### South Plains

by Mrs. Murray Julian

The last few days have changed our minds about spring being just around the corner, what with sleet, snow, rain and icy winds blowing in from the north over the week end.

Mr. and Mrs. G. F. West went to Amarillo and stayed Wednesday night and Thursday with their daughter, Mrs. E. T. Evans and family.

Walter Wood went to Plainview Friday and had some minor surgery. The doctor took some stitches in the wound which necessitated his being kept indoors for several days.

Last week end Mr. and Mrs. Grigsby Milton and girls went to Lubbock and spent Saturday night with Mr. and Mrs. Ted Pitts and son. On Sunday they went to Levelland and visited Rev. and Mrs. R. C. Guest, and attended church where Rev. Guest is pastor. When they arrived home late Sunday evening they were surprised to see lights at their home. They found neighbors were there helping cut up a calf. Mr. E. P. Smitherman had the misfortune to run into the calf on the highway.

Mr. and Mrs. Murray Julian visited Mr. and Mrs. Sterling Cummings in their newly completed new home last Tuesday night. They are going to have a beautiful place, when it is finished. The Julians also visited Mr. and Mrs. Carl Daniel Tuesday evening.

Mr. and Mrs. Bill Beedy and Eugene went to Amarillo Saturday to spend Saturday night and Sunday with their son, Charles and his wife. The Beedys returned home Sunday night.

W. M. S. will meet at the church for the regular Bible study conducted by Mrs. J. H. Allen on Wednesday, March 5. They just welcome everyone at these good meetings. Please try to attend.

Mr. and Mrs. John Smitherman left Wednesday of last week for a ten day trip to Corpus Christi where they will visit Mr. and Mrs. P. K. McKenzie, parents of Mrs. Smitherman. They will also see Mr. and Mrs. Bob Reeves, while they are away.

Mr. and Mrs. Ernest Lee Thomas from the Blanco community were guests in the home of Mr. and Mrs. George West Friday night.

Mr. and Mrs. Carl Daniel went to Fort Worth Wednesday morning, to take Mrs. Daniel's mother, Mrs. Kirkland to the doctor there. Mrs. Kirkland came home with the Daniels Sunday night from Amarillo where they went for her. They all came home from

Fort Worth on Thursday evening. Harm Hoeksema and son, Harold, arrived in South Plains early Sunday morning after driving all night from Fort Worth. They are visiting Rev. and Mrs. John Allen, and although Mr. Hoeksema had to leave Sunday afternoon, Harold will stay with his sister, Mrs. Allen and family, throughout the remainder of the school year.

Several in our community are suffering with influenza. Deral Young was ill most of last week, as was George Beedy and Horace Marble. The flu has reached into nearly every family these last few months.

Mr. and Mrs. J. W. Pritchett who resides near Matador came Saturday and spent the night with Mr. and Mrs. Early Pritchett. Mr. Pritchett is a brother of Early's and, his sister, Mrs. L. D. Reed and Mr. Reed from Dallas were at the Pritchetts and spent the week end with them.

Rev. and Mrs. John Allen stopped at the home of Mr. and Mrs. Murray Julian Wednesday morning and had coffee with them. They were returning home from Lubbock where they went Tuesday night to attend the brotherhood meeting held there. They spent the night Tuesday with Rev. and Mrs. Gayler Bartlett, old time friends of Rev. and Mrs. Allen.

W. M. S. was held in the home of Mrs. H. L. Marble Wednesday, February 20, at 2:30 p. m. Royal Service was the program for the afternoon, and Mrs. Sim Reeves presided over the meeting which had prayer as the theme. Every member took part in the program and it was voted to meet in the church for the meetings from this time on as the church would be warm for the Wednesday night Bible study. Mrs. Marble served a refreshment plate of sandwiches, cookies, cakes, and coffee to Mrs. Sim Reeves, Murray Julian, Grigsby Milton, Dock Jones and John Allen.

Mrs. Arby Mulder is in the hospital at Floydada recuperating from an acute attack of appendicitis Thursday night. Dr. Pitts operated at one o'clock on Thursday after the pain was localized. Mr. and Mrs. Mulder and children had all suffered with the flu the first of the week but Mrs. Mulder took violently ill on Thursday night. She is getting along fine now and will soon be able to go home. Mr. and Mrs. Paul Snodgrass stayed at the Mulder home with the children and attended to the chores for the Mulders during the illness.

