SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 51

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, SEPTEMBER 18, 1952

NUMBER 23

Longhorns Play Dimmitt At Home Friday Night

The Lockney Longhorns will make their first home appearance of the season Friday night when they play the Dimmitt Bobcats on the home field. Game time is 8:00 o'clock.

The Longhorns will be trying to get even with the Bobcats who edged them out last year at Dimmitt 20-19. In that game the Longhorns led most of the way and appeared to have the game iced away at one time. The Bobcats lost most of their backfield and half of their line since last year as did the Longhorns so the game is again expected to be close. The Bobcats also have a new coach this year.

The Longhorns were working this week to polish up their plays and get ready to give the Dimmitt boys a warm welcome. Coaches Curtis Kelley and Elvin Lyon expected to start about the same line up they did against Olton last week, they said Wednesday. This includes an offensive team as follows: Aubrey Cox and Teddy Carthel at ends, Kenneth Williams and Deanie Quisenberry at tackles, Joe Taylor and Orland Gilbert at guards.

The lot on the corner just east of the J. L. Dagle apartment house has been leased by the school for parking purposes at football games this fall, officials said Wednesday. Patrons may park their cars on this lot with charge.

John Dorman at center, Bill Paschal, quarterback, Bill Sherman and C. B. Smart, halfbacks, Norton Baker, fullback.

Lewis Foster, Wayne McClure, Roy Johnson, Roger Conner and possibly other boys will see some action either on offense or defense.

This will not be a district game since Lockney plays in 3-A and Dimmitt is in 2-A.

Three ticket windows will be open to sell admissions to the game, Supt. W. C. Irons said Wednesday. Also those who have reserve seat options should have their reserve seat ticket with them since these tickets will be checked at the entrance to the reserve seat section, he said.

Officials will be Doyle Calloway, Francis Fontaine and Mo Turner, all from Lubbock.

New Commercial Teacher Employed

Miss Jane Kirkland was employed this week to teach commercial subjects in Lockney High School. Supt. W. C. Irons had been trying for several weeks to secure a teacher for this subject.

Miss Kirkland is a graduate of East Texas State Teachers College at Commerce. Her home is at Quitman. She will begin her duties here Thursday morning.

Lubbock Boosters To Be Here Tuesday

A group of Lubbock boosters, advertising the Panhandle-South Plains Fair, will be in Lockney next Tuesday from 9:30 to 9:50. It was announced this week. The boosters will stop at the schools as well as in the business section of town.

The men will distribute some phooney money, free fair tickets, souvenirs and copies of the annual fair newspaper. A trio from Reese Air Force Base will be on hand to provide entertainment.

LEASE CONOCO STATION

Tommy Weathers and R. C. Rogers have leased Henry's Conoco Station at Aiken and are now in charge of it. Delbur Rose has recently been operating the station. Weathers and Rogers will handle tires, batteries and other accessories as well as various brands of oil, they announced this week.

Cotton Pulling Is \$1.50 Per Cwt.

Pulling price for cotton in this area appeared to be \$1.50 per hundred in the field and \$1.75 delivered, according to a survey made this week. Every farmer contacted who had hands in the fields was paying this price and it was also the price quoted at Lubbock by the Texas Employment Commission bulletin this week. Opinion of all farmers contacted was that, considering the quality of the cotton, this was a good price and that it should stay at this level. Since this area has about all the good cotton in the county, plenty of hands are expected here.

One man, illustrating the cost of raising pulling prices, figured that on the 150,000 bales estimated for Floyd County and the 220,000 bales predicted for Hale County, if the pulling price was raised 50c per bale above what it should be it would cost the farmers of the two counties \$3,700,000.00 additional.

The problem of hands is not expected to be as big this year as the problem of housing those who want to pull. Another factor in favor of the farmer in this area is the large number of Mexican Nationals who have been contracted for the immediate Lockney area. A check by The Beacon Wednesday showed that a total of 1578 Nationals had been contracted for and probably another 500 will be asked for before the season is very old. This is in the Lockney area alone. Many hundreds of others are coming to Hale County and other counties in the area. Nationals will begin arriving here this week.

Gins were getting ready and the gin capacity in this area is estimated to be nearly 50 percent greater than last due to new gins built and improvements in existing gins.

New gins in this area include the Storie Gin just west of town, another Whittenburg Gin in South Lockney and a new gin at Lone Star. In addition Lockney Gin has added to their capacity as has the South Plains Gin at Sterley and Patterson Gin here has added some new equipment.

This makes a total of 12 gins in this area. Possibly other gins have improved their plants. It is believed that gins of the area will be in much better position to take care of the crop this year and that very little, if any, of this crop will have to be ginned out of the county.

The estimate of 150,000 bales for Floyd County is being questioned by many local farmers and they are running their estimates down to around 100,000 bales. Dry land cotton is very poor this year and many farmers say that their irrigated cotton is not as good as it was last year.

3-Month-Old Baby Dies Thursday

Jo Ann Henderson, three month old daughter of Mr. and Mrs. Ernest Henderson, who live in south Lockney, died Thursday afternoon of last week at the Plainview Hospital. The baby had been in ill health all its life, friends said.

Funeral services were held Friday afternoon at 2:30 at the Carter Funeral Home here conducted by Rev. J. R. Naylor, Baptist pastor. Burial was in the Lockney cemetery. Carter Funeral Home was in charge.

The father is employed by the Santa Fe railroad here as a section hand. Friends of the family received donations to help take care of the funeral expenses and this week expressed their thanks and thanks of the family to all those who gave. "We sincerely appreciate the generosity of the people," they said.

Mrs. J. E. Hodges and daughter, Phyllis Juanelle, of Denver, Colo., were guests Monday in the Hoyette Hodges home at Lone Star.

Equalization Board Hears Nearly 200

The equalization board for the Lockney Rural High School district meeting Monday and Tuesday of this week, heard nearly 200 tax payers present reasons for reducing their valuations.

A number of errors in classification of land were corrected and adjustments made on sloping land which had been valued too high, it was reported. A few part-possession cases came up wherein property belonging to more than one person had all been charged to one, these also being corrected.

The board was fairly busy both days, it was said. Serving on the board were T. B. Mitchell, George Turner and Robert Smith.

Soil Tour Set For Thursday

The Floyd County Soil Conservation District fall soil tour is scheduled to be held today (Thursday) after postponement last week due to rain. The tour will leave the courthouse at Floydada at 9:30 this morning, according to L. D. Barte, work unit conservationist for the district.

The group will go first to the Mal Jarboe place, 7 miles east of Floydada to see a demonstration on control and eradication of bind weed. They will then travel to the S. J. Latta place to view some improved permanent pasture and then to the W. F. Culpepper place to see some dry land castor beans.

Next place on the tour will be the Sam Baker place where the group will see some field leveling, some newly seeded pasture and some underground tile.

They then go to the Chester Mitchell farm in the Pleasant Valley community to see some pasture and some irrigated cotton. The Oscar Golden place is next on schedule where improved permanent pasture will be viewed.

A barbecue will be served the group at Lockview farm at the noon hour and a program including the presentation of an award as the outstanding farmer of Floyd County to Chester Mitchell will be heard.

The group will view some pasture at Lockview, then will go to the Helmuth Quebec place where they will see a fertilizer demonstration on grain sorghum. From here they will go to the Horton Howell place near Sterley to see some irrigated cotton on a bench level and then south to the Jack Taylor place to see some irrigated castor beans.

The group will dismiss at Lockney following this visit, Mr. Barte said.

Harve Pennington Is Much Improved

Harve Pennington, Lockney businessman who was stricken with polio nearly two weeks ago, is much improved and is out of danger as far as the polio is concerned, it was reported Wednesday. He has been moved out of the polio ward to a private room. He has had a light attack of what was believed to be some type jaundice and therefore will have to stay in the hospital a few more days, it was reported.

Another Floyd County man was admitted to the polio ward at Plainview this week that being William Garlin Beedy of Floydada. He was admitted Saturday and has the non-paralytic type of polio.

Dismissed from the Plainview polio ward this week were Mrs. Martha Payne of Providence and Ted Chapman of Sterley.

Homecoming At Aiken Church

A homecoming for all former members, preachers and friends will be held at the Aiken Methodist Church Sunday, September 21 starting at 10 a. m. it was announced this week.

Everyone attending is asked to bring a basket lunch and a large crowd is expected.

Juvenile Given Term In State Reform School

A 16-year-old boy was sentenced to the state reformatory at Gatesville last Saturday morning in juvenile court at Floydada after he had been charged with burglary of several places of business in Lockney and Floydada. He was the ring-leader of a group of four boys who struck several places in Lockney, Floydada and Plainview within a short period of time recently. He was sentenced to the reform school until he is 21 years of age but officers said that he could be let out on probation before that time if circumstances warranted.

Two other boys who participated in some of the burglaries with the ring-leader were given 3 year probation sentences. This means that the boys will be arrested and sent on to the reform school until the slightest infraction of the law, officers said. One of these boys is 13 years of age and the other is 15.

A fourth member of the gang is 18 years of age and has been charged with burglary at both Floydada and Plainview. He is now out on bond, having made a \$1,000 bond at Floydada and two bonds of \$750 each at Plainview. Date of his trial has not been set.

Committee Set For Blood Drive

R. D. Baccus has been named chairman at Lockney in the drive to secure 300 pints of blood in Floyd County for the soldiers in Korea, it was announced this week. Baccus this week named his committee chairmen and planning for the drive is underway.

The Red Cross Bloodmobile will be in Floyd County October 16 and 17, the first day at Lockney, the second at Floydada. Volunteer blood donors will report to the Bloodmobile unit and give their blood which will be flown immediately to the blood center at Fort Worth where it will be typed and made ready to be flown to the battle lines in Korea.

A campaign to get some 450 pledge cards signed between now and the time the bloodmobile comes to the county will be made. This extra number is to insure that at least 300 will be on hand to give blood, since some will naturally be hindered from appearing from one cause to another.

