RETURN HOME

Mr. and Mrs. Tom Rigdon returned home Sunday after spending nearly a month visiting in California. They visited their daughter, Mrs. B. L. Fisher and son, Charles Rigdon, both of Rodondo Beach, and a brother of Mr. Rigdon, Homer Rigdon at Compton, Calif. Rev. and Mrs. C. A. Strickland had accompanied the Rigdons on the trip and they remained for a longer visit with relatives at Van Nuys.

Mr. and Mrs. Sid Thomas left early Tuesday morning to visit their son, Sid B. Thomas and wife at Waco. They will attend a reunion of the Thomas family Saturday at Somerville before returning home.

Providence News

By Mrs. Wilfred Stoerner

Minds are like parachutes, they function better when open. Vacationing in the Valley are Mr. and Mrs. Harold McLaughlin, Mr. and Mrs. Marvin Scheele. Vacationing in south and east Texas are Mr. and Mrs. Hubert Stoerner and sons.

Visiting in the Karl Sammann home this week were Rev. A. W. Weber of Columbus, Ohio, Mrs. B. F. Sammann Sr., Mr. and Mrs. O. W. Schmidt, Mr. and Mrs. Arthur Sammann of Tullia.

Rev. A. W. Weber, Mr. and Mrs. Karl Sammann visited with Rev. and Mrs. H. L. Anderson last week.

Mr. and Mrs. Karl Sammann visited Mrs. Homer Garms of Littlefield who has been ill with the flu. She had improved somewhat. We wish for her a speedy recovery.

Mr. and Mrs. Walter Boedeker are visiting their son, J. D. and family of Camron. Mrs. J. D. Boedeker has been hospitalized for the past 20 days with a nervous condition.

Dinner guests in the Joe Zimmerman home Sunday were Mr. and Mrs. Alexander of Lubbock.

Dinner guests in the Wilfred Stoerner home Sunday was Mrs. R. G. Stoerner of Plainview.

Mrs. Ben Brandes and Mrs. Wilfred Stoerner attended a bridal shower for Miss Christine Ross of the Mayfield community Friday. They also visited Mrs. Bill Granville of the Mayfield community who returned Monday from Temple where she underwent surgery at Scott and White Hospital.

Valentine Party Held

The Sunday School class of Mrs. Wilfred Stoerner held a Valentine party after their Sunday School lesson Sunday morning. Valentines were exchanged. Refreshments of candy, lemon slices were served by the teacher.

Trinity Lutheran Church

H. L. Anderson, Pastor
The Lords Vineyard
Feb. 14th Luther League Valentine party in educational unit of church at 7:30 p. m.

Feb. 17th. Choir rehearsal 7:30 p. m.

Feb. 21st. Sunday School 10 a. m., Divine Worship 11 a. m., Evening worship 7:30 p. m.

Feb. 23-25 Pastoral Conference in Shepard King Church at Lubbock.

Next Sunday morning following morning worship there will be a brief meeting of congregation to hear the report of the recreation committee.

The grounds of the parsonage have been landscaped with trees. Thank your pastor for his hard work in beautifying our

A TRAINED CHIMP will be one of the feature acts in the All Star Circus, showing at the High School gymnasium here on Saturday, February 27. Erick Adam and his trained Chimp will be one of the 33 acts presented during the 2 1/2 hours of entertainment. The circus is being presented here under the auspices of the Lockney Rotary Club. Members of the club are selling advance tickets.

church and parsonage grounds. The rose bushes and the flower beds have also received their spring work.

PTA Sponsors Community Supper

Residents of Providence community interested in the fellowship of their neighbors and community gathered at Providence school for a bountiful supper Friday night. Invocation was given by Rev. H. L. Anderson. Games of 42 were enjoyed and film on safety was shown by Mr. Brown. Many new residents have moved into the community. We welcome them and they will feel at home here.

Flag Pole Erected

Providence school grounds has a new flag pole erected by an aggressive and thoughtful member of the school. A flag has been purchased and will arrive shortly. The community should feel with pride at this improvement and progress.

At the ladies of community - Home Demonstration meetings Tuesday, Feb. 22 at the home of Mrs. Ben Brandes. They are welcomed and urged to attend.

Jack Stevens of Amarillo visited his mother, Mrs. E. T. Spence this week.

Dr. Hill Speaks At Wayland On Willson Lectures

Plainview.—To inaugurate the Willson Lectures on Applied Christianity at Wayland College, Dr. John L. Hill, Nashville, Tenn., distinguished lecturer, author and civic leader, will arrive Feb. 22. These are open to the public without charge.

His first lecture will be "Sanity in Bedlam" and will be delivered at 7:30 p. m., Feb. 22, at College Heights Baptist Church across from the college campus. President A. Hope Owen of Wayland College will preside at each of the five sessions and a unit of the colorful Wayland International A Cappella Choir, under the direction of Dr. Shelby Collier, will sing, Tuesday evening. Dr. Hill will speak on "Open Fields for Witnessing."

Speaks To Floydada Rotary

At Wednesday morning's 10 o'clock chapel hour, Dr. Hill will speak on "Exploring Undeveloped Frontiers." At noon, Dr. Hill will be the guest of J. M. Willson, Sr., donor of the funds for this lecture series, at the Floydada Rotary Club.

On Thursday night at 7:30 Dr. Hill will have as his subject, "The World Through God's Eyes."

The concluding address of the series will be at the 10 o'clock chapel hour, Friday, in Wayland auditorium, with Dr. Hill speaking on "He Lived Christ."

The three evening services will be held in College Heights Baptist Church and the two morning services in Wayland auditorium.

Dr. Hill was the popular speaker at the Plains Baptist Assembly, Floydada, in the summer of 1952. For 27 years, he was editor of books and publications of the Southwide Baptist Sunday School Board. He has not limited himself to church affairs as he is a past president and a past district governor of Rotary International in which for 26 years he has had a perfect attendance record.

Willsons Endow Lectures

Wayland College is one of seven colleges, and the only Baptist college, to have the privilege of enjoying and sharing with the people of the Plains these lectures through the generosity of Mr. and Mrs. J. M. Willson Sr., Floydada. The Willsons have chosen to endow lectureship so that outstanding lecturers can be brought to college campuses.

LEAVE FOR FLORIDA

WAVE Betty Nance left Monday afternoon at 2 o'clock to report to Jacksonville, Florida where she will receive specialized training in Naval aviation. She has spent the past two weeks here with her parents, Mr. and Mrs. J. B. Nance after spending some time in Eainbridge, Maryland where she completed boot training.

Miss Nance was accompanied on the trip to Florida by her brother, J. D. Nance and cousin, Wiley D. Nance who plan to spend about two weeks vacationing before returning home.

CARD OF THANKS

I want to thank my friends for the many cards, flowers and letters I received while in the hospital. They were appreciated more than words can express.

J. B. Mercer.

WATCH REPAIRS
SCIENTIFICALLY TESTED

LIKE A DOCTOR'S STETHOSCOPE-ON YOUR WATCH

No haphazard watch repairing here! We don't hang your watch on a board for a week or two to check it. No, indeed! When you bring your watch in, we put it on the WatchMaster and this amazing electronic instrument prints a record telling us exactly what is wrong (see the "dad-of", above).

We can then estimate proper charges, immediately, adding nothing by guess-work. When your watch is repaired, we check it again, assuring you of "proven" efficiency of our work—faster, too!

DEMAND THAT YOUR WATCH REPAIRS BE CHECKED ON A

BURDEN BEARING

In the Psalms of David we have this admonition: "Cast thy burden upon the Lord, and He shall sustain thee." (Psalm 55:22). Paul said, "Bear ye one another's burdens, and so fulfill the law of Christ." (Gal. 6:2). Then in verse five he said, "Every man shall bear his own burden." These verses harmonize perfectly, even though they are often listed as contradictory. Man should not narrow his vision down to one phase of a subject and reject other phases. The following rule is good: "A condition being expressed in any part of the Bible with respect to any promise, must be understood as implied in all other places where the promise is recorded, even if not expressed there." This rule forbids my basing salvation on one condition only, and makes it necessary that I live by "every word that proceedeth out of the mouth of God." God blesses farmers with crops; but farmers make crops, and even the soil produces crops. All admit the truthfulness of these statements. Why is it that we can not exercise the same common sense in handling the word of God?

1. There are burdens that every man must bear for himself. Individual responsibilities can not be shifted to others. Each person must hear the truth, believe and obey the truth for himself. The responsibility of living the Christian life is on each Christian. His final judgment will be according to "the things done in his body." (2 Cor. 5:10). If he is like a foolish virgin with oil in his lamp, no replenishing can come from the lamps of others. Truly, "every man shall bear his own burden."

2. There are burdens that we can and must bear for others. "Teach others," "admonish one another," "strengthen the weak" are only a few expressions that show our obligations to others. The apostle must have had such service in mind when he said, "Bear ye one another's burdens."

3. The burdens that we can not bear for ourselves and for others must be cast upon the Lord. The love of Christ, the forgiveness of sins, and the unerring guidance of His counsel are blessings that only God can bestow. All human efforts would be in vain if it were not for what He has done, and will do. It has been said that "man's extremity is God's opportunity." Some think this means that when man gives up as helpless, God steps in and saves. It really means that when man does all he can for himself, God comes in and does the rest.

What a person can do for himself and for others he must do. What he can not do, God is willing and ready to do for him. The verses do not conflict, but set forth three phases of burden bearing.

Farm Cost-Price Squeeze Still On

College Station. — The cost-price squeeze on farmers is predicted to continue in 1954.

This is due, says John G. McHoney, assistant extension economist, to an expected reduction in prices of some farm commodities coupled with little or no change in the cost of production items.

