• SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY •

VOLUME 51

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, MAY 8, 1952

NUMBER 4

## Longhorns To Play Seniors Tuesday Night

Spring practice for the Lockney Longhorn football squad will end with a game with the graduating seniors on Tuesday night of next week, it was announced this week by Coach Curtis Kelley.

The game will be a regulation football game, played under the lights on Mitchell Zimmerman field. The whistle will blow at 8 o'clock. No charge will be made to see the game and the public is invited to attend.

The senior team will be made up of many of the starting line-up on last year's regular squad. They are expected to give the school team for 1952 quite a game. The seniors will include Ray Ferguson, Doug Meriwether, John Kendall and Bobby Dorman in the backfield; Barry Thompson at center, Harold Dean Griffith and Tip Jeffcoat at guards, Carroll Sammann and Deanie Henderson at tackles, Bobby Griffith and Don Bartram at ends, Eddie Joe Fortenberry will also get into the play, it was said.

Coach Kelley's starting line-up will probably be Aubrey Cox and Teddy Carthel at ends, Kenneth Williams and Deanie Quisenberry at tackles, Joe Taylor and Orland Gilbert at guards, John Dorman at center, Bill Paschal at quarterback, Bill Sherman and Lewis Foster at halfbacks and Norton Baker at fullback.

Others who will see action will be C. B. Smart, Allen Ray Pinner and Jimmy Williams in the backfield, Marion Cross at center, Roy Johnson and Wayne McClure at guards, Clifton Williams, Johnny B. Griffin at tackle, Billy McAda and Elmo Fortenberry at end, Roger Conner, Jimmy Scott in the backfield and probably other boys.

Some of the other team candidates who probably will play include Lerel Foster and Jim Bob Reynolds at tackle, Verbue Robinson, tackle, Phillip Daniel, Jimmy Rankin, Doyle Crouch in the backfield, Cleon Wiley and several other eighth grade boys who are working out with the team.

The senior team is working out some this week and getting ready for the game. Considerably rivalry is expected.

Assisting Kelley are Elvin Lyon, line coach, Robert Foote and Bill Birdwell.

## Floyd Wildcat Is Abandoned

Suntex Drilling Co of Oklahoma City has abandoned location for the No. 1 D. Cordova in southwestern Floyd County. It was 330 feet from south and east lines of Section 25, Block K, T7 Survey.

Standard of Texas No. 1 Adams, Southeast Floyd County wildcat, eight miles southeast of Floydada and in section 32, P. D. Adams survey, slated 8,000-foot wildcat is drilling below 6,085 feet in lime. Operator drillstem tested from 5,032 to 5,056 feet. Tool was open two and one-half hours. Recovery was 369 feet of salty sulphur water. On another drillstem test at 5,210-22 feet with tool open two hours, recovery was 90 feet of salty sulphur water.

## High Plains Water District Office At Lubbock

The office of the High Plains Underground Water Conservation District No. 1 has been established at 1220 Lubbock National Bank building in Lubbock. The association plans to keep its membership informed as to the action it takes regarding water matters and to warn of legislation or bills of any nature that may be harmful to the area.

## Old Settlers To Hear Reports

Committee reports on the progress of making preparations for the annual Floyd County Pioneer Reunion will be heard Saturday when the officials of the reunion meet in the County Court room at Floydada. One planning meeting has been held already. Plans are being made to feed between 2,000 and 3,000 people.

Following are the committees named:

Finance and dinner. — Geo. L. Fawver, G. L. Snodgrass, Frank L. Moore, A. Lee Noble, Bob Smith, Mrs. Ham Smith, Mrs. Otis Murry, Mrs. G. L. Snodgrass, Glad Snodgrass, W. A. Gound, J. T. McLain, Carr Surriner, and Ham Smith.

Parade. — Leland Hart, O. M. Watson Jr., Oscar Stansell, Roy Childress, Buck Sams, Calvin Steen, Johnnie Lackey, W. H. Hilton, Skeet Thornton, Lee Noble, C. L. Anderson, Paul Kropp, R. I. Bennett, and Glad Snodgrass.

Registration. — Margaret Collier with assistants to be named by her.

Memorial. Mrs. L. M. Honea, Mrs. Glad Snodgrass, Mrs. R. E. Fry, Mrs. Sallie Griffith, Mrs. J. Sam Hale.

Seating and tables. — W. C. Snodgrass, Roy Fawver, Claude Fawver, Duncan Hollums, Omar Parrish, Herschell Swebston, Herschell Green, Tate Jones, Gene Blackmon, Rex R. Brown, Hershel Hammonds.

Dance Committee. Omar Parrish, G. L. Snodgrass, Ham Smith, Bob Smith, R. I. Bennett, Leland A. Hart, A. T. Swebston.

John B. Stapleton, Glad Snodgrass, Homer Steen, and Kenneth Bain are named as members of the entertainment committee.

## Clean Up Winners Named By Committee

Winners on each quarter section of town and the city winner in the recent clean-up campaign were named this week by the secret committee selected by Chairman Joe Holt to inspect the various blocks. Judging was based on the most improvement, cleanliness and general upkeep.

Winner of the title of cleanest block in the city was the block on which the homes of Fred Lam, Frank Roberson, J. D. Wood and others are located, in southwest Lockney.

In the northeast quarter section of town the block on which Layton Johnson, Mrs. Mary Welland, T. D. H. Whitaker, H. P. Puckett, Mrs. Annie Allen and others was named the winner. In the northwest quarter section of town the block on which Payton Powers, Art Barker Jr., Faye Messer, Willis Reynolds, J. E. Cox and Ed Teuton live was declared the winner. In the southeast quarter section the block on which Howard Thornhill, B. J. Wofford, Mrs. J. W. Teaver, Arvie Newton, McLee Brewer, Mrs. George Webster Sr., R. L. Holland, L. S. Webb and others was named the winners.

A number of blocks were very clean save for one or two places, the committee reported. They urged a continuation of the clean-up effort.

Chairman Holt expressed his thanks for those who did cooperate in the clean-up drive. The clean-up day was not observed as well as it should have been, the postponement due to rain probably causing the loss of enthusiasm for clean-up.

## New Paint And Body Man Here

Leonard Kelley is now in charge of the paint and body shop at "Whitey" Baccus Motor Co. here. Mr. Kelley was formerly employed with Maher Bros. Ford dealers and Richardson Motor Co., both in Dallas. He has had 13 years experience in paint and body work. Mr. and Mrs. Kelley have three children. They have already moved to Lockney to make their home.

## Don't Shoot—It's Just The Appraiser

If some stranger comes up and starts measuring your house, don't run for the shotgun or call the law. It's merely an appraiser for the Lockney School District, and his work is to try to get all property in the district valued equally.

R. T. Rucker of Lubbock is working in Lockney on the project and R. C. Hopping is working in the rural areas. The men measure the house, note the type of structure and estimate the depreciation in arriving at the true value. Likewise in the rural area the type of farm land and improvements are noted.

Plan of the district officials is to equalize property values over the entire district, which may mean raising some values while lowering others, it was reported.

## School Auditor Reports Thurs.

A report on the audit of the financial records of the Lockney School system for the past five years was given by Leland Aiton, certified public accountant of Plainview, to the Board of Trustees and a few other interested people last Thursday night.

The audit covered the period from April 1, 1947 to March 31, 1952, and covered only funds that were handled locally. It did not include tax rolls and other records handled by the county superintendent since that office is audited regularly, Mr. Aiton said.

Mr. Aiton pointed out in his report that the school had not kept "proper records," that is the records kept were not complete in that some invoices and other evidences of purchases were not always kept and he recommended that a more thorough book-keeping system be installed as soon as practicable. He pointed out in the report that the records of the cafeteria fund were complete and in good order.

Mr. Aiton also recommended and urged that the matter of handling school finances and records be placed in the hands of a business manager for the schools. "Administrative personnel are not supposed to be bookkeepers. They are not trained for that purpose and do not have the time to give proper records," he commented.

"I further wish to state that after thorough investigation of all funds, even with only partial records, it is my sincere opinion that no individual connected with the school system received any benefit either directly or indirectly from the handling of the school funds," he said in his report.

Mr. Aiton further stated, "I feel certain that you have gotten your money's worth for the money spent, but better records and controls would aid in keeping your spending within your budget."

"The setting up of a business office of your own in which you would handle your tax rolls in your own community would save you enough money to more than pay the expense of such office. Then, too it is much easier to handle tax affairs in the school's own office."

Mr. Aiton's 24 page report showed receipts and expenditures in the general school fund, the athletic fund and the cafeteria fund by years. The general fund included funds for the various classes, the Annual fund, F. H. A. fund, National Honorary Society fund, typing fund, Journalism class fund, and other minor items.

Mr. Aiton pointed out that some current funds showed a deficit at this time but that this could not be considered serious since claims or reimbursements are outstanding which in most cases will come in before the school year is over to balance the accounts.

"Whitey" Baccus, president of the board, in closing the meeting stated that the board planned

(Continued on back page)

## A. D. Fultz In Race For County Superintendent

A. D. Fultz, principal of the Andrews Ward grade school in Floydada for the past six years, announced this week that he would be a candidate for the office of County Superintendent of Schools, subject to action of the Democratic primaries.

Mr. Fultz' statement follows:

"After much thought and the urging of many friends, I am placing myself as a candidate for the office of County School Superintendent."

A Bachelor of Science and Masters Degree and seventeen years teaching experience, of which six years have been spent as Principal of Andrews Ward School in Floydada, and other association over the country further qualifies me for this important office.

I hope to contact every voter and will appreciate your vote and influence and if elected will strive to fulfill the duties of the office fairly.

A. D. Fultz.

## Spring Soil Tour This Afternoon

The Floyd County Soil Conservation District is sponsoring a Spring Soil Conservation Field Tour, to be held on Thursday afternoon, May 8.

