

THE LOCKNEY BEACON

• SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY •

VOLUME 51

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, NOVEMBER 20, 1952

NUMBER 32

Pictured here is the 1937 sedan which collided with a big truck at the east intersection of the Lockney Loop and Highway 70 on Tuesday night of last week. Thomas Blazek, critically injured in the wreck is still in the Plainview Hospital in a serious condition. He suffered multiple fractures of both legs as well as internal injuries. Carl Weir, 12 years old, who underwent a brain operation at an Amarillo Hospital as a result of injuries received in the wreck, is doing fine this week, reports say. Others injured in the collision have been released from the hospital.

Shown here is the big 8-wheel truck after it had righted following a wreck at the east intersection of the Lockney Loop and Highway 70 last week. The truck was loaded with cotton seed and dumped its load right in the middle of the highway when it overturned following a collision with a passenger car. The driver escaped uninjured.

Local FFA Boys Place In Contests

Members of the Lockney Future Farmers of America chapter entered and placed in the leadership contests held at the Plainview High School last Saturday. Three teams won fifth place in the contests and one won third place. Miss Sharrine Strickland, daughter of Mr. and Mrs. W. C. Strickland, was runner-up in the race for FFA sweetheart of the Plainview district. Miss Janie Hines of Floydada won the honor. In the junior chapter conducting contest, the following boys were on the local team: Luther Williams, Jim Bob Reynolds, Clifton Williams, Benny Ballard, Jerry Holmes, John Jones, Dee Nix and Dan Griffith. This team won fifth place. In the junior FFA quiz team contest the Lockney team was composed of Buck Ford, J. W. Dippery, Jimmy Rankin, Harold Shearer. This team also won fifth place. The junior farm skill contest team from Lockney was composed of Royce Carthel, Bobby Brown, Kenneth Pinner and Bob Copeland. This team also won fifth place. The radio broadcasting team from Lockney won third place in the contest. It was composed of James Carthel, Bill Sherman, Joe Taylor, Robert Lee Brown and Lewis Foster. The boys were accompanied by MacLee Brewer, local vocational agriculture instructor. Mrs. W. C. Strickland also attended accompanying her daughter.

Legion in Plainview

Legionnaires from the Plainview district met Saturday and Sunday, November 22 and 23, at the annual fall convention. An address by the Adjutant, G. Ward ... will be Bob Kirk of ... District Commander Kirk will ... from standing ... chairman and ... will be outlined. ... features have ... by the local post ... will be host and ... by Thomas M. ... Kirk has ... at his home address, ... Littlefield. ... of New York ... salary of \$25,000 ... him the highest ... in the USA.

TO RETURN HOME Mrs. C. O. Jeffcoat who has been in Dallas the past three weeks for medical treatment is expected to accompany Mr. Jeffcoat home next week end. She is reported to be feeling fairly well.

County Library Com'itee Named

The Floyd County Commissioners Court has named a permanent library committee to serve as advisory committee to the Court in matters pertaining to the Floyd County library. The committee is composed of Mrs. J. D. Copeland, Lockney; Mrs. Howard Drysdale, Floydada; Mrs. Billy Stanforth Jr., South Plains; Mrs. Jim Barnard, Barwise; Hollis Bond, Floydada; Mrs. Ewald Quebe, Providence; and W. R. Daniel, Floydada. The committee met Monday morning at Floydada with the Commissioners Court and the entire group interviewed Mrs. Roy Hollar of Guthrie. Mrs. Hollar is a former librarian at McMurray College, Abilene, and is now teaching at Guthrie. She is an applicant for the position of Floyd County librarian. It was said. Mrs. Hollar was very enthusiastic about the county library here, emphasizing that it could be started with the help of the people of the county and also emphasizing that it would have to serve the entire county.

PYLANT'S NEW STORE — Pictured here is the new store building just occupied by Pylant Grocery and Market. Located at the corner of West College Avenue and Southwest First Street, the new building is 50 by 100 feet and is modern in every respect.

Floydada Soldier Killed In Korean Plane Accident

Sgt. Billy G. Mooney, 22, son of Mr. and Mrs. W. C. Mooney, Rt. 4, Floydada, was identified by the Army as one of the 7 men who died when a C-119 "Flying Boxcar" crashed in Korea Friday. The Floydada man was one of three Texans killed since Friday in widely separated Air Force mishaps. Sgt. Mooney, who would have been 23 next Sunday, was in the Medical Detachment, 19th Engineers Combat Battalion, 3rd Infantry division. He went into the Army Aug. 15, 1951. He had all his basic training in Hawaii. Sgt. Mooney was born in Floydada and attended the Floydada Public Schools.

13 Longhorns In Last Game Fri.

Thirteen members of the Lockney Longhorn football squad will be playing their last game of football for Lockney High Friday night when the local team goes to New Deal. It will be the last game of the season for the Longhorns who now hold third place in the district. Members of the Longhorn squad who will see action for the last time are Teddy Carthel, Aubrey Cox, and Roger Conner, ends; Kenneth Williams, Johnny B. Griffin, and Elmo Fortenberry, tackles; Joe Taylor and Orland Gilbert, guards; John Alvin Dorman, center; Bill Sherman, C. B. Smart, Norton Baker and Lewis Foster, backs. The New Deal Lions, playing their first year in Class A football, are holding the next to last place in the district standing having won one game and lost four thus far. The Longhorns are in good shape with the possible exception of Bill Sherman, who is suffering from a knee injury. The game will be called at New Deal at 8 p. m. Weather permitting a large crowd of local fans will probably make the trip to see the Longhorns in their last appearance this season.

Game Night At Auditorium Tues.

Game night for the entertainment of young and old will be held at the City Auditorium next Tuesday night, starting at 7:30. It was announced this week by members of the library committee of the C. N. Townsend Parent-Teacher Association. The evening's program will be made up of games and stunts with "42", canasta and monopoly being offered for entertainment. Pie and coffee will be served and everyone is invited to attend and enjoy the evening. Tickets for the entertainment will be 50 cents with all receipts going to the benefit of the grade school library. Mr. and Mrs. G. C. Applewhite spent Wednesday in Canyon visiting with their son and family at Stafford Hall for Boys at W. T. S. C., Canyon where Calvin Applewhite is dean.