In summing up the agricultural picture for 1954, McHoney says farm labor appears adequate, but under some circumstances recruitment programs must continue. Farm wages should approximate those of 1953.

Farm equipment production in 1953 was moderately below 1952 output, but prices in 1954 will differ only slightly from last year, he says. Concessions and trade-in allowances may be more liberal.

Feed supplies are large. Costs of feed as a whole during the forthcoming months may average 5 to 10 percent below the corresponding 1953 period. This, however, will vary by areas, he adds.

Thirteen percent more commercial fertilizer will be available for the 1953-54 growing season with only minor price changes expected.

And, adds McHoney, the cost of building materials, supplies and containers probably will be no higher this year than last. There's a possibility prices for these items may be slightly lower.

Finally, he says, prices for insecticides are expected to remain on or near the 1953 level.

A starfish will grow another point if one is cut off.

THE LOCKNEY BEACON, LOCKNEY, TEXAS, FEB. 18, 1954

HOME FROM HOSPITAL

J. B. Mercer returned home Friday night from Northwest Texas Hospital in Amarillo where he underwent several operations to remove slivers of steel from his eye. He is reported to be getting along nicely but it will be some time yet before he can tell if he has retained the sight of the injured eye. He returned to Amarillo for a check-up Wednesday of this week.

Mr. and Mrs. Leslie Floyd spent Sunday visiting Mr. Floyd's sister, Mrs. E. Mills and Mr. Mills in Amarillo.

TODAY'S TELEPHONE TIP

by Emily Post

A correspondent complains: "A few people I know are careless about hanging up the receiver after finishing a telephone conversation. Don't they realize that slamming the receiver down makes an unpleasant noise in the other telephone?"

Slamming the receiver is as discourteous as slamming the door. Always hang up gently as a parting, thoughtful gesture. And when you hang up be careful to replace the receiver securely in its proper place. A receiver off the hook means that no calls can get through to your telephone.

"Lady Of Arlington" Reviewed At Club

Mrs. Leslie Ferguson was hostess to El Progreso Study Club Wednesday, February 10 at 3:00 o'clock.

Roll call was answered with an "Anecdote about Lincoln." Mrs. Rose Mary Reese was elected to membership in the club. Mrs. Thelma Hodel reviewed the book "Lady of Arlington" by Harnett T. Kane.

Refreshments were served to the following members, Meses. Olga Applewhite, La Verne Brunner, Octavia Carthel, Emma Thomas, Thelma Hodel, Meda Monea, Ellen Kemp, Alice Mitchell, Mabel Perkins, Anna Dell Quebe, Jo Taylor, Dimon Schacht and the hostess, Mrs. Ferguson.

B&PW Club Has Dinner Meeting

Lockney Business and Professional Women's Club enjoyed a dinner meeting at a Floydada Hotel Tuesday night, February 9. Hostesses for the occasion were Miss Leila Petty and Mrs. Rosita Hollar.

Talks were given by Miss Petty and Mrs. Hollar on the program topic, "Radio and Television." Mrs. Ed Holmes made a recording with each member taking part.

Members attending were Meses Dorothy Shipp, Ellen Wiley, Winnie Angus, Velma Cox, Dimple McGavock, Jeffy Griffith, Albertine Irons, Betty Knox, June Bybee, LaVerne Brunner, Ruby Kierrick, Leo Turner, and Jo Ann Moody. Guests included Mary McPherson, Margaret Collier, Mrs. Ed Holmes and Mrs. Ralph Johnson.

Rev. Raymond Spence and daughter, Malene of Fort Worth spent from Tuesday until Friday here visiting his mother, Mrs. R. T. Spence who is ill in Lockney General Hospital.

Bobbie Nance, of Amarillo, accompanied by Helen Strue of Amarillo spent Sunday visiting with her parents, Mr. and Mrs. W. D. Nance of Lone Star community Sunday.

4-H Adult Leaders Meet At Floydada

Adult Leaders from 4-H Clubs met in the Extension office kitchen Thursday morning for a planning meeting. Seven leaders, representing seven different girls' 4-H Clubs, were present. Miss Leila Petty, County Home Demonstration Agent, was in charge of the meeting. Programs in girls' clubs, projects, records and other activities were discussed. Special activities such as the Stock Show March 10-11; District Camp at Lubbock, June 1-2-3; 4-H Round-Up at College Station, June 8-9-10; County Dress Revue, August 17, were noted. Plans were made to attend a Style Show at Lubbock on Saturday morning February 20. Lubbock County 4-H Club girls will model dresses from the Simplicity Pattern Company. The commentator will be the pattern company's stylist from New York who will also train the girls in modeling. The Style Show will be at the Precinct 1 Club House on the Slide Road.

Mrs. G. W. Smith was elected Chairman of the 4-H Leaders Committee and will be a member of the Floyd County Home Demonstration Council.

Attending the meeting were Miss Petty, Meses. Smith of Dougherty; Henry Bollman, Lockney; Monroe Schultz, Harmony; Warner Johnson, Lakeview; Fred Jackson, Sand Hill; Grigsby Milton, South Plains; Ernest Kendrick, Sunnyside (for Floydada 6th grade 4-H Club).

Pleasant Valley H. D. Club Meets

Mrs. Vernon Gross was hostess to Pleasant Valley Home Demonstration Club at a regular meeting on Tuesday, February 9 at 2:30.

Demonstrations on cleaning upholstery and rugs were given by Mrs. Gross and Mrs. Shirley Race.

Present were Meses. A. M. Dorsey, Harmon Handley, Clark Harris, R. C. Mitchell, D. D. Tate, Shirley Race, Raymond Wisdom, Raymond Rucker, Hall Ferguson, Huffman and the hostess.

Next meeting will be at the home of Mrs. D. D. Tate.

Williams-Samples Vows Exchanged

Miss Mona Williams, daughter of Mr. and Mrs. Raymond Williams of Floydada became the bride of Ted Samples, son of Mr. and Mrs. C. H. Samples of Kansas City, Mo., formerly of Lockney, in a candlelight ceremony performed at the First Methodist Church in Floydada Tuesday evening, January 26 at 8 o'clock. Rev. T. B. Armstrong, pastor, read the double ring service.

Mrs. William Finkner of Petersburg, organist, played a prelude of wedding music and accompanied Mrs. Don Finkner who sang "Through the Years" and "The Lord's Prayer."

An arch of white mums and lace fern was flanked with tall baskets of white gladioli and cathedral candelabra forming the decorative background.

The bride, given in marriage by her father, was dressed in a chapel length gown of white satin fashioned with a sweetheart neckline and long sleeves ending in points over the hand. The bodice, pointed at the waist, had small covered buttons down the front and on the sleeves. Her chapel length veil of illusion fell from a white satin scalloped head piece. She carried a white Bible topped with white roses.

Carolyn Williams attended her sister as maid of honor. She wore a ballerina length dress of pastel blue taffeta and a wrist corsage of white rose buds. Bridesmaids were Mrs. Gene Carthel, Lockney, and Miss Marcela Green, Floydada. They wore gowns fashioned identical to that of the maid of honor in taffeta of a darker shade of blue. Their wrist corsages were rose buds.

A reception was held in the church parlor for close friends and relatives.

Brilliant dash and straight stripes stand out on this cotton dress with high mandarin collar by Chalef of Dallas. With the dress, a Moynihan linen jacket is ensembled—an adaptable separate for other spring ensembles, also.

The bride is a graduate of Floydada High School receiving her diploma in January, 1954. The bridegroom graduated from Lockney High School in 1952 and served with the U. S. Navy for 11 months. He was stationed in Guam during the Korean war.

The couple is at home in Lubbock where Mr. Samples is associated with the City of Lubbock Fire Department.

Guests registered from Lockney, Amarillo, Kansas City, Mo., Lubbock, Petersburg and Floydada.

AT CONVENTION

Mrs. Lloyd Readhimer accompanied Mrs. Wynona Allison to Dallas Saturday where they are attending a Beauty Culture Convention this week. They returned home Wednesday.

Mr. and Mrs. V. H. Kellison spent several days this week in Oklahoma City visiting with relatives.

Nevada Visitors

Mr. and Mrs. Derrell Wood entertained with a supper Thursday honoring her brother and wife, Mr. and Mrs. W. Carl Ooley of Ely, Nevada.

Relatives attending were Mrs. W. C. Ooley and Mrs. Josie Wright of Plainview, Mr. and Mrs. Anthony Latta and David of Crosbyton, Mr. and Mrs. Foster James and Gleva of Halfway, Mr. and Mrs. Klyce Ooley, Jack and Bill of Plainview, the honorees and the hosts.

Mr. And Mrs. Harris Supper Honorees

Mr. and Mrs. Clark Harris were pleasantly surprised Monday night about 6:30 at their home when several friends called to wish them a happy 18th wedding anniversary. Guests brought a bountiful supper for the occasion.

Attending were Mr. and Mrs. C. L. Record and Donna Lyn, Mrs. C. H. Rose, Mr. and Mrs. Ike Johnson, Betty, Rita and Tommy, Mr. and Mrs. Oliver Holmes and Johnny Mack, Mr. and Mrs. Raymond Rucker, Katy Ray, Gayle and Cheryl, and the honorees and their children, Joan, Ronnie and Carolyn.

Attend Friendship Supper At Floydada

Floydada Chapter of Eastern Star entertained members from neighboring towns with a friendship supper at 6:00 o'clock Thursday night.

Attending from Lockney were Mr. and Mrs. J. D. Huggins, Mr. and Mrs. Frank Messimer, Mrs. Forest Smith and Mrs. Boyce Kenady.