This tour will leave the Court House in Floydada at 1:30 p. m. Plans have been made to visit fields of winter legumes, grassed waterways, irrigated pastures, fertilizer demonstrations, bindweed control, and underground concrete pipelines which are being used in connection with irrigation systems.

Approximately two and one-half hours will be required to make the tour, visiting all the places designated.

It is anticipated that an all-day tour will be held this fall, at which time seasonal practices will be observed.

## Library Extension Director To Speak Here Monday

Mrs. Lucille B. Wilson, Director of Extension, Texas State Library State Capitol, Austin, will be in the county May 12 and 13.

Monday, May 12 is the regular meeting date of the Library steering committee. An open meeting will be held in the Court House at 2:30 p. m. All interested citizens are cordially invited to attend this meeting and meet Mrs. Wilson.

Committee chairmen for a house to house canvas soliciting signatures on a petition to establish a free Floyd county library are Messdames A. H. Kreis, M. J. McNeill, Billy Staniforth Jr., C. L. King, Billy Brown, Kinder Farris, E. L. Stapp, Lee Gollightly, and Don Finkner. Mrs. Wilson will aid in launching this campaign.

Hollis Bond, J. B. Bishop and Dr. O. R. McIntosh are the committee handling the printing of the petition.

Other engagements for Mrs. Wilson are 10 a. m. a meeting with Judge F. L. Moore and the four commissioners, and at 8 p. m. Monday in Lockney at the First Baptist Church with the public invited to discuss the county library and the Lockney library branch.

## Cooke County To Hold Reunion

All former residents of Cooke County are invited to attend the annual reunion to be held May 25th at the barbecue pit in Mackenzie Park, Lubbock. The group will meet from 10 a. m. until 5 p. m. Basket lunch will be spread at 1 p. m. An interesting program is planned with a special program for the children according to Chas. R. House of Lubbock, president.

## Ferguson Invited To Play In East-West All-Star Game

Ray Ferguson, senior at Lockney High School and an all-district football player last season, has been invited to play on the West team in the East-West Green-Belt All-Star game at Childress in August. High school football players from Class A, AA and AAA schools will be included in the game.

Ray, Barry Thompson and Tip Jeffcoat have all been awarded football scholarships at Midwestern University at Wichita Falls while John Kendall has been awarded a basketball scholarship at the same school. The boys haven't decided as yet where they will go to school.

## Lemons Rites At Plainview

Funeral services for Rev. Verge F. Lemons, 57 years old, of Wichita Falls, formerly of Plainview and Hart, were conducted at 3 o'clock Sunday afternoon in the Plainview First Baptist Church.

Rev. Nual Clark, Baptist pastor at Pharr, and Dr. A. Hope Owen, pastor of First Baptist Church, officiated.

Reverend Lemons died early Friday evening at his home in Wichita Falls. He was found dead in bed by a member of the family. Death presumably was the result of a heart ailment with which he had been affected for some time.

Mrs. Lemons was visiting in Plainview with her parents, Mr. and Mrs. S. C. Hutcherson and had visited several friends in Lockney during the day. Her brother, Claude Hutcherson, flew her back to Wichita Falls.

A native of Oklahoma, Reverend Lemons came to Texas in 1911. During World War I he served for 28 months with the Army of Occupation in Germany. In 1923 he came to Plainview and entered Wayland College as a ministerial student. He was graduated from Wayland College two years later and enrolled at Baylor University, from which he was graduated in 1928.

Reverend Lemons served as chaplain at the state school for boys at Gatesville for 8 years. Leaving that post in 1926, he and his family moved to Hart and Reverend Lemons was pastor of churches in that area for 8 years.

During World War II he was an instructor in airplane mechanics at the then Amarillo Air Field. He went from there to Biloxi, Miss., where he was an instructor for two years before going to Sheppard Field at Wichita Falls.

At the time of his death he had been an instructor at Sheppard Air Force Base almost three years and was a full-time pastor at the Midway Baptist Church near Electra.

He was married to Miss Ruby May Hutcherson of Plainview in 1925. She and two sons, Carl Norman and Walter Warren, both of Wichita Falls, and a brother, Carl Lemons of Floydada, survive.

## Teachers Elected; Others Resign

At a meeting of the board of trustees of the Lockney school district last Thursday night the resignation of four teachers were accepted while three others were employed for next school term.

The board accepted the resignations of Harley Wright, commercial teacher, Gene Trimble, band director, and Mr. and Mrs. Carroll Boyd, all of whom are going to accept employment in the school at the air base at Amarillo, it was reported.

Employed by the board for next year were Miss Janice Thompson, who will teach in the elementary school, Mrs. Jossie Allen and Mrs. Margie Wood, both of whom will also teach in the elementary school. Mrs. Wood is a former teacher in the local system.

## Democrats To Go Uninstructed To State Convention

Floyd County delegates to the state Democratic Convention will go uninstructed according to a resolution adopted by the county convention which met Tuesday afternoon in the district court room at Floydada.

The county meeting was a quiet affair with no fire works and no opposition expressed to the proposal to go uninstructed. Delegates will be F. L. Brown of Lockney, R. F. Stovall and Jimmy Willson Jr. of Floydada. The county is allowed one delegate for each 300 votes cast for the party's nominee for governor in the last general election. Since Floyd county cast only about 900 votes they will have three delegates to the state convention.

County Democratic Chairman Ben Ayres called the meeting to order and read a list of the qualified delegates to the county convention. He then called for the election of a permanent chairman. Edgar R. Hays of Lockney was elected permanent chairman without opposition. Mrs. Fred Zimmerman Jr. of Floydada was named permanent secretary and the convention proceeded to adopt a resolution, offered by Richard F. Stovall calling for an uninstructed delegation and a unit vote. A nominating committee was appointed and nomination of Brown, Stovall and Willson was made. They were elected without opposition.

The quiet of the county convention, however, was not typical of some precinct conventions held the preceding Saturday. In at least two precinct conventions the "loyal" Democrats made efforts to require an instructed delegation and a loyalty pledge. They were unsuccessful in most cases.

The conventions in both West Lockney, held at The Beacon office, and East Lockney, held at the City Auditorium, were peaceful and harmonious. Both conventions instructed delegates to vote for an uninstructed delegation and to vote under the unit rule. The West Lockney group also adopted a resolution calling for a preferential primary to select presidential electors. This was not presented at the county convention, however, since state Democratic party officials plan to introduce such resolution anyway to the state convention.

Delegates to the county convention from East Lockney were G. R. Day, J. J. Harris and Lloyd A. Wofford. Alternates were O. C. Bailey, H. P. Puckett and J. D. Huggins. Delegates from West Lockney were F. L. Brown, T. B. Mitchell, Edgar R. Hays and R. E. Patterson. Alternates were Leslie Floyd, who replaced Mr. Patterson at the convention, Hugh Counts, Henry Hodel and Ed Whitfill.

Due to some precinct conventions not being held, only 26 delegates were eligible to attend the county convention. Lockney had 7 of these and Floydada's four boxes had a total of 14. Several smaller communities made up the 26 delegates.

The state convention will meet May 27 at San Antonio, Texas. Republicans Meet Also

Eight or 10 Republicans met in

By Mrs. Wilfred Stoerner

Looking for faults like charity should begin at home. Supper guests in the L. B. Brandes home Sunday were Mr. and Mrs. Earl Robertson and family of the Happy Union community.

Guests in the Ben Brandes home Sunday night were Mr. and Mrs. Mester of this community.

Mr. and Mrs. Wilfred Stoerner visited Mr. and Mrs. Wayne Ross and family of Plainview Sunday afternoon.

Mr. and Mrs. Robert Payne visited Mr. and Mrs. Wilfred Stoerner Wednesday night.

**Candle Light Circle Meets**  
The Candle Light Circle of the

Trinity Lutheran Church met Sunday, May 4th, in the educational unit of the church. Mrs. Otto Schrieber was hostess and program chairman. The program opened with the singing of the theme song "Come Into My Heart," and was followed by a reading of Scripture, the 1st chapter of Acts and was followed by a prayer by Rev. Anderson.

"Seek the Lord Through Prayer" was given by Mrs. Ben Brandes. "Topic To Questions" was given by Mrs. Walter Sammann and Mrs. Richard Matthews. Special Needs department chairman, Mrs. Albert Kelm gave her report. Mrs. Wilfred Stoerner, Outlook editor, also gave her report.

The president opened the business meeting and roll call showed twelve members present, three absent, and several visitors. The president read a letter from the American Bible Society for the donation made by the Circle to this worthy organization.

Mrs. Ben Brandes reported the cheer box for New Guinea had been packed and sent. Included in the package were thread, soap, needles, pencils, and tab-let material. This will reach the Mission in New Guinea in time for Christmas.

The president reported the vanilla ordered by the Circle had been received and is ready for sale. The purchase of the vanilla will aid your Circle to obtain silver for the kitchen. Your cooperation will be appreciated.

The Circle will meet at 2:30 instead of 3:00 p. m. in order that Rev. Anderson will have time to arrive at Lazbuddy for the services.

The subject of volunteer cleaning of the church was discussed. A general cleaning of the church needs to be done. Members of Trinity congregation are urged and invited to volunteer your services. The meeting closed with the Lords Prayer.

Delicious refreshments were served to the following: Rev. H. L. Anderson; Mmes. H. L. Anderson, Ben Quebe, Ben Brandes, Ted Boedecker, Albert Kelm, Albert Sammann, Henry Sammann, Wilfred Stoerner, R. C. Matthews, Marvin Scheele, Adolph Lindeman, Jack Favor, Messers. Ben Quebe, Ted Boedecker, Albert Kelm, Albert Sammann, Walter Sammann, Otto Schrieber, Wilfred Stoerner, Walter Boedecker, Marvin Scheele, and Jack Favor.

**Providence H. D. Club Entertains**

The beautiful spacious new home of Mr. and Mrs. E. M. Quebe was the scene of a delightful party Tuesday afternoon. The Providence Home Demonstration Club entertained the Lone Star Club.