Mrs. Harry Hartman made a birthday call on Mrs. Murray Julia on Friday afternoon of last week.

Rev. Joiner and Will Sims both came home from the hospital on Tuesday of last week. They are both at their homes and feeling much better.

Mr. and Mrs. Roy Burris from Plainview were Sunday afternoon visitors at the home of Mr. and Mrs. George West.

The Crochet Club met Wednesday afternoon, February 20, at the spacious home of Mrs. P. M. Smitherman and the members were all present but Mrs. Ruth Childress. The ladies sewed and crocheted during the afternoon and delicious refreshments of sandwiches, cookies, cake, pie and coffee were enjoyed at the close

of the party. Those who were there were Mrs. Will Sims, Mrs. Lee Pearson, Mrs. Early Pritchett, Mrs. Truman Bradshaw, and the hostess, Mrs. P. M. Smitherman.

There will be a P. T. A. meeting at the school house on Friday afternoon, February 29. Mrs. L. T. Wood, announced.

A dinner party was enjoyed by several couples on Thursday night at the home of Mr. and Mrs. Murray Julian when Mr. Frank Hayes representing a stainless steel firm served a delicious dinner to the people.

Those who were present were Messrs. and Mmes. I. H. Parks, George Robinson, Carl Daniels, Owen Thornton, Early Joiner, Clayton Bond and the host and hostess, Mr. and Mrs. Murray Julian. The couples enjoyed singing at the close of the evening.

Rev. Allen urges all who can attend the Wednesday night services at the church to come. There will be new songs learned, Bible study, and help given for the teachers, at the close of the service.

Mr. and Mrs. H. R. Hartman were hosts to many of their family at a reunion dinner on Sunday. Mrs. Hartman's brother, Lieutenant Commander Roy C. Jarnagin, Mrs. Jarnagin and sons, Roy, Jr., and John, were on their way to Lieut. Jarnagin's new post at Monterey, California, and the brothers and families and Mrs. Jarnagin, his mother, wanted to have as long a visit as possible with the family.

Lieut. Jarnagin has been in the navy about sixteen years, and has recently returned from a Mediterranean cruise. Those who spent Sunday at the Hartman home were Mrs. J. B. Jarnagin, and Floyd Jarnagin from Lubbock, Mr. and Mrs. Martin Jarnagin, Steve, Richard and Sheila of Silverton, Mr. and Mrs. Glen Jarnagin, Gary and Joe Mack, of Floydada, and the Hartman family.

J. P. Taylor suffered a badly burned face and burned eyes last Tuesday when they were doing some welding on his place and he stood too close to the welding machine and watched the welder without wearing shields over his eyes. He was taken to the doctor and is getting along fine now.

Many irrigation projects are being carried out in our midst. Those whose wells are dug but not pumped, are Bryant Higginbotham, George West, on his place north of South Plains, Raymond Upton on the S. A. Thornton place, and others with pits dug, or who have started their wells are Early Pritchett, W. M. Staniforth, John West and three wells on the Carl Daniel ranch.

Mr. and Mrs. Murray Julian visited Mr. and Mrs. Early Joiner and Rev. Joiner in Floydada Sunday afternoon.

Mr. and Mrs. George West left at noon on Monday, February 25, for an extended trip down south. They intend to be

gone for some time, and get away from the cold weather, and snow. They will visit in the Rio Grande valley, and many points to the south.

**Shower For Mrs. Dock Jones**  
The members of the W. M. S. of South Plains church were hostesses at a pink and blue shower given for Mrs. Dock Jones at the home of Mrs. Sim Reeves Thursday afternoon, Feb. 14, on Valentine Day. The heart motif was carried out during the afternoon in the decorations on the cake which was served to the guests with coffee. Pretty Valentine napkins were used in serving, and salted nuts were placed on the serving plates.

Mrs. Jones was presented a clever corsage made of rattlers, and the hostesses for the affair presented her with a lovely bed jacket and wearing apparel for the baby. Many guests were present to enjoy the afternoon, and gifts. Those who were present were Mmes. Herman Thornton, time.

Leo Brown, P. Myrick, Fortenberry, Reeves, Nancy, B. Merce, Cummings, Mrs. Milton, Arby Mulder, Margaret Parks, G. Barrett, Davis, Jerry, man, Ernest, Billy Beedy, cation was J. H. Allen, Julian, Ray, Milton, J. P. erman, G. le, Raymond, Higginbotham.

