

Beans In Sorghum Grinding Trouble

A considerable quantity of sorghum has been ground in the past few days at elevators because of contamination. Operators say they salvage the grain, but at some expense and beans are poisonous to man and livestock. The operators are permitting no castor bean contamination of the grain. Elevators have been notified that if a fragment of a castor bean will be sufficient to bring down a basis of turning down a mill car or boat load. The grain is refused on the basis of bean contamination. It has to be cleaned by inspection. Men say federal inspectors have been alerted—castor bean contamination—they are really on the look for any signs of castor grain. Elevator operator in Aiken had a freight car load turned down because a bean was found in it, men here say. Contamination comes from the growing of grain on land formerly used for beans. The beans are difficult to control.

Persons Injured In Car Overturns

Persons were hospitalized in a fourth less seriously about 6 p. m. Friday in a car accident 1.8 miles south of South Plains on Highway 17. L. West, 54-year-old resident, was driver of a 1953 sedan which skidded on a highway, overturned and rolled against a telephone pole. He said he attempted to water standing on the road and lost control of the car. He suffered only minor injuries and was released after emergency treatment at Lockney General Hospital. His wife, Thelma, 52 received bruises and abrasions. She reported in good condition at hospital, as were the couple's grandchildren, James and West, 4, and Carlene West, 4, both of Aiken, who were shaken up and had some painful bruises. The car, owned by West's son, G. West of Aiken, was heavily damaged.

Local Teams In Silverton Tourney

The Fire Department softball team of Lockney and the South Plains softball team are both in a softball tournament at Silverton this week. The first games were played Tuesday night in which the Fire Department defeated the Silverton team 10 to 7 and the regular team defeated the Plains 5 to 4. The Fire Department will play regulars Wednesday and South Plains will play regulars Thursday. The loser of the first game Tuesday will play the winner of the second game and on Friday night the tournament will be completed.

Meteor-Aiken Luncheon Sunday

The annual Meteor-Aiken luncheon will be held at the Methodist Church in Aiken next Sunday, August 28th. It was announced this week. The meeting will begin at 12 o'clock noon. Everyone is invited to bring a basket lunch. All former residents, teachers and pupils of Aiken school are invited to attend and enjoy the day.

Allen Arrives In New York

J. B. Allen, son of Mr. and Mrs. J. B. Allen of Lockney, arrived in New York Wednesday morning according to a wire received by his parents. He has spent the past two years in civil service work with the Army in Spain and returned home from Far West by the western route through the Suez Canal. He is expected to arrive in Lawton, Okla., Monday where he will be released from his duties.

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, AUGUST 25, 1955

NUMBER 20

LOCAL "MISS WOOL" CANDIDATES FINALISTS IN STATE CONTEST

Both candidates sponsored by the Lockney Chamber of Commerce in the "Miss Wool of Texas" contest have been selected as finalists, according to information from Manager Russell Willis of the San Angelo Board of City Development.

The two local candidates are Miss June Wiley, daughter of Mr. and Mrs. M. W. Wiley and Miss Jean Crass, daughter of Mr. and Mrs. Edwin Crass of the Rockcreek Community, north of Lockney in Briscoe County. The two girls are among the 11 finalists selected from a field of 41 candidates from over the entire state by the John Robert Powers Studios. Selections by the noted modeling agency were made from photographs.

The final selection of the 1955 "Miss Wool of Texas" and her crowning will highlight Wool Fiesta Week in San Angelo August 31 to September 3. The 11 finalists will appear in person there for the final selection. Coronation ceremonies will be held in the City Auditorium, San Angelo, September 2.

Miss Wiley is a graduate of Lockney High School and has attended Southern Methodist University for the past two years. Miss Crass is a graduate of Silverton High School and has attended Texas Technological College, Lubbock, the past year.

The two local contestants were scheduled to appear on the "Hospitality Time" program over TV channel 11 Wednesday evening of this week. Several local people planned to accompany them to the show.

The winner of the state-wide contest will be given a \$4,000 all-wool wardrobe fashioned by foremost designers from coast-to-coast and she, as queen of the wool industry, will tour some of the country's top fashion centers. She will make personal appearances at the annual convention of the National Sheep and Wool Growers in Fort Worth in December.

Other finalists in the contest are Carolyn Gumper, El Paso; Diane Wilson, Ballinger; Elma Real, Kerrville; Karen Gentry, Abilene; Ann Loader, Vernon; Leta Faye Hackney, Gatesville; Blanche Goodwin, Waco; Jan Tuberville, Lockhart; Shirley Joyce Walters, Dallas.

The Miss Wool competition is an annual contest sponsored jointly by the Texas Sheep and Goat Raisers Association and the San Angelo Board of City Development.

No Heavy Infestation Of Insects Reported

Read Wiprecht, consulting agriculturist, who operates an insect inspection service here, reports this week that there is no heavy infestation of insects in this area, although there are scattered patches of bollworms. Some flea hoppers and lygus bugs are in evidence and also aphids although the latter appear to be on the decline.

Mr. Wiprecht suggested that farmers should watch maize since he found one field in this area this week which had two or three bollworms per head. He considers that 15-20 bollworms per 100 heads would make spraying a paying proposition. Mr. Wiprecht thinks that this area may have a heavy infestation of bollworms later in the area due to the fact that many bollworm eggs are in evidence at this time.

Lone Star School Will Start Monday

The Lone Star school will start the school term Monday according to announcement from B. W. Cox, trustee, made Wednesday. Teachers will be J. H. Hall, principal and Mrs. Pearl Childress of South Plains.

ATTENTION 4-H GIRLS

Harriett Brummett, county home demonstration agent, has requested that all 4-H girls are to have their records in the home demonstration office by Thursday, September 1, for judging.

JEAN CRASS

JUNE WILEY

Quarterback Club Meeting Called

President Dillion Patterson has issued a call for a meeting of the Lockney Quarterback Club to be held tonight (Thursday) at the Lockney Auto Co. show rooms. All persons interested in supporting the Longhorn football team this season are urged to be present and join in the club activities. The meeting starts at 7:30.

MRS. W. T. CLINTON ILL

Mrs. W. T. Clinton of Lockney underwent major surgery in Methodist Hospital in Lubbock Saturday. She was moved from the hospital in Lubbock Wednesday and is in the Lockney General Hospital at the present. She is reported to be doing as well as can be expected.

BIG HOMECOMING PLANNED FOR EX-LOCKNEY STUDENTS OCT. 7th

Plans are now underway for a big homecoming event for ex-students of Lockney High School and other ex-Lockneyites on Friday, October 7, according to Barry Barker, president of the Lockney Ex-Students Association. Operating under the slogan "Come Alive in '55", Barker and his committee have made big plans for special events which include a chuck wagon barbecue served Friday evening by the Walter Jetton catering service of Fort Worth.

The annual Lockney-Floydada football classic will be played that evening and the Ex-Students Association will sponsor special half-time activities which will include the awarding of prizes to ex-students who have come the greatest distance, for the oldest according to class, for the ugliest, for the prettiest, and for the family with the most ex-students attending the homecoming.

Following the football game Mrs. Leslie Ferguson and Mrs. Local people who may have an old picture of early day schools here, or a picture of an early day school building are requested to loan the pictures to The Beacon for a special edition planned for the week of the Homecoming.

J. D. Copeland will be in charge of a western party at the Ferguson barn five miles north of Lockney. Also a barn dance will

Nat'l Alfalfa To Double Grinding Capacity At Mill

The National Alfalfa Dehydrating & Milling Company will double its grinding capacity at the local mill by installing a second grinding unit, Manager J. D. Wood said this week.

The new machine in enroute to Lockney now and the local crew will start installation probable next week.

It will not be necessary to enlarge the building, Mr. Wood said but the new unit will be set in beside the unit already in operation here.

Lion District Gov. Speaks Here Mon.

Lion District Governor W. T. (Dab) Nelson of Childress made his official visit to the Lockney Lions Club Monday night. He is an employee of Morton Foods at Childress and has been active in Lions work for several years.

Mr. Nelson talked to the local Lions Club on "The Value of Lionism," following a sumptuous meal. He was introduced by local Lion President Joe Handley.

A directors meeting followed the regular meeting of the club at which Governor Nelson went over duties of the various officers with the club officials.

Visitors at the meeting were Bob Miller, Dick Whiteley and Virgil Thomas.

Local Youths To Methodist Assembly

Miss Betty Jean Foster and Jerry Holmes, along with 5,000 other young people from all over the United States, are attending the Sixth National Convocation of Methodist Youth at Purdue University in Lafayette, Indiana, this week. An inspiring service of dedication will close the Convocation Friday morning.

Betty Jean and Jerry traveled to Sweetwater Sunday where they boarded a special train traveling to the Convocation. They are expected to arrive in Lubbock late Sunday afternoon.

The National Convocation of Methodist Youth is a peak-point in the continuing growth of the Methodist Youth Fellowship and Methodist Student Movement.

Betty Jean is the daughter of Mr. and Mrs. E. J. Foster and Jerry is the son of Mr. and Mrs. Oliver Holmes. Both are very active in the work of the Methodist young people.

Longhorns Are "Looking Good" Coaches Say

Head Coach Rudy Haile and Line Coach Elvin Lyon both are well pleased with the 1955 Lockney Longhorn football squad after two days of practice, they said Wednesday. Coach Haile said, "The boys are looking good, much better than they did this time last year, their attitude is better and they are working harder." Coach Lyon verified the statement and seemed equally enthusiastic about the team prospects this year.

"The boys are 'camping' this week in the high school gym, eating at the school cafeteria and working out twice a day in preparation for a hard campaign this fall. Workouts are usually held at 8 a. m. and about 4 p. m. each day. Some 43 boys have reported thus far and the coaches expect another 10 or 12 to report when school starts next week.