Meets For Social

The Busy Mothers Church met at the Methodist Church Wednesday for an all day meeting. Thirteen members were present enjoying a covered dish luncheon at noon and activities of the afternoon.

Mrs. W. L. Thomas directed the devotional with each member reading her favorite scripture. A short business meeting was held and gifts were given to members having birthdays in January and February. Pollyanna names were drawn.

Attending were Meses. T. T. Threet, Ivy Thomas, W. L. Thomas, E. R. Harris, Les Floyd, Mac Johnson, W. H. Field, Lura Stinebaugh, Pearl Hall, J. H. Weathers, Delbert Bybee and little Mary Lu Watkins.

Ronnie Vaughn Is Birthday Honoree

Ronnie Vaughn, son of Mr. and Mrs. Clem Vaughn, was honored with a party on his 11th birthday at his home Thursday afternoon, February 11, from 4 until 6 o'clock.

Games were played and refreshments were served to Charlotte Taylor, Ann Brown, Karen Brown, Marsha Minter, Janice Boedeker, Mona Kay O'Hearn, Linda Gammage, Carolyn Harris, Rodney Rigby, Gene Hewitt, Larry Stapp, Lawson Rowell, Hollis Boone, Mickey Mosley, Dickey Fuller and the honoree.

Mrs. Boyce Kenady spent Saturday and Sunday with Mr. Kenady's mother who is in a hospital at Aspermont, Tuesday Mr. Kenady and sister, Mrs. Jim Teaver left to spend a few days at their mother's bedside.

OUR DEMOCRACY — by Mat

"THE SACRED FIRE OF LIBERTY"

The preservation of the sacred fire of liberty and the destiny of the republican form of government are justly considered as deeply, perhaps as finally, staked on the experiment entrusted to the hands of the American people.
— George Washington first inaugural address April 30, 1789

BECAUSE THE AMERICAN PEOPLE HAVE MADE THAT EXPERIMENT WORK SO WELL FOR US, THE FREE PEOPLES OF THE WORLD—AND THOSE WHO ASPIRE TO FREEDOM—LOOK TO THE AMERICAN REPUBLIC FOR HOPE AND LEADERSHIP IN PRESERVING "THE SACRED FIRE OF LIBERTY."

South Floyd Farmers Plan Gas Line

Fifty-five irrigation farmers from a sector south of Floydada met in Floydada Thursday night to organize the Floydada Gas Co-operative, which will negotiate a contract with the Pioneer Natural Gas Co. to supply fuel to power irrigation well plants.

The gas company, provided 60 farmers sign up, will play a 4-inch pipeline extending from its main line, 1½ miles northwest of Floydada, south of Floydada to an intersection with Hwy. 207. Also the system will include a 2-inch line to spread out and cover 27½ miles and serve 60 or more wells.

The pipeline system will serve area farmers 5 miles south of Floydada, 3 miles east and 6 miles southeast.

Total capital investment by the farmers in the co-operative pipeline system will be \$34,000 and \$23,000 of that amount was subscribed at the meeting Thursday night.

A board of directors for the system co-operative was chosen. It includes: J. P. Moss, president; Ed Brown, vice president; Greer Christian, secretary-treasurer; Doyle Moore and Joe Dunn, members.

Arrangements will be made immediately for a charter. The population of Florida rose 6.8 per cent in 1951 over reported figures of the 1950 census, according to the 1953 Yearbook of the American Peoples Encyclopedia. The state's 1951 population was estimated at 2,961,000.

Ford's New Ball-Joint Suspension gives you the Newest Ride on the Road!

This revolutionary new Ford front suspension soaks up road shock before it reaches you! Makes all riding and handling easier!

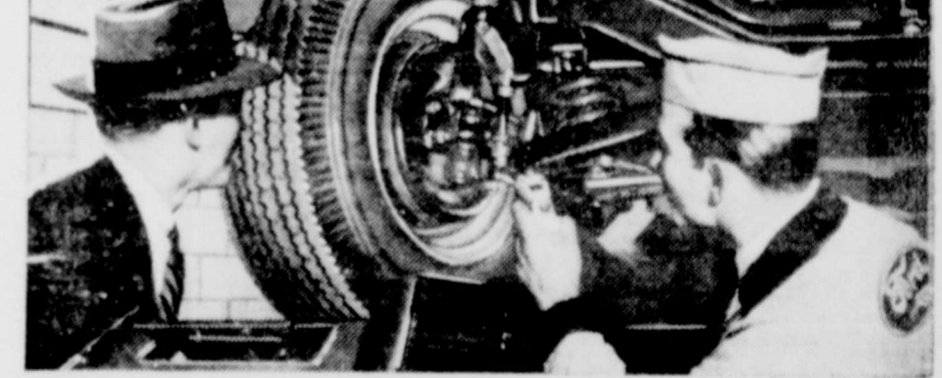

Seals out dirt. You can forget road splash because dirt and water can't get into the ball joints in Ford's new front suspension. Each of the four joints is effectively sealed by a unique rubber and metal shield. This means that contact surfaces of each ball and socket remain clean—wear is kept to a minimum.

Keeps that new-car feel. You'll enjoy Ford's new-car feel much longer because ball joints are spring-loaded to compensate automatically for any wear. Front wheels hold alignment far longer than with conventional systems. Ball joints can't stick or bind. Steering remains consistently easy.

The "old" roads won't seem the same with Ford's new Ball-Joint Suspension "paving" the way for you. You'll enjoy a softer, more level ride because Ford's new system allows greater shock absorbing movement of the front wheels. Handling is far better, too, not only on turns but on the straightaways as well. That's because conventional kingpins have been replaced by simple, sealed ball joints that won't stick or bind. No other car in Ford's field can equal this modern ride—because no other has Ball-Joint Suspension.

Agile new performance, too, is yours in a '54 Ford. Whether you choose Ford's new 130-h.p. Y-block V-8 or 115-h.p. I-block Six you get the quick response and smooth, quiet operation of a modern overhead valve, low-friction deep-block engine. And no matter which of Ford's 28 new models you choose you enjoy recognized style leadership—with clean, modern lines... sparkling new colors... and harmonizing upholstery fabrics and trim.

Eliminates 12 wear points. Ford's Ball-Joint Front Suspension eliminates 12 of 16 points of wear found in conventional systems. Rubber-bushed supports at inner ends of suspension control arms not only reduce the number of wear points but also insulate chassis from road noises.

We cordially invite you to Test Drive a '54 Ford

Mrs. Wayne McClain was hostess for a bridge party at her home Tuesday evening at 7:30.
Mrs. W. J. Mangold won high score and Mrs. Jerry Harder low.
Refreshments of tuna salad, apple cobbler and coffee were served by Mrs. Marvin Gilbert, visitor and the following members, Mmes. Fred Byrd, Bob Davis, G. A. McClelland, Tom Moore, J. C. Thomas Jr., Jerry Harder and the hostess.

TO CALIFORNIA

Mr. and Mrs. Clyde Applegate left Tuesday for a two months vacation in California.

New Residents In Lockney Vicinity

Mr. and Mrs. Lavoy Carthel and three children moved here from Albuquerque, New Mexico the first of February. They live in a new home they built in the north part of town. He is connected with a dirt moving concern here. Mr. Carthel is the son of G. H. Carthel of Lockney.
Mr. and Mrs. R. J. Battles who have lived in the Irick community for the past 16 years moved to Lockney January 10. They are at home 6 blocks west of the First National Bank. They are the parents of Mrs. Lloyd Withrow of Lockney, Mrs. Wynona Branscum, Plainview and Mrs. A. S. Jones, Dumas.
Mr. and Mrs. J. V. Gilley of Cedar Hill community have purchased a new brick house in the block just east of the grade school in Lockney. Mr. Gilley is a retired farmer. They are the parents of Clifton Gilley who carries the mail on Route Q.
Mr. and Mrs. A. L. Bingham their two sons and daughter moved to Lockney the first of the year from Itasca. They are at home at the Spencer Bayley place in west Lockney. Mr. Bingham is farming the Weidon Division place and a Ramsey place.

Tree Seedlings For Windbreaks Offered

College Station. — The deadline for ordering tree seedlings to be used for windbreak purposes in Northwest Texas is February 28, Don Young, head of the Texas Forest Service Management Department, advised here today. The planting season extends through March. Orders submitted in February may specify a March delivery date.
The available seedlings include Austrian pine, cottonwood, loblolly pine, shortleaf pine, mulberry, bois d'arc, western yellow pine, honey locust, red cedar, sycamore, Chinese elm and Russian olive. A record production of 20 million pine seedlings was grown by the Texas Forest Service this year.
Seedlings for windbreaks are sold to landowners at cost, \$1.50 per hundred. Trees sold by the Texas Forest Service cannot be used for ornamental purposes. The seedlings are shipped prepaid.
Individuals desiring application blanks or planting information such as adaptability of species and recommended spacing should contact county agents or write to the Texas Forest Service, College Station. Orders for seedlings should be submitted direct to the Indian Mound Nursery, Alto.

