

THE LOCKNEY BEACON

• SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY •

VOLUME 51

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, AUGUST 14, 1952

NUMBER 18

MR. AND MRS. J. E. NEWTON of Lockney celebrated their Golden Wedding Anniversary at their home here Sunday. The

couple have 11 children, 22 grandchildren and 10 great-grandchildren. They have lived here for the past 18 years.

58 Relatives At J. E. Newton's 50th Anniversary

Fifty-eight relatives were present last Sunday to join in with Mr. and Mrs. J. E. Newton in celebrating their 50th wedding anniversary at their home here. Open house was held in the afternoon and a large number of friends called to wish the couple many more happy days.

A buffet dinner was served at the noon hour to the family group and the day was spent in visiting and making pictures. The serving table was laid with a lace tablecloth over yellow. The centerpiece was yellow gladioli. The three-tiered cake was decorated in yellow and white and was topped with a gold wreath with the number 50.

Granddaughters of the honored couple, Mrs. Edgar Hartley and Miss Marlene McClure served the cake and presided at the punch bowl. The first piece of cake was served to the honorees by Norma Kay Singer, the only great-granddaughter present. Carol Dean McClure, another granddaughter, registered the guests.

Mr. and Mrs. Newton were married August 8, 1902, at Brock, near Ardmore, Okla., in what was then Indian Territory. They have lived in and near Lockney for the past 18 years. Mr. Newton was born in Wise County, near Decatur, in 1882. Mrs. Newton was born at Marietta, Okla., in 1887. They have 11 children, all of whom were present for the celebration except one, Pfc. Vern R. Newton who is serving with the armed forces in Germany. Their children include Allen Newton and Mrs. Clara McClure of Roosevelt, Oklahoma; Mrs. Ewell Fox, Sulphur Springs; Mrs. T. B. Foster, Odessa; Dewey Newton, Amarillo; Mrs. W. C. Singer, Arvie Newton, Dalton Newton, Cecil Newton, all of Lockney and Mrs. John A. Munselle of Lubbock, and Pfc. Vern R. Newton.

Among the out-of-town relatives registering were Mr. Newton's cousins, Mr. and Mrs. Jim Hays and Mrs. Jess Hays of Post whom he had not seen in 30 years. Other relatives registering were Mr. and Mrs. Barney Newton, Carolyn and Donnie of Plainview, Mr. and Mrs. Carmie Newton and children, Amarillo; Mr. and Mrs. N. L. Singer and Norma Kay, Littlefield; Mrs. Vern R. Newton and son, Michael, Plainview; Mr. and Mrs. Dewey Newton, Amarillo; Mr. and Mrs. John A. Munselle, Lubbock; Mr. and Mrs. Ewell

(Continued on back page)

Fire Department And Lone Star Lead In Play-Off

The Fire Department and Lone Star softball teams took the lead this week in the Lockney Softball League play-off series. Each one of these teams drew a bye on Monday night and each won a game Tuesday night.

Some teams will be eliminated tonight (Thursday) since the losers bracket will be playing and the going will be rough Friday night when the two top teams meet in the first game. The schedule for the remainder of the play-off was announced by Commissioner Lloyd Redhimer Wednesday as follows:

Thursday night: Aiken vs. South Plains; First Baptists vs. Legion.

Friday night: Fire Department vs. Lone Star; second game will be between winners of the Thursday night game.

Saturday night: The first game will be between the winner in the second game Friday night versus the loser in the first game Friday night. The second game will be between the winner of the first game Friday night versus the winner of the first game Saturday night.

Results in the six-team play-offs so far this week were:

Monday night: The Legion team won over the luckless Aiken boys 14 to 4 in five innings. Archie Bybee was pitcher and Harold Griffith catcher for the winners while Sam Daniel was pitcher and T. Cox and Stair catchers for the losers.

In the second game Monday night The First Baptists defeated South Plains 11 to 10 in nine innings. The teams were tied at 10 all at the end of the seventh. The eighth was scoreless, the Baptists managed to score one in the top of the ninth while holding the South Plains boys in the bottom. Frank Guidry was pitcher and McGhee catcher for the Baptists while Wilson was pitcher and Thames catcher for the South Plains boys.

In the first game Tuesday night the Lone Star team won over the Baptists 16 to 6. Fielding errors were largely responsible for the Lone Star scores. The Baptists used the same battery as Monday night while Ronald Reece was pitcher and Doug Meriwether catcher for the Lone Star team.

In the second game of the night the Fire Department played a tight ball to defeat the Legion 11 to 2. Leonard (Fireball) Finley was pitcher for the Fire Department and Audvie Barnett catcher while Archie Bybee started as pitcher for the Legion but was relieved in the fourth by Paul Kropp. Harold Griffith was catcher.

TO HAVE OPERATION

Relatives here report that Charles Carthel has gone to Philadelphia, Pa., where he will probably undergo a heart operation. He is the son of Mr. and Mrs. Jake Carthel of Amarillo and the grandson of Guy Carthel of Lockney.

Mr. and Mrs. Hugh Counts will attend a reunion of the Counts family at Las Cruces, N. M., Saturday and Sunday.

\$500.00 Reward Is Offered For Ardry

A reward of \$500.00 for information concerning the whereabouts of Robert Lee Ardry of Floydada has been offered by members of his family. Mr. Ardry, 86 years of age, has been missing since June 12 when he left Floydada with the intention of visiting his daughter at Leveland.

An intensive search has been made for the missing man. Relatives believe that he may have lost his memory or may have been the victim of foul play.

City Plans Public Toilet Building

Tentative plans have been made to construct a public toilet building just west of the present city jail. Major Jesse Cox said Wednesday. Plans now call for locating the building just west of the jail facing the alley, he said.

The building will probably be 20x20 feet in size and will be built of concrete blocks. A partition will separate the building in the center with the ladies having 4 commodes and a lavatory and the men's side having two commodes, two urinals and a lavatory. The floor will be of concrete with a drain in the center so that it may be washed out easily.

The cost is expected to run between \$2000 and \$3000 and city officials will probably let a contract on the job, Mr. Cox said.

Plans for the building are expected to be approved by the City Council in its regular meeting Thursday night of this week.

LOCKNEY SWIMMING POOL is a source of much fun and recreation for the younger set. Here is a scene of the pool set. Here is a scene of the pool set. Here is a scene of the pool set. Here is a scene of the pool set.

business since it was opened some three weeks ago. At the extreme right is Claude Brown who is chairman of the City Park committee, which has charge of the pool.

Annual Seed Meet At Aiken Elevator

The annual seed meeting and watermelon feast sponsored by the Aiken Elevator has been set for Friday night, August 22. It was announced this week by C. H. Andrews, manager.

The meeting will be held under the lights on the Aiken ball park and there will be watermelon for all members of the family, Mr. Andrews said. Talks on seeds, waxie kaffir and insects will be heard and everyone is invited to attend.

This is an annual affair with the Aiken Elevator and several hundred people usually attend.

Ballot Will Be Short For Second Demo Primary

The ballot for the second or run-off Democratic primary on August 23, Saturday of next week, will be short. Only six offices will be listed on the ballot and one of these, congressman-at-large, is uncontested.

Drawing the most interest in Floyd will be the race for sheriff in which the incumbent, Leland Hart, is opposed by Earl Cooper of Lockney. Cooper led Hart in the first primary by about 15 votes while Jess Patterson, the third man in the race received some 600 votes.

The first name on the ballot will be that of Martin Dies for congressman-at-large. As stated above he is unopposed, his opponent in the run-off, withdrawing because of Dies' big lead.

Frank P. Culver of Tarrant County and Spurgeon Bell of Harris county are in the run-off for Associate Justice, Supreme Court of Texas, place No. 1. The two men polled very close to the same number of votes in the first primary.

Ernest O. Northcutt of Amarillo and Joe S. Moss of Post are running it off for Associate Justice, Court of Civil Appeals, 7th Supreme Judicial District. Northcutt held a wide lead in the first primary although Moss was recommended by the attorneys of West Texas.

J. W. Walker Jr. of Plainview and Leroy Saul of Swisher County are the opponents in the race for State Representative in the newly created 89th district of Texas, comprising Floyd, Hale, Swisher and Briscoe counties. The only county race, other than that for sheriff, is in precincts 1 and 4 where O. B. Olson, present justice of the peace, is opposed by P. O. (Pat) Sterling.

Some 3300 votes were cast in the first primary but observers say that the total this time will drop off to somewhere in the neighborhood of 2000 votes.

Results will be known earlier than in the first primary since the ballot is much shorter and counting will go faster.

Cemetery Funds Are Running Low

The rains during the past few weeks have made the weeds grow in the Lockney cemetery and funds for the upkeep of the cemetery are running low. Mrs. L. M. Honea, secretary-treasurer said this week. She suggested that those interested in the cemetery may want to send in their annual contribution toward the upkeep during this month.

Mrs. Honea was confident that sufficient money to maintain the cemetery adequately would be forthcoming once the people who have loved ones buried there knew of the need.

Recent contributions to the cemetery association fund were reported as follows by Mrs. Honea:

- Lewis D. Lee \$100.00
- Mrs. George Meriwether \$15.
- Mrs. Barney Manning \$12.
- Mrs. Mildred Wells \$10.
- Mrs. R. L. Hickey \$10.
- Mrs. Edna Floyd \$10.
- Mrs. Edna L. Vox \$10.
- L. M. Honea \$10.
- C. K. Bennett \$5.

TEACHERS ARE ELECTED; PLANS MADE FOR OPENING SCHOOL

The board of trustees of the Lockney Rural High School district in a meeting Tuesday night elected several teachers and made plans for the opening of school on September 1st. The local faculty is now complete with the exception of a commercial teacher, a driver education instructor and a school nurse, Supt. W. C. Irons said Wednesday.

Teachers approved by the board Tuesday night included these:

J. Floyd Jordan, attended NTSC, B. A. degree from Trinity University, M. S. degree from East Texas State College, 23 years experience. Will teach in the grade school.

Mrs. Lucille Jordan, attended NTSC, B. A. degree from Trinity University, M. A. degree from East Texas State College. High school English.

Shelly M. Lantrip, B. M. at East Texas State Teachers College, 3 years experience, band director.

Mrs. J. M. Lantrip, B. S. and M. S. from East Texas State Teachers College, 19 years experience, 1st grade.

Mrs. Loretta S. Jones, B. S. and M. S. from East Texas State Teachers College, 10 years experience, 5th grade.

Miss Mary Ringwald, B. S. from East Texas State Teachers College, 4 years experience. Science in high school.

Miss Ann Williams, B. A. degree from East Texas State Teachers College, grade school.

All-Star Games Here Next Week

Managers of the teams in the Lockney Softball League Wednesday night selected two all-star teams from players in the league and the two teams will play a two-games-out-of-three series on Tuesday, Thursday and Friday nights of next week.

Proceeds from the games will go to the city park project here. The teams selected are:

Red Team
Harold Griffith, catcher.
Mac Smitherman, first base.
Shelby Calahan, second base.
Carl Blair, third base.
Harold Jeffcoat, short stop.
Buddy Rigby, left field.
Donnie Bybee, center field.
Bill Sherman, right field.
Pitchers—Paul Kropp, Leonard Finley, Johnny Wilson Jr.

