The year of 1975 will probably be remembered as the bug and insect year of the decade. Just to keep in step with the general trend Viola and I, well anyway, Viola, planted a few small vegetable patches in the back yard. We beat the bugs to a few of the green beans, and they were good, but other than that the bugs have had a field day on our vegetable crop. They say there is some type of poison that will kill the things, but I would prefer to eat the bugs rather than the poison. I know, without being told, that the vegetables we buy were sprayed with bug killer, but in that case my good health is the responsibility of someone else.

A special effort should be made by our government to keep its distance from the trouble taking place in Portugal. A vast majority of the Portuguese people are violently anti-communist, and they should be able to take care of their own affairs without our assistance. Remember Vietnam.

Big Labor and Big Business each swing a big stick in our national affairs above and beyond their responsibility of producing goods and services, which should be their major concern. The Longshoremen, in refusing to load grain for export in order to exert control on government policy, are completely out of their ball park.

Hog cholera ban is lifted

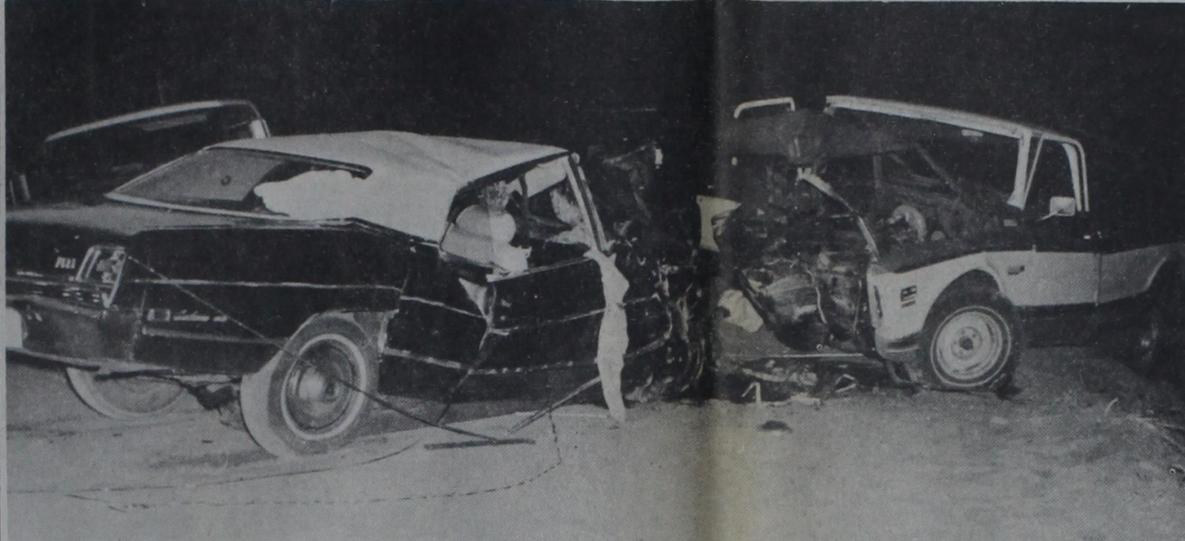

The Texas Animal Health Commission and the US Dept. of Agriculture lifted the hog cholera quarantine on Castro and Deaf Smith Counties last Thursday.

BOTH THE state and federal quarantines had been imposed July 10 after veterinary authorities diagnosed the first hog cholera case found in the US in more than a year. The quarantine covered portions of the Texas Panhandle and western Oklahoma.

USDA spokesmen reported that the source of infection in the 100-square-mile area had not been established, but that no additional infection had been discovered since a second infected herd was found July 21 in Deaf Smith County.

Animals found to have cholera, and those exposed to the infected herds, were destroyed during the quarantine period. A total of 2,350 hogs were destroyed in Texas and another 1,134 in Oklahoma.

As a precaution against the highly contagious swine disease, increased surveillance activities will continue, including investigation of any sick pigs reported and testing of blood samples taken at slaughter.

REYES CAR, SCHULTE PICKUP AFTER HEAD-ON COLLISION
Dusty farm road is scene of fatal accident Saturday evening

Nazareth man dies in crash

A young Nazareth father was killed and a Hart schoolboy athlete was seriously injured when their vehicles collided head-on Saturday evening on an unpaved county road nine miles southeast of Dimmitt.

KILLED was Leon Frank Schulte, 23, a lifetime resident of Nazareth. He was pronounced dead at the scene by Justice of the Peace Marshall Young.

Injured was Joe Reyes, 18, a Hart High School senior.

Schulte, an employee of Hill Farms of Hart, was driving east in a 1972 Chevrolet pickup

owned by Hill Farms, and Reyes was driving west in a 1969 Ford sedan when the two vehicles collided two miles south and half a mile west of the Five Point Gin.

HIGHWAY Patrolmen Dyrle Maples and Elias Nava estimated the time of the accident at 8:30 p.m.

After studying the roadway, the investigating patrolmen fixed the point of impact at the spot where the two vehicles were found in the roadway, indicating they were both traveling at the same effective

speed when they collided.

Both vehicles were demolished.

"I think there must have been a problem of obstructed vision," Maples said. "It was late in the day and the road was very dusty. There were no apparent skidmarks made by either vehicle. Apparently they just didn't see each other."

HOWEVER, patrolmen are waiting until they can interview Reyes before they try to reconstruct the accident.

The city-county ambulance service took Reyes to Plains Memorial Hospital, where he received emergency treatment for a compound fracture of the thigh, concussion, severe cuts and possible other fractures. He was then transferred to

Amarillo's West Texas Hospital, where he was admitted in critical condition. His condition status was changed to "serious" Monday.

Reyes, son of Mr. and Mrs. Jesse Reyes, was to have been a starting linebacker in football for the Hart Longhorns this season.

SCHULTE'S body was transported to Dennis Funeral Home by the city-county ambulance service.

A 1970 graduate of Nazareth High School, Schulte was married and the father of a 14-

month-old son. Active in high school athletics, he was also a member of the Nazareth Roping Club. He was the son of Mr. and Mrs. Ray Schulte, and was a member of the Holy Family Church.

Schulte rites held Tuesday

Last rites for Leon Frank Schulte, 23, were conducted Tuesday morning in the Holy Family Church of Nazareth.

MR. SCHULTE died in a two-vehicle accident Saturday evening nine miles southeast of Dimmitt.

Father Stanley Crocchiola performed the requiem high mass at 10 a.m. Tuesday. Burial with military honors followed in the Holy Family Cemetery under the direction of Dennis Funeral Home. Mr. Schulte's fellow members of the Nazareth American Legion Post conducted graveside military ceremonies.

Born June 20, 1952, Mr. Schulte was a lifetime resident of Nazareth. After graduating in 1970 from Nazareth High School, where he was active in athletics, he served two years in the US Army, seeing duty in Vietnam. He was employed at Hill Farms' swine-feeding facility near Hart.

He was a member of the Holy Family Church, American Legion, Catholic Order of Foresters, and the Nazareth Roping Club. He was a charter member of the Catholic Youth Organization in Nazareth.

HE IS survived by his wife, Karen; a son, Travis, 14 months old; his parents, Mr. and Mrs. Ray Schulte; his grandmother, Mrs. Louise Schulte; six brothers, Howard of Kingsbury, Marvin, Kenny, Clyde, Bobby and Olin, all of Nazareth; and four sisters, Mrs. Raelene Hoelting, Vera Schulte and Sheryl Schulte, all of Nazareth, and Mrs. Benita Hoelting of Lubbock.

Pallbearers were Gerald Birkenfeld, Gene Dobmeier, Tommy Wethington, Mark Gerber, Gene Schmucker and Walt Pohlmeier.

Labor Day picnic set at Nazareth

The annual Nazareth Labor Day picnic sponsored by the Holy Family Parish will be Monday with dinner served from 11:30 a.m. until 12 noon at the Community Hall. The price will be \$2.25 for adults and \$1 for children 12 and under.

THE MEAL will include barbecue beef, homemade bread and pies, and will be followed later in the afternoon by games and other refreshments.

Then from 4 p.m. to 7:30 p.m., grilled hamburgers will be served for 65 cents each. Tiny Lynn will provide live music at a dance later in the evening. It will also be at the Community Hall. Admission will be \$2.

'Sideliners' may need to move up to stadium

If you're a "sideline walker" who has stood in front of the stands to watch Dimmitt High School football games in the past, you'd better consider buying a season ticket this year.

"THERE WILL be no walking room in front of the stands at the new field," Supt. Charlie White said this week. "The only walking room will be from the goal line to the 30-yard line on each end of the field."

Reserved-seat season tickets will go on sale Tuesday—and it may be that every seat in the home stands will be reserved, with general admission seats only in the visitors' stands, White said. The school board will decide next week whether

to extend the reserved-seat section to include the entire west bleachers. The stadium has the same seating capacity as before, but without the sideline space.

Season tickets are \$11.25 each, and will reserve the ticket-holder a seat for all five of the Bobcats' home games. The tickets are available from receptionist Sarita Cleavinger at the School Administration Building, 608 W. Halsell St.

PREVIOUS season-ticket holders will be given first preference on their original seats until next Wednesday, then the reserved section will be opened up to those on the waiting list. "And we already have a waiting list," White said.