County Ginnings Total 67,894 Bales To Date

County ginnings stood at 67,894 bales of cotton from the 1952 crop, County Agent Robert H. Gibson reported Wednesday morning. Mr. Gibson said that the gins in the Lockney area, including those at Lockney, Aiken, Lone Star and Sterley, had ginned 41,259 of the total and the remainder had been ginned at Floydada, Barwise, McCoy, Dougherty, and other points in the south part of the county. Mr. Gibson estimated that around 75,000 bales had been pulled in the county and that the some 7,000 bales excess had been ginned in other counties. Some Floyd County cotton has been ginned as far away as Colorado City, it was reported, while quite a bit has been ginned in Crosby, Lubbock and Lynn counties. When asked why the cotton had been carried out of the county when local gins have not all been crowded this year, Mr. Gibson stated that he did not know the reason for carrying the cotton elsewhere to be ginned. He said that most gins in this county had not been over run this year as they were last year. Mr. Gibson estimated that over the entire county the 1952 cotton crop was about two-thirds gathered. However he said that the north part of the county including the Lockney area, was further along than the south part. Most farmers are using strippers now and the gins are getting further behind due to this fast method of gathering the crop. A few farmers still have hands in the field, local gin men say but most of them are running strippers. Local estimates on the percentage gathered in this part of the county all agreed on 80%, a survey Wednesday afternoon by The Beacon showed. However at Lone Star the estimate was 75% and at Sterley it was estimated at 75% to 80% complete.

Thanksgiving Film Strip To Be Shown

A 35 mm. film strip in full color artwork, "Giving Thanks Always" will be shown Sunday evening at the First Baptist Church. It was announced this week by the pastor, Rev. J. R. Naylor. The pastor will speak at the 25 single frames are being shown.

Most Stores To Close Thanksgiving

Most Lockney stores will close for Thanksgiving, which is Thursday of next week, a survey by The Beacon indicated Wednesday. Some are undecided on the matter and The Beacon will give a fuller report in its issue next week. Due to the fact there will be no mail routes running on Thursday The Beacon will be published Wednesday morning of next week so that the paper will be circulated before Thanksgiving. For that reason news contributors and advertisers should get their copy to us early in the week.

Abernathy Wins District Title

The Abernathy Antelopes won the District 3-A title last Friday night by defeating the Ralls Jackrabbits 25-13. The game was bitterly fought all the way through and at the end a number of Ralls fans waited on the sidelines to "have a talk" with the officials but they were escorted off the field by officers. The Antelopes were handed one touchdown when the Jackrabbits were penalized 15 yards putting the ball on their own 4 yard line. The Antelopes were only one touchdown ahead until the last play of the game when a Ralls pass was intercepted by an Abernathy back and returned for a score. The Abernathy boys will meet Denver City in the bi-district game. Ralls wins second place in the district with five wins and one loss while the Longhorns are in third place with four wins and two losses providing they defeat New Deal this week end, which they should do without trouble. Only two games remain in District 3-A. They will be played this week end with Lockney playing at New Deal and Crosbyton playing at Ralls. The standings with these two games still to be played are:

	W	L	Pts.	Opp.
Abernathy	6	0	193	60
Ralls	4	1	143	59
Lockney	3	2	113	77
Hale Center	3	3	101	113
Crosbyton	2	3	115	119
New Deal	1	4	46	119
Kress	0	6	59	223

Floydada Leads

The Floydada Whirlwinds are doped to win District 2-AA after defeating Hereford and Tulia on successive weekends. The 'Winds have a very good season record and should win their game this week end with Canyon since Hereford has defeated Canyon already.

Books To Be Picked Up Here Saturday

Local Boy Scouts will make a house-to-house canvas of the city Saturday morning soliciting books for the C. N. Townsend Grade School library. Since this is National Book Week, library officials selected this time to ask the public to donate books to the library for school use. Those who have books they wish to donate to the library should call Mrs. Evelyn Terry at the grade school during school hours if the books are not picked up Saturday. A campaign is on now by the library committee to enlarge the supply of books for grade school use and this is part of that campaign.

Henry Neil Schacht Returns From Korea

Henry Neil Schacht, who has served for the past year in Korea as engineer with SCARWAF of the 5th Airforce, arrived home Monday, Nov. 10 for a visit with his wife and parents, Mr. and Mrs. Henry Schacht and family. He made the trip home in about three days on a troop transport plane from Tokyo, Japan. He will report to Camp Walters, Mineral Wells on December 1. Mrs. Schacht will accompany her husband to his new post.

Court Raises Land Value \$3 Per Acre

The Floyd County Commissioners Court in a meeting Monday of last week raised land valuations for tax purposes \$3.00 per acre, according to a report this week from the office of Judge Frank L. Moore. Land valued on the tax roll at \$9.00 per acre will now be valued at \$12.00 per acre, it was said, and land on a lesser value will be raised in the same proportion. That is, land that has been valued at less than \$9 will be raised in value in the same proportion as the \$9 land all raises to apply on 1953 taxes. The Court also voted to place a tax on irrigation wells as follows: 6 inch wells, \$300.00; 8-inch wells, \$500.00; 10-inch wells, \$750.00. In case of partnership owners of an irrigation well, the owner of the well and the owner of the pump will each be assessed on a 50-50 basis, Judge Moore said. All members of the Court were present at the meeting and the vote was unanimous to raise the valuations, according to Judge Moore. This is the first raise in valuations in Floyd County since the depression of the thirties, although the court did raise the tax rate slightly about two years ago. The county has been finding it more and more difficult to get along on its revenues from taxes and the raise in values is for the purpose of relieving that situation.