Blue Team
Utility—McGhee, Doc Stewart, Jim Nance, Bob Hartman.

Managers—Revis Harris, C. L. Record, "Whitey" Baccus.

Blue Team
Doug Meriwether, catcher.
Don Bartram, first base.
Harold Dean Griffith, second base.

Gayle West, third base.
Pat Frizzell, short stop.
Bobby Carthel, left field.
Red Childress, center field.
Haynes, right field.

Pitchers—Frank Guidry, Ronald Reece, Sam Daniel.
Utility—Rusty Baccus, G. B. Johnston, Les Carlton, Eddie Holcomb.

Managers—Audvie Barnett, T. E. Frizzell, Harry Hartman.

One game will be played on Tuesday night, Thursday night and Friday night, if necessary. Games will start at 8 p. m.

Singing At Lone Star Sunday

A community singing will be held at the Lone Star school house Sunday afternoon, August 17, starting at 2:30 it was announced this week. Several good quartets are expected to be present and everyone is invited to attend.

RETURNS FROM VACATION

Mr. and Mrs. Gene Belt and boys, Mr. and Mrs. Bob Jarrett and girls and Mr. and Mrs. Kenneth Wofford and children returned last week from a 10 days vacation in Colorado, Utah and Yellowstone National Park.

Mrs. Evelyn Terry, B. S. E. from the University of Arkansas, former assistant principal in Corpus Christi schools, varied experience in other teaching fields.

Also the board approved a number of bus drivers and cafeteria workers but these positions are not all filled as yet, Mr. Irons said.

The teaching faculty, when complete, will number 37 in all including administrative personnel.

Pre-registration last spring will make any pre-registration before September 1 unnecessary, it was said. The first official meeting of the school year will be a general faculty meeting at 9 a. m. on Saturday, August 30th.

Other matters of business passed by the board Tuesday night included these:

The board voted to approve an agreement with the Providence school district concerning the transportation of high school students to the local school.

The board voted to move a part of the old Sterley school building into town and convert it into a negro school building. A portion of the building will be left at Sterley, it was said.

The board voted to make some improvements on the grade school cafeteria building including sanding the floors, painting and repairing the walls inside and outside.

The board voted that the Lockney school system would not accept students from any outside district whose grades are taught in their home district unless the students was legally transferred or the parents or guardians pay tuition in the amount of \$10 per month.

The board voted that children under six years of age on September 1, 1952, would not be accepted in the local schools.

Work Starts On Cut-Off Road

With all right-of-way easements signed and the fences moved back, work began Wednesday on sub-grading of the less than a mile cut-off in east Lockney between the Lockney loop and the Lone Star road. The road will be hard-surfaced with caliche and asphalt in a program now underway.

All grading work has been completed on the some six miles of road in the Irick community also scheduled to be paved as it has on the other projects in this same program. About five miles will be paved north of South Plains, one mile east of Cedar, and one mile in the City of Floydada.

The contractor, C. E. Howard Construction Co., is now waiting on the arrival of a rock crusher to begin the laying of the caliche on the various roads.

The last easement on the right-of-way for the road in East Lockney was signed this week after a condemnation hearing had been set. An agreement on the land was reached and the hearing cancelled.

Providence News

By Mrs. Wilfred Stoerner

Some people are making such thorough preparation for rainy days that they aren't enjoying the sunshine.

Mr. and Mrs. Virgil Brasher returned from an extended vacation spent in eastern, western states, Canada and Yellowstone National Park.

Mr. and Mrs. B. H. Quebe and daughter and Mrs. Ben Quebe returned from their vacation recently. They toured the north western states, Washington, California, Utah, Nevada and Colorado.

Mrs. Ben Brandes left Thursday accompanied by her sister, Miss Bertha Luedtke, to visit her brother, Ed Luedtke of Houston, who is seriously ill.

Mr. and Mrs. Joe Payne of Berger were week end guests of Mr. and Mrs. Bob Payne.

Mr. and Mrs. Bob Payne left late Sunday afternoon for Wichita Falls where they will visit Mr. Payne's parents.

Dinner guests in the home of Mr. and Mrs. Helmut Quebe Sunday were Mr. and Mrs. Ernest Sammann and son, Alfred of Plainview.

Mr. and Mrs. Helmut Quebe and family visited Mr. and Mrs. Bruce Rigler and family of Plainview Sunday night.

Mr. and Mrs. Wilfred Stoerner were supper guests Friday night in the Robert Payne home. Scenic colored slides of the Payne's previous vacations were shown.

Trinity Lutheran Church

H. L. Anderson, Pastor
Wednesday, August 13th, choir rehearsal 8:15 p. m.

Sunday, August 17, Sunday School 10 a. m. Divine Worship 11 a. m.

Friday, Aug. 22, Lubbock Group Meeting of the Lubbock Group of Women's Missionary Federation of Roscoe.

Trinity congregation cordially welcomes each and every visitor in the name of Lord Jesus Christ.

Home Demonstration Club Meets

The Providence Home Demonstration club will meet on Tuesday, August 26th in the home of Mrs. Sam Jones. The

Queen Of Pre-Madison Square Garden Dublin Rodeo

PRETTY 18-YEAR-OLD Betty Sue Bradley of Dublin has been selected Queen of the Pre-Madison Square Garden Rodeo to be held at Dublin, Texas, August 27, 28, 29, and 30. Miss Bradley has been one of the Texas sponsors at the Madison Square Garden Rodeo in New York which is produced by Everett E. Colborn of Dublin, Texas.

program is on "Etiquette and Entertaining." Members let all be present. An organization to which you belong is only as good as each member makes it.

Visiting this week in the home of Mr. and Mrs. Albert Kelm were Mrs. Melvin Kelm and son of Littlefield. Mr. and Mrs. Berthold Lady and family of Breham were also guests in the Albert Kelm home.

Guests this week in the Wilfred Stoerner home were Mr. Reinhardt Buro of Clifton, Hubert Behnke, Waco, and Mr. and Mrs. Otto Behnke, Waco, Texas.

Sunday night guests in the Richard Matthews home were Mr. and Mrs. Albert Kelm.

Mr. and Mrs. Vernon Collins of Pampa were week end guests in the home of Mr. and Mrs. Marvin Scheele.

Dinner guests Sunday in the home of Mr. and Mrs. Lester Baker were Mr. and Mrs. E. A. Barker and family, Mr. and Mrs. Klyce Ooley and family.

NEW ARRIVAL
Mr. and Mrs. Doyle Casey are proud parents of a boy, William Luther, born July 28 in the Plainview Hospital and weighing 7 lbs. and 4 ozs. The grandparents are Mrs. Lennie Hammett of Amarillo and Mr. and Mrs. Cecil Watson of Plainview.

Pfc. Warr Is On Korean Front

With the 2d Infantry Div. in Korea. — Pfc. E. C. Warr, Floydada, Texas, braved heavy Communist fire to lay vital communication lines during the recent battle for "Old Baldy" mountain in Korea.

Private First Class Warr, son of Mr. and Mrs. Earnest Warr, Route 1, Floydada, is a member of the 2d Infantry Division which captured the important position on the rain-soaked western front.

When 2d Division infantrymen assaulted "Old Baldy," Warr and his comrades on the communications team laid their wires

simultaneously. Since have enemy artillery ranges in exposed pair lines destroyed munitions.

Private First Class Warr joined the Army in March. He is a wireman with the Company. In civilian life he does farm work at Floydada.

Dr. I. W. Kimble, O. R. M. Optician, Kimble Optician, Floydada.

THE TIME IS R

To start thinking about a Cotton Harvester for this fall. We have a lot of them. The No. 15 John Deere Cotton Harvesters and also for this fall John Deere Blowers and signs to work on the John Deere harvester.

If you are going to need a Harvester this fall come in and see us about it. We will put your name down and you one... no deposit needed until you order. Remember... we install the Harvester on your Tractor at no extra cost to you.

We Overhaul Used Harvesters

If you already have a John Deere Cotton Harvester and it needs a little work, just step to the phone and Dial 3666. We will send Shorty and Leonard to pick it up, overhaul it and return it to your farm. NOW IS THE TIME to get this done and avoid the fall rush. We might not be able to get to it.

Used Tractors For Sale

We have several used tractors that have been overhauled and repaired. They would be very suitable to put on a harvester.

Petersburg Man Resigns To Head Morton Schools

Petersburg—Supt. H. A. Owens who has headed the local schools for the past two years, resigned to accept a position as superintendent in Morton. His resignation is effective Friday. Owens is a native of Abilene. He took his bachelor's degree at Hardin-Simmons University, and his master's at Texas Tech. He is working on his doctorate at Texas Tech and attended the first term of summer school there this year. He replaces Carl Macon at Morton. Macon resigned to go to Otton.

ONE-A-DAY HOME HINTS

Using an automatic gas clothes dryer cuts down on the wear and tear of drying clothes. The Gas Appliance Manufacturers Association reports. It avoids the harsh clothes line and clothes pin tears and the whipping winds and unexpected rains.

Old Ranch Records In Tech Museum

Lubbock — A Model-T truck did the hauling for the three most valuable items in Texas Tech's Southwest Collection.

These treasures, the complete and original records of the Espuela Land and Cattle Co., the Matador Land and Cattle Co., and the C. W. Post Colonization Projects, are considered priceless by Dr. William C. Holden, head of the department of history, sociology, and anthropology at Tech. Dr. Holden, who is also director of The Museum, started gathering the material 20 years ago in his Model-T.

"Chance enabled us to have the Matador records, the most complete of their kind in existence," Dr. Holden said. "I drove out one day in 1933 to see what could be done about the material for Tech's collection. I met the Matador manager about two miles from the ranch. When I left, I had them in my truck. The back end of the Model-T was resting on the axle." The Espuela, or Spur, ranch records were acquired in 1932, after Dr. Clifford B. Jones, now president emeritus of Tech, had been manager of the Spur properties. Dr. Jones and A. S. Gaylord, Jr., former Tech librarian, are part of a trio who originated the Southwest Collection.

The Post Papers were obtained in 1936. These include not only the Double U records, but also the Curry-Comb Ranch records. The latter was the name of the ranch before C. W. Post bought it in 1906. Post brought 800 colonists into the area of Post, Texas. This venture was operated by a board of directors who kept a modern system of bookkeeping and accounting.

The records have been used as source material for graduate students of Texas Tech and the University of Texas.

Troy Lee McNeill President Dist. 2

Troy Lee McNeill, 17-year-old Floydada youth who received the 4-H Club Texas Junior Leader Contest Award Tuesday, was elected president of District 2 4-H Clubs as the annual encampment of groups from 20 West Texas counties ended at the fair grounds in Lubbock Wednesday.

Contest winners in rifle firing, softball, and washer pitching also were announced at the end of the three-day session.

Other officers chosen Wednesday were Elwyn Ellis, 15, of Plainview, vice president; and Darrell Robinson, 16, of Big Spring, secretary.