Rites pending for Mr. Solis

Funeral services were pending at Hammons Funeral Home in Littlefield Wednesday morning for David Mendoza Solis, 66, who died of an apparent heart attack Tuesday afternoon on a farm northwest of Hart.

MR. SOLIS had been an employee of Lorenzo Lee of Hart for 15 years.

Survivors include his wife, Bertha, of Laredo; a son, Manuel of Littlefield; two daughters, Mary of Anton and Beatrice of Laredo; a stepson, Richard; and a stepdaughter, Josie.

Garden reflects 'Spirit of '76'

Mrs. W. E. Kirkpatrick, 80, is already celebrating America's Bicentennial in her favorite place—her flower garden.

IT TOOK a lot of advance planning (and planting), and her results are likely to make other gardeners turn their

thumbs green with envy.

When you look at Mrs. Kirkpatrick's flower gardens around her home at 206 NW Third St., you'll see all the patriotic colors, and even a "Liberty Bell."

Her proudest product right

now is an althea bush that is alive with red, white and blue blossoms.

"I BOUGHT it at a nursery as a novelty six years ago, along with some standard altheas," she said.

The colorful altheas are in a

north-south row on the south side of the Kirkpatrick home. In front of the bushes is a lush bed of marigolds.

"You know, Sen. Dirksen of Illinois wanted to make the marigold the national flower because it will grow in every

state—even Alaska," she said.

SHE HAS one marigold that was named in Sen. Dirksen's honor, "and it's big—almost like a chrysanthemum."

When Mrs. Kirkpatrick wants to renew her love of country—which is as deep-seated as her love of nature—she can step into her back yard and spend a few minutes with her own "Liberty Bell."

It's the bell that hung in the tower of Dimmitt's original "red school house" which was built in 1910.

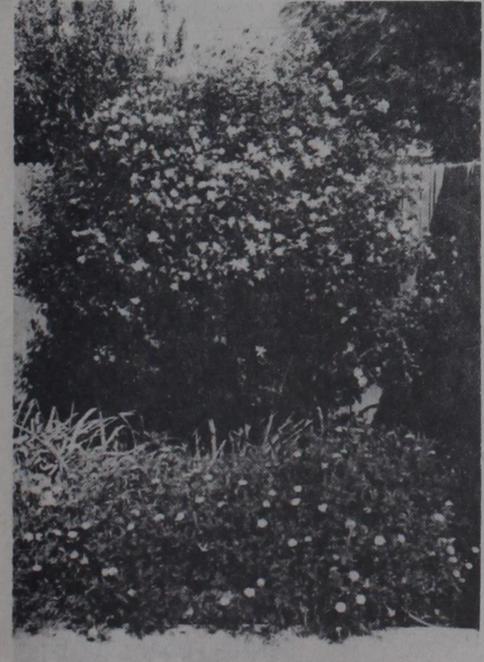

When the old school was torn down, the school board gave the bell to the late Mrs. E. C. Caudle and Mrs. Kirkpatrick. They in turn presented it to the Joe Bailes Baptist Mission, named in honor of Mrs. Kirkpatrick's son-in-law who was killed during the Korean War.

"BUT IT never would work while it was hung at the mission church," she said, "so we asked them if it could be taken back down, if we could have it. A year ago Don Hargrove and Van Earl Hughes took it down. Don brought it to my house and later built the stand."

It would seem to be a difficult task to improve on such a botanical tribute to America's Bicentennial.

But not for Mrs. Kirkpatrick. She's still planning and planting. You see, she has this separate 20 x 30 flower bed in which she has planted red, white and blue bulb flowers—iris, hyacinth, tulips, phlox, peonies . . .

Check her flower gardens next spring.

Commission to rule on water extension

Next week's meeting of Dimmitt's city commission will be held Wednesday at 6 p.m. instead of Monday, because of the Labor Day holiday.

COMMISSIONERS are expected to act on a proposed 3% room occupancy tax on local hotels and motels, and on a request to enlarge the water line to businesses north of town.

The room occupancy tax was proposed by the Chamber of Commerce to create funds for conventions, city development and city advertising. If enacted by the commission Wednesday, it will go into effect Oct. 1.

The larger water line north was requested by businesses north of the city limits that buy their water from the city. Businessmen said that the business

and industrial growth of the area has put such a strain on the existing two-inch line that they have no water pressure at peak-usage periods, and no fire protection.

NORTH GIN paid for the present two-inch line from the city limits to the gin property, and other businesses along US 385 have tied onto it through the years.

Commissioners are considering replacing the present line with an eight-inch line. City Manager Garnett Holland is to report Wednesday on the specifications and cost estimate of the project.

County fair rules ready

Plans are complete for the 1975 Castro County Fair, to be held Sept. 5-6 in the County Expo Center.

RULES AND regulations for the county fair are available at the county agent's office in the courthouse. Entries will be accepted Sept. 5 from 1 to 6 p.m., and judging will begin at 6 p.m. that day. Awards will be presented at 4 p.m. Sept. 6.

The fair is open to both youths and adults.

Fair divisions are Baking, Clothing, Canned Fruits and Vegetables, Crafts, Photography, Entomology, Horticulture, Farm Products and Garden Products.

IN ADDITION to ribbon prizes, Kerr Special Premium Awards will be given in four categories of the Canned Fruits and Vegetables Division—Fruits, Vegetables, Pickles-Relishes, and Jams-Relishes.

F. G. Hoelting dies Thursday

Funeral services were held Saturday for Frank George Hoelting, longtime Nazareth resident.

MR. HOELTING, 74, died last Thursday at 8 p.m. in Plains Memorial Hospital, following an apparent heart attack.

Funeral mass was Saturday at 10 a.m. in the Holy Family Catholic Church of Nazareth with Father Stanley Crocchiola officiating. Burial was in the Holy Family Cemetery, under the direction of Dennis Funeral Home.

Mr. Hoelting was born in Nebraska and moved with his family to Nazareth in 1908. He was a farmer before he retired.

SURVIVORS include his wife, Ella; four sons, Cecil, Richard, Ronnie and Leonard, all of Nazareth; two daughters, Mrs. Estil Keyes of Plainview and Mrs. Diane Warren of Dallas; five brothers, Al, Ed and Greg, all of Nazareth, Norbert of Olpe, Kan., and Wert of Redondo Beach, Calif.; and three sisters, Mrs. Irene Albracht of Hereford, Mrs. Doris Albracht of Nazareth and Sister Norbert of St. Michaels, Ariz.

Pallbearers were Tommy Hoelting, Dennis Hyman, Clyde Hoelting, Sam Albracht, Glenn Schmucker and Ed Ramaekers.

Five nurses get diplomas here Sunday

Five graduates of the Plains Memorial Hospital Vocational Nurses' School received their diplomas Sunday afternoon in a ceremony at the First United Methodist Church.

FOLLOWING speeches by hospital administrator Jack Newsom and Ronnie Parker, the diplomas, along with caps and school pins, were presented to graduates Juanita Minerva Acevedo, Dianne L. Ailshie, B. C. Bossett, Janet Lee Mayes, and Mary Anne Spradlin.

In the fellowship hall following the services, the Plains Memorial Hospital Auxiliary hosted a reception for the graduates and their guests.

FIRST SUNFLOWER SEEDS reported harvested in the county this year were delivered to the Castro Co-op Gin Tuesday afternoon by Patsy Warren, whose husband is combining the crop on the Mack Steffy farm near Five Point, between Dimmitt and Hart. Here, Gin Manager Earl Chaney accepts the load for future shipment to the Plains Co-op Oil Mill in Plainview. The first load of sunflower seeds tested 8.15 percent moisture content.

Sheffy's chatter

By MYRTLE SHEFFY

Moffett and Melba Smith and children Danny, Darrell, Diane and David are here from Bangladesh, Pakistan for a visit with Melba's mother Dora Johnson, brother C. J. and Omega. They will be in Lubbock for a while, then to Washington, D.C. where both Smiths will be in school for his new assignment to the US Embassy at Malawi, Africa. They will go the first of December. Danny and Darrell will be at Austin attending school at the University of Texas. And daughter Debra is teaching English in Athens, Greece. Melba finished high school in Dimmitt.

MELVIN AND Gwen Witt of Littleton, Colo. were here all last week helping his mother Melvina Witt move back here from Littlefield. They visited his sister in Knox City, on to Abilene to visit their daughter Misty who is in school at McMurry. They also visited her grandparents Mr. and Mrs. Roy Smith in Plainview.

Birdie Neill and her daughter Waurayne and Van Earl Hughes and a grandson Frank Marx the 3rd of Corsicana, had a good trip to Kalamazoo, Mich. where they visited Birdie's daughter and husband Imy and Waldeen Holt. They live near lakes that offered much fun boating, relaxation. One of the side trips was to Holland, Mich., a Dutch settlement. The people there were fortunate to get an original Dutch windmill. They bought and moved it to Michigan. The mill is equal to the height of a six-story house, enormous big wooden wheels. The girls there did a Dutch dance with the wooden shoes on. They also have a wood shoe factory there. Another good trip was to the shores of Lake Michigan where they had a cookout and a tour. Mr. and Mrs. Gene Stroud are the proud parents of a baby boy that came in Aug. 19. Gene is the night dispatcher for the sheriff's department.

