

Wheat Marketing Quota Vote Is Set For July 23

Farmers of the nation will go to the polls on Friday of next week, July 23 and vote on the matter of wheat marketing quotas. Since a marketing quota has never been turned down by the farmers, there is little doubt but that this one will also carry by the necessary two-thirds majority.

Three voting boxes will be maintained in the county. One will be at The Beacon office in Lockney, another at the Floyd County ACS office in Floydada and another in the Cedar Hill store at Cedar. Polls will be open from 8 a. m. until 7 p. m.

The marketing year to be voted on begins July 1, 1955, officials say, and all farmers who will be engaged in the production of wheat in the 1955 crop, with some reservations will be eligible to vote.

The farmer, to be eligible, must be working a farm where the wheat acreage will be in excess of 15 acres. He must be entitled to share in the proceeds from the crop either as owner, landowner, except as landlord of a cash rent or fixed rent tenant, a tenant or share-cropper. No wheat farmer will be entitled to more than one vote although he may own or operate more than one farm.

Persons who are eligible to vote and will not be present in the county on the day of the referendum, may obtain a ballot prior to the date or on the date of the referendum, from the most conveniently located ASC office, mark the ballot, sign his name and mail it in an envelope marked "absentee ballot" so that the ballot reaches the ASC office for the county in which he is eligible to vote not later than 7 p. m. July 23.

Other questions concerning the referendum frequently asked include:

"If quotas are in effect, what will be the penalty for failure to comply with acreage allotments?" The penalty on excess wheat will be the rate of 45 percent of the May 1, 1955, parity price.

Another question is: "How does the referendum affect 1955 price supports?" The answer: If two-thirds or more of the voting farmers favor quotas, the full level of price support which is authorized for the 1955 crop—apparently somewhere from 75 to 90 percent of parity—will be available for those who comply with their wheat and other acreage allotments. If less than two-thirds favor quotas, price support will be at 50 percent of parity for those who comply with their acreage allotments. No price support is available for those who fail to comply with acreage allotments, with or without the marketing quotas.

The state committee points out that the national acreage allotment is apportioned among the states, and then among the counties, according to the acreage seeded to wheat during the latest 10-year period, adjusted for weather trends and other factors. This year the national acreage allotment is 55 million acres, the level specified by law under present supply conditions. The Texas allotment is 4,203,735 acres. Allotments for individual farms are determined according to past wheat acreage, tillable acres on the farm, crop rotation practices, type of soil and topography.

It Hasn't Been So Hot Here!

Compared to some other parts of Texas, the weather hasn't been so hot in Lockney. Weather Observer Joe Holt says that his official thermometer showed the high for the week on Tuesday afternoon when the mercury hit an even 100. Some Texas cities have reported more than 110 degrees.

Don't Slow Down—Stop! Rogers Says

City Officer Jim Rogers said Wednesday that too many people were just slowing down, not stopping at the stop signs within the city limits and he warned that failure to heed these signs may bring a fine to someone.

He also warned that the law forbids the use of loud mufflers within the city and that car owners using this type muffler are subject to fines.

Let's Get Behind The County Fair

(An Editorial)

Lockney and the people of this area ought to get behind the county fair project and push. The Floyd County Fair Association, headed by Loyce Turner of the Harmony Community, has a big job on its hands and it is sincerely trying to make it a county-wide affair. The fact that they have agreed to hold the fair in Lockney every other year is proof that they are wanting to include Lockney and this part of the county in the fair and make it one in which all parts of the county will have an interest.

How can you help? If you are a business man buy some advertising in the fair catalogue. Buy a membership in the fair association. Talk it up. If you are an individual you can buy a membership and help push the thing with your talk. If you are a farmer, plan to enter something in the fair exhibits. Also buy a membership.

The fair can mean a lot to Lockney, Floydada and the entire county if we will all help. Let's do our part.

Rev. Cobb's Mother Dies At McLean

Mrs. S. A. Cobb, 89, mother of Rev. E. J. Cobb, former pastor of the First Baptist Church, died at the home of her daughter in McLean at 6 p. m. Wednesday last week. She was the widow of a pioneer Baptist minister.

Funeral services were held at 3 p. m. Friday in the First Baptist Church at McLean with the pastor, Rev. Buel T. Wells, officiating. Burial was in Hillcrest cemetery.

Mrs. Cobb had suffered a stroke previous to her death and her children had been called to her bedside although some had returned home before she passed away.

She was born October 24, 1864 near Kansas City, Mo. The family moved to McLean in 1911 from Dickens County. She was married at Cisco on March 16, 1891 to the Rev. Stephen Albert Cobb, who served as pastor of the McLean Baptist Church for a number of years.

Survivors include three daughters, Mrs. R. L. Appling and Mrs. Joe Green, McLean, Mrs. Emmie Merony, McDonald, N. M.; five sons, Rev. E. J. Cobb of Tucson, Ariz.; Rev. John W. Cobb, Corpus Christi; J. J. and Ted D. Cobb, Dallas; Stephen J. Cobb, Riverside, Calif.

Fair Catalogues For Floyd Are Prepared

Floydada. — The catalogue of events for Floyd County's fair is nearing completion and will be in the hands of printers soon, according to O. M. Watson Jr., manager of the Chamber of Commerce and executive of the Fair Association.

The catalogue, which will be distributed to all Floyd County families, is being compiled by the Fair Association and will include a list of divisions for entries as well as all rules for entries.

The fair, the first for the county for many years, is set for Sept. 16, 17 and 18 and will be held at the rodeo grounds in east Floydada. All counties touching Floyd County are eligible to make entries.

Competition will be open in livestock, agriculture, crafts and homemaking and art.

Entertainment will include bands, parades, roping exhibitions. Highlighting the entertainment will be Hill's Greater Shows with 12 rides and 50 concessions.

WALDROUPE VISITORS

Visitors in the home of Mr. and Mrs. A. N. Waldroup and Derrel last week were Mrs. Waldroupe's parents, Mr. and Mrs. W. E. Totten, her brother, Mr. and Mrs. C. P. Totten and Dixie, and a niece and family, Mr. and Mrs. Don Fletcher and Butch, all of Lamar, Colorado.

A CLEAN CITY IS A SAFE CITY.

Gulf Service Still Climbing

Making it four wins in a row this week, Gulf Service is still climbing in the standings of the Lockney Softball League but still has two teams ahead of them. Silverton, despite two losses last week, still holds first place in the standings while South Plains is second.

Teams will be competing hotly for games the coming week since this will end round two of the league play. One other round and the play-offs between the four top teams will follow.

Results of games the past week were:

Thursday night Silverton dropped their second game of the season when South Plains topped them 10 to 5. It was a close game most of the way. Silverton led through the sixth inning but South Plains tied it up in the seventh. Neither team scored in the 8th but South Plains scored five runs in the ninth to win. Wilson was the winning pitcher and Bunch the losing pitcher.

In the second game of the night the Fire Department defeated the Legion 9 to 7. The Fire Department was leading 8 to 1 through the sixth inning but the Legion's characteristic last inning rally scared the Fire Boys before they could put out the fire and stop the scoring. Roy Johnson was on the mound for the Fire Department while Bostic pitched for the Legion.

On Friday night a high scoring game saw Lone Star defeat the Fire Department 21 to 13. Both Donald Farish and David Frizzell pitched for Lone Star while Archie Bybee was on the mound for the Fire Department.

The second game of the night was a thriller for local backers of Gulf Service when the sharp high school boys defeated the league-leading Silverton team 8 to 1. Charles Vaughn, pitching for Gulf Service, was going like a house afire and allowed few hits. Travis was pitching for the Silverton team.

On Monday night, a make-up game between Lone Star Co-op and Gulf Service found Gulf Service winning again, this time by a 11 to 5 score. Vaughn was the winning pitcher and Dickerson the loser.

Tuesday night Silverton defeated the Legion team 9 to 6 with Bunch pitching for Silverton and Kropp and Bostic for the Legion. The Legion threatened a lot but had too many men stranded on the bases.

The second game found Lone Star and South Plains playing another high scoring game with South Plains winning this one 17 to 13. South Plains jumped into a 7-1 lead in the second inning and Lone Star scored seven of their own in the 4th but they couldn't catch the South Plains boys who made six more in the fourth. Leonard Finley pitched for Lone Star while Wilson was the South Plains pitcher.

Standings as of Wednesday were:

Team	W	L	Pct.
Silverton	8	3	.728
South Plains	7	4	.637
Gulf Service	6	4	.600
Lone Star	6	5	.546
Fire Department	4	6	.400
Legion	4	7	.364
Lone Star Co-op	2	8	.200

Schedule for the week:

Thursday, July 15 — Gulf Service vs. Fire Department, American Legion vs. Lone Star Co-op.

Friday night, July 16 — Lone Star vs. Silverton, Fire Department vs. South Plains.

Tuesday, July 20 — Lone Star vs. Gulf Service.

To Attend Boy Scout Camp

Roland Watson, Van Reese and Don Schacht have registered to attend the Patrol Leaders Camp at Camp Post, Post, Texas the week of July 25 through July 31st. Scoutmaster O. E. Durham said this week.

Durham said that this camp was strictly a Scout leaders camp and the boys attending from here were all leaders in the local Scout Troop.

GO TO CHURCH SUNDAY.

Harleen Workman Gets Scholarship

Harleen Workman, salutatorian of the Lockney High School graduating class this year and daughter of Mr. and Mrs. Harley Workman, has been awarded a Dunlap Scholarship to Texas Technological College, Lubbock, according to a letter received Wednesday from James G. Allen, dean of student life.

Harleen went to Lubbock last spring and took the examination for the scholarship. Only the highest ranking students in each school are eligible for the scholarships.

Harleen had not decided Wednesday whether or not she would accept the scholarship since she had planned to attend another college.

Farm Bureau Has Business Meeting

The board of directors of the Floyd County Farm Bureau in regular session Thursday night, voted to pay expenses of the Queen Contest along with the chosen queen's expenses to A. & M. in August. They also named various county committees to assist in the work of the Farm Bureau.

The board appropriated a minimum of \$30 for the queen contest expense, and \$25 to pay the expense of the winner to the A&M Institute Week at A&M College the week of August 1-5. They also appropriated \$25 to the parents or chaperon of the winner and offered to pay \$25 for expenses of any farm bureau member who desired to attend. Tuition has been paid and reservations made for a number of members to attend.

Committees appointed include these:

Legislation committee, R. R. Kellison, R. L. Smith, H. B. Thornton.

Publicity committee, R. C. Mitchell, E. L. Turner, H. W. Bennett.

Commodity and Labor committee, Harry Morckel, Gene Bloys, Albert Scheele.

County Fair committee and to work with towns, A. O. Foster, J. N. Richardson and Wayne Battey.

Marvin Shurbet, Grady Walker, Chester Mitchell, V. H. Kellison, B. B. Wilkes and Jack Taylor were named as a committee to promote water conservation, and to look into the possible construction of a dam on Blanco Canyon, and other related projects.

Membership committee, Jack McIntosh, vice-president, Grigsby Milton Jr., and R. C. Day.

Helmut Quebe, Carl Lemons, and Walton Wilson have the responsibility of holding community meetings over the county, and presenting resolutions to the county convention voicing the will of the people.

Hershel Carthel, J. R. Belt Jr., and Wayne Russell were appointed as a committee to work with the heads of government agencies, Chambers of Commerce, and other agencies affecting rural people for the purpose of creating a better understanding and co-operation between these agencies and city officials.

Shirley Race and Malcolm McNeill were selected as a committee to keep check with the Lubbock cotton classing office during the year on the classing and grading of cotton in this county.

President Chester Carthel presided over the meeting. Members present were Walton Wilson, Harold Bennett, Shirley Race, Clarence Bird, Harry Morckel, L. E. Burton, Jr., J. N. Richardson, Jack McIntosh, Service Agent W. R. Puckett and County Agent Bill Rodgers.

TRASH FIRE BRINGS TRUCK OUT

A trash fire in the alley at the rear of the Fred Byrd home Wednesday afternoon caused the local Fire Department to make a run with the fire truck. A back fence was on fire and was quickly extinguished.

OFFICE SUPPLIES at The Beacon Office

Doug Beedy Is Accident Victim

Douglas Beedy, until three weeks ago a resident of Lockney, was killed instantly by electricity Sunday afternoon at 1:15 o'clock while working on a construction job near Wallace, Idaho.

Beedy was working with a construction crew stringing electric lines up a mountain side, relatives said. He was standing on the ground leaning against a truck watching a tension meter when the wire slipped, fell across a live wire carrying 1300 volts and across the truck, charging it. Several other men were injured in the accident, reports said.

Fellow workmen tried for two hours to revive him.

Funeral services were held at the First Baptist Church here Wednesday afternoon at 4 o'clock, conducted by Rev. R. C. Guest, former pastor of the South Plains Baptist Church of which Beedy was a member. A large crowd of relatives and friends overflowed the church.

Burial was in Plainview Memorial Park cemetery with Carter Funeral Home of Lockney in charge. Active pallbearers were Ernest Hockabee, H. S. Calahan Jr., Fred Huggins, H. D. Bell, Orvil Nivens, Vernon Blackwell, Honorary pallbearers were Dale Blain, L. M. Johnson, Rex Smitherman, Sterling Cummings, Ray Smith, and "Shorty" Neal.

Mr. and Mrs. Beedy and their little daughter, Cindy, had moved from Lockney to Gem, Idaho, only a little more than three weeks ago. He had lived here about 18 months, and farmed with his father, George C. Beedy, previous to the move. He was working with a construction company whose headquarters were in Great Falls, Montana.

Young Beedy was born in the Liberty Community, east of Lockney, on December 4, 1925, and had spent most of his life in Floyd County. He attended school at South Plains and graduated from Floydada High School with the class of 1942. During his high school days he was active in boxing and softball. Because of physical ailment he was rejected for duty with the armed forces during World War II but he joined the Merchant Marine and served two years.

He was employed by the Southwestern Public Service Company on a construction crew and worked with that company six years.

He was married to Miss Guenth Craig of Plainview on January 3, 1953, at Clovis, N. M.

An ambulance plane from Hutchinson Flying Service at Plainview went for the body Monday returning it to Plainview on Tuesday. Another plane brought Mrs. Beedy and little daughter, and the deceased man's brother, Austin Beedy and wife, back to Plainview also Tuesday afternoon.

Survivors include the wife, the daughter, Cindy, 9 months old, his parents, Mr. and Mrs. George C. Beedy of Lockney, one sister, Mrs. Ralph McGuire of Casper, Wyoming, two brothers, Austin Beedy of Plainview and Garvin Beedy of Floydada.

Harold Dean Griffith Cracks Ankle Bone

Harold Dean Griffith cracked a bone in his ankle and pulled some ligaments loose Monday night when he jumped on first base while playing softball at the Lockney Softball Park. The ankle was placed in a cast at the Lockney General Hospital here and he was dismissed to his home Tuesday. Attending physicians said that he would probably be required to wear the cast from four to six weeks.

He is able to be around on crutches now. He is a member of the Lone Star Co-op team. They were playing Gulf Service and Harold Dean had just hit a fly ball to right field and ran to first base when the accident happened.

The Black Forest is a mountainous wooded region in Wurttemberg, Germany.

Mrs. Harris Leases Plains Floral Shop

Mrs. Revis Harris will assume management of the Plains Floral Shop here today (Thursday) having leased the local flower shop from Mrs. J. B. Seale, owner.

Mrs. Harris has just recently completed a course of study with the Benz School of Floral Design at Houston. She specialized in shop management, flower arrangement, corsages, wedding decorations and bouquets and funeral pieces. Mrs. Harris' mother, Mrs. W. E. Sims of Floydada, also attended the school.

"We have appreciated your patronage in the past and will appreciate a continuation of the same," Mrs. Seale said. "Mrs. Harris is well qualified to serve your needs and she will give you prompt, courteous service."

Political Rally Here Saturday

Floyd County and district candidates will have an opportunity to present their qualifications to voters of this community Saturday evening. A political rally and candidate speaking is being sponsored here by the Lockney Retail Merchants Association with pie, cake, ice cream and sandwiches being served by the local chapter of Order of Eastern Star.

J. H. Cooper, manager of the association said this week that invitations are being extended to all candidates to attend and speak.