Pinner Insurance Dial 3329

Despite zooming general living expenses, the cost of liquefied petroleum gas has remained relatively stable, "spot survey" by LP-Gas Information Service, Chicago, among nation's dealers reveals. In contrast to an average rise of 63% in all items contained in U.S. Bureau of Labor Statistics cost of living index, LP-Gas rates increased butane, propane, bottled and tank gas, the fuel is used principally in farm, small town and suburban areas.

Here's One Bright Ray in Living Cost Spiral—LP-Gas Prices up Only 7%

CHICAGO—In the face of skyrocketing living expenses in practically all major categories, the cost of liquefied petroleum gas, used principally in rural, small town and suburban areas, has advanced only 7% since 1942.

This was revealed by the LP-Gas Information Service, Chicago, following a nation-wide "spot survey" among leading marketers of the fuel.

In the same ten-year period (April 15, 1942, to April 15, 1952), the average of all items included in the cost of living index released by the U. S. Bureau of Labor Statistics climbed 63%. Food prices registered the sharpest gain with a 92.3% rise. Other increases were as follows: house-furnishings—69%; apparel—60.2%; miscellaneous—54.6%; fuel, electricity and refrigeration—39.3%, and rent—28.6%.

Industry leaders attribute the stability of LP-Gas rates in contrast to the general rise in living costs to several factors. Among these are: (1) The tremendous growth in public acceptance and use of the fuel with resulting distribution economies; (2) The sharp increase in number of LP-Gas bulk plants throughout the country and consequent reduction in the area served by each; (3) The "incentive" rates offered to customers by most dealers to stimulate the use of new appliances, and (4) Various technical and service advances contributing to greater efficiency and economy. Currently rated by many authorities as the nation's fastest growing industry next to tele-

Corn hybrids were planted by Texas farmers on 71 per cent of the 1952 acreage they planted to corn. This compares with 15 per cent in 1945 and only one per cent in 1941, the year Texas hybrids first became available. Recent rains in some sections of the state have materially increased the chances of success for the fall garden. Home gardeners are urged to take advantage of the situation and get the fall plantings underway.

Way To Get Rid Of Cockroaches Told By Dr. Cox

Austin—A dime store paint brush and a few ounces of chlordane are the only tools you need to run off those pesky cockroaches, State Health Officer Geo. W. Cox advises.

But he says keeping them off is a bigger job.

Roaches are disease carriers from way back, the health officer pointed out. They've been found naturally infected with polio virus. And that alone, is reason enough to declare war against the filth ridden pests. Here's the way to do it:

First: get a 2 per cent chlordane spray and a two-bit paint brush from the drug store. Then take all the pots, pans and dishes from the kitchen cabinet and wash them in soapy water.

Now paint the chlordane into all the cracks where shelves join walls, and around the drain pipes. That's all—don't paint the whole cabinet. While the spray is drying in the cabinets, paint in the corners of baseboards, behind the stove and the hot water heater where water and gas pipes enter the house.

Take off the motor panel of the refrigerator, and treat the floor and corners of the motor compartment. Paint the walls behind the refrigerator, because roaches will hide any place they can find protection. Be sure to paint around bathroom pipes, too.

In older houses it's possible roaches will be hiding in cracks between the wall boards and door and window frames. So don't pass up a crack because it looks too small to harbor roaches. The young insects are mighty

small. After the spray in the cabinets has dried thoroughly, cover the shelves where dishes and food are stored with paper. You can get a can of caulking compound for just a few cents, which makes filling cracks permanently an inexpensive process. But run some of the spray into cracks before sealing them up. This will kill ants, too. All this will help you get rid of roaches, Dr. Cox emphasizes. But if you leave food exposed, they'll soon be back at the same old stand.

ATTENDS REUNION

Mr. and Mrs. T. J. Rigdon of Lockney attended the Moore reunion held at Bovina, Texas, Sunday, August 3. All six brothers and sisters of the Moore family, of which Mrs. Rigdon is a member, were present for the reunion. A total of 50 attended. The reunion was in the home of Mr. and Mrs. M. E. Bond. The Moore family was reared in the Whitfield community, northwest of Lockney.

Mr. and Mrs. Rigdon also attended the 59th wedding anniversary of her sister and husband, Mr. and Mrs. Mack Dosier of Garden City, Texas, held at the home of the Dosier's granddaughter, Mr. and Mrs. Graham Thornton on Saturday evening at Farwell.

Three hundred and fifty attended when the Brownwood Chamber of Commerce recently held a Jamboree for employees of the city's business establishments.

West Texas is benefitting materially from postwar expenditures totaling more than \$340 million which the Southern Pacific Railway is making for new roadbed, rolling stock and equipment.

Mr. and Mrs. Calvin Applewhite and baby, Jack, of Hereford spent Wednesday in the home of Calvin's parents, Mr. and Mrs. G. C. Applewhite.

Mrs. F. R. McLeod, Dwayne, Glen and Barbara Bowley spent Wednesday through Sunday in Denver visiting Mrs. McLeod's daughter, Mrs. Louis Martin.

Dwayne McLeod returned Sunday to San Antonio Air Force Base after spending two weeks with his parents, Mr. and Mrs. F. R. McLeod.

Nocona, located along the Old Chisholm Trail, is inaugurating this fall an annual rodeo show, the Chisholm Trail Round-up.

South Plains

by Mrs. Murray Julian

Our community received small showers Saturday night and although the greatest amount received was about a half inch, the air was cooled, and the dust was laid. Everybody who has irrigation is running their wells day and night. Floydada was more fortunate in having an inch or more rainfall during Saturday's showers.

The Home Demonstration Club of South Plains will sponsor a community party on Friday evening at 7:30, August 15. Everybody in the community is invited to come to the picnic, which will be held at the ball park in South Plains. All ladies who have freezers are asked to bring ice cream, and those who do not, bring a cake. Each family should bring sandwiches and drinks for his group. After the picnic supper, the members of the PTA are asked to meet for a called meeting. This picnic has been a yearly affair the last few years and everybody come and have a good time with your neighbors.

Jan Johnson, who lives in Amarillo was a guest of June Marble at her home all of last week.

Rev. Chas. Joiner did not accompany the Early Joiners to Colorado, but will go to Abilene to visit a brother, Ambrose, and other relatives there the rest of this week. He is staying with Mr. and Mrs. George Robertson out at the farm.

Mr. and Mrs. Gilbert Bean have moved to their new home in Lockney, but we are glad that they are still coming out to church here. On Sunday Rev. Chas. Joiner accompanied them to Lockney and had dinner and supper with them.

Mr. and Mrs. George Beedy have been busy the past few weeks building on the new house which they are erecting in the east part of Lockney. Mrs. Beedy drew the plans for the house, and she has been on hand most of the time to supervise and assist and Douglas is also helping.

Mr. and Mrs. Hugh Nelson and Alma Ruth from Lakeview, Mrs. Lou Pratt from Panhandle, Mr. and Mrs. Ernest Smitherman

and boys and Mr. and Mrs. John Smitherman were all guests in the home of Mr. and Mrs. P. M. Smitherman on Sunday afternoon.

Mr. and Mrs. George Weast went to Amarillo on Friday and spent the week end visiting with their children. Mr. and Mrs. E. T. Evans Mr. and Mrs. Robt. Smith and children arrived home from their vacation on Monday and took their baby, who had been staying with Mr. and Mrs. Weast for the past two weeks.

Mr. and Mrs. Will Whitfill, from Farmersville, Texas were guests of Mr. and Mrs. Zack Cummings and children on Sunday. They reported that Mr. Cumming's father, at Farmersville, was still about the same. He has been ill for the past several weeks.

Mr. and Mrs. Arby Mulder went to Roaring Springs on Wednesday with their children, Nathan and Catherine, and Donita and Barbara Milton. They enjoyed the afternoon swimming and Mr. and Mrs. Grigsby Milton joined them in the evening. They all returned to the Milton home, where they enjoyed supper together.

Mr. and Mrs. W. W. Merrell and Betty Ruth from Quitaque, parents of Mrs. J. P. Taylor, ate Sunday dinner with the Taylors and visited with them during the afternoon.

Jimmie Smith, who lives at Silverton, spent last Thursday and Friday with his aunt and uncle Mr. and Mrs. George Weast.

Mr. and Mrs. Murray Julian and boys had as their guests for dinner and for an afternoon of visiting Mr. and Mrs. J. B. Thames, Joe, Rex Mike, and Maryanne, Rev. and Mrs. John Allen on Sunday after church.

Mr. and Mrs. Bryan Karr served dinner on Sunday to Mr. and Mrs. Grigsby Milton and girls, and they had the afternoon together and had supper before returning to church in the evening.

John Key West was saddened by the death of his uncle, Chest West, who lived in Hereford. On Monday morning at seven o'clock Mr. West was taken with a severe heart attack and he never rallied. Mr.

and Mrs. John Key West attended the funeral which was held in Hereford, but a brother of Mr. Chester West, John L. West of Floydada was unable to go, on account of illness. He is recovering from a serious operation.

Mr. and Mrs. Johnnie Ray Floyd and children spent Saturday night visiting Mr. and Mrs. Grigsby Milton and girls. The Floyds are from Wenatchee, Washington.

Mrs. Ruth Burnett arrived on Monday evening for several days visit with her brother, Murray Julian and family. Mrs. Burnett resides in San Antonio, but visited over the week end with Mr. and Mrs. W. W. Haynes and Mrs. W. F. Joiner in Abilene, Texas. She will join her daughter, Sharon, in Pueblo, Colorado next week.

Mr. and Mrs. H. L. Marble, June, Jan Johnson of Amarillo, and J. L. King of Floydada, spent three days of last week in Oklahoma, visiting with relatives in Morewood, and Altus, Okla.

Mr. and Mrs. George Robertson arrived home on Monday after spending the week end in Hereford and at Buffalo Lake with Mr. and Mrs. Elvin Wilson and children.

The Home Demonstration Club will meet on Wednesday of this week with Mrs. John Smitherman, Mrs. Bryant Higginbotham and Mrs. J. P. Taylor as hostesses. The meeting will be held at the Smitherman home.

Mr. and Mrs. Bob Merrell of Lone Star are the proud parents of a new baby girl, Lena Kay,

born on Friday. Mr. Merrell is the brother of J. P. Taylor.