SW Life Reports High Sales Mark

New high marks in business for 1951 were reported today by Southwestern Life Insurance Company as the Company's 49th annual statement was released for publication. Mort Crapster is local representative of the company.

A new record in annual life insurance sales was announced by President James Ralph Wood, who said the Company's Texas agency force in 1951 produced \$121,207,090 of new paid-for business, which resulted in an increase in the Company's insurance in force to a total of \$891,107,312 at the end of the year.

For the first time in the Company's history, policy benefits paid to policyholders and beneficiaries averaged more than \$1,000,000 monthly, and for the year amounted to \$12,395,856.06. In 1950, total benefit payments were \$10,289,556.81.

The Company's financial statement shows 1951 year-end assets in a total amount of \$245,641,716.50, an increase during the year of \$22,982,110.54.

In response to the steady demand for capital to be used in construction or improvement of Texas homes, farms and business properties, the Company increased its loans on real estate to a total of \$100,804,510.62, and this category of investment now holds more than 40 per cent of

Soil Conservation News

The Floydada FFA grass judging team won the Floyd County Soil Conservation District grass judging contest held Tuesday, February 19, at the Floydada High School. Lockney FFA won second place. The first team was composed of Bobby Carmack, Cy Whitfill, Waldo Baxter and Stanley Vickers. The Lockney team was composed of Weldon Pickens, Eldon Fortenberry, Fred Gloyna and Carrol Carthel.

Other boys taking part in the contest were Gayno Scott, Eugene Worsham, Douglas Reeves, Jim Robertson all of Floydada and Billy McAda, Jerry Ford and McBurnett Davis of Lockney.

The grasses used in Amarillo contest were used. There were twenty-five grasses to identify and four factors to check about each plant. The grasses were checked as to whether they were annuals or perennials, introduced or invaders to site or climax to site. The grazing value was noted as good, fair or poor. The plants were marked as to best time of use, as cool season or warm season.

There were a possible 150 points. Bobby Carmack was high point individual, getting 128

points while Cy Whitfill was second with 119 points. The Floydada team expects to enter the Amarillo grass judging contest that will be held March 6th.

The refreshments of Washington's birthday scheme were enjoyed by Mmes. C. E. Blair, N. M. Caldwell, W. G. Kinard, Wallace Allen, Warren Graham, Oliver Holmes, V. H. Kellison, D. G. Widener, G. M. Potts, L. Sanderson, W. O. Stuart, and the hostess, Mrs. W. A. Jolly.  
The next meeting will be in the home of Mrs. W. O. Stuart.  
Mr. and Mrs. L. L. Stuart and baby Laurie of Dallas spent last week here with his parents, Mr. and Mrs. W. O. Stuart.

## Lone Star HD Club To Meet Monday

The Lone Star Home Demonstration Club will meet with Mrs. Raymond Teeple Monday, March 3, instead of Tuesday. Mrs. J. L. Lovvorn will speak on the "Effect of Alcohol and Drugs on Our Youth" and Miss Leila Petty, County home demonstration agent, will give a demonstration on "Laying and Cutting Stripes and Plaids." The women of the community are extended a cordial invitation to attend this meeting.

Mrs. Olive Myers and Jimmy and Mrs. Ben Brotherton and children spent Sunday in Lubbock visiting Mr. and Mrs. Jackie Myers. Mrs. Myers remained in Lubbock until Wednesday.

## Helm-Messer Vows Are Exchanged

The marriage of Miss Barbara Carlene Helm, daughter of Mr. and Mrs. Carl B. Helm of Fort Worth, and Gene Messer, son of Mrs. Faye Messer of Lockney, took place at 8 p. m. Saturday in the First Christian Church with Rev. L. D. Anderson officiating.

Miss Sara Rhodes, accompanied by Mrs. Raymond H. Wright, sang. The background of palms and tropical ferns was flanked by tall baskets of white gladiolus. Candles burned in tall candelabra.

Miss Barbara Parkman was the bride's attendant and Glenn Mitchell of Lockney was best man. Ushers were Ray Marsh of Ralls and Paul Edwards of Oton.