Baccus' committee for Lockney was announced as follows: Mrs. Ewald Quebe, chairman donor recruitment; Mrs. Henry Hodel, chairman rural donor recruitment; Mrs. Joe Foster, publicity; Bob Miller, chairman telephone and transportation committees; Mrs. Georgia Hanst, chairman volunteer workers committee; Arthur Barker Jr., chairman appointments and schedules committee.

Several Lockney people attended a planning meeting at Floydada last Thursday at which details were worked out for the drive.

Home Coming Assn. Officers To Meet

Officers of the Lockney Homecoming Association will meet Thursday night of this week at the High School building, it was announced this week by Bob Miller, president. Plans will be made for a homecoming of former students of Lockney High School and the date will probably be around October 31, the date of the football game with Abernathy.

Other officers are Mrs. Dorsey Baker, vice-president; Mrs. Thelma Hodel, treasurer; Mrs. Glycerie Cummings, secretary.

The association has some funds in the bank and will probably have a banquet, charging a small fee, Mr. Miller said.

Wipprecht Warns Of Possible New Worm Outbreak

Read Wipprecht, entomologist who has been running a checking service for farmers of this area, this week issued a warning that on Monday of this week he began to find the entire county full of boll worm and leaf worm moths and that farmers should watch their fields very closely.

"If only a small percentage of the eggs hatch it will be a serious boll worm outbreak," Mr. Wipprecht said. Usually it is five to ten days after the appearance of the moths before the worms start to appear.

P'handle Ready To Take Cotton

The Panhandle Compress & Warehouse Co. is now ready to take cotton at their Lockney plant, R. B. Smith, superintendent said Tuesday. Work has been underway for the past six weeks on a loading dock, railway spur and office building on the company's property a mile west of town on Highway 70.

Although the warehouse hasn't been built yet, Mr. Smith said that construction would begin soon on a warehouse of 10,000 square feet size. Next year the company expects to install the compress machinery here, Mr. Smith said.

A loading dock containing 60,000 square feet has been built on the site and the railroad spur track has been laid and is ready to go. The loading dock will be at least partially covered with concrete.

An office building has been set down and work is now in progress on remodeling the former Ashton home which will be used as living quarters for the superintendent and his family. Mr. Smith said that it would probably be about the first of the year before his family would be in position to move here. Quarters for workmen have also been built at the plant.

The company has five outlets for the cotton they receive here. They may ship it to Lubbock, Plainview, Quanah, Slaton or Childress. The company will employ about 30 men here this year but when the compress machinery is installed about 75 will be on the payroll, Mr. Smith said. This will be seasonal work, he said, running from early fall until spring, or about six or seven months of each year.

Mrs. J. M. Cox Dies Wednesday

Mrs. J. M. Cox of Archer City, mother of Marvin Cox of Lockney, passed away at her home early Wednesday morning after a short illness. Mrs. Cox became seriously ill last Friday morning and her son was called to her bedside at that time. She was suffering with a heart ailment.

Funeral services will be held Thursday afternoon at Archer City and burial will be in the Archer City cemetery. Attending the funeral services from Lockney will be Mr. and Mrs. Cox and their daughter, Hope, J. E. Cox, Mrs. Curtis Kelley, and Mrs. Glen Carroll of Plainview.

Survivors include her husband, two sons, Marvin of Lockney and Chester of Fort Worth; two daughters, Mrs. Floyd Teaff of Olney and Mrs. Odis Davis of Archer City, three sisters and several grandchildren. Mrs. Cox lived near Lockney in the early twenties. The family resided on a farm north of town. However she had lived in Archer City for the past 20 or 25 years.

JOE WILSON HOME SOON

Joe Wilson who has been in Korea the past year is expected home soon. He landed at Seattle Wednesday and expects to receive his discharge Monday. He will probably be employed in the First National Bank here.

Bank Deposits Are Up Million Over Last Year

Although deposits in the First National Bank of Lockney are in a seasonal decline now and are lower than in the spring still they are more than a million dollars above a year ago, a comparison of statements revealed this week.

The statement of condition of the local bank printed in this issue of The Beacon shows total deposits at the close of business on September 5 of \$3,233,901.32 as compared with total deposits at the close of business October 10, 1951 of \$2,068,781.85. The present deposits are down from last March 31, slightly less than one million dollars but are above a year ago by slightly more than one million.

Cash on hand is listed as of September 5 at \$714,734.71 compared to \$908,746.05 a year ago. The loans and discounts, reflecting the tremendous cotton crop in this area and the high cost of making it, stand at \$2,416,518.29. A year ago they were \$1,162,316.26.

First Bales Hit Gins Past Week

Several first bales have been ginned at gins in Lockney and this area in the past few days. The first bale of the area was ginned at Patterson Gin here last Friday and came from the Montandon and Meriwether farm, in the Aiken community. This is some of the best cotton in this area, reports here say.

The bale brought in Friday ginned 500 pounds of lint from 1770 pounds of seed cotton. Seed weighed 720 pounds and Patterson Gin bought the bale at 40 cents per pound, some two or three cents above the market. The gin also ginned and wrapped the bale free.

A premium is being made up for the growers but the amount was not available Wednesday.

Market price here on middling 15 16 cotton was reported to be around 38 cents Tuesday and cotton seed was around \$71.00 per ton.

Patterson Gin also turned out another bale Saturday, this one from the Dick Campbell farm in the Aiken community. On this bale 2000 pounds of seed cotton turned out 585 pounds of lint. The gin also ginned and wrapped this one free.

George Turner ginned the first bale at the Paymaster Gin at Aiken Saturday from a dryland plot of cotton. The bale weighed 516 pounds and came from 1720 pounds of seed cotton. Seed weighed 710 pounds.

Bob Merrell brought the first bale in to the South Plains Gin at Sterley Monday afternoon. He had 1700 pounds of seed cotton and got a 440 pound bale. Pete Thornton, manager, paid Merrell 40c per pound for the bale, ginned and wrapped it free and gave him a \$50 premium in addition.

Sam A. Thompson, an old timer of this area who now lives at Amarillo, was in town Tuesday.

GO TO CHURCH SUNDAY.

MEDITATION

"And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it." Matt. 16:18.

There are too few in the world today who understand concerning the church that has been revealed in the New Testament. Some do not understand when it was established; others, its importance; others, its organization; others, who established it; and others, the work of the church.

We want to notice briefly concerning the establishment of the church that we read about in the New Testament. First, we notice by the above scripture alone, that the church was not established under the Jewish wanderings in the wilderness. Christ said, "I will build," this shows that the church of the New Testament had not, at that time, been established. We continue to say the church of the New Testament because someone is going to say, "I read about the church in the wilderness." True there was a church in the wilderness, but this was the Jewish church, not the church of Christ. Church means "called out." Israel under the Law was the "called out."

The church of the New Testament was not established under the ministry of John the Baptist. John was a great man. He had a wonderful mission to fulfill: preparing the way for Christ. John worked hard to fulfill this ministry, but he did not establish the church of the New Testament during his ministry. John had already been beheaded at the time that Christ made the statement "will build."

Let us notice that the church and the Kingdom are one and the same thing. After Christ had promised to build his church he told Peter "I will give unto thee the keys of the KINGDOM." Peter stated on the day of Pentecost that God had promised to raise up Christ to sit on David's throne. Peter also stated that God said to him when he ascended, "Sit thou on my right hand. Until I make thy foes thy footstool." Christ on pentecost, then, began to rule and reign over his Kingdom, his church. So we read in the 47th verse of the 2nd chapter of Acts "... and the Lord added to the church daily such as should be saved." The kingdom or church had to come some time in the second chapter of Acts. It came on pentecost. If you are a member of a church that was established before or after this you are not a member of the New Testament Church.

We invite you to attend all of the services at the —

Main Street

LOCKNEY, TEXAS

Longhorns Win From Olton 20-0

The Lockney Longhorns started the 1952 football season off with a bang Friday night winning from the tough Olton Mustangs 20-0. It was a hard-fought game all the way with the Mustangs threatening twice to score.

Although Coaches Curtis Kelley and Elvin Lyon will polish the boys up a little more, the Longhorns showed good form for the first game of the season and local fans were praising their play highly over the week end. The Longhorns charged hard, tackled hard and played a whale of a game all the way through.

Teddy Carthel, right end for the Longhorns, made a great showing, scoring two of the touchdowns and standing out on the defensive side. Carthel caught a pass from big Bill Paschal for the first score and took the ball on an end-around play for the last score of the night. Paschal did a good job at his man-under slot and passing. He handled the ball well as is borne out by the fact that the Longhorns fumbled only one time all night and they recovered their own ball then. C. B. Smart, Bill Sherman and Norton Baker all displayed some mighty good running form. Smart broke loose on a 65 yard run early in the game to set up the first score and Baker made some nice gains through the middle of the line. Sherman was calling signals and mixed his plays nicely. He also kicked two extra points after touchdown.

The boys in the line, led by Orland Gilbert and Joe Taylor, never let the Olton boys get very far through the line. In fact the Longhorn line held the Mustangs in two goal-line stands that showed how tough the Longhorn line could get. The Mustangs made three yards in four tries at the line in the first one and about five yards in four tries in the second.

The first Lockney score started when C. B. Smart broke loose through his own right tackle and carried from his own 15 yard line to the Mustangs 20 where R. V. Allcorn, the Mustang triple threat man, caught him

DRIVER HONORED

ONE OF TEXAS' most honored truck drivers is Niles D. "Heavy" Paschal of the A. Leander McAllister Company, Wichita Falls. His most recent award was the "Arthur Robinson and the life of three-year-old Beverly Hunt in separate accidents near Wichita Falls. Hasteen also has been named one of Texas Motor Transportation Association's "Drivers of the Month."

from behind. The Longhorns were penalized five times but Bill Paschal took the ball and coolly passed to Teddy Carthel over the goal line for the score. Bill Sherman kicked the point to make the score 7-0.