C. E. Ball Named Plainview Agent

C. E. Ball, Santa Fe agent at Lockney for the past year and a half, has been named agent at Plainview for the railroad company and assumed his duties there on November 10. The agent at Plainview was moved to Slaton. Succeeding Mr. Ball here will be O. E. Durham from Presidio, Texas, down from the Mexican border. Mr. Durham was here last week inquiring into housing conditions. It was reported that he would probably be here the latter part of next week to assume his duties. Mr. and Mrs. Durham have three small children, two boys and a girl, reports say. Relief agent here since Mr. Ball left is Lyle Berry from Slaton. Mrs. Ball will continue to teach in the Lockney High School and the Balls will live here until such time as they are able to dispose of their home here. Mr. Ball said this week in a letter to The Beacon. "We had intended to make our home in Lockney until I retired," Mr. Ball said, "but this opportunity at Plainview came up on account of the agent being moved to Slaton. We have enjoyed the association with the nice folks in Lockney very much."

GOING SOUTH

Mr. and Mrs. J. H. Harper left Monday for Corpus Christi where they will visit a daughter, Mrs. Charles Collis and family for a few days and then go on to Westlaco to spend the winter.

Mrs. G. Webster Tells Story Of Southern Trip

Mrs. George Webster, Jr. and two daughters, Nancy and Toni returned from Bogota, Columbia, South America where they had visited for six weeks with her sister. The following is a story told by Mrs. Webster in an interview with a Beacon reporter.

"We took the DC-4 International Petroleum Plane for Miami, Florida on Friday, September 26. This was a coastal line route. From the air the outline map looked exactly like it did in my geography books. The following day at noon we left for Kingston Jamaica, about a three hour flight. We flew so high over the water that the white caps looked like tiny boats. Being in Kingston only over night left very little time for tours for sight seeing. However, enroute to the Myrtle Bank Hotel we did see some native women wearing or rather carrying fruits on the tops of their heads on their way to market. All the cars used the

left side traffic system which was very nervous to just watch. We left Kingston the following day around noon. Landing in the ancient capital city of Bogota before 6 p. m. All planes must land before this time due to the huge oval shape mountain walls surrounding the city. This city, over 400 years as the capital (and a noted village before that time among the Indians) is over 8,700 feet in elevation. Here water boils at 196 degrees. It is said that hot water is colder in Bogota than hot water at sea level. There is less oxygen in the air than at sea level. The population there is about 600,000.

The natives, although they dislike it, are classified into two groups, the very, very poor and the rich cultural types. There is no middle class group.

The lower class wears rags and are very dirty. Whereas the other class are wealthy and are very highly cultured, most of them being educated in Europe. Women wear dark shawls and the men wear Ruano. This is a large square woolen cloth with a split cut in the center for their heads. This is their overcoat. The teenagers are just now beginning to wear jeans. Slacks are only worn by the Americans. In fact, they are frowned on by the native women.

Only the higher class attend school. There are no compulsory laws, but once enrolled in some school they are very strict. Few co-ed schools. Here pupils attend schools until Saturday noon. Three languages are always taught. French (for cultural reasons) Spanish (being the native language) and English. Their summer holidays are from November to February. After high school graduation some kind of degree is always attached to their names. There are lots of school buildings, most being very pretty. Each school has its own uniform of dress for their students, carrying out their own colors. After high school many are educated in Europe.

There are a few Baptist and Protestant churches.

There is an ordinance requiring all homes to be at least 2 stories high, many are 3. The garage is often built under the houses to save space. Most of the houses are poorly constructed of tile that has too much sand in it. Few wooden houses because wood is too expensive, being carried from the high mountains. The average type home has at least 3 huge bedrooms. There is always rooms for the maids. These maids usually stay with the house. As an example, a house is sold and the maids would prefer staying

in the same house for the new family rather than to move to another place. Or when the Americans there come home on the usual 3 months trip they sub-lease their homes with maid service. There is always a patio wash room. There is a concrete slab about 4 feet wide, (divided as our sinks are.)

One half of this concrete is covered solid, this serves as the maids wash board. Still some take their laundry down to the creek and wash on the rocks. Iron bars are on all of the windows. In fact, no insurance will be sold unless this precaution is used against the thieves. There are always high fences, usually from six feet up. The closer into town the higher the fences. The rich have very elaborate grill iron works. Others are concrete with all sorts of cut glass wear on top to keep out prowlers. Natives do not believe in fires for heating. When we would have to turn on the fire (butane gas) some use coal (electric stoves are soon to be installed) the natives would peek into our windows and laugh, thinking it very unhealthy for fires. Likewise, in business places, no heating systems. The beauty shop I went to had no fires and the operators wore heavy woolen clothes to keep warm. Plumbing is one of the worst features. On the maids wash day, no one takes a bath as it takes the water too long to heat. When one takes a bath the second one has to wait for an hour or more so the water can heat again. The chimneys would get so dirty with soot they had to be desooted quite often. Men would clean them out. There were no screens at all. Nor no fly swatters. The maids would spray for flies. Fleas were terrible.

It rains constantly down there. There are no seasons. The weather year around is like our fall or early winter. One wardrobe can be worn the year around.

The first super market was just completed. Usually one article is sold from one place of business. Such as meat from the market and bread from the bakeries. A recent law requires meats to be in covered places of display. Fruits and vegetables are all sold in open markets and according to our American standards they are not too sanitary. Men get their coffee from the men's coffee shops and the ladies may get their (English) tea and coffee from a tea shop. Here the daintiest French pastries and tea cookies are served. Only in the markets is the custom (as in Old Mexico) of bargaining for cheaper prices. All other places have set marked

prices as in our own stores.

The private golf courses and country clubs are very exclusive and ultra modern in construction. They have a large number of tennis courts, even heated indoor swimming pools and large lakes for motor boat rides. They also have their own theatres.

Their money value is only one third of our value.

Grass had grown to about three feet tall on all the vacant lots. The natives sneak over the wall and cut it for their hay to feed their stock.

Their shows are American ones but spoken in English with Spanish written under all pictures.

I saw one funeral procession. The hearse was black, solid glass on all 4 sides. This was pulled by large white horses that were all plumed out in bright colors. The long string of cars that followed were all decorated on the tops of their cars with funeral wreaths. I don't know if the flowers were left at the grave or not. The city has no respect for funerals and they never stop nor direct traffic for them.

The bus will deliver flowers — hang them on the outside until the delivery is made. Street cars have just been removed. The taxi fare is very cheap but it is almost impossible to get a taxi if the driver sees his passenger is loaded with bundles.