A scrimmage has been arranged with the Petersburg football team here Saturday morning. Coach Haile said Wednesday. Also he expects to arrange a scrimmage with Silverton some time next week. The first game of the season will be with the highly rated Hale Center team there on September 9th.

Injury Hits Squad

Hard luck in the form of an injury to all-district guard Weldon Jones caused gloom around the football camp Monday, the first day of practice, but things were looking better Wednesday. Jones either cracked or badly bruised his breast plate in working on a tackling dummy. Physicians weren't sure about the injury but Coach Haile said that they said Jones may be able to play in the first game or soon thereafter. He will be out of practice for a week or 10 days at least.

The boys are bigger and tougher this year, the coaches said, and they have more spirit. Looking especially good in the line are sophomore guards Johnny Hanst and Coy Kidd, senior end Doyle McCada, junior tackle Lloyd Williams, tackle Bennie Ballard and freshman tackle Byron Brock.

In the back field the standouts are Gene Handley and Billy Race at quarterback, Jerry Williams, Clifford Hardy, Joe Davis, C. D. Fitzgerald and Kenneth Callo-way.

The Longhorn squad has a new member, Lane Crank, who has just moved here but he will not be eligible for district play this year. He is a 210 pound tackle and is a sophomore.

The B squad will play a 10-game schedule and the junior high will play 9 games this season. Elvin Lyon will coach the junior high team.

No Developments In Local Bank

There have been no developments in the ownership of stock of the First National Bank here this week, as far as The Beacon could ascertain. Claude Holley of Graham is in charge of the bank on a temporary basis following the recent resignation of M. W. Wiley as president.

Mr. Wiley has announced that he would sell at least a part of his stock in the bank soon but no announcement has been made concerning the sale as yet. Several people have been here this week concerning the deal.

Dedicate Bridge Near Silverton

A bridge across Tule canyon at Claude crossing was formally dedicated Monday night. The structure is located on a farm-to-market road 8 miles northwest of Silverton.

State Rep. Leroy Saul of Kress, District Highway Engineer Palmer Massey of Childress and Armstrong County Judge Carl Wood, spoke at the dedication. Cotton John Smith of Amarillo was master of ceremonies.

A basket supper was served to approximately 400 who attended.

FACULTY MEETS MONDAY, FIRST SESSION OF SCHOOL IS TUESDAY

The first session of the 1955-56 term of Lockney schools will be held Tuesday and the school faculty will hold meetings Monday of next week, Supt. W. C. Irons said this week. All is in readiness with the exception of two vacancies on the faculty. These are a junior high principal and one additional teacher.

A general faculty meeting will be held Monday morning and in the afternoon the various principals will meet with their individual faculties. Mrs. Irons said.

Busses will run at the usual time Tuesday morning and on the same routes they were using at the close of school last spring. Pupils will be enrolled Tuesday and short schedules of all classes will be held.

Lunch will be served at the school cafeterias starting Tuesday and prices will be the same as last year, 35 cents for high school and junior high students and 30 cents for grade school students on a weekly basis. Single day tickets are five cents higher.

Band Practice Starts

Band Director Elmer Stimson said that the band began practice Wednesday morning of this week. They will practice each morning from 8 a. m. until 9:15 this week and take up regular schedule next week.

Considerable repair and new building has been done in preparation for this school year. All school buildings, with the exception of the colored school, have been re-roofed due to the hail storm in June.

A new section has been built on to the agriculture building, and the ag shop moved into that area. The area where the shop has been was added to the band hall and the entrance changed on the band hall to the east side. In addition an instrument room has been built and a uniform storage room has been added to the band hall. The entire building has been covered with asbestos shingles and re-roofed.

Instituting a new policy, all teacher supplies for the year were ordered early in the summer from requisitions filled out by the teachers themselves. These have been received and placed in the rooms of the teachers.

Board Meets

In a meeting of the board of trustees held Thursday evening of last week, the resignation of one teacher was accepted and three new teachers elected. Mrs.

Elvin Lyon, who has taught in the local system for several years, presented her resignation.

Elected to the local faculty were Mrs. Ruth Carpenter, C. E. Johnson and Mrs. Icie Walker.

Mrs. Carpenter has a B. S. degree from North Texas State College, she taught at Eules, Texas, last year and her present home is Odessa.

Mr. Johnson has a B. S. degree from Hardin-Simmons University, he taught at Smyer last year and his present home is Lubbock.

Mrs. Walker has a B. A. degree from Abilene Christian College and her present home is Amarillo. She has taught some in the West Texas State College courses presented at Amarillo.

The board elected Carroll Carthel as a bus driver for the coming year. They also voted, just to put the decision on record, to maintain separate schools for white and colored students during the coming year. The vote was unanimous.

Upon request of the superintendent the Texas Education Agency audited the average daily attendance records during the summer. A report received in the superintendent's office recently showed that the average daily attendance in the local school system last year was 83.31. This gives the local school 33 class room teachers plus a superintendent, one full time principal, a home making teacher, an agriculture teacher and a school nurse.

Faculty Named

Following is a list of the faculty as of Wednesday morning as released by Supt. W. C. Irons: Superintendent, W. C. Irons; school secretary, Bobbie Casey; school nurse, Elsie Peckham; school tax assessor, Eileen Naylor.

High School: Principal, F. M. Smith; Mrs. Ruth Carpenter, Mrs. Mildred Zeigler, English; Mrs. Myrtis Cope, math; Edward Babbitzke, science; Mrs. Icie Walker, business; Mrs. Albertine Irons, home making; Mel Lee Brewer, vocational agriculture; Elvin Lyon, science and math; Chester E. Johnson, social studies and math; Elmer Stimson, band; Rudy Haile, coach and social studies; Mrs. Dorothy Ingram, girls physical education and history; Troy Ingram, boys physical education and social studies.

Junior High: Mrs. Mary Walling, Mrs. Margaret Briley, Henry Price, Mrs. Janis Hale, Mrs. Vera

(Continued on back page)

COMMITTEEMEN ARE NAMED FROM EACH COUNTY COMMUNITY

Balloting has been completed, the ballots counted and results announced for the community committeemen to serve the county Agricultural Stabilization and Conservation committee during the coming year. A committee was selected from nine different communities in Floyd County.

The chairman of each of the community committees will serve as a delegate to the county convention to be held Monday of next week, August 29 at which time the county ASC committee will be elected.

Following is a list of the various community committees named in this county:

Community "A" — Chairman, D. J. Phillips, Lockney; Vice-Chairman, Ted Boedecker, Lockney; Member, Joe Reeves, Lockney; 1st Alternate, Bryan E. Smith, Lockney; 2nd Alternate, Harold Griffith, Lockney.

Community "B" — Chairman, R. G. Dunlap, Lockney; Vice-Chairman, J. B. Smitherman, South Plains; Member, Bill Beedy, South Plains; 1st Alternate, Harry Hartman, South Plains; 2nd Alternate, Cecil Purcell, Quitaque.

Community "C" — Chairman, Connie O'Brien, Lockney; Vice-Chairman, V. H. Kellison, Lockney; Member, J. A. Carthel, Lockney; 1st Alternate, I. J. Thompson, Lockney; 2nd Alternate, Henry Schacht, Lockney.

Community "D" — Chairman, W. G. Hodel, Lockney; Vice-Chairman, E. R. Harris, Lockney; Member, J. R. Belt, Lockney; 1st Alternate, Gerald Sams, Lockney; 2nd Alternate, Raymond Rucker, Lockney.

Community "E" — Chairman, Maurice Campbell, Floydada; Vice-Chairman, Carl Smith, Floydada; Member, Lee Burton, Floydada; 1st Alternate, Lindsey N. Lackey, Lockney; 2nd Alternate, E. W. Walls, Floydada.

Community "F" — Chairman, Ernest Thomas, Floydada; Vice-Chairman, Walter Hanna, Floydada; Member, J. T. Huckabay, Floydada; 1st Alternate, Roy Hale, Floydada; 2nd Alternate, Everett Miller, Petersburg.

Community "G" — Chairman, James H. Price, Floydada; Vice-Chairman, R. C. Bullock, Floydada; Member, Wayne Collins, Floydada; 1st Alternate, C. B. Lyles, Floydada; 2nd Alternate, F. C. Cates, Floydada.

Community "H" — Chairman, W. W. Edwards, Floydada; Vice-Chairman, Tom Porter, Floydada; Member, C. S. Reddy, Floydada; 1st Alternate, O. L. Bearden, Floydada; 2nd Alternate, E. J. Cooper, Floydada.

Community "I" — Chairman, Claude Ring, Floydada; Vice-Chairman, Wayne Battey, Floydada; Member, Malvin Jarboe, Floydada; 1st Alternate, L. F. Gresham, Floydada; 2nd Alternate, Johnny Cates, Floydada.

Minute Editorials

If God be for us, who can be against us?—Romans 8:31.

OUR THANKS to Mrs. Kelton Shaw as well as the regular staff of The Beacon for the splendid job they did on getting out the paper last week while the editor and family were on vacation in Colorado. We're also indebted to Orland Gilbert for his sport reporting. In fact they did such a good job we're wondering if maybe we're needed around this establishment anyway. The weeks' vacation was appreciated.

whether deserved or not. This is Monday and it's a little hard to get back into the harness but maybe by Wednesday we'll be in the groove again.

BEAUTIFUL WOMEN are not grown just in the large cities, a fact most of us have known all along. But the selection of two young women from this area as finalists in the "Miss Woll of Texas" contest ought to prove the matter to all and sundry. Our congratulations to Miss Jean Crass of Rock Creek community in southern Briscoe county. Both are sponsored by the Lockney Chamber of Commerce and the local chamber has the distinction of being the only organization with two contestants in the finals. Only 11 finalists are selected from over the state. We're expecting still further winnings from these young ladies.

