Welch, Coleman, McDermitt take hospital race

Plenty of new faces dotted governing bodies Monday in the wake of turnovers caused by last Saturday's city school and hospital board elections in the county.

The only county-wide race was the Castro County Hospital Board race, and the race created heavier-than-usual voter turnout Saturday. Over 1,300 registered voters in the county voted in the elections.

Two of the three candidates running as a trio in the hospital race, Garland Coleman and Etie McDermitt, joined incumbent James Welch in gaining seats on the CCHD board. Coleman received 808 votes, Welch 586 and McDermitt 582.

The other members of the threesome, Dr. B. D. Murphy, finished fourth with 491 votes. Mike Foskey received 443 votes, while incumbents Charles Rickerd and Desi Pesina trailed the field with 358 and 255 votes, respectively.

Coleman was the leading candidate in Dimmitt and Nazareth, with 597 votes in Dimmitt and 110 in Nazareth. Welch finished third in Dimmitt, with 365 votes, and Nazareth, with 93 votes. Welch was the leader in Hart, garnering 128 votes, and second in Nazareth with 93 votes.

Mrs. McDermitt finished second in the Dimmitt totals with 451 votes, but finished third in Nazareth with 93

votes, and seventh in Hart with just 48 votes.

Foskey finished fourth in Dimmitt with 356 votes, but was fifth in Hart and sixth in Nazareth, placing him fifth overall.

Murphy placed third in Hart, with 85 votes, and third in Nazareth with 81 votes. However, Murphy was fifth in Dimmitt with just 325 votes.

In the Dimmitt school board race, incumbent Glenn Odom was joined by Cheryle Pybus in gaining the two, three-year terms open.

Odom led all candidates with 346 votes, while Pybus edged Richard Hunter, 325-282, for the other seat.

Other candidates included: Carter Townsend, 229; Johnny Hucks, 130; Randy Schumacher, 109; Kellie Proffitt, 94; and Teddy Smithson, 81.

In the Dimmitt city races, Jack Thompson led the four-man field seeking the two open spots on the Board of Aldermen, with incumbent

David Hays finishing second in a close race.

Thompson received 389 votes, while Hays was re-elected with 371 votes. Challenger Jim Naylor was a strong third with 340 votes, while former City Manager Garnett Holland trailed the field with 221 votes.

Wayne Collins was elected to his first full term as mayor, receiving 587 votes, while Municipal Judge Ferne Jones was re-elected with 526 votes.

In Hart's school board race, incumbent Elias Martinez finished fourth in the race for three seats available, with Freddy Upshaw and Ricky Mitchell joining incumbent Larry Lee on the board.

Lee led the five-man field with 212 votes, with Upshaw getting 180 votes and Mitchell 154. Martinez got just 109 votes, while Benny Martinez brought up the rear with 50 votes.

Bill Bell was elected to the Hart City Council, getting 118 votes, while Elizor Castillo received 42 votes. Joe Bailey

was elected mayor with 141 votes. Bailey was unopposed.

In Nazareth's school board election, Allen Dobmeier was

re-elected to the board with 141 votes, and will be joined by

Mary Lynn Olvera, who edged Hubert Backus, 103-92, for the

other seat open.

In Nazareth's city council race, Eugene Hochstein was re-elected with 69 votes.

Aldermen agree to annex land

Dimmitt could soon be 22 acres bigger after the City Board of Aldermen agreed to

annex at least a portion of land available along US 385 south of the city.

The aldermen agreed to annex the new Texas Dept. of Highways and Public Transportation site on US 385, and an adjacent site purchased yesterday by Bob Towler Implement Co. for its new building, and to furnish water to the site.

The aldermen are also considering annexing another 10 acres of the tract that belongs to Dan Heard, and obtaining an option on the acreage.

Castro County Economic Development Commission head Jerry Hanners told the board Heard "seemed willing to give a three-year option on the land for a selling price of \$2,500 per acre, and seemed willing to discuss annexing the land."

The board tabled discussion of the proposal at the original Monday night meeting, then reconvened Tuesday and okayed the agreement.

Monday night, Hanners told the board the tract is "present-

Career ladder committee started

Three administrators were appointed Monday night by the Dimmitt School Board to serve on the school district's career ladder selection committee. They are Corky

Lockmiller, Alex Glass and Terry Ellison, with Superintendent Robert Ryan as an advisor.

Based on criteria mandated by the legislature and the State Board of Education, these three will select the first two teachers to be placed on the career ladder, and who will then also serve as members of the selection committee. Further selection criteria will be developed by this five-member committee and submitted to the board at the May meeting.

Selection of other teachers to be placed on the career ladder will begin immediately after the criteria are approved, and must be completed by the end of the school year.

Ryan told the board that it is possible that all eligible local teachers may be able to receive a portion of the \$45,000 in state funds set aside for the career ladder.

Eligibility is based on having a bachelor's degree and three years experience, along with nine hours credit in higher education courses in the field being taught. Credit is also given for workshop hours on a basis of 15 workshop hours equaling one college hour.

Marker to be dedicated

A Texas Historical Marker for the Summerfield-Dameron Corner in Castro County will be unveiled in a special ceremony Sunday at 2:30 p.m. on SH 86 five miles east of Dimmitt.