Mr. Helm gave his daughter in marriage. She wore a demitasse length gown of Chantilly lace over star-white satin made with a Queen Anne collar. She carried a white orchid on a prayer book, and her French illusion veil was attached to a pleated net headress. She wore her mother's pearls, which were a gift from her father to Mrs. Helm 25 years ago.

A reception was held at the Worth Hotel in Fort Worth. Miss Kathryn Norris, Glenn Mitchell, and the bridegroom's mother, Mrs. Faye Messer, all of Lockney attended the wedding.

Mr. Messer is a graduate of Lockney High School and of Texas Technological College in Lubbock. Mrs. Messer was also a student at Tech.

## Lone Star HD Club Met February 19

The Lone Star Home Demonstration Club met February 19 at 2 o'clock in the home of Mrs. C. L. King. Mrs. H. E. Frizzell called the meeting to order. Roll call was answered with "An American Freedom I Appreciate." The group then sang "The Song of Peace."

Mrs. Albert King gave a review on "Freedom First, Peace Second." Mrs. W. D. Nance gave "Care of the Hands" and Mrs. C. L. King gave a demonstration on home nursing.

Twelve members were present and the next meeting will be with Mrs. Raymond Teeple March 3.

## Seniors Honored At Sweetheart Banquet

The annual "Sweetheart Banquet" given by the Women's Missionary Society of the First Baptist Church in honor of the Seniors of Lockney High School was held Friday night, February 22, at 7:30 in the recreation rooms of the church. It was a formal affair with every senior with the exception of one present.

Mrs. Sid Thomas, president of the W. M. S., was the toastmaster. The invocation was given and Mrs. Thomas gave the welcome address. After the very delicious turkey dinner had been served and the group had finished eating, three girls from Wayland College in Plainview sang "Sweetheart's Serenade." The girls were "Koko," Margaret Green, and Billie McCann. Mr. and Mrs. Royce Dowell gave a three act sketch on "She Gets Her Man." The entire program was based on the theme "Look Before You Leap." Mrs. R. L. Dobson, Wayland College English instructor, gave the address. Her speech was also on the theme of the banquet, "Look Before You Leap."

## Senterfitt, LaFont At B&PW Banquet

### EDITORIAL

Render therefore to all their dues; tribute to whom tribute is due, custom to whom custom, fear to whom fear, honour to whom honour. — Romans 13:7.

Saturday of this week is the date for the Lockney school district's \$250,000 bond election. The outcome of this election will have a great deal to do with the future of the schools of this district. As every patron knows, the school buildings have been over-crowded for the past three years and the crowding conditions are getting worse every year. According to state records the birth rate has continued an upward climb each year since the mid forties and that simply means that every year's first grade class will be larger than the last year's. This year the Lockney schools have three sections of the first grade, meaning that about 75 or 80 pupils are enrolled in the first grade. The next years class or possibly the year after that will have to have four sections. The experts are predicting that the birth rate will

continue to climb until it reaches a peak in about 1957.

The local schools, to maintain the standard and efficiency required by the state, must have more room. The only way they can obtain this room is to build more buildings. If we expect our schools to do the job we want done in the teaching of students we ought to vote for the school bond issue.

Next week, March 2-8 is Public School Week. This is a week set aside by Governor Allan Shivers during which every school patron is urged to visit the schools and become better acquainted with the programs and accomplishments of the educational system. We ought to all take a greater interest and endeavor to become more familiar with our schools and the school program.

The Public School is a distinctive educational development of the United States. In no other country in the world are so many offered so great an opportunity to obtain an education. Historians of America have noted a striking parallel between the development of the United States free system of public education and the expansion and maintenance of fundamental human rights in the United States. The importance of the Public School system to the growth and development of the United States cannot be over-emphasized. We want our school system to continue to prosper. It is for this reason that all patrons are urged to attend the school's "open house," to inspect first hand the workings of the school system, and to increase your interest in the program. It is only through an aroused public interest that the schools can continue to prosper and to demonstrate the "democracy in action" that it should.

If there is any value in early preparation of land, this country ought to be in line for another bumper crop this year. The spring-like weather of the past few weeks has enabled many farmers to get their land up in good condition and all ready for early planting should the weather permit. And predictions are that cotton will be the big crop again in this area as other areas of Texas.

#### THE CLEANUP

The long-heralded "cleanup" of corruption in government is about to begin. But there has been a slight delay.