ALL GOOD THINGS usually have an ending and thus does summer vacation for the school students and teachers. With Lockney schools starting next week, the daily habits of most of us are due for a change with school getting first consideration in most things. With the usual school activities, football, and other things that go along with it, we may all expect to be pretty busy starting about August 30.

SPEAKING OF COLORADO, they have had more rain in that state this year than in many years so the natives tell us. Grass looks good and we presume the cattlemen are happy. The mountain streams are all well filled with water, on the eastern slope that is, and apparently there is plenty of irrigation water. We noted many housing projects under construction in the larger cities. Guess that area is growing also.

THOUGHT UPPERMOST in the editor's mind after mixing with 500,000 other tourists for a week: "Why don't some of these people stay home?"

SOME SCHOOL BOARDS in Texas have brought trouble upon themselves and their schools by too hasty action on the desegregation issue. Legally it seems that the issue is clouded and state school funds may be held up for those schools who have decided to desegregate, whether right or wrong. But the larger trouble, so we hear, is from the school patron's and teachers of some local systems who object to the board's hasty action. True, some sort of desegregation step appears to be in store for all school districts but the patrons of the district must be ready in some measure for it if trouble is to be avoided. Another year of the "as is" status seems to be a wise step to us.

THROUGH THE BACK DOOR?

With Our EXCHANGES

SCHOOLS ARE A LOCAL PROBLEM

Adlai Stevenson, who seems to be doing his road work for 1956 made a speech at Chicago on the Eisenhower program for federal aid to the schools. He doesn't think much of it.

The Eisenhower school plan is a conglomerate package which has succeeded in pleasing almost nobody. It would provide 66 million a year in direct handouts for school buildings in areas of "proven need"; and it would set up a federal agency to buy up school bonds of states which had trouble selling them at a fair price on the open market.

Congress already has buried the President's proposal. In its place, the Democratic leadership wants to pass a bill providing 400 millions a year for the next four years in construction funds to be matched by the states. Mr. Stevenson, not surprisingly, thinks this is a fine plan although he indicated even this is not enough to meet the "appalling" need.

Mr. Stevenson says the program doesn't go nearly far enough. We say it goes entirely too far.

There are no states too poor to give their children an adequate education. Truth is, though, there are states which are too lazy to do so. They would prefer to dump a large part of the burden onto the federal government — and thus escape levying more local or state taxes. This shiftlessness, of course, is encouraged by the paternalists who want the federal government to keep a hand on every American from the cradle to the grave.

Mr. Eisenhower would have the federal government stick a timid toe in the school waters. Mr. Stevenson would have it jump in head first. Congress ought to disregard the advice of both and leave the states to sink or swim in their own pond.

—Tampa (Fla.) Morning Tribune, reproduced in Hereford Brand.

HE TOOK THE CREDIT

With rains having given the country its first real soaking in a coon's age, this is a heck of a time to be wondering whatever happened to Dr. Irving Krick, the Denver rainmaker. To tell the truth, I hadn't been wondering, but if I had, I have the answer now.

Dr. Krick, at last reports, is putting out the information that it now is possible to prevent tornadoes by cloud-seeding. In fact, he says, it may already have been done in western Oklahoma.

"When we were seeding clouds for Oklahoma City this year, we noted no tornadoes occurred in the area we were seeding, during the time we were seeding," Dr. Krick said.

"However, as soon as we got out of there they started popping everywhere," he added.

Just leave it to Dr. Krick!
—Eddie Warren in Post Dispatch.

MR. HARRIMAN

I saw Harriman operating at Chicago in 1932, when he was a sort of stalking horse candidate for the Democratic nomination. He had no chance for the nod, but he was in there to strengthen the trading power of the leftwing.

Everywhere he went through-out the National Convention, he was trailed by Franklin Roosevelt Jr., Gov. Soapy Williams, of Michigan and all the other southpaws of note, in addition to a tatterdemalion crew of pinkos of all colors and descriptions. A poor little rich boy grown bored with the great wealth willed him, he had become a full-blown bleeding heart, burning with the desire to turn the country into a welfare state.

Compared to Harriman, Adlai Stevenson is a crusty reactionary. Talking about the New Yorker for President is like talking about Sen. Wayne Morse, or Sen. Hubert Humphrey for the job.

—The Plainsman in Lubbock Avalanche.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

August 27, 1925

The crops are maturing very fast in the Lockney country at this time and larger yields of all feeds and cotton are being made than were expected by the most optimistic farmers.

Judge W. D. McKoy, right of way commissioner of the Ft. Worth and Denver South Plains Railroad Company, along with J. N. Jordan of Plainview was here Monday enroute to Silverton going over the right of way of the new proposed line from Silverton to Lubbock.

J. F. Anton, division superintendent of the Slaton division of the Santa Fe Railroad along with several other officials of the company were in Lockney conferring with business men in regard to the building of a new depot to take the place of the depot burned here last Thursday night when struck by a bolt of lightning.

At a meeting of the City Council Monday night, street improvements, better lighting of the town, and tax roles were the main objects of discussion.

Mr. and Mrs. Ralph Ashworth of Sherman, Texas, have arrived in Lockney to make their home. Mr. Ashworth has bought an interest in the City Tailor Shop which is owned by Otis Harris.

Vigil Threest and H. M. Donald have assumed control of the filling station and storage business in the building with the L & D Cafe and hereafter the filling station will be conducted under the name of the T & D Filling Station.

The Santa Fe Depot was struck by lightning Thursday night about 9 o'clock and burned to the ground. The building was a complete loss. The good

work of the volunteer saved the freight building and also a few freight cars.

J. H. Pace, age 24, of Mr. and Mrs. W. S. Morgan Hamilton in last Thursday evening after a severe spell of with typhoid fever.

August 27, 1931
All farmers of Floyd County are requested to meet at the City Auditorium in Lockney at 10 o'clock Saturday morning for the purpose of discussing cotton acreage laws that have been proposed by the state.

Wilora Allen, 13, daughter of Mr. and Mrs. Allen of the Aiken camp, died at the Plainview hospital Friday following an illness about a week.

At a meeting of the Plains Glinners Association recently in Lubbock, a convention was held considering 30¢ per 100 pound cotton and \$1 per bushel ties.

Leo Dagley, small boy, and Mrs. Jim Dagley, right arm just above the elbow, were in the hospital last Friday when the boy was attempting to cross back.

August 27, 1930
Lawrence Quisenberry was critically injured last night, August 16, in a wreck north of Plainview, away at the Plainview hospital Friday morning, August 19. He has never regained consciousness.

School cafeterias will lunch to school pupils in grade and high school,intendent H. P. Clemens this week.

J. C. Wilson Jr., son of Mr. and Mrs. J. C. Wilson, was hit by a car and severely injured late Wednesday evening on road near his home.

Ford 6 1/2-ft. Pickup gives choice of Short Stroke 132-h.p. V-8 or Short Stroke 118-h.p. Six. Tubeless tires standard. Fordomatic Drive and Power Brakes available at low extra cost. GVW 5,000 lbs.

Best Pickup buy — Ford! Best time to buy! and here's why!

America's lowest-priced V-8 Pickup is the sweet-handling Ford F-100. No other Pickup can match it for exclusive features that save time and money. And there'll never be a better time to trade and save on a new truck. Ford Trucks are first in sales. Ford Dealers aim to keep them that way. To do so, they're offering the best truck values of 1955!

Only the Ford Pickup gives you modern Short Stroke power at no extra cost. Short Stroke design reduces piston travel. This means less wear, more usable power from your gasoline, and longer engine life.

Here are just a few of the many more features that ONLY FORD gives you in a Pickup! Biggest standard body of any 6 1/2-ft. Pickup—45 cu. ft. The strongest frame and greatest axle capacity of the five leading makes. Biggest brakes. TRIPLE ECONOMY, with... 1. Short Stroke power, V-8 or Six. 2. Driverized Cab for easier working. 3. Top load capacity!

Ever wonder what "Santa Fe" means?

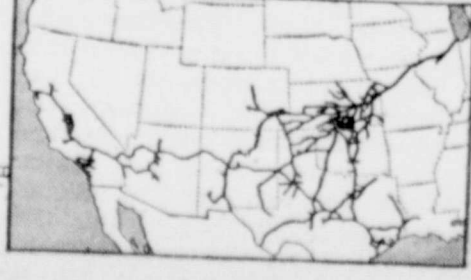

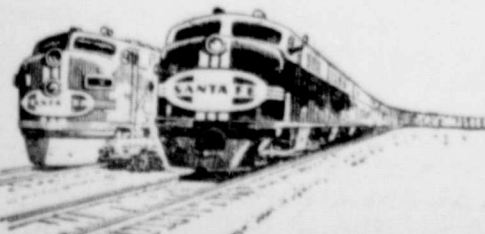

Back in 1901, about 40 years after the Santa Fe Railway was founded, the ancient Indian Cross-within-a-Circle design was placed in a square and the assembly was adopted as the official trademark of the young railroad.

The words "Santa Fe" means Holy Faith. Today, that faith and vision in America's future have built the Santa Fe Railway System into a vital network of steel, linking the West,

Southwest and East with fast, efficient transportation services. These rails serve your town; help it grow and prosper.

And, no matter what your shipping or travel problems may be, Santa Fe will solve them. Your local Santa Fe agent is right here in your town to help you.

You can depend on him, as you can depend on the vast system he represents.

the week out Janie remained there until Saturday when she returned home with the Harris's who spent the weekend here with the Rhodes.