And it's a boy, named Brian Jeffery, that came the same Tuesday to live with Brock and Susan Merritt. The grands are Glen and Mona Merritt and the maternal grands are Mr. and Mrs. Gerald Sitterle of Houston. Greats are Minnie Sitterle of Victoria, Mrs. Lilly King of Santa Ana and Mable and Earl Brock of Dimmitt. Mable says eight grandparents are here to see the new baby.

THE DIMMITT Garden Club will have charge of the horticulture display of flowers at the fair Saturday, Sept. 6 at the Exposition Building. We are asking everyone to bring your best and prettiest flowers. Have them there by 9 a.m. Do gather the evening before, put

stems in deep water (not the flowers). Put the name of your flower and your name for the register. The ladies will have tables and containers ready Friday. Please help make the show a good one, Sheffy says. Billy Graham and his helpers, Beverly Shay and Norma Zimmerman, and many others will be at the Jones Stadium in Lubbock Aug. 31 to Sept. 7. Many Castro County people are going down to hear this great "Crusade for Christ." 35 different prayer groups have been meeting here in Dimmitt for the crusade. Do go to Lubbock if possible. Probably the last chance to hear Mr. Graham in our area.

The Ewell Kelley family, accompanied by Kathy George and Jeff Bell, vacationed recently in Red River, N.M. They rode motorcycles in the mountains and "Old Man Kelley barked up his shins."

Eddie Kimbell had a truck accident when the wheel ran off. Eddie suffered a broken rib and bruised kidneys. Dr. Lee put him to bed for three weeks. Kimbell says he hated to miss being with the Old Settlers most of all.

VANESSA Holland, daughter of Garnett and Polly, suffered a broken collar bone last Tuesday when she, on a bicycle, ran into a car. She was taken to a bone specialist in Amarillo. She is doing fine at this time.

Mrs. Jo Gregory and Mrs. Oleta Golden visited a while with Mrs. Porter, or Doris, Stone in Littlefield last Thursday. Doris tells them she reads the paper each week and likes hearing or reading about the folks. Mrs. Stone retired from teaching school in May after 34 years. She taught 13 years in Castro County, 12 in Dimmitt. The other 21 years were in the Amherst school system. Doris says that no one except a teacher knows how much the students, parents and fellow faculty members mean to a person. I say thank you for the kind words about the "Chatter."

Herb and Mary Burnham and their three sons Mike, Rex and Jay of Albuquerque were weekend guests of Mary's parents B. M. and Viola Nelson and brother Don, Verbie and kids.

Pam Stewart of Cleo Springs, Okla.,—that is near Enid—are here to visit her dad Pete and Darla Stewart. You know that Pete is manager of the Western Ammonia plant.

Roy and Florene Stafford have moved back to Dimmitt from Austin. They have bought the S&K Manor apartments north of the high school. They will live there and manage the apartments. The Staffords lived in Dimmitt for many years, raised the four sons. Tommy lives here now.

Jeannie Johnson and Martha Jo Hyman visited Jaci and Butch Holcomb in Littlefield one day recently. Jaci and baby came home with them for a visit.

Monday was Brenda Andrew's birthday, so Martha Jo put the coffee pot on and baked a cake for the friends who came by the Tots & Teens shop.

SUE ANN Davis, bride elect of Donnie Ray Brown of Plainview, was the honored guest at a shower of gifts and party at the Country Club Thursday evening. Mrs. Bob DuLaney greeted the guests and presented them to Sue Ann and her mother, Mrs. Lloyd Davis, the bride-to-be's sister Sheryl, the groom-to-be's mother Florene Brown, and sisters Elaine Dollar and Patricia Brown. Cindy Adams served the fruit punch and cookies from a linen covered table with crystal appointments. The centerpiece was a small lace umbrella over a tiny bride and groom in a bed of white daisy mums. The cloth was hand embroidered in the Philippines and belongs to Mrs. Garnett Holland. 22 ladies helped with hostess duties.

Polly Manning and Mozelle Lilley were dish washers. The wedding will be Sept. 1 at 7:30 p.m. at Dennis Chapel.

Polly Bell was hostess at a "42" and dessert party Saturday evening. Her guests were Mr. and Mrs. H. C. Nelson, Mr. and Mrs. George Blanton, Mr. and Mrs. Burl Bradford and Mamie Birdwell. The Blackie Blackwells are members of that club but had kinfolk company in from Littlefield.

Don and Karen Sheffy and girls Kristi and Karla came down from Canyon, spent the night Saturday with Polly. And they took Sid and me out for a steak supper. I went with Don in the plane and flew over the Flagg community. The crops are a beautiful patchwork quilt from the sky. Shades of green and gold.

Rayphard and June Ginn and Lori of Tempe, Ariz. were here to visit his parents Cecil and Blanche Ginn, and he tried to visit some of his old school friends.

MAE AND Anzie Taylor were hosts to company last week. Mae's sister Willie Frank and her friend Loretta of Brady, a sister Bessie Penn of Rochelle, and in-law Thelma Duggers of Clyde and Katy Freeman of Roscoe. So on Tuesday they packed a big picnic dinner and spent the day in the shade of cottonwood trees in the Palo Duro Canyon.

Saw "Texas" Tuesday night. They rode the Sad Monkey train too. Wednesday they spent the day in Amarillo, just

for fun. Had dinner out, much visiting. Anzie went along too. Then Thursday they looked at the pretty crops and all got potatoes and onion to take home. The ladies spent one night in Plainview before going.

Mr. and Mrs. Bob Sewell, Mr. and Mrs. Terry Schaberg and children Lisa and Erik and Dr. and Mrs. Bill McCauley, all of Lubbock, were at the Methodist Church Sunday as laymen Crusade workers, saying Christians must get back to God, must work for the ongoing of Christ's work. All Christians, not just the Methodists. They ask you to keep the Billy Graham Crusade in your prayers and go if you can. Bob Sewell is a special friend of Sam Nichols, one of the coaches. Bob was on radio at one time.

Alma Umberson went to Alamogordo, N.M. last weekend to attend the wedding of her granddaughter. She is the daughter of Dee and Nona.

Andy and Kitten Behrends and daughter Kristen of San Antonio were here last week visiting his parents Helen and Andy Sr. and the brothers Bill and David and families. Big Andy has had a bout with the flu. Okay now.

Ruby Webb and June Brock went to Hereford on business one day. Also to get some shoes fixed. We don't have a shoe fixer here.

DR. AND MRS. Charles Vandiver were in Fort Worth to be with friends at A. J. and Jeanie Kemp's house. And this week they take Loren to school

at NMMI in Roswell.

Dr. and Mrs. A. F. Kuhlman of Nashville, Tenn., visited last week with George and Adeline Rush and Mr. and Mrs. Paterson Bain. Dr. Kuhlman is a relative of Mrs. Bain's.

Nancy Crum and children of Dallas were here to visit her mother Clara Neumayer instead of mother going down there like I said.

Dimmitt people are going to college this week. These I heard about are Cindy Dyer, Susan Wise, Linsae Snider, Tonya Clark, Kurt Wales, Harold Love, Lance Louder, Jerry Annen, Shannon Truelock, Travis Hampton. All Texas Tech students-to-be.

Mr. and Mrs. Dan Knox of Spearman were Sunday guests of their son Dan. Also were church guests and for the welcome to the new Methodist preacher Roark at the Sunday dinner.

Suzanne Merritt received her degree from Texas Tech last spring. This was in interior decoration. Now Suzanne is with Khoury Bros. Carpet in Amarillo. She says to tell you to come by and visit with her when you are in town.

PEARL JOHNSON and twin sister Ruby Sims and Arthur and Melvina Oakley went to Amarillo one day last week to attend the funeral of Ed Lovelace at Schooler Gordon Chapel. He was an uncle by marriage to Arthur and he and Mrs. Lovelace helped raise Ruby and Pearl when they were children. En route home they stopped in Canyon to visit

Chesley Johnston and family, Pearl's son.

Don and Pat Elliot were in Amarillo just to see the town. Pat is secretary at Bruegel's Elevator and Don is a city policeman here.

Lynn King visited her son and a daughter in Amarillo last week. Lynn, a former librarian, now lives at South Hills Manor.

Edna Tate Cooper celebrated her 89th birthday Sunday. Her son Buck from Burkburnett came to see her and took her out for a drive.

FAMILY get together are the thing now before winter comes. Ruby and Dagwood Wood had the Calhoun family in Sunday for a cookout and homemade ice cream. Coming in were Keith and DeAnn Calhoun and daughter of McLean, Bob and Mozelle (Calhoun) Slay of Amarillo, Gary and Bonnie Calhoun and children from Alaska. They are en route to Houston where Gary will be with the Coast Guard. Also attending were Nub and Hazel Calhoun and family of here, their daughter Kathy Cantrell

and two babies, Kay and Bill Conyers and Nell and Chad Humphrey.

Lois and E. R. Waggoner joined the Ewing family at Thompson Park in Amarillo for a get together. A big basket lunch was enjoyed by Mr. and Mrs. J. T. Gunners of Tulia

who hosted the party, Arlon Ewing and family, the Edward Ewings of here, and Dee Yates and four sons Brad, Rick, Kyle and Kip. There were 74 members of the family there.

SAFE AND SECURE

How confidently he sleeps. Mother and Daddy are in the next room. Teddy Bear is right beside him.

We, also, desire a feeling of confident security. We want to do good and live with honor in this life, free of the fear of falling into sin. God wants this for us, too. And He sees and knows how hard we try.