Place of the rally is the vacant lots between the Baker Hotel and the Phenix building to the north. Time is announced for 6:30 to 9:00 p. m.

With only a week left from the date of the rally to election time, it is expected that a large number of candidates and interested voters will be present.

Kenneth Sams To Children's Camp

Kenneth Sams, 9-year-old son of Mr. and Mrs. Garland Sams of Lockney will attend the Lions Crippled Children's Camp at Kerrville for two weeks starting Monday. A member of the local Lions Club will carry Kenneth to Kerrville Sunday.

The Lockney Lions Club is sponsoring Kenneth at the camp and it was through their efforts that he was able to attend the camp. The camp will close July 30th.

Local Boys Attend Camp This Week

Baptist Youth Camps at Plains Baptist Assembly in Blanco Canyon began this week with Intermediate boys attending from Monday noon until Wednesday noon. Junior boys left Wednesday afternoon and are to return Friday afternoon.

Attending Intermediate camp were John Perry Truett, Don Vernon, Johnnie Hanst, Wayne Cumbe, Gene Handley, Donice Casey, Dwayne and Layne Pootee, Jimmy Minter, Glen McCandless, Donnie Joe Race, Max Marble, and Shirley Race, sponsor.

Junior boys at camp are Alvin Vernon, Wayne Cooper, Roy Kiser, Sonny Pierce, Darrell Williams, Eddie Wayne Smith, Jerry Race, Jimmy Howell, Jimmy Whitfill, Ronnie Vaughn, Charles Kelley, Rudy Naylor, Dan Smith, Robert Holland, Teddy Bob Cooper, and Warren Mitchell. Sponsors for this group are Mmes. Melvin Cooper, Weldon Smith, Bert Vernon, and Glen Cooper.

Junior and Intermediate girls will attend camp at the same place next week.

HOME FROM RED RIVER

Vacationing at Red River, and Albuquerque, New Mexico from Thursday until Sunday were Mr. and Mrs. Floyd Jackson and Betty, Maebeth McLaughlin, Judy Jackson, Mr. and Mrs. Willis Reynolds, Jim Bob and Jane, Mr. and Mrs. Raymond Rhodes and Jackie.

Politics Begins To Warm Up In Floyd County

Politics is warming up in Floyd County, probably due mostly to more activity by various candidates. The voter is taking more interest and it now appears that, contrary to the prediction of some pessimists, more than half a hundred people will vote in the first Democratic primary on July 24.

Predictions on the vote in the first primary have seriously been made as low as 2000 while the county has more than 3000 qualified voters. Others estimate the vote will go as high as 2500. It appeared this week that, unless voters become more election conscious than they have been it will not exceed that figure.

A slug-it-out governor's race is creating some interest in the election while two county races have also brought considerable candidate activity. These are the race for tax assessor-collector, featuring three men, and the race for county judge, featuring two candidates. There are other contested races in the county but candidates have not been quite as active in them as in these two.

In the race for assessor-collector the incumbent, T. T. Hamilton is opposed by C. C. Huckabee and J. A. Hutchinson, both Floydada men. In the county judge's race, two former holders of the office are opposing each other, they being G. C. Tubbs and W. E. Grimes. Ralph Johnston, the incumbent, did not run.

Other contested races in the county are those for sheriffs office wherein the incumbent, Earl Cooper is opposed by Alton May; the county treasurer's race wherein the incumbent, Mrs. Sam A. Spence is opposed by Mrs. Troye Willis Stansell.

Two commissioners are opposed, with J. K. Holmes, of precinct 1 being opposed by C. O. Spence and Bob Ratjen, and Fay Hart of Precinct 4 being opposed by Edell DuBois.

County Democratic Chairman Ben P. Ayres has an opponent in the person of James H. Word, Floydada business man.

Panoramic Screen In Use Sat.-Sun.

The new panoramic wide screen just installed at the Seale Drive-In Theatre will be used fully for the first time Saturday and Sunday when the picture, "Johnny Dark" is presented. Manager J. B. Seale said that this is the only wide screen this side of Lubbock. Most pictures in the future will use the wide screen.

"We have installed the new wide screen in an effort to keep up with the latest developments in movie theatres," Mr. Seale said. "We think our patrons will enjoy and appreciate the pictures much more on this new wide screen. It does improve the receipt on considerably."

The picture, "Johnny Dark" is one of the auto racing profession and is filled with action, thrills and romance. Shorts for the night include cartoon and news.

Joan Hackley of Estancia, New Mexico is here visiting in the home of Mr. and Mrs. Raymond Rhodes and family.

Pete THE PRINTER

IF YOU WANT TO SELL THAT TRASH UP IN THE ATTIC - OR EVEN THE WHOLE HOUSE - JUST TRY AN AD IN THE PAPER.

Last year 700 fatal farm accidents involved tractors. The Texas Farm and Ranch Safety Committee urges farmers to operate their tractors carefully; to keep all machines in top shape and all guards and safety devices in place.

Providence News

By Mrs. Wilfred Stoerner

The most aggravating thing about the younger generation is that a lot of us no longer belong to it.

Mrs. Charlie Boedeker returned home Sunday from the hospital. She is doing nicely. The baby will remain in the hospital for observation.

Mrs. Ben Quebe and Mrs. Ben Brandes visited Mrs. Jake Jones and daughter Saturday.

Mr. and Mrs. Leonard Matthews and family visited Mr. and Mrs. Sam Newman and Helen Sunday afternoon.

Mr. and Mrs. Wilfred Stoerner left Thursday night to attend the funeral of Mr. Otho Behnke who lived near Waco. Mr. Behnke was the uncle of Wilfred.

They returned late Saturday night. While in Waco they visited Mr. and Mrs. Adolph Thiele and daughter, Mrs. Otto Behnke and sons, Herbert and Paul, Miss Bertha Luedtke, Mrs. Gus Amthor. In Clifton they called on Mr. and Mrs. Ernest Luedtke, Miss Mary and Rinehart Buro.

Mrs. H. L. Anderson and sons will visit with her parents in Columbus, Ohio during the following month.

Mr. and Mrs. Helmuth Quebe were dinner guests Sunday of Mr. and Mrs. McLeod of the Sterley community.

Pvt. and Mrs. Cecil Boedeker left Sunday for Maryland where Pvt. Boedeker will be stationed.

Pvt. Donald Kelm Honored

Mr. and Mrs. Walter Boedeker honored Pvt. Donald Kelm with a supper Wednesday evening at their home. Those enjoying the occasion were Mr. and Mrs. Albert Kelm, Mr. and Mrs. Melvin Kelm and son, Mr. and Mrs. Weldon Foster and son, hosts, Mr. and Mrs. Walter Boedeker and the honoree.

Pvt. And Mrs. Boedeker Honored

Mr. and Mrs. Ted Boedeker honored their son and wife Sunday with a dinner at their home. Guests were Mrs. Henry Sammann, Miss Clara Sammann, Mr. and Mrs. Richards, parents of Mrs. Cecil Boedeker.

Mrs. Dietrich Honored

Mrs. Arnold Dietrich was honored with a pink and blue shower at the home of Mrs. Ernest Sammann Thursday afternoon. Mrs. H. L. Anderson presided at the register.

The serving table was centered with garden flowers. Lemonade and decorated cake squares and mints were served. The honoree was presented with a corsage of white carnations. The hostess gift was a bassinette. Hostesses for the occasion were Mmes. H. L. Anderson, Richard Matthews, Henry Sammann, Ernest Sammann, Albert Scheele and Miss Clara Sammann.

Those calling and sending gifts were Mmes. Crville Suler, R. L. Brown, Karl Sammann, Tom Word, Virgil Brasher, C. E. Flp-

pin, A. M. Dietrich, Bill Bennett, Ben Quebe, H. F. Quebe, B. F. Sammann Jr., B. F. Sammann Sr., Hubert Stoerner, Wyatt McLaughlin, Jack Favors, Ben Brandes, Wilfred Stoerner, Walter Stoerner, Weldon Foster, Ted Boedeker, Adolph Schaffner, M. C. Scheele, Riley Tucker, Don McLaughlin, Harold McLaughlin, Albert Kelm, Curt's Brasher, Albert Sammann, Mac Howard, Misses Laverne Word, LouAnn Word and Patsy Tucker.

Candle Light Circle Meet:

The Candle Light Circle met Wednesday afternoon with Mrs. Ben Quebe as hostess. Program chairman. Program opened with singing "Hark I Hear the Savior Walking." Mrs. H. L. Anderson had scripture reading and offered prayer. Mrs. Ben Brandes gave the topic "Why Don't We?" A very interesting topic concerning the kind of Christians we are as, lazy Christians, Hither and yon Christians, The active working Christian, Which are you? Mrs. L. B. Brandes gave a very good topic on Life Membership and Memorials.

Rev. Anderson gave a very good Bible study on the book of Joshua. The books taken up how to be a leader and how to be a good worker or follower.

Mrs. Wilfred Stoerner, President, called the business meeting to order. The guests, Mrs. Brown and Mrs. Brasher were welcomed. Committees to report included Mrs. Ben Brandes reporting she and Mrs. Walter Boedeker finished the curtains for the nursery and re-covered the chairs. The president reported a card of thanks had been sent Mrs. Walter Boedeker for her fine work. Circle members will again sponsor a drive for Lutheran World Action with used clothing. The committee attending to this matter is Mrs. Adolph Schaffner, Mrs. Ben Quebe, Mrs. Ted Boedeker. Watch the church bulletin for further information. Meeting closed with the Lord's Prayer. Mrs. Quebe served cheese sandwiches, cookies and bottled drinks.

Those present were Mmes. Brown, Virgil Brasher, Karl

Sammann, Albert Sammann, L. B. Brandes, Ben Quebe, Joe Zimmerman, Wilfred Stoerner, Ted Boedeker, H. L. Anderson, A. D. Schaffner, Mac Howard and Rev. H. L. Anderson.

VOTE FOR
W. E. Grimes
CANDIDATE FOR
CUUNTY JUDGE

If you elect me your County Judge, I will move to the County Judge's Office in the court house on January 1st, 1955, and you will find me there at all times ready to serve you as your county judge as long as I hold the office.

I believe in economy in the administration of the office and in keeping taxes as low as possible. After more than twenty years of general practice of law I should be well qualified to preside over the courts.

YOUR VOTE AND INFLUENCE APPRECIATED.

(Political Advertisement)

It's a wonderful feeling!

Ever since I took out my farmer's comprehensive personal liability insurance, I've sure been feeling better.

Just last week my neighbor stepped on a rotten board over the old well and my insurance paid for his broken ankle. But, I wasn't so lucky before I had my insurance. Last year, I was plowing and lost control of the tractor. Tore down about \$20.00's worth of Ralph Rancher's fence, and smashed into his pickup to the tune of \$87.00. And there was the time when my bull broke loose and took out after that feed salesman. That could have cost me plenty.

I don't have to worry about such accidents now. I've sure got a lot to feel good about—and the best part is that all this protection costs me a very small amount. Who says you can't buy peace of mind?

EFFICIENCY TIPS

Good-to-know: a quick rub with vaseline keeps corks from sticking in bottles of liquid cement, polishes and blue. And a dab of glue on the knot will safely seal the ends of cord when there isn't enough to knot securely.

The national wheat acreage allotment for 1955 has been set by Secretary of Agriculture Benson at 55 million acres. The allotment for Texas is 4,203,735 acres.

A NEWCOMER occupies this Floyd County mystery farm which appeared in the First National Bank advertisement last week. He is Alton Barnes and family and the farm is known as the old Williams place, located 1/2 mile west and 1/2 mile north of the old Irick school house, southwest of Lockney. Owner of the farm is E. R. Lindsay and it was farmed last year by Mr. Lindsay's son.

Mr. and Mrs. Barnes and family moved to the place on January 10 of this year coming from Cotton Center. Mrs. Barnes' given name is Florence and the couple have two little girls, Cynthia Diane, age 2 1/2, and Arleen Virginia, age 1 1/2. The place has 154 acres in cultivation and one irrigation well. Mr. Barnes will raise mostly cotton and feed this year.

First person to correctly identify the farm was R. C. Rogers, who drives a school bus by the place when school is in session. Others correctly identifying the farm were Jerry Holmes, Mrs. Jack Dollar and Mrs. Aubrey Holt. A number of other people called but thought the place was some other person's. Watch for another north Floyd County farm in the First National Bank advertisement next week.

VISIT IN DENTON

Mr. and Mrs. J. H. Workman accompanied their daughter, Harleen to Denton last week end where they visited on the campus of Texas State College for Women where Harleen made arrangements to enter school in September. She plans to major in journalism. The director of the college printing shop escorted the local visitors around the campus which made a very favorable impression on the prospective student. Harleen was given a copy of the college annual "The Daedalion" to be placed in Lockney high school library.

LETTERS TO THE EDITOR

29 June 1954
Yakusuka, Japan.
Dear Mr. Hays:
Well, after better than 2 years I finally got around to thanking you for the Beacon. I have kinda been out of touch with Lockney since I joined the Navy back in '51 but still enjoy the paper. You have probably heard from a lot of the guys that have gone in the service and I wonder if they have as hard a time thinking of anything to say as I have. Well we arrived in Japan the

26th of June and were going somewhere else but broke down and didn't. Don't know when we will leave here now and don't know where we are going to then. Guess I will find out later. This is my third trip over here to the same place and it hasn't changed a bit. Only thing different is that prices are up a little from what they were when I was here last year. It has been raining quite a bit since we got here. This is the rainy season on until the last of July or the first of August. In case you don't know for sure what my address is: Robert Canon 4609027 EM 3 U.S.S. Frontier (PD-25) E. D.V. S.F.P.O., San Francisco, Calif. Well thanking you again for

the paper and I will try not to be so long before I write to you again. As ever, Robert.
PLAN YOUR KITCHEN COUNTERS
Kitchen designers advise that the minimum size of counters should be 14 to 20 inches deep, with these lengths: 15 inches beside the refrigerator; 36 inches to the right of the sink, and 30 inches to the left of it; 24 inches next to the range; and 36 inches somewhere in the kitchen for mixing purposes. Sinclair Lew's was the first American to receive the Nobel Prize for literature.

LET US HEAR MORE

(From Lubbock Morning Avalanche)

One of the more interesting of the hundreds of blurbs of one kind or another that have come into The Avalanche offices in recent weeks is in the form of a reprint from the Austin American. Therein, John VanCronkhite, former publicity man for Governor Allan Shivers, explains his connection with the Lloyd's of North America Insurance Co., which went broke to the detriment of the pocketbook of many thousand Texas policyholders.

An erstwhile newsroom employee of a Valley newspaper, Mr. VanCronkhite became a member of the extensive Shivers publicity stable two or three years ago, then blossomed therefrom into a full-blown "Public Relations Counselor." One of his "accounts" as a publicist was Lloyd's of North America. However, Mr. VanCronkhite assures one and all that his connection with the Shivers administration had no bearing upon his being employed by Lloyd's, as a part-time advisor on public relations, at a stipend allegedly totaling \$1,000 per month.

Mr. VanCronkhite further — and solemnly — deposes that at no time did he ever exert any influence — or attempt to exert any influence — on Texas Insurance Commission, all members of which are, as is Mr. VanCronkhite, political friends of the Governor.

As they say in Brooklyn, leave us be realistic.

We have spent no time shadowing Mr. VanCronkhite, or having him shadowed. Therefore, we cannot disprove his statement about his never having practiced, or attempted to practice, influence in connection with his job with Lloyd's. But 2 plus 2 equals four, in politics as well as in arithmetic. So if Lloyd's of North America didn't think about the VanCronkhite connection with the Shivers administration when the company hired him, then we're willing to accept the theory that the moon is made of green cheese.

The Governor, of course, cannot be held responsible for what a former employee does after leaving his, the Governor's, employment. But the Governor can be disputed when he says, as Governor Shivers did, that his dear, old pal was just a victim of circumstances in the matter; that VanCronkhite, like the policyholders of the busted Lloyd's, was "sucked in."