I voted in the American Embassy in the election. There are a huge amount of Americans there (my sister and her family having lived there for six years.) The leading business in which the Americans are in is petroleum, banks from New York City, in the Air Force and the American Embassy crowd. They discuss the Korean situation and the election just as we do here. In fact, to hear them talk you would think you were on your own home street.

They also drive on the left side of the street. Many people ride bicycles and they have the right of way. The natives are exceptionally courteous. They always start out asking favors. "Will you have the kindness to

of mining salt still being used. The shrubs and flowers grow very tall. It is nothing to see flowers grow about 15 feet high.

I was there on Columbus Day which must have been a National holiday for things were closed on that date. There were fire works and guns to be heard in the distance. But down town there seemed to always be some sort of holiday celebration."

Mrs. Webster and the girls were met in New Orleans by Mr. Webster and they visited there before returning home.

Just because he's a human dynamo doesn't mean that everything he has on is charged. A girl with an name aim.

A NEW IDEA IN USED CARS!

Now you can get New Car Driving Confidence, at a used car price WITH **FORD A-1 USED CARS**

Here's how a new system of selecting and reconditioning used cars gives you the value protection of full dealer backing

When you buy a used car, you want to buy with confidence. When you drive a used car, you want to drive with confidence.

You can do both as a result of your Ford Dealer's new A-1 used car program.

Ford Dealer's A-1 used cars are fully checked for mechanical soundness... fully backed by the name of your Ford Dealer.

See your Ford Dealer about an A-1 car... one that gives you new car driving confidence, at a used car price.

CAREFUL RECONDITIONING — Ford A-1 Used Cars are checked from bumper to bumper, and carefully reconditioned where necessary to bring them up to A-1 standards.

Be Sure! Be A-1 Sure! WITH THE FORD DEALER'S **QUALITY CODE**

To give you topmost value, Ford Dealers always do these things to every A-1 used car:

1. BRAKE lining is examined for wear. Brake lines and brake fluid checked for safety.
2. CLUTCH is tested for smooth engagement and checked for safety.
3. FRAME is checked for alignment and structural fitness. It's adjusted.
4. ENGINE gets a complete test, plus tune-up to make sure it's set for plenty of dependable mileage.
5. IGNITION system gets full check-up for reliable starting and efficient operation.
6. AXLE operation is checked to assure road worthiness of gears and bearings.
7. UPHOLSTERY is checked for wear and appearance, and reconditioned where necessary.
8. STEERING is tested and inspected from wheel to knuckles.
9. UNIVERSAL JOINTS and propeller shaft are checked for alignment.
10. TRANSMISSION is tested for shifting ease.

Self-Employed Pay Social Security Tax

"When owners or partners of trades and businesses filed their 1951 self-employment income reports and paid the taxes due, they acquired four of the six quarters of coverage necessary for old-age and survivors insurance protection under the social security law," John G. Hutton, manager of the Lubbock office of the Social Security Administration, said today.

Mr. Hutton stated that claims are now being taken from self-employed people who have not yet filed a tax return for 1952, but have made a net profit thus far in 1952 of at least \$400. This provision was made in the 1952 Amendments to the Social Security Act, and makes it possible for self-employed to receive full benefits even though the return for 1952 is not yet due.

Those self-employed workers who were covered for the first time on January 1, 1951, and who have made over \$100 but less than \$125 net profit from their trade or business in 1952 should not delay filing application until January, since to do so might result in a loss of benefits for some months during 1952.

If you are in the group of self-employed who will net less than \$1425 during 1952, you should consult your social security office at once. Mrs. Juanita Short, Field Representative of the Lubbock office will be in Lockney at the Post Office at 2:30 p. m. on Tuesday, November 25, to assist in all matters concerning social security.

Mr. and Mrs. T. R. Rigdon and sons, Ronnie and Sammie of Amarillo spent Sunday with their parents, Mr. and Mrs. Tom Rigdon.

Mr. and Mrs. Frank Zedrow of Tulsa, Oklahoma and Mr. and Mrs. A. T. Fox of Teel, Texas visited in the T. S. Fox home Monday afternoon.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: CHARLES E. WETZEL and the Unknown Heirs of Charles E. Wetzel, deceased, their heirs and legal representatives, GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 22nd day of December, A. D., 1952, at or before 10 o'clock A. M., before the Honorable District Court of Floyd County, at the Court House in Floydada, Texas.

Said plaintiff's petition was filed on the 5th day of November, 1952.

The file number of said suit being No. 4077:

The names of the parties in said suit are: A. L. Wylie, Jr., and wife, Mildred R. Wylie, as Plaintiffs, and Charles E. Wetzel and the Unknown Heirs of Charles E. Wetzel, deceased, their heirs and legal representatives, Town of Floydada (Floyd City), Floyd County, Texas, as shown by the plat of such town of record in Vol. 2-F, page 294, Deed Records of Floyd County, Texas, plaintiffs alleging that they were lawfully seized and as Defendants.

The nature of said suit being substantially as follows, to wit: Suit by plaintiffs against above-named defendants in trespass to try title involving Lot No. 4, in Block No. 91, in the Original possessed of such premises, owning same in fee simple, on November 1, 1952, and that afterwards on November 2, 1952, defendants unlawfully ejected plaintiffs therefrom to plaintiffs' damage in the sum of \$1,000.00, the reasonable rental value of the premises being \$100.00 per annum; plaintiffs further alleging that they and those under whom they hold and claim have, claiming same under deeds duly registered, had peaceable, continuous and adverse possession of the land and premises above described, using and enjoying the same, and paying all taxes as same become due thereon, for a period of more than five years next before the filing of plaintiffs' petition in this suit; plaintiffs praying for judgment for title and possession of the premises, for damages, costs, Writ of Restitution and general relief, as is more fully shown by plaintiffs' petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

Issued this the 5th day of November, 1952.

Given under my hand and seal of said Court, at office in Floydada, Texas, this the 5th day of November, A. D., 1952.

Mary L. McPherson, Clerk District Court, Floyd County, Texas.

(SEAL) 31.4tc.

FARM INCOME DOWN

Austin, Texas. — Texas farm income for 1952 continues below that of 1951, the University of Texas Bureau of Business Research reports.

