

Proposed beef grading changes offer hope

By JIM STEIERT
News Editor

After months of depressed fat cattle prices, local cattle feeders are still facing losses of \$30-\$200 per head on cattle placed in area feedlots. A

proposed change in the grading system currently used in this country has offered the cattle feeder new hope, however.

THE USDA and the US Grading Service have proposed a change in the cattle grading

system which would alter the Grading Service's "choice" designation to include a wider range of cattle. Alteration of the choice designation would eliminate some of the factors used in selecting choice grades in the past.

According to George Bagley, manager of the 42,000 head capacity Dimmitt Feed Yards located west of Dimmitt, such a move could prove a real boon to harried cattle feeders.

"Under the revised grading system, cattle would be on feed for a shorter period of time and feeders could really cut expenses," said Bagley.

BAGLEY explained that the finish on an animal would be a lesser factor under the new grading system.

"Marbling, an intermixture of fat and lean which affects the flavoring of the meat, is a key factor in the present grading system," said Bagley. "Feeders put extra marbling

on their cattle during the latter stages of the feeding period, and many times this lengthens the feeding period. The new system would put less stress on marbling and the amount of fat covering a carcass, allowing for a shorter feeding period of 120-150 days, and 150 days would be an extreme outside figure. We would be pointing to the 120 day period," he added.

The proposed changes in the grading system are still a long way off according to Bagley. Public hearings must be held on the issue and the proposal must be published in the Federal Register and passed in the House and Senate. Bagley es-

timated that it will take six months to a year to implement the change if it is approved.

A MASSIVE backlog of fat cattle is still presenting problems, but Bagley pointed out that consumer demand is currently "real good" and packers are killing all-time record numbers of cattle.

"Packers are receiving a lot of grass-fed animals, milk-fed calves and cows. These additional animals in the marketplace are competing with grain-fed beef," said Bagley.

While feeders are waiting for things to improve, they are doing everything they can to save money. Switching rations to get the most gain for the least cost has been common.

"WE'RE HOLDING steady in the number of cattle on feed at our facility and are running about 78 percent of capacity right now," said Bagley.

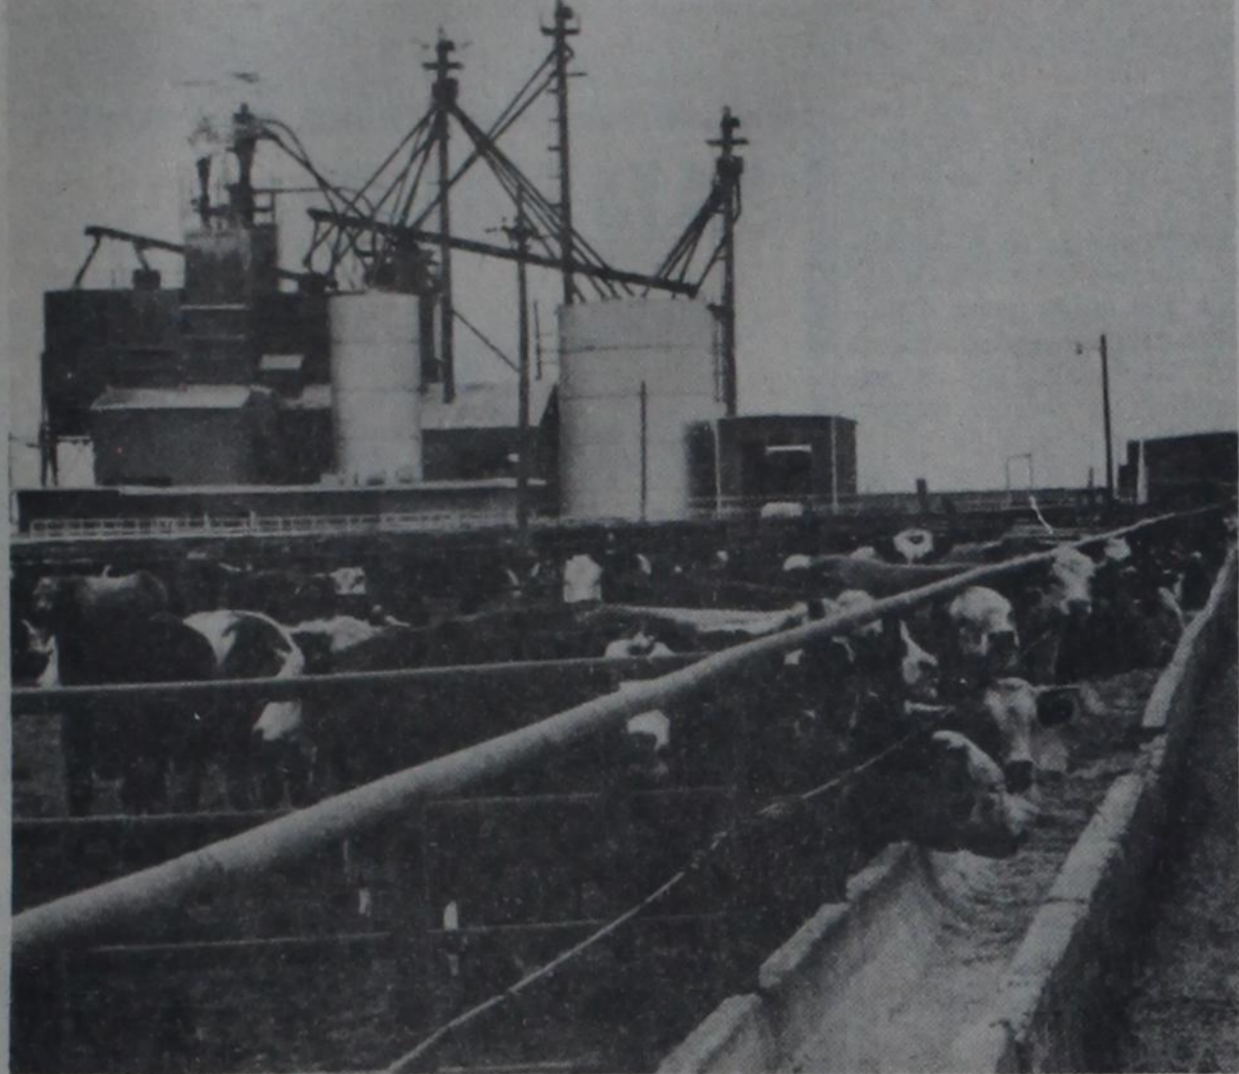

"The number of cattle placed on wheat pasture this fall and winter will have a lot to do with the number of cattle placed in feedlots next spring. People will have to be able to figure a profit in cattle before they start placing them on wheat," he added.

Bagley pointed out that feeders probably will not be using as much silage this year as in the past, due to high grain prices. "We'll have a supply to carry us through most of the year, but we're in sympathy

with the farmers because they can get so much more for the grain," he said.

According to Bagley, his facility fed milo throughout the summer months but will be going back to a part-corn ration as harvesting begins in order to obtain a slightly more efficient gain.

AREA CATTLE feeders will do everything they can to keep their cost of gain figure at a livable level while they wait for action on the proposed change in the grading system. The change may be a long time in coming, but while feeders are waiting they will have something else to hope for in addition to an upswing in the price of fat cattle.

TIME ON FEED is what it's all about in the cattle finishing business and a proposed revision of the cattle grading system could prove a boon to cattlemen by cutting down on the amount of time required to finish out an

animal. Here, cattle line up at a feed bunk at Dimmitt Feed Yards, where numbers of cattle on feed have remained fairly constant over the past few months, running at about 78 percent of the huge facility's capacity.

Hang in there, Mustafa!

Young Cypriot is still coming

He's supposed to be here next week, but all he'll have will be the clothes on his back.

THAT'S THE predicament of Mustafa Tosun, a 16-year-old American Field Service exchange student who is trying to make his way to Dimmitt from the strife-torn country of Cyprus.

According to Janice Bell, Dimmitt AFS president, "We're going to need to have money on hand to buy clothes for him when he gets here. The Cyprus situation has caused a problem that we've never had in the AFS program here. We have the opportunity to help this young man, and we're going to need response from the whole community."

Tosun was originally scheduled to arrive in Dimmitt in late August, but the young Turkish Cypriot's journey was delayed when civil war broke out on Cyprus. His trip has already been delayed three times.

The Carlos Calverts will serve as Tosun's American parents here, and according to Mrs. Calvert, many people in Cyprus have already intervened in the youth's behalf.

"UN representatives, the president of Cyprus and the Turkish vice president have all made efforts in Tosun's behalf," said Mrs. Calvert. "He made his way from his home in Mallia, Limassol to Nicosia, but when he got there he had no belongings. He missed a plane which flew three other Cypriot AFS students out of the country Tuesday.

"He was to make his way to Istanbul by ferry Wednesday and may catch a flight out of Istanbul next week," she added.

Mrs. Calvert pointed out that a trek over a mountain range near Tosun's home and occupying troops delayed him in his attempt to make Nicosia in time for the outgoing flight.

"We're hoping he makes it out next week, but when he gets here he'll sure need some help," said Mrs. Calvert.

Pancake supper on tap tonight

The Dimmitt Lions Club will host a pancake supper tomorrow (Friday) from 5:30-7:15 p.m. in the South Elementary cafeteria, prior to the Dimmitt-Springle-Earth football game.

PRICES will be \$2 for adults and \$1 for children 12 and under.

Lions will be serving up pancakes, sausage and bacon.

Drug education program slated

The Castro County Candy Strippers will hold a drug education program Tuesday at 7 p.m. in the city hall auditorium.

CONDUCTING the program will be Larry McClendon, safety education officer from Amarillo.

The program will be open to all adults and youths of junior high age and older.

Free refreshments will be served.

BON VOYAGE—Three city employees who have either retired or resigned were honored Sunday afternoon at a reception in the city hall auditorium. In foreground, Mayor Elmer Youts (right) presents letters of appreciation to (from left) Patrolman Donald Ray Charmichael, who has resigned to join the New

Mexico Highway Patrol; Amos Garcia of the Street Dept., who is retiring after 17 years' city service; and Director of Public Works E. M. Jones, who has resigned to go into the ditching business here. In background are City Manager Garnett Holland and Commissioners J. R. Brown and Chet Braafladt.

TFB establishes swine facility, marketing off to strong start

The Texas Agricultural Marketing and Development Association, a marketing arm of the Texas Farm Bureau, has established a slaughter hog marketing program in Amarillo for members, according to J. T. Woodson of Gober, president of the state farm organization.

FRED BRUEGEL Jr. of Dimmitt, area TAMDA director and owner of High Plains Pork of Dimmitt reported 4740 hogs were marketed in the program's first nine marketing days. "This was a real good start," said Bruegel.

The marketing program was established by the Texas Farm Bureau at the request of county Farm Bureaus in the Panhandle area. Woodson explained that producers in the area felt they needed additional market outlets.

"This is the first hog marketing operation the Farm Bureau has established in the state of Texas, although Farm Bureau has similar operations in other states," said Bruegel.

"For the past three or four years the only market for our hogs was Plainview. That's a good market, but this program gives us another outlet, with more packers bidding for our hogs. The formation of this operation could mean the difference in a profit or loss for hog producers in the future," Bruegel added.

THE OLD Sunray Packing Company facility, located two blocks west of Amarillo Livestock Auction, has been leased for the program and is serving as a collection point for hogs coming from a 12-county area of the Texas Panhandle.

Hogs are weighed, graded and offered to packers within a 500 to 700 mile radius. Bids are taken on lots according to grade, Woodson said.

Ron Davis, former Canyon vocational agriculture teacher, has been employed to operate the TAMDA hog marketing service in Amarillo.