Furthermore, while the Governor's friends make quite a point of the fact that Mr. VanCronkhite became a Lloyd's advisor after he left the Shivers stable, there are those in Lubbock — and perhaps elsewhere — who know that Mr. VanCronkhite also has done some work for the Governor since he severed his official connection with the administration. As late as last Fall, or early Winter, Mr. VanCronkhite was one of two gentlemen who came to Lubbock, all hush-hush and on the q. t., to discuss with political friends the question of whether or not the Governor had a reasonable chance to win a third term. Maybe Mr. VanCronkhite and his colleague were acting on their own, as civic-minded citizens anxious to serve the best interest of their State — and maybe they were not. Anyway, Mr. VanCronkhite was working for the Governor — with, or without the Shivers knowledge — long after he stopped being a member of the Shivers official family.

The Texas insurance mess, one of the prime examples of which is the Lloyd's of North America debacle, is going to be an important issue in the 1954 gubernatorial campaign. In fact, Mr. VanCronkhite's explanation of his connection with the Houston Lloyd's includes the charge that Governor Shivers' opponent, Ralph Yarborough, is the villain who spotlighted the VanCronkhite role in order to discredit the Governor. This may be altogether true. But whether it is or not, Mr. VanCronkhite is a former close associate of the Governor. He was a part of Lloyd's of North America. The Governor, no matter how innocent he is in the matter, will have to do better than he has done thus far to change public opinion which definitely doesn't cotton to the implications of the case.

County Gets 1-3 Million For County Schools

Austin. — Floyd County school children are among those over the state sharing the most impressive period of Texas Public Education in state history, a compilation of figures from 1949-1953 released in Austin this week shows.

The county received \$351,322.99 for public education during the last fiscal year as its share of the giant 211 million total spent over the state. The Texas Education Agency report said. It also showed that money for the state's school children had increased from 145 million in 1949 to the present figure.

Interviewed this week, Governor Allan Shivers noted that education funds were distributed through the Gilmer Aiken formula to a wide variety of uses.

Largest amounts went for salary and operations. Fifteen thousand more teachers with average salary increases of \$1,000 in the last few years took a large percentage.

Shivers also explained that last year school administrations received more money to spend for needed improvements than ever before.

Figures also showed lesser known — but important — uses

for funds. These included school buses that pick up children in rural areas and transport them safely to school.

Cafeterias with hot noon lunches, only recently becoming less than a luxury to public schools, received financial help also, figures showed.

Shivers, who called the present school system "the best yet in Texas' bid for better education," said that the picture looked even better for future students.

"With the continuance of this aggressive improvement program, Texas can expect to meet efficiently increasing demands of public education," he said.

CLYDE STOWE ILL

Clyde Stowe is in Medical & Surgical Hospital here where he has been confined for several days with a blood clot in his leg. His condition was serious for several days but he was reported to be better Wednesday. He will possibly undergo surgery within a few days, members of the family said.

HOME FROM SCHOOL

Mrs. Joe Foster and Betty Jean left Wednesday morning for Dallas to accompany their son and brother, Eddie Joe home for a vacation from S. M. U. where he attended school the past six weeks.

Roosevelt declared the famous bank moratorium the day after he took office.

Mark Your Ballot Right If You Want Your Vote Counted

(Editor's note: Following are instructions as to marking your ballot in the first Democratic primary, which will insure that your vote is counted the way you want it counted, and that your ballot will not be thrown out. Read them carefully.)

Under the new Election Code, a voter, in marking his ballot, may use either the old method of striking or marking out the names of all candidates in each race EXCEPT the name of the candidate he wants to vote FOR, or he may use the new method of placing an "X" or other mark in the square beside the name of the candidate in each race FOR whom he wants to vote. However, he should not combine the two methods in marking his ballot, for by doing so, he makes it difficult for the election judges to determine how he intended to vote, and slows down the counting of votes.

If you use the old method of marking your ballot by striking or marking out names, you should leave on the ballot only the names of the candidates you want to vote for, striking or marking out all others.

If you use the new method of marking your ballot by placing an "X" or other mark in the squares beside the names of the candidates, you should place an "X" or other mark in the square beside the name of each and every candidate you want to vote FOR, including any unopposed candidates you want to vote for. If you are using the new method, you cannot vote for an unopposed candidate merely by leaving his or her name on the ballot as under the old method — you must place an "X" or other mark in the square beside his or her name.

Whichever method of marking your ballot you use, mark your ballot carefully, clearly and completely — there is no point in voting if your ballot is miscounted or thrown out altogether due to poor marking, and the job of an election judge is thankless and poorly paid at best — don't make it any tougher by careless voting. Finally, do NOT strike the party pledge from your ballot — the law requires such pledge, and directs that no ballot be counted without it.

LOCAL VISITORS

Visitors in the home of Mrs. E. M. Whorton last week and included her sister, Mrs. A. R. Shannon and Mr. Shannon of Pecan Gap and two daughters, Mrs. M. J. Milligan and Mrs. Tom Phillips, Mr. Milligan and Mr. Phillips. They visited Mrs. F. S. Byars and other relatives in Floydada before returning home.

WEBB PIERCE — Heading the list of stars of the Grand Ole Opry who will appear at the 1954 Panhandle South Plains Fair in Lubbock will be Webb Pierce, one of the nation's top Western singers. Pierce and the other entertainers will appear twice daily Sept. 27 through Oct. 2 at the new 5,500-seat Fair Park Coliseum which will be officially opened at this year's regional fair.

Lockney General Hospital Notes

July 7—July 14

Mrs. Charlie Boedeker was dismissed 7-11. Infant son, Charles Terry is still receiving medical treatment.

Mrs. N. W. Fletcher, Floydada, who was admitted for major surgery 7-2 was dismissed 7-12.

Mrs. Leo Brown was dismissed 7-10 following major surgery on 7-2.

Mrs. Fred Riggs was dismissed 7-9.

Fred Riggs is a medical patient.

Lena Brotherton was dismissed 7-10 following major surgery 7-5.

Mrs. R. T. Spence is a medical patient.

Marvin Dale Self, young son of Mr. and Mrs. J. L. Self, Silverton, was admitted for medical treatment 7-8 and dismissed 7-10.

Virginia Thomas was admitted as a medical patient 7-9 and dismissed 7-13.

Mrs. Tom Nance was admitted for major surgery 7-9.

Norma Dye, daughter of Mr. and Mrs. Henry Dye was admitted as medical patient 7-11 and dismissed 7-13.

Hershel Carthel was admitted 7-11 and dismissed 7-13.

Mrs. Pearl Prickett was admitted for treatment 7-11 and dismissed 7-14.

Harold Dean Griffith was admitted for emergency treatment 7-12 and dismissed 7-13.

Mrs. Roy Porter was admitted for minor surgery 7-13.

Mrs. E. B. Berryman of Archer City was admitted for minor surgery 7-13.

Victoria Canales was admitted 7-13.

Mrs. Robert Smith and infant daughter were dismissed 7-10.

New Arrivals

A daughter was born to Mr. and Mrs. Melvin Potts 7-9. She weighed 8 lb. and was named Natalie Theresa. Mother and daughter were dismissed 7-13.

A son was born to Mr. and Mrs. H. G. Dyer, Plainview. Gary Don weighed 7 lb., 4 oz. Mother and son were dismissed 7-14.

Mr. and Mrs. Faye Dillahaunty are the parents of a son born 7-12. He weighed 6 lb., 4 oz. and was named James Henry. They were dismissed 7-14.

A daughter was born to Mr. and Mrs. Jesus Becho 7-10. She weighed 8 lb., 8 oz. and was named Lidia. Mother and daughter were dismissed 7-11.

Mrs. Ray Sissney was admitted for major surgery 7-14.

Busy Mothers Class Has Social Meeting

The regular monthly meeting of the Busy Mothers Class was held Wednesday in Fellowship Hall of the church.

Mrs. Pearl Hall brought a devotional on "Christian Living" and Mrs. Lucy Thomas led in prayer. A surprise basket of gifts were presented Mrs. Delbert Bybee for her birthday.

A covered dish luncheon was served at noon to Meses. Lura Stinebaugh, R. E. L. Stutts, Leslie Floyd, Ivy Thomas, Lucy Thomas, Lena Weathers, T. T. Threet, Pearl Hall, Delbert Bybee, and visitors, Meses. H. F. Easley and Pearl Prickett.

Mr. and Mrs. Otie Knowles of Weslaco, Texas, in lower Rio Grande valley, were guests of Mr. and Mrs. Jake Griffith and other friends last week.

Empire Cotton Is First To Have Bolls On Stalks

The Lubbock Morning Avalanche, in a story in Sunday, July 11 edition, talks of early cotton blooms and bolls and has this to say in part:

The only field in the county known, at this time, to have bolls on the stalks belongs to Carl Horne, farmer 1 mile north of the West Texas Cotton Gin on Erskine, Dd., Lubbock. Several small bolls were found in an 8½ acre field of Empire cotton which was planted May 4, as part of a 40 acre plot. Because of sand and hail, the 8½ acres were all that Horne saved.

"Not more than two small bolls were found per plant. "Horne, who averaged 1¼ bale per acre last year on 280 acres and who has 205 acres planted to cotton this year, says the 8½ acre plot is on land which was permanent pasture for four years. This is the first year cotton has been planted on it.

"Horne says he has not watered the cotton since it was planted. He plans to start Monday.

According to authorities who have seen Horne's cotton, the farmer has a good chance of harvesting the county's first bale, barring unfavorable conditions.

"Houston Sweat of West Texas Gin, who checked area fields for his customers last week, says he has noticed several fields which have a few blooms, but that Horne's is the first one he has seen that has bolls. The first bolls in Horne's field were found Friday."

THE OLDTIMER SAYS!

"In life, as in a parking lot, most arguments start from scratch!"

Medical-Surgical Hospital Notes

Mrs. Wayne Greer and son were dismissed July 7.

Mrs. Dwayne Shields of Plainview was admitted July 6 for surgery.

Mrs. Howard McLendon and son, Joe Gordon were released July 9.

Mrs. William Kirkpatrick, Olton Rt., Plainview continues to be a medical patient.

Mrs. Gerald Sams was admitted July 7 for surgery.

Mrs. Norman Paschal was admitted July 9 as medical patient.

Mrs. Felix Perrod was admitted July 11 for surgery.

Mrs. Earl Poage of Floydada was admitted July 13 as medical patient.

New Arrivals

Born to Mr. and Mrs. Ray Gene Carthel July 11 a daughter, Rhonda Jean, weighing 7 lbs., 11 ozs.

Mr. and Mrs. Frank Perkins left Tuesday for California where they will visit their sons, Dwight and Terry, who are in the Navy there.

World Book Is Best, Svendsen Says

Kester Svendsen, noted book editor, said recently in The Daily Oklahoman, concerning "The World Book Encyclopedia":

"Now four or five good encyclopedias use every means to produce enjoyable reference books. Most of them issue annual supplements and occasional revisions. The best of these by a country mile is the 1954 edition of "World Book Encyclopedia." (Field Enterprises, Chicago, 19 volumes, blue binding \$102, red binding \$120.) It is universally acclaimed by teachers and librarians; it is regarded by this deponent as the most useful family reference work in print.

"I have been in and out of every volume. By the criteria of contributors, coverage, accuracy, handling of controversial matters, and vivid presentation of facts, "World Book" in its 1954 revision is still the best school and family encyclopedia. And it sells for the 1947 price."

Elmer Stimson, Lockney is area manager for sale of the "World Book Encyclopedia." Other salesmen are Mrs. I. V. McClaskey, Mrs. Elmer Stimson, Mrs. Aubrey Holt, southwest of Lockney, Mr. and Mrs. Henry Price, Silverton, and Mrs. Mable Pierce, 1616 Joliet, Plainview. (Adv. Itc.)

HOME FROM VALLEY

Mr. and Mrs. W. J. Myers arrived home Wednesday afternoon from Rock Port, Texas in the Rio Grande valley where they have spent several months.

Young children and older people seldom become seasick.

Rotary Hoeing Of Cotton Done At 18 Miles An Hour

College Station. — Speed is important in modern farming operations. It means covering large acreages in a hurry and before weeds and grass have taken over a crop. For several years cotton farmers have been rotary hoeing at speeds up to six miles an hour, but this spring, H. E. Rea, a Texas Agricultural Experiment Station agronomist, has literally made a race track out of the cotton patch.

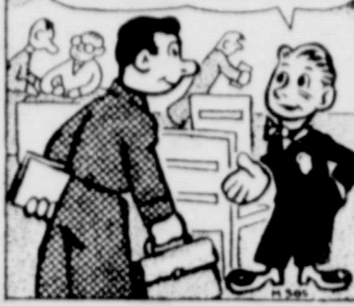

He has perfected a two-row trailer-type rotary hoe which has been successfully operated on the Brazos River Valley Laboratory over one-week old cotton at 18 miles an hour. He says over 95 percent of the cotton hoed with this machine suffered no damage from the operation.

Heavy rains which hit the area in late April and early May just about stopped normal field operations. Weeds and grass followed the rains and drying conditions caused a thick soil crust. Speed thus became important and the use of new rotary hoe increased the available working time during the rainy weather 166 percent over that available for sweep cultivation for the use of rotary hoeing attachments with sweep cultivation. Cotton from one to five weeks of age was successfully hoed with the new machine at rates of 6 to 8 acres an hour.

Here is Rea's summary of what the new machine did this spring: From 65 to 70 percent of the annual weeds and grass

Vic Vet says

KOREAN GI BILL TRAINEES SHOULD MAKE SURE THE COURSES THEY ARE TAKING ARE THE SAME AS APPROVED BY THEIR STATE APPROVING AGENCY. THIS WILL PROTECT THEM AGAINST SUB-STANDARD COURSES

For full information contact your nearest VETERANS ADMINISTRATION office

seedlings were controlled with one rotary hoeing with the new machine; two or more hoeing increased the control to 85 to 90 percent and 95 to 98 percent control was obtained when the rotary hoeing was preceded by the pre-emergence use of CIPC at 8, 10 and 12 pounds an acre respectively or Karmex L or Karmex DL at 1, 1 1/4 and 1 1/2 pounds an acre, respectively, on Miller clay soil. Lower rates of these chemicals must be applied on lighter soils, he says.

It all adds up, says Rea, to lower production costs and that means more profit at the end of the year.

Miss Jerry Dean Rhodes of Albuquerque, New Mexico is visiting in the home of her grandmother, Mrs. J. W. Jackson and other relatives.

A CLEAN CITY IS A SAFE CITY

Information Given On Drying, Storing Of Grain Sorghum

College Station. — Present indications are that the amount of sorghum grain stored on Texas farms will take a sharp turn upward as the harvest season moves across the state. There are many problems connected with on-the-farm storage and producers who secure support loans or store the grain for future use have the responsibility for seeing the grain safely in and out of storage.

In order to answer many of the questions raised by producers, the Texas Agricultural Experiment Station in 1949 initiated a research program at the Beeville Station covering drying and storage of sorghum grain on the farm. The tests have been conducted primarily to determine the practicability of farm storage in South Texas but much of the information should also prove valuable to producers in other sections of the state.

Associate Professor J. W. Sorenson, Jr. of the department of agricultural engineering at Texas A. & M. College; G. L. Kline, Agricultural Engineer, USDA at Beeville and L. M. Redlinger, a USDA entomologist of Houston are the authors of Progress Report 1685, "Drying and Storing Sorghum Grain in Farm Storage Bins in South Texas." The report is available upon request from the Agricultural Information Office, College Station.

The research workers point out that all trouble encountered in storing grain traces back to moisture. High moisture conditions lead to insect, heat and mold damage. They have found that drying on the farm with either heated or unheated air even in the humid Gulf Coast area is practical and profitable.

The recently released report is handbook full of information on practically every problem encountered in this five year study, and generally, producers storing grain on the farm will experience many of these same situations.

TO CAMP

Gail Kellison left Thursday with her parents to attend Camp Mystic at Hunt, Texas for three weeks. She will return home August 23.

Floydada Baptist To Expand Bldg.

Floydada. — Bldgs will be opened here July 28 for the construction of a three-story educational building for the First Baptist Church, according to the pastor, Dr. R. Earl Allen.

The building will be of brick and tile and will be completely fireproof and air-conditioned. The first floor will consist of a chapel with 300 seating capacity, class rooms, restrooms, and a kitchenette. The second floor will house five departments of the Sunday school. It will have a recreation room, nursery, and kitchenette. The third floor will be used for the adult and young people's educational department.