A quick kick from the Mustangs put the Longhorns in a hole soon after the score. The ball rolled dead on the Longhorn 7. Paschal kicked out to his own 36 but the Mustangs drove right back to the Longhorn 7 where they had a first down. Here the Longhorns made their goal line stand. The Mustangs hit the line and tried the ends but couldn't make but three yards in four tries. Paschal kicked out again and Teddy Carthel intercepted a Mustang pass to get the Longhorns out of the hole.

This about covered the first half action since there were no more threats in this period. The Mustangs took the opening kick back to their own 38 and from the point Allcorn took loose around end and was almost in the clear when little Bill Sherman brought him down with a diving tackle on the Longhorn 40. Sherman appeared to be the last man that had a chance to tackle Allcorn. Smart intercepted a Mustang pass to break up the drive and the Longhorns took the

ball on their own 35. Paschal got off a beautiful kick that rolled out on the Olton 10. Here the Mustangs got rough and were penalized back to their 1 yard line. They kicked out to their own 26 but a pass from Paschal to Carthel carried back to the Olton 6 and Smart scored standing up from this point. Try for point failed and the Longhorns led 13-0.

A fumble set up the final Longhorn score. The Mustangs returned the kick-off to their own 37 but fumbled here and little Roger Conner, playing a defensive end position, covered the ball. The locals made two first downs, the last one being on the Olton six. But here the Longhorns were penalized five for off-side and lost three on the next play. Then came the end-around play with Carthel carrying the ball over from the 14 yard line. Sherman again kicked the point and the score was 20-0.

The Mustangs weren't through, however, and started another drive against a mixture of Longhorn regulars and reserves. They made successive first downs on the Longhorn 36, 25, 13 but here the Longhorn line stiffened and four down found the Mustangs on the six with the ball going over to the Longhorns as the game ended.

First downs were about even but the Longhorns had the advantage in yardage gained.

Longhorn Band Marches
The halftime show brought out some fancy marching as well as good playing by the Longhorn band. Drum Major James Carthel led the band through an intricate march that pleased the crowd and brought compliments for the band. The Olton band also performed well for the crowd at the halftime period.

Midshipmen are so called because originally they had quarters amidships.

Now, THREE times as much horsepower

Just like the new automobiles, your telephone now has lots more horsepower than it did a few years ago — in fact, three times as much horsepower.
Today there are 825 telephones in Lockney — more than three times the number in service in 1946.
Quite likely you talk to more telephones than you used to. Certainly, they are there — available any time you want to call. That is one of the things that makes your telephone much more valuable than it was just six short years ago.

Even though increased expenses have made it necessary to ask for an increase in rates, telephone service will still be one of the best buys in the average family budget.

TER & SMITH GRAIN CO. Lockney

New Polio Aid Granted Texas

Austin. — Robert J. Smith, president of Pioneer Airlines and chairman of the Texas 1953 March of Dimes, announced that 63 Texas chapters of the National Foundation for Infantile Paralysis have received epidemic aid advances for continued patient care in 1952.

He said that through August 30 a total of \$774,955.00 was sent by the National Foundation for Infantile Paralysis to the Texas chapters after local March of Dimes funds were depleted.

Chairman Smith, serving the MOD post for the first time, added that during the last week of the 1952 period, nine Texas chapters received \$19,300 from NFI headquarters.

The counties in which the chapters are located are and the sums received are:

- Frio, \$850.00
- Gonzales \$1,500.00
- Hill \$1,700.00
- Houston \$800.00
- Milam \$2,200.00
- Runnels \$1,300.00
- Smith \$7,500.00
- Willacy \$1,850.00
- Zavala \$1,600.00

Besides the cash aid, according to Chairman Smith, additional equipment was sent by the National Foundation during the last week in August.

RICHARD M. NIXON

Nixon To Speak At Amarillo Fair

Fort Worth. — Plans for the September 26 appearance of Republican Vice-Presidential Nominee Richard M. Nixon at Amarillo were announced today by Ben Guill, Eisenhower-Nixon state campaign manager.

The California senator will arrive in Amarillo in a special chartered plane at 6 p. m. on the 26th. From 6 p. m. to 6:30 p. m., he will conduct a press conference in the dining hall of the Amarillo terminal building. Newspaper, radio and television representatives from all over the state will be invited to attend.

At 6:30 p. m., Senator Nixon will be driven to the Tri-State Fair Grounds at Amarillo where he will make a 15-minute speech to officially launch the Eisenhower-Nixon campaign in Texas. The 6:45 to 7 p. m. talk will be broadcast over the facilities of the Texas Quality Network.

Wes Izzard, publisher of the Amarillo Globe-Times, will make the introduction.

Following the principal address, Senator Nixon will appear on a 15-minute radio program with Mr. Izzard acting as interviewer. Plans are for the Amarillo newsmen to collect questions from over the Panhandle area that newsmen and others want asked of Senator Nixon.

Between 7:15 and 7:30 p. m., after the Izzard interview, the Senator will tour the fair grounds. He will leave for the Amarillo Municipal Airport at 7:30 p. m. and will depart for Tulsa at 7:45.

This will be the first official visit to the State by a GOP

Soil Testing Lab A Busy Place

College Station. — The soil testing laboratory operated by the Agricultural Extension Service of the Texas A. & M. College System has been a busy place during the past year. According to M. K. Thornton, agricultural chemist and in charge of the lab, 9,550 soil samples have been analyzed.

He says the number of samples submitted has steadily increased since the lab was opened on November 1, 1950. Determinations made by the laboratory include the amount of organic matter, nitrogen (computed), soil reaction, available phosphoric acid, available potash, available lime and soluble salts for each sample. Recommendations for best land use based upon the soil analysis are returned to the sender along with the report on the sample.

Thornton reminds farmers that right now is the time to submit samples from the fields on which winter legumes and nominee in the 1952 presidential race. Senator Nixon is expected to give a fighting speech to launch the Texas campaign.

small grains will be planted this fall. Thornton points out that the samples submitted must be representative of the field if they are to be of value. He encourages farmers to contact their local county agent for detailed information on how to take a representative sample.

Farmers who have submitted soil samples report that the analysis and recommendations have been very useful to them. First,

they find that often times different grades and amounts of fertilizer from that normally used are needed to improve their crop yields; that low yields are not always the result of low soil fertility and third that savings can be made on the purchase of fertilizers when only the recommended amounts are used.

Texas represents 1-12 of the area of the entire U. S.

NEED A TRUCK?

We have the following trucks on hand ready for immediate delivery:

- One NEW F-5 Ford Truck, 1 1/2 ton
- One 1947 model Ford Truck, 2 ton with good bed.
- One 1942 Ford Truck, 6 cylinder, 1 1/2 ton, good bed, good tires, good motor.

LET US SHOW YOU what

Anhydrous Ammonia will do for your cotton and feed.

We have several plots where anhydrous ammonia has been applied to the land this year and we would like to take you out and show you the difference it makes.

Anhydrous ammonia is also good for wheat and a number of farmers are planning on putting it on their wheat land. Come in and let us tell you about it.

In the first 11 months of 1951, 30,071 books were published in the U. S.

Mr. and Mrs. Son Holmes and Phinis Dee spent last week visiting in Summersville and Dallas, Texas.

Mr. and Mrs. John Stapleton and family of Floydada visited with his sister, Mrs. E. L. Woodburn on Sunday.

Mr. and Mrs. John Holmes have been visiting with their daughter, Mrs. Troy Jackson and family in Spartanburg, South Carolina for the past two weeks.

Mr. and Mrs. Udell Cunningham and Mr. and Mrs. Curley Reed spent the week end fishing in Lawton, Oklahoma.

Sophie Tucker, famous American entertainer, was born in Russia.

Providence News

By Mrs. Wilfred Stoerner

It is a lot more honorable to be a member of the construction gang of friendship rather than the wrecking crew. Which are you?

Visiting in the Walter Boedecker home were Mr. and Mrs. R. H. Hartz of Mills, Texas. Mrs. Hartz has been a long time friend of Mrs. Boedecker.

Mr. and Mrs. Klyce Ooley and family visited Mr. and Mrs. Roy Ooley of Houston. Mr. Ooley recently underwent surgery.

Dinner guests at the home of Mr. and Mrs. Walter Boedecker Sunday were Rev. and Mrs. H. L. Anderson and sons, Mr. and Mrs. Stewart McKillip of Plainview, Mr. and Mrs. Sam Newman, Miss Helen Newman of Kress, Mrs. Anna Chienbush of Cameron, Texas and Mr. and Mrs. Weldon Foster and son, Lynn Weldon. The occasion being the celebration of the Christening of Lynn Weldon Foster, son of Mr. and Mrs. Weldon Foster of Plainview.

Those visiting in the Robert Payne home this past week were Mrs. B. H. Quebe, Mr. and Mrs. Helmut Quebe and family, Mrs. Ben Brandes, Mrs. L. B. Brandes, Mr. and Mrs. Marvin Scheele, Mr. and Mrs. Wilfred Stoerner and Mr. and Mrs. Jack Payne.

Mr. and Mrs. Virgil Brasher were dinner guests of Mr. and Mrs. Alvin Martin in Plainview Sunday afternoon. They also visited Mr. Alvin Martin who is seriously ill in the Tullia Hospital with a heart ailment.

Trinity Lutheran Church

H. L. Anderson, Pastor
Calendar of week:
The Lord's Vineyard:
Tuesday, September 16th. Reception of bids on parsonage 3 p. m. at church.

Wednesday, September 17, Choir rehearsal 8:15 p. m.
Sunday, September 21, Sunday School 10 a. m., Divine Worship 11 a. m. and 7:30 p. m.

We resume our regular schedule of evening worship services. At the morning service Sunday, September 14th the infant son of Mr. and Mrs. Weldon Foster was received into the kingdom of God through the Sacrament of Holy Baptism. May God our Heavenly Father, receive Lynn Weldon Foster into His Kingdom, number him among his people, and keeping him in faith, finally receive him into glory.

The Sunday School is the teaching arm of the church; if you are not a member of the Sunday School, you shorten the arm of the church.

