed is picked up and pumped through the pipe onto the land that is being irrigated, thereby increasing the amount of weed vegetation.

The total cost of the installation, including pump and concrete line was around \$3,000 Mr. Taylor said.

Mr. and Mrs. Arthur Taylor and Jovonne have recently moved back to Lockney from Cone.

CARD OF THANKS

We are deeply grateful to our friends of Lockney who sent flowers and otherwise expressed sympathy during our recent bereavement. We shall always remember your kindness and thoughtfulness.

Mr. and Mrs. Clyde Stowe and family.

DINNER GUESTS HERE

Dr. and Mrs. Charles A. Baker and Charley of Washington, D. C., Mr. and Mrs. Robin Baker of Plainview were dinner guests of Mr. and Mrs. Al Willis last Wednesday evening. Dr. Baker is a native of Lockney and is now specializing in brain surgery at the nation's capital. He has made an outstanding record for himself in medicine.

Mrs. R. E. L. Stutts visited Mr. and Mrs. B. L. Sandefer of the Center community Sunday afternoon.

Irick News

By Mrs. J. C. Chambers

The rainfall last week did some good to crops, but was not sufficient to stop the use of the wells. Everyone is still watering, but hoping to complete their watering this week.

Mr. and Mrs. John Holmes are the proud grandparents of a baby girl, born to their daughter, Mrs. Albert Cannon of Plainview. Mrs. Cannon is staying at the home of Mr. and Mrs. John Holmes and Mrs. Jack Dollar are helping with the care of the new baby.

Visitors in the Holmes home Sunday were: Mr. and Mrs. H. D. Ashby of Lockney, Mr. and Mrs. Teaver Ashby of Amarillo, Mr. and Mrs. Ed Holmes and Mrs. M. B. Holmes of Floydada. A niece of Mrs. Ray Hillman is visiting her this week. She is Miss Judy Stephens of Ponca City, Okla. She plans to return home Thursday.

Mrs. Oliver Holmes' nephew, R. E. Gee of Floydada is visiting her this week.

Mr. and Mrs. J. D. Sumrall of Hale Center and Mr. and Mrs. Melton Bell, of Abernathy were visitors in the Andy Jolly home Saturday night. Mrs. Sumrall is a cousin of Mrs. Jolly's.

Mr. and Mrs. Frank McClure have returned from their trip to California. While they were gone they visited Mrs. McClure's mother and father, Mr. and Mrs.

A. Collins and her brother A. J. Collins at Englewood, Calif. At Los Angeles they visited an uncle, of Frank's and four of his aunts. They enjoyed an outing and picnic at Ferndale Park in Los Angeles Sunday. They returned home last Tuesday.

Jimmie McClure is gone, now, on a vacation trip to Colorado. He went with the T. V. McClure family from Lockney. They intend to visit points around Colorado Springs. They left last Thursday.

Mr. and Mrs. H. E. Seago went to Amarillo this weekend to visit her parents, Mr. and Mrs. J. M. Foster. Mr. Foster returned with them for a visit, this week in their home.

Mr. and Mrs. Carl Blair spent the weekend at O'Donnell visiting her father, E. W. McMurtrey.

Mr. and Mrs. W. D. Colson went to Amarillo Tuesday to get her aunt, Mrs. Susan Frazier, from Alliance, Nebraska, and W. A. Sutton from Colfax, Washington, who plan to visit with them and the J. B. Potts this week. Mr. and Mrs. Jim Crosslin and daughter, Linda, are visiting with the Colsons this week, too.

Mr. and Mrs. Fred Duvall had as guests in their home this last weekend, Mrs. Duvall's sister and husband, Mr. and Mrs. Earl Edmonson and children and Mrs. Duvall's mother, Mrs. Virgie Dabbs and Mrs. Olan Rexrode of Vernon. Fred's sister, Mrs. Wesley Ward from Ivanhoe, Calif., is visiting them now.

Mrs. W. R. Kirkpatrick is able to be out some now. She attended church for the first time since her illness, Sunday. She has been confined to her bed since early June.

Mr. and Mrs. Warren Graham and children, accompanied by Mr. and Mrs. Walter Shaddix and son, Bobby, and Mr. and Mrs. Amos Shaddix and daughter, Kathryn, of Plainview, went to Roaring Springs for a picnic Sunday.

Mr. and Mrs. Delbert Graham and daughter, Patricia, from Plainview ate Sunday night supper with them.

Mr. and Mrs. J. C. Chambers and children went to Half Way last Saturday and ate lunch with Mr. and Mrs. Clyde Curry.

Guests in the home of Mr. and Mrs. J. C. Chambers Tuesday for dinner were: Mr. and Mrs. B. O. Burk and daughter, Yvonne from Plainview and A. C. Huff, Mrs. Chambers grandfather from Temple.

Lone Star News

By Mrs. Donald Johnson

Mr. and Mrs. Dawson Busby and family from Englewood, Calif. are visiting in the home of Mr. and Mrs. Ben McGhee and other relatives this week.

Bailey Henderson is recovering from an operation. We wish him a speedy recovery.

Linda Johnson is nursing a very badly cut foot this week.

Herbert Hatcher of Casa Grande, Arizona is visiting in the home of Mr. and Mrs. Jack Frizzell. They all visited in Silverton Thursday with Mr. and Mrs. George Long.

Mr. and Mrs. A. E. Frizzell, Mr. and Mrs. George Long and David Frizzell spent the week end in Amarillo with Mr. and Mrs. Benzil Boyter. The men all went fishing.

Mr. and Mrs. G. B. Johnston Jr. and son have been visiting her parents, Mr. and Mrs. Huckabee of Strawn.

Miss Myra Applewhite leaves Saturday for Eagle Pass where she will teach this year.

Louise Applewhite will leave a week from Saturday where she will take up her studies at Baylor.

Mr. and Mrs. James Wigginton had as their guest Sunday Mr. and Mrs. Jerald James of Silverton.

L. O. Graves spent Saturday night at home. He returned Sunday to the Veterans Hospital to have some more teeth pulled. He is improved at this writing and we hope he continues to improve.

Mr. and Mrs. Howard Watkins visited Mr. and Mrs. Buck Garrett of Kress. They also visited Mr. and Mrs. Eldon Watkins and new baby. They are staying a few days with the Garretts.

Miss Mammie Lou Nance of Amarillo spent the week end visiting her parents, Mr. and Mrs. W. D. Nance.

Donald Henderson Honored

A birthday party was given Friday afternoon in the home of Mrs. W. D. Nance for her grandson, Donald Henderson. Games were played and gifts opened. Cake and ice cream cones were served to the following: Derrell, Delinda and Jane Phillips, Tony Frizzell, Jimmy Hartman, Ronnie and Johnnie Belt, Linda and Doyle Johnson, Vicky and Steve Rodgers, Bobbie Webster, Mike Nance, Dennis Griffith, Lynn Denton, Sandra Huggins. The mothers were: Mrs. D. J. Phillips, Mrs. H. E. Frizzell, Mrs. Shorty Hartman, Mrs. Gene Belt, Mrs.

Donald Johnson, Mrs. Sidney Rodgers, Mrs. R. V. Webster, Mrs. W. D. Nance, Mrs. Harold Griffith, Mrs. Fred Huggins, La Juan Henderson.

HERE FROM ARKANSAS

Mr. and Mrs. J. B. Teaff of Bentonville, Arkansas, are here visiting relatives and friends.

Mr. and Mrs. Gene Belt and family, Mr. and Mrs. J. R. Belt and family, Mr. and Mrs. Kenneth Wofford and family spent last week on a vacation trip to Red River and Eagle Nest, N. M., and other points in that area.

Mr. and Mrs. Joe Stutts of Plainview visited his mother, Mrs. R. E. L. Stutts Sunday.

Mrs. S. A. Stowe of Olney is here visiting her son, Clyde Stowe and family.

Mr. and Mrs. R. E. Young and Mr. and Mrs. Don Shurbet went to the hospital in Tulsa last Tuesday evening to visit the Young's daughter, Mrs. J. S. Brannon, who has been quite ill, but is better at present.

Mr. and Mrs. Grigsby Milton, Barbara Sue and Donita attended the graduation services at the Buffalo Stadium in Canyon Friday night, when Mrs. Roy Childress received her Master of Science degree, and Mary Louise Childress received her Master's Degree in the Arts.

Mrs. David Matthew and twins, Judy and Jimmy, from Burbank, Calif. spent Thursday with her brother, J. K. West and family. Mr. West's cousin, Mrs. Florence Walker, from Hollywood, Calif., was an all day visitor on Thursday also, at the West home.

Mr. and Mrs. Ray Staleup of Pleasanton, Texas, visited Monday night at the home of Mr. and Mrs. Sim Reeves.

Rev. John Allen, Mrs. Allen and Rev. C. A. Joiner were dinner guests at the home of Gilbert Bean on Monday, and Monday evening Rev. Allen and wife and Rev. Joiner ate supper with Mr. and Mrs. H. L. Marble. While the parsonage is being made ready, the Allens will be guests at night at the home of Mr and Mrs. Sim Reeves.