Presiding at the unveiling will be Ray Cowser of Hereford, an attorney and the son of former Castro County Attorney Mark Cowser. County Judge Polly Simpson will bring the invocation, followed by the presentation of colors by Dimmitt Boy Scout Troop 266.

Clara Vick, a member of the Castro County Historical Commission, will give the welcome and introduce special guests. The unveiling will be performed by Edwin "Goose" Ramey and Roger Haberer. Ray Cowser will read the marker text, and Castro County Surveyor John Alldredge will deliver the dedication speech.

Russell Moran, Dimmitt attorney, will accept the marker. The benediction will be offered by Castro County News Publisher Don Nelson.

Naz, Mules, Bobcat JV capture Relays titles

In the past, the Bobcat Relays had not been noted for its fine weather.

Saturday, the rain, snow, wind and cold temperatures of the past were absent, and records fell by the wayside in the fourth annual meet at Bobcat Stadium.

18 new records were set in the 30 events held in the varsity boys and girls divisions of the meet, which was captured by Nazareth (girls), Muleshoe (boys), and Dimmitt (JV boys).

Nazareth edged Dimmitt, 90-82, for the girls crown. The margin of victory came in the 880 relay, which the Swiftettes won, while the Bobbies were hampered by a bad handoff and finished sixth. Nazareth received 20 points, while Dimmitt got just two in its worst performance of the season in the event.

Helping Nazareth take the girls crown were Debbie Schmucker, who won the two-mile with a meet record 13:30.41, and Leona Gerber, who took the mile in 6:09.25.

Dimmitt was buoyed by a win in the 440 relay, Stephanie Killingsworth's win in the 200 in a meet record 27.60, and second-place finishes by Stephanie Ryan in the long jump and 100 hurdles, and Cara Odom in the 400.

Marie Pesch of Bovina won the Girls High Point Individual award, as she scored 48 of a possible 50 points, setting new records in the shot (40-0 $\frac{3}{4}$), high jump (5-2) and hurdles

(15.33), winning the discus with a toss of 120-4 $\frac{1}{2}$, and finishing second in the 100.

Muleshoe was boosted by the performance of Mark Moton, who won the Boys individual honors with 27 points, and their strength in the long-distance races, to rack up 132 points.

Tony Luna blasted the existing standards for the mile and two-mile races as the Mules finished 1-2-3 in the two-mile and 1-2-4 in the mile. Moton captured the 400 meters, placed second behind Ricky Backus of Nazareth in the long jump, placed fifth in the 200 and helped the Mules' 1600 Relay team to first place by over a second over the Swifts.

Nazareth had 88 points for its runnerup finish in the boys division. Russell Hoelting was the only other first-place winner for the Swifts, winning the 100 in 11.17. He set a meet record in the morning preliminaries, 10.82, breaking the record of 11.24 he set last year. Hoelting finished second in the 200 finals to Conder of LCHS, who broke the record of 23.26 Hoelting had set during the prelim with a 22.84 effort. Hoelting finished with a 23.52 in the afternoon finals.

Dimmitt's JV squad took just two first place finishes Saturday (Blaine Gregory in the high jump and Johnny Flores in the long jump), but placed at least one person in every event to take a 47-point win over the Muleshoe JV.

FINAL LEG—The competition is intense as the anchor runners take their batons during the final exchange in the 440-yard relay at the Bobcat Relays Saturday. In lane 6 at left, Nazareth's Mike Huseman hands off to Chris Gerber, while in lane 3, Dimmitt's Mark Smothermon passes the baton to Nathan Nelson.

Lubbock Christian (in lane 4) won the event in a new-record time of 45.06 seconds. Nazareth and Dimmitt finished in a dead heat for second place, with the Swifts getting the red ribbon by .06 of a second.

On the Go

with Mary Edna Hendrix, 647-3343

The Castro County Ministerial Alliance sponsored Holy Week at the Senior Citizens Center the week before Easter. On Monday Rev. Ed Freeman was the Master of Ceremonies and he accompanied Linda Mullins on the piano as she led the singing. Linda also sang several selections and she brought the message for the day with the subject "What Did Jesus Do on the Monday Before the Resurrection?"

Linda and her husband Tom are the Pastors of the Assembly of God Church. Several guests enjoyed this inspirational meeting. Would you believe Linda sang half of the song "The Old Rugged Cross" and then she started singing, "I am singing the wrong song!" She is so clever! Lunch was served including a green chili casserole.

On Tuesday Rev. Norman Boyd, Pastor of the Immaculate Conception Catholic Church was the guest speaker and his sermon was "The Message of the Resurrection." God meets us on the level where we are. He wants us to know He is always there when we need Him. Rev. Boyd also told us that "Women talk more than men" and it makes them live longer, it helps them to know someone listens to them, it helps them to reduce tension and it helps them to communicate with others. Bea Acker led the group singing in several songs accompanied by Rev. Ed Freeman. The lunch included meatloaf and a delicious apricot cobbler.