Mr. and Mrs. Stan Arnett and daughter, Patty of Smyer, Texas were guests in the home of Mr. and Mrs. Robert Payne Saturday. Mr. and Mrs. Joe Payne of Berger were guests in the Robert Payne home Sunday afternoon.

Back To School Party
Sponsored by Luther League The Luther League of Trinity Lutheran Church, Providence, were host to the Lubbock and Slaton Luther Leaguers. There were 32 leaguers present from the visiting leagues.

Rev. H. L. Anderson acted as teacher with reading, writing, arithmetic being taught with games. Recess found the pupils

DR. J. M. TRAVIS of Jacksonville, honored as Texas' General Practitioner of the Year by Texas Medical Association, will be honored at special ceremonies in Austin on September 28. Dr. Travis automatically becomes a candidate for the American Medical Association's top honor, American Family Doctor of the Year to be conferred in December.

active in outdoor games. The last period religious education was taught by Rev. Anderson. Refreshments in the traditional paper bag was served to visitors and friends.

A flower party will be held at the church Wednesday night after choir practice. These flowers are being made for their entrance in the Christmas float. Come one and all and help our league with their worthy project.

Providence Home Demonstration Club meets Tuesday, Sept. 23 at the home of Mrs. Wilfred Stoerner. Lets have 100% attendance. Visitors welcomed.

Lindemann Family Meets For Reunion

The country home of Mr. and Mrs. Bill Lindemann was the scene of the Lindemann family reunion Sunday night, August 31st.

A fried chicken supper and watermelon were served. Entertainment consisted of visiting and picture taking.

Those present were: Mr. and Mrs. L. D. Young and family of Tullia, Mr. and Mrs. C. C. Norrell and family of Kress, Mr. and Mrs. H. W. Lovvorn and Foy of Kress, Mr. and Mrs. Sam Newman and Helen of Kress, Mr. and Mrs. R. N. Harper of Lockney, Mr. and Mrs. W. T. McDaniel and Raymond of Plainview, Mrs. Pearl Lee Lindemann and family of Kress, Mr. and Mrs. Travis Lovvorn of Kress, Miss Johnnie Fay McGaugh and the hostesses, Mr. and Mrs. Bill Lindemann and Kenneth.

The Farm Bureau Convention held at Lockney was well attended by its members at a meeting and barbecue. Those attending from Providence were Rev. and Mrs. H. L. Anderson and family, Mr. and Mrs. Albert Scheele and family, Mr. and Mrs. Ted Boedecker and family, Mr. and Mrs. B. H. Quebe and daughter, Mrs. Ben Quebe, Mr. and Mrs. Helmut Quebe, Mr. and Mrs. Ben Brandes, Mr. and Mrs. Richard Matthews, Mr. and Mrs. Wilfred Stoerner, Mr. and Mrs. Marvin Scheele, Miss Marie Scheele, and Mr. and Mrs. Jack Favor and daughter.

Marion Scheele, B. H. Quebe, L. B. Brandes and Wilford Stoerner attended a meeting of the Germania Fire insurance meeting at Pep, Texas. A school of instruction was held to benefit its officers and members. A bountiful dinner and lunch was served.

Fire Dept. Wins From Legion

The final curtain on the 1952 softball season fell last Thursday night when the Lockney Volunteer Fire Department team won over the American Legion team 14-7 in a play-off game. The game was for the purpose of determining the championship of the Lockney Softball League and had been on schedule for two or three weeks.

Commissioner Marvin Gilbert presented Audvie Barnett, playing manager of the Fire Department team, with a first place trophy at the conclusion of the game and presented Revis Harris, playing manager of the Legion team with a second place trophy.

The Fire Department jumped off to a quick lead scoring twice in the first inning and twice in the second, one of these being a home run over the right field fence by R. L. (Rocky) Knox with no one ahead. Revis Harris scored one in the second for the Legion and the score was 4-1. In the third Gayle West scored for the Fire Department and Rusty Baccus and Carl Blair came back to score for the Legion and the score stood at 5-3. The Fire department broke loose again in the fourth inning, scoring five runs but the Legion then did a little scoring of their own in the same inning scoring three runs, two of these as result of a triple by Pitcher Paul Kropp. With the score standing at 10 to 6, the Legion held the Fire Department scoreless in the top of the fifth while scoring one in the bottom of the inning to make it 10-7. Both teams went scoreless in the sixth but in the seventh the

heavy bats of the Fire Department banged out four scores including a home run by Bobby Carthel, left fielder, while the Legion failed to count in the bottom of the inning.

Leonard Finley went the route for the Fire Department on the mound while the cather was Barnett. Kropp was pitcher for the Legion with Harold Griffith catching.

Air conditioning was installed in the White House in 1932.

Three-way serv single house heat available from a er, the Gas Appliance Association signed as a central the gas-fired boiler supplies warm water for automatic washing machine, moderately heated atory, tub and shower.

Notes

WHY NOT BELONG?

Member-ship throughout the Convention. Moved from our church to another church. Many have moved and identified themselves with the church. Many have moved and identified themselves with the church. Many have moved and identified themselves with the church.

How Long

We do not even know how long we will be alive. The more imper-mentally you move your mem-ber-ship, the more you know that you are only a few years away from a church that has lived for years.

Leave The Church

Already left it. All your name on the

roll. They do not want your name without you. Your church membership left behind is evidence to the loved ones back home that you are not serving the Lord here. Never be guilty of saying that you can serve the Lord "just as good out of the church as you can in the church." The Lord Organized His Church for His believers, and Christ did not make any mistakes.

"I Don't Want To Make Any Promises"

You have already made some and are in danger of breaking them now. You promised Christ to serve him when He saved you. When you joined the Baptist Church you accepted its covenant which says in part, "when we remove from this place we will as soon as possible, unite with another Church of like faith and order." What about these promises you have already made.

"How To Move Your Membership"

Join the church on a "promise of a letter from the church you have left. A church letter is nothing more than a recommendation from one church to another.

Effort Made To Develop Oil Test Into Water Well

Petersburg. — The Petersburg Water Conservation Association, through the efforts of Charlie Schuler, Secretary, Marvin Shurbet, Vice-President and Bill Allmon an enthusiastic member have been trying to develop an irrigation well out of the Krause oil test well that proved dry as far as oil was concerned.

This well was watched very closely by the above three men during the progress of drilling. Logs were taken of the water strata from top to bottom to determine if there were any large bodies of water at a greater depth than found in ordinary irrigation wells in that area. From a depth of 520 to 810 feet heavy water sands were encountered, and believed by drilling crew and Messrs. Schuler, Shurbet and Allmon to be sufficient to rise to within a few feet of the surface.

After the completion of the wildcat venture for oil, the well was turned over to the Petersburg Water Association by Mr. Krause and the drilling contractor and those holding the lease for development, after it had been plugged back to 825 feet where a concrete plug was put in and drilling mud filled the hole to the surface, and it was put in under 1,800 pound pressure forcing it into every crack and crevice in order to hold the plug and to keep salt water from forcing its way past the plug, etc.

Efforts have been made by the local Association to clean out this well. It has been acidized, used some dry ice, bailed it out and the best that has been done so far is to get the water within 285 feet of the surface. This drilling mud is giving a lot of static in getting it to turn loose and let the water up. The Peerless Pump Co. through its state manager Bill Griffin at Dallas and Bill Childress and Leroy Dudley

of the Plainview office, have agreed to put a pump into this well and give it a thorough test in an effort to develop it into new equipment from top to bottom. The pump will be set at

500 feet. All farmers and the Petersburg Water Association are grateful to the Peerless Pump Co., for their able assistance in this development project, it means much to this area. A con-

tinued search for more water in the Petersburg area will continue. We feel confident we have an abundance of water at a greater depth and it will be found.

"An infidel is a man who builds a house without windows, and then blames God because he has to live in the dark."

Some people think Christ made a mistake when he organized his church — they claim they do not need it.

Records tell us what we are. Let it never be said that we are not for numbers. God is for numbers. He "wills that ALL should come to repentance." He would have more people in Bible Study and in Training Union. We do not glorify in numbers, but we glorify in the fact that numbers glorify God. Make a special effort to be in all the services.

DID YOU KNOW THAT

We have over 300 houseless churches in the western area, and to this number is being added 2 per week.

That we take our "Western Mission" offering September 28.

More people in Lockney never go to church than those who go.

Some people think that they can get to Heaven apart from Christ. Jesus says in John 14:6 "I am the way, the truth, and the life, no man cometh unto the Father, but by Me."

"God grants liberty only to those who love it, and are always ready to guard and defend it."

Fall cottons have blossomed out in plaids of beautiful colors and designs, but before plaids are bought they should be considered in relation to the pattern.

The high temperatures and the lack of moisture have created a situation that is tailor-made for fires. Carelessness on the part of motorists or any citizen could lead to damages even more serious than those caused by the drought.

I got Conoco's NEW 1-2-3 "50,000 Miles No Wear" Service!

Here is a proven, tested way to help your engine perform better, last longer, use less gasoline and oil! Simply give it Conoco's great new "50,000 Miles—No Wear" Service!

This is exactly the same service that kept test cars *new* in Conoco's spectacular "50,000 Miles—No Wear" road test!

In that famous 50,000-mile test, with 1,000-mile drains and proper filter service, test car engines showed *no wear of any consequence*: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000.

Now you can get this same 1-2-3 "50,000 Miles—No Wear" Service, at your Conoco Mileage Merchant's, today!

is the Famous "50,000 Miles—No Wear" Service!

1 He'll Recondition Air and Oil Filters! He'll clean filter elements, replace dirty cartridges, record mileage. Every time hood is lifted, he'll check mileage to be sure filters have been serviced at proper intervals.

2 He'll Recondition Air and Oil Filters! He'll clean filter elements, replace dirty cartridges, record mileage. Every time hood is lifted, he'll check mileage to be sure filters have been serviced at proper intervals.

3 He'll refill with great Conoco Super Motor Oil! Conoco Super is fortified with additives that curb dangerous accumulation of dirt and contamination — protect metal surfaces from corrosive combustion acids—fight rust—OH-PLATE against wear.