According to present plans, the new unit will be located eight feet southeast of the auditorium and will face Main Street. It will be joined to the original building by a stair and foyer.

Need for the new building was evidenced by the rapid increase in membership, according to Dr. Allen. The church now boasts 1,000 resident members, 53 percent of whom have been added during the last four years under the present pastorate. The Sunday school enrollment stands at 1,200 with 600 in average attendance.

The church has raised \$52,278 in the last 30 months toward the building, which is one of two proposed additions. The second calls for the enlarging and remodeling of the present auditorium, looking toward an additional space of 400 seating capacity.

Parnell Powell heads the Building Finance Committee. Members of the building committee include A. T. Hull, chairman; Mrs. Alton E. Chapman, Mrs. Tate Jones, Fred Battey, E. P. Nelson, Garland Foster, and C. B. McDonald.

PATTERSONS ARE HOME

Mr. and Mrs. R. E. Patterson, who have spent several weeks in Tucson, Arizona, are back home, having arrived Monday. Mr. Patterson said that he expected to be here until September when they might return to Tucson for the winter. The climate there was favorable to asthma until the extremely hot weather hit, he said.

The Old Timer:

"Whenever you're feeling sour, remember that he who laughs—lasts!"

Sudan Pastor Named Baptist Camp Head

Floydada. — The Rev. Wayne Perry, pastor of the First Baptist Church in Sudan, was elected president of the Plains Baptist Assembly Camp near here at the District 9 general encampment Friday.

In the opening camping session of the summer, members from eight South Plains Baptist associations also named the Rev. Cecil Ray, pastor of the Arnett-Benson Baptist Church in Lubbock, as vice president; the Rev. James Abernathy, pastor of the First Baptist Church of Ralls, as secretary-treasurer and E. D. Martin, Floydada, camp manager.

The new slate will serve until the general encampment next summer.

In the opening day programs Friday, the estimated 500 to 600 area church men and women heard addresses by Dr. John L. Hill, Nashville, Tenn., a member of the Baptist Sunday School Board, and Dr. Evan A. Reiff, Abilene, president of Hardin-Simmons University.

Members of the nominating committee which met early Friday were George E. Ray of Dimmitt, A. O. Thompson of Hereford and Lattimore Ewing of Lubbock. Presenting special music at the meeting was Virgil Coffey of Levelland and Strauss Atkinson of Canyon presented the morning devotional.

Cecil Proffer and family of San Diego, California are here this week visiting his uncles, Earl, V. H. and R. R. Kellison and their families.

A number of girls from Lockney attended a swimming party for Rainbow Girls at Roaring Springs Friday.

GO TO CHURCH SUNDAY.

Wayne Bybee Gets VFW Appointment

Wayne H. Bybee of Lockney, a member of the Plainview Veterans of Foreign Wars post, has been appointed a national aide-camp in the recruiting class of the VFW of the United States by Commander-in-Chief Wayne E. Richards of the VFW.

At national VFW headquarters in Kansas City, Mo., it was explained that these appointments are made by the commander-in-chief in recognition of those who have signed up at least 50 new or reinstated members of the organization.

Along with the appointment goes a specially designed appropriately lettered forest green and white VFW cap and a national citation. Special honors are paid these aides at national encampments of the VFW, the next occurring August 1-6 in Philadelphia, Pa.

Planning Miniature Golf Course Here

B. E. Berres and H. E. Johnson said last week end that they are considering the establishment of a miniature golf course here, probably on Highway 70 in South Lockney. If plans work out the course will be an 18-hole affair with plenty, but not too many hazards, and well laid out, they say. It is possible that they will also expand the course to make a small recreation park of the place including playground equipment for children. The men were talking with local people trying to determine local sentiment toward the project this week.

Holding Meeting In Colorado

Rev. R. E. Wiley, local Baptist pastor, and his family left Monday for Alamosa, Colo., where he will preach in a revival meeting at the College Heights Baptist Church. The church is a mission church which has been helped financially by the local church. They expect to be gone two weeks.

Mr. and Mrs. J. P. Truett went to Matador Thursday to attend the funeral of a friend, Mrs. Noble Groves.

A lot of the trouble in this world today is produced by those who don't produce anything else.

Mrs. Spence Asks Continued Support For County Treasurer

I am very grateful to the people of Floyd County for giving me the opportunity of serving in this place of trust and responsibility. I am always mindful of the fact that a public office is a gift of the people.

Nothing would please me more than to come by your home to visit with you and to personally solicit your vote and your support in the coming primary. However, since this is a one-person office, it will not be possible for me to do this.

Election year is not different to any other year as far as the duties of the office are concerned. I could not conscientiously ask you to re-elect me if I did not do the job for which you hired me two years ago.

My pledge to you is continued efficient and courteous service in the operation of the Treasurer's Office. Your vote and your support will be sincerely appreciated.

Thank you,
Mrs. Sam A. Spence.

Minute Editorials

But godliness with contentment is great gain. — 1 Tim. 6:8.

IF YOU THINK Texas has a high state tax on gasoline, you haven't checked other states in the union as yet. Texas' tax of 4c is matched by five other states, New York, Connecticut, Massachusetts, Indiana and Wisconsin. Only two states have lower rates, those being New Jersey and Missouri with 3 cents each. The remaining 39 states have a higher rate than Texas ranging from 5 cents in 17 states to as high as 7 cents in seven states. One advantage of the gasoline tax is that it is shared alike by those who use the highways, residents, tourists or truck drivers, and that it is more or less painless way to collect taxes.

WAS THE BEACON WRONG in quoting the new pledge to the Flag recently? The Beacon said that the last phrase was "One nation, under God, with Liberty and Justice for all." We note the Star Telegram quotes it as follows: "One nation, indivisible under God, with Liberty and Justice for all." Will someone set us right on this point. After all we don't want to be saying the pledge to the flag wrong.

10 COMMANDMENTS for rear-riding children was clipped from a daily paper recently by Mrs. R. E. L. Stutts and handed. The Beacon editor, a lodge, the New Jersey Knights of Pythias, originated the commandments and they are good. Here they are:
1. Thou shalt make good A-

mericans of thy children.
2. Thou shalt take interest in the activities and schooling of thy children.
3. Thou shalt share thy hobbies and pleasures with thy children.
4. Thou shalt conduct thyself to gain the love and respect of thy children.
5. Thou shalt guide thy children in choosing friends, and make them welcome.
6. Thou shalt guide the destinies of thy children and respect their wishes.
7. Thou shalt weigh thy children's deeds with patience and understanding.
8. Thou shalt commend the efforts and achievements of thy children.
9. Thou shalt teach thy children the wisdom of truth.
10. Thou shalt teach thy children the word of God.

WHY SHOULD ALLAN SHIVERS seek a third term as governor of Texas? Is it because he wants the salary or prestige the governor's office affords? Is it because he likes the honor and fame that goes with the office? Is it because he used the office to further his own personal interests? We do not believe it is for any of these reasons despite Mr. Yarbrough's many and varied accusations. Allan Shivers has all the money, fame and prestige he wants it seems to us. And we do not believe that he has any ulterior motives in seeking the office again. We believe the reason he seeks the office is that he has a job that isn't finished yet and he wants to finish it. What is that job? It is the fight to keep the Democratic party in the hands of the people instead of handing it over, completely to the National Democratic Committee to do with it as they see fit, regardless of Texas' interests. It took courage for the governor of Texas to come out boldly against the national administration and the national party. The political thing to do was to play along with them, tiddlers or what not, and do their bidding. That seems to be Mr. Yarbrough's purpose should he be elected governor. But that isn't what Mr. Shivers did. He put the interests of his state first. If that's playing politics we would like to see more of it.

WHEN YOU GO to the polls remember the fight to save the tidelands, and who stood where in it. Remember that Shivers refused to promise the teachers of Texas a \$1,000 per year raise when he knew the money wasn't available but instead agreed to a raise that could reasonably be paid. Remember that Allan Shivers has consistently stood for the rights of this state to handle its own affairs as the constitution originally intended and has fought the efforts of some to centralize all power in Washington and dole out the benefits where some bureau thought best. Better do a little thinking about past events in the history of this state before you go cast a vote for someone you may find doesn't stand for the things you want.

With Our EXCHANGES

HOT WEATHER SALES

When it's hot, sales stay up — Retail merchants are now deciding what to do during the big summer slump. Many merchants have been led to believe you can't sell merchandise during the summer months. It is not difficult to find an excuse for thinking business has a sum-

mer slump. The facts are that only six per cent of the population are on vacation at one time. That means that 94 per cent are still eating, wearing clothes, working, drawing pay checks, carrying on normal lives, reading their newspapers and buying. The demand for some merchandise reaches its peak in the hot months. — Prattler in Paducah Post.

A REVOLUTION

A quiet revolution is in progress on this nation's streets, in-

its homes and along its shores. It is unorganized and moves in various directions without apparent purpose, except to appease the whims of apparel makers. It has reached the throne room of old customs in dress of men, women and children. A new freedom has been secured at the expense of courage beyond the call of necessity. Men appear in public wearing sport shirts of such bold colors their grandfathers would have shunned them as sleeping garments. Society has approved such scant garments for women that little remains to describe. Children enjoy life and a new freedom in thin, brief clothes far removed from the old era of prudery. Comfort has gained a victory over style and custom. — Trail Dust in Matador Tribune.

BUSINESS ETHICS

Business Ethics are a matter of conjecture — some people have them and others don't. Recently we ran onto an old yarn making the rounds again, and maybe some of the younger generation hereabouts have not heard it:

You know, every line of business or profession has a pet peeve, and the one that gripes a newspaperman most is when one man keeps another from advertising under a so-called "code of ethics." Naturally, that hurts our business, and yet at the same time we have numerous "news releases" from many such groups — one of those deals where it is fun to ride if you don't have to pay for it.

Anyhow, I started out to tell a story about ethics. This fellow says, "Vot is ethics? Veil, I vill show you: Suppose a lady comes into the store, buys a lot of goods and pays me \$10 too much when she goes out. Then ethics comes in. Should I or should I not, tell my partner?" — Hamlin Herald.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

July 14, 1916

Dirt was broken Tuesday on the ground for the J. H. Gruver brick buildings. Mr. Gruver will build two separate buildings, each 30x100 feet. Work on the Thomas building is progressing and the Hill & Meriwether buildings are about completed. Work on the J. D. Griffith building is progressing also and the walls on the Farmers Exchange are about half up. Lockney is indeed proud of these new brick structures.

The eight year old son of Mr. and Mrs. J. W. Waddell who live three miles south of town fell from a wagon with an iron hook in his mouth Friday and suffered a painful gash in his cheek.

July 17, 1924

The entire statement of the First National Bank for July shows an increase in business of \$40,000 over the statement three months ago and the bank is in the best of condition in every respect.

At a meeting of the Chamber of Commerce Monday at noon, the main discussion was about street lights and a light on the water tower, however nothing definite was done about either one. It was decided to erect rest rooms at the camp ground at once.

Miss Helen Knox, daughter of Dr. and Mrs. A. H. Knox was united in marriage to Ralph

Ashworth of Graham Sunday afternoon, July 6. The bride has taught school in Texas and Oklahoma. Mr. Ashworth formerly lived in Lockney and operated a tailor shop here.

July 17, 1942

Among the 24 men who will be or already have been inducted into service from Floyd County are the following from Lockney, J. B. Teaff, Clarence M. Lyles, Wade Pleasant Hunt, Fred W. Beall, Charlie Baxter Isbell, Wayne Day Davis, and Sidney Reeves.

Mrs. France Carthel suffered a crushed vertebrae of the spine last Saturday morning when she fell while closing a ventilator on a small grain building. Mrs. Carthel will have to be in-cast two or three months but doctors say she will not be permanently injured.

Mr. and Mrs. W. L. Thomas announce the approaching marriage of their daughter, Meda Ruth, to Lieut. Harold G. Watts, son of Mr. and Mrs. J. R. Watts of Canyon.

**New, bigger load space!
New, lower loading height!**

New Chevrolet Trucks...
do more work per day... more work per dollar!

You save on operating costs. High-compression power in every model saves you money every mile! The "Thriftmaster 235" engine, the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver increased horsepower and operating economy, both.

You save extra trips. That's because of the extra load space you get. New pickup bodies are deeper... new stake and platform bodies are wider and longer. Also, they're set lower to the ground to make loading and unloading faster and easier.

You save time on deliveries. With new truck Hydra-Matic transmission, you save valuable time at every delivery stop. And you can forget about clutching and shifting! This proved automatic transmission is optional at extra cost on 1/2-, 3/4- and 1-ton models.

You save with lower upkeep, too. New chassis strength saves you money on maintenance. For example, there are heavier axle shafts in two-ton models... bigger clutches in light- and heavy-duty models... stronger frames in all models.

You save hours on the road. Thanks to new high-compression engine power, you can maintain faster schedules without driving at higher maximum road speeds. Increased acceleration and hill-climbing ability let you save time where it counts!

And your savings start the day you buy. Chevrolet, you know, is America's lowest-priced line of trucks. And it's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the money-saving facts.

MOST TRUSTWORTHY TRUCKS ON ANY JOB!
Chevrolet Advance-Design Trucks

Now's the time to buy! Get our BIG DEAL! Save with a New Chevrolet!

START MARRIED LIFE RIGHT
With A
GOOD CREDIT RECORD

Young couples starting married life find it pays to establish their credit and to maintain a good credit record. By paying promptly and maintaining good credit records, they are establishing a sound foundation for financial security and social standing. Credit enables them to acquire attractive home furnishings and equipment as they go along, to enjoy more of the good things of life than they would if they had to wait until they saved the cash.

Those who grant credit, like to see people use it, but not abuse it. The sound use of credit stimulates business, creates employment, contributes to lower commodity prices, and brings more of the good things of life within the reach of more people.

Your Credit is a Sacred Trust—Guard It Closely.

County Council
To Meet Saturday
 The Floyd County Home Dem- **onstrations** Council will have its **regular** meeting at 2:30 on Sat- **urday** afternoon, July 17, in the **Council** Room of the Court Hou- **se**, according to an announce- **ment** by Mrs. M. J. McNeil, Coun- **cil** Chairman.

OFFICE SUPPLIES at The Bea- **con** Office

Precinct Convention Procedure Explained

On first Primary Election day, **Saturday**, July 24, 1954, at 2:30 **p. m.**, the qualified voters of all **election** precincts of the County **who** desire to do so will hold **their** Precinct Democratic Con- **ventions**, at the places fixed for **each** Precinct by the County **Democratic** Committee on June **21**, 1954.

The purpose of the Precinct **Conventions** will be to elect de- **legates** to attend the County Dem- **ocratic** Convention, to be held on **the** first Saturday following First **Primary** Election Day, being July **31**, 1954, at 2:30 p. m., in the **Dis- trict** Court Room in the Court **House** at Floydada, Texas.

The County Democratic Con- **vention** will in turn elect dele- **gates** to attend the State Demo- **cratic** Convention to be held on **September** 14, 1954, at an hour **and** place to be fixed and an- **nounced** later. The State Demo- **cratic** Convention will declare **the** nominations of the Democra- **tic** Party for Governor and other **state** offices, and will adopt a **party** platform.

Each Precinct is entitled to **one** delegate for each 25 votes, **or** major fraction thereof, cast **in** such Precinct for the party's **candi- date** for governor in the **last** general election, and the **County** is entitled to one dele- **gate** to the State Convention for **each** 300 of such votes cast in **this** County. This year, every **Precinct** in the County is entitled **to** at least one delegate to the **County** Convention. A list of pre- **cincts**, meeting places, chairmen **and** number of delegates was **pub- lished** in The Beacon last **week**.

The procedure in the Precinct **Conventions** is as follows: Only **qualified** voters in the Precinct **may** attend and participate. The **Precinct** Chairman, if he is pres- **ent**, or any qualified voter in the **absence** of the Chairman, calls **the** meeting to order, and makes **a** list of the qualified voters **present**. The qualified voters **present** then elect a chairman **and** secretary of the convention, **and** the proper number of dele- **gates** to the County Convention.

selecting alternates to attend if **the** delegates cannot do so. The **Convention** may adopt any in- **structions** to its delegates, and **any** resolutions, which it sees **fit**.