Newbold Morris, the Republican lawyer and professional reformer picked for the job, can't get the man he wants for chief investigator. So he's looking around. He says he'll try to get things started in about 10 days.

Mr. Morris seems particularly pleased that Atty. Gen. Howard McGrath has promised his full cooperation. Under normal circumstances this would be a bit embarrassing, since Mr. Morris is presumably supposed to investigate Mr. McGrath's Department of Justice, which has been under fire in the tax scandals. But it seems entirely proper in view of the Alice-in-Wonderland goings-on in Washington lately.

Mr. Morris was one of Fiorello LaGuardia's eager young men. He served as president of the city council for eight years, but was unable to beat Bill O'Dwyer when he ran for mayor.

Time Magazine says Morris "has a gift for the pompous phrase and the ill-turned paragraph; as a reporter once said to him: 'You were born with a silver foot in your mouth.'"

Perhaps we should not judge Mr. Morris until he has had time to do something. But somehow we can't get excited over the cleanup. In sending a boy to do a man's work, Mr. Truman obviously expects no drastic results. Perhaps a few minor malefactors will be flushed from cover, but any politician who can't out-manuever the boy

wonder from New York has no business being in the Truman administration, anyway.

We are glad that the House Judiciary Committee has decided to go ahead with an investigation of Mr. McGrath's department. Perhaps nothing spectacular will result from this, either; but we'd rather lay our money on a mixed group of congressmen than on the handsome Yale man from New York. — Amarillo Daily News.

#### LITTLE RED SCHOOLHOUSE

Remember that little old red schoolhouse? There have been plenty of changes, many improvements, but there is still room for more. The schools teach children to enjoy the benefits of democracy, how to become good citizens. During Public Schools Week every citizen should go back to school and see how well they are doing the job they were designated to do. Out of the schools will come the future leaders in government, finance, literature, sports and education, and so on. They are the people who are going to keep our institutions free; they are the peo-

ple who must fight communism. Public schools are our investment in democracy. Take a look at your schools, not only during Public School Week, but all through the year. — Paducah Post.

#### WHAT WON'T PEOPLE DO?

This newspaper has never succumbed to the desire to run a First Baby Of The Year Contest, wherein merchants put up prizes for parents of the first baby born after midnight, Dec. 31. However, if it ever does, it is hoped the ugly surprise offered by a Nebraska paper will not be repeated here. There, the editor had a woman show up at the hospital late in the afternoon of Dec. 31 shortly before normal delivery period and asked that she be given artificial labor and induction so as to have her baby born first in January and thus qualify for all the prizes! The doctors refused, and the woman went home in tears. From now on, this editor says, one rule of his contest will be that the winning baby shall be of natural delivery, not induced! — Rails Banner.

#### A PECULIAR THING

Peculiar thing this business of thinking that if you prefer a candidate for president other than Mr. Truman you are trying to tear up the democratic party. It is conceivable that one who objects to Mr. Truman as the standard bearer could think he is trying to preserve the democratic party. Or it is conceivable, always has been that way, that a person believes the party needs to put up another man. The fact that you are for or against any man does not mean you are trying to tear up the party. The party must be bigger than the man. If not the party has gotten too big. Support Mr. Truman or oppose him, as you wish, but not on any grounds such as wanting to preserve the party.—The Floyd County Hesperian.

### Long Ago In Lockney

Items of interest from the file of The Lockney Beacon.

Sept. 12, 1913

Wm. McGehee filled his big silo this week with maize and kaffir corn and moved his cutter to Arthur Byars' place where a big silo is being filled.

Prof. T. W. Croom, president of the Lockney College, came in Wednesday and is making arrangements to open school Sept. 23. Other members of the faculty will arrive next week.

A mass meeting was held at the McCollum Hall Wednesday afternoon which was addressed by Dr. M. W. Cunningham of Amarillo in the interest of the Panhandle State Fair and every farmer around Lockney who has a good specimen of his products is requested to bring it in and leave it at the Brewster's office.

Quite a good deal of maize is being marketed here and it is bringing from \$12.50 to \$14.00 per ton. It is pretty fair feed considering the dry season.

Wednesday Mrs. Dell Fowler took charge of the post office after Homer Howard's term expired. Mr. Howard will remain in office for several weeks.

Lockney Public School is well advanced in first week's work. The total enrollment is now 302 pupils in school.