On Wednesday Rev. Wayne Mullins, pastor of the Church of God of Prophecy brought the message for the morning. Rev. Ed Freeman opened the services with a prayer. Rev. Mullins read the Scripture from John 18:28 and 19:1-16. He spoke on the fulfillment of the Scripture and the crucifixion. What do we do with Jesus? We have to accept Him as the Son of God. Rev. Mullins closed with the poem, "The Cross Was His Own." Mrs. Becky Mullins sang a pretty special and played for the group singing. Rev. Vernon O'Kelly closed the service with a prayer. The lunch included turkey and dressing and pumpkin pie.

Thursday Wendy Downing, who is associated with the First United Methodist Church, had charge of the services and she led in the group singing with Deanne Clark at the piano. Wendy read from John 13 and discussed the events that took place on Thursday before the resurrection. She talked about the Last Supper with John and Judas sitting on either side of Jesus, a place where Peter would have liked to have been. We should be able to refresh and restore each other both spiritually and physically. We need to humble ourselves before God and we need to do something for someone who is depressed or has a bad feeling about life. Rev. Vernon O'Kelly closed with a prayer.

On Friday, Dale Wells, minister of the Church of Christ, brought the message pertaining to death and resurrection, and the events that happened the day Christ died. The disciples were too busy arguing who was the greatest among them to wash their hands, so Jesus washed not only their hands but their feet also. Jesus even washed the feet of Judas with the same care and love as the other disciples. Dale told the familiar story of Judas and his betrayal of Jesus, and also the story of the trial of Jesus and the resurrection. Dale led the group in a closing song.

Some of the employees at the Senior Citizens Center are: Oleta and Andy Schumacher, Juanita Dominguez, Billie Wesson, Mrs. Follis, Wilda Hawkins and Ralph Lambright.

Ioma Stokes had a fun trip to Ruidoso, N.M. with her daughter Sue, and Quincy Hawkins and boys from Hart recently. This week she is entertaining her son, Ronny, from Alabama.

Velma Lambright's sister, Benton Creacy, from Stinnet

has been visiting Velma and Ralph.

Holly Jack, daughter of Gaylen and Keri Jack of Friona, and granddaughter of Troy and Billie Kirby, visited in Dimmitt during the Easter holidays.

Vaden and Aline Kirby visited his brother, Olan Kirby and family in Kerrville, during the Easter holidays.

Emily Clingsmith was hostess to the Thursday Bridge Club at the Senior Citizens Center with lunch and a day of bridge. They also attended the Holy Week services. Susie Reeves won high score and Emily won second high. Others enjoying the day were: Jo Gregory, Sal DiCuffa, Johnnie Vannoy, Dude McClain, Ferne Dickey, Loranel Hamilton, Elizabeth Huckabay, Alice Collyer, Evie Froehner, and Bernice Hill.

Brad and Debbie Murdock from Amarillo visited his parents, Bobby and Wanda Murdock, during the Easter holidays, also Wanda's parents, Mr. and Mrs. W. H. Felder from Hart.

Correction: When Elaine Fulfer was visiting in Dimmitt I reported that she visited with Juanita Fulfer — my mistake — it was Juanita Bruegel.

Retta Cluck was the hostess to the Friday Bridge Club that met at the Senior Citizens Center. Dorothy Elder won high score and Ruth and Retta served some pretty and unusual Easter Egg candies to Dorothy Elder, Ruth Coleman, Betty Renfro of Amarillo, Josie Bradford, Opal Bearden, Carolyn Copeland and Anita Morris.

Denise Behrends was home from college for the Easter holidays visiting her mother, Jane, and sister, Donna, and I think she visited her dad, but he doesn't like to have his name in the paper!

The Dunn brothers, Coy, Joe, Newt, and Herbert, and their sister Connie Ivey entertained a large group of friends and relatives on Friday night at the Senior Citizens Center with a "Sing-Song." Several from out of town were there, including two of the Ivey's daughters, Raeneal Perry and her daughter, Rachel, Wilton Graef and her friend, the Finley's from Littlefield, and Frances Frazier's sister.

Susie Bradford's parents, Jim and Mary Jane Hartt, from Marshall visited Susie and her family during the Easter holidays.

Josie, James and Mildred Bradford visited Josie's nephew, T. J. and Wanda Boswell in Amarillo on Easter Sunday.

Ruth Cochran, librarian at Dimmitt Middle School, spent part of her spring break at Hawk's Cay Resort near Marathon, Fla. She accompanied her father, Horace E. Cochran of Texarkana. He is a Business Analyst with the Dun & Bradstreet Corporation and was awarded the Presidential Citation for Excellence while at Hawk's Cay.

The Dun & Bradstreet Corp. arranged for a fun-filled four days at the resort for the citation winners and their guests. Day one was arrival day. After everyone had assembled, a buffet supper was served and everyone had a chance to get acquainted. Day two was the day of "Fiscal Feats." A Thing-A-Thon competition was held between three teams made up of the citation winners and their guests. Activities included volleyball, an obstacle course, a tug-of-war and a sailboat race. The day ended with a buffet on the beach — conch chowder, filet mignon, grouper (fish) and many other delicious foods were served.

The winners of the various competitions were announced

as were several special awards. Ruth was awarded the "Ain't No Big Thing" award!