The proceedings of the Con- **vention**, including list of dele- **gates** and alternates, are to be **put** in writing in three copies, all **three** of which are to be signed **by** the Chairman and Secretary **of** the Convention. One copy is **to** be retained by the Chairman, **and** the other two are sealed in **an** envelope and delivered to **the** County Clerk before time for **the** County Convention. The **Clerk** posts one copy, and deliv- **ers** the other to the County **Chairman**, and the lists of dele- **gates** from the Precinct Con- **ventions** comprise the roll of the **County** Convention.

Urban Sanchez Open Cafe Here Saturday

Urban Sanchez and his family **have** opened a cafe here in the **building** just east of Pylant **Grocery** and just at the rear of **Baker** Dry Goods. The building **has** been remodeled and renova- **ted** and is now in good con- **dition**.

Mr. Sanchez says that they **will** serve real Mexican dishes **cooked** in Mexican style as well **as** American foods, plate lunch- **es** and short orders.

The Sanchez family is known **here** as dependable Spanish **people**, having worked on farms **and** other types of labor in this **community**. They moved here **five** years ago from Hondo, Tex- **as**.

People of the world speak more **than** 1,000 separate languages or **dialects**.

QUESTIONS ON BAPTISM

- I. WHAT IS BAPTISM?
 1. It is a command of Christ: "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost." (Matt. 28:19.)
 2. It is a burial in water: "We are buried with him by baptism into death; that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life." (Rom. 6:4). "Buried with him in baptism, wherein also ye are risen with him through faith of the operation of God." (Col. 2:12.)
- II. WHO SHOULD BE BAPTIZED?
 1. Those who believe: "He that believeth and is baptized shall be saved." (Mk. 16:16.)
 2. Those who have repented: "Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins." (Acts 2:38.)
 3. Those who have confessed Christ: "He answered and said, 'I believe that Jesus Christ is the Son of God. And he commanded the chariot to stand still; and they went down into the water, both Phillip and the eunuch; and he baptized him.'" (Acts 8:37, 38.)
- III. WHY SHOULD ONE BE BAPTIZED?
 1. To get into Christ: "Know ye not that so many of us were baptized into Jesus Christ were baptized into his death?" (Rom. 6:3.)
 2. To put on Christ: "As many of you as have been baptized into Christ have put on Christ." (Gal. 3:27.)
 3. For remission of sins: "Repent, and be baptized, every one of you in the name of Jesus Christ, for the remission of sins." (Acts 2:38.)
 4. To have sins washed away: "Arise and be baptized, and wash away thy sins, calling on the name of the Lord." (Acts 22:16.)
 5. To be saved: "He that believeth and is baptized shall be saved." (Mk. 16:16.) Eight souls were saved by water. The like figure whereunto baptism doth also now save us." (1 Pet. 3:21.)
- IV. INTO WHAT ARE PERSONS BAPTIZED?
 1. Into the name: "Baptizing them in the name of the Father, and of the Son, and of the Holy Ghost." (Matt. 28:19.)
 2. Into Christ's death: "Know ye not that so many of you were baptized into Jesus Christ were baptized into his death." (Rom. 6:3.)
 3. Into Christ's body or church: "By one Spirit are we all baptized into one body." (1 Cor. 12:13.) T. M.

Floydada Soldier Serves In Korea

J. S. Forces, Korea.—Cpl. J. M. Carey, son of Mr. and Mrs. C. P. Carey, Route 4, Floydada, Texas, recently observed the 179th anniversary of the Army's Engineer Corps while serving in Korea.

He is a truck driver in the corps' 1437 Engineer Company, which is constructing buildings, roads and bridges as part of a revitalization program for South Korea.

Corporal Carey entered the Army in January 1953 and com-

pleted basic training at Fort Leonard Wood, Mo., before arriving overseas in August.

HAS SERIOUS OPERATION

Mrs. Vestal Hastings, formerly of Lockney but now a resident of Tulsa, underwent a serious operation in a hospital at Olton Friday of last week. She was reported to be very ill Sunday but some better Monday morning. She is the daughter of Mrs. W. C. Elland of Lockney and Mrs. Elland is at her bedside.

Writing inks were used by the Romans.

Cedar Hill News

by Frances Lemons

Rev. and Mrs. Horace Reeves of Plainview visited with Mr. and Mrs. T. F. Love on Sunday. Other guests in the Love home were Mrs. Love's daughter, Mr. and Mrs. J. Cephus Fortenberry and children, Nelda, Jean, and Phillip and Carla Lemons.

Guests in Mrs. Edna Lackey's home were her daughter, Mr. and Mrs. Jack Craft and children, Kinney, Rickey, and Waverly Ann of Midland. Pat and Pam Rhodes were at church with them Sunday.

Durene Ragen has spent the last two weeks in the home of Mr. and Mrs. R. T. Fortenberry. Durene lives at Idalou. Mrs. Fortenberry's mother, Mrs. T. J. Gill of Lockney also visited with them Sunday.

Undergoes Major Surgery

Mrs. Oattie Ginn underwent surgery on Monday of last week in the Plainview Hospital. Dr. Long reports that the operation was a successful one. She returned to her home Monday after spending a few days in the Wesley Ginn home near Plainview. Mrs. Ginn is doing as well as could be expected. She has suffered with cancer for several months. Mr. Ginn's sister, Ruth and son, Jackie are staying with her. Her parents, Mr. and Mrs. Johnson are also with them.

New Arrivals

Mr. and Mrs. Bill Hobbs of Sweetwater are the parents of a new daughter, Jewell. Mrs. Hobbs is the daughter of Mr. and Mrs. Oattie Ginn and they are spending a while in the Ginn home. She was born in the Floydada hospital on Tuesday of last week.

Mr. and Mrs. Winston Brown of Lubbock are the parents of a son born in the Lubbock hospital. He is the grandson of Mr. and Mrs. J. B. Whitehead and Mr. and Mrs. Syd Brown. He has an older brother, Ronny.

Mr. and Mrs. Howard McLendon are the parents of a son, Joe Gordon born in the Medical-Surgical Hospital on Wednesday of last week.

Mr. and Mrs. J. B. Whitehead and family spent on Saturday until Thursday in Georgetown visiting with relatives. Myra Applewhite who is em-

"The good Lord has given us more than enough for everyone's need—but there'll never be enough for everyone's greed."

played at the Baptist Camp at Glorieta, N. M. spent Wednesday with her father, Rev. G. C. Applewhite.

Mr. and Mrs. Fred Conner and two daughters of Canyon spent the week end with their parents, Mr. and Mrs. J. R. Conner and Mr. and Mrs. Collier in Floydada.

Mr. and Mrs. Frank Floyd and children visited with Mrs. Floyd's sister, Mr. and Mrs. Horsely in Muleshoe during the week end.

Rickey and Ronny Breckenridge of Dallas are visiting with their grandparents, Mr. and Mrs. J. C. Fortenberry and aunt, Mrs. Garland Tucker and Mr. Tucker. Cecil Wayne Vanhoose of Bridgeport is visiting with his grandparents, Mr. and Mrs. Joe Fortenberry.

Assembly Of God Services

Rev. and Mrs. J. C. Lewis and family, Leland, Joyce, Jo Ann and James Earl returned to their home on Saturday after spending several days in Dallas attending a convention. They fished near Lubbock on their way home.

Baptist Services

The pastor, Rev. G. C. Applewhite was absent Sunday due to surgery on his head. Gene Lancaster of Lone Star preached Sunday morning and evening.

The G. A.'s and R. A.'s went on a picnic at Burson Lake last Wednesday. They took lunch and enjoyed boat rides during the afternoon. Those present were Jacqueline Yearry, Carla Lemons, Barbara Gilley, Mary Sue Burleson, Frances Lemons, James

McLendon, Aubrey Whitehead, Melvin Whitehead, Phil and Marvin Lemons and their sponsors, Mrs. C. F. Lemons, Mrs. Rene Yearry and Rev. G. C. Applewhite.

Marvin Lemons, Melvin Whitehead, Aubrey Whitehead, James McLendon, Junior Pool and Phil Lemons went to the Baptist encampment with their sponsor, Rev. Applewhite. They left Wednesday afternoon and will stay until Friday.

We are looking for a great Revival beginning the sixth of August with Rev. Jaudon Cobb of Tucson, Arizona doing the preaching. He held a splendid revival here last summer and we are glad to have him back with us.

MOVE TO SOUTH AMERICA

Mrs. Mark Fairman and little son, Mike left Houston Thursday, July 8 via plane for Maracaibo, Venezuela, South America to join Mr. Fairman who is employed by Shell Oil Company there. He has been in South America the past three months working as safety supervisor. They plan to stay at least three years.

Accompanying Mrs. Fairman and Mike to Houston were her parents, Mr. and Mrs. Sid Thomas. They left here Tuesday and visited in Waco, Galveston and other points before returning home Saturday afternoon.

Mrs. Joe Lee Ferguson of Haskell has been here the past two weeks visiting in the home of her nephew, L. K. Sherman and family.

MORE MONEY for SCHOOLS

During Governor Allan Shivers' administration more money has been spent for schools than ever before.

The result?—better schools, more and higher paid teachers, and better guidance for your children.

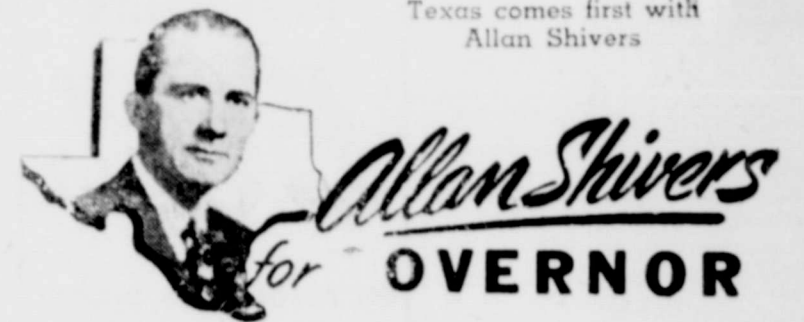

Since Allan Shivers became your governor, school funds have increased from 145 million to 211 million dollars per year. Teachers get \$1000 a year more. Your child receives individual attention from 15,000 more teachers.

This educational climb is your child's guarantee of a profitable and happy future. For you it means assurance about his growing up years. It means a better Texas for everyone.

In Floyd County \$351,322.99 was spent for your child's education during the last fiscal year.

He got better teachers with higher salaries and an administration that had more money to spend for its needs. Texas veterans received more educational aid. The money went for other—but mighty important—things too, like school buses and cafeterias with hot noontime lunches. It meant more vocational help for your child. It went for many things, all necessary for a better education for him.

Texas comes first with Allan Shivers

BILBREY MOTOR COMPANY

205 S. Main St.

Lockney, Texas

You can BANK on this opportunity!

MINNEAPOLIS-MOLINE now opening new dealerships in this farming area!

Minneapolis-Moline Company, manufacturer of Modern Machinery for the farm, power units for farm and industry, is expanding its dealer franchise program in important farming areas. This is your invitation to ask questions about the MM franchise in your area.

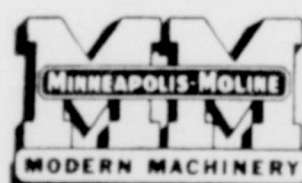

These things you should know: As an MM Dealer you at once inherit a company history of sound growth and product dependability. You open your business knowing that you are part of an organization known since 1825 for quality products and progressive policies. You step into the farm machinery business when a skyrocketing population dictates the next great advance in farm mechanization. You enter the field representing a company that is forging ahead in new and better ways of making machines work for the farmer.

THIS IS YOUR PROFIT OPPORTUNITY

- You sell the complete line of highest quality farm machinery—known 'round the world for profitable performance and dependable operation.
- A liberal floor-planning program helps you show a profit in your own business at a minimum investment.
- Local financing or MM's deferred payment plan makes it easy for your customers to own MM equipment.
- Advanced manufacturing and distribution facilities insure fast deliveries to back up your sales.
- You gain from advertising and sales promotion that helps you sell through proven methods.

First, write to the Minneapolis-Moline Company stating your interest in the MM dealer franchise program. Your letter will receive immediate executive-level attention. You will be under no obligation. Dealer qualifications and benefits will be explained promptly and to your fullest satisfaction.