Providence News

by Mrs. Wilfred Stoerner

Mr. and Mrs. Ernest Sammann are the proud parents of a son born Wednesday night, August 16. Both mother and son are doing fine.

Visiting last week in the homes of Mr. and Mrs. B. H. Quebe, Mr. and Mrs. E. M. Quebe, Mr. and Mrs. Helmuth Quebe, and Mrs. Ben Quebe were Mr. and Mrs. Alfred Weitborn and family of McGrador, Texas. Mr. and Mrs. Charles Haffeman visited this week in the home of Mrs. Sammann and family.

Miss Bertha Luedtke of Waco, sister of Mrs. Ben Brandes, visited here with her and her niece, Mrs. Wilfred Stoerner, and her nephew, L. B. Brandes and family.

Attend Convention
There were nine young people from Trinity congregation who left Monday to attend the International Luther League Convention held at A&M College in College Station. They were Virginia Sammann, Barbara Ann Sammann, Clara Sammann, Lottie Matthews, Arlene Matthews, Albert Stenifath, Ernie Boedeker, Robert Matthews, and Laverne Word.

The picnic for the Home Demonstration club members and their families will be held Tuesday, August 30, in the home of Rev. and Mrs. H. L. Anderson. Time will be 7:30. Please come and be sure to bring your family's picnic basket.

Rev. Leslie Buebner, pastor of St. Martins Lutheran Church in Littlefield was commissioned into the Air Force in an impressive service held Sunday at Littlefield. Those attending from Trinity congregation were Mr. and Mrs. Karl Sammann and Mr. and Mrs. Wilfred Stoerner.

Visiting in the home of Mr. and Mrs. Wilfred Stoerner and Mr. and Mrs. Hubert Stoerner this week were Mr. and Mrs. Ervin Stoerner of LaGrange, Texas.

Mr. and Mrs. Helmuth Quebe and family visited in the home of Mr. and Mrs. Arthur Brown of Lockney Sunday.

Mr. and Mrs. Herman Cunningham, Carolyn and Jean, vacationed last week in Cimmaron, Las Alamos, Santa Fe, and other points of interest in New Mexico.

Kindergarten Will Open Sept. 12

Monday morning, Sept. 12, at 9 a. m. marks the opening of my private kindergarten here in Lockney for the 4th year. Same prices, but a new building, about 22x44 ft. interior decorated in school (nursery) colors of pink and blue, with the modernistic touch of black and white, too. Place: 614 S. W. 2nd St. Hours: 9 to 11:45 a. m. each weekly school day, observing a'l holidays as will public local schools.

I have taught in both the Fort Worth and Plainview schools kindergarten departments. Thus I know where kindergarten ends and first grade begins. I leave all first grade studies for the local public teachers next year. Kindergarten is merely the step between home and school and not first grade work. Music (with piano) for singing, rhythm, etc., will be along with other studies. Various programs will be presented for the public this year, perhaps some radio or TV ones too. All birthdays that occur during the school dates will be observed for the polio pennies.

Those interested for the registering of five year olds only, please contact me by phone on or before the opening of school.

Mrs. J. D. Wood.

20-2tc.

Mrs. Lee Seaman and Mrs. Tim Phalen spent Sunday visiting in the home of Mrs. Seaman's nephew, Loyd Deavenport and family of South Plains.

Visitors in the home of Mr. and Mrs. T. J. Rigdon Sunday were Mr. and Mrs. Homer Rigdon of Compton, California, Mrs. Rod Rigdon of Raton, New Mexico, Mr. and Mrs. Earl Rigdon and baby of Amarillo, Mrs. Bill Virden of Lockney, Mr. and Mrs. Arthur Virden of Plainview, and Mrs. T. R. Rigdon and children of Amarillo.

Mrs. Mary Simmons and daughter, Beverly, of Lockney along with Mr. and Mrs. Melvin Mahagan of Hale Center spent last week vacationing in Carlsbad, Roswell, and Rio Jose, New Mexico.

Mrs. Hilburn Casey, Mrs. Harmon Handley, Mrs. Bob Davis and Mrs. Sid Thomas attended the state W. M. U. House Party at Baylor University in Waco this week. They plan to return home Thursday.

A CLEAN CITY IS A SAFE CITY.

Guests last weekend in the home of Mr. and Mrs. J. R. McDonald were Mr. and Mrs. Bob Dillard of Crosbyton, Mrs. J. M. Mayfield of Levelland, and Rita and Bill Mayfield of New Orleans, Louisiana.

Mrs. Lee Seaman and daughter, Mrs. Tim Phalen of Louisville, Kentucky, attended graduation exercises at West Texas State College in Canyon Friday night. Mrs. Lonnie Seaman and her aunt, Miss Beulah Peery, received their Masters degrees in Education. Mrs. Seaman teaches in Amarillo and Miss Peery teaches in Booker, Texas.

Mrs. Olive Myers and son, Jimmy, attended graduation at West Texas State College in Canyon Friday night. Donald Myers of Denver City received his Master of Business Administration degree.

Mrs. Tim Phalen of Louisville, Kentucky, who has been here visiting her mother, Mrs. Lee Seaman, left Monday for a week's visit with her sister, Mrs. Jean Shelton and family in San Diego, California.

Mr. and Mrs. Jerry Mudgett of Slaton visited Sunday in the home of Mrs. Olive Myers.

THE LOCKNEY BEACON, LOCKNEY, TEXAS, AUG. 25, 1955

PEP SQUAD BLOUSES IN

Betty June Jackson reported Tuesday that the blouses which had been ordered for the "Whoop and Holler Club" are in and are available at the Jack and June Shop.

Mr. and Mrs. Fred Beall and son, Randy, visited in the home of his parents, Mr. and Mrs. Walter Beall Saturday and Sunday. Their home is in Amarillo.

Although women dress to please men, they usually miss it about 30 minutes.

GO TO CHURCH SUNDAY.

Minute Editorials

If God be for us, who can be against us?—Romans 8:31.

OUR THANKS to Mrs. Kelton Shaw as well as the regular staff of The Beacon for the splendid job they did on getting out the paper last week while the editor and family were on vacation in Colorado. We're also indebted to Orland Gilbert for his sport reporting. In fact they did such a good job we're wondering if maybe we're needed around this establishment anyway. The weeks' vacation was appreciated.

whether deserved or not. This is Monday and it's a little hard to get back into the harness but maybe by Wednesday we'll be in the groove again.

BEAUTIFUL WOMEN are not grown just in the large cities, a fact most of us have known all along. But the selection of two young women from this area as finalists in the "Miss Woll of Texas" contest ought to prove the matter to all and sundry. Our congratulations to Miss June Wiley of Lockney and Miss Jean Crass of Rock Creek community in southern Briscoe county. Both are sponsored by the Lockney Chamber of Commerce and the local chamber has the distinction of being the only organization with two contestants in the finals. Only 11 finalists are selected from over the state. We're expecting still further winnings from these young ladies.

ALL GOOD THINGS usually have an ending and thus does summer vacation for the school students and teachers. With Lockney schools starting next week, the daily habits of most of us are due for a change with school getting first consideration in most things. With the usual school activities, football, and other things that go along with it, we may all expect to be pretty busy starting about August 30.

SPEAKING OF COLORADO, they have had more rain in that state this year than in many years so the natives tell us. Grass looks good and we presume the cattlemen are happy. The mountain streams are all well filled with water, on the eastern slope that is, and apparently there is plenty of irrigation water. We noted many housing projects under construction in the larger cities. Guess that area is growing also.

THOUGHT UPPERMOST in the editor's mind after mixing with 500,000 other tourists for a week: "Why don't some of these people stay home?"

SOME SCHOOL BOARDS in Texas have brought trouble upon themselves and their schools by too hasty action on the desegregation issue. Legally it seems that the issue is clouded and state schools funds may be held up for those schools who have decided to desegregate, whether right or wrong. But the larger trouble, so we hear, is from the school patrons and teachers of some local systems who object to the board's hasty action. True some sort of desegregation step appears to be in store for all school districts but the patrons of the district must be ready in some measure for it if trouble is to be avoided. Another year of the "as is" status seems to be a wise step to us.

THROUGH THE BACK DOOR?

With Our EXCHANGES

SCHOOLS ARE A LOCAL PROBLEM

Adlai Stevenson, who seems to be doing his road work for 1956 made a speech at Chicago on the Eisenhower program for federal aid to the schools. He doesn't think much of it.

We don't think much of it, either. But not for the same reason.

Mr. Stevenson says the program doesn't go nearly far enough. We say it goes entirely too far.

The Eisenhower school plan is a conglomerate package which has succeeded in pleasing almost nobody. It would provide 66 million a year in direct handouts for school buildings in areas of "proven need"; and it would set up a federal agency to buy up school bonds of states which had trouble selling them at a fair price on the open market.

Congress already has buried the President's proposal. In its place, the Democratic leadership wants to pass a bill providing 400 millions a year for the next four years in construction funds to be matched by the states.

Mr. Stevenson, not surprisingly, thinks this is a fine plan although he indicated even this is not enough to meet the "appalling" need.

Nobody questions the need for more school buildings to house the nation's multiplying swarm of pupils. But we question, most emphatically, the need for the

federal government to assume responsibility for building local schools.

There are no states too poor to give their children an adequate education. Truth is, though, there are states which are too lazy to do so. They would prefer to dump a large part of the burden onto the federal government—and thus escape levying more local or state taxes. This shiftlessness, of course, is encouraged by the paternalists who want the federal government to keep a hand on every American from the cradle to the grave.

Mr. Eisenhower would have the federal government stick a timid toe in the school waters. Mr. Stevenson would have it jump in head first. Congress ought to disregard the advice of both and leave the states to sink or swim in their own pond.—Tampa (Fla.) Morning Tribune, reproduced in Hereford Brand.