"The main benefit of the service to producers is that they are paid according to the quality of hogs they sell," said Woodson. "Packers like the program because they know exactly what they are purchasing."

[See MARKETING, Page 13]

PET program set here by Plainview center

The Central Plains MH/MR Center will be offering a "Parent Effectiveness Training" program through the Dimmitt Outreach Office beginning Sept. 30.

DIMITT'S PET class will be the first in the Plainview center's nine-county service area.

Roy Alexander and Laura Vincent, psychologists with the Plainview center completed an intensive 40-hour workshop on how to teach parents ways of preventing or healing the generation gap in Denver, Colo. this summer.

The program's founder, Dr. Thomas Gordon, of Pasadena, states that all conflicts in the home can be resolved without either parent or child losing face or sacrificing his needs.

"Parenthood is the only major job in our culture for which no training is required or even available," said Alexander. "PET can help to develop the effective skills needed to do that job well."

FOUNDED in 1962 in California, the PET program has recently spread across the country, with over 1,000 licensed instructors now teaching classes of approximately 25 parents how to listen so children will talk, talk so their children will listen, and solve problems so that no one in the family loses. The resulting closeness and cooperation has been reported to make both children and parents happier and to eliminate the so-called "generation gap."

Alexander and Dr. Vincent are available to tell the story of PET before interested community groups here. Those interested in the program may call the Dimmitt Mental Health Outreach Office at 647-2409.

In recent months the PET program and Dr. Gordon have been the subject of feature articles in McCall's, the New York Times Sunday Magazine, Coronet and the NBC "Today" program.

Grand Jury returns nine indictments

The Castro County Grand Jury returned nine indictments in its Tuesday session.

RUSSELL Lee Curry, 31, of Dimmitt was indicted on charges of aggravated kidnaping in connection with the Aug. 29 abduction-shooting of a seven year old Dimmitt girl.

County attorney Robert Buntyn reported that he will seek an early trial date in the Curry case.

Hobart Kilgore of Dimmitt was indicted on a charge of murder in connection with the shooting death of Irene Kilgore Sept. 6.

VFW will host dance Saturday

Castro Memorial VFW Post 8056 will host a dance at the post home Saturday night from 8:45-12:45.

PROVIDING music for the dance will be the "Caisson Kids" with Sandy Caisson as the featured vocalist.

Admission will be \$5 per couple.

Proceeds will be used to finance local Veterans Day activities Nov. 11.

Ned Smith is PW director

Ned Smith has been named as the new director of public works for the City of Dimmitt.

SMITH succeeds E. M. Jones, who has resigned to go into the ditching business.

Rites conducted for Mrs. Albracht

Funeral Mass was held Wednesday in the Holy Family Church of Nazareth for Mrs. Anna M. Albracht, 91, a Nazareth resident for 40 years.

FATHER Stanley Crocchiola, pastor, officiated.

Mrs. Albracht died Monday about 1 a.m. in Plains Memorial Hospital.

Born Aug. 24, 1883 in Lindsey, Nebr., she was a member of the Holy Family Church, the Fraternal Order of Christian Mothers, Order of St. Francis, Catholic Daughters and the American Order of Martha.

Her husband preceded her in death in 1961.

Survivors include three sons, Florence of Nazareth, Matt of Amarillo and Andy of Reseda, Calif.; five daughters, Mrs. Mary Brockman of Umbarger, Mrs. Ledwina Pohlmeier of Reseda, Calif., Mrs. Adeline Pohlmeier of Nazareth, Mrs. Christina Hoelting of Nazareth, and Mrs. Veronica Heiman of Ingleswood, Calif.; two sisters, Mrs. Clare Niebere of Minneapolis, Minn. and Mrs. Katie Sayles of Rosemead, Calif.; two brothers, John Diederich of Omaha, Nebr. and Pat Diederich of Orange, Calif.; 38 grandchildren, 106 great-grandchildren, one great-great grandchild and over 100 nephews and nieces.

PALLBEARERS were Mrs. Albracht's grandsons, Bob Brockman, Dennis Hoelting, Joe Albracht, Mike Williams, Ralph Albracht and Lloyd Venhaus.

Burial was in Holy Family Cemetery under the direction of Dennis Funeral Home.

Nazareth to host Legion zone meet

Posts of Zone 2 of the American Legion and American Legion Auxiliary will hold a zone meeting at Nazareth American Legion Post 528 Tuesday at 8 p.m.

PRESENTS CHECKS—Pete Garza presents two \$25 checks, one from the Dimmitt Jaycees and one from the Dimmitt United Lions, to Mrs. Erasmo Dominguez. Mrs. Dominguez is the mother of 7-year-old Diana Dominguez who was injured in a shooting incident two weeks ago. Diana returned to school Monday,

where she is a student in the second grade. Many local merchants and organizations have been collecting donations to help the Dominguez family defray medical expenses. A fund has been established at the First State Bank where donations may be left.

Sheffy's chatter

Grandma golf tournament conducted here Saturday

By MYRTLE SHEFFY

"Fall" is here and the clubs and parties are going on.

THE GRANDMA Golf Tournament was Saturday with all the gals out playing. Bernice Hill tells me she had the granddaughter Valeria Hill of Amarillo. She is the daughter of Bennie and Denise. They came too, so Bernice had to get a sitter so she could play. Bernice was also hostess at the Friday Bridge at Dimmitt Country Club—three tables, that is 12 ladies came. Pickup foods were served. High score winners were Rosazalia Gilbreath and Bobbie Damron.

GEORGE AND Josie Bradford went to East Texas last weekend. First stop at Fort Worth to visit relatives, on to Denton to see brother Johnny Roden and family, on to Blossom, the old hometown, and Paris to see friends.

Opal Bearden visited Mrs. Glen Render who is very ill in an Amarillo hospital.

I didn't get to go to Slaton to see the game. So Jimmie Chapman will have to tell you all about that. But we must all go next Friday. Springlake-Earth will be here, and number 50 on that team is our grandson Randy Bills. Mrs. Norman Cleavinger has a grandson, number 12, on the opponent's team and Howard Bridges' grandson is 74 for Springlake-Earth. Oh boy!

The Plains Memorial pink ladies or the Auxiliary girls started the new year's work with a brunch Wednesday morning at the Castro County Country Club, with Mrs. J. R. Matthews presiding. The theme is "Busy as Bees", which is true. The ladies do many things for the hospital besides the gift shop and coffee serving. The several tables were decorated with the theme, one tree with flowers and bees, very attractive. Several new members were added and 36 ladies attended the brunch.

HAZEL Dunn went to the Abilene area to visit her son and a sister. Hazel is manager at South Hills Manor.

Mrs. Clarence Bearden was hostess with a bridge party Thursday afternoon. She served dips, fruit plate and sherry and cake to Ruth Coleman, Anita Morris, Cletha George,

Gladys Cleavinger, Ruth Wooten, Retta Cluck, Myrtle Sheffy and Ceal Carlile, who won high score.

Mr. and Mrs. Jack Robinson of Woodward, Okla. have been visiting with her sister Marie and Curtis Tate for a few days. The Tate's daughter Pat and Ken Truelove are going to Hawaii for a vacation trip soon.

DON AND LaVon Reeve and children have moved into their pretty new house at 711 Cleveland, so one evening recently a group of Church of Christ ladies and husbands went over to help "warm the house." Taking cookies and coffee were Becky Killingsworth, Judy Waggoner, Anna Calvert, Dalia Gregory, Ellen Gregory, Dorothy Nutt. A money tree was the gift. You know that Don has the Chevrolet car agency.

Becky Gregory was the 7-year-old birthday girl Friday the 13th, so mother Mrs. Don Gregory baked a cake and asked in Becky's friends. They are Polly and Gay Waggoner, Jamie and Judy Reeve, Gill Smith, Camille Farris, Cari Collins, Sue Crozier, Seral Simpson, Stephanie Killingsworth, Camille Summers, Lori Potts, Mecca Wilkerson and Lynn Roland.

MRS. DON Gregory, a teacher at North Grade School, says "If you have children's magazines such as Jack and Jill, Boys Life, Childrens Digest, any good kinds, please bring them to the office at North Elementary. Thank you."

We are happy to report that Brenda Bruton, or Mrs. Danny, is doing fine after her stay in a hospital at Lubbock. The surgeon says there are no problems.

Dee Williams and Faun Welker were among the many who went to the musical concert in Plainview. Nolan Froehner usually sells tickets to the concerts.

Cindy Williams of WTSU and Richard Ridgeway of Amarillo came to see her parents Bill and Dee Williams Friday evening and to tell them of their plans for their wedding October 4. Cindy is a student at WTSU and helps her teacher train girls in horsemanship. She also helps in one of the shops. Richard is a medical technician and has a job with the ambulance service at this time. The Williams had homemade ice cream and cake and much conversation to welcome the couple.

MR. AND MRS. Goodwin Miller, Allie Mae Willis and Anita Morris and Carolyn Copeland spent a few days in Hobart, Okla. visiting relatives and friends the first part of the week.

Mr. and Mrs. James Fewell, Adele, Kint and Tim went to Slaton to see the Bobcats play the Tigers, football of course, and they spent the night in Cooper south of there with a brother Sputter Thomason and family.

George and Irene Blanton were in Dallas and Denton last week visiting the girls Georgene and LaNelle and the families. They report rain there but that didn't stop them from going places.

Mrs. O. V. Barker, Mrs. Mike Ramsey of Bells in east Texas were weekend guests of sister and aunt Cletha George, Jimmy and Floyce George. And Shelly Rice of Amarillo was a family guest too.

Well, listen to this. Julie Hrabal tells us that her momma

Ellen, Ramona Annen, Joannis Robertson and Maxie Horton made 19 gallons of sauerkraut with Juanita Bruegel as teacher. Julie says they will probably have kraut, sausage and black-eyed peas for Christmas.

MONA MERRITT was hostess at a fun party Thursday afternoon. Bridge and food were served to Joannis Robertson, Ina Cleavinger, Betty Boothe, Deanne Clark, Shirley Wise, Dorothy Mayfield, Darlene Dowell, Brenda Andrews, Ruth Jackson, Dorothy Gilbreath, Dorothy Elder, Carolyn Jones and Lois Wales.

David and Leta Musick are the parents of a new baby boy that came Sunday night around 12. His name is Ronnie Lyn, 7 1/2 pounds. He is the grandson of the Derrel Musicks and the Harley Dodds. The greats are Mr. and Mrs. Jesse Hughs and Jack and Alta Summers.

Clarence and Opal Bearden made one of the last fishing trips to Colorado a while back before the snows came in. He likes the trout at Vallecito Lakes.

Earl and Grace Lust, Vern and Millie Lust and their daughter Grace Louise Stone spent several days in Colorado. First a visit with cousins at El Dora near Boulder, then across the mountains to the west and home again by another road.

And the Woodrow Killingsworths go to Colorado on business, also to Colburn to see their daughter Kay and Troy Stafford and kids.

MR. AND MRS. J. D. Elliott

and daughter of Childress were weekend guests of L. J. and Joyce Rice of Hart. I met these folks at the cafe. Good place to see people as well as eat.

Ted and Dorothy Sheffy and their daughter Beth and Rick Wallace of Tulsa went to Canyon Sunday afternoon to see Virginia and to be guests of Delta Zeta sorority at their open house.

Mrs. Beulah McMurry and her daughter Oleta and Noel Gollehon attended the funeral of Mr. McMurry, the husband of Beulah, at Childress one day recently. Mr. McMurry was in a nursing home there and Mrs. McMurry lives here in South Hills Manor.

And this week Noel and Oleta went to Albuquerque to see Noel's brother Joe who is very ill. He had surgery but not improved.