By October 1, farmers earned \$1,145,864,000 — 12 per cent below the \$1,301,034,000 they received in the same 1951 period. Increasingly harmful drought conditions and a general price decline are responsible to a great extent for the income reduction, researchers assert.

For a supper idea, cover slices of crisp buttered toast with sliced mushrooms. Use the gas broiler for the toast as you will need several pieces done at once. Over these put a poached egg, sprinkled with salt and pepper. Cover this with piping hot welsh rarebit that has been made directly over the flexible flame of the top burner. Serve immediately.

Charleston is the capital of West Virginia.

Longhorns Whip Crosbyton 27-13

The Lockney Longhorns had a tougher time than they expected but they came through with a win over the Crosbyton Chiefs last Friday night 27-13. The game was a tight affair until the fourth quarter when the local lads iced it away with two touchdowns and in fact the Chiefs pulled ahead in the third quarter to lead 13-6.

First downs were about even with the Longhorns making 14 to the Chiefs 13. The Longhorns had a little the best of yardage gained from rushing plays but the Chiefs completed six passes to three completions for the Longhorns. Each team had one touchdown via the pass route.

Jimmy Williams, playing his first full game as quarterback, did a bang-up job of handling the ball and passing well also. Bill Sherman, regular half-back didn't play the full game because of an injured knee but Lewis Foster filled his shoes well when Bill wasn't in the game. Bill suffered a dislocated knee in the Falls game.

Denny Quisenberry was a power on defense for the Long-

horns and the Chiefs didn't get past him many times.

On offense C. E. Smart and Norton Baker were chief ground gainers for the Longhorns with Williams, Sherman and Foster getting some yardage also.

The ball game started off slowly with the Chiefs receiving completing a pass and making a couple of first downs before being stalled. The Longhorns kicked on the first series of downs, and the ball changed hands two or three more times in the first quarter with no one threatening. Starting the second quarter the Longhorns took the ball on their own 20 and started a drive that netted them their first touchdown.

They drove for a first down on the 30 and then a pass Williams to Teddy Carthel was good for a first down on the Lockney 46. Baker drove for a first on the Crosbyton 40. Smart made it another first on the 30 and then on the 20 Williams on a keeper play went to his right for a first on the 10, and Baker plunged over for the score. Try for point was wide and the score was 6-0.

The Chiefs started a little drive of their own after this score but the halftime whistle caught them on the Lockney 35 yard line.

The third quarter proved to be quite disastrous for the Longhorns. The locals received, returned the kick to their own 30 but a fumble there gave Crosbyton the ball from which point they quickly drove over for a score. They also failed on the point and the score was 6-6.

Vic Vet says

VETERANS WHO PLAN TO STUDY UNDER THE NEW KOREA GI BILL WILL BE WISE TO PICK THEIR COURSES CAREFULLY BECAUSE THE LAW PERMITS THEM TO CHANGE THEIR PROGRAM ONLY ONCE!

For full information contact your nearest VETERANS ADMINISTRATION office.

The Longhorns brought the ball back from the kick-off to their own 25, made a first on the 37 but promptly fumbled again with the Chiefs taking the ball over on the Lockney 48. They promptly completed a pass good for the score, made the point and the score was 13-6 in favor of the Chiefs.

The Longhorns weren't long in pulling back into a tie. Joe Taylor took a short kick and returned it to the Crosbyton 48. The Longhorns drove for a first down on the 38 and another pass from Williams to Carthel was good for a first down on the Crosbyton 8 yard line. Smart

drove over for the score and also carried the ball over for the point to make it 13-13.

But the breaks started going the other way and after Crosbyton had driven to the Lockney 28 on a pass a fumble gave the Longhorns the ball on the 25. They drove for a first down on the 35 and then pass from Williams to Carthel was good for a touchdown. Carthel eluded and outran two Crosbyton boys and went over standing up. Sherman kicked the point to make it 20-13.

Crosbyton took the kick-off on their own 20 and a pass was good to the Crosbyton 33. Another pass carried to the Lockney 45 but here the Longhorns took over. Baker made 6 and then Smart ran to the Crosbyton 8. Three plays made the score with Williams carrying over on a keeper play. Sherman again kicked the point and the score was 27-13.

Baker intercepted a pass to stop a Crosbyton drive and very little action marked the remainder of the game.

ATTEND CELEBRATION

Rev. and Mrs. N. S. Daniel and sons, Phillip and Sam, spent Saturday and Sunday in Goldthwaite, Texas where they attended the golden wedding anniversary celebrated by Mrs. Daniels' parents, Mr. and Mrs. W. H. Linkenhoger. This is the first time that all four Linkenhoger children had been together in twenty-one years.

Society News

Methodist Service Guild Meets

Wesleyan Service Guild met in regular meeting November 13th at the Methodist Church. Mrs. E. E. Spradlin, president, presided over the business session.

The Guild voted to buy an altar Bible for the new church in memory of Billie Earl Terrell.

Mrs. N. S. Daniel led the study discussion on "These Rights We Hold."

Next meeting will be Tuesday, November 25th. This will be a covered dish supper at 7:30 p. m. at the church.

LOCAL LADY GUEST SPEAKER FOR PLAINVIEW CLUB

Mrs. G. C. Applewhite, speaking on "Our Foreign Policy," presented a surprise program for the Browning Club of Plainview when they met Saturday in the home of Mrs. R. S. Zeigler. Beginning her talk in a serious vein, Mrs. Applewhite, a former speech teacher, turned it into a drastic satire of America's foreign policy.

El Progreso Study Club Meets In Schacht Home

El Progreso Study Club met in the home of Mrs. Henry Schacht on Wednesday, Nov. 12 at 3:30 for a regular meeting. Mrs. Joseph Holt was elected to membership in the club. Mrs. Rhea Mitchell gave a review of "The History of Rings."

Refreshments were served to Meses. Alex Applewhite, G. M. Brunner, Clyde Applewhite, Dee Copeland, Leslie Ferguson, Edgar Hays, Henry Hodel, Clyde Kemp, T. B. Mitchell, Rhea Mitchell, Frank Perkins, Guy Sams, Sid Thomas, J. R. Naylor, Chester Mitchell, Mr. and Mrs. Henry Neil Schacht and the hostess, Mrs. Schacht.