Conoco Merchant Out Grit! He's hot! He's clean! He's every-thing you want in a Conoco Mileage Merchant!

Society News

Wesleyan Service Guild Meets

The Wesleyan Service Guild entertained members of the school faculty with a dinner on Thursday evening at the Methodist Church.

Mrs. E. E. Spradlin, President, presided. Roll call was answered with an event that added to the spiritual life of each individual.

A short missionary program was given by Mrs. N. S. Daniel, Mrs. Charles Record, Mrs. Milton Ashton and Mrs. J. C. Kemp.

Guests were Misses Kathryn Norris, Janice Thompson, Nellie Brown, Algene O'Daniel, Mmes. Lou Brewer, Imogene Myers, Nora Ayres, J. M. Lantrip, Loretta Jones, W. C. Irons, Jesse Cox, Josie Allen and Ben Wood.

Members present were Mmes. E. E. Spradlin, C. H. Rose, Woodson Terrell, J. C. Kemp, N. S. Daniel, Charles Record, Clark Harris, Ben Brotherton, Jay McPherson, Oliver Holmes, Milton Ashton, A. M. Hawthorne and Edna Hawthorne.

Mr. and Mrs. Charlie Smith and Junior spent Sunday visiting with relatives in Littlefield.

Gary Marr Honored On Birthday

Mrs. Thomas Marr honored her son, Gary Dee, with a party on his second birthday, Tuesday, September 16.

Refreshments of cake and punch were served to Mrs. Udell Cunningham and Patti Jo, Mrs. Dave Willis and Donna Gayle of Floydada, Mrs. R. L. Hall, Joy, Dennis and Janie, Mrs. William Marr, Paul, Diann, Bill and Linda, Mrs. Ross Cooper and Gloria, Carol Cooper, Mrs. R. E. Marr and Dorothea, Grace Grundy of Floydada, Ronnie Marr and the honoree, Gary Dee.

Home Demonstration Council To Meet

The Floyd County Home Demonstration Council will have its regular meeting at 2:30 on Friday afternoon, September 20, in the Council Room of the Court House in Floydada, according to an announcement by Mrs. Ruth Daniel, Council Chairman. Reports of business at the state H. D. A. meeting at Kingsville will be given by the delegates.

A CLEAN CITY IS A SAFE CITY!

Aiken Friendship Circle Meets

The Aiken Friendship Circle met Tuesday, September 16 in the home of Mrs. Robert Kellison with Mrs. Martin Bradley as co-hostess.

The club was called to order by the president, Mrs. Buck Kellison. Prayer was offered by Mrs. Marshall. The club voted to entertain their families with a social and 42 party Thursday night, October 2 at the shelter house in the Plainview City Park.

Francis Carlton and Doris Duval gave talks and demonstrations which were enjoyed by all.

Sunshine gifts were exchanged among the seventeen members present.

The club will meet with Mrs. R. L. Powell on Tuesday, October 21 for the next meeting.

H. D. Food Leaders Have Training Meet

Food Leaders in Home Demonstration Clubs met Monday afternoon in the Extension Office kitchen for a training meeting on "One Dish Meals." The meeting was conducted by Miss Leila Petty, County Home Demonstration Agent. The Leaders will give this demonstration to their clubs in October.

Those present were Mmes. R. H. Buchanan and A. H. Kreis, Friendship; Ben Brandes and Ben Quebe, Providence; Glen Pool and Don Finkner, Harmony; W. O. Tye, Sunnyside; B. A. Robertson, Homebuilders; John Smitherman and Bill Beedy, South Plains; W. J. Rankin and Raymond Teeple, Lone Star; Joe Reeves, Sterley; T. L. Perry, Fairview; Weldon Smith and A. M. Dorsey, Pleasant Valley; J. E. Green, Center; Roy Fawver, Lakeview; Tate Jones and Howard Drysdale, Dougherty; Jim Holmes, Sand Hill; and two visitors, Miss Hilda Rice of Dallas and Mrs. Paul Smith of Sunnyside, California.

Place leftover vegetables in a wire strainer or small colander and steam over hot water on the top burner of your gas range. Stir lightly with a fork once or twice. When hot, season and serve. The vegetables look and taste as good as new.

MRS. JIMMY MCCLURE

Parrish-McClure Vows Solemnized In Church Sunday

The First Christian Church in Floydada was the scene of the marriage of Miss Louise Parrish, daughter of Mr. and Mrs. Joe Parrish of Lockney, to Jimmy McClure, son of Mr. and Mrs. Frank McClure also of Lockney. The ceremony was performed Sunday, September 14 at 2:30 p. m.

Rev. Tom Waters, pastor of the First Christian Church, read the double ring service. Mrs. Pearl Fugate Guest, organist, played a prelude of nuptial selections and accompanied Miss Nell Wells as she sang "Always" and "I Love You Truly." The traditional wedding marches were used for the processional and recessional.

The isles were marked with white satin bows. Steps leading to the altar were outlined with candabra holding white cathedral tapers and baskets of white gladioli and chrysanthemums. The chancel rail held brass candabra and white tapers. The bride and groom repeated the vows under an arch which was surrounded by baskets of white gladioli, mums and pompons.

The bride, given in marriage by her father, was attired in a white ballerina length gown of nylon net over satin. She carried a white Bible topped with white roses and a pink orchid.

Candles were lighted by Jane and Sue McClure, sisters of the groom.

Miss Fay McClure, cousin of the groom, was matron of honor. She wore a pale rose gown with white accessories. Bridesmaid was Miss Rochelle Rigdon. She wore a pale orchid gown with white accessories.

Norman Paschal served as best man. Boyce Mosley was groomsman. Serving as ushers were Clinton Dinning and Thurman Davis.

Something old was the Bible the bride carried which was given to her by her grandfather, Mr. McCada. For something new she wore a necklace and earrings, which was given to her by her parents. Something borrowed was a penny from her grandmother, Mrs. McCada and something blue was a garter given to her by Mrs. Thurman Davis.

For her daughters wedding, Mrs. Parrish chose a black dress with white accessories. Mrs. McClure, mother of the groom, chose a navy dress with white accessories.

After a wedding trip to New Mexico the couple will be at home near Lockney.

Open House To Honor Weathers

Mr. and Mrs. J. H. Weathers of Lockney will be honored with open house on Sunday, September 28, celebrating their Golden Wedding anniversary. The open house will be held at the home of Mr. and Mrs. Ed Whitfill and will be from 2:30 until 6 p. m. Friends of the couple are invited to call.

El Progress Club Meets

The Lockney El Progresso Study Club met Wednesday, September 10 in the home of Mrs. Clyde Applewhite at 2:30.

Mrs. Henry Hodel reviewed O'Henry's short story, "The Whirligig of Life."

Refreshments were served to Mmes. Jack Taylor, L. M. Honea, Dee Copeland, Hershel Carthel, Sid Thomas, Edgar R. Hays, G. M. Brunner, Leslie Ferguson, Frank Perkins, Henry Schacht, T. B. Mitchell, Rhoda Mitchell, Chester Mitchell, Henry Hodel and the hostess, Mrs. Applewhite.

The Pentagon covers 32 acres of space.

Gayle Johnston Birthday Honoree

Mrs. Earlie B. Johnston honored her daughter, Gayle, with a party on her third birthday at the home of her grandmother, Mrs. Pont Darnell, on Friday, September 12 at 4 p. m.

Refreshments of cake and ice cream were served to Mrs. Bill Watson and Oran of Tulsa, Mrs. George Turner, Jr. and Cynthia, Mary Lane Whitfill, Mrs. R. V. Webster, Bobby and Debbie, Vicki Teuton, Mrs. Bob Jarrett, Trudy and Mickey, Mrs. Red Childers, Mike and Dixie, Tresa Ann Johnston, Mrs. Bill Johnston of Plainview, and the honoree, Gayle Johnston.

Lockney H. D. Club Met Thursday

The Lockney Home Demonstration Club met Thursday of last week with Mrs. Frank Messimer as hostess. Mrs. I. A. Applewhite presided in the absence of the president.

The minutes were read and approved. Mrs. E. L. Stapp gave a talk on "Overweight and Underweight." Secret pals were revealed and gifts were exchanged. Those attending were Mmes. I. A. Applewhite, F. L. Anderson, W. M. Marr, J. H. Cooper, Frank Messimer, Calvin Tomme, E. L. Stapp, Frank Brown, J. S. Hill, W. M. Whorton, Henry Bollman, L. M. Honea, M. D. Lynn, Raymond Watson.

The next meeting will be with Mrs. J. H. Cooper on Thursday, September 25th.

Pollyanna Club Met With Mrs. Terrell

The Pollyanna Club met in the home of Mrs. Woodson Terrell for their regular sewing meeting on Tuesday, September 16 at 2:30.

Refreshments were served to Mmes. Lester Carter, Lloyd Wofford, Warren Embree, W. R. Darnell, Owen Thornton, Charlie Smith, Albert Waldroupe, Derrell Wood and the hostess, Mrs. Terrell.

The next meeting will be with Mrs. Owen Thornton, September 30 at 2:30.

MAKES WEEK END TRIP

Mr. and Mrs. Klyce Ooley and boys, Mrs. W. C. Ooley of Plainview and Mrs. Derrell Wood spent the week end in Houston visiting with their brother and son, Roy Ooley who had recently undergone surgery. They also toured the state capital in Austin, the Texas Baptist Home for Children in Round Rock and visited their old home place in McGregor.

Parade To Open Tri-State Fair

Final preparations are being made for the gigantic parade saluting the opening of the Tri-State Fair. The parade is scheduled to move out at 10:30 Monday morning September 22 from 14th and Polk Streets in downtown Amarillo.

According to Frank Helvey, Chairman of the Parade Committee, he has lined up the "biggest, noisiest, splashiest parade ever seen in the Panhandle... or anyplace else!"

Music from an anticipated 40 bands will echo up and down the lines of march, sounding off a 120-cadence for contingents of marching troops from the Air Base, National Guard, Naval Reserves, ROTC, Recruiting Services and a special unit of Air Force Nurses.