Dale Sims has been visiting his parents, Mr. and Mrs. Will Sims over the past week end. He is still stationed at Camp Chaffee, Arkansas.

Mrs. Barty Scott from Albuquerque, N. M., returned to her home after spending a few weeks with her sister, Mrs. Lee Pearson and family. She has been recuperating from an illness. Her son came over and drove her home.

Mr. and Mrs. Rufus Young and Mr. and Mrs. Don Shurbet spent Friday night in Lubbock visiting Mr. and Mrs. Ted Pitts and baby.

Mrs. George Beedy's sister, Mrs. Frank Young and Mr. Young and daughter from Tucumcari, N. M., arrived Friday to spend the week end with Mr. and Mrs. George Beedy.

Mr. and Mrs. Otho Sanders entertained with a picnic supper at their home on last Friday night. The supper was served outdoors on the back lawn, and those who enjoyed the repast were Rev. F. R. and Mrs. Pickens from Aiken, and Mr. Ernest Pickens from Dinuba, Calif. Mr.

and Mrs. L. A. Claborn from Fortenberry and Elmo, and all Sterley, Mr. and Mrs. Fred the Sanders family.

Reeves, Harry Hartman, Arby Mulder, George Beedy, John Smitherman, Bill Beedy, Raymond Upton, Dock Jones and H. G. Calahan, Jr., planned the party at the home of Mrs. J. W. West, but Wednesday's rain, and inclement weather, made it impossible for anyone to get off the pavement, and at the last minute, the beautiful home of Mrs. George Beedy's was the meeting place. The house was decorated with lovely fall cut flowers, and the table was covered with a lace cloth and the golden punch was surrounded with dahlias in beautiful colors of yellow and orchid. Mrs. Don Shurbet's corsage was of yellow dahlias, and the bride's mother, Mrs. R. E. Young wore pink dahlias, and the bridegroom's mother, Mrs. Hilary Shurbet, was also given a pink dahlia corsage. Cakes made of angel squares iced and decorated with "Meri and Don" were offered the guests with the golden punch. Due to the weather only a small number of guests were able to attend. The list numbered twenty-five.

Bud Higginbotham celebrated his sixth birthday Saturday with an angel food cake, ice cream, and presents at his home. Bruce Julian spent the night and day with him, and they all enjoyed the matinee on Saturday afternoon.

The John Key West home was the meeting place of Mrs. West's brothers and their families over the week end. On Friday Mr. and Mrs. A. M. Dorsey from Floyddada and Mr. Bob Henry, Floyddada, Mr. and Mrs. Vernon Dorsey and children, and Mr. and Mrs. Bowman Dorsey and children, both families from Lubbock, came out and they all visited together until Sunday afternoon. Mrs. West's ice cream freezer was in constant demand during all this time, due to the hot weather and amazing appetites.

Mr. and Mrs. John Smitherman have been visiting since last Thursday at Merkel. They are expected home this Monday.

Mr. and Mrs. Joe Phillips spent Sunday with Mr. and Mrs. Rene Yeary, and Mr. and Mrs. Clinton also from Lockney, spent Sunday afternoon with the Yearys, as did Mr. and Mrs. Lewis Dean Brand and Sandra from Amarillo.

The W. M. Stanforth home was the scene of a lively barbecue party on Friday evening. James A. Higginbotham and Eugene Beedy entertained at the Stanforth barbecue pit for a group of their friends, with a delicious supper of barbecued chicken, with sauce made by Mrs. Stanforth Jr. Angel cake and ice cream was served at the close of the supper. Those who joined

FORDOMATIC OUTGOES THEM ALL!

THE FORDOMATIC FORD GIVES YOU AN ENTIRELY NEW KIND OF DRIVING!

Combines best features of previous drives! Fordomatic gives you two automatic drives in one—a torque converter for smoothness—and automatic gears for get-up-and-go.

Practically drives itself! Fordomatic thinks for you. It smoothly and automatically provides a countless number of drive ratios through which engine power is fed to the rear wheels.

Easier rocking! It's even easier to "rock" out of sand, snow or mud with Fordomatic than with Conventional drive. Just move the selector back and forth between low and reverse.

It's a gas-saving powerhouse! Fordomatic's automatic intermediate gear provides smooth, fast, economical "getaway" without wasteful engine racing. Uses no more gas than the savingful conventional Ford.

Jean Wofford Has Birthday Party

Jean Wofford, daughter of Mr. and Mrs. Kenneth Wofford, celebrated her 11th birthday with a party at the Plainview Park on Monday of this week, August 27. Various games were played, including baseball after which refreshments of birthday cake and punch were served to the following:

Larry Hammit, Jerry Davis, Jerry Rose, David Howell, Johnny Hanst, Ronny Laceywell, Glynice Pulliam, Sally Cox, Gayle Rucker, Kitty Ray Rucker, Kay Golden, Hope Cox, Jane Chandler, Dolores Brown, Virginia Caldwell, Judy Terrell, Geraldine Machen, Cheerie Welch, James Ray Wofford, Jean Wofford, the honoree, Jean, Mrs. Raymond Rucker and Mrs. Kenneth Wofford.

B&PW Club Has Meeting Tuesday

The Lockney Business & Professional Women's Club met in the home of Mrs. Ellen Wiley Tuesday evening at 7:30 for a picnic supper.

During the business session following the supper two new members were voted into the club, Mrs. Rita Webster and Mrs. Warren Embree. A committee was appointed to investigate buying flags for the school band.

Attending the meeting were Mmes. Georgia Hitch, Dora Crum, Wilma Brown, June Bybee, Ada Bailey, Wanda Baker, Tangy Hargis, Bettie Counts, Edell Sams, and the hostesses, LaVerna Brunner, Frances O'Hearn and Ellen Wiley.

Mr. and Mrs. Dawson Busby and children of Ingewood, California, arrived Sunday for a visit with relatives here.

MRS. BILLY BEAN

Billy Bean Weds Plainview Girl

Margarete Whitfield Johnson of Plainview and Billy Bean of Lockney were married Sunday afternoon, August 19, at the home of the bride's sister, Mrs. John Griffin Brown, near Wingate.

Others attending were: Mr. and Mrs. D. H. Brown, Licking, Mo.; Mrs. Howard Jadin and Sandra, St. Louis, Mo.; Mr. and Mrs. Bob Eubanks, Clovis, N. M.; Mr. and Mrs. Lindsey Bowers, Burnet, Texas; Scharleen Barnett, Hale Center, Texas; Mr. and Mrs. Olin Huff, Patricia and Charlotte, Canyon, Texas; Mr. and Mrs. Preston Greenwood and Wayne, Plainview, Texas.

The bride is the daughter of Mrs. O. L. Parrish of Artesia, New Mexico and Mr. and Mrs. Gilbert Bean of Lockney are parents of the bridegroom.

The double ring ceremony was performed by the Rev. David Hamblin of Abilene before a wrought iron arch entwined with pastel asters and greenery flanked with wedding baskets of white gladioli.

Recorded music, with Mrs. Joe Knight of Rankin as supervisor, provided traditional wedding marches and selections of "I Love You Truly," "Because," "I Love Thee" and "O Promise Me."

The bride chose a ballerina length costume of a pink chiffon duster over a pink chiffon gown embellished with an all-over corded design. The bodice was fitted with narrow straps over the shoulders and a full skirt.

Her hat was a bonnet shaped maple velour with tiny brown velvet studded with rhinestones. The short brown veil was also encrusted with a rhinestone design. Her only ornament was a three-strand pearl necklace.

She carried an orchid showered with satin streamers and white blossoms on a white Bible. The Bible was something borrowed from her sister, Mrs. Brown. For something old she wore an engagement ring belonging to her mother.

Mrs. Brown was matron of honor and wore a shirtwaist dress of brown chiffon, tailored with short sleeves and a straight skirt. She wore brown accessories and a pink aster corsage.

Guests at the reception were registered by Mrs. John Francis Brown of Winters.

The bridal table was laid with an imported linen cutwork cloth and centered with a two-tiered wedding cake on a reflector, topped with a bride and groom. Mrs. Shelby Calahan of Lockney, sister of the bridegroom, served cake and punch was served by Mrs. Knight.

After a wedding trip to Colorado Springs, the couple will make their home in Plainview.

For traveling the bride chose a navy blue accordion pleated frock of alpaca with a wide navy leather belt. She wore a red straw hat and red reptile shoes.

Mrs. Bean is a graduate of Wingate High School and Shannon School of nursing in San Angelo.

She did post graduate work in anesthesia at Baylor University School of Anesthesia in Dallas. She was formerly a member of the staff of the Plainview Hospital.

The bridegroom is a graduate of Floydada High School and Texas Tech in Lubbock. He now has an interest in the Patterson Grain Company here and at Sterley.

Johnson Family Reunion Held At Amarillo

Members of the family of the late Mr. and Mrs. T. M. Johnson of Lockney met recently at the Youth Center at Amarillo for a reunion. One hundred and four relatives and friends enjoyed a basket lunch, home movies, singing and visiting.

The children of Mr. and Mrs. Johnson were all girls and there was not a person present with the name Johnson.