In the New Testament, Jude writes, "God is able to keep you from falling, and to present you faultless before the presence of His glory with exceeding joy."

Pledge yourself to Him and attend church this week.

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE. The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. FAYE KENMORE was hostess to more than a hundred kin of the Conner and Kenmore families Aug. 17 at the Exposition Building. Her son Hoyt and family of Tempe, Ariz., and daughter Monette and George Ray of Justin came a few days early to help her. They had a basket lunch for folks from Houston, Odessa, Plainview, Lubbock, Andrews, Canyon, Amarillo, Perryton, Pampa, San Antonio, Fort Worth, Brownwood, Ruidoso, Tucumcari, Lovington, Denver, Colorado Springs, Springfield and Fairfax, Va., and Oklahoma towns of Altus, Eldorado, Chester, Duke and Goodwell. Hoyt's daughter made a big family tree painted with names and pictures.

Beral Hance had a good visit in Dallas last week. Linda and her husband and the girls Tracy and Paige took her to the Zodiac, a very nice eating place at Nieman-Marcus, and another day to the Bagetelle. Tracy and Paige are models for a pre-teen shop. The other two grands, Ronnie and Susan Hance of Lubbock, were here to see Nancy Hays, who showed them the art of gathering and canning blackeyed peas. Linda and the two girls took Beral to the World Trade Center. The center of the huge building is open space and has an elevator which is a glass cube. As you ascend you can see in to all the shops on each floor which contain merchandise from all over the world. They spent several hours going to different shops. They also went to Bonham and went to the Sam Rayburn house which was opened to the public last spring.

Dorothy and V.C. Hopson toured Louisiana, the Mississippi Coast and into Alabama. They swung up north to Jackson, Miss. and visited with the Frank Pollards. June took them to tour the First Baptist Church where Frank is the pastor and the Governor's Mansion. The governor and his family are members of Frank's church and

the Hopsons enjoyed meeting and visiting briefly with Carroll Waller, the governor's wife. She expressed appreciation to Texas for being so good to Mississippi, pointing out a clock Gov. Coke Stevenson had presented to the Mississippi mansion, and thanked us for sharing the Pollards with Mississippi saying "I feel Mississippi's gain is Texas' loss." Spent the rest of the day on the Ross Barnett Reservoir on Polard's boat. Came back through Dallas and visited with Dorothy's brother Paul Dishman and family. Shopped North Park and brunched at Don the Beachcomber's Sunday. Glad to be back home.

Mr. and Mrs. W. E. Thompson of Salinas, Calif. have been here for a visit with their son and daughter and families, the Jack Thompsons and Norman Nelsons.

Glenda Sims says everyone goes to interesting places but she has her washing and ironing done.

W. J. and Sara Hill and Scott and Barry flew to Tucson, Phoenix and Suora, Ariz. last weekend on business. They saw the cactus and mountains. They visited the chapel in the mountains that was designed by Frank Lloyd Wright.

C. A. and Oleada Hance and grandson Jeff Isaacs met David and Saundra Honea, Lisa and Shane in Canyon Thursday and they went to see "Texas." Martha and Jake didn't get to go as he went into High Plains Baptist Hospital for eye surgery Friday. He is home and doing fine now.

David and Saundra Honea, Lisa and Shari were recent weekend visitors in the home of their parents C. A. and Oleada Hance. George and Monette Ray also visited with them.

Billy Joe Claborn and family of Amarillo spent the day with T.D. and Phoebe Claborn Sunday. Jackie and Vickie and Ashley Hackney of Amarillo spent the day also. Vickie and Sherie spent last week with their grandparents.

Jeannie and Cowboy Johnson and Jaci Holcomb took Oscar Johnson to Amarillo Saturday for a family reunion. They were joined by brothers Gene Johnson, of Topeka, Kan. and Kenneth Johnson and family of Abilene. About 50 turned out for a picnic at Thompson Park. Had a fun day.

A LIE that is half a truth is ever the blackest of lies.

Schmuckers hold reunion

By MRS. AGNES BROCKMAN

The Schmucker family had a reunion Sunday, Aug. 17. There were 153 present. Attending the reunion were Mr. and Mrs. Ed Theone from Nebraska and Mr. and Mrs. Jerome Theone and children from Nebraska, and also families from Hereford, Nazareth, Dimmitt, Tulia, Amarillo and Farwell.

THE WEATHER has been quite hot and plenty dry lately. The corn is pretty well matured and green bugs and corn borers are still plenty bad. On the whole crops are good, but could use a nice rain.

Mr. and Mrs. Harry Klemm, Mr. and Mrs. Alvin Klemm and boys, Mr. and Mrs. Walter Klemm and children and Mrs. J. C. Pohlmeier and baby attended the wedding of Kathie McBride and Jim Key Saturday morning at the Sacred Heart Church in Littlefield. The bride, a graduate of West Texas State University school of nursing, is the daughter of the former Ethel Klemm of this community and the late J. M. Key of Olton. The groom is also a 1975 graduate of WTSU with a business major. They will be at home in Amarillo.

Mr. and Mrs. Cyril Brockman attended the funeral in Groom of Mitzie's uncle Arthur Detten, who passed away there recently.

The A. P. Hoeltings spent several days in Amarillo with the Eddie Venhaus family.

MR. AND MRS. Paul Venhaus, Mr. and Mrs. Terry Hutson of Guyton, Okla., Greg and Mary Lou Venhaus, Anna-leen and Joe spent last weekend at Ruidoso, N.M.

Mrs. Max Acker spent several days in Amarillo with the H. D. White family.

Mr. and Mrs. Harry Britton of Groom spent last weekend in Nazareth with their relatives the Druerups.

Katie Huseman and Corine Dulsky went to London, Texas recently and visited with Mr. and Mrs. Lee Meeks and Julian Huseman.

Mr. and Mrs. Slim Venhaus of Happy visited with the Venhaus families Sunday evening.

SUE BURT of Dallas is spending her vacation at home with her mother Helen Burt.

Peggy Book, Mary Lynn Wilhelm, Janie Steffens and Agnes Brockman spent last week at Ruidoso and the Carlisbad Caverns.

Gerrie Russell and baby of Oak Grove, Ky. flew home last week to spend a week or two with her folks the Jerome Brockmans.

UNITED STATES DEPARTMENT OF AGRICULTURE, ANIMAL AND PLANT HEALTH INSPECTION SERVICE, OFFICE OF THE ADMINISTRATOR. Notice is hereby given that portions of Deaf Smith and Castro Counties in Texas are excluded from the areas quarantined because of hog cholera under an amendment of the regulations in 9 CFR, Part 76, as amended, effective August 21, 1975. Therefore, the restrictions pertaining to the interstate movement of swine and swine products from or through quarantined areas contained in said 9 CFR Part 76 do not apply to the excluded area. However, the restrictions pertaining to the interstate movement of swine and swine products from nonquarantined areas contained in the regulations apply to the area excluded from quarantine. No areas in the continental United States remain under quarantine.

The amendment is published in the Federal Register. Detailed information concerning the regulations and the amendment may also be obtained from E. S. Cox, Area Veterinarian in Charge, Room 301, 702 Colorado Street, Austin, Texas 76701.

Friends help Mrs. Sweeney celebrate 100th birthday

By TEENY BOWDEN

Mrs. Bertha Sweeney, mother of Mrs. Lillie King, celebrated her one hundredth birthday in her home in Amarillo Wednesday with her children, Mrs. King, Bill of the home and Mrs. Harvey Looney of Amarillo, her five grandchildren, and several great grandchildren. Mrs. Sweeney was featured on Channel 10 news at 6 and 10 p.m. Wednesday. Mrs. Embree Roy Sadler and Mrs. L. B. Bowden took her a bouquet Tuesday afternoon and visited a while with her, Mrs. King and Bill. The bouquet was a small basket of 100 roses made from pink satin ribbon with the names of 100 friends written with different colored felt tip pens on white stickers and stuck on ribbon streamers which hung from the rim of the basket. It was accompanied by a poem written in her honor. Her children, grandchildren and great-grandchildren celebrated with her for three days quietly rather than all being there at the same time. Mrs. Sweeney is well and mentally alert and gets around well. Mr. and Mrs. F. M.

Sweeney and Bill moved to the Sunnyside community from Panhandle in 1939. They farmed here until 1962 when Bill retired, sold the farm and moved with his mother to Amarillo. Mr. Sweeney died in 1955 and was buried in Amarillo. Mr. and Mrs. Irving King and Billie moved to Dimmitt in 1939 and to this community the next year. Mrs. King and the rest of the family have asked that I extend their sincere thanks to each of you who had a part in any way to help make Mrs. Sweeney's birthday a happy occasion.

LARRY ODOM of Dimmitt had charge of the Wednesday night prayer service while the pastor was on vacation. He had just returned from Hammond, Ind. where he plans to enroll in Hyles Anderson College in January as a ministerial student. He was able to transfer some of his credits from Amarillo College, but not all of them.