Mr. and Mrs. H. T. Pinkerton of Lamar, Colorado, and Mrs. L. G. Morris of Liberal, Kansas are here spending a few days visiting with Mr. and Mrs. Fritz Schacht and family before going on to South Texas and Mexico for a vacation.

Plymouth's New Look for 1953

The distinctive grille of the 1953 Plymouth keynotes the new styling which carries through from bumper to bumper. The new models feature horizontal character lines that accentuate the ground hugging grace of the new streamlined styling. The softly rounded hood, sweeping out to the fenders, covers Plymouth's improved 100-horsepower engine with its 7.1 to 1 compression ratio. Note also the one-piece windshield with uniform curvature for minimum distortion and "Control Tower" visibility. It is available also in restful, heat-absorbing Solex tinted glass.

Betty Muncy Is Shower Honoree

Miss Betty Muncy, bride-elect of Clyde Gordon, Jr., was named honoree at a bridal shower given Thursday, November 13 at the home of Mrs. John Hoffman in the Sand Hill community. Calling hours were from 3 to 6 o'clock.

In the receiving line were Mrs. Hoffman, Mrs. Robert Muncy, Betty Muncy and Mrs. Clyde Gordon.

The serving table was laid with a lace cloth and centered with a basket of yellow mums flanked by yellow candles adorned with yellow ribbons bearing the names of the betrothed couple. The lettering was done in turquoise Old English script. Presiding at the table were Mrs. Raymond Teeple, Mrs. Elmer Biggs, Mrs. Olin Bryant and Mrs. Don Harrison. Mrs. Glenn White secured names for the register.

Assisting Mrs. Hoffman as hostesses were Meses. Glenn White, Elmer Biggs, J. F. Biggs, Cleo Stephens, Alvin Wilson, M. J. McNeill, Menard Fields, Hall Ferguson, Don Harrison, Raymond Teeple, Olin Bryant, Ray Ashton, Bennie Teaff and Miss Jo Teeple.

Present and sending gifts included Meses. Paul Kropp, Arch Crager, Fred Martin, Minnie L. Smartt, Ed Thornton, W. H. Workman, B. B. Wilkes, George Smith, Glenn Mitchell, T. B. Mitchell, Ernest Lee Thomas, Fred Dorman, C. P. Fulkerson, Newell Harper, S. A. Thornton, Audie Noland, E. R. Harris, C. L. Hagood, Aaron Carthel, R. C. Ross, C. M. Meredith, C. A. Goen, Elton Goen, Travis Jones, Tate Jones, Connor Oden, Leo Frizzell, B. P. Sandefur, Clarence Goins, Allan Bingham, R. E. Fry, Jake Watson, Jack Deakins, Bill Norman, Clement McDonald, Jack Lackey, F. U. Payne, Bill DuBois, Clark Harris, H. G. Barber, Buck Hickerson, J. B. Bishop, Walton Hale, I. T. Graves, Baird Bishop, Troy Leonard, F. C. Harmon, Ott Glassmoyer, and Miss Jo Farmer, Benita Teaff, Stella Griffin and W. T. Hamilton.

Joyce Johnson Becomes Bride Of T. Terrasas

Miss Joyce Johnson, daughter of Mr. and Mrs. Nathan Johnson of Plainview, became the bride of Terry Terrasas of Albuquerque, N. M., Saturday, November 1. The evening ceremony was performed by Judge Cortez in her apartment in Santa Fe before a group of friends and relatives.

Miss Norma Betts attended the bride as maid of honor. Arthur Richards, foster brother of Terrasas, served as best man.

The bride is a graduate of Plainview High School and the University of Texas. At present she is employed as a teacher in the Santa Fe schools.

Terrasas served six years in the U. S. Air Force, and is a graduate of the University of Albuquerque. He is employed as district sales manager for the Schickel Company with headquarters in Albuquerque, but the couple are at home in Santa Fe temporarily. They will move to Albuquerque soon.

The Johnson family formerly resided at Lockney.

Aiken Friendship Club Has Meeting

The Aiken Friendship Club met Tuesday, November 18 in the home of Mrs. Marvin Glenn Marshall with Mrs. Clyde Lucas as co-hostess.

Mrs. Buck Kellison, president, presided over the business meeting. Mrs. Francis Montandon gave a demonstration on gift wrapping.

Refreshments were served to Meses. Raymond Barr, Leslie Carlton, R. L. Powell, R. R. Kellison, Oscar Golden, Martin Bradley, Jack Jackson, O. D. Wofford, D. M. Marshall, Price Webb, Francis Montandon, A. P. Langfelt, Buck Kellison, Leo Duval, Wilburn Tannahill, Clyde Lucas, Charles Pickens, W. S. Price and the hostess.

The Christmas party will be held in the home of Mrs. D. M. Marshall.

Mr. and Mrs. Avey Dagley and family and Mrs. Curtis Roberts, all of Lubbock, spent Sunday afternoon here visiting Mrs. J. L. Dagley.

Watch your expiration date

Mrs. Carl Ferguson Hostess To H. D. Club

Lockney Home Demonstration Club met Thursday, November 13 in the beautiful new home of Mrs. Carl Ferguson.

Mrs. Thomas Marr, president, presided over the business meeting. Roll Call was answered with "What I have read." Mrs. Frank Messimer gave the council report.

Mrs. N. S. Daniel, guest speaker, reviewed "Road to Bithynia" by Frank G. Slaughter. Mrs. Daniel was presented a gift by Mrs. I. A. Applewhite as compliments of the club. Games were led by Mrs. Raymond Watson. The whosit game cleverly ended with Mrs. Carl Ferguson who was presented a picture and a pot plant for her new home.

Refreshments were served to Meses. N. S. Daniel, W. F. Anderson, Henry Bollman, J. H. Cooper, R. L. Hall, J. S. Hill, Frank Messimer, Thomas Marr, I. A. Applewhite, E. M. Whorton, R. W. Landrum, Raymond Watson, J. E. Tierce and Mrs. Ferguson.