Mail your letter to: **G. D. DODSON**
Box 2410
Amarillo, Texas

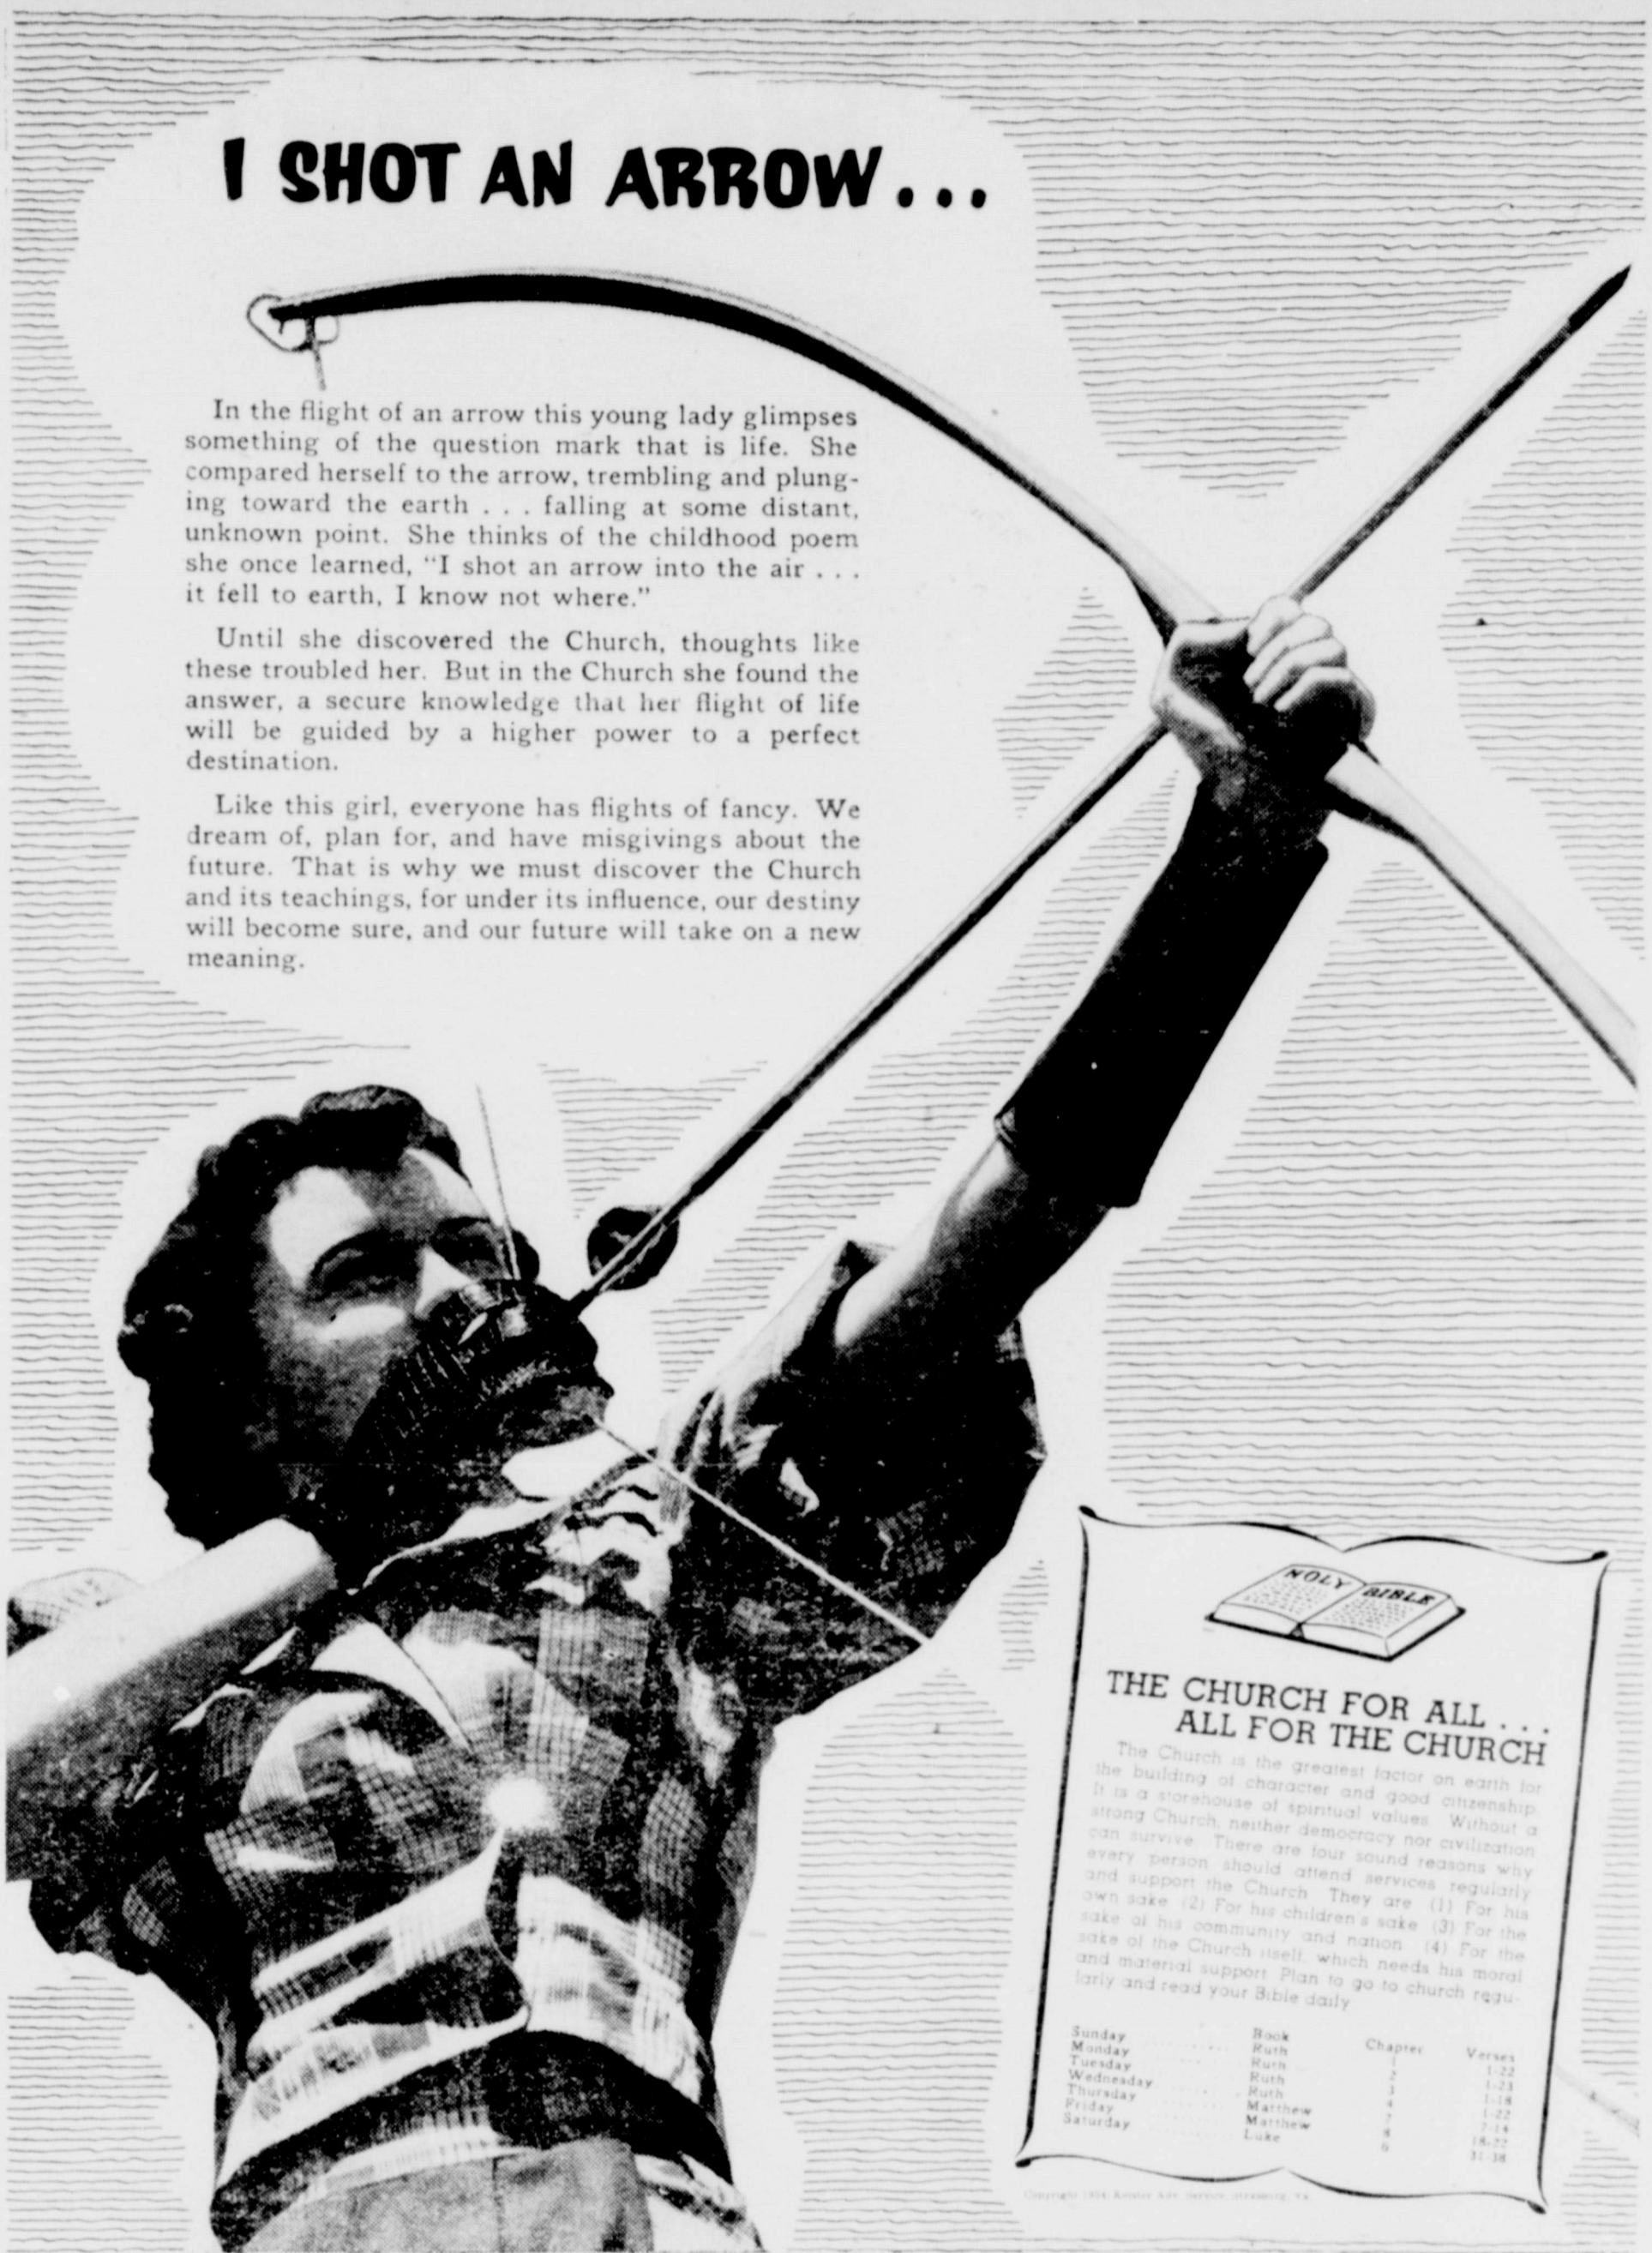

MINNEAPOLIS-MOLINE

As an MM Dealer you sell machinery like this MM Uni-Farmer... the machine that harvests all crops with one power source.

I SHOT AN ARROW...

In the flight of an arrow this young lady glimpses something of the question mark that is life. She compared herself to the arrow, trembling and plunging toward the earth . . . falling at some distant, unknown point. She thinks of the childhood poem she once learned, "I shot an arrow into the air . . . it fell to earth, I know not where."

Until she discovered the Church, thoughts like these troubled her. But in the Church she found the answer, a secure knowledge that her flight of life will be guided by a higher power to a perfect destination.

Like this girl, everyone has flights of fancy. We dream of, plan for, and have misgivings about the future. That is why we must discover the Church and its teachings, for under its influence, our destiny will become sure, and our future will take on a new meaning.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Lake Water Returned To Earth In Newest South Plains Project

One spot of the Plains underground water reservoir took a giant gulp of surface water recently.

The "mouth" for quenching the subterranean thirst is the Water Conservation District No. 1 recharging experiment location five miles east of Petersburg in Floyd County.

Marvin Shurbet, irrigation farmer, has sparkplugged the experiment which has one opportunity to reveal its possibilities. Shurbet and others who observed the results think the method of water recharge is part of the answer to the question of how the High Plains is going to maintain its water supply.

A 397-foot well was bored at

the edge of a forty-acre lake, the well was cased with 11-inch pipe and developed like any other irrigation well. Shurbet said. A motor driven pump delivered more than 1,000 gallons of water a minute after the well was developed.

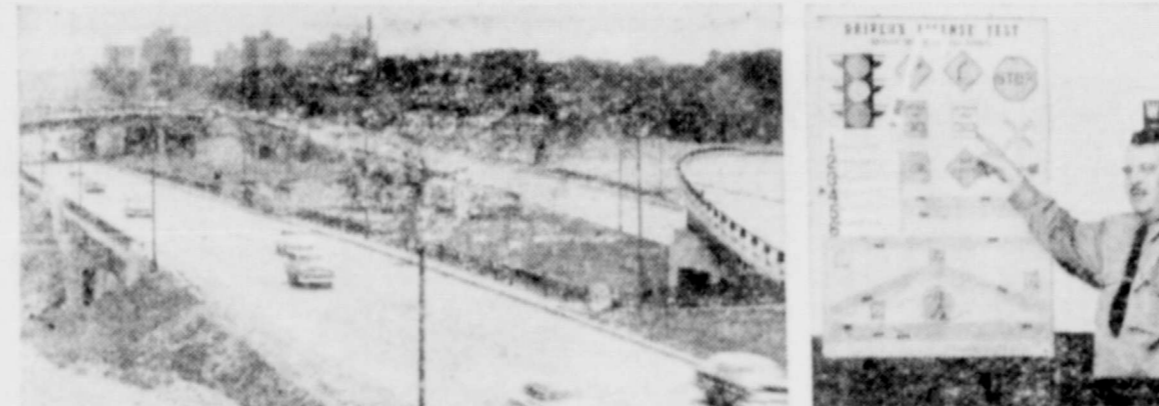

The well is located in a dish-shaped pit approximately 14 feet deep at the ground depth and about 60 feet in diameter at the ground level.

The well casing extends a few feet above the top of the well which is two feet below the bed of the lake. Perforations in the pipe extension admit the water to the well. The pipe is perforated beginning 150 feet from the

Educate More Drivers, Teen-Agers Plead

More layouts for driving schools are urged by high school students to combat traffic accidents. Education was named most effective in a nationwide poll sponsored by the Chevrolet Motor Division.

Expressways like this were ranked by 32 cities below such remedies as safety campaigns and stricter licensing. Regular car checks was second.

Periodic driver physical and mental tests drew support from youngsters.

Plainview, Texas Phone 4-7461

top of the well. The perforations were placed deep so that the water would go into the sands and not find its way into the top strata of the earth.

A steel frame incloses the mouth of the well and an earth-filled pit inclosed in cross ties gives access to the well when the pit is filled with water.

The pit is fed from the lake through a 12-inch clay pipe. A meter is to be installed on the pipe where it empties into the pit to record the flow of water to determine the amount that the lake yields. The meter was not available when the lake emptied into the well around mid-June.

The forty-acre lake filled to a maximum depth of around four feet, Shurbet said. It emptied into the well in 24 hours. The water flowed from the lake with a rush, draining into the well with such speed that a whirlpool was created around the intake pipe.

The Allmon Gin, owned by Shurbet, Charles Schuler and J. R. Decardova, both of Petersburg, located about two hundred

yards from the experiment site will provide cotton burs with which to fill the pit and to serve as a filter for the lake drainage. An arrangement is to be made to blow the burs into the pit.

Shurbet said when the burs have served their purpose they will be hauled away and spread on farm land. The sediment and humus provided by the burs are being counted on as effective land builders.

The lake gets the drainage from about three sections of farm land. It is one of many basins in the area that catch considerable run-off from heavy rains and those closest connected with the experiment hope that other such projects will eventually go into operation.

Shurbet mentioned lakes on the North Plains, especially in the Amarillo region, as being especially suited for recharging purposes because of their usually considerable depth.

Before the lake drained into the well tests for purity of water were made in several wells in the vicinity. Contamination was detected in one well, Shurbet said. Tests have not been made since the recharge water went into the ground but will be made, along with checks on the water level, in the future.

Shurbet purchased two acres of land adjoining the lake for the site of the experiment. The well has no motor on it now, but Shurbet points out that it would be suitable for pumping after baling out and may be used to supplement pumping from the three wells on Shurbet's three-quarters of a section of farm land.

Shurbet points out that with a drainage unit such as the experimental arrangement a farmer can cultivate the lakes on his land because the quick drain-

age would immediately remove the water from the lake bed.

Cooperation made the experiment possible, said Shurbet who was unable to furnish figures on the cost. Contributing were Precinct 1 in Floyd and Precinct 2 in Hale, excavation of the pit; Fox and Higgins Drilling Co., Petersburg; Pioneer Natural Gas Co., casing; Peerless Pump Co., developing the well; Gifford-Hill Western, intake pipe; Southwestern Public Service Co., the meter.

Shurbet, born in Floyd County 46 years ago, and resided at this present home location a half mile south of the water recharging experiment the past eleven years. The stucco residence is in an attractive setting of shade trees, shrubs and lawn. A swimming pool is on the back lawn. Every structure and fence on the farmstead is painted.

The Shurbet's two sons, Mack and Mike, are active 4-H Club members and have achieved outstanding marks in their projects.

Mr. and Mrs. Milton Cook and son, Morris, have moved here from Stephenville, Texas. They are living in the Stotts apartment.

If treated within an hour, a poisonous snake bite will not likely be fatal. The Baltic-White Sea Canal is the longest ship canal in the world.

TO THE CITIZENS OF FLOYD COUNTY

Two years ago you re-elected me your Assessor-Collector by a majority vote of 2 to 1, which I was grateful for.

This is one of the most important offices that the county has.

I have filled it to the best of my ability, giving you prompt, courteous and efficient service at all times. If re-elected I will continue to give the service that the public requires.

Due to the responsibility and duties of the office, which comes first to the taxpayers, I have not been able to make house to house canvas like I should like to have done.

Please Consider This My Personal Solicitation

I appreciate the good vote I have received in each voting precinct in the past, and will appreciate your continued support in the coming Primary, July 24, 1954.

Sincerely Yours,
T. T. HAMILTON

Mr. and Mrs. Milton Cook and son, Morris, have moved here from Stephenville, Texas. They are living in the Stotts apart-ment.

TO THE CITIZENS OF FLOYD COUNTY

Two years ago you re-elected me your Assessor-Collector by a majority vote of 2 to 1, which I was grateful for.

This is one of the most important offices that the county has.

I have filled it to the best of my ability, giving you prompt, courteous and efficient service at all times. If re-elected I will continue to give the service that the public requires.

Due to the responsibility and duties of the office, which comes first to the taxpayers, I have not been able to make house to house canvas like I should like to have done.

Please Consider This My Personal Solicitation

I appreciate the good vote I have received in each voting precinct in the past, and will appreciate your continued support in the coming Primary, July 24, 1954.

Sincerely Yours,

T. T. HAMILTON

Back BEN RAMSEY For LIEUTENANT GOVERNOR

BEN RAMSEY, as a man who has fought the battle of water and soil conservation, knows it is the state's foremost challenge. A statewide coordinated program, integrating flood control, soil conservation, power and recreation, Ramsey says, is necessary to the state's welfare and economy.