Mr. and Mrs. Bill Casey and Toni of Hawaii visited Tuesday through Thursday with Mr. and Mrs. Cliff Brown, Lee and Lynn. Mr. and Mrs. Jim Swin-

ney and Dawn of Lubbock had supper with them Wednesday night. Toni went back to Lubbock with them Wednesday night. Mrs. Brown, Mrs. Casey, Mrs. Swinney and Dawn visited with Mr. and Mrs. Embree Roy Sadler and Mrs. Gale Sadler Wednesday afternoon. The Caseys entertained the Embree Roy Sadlers when they were in Hawaii a few years ago. Mr. Casey met several

people in the community as he accompanied Mr. Brown on his inspection of various farms for bugs. Mrs. Brown spent the day in Lubbock shopping with Mrs. Casey and had supper in the Swinney home with the Caseys and another sister, Mr. and Mrs. Cary Shoemaker of Lynn Haven, Fla., who arrived Friday night to spend the weekend with her sisters Naomi Brown, Pauli Casey and Bonnie Swinney. Mr. Brown and Lynn also had supper with them Friday night and spent the night with his mother Mrs. E. R. Brown and visited with his father in Methodist Hospital Saturday while Mrs. Brown again visited with her sisters, who left for Arizona Saturday afternoon.

RESA CARSON returned home last Wednesday from her tour of Europe. The group flew from Denver to Amsterdam, Holland, and then to Paris, Rome, and London, where they crossed the English Channel in a boat. Then on to Switzerland and back to Denver. The three-week trip was sponsored by the Phoenix International Classroom Association. She flew from Denver to Dallas to join her mother Mrs. Lillian Carson, who was in Dallas last week for a seminar. They drove home together.

Mrs. Cecil Curtis returned home from her trip to Dayton, Ohio Friday afternoon. She helped her daughter Mr. and Mrs. Lynn Mason and Lisa move to San Antonio, then flew back to Lubbock Thursday. She spent Thursday night with her parents at Petersburg and came home Friday. Tammy and Rhonda Ross were presented crosses Sunday morning for having read over ten books in the summer reading program.

Next Sunday will be the last emphasis on the gifts for Christmas in August. Bring your gifts to put under the Christmas tree Sunday morning as there will be no Sunday evening services due to the Billy Graham Crusade.

COMMUNITY meeting scheduled for the first Tuesday each month will be moved to the second Tuesday in September due to the Billy Graham Crusade. Mark Sept. 9 on your calendar. The nominating committee will have a report at that time.

Mrs. Lillian Carson took her mother an aunt to Odessa and Midland Thursday and visited with relatives there through Friday. Mr. and Mrs. John Graham returned home Monday evening from Missouri where they attended the State Fair last week.

MR. AND MRS. Robert Paschall of Wingate visited Monday with Mr. and Mrs. Ezell Sadler. They had dinner with them and visited in the afternoon with Mr. and Mrs. Embree Roy Sadler, Mr. and Mrs. Gale Sadler, Mr. and Mrs. Larry Sadler and Mr. and Mrs. David Sadler, Melody and Karla, Mrs. L. B. Bowden and Mrs. Pearl Sadler and Mrs. Effie Taylor in Dimmitt. Melody Sadler missed the first week of school this week confined with the mumps. Mrs. Embree Roy Sadler and

noon.

Mrs. L. B. Bowden worked with auxiliary duties at Plains Memorial Hospital in Dimmitt Monday afternoon. A sunflower meeting was held in the community building last Friday morning and a tour made of the sunflower fields in the community. Most of them have had the kill applied this week, some earlier.

BILLY Graham preparatory prayer meetings were held this week in the home of Mrs. Ila Haydon Tuesday morning, also with Baptist Women at the church, with Mrs. J. Paul Waggoner Wednesday morning and with Mrs. Virginia Kendall and Mrs. John Gilbreath Thursday morning and with Mr. and Mrs. Hershel Wilson Thursday night.

Mr. and Mrs. Hershel Wilson and Daneen returned home Wednesday evening from the VBS in Minnesota last week and a vacation touring into Canada and back home through the northwestern states.

Mr. and Mrs. M. H. Fowlkes and Mrs. Kate Herriage of Lubbock spent the day Friday with Mr. and Mrs. Embree Roy Sadler. Mrs. Myles Sadler, Gregory and Amy visited with them Thursday. Mrs. L. B. Bowden attended the Castro County Genealogical Society meeting in Dimmitt Thursday night.

LEE AND Lynn Brown both had their first scrimmage games with Silverton at Springlake-Earth Friday night. Lynn is on the junior varsity instead of the junior high team as reported last week.

Mrs. David Sadler and Mrs. James Powell were honored with an enchilada birthday supper in the David Sadler home Friday night. It was a belated birthday for Mrs. Powell. Those present were Mr. and Mrs. Jake King of Hereford,

Mr. and Mrs. James Powell and children and Doyle Hoyler of Dimmitt, Mr. and Mrs. Ezell Sadler, Mr. and Mrs. Larry Sadler and girls and Mr. and Mrs. David Sadler and girls.

Mr. and Mrs. Vernon Orr left Saturday for a vacation in the Chama, N.M. area and the Grand Mesa area of Colorado. Mike Orr was not a groomsman for his sister's wedding as reported last week. Both the bride and groom will be enrolled at Mary Hardin-Baylor University, where he will major in pre-anesthesia.

Mr. and Mrs. Ezell Sadler visited in Hale Center last Sunday evening with Mr. and Mrs. Ercell Keeler.

LEE AND Lynn Brown and Kirk and Bill O'Hair from Earth attended the Billy Graham Youth New Life Nurture Group Training in Lubbock Saturday morning.

Mrs. Ezell Sadler and Mrs. L. B. Bowden visited in the Tulia Nursing Home with a cousin, Mrs. Georgia Mae Jones, Saturday afternoon. Billie King of Monument, N.M. spent last Saturday night with his mother Mrs. Lillie King.

Mrs. Dycke of Old Mexico was a house guest of the Lloyd Blantons this week. Mrs. Rodney Miller, Chris and Todd visited with her relatives in Florida recently instead of Tennessee as reported last week.

MR. AND MRS. Noah Spencer were in Dallas Wednesday through Friday for his medical checkup. He doesn't have to go back for three months. They spent Wednesday and Thursday nights with her aunt and uncle, Mr. and Mrs. Ira Walker.

Resa Carson was honored by her family with a belated grad-

uation party and dinner Sunday in her home. Those present were her mother, Mrs. Lillian Carson, Mr. and Mrs. Carl Dean Carson and Deakon, Mr. and Mrs. Lee Bradley and family and Gene Carson and a friend Marilyn Nuse and her daughter Michael from Hereford and her grandmother Mrs. A. L. Aven of Hart.

Rev. and Mrs. Raymond Jones and Mr. and Mrs. Loy Stewart of Cotton Center returned home from their vacation in southern Colorado Friday evening.

MR. AND MRS. Rayford Louder of Amarillo visited Sunday afternoon with Mr. and Mrs. Alton Louder, Leslie Louder, Mr. and Mrs. David Sadler and girls and L. B. Bowden.

Mr. and Mrs. Larry Odom, Lisa, Kyle and Misty visited after church Wednesday night with Mr. and Mrs. Lynn Cox, Brandon and Cinnamon.

Mr. and Mrs. Randy Blanton and Chris of Tulia spent Saturday night with Mr. and Mrs. Lloyd Blanton and Terry. They and Mrs. Blanton and Terry visited in Dickens with relatives Sunday.

Mr. and Mrs. Hershel Wilson visited with his mother Mrs. L. E. Wilson and Mrs. M. D. Durham in University Hospital in Lubbock Thursday and again Sunday. Mrs. Wilson underwent major surgery Tuesday.

MRS. NOAH Spencer took her mother Mrs. V. E. Bearden to Plainview for a medical checkup Monday. She will have to wear the braces six more weeks, but surgery was ruled out.

Mr. and Mrs. Clyde Akers of Lubbock and Mr. and Mrs. Howard Spencer spent the weekend with Mr. and Mrs.

John Spencer. Mr. and Mrs. Noah Spencer and Harold Spencer had dinner with them Saturday. Mr. and Mrs. Howard Spencer spent the week in Littlefield with her parents.

Leslie Louder had dinner in Dimmitt Sunday with Mr. and Mrs. Larry Odom and children to help Lisa Odom celebrate her birthday.

John Gilbreath returned home Saturday from a corn inspection tour.

Dr. and Mrs. Myles Sadler, Gregory and Amy of Lubbock spent Saturday night and Sunday with Mr. and Mrs. Embree Roy Sadler. Mr. and Mrs. Gale Sadler, Cindy and Susan also visited with them Sunday.

John Spencer. Mr. and Mrs. Noah Spencer and Harold Spencer had dinner with them Saturday. Mr. and Mrs. Howard Spencer spent the week in Littlefield with her parents.

Country Club has new champs

Charlie White won the men's championship and Bobby George captured the women's title in the Castro County Country Club's 1975 Club Tournament Saturday and Sunday.

WHITE fired an even-par 144 on 18 holes to claim the title of club champion for the coming year. Doug Lapins came in second and Jimmy Butler third in the Championship Flight.

White succeeds 1974-75 Club Champion Cliff Cook, who didn't compete.

Mrs. George edged out the defending champion, Polly Holland, to win the women's title.

FOUR MEN'S flights and three women's flights competed in the annual tourney.

The tournament's closest race developed in the First Flight. Truman Touchstone and Kenneth Cleveland finished in a first-place tie with 157 and went into a sudden-death playoff. The flight championship wasn't decided until the fourth hole, when Touchstone gained

a stroke for the title. The First Flight also saw ties for third and fifth places, but these weren't played off.