Guests were greeted at the door by our gracious hostess, Mrs. E. M. Quebe. Presiding at the register was Mrs. L. B. Brandes. Name favors of a dolly centered with a dainty violet and tied with blue gold ribbon. Each guests name appeared on her favor.

Mrs. E. M. Quebe, hostess, presented to the guests Mrs. Wilfred Stoerner, president of the Providence club. Mrs. Stoerner introduced Mrs. B. H. Quebe who presented the charming and gracious Book Reviewer, Mrs. Jenkins of the Liberty Community. A religious book entitled "Gown of Glory" was given in a most gracious manner. The book review was thoroughly enjoyed by everyone. Mrs. Wilfred Stoerner presented a leather jewel case to Mrs. Jenkins for her part on the program.

The serving table covered with a beautiful cut work cloth was very beautifully decorated with a umbrella opened. Net and ribbon of light green made a beautiful stand for carnations of light green color surrounded the umbrella stand and dainty umbrella of chartuse color. Blue napkins with gold lettering Providence Club, added color to the table. Delicious cake squares covered with blue icing with chartuse colored rose buds on each cake square. Mrs. Helmut Quebe presided at the crystal service and served the chartuse colored punch. Mrs. Robert Payne served cake squares. They were assisted in serving by Mrs.

**ONE-A-DAY HOME HINTS**

Charlie Boedecker, Mrs. Klyce Ooley, and Mrs. Sam Jones. Guests served and entertained from the Lone Star club were: Mmes. Ben McGhee, M. A. Martin, Bailey Henderson, E. O. Barrett, Wiley Nance, M. W. Hartman, C. L. King, Raymond Teeple, A. O. Foster, J. L. Lovvorn, G. B. Johnston, H. E. Frizzell, Albert King and Leslie Jennings. Those attending from the Providence club were Mmes. Ben Quebe, B. H. Quebe, Helmut Quebe, E. M. Quebe, Ben Brandes, L. B. Brandes, Klyce Ooley, Robert Payne, Marvin Scheele, Sam Jones, Charlie Boedecker, and J. M. Tye.

Mrs. H. E. Frizzell, president of the Lone Star club expressed thanks to the Providence club for a nice time had by members and expressed their appreciation for having heard the inspiring book review "Gown of Glory."

**Pink And Blue Showers Entertains**

A pink and blue shower honoring Mrs. Hubert Stoerner was held in the lovely home of Mrs. Walter Sammann Thursday afternoon at 216 Bryan, Plainview.

Mrs. Walter Sammann greeted the guests as they arrived. Mrs. Richard Matthews took charge of the gifts. Mrs. H. L. Anderson presided at the guests book.

The serving table covered with a crocheted cloth was centered with crystal service. Colors of yellow and green carried out in miniature storks made of safety pins and yellow tulips centered the serving table. Yellow green ribbon streamers added color to the table. Mrs. L. B. Brandes presided at the punch bowl, and mints and delicious cookies were served. Assisting Mrs. Brandes were Mrs. Ben Quebe and Mrs. Adolph Schaffner. Mrs. H. L. Anderson led the group in several clever games. A nice selection of gifts for the coming little one and mother were received.

Those attending were Mmes. E. M. Quebe, Marvin Scheele, Karl Sammann, Walter Boedecker, Weldon Foster, Adolph Schaffner, Nelda Howard, H. L. Anderson, L. B. Brandes, Albert Shultz, R. G. Stoerner, Richard Matthews, Ben Brandes, Albert Kelm, and Ben Quebe.

**ONE-A-DAY HOME HINTS**

When serving French toast, use a hot sauce of creamed mushrooms or shrimp made in a double boiler over the simmer burner of you gas range. Add a few slices of Canadian bacon for decoration and added flavor. It's a nice luncheon dish.

A nickel is called "taken money" because there is less than five cents worth of metal in it.

Scrub the heart tiles with hot water and soapsuds, rinse with clean water and wipe dry. Then apply wax to the tiles for added luster.

ROYCE DOWELL, Ed. Dir.

**A WORD FROM THE PASTOR:**

This week has been set aside by Southern Baptists to give special emphasis to Christian Homes. It has been well said that "as the home goes so goes America." The home is the first institution that God brought into being. I am afraid that too many people take their marriage vows too lightly. One of the surest ways of making your home life happy and secure, is to devote a few minutes every day to Bible reading and prayer. It is not enough just to give thanks for your meals, and surely that you ought to do, but spend some time every day with the entire family together reading from God's word. Remember, "You cannot expect first rate children from second rate parents."

The U. S. State Department was created July 27, 1789 as the Department of Foreign Affairs. Residents of the District of Columbia do not vote on either national or municipal matters.

**ANNOUNCING**

**LEONARD KELLEY**

An experienced paint and body man is now in charge of our paint and body shop.

Mr. Kelley has worked with the Maher Bros. Ford dealers in Dallas, with Richardson Motor Co., Hudson dealers in Dallas and with several Lubbock firms. He has had 13 years experience in body and paint work.

**REMEMBER — We do any type of paint and body work and invite you to see us for estimates.**

Sgt. J. P. Howard

Staff Sgt. Francis Howard

S.A. George Malcolm Howard

**Howards Have Three Sons In The Service**

Mr. and Mrs. J. B. Howard now have three sons who are serving in the armed forces. The boys are Mac, Francis, and J. P.

S-A Malcolm Howard entered the Navy January 15 and received his basic training in San Diego, California. He has been assigned to the oil tanker, Platte.

Staff Sgt. Francis Howard has spent six years in service. He was in the infantry the first three years and the last three years have been spent in the Air Force. He spent thirty-three months in Italy and has only recently returned from a thirty day T. D. Y. to Japan and points in the Far East. He is now stationed at Biggs Air Force Base in El Paso.

Sgt. J. P. Howard spent two years in Japan and Korea and returned to the States in December, 1951. He is now stationed at Bergstrom Air Force Base in Austin. He has been in service five years.

The three boys were reunited in the home of their parents Sunday, April 20. Those attending the reunion were S-A and Mrs. George M. Howard, S-Sgt. and Mrs. Francis Howard, Bill and Linda, Sgt. J. P. Howard, Mr. and Mrs. J. R. Turner, Carol and Kay, Mr. and Mrs. Willie Walls of Greenville, Mr. and Mrs. A. D. Schaffner, and A. D. Riddle.

**\$6,000 Gardening Contest Opens To State Farm Youth**

College Station. — The 12th annual \$6,000 scholarship competition of the National Junior Vegetable Growers Association was declared officially open for Texas farm youth today by John E. Hutchison, Extension Horticulturist, Texas A. & M. College,

**Casey Carpet Co's. Traveling Sample Case Here Saturday**

Something new has been added to the duties of a traveling salesman. Take the case of Bill Lord—

His sample case is a 25-foot trailer house and his territory is unlimited. Representing an investment of \$12,000, the Lubbock, Texas salesman brings a complete line of "carpets" and fashions practically right to your door. Reversing the usual door-to-door procedure Lord locates at some central place in his territory cities and invites customers to visit him and shop in cool comfort. The same samples are available to local customers as are shown from the sales rooms of the most modern carpet stores anywhere in the Southwest.

Representing the Casey Carpet Company of Lubbock the Traveling Display Room is something new in the carpet world and is being received with acclaim throughout this territory. In addition to the hundreds of samples the trailer also is equipped with an office and is refrigerated air-conditioned for shopping comfort.

According to Lord, everyone interested in carpeting is invited to stop in and visit the unit during his stop in Lockney. He will also be available to assist with any decorating problems here. Another party of the service includes proper installation procedures followed by the firm.

The salesman will be in Lockney all day Saturday, May 10th. The display unit will be located on Main Street between the Methodist Church and the Webster Service Station.

College Station, and state adult leader of NJVGA.

Hutchison announced that boys and girls age 12 through 21, with at least one year of garden project work are eligible to compete in this vegetable production and marketing contest.

He described NJVGA as a nationwide, self-governed, rural youth organization which supplements 4-H and FFA programs by offering specialized training in efficient commercial methods of vegetable production and merchandising.

Last year, Hutchison said, boys and girls in 14 states competed for the scholarship grants, donated by A & P Food Stores under a plan that provides a number of awards in each state as well as on sectional, regional and national levels.

**Regional Soil Banquet To Be Held In Lubbock**

Outstanding soil conservation districts and farmers will be honored at the annual regional awards dinner of the Soil Conservation Service, which is to be held in Lubbock on May 26.

Cash prizes, plaques, and medals will be awarded to regional champions as well as outstanding county representatives in soil conservation as well as to essay and homemaker winners.

To the top Soil Conservation District of Region 1, a cash award of \$500 will be made. The winner of this award is the Donley County Soil Conservation District. To the top grassland group of the region—Lynn County's Soil Conservation District—a cash award of \$200 will be presented.

C. M. Welborn of Tulla, and members of Swisher County's Soil Conservation District, will be presented a check for \$200 as the most outstanding soil conservation minded farmer of the region. Best comeback farmer award will be presented to James W. Cliett of McLean, member of the Gray County Soil Conservation District.

A. B. Slagle, editor of Southwest Crop and Stock, a farm magazine published in Lubbock, will be presented a plaque for the most unselfish service in the field of soil conservation by a non-farmer.

Mrs. S. J. Latta of Floydada will also be presented a plaque at the regional awards dinner. She received the award for being the most outstanding homemaker in the region.

The three top winners in the soil conservation essay contest will be awarded cash prizes. Patti Houser of Tulla, who won the contest, will receive a \$25 award, and Alvin Gregg of Plainview, second place winner, will be presented a check for \$15. Third place in the contest went to Jo Veta Blankenship of Tulla. Her award is \$10.

Chester Mitchell of Lockney will be presented a plaque as Floyd County's outstanding conservation farmer at the dinner along with 19 other farmers in Region 1.