Daughters and their husbands present were: Mrs. C. W. Biller and Mrs. W. M. Collins, Amarillo; Mrs. J. S. Barnett, Tulla, Mr. and Mrs. W. C. Watson and Mr. and Mrs. H. P. Coleman, Lockney.

Others attending were: Mr. and Mrs. D. H. Brown, Licking, Mo.; Mrs. Howard Jadin and Sandra, St. Louis, Mo.; Mr. and Mrs. Bob Eubanks, Clovis, N. M.; Mr. and Mrs. Lindsey Bowers, Burnet, Texas; Scharleen Barnett, Hale Center, Texas; Mr. and Mrs. Olin Huff, Patricia and Charlotte, Canyon, Texas; Mr. and Mrs. Preston Greenwood and Wayne, Plainview, Texas.

Mr. and Mrs. Glen Watson and Roland, Mr. and Mrs. Floyd Huff; Mr. and Mrs. Paul Kropp, Paullette, Bob, Jimmie and Earl E.; Mr. and Mrs. Irving Bennett; Mr. and Mrs. Earle B. Johnson, Gail and Teresa Ann; Wayne Coleman of Lockney.

Clyde and Ruby Biller; Mrs. F. K. Ross; Mrs. Jim Carruth; Mrs. Ida Hart; Jeff Collins; Mrs. B. E. Nowlin; Mrs. Elizabeth Egidon; Mrs. I. F. Barton; Neal Collins; Mrs. Lula E. King; Mr. and Mrs. Louis Earthman and Sandra; Mr. and Mrs. Clark Earthman, James and Linda Lee; Mr. and Mrs. Leslie Gilbert; Mr. and Mrs. Arthur Cox and Keith; Mr. and Mrs. Ralph Darnell and Brannan; Mr. and Mrs. Joe Si Collins and Richard Lee; Mr. and Mrs. Orville Rigdon, Virga Lee, Pattie Joe, Cheryl Lynn; Mr. and Mrs. J. A. Bowman; Mr. and Mrs. Monehead and Wanda; Mr. and Mrs. Gus Thompson; Mr. and Mrs. Roy Turner; Mr. and Mrs. Gerald Bowers; Cynthia Ann Brown; Carol Jean McCord, of Amarillo.

Zed Barnett, Mr. and Mrs. Jack Blair, Mr. and Mrs. Henry Boston and Fred, Mr. and Mrs. E. L. Bowers, Tim and Dean, Mr. and Mrs. J. T. Barnett, Tommy, Gary, Schelia and Duane of Tulla.

Mrs. Record's Pupils In Recital Tuesday

Mrs. Charles E. Record will present her summer students in a recital Tuesday night at 8 o'clock at the First Methodist Church. The following pupils will be on the program:

Accordion, Janis Widener, Gail Chambers, David Hartman; Piano, Lynda Sue Glenn, Daria Allison, Charlotte Ann and Reba Ragle, Peggy, Dixie and Mary Katherine Ford, Rocky Mangum, Joan Harris, Jerry and Jonie Rose; piano and expression, Donna Lyn Record.

Training Meeting For H. D. Club Members Is Held

A training meeting on making Lamp Shades was held in the Council Room of the court house in Floydada on Wednesday, September 2. Leaders from twelve Home Demonstration Clubs were present for the very interesting demonstration given by Mrs. Lila Dickerson, Home Management Specialist from Pullman, Washington. Mrs. Dickerson was a guest of Miss Leila Petty, County Home Demonstration Agent, and graciously gave this leader training for her.

Each leader made a lamp shade at the meeting and they will give these demonstrations in their home demonstration clubs in September. The club will make lamp shades at their meetings. Visitors are invited. They should contact the leaders to see what to bring to make their shades.

Those present were: Mmes. Walton Wilson, Fairview; Glen Pool and Bob Hopper, Harmony; J. D. Wood, Lockney; Raymond Teple, Lone Star; L. K. Sherman, Pleasant Valley; D. W. Burke, Sunnyside; D. T. Mayo, Homebuilders; Verlon Wright and B. P. Neff, Lakeview; Roy Hollums, Sand Hill; Ruth Daniel, Dougherty; E. J. Cooper, Starkey; W. E. Grimes, Friendship; Mrs. Dickerson and Miss Petty. Also present was Mrs. Smithette of Roperill, sister of Mrs. Dickerson.

Friendship Circle Meets At Plainview

The Aiken Friendship Circle met in the home of Mrs. J. C. Thomas Sr. of Plainview Tuesday, Aug. 21, with Mrs. Buck Kellison as co-hostess.

The house was called to order by Mrs. Langfeldt and Mrs. Thomas opened the meeting with prayer.

After the business meeting the hostesses surprised the group by presenting an all-girl wedding. Mrs. C. J. Roach was the lovely bride and Mrs. Jack Jackson was the meek little groom. Mrs. Leslie Carlton was out of this world as a preacher, as was each one in the wedding party which included Mrs. Tommie Weathers, mother of the bride, Mrs. Leo Duvall, father of the bride, Mrs. Larue Glen, matron of honor, Mrs. Oscar Golden, best man, Mrs. Raymond Barr, the jilted lover and Mrs. Cecil Andrews, the M. P. Last but not least were the singers, Mrs. Buck Kellison, Mrs. Robert Kellison, and Mrs. Henry Moore, who sang, "Here Comes the Bride," and "Pistol Packing Mamma."

After the wedding the bride presented each member with their secret pal gift.

Lovely refreshments were served to eight visitors and 23 members. The visitors were Mrs. Derrell Cole, Smith, Spence, Chas. Clements, Duvall, sister of Mrs. Thomas of Plainview, Mrs. Thurman Thomas and J. C. Thomas Jr. of Aiken. Members were Mrs. Dutch Langfeldt, Mrs. Cecil Andrews, Mrs. Raymond Barr, Mrs. Leslie Carlton, Mrs. Leo Duvall, Mrs. Larue Glenn, Mrs. Jack Jackson, Mrs. Clyde Lucas, Mrs. D. M. Marshall, Mrs. Marvin Marshall, Mrs. L. H. Pickens, Mrs. R. L. Powell, Mrs. C. J. Roach, Mrs. Robert Schoppa, Mrs. J. C. Thomas Sr., Mrs. O. D. Wofford, Mrs. Tommie Weathers, Mrs. Henry Moore, Mrs. Robert Kellison, Mrs. Buck Kellison, Mrs. Oscar Golden, Mrs. Emmett Thornton and Mrs. C. H. Andrews. The next meeting will be with Mrs. R. L. Powell, Sept. 18.

OES Enjoys Annual Picnic Monday

The Lockney Chapter of the Order of Eastern Star enjoyed the annual picnic in the back yard of the T. B. Mitchell home Monday evening of this week. A delicious meal was served and the occasion ended by having pictures made of the entire group.

Those attending were: Mr. and Mrs. Marvin Cox, Mr. and Mrs. Herman King and son, Mr. and Mrs. Frank Messimer and Charlene, Mr. and Mrs. Howard Cooper and Carol, Mrs. Beth Mitchell and children, Mrs. Ruth Mitchell and son, Mr. and Mrs. G. H. Phenix, Mr. and Mrs. Buck Sams and Janice, Mr. and Mrs. Ewald Quebe, and Johnny, Mrs. Lena Pratt, Mr. and Mrs. Hugh Counts, Mr. and Mrs. Henry Ford, Mrs. Cox, Mrs. Ford's mother, Mr. and Mrs. T. B. Mitchell.

Miss Janice Thompson is spending two weeks here visiting relatives on vacation from her studies at McMurry College, Abilene. She will be a senior student when she returns to school in September.

Methodist Girls Met Friday

The Methodist Girls Group met Friday afternoon for a regular weekly meeting. A shower for Lavers Light going away to school. Several games were played and refreshments were served.

CARD OF THANKS

Words cannot express my appreciation to friends and hosts for the help, beautiful cards, flowers and the gifts brought during my long illness. My sincere thanks to all of you.

Mrs. W. E. Kirtland

CARD OF THANKS

I wish to take this opportunity to express my sincere appreciation to friends for the beautiful cards, flowers of food, and other gifts to me since my accident confines me to my bed. Bless each of you in my prayers.

Sincerely,
Mrs. M. P. Falkner

No Dollar Quotas In Bond Drive

The "largest possible" total of sales will be the goal of the Defense Bond Drive to be held Sept. 3 through Oct. 27, Nathan Adams of Dallas, state Defense Bond chairman, announced Thursday.

There will be no dollar quotas, Mr. Adams said in a letter to Mr. J. M. Willson, Defense Bond chairman for Floyd county. "Instead, Treasury Secretary John W. Snyder has asked us to sell as many Defense Bonds as possible, to back up our armed forces and to help resist the pressure of inflation," Mr. Adams said. He urged the local chairman, however, to set for the county a goal "high enough to be a challenge to you and your committee."

"The people want a part in the nation's defense effort," he said. "Right now the most practical way for them to help is for them to buy U. S. Defense Bonds."

Mr. Adams said that volunteers are being organized in every community of the state to conduct intensive campaigns during the drive, which is the first since outbreak of the Korean war more than a year ago. Emphasis will be placed on increasing sales through the payroll savings plan, which permits employees to buy bonds by having deductions made from wages or salaries, and the Bond-A-Month Plan, through which bank customers can buy bonds automatically.