Here are the placings, by flight:

WOMEN'S DIVISION

Championship Flight: Bobby George, club champion; Polly Holland, runner-up.

First Flight: Kathy Thomas, low gross; Bessie Elder, low net.

Second Flight: Joan Thrasher, low gross; Shirley Underwood, low net.

MEN'S DIVISION

Championship Flight: Charlie White, club champion, 144; Doug Lapins, runner-up, 152; Jimmy Butler, third, 153; Robert Benton and Bob Myers, tie for fourth, 156; Carey Jackson and Allen McClure, tie for sixth, 157.

First Flight: Truman Touchstone and Kenneth Cleveland, 157 (Touchstone won playoff on fourth hole); Harold Hyman and Jimmy Ross, tie for third, [See CLUB CHAMPS, Page 7]

TOP THREE in the Country Club's annual Club Tournament were (from left) Doug Lapins, who finished second in the Championship Flight; Charlie White, who finished

with an even-par 144 to become the new club champion; and Jim Butler, third-place finisher in the Championship Flight. Thirty men competed in the annual tourney for members.

TOP WOMEN GOLFERS in the Country Club's 1975-76 Club Tournament were (from left) Bobby George, new club champion; Polly Holland, runner-up; Kathy Thomas, low gross

in First Flight; Bessie Elder, low net in First Flight; and Shirley Underwood, low net in Second Flight. Not pictured is Joan Thrasher low gross in Second Flight.

It's a new game for the Bobcats

The word that most aptly describes the Dimmitt Bobcats this year is "new."

THEY HAVE a new head football coach in Bobby King. They're running a new formation, the Slot-I made famous by the University of Arkansas. They'll be playing their home games on a new field, and before long will be suiting up in a new field house.

And most of the players are new to the varsity, with only eight returning lettermen on the squad.

There's not a single full-time starter back from the exiting Bobcat team that rode the Wishbone-T formation to a 9-1 record last year.

THE MOST experienced player on the squad is senior quarterback Ronnie Lawson, who alternated with Brad Sanders at the man-under position last year.

The other returning lettermen are senior end Kyle Touchstone, sophomore half-back Thompson Mayberry, senior fullback Leon Sandoval, senior center Keith Goldsmith, senior guard Mark Welch, and

senior tackle Greg Burks and Mark Cluck.

Around these eight, King is building his 1975 Bobcats. They're picked by all the pre-season sports magazines to

finish in the District 3-AA cellar this year, so the new head coach figures the only way to go is up.

THE BOBCATS will scrimmage Lubbock Cooper at 5

p.m. Friday, there. It will be their second—and last—pre-season scrimmage before opening their 1975 season at Muleshoe.

How did the Bobcats look in

their initial scrimmage against Abernathy Friday night?

"Well, they looked young," King said. "We made lots of mistakes, but I feel that our kids learned a lot—they realized how much harder they've got to work now."

THE SQUAD'S brightest spot right now is the leadership the seniors are giving, King said.

"And," he added, "the boys' attitude is real good."

King has one advantage—however slight—that most new head coaches don't have. He knew many of the boys who would be playing for him this year. He was an assistant coach here under Deane Wright two years ago before going to Duncanville, a Class AAAA school, as an assistant varsity coach.

ALSO NEW on the DHS varsity coaching staff this year is Line Coach John Parchman, who served at Lubbock Roosevelt last year and at Atlanta for three years before that. A native of Lubbock, Parchman is a Texas Tech graduate.

King said he'll know after Friday's scrimmage at Lubbock Cooper who his starters will be

NEW FACES are apparent on Dimmitt High School's varsity football coaching staff this year. From left are Joel Reese, former junior high coach who succeeds David Land as junior varsity mentor; Defensive Coach Larry McMinn, who is the only returning member of

last year's staff; Line Coach John Parchman, who came here from Lubbock Roosevelt to succeed Alton Fields; and new Head Coach Bobby King, one-time assistant coach here who returned to take the post vacated by Deane Wright.

Booster Club elects DuLaney

Bob DuLaney was elected new president of the Dimmitt Athletic Booster Club Monday night at an ice cream supper, the club's first meeting of the new school year.

OTHER officers chosen were Edmund Hunter, vice-president; Pat Roberts, secretary; Eddie Sutton, treasurer; and Clara Goldsmith, reporter.

Purpose of Monday night's meeting was to introduce high-school and junior-high coaching staffs. New coaches this year include Head Football Coach Bobby King, Assistant Coach John Parchman and Junior High Coach Larry Birdwell.

They join Sam Nichols, Nancy Greer, Joel Reese, Gerald Durham, David Bellinghausen, Larry McMinn and Athletic Director Kenneth Cleveland in carrying out the public schools athletic programs this year.

Regular weekly meetings of the Boosters voted to meet at 8 o'clock each Tuesday night in the high school cafeteria, with the previous week's game films to be shown first, followed by

the business session. All game films will be in color.

NEXT meeting will be Sept. 2, and will feature a color film of the Bobcats' varsity scrimmage with Lubbock Cooper High School Friday night, plus a scouting report on the year's first opponent, Muleshoe.

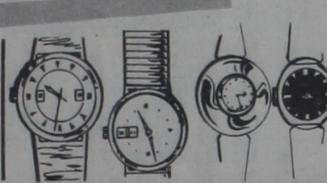

Booster Club meetings are open to all interested sports fans.

The club is now selling Bobcat tie-tacks and charms in silver and gold, at \$2.50 each. Anyone wanting one of the pins should contact Mrs. Bill Goldsmith at 647-3497.

Also, Dimmitt High School's cheerleaders are now selling advertising for this year's football program. Anyone wishing to buy a program ad should contact a cheerleader.

INDEPENDENCE is the greatest gift parents can help their children obtain, according to Mrs. Ilene Miller, family life education specialist with the Texas Agricultural Extension Service.

Bicentennial Farm Feature

Major Need of the Farmer Is A "Manufactory" of Equipment

It didn't take long after the farmer/soldiers returned to their fields following the Revolution that the need was seen for better ways of building farm machinery.

In 1809, Richard Peters, president of the Philadelphia Society for Promoting Agriculture, voiced such an opinion. The society was among the first of many such groups to be formed as forerunners of government agricultural agencies and college extension efforts to collect and disseminate information to the nation's farmers.

"I have long seen, and desired to remedy, the defects in the agricultural instruments in common use throughout the country," Peters wrote. "No manufactory of agricultural instruments in general exists."

If only Peters could see his native Philadelphia area today. In the neighboring environs of this cradle of the Revolution are found large producers of fertilizer and pesticides, seed companies and the extensive research, engineering and manufacturing facilities of Sperry New Holland, a leading manufacturer of agricultural machinery.

Although even his early call didn't envision such facilities, his foresight recommended the establishment of a manufactory of agricultural instruments.

"The manufactory would make every implement of husbandry, according to the best plans and construction," he explained.

The blacksmith shop once was the center of farm equipment manufacture.

Peters even saw a need for organized testing of equipment.

"Those newly invented implements, if approved on trial, may also be manufactured in addition to those generally known."

He further asked that the implements be put on display and even models be exhibited for inspection and imitation.

"Agriculturists will be certain of finding at one place a general assortment of the implements they require and have the most probable assurance of the good quality and construction of those they order."

He explained the need for establishing manufacturing standards, such as the selection of the best quality timber and waiting for it to be seasoned before use, as well as the selection of other materials of prime quality and at reasonable price.

Other activities, according to Peters, could include receiving and distributing all kinds of grain and seeds, either sent or procured from other countries, as well as here.

"All specimens of earth or any natural substances calculated for manures, or other agricultural purposes, might be tested and exhibited."

Even then, a forward-looking farmer saw a comprehensive agricultural industry including farm machinery, fertilizer and seeds was necessary to support those who actually tilled the soil.

There are four ways to get fluid out of a bottle: pour it, squeeze it, spray it or pump it. Recent publicity over the use of aerosol sprays and their possible damaging effect to lungs and the ozone layer above the earth, has made it highly probable that aerosol sprays may be banned permanently or altered dramatically enough to make their effectiveness questionable. So, it's back to the pump or old-fashioned mechanical sprayers. Only 300,000 mechanical sprayers were manufactured last year, just a tiny amount compared to the 3 billion aerosol cans. But pump manufacturers are running full-blast to meet orders flooding in from makers of household products, drugs, cosmetics and toiletries.

ACTUALLY, there's little new about pump sprayers—they have been around since the 1940's and several cosmetic manufacturers were pushing them before all the hubbub about aerosol sprays and their damaging effects. It seems that a spray pump controls more easily the amount of liquid being pumped out of the bottle. The pump is also more conserving because it does not spray out in a fairly large pattern nor in the large volume an aerosol container will spray.

The relative cost of the pump spray over the aerosol is about even. Contents of an aerosol spray can are more expensive than the contents of a pump container. However, the pump costs more than the aerosol spray valve. A big drawback of the pump spray is that it can be used only on fairly thin liquids. Pumps for liquids and for dry powders are now under development. Mechanical spray pump containers won't do all the work of aerosol sprays, however. Manufacturers estimate that pump sprays can take over only about 30% of the products now dispensed in aerosol cans.

THP records 8 July wrecks

The Texas Highway Patrol investigated eight accidents on rural highways in Castro County during the month of July, according to Sergeant J. R. Smith, Highway Patrol supervisor of this area.

THESE crashes resulted in no fatalities and two persons injured.