Wayland Adopts 5-Year Program

Plainview.—W. A. Mays, Amarillo, was re-elected chairman of the Wayland College Board of Trustees and a five year program looking toward the college's semi-centennial, presented by President A. Hope Owen, was unanimously adopted at the semi-annual meeting on the campus, Feb. 1.
E. M. Osborne, Plainview, was re-elected vice chairman and the Rev. Ralph Reasor, Plainview, was re-elected secretary, by 31 members present of the 39 member board.
New board members W. E. Kirkpatrick Jr., Dimmitt; A. E. Boyd, Plainview; F. J. Springer, Kress, and Rev. Rolan Wiley, Lockney, were recognized, as were special guests: Harold Smith, Amarillo; Rev. George Ray, Dimmitt; and Rev. William Hogue, Happy.
President Owen in presenting his first report on "The State of the College" called attention to the present evaluation of the college buildings as being \$1,599,605.66; the capital endowment of \$327,657.03, an increase of \$87,405.00 in the past year and that does not include another gift of \$50,000 which becomes effective one year after death of the donor; and the addition of eight new Everett practice pianos, one Steinway grand piano and one Baldwin Electric organ to the fine arts equipment.
Dr. Owen also listed other gifts ranging from \$1,000 to \$6,000 from friends for operational expenses. He also reported that the campaign to raise \$80,000 toward the erection of a new girls' dormitory, construction on which has already begun, is within \$6,500 of completion. Of the amount \$50,000 was given by Mr. and Mrs. Jim Ferguson, Evanston, Ill. uncle and aunt of Chairman Mays.

VOLUNTEERS FOR ARMY

Jimmy Williams, son of Mr. and Mrs. Curtis Williams, will leave Thursday (today) for service in the U. S. Army after volunteering for service. His destination is unknown at this time. Jimmy graduated from Lockney High at mid-term.

CHRYSLER SHOWS PLASTIC TOP CAR

La Comtesse, Chrysler's exotic new plastic top car, presents a gorgeous two-tone exterior of dusty rose with a pigeon gray top. The interior is luxuriously finished in cream and dusty rose leather with seat back inserts of platinum brocade fabric. La Comtesse is built on a New Yorker Deluxe Newport chassis and is powered by a 235-horsepower Chrysler FirePower V-8 engine and features fully-automatic PowerFlite transmission, power steering and power brakes plus Chrysler's high-roll front suspension for easier handling and improved roadability.

Pat Murphy In Lamb Sheriff Race

Pat Murphy, former deputy sheriff here, is running for sheriff in Lamb County, according to announcement appearing in The Olton Enterprise last week. Mr. and Mrs. Murphy are living at Earth, Texas now. They lived here for several years and he served this county as deputy sheriff for about a year.

ON FISHING TRIP

The spring weather of the past few days gave the "fishing fever" to some local sportsmen and the following men spent Tuesday and Wednesday on a fishing trip to Lake Kemp: Johnny Ray, John Chandler, Melvin Cooper, Roy Sissney, Carl Chandler.

Mr. and Mrs. Fred Byrd and children returned Friday from a week's vacation during which time they visited relatives at Ponca City and Oklahoma City.

Mrs. A. O. Glider returned to her home in Dallas Tuesday after spending several days here with her sister, Mrs. S. V. Williams.

County Agents Are Attending Meeting

Both County Agricultural Agent W. B. (Bill) Rodgers and County Home Demonstration Agent Miss Lella Petty are at Athens, Texas, this week attending the annual Longhorn Recreation Laboratory, a meeting for county agents on recreation training. Mr. Rodgers is business manager and a member of the board directing the training meeting.

The meeting is set for Feb. 14 to 21. Also attending from Floyd County is Mrs. Walter Woods of South Plains.

HAS OPERATION

Mrs. Temp Phillips underwent a major operation at the Medical & Surgical Hospital here Saturday evening. She was reported to be doing well Tuesday.

Mr. and Mrs. R. L. Powell and son, J. C. returned Sunday night from a visit with their son, Garth Powell and family at Seils, Arizona.

GO TO CHURCH SUNDAY.

Prepare Flower Beds Now

College Station.— Spring flowers will be harder and earlier if you prepare beds now with soil conservation techniques accepted by those who know. "Whether you live on a corner lot or a 100-acre farm, you can be a good soil conservationist," Saddle Hatfield, homestead improvement specialist for the Texas Agricultural Extension Service, advises gardeners.

Spade the soil now, leaving it rough to absorb more winter rain or snow. Add super phosphate or acid phosphate fertilizer for they will not wash as easily as nitrogen. Spade deep into the soil. Phosphate is necessary for a good crop of blooms on spring flowers.

An easy way to do fall preparation, is to cover the flower bed with several inches of leaves, straw or other decayed vegetable mulch, add acid phosphate or super phosphate at the rate of a half to one cup per 25 square feet and spade the area to a depth of eight to 12 inches, leaving the surface rough.

While planning to simplify your work, arrange to have one or two large flower beds rather than several scattered plantings. This, according to the specialist, will save many hours of work later when it is time to water, spray, dust, or gather flowers.

A winter cover crop of legumes, oats or other green manure will be as beneficial when turned under in a flower bed as a cotton or corn field. County agricultural agents can advise on the type of cover crop to use and when to plant and turn under for best results.

Additional suggestions are given in Farmers' Bulletin No. 1171 Growing Annual Flowering Plants. Ask your county Extension agents for a copy.

Five Minutes And Five % Chlordane

College Station.— Five minutes and the use of five percent chlordane can help avoid the powerful sting of the Texas harvester ant.

Better known as the red ant, this reddish-brown insect not only has a powerful sting but bites and destroys lawns and field plants. First signs of the pest, says Neal M. Randolph, extension entomologist, is a smooth circular area cleared of all vegetation. The size of the area is determined by the colony population.

One-half pound of 5 percent chlordane or 2 percent dieldrin will eradicate the pests, Randolph says. Spread the dust around the hole in a continuous band four to six inches wide. The band should be five or six feet in diameter.

Liquid fumigants, carbon disulfide and methyl bromide may also be successfully used. Four ounces of carbon disulfide released into the entrance of the nests gives effective control. When the liquid, which volatilizes into a gas, is fully discharged close the entrance with the heel of the shoe. The material should not be ignited, he says, because it destroys the gaseous effect of the fumigant. These chemicals are poisonous to man and animals and must be handled carefully, Randolph adds.

While the activity of the ants varies with weather conditions, he says, they are most active on warm, sunny days, especially during the late fall and early spring.

The pesky ants grab the skin with their stout jaws and inject a chemical which causes a sharp pain, Randolph concludes.

PORK AND SAUERKRAUT

Vary the taste of pork and sauerkraut with this recipe: Cover pork hocks with water, add 2 teaspoons salt, a large onion and clove of garlic. Simmer over a low flame about 2 hours. In a deep saucepan combine 1 large can sauerkraut, 2 grated apples (leave skin on), 1 grated onion and 1/2 teaspoon araway seed. Remove pork hocks from water and place on top of sauerkraut mixture. Cover pot and cook over very low flame about 15 minutes. Stock in which pork hocks are cooked can make a tasty soup.

Mrs. H. L. Minton of Conway, Ark., is here for a two weeks visit with her daughter, Mrs. Joe Holt and family. She arrived Friday.

A CLEAN CITY IS A SAFE CITY.

OUR DEMOCRACY — by Mat

PRIDE in the HOME TOWN

WHAT WITH THE ADVANCES IN TRANSPORTATION, WE HAVE FAR GREATER OPPORTUNITY THAN OUR FATHERS EVER HAD TO KNOW THE SCOPE AND VARIETY OF OUR COUNTRY. BUT, WITH ALL OUR BROADENING PERSPECTIVE, CANVASS ANY GROUP OF CITIZENS AND YOU'LL FIND THAT LOYALTY TO THE HOME TOWN RUNS AS STRONG AS EVER.

PRIDE IN MAKING THE HOME TOWN A BETTER PLACE TO LIVE IN IS AN ESSENTIAL ATTRIBUTE OF GOOD CITIZENSHIP. THE WAY TO IMPLEMENT IT IS TO TAKE AN INTEREST IN LOCAL GOVERNMENT, AND TO SUPPORT SUCH LOCAL ENTERPRISES AS THE COMMUNITY CHEST, THE HOSPITAL, THE SCHOOLS, THE CHURCHES. THE STRENGTH OF ITS COMMUNITIES IS THE STRENGTH OF OUR DEMOCRACY.

Dogs Must Be Tagged And Kept Up

City officials this week informed local dog owners that they must have their dogs vaccinated, tagged and kept on their own premises if they don't want them destroyed. The rabies scare in Amarillo and Clovis, N. M., has created an emergency as far as dogs go and the ordinance requiring dogs to be vaccinated and tagged will be strictly enforced beginning immediately, officials said.

City employees have already begun picking up stray dogs and will continue to pick those which have no tags.

John Bilbrey Gets Broken Hand

John Bilbrey of the Bilbrey Motor Co. suffered a broken left hand last week when the jack slipped as he was changing a tire, catching his hand between the wheel and the fender. Monday of this week the hand was placed in a cast at the Lockney General Hospital and Mr. Bilbrey spent the night in the hospital. He was feeling better Tuesday.

HOME FROM GEORGIA

Felicia Applewhite, daughter of Mr. and Mrs. G. C. Applewhite of Lone Star community returned from her plane trip to Warm Springs, Geo. Friday where she spent two weeks receiving treatment. Felicia plans to continue her study at Baylor University this spring.

Miller To Head Heart Fund Drive

Bob Miller will head the Heart Fund drive in Lockney. It was announced Wednesday by Judge Ralph C. Johnston of Floydada, who is chairman of the Floyd County drive. W. W. McClaskey at the First National Bank will act as treasurer for this part of the county.

A solicitation of funds will be made in the business district. Judge Johnston said. Anyone in surrounding communities who wish to contribute may leave their money with Mr. Miller or Mr. McClaskey at the bank.

No quota has been set for Floyd County but the 17 county area surrounding Lubbock has a quota of \$25,000. "This is a worthy cause and the older a person gets the more he realizes the importance of research to detect ways to combat heart ailments," Judge Johnston said.