The third day was spent in Key West, Fla. The group ate lunch at Louie's Back Yard Restaurant and toured Key West on the Conch Train. There was time for a little shopping before they returned to Hawk's Cay for a lobster party at the Marina.

The fourth day Ruth and her dad went deep-sea fishing with two other members of the Dun & Bradstreet group. Everyone caught at least two fish, with a total of nine fish caught — eight dolphins and one grouper.

The climax to the trip was the champagne reception and awards banquet at which Mr. Cochran received his fifth Presidential Citation.

Ruth says she had a fantastic time and was ready to go back for more of the beautiful Florida sunshine. The flowers were in bloom and just beautiful!

Minnie Simpkins of Canterbury Villa celebrated her 91st birthday April 1. Two daughters, Joyce Angel of Amarillo and Mary Woodburn took her to Al's Colonial Restaurant for lunch. A daughter-in-law, Oleta Raper, joined them for lunch.

After lunch they went to the hospital to visit Minnie's son, J. B. Raper and shared her birthday cake with him. Daughter Joyce baked her cake.

Lacy Green, Grand Master of the Independent Order of Oddfellows for the State of New Mexico, and a member of the San Jon, N.M. Lodge #5 visited the Dimmitt IOOF Lodge Tuesday night, April 2.

Mr. Green brought two other members, Mr. Frank Snider and son, Charlie. They are members of the San Jon Lodge. Among 27 members at the meeting, some were from Hereford, Friona and Muleshoe.

Mr. Steve W. Jameson, the local Fire Marshall for Dimmitt, had been accepted into the lodge by initiation and those present participated in the ceremony. Mr. Jameson and wife, Jo Ann and children live at 507 W. Bedford.

Mr. and Mrs. Clarence Behrends and family, including Tammy, Bob, Earl and Donita, Gary and Kylene (Behrends) Thomas, recently enjoyed a vacation in Hawaii. They stayed in Honolulu but visited Kauai (the garden island), and the big island of Hawaii as well as enjoying a circle island tour on Oahu. Things that they saw and did in the week that they were included the following:

Arizona Memorial, Pearl Harbor, USS Bowfin SS287 — a submarine at the Naval Inactive Ships Maintenance Facility at Pearl harbor near the Arizona Memorial Visitor Center.

Polynesian Cultural Center, dinner and evening show with a chance to see some of the different islands' history, customs of New Zealand, Fiji, Samoa, Tonga, Marquesas, Tahiti and Hawaii; and by taking a canoe tour and sampling products of their culture.

Glass Botton Boat cruise offshore of Waikiki where they saw the different coral reef and brightly colored tropical fish as the swimmers fed them. They