Orland Gilbert Wins Carrier Prize

Orland Gilbert of Lockney was one of the five carrier boys for the Amarillo Daily News who were awarded \$50 endowment prizes recently at a dinner at the Amarillo Hotel. The awards were based on scholastic standings as well as enterprise as carrier salesmen. Points considered in selecting the winners in the carrier boys contest were high school grades, salesmanship, service to subscribers, business management, and citizenship. Orland's parents, Mr. and Mrs. Marvin Gilbert, also attended the banquet at which "Uncle Jay" Lynn was master of ceremonies. Wes Izzard, publisher of the Amarillo News, presented the awards.

GOOD FIRE RECORD FOR CITY

The premium and fire loss record for the City of Lockney since records have been kept shows that most years have seen credits on the fire rate for city property.

The record since 1923 was furnished Fire Chief Lowell Bilbrey recently by Olin Culberson, secretary, State Firemen's & Fire Marshals' Association.

YEAR	PREMIUMS	LOSSES	CREDIT	PENALTY
1923	\$ 7,846.52	\$ 4,081.78		
1924	11,761.19	3,869.49		
1925	9,159.56	3,966.07	15%	
1926	13,025.07	2,269.17	12	
1927	14,599.18	2,520.95	15	
1928	17,321.24	7,039.97	15	
1929	14,596.60	4,190.80	15	
1930	15,326.33	9,453.92	15	
1931	10,681.32	1,187.84	3	
1932	14,355.95	1,175.59	12	
1933	7,252.01	667.15	15	
1934	11,624.93	103.00	15	
1935	10,044.04	32.00	15	
1936	3,664.32	863.00	15	
1937	6,269.03	2,056.23	15	
1938	9,917.20	2,304.00	15	
1939	5,956.70	3,562.00	25	
1940	6,231.55	139.00	20	
1941	5,720.46	23.00	20	
1942	7,496.43	44,423.00	25	
1943	24,545.52	1,081.00	15%	
1944	12,604.93	3,675.00	15	
1945	21,986.31	58,123.00	10	
1946	18,401.53	64.00	15	
1947	33,462.34	230.00	15	
1948	26,912.00	1,147.00		
1949	24,790.00	7,261.00	5	
1950	32,735.01			
1951	398,567.01	164,454.00		5

Mr. Culberson pointed out that the record reveals the worth of the fire department to the city. In the following record, the large loss in 1943 was the Patterson Grain elevator here and the large loss in 1946 was the grade school building.

Following is the record as released by Mr. Culberson:

County Library Steering Group Named At Meet

A group met Tuesday evening in the District Court Room in Floydada to discuss a proposed library for Floyd County. Mrs. Howard Drysdale of Dougherty presided at the meeting. She introduced Miss Lillie Hostetler of Borger who is librarian of the Hutchinson County Library. Miss Hostetler discussed ways of starting a library. She said the most satisfactory way of financing a library was by county funds. She quoted the County Library Law which allows the County Commissioners' Court to provide for establishing and running a library by setting aside 5 cents of each \$100 evaluation. This may be brought about by enough people making an application for this allocation of the county's tax money, and does not require an election.

Miss Hostetler gave other suggestions for the establishment of a library and told of her experiences in different counties as librarian. A steering committee was elected to make further plans for the establishment of a library. These were Mrs. Jim Barnard and Mrs. Paul Sparkman, precinct 1; Mrs. Roy Wilkes and Mr. R. C. Mitchell, precinct 2; Mrs. Jno. Smitherman and Mrs. Horace Marble, precinct 3; Mrs. A. H. Kreis and Mrs. Howard Drysdale, precinct 4; Mrs. Henry Hodel and Mrs. M. W. Wiley, Lockney; Mrs. Kinder Farris and Mr. Hollis Bond, Floydada. Another public meeting is planned for the tentative date of October 20, when Mrs. Lucile B. Wilson, State Extension Director of the State Library at Austin, can be present.

Local Scouts Attend Camp At Dallas

Four local Boy Scouts, Carl Goetz, Jerry Newton, Joe Rigby, and J. R. Light, returned Sunday from a week spent at a Salvation Army Camp at Erwin near Dallas. The boys spent a very interesting week, they report, seeing a professional football game, a Texas League baseball game, swimming and otherwise having a fine time. They all learned to swim while at camp. The local boys also won a U. S. flag for having the cleanest cabin, Scout Master Arthur Barker Jr. reported.

To Attend Labor Conference Friday

A number of local people will attend the Larm Labor Conference at Lubbock Friday of this week, it was reported to The Beacon. M. W. Wiley, president of the First National Bank, plans to attend and he said that he would take several farmers of the area with him. The meeting, sponsored by the West Texas Chamber of Commerce and the Lubbock Chamber of Commerce, will discuss the farm labor shortage. The employment of Mexican nationals will be discussed and other ways sought to relieve the expected shortage of labor during the coming cotton harvest.

Mr. and Mrs. L. C. Counts of Colorado City, is here visiting her sister, Mrs. E. D. Teuton and Mr. Teuton. She will spend the remainder of the summer here. Mr. and Mrs. J. H. Weathers, Mr. and Mrs. C. H. Samples and Mr. and Mrs. T. R. Weathers of Aiken were dinner guests of Mr. and Mrs. J. L. Weathers in Plainview Sunday evening.

MRS. CHARLES L. RECORD

Announces the location of her studio for

Piano, Theory and Accordion Students

GRADE SCHOOL—Mrs. Van McCAda Home, just west of Grade School

HIGH SCHOOL—Mrs. Olive Myers Home, one block west of high school.

An accordion band will be directed this year also.

AN AGUADO CLASS (ages 5 through 8) is organized again this year. This class features rhythm band numbers and action songs. Your child is not required to take private piano lessons to be included in this class.

MONDAY ENROLLMENT SCHEDULE:

Mrs. McCAda's—9:00 a. m. to 10:30 a. m.

High School Bldg.—10:30 a. m. to 11:15 a. m.

High school students should give me their schedules at that time.

SW Public Serv. Completes New Substation

The completion of tests after installation of Southwestern Public Service Company's new Transmission Substation, 8 miles East of Plainview, which is served by a new transmission line built across Hale County, was announced by J. M. Collins, Division Manager of the Company at Plainview.

The new Substation has a capacity of 25,000 H. P. or 18,750 KW. The Transmission line is operated at 115,000 volts and is connected from the Company's back-bone Transmission system extending from Borger to Carlsbad, New Mexico, which is fed power by five generating stations.

The new line begins at a point approximately 6 miles south and 9 miles west of Plainview, running east and north to the new Hale County Interchange Substation located 8 miles east of Plainview.

The new transmission line has a total of 20 circuit miles and was constructed by a Company crew under the supervision of R. A. Anstad. The line is of an H-frame construction with double overhead wires which shields it from lightning strokes.

The H-frame protected construction was used so that at a future date this line can be extended westward and connected directly to the Company's Plant X, located in Lamb County. This plant is now under construction and is scheduled to begin operating during 1952. When a connection is made with Plant X in Lamb County, this area can receive its power direct from Plant X or from the combined facilities of all the Plants feeding into the Company's Transmission System. This station is basically a Transmission Substation which

"steps down" voltage from 115,000 volts to 66,000 volts for further distribution to Substations of the Company in Hale, Floyd, Swisher, and Briscoe Counties, as well as Substations being operated by local Electric Cooperatives in these Counties.

"These new Transmission facilities provide an additional source of power for the 4 County area, as well as increasing the total available capacity for the area. Therefore, they add to the dependability of electric service in the area, as well as increasing the supply of power to meet the expanding growth of the towns, industry, increased needs of electricity on farms whether distributed by Company facilities or by local farm Electric Cooperatives," said Mr. Collins.

Memorial Day Observed As Business Holiday

Abilene, Texas. — Growing interest in observing Memorial Day as a holiday instead of Armistice Day, November 11, and the "victory" days is shown by a survey of West Texas cities just completed by the community service department of the West Texas Chamber of Commerce.

Sixty-six local chambers of commerce contributed to the survey.

Twenty-eight reported their towns observed Memorial Day while only twenty "close up" on Armistice Day and none on V J Day.

All 66 observed the fourth Thursday of November as Thanksgiving Day. All observed Christmas but four do not close on Independence Day and only 48 observe New Year's Day.

One town observes Easter and one other Good Friday. Labor Day is a holiday in 39 of the 66 towns.

None reported a holiday on San Jacinto Day or on George Washington's Birthday.

EDITORIAL

The words of his mouth were smoother than butter, but war was in his heart; his words were softer than oil, yet were they drawn swords.—Psalms 55:21.

Some will be happy and some will be sad that school starts Monday. Starting of school brings mixed emotions even to parents. But school is an opportunity, a privilege and an obligation. Very few nations or the world offer students the opportunity to learn that is offered in this country. The wide variety of subjects available to the student is probably unheard of even in the more enlightened nations of the world. It is a privilege that very few students really appreciate but it is a privilege and one that they will appreciate when they are mature and can see the value of learning. School is an obligation both to the parent and the student. The parent is obligated to see that his children attend school, take the matter seriously and try to improve their minds. The student is obligated to his country to make of

himself the most useful citizen possible. The unlearned, uneducated, ignorant person can be of very little service to himself, his fellow citizens or his country in most cases. Therefore every young man and young woman is obligated to his country to educate himself as best he can. School is an opportunity, a privilege, and an obligation.