Mr. and Mrs. Lee Manning of Midland were here for a visit with his brother Shorty and Polly. Hattie says Shorty is doing fine. He is walking again after his recent illness.

I WAS chatting with Renee Butler at the cafe. She tells me about the freshmen cheerleaders. They are good "yellers". Darena Moore is head cheerleader, Renee, Dorothy Rivers, Louise Fagan, Elizabeth Flores and Nell Kelly is their sponsor.

Margie and Mac Wiggs of Granbury were here last week for a visit with her sisters Emily Clingsmith, Mary Alice DiCuffa and brother Bob McLean. They stay there in a beautiful lake nearby if you like to go fishing. This is southwest

of Fort Worth in Hood County. Mrs. George Bagwell reviewed the book "The Lucky Moores" Wednesday afternoon at the assembly room of Rhoads Library. This is the story of a family who moved out to this part of the country from the East. The mother died leaving five children, 13-year old Melissa and a five-day-old baby, 11-year-old girl and two bigger boys. The father had bought 50 sections of land, had horses and cows, went ahead of this girl who looked after the baby and other kids leading a cow, and driving the horses for days to the new home. Mrs. Charlie Hays and Mrs. Sara Hill served coffee and cookies at the social hour. Mrs. John Merritt presided at the business meeting.

TRUDY DENNIS, Rachel Cleaver and Ruby Wood attended a flower school of design in Lubbock Sunday. This is the South Plains Design School sponsored by Wholesale Florist Mabens and the Lubbock florist Georgia Effertz, a flower technologist from the School of Design at Shawnee Mission, Kan. Box lunches were served to people from New Mexico, Texas, Kansas and Oklahoma.

Jim Steiert and Jerry Davis from Hart got their limit of teal ducks over the weekend. Visiting in the home of Elvis and Joy Barker over the weekend were his mother Mrs. Ida Barker and brother and sister-in-law Mr. and Mrs. Rayford Barker, all of Erick, Okla. They also visited Mrs. Barker's sister and family, the H. O.

Markleys. Other guests in the Markley home were Mr. Markley's sisters Mrs. Ivy Thompson of Sweetwater, Okla. and Mr. and Mrs. Cullen Pyle of Sayre, Okla.

Sgt. Duke Chapman was in Yuma, Ariz. for two weeks on a training program. He'll go to San Diego for three or four weeks then will return to his base in Hawaii. He'll visit his sister Margaret and Jim Leinen, Jim Bob and Brandi in Baldwin Park while there.

LOIS AND L. V. Cole have just returned home from a two week visit at the home of their daughter Barbara and family in Fort Lauderdale, Fla. It was beautiful as always, weather and the countryside. They came back by Longview to see L. V.'s sister and family, then to Lubbock to visit Lee, who is a Bible major at Lubbock Chris-

Calvert gets Doctorate at University of Texas

Stanton C. Calvert of Dickinson, son of Mr. and Mrs. Carlos Calvert of Dimmitt, recently completed requirements for a doctorate degree in college administration from the University of Texas.

CALVERT attended school in Dimmitt for 12 years, graduating from Dimmitt High School in 1961. His undergraduate work was taken at

Abilene Christian College where he earned a Baccalaureate degree in English in 1965.

Dr. Calvert has served as Dean of Students on the administrative level for the past three years at College of the Mainland in Texas City. He is married to the former Ann Massey of Abilene and they have two sons, Raif, age 3, and Jess, 10 months.

VIEW FROM THE LIBRARY

By MARY EDNA HENDRIX

The Dimmitt Book Club held its first meeting of the fall season on Wednesday, Sept. 11, with the new president Sue Merritt presiding and Sara Hill and Nancy Hays as hostesses. Mrs. Ruby Bagwell reviewed the book "The Lucky Moores" by Elsie Guthrie. Mrs. Bagwell had as her guests Mrs. Ivor Bagwell, Mrs. Elza Gallion, Mrs. Ruth Smith and Mrs. Mae Poss from Alabama. Mrs. Bagwell's special guest was Mrs. Walter Maynard who gave some background history about the author, Mrs. Guthrie, who was Walter's teacher in Memphis.

the Prairie", and "These Happy Golden Years".

THE BOYS and girls had a special treat last Friday when Mrs. Coleman came and told several stories and Mrs. Schacher and Mrs. Rials conducted some games. Also Mrs. Handley stayed to help. Mrs. Rials served homemade cookies and punch to 19 boys and girls.

The Friends of the Library met Friday afternoon with Maxie Horton presiding. Other members present were Margaret Womack and Sandra Bagwell.

We had several coming from Littlefield last Saturday to see our library since they are planning to build a new library. Mr. and Mrs. Hicks and Mrs. Dorothy Spencer and Mrs. Jo Ann Austin. Mrs. Hicks is the librarian and Mrs. Spencer the assistant librarian.

Governor Dolph Briscoe has sent an Official Memorandum designating the week of Sept. 16 through Sept. 21, 1974 as VOTER REGISTRATION WEEK, so I would like to pass this information along to you.

MARIE Howell, the assistant librarian, has enrolled in a night class at the Amarillo College taking a course in library technical assistant. Maxine Merriman, Library Coordinator of the Amarillo Public School System, is teaching the course. This course includes a study of the technical services divisions such as acquisitions, processing, binding preparations, and repair.

We have written about the Laura Ingall Wilders' books before, but since the television program, "Little House on the Prairie", has started we need to mention again that we have these books in the library. Here is a list of the titles: "Little House in the Big Woods", "Little House on the Prairie", "Farmer Boy", "On the Banks of Plum Creek", "By the Shores of Silver Lake", "The Long Winter", "Little Town on

What's cooking at the schools

HERE ARE the school lunch menus for Dimmitt Schools for Sept. 23-27.

Monday - Baked ham, sweet potatoes, green lima beans, fruit, rolls, butter and milk.

Tuesday - Hamburgers, sliced tomatoes, lettuce, onions and pickles, date cake, milk.

Wednesday - Beef stew with vegetables, pineapple circles, orange cake with icing, cornbread, crackers and milk.

Thursday - Fish with tartar sauce, rice, peas and carrots, chocolate pudding, butter, bread and milk.

Friday - Pizza, corn, lettuce and tomato salad, gelatin and milk.

HAYS HAS IT:

Electronic Grain Monitors

"Hears" the sound of grain going through your straw walker, cleaning shoe and terminal block, and reports it to you by dial. Tells you exactly the volume of grain being thrown over at any instant, so you always know how your combine is performing and can make adjustments to suit conditions. A real money-saver!

Altos Youth Rally at Three Way Baptist Church Monday night.

THE LIONS Club observed Ladies' Night at their meeting Monday night. Mr. and Mrs. Thomas Parson were guests.

Average attendance for the Week of Prayer programs for the Mary Hill Davis State Missions emphasis was seven, with meetings each morning except Wednesday. The men brought the Wednesday program during the prayer service Wednesday night. The church goal for state missions is \$600.

Carl Bradley was admitted to Plains Memorial Hospital in Dimmitt Thursday night and dismissed Saturday.

Mrs. Bob Ott honored Mrs. John Seiver with a get acquainted coffee in the home of Mrs. Seiver Wednesday morning.

MRS. JOHN Gilbreath, Mrs. Winston Waggoner, Mrs. Embree Roy Sadler and Mrs. L. B. Bowden attended the membership brunch of Plains Memorial Hospital Auxiliary Wednesday morning at the Country Club in Dimmitt.

Mr. and Mrs. Hershel Wilson, Mr. and Mrs. Roy Phelan, and Mr. and Mrs. Bill Morgan and Steve spent Thursday night in Amarillo and left early Friday by bus for Parsons, Kan. for a Lay Witness Mission there. Mr. Wilson is the coordinator.

Mrs. Embree Roy Sadler, Mrs. Thomas Parson and Mrs. L. B. Bowden represented the church in a visit to South Hills Manor Nursing Home in Dimmitt Thursday afternoon.

Mr. and Mrs. Ezell Sadler attended the Caps reunion near Abilene Saturday and Sunday.

MR. AND MRS. Bill Ott of Hereford visited Saturday with Mr. and Mrs. John Seiver, Billy and Brooke.

Mr. and Mrs. Cliff Brown, Lee and Lynn visited in Lubbock Sunday afternoon and had supper with Mr. and Mrs. E. R. Brown and other relatives.

Mr. and Mrs. Martin Lefevere of Lubbock spent the weekend with Mr. and Mrs. R. J. Lefevere and attended the

Frio
Church hosts mission study

By MRS. OWEN ANDREWS

Frio Baptist Church W.M.U. was host on Wednesday to a Mission Study luncheon with guests from First Baptist Temple and Avenue Baptist Churches, Hereford, and Summerfield Baptist Church. All groups participated, each presenting a phase of the study. The luncheon, also jointly furnished, was Mexican foods. Mrs. Earl Harkins, Frio president, is in charge of the meeting. About 40 ladies attended.

FRIO Homemakers Club met Tuesday in the home of the president Mrs. E. F. Vogler for its first meeting of the new season. A luncheon at 12:30 was followed by a short business session, with new yearbooks distributed. A new member, Mrs. Joe Schumacher, and nine others attended. They included Mmes. D. F. Yandell, Lloyd Waltz, J. E. Warrick, Fred Walton, Annie Springer, Jim Brooks, Owen Andrews, Frank Robbins and Seldon Stephan.

A group of young people from Frio Baptist Church went to Happy last Sunday evening, Sept. 8, to present a program entitled "Joy". This musical message was presented at the local church the Sunday evening before and was taken to the Baptist Church at Melrose, N.M. Sunday night. A bus was used for most of the group. Several adult couples accompanied them. Mrs. Ronnie Andrews and Mrs. Joe Shultz directed. Mrs. Jack Rogers was pianist and several men operated sound and projection equipment.

Several of the Andrews relatives attended the funeral on Tuesday morning for Lloyd Roberts of Melrose at the Methodist Church there. Mr.

Mrs. Gale Sadler spent the day Wednesday with Mrs. Pearl Sadler in Central Plains General Hospital in Plainview.

Mrs. Ezell Sadler and Mrs. Embree Roy Sadler spent the rest of the week with her. She is making satisfactory progress and taking therapy this week.

R.A.'S MET Wednesday night with Lee Brown and Steve Morgan as their leaders. G.A.'s and Mission Friends met Thursday afternoon after school with Mrs. Gale Sadler, Mrs. Thomas Parson and Mrs. J. Paul Waggoner as leaders.

Baptist Women met Wednesday night for the current missions group meeting with Mrs. Mack Turner and Mission Action with Mrs. Embree Roy Sadler.

Roy Phelan conducted the officers and teachers meeting Wednesday night after the regular services.

The prairie dog demonstration scheduled for Thursday at Boys Ranch Farm was postponed due to the small attendance.

Mr. and Mrs. Ezell Sadler attended the Caps reunion near Abilene Saturday and Sunday.

MR. AND MRS. Bill Ott of Hereford visited Saturday with Mr. and Mrs. John Seiver, Billy and Brooke.

Mr. and Mrs. Cliff Brown, Lee and Lynn visited in Lubbock Sunday afternoon and had supper with Mr. and Mrs. E. R. Brown and other relatives.

Mr. and Mrs. Martin Lefevere of Lubbock spent the weekend with Mr. and Mrs. R. J. Lefevere and attended the

brother Kim last Saturday.

Mr. and Mrs. Elza Warrick visited their daughter Mrs. Les Draves, Mr. Draves and family at Alamoso, Colo. the past week. Wednesday evening they attended an Eastern Star Installation service during which Draves became Worthy Patron and Mrs. Draves a Worthy Matron. Randy, son of the Draves, came home with his grandparents for a visit.