Texas seceded from the Union to join the Confederacy February 1, 1861, and was re-admitted March 30, 1870.

New York City's mayor receives a salary of \$40,000, while New York's governor receives \$25,000.

### 4-H Club Leaders Say Thanks

The Adult Leaders of the Girls' 4-H Clubs in Floyd County want to publicly express their thanks to firms and individuals in Floydada and Lockney who contributed to the Girls 4-H fund. A budget has been made and the fund is expected to help out in 4-H work for 1952 and 1953. Prizes for the 4-H Dress Revue held Saturday were taken from the funds. Other immediate uses will be to help defray the expenses of the delegates to the 4-H Round-Up at College Station in June, and to buy club pins.

Mrs. Thomas Marr brought in the check from Lockney, and Mmes. S. J. Latta, G. W. Smith, Rafe Ferguson, Wayne Russell, and Bill Smith solicited in Floydada.

As of July 1951, there was a total of 41,193 post offices in the U. S. and its possessions.

TROY LEE MCNEIL

### Troy Lee McNeil Is Outstanding Texas 4-H Boy

College Station. — The most outstanding four-square 4-H boy in Texas is Troy Lee McNeil, 17-year old son of Mr. and Mrs. Bill McNeil, Route 5, Floydada. The announcement was made this week by Floyd Lynch, state 4-H club leader of the Texas Agricultural Extension Service.

Four Square, according to Lynch, signifies that McNeil has excelled in school and community activities, scholastic standing in school, leadership in 4-H club work and character development. These points along with the general 4-H record were considered in making the final selection.

The Danforth Foundation, St. Louis, will present McNeil with a scholarship to the American Youth Foundation Camp at Camp Minnowa, Shelby, Michigan. He will attend the camp session beginning on August 11 and ending on the 24th. The United Gas Pipeline Company, Inc. will provide travel funds for the trip.

Those attending the camp will receive instructions in Christian ideals, personal foundations and enrichment, leadership principles and leadership practice. The activities for each day are divided between class work and recreation.

McNeil has completed eight years of 4-H work. His demonstrations have included beef cattle, poultry, cotton, wheat, gardening, and swine production. Activities include leadership, better methods electric, leather crafts and others. Twice he has served as president of his local club and vice president of the county organization. Currently he is serving as junior leader of his local club and last year was president of his FFA chapter.

He has fed and exhibited many prize winning animals at the

county show; was a delegate to National 4-H Club Congress, Chicago, in 1950 and in 1951 made the Talent Club Tour to Logan, Utah. He is also well known for his musical abilities, especially as a piano player.

Floyd County Agricultural Agent R. H. Gibson says, "Troy is a hard working 4-H member and believes in always doing his best. He is a recognized leader and has steadily improved practices and methods on the home farm as a result of his 4-H training."

Lynch states that more than 1,000 young people and leaders from every state and Canada normally attend the training sessions at Camp Minnowa. The big objective of this training is to help the young people discover and develop their best selves so they can in turn help others.

Mary Rea Finehour of Victoria County was selected as the outstanding foursquare girl and will attend the July 28 to August 10 session of the camp.

### LETTERS TO THE EDITOR

4-29-52

Ft. Leonard Wood, Mo.  
Dear Mr. Hays:

If you will notice, I have changed addresses recently and would like the Beacon sent here. I expect to be here for a good while, so I'll get it eventually.

I had never heard of Ft. Leonard Wood, Missouri before, but I'll probably remember it a long time. It's in one end of the Ozark Mountains, between Springfield and St. Louis. These hills are hard on Plains grown boys. However, I'm not alone in being from the plains. There are sixteen boys from the Plainview area (Lockney, Floydada, McAdor, Hale Center, Abernathy, and Petersburg). I knew several of them before we were brought together. There are also seven from Lubbock, two from Muleshoe, one from Ralls, and several from Amarillo. We manage to hold our own in arguments. These California boys (who've never seen Texas) do a lot of tall talking, but we have them outnumbered, thank goodness. All our officers are from Tennessee and thereabouts, but they're about the best there could be. At Fort Sill they were a little rough. I'm in the Engineer Corps and taking infantry training. Wonder where they're going to send me? Probably need something built in North Korea.

Well anyway, I'm having fun and hope to hear from you.

Yours truly,  
"Hap" Gloyna.  
Pvt. Carl A Gloyna

### Baptist Notes

(Continued from last week)

Comes now the question, Why is there so much swearing nowadays, not just in the fighting forces, but in the factory? Well, much of it is due to sheer stupidity. The brilliant poet, Byron, said of an acquaintance that "he knew not what to say, so he swore!" Swearers are not overly-intelligent. They may have much education, but going to college does not make a man wise. It is a well-known fact that the intellectual level of the average American is pitifully low, despite all our universal education. That accounts for much of the cursing: the profane person is essentially a "kid." The William Stoppels Post of the Muskegon American Legion said as much on a card listing ten reasons why service-men should not swear.

Another explanation for swearing is fear. It sometimes goes by the term "inferiority complex." That accounts for the swearing at induction centers: timidity, bewilderment, embarrassment. Trying to throw up a smoke-screen bravado, to impress others as being tough by means of their talk, they fool a lot of people except themselves. They punctuate their silly childish outbursts with a "hell of a this" and a "damn that" to show that they are "he-men."

But this is just scratching the surface. The most important explanation for swearing is simply this: all men are made in the image of God. They are convinced in their hearts of God's existence. And all men must recognize God in their thoughts, in their actions, and in their speech! So, either they use God's name properly, by means of prayer and praise, or they use His name in oaths, which someone has said is "prayer in reverse." When it comes to God, J. R. Naylor, pastor, nobody can be neutral.

(Continued next week)

### ONE-A-DAY HOME HINTS

Automatic gas house heating systems require no furnace tending and no fuel deliveries or storage facilities, according to the Gas Appliance Manufacturers Association.

"Liberty Enlightening the World" is the official title of the Statue of Liberty. Columbus' ships, on his voyage to the new world, were manned by adventurers and convicts.

"Here's Why I Prefer Natural Gas for Cooking"

★ FLAME COOKING IS FAST... The instant I turn on my modern gas burner, cooking begins.

★ FLAME BROILING DOESN'T SMOKE... I know from experience that the gas flame in my broiler actually eliminates the smoke. This, definitely, keeps my kitchen cleaner and more pleasant.

★ FLAME COOKING IS AUTOMATIC... Modern gas range automatic controls make cooking easier, more exact—and actually fun!

★ FLAME COOKING IS ECONOMIC... I know from experience that natural gas cooking costs only a few cents per month in West Texas. The dependability of natural gas helps me prevent expensive food spoilage bills.

# Society News

## Senior Girls Honored At Tea

The Business and Professional Women's Club gave its annual tea honoring the Senior girls Monday night, May 5, at 8 o'clock in the home of Mrs. Wanda Baker.

Music was furnished by June Willey and Ann Cooper. Mrs. Sid Thomas gave a very interesting book review entitled "The President's Lady."

Those attending were Bonnie Singer, Glenda Readhimer, Mary Childers, Elizabeth Tannahill, Lou Wana Rivers, Marie Scheele, Ann Cooper, June Willey, and Mmes. June Bybee, Birda Foster, Tangy Hargis, Betty Knox, Frances O'Hearn, Ellen Willey, and Miss Lelia Petty. Hostesses for the occasion were Mrs. Wanda Baker and Mrs. LaVerna Brunner.

## Mother-Daughter Banquet Friday Nite

The annual Mother-Daughter banquet for the members of the Lockney Chapter of the Future Home Makers of America and their mothers will be held Friday evening in the educational unit of the First Baptist Church.

Speaker for the occasion will be Mrs. Pat O'Daniel of Tulsa, mother of Miss Alegen O'Daniel, advisor for the chapter.

Officers for the next school term will be installed following the address.

## Legion Auxiliary To Meet Monday

The American Legion Auxiliary will meet Monday night, May 12 at 7:30 p. m., according to an announcement this week by Mrs. Revis Harris, president.

Plans will be made for the annual poppy sale. Poppies have already been received, Mrs. Harris said.

OFFICE SUPPLIES at The Beacon Office.

## PTA Officers To Be Installed Tues.

Officers for the next school year of the C. N. Townsend Parent-Teacher Association will be installed Tuesday night, May 13, at the last meeting of the year.

Mrs. Joe Foster, president, will speak on "How Did We Do?" and Mrs. Clay Muncy will bring the devotional. Students from Wayland College will provide the music for the evening and the third grade, under the direction of Mrs. Nora Ayres and Miss Pauline McReynolds, will present a short program.

All parents and members are urged to attend this last meeting of the 1951-52 school year.

## Whiteheads Honored With Shower

Mr. and Mrs. James Whitehead Jr. were honored with a bridal shower Tuesday night in the Sterley Club Room. Mrs. Whitehead is the former Miss Jeannine Foster.

The table decorations carried out the bride's colors of green and pink. The table was covered with a lace table cloth over pink. The floral centerpiece consisted of a miniature bride and groom placed on top of a mirror. Bridal wreaths surrounded the bride and groom and a mum was placed at each corner of the mirror. A green candle was placed on each side of the centerpiece. The punch was served from a crystal punch bowl by Mrs. Joe Cunyus. Mrs. Mac Howard served the cookies and mints.

Mrs. Hansel Sanders registered the guests as they arrived. The honoree was presented with a pink carnation corsage by the hostesses. The bride's mother and mother-in-law were each presented with a white carnation corsage.

Approximately fifty guests registered.

Romany is the language of the Gypsies.

## MOST VERSATILE

Miss Pat Mullarkey, 1952 Maid of Cotton, shows how charming and adaptable cotton can be! She's wearing a three-piece costume by Chee Armstrong—one that's right for day or night. For dancing she can wear the strapless brown velvet dress with the beaded camisole. For daytime, she's got that covered look with a smart, fitted waist-length jacket.