Lockney

South Plains

by Mrs. Murray Julian

Our first real hot weather of the summer has hit us, with 102 degrees registered this Monday. Harvest is all completed around us and most farmers have started irrigating their feed. A few are watering their cotton, but cotton has not suffered in the hot weather as the feed has.

Our whole community is shocked and saddened to hear of the death of one of our young men who only recently left here to go to Oregon, and had been only a week in the small town of Wallace, Idaho, when he was called out on emergency work Sunday. Douglas Beedy was the one who received the full impact of the live wire which fell on a truck where several men were working Sunday afternoon in Gem, Idaho. Several were taken to the hospital, but Douglas never responded to the first aid, although they worked with him for two hours before giving up. Mrs. Beedy and small daughter are coming home to Lockney by plane, and Mr. and Mrs. Austin Beedy will accompany her. They arrived in Plainview Tuesday afternoon, the body arriving a few hours before. Funeral services were held Wednesday at the

First Baptist Church. Mr. and Mrs. Ralph McGuire and girls from Laramie, Wyoming arrived Monday evening and many other of the relatives are at the home of Douglas' parents, Mr. and Mrs. George Beedy in Lockney.

Mr. and Mrs. Dock Jones and family left last week for a good vacation which was spent at Rogers, Arkansas. Three of Dock's brothers and their families attended the reunion, and some of them had not seen each other for twelve years. One brother, P. J. Jones came from as far as Detroit, Michigan to be at the reunion. The Jones arrived home Sunday evening and reported the weather very nice on their trip.

We offer congratulations to Mr. and Mrs. George Weast on the arrival of a new granddaughter, Robin Ann, who was born on July 7 at Lockney to Mr. and Mrs. Robert Lee Smith. This is their third daughter. They have one son, also. Other new grandparents are Mr. and Mrs. Albert Stewart who are proud of a new grandson, Timothy Wayne, born on the 4th of July at Lockney to Dr. and Mrs. Wayne Green. This is their third child.

Eugene Beedy arrived home with many fish last Tuesday afternoon. They had been fishing at Lake City, Colorado and had a

MEASURE OF POPULATION GAIN—The U. S. population is increasing at a phenomenal rate. By 1975 rising birth rates and declining death rates are expected to add 40 to 60 million people. This is roughly equivalent to the 52 million people living in the 22 states west of the Mississippi River. The National Association of Manufacturers says that to provide jobs for the estimated 22 million new people entering the work force will require an investment of at least \$264 billion in plants and equipment. The estimate is based on studies which show that today's average investment per job is about \$12,000.

wonderful vacation. He got home in time for the baseball game on Tuesday night where South Plains played in the second game of the evening taking the Lone Star Co-op in a 6-4 game.

Rev. Joe Wilson preached at the Baptist Church at South Plains both services Sunday. Rev. and Mrs. Spearman and children accompanied by Mrs. W. S. Spearman Sr. from McKinney arrived early Sunday morning but Rev. Spearman, after dental surgery, was unable to be in the pulpit. His mother will make an extended visit at the parsonage with the family.

Congratulations go out to Mr. and Mrs. L. N. Johnson who are the parents of a new baby girl born on July 7 in Lubbock. They have a son, Carlton, two years old. The new baby weighed nearly six pounds. Two maternal grandparents living in Amarillo are Mr. and Mrs. Carl Daniel who have been visiting their children. Mrs. Johnson and baby came home Saturday.

The intermediate and the junior boys are having their week in camp at the Plains Assembly grounds this week. There were no intermediates to go from here because they are all busy in the fields, but several junior boys plan to go with their sponsors. On Thursday morning for the breakfast serving Mmes. L. T. Wood, H. L. Marble, Sim Reeves and Bryan Karr will go to the encampment and for the evening meal those who go from here to help in meal preparation will be Mmes. Bill Beedy, J. P. Taylor, H. S. Calahan Jr., Murray Julian, and Grigsby Milton. Several from our community attended the evening meal and general assembly period down at the camp last Friday night.

Brotherhood of the Baptist Church met at the church Monday evening with a small crowd in attendance due to the busy season of the year. Grigsby Milton, Murray Julian, Bryan Karr and Rev. W. S. Spearman attended.

South Plains H. D. Club with the 4-H girls in charge of the program has been postponed until a future date on account of the funeral Wednesday of Douglas Beedy, formerly of this community. The club was to meet at the home of Mrs. R. E. Young. Mrs. L. T. Wood has announced that the pecans have come in and if you have not received yours please go to the home of Mrs. H. L. Marble for them.

Mr. and Mrs. George Weast had as their house guests Mr. and Mrs. Carl Daniel of Amarillo from Thursday afternoon until Friday afternoon. The Daniels had been spending some time visiting with the L. N. Johnsons and Carl has been attending to some business matters on his farms.

Mrs. Fred Riggs was well enough to come home from the

hospital in Lockney on Friday and this week she is able to be up at her home and is doing much better. Fred Riggs was taken to the hospital in Lockney Tuesday evening of last week and was very low at the time. He is now reported to be doing much better and is responding to treatment.

The WMS met at the Baptist Church on Wednesday afternoon on July 7 for a Royal Service program. In the absence of Mrs. Dock Jones, Mrs. Julian was in charge of the program. "Seed-time in the Philippines." Those who took part were Mmes. Grigsby Milton, C. L. Vincent, H. S. Calahan Jr., Sim Reeves, H. L. Marble, Murray Julian and Bryan Karr with her sunbeams, Diane, Cathy, and Vickie Calahan, Corky, Bobby and Theresa Vincent, Barbara Milton and Jimmie Upton. On July 21 there will be Bible study directed by Mrs. Calahan on the life of John the Baptist.

Mr. and Mrs. Skeet Thornton are at home this week after a short vacation last week to Phoenix, Arizona. They report it was really hot and dry going out that way.

"In some marriages, problems are all relative." — Dick Stanzone.

"There never was a man so busy that he couldn't stop to talk about how busy he was." —L. S. McCandless.

Tubbs Asks Support In Judge's Race

I have made an effort to see each one of you and personally solicit your support in my race for County Judge. Some of you I have missed. Please consider this as a personal appeal to you for your vote in the July 24th primary.

When I had the privilege of serving you in this capacity some years ago, the office of the county judge in the court house was always open to you, and I was

in the office ready and willing to serve you in any way possible at any time.

I feel that the experience I have had in the office will enable me to better serve you should I be elected, and I pledge you my best in that capacity. I thank each one of you for the courteous manner you have received me while soliciting your support, and whether or not I am elected you are still my friends and neighbors.

Sincerely,

G. C. TUBBS.

Stomach Ulcers

The stomach is an amazing efficient machine, sorting, evaluating, retaining and dissolving the chemical elements of food.

But when a healthy stomach stops producing digestive acids in proper quantities, manufacturing too much or too little, the lining of stomach breaks down the protective wall.

Ulcers are the inevitable result.

Chiropractors have scientifically proven that treating the ulcer is not sufficient. The cause must be removed, and the cause, generally is traced to the nerves supplying the stomach and producing the proper amount of acid.

Chiropractors know that when the stomach does not function properly, the nerves themselves are at fault and should be examined.

Chiropractors meet this problem by locating the vertebra interfering with the proper flow of nerve impulses and by chiropractic adjustment restores the vertebra to its normal position.

Chiropractors have successfully treated thousands of stomach ulcer patients as attested by the many acknowledgements sent to their office.

Call Dr. A. E. Hewitt, Dial 3389, Lockney, today for an appointment.

OUR DEMOCRACY — by Mat

"AND WHAT ARE YOU GOING TO BE WHEN YOU GROW UP?"

THIS FAMILIAR QUESTION OFTEN BRINGS FROM YOUNGSTERS REPLIES REFLECTING THE GLAMOR OF THEIR HEROES OF THE MOMENT.

CHOOSING A CAREER IS PART OF THE PROCESS OF GROWING UP AND WISE PARENTS ENCOURAGE THE NATURAL BENTS AND MATURING ASPIRATIONS OF THEIR CHILDREN. THEY ALSO INSTILL SUCH FUNDAMENTALS AS SPIRITUAL VALUES, HARD WORK AND THRIFT, SO THAT, WHATEVER THE LIFE WORK CHOSEN, THERE IS A GOOD FOUNDATION ON WHICH TO BUILD.

Library Notes

By Mrs. Roy Holler

May we mention two new books which we are glad to have just as there is a good deal of discussion of cancer. One is "Cancer Can be Cured" by a doctor named Alfred J. Cantor. This book stresses the points given by the American Cancer Society. The other book is by Edna Kaehele and is called "Living With Cancer; The true story of a Woman Who Refused to Die." These are memorial gifts and we hope that they will find long and constant use in the fight to inform the public about the care and recognition of cancer.

Mrs. Roy Fauver is a steady borrower. She tells us that she has read approximately half a hundred books since the library was opened. Her range of reading is wide and is usually of the non-fiction variety. We thought others might be interested in her system of keeping a list of authors and titles of the books she reads with a little note book in order that she may refresh her memory easily when passing along news of the books.

Two books have been presented to the library in memory of Mr. W. B. Jones. "The Measure of Man" by Joseph Wood Krutch was given by the Reue family and Mr. and Mrs. Kinder Farris gave Bishop Sheen's new book. An anonymous gift of help the financing of some seventy hours of typing time is of inestimable value in our cata-

logging and processing of books.

Mrs. P. A. Denison and Mrs. Gordon Downing conducted the story hour on Saturday morning. Mrs. J. M. Reue was a visitor. The story hour ended with games on the lawn and was greatly enjoyed by about thirty children. There were several new faces with us this week including Jimmy Newsom of Amarillo, Pamela Kay Nelson of Floydada; Gild Lane and Keith Denison of Lubbock; Mary, Frances and Louise Jones of Lockney and Rusty and Susie Jackson of Cotton Center.

We express gratitude to Mrs. Weldon McCorming for a book gift.

A recent addition of our reference collection is "Scott's Standard Postage Stamp Catalogue." This is the standard encyclopedia of Philately and is printed in two volumes. Volume one covers the stamps of the Americas and the British Commonwealth of Nations and Volume II is devoted to the Nations of Europe, Africa, and Asia and their colonies.

VISIT RELATIVES HERE

Mr. and Mrs. Burnett Johnson of Beaumont and Mr. and Mrs. George Brown of Val Alstyne visited last week with Mr. and Mrs. H. P. Coleman and Mrs. Lura Stinebaugh in Lockney. Mr. Johnson and Mrs. Brown are cousins of Mrs. Coleman, and Mr. Brown is a cousin of Mrs. Stinebaugh. On Saturday Mrs. Stinebaugh and Mr. Brown visited relatives in Lakeview and Memphis, and Mr. and Mrs. Johnson visited her relatives in Anton.

The Browns and the Johnsons left Monday morning for Los Angeles, California for a visit.

RETURNS HOME

Corene Whitehead returned home Friday morning from an extended visit in Odessa and Texon, Texas. In Odessa she visited two sisters, Mrs. Bud Doss and Mrs. Elvin Stewart for two weeks before going to Texon for a visit with another sister, Mrs. Pat Shattuck. Mr. and Mrs. Shattuck accompanied Corene home and returned to their home Monday.

FO BAND CLINIC

Elmer Stinson, director of the Lockney High School band, left Wednesday for Norman, Okla., where he will attend a two-day Band Marching Clinic at the University of Oklahoma.

ATTEND FUNERAL

Mr. and Mrs. Sid Thomas and Mr. and Mrs. T. S. Fox attended funeral services in O'Brien, Texas for Mrs. W. I. Fox Sr., sister-in-law of T. S. Fox Monday. Mrs. Fox, 77 years of age, died suddenly of a heart attack.

Mrs. E. T. Pratt arrived Sunday night from Brownsville for an extended visit here.

Heat stroke is a disorder of temperature regulation in the body.

3,800 Killed And 320,000 Injured In Farm Accidents

College Station. — The number of fatal accidents to farm workers is greater than in other occupation in the nation. Last year 3,800 rural residents of the nation died from accidents and another 320,000 suffered injuries many of which were disabling.

The National Safety Council in a report to the Texas Farm and Ranch Safety committee says accidents affecting farm people and including fire and motor vehicle property damage cost approximately \$1 billion annually. Reducing this terrific toll, points out the state group, is primarily the responsibility of rural residents and will require individual as well as cooperative effort.

The Safety Council and the State Committee offer suggestions for making life in the country safer and more pleasant. Since 700 of the fatal farm accidents involved tractors, they say operate them carefully. Keep all machines in top shape and all guards and safety devices in place. Don't smoke around the barn or refuel the tractor when it is hot. Treat gasoline and kero-

THE LOCKNEY BEACON, LOCKNEY, TEXAS, JULY 15, 1954

sene with respect. Be a safe driver and check the car and truck at regular intervals. Take no chances with farm animals for they, without warning, may become killers. Have a place for everything on the farm and in the home and keep it in place.

Prevent falls. Read labels and follow safety instructions given on machines, insecticides and the many other items used on the farm. When swimming or boating, obey water safety rules and remember when accidents happen, seconds count. Apply first aid at once.

Developing a common-sense attitude toward farm safety, say the safety leaders, is of prime importance in cutting the accident toll. "It is not enough," they add, "to practice safety for one week each year. It must become a daily habit."

RETURN FROM FISHING

Mr. and Mrs. Wilburn Tannahill and family, Mr. and Mrs. Wallace Allen and family returned home Monday after spending five days on a camping and fishing trip on Conejos River, near Antonita, Colorado. They brought home 59 mountain trout.

OFFICE SUPPLIES at The Beacon Office

Hennessee Services Held In Floydada

Floydada. — Funeral services for Virgil Ward Hennessee, 61, longtime resident of Floyd County who died at his home in Floydada Thursday morning, were conducted at 3 p. m. Sunday at First Methodist Church in Floydada.

The Rev. Tilden B. Armstrong, pastor of First Methodist Church, and Dr. R. Earl Allen, pastor of First Baptist Church, officiated. Burial was in Floydada Cemetery, under direction of Harmon Funeral Home.

Survivors include his wife; one son, James Hennessee, Floydada; six daughters, Mrs. Hugh Youngblood, Huntington Park, Calif., Mrs. Ralph Taylor, Tulare, Calif., Miss Mary Hennessee, San Jose, Calif., Miss Edna Hennessee, Floydada, Miss Hatlie Hennessee, Abilene, and Miss Virginia Hennessee, Lubbock, two brothers and six sisters. The son had left Floydada Tuesday to do harvesting work in Colorado and had not been located Saturday afternoon.

By 1960 it is estimated, the U. S. will have 16 million persons over 65 drawing ten billion dollars a year in retirement funds.

And I Quote . . .

"Many a man wishes he was strong enough to tear a telephone book in half—especially if he has a teen-age daughter." —Guy Lombardo.

"Some women are happy if they can keep their hair light and their pants dark." — Al Ham.

"Meal time is when the kids sit down to continue eating." — H. X. Eschenbrenner.

"In some marriages, problems are all relative." — Dick Stanzone.

"There never was a man so busy that he couldn't stop to talk about how busy he was." —L. S. McCandless.

Tubbs Asks Support In Judge's Race

I have made an effort to see each one of you and personally solicit your support in my race for County Judge. Some of you I have missed. Please consider this as a personal appeal to you for your vote in the July 24th primary.

When I had the privilege of serving you in this capacity some years ago, the office of the county judge in the court house was always open to you, and I was

in the office ready and willing to serve you in any way possible at any time.

I feel that the experience I have had in the office will enable me to better serve you should I be elected, and I pledge you my best in that capacity. I thank each one of you for the courteous manner you have received me while soliciting your support, and whether or not I am elected you are still my friends and neighbors.

Sincerely,
G. C. TUBBS.

Stomach Ulcers

The stomach is an amazing efficient machine, sorting, evaluating, retaining and dissolving the chemical elements of food.

But when a healthy stomach stops producing digestive acids in proper quantities, manufacturing too much or too little, the lining of stomach breaks down the protective wall.

Ulcers are the inevitable result.