HE TOOK THE CREDIT

With rains having given the country its first real soaking in a coon's age, this is a heck of a time to be wondering whatever happened to Dr. Irving Krick, the Denver rainmaker. To tell the truth, I hadn't been wondering, but if I had, I have the answer now.

Dr. Krick, at last reports, is putting out the information that it now is possible to prevent tornadoes by cloud-seeding. In fact, he says, it may already have been done in western Oklahoma.

"When we were seeding clouds for Oklahoma City this year, we noted no tornadoes occurred in the area we were seeding, during the time we were seeding," Dr. Krick said.

"However, as soon as we got out of there they started popping everywhere," he added.

Just leave it to Dr. Krick!
 —Eddie Warren in Post Dispatch.

MR. HARRIMAN

I saw Harriman operating at Chicago in 1932 when he was a sort of stalking horse candidate for the Democratic nomination. He had no chance for the nod, but he was in there to strengthen the trading power of the leftwing.

Everywhere he went throughout the National Convention, he was trailed by Franklin Roosevelt Jr., Gov. Soapy Williams, of Michigan and all the other southpaws of note, in addition to a tatterdemalion crew of pinkos of all colors and descriptions. A poor little rich boy grown bored with the great wealth villed him, he had become a full-blown bleeding heart, burning with the desire to turn the country into a welfare state.

Compared to Harriman, Adlai Stevenson is a crusty reactionary. Talking about the New Yorker for President is like talking about Sen. Wayne Morse, or Sen. Hubert Humphrey for the job.—The Plainsman in Lubbock Avalanche.

OFFICE SUPPLIES at The Beacon Office.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

August 27, 1925

The crops are maturing very fast in the Lockney country at this time and larger yields of all feeds and cotton are being made than were expected by the most optimistic farmers.

Judge W. D. McKoy, right of way commissioner of the Ft. Worth and Denver South Plains Railroad Company, along with J. N. Jordan of Plainview was here Monday enroute to Silverton going over the right of way of the new proposed line from Silverton to Lubbock.

J. F. Anton, division superintendent of the Slaton division of the Santa Fe Railroad along with several other officials of the company were in Lockney conferring with business men in regard to the building of a new depot to take the place of the depot burned here last Thursday night when struck by a bolt of lightning.

At a meeting of the City Council Monday night, street improvements, better lighting of the town, and tax roles were the main objects of discussion.

Mr. and Mrs. Ralph Ashworth of Sherman, Texas, have arrived in Lockney to make their home. Mr. Ashworth has bought an interest in the City Tailor Shop which is owned by Otis Harris.

Vigil Threest and H. M. Donald have assumed control of the filling station and storage business in the building with the L & D Cafe and hereafter the filling station will be conducted under the name of the T & D Filling Station.

The Santa Fe Depot was struck by lightning Thursday night about 9 o'clock and burned to the ground. The building was a complete loss. The good

work of the volunteers saved the freight building and also a number of freight cars.

J. H. Pace, age 24, son of Mr. and Mrs. W. S. Pace at the home of his mother, Morgan Hamilton in last Thursday evening after a severe spell of with typhoid fever.

August 27, 1930

All farmers of Floyd County are requested to meet at the City Auditorium in Lockney at 10 o'clock Saturday morning for the purpose of discussing cotton acreage laws, which have been proposed by the state.

Wilora Allen, daughter of Mr. and Mrs. Allen, died at the Plainview hospital following an illness of about a week.

At a meeting of the Plains Ginner's Association recently in Lubbock, a convention was held, considering 30¢ per 100 pounds cotton and \$1 for ginning ties.

Leo Dugley, small boy and Mrs. Jim Dugley, right arm just above the elbow, was attempting to cross back.

August 27, 1930

Lawrence Quisenberry was critically injured last night, August 16, in a wreck north of Plainview. He was away at the Plainview hospital Friday morning, August 19, but had never regained consciousness.

School cafeterias will lunch to school pupils in grade and high school,intendent H. P. Clemens this week.

J. C. Wilson Jr., son of Mr. and Mrs. J. C. Wilson, was hit by a car and severely injured late Wednesday evening on road near his home.

Ford 6 1/2-ft. Pickup gives choice of Short Stroke 132-h.p. V-8 or Short Stroke 118-h.p. Six. Tubelens tires standard. Fordomatic Drive and Power Brakes available at low extra cost. GVW 5,000 lbs.

Best Pickup buy — Ford! Best time to buy! and here's why!

America's lowest-priced V-8 Pickup is the sweet-handling Ford F-100. No other Pickup can match it for exclusive features that save time and money. And there'll never be a better time to trade and save on a new truck. Ford Trucks are first in sales. Ford Dealers aim to keep them that way. To do so, they're offering the best truck values of 1955!

Only the Ford Pickup gives you modern Short Stroke power at no extra cost. Short Stroke design reduces piston travel. This means less wear, more usable power from your gasoline, and longer engine life.

Here are just a few of the many more features that ONLY FORD gives you in a Pickup! Biggest standard body of any 6 1/2-ft. Pickup—45 cu. ft. The strongest frame and greatest axle capacity of the five leading makes. Biggest brakes. TRIPLE ECONOMY, with... 1. Short Stroke power, V-8 or Six. 2. Drivized Cab for easier working. 3. Top load capacity!

Ever wonder what "Santa Fe" means?

Back in 1901, about 40 years after the Santa Fe Railway was founded, the ancient Indian Cross-within-a-Circle design was placed in a square and the assembly was adopted as the official trademark of the young railroad.

The words "Santa Fe" means Holy Faith. Today, that faith and vision in America's future have built the Santa Fe Railway System into a vital network of steel, linking the West,

Southwest and East with fast, efficient transportation services. These rails serve your town; help it grow and prosper.

And, no matter what your shipping or travel problems may be, Santa Fe will solve them. Your local Santa Fe agent is right here in your town to help you.

You can depend on him, as you can depend on the vast system he represents.

...the week but Jamie remained there until Saturday when she returned home with the Harris's who spent the weekend here with the Rhodes.

Pattie Cunningham Is Party Honoree

A birthday party was held Thursday afternoon, August 18, in celebration of Miss Patti Jo Cunningham's fourth birthday. It was held in the home of her grandmother, Mrs. Herman Cunningham. Ice cream and cake was then served to those present. Those attending were Danny Watts, Kathy Blair, Donna and Kathy Fowler, Darra Bybee, Kay Lynn Porter, Janna Jones, Annel Ashton, Charlotte McClelland, Bob and Susan Simmons, Janet Holt, David Patterson, Larry Cook, Vicki Teuton, Dickie Jones and Mary Johnson.

Guests for the party were Lucretia Willis, Darlene and Connie Reed, Sandy and Danny Reed, Charlotte and Maylene Spence, Candis and Karen Sue Collis, Gloria, Brenda, and Kenny Cooper, Ronnie, Gary, and Karen Jean Marr, Lanny Barnett, Teddy Wayne Cunningham, Nelda Cunningham, Carolyn Cunningham, Jannie Willis, Winnie Thurman, Jack Thurman. Mothers present were Mmes. Thomas Marr, Raymond Spence, Glenn Collis, Audvie Barnett, Connie Reed, Curley Reed, Udell Cunningham, her great-grandfather, Amos Cunningham and her grandmother, Mrs. Herman Cunningham.

Anytime a man opens the door and helps his wife into the car, you can bet that he has just acquired one or the other.

City Park Scene For Church Party

Miss Betty Johnson and Mrs. Milton Ashton entertained the Kindergarten Department of the First Methodist Church Monday afternoon with a party at the city park.

Karen Ashton and Janie Reynolds directed the children in many of their favorite games. Homemade ice cream and cake was then served to those present.

Those attending were Danny Watts, Kathy Blair, Donna and Kathy Fowler, Darra Bybee, Kay Lynn Porter, Janna Jones, Annel Ashton, Charlotte McClelland, Bob and Susan Simmons, Janet Holt, David Patterson, Larry Cook, Vicki Teuton, Dickie Jones and Mary Johnson.

Mrs. Buck Fowler and Mrs. Jake Jones assisted in the entertainment.

Friendship Club Meets Tuesday

The Friendship Club of Aiken met Tuesday afternoon in the home of Mrs. A. T. Langfeldt with Mrs. Raymond Hargrove as co-hostess.

The business meeting was opened with a prayer offered by Mrs. Quentin Adams. There followed a discussion on a project for the fall and tentative plans were made for a booth at the Floyd County Fair.

A program was given by Miss Virginia Hargrove of Aiken, and Misses Ray Watson and Sharon Stephenson of Lubbock. Miss Hargrove sang a song before the two girls from Lubbock presented a demonstration on how to make orange hard sauce. Miss Watson also gave a monologue on "Eats."

The different kinds of salads which the members had made and brought were served as refreshments along with iced tea and crackers. Those present also exchanged recipes during the afternoon.

Those present for the program were Mmes. Les Carlton, Lloyd Collis, Quentin Adams, Leo Duvall, R. R. Kellison, Joe Roach, the hostesses, and Misses Virginia Hargrove, Ray Watson, and Sharon Stephenson.

Jean Wofford Feted With Surprise Party

Miss Jean Wofford was honored Monday afternoon, August 22, with a surprise birthday party in celebration of her 15th birthday. Her mother, Mrs. Kenneth Wofford, was hostess for the occasion which was held in their home from one to three p. m. After refreshments of cake and frosted cokes were served, the group went swimming.

Those present were Loy O'Brien, Gail Rucker, Anita Durham, Kay Golden, Hope Cox, Charlyne Brown, Betty Graham, Jan Widener, Jan and James Ray Wofford, Mrs. Leroy Durham, the honoree, and the hostess, Miss Treva O'Brien of Lamesa was also present.