## Mary Jones To Wed Sid B. Thomas

Mr. and Mrs. E. P. Jones announce the engagement and approaching marriage of their daughter, Mary Zell, to Sidney B. Thomas Jr., son of Mr. and Mrs. Sid B. Thomas Sr.

The ceremony will take place June 14 in the First Baptist Church with Rev. J. R. Naylor, pastor, officiating.

## Lockney H. D. Club Meeting Postponed

The regular meeting of the Lockney Home Demonstration Club, scheduled for today (Thursday) at the home of Mrs. Fred Anderson, will be postponed one week due to illness. Mrs. Anderson's brother of Amarillo, suffered a heart attack this week and she will be unable to be here, it was said.

## Mrs. Charles Record To Present Recitals

Mrs. Charles L. Record will present her students in two recitals Monday, May 12, and Thursday, May 15 at 8:00 p. m. in the City Auditorium. Each recital will include piano, accordion, and rhythm band selections with both the beginning and the advanced students.

The students who will play on the Monday night program are Eleane and Floy Baxter, pupils of Evelyn Hooten, student-assistant; Don Smith, Jimmy Howell, Keith Jackson, John Perry Truett, Peggy and Mary Kathryn Ford, Alta Williams, Sandra Sams, Mary Joan and Sandra Myers, Betty Jean Jackson, Oddie Maye Roger, La Dora Ayres, Jerry and Jonie Rose, Ernestine Spradlin, Evelyn Hooten, Margie Sechrist, Nita Kellison (accordion), Donna Lynn Record, and Mrs. Delbur Ross, speech student.

Thursday night's program will include the rhythm band class: Karen Ann McPherson, Diana Allison, Trudy Jarrett, Cheri Crapster, Bobby Brotherton, Kathleen Davidson, and Donna Lynn Record. Playing the piano or accordion will be Lynda Gayle Harris, Paulette Kropp, Kathleen Davidson, Bonnie Sue Glenn, Carolyn and Joan Harris, Charlotte Ann Taylor, Patsy Reeves, Joyce Dillard, Jean Wofford, Loy O'Brien, Dona Lynn Record, Joy Pickens, Reba Golden, La Juan Graham, Darla Allison and Jayne Alldredge all playing the piano. Gail Chambers, David Hartman, and Janis Widener will play the accordion.

The public is invited to attend both of the recitals.

## Mrs. Bob Merrell Is Shower Honoree

A pink and blue shower was given in the home of Mrs. D. J. Phillips Thursday afternoon honoring Mrs. Bob Merrell.

Mrs. Shorty Hartman registered the guests and gave them miniature baby books as favors. Mrs. Donald Johnson presided in the gift room and Mrs. Bob Tiner and Mrs. James Wiggington served the refreshments of pink punch, flowered cookies and colored mints.

Hostesses for the occasion were Mmes. D. J. Phillips, Norman Caldwell, Shorty Hartman, James Wiggington, Bob Tiner, Bailey Henderson, Clyde Baxter, and Donald Johnson.

Ladies present were Mmes. Conrad Henderson, Jack Nix, Jim Bert Bobbitt, Edd Davis, Dock Jones, Sidney Rodgers and Vicki, Monty Barrett, E. O. Barrett, James Whitfill, M. A. Martin, J. P. Taylor, Truman Merrell, W. W. Merrell, A. O. Foster, G. B. Johnston Sr., H. E. Frizzell, Jack Frizzell, Reed Lawson, Loyd McCray, W. H. Wingo, Wiley Nance, Lowell Jarrett, R. C. Phillips, Clyde Farish, Howard Mosley, Johns Cox, Ben McGhee, and Pete Mosley and Susan.

## Patsy Ashton Has Slumber Party

Patsy Ashton entertained several of her friends Friday night, May 2, with a slumber party. The girls had a hamburger supper with strawberry shortcake and cookies for dessert and then attended the movies.

The girls attending the party were Debra Ferguson, Janice Hays, Peggy Ford, Shirley Mitchell, Lawanna Taylor, Linda Baxter, Rita Johnson, and the hostess.

## NOTICE TO BIDDERS

The City of Lockney, Floyd County, Texas, will accept sealed bids for repairing the paving on 31 blocks within the City of Lockney.

The repair work shall consist of patching existing pavement, removing dirt from shoulders, distributing asphalt and adding crushed rock.

Bids will be received by City Secretary Faye Messer at the City Hall in Lockney, Texas. Final date for accepting bids will be May 22, 1952.

The City of Lockney reserves the right to reject any or all bids submitted.

By order of the City Council, J. E. COX, Mayor. 4-2c.

Mr. and Mrs. Dale McGuire of San Francisco, California are visiting in the home of his aunt and uncle, Dr. and Mrs. N. E. Greer, this week.

A calumet is popularly known as an Indian peace pipe.

## Mrs. Holt To Present Recital

Mrs. Joe Holt will present an organ recital next Tuesday afternoon, May 13, at 3:30 in the Methodist Church auditorium. This recital is being sponsored by the LaVentana Study Club for all the people who are interested in good music.

Mrs. Holt was born and reared in Conway, Arkansas. She received her degree of Bachelor of Science in Education from the Arkansas State Teachers College and her Master of Arts Degree with a major in music education and organ from Columbia University.

This local pianist gave the required recital on the organ of St. Paul's Chapel, one of the finest instruments in the United States, is located on the Columbia campus. Mrs. Holt was organist for four years at the First Baptist Church in Conway and organist at the First Methodist Church in Forsyth, Georgia where she taught organ and piano at Tift College for Women.

Among the people Mrs. Holt has studied music with is Henry Sanderson, organist and choir-master at the St. Matthews Episcopal Cathedral in Dallas. Mrs. Holt also studied organ with Charles Henry Doersam of Union Theological Seminary.

A "Texas Leaguer" is a baseball that drops between outfield and infield, out of reach of either outfielder or infield players.

For County Attorney: KENNETH BAIN, JR.

For County Treasurer: MRS. V. H. BUTLER MRS. SAM A. SPENCE

For Commissioner, Precinct 2: HUGH COUNTS

Lockney Auto In New Safety Program

The Lockney Auto Co. today announced participation in a nationwide automobile safety program sponsored by the Chevrolet Motor Division.

The program launches for the first time in the automobile industry a continuous routine of car checks in order to eliminate defects that might lead to traffic accidents.

"Indorsed by national safety organizations, we feel this is one of the soundest projects of its kind ever undertaken," said A. P. Barker. "Over the years it will do much to reduce traffic accident rates in the community."

As explained by Mr. Barker, in the future all passenger cars and trucks entering his establishment for service will be given a free 10-point inspection. This examination will cover the mechanical items frequently involved in accidents—tires, steering, brakes, front headlamps, rear headlamps, horn, body glass, windshield wiper, rear vision mirror and exhaust system. The owner will then be given a report on the condition of these features.

"The program was inspired by findings that virtually one-third of all cars on the highway are below safety standards," said Mr. Barker. "In many cases the owners were not aware of the defects in their cars and in a great majority only a slight adjustment was necessary to correct the fault."

"Whether or not the car owner decides to authorize repairs in my shop or elsewhere, we will at least bring deficiencies to his attention."

Clean-Up Important In Summer Months

Austin. — With the approach of warm summer days, emphasis on home sanitation becomes increasingly important, stated Dr. Geo. W. Cox, State Health Officer.

At this season of the year your State Health Department puts special emphasis on a clean-up designed primarily for the twofold purpose of elimination of flies and rats. These two health hazards can be controlled only through sanitary practices. Places where they feed and breed must be destroyed.

The common housefly has demonstrated that it can spread more than 20 human diseases. Some of the more serious are typhoid fever, diarrhea and dysentery. They have also been implicated in the spread of polio. Rats and mice have been accused in the spreading of 20 to 30 diseases.

"It is plain to see," says Dr. Cox, "that your health and that of your family and community depends in a good measure upon your maintenance of clean, fly and rat free premises."

Spraying to kill flies and poisoning of rats are valuable supplements to the sanitation program, but will not do the elimination job by themselves. Sanitation is largely a personal matter. It is a way of life expressed in clean healthful surroundings.

Mrs. Cope To Receive Degree

Canyon. — Myrtis Sergeant Cope, Lockney, is among the 196 applicants for degrees at West Texas State College. Baccalaureate services will be held in the college's Administration auditorium, Sunday, May 18 at 11 o'clock. Graduation exercises will be held on Monday, May 19 at 10 o'clock. Mrs. Cope will receive

a Bachelor of Science degree. Rev. Carl Bafes, pastor of the First Baptist Church of Amarillo will conduct the baccalaureate services. R. B. Anderson, Vernon attorney, will deliver the commencement address.

Thirty-two Rhodes scholarships for study at Oxford, are assigned annually in the U. S.

#### EDITORIAL

As it is written, he that gathered much had nothing over, and he that gathered little had no lack. — 2 Cor. 8:15.

The auditor's examination of the records of the Lockney schools for the past six years resulted in a number of very constructive suggestions, the two chief ones being for a better set of books and controls and for the employing of a business manager for the school, thereby not burdening the administrative personnel with detailed bookkeeping, which after all should never have been part of their duties. The board of trustees indicated that they would adopt the suggestions of the auditor which is a commendable attitude.

Mr. Aiton, in his introduction to the report, criticized in a constructive way, the inadequate records kept by the school. This attitude is no doubt justified since very few schools or any other institutions, keep records that will satisfy a certified public accountant. Auditors, by nature, expect better records than most institutions keep. The lack of a systematic bookkeeping method, however, cannot be blamed entirely on the administration of the school since it apparently has never been a part of the school policy since its founding. Patrons and members of the school board of years past must all take their share of the blame. We should be thankful that no real harm to the school system has resulted from it and correct the condition as soon as possible.