Mrs. Annie Springer recently visited her sister Mrs. John L. Frances at Plainview. Mrs. Springer is able to live at home and drive her car again after about a year of poor health.

Several of the Springer relatives attended funeral services for Mrs. Mattie Springer, 86 years old, at Kress Baptist Church Tuesday. Mrs. Springer had lived at Westgate Convalescent Home for over two years. Her husband, the late F. J. Springer, was a brother of Mrs. T. L. Sparkman Sr. and Mrs. D. B. Roberson of Hereford. Mrs. Lyvia Johnson of Hale Center and Mrs. R. A. Gilliam of Merten. Two daughters, Mrs. Bonnie Boggs of Kress and Mrs. Olene Wimblerley, Canyon and six grandchildren survive. The Springer home was at Kress for many years. The Springers were both active in the Baptist Church there until both were past 80 years of age. Burial was in a Plainview cemetery.

DROUTH and excess moisture are the two major causes of US crop losses. Drouth accounts for nearly 40 percent of the losses, and excess moisture 14 percent.

MRS. JOHN Stokes and Shelby from Mount Vernon, Wash. are here visiting her parents the Spicer Gripps and other relatives. They came also to attend the wedding of her

Genealogists set meeting tonight

The Castro County Genealogical Society will meet tonight (Thursday) at 7:30 in the Rhoads Memorial Library. Mrs. Ann Oldham will speak on the use of inter-loan genealogical material from the Texas State Archives. Members should bring any new ideas or information to share with the group.

A new microfilm catalogue has been received. All microfilm is now \$12 per roll regardless of size.

A microfilm reader is available in the library for public use. Everyone interested in genealogy is invited to attend the meeting.

Farmers harvesting corn, maize, carrots

By MRS. AGNES BROCKMAN
Sunday was a damp and rainy day all day. The moisture probably amounted to a quarter of an inch altogether. Anyway it's still rather dreary and damp here yet this Monday morning and will keep the farmers out of the fields for a day or two. Corn, maize and carrot harvesting has begun and lots of folks are planting wheat.

THE NAZARETH Band members and several sponsors went to Amarillo Monday to march in the parade at the Fair, which began Monday morning.

Kemit Richter, a brother of Mrs. George Book Sr. and Gary Richter, her nephew, from Georgetown visited in Nazareth over the weekend.

Quite a number of members of the Farm Bureau attended the supper and meeting in Dimmitt last Saturday evening.

JACKIE BOOK who teaches at Tierra Blanca School in

Hereford and Karen and Peggy from West Texas State University in Canyon spent the weekend at home visiting their folks. Their father George H. Book came home from the hospital last week and is doing quite well.

The James Wilhelms went to Pampa Sunday to visit their daughter and son-in-law Juanita and Charles Barker.

THE THEIR family held a reunion Sunday at the American Legion hall with a big dinner at noon and visiting with relatives they hadn't seen for some time in the afternoon. One hundred and thirty guests registered. There were relatives from Hereford, Amarillo, Hart, Plainview, Fort Worth, Tulia and Nazareth present for the occasion. The honored guest was Tony Their, eighty six years old, from Spokane, Wash., only surviving member and uncle of the original Their family. He helped to establish Nazareth in 1902.

The Nazareth FFA members held their second meeting Sept. 9 to discuss some chapter activities. To raise money they plan on having a breakfast after a dance, picking up scrap iron, and having a slave day. Anyone wishing to donate scrap iron can contact the Nazareth FFA. For fun they are planning to have a dance after a football game, a Father and Son Banquet, and a bonfire. No dates have been set as yet for these activities.

Dimmitt men included in OYM awards volume

Three Dimmitt men have been selected as "Outstanding Young Men of America".

CHARLES C. "Chuck" Braafladt, Jerry Lynn Killingsworth and Ronald Wayne Gfeller were named for the honor.

Now in its 10th year, "Outstanding Young Men of America" is an annual biographical compilation sponsored by men's civic, service and professional organizations.

Criteria for inclusion in the awards volume are service to others, professional excellence, business advancement, charitable activities, civic and professional recognition.

Amarillo. He is employed as a salesman for Killingsworth Builders Supply. He and his wife Meri have one son, Tye, 7 months old.

GFELLER is employed as a farmer and consulting entomologist. He attended South Plains College and received his BS degree from Texas Tech. Married to the former Linda Kay Falkerson, the Gfellers have a son, Matt, 2.

Commissioners okay purchase of pickup

City commissioners voted to purchase a pickup for the sanitary landfill operation and uniforms for the city fire marshal and approved relocation of the city's fire alarm relay switch at Monday night's session.

AFTER HEARING a request from city manager Garnett Holland, the commissioners approved an expenditure of \$2100 for a pickup to be used in hauling fuel and other items for the city's track-type tractor at the sanitary landfill operation.

Holland told the commission he felt the city fire marshal should have a suitable uniform to wear when he makes inspections of homes and performs other duties and added that the cost to the city would be \$78-\$80. After a short discussion the commissioners approved such a purchase.

In other action the commissioners discussed the present location of the relay switch used in the city fire alarm system. City fathers voted to move the relay switch to the fire station and convert the present alarm system to 24 volts. Approximate cost of the project will be \$900.

The commissioners also reviewed the city's summer mosquito control program. Members were in agreement that the aerial spray program used this summer has been effective and pointed out that few mosquito complaints had been received.

CITY mosquito control is provided by Marion Air Service. The most recent spraying of the city was about three weeks ago according to commissioners.

Braafladt graduated from West Texas State University in 1965 where he majored in marketing. A 1961 graduate of Amarillo High School, he achieved the rank of first lieutenant in the Army while serving in Vietnam. He is married to the former Patricia Ann Pryor and they have three children, Todd, 6, Tiffany, 5, and Christian, 1. He is a Phillips Petroleum Co. jobber.

Killingsworth attended South Plains Junior College and Texas State Technical Institute at

Castro Lodge AF & AM-879. Regular meeting, 3rd Monday. Practice every Thursday, Walter B. Jones, Worshipful Master, Ira E. Brown, Secretary. Visitors Welcome.

BIG SUNFLOWERS—Dan Heard poses amid his 13 acre field of sunflowers near the Bethel community. A sample flower which Heard cut measured 14 inches in diameter without the petals. The flowers are expected to yield

3,000 pounds of seed per acre. The seed will be processed in Plainview and used for sunflower oil. Sunflowers could become a new commercial crop in the area.

Feed grain, wheat, cotton programs announced for '75

Secretary of Agriculture Earl L. Butz reported last week that the 1975 feed grain, wheat, and upland cotton programs will have no set-aside requirement, and will provide farmers decision-making freedom to produce for the marketplace. He stressed there will be no land removed from agricultural production under these government programs.

AS THE Department stated when announcing the 1974 programs, there will be no conserving base requirement for the duration of the Agriculture and Consumer Protection Act of 1973 (through the 1977 crop year). Nor will the provision be implemented during the life of the 1973 Act which gives the Secretary discretionary authority to limit feed grain and wheat to a percentage of allotments and upland cotton plant-

ed in excess of the base allotment.

The Secretary pointed out that the allotments under programs authorized under the 1973 farm bill do not represent a limit on acreage, but are computed only for the purpose of payments to producers should such payments be required. Generally, the allotments for wheat and feed grains represent the number of acres harvested of wheat, corn, grain sorghum and barley based on the estimated national average yield which would result in production equal to estimated domestic and export disappearance in the 1975-76 marketing year.

Also, as in 1974, the producers may substitute any non-conserving crop or any conserving crop used for hay or for grazing in order to preserve their wheat, feed grain or cotton allotments and to make them eligible for any payments under the target price feature. Crops for which a marketing quota is in effect are excluded.

BECAUSE OF the market-oriented nature of these programs, producers will be studying prices rather than allotment acreages, Secretary Butz said. The price incentive should result in full plantings and with normal weather conditions

should enable the US to not only fulfill domestic and export requirements but to build up much needed stocks as well, he said.

Secretary Butz said the announcement will provide farmers with the information they need to make their 1975 crop planting decisions. Additional program provisions will be announced after the Department has had an opportunity to make a better determination of 1974 production, he said.

Completion date moved up to '78 on new SWPS plant

Roy Tolk, chairman and president of the Southwestern Public Service Company, announced today that the completion date for the second 350,000 kilowatt coal-fired generating unit at the company's Harrington Station, near Amarillo, has been moved up from 1979 to 1978.

"THE AREA we serve continues to grow and this means more industry and more people. In order to continue to provide our customers with the electric service they need, we found it necessary to have the second unit at Harrington Station ready a year sooner than we had first planned," Tolk said.

The first coal-fired unit at Harrington Station is now under construction and is scheduled for completion in mid-1976. It is also a 350,000 kilowatt machine and construction is on schedule.

When both units are completed and on the line, the SPS system generating capability will be increased to almost 3-million kilowatts, with the coal-fired units representing 22% of the total.

The turbine-generator for the 1978 unit will be made by Westinghouse and the boiler by Combustion Engineering, Inc. and these manufacturers have assured SPS that the equipment will be available.

Former Wild Plant Now Top Vegetable

A one-time wild plant with bitter poisonous juices—now in cultivated form—ranks as one of the nation's best-selling vegetables.

It's celery, a 17-million pound crop that's grown chiefly in California and Florida.

A recent study showed that, while retail prices for celery have increased more than 50 percent over the past decade, the grower's share of the price has remained fairly stable. It averaged 12 percent for the 10-year period.

On Wall Street

By Bob Hill

Lentz, Newton & Co.

Tax cuts are always welcome and tax increases are political dynamite. One of the basic reasons for our current inflation rate was President Johnson's reluctance to propose a tax increase in the midst of the Vietnam conflict. It imposed a huge war effort on top of a booming economy and prices went through the roof.

NOW A rising chorus of "let's have a tax cut" is coming from the liberal wing of politicians and economists. The Ford Administration is holding to a policy of more restraint, not less. The tax cut advocates say that high interest rates and tight money will do little to

curb inflation, but will do plenty to cut production and cause unemployment. If that happened, then the reaction of the monetary authorities would be to begin massive deficit spending, in order to get the economy moving upward. The result would then be a repeat of the 1971 inflation splurge.

Most of the tax cut proposals are in the social security tax, both the employee's and the employer's contributions. This would increase take-home pay and might soften labor's demand for higher wages. It would also lower company costs, hopefully, and break the wage-price spiral.

Opponents of a tax cut now point out that increasing take-home pay will do nothing more than increase prices because stimulating demand for new cars, for example, will just put a greater strain on the steel and aluminum industries, already operating at maximum capacity. They say that increasing demand only increases inflation.

THE CRITICAL point today is whether the budget cuts the Administration is considering will throw the economy into a recession. Sharp budget cuts combined with continued high interest rates and tight money could very well trigger the recession everyone is trying to avoid. This would be "overkill."

If the economy continues to slide and excess productive capacity begins to develop in the major materials industries, then a tax cut proposal would become a good thing.

DPS checks 18 August accidents

The Texas Highway Patrol investigated 18 accidents on rural highways in Castro County during the month of August, according to Sergeant J. R. Smith, Highway Patrol supervisor of this area.

THESE CRASHES resulted in no deaths and 11 injuries.

The rural traffic accident summary for this county during the first eight months of 1974 shows a total of 63 accidents resulting in one death and 40 injuries.