Market News Lingo Can Be Helpful

College Station. —The complicated lingo used in daily livestock marketing reports can vastly increase the efficiency of a farmer's operation if it's interpreted correctly, says John G. McHaney, extension agricultural economist.

Farmers are faced with such problems as what to produce and how much. When this should be sold, and where? Market news can help them decide. The U. S. Department of Agriculture spends more than \$10,000,000 annually to obtain market news for general public use, McHaney adds.

Livestock producers who have been in the business long enough can remember when the only source of market information was the incomplete and conflicting reports of trade groups.

Today market news is accurate, timely and usable.

Here are the interpretations of market terms:

"Market stronger" means prices are advancing.

"Market firm" means prices are holding or are a shade higher.

"Market steady" means no immediate change.

"Market dull" means an inactive market.

"Market weaker" means price declines are general.

"Demand slow" means buyers are just looking.

"Demand good" means buyers have confidence in present prices.

"Supplies light" means the market could use more.

"Supplies heavy" means the market is over-supplied and prices are weakening.

Judging from what we hear, more people with coughs go to theatres, than to doctors.

FORMAL OPENING

OF THE NEW
Superior
PIPE AND SUPPLY

Located two miles west of Crosbyton on Highway 82

Saturday, August 27

From 10:00 A. M. to 4:00 P. M.

This company, owned entirely by South Plains citizens, will manufacture and install concrete irrigation tile, and will be distributors for aluminum transport pipe, gated pipe and sprinkler systems. An irrigation system that will give you years of trouble free service is our guarantee. This is a South Plains concern, and the stockholders are your neighbors. This fact assures you of superior quality with prompt and efficient service.

The management of Superior Pipe and Supply Company has had years of experience in the manufacture and installation of permanent irrigation systems. We welcome the opportunity to discuss your irrigation problems and will be glad to furnish estimates on a system to fit your farm. Orders are now being accepted for September delivery.

We invite you to attend our opening Saturday, Aug. 27, and see for yourself the quality of our products. Refreshments will be served.

County-Wide 4-Hers Are Entertained

The Hale County 4-H Club entertained the Floyd County-Wide 4-H Club Monday night in the Plainview Park. All sorts of games were played and refreshments were served.

Those attending from Floyd county were James Teague, Norman Brints, Ken Swanner, Donita Milton, June Marble, Carolyn Williams, Sherry Ramsey, Nancy Bollman, Melda Jo Ramsey, Donnie Jenkins, Lowell Nixon, Adult Leader Mrs. Sherwood Ramsey, County Agent Bill G. Rodgers, Assistant County Agent Lynn Pittard, and Home Demonstration Agent Harriet Brummett.

Cpl. Matthews Is Honored At Party

Cpl. Robert Matthews who is home on leave from Camp Nahant, Massachusetts, was honored with a weiner roast on Sunday night, August 21, at the home of his parents, Mr. and Mrs. R. C. Matthews.

Those attending the occasion were Mr. and Mrs. Jack Faver and family, Mr. and Mrs. Albert Scheele and family, Mr. and Mrs. Helmuth Quebe and family, Mr. and Mrs. L. A. Matthews and family, Mr. and Mrs. M. C. Scheele, Marie Scheele, Mr. and Mrs. Keith Stovall and family, Arlene and Gladys Matthews, the honoree, and the hosts, Mr. and Mrs. R. C. Matthews.

WOFFORD REUNION SET

The annual reunion of the children of the late Mr. and Mrs. C. A. Wofford will be held at the 7th Street Park in West Plainview from 12:30 p. m. to 5:30 p. m. Sunday, Sept. 4, according to announcement from Mrs. Jake W. Smith of Plainview. They will be glad to see all their old friends, Mrs. Smith said.

NEW ARRIVAL

Mr. and Mrs. Glen Cooper are parents of a new son by adoption. The local couple secured the baby at Albuquerque this week and he is at home with his new parents now. He weighed 7 pounds, 7 ounces at birth and has been named Terry Rhea. The Coopers have two other children, Teddy Bob, age 11 and Glenda, age 4.

GO TO CHURCH SUNDAY.

A CLEAN CITY IS A SAFE CITY.

Kenneth Pinner Celebrates Birthday

Mrs. Ray Pinner and Mrs. Joe Pinner were hostesses Friday night, August 19, at a surprise birthday party for Kenneth Pinner. Kenneth has just recently turned eighteen. The party was held in the home of Mrs. Ray Pinner. Games were played, gifts were opened, and cake and punch were served to all the guests.

Present for the occasion were Roland Watson, Lloyd Widener, Jim Bob Reynolds, Bobbie Robinson, Bobby Brown, Arley Pinner, Pat Pierce, Mary Myers, Jimmie Holt, Sally Cox, Jan Widener, the honoree, and the hostesses.

McCandless Home Scene For Party

A birthday party was held Thursday afternoon, August 18, at the C. D. McCandless home in honor of Glen McCandless on his fourteenth birthday. The guests roasted weiners in the back yard and enjoyed all the trimmings. Ice cream and cake was also served. Several different games were played.

Those present were Layne and Dwayne Poteet, John Perry Truett, Jackie Callahan, Jimmy Minter, Wayne and Elaine Cooper, and Glen's brother and sister, Ronnie and Sandra. Mothers present were Mmes. Jack Callahan, Melvin Cooper, and the hostess, Mrs. C. D. McCandless.

PIANO LESSONS OFFERED BY MRS. MATHIS

Mrs. Warren Mathis, the former Barbara Carthel, will teach piano and class theory this year. Starting Tuesday, August 30, pupils may enroll at the home of J. D. Copeland, one block west of the grade school from 2:30 to 5:00 p. m. 20-1tc.

Mr. E. L. Redd, father of Mrs. Calvin Tomme of Plainview, and grandfather of Mrs. Joe Pinner of Lockney is in West Texas Hospital in Lubbock. He is undergoing treatment for inflammation and heart ailment.

Guests last weekend in the home of Mr. and Mrs. J. B. Seale Sr. were their two children and families, Mr. and Mrs. Harry A. Reeves of Colorado Springs, Colorado, and Mr. and Mrs. J. B. Seale Jr. and son of Amarillo.

Lockney General Hospital Notes

Steven Smith was admitted 8-23 for medical care.

Weldon Jones was admitted 8-22 and dismissed 8-23.

Elma Trevino was admitted 8-24 for medical care.

New Arrival

Mr. and Mrs. Harold Williams are the parents of a baby girl born 8-21. She weighed 7 lbs., 8 ozs. and was named Kimberley Lee.

Senator Johnson Gets A Shower

Ever hear of a Senatorial shower?

Senator Lyndon B. Johnson has been the guest of honor at a shower that started the day after he went to the hospital early in July and has not yet subsided.

The Senator's friends have showered him with gifts ranging from books on many subjects to a bowl of goldfish from Senator George Smathers of Florida and a baseball autographed by the members of the Washington baseball club. The baseball was sent by Pete Runnels, who calls Lufkin home and who is among the most valuable players the Washington club has.

Senator Johnson, once a chain smoker, hasn't smoked a cigarette since he entered the hospital the night of July 2. Once a big steak and potatoes man, he has cut out heavy meals and his daily calorie intake is now 1500 per day. He has brought his weight to 185 pounds from a high of 220, and the tailor had to come to the hospital to take five inches out of the waists of his trousers.

The Senator's doctors say he has responded favorably to every treatment given him. They say that, if he continues to improve at the same rate, he can go to his Texas ranch in a few weeks—provided Lady Bird, his wife, keeps big delegations of visitors away.

Senator Johnson has his recovery organized like a political campaign. Those who have visited him say he is running hard and looks like a sure winner.

Texas Business Is Above The Average

Austin. — Texas' 1955 retail economy is booming along at a pace above the national average and well above 1954, considered a good business year, the University of Texas Bureau of Business Research reports.

That includes farm-product sales. Eleven of 12 Texas crop-reporting districts bettered the first half of 1954 by 7 to 34 per cent.

Texas retail sales in the first six months of 1955 were up 12 per cent over the comparable 1954 period. The national increase ranged from 8 to 10 per cent.

Record business in June and early July was reported across the nation. Sales of new and used automobiles slowed from earlier weeks but still held well above last year. Food sales kept a moderate lead over 1954 except in resort areas, which were doing an all-time record business in many lines.

House furnishings sold well above last year with sudden strong demand for air conditioners, heavy appliances and outdoor equipment and supplies.

BYRD PHARMACY
Dial 3353 FRED D. BYRD, Pharmacist Lockney

Choose fruits such as apples for dessert, and insist that meals afford both milk and coffee, rather than milk or coffee.

3. Use dry brewer's yeast and wheat germ rather than synthetic vitamins. Use whole wheat, dry rye, or soya-enriched breads.

4. Use dry skimmed milk if you cannot afford evaporated or whole milk.

But the most important of all, keep that appetite under control.

Guests last weekend in the home of Mr. and Mrs. Alton Noland and family were Mrs. Noland's sister and family, Mr. and Mrs. J. W. McDonald and family of Amarillo. Sunday guests were Mr. and Mrs. J. O. Warren and Alene, and Mr. and Mrs. Gordon Hambright, all of Floydada, and Mr. and Mrs. J. F. Biggs of the Muncy community. Visiting Saturday was Mrs. Nell McGuffey of Plainview, Mrs. Noland's mother.

Mr. and Mrs. David Jackson and sons returned home Friday after spending a vacation in New Mexico and Arizona. They went through the copper mines in Maricopa, Arizona where David's brother, Kenneth, works. They visited with several families in Maricopa and also had a nice time picnicing in Hot Springs, Arizona.