Did you ever stop to think what a great city this would be if every one in it were just like you?

**Bible Course Is Offered To Public**

A class in Old Testament History is being offered at Wayland College each Thursday evening at 7 for those in the Plains area who are interested, Dean H. Preston James has announced.

Dr. Robert L. Dobson, head of the Wayland Bible Department, is teaching the class which will meet for two hours each Thursday until June 1. Since the course is being offered just as a service to the churches in this area, those enrolled will not be registered as students of Wayland, but will pay a \$10.00 audit fee for the complete course.

Dean James says, however, that for those who would like to receive college credit in the course arrangements can be made. March 6 will be the latest date to enroll for college credit.

This course is the result of the request of 18 people from Muleshoe who are going to drive back and forth each week. If demand is great enough there will be other Bible courses offered in the future, the Dean said.

**Plainview Man For Representative**

J. W. Walker, Jr., presently studying law at Baylor University, Waco, will make the race for the Texas Legislature in the newly created 89th legislative district. This district is a part of that now served by Judge H. M. LaFont, who is seeking election from the new 30th senatorial district to the Texas Senate. It includes four counties, Floyd, Hale, Briscoe, Swisher.

Walker is 25 years of age, and a native of this area. He attended Plainview schools. From Virginia Military Institute he went into the Marine Corps and served until 1945. Upon discharge he enrolled at West Texas State College at Canyon. He graduated from the University of Texas and is now continuing his studies at Baylor University. Through several years he was associated variously with his father in the grocery business. While studying at Baylor he is working as a claims adjuster for an insurance company.

He made this formal statement: "After some months of serious deliberation I have decided to offer myself as a candidate for the Texas Legislature as a representative from the 89th legislative district. In so doing I am fully aware of the serious step I take for it is both a great responsibility and a great honor to ask to represent the citizens of the area where I was born and where I have spent the 25 years of my life. I believe that citizenship with its attendant privileges and responsibilities is a basic obligation and prime factor in the successful operation of our American democracy."

WASHINGTON AND  
**"SMALL BUSINESS"**  
 BY C. WILSON HARDER

Recently this writer has been widely quoted on an open letter addressed to Prime Minister Churchill of England. The letter pointed out that while America feels sympathy for the British people, they, as well as the American taxpayers, are being duped to enrich British monopolies.

Britain has no anti-trust laws, so independent British business has been steadily dying on the vine. But Washington officials continue to use American taxes to support British monopolies.

C. W. Harder

Here's a clear cut example. British interests control the supply of world tin, and the U.S., consuming 65% of all tin produced, is the world's biggest tin customer. Right after Korea, tin prices were more than doubled. To combat the gouge on American consumers, the RFC took over buying of all tin, pegging the price lower than the asking price, at \$1.12 per pound.

Since the Churchill visit the U.S. is now paying \$1.18 per pound due to a very wierd deal.

The deal requires that the U.S. furnish during 1952 1,400,000 tons of steel. The deal states "the price (on the steel) will be the controlled price of the mills making delivery". This means that OPS now works for Britain. "It's a good thing the OPS is going to work for somebody at long last", is the comment heard.

Britain, on the other hand, agrees to sell the U.S. 20,000 tons of tin at a price of \$1.18 per pound. The terms of the deal

gives British monopoly a "lead pipe cinch" on U.S. tin supplies.

In addition, if the U.S. decides more than 20,000 tons of Malay-tin is needed in 1952, British monopoly will still gain in a fantastic use of the "heads I win, tails you lose" plan.

For the terms state that if the U.S. pays higher than \$1.18 per pound, the new higher price will be paid on tin from Britain. If the U.S. buys at a lower price, the U.S. will pay Britain the difference between the lower price on additional tin and the price of \$1.18 per pound up to the full amount of any loss Britain may incur in buying tin to supply at \$1.18 per pound.

The British will also police all U.S. tin buying.

The U.S. will not deal with private tin companies without consulting Downing Street.

Thus, monopoly is given full U.S. support. Even if a small tin producer showed up who could sell tin to the U.S. at a lower price, he would be barred from competing with monopoly.

This agreement is as foreign to the ideas of American free trade as Kremlin views on a free election. It explains the sickness of the British economy. No economy can support both a free people and monopoly.

In the meantime, the Office of Price Stabilization, better known as Office Plenty Secretary has made another great decision.