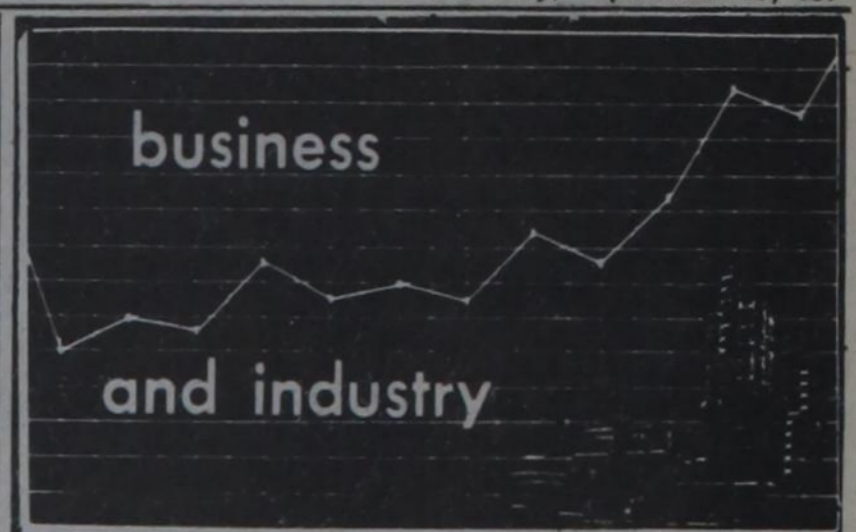

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for August, 1974, shows a total of 542 accidents, resulting in 30 deaths and 314 injuries as compared to August, 1973, with 586 accidents resulting in 24 deaths and 328 injuries. This was 44 less accidents, six more killed, and 14 less injured than in 1974 at the same period of time.

THE 30 traffic deaths for the month of August, 1974, occurred in the following counties: seven in Palo Pinto; three each in Potter, Wheeler, Crosby, and Lubbock; and one each in Armstrong, Childress, Deaf Smith, Hardeman, Hemphill, Farmer, Jack, Lamb, Stone-wall, Wichita and Wise.

HAYS HAS IT:

The new GT LOW-PROFILE ALL PURPOSE HYDRAULIC DUMP BOX is the most unique forage wagon available. With greater capacity, the all hydraulically operated side dump forage wagon carries 8 to 9 tons of forage in the 600 cubic foot dump box.

It's a proven money and labor saver because it eliminates extra men and trucks. Use the side dump forage box for almost any crop, especially alfalfa and other silages. The wagon follows the forage cutter and virtually eliminates crop loss due to wind and spillage.

WHETHER YOUR CROP IS STANDING or DOWN

HESSTON ROW HARVESTERS

are the best "Crop Insurance" you can buy!

Save up to 90% of downed crops with a Hesston Row Harvester. In fields considered lost to conventional harvesting methods, the Hesston Row Harvester has demonstrated that it can "save" downed crops. It can pay for itself many times over in just a single drought-lodged field, or one leaning or even flattened by storm.

In normal harvesting conditions the Hesston Row Harvester eliminates reel shatter and "slobber." Experience in the heavy sorghum areas shows that you get more grain with the Row Harvester than you get with straight combining...enough in fact, to more than pay for one quickly.

Easy Adjustment Matches Row Harvester To Crop Conditions

Harvest up to 8 rows of standing or down crops planted as close as 24" or on double rows.

Noses Open Wide for Standing Crops Use Narrow Nose Opening for Down Crops

SIMPLE ADJUSTMENT lets you set the noses wide for high speed operation in up to 8 rows of standing crops planted 24" or wider and in double rows. When crops are down, set the noses narrow to get at the base of every stalk.

MISS LESA MORGAN, O'HAIR

Miss Morgan, O'Hair to pledge vows Oct. 12

Mr. and Mrs. Bill J. Morgan of Springlake announce the engagement and approaching marriage of their daughter, Lesa, to Perry Don O'Hair, son of Mr. and Mrs. Robert O'Hair of Earth.

BOTH ARE graduates of Springlake-Earth High School and Miss Morgan is a graduate of Plains Memorial Hospital School of Vocational Nursing.

The couple will exchange vows Oct. 12 in the Sunnyside Baptist Church.

Friends and relatives of the couple are invited to attend.

Town & Country members hold meet

Members of the Town and Country Home Demonstration Club heard a program on "How to Hang Things" presented by Mrs. Irene Keating at their regular meeting Thursday.

THOSE attending included Margaret Womack, Donna Allen, Bea Acker, Jeanette Malone, Verletta Witt, Cathy Goolsby, Shirley Schacher and Ann Henderson, and one new member, Rita McDaniels.

Club members are currently selling butternut flavoring for \$1.75 per bottle and vanilla flavoring for \$1 per bottle. Flavoring may be purchased at the county Extension office.

Nazareth FHA sets style show

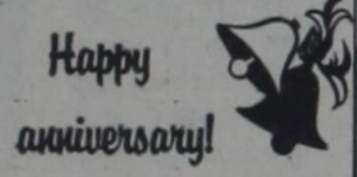

The Nazareth FHA is sponsoring a style show Thursday, Sept. 26 in the Nazareth school cafeteria. The show is scheduled for 7:30 p.m.

FASHIONS will be presented by The Village Shop of Dimmitt and styles for all ages will be shown.

Admission will be 75 cents for adults and 50 cents for grades 1-8. Tickets are available from any Nazareth FHA member or Mrs. Don Shrum, Nazareth FHA sponsor.

Refreshments will be served at the show and proceeds will go to the Handicapped Children's Camp at Kerrville.

Persons interested in joining the HD club should attend the club's next meeting set for Sept. 26 at 9:30 a.m. in the courthouse community room.

Pink Ladies hold enlistment brunch

The Plains Memorial Hospital Auxiliary held its annual auxiliary enlistment brunch last Wednesday at the Castro County Country Club.

APPROXIMATELY 35 Pink Ladies and guests were presented the 1974-75 yearbook and introduced to this year's state hospital auxiliary theme, "Enthusiasm—The Basis of Earnest Endeavor" by Mary Emma Matthews, president.

The Pink Ladies' symbol for the coming year is the honey bee, which will serve as a challenge to auxiliary members to be "busy bees" in all auxiliary projects according to Mrs. Matthews.

Junior volunteer Carol Drepur announced that the Dimmitt Jr. Volunteer posters and scrapbook placed second in the Jr. Volunteer State Convention in Houston.

The Pink Ladies will present the skit "What You Have Always Wanted to Know about Hospital Auxiliaries" at Muleshoe Monday for the Texas Association of Hospital Auxiliaries district meeting.

Domestic Engineers hold first meeting

The Domestic Engineers Home Demonstration Club held its first meeting last Tuesday in the courthouse community room.

ELECTED to head the club were Jana Nava, president, Wanda Riley, vice president, Dee Smith, secretary-treasurer and Melissa Goolsby, reporter.

Members present were Leslie Sisemore, Gerry Wozencraft, Shirley Shrum, Roberta McDonald and Melody Bellinghausen.

The organizations' next meeting will be Sept. 24 and all working homemakers are invited to attend.

HD club women attend state meet in Amarillo

By IRENE KEATING

This has been a busy week for the local HD Club women as many have attended their state meeting in Amarillo. The banquet is the climax and will be held tonight (Thursday). Also many 4-Hers and adults have entered items in the Tri-State Fair in Amarillo.

WE NEED young people from age 14 on up to participate in a pilot project, Teens Explore Parent Education. There are six local leaders who will lead each of the discussion groups. There are six meetings scheduled dealing with self-understanding, roles of parents, and growth and development of children. These discussion groups are open to all youth, male or female, married or single. It is a very interesting series. Call me at 647-3455 or 647-5219 to enroll. Deadline for enrollment of Oct. 1 and you'll complete the class by Dec. 1. There is no fee.

NEXT WEEK I'll be in Minneapolis, Minn. as a voting delegate to the National Association of Extension Home Economists. The theme is "Concern-Challenge-Commitment". I will hear a speaker on "What's Happened to the American Dream", "Marketing

the Human Potential in a Way that Has Relevance", "People Make a Difference in Determining Programs", and "It's Up to You". In addition I will attend workshops on housing, clothing, family life, foods and health. There will be 99 educational exhibits to visit. I always enjoy these because it is a good way to see what's new and visit with company representatives. I'll have many good ideas and new information for you when I return.

We are missing Beral Hance in our office. She is at Panhandle with her daughter following surgery. That's why we don't always have our phone answered when you call.

TO TREMBLE before anticipated evils is to bemoan what thou hast never lost.

STAFF AT BRUEGEL & SONS ELEVATORS ... Serving "The Finest Grainmen in the Nation"

Bruegel & Sons Elevators, Inc., expand facilities for '74 harvest

With three locations in the county and many new additions to their Dimmitt facility, Bruegel & Sons Elevators are ready to give full service to "The Best Grainmen in the Nation" during the forthcoming corn and milo harvests.

Bruegel & Sons are set up to serve not only the farming industry here, but the livestock industry as well. The company this year added new steel tanks for 450,000 bushels more grain storage, and a new rail-or-truck unloading facility for feed ingredients and premixes.

The new steel storage tanks—located just west of the company's main elevators in Dimmitt—bring the total storage capacity of Bruegel & Sons' Dimmitt site to more than 3,250,000 bushels.

And the new unloading facility, located on the rail siding just northeast of the main elevators, will increase the company's service to local feedyards and cattle growers. It will be able to load or unload from rail cars, and can load trucks with any type of feed ingredient, premix or blended feed from the company's feed mixing plant nearby.

Bruegel & Sons also serve Castro County farmers at Bruegel & Sons West (located 15 miles

west of Dimmitt on State 86) and at Bruegel Brothers Gin & Elevator (5½ miles north of Tam Anne on a newly paved farm-to-market road). The company's corn dryers have a capacity of 4,000 bushels per hour.

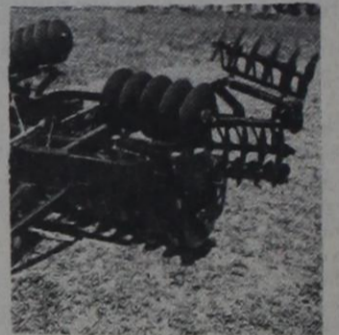

There's a full, experienced staff ready to serve local farmers when they bring their grain to Bruegel & Sons. The Dimmitt staff includes Ed Woodard, manager; R. W. (Bob) Dillard, comptroller; Dana Leigh and Betty Bell, bookkeepers; Carl Nelson, elevator superintendent; and David Dalton, O. A. Arnold, Athol Bossett, Juan Villaloves and Jesus Guajardo, elevator men.

Bruegel & Sons Elevators are owned by a family corporation that includes Fred Bruegel Sr., board chairman; Fred Bruegel Jr., president; Carl Bruegel, vice-president; Mrs. Fred Bruegel Sr., secretary; and Sandy Baker and Mike Bruegel, directors.

The Bruegels, like their customers, are farmers. They know from experience all the problems and rewards of farming here—from the best types of seeds to the best time to market the crop. And they know from experience the kind of elevator service Castro County farmers want and need.

Kewanee 700's, a complete family of unusual Disks

A Kewanee 700 is a very versatile disk which, with a few easily and quickly made adjustments, can be set up to do a superlative job of almost any kind of disking you need to do.

Spring-balanced wings raise easily, lock automatically in transport position. No bolts or pins to take out or put in. Saves hours of time. Wing drivers available.

Flynt to receive CLU designation Sept. 24

Jack W. Flynt, Agency Manager, Texas Farm Bureau Insurance Companies, will be awarded the coveted Chartered Life Underwriter designation at National Conferment Exercises of the American College of Life Underwriters in Bal Harbour, Fla. Sept. 24.