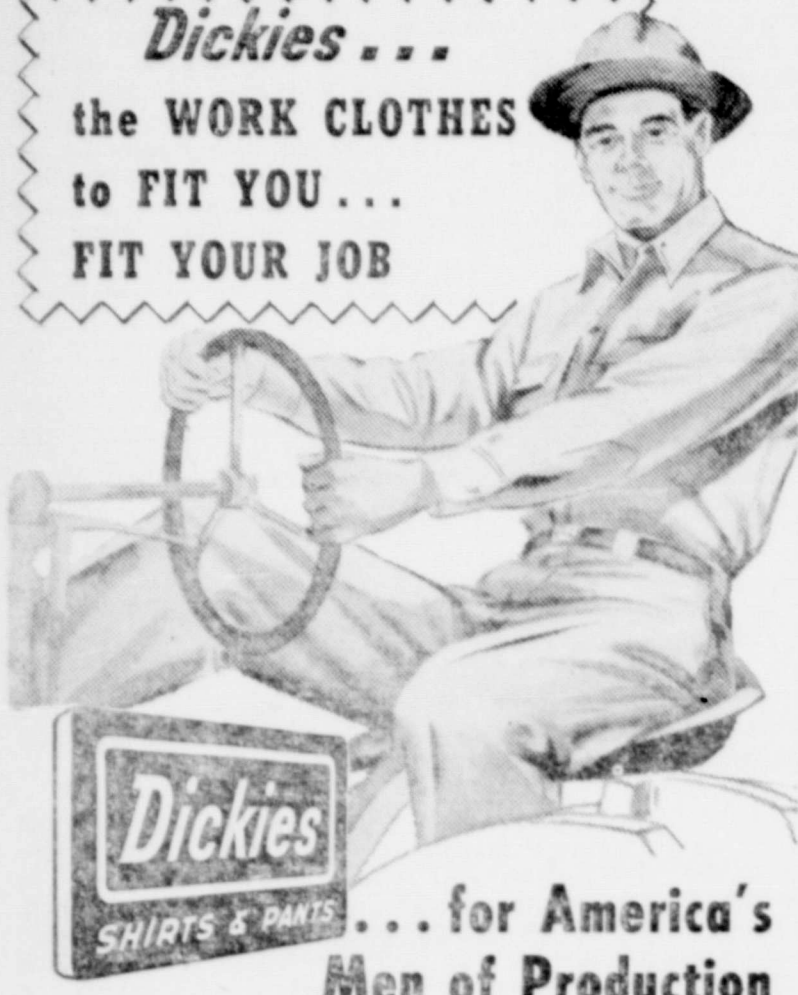

Many new irrigators being drilled on the lands in our community and L. T. Wood, Jr. Sim Reeves and W. are among the new ones. The South Plains Church starts its regular day morning August 18th. Everybody come it a good meeting.

FARM SERVICE TIRES

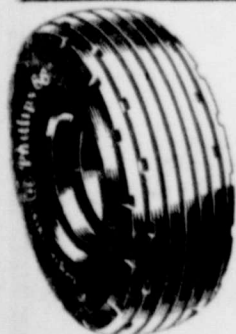

Pull Steadily — Phillips rear tractor tires keep your field work moving! Dual-Action bars set at precise field-tested angles work as a team for steady pull. Extra rugged shoulders grip firmly.

Run Clean — Open Center Flex-Action Tread cleans itself. You get work done fast when your tractor rolls on Phillips 66 tires!

Wear Long — Paired bars share the wear; won't loosen or pull off. Tough shoulders prolong tire life. Top quality workmanship and materials throughout. Gum lining guards against chemical action from liquid weighting.

FRONT TRACTOR TIRE

Easy, safe steering with this high center-rib tire! Double side ribs hold the row easily; help you pull out of a furrow.

IMPLEMENT TIRE

Saves time and fuel! Lets all free-rolling wheels roll easily. Deep-grooved running ribs fight slippage. Thick tread gives long service.

FARM SERVICE TUBES

Made extra strong. Rubber specially compounded for tractors and implements. Resists chemical action when liquid weighted. Rear tractor tube has 2-piece valve for easy liquid weighting.

To The Voters Of Floyd County

As friends of Leland Hart we would like to state that we have known him all through the years, we know that his reputation for honesty, integrity and fair dealing is beyond reproach. He is cool, level headed and fearless in the discharge of his duties as an officer and at the same time is very courteous in discharging the duties, the type of man that makes a good peace officer.

We are familiar with the record that he has made as Sheriff of Floyd County, and assure you that that record will stand the closest of investigation, and we as Citizens of this county urge you to make any investigation that you see fit.

He has the respect and admiration of all law enforcement officers of the Tri-State area and works in perfect harmony and co-operation with them, and this is very essential in combatting and keeping crime down.

Elect him Sheriff at the Polls August 23rd and let's keep Floyd County as one of the cleanest Counties in Texas as far as Crime is concerned.

(Political advertisement paid for by friends of Leland A. Hart)

Society News

Al Brian Weds California Girl

Miss Barbara Brason, daughter of Mr. and Mrs. Earl Brason, Salinas, California, was married to Al Brian Jr., son of Dr. and Mrs. A. A. Brian, Brownwood, in a ceremony performed Sunday, August 3, at the First Baptist Church, Salinas.

Dr. Brian, vice-president of Howard Payne College and father of the groom, officiated at the double ring rites.

The bride is a graduate of Salinas Union High School and is a Howard Payne College sophomore; Mr. Brian is a graduate of Brownfield High School and is a Howard Payne senior student.

After a wedding trip to points of interest in California the couple will be at home in Floydada, where the bridegroom will serve as director of youth activities and youth choirs at the First Baptist Church. Mrs. Brian will serve as office secretary at the church.

Mr. Brian's father is the former pastor of the First Baptist churches in Littlefield, Levelland and Brownfield. Also, he served as District 9 missionary with headquarters in Plainview for two years. He held a revival meeting at the Lockney church two years ago.

Parrish Family Have Reunion

The Parrish family reunion was held in Ralls at the home of Mr. and Mrs. Delmer Parrish August 9th and 10th. About a hundred attended the two day affair. The Parrish children attending were Charlie Parrish, Bonnie Parrish and Mrs. Lessie Garrett, all of Clovis, N. M., Mrs. Atakie Lemay of Whittier, Calif., Mrs. R. B. Picklesimer of Inglewood, Calif., Susie Dacus of Portales, N. M., Mrs. Hettie Elloit of Lubbock, Efford Parrish, Omer Parrish, Creed Parrish, Chester Parrish and Mrs. Edd Dunarvant all of Floydada, Joe Parrish of Lockney, and Delmer Parrish of Ralls.

Carole Smith And Reuben McGilvary To Wed August 24

Mr. and Mrs. Julian B. Smith of Plainview, have announced the engagement of their daughter, Carole, to Reuben C. McGilvary Jr., son of Mr. and Mrs. R. C. McGilvary, Hereford.

The wedding will take place August 24 in the chapel of the First Baptist Church with Rev. John N. Goss officiating.

She is a graduate of Baylor University and has been teaching in Lubbock for the past year and a half. He graduated from Texas Tech and for a time was affiliated with the West Texas Company in Lubbock.

The couple will make their home in Midland where he is now assistant manager of the company there.

Jonita Ferguson Has Birthday Party

Jonita Ferguson, daughter of Mr. and Mrs. Leslie Ferguson, celebrated her sixth birthday Tuesday, August 5 with a party at her home. The honorees sister, Debra and Peggy Ford directed out-door games.

Balloons were given as favors and refreshments of ice cream cones, cake and lemonade were served to Karen Ashton, Patsy Boxer, Cheryl Kelly, Tommie Moore, Kathie and Juanelle Potts, Fern, Lynn and Melvin Sissney, Fern, Lynn and Melvin Dixie Ford, Janice Naylor, Billy Tom Hays, Donnie Hanst, Wanda and Edward Savage, Randy and Loretta Laceywell and Jonita Ferguson.

CARD OF THANKS

To our friends who were so kind during our recent sorrow we thank you for all the kind deeds and words of sympathy and for the beautiful flowers. May God bless each of you.

Fay Messer and family.

Baptist T. E. L. Class Has Social

Mrs. Howard Cooper presided at a business and social meeting of the Baptist T. E. L. Sunday School class held Tuesday, August 5 at 3:30 p. m. in the home of the teacher, Mrs. G. C. Appiewhite. Mrs. T. B. Mitchell gave the devotional.

Refreshments were served to Mmes. J. R. Richards, E. A. McLeod, Johns Casey, L. A. Applewhite, Clayton Weathers, Howard Cooper, Ed Whitfill, Joe Reeves and Mrs. Appiewhite.

Miss Agnes Cooper returned to her home in Texarkana Saturday, after spending a week here with her parents, Mr. and Mrs. Luther Cooper.

Wallstreet Banker To Speak At Tech

Lubbock. — R. H. Johnson, a Texan who hit the Wall Street jackpot, will be the commencement speaker for the summer graduating class at Texas Tech.

Johnson will give the address at 7 p. m. on the Administration Building lawn August 27.

A tentative list of graduates released from the Tech Registrar's office shows about 325 students, who are completing the requirements for bachelor and masters' degrees, will graduate. Included in the list are 166 graduate students, who are candidates for masters' degrees.

Johnson is a native of Anson, Jones County, Texas. He became acquainted with Dr. D. M. Wiggins, Tech president, and Dr. Carl Coke Rister, distinguished professor of history at Tech, at Hardin-Simmons University when the three were students in 1915-16. He served in World War I in the 90th Division field artillery, and returned from France in 1918 to enter West Point, graduating in 1921.

The Texan registered his commission in 1923 and took a position with a trust company in New York City. Six months later he entered the investment field with Harris Forbes & Co. where he remained until 1927.

He then formed his own company, the R. H. Johnson & Co., which now operates in 10 states and has about 100 employees.

Johnson is president and director of the \$3 million Franklin Custodian Funds, Inc. He is a member of the board of Scullin Steel Co., St. Louis; a member of the Alaska Airlines, Inc. board; and is on the board of trustees of Hardin-Simmons and the Biblical Seminary in New York.

He is married and has eight children.

Mustering-Out Pay Plan Announced

Regulations and procedures governing Mustering-Out Payments authorized by the recently enacted Veterans Readjustment Assistance Act of 1952 were announced today by the Department of Defense.

Eligible for the payments are all Enlisted Grades and Officers below the grade of Major or Lieutenant Commander, who were discharged or released from active duty under Honorable Conditions after June 26, 1950. Veterans of the Army, Navy, Air Force, Marine Corps, or Coast Guard, or one of their components, including women members, are eligible.

The law provides for payment of \$100.00 to Veterans with less than 60 days Active Service; \$200.00 for those with 60 days Active Service but no foreign service; and \$300.00 for Veterans with 60 days or more of Active Service who have served outside the United States or in Alaska after June 26, 1950.

Lump sum payments will be made to eligible Veterans who have already been discharged or released from Active Duty. Those eligible for the payment who are still in the Armed Forces will receive their payment in \$100.00 monthly installments, the first of which will be paid on discharge or release from Active Duty.

To receive the payments, Veterans who have been discharged or released from Active Duty after June 26, 1950, without receiving Mustering-Out Pay must:

- 1) Submit on or before July 16, 1954, an informal certified Application on 8x10-1/2-inch paper containing: (1) The Veteran's name and address, either printed or typed; (2) Service Number, Serial Number, or File Number; (3) Statements that he was not discharged or released from Active Duty to accept employment, without having served outside the United States; that he is not now serving on Active Duty; that he has not received any Mustering-Out Payment, or that he has not or will not make any other application for the Mustering-Out Payment for service after June 26, 1950; a statement as to whether or not he has had foreign service, and the date of his arrival in the United States.
- 2) Submit, with this Application, the original of the Report of Separation from the Armed Forces of the United States (DD Form 214). If the Veteran has lost the original DD Form 214, he should apply to the Military Service in which he served for issuance of a duplicate. To assure the return of this Certificate, Veterans are cautioned to print their present permanent address on the Certificate.