The rural traffic accident summary for this county during the first seven months of 1975, shows a total of 49 accidents resulting in three persons killed and 16 persons injured.

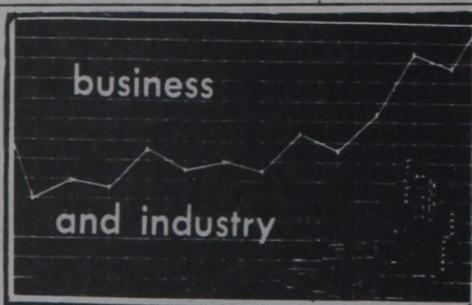

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for July, 1975, shows a total of 568 accidents resulting in 22 persons killed and 398 persons injured as compared to July, 1974, with 485 accidents resulting in 18 persons killed and 280 persons injured. This was 83 more accidents, four more killed, and 118 more injured in 1975 at the same period of time.

THE traffic deaths for the month of July, 1975, occurred in the following counties: two each in Clay, Haskell, Randall, Jack, and Sherman; and one each in Floyd, Garza, Hale, Hockley, Lubbock, Montague, Carson, Collingsworth, Moore, Farmer, Potter, and Wheeler.

'Public Employees Week' designated

District V Chapter 73 of the Texas Public Employees Association, composed of state employees, will be represented by George E. Culp of Littlefield, president of the chapter, and Doyle Wasson of Bovina, vice-president, at the 30th annual meeting of the association Monday and Tuesday in San Antonio.

THIS meeting of delegates from state employees will be one of the highlights of "Public Employees Week" in Texas. Gov. Dolph Briscoe designated Aug. 24-30 for this observance honoring state, county and city public employees.

Dimmitt has about 33 public employees, while Castro County has approximately 70. The state employs about 28 persons within the county.

Gov. Briscoe urged that "all Texans join in saluting our dedicated public employees."

You're doing without a Zimmatic center pivot. Saving your hard-earned capital for other improvements. Don't want to borrow right now.

But it's costing you money every year you wait. Two ways. First, you're losing the extra crop production you get under irrigation. Second, inflation is at work. Boosting prices, dropping the value of your dollars.

Why not rent a Zimmatic under our new lease plan? Let the system pay for itself and put some extra money in the bank for you at the same time.

Our rates are reasonable. You can include freight, installation, pump...

other "above ground" items in one flexible package, tailored to your needs. Why wait to irrigate? It's just costing you money. Call us today for details on our new lease plan.

Nelson-Hutto vows pledged Saturday

St. Anne's Episcopal Chapel at Glencoe, N.M. was the setting for the private nuptial vows pledged at 2 p.m. Saturday by Nora Marguerite Nelson, daughter of Mr. and Mrs. Clarence H. Nelson of Roswell, and Rodney Dean Hutto, son of Mr. and Mrs. S. R. Hutto of Dimmitt.

ORGAN music was provided by Susan Snead of Roswell. Vocalist was Mrs. Phil Bozza, formerly of Roswell, a sorority sister of the bride.

Monty Price Hutto of Hereford, nephew of the bridegroom, and Barry Pearson of Lake Arthur, cousin of the bride, lighted the 12 spiral candelabrum and served as ushers.

Maid of honor was Linda Daniel of Irving, and maiden of honor was Lora LaRue Nelson, younger sister of the bride. They wore identical tiered gowns of pale peach imported lace, puffed sleeves and fitted wrists complemented by layered insets of Alencon lace.

BEST MAN was Byron Robert Hutto, brother of the bridegroom. Junior groomsman was Madison Mulkey Hinkle of Roswell.

traditional sixpence loaned her by Mrs. Fred Brandes, a long-time friend. For something old, she wore a diamond pendant that belonged to her great aunt, and something new was a plain gold and silver band on her right hand, a gift of the groom.

A cascade of apricot roses and stephanotis, centered with two lime cymbidium orchids, which she later removed and wore on her going-away attire, was held on her white Rainbow Bible.

THE BRIDE and groom entered the elevated altar area through an ivy-entwined wrought-iron gate, flanked by pedestaled ivory urns which held profusions of peach and lime shaded gladiolas, Marguerite daisies, stephanotis and typhophilia.

The double-ring ceremony was performed by Dr. Robert Pinder, professor in the Family Relations Department at Texas Tech, major advisor on the bride's thesis committee, and Baptist minister.

The service was concluded with Mrs. Bozza singing "Our Wedding Prayer."

FOLLOWING the ceremony, a reception for approximately 100 guests was held at the Silver Dollar in Tinnie. The reception room was enhanced by white wicker baskets holding arrangements of multi-colored gladioli, daisies, Talisman roses and stephanotis. The motif was further carried to the veranda, where group tables were arranged.

The bride's table, draped in light avocado heather with a runner of ivory and stephanotis, was centered with a tiered wedding cake topped with a miniature replica of fresh flowers identical to the bride's bouquet. Kim Hibbard, sorority sister of the bride, served.

The groom's table, decorated identically to the bride's, held European spiced cake made by the groom's mother and served by Betty Read.

OTHER TABLES of the same motif held crab hors d'oeuvres, imported Norwegian cheeses, nuts and mints, and complemented by pink champagne.

Serving at the silver service were co-chairmen of the reception, Mrs. George Drew and Mrs. Hilton Cox. All members of the house party wore peach and lime daisy corsages.

Tedi Miles passed peach and lime green net rice bags to the guests.

THE BRIDE, a graduate of Goddard High School in Roswell, received her bachelor of science degree Magna Cum Laude, in home economics education from New Mexico State and was named the Outstanding Home Economics Graduate. She earned a master of science degree in home economics, family living and child development from Texas Tech in May 1974.

The bride has been employed as professor in the Home Economics Department of Texas Tech for two years and counselor at Stangel-Murdough Halls at Texas Tech.

Hutto, a graduate of Dimmitt High School, attended Blinn College at Brenham, Texas Tech and Texas A&M. He has a bachelor of science degree in animal science and a BS degree in agricultural education from Texas A&M. He is affiliated with Delta Tau Delta fraternity.

The bride's going-away suit was Irish linen in shades of cream, peach and lime green complemented by peach accessories on which she pinned her corsage of lime cymbidium orchids.

After the wedding trip, the newlyweds will live in Dimmitt. The bride will continue her education at Texas Tech, where she is a candidate for doctorate in administration and higher education. The groom is engaged in farming near Dimmitt.

Student newlyweds to live in Belton

Mr. and Mrs. Gilmer Brooks Johnson III will be at home in Belton Sept. 1, following their Aug. 16 wedding in Plainview.

THE GROOM is the son of Dr. and Mrs. Gilmer Brooks Johnson II of Plainview, and the bride is the former Lisa Susan Orr, daughter of Mr. and Mrs. Vernon E. Orr of Sunnyside.

The double-ring ceremony was performed at 7:30 p.m. in the First United Methodist Church in Plainview, with Dr. Charles McLeod, pastor of the First Baptist Church of Plainview, officiating.

Paige Gaston was the maid of honor, with Shelly Gaston as bridesmaid. Flower girl was Melinda Wilson of Hart.

DAVID Johnson was best man, with Randy Norman of Phoenix and Charles Couch serving as groomsmen and ushers. David Orr of Jal was the ringbearer.

Bill Webb performed tradi-

tional wedding music at the organ.

Mrs. Carolyn Brandt of Houston, Mrs. Glenn Wilson of Hart, and Mrs. Mike Orr of Jal assisted with the reception, which was held in the church parlor.

THE BRIDE attended Wayland Baptist College for two years after her graduation from Springlake-Earth High School. She will begin her junior year at Mary Hardin-Baylor University in Belton, where her husband is majoring in pre-anesthesia.

Lee St. Church to host singing

The Lee Street Baptist Church will host its regular "Fifth-Sunday Sing" from 2 p.m. to 4 p.m. Sunday at the church. The event is open to the public.

Another Federal Agency is moving closer to the farm. This time it's the Environmental Protection Agency. EPA officials are now sifting through the chemical analysis of nearly 35-thousand pesticides to decide which ones will require a government restriction. Those chemicals classed as restricted may be applied only by persons certified. Although the starting date for the certification requirement is more than a year away (October, 1976), many farm operators are all ready checking the requirements for certification. The establishment of two levels of certification will make things easier for most ag producers. To be certified as a private applicator (applying pesticides on your own land) boils down basically to being able to read and follow instructions. Commercial certification will involve passing a written test which will cover chemical formulas, equipment specifications and EPA rules and regulations.

Two former Dimmitt football players have reported to Eastern New Mexico University's football training camp and will be looking to be members of the National Association of Intercollegiate Athletics (NAIA) championship team by the end of the season. ROY THOMAS, a 6-0, 200-pound freshman, will play runningback, while Gene Veals, a 6-0, 180-pound freshman, will also try out for a runningback position. Eastern New Mexico University will be looking extremely strong this season and has 28 lettermen and seven squadmen returning. Seventeen of the returners were starters. BEWARE the fury of a patient man. —Dryden.