JACK FLYNT

THE AMERICAN College grants the CLU designation to persons engaged in activities relating to the insuring of human life values and who pass a series of professional examinations and meet the stringent experience and ethical requirements of the College. Locally CLU classes are taught at West Texas State University, Canyon.

Flynt entered the insurance business in 1964 and became agency manager of the Castro County Farm Bureau in 1968. He has completed the LUTC and LIAMA training courses. He received his college education at Texas A&M with further studies in the insurance field at West Texas State University; has served as chairman of local Red Cross and Salvation Army fund drives; was on the Board of Directors of the Castro County Chamber of Commerce for three years; served in various capacities of the American Legion including State Commander in 1966-67, National Executive Committeeman from Texas for four years, and currently is National Vice-Commander; is a member of the First United Methodist Church and has served on the church board in various capacities; and is a member of all Masonic Bodies.

The CLU program was established to meet the professional education needs of the men and women who provide life and health insurance service to the public. The courses cover such areas as fundamentals of life and health insurance; group insurance, health insurance and pensions; law, trusts and taxation; economics and finance; and business insurance and estate planning.

Thursday - Hamburgers on homemade buns, mustard, potato chips, lettuce, tomatoes, onion and pickles, fruit gelatin and milk.

Friday - Steak and whipped potatoes, green beans and peach cobbler, hot rolls, milk and butter.

Briscoe urges voter registration

Governor Dolph Briscoe recently signed a proclamation designating Tuesday, Nov. 5, 1974, as the date for the state-wide General Election.

IN SIGNING the proclamation the Governor urged all eligible Texas citizens to register to vote in order to insure maximum citizen participation in this year's important elections. He pointed out that the voters will be selecting all State officials, many members of the Texas Legislature, members of the US Congress and numerous county and local officials.

"Only 30 percent of the registered voters cast their ballots in the May primaries," Governor Briscoe said. "I certainly hope that many more of our citizens will participate in the November elections and vote for the candidates of their choice. The right to vote is one of our greatest Constitutional privileges, and I urge all Texans to exercise this right on Nov. 5."

GT is here!
with a G-T dryer...
you can reduce field losses
and improve grain quality!

GT TOX-O-WIK CONTINUOUS RECIRCULATING GRAIN DRYERS

G-T DRIES GRAIN FASTER AND MORE ECONOMICALLY!
G-T Grain Dryers will help you save far more grain and have better quality grain... enough of both to be a high-yielding investment. You have field losses of at least 5 per cent while waiting for grain to field dry after it matures even if weather is ideal. During this waiting period, you can have losses up to 100 per cent from wind, hail, rain, snow, insects, birds, lodging and other hazards. Low harvest-time prices for grain too wet to store can cost you plenty too.
When you have a G-T Dryer, you prevent field loss and improve grain quality for a much smaller investment. You dry for less and dry faster. You dry automatically so you can continue harvesting as you dry. Come to see G-T soon at our place!

BOOSTER CLUB FOOTBALL CONTEST

CONTEST RULES:

1. Contestant must be at least 18, and must be a member of the Dimmitt Athletic Booster Club. If you are not a Booster Club member, you may send in your dues with your entry. Dues are \$5 per couple, \$3 per person.
2. Circle your choice of winning team in each game on this week's list. Be sure your name and address are on your entry.
3. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St. Entry also may be mailed to "Football Contest," Castro County News, PO Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
4. A committee of Booster Club members appointed by the club's officers will compile the weekly contest list and score the entries.
5. The tie-breaker score will not be used except in case of a tie on the number of correct choices. On the tie-breaker, circle your choice of winner and pick the TOTAL POINTS you think will be scored in the game.
6. Contest winners will be announced at the next meeting of the Booster Club at 8 p.m. Tuesday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
7. Contest winners' names will be posted in next week's issue of the Castro County News.

PRIZES

WEEKLY prizes of \$5 cash for first place and \$3 cash for second place will be awarded by the Dimmitt Athletic Booster Club. SEASON prizes will also be awarded. The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winners.

Mayberry brothers, Veals spark Cats in 43-3 win over Slaton

By JIMMIE CHAPMAN

The Mayberry brothers, Robert and Thompson, and hard-running halfback Gene Veals sparked a second-half offensive show for the Bobcats at Slaton Friday night to give Dimmitt a 43-3 victory over the Tigers of District 5-AA.

DIMMITT gained only 64 yards in the first half as the Tigers played ball-control with short ground plays. But the Bobcats put it all together in the second half as they amassed 505 yards rushing and 44 passing to completely dominate the game.

Robert Mayberry was the leading ground gainer with 248 yards on 14 carries. It was his first action of the year after

undergoing knee surgery in July. Veals gained 111 yards on seven carries for the Cats and also caught the only completed pass of the night, a 44-yard screen pass that was good for a touchdown.

Thompson Mayberry, 150-pound freshman, gained 88 yards on five carries, including a 71-yard touchdown run with only 22 seconds left in the game.

Practically the entire first half was dominated by the ground control ball playing of the host Tigers, short gains that produced first downs but no touchdowns, and ate up the clock to keep the Bobcats from getting a chance to handle the ball. By halftime, Slaton had gained 103 yards on the ground

HEADING SOUTH—Dimmitt halfback Robert Mayberry shakes loose one Slaton tackler and eyes another as quarterback Brad Sanders [9] helps clear the path for a 13-yard gain in the third quarter of Friday night's Bobcat-Tiger game in

Slaton. Seeing his first game action of the year, Mayberry gained 248 yards on 14 carries to spearhead a Dimmitt offensive attack that yielded a 43-3 victory.

and 26 yards through the air compared to the Bobcats 64 yards rushing and none passing. At the halfway point Slaton had 9 first downs compared to Dimmitt's 5 and had moved the ball well against a leaky Cat defense.

SLATON GOT on the scoreboard first with only 2:45 left in the first quarter when Ricky Denzer booted a 32 yard field goal after the Bobcats halted their drive on the 15 yard line. The Tigers took a 3-0 lead at the end of the first quarter.

The Bobcats went out in front on the first play of the second quarter when quarterback Brad Sanders hit Gene Veals with a screen pass that was good for 44 yards and a touchdown. Robert Mayberry made a good block on the 35 yard line to help send Veals on his way and after Ricky Wright booted the extra point, the Bobcats were ahead 7-3 with 11:46 remaining in the first half.

There was no more scoring in the first half, with the two teams trading out interceptions and the Dimmitt defensive line coming back strong. Late in the first half the Tigers found themselves on their own 19 yard line with a fourth down and needing 47 yards for a first down. Mayberry fumbled the punt and Ernest Gipson recovered for the Tigers on the Dimmitt 49 yard line. Harold Love and Robert Calhoun threw quarterback Gary Aycock for an 11 yard loss as the half ended with the Bobcats leading by 7-3.

Early in the third period with the ball on the Slaton 49 yard line, Robert Mayberry powered around right end with good blocks by both his running mates, Veals and Thompson Mayberry and the right side of the offensive line, went 49 yards for Dimmitt's second touchdown. Wright kicked the extra point and Dimmitt was leading by 14-3 with only 35 seconds gone in the third quarter.

THE BOBCATS' next score came when Ricky Wright booted a 22 yard field goal with 2:30 left in the third period and the score at the end of the

quarter was 17-3 with the Bobcats on top.

Slaton moved the ball to Dimmitt's 11 yard line early in the final quarter before a stout defense led by Robert Horton, Harold Love and Shannon Truelock stopped the drive.

After Leon Sandoval and Robert Mayberry punched for short yardage to keep the Slaton defense honest, Veals went around the left side and with some good blocking rambled 66 yards for his second touchdown of the night. Wright kicked the extra point and Dimmitt increased its lead to 24-3 with 8:54 left in the game.

Dimmitt's next drive got started when Cliff Parker recovered a fumble by Bill McClesky on the Dimmitt 37 yard line after McClesky had gained 27 yards. On the first play from scrimmage, Robert Mayberry broke through a big hole opened in the center of the line by good blocking and outraced the Slaton secondary for a 63-yard TD gallop. Wright's kick was off target to the right and the score was 30-3 with 7:01 remaining in the game.

The missed extra point was a heart-breaker for Wright. He had booted 31 straight extra points and had not missed one since the second TD in the Muleshoe game on Friday night, Sept. 7, 1973, the Bobcats' opener last season.

DIMMITT'S next score came after Dusty Dobbs intercepted one of Gary Aycock's passes on the 40 yard line and returned it to the 47. A clipping call on the play brought the ball back to the Dimmitt 30 yard line. Robert Mayberry again went straight up the middle and raced 70 yards for the touchdown. Wright booted the extra point and the score was 37-3 with only 2:38 left in the game.

Dimmitt was not through scoring and after taking over a Slaton punt on their own 15 yard line, the Bobcats again set sail for the goal line. On the first play from the 15, Cliff Parker romped up the middle for 7 yards and then Sandoval got another 2 yards. On third down and needing one, Thompson Mayberry went around the right side and after getting hit

at least four times, rambled down the sidelines for 71 yards and the last TD of the night. It was the longest TD run of the night. Wright missed his second try and Dimmitt led 43-3 with 22 seconds left on the clock.

Robert Horton, who perhaps played the best defensive ball of the night for the Bobcats, raced downfield and stopped Aycock on the Slaton 22 yard line on the kickoff and after two incomplete passes and an 8 yard gain by McClesky, the clock ran out on a wild fourth period.

Horton, Veals, Love, Truelock and Randy Porter spearheaded a Dimmitt line that leaked at times but shut the gate when the Tigers got in close. In the secondary, Robert and Thompson Mayberry, Cliff Parker, Travis Hampton and Brad Sanders turned in several good plays in stopping the Tiger passing game. The Tigers threw a total of 19 passes and completed only 4. Cliff Parker knocked down several passes that would have gone for scores in the fourth period when the Tigers were trying to get on the scoreboard.

Horns beat off Shallowater rally for 21-15 win

By PAT STEIERT

The Hart Longhorns staved off a last quarter come-from-behind scoring drive on the part of the Shallowater Mustangs Friday night at Shallowater and hung on for a 21-15 victory over the determined Ponies.

IT WAS A toe-to-toe battle in the trenches as both defenses fought for control in a hard-hitting bruising battle. The Ponies had the better statistics in the game but the Horns had the highest numbers where it counted, on the scoreboard.

Jon Gates and Don Grimes tallied scores for Shallowater as the Ponies displayed a potent passing attack.

Senior back Gilbert "Rod" Rodriguez scored on touchdown runs of 81 and eight yards for Hart as he surprised even his coaches with his speed. Danny George, Hart's senior quarterback, added a third touchdown on a five yard run and also kicked three extra points.

HART TOOK the opening kickoff on its 17 and Randy Finch returned the kick to the 32. On first down Gilbert Rodriguez lost the pigskin and Shallowater recovered on the Hart 34.

The opportunistic Ponies quickly took advantage of the turnover as they marched in for a TD in eight plays. Jon Gates went the final two yards for the score and following a successful kick for extras Hart trailed 7-0 with 10 minutes remaining in the first period.

Stung by the quick score on the part of the Ponies, Hart took the ensuing kickoff on its 35. The Horns moved to their own 45 on runs by Rodriguez and Terry Hill, but the Maroon Machine broke down at that point and the Horns were forced to punt.

Shallowater took over on its 24 but the Horn defense dug in and forced the Ponies to punt.

HART TOOK the ball on its 27 and the Horns began a 73 yard scoring drive which consumed almost eight minutes of clock time. With basic bread-and-butter football the Horns ground out yardage the hard way with Rodriguez, Terry Hill, Randy Finch and Danny George all toting the ball. Offensive linemen Kent Irons, Mario Martinez, Freddie Mancias, Berto Minjares and Dean Hill provided crisp, disciplined blocking and the Horns found

themselves on the Shallowater eight yard line as the first quarter ended.