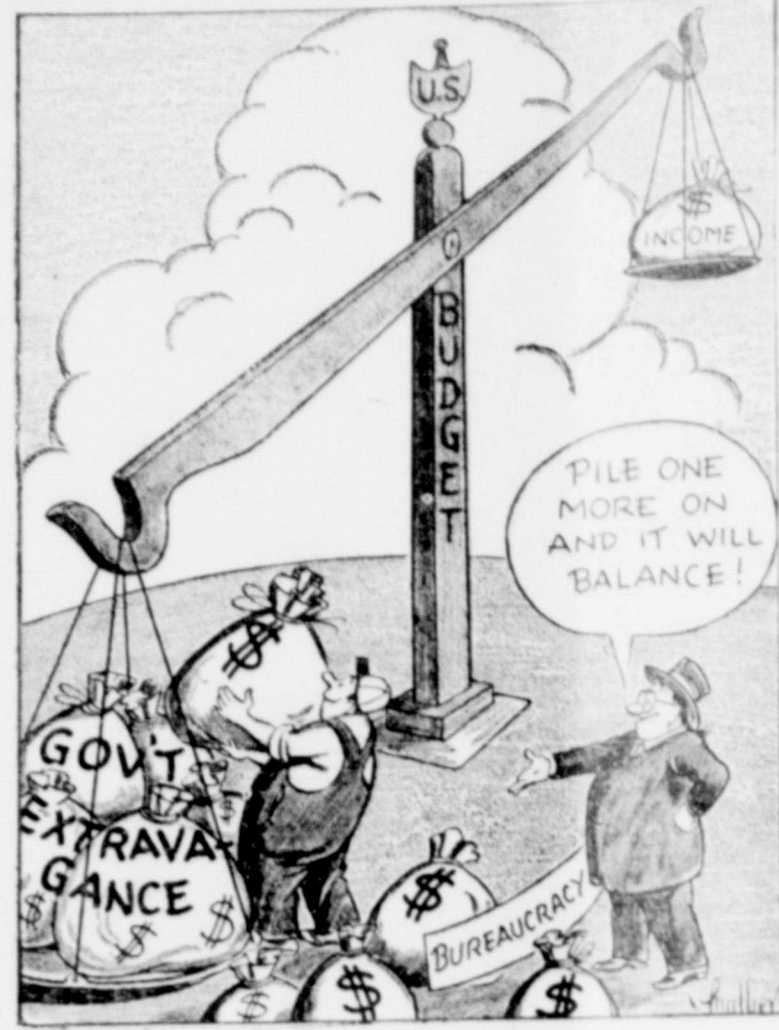

The Lockney schools are fortunate in having an almost complete faculty and fairly adequate facilities. At no time in the past has Lockney students been forced to attend school only a half day or sit two-in-a-seat in order that all students may be accommodated. Local school officials do not foresee any such situation locally. But that is happening in some places and naturally it does not turn out the best students. We trust that local school facilities will always be kept adequate for the number of students to be served.

Loyalty is a word that all Americans love and reverence. Loyalty to country is almost a second religion with most of us and we look down with deep distaste on the person who is not loyal to this nation. Most of us find it hard to understand the attitude of those people who have joined the communist party and its openly announced intention of overthrowing the government. We all agree that loyalty is a trait that is very desirable and necessary if our way of life is to continue.

But there are other things to be loyal to in addition to our country. We can be loyal to friends, to our church or to our home town. In our way of thinking, loyalty to one's home town is also a very desirable characteristic and one that every citizen of the town should have. We despise a traitor to our country and have no use for the man who does not think this is the greatest country in the world. Shouldn't we also feel a certain loyalty to our town and community, boosting it as the greatest place in the world. This is a great area and Lockney is a good town and getting better all the time. It can be a great deal better if every citizen will feel a little more loyalty to it and we all prove our loyalty by our words and actions. Let's be loyal.

"Old politicians never die; they just run once too often."—former Lieut. Gov. Joe Handley of New York.

BALANCING(?) THE BUDGET!

With Our EXCHANGES

WE STAND CONDEMNED

Time was when exhortation to decency and integrity in high and low places was reserved for the pulpit, or perhaps religious publications. Any secular periodical or speaker who dared suggest that "righteousness exalteth a nation" was accused of being a religious fanatic or of using his position to play on the emotions of religious fanatics.

But times have changed. Our newspapers are filled with accounts of U. S. Senators going to prison for dishonesty, of U. S. Military Academy cadets being expelled for cheating on examinations, of members of the President's cabinet engaging in questionable activities. We read of Alger Hiss, Major General Harry Vaughan, and of many small fry whose names cannot be remembered.

What has happened to the moral integrity of the American people?

Few of us even here in self-righteous Tullia have the right to place all the blame on "Washington." How about that farm income which never reached the income tax report? How about that black and gray marketeering? We are not speaking of legitimate methods of holding taxes to a minimum. Taxes are high and all of us must watch every corner in order to keep our heads above water. Many Americans living in small towns such as Tullia have never become an Alger Hiss or a Senator Thomas simply because they never had the opportunity, they never experienced the temptation.

All have had to admit that there is a weakness in the moral fiber of the American people.

Let Uncle Jay Tell You About The FLASHOTRAC SYSTEM

Baker FLASHOTRAC CO INC
PLAINVIEW, TEXAS

Cheating has become "cribbing." Income tax evasion has become "good business judgment." Just this week we heard the assertion, "You can't be honest and make a living."

Moral weakness cannot be legislated out of existence. Mere education, as some contend, is not the answer. Science has tended to make man even more vicious.

We've tried everything except Christianity. If we refuse to use it as a solution to our domestic problems, how can we expect those countries which lack a Christian heritage even to have respect for it, much less try it?—Tullia Herald.

CUT 'EM OFF

Senator Kern of Missouri is reported to have announced last Saturday that he will introduce "ironclad legislation" ordering President Truman to cut off all military and economic aid to any nation selling war materials to Communists. While that might seem to be harsh remedy to apply, yet it seems to us that the time has come for this na-

tion to be harsh in its dealings with the Communists. It seems like the height of folly for us to help nations that help Russia and the Chinese Reds, which are using all of our resources and all the lies that they can invent to destroy us. It seems to us that Senator Kern is on the right trail.—Lynn County News

NO WITCH HUNTS

The American Communists and their fellow travelers have trained their big guns on the Federal Bureau of Investigation. This is perfectly natural—it was FBI evidence, painstakingly and sifted over the years, that led to the conviction of the eleven top Communist leaders. FBI evidence was also a dominant factor in the Hiss, Copeland and other such cases.

The Communist strategy is to try to sell the idea that FBI is the sworn enemy of civil rights and liberties and that it is little different from Hitler's dreaded Gestapo. The primary danger in this is that some sincere but uninformed and misguided people outside of the Communist ranks have fallen for the red line and are honestly concerned lest the FBI turn America into a police state.

The fact is that the FBI has leaned over backward to protect the innocent and to scrupulously avoid anything that might even remotely resemble a witch hunt. In the FBI's report on its activities during the last fiscal year, this paragraph appears: "The FBI is concerned only with acts, not thoughts, with deeds, not beliefs. So far as the FBI is concerned a man may think what he likes so long as his thoughts are not translated into action by engaging in either criminal or subversive activity." That is the FBI policy, and it is rigidly adhered to.

Of necessity, more and more of the FBI's resources and manpower being utilized for work relating to the activities of the Communist Party, USA. Today the FBI is as vital to our security as an army, navy or air force.—Industrial News Review.

"The romance is over when he doesn't trust her too far and she doesn't trust him too near." —Charlton Heston.

"Success is making hay with the grass that grows under other people's feet." —Elmer Leterman.

Long Ago In Lockney

Items of interest from the file of The Lockney Beacon.

January 17, 1913
The Lockney Post Office has received a sack of pole cat hides from Mickey addressed to a Kansas City firm. Postmaster Howard and his crew almost had to quit the post office.

The editor viewed the new Floyd County courthouse at Floydada and comments on it being a handsome building and a credit to the county.

Officers of the First National Bank have been elected by stockholders. They are J. D. Griffith, president; J. R. Bryant, vice president; D. C. Lowe, cashier; France Baker, assistant cashier; V. N. Dillard, bookkeeper; directors: J. D. Griffith, J. R. Bryant, W. C. Nichols, T. S. Thagard, T. Z. Reed, J. L. Guest and D. C. Lowe.

The public schools of Floyd County have received approximately \$15,000 from interest on sale of school lands in Bailey county.

The Lockney Supply Company has been sold by A. W. Tanner, R. E. Handley and A. J. McCollum to O. A. and Joe McCollum.

Ira Simpson has sold a quarter section of land in the west part of the county to W. L. Whitt.

November 7, 1919
Business conditions are on the mend according to France Baker, president of the First National Bank. Financial conditions in Floyd County are also very good.