Miss Thelma Williams of Amarillo has been visiting her parents, Mr. and Mrs. Dee Williams this week. She has also been a house guest of Mrs. Elsie Kunkel and Miss Juanita Thompson. Miss Williams is associated with the Orchid Beauty Salon in Amarillo.

WILL RECEIVE DEGREE
Mrs. Dorothy Ingram will receive a B. S. degree in business administration from East Texas State Teachers College, Commerce, in the summer commencement exercises to be held Friday, August 26 in Memorial Stadium.

John B. Dunlap, vice president of the First National Bank, Dallas, will be commencement speaker. Baccalaureate degrees will number 160 while 192 students will receive advance degrees.

THE LOCKNEY BEACON, LOCKNEY, TEXAS, AUG. 25, 1955

New Pipe Company Opens At Crosbyton

Marvin Shurbet, Floyd County irrigation farmer, is inviting the people of this area to attend the formal opening of Superior Pipe & Supply Company, located on Highway 82 two miles west of Crosbyton, from 10 a. m. to 4 p. m. Saturday, August 27. Mr. Shurbet is a stockholder in the new concern, which is owned entirely by South Plains citizens.

A \$100,000 business, Superior Pipe & Supply Company will manufacture and install complete concrete tile irrigation systems, and will be distributors for aluminum transport pipe, gated pipe and sprinkler systems.

B. M. Jones, formerly of Lubbock is vice-president and general manager of the new plant. He has had years of experience

in the manufacture and installation of concrete irrigation tile. He supervised construction of the plant, which is modern in every respect.

Other officers of the company include: Don Anderson, Crosbyton, president; Pat S. Moore, Lubbock, secretary; Russell McCurdy, Crosbyton, treasurer; Bill Bell, Crosbyton, R. A. Jefferies, Hale Center, and Jean D. Smith, Cone, directors.

Additional stockholders include Grady Kelly, Petersburg; Roy Abel Sr., Ralls; Luther Abel, Lubbock; Dr. Dale R. Rhoades, Leslie Mitchell, Robert Work and Grady Evans, Crosbyton and Fred Wiese, Lorenzo.

Mr. and Mrs. Elmer Stimson and family, Mrs. C. C. Stimson spent three days last week at Pecos, N. M. on a fishing trip.

SAILOR, HO! — One of many features of "HOLIDAY ON ICE" at this year's Panhandle South Plains Fair in Lubbock will be the antics of zany Paul

Andre in the skit "Oh, For the Life of a Sailor." With a little help from Glamour "Icer" Joan Hagen, the poor sea-farer takes more spills than ever before

trying to get his "ice-legs." The show will be staged in Fair Park Coliseum Sept. 25-30. Mail orders for reserved seat tickets are now being received by Fair officials.

Soil Conservation District News

Soil Improving Vetch
Vetch is a winter legume. It is one of the best shallow rooted crops that we have. It has the ability to take nitrogen from the air and store it in the soil when properly inoculated. It is the belief of many farmers and agricultural workers that you can "grow your nitrogen cheaper than you can buy it." A good crop of vetch returned to the topsoil adds much needed organic matter. It makes the soil more open and mellow. This helps more rainfall and irrigation water to be absorbed, thereby increasing yields on the following crops.

Now is the time to seed vetch in your cotton middles, before it is watered the last time. The Soil Conservation District has two legume seeders for this purpose that seeds two rows in each middle. District cooperators may contact the Vocational Agriculture teachers in Floydada and Lockney to make arrangements for their use. Vetch may also be seeded with a wheat drill.

Aubrey Holt of the Frick community has already seeded vetch in his cotton middles. Harold Bertrand of the Lakeview community is planning to seed about 20 acres of vetch with a wheat drill.

Vetch may be seeded as late as November 1. It can be cut and worked into the topsoil next spring in time to follow with grain sorghums. This is one way of meeting the needs of the land, and at the same time helps keep it productive. Also it will make you more money, when used properly in the crop rotation. Another advantage is that it can be grown in the winter and early spring so that a cash crop may be grown each summer.

Every good boxer has a one-two punch. But the really outstanding ones have a three-four-five and six.

ONE CALL to your GREAT SOUTHERNER will bring you the peace of mind that comes with FINANCIAL INDEPENDENCE!*

Hog Numbers Up And Prices May Be Even Lower

College Station. — Texas hog prices in early July were more than \$6.90 per hundred under those of a year earlier. Indicat-

ions now point to slightly lower prices when the spring pig crop begins to move to market, says C. H. Bates, farm management specialist for the Texas Agricultural Extension Service.

He reports there is little chance for the market to hold during the fall and winter months ahead because of the increase in the 1955 spring pig crop.

The spring pig crop in the nation was up nine percent over last year and three percent above the 10-year average. In Texas the increase was 22 percent above 1954 and hog production was expanded in all areas of the state.

Here are suggestions from Bates on meeting the expected price decline. Full feed hogs to be marketed as soon as possible; plan to market at 180 to 200 pounds rather than at heavier weights; give consideration to selling some of the pigs as feeders if prices are favorable; avoid marketing unfinished hogs . . . discounts are heavy; if grain is needed, buy at harvest time and store to capacity of storage facilities; sell old sows and replace with good gilts and improve the quality of the breeding herd.

Business and Industrial Review

Compiled and Edited by E. M. Thomason

PHOTO BY PIONEER STUDIO

Cooper Pontiac-Cadillac Co., located at 6th and Baltimore, is one of the leading automobile dealers of Plainview. These two well known General Motors cars have proven to be more popular than ever.

1955 Pontiacs & Cadillacs Are Popular with the Public

The Cooper Pontiac-Cadillac Co., located at 6th and Baltimore, is well known in this section as dealers for two of the world's best known automobiles and as operators of a first class service garage and body shop. This company repairs all makes of cars and also sells high quality used cars.

The 1955 Pontiac cars have proven to be the most popular model ever built. The sales record of this car is greater than that of any previous year and 1955 is only half gone. Pontiac's long 122" or 124" wheelbase smooths bumps and tames the curves and there is also more room inside the car—room to stretch out and relax.

The new 200 horsepower Strato-Streak V-8 engine makes any kind of driving a dream and with the economy and ruggedness that are Pontiac trademarks. The new cars are also offering air conditioning this year which regulates humidity in all weather making driving more enjoyable. It has a unique ducting system that directs cool air where you want it and filters dust, pollen and tobacco smoke from air, removing harmful annoying particles. This air conditioning system is available on all 1955 Pontiacs.

Cadillac cars have been the leaders in the fine transportation field for many years and have

been star performers for more than fifteen years. They are used by leading statesmen and business leaders all over the world and no big occasion is complete without a Cadillac.

Never before has Cadillac built so much value, beauty, comfort and power into an automobile. Never before have Cadillacs been so luxurious and easy to handle. Never before have they been so popular as they are this year. They are the acknowledged leader in the fine car field and more than ever they deserve that title.

Cooper Pontiac-Cadillac will be glad to demonstrate any of their new model cars. Just call 4-2788 and arrange an appointment. You will be glad you did.

Farm Bureau Holds Two Institutions

The Texas Farm Bureau as an experiment this year and from popular demand, held two leadership training institutes. The first, the Spring Institute, was held March 13 through 16 at the Gunter Hotel, San Antonio. The second, to be known as the Summer Institute, was held July 31 through August 3, at the Baker Hotel, Mineral Wells. Those attending from Floyd County were Joyce Dell Hammonds, Floyd County Farm Bureau Queen, Mrs. C. T. Hammonds, Glenn F. White and Ella White, assistant office secretaries.

Courses offered were Farm Bureau Information Program, toward building a larger and stronger organization, and toward enlightening the general public on problems confronting Agriculture; History and Philosophy of Farm Bureau, was organized to represent, speak for, and enable farmers to work together

on a broad national front in solving their problems; Parliamentary Procedures, is a Code of ethics for working together. Procedures for policy development and policy execution through the county, state, and national board are the techniques used on a state and national basis for an effective legislative program; Recreational Activities, deals with social problems and getting members to participate in recreational activities at the community and county level.

At the banquet on August 3rd, J. Walter Hammond, president of the Texas Farm Bureau, presented certificates to 164 students attending the Institute.

WAX TRAYS

A little kitchen wax applied to the bottoms of ice trays will prevent them from sticking in the freezing unit.

Betcha the song "Get Along Little Doggie" originated in Germany. At least that's where the dachshunds came from.

Gospel of Christ

MAIN STREET CHURCH OF CHRIST

THOS. McDONALD
Preacher

WHEN IS THE BELIEVER SAVED?

There are some matters and points upon which all religious people are agreed. One is that salvation is in the name of Christ. The inspired apostle said: "To him give all the prophets witness that through his name whosoever believeth in him shall receive remission of sins" (Acts 10: 43). Now, if we can find out just when the believer gets into the name of Christ we will know when he receives remission of sins. Jesus said: "Go ye therefore, and make disciples of all nations, baptizing them into the name of the Father, and of the Son, and of the Holy Spirit" (R. V. Matt. 28:19). Seeing that salvation is in the name of Christ, and that the believer is baptized into that name; we conclude that when he is thus baptized he is pardoned of past sins, and is a new creature in Christ Jesus. Being born of water and of the Spirit, he is in the kingdom of Christ (Jno. 3:5).

Another proposition upon which all are agreed is that the blood of Christ cleanses from all sins. But when and where does the believer reach the blood? Christ's blood was shed on the cross in his death. If we can learn how and when a person reaches the death of Christ, we will know how and when he is saved by the blood. Paul says: "Know ye not that so many of us as were baptized into Jesus Christ were baptized into his death? Therefore we are buried with him by baptism into death, that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life" (Rom. 6:3, 4). We see that the believer is baptized into Christ's death, when he reaches the blood that cleanses from all sin. Baptism, then, as well as faith and repentance, is a condition of salvation.