Gilbert Rodriguez carried the ball the final eight for the score as the second period began and Danny George's kick was good to give the Horns a 7-7 tie with 11 minutes left in the half.

The remainder of the second period was a brutal defensive battle as the teams exchanged numerous punts but could not move offensively. Hart managed a drive to the Shallowater 23 but the Ponies held and took over on downs. The half ended with Shallowater in possession at its own 26 and the score knotted at 7-7.

THE MUSTANGS came out throwing in the second half as they moved the kickoff to the 26 and immediately went to the air. Shallowater moved to its 41 on passes to Brantley Adams and Richard Krebs, but on second and nine Bobby Reeves was intercepted by Terry Hill and the Horns took over on the Mustang 34.

Hart's fired up Longhorns carried the fight to the Ponies and Gilbert Rodriguez carried the ball to the Shallowater 5 on a 29 yard run behind fine blocking. Three plays later quarterback Danny George faked a belly play to fullback Terry Hill and went around left end untouched for the go-ahead TD as the Ponies converged on Hill. George tacked on the extra point and the Horns led 14-7 with nine minutes left in the third period.

Shallowater took the kick on its 34 and quarterback Bobby Reeves threw for nine yards to Don Grimes, then recovered his own fumble for a first down two plays later. But the Maroon Gang dug in and allowed the Ponies only two yards on the next three plays. Shallowater was forced to punt and Hart took over at its 12.

IN ONE OF the most exciting offensive series of the night the Horns drove 88 yards in three plays for their third score. On third down and three Danny George rolled left and made a perfectly-timed pitchout to Gilbert Rodriguez who was trailing the play. "The Rod" turned the corner, rambled down the sideline, then cut back

against the grain and went in standing up on an 81 yard scoring run. George's boot was true and the Horns held a 21-7 lead with just over five minutes left in the third period.

From that point on, the Horns were locked in a bitter defensive battle with the Ponies to determine who would come out on the high side of the score.

Following a Mustang punt, Hart fumbled the ball on a pitchout at the Shallowater 45 and the miscue gave the Ponies new life.

Performing before a partisan homecoming crowd, the Mustangs drove 43 yards to the Hart 9.

WITH FIRST and goal to go the Maroon Gang showed its mettle, holding the Ponies on four successive downs. Linebackers Terry Hill and Kent Irons and defensive linemen Freddie Mancias, Mario Martinez, Berto Minjares, Dean Hill, Danny Carson and Jimmy Kennedy swarmed in and destroyed the scoring threat with solid, hard hitting.

Disaster almost struck the Horns on the next series as they could not move offensively and were forced to punt. Danny George's kick was partially blocked and a Pony defender picked up the ball and attempted to run with it. The alert Horns jarred him loose from the ball however and recovered at their own 15 for a first down. The Horns still could not move the ball though, and punted to the Hart 45.

After forcing a Shallowater punt, Hart's offense was stopped three yards short of a first down and punted to the Shallowater 36.

AIDED BY A pass interference call and with the fine passing effort of quarterback Bobby Reeves, the Ponies drove 64 yards to paydirt. Reeves picked the Longhorn secondary apart, throwing to receivers running square-out patterns and then hit Don Grimes with an 11 yard pass for the score. Longhorn defensive back Danny George hit Grimes with a jarring tackle just as he caught the ball but Grimes held on.

Reeves threw to Brantley

Swifts bag Antelopes, second victory Friday

By MARTHA CATOE

SPORT FAX
Wanda Derrick
THE LONGEST RECORDED BOXING MATCH with GLOVES WAS ON APRIL 6, 1893
THE FIGHT LASTED 110 ROUNDS - 7 HOURS 19 MINUTES
IT WAS DECLARED: NO CONTEST WHEN BOTH MEN WERE UNABLE TO CONTINUE!

The Nazareth Swifts captured their second straight win of the season by defeating the Whiteface Antelopes 12-0 Friday night at Nazareth. The Swift defense proved to be too much for the Antelopes as they earned only two first downs the entire game.

THE FIRST half was a defensive battle with the two teams exchanging punts frequently. Nazareth managed only two first downs while holding the Antelopes to only one.

The Swifts came back on the field the second half with an adjustment in their offense. They took the ball on the opening kickoff and drove 62 yards in nine plays for their first score of the evening. Charles Heck got the scoring call and took the ball in from the Whiteface 12 yard line. The two point conversion attempt failed as only three minutes had elapsed in the third quarter.

Late in the third period, the Swifts took a Whiteface punt on their own five and managed to

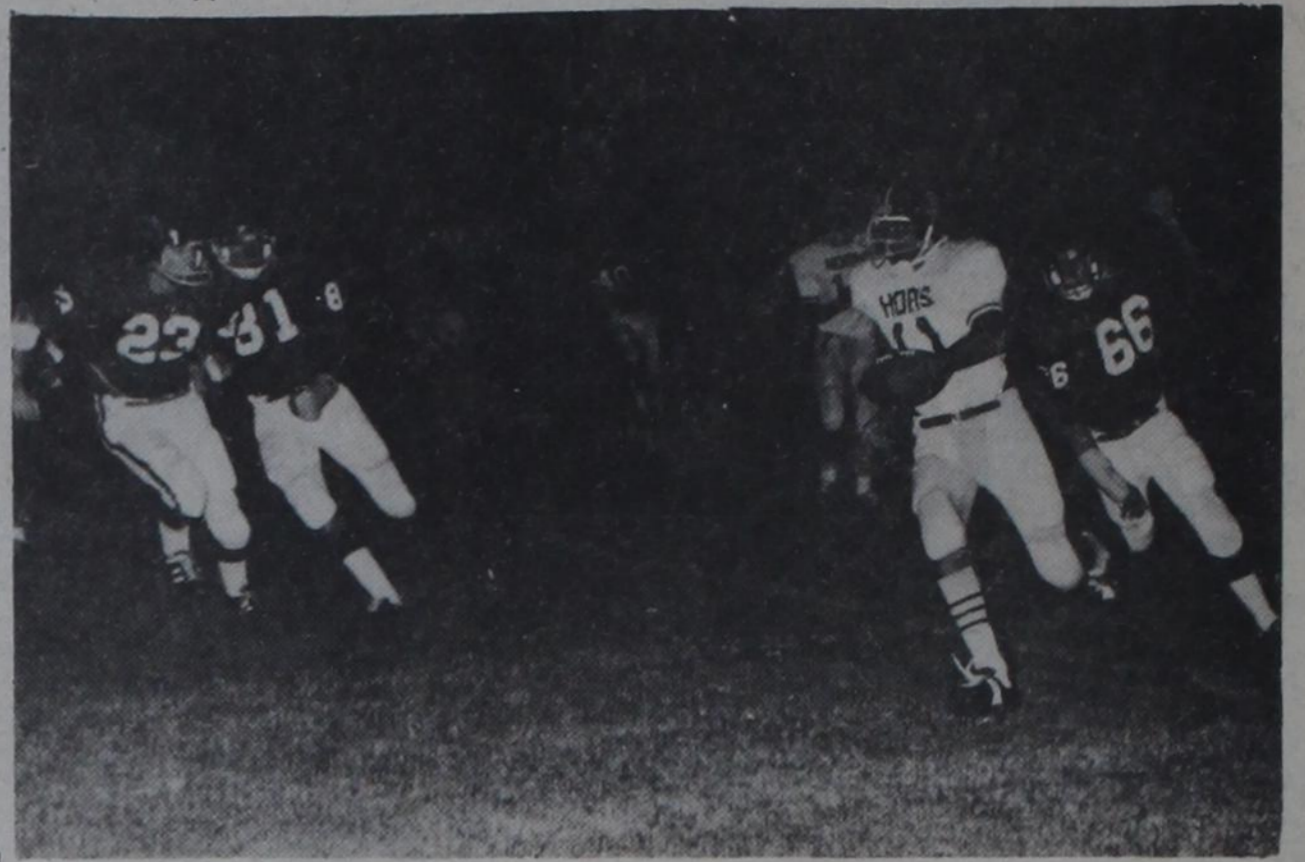

drive to the Antelope 30 but could not score on the drive.

The second and final Swift score came midway through the fourth period when halfback Junior Joiner carried the ball through the Antelope line on a one-yard plunge. The scoring drive totaled 49 yards. The ball was fumbled in the backfield on the conversion attempt.

SWIFT quarterback Doyle Kleman called the signals as Charles Heck rushed for 148 yards and Junior Joiner carried for 110 yards.

The Big Blue defense was led by Joel Gerber with 8 tackles. Glenn Dobeimer and Junior Joiner were credited with 6 tackles each.

Tomorrow (Friday) the Swifts will meet the Ropesville Eagles in Swift Stadium. Kickoff time will be 8:00 p.m.

"THE ROD" RAMBLES—Hart's Gilbert "Rod" Rodriguez, [11] turns the corner after taking a pitchout from Longhorn quarterback Danny George and rambles for an 81 yard touchdown in Friday night's game at Shallowater as Shallowater's Garry Green [66],

Don Grimes [81] and Malcom Terry [23] pursue in vain. Rodriguez also scored for the Horns on an eight yard run. The Longhorns had to fight off a last-minute scoring threat on the part of the determined Ponies to emerge with a 21-15 win.

Adams for the two extras and with 4:11 remaining in the game and the partisan Pony fans on their feet the Hart lead was cut to 21-15.

HART TOOK the Shallowater kickoff at its 32 and Danny George and Gilbert Rodriguez tried to find their way through the fired-up Pony defense. Hart was unsuccessful in obtaining a first down and was forced to punt.

Shallowater took over on its 41 and Pony quarterback Reeves launched a barrage of passes. His receivers couldn't find the handle and the Horns got the ball back with 1:44 left in the game.

The Horns had only to get a first down and run out the clock but the Mustangs refused to die and stopped the Horns short of a critical first down.

With only 40 seconds left in the game both teams were in a do-or-die effort. Jerry Harrison gained 14 yards for the Ponies on a pass from Reeves. Hart fans were on their feet pleading for the Horns to hang on as the Mustangs came to the line again with 30 seconds remaining.

Hart's defensive secondary had been picked apart all night but Kerry George, Randy Finch and Lester Aven stayed with their men and on the next play Finch and Aven broke up a Reeves pass. Reeves attempted a second pass and it sailed over his receiver's hands with seven seconds left.

With time for only one play remaining the Ponies tried a draw but Horn linebackers Terry Hill and Kent Irons stopped the play with a crunching tackle to preserve a 21-15 win for the Horns.

A determined defense spelled the margin of victory for Hart as the Longhorn defenders dug in when it counted. The

Maroon Gang lived up to its name as it shut off the inside to the Ponies with effective gang tackling. In the hard fought battle the Horns proved they are hitters.

THE LONGHORN offense also performed well, again displaying the balance of its running attack. Hart running backs were provided fine blocking by the offensive line.

Hart will host Crosbyton tomorrow (Friday) at 8 p.m. at Longhorn Stadium as the Horns seek their third straight win of the season.

BEWARE the fury of a patient man. —Dryden

ENERGY EFFICIENT...

We call the heat pump a "Bright Star" because although the idea has been around for some time now... there's a lot more interest in saving energy than ever before... people want to save energy, but they don't have to give up their comfort. With the heat pump, you don't have to give up anything. The heat

pump makes wise use of energy because it uses otherwise wasted heat and electricity to heat and cool your home. Electric heat, in any form, is a wise use of precious energy and the heat pump is today's star of the system... more than 100% efficient at the point of use - actually provides more energy than it

uses. Call us this week for a free electric heat cost survey of your home... and ask about the heat pump!