Plainview High Choir To Sing Here Friday

The Plainview High School Choir, composed of from 80 to 85 voices, will sing during the chapel program at Lockney High School Friday morning from 11 to 12 o'clock. It was announced this week by E. E. Stimson, local band director. Director of the choir is Mrs. Ernest Carver. The public is invited to attend and hear the choir, Mr. Stimson said. The choir is very good and has rendered several radio and television programs.

Forger Caught —

(Continued from page 1) sible for the theft and arrested them, charging them with theft. They are Joe Willie Hughes, Henry Hughes and Henry Lee Patterson. They are all colored men, two of them being from Boaring Springs and the other from Paducah. They are still in jail at Floydada.

Rape Suspect Arrested

Erwin V. Bennett, charged with rape in Hale County, was arrested in the Irick community where he was visiting. Bennett had just returned from California, the local officers said, when they received a call from Plainview officers asking them to pick up the suspect. The alleged offense occurred some time ago.

HAS BACK TROUBLE

Supt. W. C. Irons was resting at his home here Wednesday after suffering a back injury last week. Mr. Irons apparently strained a muscle in his back and he has suffered considerable pain with it since.

TO POSSUM KINGDOM

Tom Moore, Rev. R. E. Wiley and Thomas Marr went to Possum Kingdom on a fishing trip Monday afternoon. They returned home Tuesday night with no fish but they did have a nice outing, reports say.

BUILDERS CLASS SOCIAL

The Builders class of the Methodist Sunday School will have a social meeting at the church Thursday evening (tonight) at 7:30. Mr. Ed Carter is teacher of the class.

W. H. Sparkman of Comanche, Oklahoma is here visiting his grandson, Jerry Harder and family.

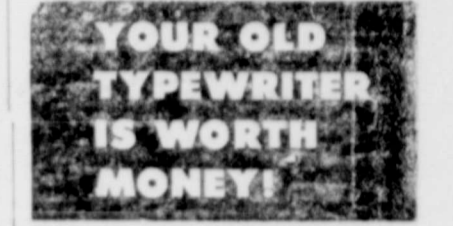

"Most of us are quick to recognize a good thing the minute the other fellow sees it first," Charles Knouse.

Lone Star Singing At School Auditorium

The Lone Star Community Singing will be held at the school auditorium Sunday, February 21, it was announced this week by J. H. Hall, president. Singing will start at 2 p. m. and all singers are especially invited to attend. "Everybody is invited and we are expecting some good singers. Come and be with us," Mr. Hall said. Mrs. Hall is secretary of the singing group.

LOCKNEY BEACON

DO YOU HEAR A SWISH OR SEE A BALL OF FIRE?

Fred S. Shearer, who lives in the Pleasant Valley community southwest of Lockney, reported hearing a swishing noise and seeing a streak or ball of fire Monday morning about 10 a. m. The meteor, if that's what it was, was traveling northeast, Mr. Shearer said. It appeared to fall in the old W. E. Terrell place but he was of the opinion it was much farther away than it appeared.

BROILER CHOW FEEDERS

GET TOP PROFITS PER 1000 BIRDS

On 3,559,306 Purina-fed birds, growers reported a feed conversion of 2.8 lbs. of feed per lb. of meat. These typical Purina Plan growers expect and get an average of 35.6 lbs. of meat per bag of Purina Broiler Chow. Profitable results like this have kept Broiler Chow the country's first Chow for more than 20 years.

Feed Broiler Chow to your birds — see why so many growers say "Purina Feeds 'Em Right!"

Now better than ever because it's Micro-Mixed — Every thimbleful the same.

Dial 3377 Lockney

Notice To Dog Owners

We have a City Ordinance which requires that all dogs within the city limits must be vaccinated and a city tag purchased. Due to the threat of rabies in this area, we wish to inform you that this ordinance will be strictly enforced starting immediately. Also all dogs must be kept on your own premises. There is considerable complaint of dogs being a nuisance to neighbors.

Dogs caught running loose without a tag will be destroyed. We urge you to have your dog vaccinated and tagged immediately.

For He is not a God of the
dead, but of the living; for all
live unto Him.—Luke 20:38.

—OO—
THAT FLOYD COUNTY is in
position to profit considerably
from the new cotton allotment
is fairly obvious from a close
reading of the conditions as set
out by the ASC authorities. The
fact that the wheat acreage is
not counted against the new
cotton allotment and that the
maximum of 47% means total
cultivated acreage will benefit
this county more than others
who have no wheat basis to
speak of. The first cotton
allotment was made after wheat
acreage had been subtracted
from the total acreage. The
editor's estimate that Floyd
County will receive 25,000 to
25,000 additional acreage may
even be too low. But it appears
now that the county will receive
additional acreage approximating
those figures. If that estimate
proves correct, the county
allotment will go up to 145,000
to 120,000 acres which will
be a nice increase.

—OO—
THE FACT THAT THE UNITED
STATES is prepared to retaliate
in a most destructive fashion
should Russia ever start a war
is one thing that will probably
deter the Commies from wanting
war. David Lawrence recently
wrote "Hereafter, when there is
a war, the United States will
fight it with maximum power—
no holds barred. There will be
no ban on the use of the atom
bomb and no ban on the hydro-
gen bomb. Soviet Russia is put
on direct notice that, so far as
the United States is concerned,
any military attack will be
retaliated against, without
reservation. There are to be no
"privileged sanctuaries" any
where on the territory of the
enemy. An epochal change has
been made in our historic
strategy in war."

—OO—
SINCE IT IS BASED on three
year history, the new allotment

will probably aid irrigation
farmers more than dry land
farmers. Some years it has been
too dry to plant cotton on dry
land farms and since the cotton
could not be planted it could
not be counted in the three-year
history. This is a somewhat un-
fair aspect of the new allotment
but it is offset in the old
allotment by the fact that the
history of the individual farm
was not taken into consideration,
which itself was unfair in some
respects. All in all, it appears
that the different ways of ap-
proaching the matter in the two
allotment laws has covered most
situations pretty well and given
the area a fairly well balanced
cotton acreage.

—OO—
WHAT IS TO BE THE FINAL
DESTINY of the attempts of the
Big Four to arrange peace in the
world and free the nations which
are still under Russian domination?
We don't pretend to have any
idea. We doubt if Russia will
ever willingly give up any terri-
tory she now has or any area
she now dominates. We do not
believe that the Kremlin is in-
terested in a free world but rather
seeks to enslave more and
more nations and force upon
them the Communistic form
of government. However there is
some hope. Recent purges and
rumblings from behind the Iron
curtain indicate that all is not
well. Possibly there is even di-
visions among the high govern-
ment officials of Russia. If the
Russian people ever rise in re-
volt or there comes a split in
the government then every domi-
nated country from Poland to
the Black Sea, and including
East Germany, will immediately
rise in revolt also and probably
be successful. If we remember
right one thing wrong with the
old Roman Empire, in addition
to internal decay, was that it
tried to cover too much terri-
tory.

THE 83D CONGRESSIONAL DANCE

With Our EXCHANGES

RIGHT TO REFUSE

The district court at Amarillo
has just decided an "inherent
rights" case which will become,
in its own way, as famous as the
steel seizure case in which the
Supreme Court decided that the
President has inherent powers
above and beyond those speci-
fically given him by the Consti-
tution.

Ruling in a suit brought by
23 non-union employees of the
Santa Fe Railway, Judge E. C.
Nelson permanently enjoined
the railroad from granting the
union shop contract insisted upon
by its non-union union employ-
ees. He also enjoined the rail-
road from using any "coercive
measures" to bring about a union
shop agreement. Under such an
agreement, non-union members
would have to join a union with-
in a given time or lose their jobs.

The case involved both the
Texas right-to-work law, which
provides that no person shall be
denied employment on account of
membership or nonmembership
in a union, and also an act of
Congress sanctioning union shop
agreements on railroads even
though state laws exist to the
contrary. Judge Nelson upheld
the Texas law and ruled that
the federal law violated indi-
vidual rights guaranteed by the
Constitution. But irrespective
of laws or the Constitution,
he held that compulsory union
membership abridges "an
essential and inherent right of
man."

"In our opinion," said the court,
"it can not successfully be
denied that that which denies a
person the right to work at any
of the ordinary vocations of life
he may choose to work at, or
that he may be fitted for, ef-
fectively denies, to him his lib-
erty, the pursuit of happiness

She comes
from a good home

This chick has a fine chance
to make good. It's a matter
of background. After cleaning
the poultry house, her owner
sprayed the interior and equip-
ment with a solution of Germex.
He made it tough for disease to
strike the flock. Germex is color-
less and odorless. It's both
powerful and safe. Used in the
water, Germex holds down

takes lacks boldness and the
spirit of adventure. He is the
one who never tries anything
new; he is the brake on the
wheels of progress. So, don't
spend your time regretting mis-
takes, but get up and hit the
line twice as hard. You'll never
succeed beyond the mistake to
which you are willing to surren-
der. Remember, a mistake be-
comes an error only when noth-
ing is done to correct it.—Ham-
lin Herald.

MODERN PARENTS

Modern parents are as much or
more to blame for weakness in
our present schools than so-called
progressive education.

It is true that many children
are undisciplined, disrespectful
and uncontrollable. But it's a
funny thing—when you see one
of these little hellions, you will
find that his undesirable con-
duct began in the home, not in
the school. And likewise, when
you see a well-behaved child at
home, the teachers seldom have
any trouble with him. No stu-
dent at school is any better or
worse than he is at home.

And the parent who can't or
won't control his child at home
is the very first to make a trip to
school to cuss out the principal
or teacher who has tried to do
what the parent failed to do.—
Town Topics in Tulsa Herald.