The Church of Christ has launched a building program and plan in the spring to start erection of a modern church building on South Main Street, the building to cost between \$20,000 and \$25,000.

Ben Whitfill has returned from a trip to Dallas where he purchased new machinery for the gin here.

Look, Mom, It's REALLY Insulated!

Yes, mom, you've no fear that your children will be burned when they accidentally touch the outside of an electric water heater... it's FULLY insulated, top, sides and bottom. You see, an electric water heater needs no air to heat the water 'cause there's no combustion in the heating element. Thus the electric heating elements are completely contained WITHIN the tank. You get your money's worth with an electric water heater fully insulated for safety and economy.

Reddy Kilowatt's special water heating rate makes electric water heating economical, too. For plenty of hot water always, safely, economically, see your electric appliance dealer now.

"To believe in continued deficit spending is like believing frost will not kill apples if Uncle Sam owns the orchard."—James S. Kemper, chairman, Lumbermen's Mutual Casualty Co.

HOME HINTS

To make a casserole taste better, instead of using bread crumbs for a topping, try cold cereal that is crumbled.

"A philosopher is one who realizes that his creditors are even more worried that he is."—London Opinion.

Soil Group Sees Difference Made Legumes In Soil

A group from the local Soil Conservation Service and Production and Marketing Administration offices made a field trip Monday of last week to study and observe the difference that crops and treatment makes in the soils. The party was composed of Ralph R. Cogdell, work unit conservationist, who directed the study with the assistance of Billy Payne, soil scientist of Plainview, Thomas J. Hutchins, administrative officer of PMA and the following County committeemen of PMA: G. B. Johnston, from north of Lockney, Buck Sams, who lives just south of Lockney and J. C. Ginn of the Cedar Hill community.

A hole was dug twenty inches deep in two different fields and a soil profile was removed with a tile spade and laid side by side for comparison. The first sample was taken from a plot of deep, fine textured soil on a farm where the soil was in poor condition due to having a plow sole, crust and deteriorated topsoil. The second was taken from a field across the road where the soil is in good condition, the difference being due to the fact that alfalfa had been on the second plot for several years. The topsoil on the first plot, which was in poor condition, was sandy, cemented together and the subsoil had a layer of clay particles. A crust could readily be seen in the clod from the first area. The soil from the land in good condition did not have these factors.

A test was also run as to the amount of water that would pass into the soil in a given time; with exactly the same details of testing being used in the two experiments. The alfalfa land took water at the rate of two to three times as fast as the soil in poor condition.

The depth of moisture penetration was also compared and the good condition soil had a penetration of fourteen inches while the other had only seven inches.

A clod from each area was

bathed in water to show the breakdown of soil by water erosion. The clod from alfalfa land did not break down and muddy up the water as did the other sample.

After seeing the difference in these two samples of soil, which were originally the same, the group had a greater appreciation for the value of work done by deep rooted legumes. Alfalfa and the clovers also add nitrogen to the soil, which is very valuable on irrigated land, but that is only a part of their purpose. The deep rooted legumes are nature's

way of chiseling the soil as well as replenishing and conditioning it to receive and use all available moisture.

HOME HINTS

To whiten piano keys, wipe with a cloth that has been dipped in oil of camphor. Leave on a few minutes before wiping off with a clean cloth.

Between the great things we can't do and the little things we don't do, the danger is we shall do nothing at all.

Floydada Lady Has Recipe In Magazine

Verl Miller, Floydada, Texas, has a recipe for Egg Croquettes in the September issue of Cap-ger's Farmer.

Her recipe appears in "Country Cooking," a regular feature in the nationally-circulated farm magazine. The ingredients for this egg dish which substitutes for meat in a not-so-heavy meal are: 8 hard-cooked eggs; 1 1/2 c. thick white sauce; 1-8 tsp. pep-ger; 1-8 tsp. salt; 1 tbsp. Wor-estershire sauce; 1-8 tsp. papri-ka.

Chop eggs and stir into sauce. Chill for several hours. Form into about 18 balls. Roll in bread crumbs, then in slightly beaten egg, then in crumbs again. Fry in 1/2 inch of hot fat. Serve hot.

Farmers are urged to submit soil samples to the soils labora-tory at College Station from the land on which legumes will soon be planted. The analysis will show what fertilizers are needed and in what amounts.

CIVIL SERVICE MESSENGER EXAMINATION SCHEDULED

Competitive examinations for the position of Messenger in all federal agencies in Lubbock has been announced by Board of Civil Service Examiners. Grade CPC-3 Messenger starts at \$2252.00 per annum.

The examination is restricted to veterans and the closing date for filing applications is Sept. 17. Examinations will be held at Plainview and Lubbock and applicants will be notified of exact time and place. To make application file card form 5000-AB with the executive secretary, Board of US Civil Service Examiners, Veterans Administration, Regional Office, Lubbock, Texas.

Surveys made among farm families in which farm accidents have occurred show that many of the serious accidents happen during the last working hours of the day. This indicates that fatigue is a contributing cause of farm accidents and farm workers thus are urged to be even more care-ful when they become tired.

Helping Families Rebuild Is Red Cross' Main Flood Task

A Central Missouri homeowner shows a Red Cross disaster worker how Missouri River flood waters tore out walls inside his home. He and his wife managed to save only a few pieces of bedding. Throughout the Kansas, Missouri, Oklahoma and Illinois flood area 423 trained Red Cross disaster workers assisted by hundreds of chapter volunteers more engaged in the Red Cross' biggest part of its disaster job, helping more than 26,000 families back to normal restoring homes, furniture, livelihoods for those without means to help themselves. All help is given outright, not lent. Flood relief contributions to local Red Cross chapters will finance this help, now costing almost double the original \$1,000,000 Red Cross estimate. This help to individual families is not included in the \$25,000,000 authorized by Congress for restoration of public works, essential businesses, etc.

18-Year-Olds Fail To Register

Austin, Texas. — The number of 18-year-old Texans failing to register under the federal draft law is increasing, Brig. Gen. Paul L. Wakefield, state Selective Service director, said here today.

State draft headquarters records indicate that registration has been falling off since the end of March. General Wakefield estimated that 2,000 to 2,500 18-year-olds currently are unregistered.

"We've been watching this situation closely since late spring with the hope that the trend would stop," the state director said. "We've asked the local draft boards to act under a provision of the regulations whereby a letter will be sent to men in their communities suspected of being delinquent under the law."

General Wakefield reminded males subject to registration of penalties if convicted of failure to comply with the law. He quoted from a section of the law providing maximum penalties of fine up to \$10,000 and imprisonment up to five years.

Under the draft act, all 18-year-old males are required to register with the nearest draft board on their 18th birthday or within five days thereafter.

"It's up to local boards whether or not they want to turn any man over to federal district attorneys for prosecution," the state Selective Service director said. "Our board members are patient, considerate men, and usually give a man better than a fair chance, if he's willing to co-operate."

"If the registration record doesn't improve within the next two or three months, we're going to advise the boards to be a little tougher than in the past. After all, the man who doesn't register on time isn't pulling his share of the load our people are carrying. He isn't being fair to the man who does register on time."

"A man is dealing fairly with his neighbors if he obeys the law just as they do. We hope parents and public-spirited citizens will keep 18-year-old men reminded of their responsibilities under the law," General Wakefield concluded.

Farmers who use anhydrous ammonia are urged to be on the alert for hazards that might cause accidents. If this new source of nitrogen is handled properly and the right kind of equipment is used, it is no more dangerous to store and apply than the hazards that go with many other farm operations.

Passion Play At Lubbock Sept. 21-26

The original Passion Play which had its origin in Luenen, Westphalia, will be presented at the High School Auditorium in Lubbock Sept. 12 through Sept. 26. It is the famous Black Hills Passion Play and is sponsored in Lubbock by the Lions Club with all its proceeds going to their service work. It was announced by Dudley Brummett, president.

The great drama had its origin in 1242 A. D. in Luenen, Westphalia, the first of the major Passion plays throughout the history of the world. After nearly 700 years of presentation in its home in Europe, with the rise of the Axis Regime, the play started on a world tour, and in 1932 arrived in the United States. At the request of many Americans, the famous Passion Play was finally permanently transplanted in 1937 and a home was established for it in the Black Hills of South Dakota in the tiny village of Spearfish, and the largest Passion Play grounds in the world were erected with the stage more than 3 city blocks long and 8,000 seats in the Amphitheatre. The first presentation was given in the summer of 1938. The script was translated and adapted into the English language, and this world famous drama is now being presented in the major American cities for the first time with the dialogue spoken in English. It comes to Lubbock after breaking all time attendance records in such typical American cities as Seattle, Dallas, Fort Worth, Washington, Baltimore and Chicago.

This great drama carrying tons of scenery and electrical effects is one of the largest stage productions in the world today. The 22 principal roles enacted in the play are, of course, highlighted by the sincere portrayal given by Josef Meier as the Christ.

HOME HINTS
Candles keep firm in their holders when the bottom is melted over a gas flame and then quickly pressed into the holder.

The addition of a pound of good green alfalfa hay to the ration of farm animals will protect them from vitamin A deficiency.