Next meeting will be held Monday morning, November 24 at 10 o'clock in the home of Mrs. J. H. Coper. Miss Leila Petty will give a demonstration on cooking a roast. Everyone is asked to bring a covered dish and luncheon will be served at noon.

C. Cooper Honored On Sixth Birthday

Carol Cooper was honored with a party on her sixth birthday, Tuesday, November 11 in her home.

As guests arrived a balloon festival was held, followed by some outdoor games. Snapshots were made of the group. Opening of the table full of gifts provided excitement for all.

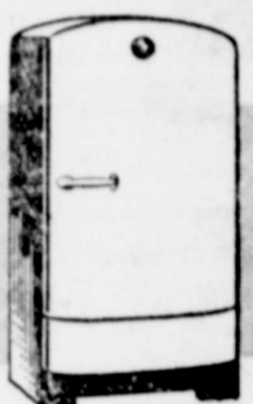

The refreshment table was centered with a beautiful birthday cake decorated in red, white and blue and topped with six blue candles. Each plate had an individual cake with a blue candle in the center. The candles were lighted and blown out together.

Ice cream, cake and fruit punch were served to the following guests, Gary Bob Me-

Anineh, of Plainview; Janice Nabee, Jerry Nabee, Gary Nabee, Linda Marr, Cooper, L. Cooper, De Cooper and Car Cooper, Carl O. C. Love, Cooper, Fr Marr, Thom Ross Cooper.

HOME FROM
AL. 3-c arrived in San after serving a Navy ship. He has been Field, Calif. parents are Applewhite.

MEDITATION

WHO IS RIGHT?

I know that the way of man is not in himself, but that he who walketh to direct his steps." Such words were spoken by Jeremiah in the long...

Thoughts are not your thoughts, neither are they ways, saith the Lord." Isa. 55:8.

... of a fool is right in his own eyes; but he is brought to shame when he is rebuked. Pro. 12:15.

... shall come to pass, that whosoever will not hear my words which he shall SPEAK in my name, I will require it of him." These words were prophesied. Deut. 18:19.

... SPEAK, let him speak as the ORACLES of God. 1 Pet. 4:11.

... MAN think himself to be a prophet, or spirit-bearer, let him acknowledge that the things that I command you are the commandments of the Lord." I...

... today stand up for that which is taught in the word of God, someone comes along and says, "He is just judging." Dear friends, do not be deceived by those who are not published to show how smart any one is. Nor do they printed to "judge" from a human standpoint. When the word of God is applied, it judges. When the word of God is applied, it is not man who is judging. These articles are not of a PRIVATE nature, so much as they apply to us all, in that they agree with the teachings of the Word.

... to set forth matter without fear or favor. Paul said, "I seek to please men? for if I yet pleased men, I should not be the servant of Christ." We are not trying to persuade God to accept man, but we are trying to persuade man to accept God.

... when I teach what is in harmony with the word of God, then I am not showing how much I "know" about the right things about religion. I am merely showing of Jesus Christ and teaching his word. I don't believe any one certain doctrine is better than any other. Hear the word of God. "Go ye into all the world and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned." (only ONE thing preached) "DAMNED." Again, "But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed." Again, "That they all might be damned because they believed not the truth..." (Can there be more than one truth?)

... do not care to receive what any man thinks. We care only in that which is revealed in the pages of the word. We notice that those who "cry" when the scriptures do not have scripture to hold up their feet. They have to go to man's reasoning and ridicule what they disprove what has been written? They do not REACH A HARMONY OF THE SCRIPTURES AND HOLD TO THEIR PECULIAR DOCTRINES. Our hope is that man shall continue to believe different, but that man shall all be bound together in the truth. Truth is the only truth) can free from sin.

A CLEAN CITY IS A SAFE CITY!

EVERYTHING'S O.K. IT'S A BOY!

What price good news? So often it's the price of a telephone call... and that means just a few pennies.

Worth more? Of course. Many telephone calls are practically priceless in their value to you.

And yet the average cost of each local call, including tax, is only about 21¢.

Can you think of a better bargain?

Every "hello" is a good buy

FOR FASTER LONG DISTANCE SERVICE... CALL BY NUMBER

Governor Allan Shivers signs the official memorandum designating the period from November 17 to December 25 as Christmas Seal Month in Texas. Mrs. Frances Rains, Seal Sale Director for the Texas Tuberculosis Association, looks on. Inset is Dr. Z. T. Scott, retired Austin physician who instigated the first Christmas Seal Sale in Texas in 1909 and now serves as treasurer for the statewide organization.

Other Diseases May Follow Cold

Austin — Studies show that most people have two or more colds a year, each lasting about two weeks and causing a considerable amount of stuffy discomfort, said Dr. Geo. W. Cox, State Health Officer.

The danger of the common cold lies in the other infections that may follow after it. A cold lessens resistance, and is likely to pave the way for other more serious respiratory ailments.

Sinusitis, ear infections, bronchitis, and the various forms of pneumonia are frequently ushered in by a cold. Pneumonia, particularly, is likely to attack a person who is overtired, or run down because of a severe cold.

Fortunately, many of the respiratory diseases are not as dangerous as they used to be. Modern infection-fighting drugs, such as penicillin and the sulfa drugs, offer highly effective treatment for many cases. But, of course, it is always better to prevent a serious illness whenever possible.

If you have a cold, it's just good sense to stay away from people, to avoid spreading the infection, and to get plenty of rest—in bed if possible.

J. D. Wood, manager of the National Alfalfa Company is down state this week on business.

New Car Dealer Gets Award For Safety Efforts

Presentation of a Highway Safety Award for contributing to traffic safety has been made to Lockney Auto Company, Lockney by the Texas Automotive Dealers Association, the state organization of new car dealers.

The award is in recognition of the local dealer's lending an automobile for high school driver training during the 1951-2 school year to Lockney High School.

C. E. Smith, Austin, State Safety Chairman for the dealer association, described this contribution to safe driving by the local dealer as a significant service to the community, the state and the nation.

The safety award is signed jointly by officers of the Automotive Industry National Safety Committee, and State and National new car dealer associations.

In Texas alone last school year, more than 250 members of the authorized dealers association.

lation loaned cars to schools in their community where "behind the wheel" instruction is given in high school training.