MARKSMANSHIP TROUBLES

Legend and fable have it that
early Texas statesmen were as
expert marksmen with their am-
ber as with their rifles. In fact
the final test of a man's states-
manship was his ability to score
a bull's-eye on the cuspidor at
twenty feet. The evidence on the
floors around Crosby County's
cuspidors indicates that these
vessels are being patronized by
a generation of poor marksmen.
That's disturbing to one who is
easily disturbed, especially in
view of the present alarm being
sounded about the relation of
cigarette smoking and lung can-
cer. You see, it is conceded that
users of "eating tobacco" such
as Beechnut and "gal tobacco"
such as Levi Garrett's have
nothing to fear in the way of
lung cancer. And if the patron-
age of our cuspidors should in-
crease enormously in the next
few years without an improve-
ment in the marksmanship, we'd
probably have to install an ex-
tra platoon of sanitary police to
keep the floors and baseboards
from looking like a vast spec-
led turkey egg.—You Be The
Judge in Crosbyton Review.

MISTAKES CAN BE HELPFUL

All men, no matter how big,
make mistakes. But history
teaches us that big men refuse
to falter because of mistakes.
Henry Ford forgot to put a re-
verse in his first automobile.
Edison once spent \$2,000,000 on
an invention which proved of
little value.

The man who makes no mistakes...

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

February 19, 1916
J. L. Dagley is erecting a
building 30x48 feet of sheet iron
which will be occupied by Mr.
Nurney for a blacksmith and
machine shop. Mr. Nurney came
here from New Orleans, La., and
he says he visited the greater
part of the Plains country look-
ing for a location and decided
Lockney was the town for him.

Mrs. Nettie J. Hilton died at
her home two miles northwest
of Lockney February 6. She was
49 years of age. Her husband and
three children survive.

E. Guthrie returned Saturday
from New York where he spent
some time purchasing a nice
spring line of goods for his store
here.

Lockney High School basket-
ball team defeated Farmers
Business College at Plainview 17
to 13 Wednesday evening.

February 21, 1924
Mr. and Mrs. C. A. Wofford
celebrated their fiftieth wedding
anniversary at the home of their
son, Claude Wofford and family
Sunday, Feb. 17. Six children and
twenty-two grandchildren were
among those present.

The new grocery firm, com-
posed of W. C. Watson and son,
Douglas and H. P. Coleman, who
are installing a new stock of
groceries in the Watson building
on the east side of Main Street
will be open for business Feb.

The proposition of securing a
Home Demonstration Agent for
Floyd County was brought before
the Commissioners Court again
this week and on Tuesday a
delegation of women from Floyd-
dada, Lockney and Lakeview,
accompanied by Prof. Geo. E.
Orms of A&M College and Miss
Mamie Hayden, District Home
Demonstration agent presented
additional pleas for this work in
the county.

The second meeting of the
Lockney Cemetery Association
was held at the First National
Bank Friday night with a good
attendance of committee mem-
bers surrounding communities pres-
ent. Rev. R. E. L. Muncy, A. B.
Brown and Walter Wood were
selected to write the resolutions,
constitution and by-laws which
will be adopted at the next
meeting in order to perfect the
Cemetery Association.

February 20, 1942
Funeral services were held at
the West Side Church of Christ
at 3 p. m. yesterday for J. Frank
Copeland, resident of this com-
munity since 1900. He had been
ill the past three months.

Funeral services for C. F. Ram-
sey, 87, were held Tuesday after-
noon at 2:00 at the Methodist
Church with Rev. A. L. Shaw,
Baptist minister assisting.

Approximately a ton of catfish
have been removed from a lake
going dry on the Barney Wilkes
farm during the past few years.
Mr. Wilkes said he placed seven
catfish in the lake last May and
in less than a year the fish had
multiplied in such quantities
that he invited his friends and
neighbors to help themselves to
the $\frac{3}{4}$ to 1 lb. fish.

JULIAN & JULIAN

by Mrs. Murray Julian

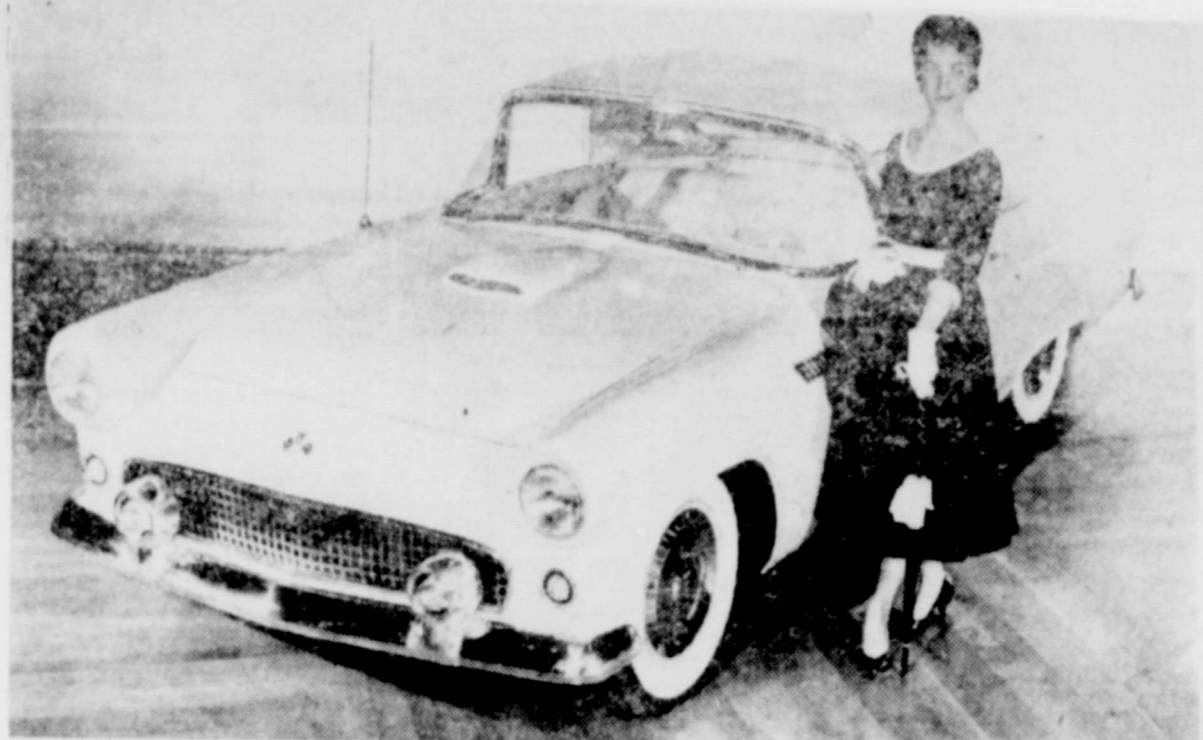

There were a hundred in church and Sunday School on Sunday morning, the largest attendance for many months, except in revival. Rev. Spearman was in the pulpit, after an absence of two weeks at McKinney where he was called by the death of his father, Billy Jackson from Lubbock was visiting here, Mr. and Mrs. F. E. Moore from Twin Falls, Idaho; Floy Jackson from Floydada and Mr. and Mrs. Dalton Thompson and children were all present and the young married couples class with their good representation, helped make the wonderful church attendance.

Sunday evening BTU services, under the leadership of H. S. Calahan Jr. were well attended and an interesting program was given by different members on such topics as "What My Church Means to Me," and a story about the Lottie Moon Christmas offering, among other subjects.

On Monday evening at 7:30 the Brotherhood met for an evening of fellowship. Refreshments were served to the members and E. A.'s who attended with the Brotherhood to hear layman Ed Morgan bring a message. WMU will meet at the church on Wednesday for Bible study under the direction of Mrs. H. S. Calahan Jr. and Wednesday evening at 7 prayer services and the auxiliaries will meet. On Tuesday, Feb. 16 the Workers Conference will meet at Roaring Springs. Several from our church on to go.

Don Marble is stationed at El Paso for the next few weeks where he will go through his basic training. His parents, Mr. and Mrs. H. L. Marble plan to go visit him the last of the month in El Paso.

The Young Married Couples Sunday School class met after church Sunday morning for a pot luck dinner which they spread in the cafeteria at the school house. This newly organized class was taught Sunday by Mrs.

THE THUNDERBIRD, a new kind of car combining high performance with the comfort, convenience and safety of a conventional model, has been added to the Ford line. The Thunderbird has a powerful 160 h.p. Y-block V-8 engine and its low, graceful body is of all-steel construction. Equipped with a convertible cloth top which folds completely out of sight behind the rear seat, the Thunderbird can be purchased with a special composition hardtop, making it a complete all-weather car. Its overall height is 51.5 inches—nearly a foot lower than the 1954 Ford sedan—yet it has only slightly less road clearance. Most of its major parts are interchangeable with Ford's regular line of cars. The Thunderbird is scheduled for production by Ford Division next fall.

Early Pritchett and already they have many couples attending and more enrolled. Each couple brought a covered dish for the dinner. Present were Rev. and Mrs. W. S. Spearman and children, and Messrs. and Mmes. Rex Smitherman and Kelly, Philip Smitherman, Dalton Thompson and children, Sterling Cummings and children, Sylvian Kinnibrugh and children, J. B. Thames and children, Dick Guest, H. S. Calahan Jr. and girls, and Floy Jackson from Floydada.