HIS TROUBLES WON'T GET HIM DOWN

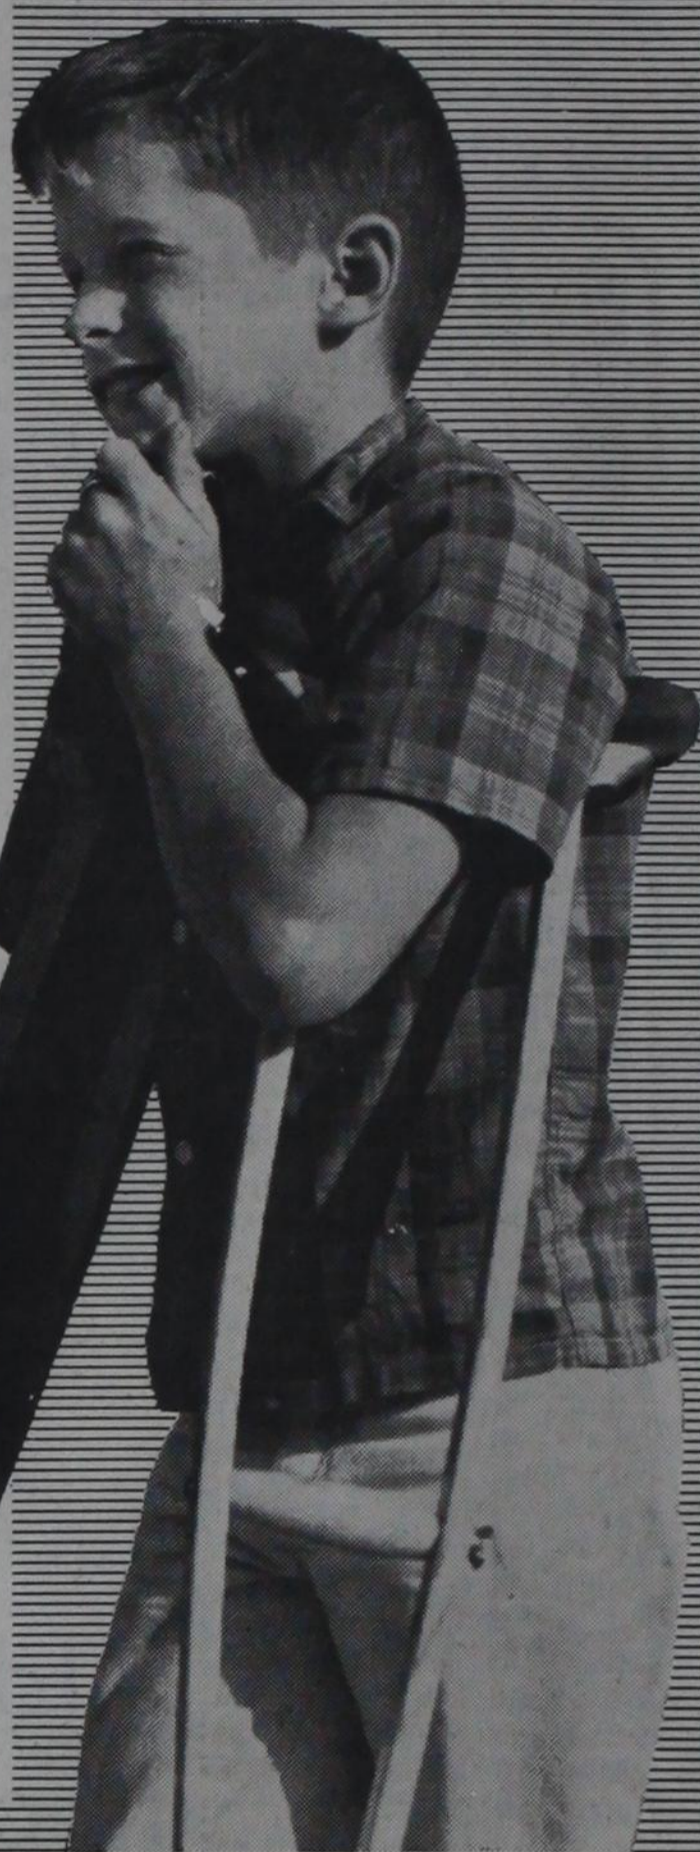

Forgetting his incapacitation, he is happily determined to plan ahead. His spirit is not easily crushed. Life is always full of hope and excitement. The Lord and this young man's Christian friends have taught him to have such an outlook on life.

"But the fruit of the spirit is love, joy, peace, long-suffering, gentleness, goodness, faith." Galatians 5:22.

We invite you to attend the church of your choice regularly to worship, to be uplifted, encouraged, and blessed.

More about

School board...

(Continued from Page 1)

Other requirements will be selected by the placement committee.

Board members voted to reinstate the eighth grade graduation ceremony for this year only. It has been scheduled for 6:30 p.m. on May 28.

The board authorized hiring of sufficient teachers to handle the state-mandated summer school for pre-kindergartners and pre-first graders, and to teach the new pre-kindergarten school year classes that will begin next school year. The summer school will be in half-day sessions for the eight weeks before school starts. The pre-kindergarten program, for 4-year-olds, will also be a half-day program. The district must offer the programs, but attendance is strictly voluntary.

Ryan told the board that it is estimated two teachers will be needed for both programs.

The 1985-86 school calendar, approved by the board, shows classes starting on Sept. 3, with the final instruction day set for May 29, 1986.

Only eight school days will be missed for the Christmas-New Year's holiday period, stretching from Dec. 23 to Jan.

1. Spring break will be March 10-14, 1986.

Board members voted down a proposal to offer French as a foreign language next year, saying that the language requirement is already met in Spanish classes.

Resignations were accepted from Jon and Laura Davidson, Brian McLaughlin, and Cody Myers. Virginia Crider was noted as retiring.

Demaris Stephens, Pam McCrary and Sue Rogers were hired.

Police Calls

Two men from Denver, Colo. were arrested in Dimmitt Saturday night on charges of disorderly conduct and unlawful carrying of a weapon.

Police had received reports of gunshots heard at the Azteca Complex. Witnesses referred police to a car parked at the complex. A search of the vehicle turned up a Llama 9mm Parabellum and a box of 9mm shells. During the search of the car and questioning of the suspects, one of the men began using profane language, and was charged with disorderly conduct. The other was booked

on a weapons charge.

A local man and three men from Odessa were questioned Friday night after they had allegedly been seen knocking over a telephone booth at the Circle K store in Dimmitt. Store Clerk Martha Reyes called the police at 7:50 p.m. to report the incident.

One of the suspects said he had been using the phone when an unknown Mexican man became angry with him and knocked over the booth. Other witnesses to the incident told police that only the four men were involved. The men were apprehended in a blue Camaro, and the driver was charged with DWI.

Two incidents of tire slashing were reported during the past week. Randal Small of 207 NW 5th told police he had a flat tire on his pickup Saturday morning. Paxton Tire Service told him the tire appeared to have been cut. Sunday morning Small awoke to find both back tires punctured. Estimated value of the three tires is \$300.

Monday night, Antonio Leal of the Azteca Complex told police that the right front and left rear tires on his 1976 Subaru had been slashed sometime over the weekend. The vehicle had been parked in front of his apartment at the complex.

A 19-year-old Dimmitt man was arrested for public intoxication when police received a report that he was causing a disturbance at 810 SW 4th in

Dimmitt.

April 3 at 10 a.m., a 1981 Chevrolet sedan driven by Joyce Stanton Land, 81, of Dimmitt backed from a parking lot onto Northwest Third Street in the 400 block and struck a parked 1974 Dodge pickup owned by Mack Ellis Oldfield, 82, of Dimmitt. Oldfield was not in the vehicle at the time. No injuries were reported. Damage was light to both vehicles. No citation was issued.