Certain persons discharged or released from Active Duty are excluded from benefits under the new Mustering-Out Pay Law. They are:

- (1) Veterans who were not discharged under Honorable Conditions.
- (2) Those who, at the time of discharge or release from Active Duty, are transferred or returned to the Retired List with Retired Pay, or to a status in which they receive Retirement or Retainer Pay, except those retired or separated for physical disability.
- (3) Veterans discharged or released from Active Duty on their own request to accept employment, and have not served outside the Continental Limits of

the United States or in Alaska.

- (4) Members of the Armed Forces whose total period of service has been as a student in a civilian institution.
- (5) Any member of the Armed Forces for any active service performed prior to date of discharge for the purpose of entering the U. S. Military Academy, the U. S. Naval Academy, or the U. S. Coast Guard Academy.
- (6) Those whose only service has been as a Cadet at the U. S. Military Academy, or U. S. Coast Guard Academy, or as a Midshipman at the U. S. Naval Academy, or in a preparatory school after nomination as a principal, alternate, or candidate for admission to any such Academy.
- (7) Those who were ordered to Active Service for the sole purpose of training duty or a physical examination, or for a period of less than 60 days.

In the case of any Veteran discharged under Honorable Conditions after June 26, 1950, and who died after leaving the service and before receiving any portion or the full amount of Mustering-Out Payment to which entitled, payment of the amount due may be made to a surviving wife or husband, or if there is no wife or husband, in equal shares to his child or children, if any; and if the Veteran leaves no surviving wife, husband, or child payment may be made in equal shares to the surviving parents. Penalties are provided by law for making false claims for Mustering-Out Pay.

Mr. and Mrs. Kenneth Cook and Richard, Mr. and Mrs. Claude Brown and Ann, Mr. and Mrs. Dan Teuton and Vicki, Miss Mavis Tate, all of Lockney, and Mr. and Mrs. Charlie Holcomb of Tulla returned the past week end from a week's vacation spent at Lake City and Denver, Colo.

More than 3,700 miles of main track in West Texas is operated by the Santa Fe Railway.

ONE-A-DAY HOME HINTS

For a tasty sandwich dessert, take blackberry jam and spread between two slices of coffee ice cream. Wrap in wax paper and store in freezer compartment of refrigerator until needed.

More than 3,700 miles of main track in West Texas is operated by the Santa Fe Railway.

THANKS FOR YOUR PATRONAGE!

We have sold our Conoco service station on South Main Street to Melvin Cooper and we want to take this means of expressing our sincere thanks and appreciation for the fine patronage you gave us while we were in business there.

We are thankful for every consideration you have shown us.

We are now agents here for Miller & Miller freight lines and we trust that when you have freight to ship you will call us. We will appreciate a continuation of your patronage.

MR. AND MRS. JOHN CHANDLER

GOOD HEALTH

2 IS SANITATION IMPORTANT TO HEALTH?

1. WHAT IS CLAUSTROPHOBIA?

3. WHAT IS LEUKEMIA?

Answer to Question No. 1
Claustrophobia is one of the commonest fears—fear of closed-in places, like subways, elevators, small rooms. There are many other phobias (fears) such as fear of crowds, high altitudes, public speaking. Fears are perfectly understandable but as a rule irrational and may be caused by some past unpleasant experience or an inner mental conflict. Phobias are not to be considered weaknesses and people who are suffering from them will find it beneficial to consult their family physician.

Answer to Question No. 2
Yes, most important. U.S. Health is greatly aided by its bathtubs, toilets, proper sewage disposal, running water. Still seven million homes have no bathtubs or showers, six million housing units no private toilets, three million not even running water. If communities corrected these deficiencies, our national health would be greatly improved.

Answer to Question No. 3
Leukemia is a disease of the blood stream often spoken of as "cancer of the blood". It has no proven relation to cancer. It is usually fatal. It is diagnosed by examining the blood and finding a great increase in the white cells. Life can be prolonged by blood transfusions. Much research work in many laboratories is being done in the hope of finding the cause and the cure. There are two types of leukemia—acute and chronic.

Suggestions For Getting Off Black List Given By WTCC

Arlene. — Chamber of Commerce in 26 West Texas counties blacklisted by Mexico for alleged discrimination against Mexican nationals have been given suggestions by the West Texas Chamber of Commerce on how to go about getting their counties removed from that category.

They were advised to have county judges, sheriffs, and church, education and civic leaders write letters to the nearest Mexican consul declaring they do not sanction discriminatory practices and will seek to correct or eliminate them when they are called to their attention.

The WTCC suggested that each community chamber of commerce ask Mexican consuls what other requirements must be met to make possible employment of Mexican citizens in their counties.

Counties of the West Texas Chamber of Commerce territory currently on the so-called black list are: Bosque, Brown, Burnet, Comanche, Coleman, Clay, Crane, Coryell, Denton, Eastland, Ector, Erath, Gillespie, Hamilton, Hockley, Lampasas, Llano, McLennan, Menard, Mills, San Saba, Somervell, Tarrant, Winkler, Wichita and Young.

NEW FAMILY HERE

Mr. and Mrs. W. Edon Roberts and their daughters have moved to Lockney from Post. Mr. Roberts is special representative here for Rural Life Insurance Co. of Texas. They are living on South West Third Street. The Roberts have four daughters, twins Gay and Kay, 13 years old, Fern, 12 and Sue 10.

Watch your expiration date.

Lockney Loc's
No. 867
A. F. & A. M.
Regular meeting third Tuesday night at 7:30.
H. E. FRIZZELL, W. M.
E. A. CARTER, Secretary.

GOOD HEALTH

Answer to Question No. 1:
1. Yes, especially if they are good students. As a group college graduates are considered unusually good insurance risks. A recent study showed that college graduates (both athletes and non-athletes) whose scholastic achievements brought them honors lived longer than did other students.

Answer to Question No. 2:
2. In recent years the proportion of rural babies born in hospitals has increased more rapidly than the proportion of city babies. A good part of the increase is because of the spread of health information through

schools, newspapers and magazines, which emphasize the advisability of hospitalization for maternity cases.

Answer to Question No. 3:
3. Goiter is caused by a lack of iodine, which is required for normal functioning of the thyroid gland. In areas where the soil and water lack iodine goiter is most prevalent, not only among humans but among dogs, cats and fish. The addition of iodized salt to the diet in these areas is one means of correction. Not all forms are so serious as to need surgery. Consult your doctor.

What Are Federal Taxes Doing To Your Family?

What high Federal taxes and inflation are doing to family incomes in Texas and other states is brought out today in a report by the West Texas Chamber of Commerce.

Taking an average family of four (husband, wife and two children) as an example, the WTCC showed how today's family incomes at various levels compare with those earned in 1940 after Federal income taxes are deducted and due allowance is made for the reduced purchasing power of the dollar as the result of inflation. The study pointed out:

A family in the \$3,000 net income group today has \$2,866.80 for living expenses after Federal income taxes. This has a purchasing power of \$1,519.40 in 1940 dollars. But in 1940 this family had the use of all of its \$3,000 income.

A \$4,000 family today has \$3,644.80 left after taxes. This has a purchasing power of \$1,931.74 in 1940 dollars. But in 1940 this family had \$3,964.80 in 100-cent dollars after taxes.

As for the \$5,000 family today, it has left \$4,422.80 after Federal taxes. But this income is worth only \$2,344.08 in 1940 purchasing power. In 1940, however, this family had \$4,925.20 after Federal income taxes.

A \$10,000 family today has \$8,226.40 after taxes. But its purchasing power is \$4,359.99 in 1940 dollars. In 1940 this family had \$9,560 after taxes.

Frances and Eddie Stinebaugh from the Masonic Home at Fort Worth are here visiting their grandmother, Mrs. Laura Stinebaugh. They arrived August 1 and will visit here until Saturday when they will go to Memphis to visit their maternal grandparents, Mr. and Mrs. Tom Stewart for the remainder of this month.

REV. AND MRS. CHARLES WRIGHT are visiting in the home of his parents, Mr. and Mrs. David L. Wright of Lockney. They have been attending the Southwestern Bible College at Waxahachie, Texas and are here on summer vacation. They plan to go back to school for the fall semester Sept. 1.

Mr. and Mrs. T. E. Lester, Mr. and Mrs. Jim Settles of Lubbock, Mr. and Mrs. Kenneth Griffith and children, Wayne and Caroline of Plainview recently returned from a vacation trip to the Western States. They visited in San Diego, Calif., with Mrs. Lester's brother, Mr. and Mrs. Madison Morris and in Mountain View with Mr. and Mrs. Curtis Brock and family. They went to San Francisco sight seeing and also visited in the area recently damaged by an earthquake.

Miss Wanda Rhine, daughter of Mr. and Mrs. L. G. Rhine, returned Thursday by plane from Ridgecrest, N. C., where she had attended a summer camp. She left Sunday for San Antonio where she will attend a meeting of home economics teachers.

Janice and Kaylene Miller of Plainview visited Thursday in the Leslie Ferguson home.

Mr. and Mrs. W. C. Eiland returned Tuesday night from a two weeks visit with her sons, R. B. and Eugene Thompson and families at Corpus Christi. They enjoyed boat riding and fishing in the bay while there.

EDITORIAL

And it shall come to pass that before they call, I will answer; and while they are yet speaking I will hear.—Isaiah 65:24.

People of the plains are fortunate to live in an area that is not continually beset by drought. A good part of Texas has drought troubles more years than not it seems, and now most of the nation is being troubled the same way. Many local people who go away on vacation come back saying there is no area that can compare with this one. Even now crops are burning and dying in most of Texas while the high plains has one of the best crops in history.

Eventually we expect that this advantage of living in the state's best farming area will sink in on the crowded population of other parts of the state and this area will come into its own from the population standpoint. The population in West Texas has grown considerably in the past 10 years but it is due to grow

more and more. Some day we expect to see the population density of West Texas reach and perhaps surpass that of East Texas.