The Cub Scouts of South Plains with their den mothers, Mrs. Owen Thornton and Mrs. I. H. Parks went to Lubbock last Thursday afternoon where they appeared on television in a short skit. This was Boy Scout week and various activities have been

going on all week with different troops being seen on television. Those who went to Lubbock were Jimmie Pritchett, Johnny Calahan, Dennis Deavenport, Bruce Julian, Gary Wilson, Eddie Parks, Don Thornton and Nathan Mulder. Larry Smitherman accompanied the scouts. Parents present were the den mothers, Mrs. Bryant Higginbotham, Mr. and Mrs. Murray Julian and Mr. and Mrs. John Wilson and Sue, who appeared on a later program in a song, accompanied by her father on the guitar. The children were seen on channel 13, KDLB in Lubbock.

Mr. and Mrs. Grigsby Milton, Donita and Barbara Sue left on Saturday for Amarillo where they went to spend the Valentine week end with his mother, Mrs. Milton and Linnie. They found them well and returned home in time for evening services Sunday.

Among those from our community who attended the singing held in Floydada at the Nazarene Church last Sunday afternoon were Mr. and Mrs. Otho Sanders, Mr. and Mrs. Frank McClure and Mr. and Mrs. B. A. Howell from Sterley.

Mr. and Mrs. John Key West took Dale to the doctor in Lubbock Tuesday of last week to make tests and we are very sorry to report that little Dale has rheumatic fever and will have to be in bed for some time. He probably will not get to attend school any more this term. All of you remember to visit him often and bring things to cheer him. It is very hard to stay in bed when you are not badly ill.

South Plains spring revival at the Baptist Church will begin on March 28 and go through April 4th. Rev. George Stewart of Prairie Chapel near Childress, will preach during the revival and H. G. Havens of Ft. Worth will bring the messages in song during this period.

Mr. and Mrs. Early Pritchett and children are enjoying her parents, Mr. and Mrs. F. E.

Moore from Twin Falls, Idaho, who are visiting with them. They have been spending a few weeks in Miami, Florida and are en route home.

L. T. Wood, president of the South Plains Home Demonstration Club left with Miss Petty Sunday morning for a week at Athens, Texas where they will attend a school held for the purpose of teaching recreation and many other useful things. They will not be home until this Sunday.

Mrs. Mary Jones, Home Economics teacher at Silverton and her parents, Mr. and Mrs. Jim Watson from Silverton, accompanied by Mrs. Una Burson were all Sunday afternoon visitors of Mr. and Mrs. Dock Jones in South Plains. We are sorry to say that Frankie Dee is not any better this week. Last Sunday he encountered some poison ivy plants down in the canyon and he has suffered considerably with rash all over his body and especially inside his mouth.

Mrs. John Wilson was hostess at a Stanley party at her home Tuesday morning Feb. 15 at 9:30 Mrs. W. H. McClung from Floydada entertained with games and other diversions and the products were shown and orders taken. Mrs. Wilson served hot coffee and chocolate with cake to the following ladies: Mmes. Frank McClure, Otho Sanders, Sylvian Kinnibrugh, John K. West, Kenneth Bean, Fred Fortenberry, Albert Stewart, Grigsby Milton, Bill Beedy, George West and W. H. McClung.

Rev. and Mrs. James J. Futch and children were hosts for Sunday dinner at the parsonage in Alken to Mr. and Mrs. Fred Fortenberry of this community.

Cub Scouts met Monday afternoon at the school house and since the pack has grown so large, it was divided into two dens with Mrs. Lloyd Deavenport in charge of den no. 1, which will consist of Gary Wilson, Bruce Julian, Dennis Deavenport, Nathan Mulder and Jimmie Pritchett. In den number 2 Mrs. I. H. Parks will have as her scouts Dwight Teepie, Bud Higginbotham, Johnny Calahan, Eddie Parks and Don Scott Thornton.

Mr. and Mrs. H. S. Calahan Jr. entertained at a birthday party at their home for a group of preschool children Saturday, Feb. 13 in honor of their daughters, Diane, 4, and Cathy, 3. The small girls enjoyed opening their

CRANIAN served with ice cream. Attending the party which began at 3 were Mrs. J. B. Thames, Joe Rex, Mike and Marianne, Mrs. Ernest Huckabee, Judy and Jerry, Mrs. Sterling Cummings, Kim and Dee Earle, Mrs. Rex Smitherman and Kelly, Mrs. L. N. Johnson and Carlton, Mrs. Dock Jones and Bobby, Mrs. Owen Thornton and Kathy, Mrs. Kendall Cummings, Glenda Kay, Kelvin and Mary Zacha, Mrs. Billy Bean, Ann, Butch and Gilbert Lee and Mrs. Eulan Bradshaw and sons, Tommy and David.

Mr. and Mrs. Murray Julian, Kendis and Bruce went to Lubbock Tuesday evening to see the Hardin-Simmons, Texas Tech basketball game. They will get a visit with their son, Terry, who attends Hardin-Simmons who will be at the game with his freshmen basketball team who are called "Buttons."

Club Meeting At Mrs. Taylors

The South Plains H. D. Club met on Wednesday, Feb. 10 at the home of Mrs. J. P. Taylor with Mrs. Bryant Higginbotham as co-hostess. Mrs. L. T. Wood presided at the meeting and roll call was answered with the giving of "My Favorite Home Remedy." Many good hints were given such as lotion for chapped hands and a poultice for any infection. During the business meeting Mrs. John Smitherman was elected as nominee to the district THDA meeting. Committees were chosen to plan ways to renew the treasury. Mrs. Walter Wood gave an amusing reading about the "Musings of Grandpa." A Health Problem, a play, was enacted by Mmes. John Smitherman, Murray Julian, Horace Marble and George West. Mrs. Rosita Hollar, county librarian, furnished health material about cancer, showing the symptoms and how important it is to watch for these danger signals, and go to see your physician. A film on this subject was voted to be shown at the club soon. Celebrating birthdays in the first party of February are Mmes. L. T. Wood, Bryant Higginbotham and H. L. Marble and Mrs. Taylor surprised them with a beautiful valentine birthday cake. Refreshments were served after recreation period. The Valentine motif was carried out in cake, cookies, small sandwiches and coffee. A new member, Mrs. Leighton Teepie was welcomed. Present were Mmes. John Wilson, George West, John K. West, Walter Wood, L. T. Wood, A. L. Stewart, Ernest Smitherman, Grigsby Milton, Arby Mulder, Murray Julian, Bill Beedy, Owen Thornton, Shelby Calahan, Paul Snodgrass, Leighton Teepie and visitor, Phillip Smitherman. The next club meeting will be at the home of Mrs. I. H. Parks on March 10. Bring bulbs or seeds to exchange.

Mr. and Mrs. A. S. Grubbs and daughter, Willie Grace, were here Monday visiting her mother, Mrs. W. L. Thomas Sr.

Dry Rivers Rise In Startling Flow

Matador. — Motley county's "usually dry" rivers are flowing. Nature observers are pleasantly mystified at the unusual flow of water in streams of which have a normal function of carrying off excessive rainfall. During "wet years" the streams, most of which flow eastward out of the Cap Rock foothills, will flow for extended periods.

During dry periods, however, the streams are usually ribbons of dry sand. Early-day residents say the streams formerly flowed more than in recent years.

Tongue River which receives the water from Roaring Springs was reported 30 days ago as flowing an unusual amount west of the springs. South and Middle Pease rivers have been observed as flowing more than at any time in recent years. Bal-

ara creek which heads west of the Matador Ranch headquarters and considered a dry creek, is reported as flowing under the US Highway 70 bridge about one mile east of town.

The mystery of the flow of water is intensified by the general assumption that water in this area is received from the vast sands beneath the Plains. With the wide development of irrigation on the Plains many observers believe the water levels below the Cap Rock would be lowered.

Guest in the home of Mr. and Mrs. Walter Merrell and family Sunday were Mr. H. B. Adams of Lubbock, former editor of the Lockney Beacon.

Mrs. Merle Potter Harrison and children have recently moved to California. They are now living at Ingleswood.

Cole's "FILE VAULT"

This attractive file vault will keep records from prying eyes and pay for itself by preventing pilferage. Contains two letter size, ball-bearing drawers, two drawers for 3x5 or 4x6 cards (6400 capacity) also used for leases, contracts or cancelled checks. Plus a secret vault with Dial Lock, doubly protected by extra outer doors under lock and key. Also, three roomy compartments for books and a large shelf 30" wide, 17" deep. Overall size, 31 1/2" wide, 60" high, 18" deep. Olive green or Cole gray baked enamel finish.

- No. 992 LETTER SIZE \$107.95
 - No. 1092 - Similar to above No. 992 but with two legal size instead of letter size file drawers, 34 1/2" wide, 50" high, 18" deep.
 - No. 1092 LEGAL SIZE \$113.40
- The above cabinets in Grained Walnut, Mahogany or Knotty Pine finish \$15.00 additional.

New Rules And Regulations For High Plains Water District

By Jim Compton

New rules and regulations governing the waste of underground water, drilling and spacing of new wells, and reworking or replacing of old wells, have been formulated by the High Plains Underground Water Conservation District Board of Directors.

Several amendments to the rules were made necessary this year, said District Manager Tom McFarland. Also, he said, clarification has been needed in parts of the old constitution and by-laws.

The new rules and regulations become effective Sunday, Feb. 7.

One of the most important changes in the rules concerns water waste, McFarland said. In the past, because of lenient rules, much water has been wasted. Not deliberately, but unconsciously, he hastened to add. The new rules and regulations definitely define the term waste, and provisions have been added for its prevention.

According to the new Rule 1, waste is any water not used for

agricultural, gardening, domestic or stock raising purposes; it is water which is not used for beneficial purposes; it is waste escaping from one underground reservoir to any other reservoir not containing underground water; it is water which is knowingly permitted to escape from irrigation land; it is that which is permitted to escape into natural watercourses such as depressions in the land, creeks and rivers; and it is excess water which is not returned to the underground strata.