Eleven other arrests were made for DWI in the past week, one was a felony. There were also three arrests for public intoxication.

also saw a different view of Waikiki and Diamond Head — from a surfer's point of view.

They also enjoyed seeing Waimea Falls with its cliff divers and beautiful gardens, historical sites and cool streams, cross-country motorcycle riding and visiting friends. They had oceans of fun at the Sea Life Park with thousands of colorful reef fish, dolphins,

whales, sea birds, turtles and sharks.

The family visited the Dole Pineapple farms and went snorkeling at Hanauma Bay, which has lots of colorful and tame native Hawaiian fish. The Fort DeRossy Army Museum was another very enjoyable sight, as well as the Macadamian nut factories. Then, of course, they went to a luau, ate at Perry's Smorgy overlooking Waikiki Beach and had dinner at Windows of Hawaii, looking down upon Honolulu. And then there was shopping at the International Market Place. Other than that, they just rested, played on the beach and enjoyed the whirlpool/hot tub.

Maxine Cooper of Amarillo was the Easter Sunday dinner guest of Ed and Betty Freeman.

Linda Hance of Denver and her daughter, Tracey Compton of Dallas and Beth and Jack Hodges of Panhandle were week-end guests of Beral Hance. Linda had attended the Denver Symphony week before last. Dimmitt is very fortunate to have our community concerts. Beth and Jack left Monday for a week's vacation in Alabama and Florida. Tracey went jogging in the early morning and was pleased that several waved at her. She thought Dimmitt is a friendly town.

Sue Merritt and Beral Hance attended a luncheon in Amarillo Tuesday concerning the Texas Panhandle Heritage Foundation. The director of "Texas," Neil Hess, talked about his plans for this season's show in Palo Duro Canyon. This was the annual meeting.

Sue and Beral visited in Canyon with the Joe Higgs Family. Joe is the new pastor of the Calvary Baptist Church. They live in Hunsley Hills, north of the highway.

Add up what a 9-month John Deere finance charge waiver means to you

Are most advertised "low-rate" finance offers the big deals they're made out to be? Not compared to John Deere's 9-month finance charge waiver on new tractors, 40- to 300-hp.* As the chart shows, the John Deere 9-month waiver is more attractive than most of the low-rate offers you've read about. And, as you can see, paying off the John Deere contract early could result in an effective rate as low as 3.38%.

8th Bobbies take Junior title

Dimmitt's eighth grade Bobbies edged Friona to take their division's crown in the weather-delayed Jr. Bobcat Relays last Thursday at Bobcat Stadium.

Meanwhile, Friona's boys stormed past the Bobcats to take the eighth grade boys title, while Friona teams also grabbed the crowns in both seventh grade divisions.

All running events and several field events were held last Thursday, after rainy, cold weather forced the meet to be postponed March 30. Because of the postponement, several of the teams, including Tulia, who led most divisions, were forced to cancel.

The closest race of the day was in team totals in the girls' eighth grade division, with the Bobbies clinging to a tenuous lead throughout the afternoon in a three-way fight including Kress. At one point, Dimmitt held a three-point lead, while Kress and Friona were fighting for second.

Dimmitt's lead seemed secure after taking the 800 relay by over a second, but the Bobbies were able to muster only 16 points in the next three events, while Friona picked up 44 points.

Kress didn't field a mile relay team, though, so the Bobbies were assured of second so long as they weren't disqualified, and enough points to win the meet. The Bobbies trailed Friona by nine seconds in the final event, but the 16 points they earned were enough to stave off the Friona challenge.

A disqualification in the seventh grade girls 800 relay cost the Bobbies 20 points in that division of the meet, and Friona was able to run away with that division's title with a 54-point margin.

Dimmitt's eighth grade boys were favorites going into the meet, but failed to post a single first-place finish last Thursday in the track finals. Friona, meanwhile, posted eight first-place finishes to grab the title.

Workshop to aid merchants

The Dimmitt Chamber of Commerce and the Economic Development Commission is co-sponsoring a customer relations workshop for local merchants and their employees on April 29 at the chamber offices.

Conducted by Dr. Greg Taylor of the Agricultural Extension Service, the workshop is planned in two identical sessions to enable as many as possible to attend. One session will begin at 3 p.m. and one at 7 p.m. Each session will last about two hours.

There is no charge for attending the workshop, which has been designed to suggest tips for dealing more effectively with customers.

For further information, call 647-2524.

HISD votes on local bonuses

In a special session April 2, the Hart School Board voted to leave the local bonus for certified personnel at \$1,200 for those with a bachelor degree, and at \$1,350 for those with a masters degree for the 1985-86 school year.

The 33 applications received for the position of superintendent, to be vacated after this school year by Ted Averitt, were reviewed by the board.

Suggestions and estimates for the remodeling of the cafeteria and elementary gymnasium were presented by Bobby Reed.

The board voted to allow the addition of cross-country track to the athletic program.

That which is bitter to endure may be sweet to remember.

EDC \$ SIGNS

By Gerald M. Hanners
It was announced last week that the American Maize-Products Company will hold its Stockholders and Board of Directors Meeting in Dimmitt, April 25-26. William Ziegler III, Chairman of the Board and the Chief Executive Officer of the corporation, will preside at the meetings.