The second criticism, that of requiring the administrative personnel to keep the books, is also one that should be corrected as soon as possible. School superintendents and principals are not trained as bookkeepers usually and in addition do not have time to take care of the many details required in good bookkeeping and also administer school affairs. Naturally when you overload a man he is going to be forced to neglect some part of his work. This district is financially able to employ sufficient personnel to do this job right and we ought to do it.

The auditor's statement that "after thorough investigation of all funds, even with only partial records, it is my sincere opinion that no individual connected with the school system received any benefit either directly or indirectly from the handling of school funds," is simply one that most school patrons expected. It clears all school administrative personnel of any suspicion of mishandling the funds.

The audit has been beneficial to the school system. It should be, of course, a yearly practice and as we understand it, the present school board plans to make it that. Board President "Whitey" Baccus' closing statement at the audit meeting should be heeded by all patrons of the school. He said, "The board does want an efficient school system. We plan to accept the recommendations of the auditor in his report and do our best to make it that. However to succeed fully we must have the support and cooperation of the patrons of the school district. That is what we are asking for now."

##### THE LOWLY CASTOR BEAN IS A CROP WORTH INVESTIGATING

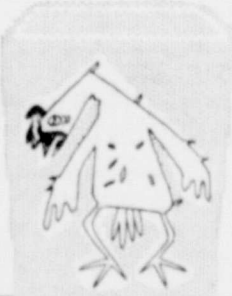

There is bound to be lots of interesting information — and likely hard, cold profit — for those who attend the castor bean meeting here tonight.

We all recognize the law of supply and demand, and only this week the office of Defense Mobilization comes out with a bulletin extolling the need of castor bean propagation, citing the bean output as the spark needed in the defense effort, inasmuch as castor oil as a lubricant is among the most strategic of materials.

Quoting from the release: Zooming defense requirements for castor oil have enlisted farmers in five Southwestern States in the first large-scale production of oil producing castor beans ever undertaken in this country. In Arizona, Arkansas, California, Oklahoma, and Texas, farmers planted 84,000 acres of castor beans in 1951—nine times larger than the 1950 acreage. And they are aiming for another phenomenal increase this year—if reached—will result in 200,000 acres.

In embarking on this new crop virtually unknown to most American farmers, Southwestern growers responded to a program initiated in 1951 by the U. S. Department of Agriculture at the request of the Munitions Board. Castor oil is one of the strategic materials which the Munitions Board is stockpiling for use in case of an emergency.

**Castor Oil For Jets**  
 As a lubricant for jet aircraft engines, castor oil is in special demand by the military. This strategic oil, pressed from beans about the size of small lima

#### Here's Wormy Willie...

He can't eat, sleep, gain weight, or resist disease. He can't do anything but drag himself around the poultry yard, because he's full of worms. What Willie needs is Wormal. DR. SALSURY'S

Lockney Drug Co.

purchase of adapted castor bean seed for sale to farmers. Research conducted by the Department's Bureau of Plant Industry, Soils, and Agricultural Engineering over a number of years made adapted seed quickly available when the defense mobilization program got under way.

Other research on growing, harvesting and processing the beans are available from scientists of the Department and industry alerted by the threat of curtailed castor oil imports during World War II.

The newest result of this research are the tractor-mounted, two-row castor bean strippers employed for the first time this fall in harvesting beans on dry-land acreage. The Oklahoma Agricultural Experiment Station cooperated with the Department in developing the new strippers.

Sixty of the strippers, handling twice as much harvesting work as the one-row strippers used a year earlier, were placed at strategic locations by the CCC for rent or sale to farmers or custom operations. An even larger number of these machines are expected to be available for the coming harvest season. — Friona Star.

#### REFUGEES

Rails had a couple of refugees last week. They were telephone operators from Lubbock, who, fearing for their safety as a result of crossing a picket line, thought it best to hide out for a couple of days. We are told that laboring men and their unions believe in the traditional American freedoms, like the freedom to work at one's job and support his family. But if all the broken skills of workers who crossed picket lines to earn what they consider a fair wage were laid end to end, it would prove that a worker doesn't have the freedom to work so long as other workers disagree. Even those who are happy and satisfied must walk out with the disgruntled ones. Because some guy has a beef, some satisfied employee's kids must go hungry. If I'm not satisfied, neither are you; if my feelings are hurt, so are yours; if my family can starve, so can yours. That's carrying the brother's keeper theme a bit too far! — Ralls Banner.

The Battle of New Orleans was fought after the War of 1812 had ended.

World Mission Team Organized, Wayland

Plainview. — The fourth World Missions Team, composed of overseas students, has been organized at Wayland College, Plainview, and will tour the Southland this summer.

Harriet Poon, junior at Wayland representing China; Sue Arashiro, sophomore representing Japan; Bill Nakahira, junior representing Hawaii; and Fred Sahhar, junior representing Palestine, will compose the team. The tour will begin May 30 and continue until August 25. Appearing in their native costumes, the team plans to give mission programs wherever opportunities arise, according to Sam Choy, director of Overseas Students at the college.

Mr. Choy adds that churches student groups, or encampment groups who would like to have the team for programs will contact him at Wayland College.

Mr. and Mrs. A. D. Schaffner and Mrs. Mac Howard visited friends and relatives in Tahoka over the week end.

Mr. and Mrs. H. R. Taylor and children of Lubbock and Mr. and Mrs. J. E. Reasonover and Ann of Tahoka visited in the home of J. J. Harris Sunday afternoon.

Manhattan, The Bronx, Brooklyn, Queens and Richmond are the five boroughs composing Greater New York City.

ONE-A-DAY HOME HINTS

One way to prevent kitchen accidents is to have plenty of fire-proof clay tile work surfaces on which to keep appliances so that cords used need not trail and be tripped over.

GOV. DAN K. THORNTON

Gov. Dan K. Thornton Colorado Governor To Speak At Tech

Lubbock. — It will be an old home week May 26 when the class of 1952 at Texas Tech graduates.

Gov. Dan K. Thornton, governor of Colorado and an ex-agriculture student at Tech, will give the commencement address. He is the second ex student to speak to the graduating class at Tech. The ceremony starts at 8 p. m. in Jones Stadium.

The Colorado governor was born in Hall County, Texas, Jan. 31, 1911. He moved with his parents to Slaton, Texas, where he attended high school three years, transferring to Lubbock High School to graduate. He attended Texas Tech two years, then continued his education at the University of California at Los Angeles.

After leaving college he worked in the California oil fields, then moved to Arizona in 1936 where he started ranching and raising registered Hereford cattle. He moved to Gunnison, Colo., in 1941 to continue his ranching activities.

Thornton was elected to the Colorado State Senate from the 11th Senatorial District in 1948. In 1950, the Republican candidate for governor died shortly before the election. The vacancy committee named Thornton to run in the deceased's place, and he had only five weeks in which to campaign against the incumbent.

SAFE-T-WAY SERVICE PROGRAM

A Mighty Move to Step Up Safety! FOR YOU... FOR YOUR FAMILY... AND YOUR COMMUNITY

OUR GOAL: To Reduce Accidents in LOCKNEY

- Here's a sensational new safety program, developed by the Chevrolet Division of General Motors Corporation and pioneered in this area by your Chevrolet dealer.
It's a fact that many traffic accidents result from mechanical failures in the automobiles involved in the accidents. These are avoidable accidents.
This long-range program is based on recurring safety inspections. It can eliminate a great share of the mechanical failures which result in accidents.
Very little is required of car owners. All you do is bring your car to our Service Department. We do the rest.
... AND THERE'S ABSOLUTELY NO CHARGE OR OBLIGATION TO YOU! Your Chevrolet dealer, as an important contribution to American safety, assumes the whole cost for the "Safe-T-Way" inspections.
COOPERATE FOR SAFETY Act now for greater safety... for you, your family and our community. And encourage your friends to act, too.

**South Plains**  
 by Mrs. Murray Julian

Rev. and Mrs. John Allen attended the Staked Plains Association of Workers Conference last Tuesday which was held at the Happy Union Church south of Plainview. After luncheon, which was served at the church, they went to Plainview and called on Mr. and Mrs. Ernest Wilson during the afternoon.

There have been many activities centered around the South Plains school during the past week. Thursday evening the entire class of Mr. Thames met at the school house for an evening of entertainment. It was a "tacky party" and the parents and Mr. Thames were judges of the contest to see which boy or girl had the funniest costume. James Higginbotham was considered the most cleverly dressed and others came in for consideration. Games of all kinds were played during the evening and refreshments of cakes and cookies were served to the children and parents present. Children who enjoyed the party were Don Scott, Ronnie Thornton, Roy and Edward Hartman, June Marble, James Higginbotham, Harold Hooksema, Kendis Julian, Carol Young, Larry Smitherman, Louise Pritchett, Juanel Brown, Twila Brown, Frank Jones, Eugene Beedy, Winfred West, Donita Milton and Virginia and J. Ronald Taylor. Parents present were Mr. and Mrs. E. P. Pritchett, Mr. and Mrs. E. P. Smitherman, Mrs. Bill Beedy, Mrs. Bryant Higginbotham, Mrs. J. P. Taylor, and Mr. and Mrs. J. B. Thames.

Mrs. Arby Mulder's sister, Mrs. Pete Lond, and Mrs. Mulder's father, D. M. Titzgerald, who both reside in Clarendon, arrived Thursday and spent two days visiting the Mulder family.

Mrs. Chas. McDonald and son, Barry, from Plainview visited her sisters, Mrs. W. M. Stanforth Jr. and Mrs. John Wilson and their families Monday afternoon. Barry is still on crutches while his broken leg is healing, but he hopes to have the cast off in another two weeks.

Mr. and Mrs. R. E. Young and Mr. and Mrs. Beth Joiner who live in Silverton visited Mr. and Mrs. Grigsby Milton and girls Sunday afternoon.

Mr. and Mrs. H. S. Calahan Sr. of Lockney had as their guests at dinner Wednesday Rev. and Mrs. J. H. Allen and Mr. and Mrs. H. S. Calahan Jr. and girls.