According to the provisions of the above rule, water shall not be produced within or used within or without the district boundaries in such manner and under such conditions as to constitute waste.

Concerning the application and issuance of drilling permits, the new rules clearly and definitely prescribe brief procedures to be used by owners or tenants desiring to drill, McFarland said. According to the present rules, no person, firm or corporation shall drill, construct, or equip a

REMEMBER WHEN?—80-year-old W. W. (Uncle Billie) Aiken, publisher of the *Crockett Courier* for the past 56 years, can remember Texas Press Association conventions as far back as 1891. But he didn't attend the one at Corsicana and have his picture made—like the old timers in the gold-framed photo above. Calling to other TPAs to "come look"—during a recent TPA meeting in Austin, were (left to right) Uncle Billie; Mrs.

L. B. Smith, wife of the publisher of the *Brady Standard*; Mrs. Arthur H. Kowert, wife of the president of TPA, who publishes the *Fredericksburg Standard*; and Mrs. Roy M. Craig, whose husband is publisher of the *Stamford American*. Historical photos of members of the press will be featured in the Diamond Anniversary issue of *The Texas Press Messenger* in June.

new well within the district without first making application for a permit. Water wells which are to be used in a temporary capacity in supplying oil or gas wells are exempt from this rule. Also, upon application, information pertinent to the drilling, construction or equipping of the new well must be furnished the district by the applicant. After the proper information has been furnished and approved, a permit may be issued.

Also, no well shall be drilled and equipped without the owner submitting a drilling log and registration data.

As for spacing of wells, which has always been a large problem to cope with, we think the new rules have clarified the situation greatly, McFarland said. Following are minimum specified distances between wells as incorporated into the new regulations: 4-inch or smaller pumps, 200 yards; 5-inch pumps, 250 yards; 6-inch pumps, 300 yards; and 8-inch pumps, 400 yards. A special permit must be obtained for pumps larger than 8 inches.

Pumping rates will be regarded as follows: 4-inch or smaller pumps, 70 to 265 gallons per minute (gpm); 5-inch pumps, 265 to 390 gpm; 6-inch pumps, 390 to 560 gpm; and 8-inch pumps, 560 to 1000 gpm.

The rules are so constructed, McFarland said, to allow users to apply for exception to spacing, provided they can present a sound basis for such.

These rules have been made, he added, with the interest of every water user in the district at heart. We hope they will provide for more conservation of underground water on the part of everyone in the bounds of High Plains Water District.

Other rules such as those for recharged wells, rehearings, changed conditions, and well testing and inspections, have been changed in some respects and should be studied by water users, he said.

Provisions also have been made for the reworking or re-drilling of old wells, he added.

"We hope that through the new regulations, more water will be conserved in the future," McFarland concluded. "It's not inexhaustible," he added.

Mack Shurbet Wins Hale County Cotton Production Event

Plainview. — Mack Shurbet, 14, added cash to his numerous 4-H laurels Friday when he annexed the top award in the Hale County 4-H cotton production contest.

The awards were presented at a meeting of approximately 65 youths, dads and farm leaders at the Hilton Hotel in Plainview.

The youth, son of Mr. and Mrs. Marvin Shurbet of Petersburg, was presented a \$50 check in recognition of his feat of producing 6,290 pounds of lint from five irrigated acres.

Winners Back Event

Young Shurbet was one of five winners. He has won many livestock awards in connection with his 4-H projects in the past two years.

Fifteen Hale County winners participated in the production contest program contributing cash for the winners ginning at their plants and for the five county winners.

County Judge Lee Nowlin made the presentations to the winners who were, in addition to Shurbet: Kenneth Eller, Petersburg, 6,230 pounds of lint; Charles Ray Hobgood, son of Mr. and Mrs. Charles Hobgood, Abernathy, 6,004 pounds; Reggie Lee Perkins, son of Mr. and Mrs. R. R. Perkins, Plainview, 5,836 pounds and Leon Mayfield, 5,795 pounds.

John Smith of KGNC-TV, Amarillo, addressed the awards gathering, stressing the need for advertising cotton products to move the surplus cotton.

Also speaking was State Rep. Leroy Saul of Kress, who told the gathering that there was no better type of program than that which makes father and son partners in work.

VISITORS FROM OKLA.

Rev. and Mrs. R. E. Wiley had as their guests Sunday Mr. and Mrs. Harry Wedel, Janice and Dannie, Mr. and Mrs. A. J. Adams and Shirley Ann all from Cordell, Oklahoma where Rev. Wiley served as pastor of the Baptist Church before coming to Lockney. Mr. Wedel is a farmer and Mr. Adams works on the Cordell Beacon in Cordell.

TO ABILENE

Jim Nance of Lone Star community who has been attending Wayland College, Plainview, enrolled at Hardin-Simmons University for the second semester the first of February. Jim is classified as a junior and is majoring in Bible. He is the son of Mr. and Mrs. W. D. Nance.

Floydada Rotary

Floydada. — New officers have been elected for the Floydada Rotary Club and will take office for the new year beginning July 1.

Recently elected officers are W. E. Brown, president; J. M. Willson Jr., vice president; Bill Hardin, secretary; and Brae Biggers, treasurer.

New directors for the club will be Lon Davis Jr., Carl Minor Jr., L. L. Clark, S. W. Ross and Clinton E. Fyffe, outgoing president.

Mr. and Mrs. Lee R. Viall and Kenny of Amarillo spent Sunday here with Mrs. Viall's parents, Mr. and Mrs. Walter Beall. They were accompanied by Mr. Viall's parents, Mr. and Mrs. Roy Viall of Ray, North Dakota. The Roy Vialls are enroute to Arizona for an extended stay for his health.

Mary Richards, 20, daughter of Mr. and Mrs. J. R. Richards of Lockney underwent a serious heart operation at Baylor Hospital in Dallas last Friday morning at 9 o'clock. She is getting along nicely according to reports received here by her father, Mrs. Richards is staying with Mary, whose address is Baylor Hospital, room 275. Mary was a member of the 1953 graduating class of Lockney High.

Mr. and Mrs. Horton Kenady returned to Lockney last week after an extended tour with a magazine company. They worked in San Antonio and other points in Texas, Missouri, Kansas and Oklahoma.

Mrs. J. A. Noland of Hereford is here visiting her brothers, Wiley, Joel and Morris Nance this week.

Dean Martin and Jerry Lewis

"The Caddy"

with Donna Reed

It hits an all-time record — as a comedy riot — the two funniest men in the movies — Dean Martin and Jerry Lewis — in the rolling-in-the aisles laugh marathon.

Also CARTOON

\$50 Reward

Will be paid for information leading to the arrest and conviction of anyone deliberately stealing speakers from this theatre.

When speakers are accidentally taken from the theatre they should be returned as quickly as possible. There is no cost to you for their reinstallation and we will be grateful for your co-operation.

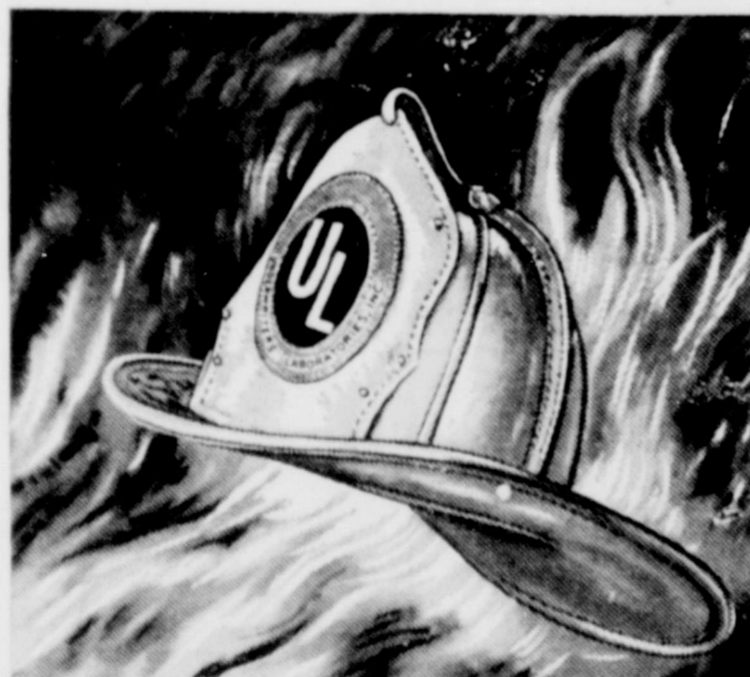

Coming In March:

"KISS ME KATE"

"The Glenn Miller Story"

"Mogambo"

The Seale Drive-In will be closed Wednesday and Thursday nights this week.

The fire fighter behind the scenes

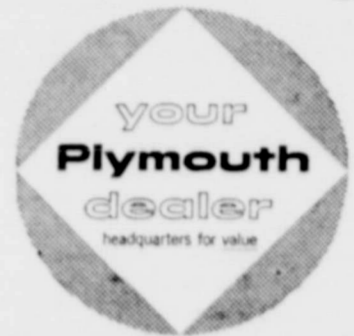

Underwriters Laboratories fights fires by eliminating the causes of fire. This organization has tested nearly 500,000 products for your protection. The "U.L." label on a product — your toaster, television set — is assurance that it has met recognized standards for safety. Underwriters Laboratories was established 59 years ago by the capital stock fire insurance companies to protect the public.

In this way capital stock fire insurance companies perform a valuable public service for you. But they also play a special part in your life. By protecting you against unexpected losses, they give you security. So be sure you're adequately protected — for your own peace of mind. Check your insurance regularly. If you have any problems or questions, call us. We'll be glad to help you.