Corporate stockholders meetings are closed to the public and are usually held with little fanfare. Most of us will be unaware of the visitors' presence in our community.

However, we view the event as an exciting opportunity for our community.

The American Maize stockholders will undoubtedly review a variety of statistics, including figures on revenues and expenditures for the past year and predictions on profit performance for the coming year.

Some attention is likely to be given to the Dimmitt American Fructose plant, which the company acquired in

November. This is our opportunity to give some faces to the figures. It is another opportunity to exhibit our community as one that is supportive of the company's efforts.

As always, we will be judged partially by our appearance. The American Fructose plant is getting a facelift in places. Lots of painting is being done. Not much is being said about the upcoming meeting, but they know that when the executive board comes to town, it is a good time to look your best.

The executives and stockholders who visit later this month will be the individuals who make the decisions regarding the future of the Dimmitt plant. We want them to see us at our best and return home with a positive attitude toward us and their Dimmitt investment.

It is a unique opportunity for Dimmitt, and we have every reason to be optimistic. After all, we know better than anyone that an investment in Dimmitt is a good investment.

Turnrow meeting will identify wheat rust

A wheat-rust turnrow meeting will be held at the George Sides farm (seven miles west of Dimmitt on Hwy. 86) today (Thursday) at 2 p.m. Dr. Bob Berry, area Extension pathologist, will be on hand to discuss control strategies and assist producers with identifying rust infestations in wheat.

Several of the popular wheat

varieties in this county are planted in a variety test plot on the Sides farm. Producers will be able to view the difference in susceptibility between varieties, states Seth Ralston, Castro County agent. Dr. Berry will also be evaluating these varieties for rust susceptibility.

Conditions to date have been favorable toward having an excellent wheat crop this year. Wheat leaf rust can greatly reduce yields. According to Dr. Berry, Castro County producers will need to have made a decision to control rust by Monday.

All Castro County farmers and businessmen are invited to attend. The meeting is sponsored by the Castro County Extension Crops Committee.

Crime Line

Castro County Crime Line is offering a \$500 reward for information leading to the indictment of those responsible for the March 17 burglary of a barn belonging to Rayphard Smithson, located southwest of Dimmitt.

Entry was forced into the locked barn and approximately \$4,000-worth of property was taken, including a grinder, hand tools, an hydraulic jack, trash pump/motor, pully puller, and a pop rivet gun.

If you have information in this incident or any other featured on Crime Line, call the crime line number, 647-4711. Rewards may be paid on a drop system, and callers may remain anonymous through use of code numbers.

Rudolph Valentino's real name was Rodolpho Alfonzo Rafaelo Pierre Filibert Guglielmi di Valentina.

Local CAP to hear Matthews

The Dimmitt Squadron of the Civil Air Patrol will meet next Thursday (April 18) at 7:30 p.m. in the Dillon Gage Building.

Capt. Bob Matthews, an instructor at Reese Air Force Base in Lubbock, will lead an air space safety meeting, according to Capt. Jerry Annen, commander of the Dimmitt Squadron.

All pilots and any other interested persons are invited to attend the meeting.

Six make Tech list

Six Castro County students have been named to the fall dean's honor roll at Texas Tech University.

For the dean's list, students must maintain a grade-point average of 3.5 or above.

County students on the dean's list include Mary Lust and Kevin Spinherne of Dimmitt; and Perry Brockman, Dannelle Schmucker, Deanna Hoelting and Francis Kern of Nazareth.

Bridesmaids were Patsy Ramos of Dimmitt, sister of the bride; RosaLinda Ramos, Lupe Lopez and Mary Jane Lumbrera, all of Dimmitt and cousins of the bride; Lori Ann Nino, Lili Arce and Tammy Stanford, all of Dimmitt; and Amy Haardeman of Houston, Cathlyn Davis of Lubbock and Glynis Kysar of Amarillo.

John Josserand of Hereford served as best man. Groomsmen were Raul Ramos Jr. of Dimmitt, brother of the bride, Charlie Perez of Dimmitt, Glen Porter of California, Pat Moore of Lubbock, Cricket Draper of Guyton, Okla., and Mike Rand of El Paso.

Candles were lit by Kathy Garcia of Abernathy, Juanita Champion of Temple and Miss Bustoz of Amarillo, cousin of the groom.

Alex Mirelez of Georgetown, cousin of the bride, was ring bearer, and flower girls were Rachel and Christi Salinas of Dimmitt, and Anne Lopez of Amarillo, cousin of the bride. Train carriers were John Paul Ramos, brother of the bride, and Lida Gonzales.

Bea Acker and Bill Sava provided the music, including the selections "We've Only Just Begun," "You and I," "Solemn," "Ave Maria," "Our Father," and "Theme from Ice Castles."

Given in marriage by her father, the bride was dressed in a formal-length gown of satin trimmed with lace. A sheer net insert at the yoke was accented with lace appliques, and lace formed the stand-up collar. The yoke was outlined by a ruffle of the same lace. Lace appliques graced the bodice and skirt of

MRS. ADOLFO VARELA
... nee Rita A. Ramos

the dress and also outlined the hem of the full, gathered skirt. The bride's mother made her cathedral-length veil, which was bordered with lace.