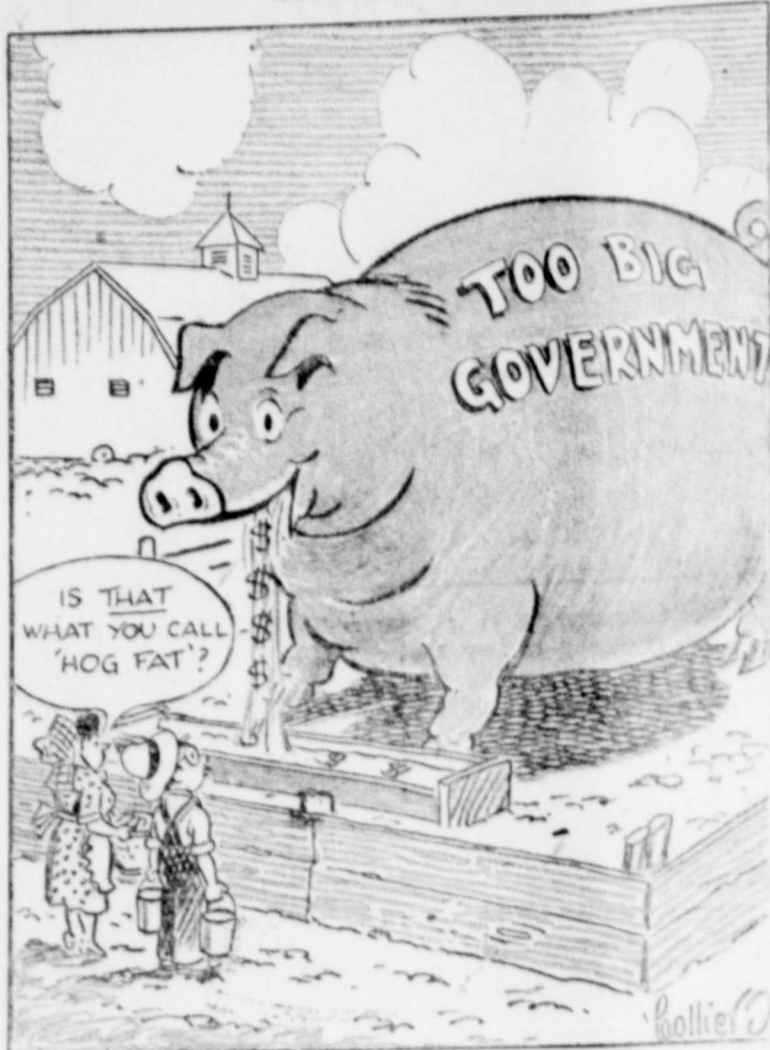

We see no reason why this community will not be as crowded with transient laborers this fall as it was last. If this is to be true now is the time to prepare to take care of them. Last fall most all local business houses were hard pressed to take care of the demands for their services or wares. If plans can be made now to better handle the situation it would be profitable to all.

Thinking of buying one of the new synthetic soil conditioners? We don't know a thing about this new type of farm aid but a letter from Agriculture Commissioner John C. White says that the new chemical is still in the experimental stage and that the farmer should retrace when he buys this that he is doing the experimenting. A product of this nature is being manufactured by several different companies, some of which have proved to be worthless while others showed characteristics of value to the soil. The first kind of product developed was a grayish white powder that was recommended to do away with crusting of the soil and gave the treated area the characteristics of good garden loam. It will be applied one pound to 100 square feet of soil.

Perhaps this product, when it is fully developed, will be the answer to the crusting problem of high plains farmers. Such a thing would be of inestimable value to the farmers of this area.

Why is it that the great brains the experimental world cannot develop a really successful cotton picker or puller? Of course we do have mechanical harvesters that are doing a fairly good job now but the conditions must be right, the time must be right and other things have some control over the degree of success the harvester enjoys. What we need is a machine that can be adjusted to any condition or time. Is it possible that the brains who developed the atomic bomb, the jet plane and the television sets are incapable of working out this simple problem? Or is the reason the fact that top scientists are not interested in the every day problems of common people.

SURE IS, LADY!

With Our EXCHANGES

LOTS TO BE CONSIDERED

We've decided that its all in the point of view. We were interested this week in hearing some national politics discussed wherein a middle-aged fellow was very definite in his intentions to vote Democratic "all the way." And he was telling a younger fellow, "You just don't remember the depression, and if we have another, it is because fellows of your age are going to tip the balance to the Republicans. I never made so much money before the Democratic regime. I never had so many opportunities of conveniences; I was never able to borrow at such low interest rates."

Evidently the listener was being censored because he had not experienced the full economic cycle.

But on the other hand, that speaker had missed a lot that the listener knew much about. The veteran could remember two wars, both in the last decade, that prompted this false prosperity at the expense of the GI. Should he be asked to discount this experience just because he could borrow money easier and cheaper than in previous decades?

More and more we believe it is folly to be dogmatic in any other realm than that of sure life, death, and life after death. Everything else is subject to the experiences, environments, and individual tastes and opinions of the individual. — Priona Star.

WHY YOUNG PEOPLE ARE BRIGHTER NOW

One of the most astounding things of the last World War

No dusting necessary
 That's right, with Dr. Salsbury's Vapo-Roost, killing poultry lice is easy. Just spread Vapo-Roost on the perches. Its vaporizing action does the rest. There's no dusting, no dipping, no handling of birds. Kill lice with Vapo-Roost, the easy, economical way. One pint treats 500 feet of roosts.

When you need poultry medicines ask for **DR. SALSBUARY'S**
Lockney Drug Co.

stance illustrates the point. It is a picture of a little girl getting an early start on learning to drive by having a plastic steering wheel attached to the cowl of the car by a suction cup. As she goes driving with dad or mother, she has the fun and experience and judgment that goes with actual conditions on every corner. She learns by seeing—not by being told.

WORTH THE DUES

"Remember to send all solicitors to the Chamber of Commerce office," warns O. O. Smith, chairman, Retail Merchants' Division, "whether they are asking for prizes, cash, or selling so-called advertising space in a program or whatnot." He has set out the following points for merchants to remember:

1. Always be more cautious when called upon by a solicitor from out of town.
2. Beware of the fellow who solicits over the telephone — make 'em come to you personally.
3. Watch that solicitor who must have a hurried decision.
4. Don't be persuaded in your action by reference to particular groups, patriots, religious, political or otherwise. Send all representatives to the Chamber of Commerce headquarters for investigation.
5. Don't pay cash to anyone for goods or advertising you have not received.
6. This one Chamber of Commerce protection service alone will save you many times your C of C dues this year. — The Pittsburg Gazette.

EXCHANGE LEVELLAND GOES DAILY

Levelland's first daily newspaper will begin publication Sunday, August 31, according to Forrest Wimehold, publisher of the Herald-Sun-News. The Sun-News which has been serving Levelland for the past six years is being converted into the new daily publication that will be published each afternoon Monday through Friday and Sunday morning — The Levelland Sun-News.

Long Ago In Lockney

Items of interest from the file of The Lockney Beacon.

March 3, 1914

March 2 shortly after noon fire broke out in the rear of the Olin Frye home occupied by Mr. and Mrs. J. L. Norris. Heroic work saved the building but not until it was badly damaged.

Word has been received here of the death of Mr. J. A. Burns which occurred at Blueridge last Saturday night.

Lockney Chamber of Commerce decided to endeavor to interest immigration agents in the Lockney country and as foundation a committee of three was named comprised of Messrs. C. A. Wofford, A. R. Meriwether and R. M. Broyles whose duty will be to see those who wish to sell land and list the same.

This week the commissioners heard in session at Floydada the petition of citizens in the northwest part of the county for the establishment of a new school district.

October 22, 1920

The Farmers Elevator was destroyed by fire last night at 12 o'clock. This elevator was a new one and was not completed in every detail.

Our friend Harding Nail sent to The Beacon one day this week a sample of his sweet potato crop. The potatoes weighed four to six pounds and are of the old time yam variety.

The School Amendment will be voted on in the coming November election.

The total of farms in Texas is 435,666 as against 417,770 ten years ago and 350,190 in 1900.

March 26, 1931

City election ticket is as follows:

The Rock Island railway lines, which entered the Texas Panhandle in 1901 and 1902, will mark their 100th anniversary in October.

SUNLOVER

Five gay cotton bags that once contained feedstuffs for the chickens now double as a beehiving camouflage costume for a sunlover's lass. It's another pretty print from the feed store fashion salon. Worn with the skirt, this outfit could be worn as casual daytime wear almost anywhere, the National Cotton Council says.

Methodist Notes

Our church building is coming along very nicely. I hope it will not be many months until we will be moving into it. As Ruskin has said: "When we build, let us think that we build forever. Let it not be for the present delight nor for present use alone. Let it be such work as our descendants will thank us for, and let us think, as we lay stone on stone, that a time is to come when these stones will be held sacred because our hands have touched them, and that men will say as they look upon the labor and wrought substance of them: 'See! This our Fathers did for us.'"

Here is a parable written by one of our good preacher friends you may enjoy and profit from. Read:—

PARABLE OF THE VACATIONIST

Now it came to pass, as the summer drew nigh, that Mr. Church Member lifted up his eyes unto the hills and said, "Lo, the hot days cometh and even now are at hand. Come let us go unto the heights, where cool breezes refresh us and glorious scenes await."

"Thou speakest wisely," quoth Mrs. Church Member. "Yet, three, yea, four things, must we do before we go."

"Three things I can think of, but not four," responded Mr. Church Member. "We must arrange for the flowers to be weeded, the chickens fed, and the mail forwarded, but the fourth eludes my mind."

"The fourth is like unto the first three, yet more important than all. Thou shalt dig down into thy purse and pay thy Church Pledge that the good name of the Church be preserved, and that it may be well with thee, for verily I say unto thee, thou hast more money now than thou wilt have when thou dost return."

And it came to pass that Mr. Church Member paid his pledge for the summer, and the treasurer rejoiced greatly, saying, "Of a truth, there are those who care for the Lord's work."

And it was so.
 Newton Daniel, Pastor.

Citizenship Contest Winners Named

Abilene. — Amarillo, Midland, Dumas and Tulla won the second phase of the West Texas Chamber of Commerce Fundamentals of Citizenship Contest.

Winners in this second leg of the contest reported the largest portion of qualified voters attending party precinct convention in May, in four population groups.

Amarillo and Midland also won the first phase, based on number of persons who paid their poll tax in comparison with county population.

The third leg winners will be determined by percentage of population that cast ballots in the July 26 primary. The final round will be determined by the vote cast in November general election.

Beside Amarillo and Midland, Breckenridge and Albany were winners in the first phase. Dumas was fourth in that part of the contest and Tulla, second in its group.

The final winners will be recognized at the annual convention of the WTCC in Wichita Falls, October 19, 20 and 21.

Texas Farm Income Over Half Billion

Austin. — Texas farm cash income for the first six months of 1952 totaled \$377,000,000 compared to \$386,000,000 in the same 1951 period, the University of Texas Bureau of Business Research reports.

Researchers attribute the drop to lower income from cats, corn, grain sorghum, peanuts, cattle, calves, hogs, sheep and lambs, wool, mohair, and eggs.

Ahead of last year are cash returns from cotton (up 214 per cent), cottonseed (up 133 per cent), wheat (up 180 per cent), flaxseed (up 2,240 per cent), poultry (up 19 per cent), milk and milk products (up 10 per cent), and fruits and vegetables (up 29 per cent).

GO TO CHURCH SUNDAY.

RAYMON G. SPRADLIN, Manager

To The Voters Of Floyd County:

Due to the fact that the duties of the Sheriff's Office have been extremely heavy, I have been unable to contact all of the voters of the county. If I have missed seeing you I assure you that it was not done intentionally as I believe the duties of the office come first as law enforcement must go on just the same.

As your Sheriff I have worked hard at all times to make you a good officer and have maintained a staff of Deputies who have worked diligently and faithfully in trying to combat and keep crime down to the extent that Floyd County is considered as one of the cleanest Counties in Texas as far as crime is concerned.

As my best recommendation I offer the record I have made in the office since I have been serving as your Sheriff, and if elected I will do my best to give the kind of service that I know you are justly entitled to, trusting that you will consider this as a personal appeal for your influence and vote on August 23rd.