... and I quote:

"A peace won't satisfy Russia — she wants the whole thing" — Danny Thomas.

"The trouble with wallflowers is often the stems." — Franklin P. Jones.

"A bachelor is a man who would rather wash socks than dishes." — Bill Vielhauer.

The best kind of leadership is that which produces fellowship. — Christian Advocate.

No cross, no crown. — William Penn.

"Industry-wide bargaining — compulsory arbitration — fit like jigsaw pieces into the Socialist scheme." — William H. Ruffin, NAM president.

MOURNING DOVE - WHITE-WINGED DOVE OPEN SEASONS 1951

MOURNING DOVES

OPEN SEASON - NORTH ZONE Sept. 1 to Oct. 10, both days inclusive. Shooting hours, 12 o'clock noon to sunset.

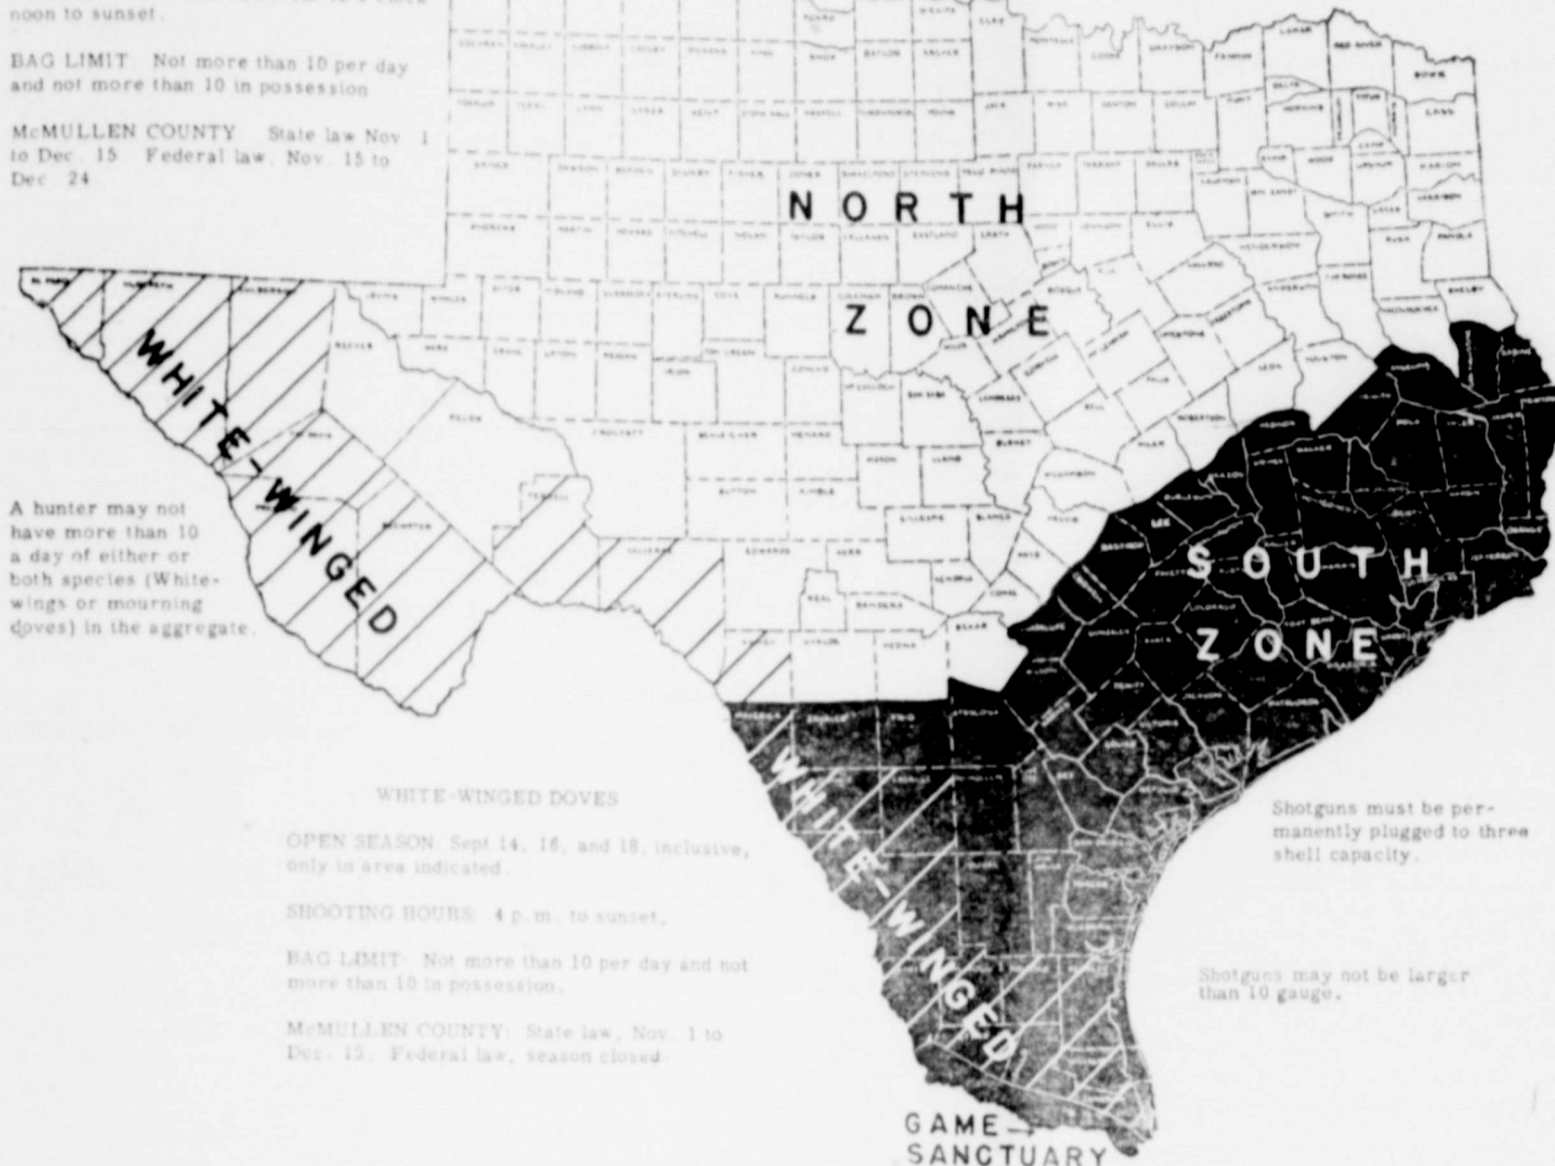

SOUTH ZONE Nov. 15 to Dec. 24, both days inclusive, except in Cameron, Hidalgo, Starr, Zapata, Webb, Maverick, Dimmit, LaSalle, Jim Hogg, Brooks, Kennedy, and Willacy counties where mourning doves may be hunted only on Sept. 14, 16, and 18, from 4 p. m. until sunset, and from Nov. 15 to Dec. 21 from 12 o'clock noon to sunset.

BAG LIMIT Not more than 10 per day and not more than 10 in possession.

McMULLEN COUNTY State law Nov. 1 to Dec. 15. Federal law Nov. 15 to Dec. 24.

Unlawful to take whitewings or chachalaca south of U. S. Highway 83, formerly State Highway 4, in southern tip of Texas marked on the map as "GAME SANCTUARY."

No hunting permitted in game refuges and game preserves.

A hunter may not have more than 10 a day of either or both species (White-wings or mourning doves) in the aggregate.

WHITE-WINGED DOVES
OPEN SEASON Sept. 14, 16, and 18, inclusive, only to area indicated.
SHOOTING HOURS 4 p. m. to sunset.

BAG LIMIT Not more than 10 per day and not more than 10 in possession.

McMULLEN COUNTY State law, Nov. 1 to Dec. 15. Federal law, season closed.

Shotguns must be permanently plugged to three shell capacity.

Shotguns may not be larger than 10 gauge.

GAME SANCTUARY

TEXAS GAME AND FISH COMMISSION

If only a woman's mind were as easily made up as her face.

Huntin' AND Fishin'
By **Harve Pennington**

Well, boys, its time to get that old scatter gun out of the closet and wipe the cob-webs out of the barrel for, as most of you know, the dove season opens at noon on Sept. 1st.

The Federal agency, which has the final authority on doves since they are migratory, limited the daily hunting to afternoons and cut the season from 45 to 40 days. The bag limit remains the same at 10 birds per day. Of course this applies here in the north zone. In the south zone the season opens Nov. 15th.

All the licenses issued by the Game, Fish and Oyster Commission are renewable at the end of the fiscal year, Aug. 31. For hundreds of thousands of Texans

this will mean getting new and fishing license. The resident license for fishing in fresh waters cost \$1.65. It must be used by all persons over 17 years of age when they fish beyond their home counties or adjoining counties. They must have licenses even then if they use artificial bait in their home county or artificial bait or line bait in the adjoining counties.

Non-residents fishing in fresh water in Texas must have the regular \$5.25 non-resident license, or the special five day non-resident license costing \$1.65.