The Amarillo bands will act as hosts to the many visiting bands and will not compete for the \$750 in cash prizes to be presented at the Fairgrounds at 2 p. m.

As the glittering array of bands, troops, floats, local dignitaries and beauties from "THE ICE VOGUES" move up Polk Street from 14th to 3rd, and then swing over to Fillmore, it will herald the opening of what is expected to be the largest parade ever seen in Amarillo and the greatest Tri-State Fair ever presented.

Amarillo Air Force Base returns once again to lead its blue-uniformed precision of 1500 marching airmen and officers, commanded by Major Michael J. Sullivan, plus a stirring color guard, the 589th Air Force Band

EDITORIAL

Whatsoever thy hand findeth to do, do it with thy might; for there is no work, nor device, nor knowledge, nor wisdom, in the grave whither thou goest.

The generosity of the people of this community to someone in need or trouble has been demonstrated over and over again but never more clearly than last week when a family known to only a few lost a baby and needed some help. Two acquaintances of the family circulated a petition and many people gave, not knowing the family but realizing they were in need and for that reason having a desire to help. Many times we have seen people make the business district of Lockney seeking help for some person or family who had some hard luck or were in need and never have we known the mission to fail. Sometimes, of course, money is given to undeserving people but very few times has this happened and most feel that it is better to give to an undeserving person twice than to fail to help a deserving person in need one time. We suppose that this spirit is peculiar to West Texas since we have seldom ever before seen or heard of this kind of help being offered in other areas. But it is a right spirit and we're glad to see it.

A nation-wide outbreak of crime worse than any experienced by this country before is

threatened according to FBI head J. Edgar Hoover and other national authorities. We hope that it doesn't come and every good citizen should be on his toes to help prevent such an event. We here in Lockney can't do anything about an outbreak of crime in Chicago or New York or Dallas or Lubbock. But we can do something about it in Lockney and Floyd County. If the citizens of every community will do their part in the matter in their own community then perhaps the threat will be overcome. What can we do? Let us suggest:

First we can obey the law ourselves. Most of us are guilty of small infractions of the law, traffic or otherwise, which to us seem harmless but still they have their influence on others to break the law to a greater degree. The boy who sees his dad habitually break even a small law probably won't have very much respect for any law. Second, citizens of any community should insist on enforcement of the law. We can't help but be impressed by the highway sign leading into Lubbock and signed by the Citizens Traffic Committee saying "We Expect Our Officers To Enforce the Law." Officers are just human and they're going to do what is expected of them in most cases. If citizens don't expect much they probably won't get much.

Third, people of the community ought to co-operate with officers. It's a queer thing that some supposedly law-abiding people consider officers of the law as their enemies. Surely an officer in most cases is the friend of people who want the law enforced. And citizens who co-operate with the officers can be of great help to them many times. We believe the record will show that crimes have been solved through the keen observance of some private citizen. Although the officer is the man paid to do the job, it is the duty of all citizens to help him in enforcement of the law. If we continue to live in a peaceful, law-abiding country we must do our part to make it so.

A touch of winter is in the air. The hot summer is past and gone and although the days are still warm we can tell in the early mornings that fall is just around the corner. The first northern hit about September 1 and if the old weather prophets are right that will make the first frost come around November 1. If frost is that late then the poor old cotton farmers, as well as the rich ones, will make more cotton and all will be happy. If it should happen to hold off until November 10 that would be all the better. However, if it comes October 20 there will be some loud cries of anguish. It is all in the hands of the weather man.

FOR WHOM THE BELL TOLLS

With Our EXCHANGES

SHOULD BE SEEN, NOT HURT

Hundreds of kids are running, romping, biking, skipping or skating to school. All are glad to be alive. We are glad for them to be alive for nothing cheers the heart like the sight of a happy child. We as individuals can have a part in keeping them happy and healthy by exercising extreme caution in driving our cars. Let us all follow the example of a fine group of fellows, most of whom are directly connected with the car industry. They recognize driving dangers. Last week these service station owners and auto dealers and others pooled their advertising to bring these dangers to the minds of Dispatch readers. They urged us to Drive Slowly, to Stop and Think, to Observe All Traffic Signs, to be Ever Watchful of the little child on a bike or a pair of skates. A child's comic awkwardness and clownish falls cease to be funny when they lose control and glide into the street. Every driver should be alert to such hazards, not only to those on bikes or skates, but also to those who are running like gazelles to catch up with playmates. Let us keep all these little fellows at their desks, not in a hospital bed. Little girls and boys are the most precious possessions of our community and guarding them is our responsibility. Remember the next time you get behind the wheel of your car that CHILDREN SHOULD BE SEEN, NOT HURT. —Post Dispatch.

THE PARTIES
We are all kidding ourselves about the Democratic and Republican parties. There is no

It's a lifesaver
Once you use Dr. Salsbury's Sulquin in your flock, you'll agree that it's a "lifesaver." Sulquin, sulfa-drug aid containing sulfaquinoxaline, controls coccidiosis and acute fowl cholera swiftly, holds mortality to a minimum. Get Sulquin for your flock. Reduce poultry losses!
When you need poultry medicines ask for

hands of corrupt political machines that use it for their own financial gains and in many instances by unlawful means. —The Petersburg Journal.

TRUMAN'S POOR EYESIGHT

President Harry S. Truman spoke without a smile. "There is no mess in Washington," declared the chief executive. His bifocals reflect the fact that he has poor eyesight, and has not been looking for either corruption or a "mess."
It was not long ago he declared that all of "our people" are honest and honorable.
It was not longer ago that the President chided investigators for looking for "red herrings" in his administration.

Throughout all of the investigations, which have turned up so much of a mess in Washington, he has kicked over the traces and refused to furnish the investigators any kind of information within his official family.

It is no wonder the people of America are sick and tired of Truman and his antics in public office and are looking for a change. —The Canyon News.

IT PAID OFF

My friend was fastidious in his attire and despite many fine qualities, he was the willing slave of an exacting vanity. Frequently he would spend an hour in the haberdashery with no more purpose than the purchase of a cravat. Every article of clothing was subject to his scrutiny and he refused to compromise with any standard except perfection. For years I believed his affinity for his own image in the mirror was far too expensive for his means but after considering his marriage to the rich and dashing widow, I am convinced each expenditure in time and money was an investment. —Trail Dust in Matador Tribune.

Egg surpluses in the spring and shortages in the fall and winter have long caused trouble for poultrymen as well as customers. Research and practical experience have now shown that the ups and downs of production and prices can be held fairly constant through the use of the two flock system.

BUY and SAVE at HOME

Guests in the home of Rev and Mrs. N. S. Daniel on Sunday were Mr. and Mrs. Frank Daniel and Dorothy Fay from Hereford. Mr. and Mrs. Rayford Daniel and family from Olton and Mrs. L. L. Clark and children from Floydada.

Mrs. W. S. Rexrode left Tuesday for Long Beach, California where she will visit with her sister, Mrs. B. A. Bryant and family for the next three weeks.

Mrs. A. Collins flew in last week end from Inglewood, Calif., to attend the wedding of her grandson, Jimmy McClure on Sunday and to visit her daughter and family. Mr. and Mrs. Frank McClure. She also visited with other relatives in this area.

South Plains by Mrs. Murray Julian

Garvin Beedy was taken suddenly ill on Sunday and was rushed to the hospital at Plainview, where it was found he had polio. At this time it is not known how badly ill he is. We sincerely hope it is of the lighter type.

Mr. and Mrs. R. E. Young and Peggy were visiting with Mr. and Mrs. Grigsby Milton and girls at their home on Saturday morning.

Mr. and Mrs. Otto Sanders and children went to Silver Falls on Monday evening of last week to attend a family get together in honor of Jimmy Barnett, son of Mr. and Mrs. W. T. Barnett, of Wake, Texas. Jimmy has been home on a month's leave of absence and is going now to Pearl Harbor. Many relatives and friends gathered at Silver Falls for a pleasant visit.

Albert Mize from the Cedar Hill Community was a welcome visitor at Sunday School and church on Sunday.

Rev. and Mrs. John Allen started the school year at Wayland College on Monday and they will have classes during the mornings and some few in the afternoon during the coming semester. They will drive back and forth daily.

Mr. and Mrs. Don Shurbet, Mrs. J. S. Brannon and children, Mr. and Mrs. R. E. Young and Peggy visited last Sunday in Lubbock as the guests of Mr. and Mrs. Ted Pitts and children. They all spent the day at MacKenzie Park enjoying a picnic dinner together.

On Friday evening, Sept. 12 the beautiful new home of Mr. and Mrs. Sim Reeves in Plainview was the setting for a meeting place of the Adult Sunday School class of South Plains, with their teacher, Rev. Chas. Joiner. The group was served cookies and punch during the evening and they were shown through the lovely home. Those who enjoyed the occasion were Messrs. and Mmes. Dock Jones, John Smitherman, Zack Cummings, Grigsby Milton, Bryan Karr, Robert Reeves, H. L. Marble, Bill Beedy, Gilbert Bean, Murray Julian, Mrs. Austin, Mrs. R. W. Wilbite, Helen Upton, Raymond Reeves, Rev. Chas. A. Joiner and Rev. and Mrs. John Allen. Mr. and Mrs. Reeves have been faithful members of this Sunday School Class for many years.

Shower For Mrs. K. Bean

Mrs. George Beedy's lovely home on the highway was the setting for a pink and blue shower on September 9 at 3 p. m. honoring Mrs. Kenneth Bean. Mrs. George Beedy was at the door to greet the guests, and the guest book registering them. The dining table was laid with a lace cloth and the punch bowl was flanked with verbenas in delicate shades of pink. Pink punch with sand tarts and macaroons were served to each square and pink and blue favors were given as favors. Mrs. Garvin Beedy presented Mrs. Bean with a clever book concerning baby's coming, which Mrs. Beedy had artistically designed. Mrs. L. N. Johnson was in charge of a lively game and the gifts were then brought to Mrs. Bean in the big baby crib.