Birdwell earns A&M scholarship

Jim Birdwell, who will graduate from Dimmitt High School in 1976, has been named a President's Scholar at Texas A&M University. The selection was based on academics and leadership accomplishment. HE IS the son of Mr. and Mrs. Bill Birdwell. The President's Scholars receive \$1,250 a year for four years undergraduate study, the university's most lucrative scholarship. TAMU named 31 President's Scholars from the state's 1975 senior class. They are among nearly 235 students so honored since the program began in 1967. It is designed to help keep Texas' best students in the state for their collegiate studies. Several hundred nominees were considered by the Faculty Scholarships committee from the principals of every accredited high school in Texas on TAMU invitation. Factors in selection included high scholastic ranking, and through school, church and community activities, evidence of non-academic interests and leadership ability. Nine women are among the 35 honorees. The group represents all geographic areas of Texas. 'Fun After 50' to meet Tuesday The Fun After Fifty Club will meet Tuesday at 7:30 p.m. in the community room at the city hall. All are invited. Reeve-Fleming sets grand opening in new building

Reeve-Fleming Chevrolet will hold its Grand Opening Friday and Saturday in its big new building in Southeast Dimmitt, near the intersection of US 385 and State 194.

A ribbon-cutting by city and Chamber of Commerce officials at 9 a.m. Friday will kick off the two-day Grand Opening. Members of the Reeve-Fleming staff will serve hot apple pie, Coke, Dr. Pepper and coffee to everyone visiting them Friday and Saturday.

ALSO, THE Chevrolet dealership will give away a pickup-load of door prizes. The main door prize will be half a beef, cut and wrapped to the winner's specifications by Taylor & Sons Grocery. Other prizes will include a Rival 3 1/2-quart Crock Pot, a West Bend 11-inch electric skillet, a Soundesign clock radio, and a Zebco Model 33 spincasting reel.

There'll be several classic Chevrolets on display, too. These include a pair of 1954 Corvettes which are still in A-1 shape, and a heavily customized 1975 Chevrolet Custom Deluxe pickup with a psychedelic paint job.

But the main attractions of the Grand Opening are likely to be the 1975 Chevrolets. Every car and pickup in the large stock will be a "Grand Opening Special," priced at year-end close-out figures.

THE NEW Reeve-Fleming Chevrolet building is one of the biggest and most modern of any small-city dealership in the country.

The steel building has 13,000 sq. ft. of floor space with a glassed-in showroom, carpeted and paneled business offices, a 3,000-sq. ft. parts department and a 7,500-sq. ft. service department with 10 well-equipped service bays.

CONSTRUCTION of the building went much faster than anticipated. After an April ground-breaking, the owners hoped the new building would be completed in August, allowing time for expected material shortages. But all the materials came in on schedule, the sub-contracted work went smoothly, and Lewellen Construction Co. had the building ready to move into by mid-June.

"Of course, we've been moving in ever since—getting all the equipment in, getting straightened and situated," Business Manager Don Reeve said. "The parts department was the main chore—we've more than tripled the size and inventory of our parts department, and had to get all the parts and shelves organized."

REEVE-FLEMING Chevrolet is owned by a family partnership. The owners are Don and

LaVon Reeve, and Mrs. Reeve's parents, Mr. and Mrs. R. L. Fleming of Friona. They formed the partnership in June 1973 and purchased Webb-Mears Chevrolet here.

"We bought with the intention of building a new building," Reeve said. "We would like to have built it earlier, but we're glad to have it now."

Reeve grew up in Friona, where his father, Glenn Reeve, owns Reeve Chevrolet-Olds. So he's been in and around the car business most of his life.

AFTER graduating from Friona High School in 1957, Reeve attended West Texas State University and earned a BS degree in education. He taught high school CVAE students in Friona three years, working with his father in the car business during the summers.

His wife, LaVon, graduated from Friona High School in 1959, and they were married two months later. While he attended college, she worked in an Amarillo bank.

The Reeves have three children—Jay, 11, Julie, 9, and Jamie, 6. They are members of

the Bedford Street Church of Christ and the Chamber of Commerce. Reeve also is a member of the Dimmitt Lions Club.

FLEMING is the owner of Fleming Construction Co. in Friona, and specializes in building custom homes. He has been in the construction business 20 years.

Public service also is a big part of Fleming's life. He's now serving his sixth term as mayor of Friona. He also served two terms as mayor of his hometown, Melrose, N.M., before moving to Friona in 1952. His wife, Marie, also is a native of Melrose.

Before going into the construction business in Friona, Fleming was the International Harvester dealer in Melrose.

SALES MANAGER is Kenneth Hollums, who has specialized in Chevrolets longer than anyone on the Reeve-Fleming staff.

Hollums started in the Chevrolet business in August 1957 as a service technician with Dimmitt Motor Co. He later

served many years as service manager, then was named sales manager when the company became Webb-Mears Chevrolet in 1971.

Hollums has earned several sales awards from the Chevrolet Division, including being named to the "Legion of Leaders" and the "Sales Hall of Fame" within the past two years. He is now a finalist for a Chevrolet trip award.

As a member of the Dimmitt Volunteer Fire Dept., Hollums took specialized training in ambulance operation when the city and county bought the Dennis Funeral Home ambulance service, and is now one of the public ambulance drivers.

CONSUMERS can save grocery money by shopping for in-season fruits and vegetables, Mrs. Mary Sweeten, foods and nutrition specialist with the Texas Agricultural Extension Service, says.

ROTARY DISTRICT GOVERNOR Ralph McLaughlin of Big Spring speaks to Dimmitt's Rotarians during his official visit to the local club Friday. In his speech, he noted that the membership of Rotary International has doubled since 1955 "because Rotary lives on Main Street, and is the kind of organization you want it to be . . . it's an organization that dignifies the individual." After McLaughlin's speech, Past President Bill Behrends presented the district governor and his wife with county commemorative coins set in a pendant and watch-fob.

**Cook vies for
CC golf team**

The 1975-76 Bulldog Golf Team of Clarendon College enters its second year of competition with experience, depth, and an optimistic attitude.

JOHN COOK of Dimmitt, a freshman at Clarendon College, will be a candidate for a starting berth on this year's team.

Under the direction of Loyd Waters, the Bulldogs, sporting a 12-man squad, will compete for honors in the Western Junior College Athletic Conference, one of the toughest conferences in the junior college ranks.

Strength of this year's team will be returning starters Terry Shipley of Kermit and David Pender of McLean.

Ten freshmen recruits will strengthen the Bulldogs, adding depth that the "Dogs" did not have in last year's campaign. In addition to Cook, freshmen contenders include David Coffey and Phillip Bray of Memphis, Robbie Gower and Danny Strack of Fort Worth, Steve King and Randy Croslin of Clarendon, Daniel Truelove of Spearman, and Mark Howell and Gary Dorman of Vega.

New WA plant nears completion; annual payroll is now \$900,000

Western Ammonia's \$5 million plant addition will go "on stream" by Oct. 1.

PLANT MANAGER Owen K. "Pete" Stewart said construction is proceeding on schedule for the Oct. 1 start-up date. Universal Maintenance & Construction is the prime contractor.

The new addition (actually, it's a complete plant of itself) will produce additional anhydrous ammonia—at the rate of 100 tons per day—to be blended with nitric acid and urea into 32-0-0 nitrogen fertilizer.

The new addition will double the Dimmitt plant's production of ammonia. However, it won't double the total output of products at Western Ammonia's complex here. Stewart explained that the company has been buying additional ammonia for years to keep its production of urea, nitric acid and 32 solution up to capacity. The new plant will make it unnecessary to buy this extra ammonia off the market.

ALL THE additional employees needed for the new plant have already been hired. The expansion has increased the permanent plant staff by 40%, to a total of 80 employees. The payroll is at a peak now, including construction crews, but will level off after Oct. 1 to a whopping \$900,000 per year.

The new addition has been under construction for a year. It's a combination of two plants which were purchased in Lawrence, Kan., and Etter, Tex. By

buying these plants and equipping them with new fixtures instead of "starting from scratch" on a new ammonia plant, Western Ammonia cut its construction time in half.

A UNIQUE feature of the Western Ammonia complex here is the emission abatement system known as the "Goodpasture Process," which Plant Engineer Don Ethington developed to eliminate the yellow smoke which came out of the plant's smokestack.

The yellow smoke, Stewart explained, was nitrous oxides. It wasn't concentrated enough to cause breathing problems for anyone, Stewart said, but the company had to take the smoke out of the atmosphere to conform with Texas Air Control Board regulations.

"Some plants simply took the color out of the nitrous-oxide smoke, but the Goodpasture Process actually eliminates the smoke itself," Stewart said.

THE COMPANY is now marketing its emission-abatement system to other companies around the country. Plants throughout the US have expressed interest in the Goodpasture Process.

A majority of the Dimmitt plant's products are sold in the Panhandle-Plains area through local Western Ammonia outlets. The company sells its individual products—anhydrous ammonia, nitric acid and urea—but most of its production goes into the main product, the "32" nitrogen solution.

Introducing . . . Western Ammonia Employee Quincy Standmire

Quincy Standmire, 63, enjoys fishing and going to horse races, even though he admits usually losing on his bets.

Quincy has been the janitor for Western Ammonia since 1966. Besides cleaning the office area, he also is the company's "leg man"—picking up and delivering cartons and supplies, taking the mail, etc.

His wife, Birdie Mae, lives in Morton. They have two sons, Willie Roy of Fort Worth and Iriece of Morton. One of his grandsons, Kenneth Standmire, is well-known to Dimmitt basketball fans—he's an all-state basketball player for Morton High School.

Quincy was born in Groesbeck. He has been living in Dimmitt since 1968.