Popcorn, both popped and unpopped, is now exempt from price control. But OPS states "should inflationary tendencies develop it may restore controls." You can't be too careful these days. Uncontrolled popcorn might pop off new inflations except OPS is standing guard.

**GI Ag Students Must Report Income**

Veterans in West Texas taking GI Bill institutional on-the-farm training were reminded today by the Veterans Administration reports of their 1951 earnings must be submitted to the regional office at Lubbock not later than March 1, 1952.

Failure to submit the reports by the deadline may result in discontinuance of GI subsistence payments until such time as the reports reach the Veterans Administration, stated Robert W. Sisson, manager of the regional office. This year, in addition, farm trainees must send in a second report — a certification as to the period of time they may have been engaged in employment outside the farming activity. This, too, must go to VA before March 1.

The earnings reports—covering only income from productive labor for the calendar year 1951 — serve a double purpose, Sisson said. First, they are used by VA as the basis for adjusting each veterans subsistence for the current year 1952. And second, they are part of the veterans course of instruction in farm accounting, thus giving him the opportunity to put into practice what he has learned in the classroom.

Farm trainees received the necessary VA forms for both reports earlier this year. They will receive assistance from their instructors in closing their books

for the past year, and in transferring data to the VA forms.

**4,522 STUDENTS AT TECH**

Lubbock. — Texas Tech has enrolled 4,522 students for the spring semester, a slight decrease from the spring semester of 1951 when 4,660 students registered.

The decrease was described as normal by college officials.

Men student outnumbered women almost three to one. There were 3,136 men enrolled compared to 1,386 women.

The spring semester student enrollment is 384 students less than the fall semester enrollment of 4,906.

## Spanish Dinner Is A Success

The Spanish Dinner that was sponsored by C. N. Townsend Parent Teachers Association last Saturday night at the grade school cafeteria was very successful. An estimated crowd of 175 were present to enjoy the Spanish dinner in the beautifully decorated cafeteria that carried out the Spanish motif. Alta Williams, Patsy Pierce, Peggy Livesay and Sybil Childress, eighth grade students, served the tables.  
Mrs. Revis Harris, chairman of the Finance committee, and Mrs. E. J. Foster, president of the PTA organization issued this statement: "We wish to thank all of the people attending the dinner and all those who helped to make it a success."

### BREAKS HIP

Mrs. Edna Lackey fell on the ice near Baker Mercantile store Monday morning and broke her hip. She was treated at the Lockney General Hospital and carried Monday night to the Lubbock Memorial Hospital in a Carter ambulance for further treatment. Mrs. Lackey made her home here with Mrs. Mattie Griffith.

Mr. and Mrs. Carl Ferguson left Wednesday for Nashville, Arkansas, where they will visit relatives for a few days. They will visit the Oscar Husky family at Sherman on their way.

## Garden Club To Meet March 7

The next meeting of the Lockney Garden Club will be March 7 in the home of Mrs. Alex Norris. "Rose Care" will be the subject for discussion.  
At the meeting of the club February 15 that was held in the home of Mrs. Turner Cowart a large number of old members, one new member, and one guest were present. Mrs. Joe Foster brought her moving picture projector and entertained the group with many beautiful slides of gardens and individual flowers. Mrs. Foster had kindly invited anyone who may have any especially pretty flowers or even a single specimen to call her and she will take a picture of it and add the view to a collection that may be a pictorial history for the Garden Club.

## Birthday Dinner Was Given Sunday

A birthday dinner was held Sunday in the home of Mr. and Mrs. J. H. Chandler for their daughter, Jane. Mr. Chandler's mother, Mrs. J. B. Chandler, and Bill Ebbs, a close friend of the family.  
The table was beautifully decorated with many different kinds of delicious foods and three birthday cakes.  
Those present to help celebrate the birthdays of the honorees were Mr. Cradick, and Mr. and Mrs. Erving Albright and son of Lubbock; Mrs. Odie Frizzell and Mr. and Mrs. Dean Frizzell and family of Quitaque; Mr. and Mrs. Glenn Cooper and family of Lockney; and Mr. and Mrs. Carl Chandler and family, Mr. and Mrs. Bob McAninch and son, Willa Dean Ebbs and Carl Wayne, and Mr. and Mrs. Ed Chandler and family all of Plainview.