Martha Lee Sanders provided music during the afternoon. Registering and presenting gifts were Mmes. A. M. Dorsey, W. B. Dorsey, J. K. Bean, J. K. West, Grigsby Milton, Ernest Smitherman, Dock Jones, L. T. Wood, Leo Brown, Jerry Pearsey, Glen Whitfill, Alvin Niehaus, Ralph McGuire and Misses Mildred Bean and Martha Lee Sanders.

Sending gifts were Mmes. Bryan Karr, J. P. Taylor, A. P. Sanders, H. R. Hartman, Bryant Higginbotham, H. L. Marble, Bob Henry, W. M. Stanforth, Sr., Walter Wood, Zack Cummings, Menard Fields, Shelby Calahan, Chas. Jarrett, Gene Hollums, Joe Brooks, Mary Ann Trice, Sim Reeves, Eulan Bradshaw, Bill Beedy, W. M. Stanforth Jr., Don Shurbet and Misses Elayne Snodgrass, Peggy Parkey, Johnny, Winfred and Dale West.

Co-hostesses with Mrs. George Beedy were Mmes. Raymond Upton, Otto Sanders, L. N. Johnson, George Weast, Rex Smitherman, Murray Julian, Garvin Beedy, R. G. Dunlap, S. A. Thornton, A. L. Stewart, John Smitherman, Elmo Reeves, Hansel Sanders, Rufus Young, W. T. Connor, Revis Harris and John Wilson.

Mr. and Mrs. Otto Sanders and children entertained for a group of relatives on Saturday night with a delightful picnic supper which was served out in their back yard. Those who attended the gathering were Mr. and Mrs. R. V. Bartlett from Ft. Worth, brother of Mrs. Sanders, H. C. Liebfreid from Post, and from Floydada Mr. and Mrs. W. M. Sanders, Mr. and Mrs. C. E. Bartlett and Mr. and Mrs. Lorin

Liebfreid.

Mr. and Mrs. Gilbert Bean from Lockney were dinner guests on Sunday after church at the home of Mr. and Mrs. H. L. Marble and children.

Old friends of Mr. and Mrs. George Weast came to visit on Thursday evening and games of canasta were enjoyed during the hours. Those who called were Mr. and Mrs. Ed Thomas and Mr. and Mrs. Gordon Alexander of Silverton.

Travis and Deral Young left on Thursday afternoon of last week for Red River, N. M. where they spent several days fishing and camping. They returned home by way of Santa Fe and Clovis.

Mr. and Mrs. J. B. Thames and children went to Abilene over the week end and visited Mrs. Thames' cousin, Mrs. James McCarty and family and returned home by way of Lubbock where they visited Mrs. Thames' relatives on Sunday evening. Mrs. Thames' sister, Mrs. H. L. Morrow and husband are the parents of a new baby girl born September 8. They have two boys in the Morrow family.

Shopping and attending to some business in Lubbock on Saturday were Mr. and Mrs. Murray Julian and boys, Mrs. J. K. Bean and Mildred and E. E. Joiner. Terry Julian had an appointment with Rep. George Mahon during the afternoon.

Mr. and Mrs. Bryan Karr, Elton and Yvonne were dinner guests in the home of Mr. and Mrs. H. S. Calahan Sunday evening.

Sunday visitors at the home of Mr. and Mrs. George Weast were Mr. and Mrs. R. L. Smith and children from Sterley and Mr. and Mrs. O. C. Rampley and boys from Silverton.

Among those who attended the Annual Convention of the Floyd County Farm Bureau's barbecue supper at Lockney Tuesday evening, Sept. 9, were Messrs. and Mmes. J. K. West, Leo Brown, George Beedy, Fred Fortenberry, H. S. Calahan Jr., Bryan Karr, E. P. Pritchett, M. M. Julian, Harry Hartman, Wade Deavenport, Grigsby Milton and Frank Brown. Mr. M. W. Wiley of Lockney is to be congratulated on the delicious barbecue which he and employees of the First National Bank served to the hundreds of people who attended the affair and the music and speakers were enjoyed very much.

Mr. and Mrs. R. E. Young and Peggy went to visit Mrs. Young's twin sister, Mrs. H. D. Hale and family at Shamrock on Saturday

and they returned home Sunday evening.

Rev. A. C. Joiner and Early Joiner left for the ranch in Rye, Colorado on Wednesday morning. They plan to be gone for the next two weeks or more.

The South Plains Community Club will hold its first meeting of the fall on Thursday evening

Sept. 18 at the school house.

Each family is to bring a covered dish and a table and dominoes. Come and have fellowship with all your neighbors.

Rev. and Mrs. R. C. Guest spent last week at the store in South Plains with their son, Dick. They were helping with some painting and redecorating in the store.

SERMONETTES FROM REVIVAL TABERNACLE

John 1:4 "In him was life, and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not."

Luke 8:16 "No man, when he hath lighted a candle, covereth it with a vessel or putteth it under a bed; but setteth it on a candlestick, that they which enter in may see the light." John 12:35 "Walk while ye have the light, lest darkness come upon you: for he that walketh in darkness knoweth not whither he goeth." Matt. 6:22 "If therefore thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness."

The light that shines in Jesus. When more light or understanding or truth of the Word shines in our path, it is more of Jesus, because he is the living Word. The ones who know Jesus (eye on Him and not the world) will have light shed on their pathway. In other words new truths to walk in. But the darkness does not comprehend the truths of light shed abroad. To walk means to move on, so walking in light means going on with God. God will lead us from truth to truth. But if we do not walk in the light, in other words do not accept the truths of God's Word as He reveals them, then our light will be turned to darkness and how great is that darkness. That darkness means that you cannot even see the truth moreless believe and accept it.

People are being cast into outer darkness today. There is judgment in the world today. The division is between those who will follow Jesus and him only (a single eye) and those whose eye is set on evil or following anything else other than "Thus saith the Lord." In reality it is between those who have an honest heart toward God for the truth, and those who do not have honest hearts but are in relity hypocrites.

God draws sinners to Him by His Spirit. If they yield and obey, they go on to repentance and the new birth. If they reject, God may woo with them for a long time and he may not. But sooner or later if they reject God, they will be cast into darkness (right here in this world.)

Friends if God draws you, do not reject Him; but be glad He called you to extend to you eternal life, and walk in the Light lest the light be turned to darkness. God continually is shedding light on the path of the Christian. Of course, some hide the new and wonderful truths that God reveals while others are proclaiming and shedding light to all around even as a candle on a candlestick.

Let us go on—walking in the light—going from truth to truth "lest darkness come upon you."

We extend an invitation to you to attend our services every Tuesday, Saturday and Sunday nights, Sunday School and Worship service Sunday morning, Radio program 9:45 Tuesday, Friday, Floydada.

Bert Elam Gins First 1952 Bale At Happy Union

The first bale of cotton at the Happy Union gin, south of Plainview, was turned out last week. It was produced by Bert Elam on the Raymond Meriwether land, just north of the Callahan lands, and on the Hale-Floyd county line.

From 1,520 pounds of half and half cotton the bale weighed 464 pounds, with 600 pounds of seed. The gin, as is customary in the trade, ginned the bale free. It bid 40 cents, about three cents above the market.

Ginning charge is 60 cents per hundredweight, bagging and ties ran \$4.25, and the customary charge for hauling and compressing is \$1.75.

The Capitol Building in Washington, D. C. has a floor area of 14 acres.

Pick Cotton Properly For Top Grade

College Station. — More emphasis should be placed on gathering the cotton crop for the high grades and avoid the lower or "penalty" grades. The place to start is in the field according to Fred C. Elliott, cotton work specialist for the Texas Agricultural Extension Service.

To preserve the quality of their cotton, farmers are urged to watch both hand and machine picking closely. Even though the gin has one or more driers, the cotton should be carried to the gin as dry and fluffy as possible. Picking cotton while still wet with dew and tramping tightly into the trailer will result in grinding the pin and pepper trash into the lint so thoroughly that even the best of the new gin machinery will have difficulty. So, pick only dry cotton and do not tramp into the trailer is a good rule to follow.

Farmers using a spindle picker will find it profitable to: (1) Defoliate. (2) Wait till the dew dries. (3) Set two trailers in the field and alternate dumping the picker basket in the trailer. The sun can dry each basket full of cotton. (4) Use a detergent in the water of the picker tank to moisten the spindles on the machine. Also if hard water must be used, add the detergent to the water in a clean barrel then strain into the picker water tank. This will prevent clogging the water lines and give even spreading of the moisture onto the spindles. (5) If time is limited, run the machine day and night. Night picking from dark till dew falls is generally more satisfactory because the cotton is dryer and more fluffy than during early morning hours. (6) Paint the average, untramped, net weight seed cotton capacity of the trailer on the outside of the trailer or trailers. (7) Carefully clean and service the picker after each day's running and operate according to the owner's manual. (8) Don't "raise Cain" with the ginners to hurry. Let him take his time.

The ginning industry has done a fine job installing new gin machinery. More and more ginners have plants they are proud to show. Let's give him a better

WANTED BY THE FBI

chance to turn out a better sample. Then, let's destroy the stalks early and that will cut down on insects next year.

A CLEAN CITY IS A SAFE CITY!

State Fair To Show Many Free, Amazing Exhibits

Major free exhibits just announced for the 1952 State Fair of Texas, Oct. 4 thru 19, will reflect what's new in science, industry, transportation and farming.

An all new Science Engineering Show will include a WFAA-TV Television studio in full operation, a one-man helicopter, an animated atomic engine model, a telescope display by the Texas Astronomical Society, Defense Dept. exhibits and displays by the University of Texas and Texas A&M.

The 36th annual Southwestern Automotive Exposition, largest auto show in the South, will cover more than two acres. It will include \$1,500,000 worth of new cars — every domestic make and several foreign cars. At least two experimental, futuristic "dream cars" will be shown. Individual exhibits will feature style shows with pretty girls in intricate cutaway mock-ups of the mechanical "innards" of engines and chassis construction and other unusual exhibits.