We are sorry that Mrs. Gilbert Bean is still ill at her home. We hope she is soon able to be out with all her many friends.

Bonnie Upton fell from a horse on Friday afternoon and suffered a slight concussion. She is improving, but is still not able to be in school. Ronnie Upton is just recovering from a case of the measles which have been going around out here.

W. M. S. was held Wednesday, April 30, at the church in South

Plains. Royal Service was studied by Mmes. Bryan Karr, Sim Reeves, Dock Jones, and J. H. Allen. Mrs. W. M. Stanforth Sr. and Mrs. J. H. Barnard of Barwise spent Tuesday in Lubbock doing some shopping.

Mr. and Mrs. John Smitherman went to Vernon Wednesday afternoon to attend the Santa Rosa Rodeo and horse show. Friday afternoon Bob Hartman and Phillip Smitherman went to Vernon to see the rodeo, also.

Mr. and Mrs. Menard Field and Mrs. M. O. Field were at John Wilson's of Floydada Sunday where they had dinner and spent the afternoon visiting.

The all-day tournament at the South Plains school was well attended Friday. Many parents from all the schools represented were present for the baseball games. Lunch was served at noon by the P. T. A. of South Plains. Mrs. L. T. Wood was in charge, as president of the P. T. A., and the mothers helped her. Lone Star school won the baseball trophy, for first place and Dougherty won the other trophy in second place. The boys from all the schools played fine games and we are proud of the fine sportsmanship shown.

Visitors in the home of Mr. and Mrs. John Wilson Sunday afternoon were Mr. and Mrs. W. M. Stanforth Jr., Billy and Sara, and Mrs. Bell Stanforth, who is visiting the Stanforths, from Gainesville.

Several families went to the Plains Baptist Assembly in Blanco Canyon Sunday and carried a basket lunch which they spread together for a picnic dinner. Attending the picnic were Rev. and Mrs. J. H. Allen, Harold and Arlene, Mr. and Mrs. Sterling Cummings and Kim, Mr. and Mrs. H. S. Calahan Jr., Cathy and Diane and Mr. and Mrs. J. B. Thames, Joe Rex, Mike and Mary Ann.

The last meeting of the school year of the South Plains P-TA was held at the school house on Friday afternoon, May 2. After the baseball tournament, sixteen members were present, and officers for the coming school term were elected as follows: president, Mrs. Arby Mulder; vice president, Mrs. John Wilson; secretary, Mrs. Bryant Higginbotham. Mrs. L. T. Wood, as retiring president, presided over the meeting. The money taken in during the day from the selling of sodas and lunch amounted to about ninety dollars and that will be divided between the Boy Scouts and the P-TA for the athletic fund. It was decided at the meeting.

Mr. and Mrs. Roy Childers went to Portales, N. M. Friday to visit their daughter, Mary Louise, and they were accompanied by Mrs. B. P. Sewell who went with them to Clovis, N. M. where she spent the week end with her daughter, Mrs. E. C. Armstrong and husband. They all returned on Sunday evening.

There will be a Mother's Day Program at the First Baptist

Church in South Plains on Sunday, May 11, at the morning services under the direction of Mrs. J. H. Allen. Everyone welcome.

Several young people from our community went to Roaring Springs after Sunday School on Sunday and had a fine outing and swimming picnic. Those who went from here were Johnny West, Victor Bond, James Hartman, James Huckabee, Travis and Carl Young, Johnny Wilson, Terry Julian and chaperones, Mr. and Mrs. I. H. Parks, Eddie and Jay Frank, and Mr. and Mrs. Owen Thornton, Ronnie and Don Scott. From Floydada, Wanda Jones, Nita Jo Lightfoot, Carolyn Collier, Pat Helms, Mary Wilks and Dorman Turner.

**Farmer's Question Corner**

PREPARED BY  
 American Association  
 for Animal Health

**WHAT ABOUT FEEDER LAMBS?**

Q: What diseases cause the most feeder lamb losses?

A: Two of the most costly are contagious soremouth and over eating.

Q: What causes these diseases?

A: Soremouth is caused by a virus. Exertoxemia or "over-eating disease" is caused by a germ of the gas gangrene type. It usually develops when lambs are fed heavily for fast gains, but it can also kill baby lambs and ewes on rich pasture or over-rich rations.

Q: Can these diseases be prevented?

A: Yes. Veterinary science has developed vaccines which protect feeder lambs against both soremouth and enterotoxemia. They are quite dependable when properly used.

Q: What other feeder lamb hazards should the farmer watch for?

A: Coccidiosis, wireworms, tapeworms, and bloating are all high on the list in causing losses.

Q: Can they be controlled?

A: Most of them can be controlled or prevented. Coccidiosis responds to control measures and medications. Wireworm and tapeworm infestation are curable. Hemorrhagic septicemia, a respiratory disease, can be controlled by vaccination. Bloating can be prevented by giving sheep only clean, sound feed in amounts they can clean-up.

Q: What is a good management program for newly arrived feeder lambs?

A: Confine them to a roomy drylot with an open shed for shelter. Provide good hay and avoid lush pasture. Provide clean water and stock salt. Isolate any "slow" or sick lambs for checking by a veterinarian to make sure they aren't disease carriers.

NOTE—Due to space limitations, general questions cannot be handled by this column.

**Harmony Community Wins \$100 Prize**

First prize of \$500 in the fifth year of the Texas Rural Neighborhood Progress Contest goes to the Pine Forest Community, Hopkins County. Judging has been underway since March 1, the closing date for the 1952 contest.

The contest, sponsored by the Farmer-Stockman magazine in cooperation with the Agricultural Extension Service of the Texas A. & M. College System is designed to encourage and reward self help at the community or neighborhood level, beginning with the individual farm home.

Other top winners are College Mound, Kaufman County, second, \$400; third, \$300; Progressive Center, Hunt County; fourth, \$200. Little Pope-Moore, Van Zandt County. The top three were all entered for the first time.

Sixteen other prizes of \$100 each go to the following communities: Allen's Point, Fannin, Tip Top, Parker, Poetry-Camp Ground, Kaufman; Scatterbranch, Hunt; Newport, Clay-Jack; Maxey, Lamar; Tigertown, Lamar; Upland, Hays-Caldwell; West New Hope, Titus; Pilgrim, Gonzales; Bossits, Montague; Harmony, Floyd; Dell City, Hudspeth; Tilman, Caldwell; Post Oak, Blanco and Marshall Springs, Titus County.

Entries in the 1951-52 contest were received from 85 communities in 44 different counties of the state. In all cases, the cash awards will be used for further community improvements or activities. The top awards will be presented in local ceremonies within the next few weeks. At the same time, individuals nominated by their neighbors will receive "Good Neighbor" lapel buttons.

The contest was judged on the basis of records and visits to the communities. Judging was first done on a district basis. The state judging committee consisted of Sam Whitlow and Katherine Radall, both of Farmer-Stockman and Mrs. Elois Johnson, family life specialist and John G. McHaney, economist, both of the Texas Agricultural Extension Service. Participating communities are now enrolling for the sixth year program and full details are available at all county Extension offices.

HAROLD D. BUGBEE, popular southwestern artist, puts finishing touches to an oil painting entitled "The Slick Ear." A large collection of Bugbee's paintings and sketches will be on exhibition May 9, 1952 at the formal opening of the new Hall of Fine Arts, most recent addition to the Panhandle-Plains Museum at

Canyon, Texas. Other outstanding works of art to be on exhibit will include the extensive collection of the late Judge James D. Hamlin of Farwell, Texas. Formal opening ceremonies at the Hall of Fine Arts will begin at 10:00 a. m. Friday in connection with the 31st Annual Meeting of the Panhandle-Plains Historical Society.

**Sermonettes From Revival Tabernacle**

But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal (living) bodies by His Spirit that dwelleth in you. Rom. 8:11.

The Spirit of God is powerful. The Spirit though not seen is felt by man. The Spirit is what renews the world of sin, of righteousness and judgment. John 16:9-11. Until natural man with all his carnal and natural ways is born of the Spirit, he cannot see the Kingdom of God. Neither can he understand the Word because it is spiritually discerned. John 16:13-14. The natural man receiveth not the things of God for they are foolishness unto him. 1 Cor. 2:14.

God's Spirit cannot be seen but certainly is real and powerful to quicken our mortal bodies even as He raised Jesus from the dead. This same Spirit makes

a new creature of man. The things I once loved, I now hate and the things I once hated I now love—Not because of our self righteousness but because of the power of the Spirit in our lives.

There is nothing as thrilling, as satisfying, as glorious in this world as the quickening of the Spirit on a mortal being. God made man and understand's his heart. He has made the plan of salvation. He knew man needed regeneration so He said "Ye must be born again." Do not deceive yourselves, you cannot be born again without knowing it and others will know it the same as any natural birth. But that is only the entrance into the Kingdom of God, which is not in word but in power. 1 Cor. 4:20.

Mr. and Mrs. Troy Ray.

**Contractors May Use 10 Tons Of Steel Per Well**

Major changes in the water well construction regulation has been announced by U. S. Department of Commerce, National Production Authority in Lubbock, Texas.

Effective May 6, 1952, water well contractors may use up to 10 tons of steel per well instead of six tons. The amendment further provides that the water well contractor may use up to 10 tons of steel per well from his second quarter inventory and he may file a supplemental CMP-4c application for the additional steel.

Third quarter CMP-4c applications for third quarter allotment must be filed by May 15. Further information and forms are available at the local PMA office, located at 263 Cotton Exchange Bldg., Lubbock, Texas.

Thomas Nast, American cartoonist, was responsible for the donkey and the elephant as symbols of the Democratic and Republican parties.

**Cancer Crusade Now In Progress**

The 1952 Cancer Crusade opened here May 1. George Bickley, Floyd County Crusade Chairman, said that contributions can be mailed to CANCER in care of the Floydada Post Office.