I am your friend,

LELAND HART

Thick Cotton Is Best For Stripper Harvesting

Cotton stripper efficiency has been shown higher when plants are close together, in experiments done for a master's thesis at Texas Tech by Levon L. Ray, assistant agronomist at the Lubbock Experiment Station.

"We found losses in harvesting are less when cotton stalks are 3 inches apart than when they are 13 inches apart. In the lower cotton population the losses are 76 per cent higher, and 83 per cent more stems are found in the harvested cotton," he says.

"The heavier planting rates, one bushel or more per acre, should be used where the harvesting is to be done with the mechanical cotton stripper," says Ray.

Ray's thesis is a sub-project of a program conducted by the Texas Agriculture Experiment station to determine the over-all stand for mechanical harvesting. This area is especially suited for mechanical harvesting, Ray says, because of the level ground. Small harvesting costs are necessary because the short growing season prohibits extra large yields and high quality fiber. The amount of mechanical

harvesting has jumped from 10 per cent before the war to 50 per cent today.

In thickly planted cotton the height of the stalk was reduced from 30 inches to 20 inches. The stalk at the base of the dense cotton was never more than the 3/4 inch wide prongs of the stripper. About 6 per cent of that thin plant had a base too large to fit the stripper. Thickly planted cotton doesn't have more weeds, he says, but actually discourages weed growth because the ground is more shaded.

"There is no significant difference in the yield," he added, and the vegetative weight of the plant, the seed, lint and butter, remains the same.

"Increasing the number of plants per acre increases the height that the fruit will be borne from the ground. Also there is a much shorter limb length in the thicker planted cotton," he states. The limb was reduced from an average of 19 inches to 7 inches. Long limbs interfere with the stripper and many will be picked up by the stripper and carried back to the gathered cotton.

ONE-A-DAY HOME HINTS

Make waffle batter the night before and store it in a container on the refrigerator shelf. It saves last-minute preparation.

OUR DEMOCRACY by Mat

EVERYBODY TALKS ABOUT THE WEATHER— BUT NOBODY DOES ANYTHING ABOUT IT.

—AN OLD SAYING, CURRENT IN OUR FATHERS' TIME, THAT NEVER REALLY STOOD UP THEN—WHAT WITH UMBRELLAS, SUNSHADES AND SUCH, IT STANDS UP EVEN LESS TODAY.

TAKE THE FARMER, FOR EXAMPLE—MORE DEPENDENT ON THE WEATHER THAN MOST. HE NOW HAS DROUGHT-RESISTANT CORN AND GRAINS—AND IS EVEN EXPERIMENTING WITH MAKING RAIN. HE HAS ROT AND RUST RESISTANT PLANTS AND IS DEVELOPING WAYS OF MAKING HAY WITHOUT SUNSHINE. THUS HE CAN PROTECT HIMSELF AGAINST SOME OF THE PRINCIPAL WEATHER RISKS—JUST AS THE AMERICAN FAMILY TODAY, THROUGH LIFE INSURANCE AND SAVINGS, CAN PROTECT ITSELF AGAINST SOME OF THE HAZARDS OF THE FUTURE.

Dr. Cox Discusses Polio Cures

Austin. — The control of any disease must be based upon facts and not theory, asserts Dr. Geo. W. Cox, State Health Officer. The reason for this statement is based on the numerous theories sent the State Health Department for the cure or prevention of polio, diarrhea and dysentery.

The spread of polio, for instance, has been blamed on weeds, air, bananas, milk, tamic radiation and many other items. All of these are theories and have no basis of fact. Facts in disease are arrived at in the laboratory, the sick room and the environment of the patient. Facts are necessary and must be the guidepost for the control of disease.

Dr. Cox is authorized by law to accept gifts and contributions for public health. The first gift to aid in research on the part played by flies and cockroaches in the spread of polio is two monkeys from Bellaire. Others

will be needed to complete the study. Any contribution will be appreciated.

Education work in dysentery and diarrhea — which kills far more children than polio — is being hampered by lack of personnel to do the work. Cox said Texas has six times more dysentery and diarrhea than the national average. There were 1099 infants under one year of age who died of this cause in 1951.

"When we get rid of these two filth borne diseases, we will have done the best thing in the world to get rid of polio," he asserted. "But it takes resources to do it.

Fund and equipment shortages have been a stumbling block to the whole research program in Texas, Dr. Cox said. Despite the fact that the State Bureau of Laboratories has consistently won top honors in national competition for accuracy in disease identification.

Completion of the Berger-Stinnett segment recently linked Berger and Guyton, Oklahoma with modern paving.

IT'S THE LAW in Texas

LAWYERS' DUTY TO PERSONS ACCUSED OF CRIME EXPLAINED

People often misunderstand the reason a lawyer puts up the fight he does for a client who is accused of a crime. "It might be all right," they say, "if the man were innocent, but why put out so much effort defending him when everyone knows he is guilty?"

The obvious answer is that not everyone knows all the material facts. The accused is not a criminal in any legal sense until, by due process of law and under rules of evidence insuring equal justice, the court and jury arrive at the conclusion that he has committed a crime.

The Canons of Ethics governing the lawyers of Texas say: "It is the right of a member (of the State Bar of Texas) to undertake the defense of a person accused of crime, regardless of his personal opinion as to the guilt of the accused; having undertaken such defense, the member is bound by all fair and honorable means to present every defense that the law of the land permits, to the end that no person may be deprived of life or liberty but by due process of law."

If this were not the case, innocent persons, victims only of suspicious circumstances, might be denied proper defense. Such legal defense is a basic principle of American justice. The rights of the accused to defend himself are nowhere as well guarded as in the British Commonwealth and the United States where government is based on the common law.

In France and other European countries a person accused of a crime is presumed to be guilty. If he is to escape the penalties of the law, he is obliged to prove that he is innocent. But in common law countries an accused person is presumed to be innocent until the state presents enough properly admissible evidence to convince an impartial jury that he is guilty beyond a reasonable doubt.

In serious cases, if the accused cannot afford to hire his own attorney, the court is re-

quired to appoint a lawyer to defend him without charge. The Canons of Ethics require the lawyer to defend such a man. Corresponding to the Canon governing lawyers who defend the accused, there is one for the prosecuting attorney—the attorney retained by the government to present its case against the accused. The Canons of Ethics on this point say: "It should be the primary duty of a member engaged in public prosecution not to convict, but to see that justice is done."

How seriously the public, as well as lawyers, considers the rights of defendants accused of crime is found not only in indignation against government officers who violate these rights, but also against mobs which try to take the law into their own hands. If either officers or mobs can take over the law, then no one is safe and the basis of our type of civilization is gone. The laws pertaining to criminal trials were made, not only to protect the rights of the accused, but to protect the rights of all persons.

(This column, based on Texas law, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

ARE YOU PROTECTED AGAINST 12 DREAD DISEASES?

If not, see us today for a CERTAIN LIFE policy. It covers you and member of your family for the cost of treating any one or all of 12 dread diseases up to the amount of \$12,000 for one member. The cost is only—

THE BEACON

DIAL 3318

Plains Theatre Lockney

THURSDAY and FRIDAY August 14 and 15

"Bend Of The River"

with James Stewart, Arthur Kennedy, Julia Adams.

It was tops as a historical novel — and now its even better as a master piece of motion picture entertainment — the story of hardy trail blazers and the women they love.

Also CARTOON

SATURDAY MATINEE and NIGHT August 16

"My Outlaw Brother"

with Mickey Rooney, Wanda Hendrix and Robert Preston.

Not since the cry of "Viva Villa" has the screen flamed with such excitement — such furious adventure — filmed amid the glorious scenic beauties of Mexico.

Also CARTOON

SUNDAY and MONDAY August 17 and 18

"Just Across The Street"

with Ann Sheridan and John Lund

They did it for laughs — and a little loving too! The hilarious saga of a poor working girl—and the guys she's trying to work. It's a riot of love and laughter.

Also CARTOON and NEWS

TUESDAY, WEDNESDAY and THURSDAY August 19, 20 and 21

"Boots Malone"

with William Holden

The story of a boy who left home and the Mom who never had one — deserving a place beside such immortal films as 'The Champ' and 'The Kid.' William Holden the hardened race track follower whose heart melted for a lonesome kid.

Also CARTOON

SEALE DRIVE-IN THEATRE

2 1/2 miles west of town on the Plainview Highway

COME EARLY and eat at our Snack Bar—Home-made barbecue and chili in our sandwiches and hot-dogs. Also cold drinks, snow cones, pop corn, etc.

THURSDAY and FRIDAY August 14 and 15

"Invitation"

with Van Johnson, Dorothy McGuire, Ruth Roman.

Excitement, suspense, tender romance — all combined in one of the dramatic movie highlights of the year — the story of a bargain in love that paid lifetime dividends.

Also CARTOON

SATURDAY NIGHT August 16

"Raton Pass"

with Dennis Morgan and Patricia Neal

Raton Pass — road to an empire of treachery and violence — where the people are as fabulous as the country they rule — in a showdown battle for the keys to all the west.

Also 2-REEL COMEDY

SUNDAY and MONDAY August 17 and 18

"Scaramouche"

with Stewart Granger, Eleanor Parker, Janet Leigh, Lewis Stone.

Daring and spectacular — a thrilling, romantic spectacle in technicolor — dashing Stewart Granger makes love to fiery Eleanor Parker and demure Janet Leigh.

Also CARTOON

TUESDAY and WEDNESDAY August 19 and 20

"Three Husbands"

with Eve Arden, Howard De Silva, Emyln Williams

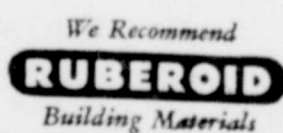

He was their best friend — their wives were his best friends — what happened? Their wives craved attention and got it from a gay bachelor. He left them his estate. Sophisticated and merry.

Also CARTOON

Enjoy Carefree Automatic Gas Cooking

Don't tie yourself to your kitchen. Install an automatic Gas Range built to "CP" standards. No range is more automatic! An automatic gas range will cook a complete oven meal for you while you are miles away from home.

Only gas ranges give you smokeless broiling. The clean blue flame of natural gas consumes grease and food vapors and leaves your kitchen smokeless and fresh. Ask your dealer to install an automatic gas range in your kitchen. There is no finer cooking appliance.

West Texas Gas Company

HELPING BUILD WEST TEXAS SINCE 1927

South Plains

by Mrs. Murray Julian

Brother Fred Bretz from Wayland College, who was accompanied by his wife was the visiting minister who filled the pulpit on Sunday morning, and at the evening services at the South Plains church. Mr. and Mrs. Brian Karr were hosts to the Bretz family for Sunday dinner and for lunch at night. Rev. Chas Joiner was a guest at the home of Mr. and Mrs. Karr also.

Mr. and Mrs. Dock Jones, Franklin D. and baby, left Monday for a short trip to east Texas. They visited Mrs. Jones' aunt, Mrs. Will Logan and family and many other relatives and friends in Ector and Olney. The Jones' returned Thursday night.

Mr. and Mrs. Grigsby Milton, Barbara Sue and Donita were Sunday dinner guests and afternoon visitors at the home of Mr. and Mrs. Arby Mulder. Yvonne Karr was a visitor at the Mulder home visiting Catherine Mulder.