It was estimated by E. A. Kinsel Beaumont, president of the state association, that this represents an investment of more than \$500,000 which Texas new car dealers have in a "revolving" fund devoted to safety education.

COTTON ESTIMATE UP

Austin, Texas. — The federal government's increased estimate of 1952-53 cotton production indicates domestic cotton may be in easy supply next year, Dr. A. B. Cox, University of Texas cotton marketing professor, declared.

The government's September 8 production estimate of 13,389,000 bales was increased to 14,413,000 bales in an October 8 report.

Tony Frizzell, four-year old son of Mr. and Mrs. Hubert Frizzell underwent a tonsillectomy at Taylor's Hospital, Lubbock Friday. He returned home with his parents the following day.

F. P. GRAHAM, Pastor

Irrigated Pasture Worth \$1800 To Latta

Floydada. — An irrigated pasture has been worth \$1800 to S. J. Latta who has 20 acres of irrigated pasture east of Floydada.

Mr. Latta, who is a cooperater with the Floyd County Soil Conservation District, started the business of irrigated pasture by seeding ten acres of perennial rye and yellow blossom sweet clover last fall. This spring he seeded another ten acre plot of perennial rye and yellow blossom clover. This fall, he seeded another block of pasture — which is a mixture of perennial rye, Bromegrass, Orchard grass and Kentucky 31.

Mr. Latta wishes to have 30 acres of pasture on which to carry as many cattle as possible. This grazing program started in March this year with 35 head of cattle; 25 head were stock cows and five head were yearling heifers. The irrigated pasture was grazed about ten days then irrigated and allowed to make a new growth before grazing.

Mr. Latta states he received about 80 days grazing with 35 head on the first ten acre pasture of perennial rye and yellow blossom clover from March to the first of November.

The spring planted ten acre pasture of perennial rye was first grazed about June 15. The same system of watering and grazing was followed on this pasture as was used on the older planting. There was considerable annual grasses and some volunteer cane which provided a lot of grazing in the spring planted pasture. It was grazed four times for a total of 40 days grazing by 35 head of cattle.

The only time the 35 head of cattle were off the two ten acre pastures and the 15 acre stomp lot was during the month of August when a 20 acre native grass pasture was grazed. Last month Mr. Latta began feeding bundles to supplement his pastures.

During the year Mr. Latta sold ten of his steer calves for about \$1800. Although pastures are very profitable on some farms, it will depend on the farmer's interest as well as his farming system whether he should have an irrigated pasture on his farm.

These are some observations made by Mr. Latta during the establishment of his irrigated pastures: (1) If the land needs leveling, be sure to level before a good stand of grass and legumes is established; (2) Put in temporary borders to control irrigation water; (3) Make some small drills in the direction the water should go; (4) Drill the

CONGRESSMEN TO ANSWER VOTERS' QUESTIONS IN STATE-WIDE MEETING AT FT. WORTH NOV. 21

Pictured above are ten of the twelve members of the U. S. House of Representatives who will discuss national and international issues with the people of the state in the second annual Texas Congressional Forum in Fort Worth, November 21. The public is invited to attend and to ask the legislators questions. Members of the Forum Panel pictured above are: Jack B. Brooks, Beaumont; Omar Burlison, Anson; Martin Dies, Lufkin; O. C. Fisher, San Angelo; Wingate Lucas, Grapevine; Frank Ikard, Wichita Falls; W. R. Poage, Waco; Ken Regan, Midland; Olin E. Teague, College Station and J. Frank Wilson, Dallas. Other members of the panel will be Brady Gentry, Tyler, and John Dowdy, Athens. Ed Gossett, Dallas, former congressman will be the moderator. R. B. Anderson, Vernon, will deliver the keynote address, prefacing the question-and-answer session. The Forum is sponsored by the West Texas and East Texas Chambers of Commerce and the Fort Worth Chamber of Commerce. It will open at 2 p. m. in the Texas Hotel ballroom.

Bargain Rates On Daily Papers Are Now Available

The Beacon is now authorized to accept subscriptions to a number of daily newspapers at the annual fall bargain rate.

The Fort Worth Star Telegram bargain rates just announced are \$13.95 per year for the daily and Sunday or \$12.60 per year daily only. This is a considerable saving from the regular rate of the Star Telegram which is \$18.00 per year for daily and Sunday.

The rates on the Amarillo Daily News are \$13.00 for the daily and Sunday and \$10.00 per year for the daily only.

The Lubbock Morning Avalanche rates are \$12.95 per year for daily and Sunday and the daily is \$11.00 per year.

The Beacon can also accept subscriptions for the Abilene Reporter and the Wichita Falls Record News but we do not as yet have the bargain rates on these two papers.

You can always save money by renewing your daily at The Beacon office.

Local People Attend 90th Division Reunion

Mr. and Mrs. Wilfred Stoerner of Providence, Mr. and Mrs. V. D. Ross Jr., of Hale Center, and Mr. and Mrs. Cooper of Lubbock attended the 34th annual reunion of the 90th Division held in Dallas at Jefferson Hotel recently. Both Stoerner and Ross are veterans of the 90th Division having participated in the action at Normandy, Falaise Gap, Muselle River, Saar River, Siegfried Line, the Bulge, second Mucelle River, the Rhine, Main and Czechoslovakia. There were about ten men from their own 357th Infantry G. Co. present. Most of the 90th men are from Texas and Oklahoma but there were buddies present from Utah, Nebraska, and Iowa.

An inspiring memorial service was held for those buddies who lie in peace in cemeteries of Europe. There were parents of lost soldiers seeking information from buddies concerning their son's experiences and fate. The stories related by these men of their trials in battle is reported to be most stirring and should provoke thoughts of shame when we who stayed at home complain.

The next reunion will be held in Dallas on November 13, 14, 15, 1952.

Supt. Irons Back At Home Now

Supt. W. C. Irons spent several days over the week end in the Plainview Hospital. He came home Monday but is not yet able to return to school. Mr. Irons had a severe case of pneumonia recently and an examination last week revealed that, although he had been up and at school, he had never fully recovered from the illness. He was reported to be improving this week.