In a tent adjacent to the Automobile Building, more than 50 antique automobiles will be exhibited. The oldest will be an 1897 Stanley Steamer and others have such nostalgic names as the Mason, the Marathon and the Maxwell. All are in perfect running condition.

The new Electric Building will house the most comprehensive display of modern household electrical equipment ever seen in one place before in the Southwest.

In addition, the amazing "House of Magic," a stage show proving that scientific fact can be stranger than fiction, will be presented free several times daily.

In the General Exhibits Building, the telephone company will demonstrate operator toll dialing with a free long distance call at intervals. There'll be a miniature microwave relay television hookup that shows how television crosses the country. A unique gadget will be the electronic "brain" guaranteed to

CLIFF and TOM

... and I quote:

"Figures don't lie — which makes it tough to be a dress designer." — Allen Sands.

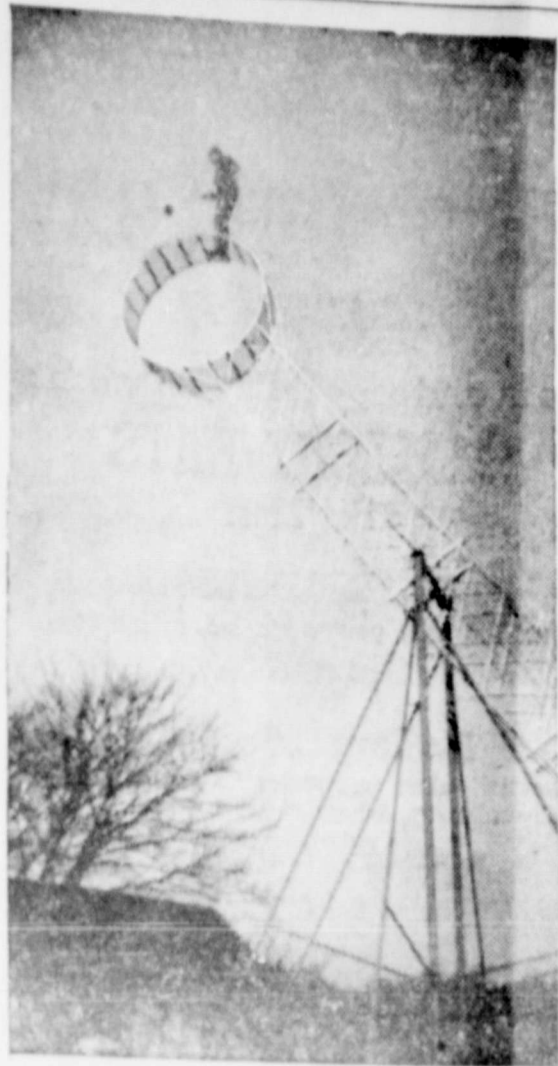

"Utility companies are regulated to the hilt, but what agency regulates Federal monopoly?" — William H. Ruffin, NAM Chairman.

"American money not only talks — it does so in almost every foreign tongue." — Ivar Helmer.

"The man who doesn't know where his money goes obviously isn't married." — Dave Crown.

A delightful and easily prepared starter for the meal is apple juice that has been chilled thoroughly in the refrigerator and served with a scoop of orange sherbet.

A CLEAN CITY IS A SAFE CITY!

Excitement and suspense are on tap for the thousands of South Plains persons who will see Beckett's Aerial Wonder during free afternoon and evening performances every day at the Panhandle South

Plains Fair in Lubbock, Sept. 23 through October 4. Beckett's juggling, rope-skipping and dancing routines on the outside of the loop will be one of four of the nation's leading aerial attractions at this year's Fair.

Overweight Is Dangerous—Cox

Austin. — Are you packing too much fatty beef for the size of your frame? If so, you're probably one of the 100,000 or so Texans contributing to what State Health Officer Geo. W. Cox calls a "significant public health problem."

The number of obese (dangerously overweight) people in the state is growing, the doctor says, and they're laying themselves wide open to trouble.

For instance, if you are carrying too much fatty tissue you're twice as apt to get diabetes, and three times as likely to have heart trouble. Furthermore, if you get arthritis it will hurt you a good deal more because of your obese condition.

Many other conditions are made worse by a person's being too fat.

"Obesity is just as serious a form of malnutrition as starvation in the long run," the health officer will tell you. Ask why some people get fat while some don't and he'll tell you the plain and simple reason is that usually the fat ones eat more than their systems need or want.

"Obesity is exactly the opposite of starvation. Overweight people eat too much. Emaciated people don't get enough. Both types are malnourished."

But why do they eat too much? There may be many causes. The glands may not be working just right. They may be having emotional trouble.

"Dietary habits perhaps established in childhood. Part of

the reason might be that an overly full stomach gives them a sense of emotional relief. They might be trying to satisfy an emotional hunger as well as a physical one."

The best way to fight obesity is to cut down the caloric intake, he says. But to do this you've got to have a real desire to have normal weight.

"This means," he explains, "the underlying emotional factors which created the obesity must be corrected by a greater urge, such as avoiding an early death."

When you get this desire you'll be willing to have your doctor prescribe a reducing diet and medicine if necessary and you will follow his advice.

"If you don't," Dr. Cox cautioned, "you'll probably find an early grave."

Fat people should get a good physical examination by their doctor before they start on a rigid reducing diet.

Before measuring molasses or syrup, dip the measuring cup or spoon in hot water. The syrup will run out easily and measurements will be more accurate.

You won't mind ironing ruffled curtains, that have been quickly dried in the gas clothes dryer, if you add a cake of the blue wax ironing aid to each quart of hot starch, home economics of the Gas Appliance Manufacturers Association report.

In Siam, houses are constructed with odd numbers of floors and steps to insure good luck.

Tip from the Gas Appliance Manufacturers Association: your gas range and refrigerator will look brighter and cleaner with a protective coating of cream wax applied at regular intervals.

After shining silver with a wax type liquid polish, be sure to wash it in hot sudsy water.

To crisp up one cup of stale diced bread, put it into a frying pan with a little butter and brown sugar and cook over the direct gas flame of the top burner stirring constantly. Add an equal amount of applesauce. Have it hot. Serve with cream, whipped or not, or with ice cream.

POST-STRIKE INTERROGATION — 28th Air Force, Okinawa — Weary B-29 crewmembers of the 387th Bomb Wing gather in the interrogation room at their Okinawa headquarters to give intelligent specialists the account of their night-long air strike against the Siping-dong rail center, a mile and a half from Communist China. Left to right are: Radar Observer 1st Lt.

Ralph D. McKown, Wilton Junction, Iowa; Navigator 1st Lt. Charles B. Brotherton, Lockney, Texas; and Aircraft Commander Robert F. Purtil, 68 Donslow Rd., Glastonbury, Conn. Lt. Brotherton's wife, the former Merle Myers, and their children have been making their home at Lockney. He expects to complete his tour of duty in Korea soon.

Shorthorns Beat Hale Center 13-6

The Lockney Grade School Shorthorns defeated the Hale Center grade school team 13-6 here Tuesday night. The game was pretty close all the way and it was only in the fourth quarter that the local lads iced the game away with a second touchdown.

The first half ended nothing to nothing although the Shorthorns threatened to score twice, getting inside the Hale Center 10 yard line both times. However penalties stopped them and they failed to cross the double stripe.

The second half was different with the Shorthorns coming back like a house afire. They soon drove down and made their score but try for point failed. Early in the fourth quarter a Hale Center back tore loose around his own right end to race 50 yards for the score. The try for point also failed and the score was 6-6.

But the Shorthorns were out to win. They drove down to midfield where Paul Ray Williams drew back and threw a long pass to John Thornhill who caught it in the clear and was never stopped. Bobby Stevenson plunged for the point and the score was 13-6.

Starting line-up for the Shorthorns was: John Thornhill and Wendell Sikes, ends; Charles Williams and Billy Rexrode, tackles; Roland Watson and Jerry Workman, guards; Wesley Elland, center; Gene Handley, quarterback; Bobby Stevenson and Paul Ray Williams, halfbacks; Coy Stevenson, fullback.

The Shorthorns will travel to Hale Center next Tuesday night to return the game.

The Hale Center band came along and furnished music at the halftime interval for the crowd. They performed very nicely.

RETURN FROM CALIFORNIA

Mr. and Mrs. E. L. Tomme and children returned Wednesday from Gilroy, Calif., where they had spent the summer picking fruit. They were very glad to get back home, they report.

Inhabitants of the Isle of Man are called Manxmen.

Carl T. Steen Is Visitor Here

Dr. Carl T. Steen of Pauls Valley, Oklahoma, was a visitor in Lockney last Friday. Dr. Steen is a brother to Editor Homer Steen of the Floyd County Republican and is a former owner of The Beacon. He lived in Lockney about 1908 for a few months and operated this newspaper. He is now superintendent of the state hospital at Pauls Valley.

ENTERS SCHOOL

Cleva Crouch, daughter of Mr. and Mrs. R. V. Crouch of the Providence community, is another Lockney High graduate who is going to college. She left September 1 for Bethany, Oklahoma, where she entered Bethany Peniel College for her sophomore year. She is taking a nursing course in addition to her regular course.

Mrs. R. E. Coffey is at the home of her son in Blackwell, Texas. She has been under treatment at Sweetwater

Local Men On Big Game Hunt

W. J. (Jake) Griffith and John F. Bickley returned home Tuesday from a big game hunt near Jackson Hole, Wyoming. The two men bagged two antelope, two deer and one elk on the hunt and saw a silver tip grizzly bear but didn't get a shot at him.

The Jackson Hole country is a rough area and there is quite a bit of big game there, they said.

DeLuxe Diner Under New Management

The DeLuxe Diner is now under new management. Mr. and Mrs. H. G. Strickland and Mr. and Mrs. Guy Hackleman took the cafe over Monday morning. It has been operated since its opening by Mr. and Mrs. Clyde Stowe.

The two Hackleman families have been operating a cafe at Midland until recently and are experienced in the cafe business.