Mr. and Mrs. Robin Fortenberry of Cedar Hill were hosts at dinner on Sunday to Mr. and Mrs. Fred Fortenberry and Elmo who spent Sunday afternoon with them.

Mr. and Mrs. Ewell Bond from Silverton were Sunday dinner guests and afternoon visitors at the home of Mr. and Mrs. A. P. Sanders after church services on Sunday.

Mr. and Mrs. H. S. Calahan, Sr. from Lockney were guests on Monday and Tuesday at the home of Mr. and Mrs. H. S. Calahan Jr. and girls. Little Cathy Callahan was ill over the week end with ear trouble and a sore throat.

Mr. and Mrs. Walter Wood left on Thursday morning for about a weeks stay at Powell, Wyoming where they are going to visit their daughter Mrs. Jack McCown and family.

Rev. and Mrs. John Allen arrived home from Luttie, Texas late Sunday night. On Monday morning they went to Carlsbad, N. M. for a brief sojourn there. They planned to go through the caverns and see some of the sights around Carlsbad and they intend to be back at the parsonage on Wednesday.

Mr. and Mrs. Leo Brown accompanied Mrs. Menard Field to Benkleman, Nebraska a short while back and they enjoyed looking at the country around Benkleman. The Browns have decided to move to Nebraska the first of the year and go on a farm there near Benkleman. Mrs. Field is still visiting back there and we may lose both the Browns and the Fields in the near future. We sincerely will miss the friends who are moving away from our community.

My Neighbors

By BILL PAULSON

"I read that 17,000,000 people are gettin' government checks every month, but that don't keep 'em from wantin' more credit!"

Mrs. Cobb from Tulla, the sister of Mrs. Arby Mulder has been ill and in the hospital at Plainview this past week. The Mulders have spent a great deal of time visiting her and we hope Mrs. Cobb is well and able to be home now.

Mr. and Mrs. Bryant Higginbotham, James Alton and Bud spent Sunday visiting with friends at the Hardeman County reunion which was held in Lubbock at the Mackenzie Park on August 3.

Mr. and Mrs. H. L. Marble had guests on Wednesday and Thursday at their home. Mrs. J. W. Burgett and Lajuana from Bowie, R. N. Burgett and J. L. King from Floydada and Mr. and Mrs. Clarence Laws, from Coleman visited the Marbles at their home.

T. A. McCain from Fort Worth arrived Monday to spend the week with his daughter, Mrs. Fred Fortenberry and family. On Friday Mr. McCain, Mrs. Fortenberry and Elmo went to Amarillo to spend the day visiting with the three McCain brothers and their families. Mr. McCain stayed there to visit awhile before returning to his home in Fort Worth.

Mr. and Mrs. J. B. Smitherman left South Plains Friday for a family reunion which was held on the week end near Waco, Texas. Mrs. Smitherman's father, P. K. McKenzie and his side of the family held the reunion, which is an annual affair. Mr. and Mrs. Smitherman arrived home on Monday afternoon and reported it was quite hot on the trip.

The summer revival will begin on Sunday, August 17, at the First Baptist Church of South Plains and the minister will be Rev. Clifford Potts from Tucumcari, New Mexico, formerly of Matador. Everyone is welcome at

the meetings, so plan to come.

Early Joiner left for Rye, Colo. Monday morning and Mrs. Joiner, Gordon and Rev. Chas. Joiner will join them at the ranch during this coming week. They plan to be at the ranch for the entire month of August.

Mr. and Mrs. Murray Julian, Terry, Kendis and Bruce went to Buffalo Lake Tuesday morning and spent the day and night fishing and camping out. They returned home via Amarillo Wednesday and Kendis remained there to spend the week with his cousin, Gene Nichols. On Monday they both returned home by bus, and Gene will be visiting in South Plains this week with Kendis.

Club Meeting

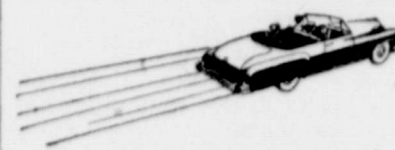

The South Plains Home Demonstration Club met Wednesday, July 30 at the home of Mrs. Murray Julian for a call meeting, the purpose of the meeting was to make baskets, the material which did not come in for the regular meeting date. The 4-H Club girls met with the club women, and enjoyed making baskets during the afternoon. Mmes. I. H. Parks, George Robertson and Owen Thornton were co-hostesses for the afternoon, and after the basket making, they served delicious refreshments to the following members: Mmes. George Beedy, J. P. Taylor, John Smitherman, J. B. Thames, Grigsby Milton, John K. West, H. L. Marble, Harry Hartman, Otho Sanders, George Weast, Bryant Higginbotham, Leo Brown, Eulan Bradshaw, one visitor, Mrs. Clarence Laws, from Coleman, Martha Lee Sanders, and the hostesses, Mmes. I. H. Parks, Owen Thornton, George Robertson and M. M. Julian. 4-H girls present were Virginia Taylor, Winnie Hartman, Donita Milton, Louise Pritchett, Sherlene Teeple, Eulalia Sanders, Twila June Brown and a visitor, Faythe Lawson.

Faythe Lawson has been visiting in South Plains with her aunt, Mrs. I. H. Parks and family for the past two weeks.

David Smith, grandson of Mr. and Mrs. George Weast, has been staying with the Weasts this week and will be there next week, while the parents, Mr. and Mrs. R. L. Smith from Sterley are away on their vacation up through Colorado and the Yellowstone park area. Mr. and Mrs. R. W. Smith of Sterley, also grandparents of David visited him and Mr. and Mrs. G. F. Weast on Tuesday morning.

Greenbelt Game At Childress Friday

The annual Greenbelt Bowl football game, featuring high school stars from over West Texas, will be played at Childress Friday evening of this week.

Ray Ferguson, star halfback on the Lockney Longhorn team for the past three years, is named on the lineup but The Beacon has been unable to find out whether he will play or not.

Dixie White and Prince Scott, both of Midwestern University are coaching the east team and Jack Mitchell and Bobby Goad, both of Texas Tech are coaching the west team, on which Ferguson is listed.

Revival In Progress At Aiken Church

An old fashioned brush arbor revival is in progress at the Aiken Baptist Church, located one mile north of Aiken on Farm Highway 788. Rev. C. A. Kennedy, pastor of the First Baptist Church of Abernathy is doing the preaching. He is a former missionary to Africa. Roy Harris, of Wayland College, Plainview, is leading the singing. Rev. O. J. Welch is pastor of the church.

Clarence Messimer Is In Korea

Mr. and Mrs. Frank Messimer received a letter this week from their son, Clarence, stating that he had arrived in Korea and is now serving on a ship about 35 miles from Incheon. Clarence entered the army May 10, 1951, took his basic training at Fort Eustis, Va., completing his training and receiving a promotion to private first class on December 7 of that year. He was assigned to the transportation corps and sent to Fort Jay, N. Y. After a furlough here in June he reported to Seattle, Wash., from which place he was shipped overseas. His present address is Pfc. William C. Messimer, US54059227, 339th HC&MM Co., APO 59, Postmaster, San Francisco, Calif.

Holt Asks Check On Garbage Cans

Joe Holt, chairman of the local Public Health Committee this week asked that residents check their garbage cans to be sure that the cans were covered with fly-tight lids. Also he suggested that all trash be placed in the alley so that the city could have it removed.

Mr. Holt said that possible breeding places for flies and mosquitoes should be removed and every precaution taken to prevent polio. "We are fortunate that we haven't had a case in town thus far and we certainly want to do everything we can to prevent it," he said.

A dog's normal body temperature is 101 degrees or more.

Seattle, Washington is named for the Indian chief Seattle.

Shrine Circus Is This Week End

The Shrine Circus, composed of 46 acts, is scheduled to show at the Plainview Football Stadium Friday and Saturday of this week. Performances will be held at 2:30 p. m. and 8 p. m. each day.

Lockney merchants have a number of tickets for children under 12 which will be given free to anyone needing them. Also free transportation will be furnished those who need it to the circus for the afternoon performance. The cars will leave here at about 1:30 from the high school building.

Children who want tickets to the circus should inquire at the First National Bank or other local business houses.

Only A Trace Of Rain Here

Joe Holt, local weather observer, reports that only a trace of rain fell here last Saturday night. Floydada reported 1.43 and Plainview had .40 of an inch.

Plenty of shade, water and a balanced diet are must for growing pigs in the summer time. Neglecting the pig crop now can cause trouble this fall. The pigs will not be ready for the early fall market.

Mrs. Ragle's Mother Claimed By Death

Mrs. Amanda Christine Daniel, mother of Mrs. Roy Ragle of Lockney, passed away at her home in Megargel Saturday, August 2. Funeral services were held at Megargel on Monday, August 4 with burial in the Megargel cemetery.

Mrs. Daniel had been ill for two years. She was 80 years of age at the time of her death.

She was born July 31, 1872 near Athens, Alabama. She moved to Texas with her parents when she was 13 years of age, settling in Parker County. In February 1888 she was married to Eli Francis Daniel. He passed away in 1938.

Survivors include three sons, W. L. Daniel, Wichita Falls; A. A. Daniel, Denton; R. L. Daniel, Kermit; six daughters, Mrs. L. D. Talbot, Megargel; Mrs. B. F. Neal, Helena, Okla.; Mrs. R. M. Carr, Newcastle; Mrs. Marie Miller, Oklahoma City; Mrs. Ragle of Lockney and Mrs. Carl Walsh of Iowa Park. Two brothers, 38 grandchildren and 37 great-grandchildren also survive.

Heart Attack Fatal To Charles Camden

Charles Camden, about 61, a longtime resident of Floydada and Amarillo, died Friday about 7 p. m. of a heart attack after being rushed to the Mercy Hospital in Slaton.

Camden had resided in Slaton just since October, moving there from Amarillo where he had lived for the past 30 years. Previously he had resided in Floydada for 40 years.

Survivors include his wife; two sons, Thomas Camden, Amarillo, and Bob Camden, Post; three daughters, Mrs. S. J. Furrow of Amarillo, Mrs. E. O. Beck of Amarillo, and Mrs. E. B. Custer, Slaton.

DINNER GUESTS

Dinner guests in the home of Mr. and Mrs. Kenneth Wofford and family Sunday evening were Mr. John Belt, Mr. and Mrs. J. R. Belt and family, Mr. and Mrs. Gene Belt and boys and Mr. and Mrs. Bob Jarrett and girls. Colorful slides made on their vacation were shown in the evening.

VISITS FROM ALASKA

Mr. and Mrs. Ralph D. Wofford from Palmer, Alaska visited in the homes of Mr. and Mrs. O. D. Wofford of Aiken and Mr. and Mrs. Kenneth Wofford of Sterley last week. Those present for the Sunday dinner in the home of Mr. and Mrs. O. D. Wofford were Mr. and Mrs. Jesse Wofford and children, Mr. and Mrs. Finis Myrick and children of Lubbock, Mr. and Mrs. Ralph Wofford and family, Mr. and Mrs. Kenneth Wofford and family.