The other license affecting the general public is the resident hunting license costing \$2.15. This must be used by persons over 17 years of age hunting small game beyond their home county and must be possessed by all persons hunting big game, or deer and wild turkey. The non-resident hunting license must be used by all non-resident hunting anything anywhere in Texas. This license also is required by all aliens. The cost of non-resident hunting license is \$25.00.

Watch your expiration date.

CARD OF THANKS

We wish to thank everyone for being so good and kind to us when our home burned. May God's richest blessings be with you always.

Mr. and Mrs. Clyde Morris and children.

OLD TIMERS HERE

Mr. and Mrs. H. W. Franklin of Fort Worth were recent callers at the E. D. Teuton home here. Mrs. Franklin is the former Colene Collier, daughter of J. R. Collier, and she lived here 30 years ago at the house now occupied by the Teutons.

Mr. and Mrs. E. L. Stapp visited Mr. and Mrs. Joe Jones at Childress last week. Mrs. Jones is the former Louise Shackelford. The local people also attended the East-West football game while there.

Mr. and Mrs. E. L. Stapp and children visited Mrs. Stapp's mother in Electra the past week. While there they attended the Boutwell reunion. A grandson of the Boutwells, who had been in Korea two years, arrived home in time for the reunion.

Visitors in the Bob Smith home recently included Mrs. Marie Pitcock and her parents, Mr. and Mrs. Leo Sims of Plainview, Mrs. Goldie Cypert and son, Gayle of Lubbock, Miss Marylee Dillard of Floydada, Mrs. Mable Gross of Phoenix, Arizona, and Mrs. Earl Lester.

Mr. and Mrs. Joe Parrish and Louise returned Sunday from a vacation trip to points in Colorado.

DIAL 3831

J. R. Stoneman, 27, Dies Of Injuries

John R. Stoneman, 27 years of age, and a graduate of Lockney High School with the class of 1941, died Sunday night of injuries received Saturday night when the car he was driving overturned near Wellington. Stoneman died in a Wellington Hospital.

Stoneman was farm and ranch foreman for the Doneghy Estate and the accident occurred on a private road on the estate, 9 miles southwest of Wellington.

The young farmer's daughter, Linda, 4, was a passenger in the car. She was not injured. Stoneman was thrown out of the car when it overturned.

Mrs. Stoneman had driven ahead of her husband and daughter and when they did not arrive at the ranch house within a short time, she drove back to investigate. Two neighboring farmers already had discovered the wreck and they took Stoneman to the Wellington hospital in their pickup.

Stoneman was born Feb. 25, 1924 at Jacksboro. He was a very popular student in Lockney High School during his high school days. During World War II he served on a submarine in the Southwest Pacific for two years. After the war he completed his college work at West Texas State, graduating in 1949, and took his master's degree in vocational agriculture at Sam Houston State College.

Survivors include his wife, his little daughter, his mother, Mrs. Lillian Lemke, Adrian; a sister, Maxine Stoneman, Adrian, and his grandfather, J. B. Lester of Jacksboro.

Funeral services were held Tuesday at 2 p. m. at the First Baptist Church of Wellington. Burial was in the Memorial Park Cemetery, Amarillo.

Visitors in the F. U. Payne home recently included Mr. and Mrs. R. A. Rivers, their son and family, all of McKinney, Texas; Mr. and Mrs. Frank Schiller and Allen, Mrs. Frank Jurcak and Nancy, all of Cameron, Texas; Mr. and Mrs. Louis Jurcak, Mary Ann Jurcak, Mr. Blossom and Mrs. M. F. Payne of Royce City, Texas.

STRUCK BY CAR

Bill Alford, local produce dealer, was struck by a car on Main Street Thursday of last week and received severe bruises on his left leg. He is able to walk around this week and is back at his place of business although he uses a cane. Bill Paschal was driver of the car, Mr. Alford said.

Chester White Sow Farrows 18 Pigs

A registered Chester White sow belonging to E. C. Mitchell farrowed 18 pigs in one litter Thursday of last week. Of the 18 farrowed, 15 were still alive and apparently doing good Tuesday Mr. Mitchell said.

What makes the sow's record even more amazing is the fact that she has farrowed 55 normal pigs in four litters. She is now 2½ years old and is the dam of three grand champion barrows at FFA and 4-H club shows.

Mr. Mitchell is field man for the Chester White Association in Texas.

OPS Specialist Here Thursday

Alton Taylor, price specialist from the district Office of Price Stabilization in Lubbock, will emphasize compliance with Ceiling Price Regulation 34—service establishments—when he confers with Lockney business men Thursday afternoon of this week. He will set up offices in the First National Bank.

His regular visit here is one of 79 weekly price clinics held in the far West Texas district to help merchants bring their firms into complete voluntary compliance with the federal economic stabilization program. They are sponsored jointly by the agency and local civic and business organizations and officials.

The OPS price specialist will be qualified to help not only service establishments, but business men and women of all firms in meeting filing requirements, then in operating their businesses to conform to the pricing practices prescribed in the regulations.

Business men are urged to take advantage of the assistance offered through these weekly visits.

Cotton Seed Support Price Is \$65.50

The support price for cotton seed has been announced by the Floyd County PMA office at \$65.50 per ton for basic grade 100 in areas where a purchase program is necessary, purchase will be at \$61.50 per ton, it was said.

TO OPEN STUDIO

Mrs. J. B. Hardeman of Plainview will open the fall term of her music studio at the home of Mrs. J. B. Allen on September 10, she announced this week. She requests Lockney students who wish to study with her to let her know by card or letter by September 3. Her address is 912 Austin Street, or telephone 1292, Plainview.

DR. J. S. HILL TO PRACTICE HERE

Dr. J. S. Hill, a naturopathic physician, has purchased the Marvin Clinton home on North Main Street and will open his office there Monday, Sept. 1, he has announced. Dr. Hill comes here from Dallas.

GEORGE THOMPSON HAS GULF STATION

George Thompson has leased the Gulf Service Station on highway 70 in South Lockney and now in charge. George has been in the service station business here before and is well known in this area.

Bench Levelling Proves Worth To Local Farmers

Chester Mitchell, who farms south of Lockney in the Pleasant Valley community, has recently levelled a portion of his bench land to improved pasture. The other portion of the benches was seeded to vetch, which will be grazed and later turned under to build up the soil. The District's drill was used to plant the grass seed. Mr. Mitchell completed this bench levelling job this summer under Production and Marketing Administration program and engineering assistance of Soil Conservation Service technicians. All of the seeding was done in August.

R. C. Matthews, of the Providence community, has recently completed a bench levelling job on about twenty acres which will be seeded to improved pasture and alfalfa. The benches will hold all of the rainfall and there will not be any waste water from irrigation. This area was on a slope and could not be irrigated satisfactorily. Most of the area will be in pasture for cattle with a few acres of alfalfa for a hog pasture.

In discussing the irrigation system on Mr. Matthews' farm, he pointed out to the Soil Conservation Service technicians that a mile long ditch he is using will carry forty tubes close to the well and only twenty tubes at the far end. This loss, due to seepage and evaporation, makes the expense of irrigation add up considerably with no benefits in return.

Underground concrete pipe would deliver the full amount of water pumped to the far end of the line, making it possible to utilize the equivalent of forty tubes of water at any station along the line.

Mr. and Mrs. Clark Harris and family, Barbara Hays, Rev. and Mrs. N. S. Daniel and Phillip are spending this week at Pecos, New Mexico fishing. They plan to return Friday.

Hospital News

Mrs. Elmer Biggs is still receiving treatment.

Travis Young is a medical patient.

Mrs. Boots Strickland is receiving treatment for a severely cut arm.

W. T. Ragle is a medical patient.

Mr. and Mrs. Bill Whitfill are parents of a daughter, named Eva Jane, born August 27. The young lady weighed five pounds, six ounces.

Mr. and Mrs. Charles Whitfill of Silverton are parents of a boy born August 24. He was named Gary Neil.

Odessa and Lewis Riddley are parents of a boy born August 27. He weighed six pounds and was named Steve Gragg.

Mr. and Mrs. Frank Busby of Lamesa and Mrs. C. A. Hawkins of Quitaque visited Mrs. Nora Ayres and family and Mr. and Mrs. Guy Sams last Sunday. Mrs. Hawkins is a twin sister to Mrs. Ayres and sister also of Mr. Guy Sams. Mrs. Busby is also a sister to Mrs. Ayres and Mr. Sams.

Get your office supplies at The Beacon Office. tfc.

Wofford Family Reunion Sunday

The Wofford Family Reunion will be held at the home of Mr. and Mrs. Smith in Lockney. Expected to be present are the Wofford children and the family are invited. Mrs. Smith said.

AT DALLAS MARKET

Mrs. C. O. Jefferson of Lockney Dry Goods Co. visited the American Fashion Market at Dallas last week. She was one of 5,000 merchants from the west attended.

Visitors in the home and Mrs. E. J. Cobb last week end included her sister, Mrs. Effie Young, daughter, Mrs. Walter weather and children, Kay and Ray, all of Lockney, New Mexico.

Charles L. Temple of Ark. and Mr. and Mrs. Garlington of Bowie of the Edgar Hays home in Lockney.