The Future Is Electric!

EQUAL OPPORTUNITY EMPLOYER

National Highway Week to be held Sept. 22-28

The 14th National Highway Week, sponsored by the American Association of State Highway and Transportation officials and members of state agencies, will be held Sept. 22-28. IN TEXAS the Texas Highway Department will sponsor a variety of activities during the week, according to State Highway Engineer Luther DeBerry. The week of Sept. 22-28 was officially proclaimed Highway

Week by proclamations in most cities in District 5. In Dimmitt a special program will be presented at the Rotary Club at 12 noon Friday, Sept. 27, by Mr. Merlin Bennett.

The local highway department will hold open house on Sept. 27 from 8:30 a.m. to 6 p.m. Everyone is cordially invited to come by and visit.

THE THEME of this year's observance is "Better Roads, Better Living." Mr. DeBerry said the theme was particularly fitting because of Texas' dependence on the highways as the prime mode of transportation for this state. Further the highway system has opened opportunities to individual Texas families by widening their range in which to seek education and recreation opportunities, DeBerry added.

"Even so we have some 14,000 miles of primary highways in Texas which are in need of reconstruction," DeBerry said. Funds available for this work, as well as needed maintenance, always have been tight. Inflation has further cut into money available.

By DON NELSON

Note to the lady who called our office recently about the city mosquito problem:

I DIDN'T get to talk to you personally, but if I got the message straight, you had called both the city hall and the spraying company to ask why the mosquitoes weren't being controlled better, and felt you had gotten the run-around. And now your child has encephalitis.

The mosquitoes DID get out of hand several times during the summer. But I don't think it was because the city wasn't trying. The real culprit apparently was the weather.

The sprayers couldn't always jump into the plane and fly over when the city called. They had to delay spraying sometimes because of high humidity, rainy weather or too much breeze. (When it costs \$1,000 per spraying, you want to make sure the spray is going to be effective.)

Also, some of our city officials suspect that the mosquitoes have developed a resistance to the Malathion. Although it worked okay this summer, it didn't produce a total wipe-out of the adult mosquitoes here as it did the first summer it was used.

All that anyone can do against mosquitoes is to fight them the best way we can. The little pests sometimes defy our best efforts to control them, and city governments are as helpless against pests and bad weather as individuals are.

I'm sure that you feel personally that the city's mosquito-control program this summer was a failure. But I really don't think the city was negligent. The control program the city is using is the best our commissioners could find. The weather and hatch conditions this summer were such that no kind of control program would have been completely effective.

LOOKING around the new auditorium Sunday afternoon, City Manager Garnett Holland told me, "It's pretty, but the walls are bare—we need some artwork in here. Do you think any of our artists would be willing to hang some of their paintings here for the public to see? It would really be good to have some art that shows local scenes or landmarks."

I agree. Good paintings can give more character to a room than all the interior decoration you can buy.

If you're a canvas-dabber and are interested, call Garnett at the city hall. I imagine the city commission would be willing to insure your paintings while they're on display.

Kiwanis Club holds installation meet

The Dimmitt Kiwanis Club held its officer installation banquet Tuesday at the Dimmitt High School cafeteria.

NEWLY installed officers include Randall Craig, president, Dale Fowler, first vice president, Joe Nelson, second vice president, Bob Crozier, secretary, Buddy Leigh, treasurer, and Larry Birdwell, Key Club representative.

James McCown, lieutenant governor of Division 13 installed the new officers.

Cats lead District 3-AA offense in two games

By DON WINDLE

When the season opened many coaches and experts were wondering how the Dimmitt Bobcats would do without their superstar, flashing Robert Mayberry. Well, they can quit wondering, Super Robert is back. All the Bobcat ace did was score three touchdowns, rush for 242 yards in his seasonal debut last Friday night as the talent-laden Bobcats smothered Slaton, 43-3.

MAYBERRY had knee surgery 17 days before the season started and sat out the opening game. The Dimmitt team did not really need the superflash in stopping Muleshoe 14-0, but now Coach Deane Wright feels everything is beautiful with him healthy. Mayberry is not the whole ball of wax at Dim-

Locals win honors in Tri-State Fair

County residents captured numerous honors in the Tri-State Fair in Amarillo early this week.

MARGARET Womack was a big winner in the culinary competition Tuesday. She won second place for her white loaf bread, second in banana loaf bread, and second in brownies and fruit filled cookies.

In the fruits division, Sharon Brockman was second in apples. Catherine Hochstein was first in pears.

Catherine Hochstein copped honors in the vegetable division, winning first in tomatoes and second in green lima beans.

The jelly competition saw Catherine Hochstein take first in the cherry division and first in the grape division. Mary Acker was first in the division open to any other jellies.

Mrs. Acker also copped a first in the preserves competition with her peach preserves. In the junior and teen-age textiles division competition held Monday, Dianne Hochstein won a first with her suit.

Elaine Acker had a first place skirt, while Patti Hochstein was second.

In the suit, cotton or blend class, Patti Hochstein captured first.

SWPS planning to use reactor

Southwestern Public Service Company has announced the first step in a program which sets the stage for the company to take a lead role in the construction of the nation's first power plant to use a gas-cooled breeder reactor.

ROY TOLK, chairman and president of the electric company, said the Gas-Cooled Fast Breeder Reactor (GCFR) plant would have a generating capability of 300,000 kilowatts and would be located on a site provided by Southwestern.

"We have signed a letter of intent with General Atomic Company of San Diego, in which we would contribute \$100 million to the project. Substantial additional financial support will be required from the electric utility industry and the US Atomic Energy Commission," Tolk said.

"Our long-range projections call for additional generating capability in the mid-1980's; so, this development program fits right into our growth pattern and could very well be our introduction to nuclear power. We will, of course, have a conventional generating unit in service to meet our customer's needs, if that is necessary, but are enthusiastic about the prospects for the breeder unit being available," Tolk said.

GENERAL Atomic has been working on a Gas-Cooled Breeder Reactor for 13 years. Support for the program has come from the Atomic Energy Commission and a GCFR Utility Committee comprised of 57 investor-owned utilities, 55 rural electric cooperatives and three European electric utilities. Included in the cooperatives participating in the program are the Rita Blanca Electric Cooperative, Dalhart; the Bailey County Electric Cooperative, Muleshoe; and the Tri-County Electric Cooperative, Hooker, Okla.

Darla Underwood is Tops Queen

The SOS Tops Club met Monday in the Plains Memorial Hospital dining room with 18 members present.

Darla Underwood was named queen of the week with a weight loss of 2 1/4 pounds.

Men rebound in football contest

By DON WINDLE

The men rebounded in the second week of the Dimmitt Athletic Booster Club's football contest after bowing out to the ladies last week.

KENNETH Cleveland and Mike Bryant each picked 11 winners from last week's list. Cleveland was only one point off the Hart-Shallowater tiebreaker to take first place while Bryant was six points off.

Jane Sutton and Edna Follis

VETERANS' SERVICES

By BEDFORD W. SMITH
County Service Officer

We were in attendance last week at the annual Veterans Service Officers School meeting in San Antonio, Sept. 9-12 and were able to have information concerning changes and prospective changes in benefits to veterans, dependents and survivors, plus new insurance and other benefits to retiree's families and National Guardsmen. We will publish some week by week.

The following are news releases from the Waco Regional Office.

AVERAGE age of the nation's veteran population is moving upward, but ages of benefits counselors at Veterans Administration offices across the country are getting younger, Jack Coker, VA Regional Director, pointed out.

Mr. Average among the 29.2 million living veterans is 45.5 years of age. Some 1,300 Spanish-American War veterans—with an average age of 94.5—are offset by more than 7 million Vietnam-era veterans with an average age of 27.7.

VA employs more than 2,800 benefits counselors to serve the veteran population and its eligible dependents. This is an increase of more than 1,500 counselors in the past two years. Counselors are located in 58 regional offices in the United States, Puerto Rico and the Republic of the Philippines. They also visit patients in 171 VA hospitals.

More than 56 percent of today's counselors are under 35 years of age. This contrasts to only 17.6 percent of 1,338 counselors under 35 two years ago.

Matching the growing number of Vietnam-era veterans, VA has tailored its staff of benefits counselors with peer strength. More than 1,800 counselors—65 percent—are Vietnam-era veterans. Another 23 percent served in the military during World War II and Korea.

The trend toward Vietnam-era counselors was particularly evident in hiring 1,327 Vet Reps for VA's new campus program.

Team roping slated Saturday at arena

Professional Livestock Supply, Inc. of Dimmitt will host its second annual invitational team roping Saturday at 5 p.m. at the Dimmitt Rodeo Arena.

CO-SPONSORS of the roping are Anchor Serum Co. and the Elanco Products Co.

First prize in the open division will be two trophy saddles. The second place winner will receive two \$100 trophy buckles and two halters and leads will be awarded to the third place winner.

A \$100 bill will also be awarded to the individual with the fastest single time in the long go-rounds. Prize money will also be awarded for the top five places in the long go-round.

In the century division, first place prize will be two \$50 gold buckles. Second place prize will be two cooling pads and two nylon ropes will be awarded for third place.

A \$50 bill will also be awarded for the fastest single time in the long go-rounds in the century division and prize money will be awarded for the top five places in each long go-round.

THE EVENT is a "three-header" with two long go-rounds for all contestants, plus one short go-round for the top 15 teams for average according to Lee Roy Wood of Professional Livestock Supply.

VFW NEWS

By GERALD BROADSTREET

Greetings Comrades, Sorry I was out of pocket last week, but I had to attend a meeting in Dallas. The meeting was the Council Administration and the Flying Squadron. State Commander Clyde Hall presided over the meeting and he was happy to report that we in Texas are going real strong and he is very confident that new records will be established in all areas this year.

I did learn at the meeting that our per capita tax to national will be increased \$2.00 effective Jan. 1, 1975. Comrades, what this means is our post will have to pay \$1 extra for every member that renews, reinstates or joins for the first time to National Headquarters. It would definitely be to your advantage to pay your 1975 dues now before the price goes up a dollar to cover the increase that was established at the National Convention in Chicago this year.

WE ARE having a dance at the post home this Saturday, the 21st. Playing for us will be the "Caisson Kids" with Sandy Caisson the feature vocalist. This group has played for us before and, believe me, they really come on with some good music. They can play just about any style music you want to hear and I'm looking forward to this Saturday. Dance time is 8:45 till 12:45 and admission price is \$5 per couple.

Oh yes, the proceeds of this dance will be used to finance our Veterans Day activities this November 11. I can't tell you what is planned because I don't know. That's something the House Committee and the Commander are cooking up.

OUR REGULAR monthly meeting was held the 9th instead of the scheduled 2nd because that was our Labor Day holiday. Routine business dominated the meeting. Florene Leinen, president of the Ladies Auxiliary, announced at our meeting that "Homecoming Day" for State Auxiliary President Billie Rhoads will be held at Post 1475 in Amarillo on Saturday, Oct. 5. Florene asked that we attend and show our support to Billie.

Comrades, I would like to comment about the attendance at our meeting. I was somewhat disappointed that we didn't have a bigger crowd than we did. Your post officers need your support, we need your help with the programs, we need your ideas and suggestions as to how we can serve better and do better jobs. So please, Comrades, let's make an effort to attend these meetings and let us hear your suggestions and comments. We meet the first Monday of each month at 8 p.m., so that means our next meeting is Oct. 7.

Don't forget, every Wednesday night at the post home we have our Game Night, starting time is 8:30. This is good clean fun for all ages, so come on out for an evening of excitement and enjoyment.

Join the class club with CITY CLUB.