Chiropractors have scientifically proven that treating the ulcer is not sufficient. The cause must be removed, and the cause, generally is traced to the nerves supplying the stomach and producing the proper amount of acid.

Chiropractors know that when the stomach does not function properly, the nerves themselves are at fault and should be examined.

Chiropractors meet this problem by locating the vertebra interfering with the proper flow of nerve impulses and by chiropractic adjustment restores the vertebra to its normal position.

Chiropractors have successfully treated thousands of stomach ulcer patients as attested by the many acknowledgements sent to their office.

Call Dr. A. E. Hewitt, Dial 3389, Lockney, today for an appointment.

MODERN RADIO SERVICE

J. MARVIN COX, Prop. Lockney Dial 3345

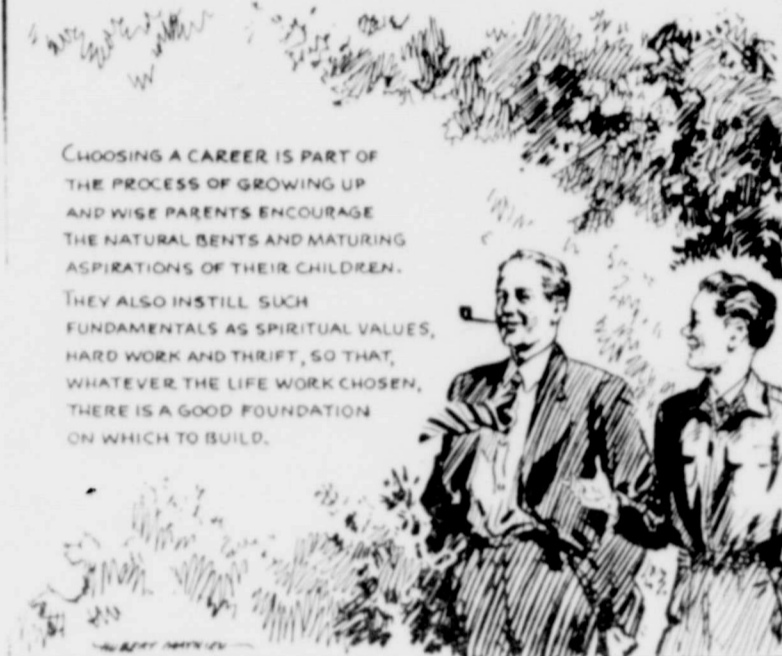

OUR DEMOCRACY — by Mat

— "AND WHAT ARE YOU GOING TO BE WHEN YOU GROW UP?"

THIS FAMILIAR QUESTION OFTEN BRINGS FROM YOUNGSTERS REPLIES REFLECTING THE GLAMOR OF THEIR HEROES OF THE MOMENT.

CHOOSING A CAREER IS PART OF THE PROCESS OF GROWING UP AND WISE PARENTS ENCOURAGE THE NATURAL BENTS AND MATURING ASPIRATIONS OF THEIR CHILDREN. THEY ALSO INSTILL SUCH FUNDAMENTALS AS SPIRITUAL VALUES, HARD WORK AND THRIFT, SO THAT, WHATEVER THE LIFE WORK CHOSEN, THERE IS A GOOD FOUNDATION ON WHICH TO BUILD.

Library Notes

By Mrs. Roy Hollar

May we mention two new books which we are glad to have just as there is a good deal of discussion of cancer. One is "Cancer Can be Cured" by a doctor named Alfred J. Cantor. This book stresses the points given by the American Cancer Society. The other book is by Edna Kaehle and is called "Living With Cancer; The true story of a Woman Who Refused to Die." These are memorial gifts and we hope that they will find long and constant use in the fight to inform the public about the care and recognition of cancer.

Mrs. Roy Fauver is a steady borrower. She tells us that she has read approximately half a hundred books since the library was opened. Her range of reading is wide and is usually of the non-fiction variety. We thought others might be interested in her system of keeping a list of authors and titles of the books she reads with a little note book in order that she may refresh her memory easily when passing along news of the books.

Two books have been presented to the library in memory of Mr. W. B. Jones. "The Measure of Man" by Joseph Wood Krutch was given by the Reue family and Mr. and Mrs. Kinder Farris gave Bishop Sheen's new book. An anonymous gift of help, the financing of some seventy hours of typing time is of inestimable value in our cata-

logging and processing of books.

Mrs. P. A. Denison and Mrs. Gordon Downing conducted the story hour on Saturday morning. Mrs. J. M. Reue was a visitor. The story hour ended with games on the lawn and was greatly enjoyed by about thirty children. There were several new faces with us this week including Jimmy Newsom of Amarillo, Pamela Kay Nelson of Floydada; Gild Lane and Keith Denison of Lubbock; Mary, Frances and Louise Jones of Lockney and Rusty and Susie Jackson of Cotton Center.

We express gratitude to Mrs. Weldon McCorming for a book gift.

A recent addition of our reference collection is "Scott's Standard Postage Stamp Catalogue." This is the standard encyclopedia of Philately and is printed in two volumes. Volume one covers the stamps of the Americans and the British Commonwealth of Nations and Volume II is devoted to the Nations of Europe, Africa, and Asia and their colonies.

VISIT RELATIVES HERE

Mr. and Mrs. Burnett Johnson of Beaumont and Mr. and Mrs. George Brown of Val Alstyne visited last week with Mr. and Mrs. H. P. Coleman and Mrs. Lura Stinebaugh in Lockney. Mr. Johnson and Mrs. Brown are cousins of Mrs. Coleman, and Mr. Brown is a cousin of Mrs. Stinebaugh. On Saturday Mrs. Stinebaugh and Mr. Brown visited relatives in Lakeview and Memphis, and Mr. and Mrs. Johnson visited her relatives in Anton.

The Browns and the Johnsons left Monday morning for Los Angeles, California for a visit.

RETURNS HOME

Corene Whitehead returned home Friday morning from an extended visit in Odessa and Texon, Texas. In Odessa she visited two sisters, Mrs. Bud Doss and Mrs. Elvin Stewart for two weeks before going to Texon for a visit with another sister, Mrs. Pat Shattuck. Mr. and Mrs. Shattuck accompanied Corene home and returned to their home Monday.

FO BAND CLINIC

Elmer Stinson, director of the Lockney High School band, left Wednesday for Norman, Okla., where he will attend a two-day Band Marching Clinic at the University of Oklahoma.

ATTEND FUNERAL

Mr. and Mrs. Sid Thomas and Mr. and Mrs. T. S. Fox attended funeral services in O'Brien, Texas for Mrs. W. I. Fox Sr., sister-in-law of T. S. Fox Monday. Mrs. Fox, 77 years of age, died suddenly of a heart attack.

Mrs. E. T. Pratt arrived Sunday night from Brownsville for an extended visit here.

Heat stroke is a disorder of temperature regulation in the body.

3,800 Killed And 320,000 Injured In Farm Accidents

College Station. — The number of fatal accidents to farm workers is greater than in other occupation in the nation. Last year 3,800 rural residents of the nation died from accidents and another 320,000 suffered injuries many of which were disabling.

The National Safety Council in a report to the Texas Farm and Ranch Safety committee says accidents affecting farm people and including fire and motor vehicle property damage cost approximately \$1 billion annually. Reducing this terrific toll, points out the state group, is primarily the responsibility of rural residents and will require individual as well as cooperative effort.

The Safety Council and the State Committee offer suggestions for making life in the country safer and more pleasant. Since 700 of the fatal farm accidents involved tractors, they say operate them carefully. Keep all machines in top shape and all guards and safety devices in place. Don't smoke around the barn or refuel the tractor when it is hot. Treat gasoline and kero-

senes with respect. Be a safe driver and check the car and truck at regular intervals. Take no chances with farm animals for they, without warning, may become killers. Have a place for everything on the farm and in the home and keep it in place.

Prevent falls. Read labels and follow safety instructions given on machines, insecticides and the many other items used on the farm. When swimming or boating, obey water safety rules and remember when accidents happen, seconds count. Apply first aid at once.

Developing a common-sense attitude toward farm safety, say the safety leaders, is of prime importance in cutting the accident toll. "It is not enough," they add, "to practice safety for one week each year. It must become a daily habit."

RETURN FROM FISHING

Mr. and Mrs. Wilburn Tannahill and family, Mr. and Mrs. Wallace Allen and family returned home Monday after spending five days on a camping and fishing trip on Conejos River, near Antonita, Colorado. They brought home 59 mountain trout.

OFFICE SUPPLIES at The Beaumont Office

Hennessee Services Held In Floydada

Floydada. — Funeral services for Virgil Ward Hennessee, 61, longtime resident of Floyd County who died at his home in Floydada Thursday morning, were conducted at 3 p. m. Sunday at First Methodist Church in Floydada.

The Rev. Tilden B. Armstrong, pastor of First Methodist Church, and Dr. R. Earl Allen, pastor of First Baptist Church, officiated. Burial was in Floydada Cemetery, under direction of Harmon Funeral Home.

Survivors include his wife; one son, James Hennessee, Floydada; six daughters, Mrs. Hugh Youngblood, Huntington Park, Calif., Mrs. Ralph Taylor, Tulare, Calif., Miss Mary Hennessee, San Jose, Calif., Miss Edna Hennessee, Floydada, Miss Hattie Hennessee, Abilene, and Miss Virginia Hennessee, Lubbock; two brothers and six sisters. The son had left Floydada Tuesday to do harvesting work in Colorado and had not been located Saturday afternoon.

By 1960, it is estimated, the U. S. will have 16 million persons over 65 drawing ten billion dollars a year in retirement funds.

REVIS HARRIS Baker Hotel E. R. HARRIS

Miss Richards Bride Of Cecil Boedeker

Miss Lajuanna Richards, daughter of Mr. and Mrs. R. L. Richards, Plainview, became the bride of Cecil David Boedeker, son of Mr. and Mrs. Ted Boedeker, Rt. 1, Lockney, July 4 at 6 p. m. in First Baptist Church, Clovis, N. M.

The Rev. Joseph B. Underwood pastor, read the double ring ceremony in a setting of greenery and gladioli.

For the wedding the bride was attired in a street length dress of white baby puckered nylon featuring a fitted bodice with tiny covered buttons to the waist which came to a point at center front. A Peter Pan collar was edged in nylon lace. She wore a white hat trimmed in rhinestones and carried a white Bible with a white orchid, showered with satin streamers tied in love knots with stephanotis.

Only attendants for the couple were John L. Hooten of Lockney, and Miss Clara Sammann, aunt of the groom of Plainview. Miss Sammann chose a white street length dress of nylon, styled with a redingote, and a white lace hat. She carried a colonial bouquet of white carnations.

Mrs. Richards, mother of the bride, was attired in a beige lace over brown and white checked gingham dress. Mrs. Boedeker, mother of the groom, wore beige lace over blue taffeta. Both mothers wore blue carnation corsages.

The wedding party and guests from Earth, Plainview, and Lockney attended a supper in the dining room of the Silver Grill in Clovis, immediately after the ceremony.

For traveling to points of interest in New Mexico, the bride chose a blue salyna sheath dress with matching jacket and white accessories. Her corsage was a white orchid.

After July 16, the couple will make their home in Aberdeen, Md., where the groom is stationed at the Aberdeen Proving Grounds in the Army.

The bride is a 1934 graduate of Plainview High School and the groom is a 1930 graduate of Lockney High School. Before entering the Army he was in the farming business with his father.

Pre-Nuptial Courtesies

Texas Trends

dallas fashion center

An interesting print in Gro-Mill's chevron pattern is used for a Jeanne L'arré sundress by Kohlen, Ligon, Folz of Dallas. The halter top ties with a bow of contrasting color. The flared skirt is a full circle. For cover-up there is a bolero with rolled collar and short sleeves in the color, satin color: White, pink, aqua with black. Sizes 8-14. Retail about \$55.00. Style #386.

H. D. Club Meets In Bollman Home

Lockney Home Demonstration Club met Thursday afternoon in the home of Mrs. Henry Bollman. Mrs. Fred Anderson opened the program with prayer followed by the 4-H pledge given by several 4-H Club girls who brought a program.

Raye Watson gave a reading, "Forgetful Pa." Nancy Bollman gave a demonstration on clothing storage. Carolyn Harris gave a safety demonstration and Raye Watson gave a demonstration on a salad plate. Celia Jameson, age 11, of Paraje, New Mexico, Laguna Indian Reservation gave a report on 4-H Club work in her school. Her parents are teachers in the Indian reservation. Celia gave a report and display of Entomology. She had won first place on her demonstration, and championship in the Agriculture Division at Albuquerque, New Mexico last year and also took her collection to the State Fair.

The next meeting will be with Mrs. Howard Cooper on July 22.

Refreshments were served to Mmes. Raymond Watson, J. E. Tierce, Bob Bolding, E. L. Stapp, Fred Anderson, N. S. Abbott, Garland Sams, Mrs. Bollman and 15 children.

GO TO DALLAS MARKET

Mrs. Harold Jefferson went to Dallas Tuesday of last week to do some buying for Lockney Dry Goods. She was accompanied by Mrs. Audrey Barnett who remained to visit her parents about two weeks in Leonard, Tex.

Mr. and Mrs. Lavon Johnson and children returned Saturday morning after spending from June 24 to July 10 on a fishing trip on Conejos River in Colorado.

GO TO CHURCH SUNDAY

HOME FROM KANSAS
Mr. and Mrs. Clyde Stapp and daughters, Mary Nell and Frances returned home Wednesday from a visit in Mulvane, Kansas with Mr. and Mrs. Antone Love and Mr. and Mrs. Darrel Finley. Mr. and Mrs. Stapp were gone a week and the two girls had visited in Kansas a month. Also making the trip was Mrs. C. L. Anderson.

A rabbit should not be lifted by its ears.

What a shame to fool the boss! He doesn't even suspect we have worms. We don't really look sick, but all is not well. Some of us chickens have lost weight. Most of us feel lazy. The boss will really be surprised, and shocked, when it's time for us to go into production. Profits will be down. Somebody should tell him -- then he could begin treatment with Wormal. Wormal is made by...

Dr. Salsbury's

Lockney Drug Co.

Thanks, Folks For Everything!

Your votes will be appreciated and I shall do my best to be worthy.

John Stapleton

District Attorney

Bobby Baxter Will Wed Lubbock Girl

The engagement and approaching marriage of Miss Lajuanna Richards, daughter of Mr. and Mrs. F. R. Priddy of Lubbock to Robert Clyde Baxter, son of Mr. and Mrs. Clyde Baxter of Lockney, was announced Thursday afternoon when the bride-elect's mother entertained with a tea.

The receiving line was composed of the honoree, her mother and the mother of the prospective bridegroom.

The table, laid with net over taffeta, featured a corner arrangement of bronze chrysanthemums and white gypsophelia. The names of the engaged couple and the date, Aug. 26, were written out in gold braid. The marriage will take place in the First Christian Church in Lubbock at 8 p. m.

Miss Betty Shewbert played organ selections during the receiving hours.

In the house party were Mmes. M. Norvel Young, Sam Allied Jimmie Kerr, Clem Boverie, J. B. McCorkle, J. Lawrence Green, Marlin E. Smith, Bill Williams, William Bowden, Roy Mack, J. E. Hancock, W. C. Boyd, Homer Hunt, V. C. Vermillion, E. L. Lide and Theo Lide.

And Mmes. Linda Baxter, Donna Beth Lide, Doris Dudley, Marybeth Toles, Carolyn McCorkle, Carol Ham, Martha Mack, Lora Ann Kerr, Betty Hancock, Linda Yancy and Gloria Seel.

MRS BENNETT DOING FAIR

Word from Mrs. Barney Manning at Decatur says that her mother, Mrs. B. C. Bennett is doing just fair. She is able to sit up in bed a few minutes at times, but still has bad days when she isn't able to sit up at all.

Mr. and Mrs. C. H. Phenix and Mrs. Phenix' mother, Mrs. Wadell of Plainview are vacationing in Colorado. They will be gone about two days.

In America, one person in 125 gets a university education.

Mr. and Mrs. Ike Johnson and Tommy, Mr. and Mrs. C. L. Record and Donna Lyn left this week for a two-weeks fishing trip to Lake City, Colorado.

A CLEAN CITY IS A SAFE CITY.