Her feminine attendants wore pink dresses styled with a low neckline and bubble sleeves. Burgundy ribbons accented the waistline of the three-tiered skirts. Each wore a halo of pink and white baby's breath and carried a bouquet of pink and burgundy roses accented with baby's breath and lace.

The reception was held in the Castro County Expo Building, and included a dance featuring the Siempre band from Lubbock.

Pink and Burgundy roses decorated the white frosting of

the bride's cake, and the groom's chocolate cake was frosted in white with white roses.

The bride is a graduate of Dimmitt High School and is employed at Mervyn's in Amarillo. She plans to attend West Texas State University, from which the groom will graduate in May.

Bands post high ratings

Nazareth and Hart bands turned in their best performance ever, while Dimmitt recorded an "excellent" in concert and "superior" in sight reading in the recent Region 16 band contest in Littlefield.

The Swifts band, under the direction of Bernie Tackitt, received a "I" in both concert and sightreading.

"The success of the band program is because of the support from the parents and the high standards of excellence demanded from the kids in their basic classes, Kindergarten through Grade 2," said NHS band director Bernie Tackitt.

The 50-piece band will present a pop and classical concert on April 28.

The DHS band received two "II" ratings and a "I" in the concert competition, and a "I" in sightreading at the contest.

"The kids worked very hard

and learned a great deal," said DHS director Cody Myers. "They have shown an increase in musical maturity. They can be proud of their work and accomplishments throughout the year. I'm proud to be associated with them."

The DHS band had to perform without 15 students because of the new "No pass-no play" rule. Myers said he didn't think it affected the rating, but may have hampered the performance, especially since several of the missing were clarinetists.

The DHS band will attend the Sandy Lakes Band Festival May 2 through 5 in Dallas-Fort Worth, then present its spring concert May 9.

Hart's band received "II" ratings in concert and sightreading, but received one superior rating from a concert judge, the HHS band's first ever "I".

an accident.

According to the Castro Co. Sheriff's Office, Menchaca went to sweep out a grain bin at L&S Feed Lot four miles west of Hart on FM 145 at about 2 p. m. A while later, the auger came on in the bin, according to other workers at the feed lot. The auger "made a noise like it was crushing rocks," according to workers, but none investigated the noise.

At about 5 p.m. Monday, Menchaca's son Paul, went to the feedlot and noticed no corn was coming out of the bin, although the auger was still operating. The son investigated, and found his father entangled in the auger.

Funeral services were held for Menchaca Wednesday in Hart.

Aldermen ...

(Continued from Page 1)
ly the only available development site we have. Some others are available, but the price is so high, it's discouraging. This area is the most practical and most appealing.

"I get asked every day why we aren't getting what our neighbors are getting," Hanners continued. "Muleshoe is getting a new tortilla factory. In my opinion, if we had the same opportunities, we could not make them work today. We lack available land sites, and the financing is not available. This board holds the key, and the board can turn the key and let us in, let us develop in an orderly fashion."

"We don't know the risk (on obtaining an option on the extra acreage)," Hanners said. "If we let this area develop by chance, we'll be looking at a No Man's Land. We can see that south of Hereford, and just east of Dimmitt. We can see it south of town, too, unless we see to it there is orderly annexation and positive growth."

The new water line to the new SDHPT building and the Towler site will cost about \$15,420, with SDHPT and Towler to reimburse the city for the cost. SDHPT may reimburse its cost by installing the line. The city will be responsible for obtaining easements for the line.

The aldermen also discussed laying a sewer line to the sites, which could cost an additional \$37,000, but that proposal was tabled.

In the original Monday meeting, the board heard requests for a piece of the \$115,836 Revenue Sharing pie

to be available during the new fiscal year beginning May 1.

Requests included: \$700 for the Mayor's Beautification Council; \$5,000 for the EDC; \$3,200 for the local Central Plains MH/MR Center; \$2,500 for the Castro County Senior Citizens Center; \$21,000 for Plains Memorial Hospital for a new ambulance and a new parking lot on the east side of PMH; \$18,294 for matching funds for a proposed grant from the Federal Aviation Administration for additions to the Dimmitt Municipal Airport; \$28,642 for seal coating; and \$50,000 for drainage work in the city.

All the requests had been included in the budget proposal prepared by City Manager Paul Catoe, except for the \$11,000 for the PMH parking lot, and the \$2,500 for the CCSCC. The city will hold its final hearing on the Revenue Sharing budget, and the proposed \$1.7 million city budget at the next meeting April 22.

Poster contest entries needed

As a part of the CUFUPU activities, the Mayor's Beautification Council is sponsoring a poster contest in grades one through six, with a \$5 first prize in each grade.

The posters should be on one of these themes:

- Pick up litter;
- Don't litter;
- Hoe weeds;
- Plant flowers;
- Don't throw trash out of cars, and;
- Don't throw down school papers.

All posters should be prepared at home and turned in at the principal's office next Monday (April 15) with the child's name, grade, phone number and parent's name on the back of the poster. Awards will be presented next Wednesday.