At every home visited by volunteer solicitors he announced, "an American Cancer Society educational leaflet, explaining the Texas Cancer Crusade, important facts about cancer and the warning signals which the disease gives will be left whether a contribution is made or not."

Mr. Bickley said that imparting this life-saving information to the public is equally as important as the fund-raising success of the campaign.

"Reaching every person with the simple truths about cancer is our chief aim. To collect voluntary contributions for the nation-wide research effort and to enlist workers for the educational and service programs carried on by the Floyd County Unit of the American Cancer Society is the secondary objective."

The county Crusade goal this year is \$896.00. The goal for the state is \$600,000. The slogan for this year's Crusade is "Cancer Strikes One In Five. Strike Back! Join the Texas Cancer Crusade."

Mr. Bickley emphasized that one of the surest ways to strike back at cancer is to know the vital facts of the disease and to act promptly at the first sign of a symptom.

He said, "22 million people now living will die of cancer unless present mortality rates are altered. In Texas alone, more than 8,000 persons die of the disease each year. Nearly one-half of these lives could be saved if everyone were aware of the early warning sign and each sought prompt accurate treatment."

**Polio Pledge To Be Distributed**

Austin. — The march into Texas homes of millions of polio "minute men," the Polio Pledge of 1952, will get under way this week with initial distribution scheduled through the state's 1,603,000 school children.

This widely read publication replaces the Polio Pointers of 1951 and is prepared by the National Foundation for Infantile Paralysis to combat fear of polio and to acquaint the public with the services of the National Foundation and its county chapters.

Under the leadership of Mrs. R. O. Pearson of Abilene, state advisor on women's activities, and local county chairmen of the March of Dimes organization, all avenues of distribution will be used in reaching every Texas home.

The brief card outlines the important polio symptoms and basic precautions that are recommended by medical and health authorities.

In simple language, the pledge gives such basic health advice as teaching children to scrub their hands before putting food in their mouths, to see that they do not use anybody else's towels, wash cloths or dirty drink-

ing glasses, dishes and tableware.

The card requests watchfulness for signs of polio: headache, fever, sore throat, upset stomach, tenderness and stiffness of the neck and back, and advises calling a doctor at once.

"Four consecutive polio epidemics underscore the importance of looking ahead to new epidemics which must be faced," Mrs. Pearson declared.

"The Texas picture is again bleak with nearly triple as many cases as during the same period in 1951. With polio affecting more people of all ages in more communities, the need to keep the nation alert, aware and unafraid is more compelling than ever before."

An airplane, flying the most direct route from New York to Los Angeles, will fly over New Jersey, Pennsylvania, Ohio, Indiana, Missouri, Kansas, Colorado, Arizona and California.

### "Open House" At Reese May 17

Reese Air Force Base. — Underlining the theme—"Unity-Strength-Freedom"—Reese Air Force Base officials revealed tentative plans for a mammoth "Open house" celebration to be held at the pilot training school in conjunction with Armed Forces Day, May 17.

Army, Navy and Air Force exhibits of special equipment, jet and conventional aircraft, models of Russian aircraft and all types of heavy vehicular equipment will be on display to the public at the Reese flight line with the opening of the main gates at 11:00 Saturday morning, the 17th, Lt. Col. Albert H. Schneider, project officer, said.

South Plains residents are invited to see the twin-engine training school where today's Air Force pilots are taught modern flight techniques. The 3500th Pilot Training Group, commanded by Col. Cecil C. McFarland, will open the doors to the flight planning problem room, the Link trainer section and the equipment laboratory, complete with a full-size mock-up of the famous TB-25 "Billy Mitchell" bomber.

A concert at Reese's own 514th Air Force band at noon is to be followed by a drill exhibition featuring the Sam Houston Rifles, crack drill team of the Texas Tech ROTC unit.

Model airplane fans will enjoy a contest and exhibition of the midjet craft sponsored jointly by Lubbock veterans' organizations. The model meet will be followed by a fire and crash equipment demonstration conducted by the Reese fire fighters and crash crews.

Tentatively scheduled is an artillery demonstration by Army personnel from Ft. Sill, Okla. The troops and their "big guns" provided spectators with many thrills during their appearance here on last year's Armed Forces Day program.

U. S. Naval Air Force jet and conventional aircraft is expected to be included in the display of air might. Visitors will have the opportunity to get a close-up view of training, transport and

### Democrats To Go—

(Continued from page 1)

The Courthouse Tuesday morning naming Dr. John W. Kimble as delegate to the state convention with E. E. Wells as alternate. The convention adopted no instructions and no resolutions. Mr. Wells said. Exact sentiment of the local convention was not expressed at the meeting. Dr. Kimble is known to favor Eisenhower while Mr. Wells is a Taft man. Over the state, according to daily press reports, the Eisenhower forces appeared to be in the majority. However, due to the peculiar procedure of the Republican conventions, that does not necessarily mean that the state convention will instruct for Eisenhower. The convention will be held at Mineral Wells May 27.

### Dr. Bernice Moore To Speak May 9

Dr. Bernice Moore, consultant on Home and Family Life Education working with the Texas Education Agency and the Hogg Foundation, will speak at the Plainview High School auditorium on Friday night, May 9 starting at 8 o'clock. She is being presented by the Plainview branch of the American Association of University Women in an open meeting to which the public is invited.

Dr. Moore is an excellent speaker and well-known over Texas for her work in family life education. Her subject at Plainview will be "Problems Grown On Family Trees."

combat aircraft, guns and equipment.

In the air, several flying demonstrations are planned, including formation fly-overs of forty-eight TB-25's and twenty-four T-6 "Texan" single-engine trainers. Loudspeakers on the flight line will be connected with radio receivers in the aircraft so that spectators may hear actual radio procedure between aircraft and the RAFB control tower. The formations will fly over a number of South Plains cities on a schedule yet to be announced, before returning to base, officials said.

### PATTERNED FOR PAT

The 1952 Maid of Cotton, Miss Pat Mullarkey, of Dallas, Texas, chooses this striking new cotton "Damaska" by Peter Pan in an unusual coat-dress pattern by McCall for her fabulous wardrobe of all cotton. It is one of six fashions made for her by McCall's patterns which she models as star of fashion shows all over America, in Europe, Canada and Latin America.

### Worker's Conference Held At Matador

The monthly Floyd County Worker's Conference composed of the Baptist Churches from four surrounding counties was held at the Matador Baptist Church Tuesday, May 6. The conference began at 10 a. m. and lasted until 2 p. m. A Vacation Bible School Clinic was conducted during the meeting.

Mmes. Bill Hodel, F. L. Marble, R. C. Mitchell, Chester Mitchell, Dale Laceywell, and Rev. and Mrs. J. R. Naylor all of Lockney attended the meeting.

### ANNUALS ARRIVE

The high school annuals have arrived and are now being distributed, school officials said Wednesday.

### School Auditor—

(Continued from Page 1)

to adopt most of Mr. Aiton's recommendations, especially those regarding the setting up of a more thorough bookkeeping method and relieving the administration of handling of the books. He said that it was the desire of the board to have an efficient school system and that the board wanted the assistance and co-operation of the patrons of the district so that that aim might be reached.

A number of copies of the detailed report were passed to those present.

### APPLEWHITES RETURN HOME FROM TRIP

Mr. and Mrs. I. A. Applewhite have been visiting relatives this past week. They visited his mother and sister at Burnet, Texas where they fished at Buchanan Lake. From there they visited Mrs. Applewhite's parents in Dripping Springs, Texas. While there they went sightseeing in Austin. On the way home they visited their son and family, Granvel, at Ozona. They returned home Sunday.

### SINGING AT AIKEN TUESDAY NIGHT

The community singing will be held at the Aiken Methodist Church Tuesday night of next week, according to announcement from Charlie Andrews. The singing will begin at 8 o'clock and everyone is invited to attend.

### TRUCK ON FIRE

The Lockney Volunteer Fire Department was called to extinguish a fire on a truck on Highway 70 west of Aiken Wednesday afternoon. Trash on the truck had caught fire. Most of the trash was removed and little damage resulted.

### HOME ON FURLOUGH

Pfc. Clarence Messimer is home visiting his parents, Mr. and Mrs. Frank Messimer, on an eighteen day furlough. He is stationed at Ft. Jay, Governors Island, New York. He will report back to camp May 25.

Catherine the Great of Russia was a German princess before she became a Russian Empress.

### Planning Of Work Saves Housewife

College Station. — Use your head and save your feet on house cleaning day. Plan the job to do away with back-tracking for utensils and supplies.

The home management specialists with the Texas Agricultural Extension Service say it's not so much the work as the waiking that wears the homemaker out on house cleaning jobs. Plan the job in advance. Arrange all supplies needed on a wheel cart or table. This can be wheeled from place to place as the work is done.

The specialist suggest a cart with two shelves on which can be carried two buckets, one with water for washing and the other for rinsing. There will also be plenty of room for all the small items needed for most cleaning jobs such as soap, brushes, cloths and sponges. The hand vacuum cleaner may even fit in some place.

Lifting and stooping can be eliminated by using a cart because the needed equipment will be in easy reach and at a convenient level for handling, say the specialists.

Other good suggestions for work simplification in the home may be obtained from the local county home demonstration agent. Ask her for C-252, House Cleaning Made Easier and L-79, Simplifying Your Work.

### Brotherhood To Meet Here Thurs.

The Floyd County Association of Brotherhood will meet with the First Baptist Church of Lockney Thursday evening of this week. Men from Baptist churches in Floyd, Motley, Briscoe and Crosby counties are expected to attend. Supper will be served the group about 8 o'clock.

### HOME ON FURLOUGH

Sgt. Wilkie Parrish, son of Mr. and Mrs. Joe Parrish, is home on a twenty-nine day furlough. He has been stationed near Anchorage, Alaska.

Napoleon III was a nephew of Napoleon Bonaparte.