Again, all agree that salvation and all spiritual blessings are in Christ. See Eph. 1:3. But how does the believer get into Christ? There are only two passages of Scripture that answer this question. They are Rom. 6:3, 4 and Gal. 3:26, 27). Both verses say plainly that we are baptized into him. Baptism, then, is for (in order to) the remission of sins.—Selected.

YOU ARE INVITED TO ALL SERVICES SUNDAY. BIBLE STUDY AT 9:45. SERMON SUBJECT AT 10:45 WILL BE: "REJECTING CHRIST." EVENING SUBJECT AT 6:00 WILL BE: "RECONCILIATION." PLAIN GOSPEL PREACHING, AND NEW TESTAMENT WORSHIP CHARACTERIZE EACH SERVICE.

Insect Report

(Note: Following is a report on a cotton insect survey for South Plains as released by Walton H. Jones, district extension agent, of Lubbock. The report was compiled by G. T. Davis Jr. and W. L. Owens Jr., both connected with the Extension Service.)

Conditions continued favorable for growth and fruiting of cotton in most areas, while some dry land cotton deteriorated because of low moisture conditions. Heavy shedding occurred in some fields. While some of the small boll drop was due to a stressed condition of plants, most of the shed was caused by the bacterial blight disease.

Aphids decreased in numbers in many fields, but infestations increased on cotton in some fields. The heavier infestations were generally found on late cotton or on that which had been treated earlier for bollworm control. Where control is needed a recommended material for aphid control may be added to the bollworm control mixture.

Bollworm activity changed little over that of the previous week. While many fields, which had not been treated previously, developed sufficient infestations to require control, many other fields have not had sufficient worms to warrant control. A majority of the infestations have not been heavy. In checking bollworm infestations the eggs should not be confused with those of the cabbage loopers. The looper eggs are generally found on the underside of the older,

tougher leaves, while eggs of the bollworm are generally found on the upper side of leaves and usually on the more tender growth.

Cabbage loopers and yellow striped armyworms continued to cause severe ragging of cotton leaves in scattered plantings throughout the area. The armyworms damaged forms in a few fields. Disease has reduced cabbage looper infestations in some areas.

Lygus bugs were reported in spotted medium to heavy infestations on cotton in Floyd, Hale and Lubbock counties. Light spider mites infestations were found on cotton in a few fields in Lubbock County.

Information contained in the cotton insect situation release has been compiled from reports received from county agents, vocational agricultural teachers, personnel of the Texas A. & M. College System, various branches of the U. S. Department of Agriculture Commercial Cotton Inspectors, chemical companies and others.

Yugoslav Engineer Visits Near Lockney

Josif T. Manev, Yugoslav agricultural research engineer, in Lubbock for a two-week visit to study cotton production and irrigation methods, visited the Paymaster Farm near Lockney Monday and Tuesday.

Last week Manev visited Extension Service office, the Lubbock Station and the cotton fiber laboratory and textile Department at Texas Tech.

Tech Museum Wants Old Pictures

The Museum at Texas Technological College is planning a special historical exhibition and would like to borrow old pictures of the early day period in this area, according to a letter received by Mayor J. E. Cox this week.

The Museum is particularly interested in a picture of the first train arriving in Lockney, if such is available.

Those who have such pictures they would loan the Museum are asked to contact Mayor Cox.

WAX APPLIANCES

The use of abrasive scouring powders on kitchen appliances should be avoided. It's better to use a creamy kitchen wax which not only cleans the enamel, but also leaves a shiny protective coating.

HOT WATER TRICK

If water glasses or tumblers accidentally stick together, don't force them apart. Put the outer glass in hot water, and fill the inner glass with cold water to loosen them.

Some women who diet are just reduced to tears. Give a woman an inch and she thinks she's a ruler.

Your Credit Record Is An Open Book

PRESERVING a good credit record is not only a matter of convenience, but of personal prestige.

For if you fall into the bad habit of not paying your bills promptly, the fact may become known to the merchant, physician, dentist, hospital, fuel dealer and other credit granters.

The files of the Retail Merchants show how you pay your bills. This record is available to all members of the Credit Bureau in your own community.

Your Credit Record is an open book — written by yourself in the way you meet your obligations. The only way to maintain it is by paying every bill on the date it is due.

LOCKNEY REAL ESTATE CO.
Baker Hotel E. R. HARRIS

There's no "buy" like a **Ford** buy

it's the **Best Buy** in town!

- **Get the leader in looks**
Only Ford brings you the styling of the famous Thunderbird. Note the low roof line, the long body, the flat rear deck . . . the fresh clean beauty of Ford's years-ahead design.
- **Get the leader in ride**
You'll find even the smooth roads seem smoother with Ford's Angle-Poised ride. Front springs are tilted back to absorb bumps from the front as well as up and down, to cushion your ride.
- **Get long, low terms**
High trade-in is only part of our "deal" when it comes to buying a Ford. Ask about our long-term payment plan. You can tailor your payments down low! It's easy . . . convenient, too!
- **Get the leader in V-8's**
You get V-8 power from the V-8 leader when you buy Ford. You get Trigger-Torque "GO" . . . quick response in emergencies . . . a new feeling of security and confidence for all driving.
- **Get a top dollar trade**
Now's the time to buy a brand-new '55 Ford. Your present car will never be worth more! And our leadership sales pace puts us in an excellent position to make you an extra-good deal right now!
- **Get top resale value**
For years, Ford has returned more of its original cost at resale than any other car in the low-price field. That's why we say Ford's worth more when you buy it . . . worth more when you sell it!

● If you are interested in a used car, be sure to see our **A-1** or other used car selections!

Come in for the deal of your life during our Summer Bandwagon Sell-a-bration!

Will Clean Up Lone Star School Friday

The patrons of the Lone Star school will gather at the school at 9 a. m. Friday of this week and clean up the school building. It was announced Wednesday by Mrs. Donald Johnson, president of the Lone Star P. T. A. School will start there Monday.

RETURN FROM VACATION

Mr. and Mrs. Elven House and Gary of Tulsa and Mrs. Sam Jack of Lockney returned from a ten-day vacation this week. They visited in Stockton, California with Mrs. Jack's sister and also with friends and relatives in Los Angeles and San Francisco.

Old Timer Dies At Abilene

Everett Randolph, a pioneer resident of this community and former druggist here, died at Abilene last week. Funeral services were held Friday at Abilene. His wife was a teacher in the old Lockney Christian College. She passed away just a few months ago.

The Lockney population moved up five notches last Thursday when Mr. and Mrs. Bill Gushing and their three children moved here from Shamrock. Their children are Susie, Kelly, and Norman. Susie will enter school this fall. Mr. Gushing is employed by the Seale theatres.

Faculty Meets—

(Continued from page 1)

Holt Grade School: Mrs. Alma Dutton, principal; Mrs. Maudie Muncy, Mrs. Edythe Clarke, Mrs. Nellie Brown, first grade; Mrs. Imogene Myers, Mrs. Florence Stimson, Mrs. Inell Wiley, second grade; Mrs. Nora Ayres, Miss Pauline McReynolds, Mrs. Mable Price, third grade; Mrs. Lue Ella Brewer, Mrs. Viola Conner, Mrs. Mollie Harris, fourth grade; Mrs. Arla Copeland, Mrs. Kathryn Birdwell, Mrs. Marjorie Wood, fifth grade; Mrs. Annie Bird, special education.

Members of the Lockney school board of trustees are: F. C. "Whitey" Baucus, president; Oscar Golden, vice-president; Robert Lee Smith, secretary; John Carthel, Frank Brown, Clark Harris, Melvin Potts.

Notice Pep Squad Members!

Kay Golden, president of the high school pep squad said Wednesday that the white corduroy for pep squad skirts had arrived at Baker Mercantile here. The ties were at Brown's Cleaners & Clothiers and the blouses had arrived at Jack & June Shop. She urged the members to pick up their orders as soon as possible.

Mr. and Mrs. Henry Ford and Mr. and Mrs. Byron Ford spent last weekend in Ruidoso, New Mexico. The former Mrs. Ford's two sisters, Mrs. Dona Waide and Mrs. Maple K. Cox of El Paso, were also there.

Mr. and Mrs. Roy Rolling and son, Mr. and Mrs. J. A. Race and children, and Dickie Fulfer have been vacationing and fishing recently at Thompson's Ranch in Colorado.

GO TO CHURCH SUNDAY.

TO DALLAS

Mrs. Glen Watson and son, Roland, Mrs. Tresa Collins and Brannon Darnell went to Dallas Monday where Roland was to have a physical check-up.

OFFICE SUPPLIES at The Beacon Office.

MRS. WADE DEAVENPORT ILL

Mrs. Wade Deavenport of Lockney is in very serious condition in the Gaston Hospital in Dallas. Members of the family reported that plans are being made to move Mrs. Deavenport back to her own home here in a few days. Her husband and daughter, Mrs. Herman Thornton, have been in Dallas with her this week.

Mr. and Mrs. H. G. Graham and son, Louis of Wellington, visited his brother, J. R. Graham and Mrs. Graham here Sunday.

MRS. JACKSON

Mrs. J. W. Jackson here but was recuperating Saturday at the home of Mrs. Willis Bryson.

A CLEAN CITY

Are Your Children Ready For BACK-TO-SCHOOL

If your child does not feel his best, has lost his energy and his appetite, due to lack of vitamins, then it's time to supplement his diet with prepared vitamins.

- Bixel
- Unicaps
- Zymacaps

Get him all ready physically for that back-to-school time with a daily vitamin capsule. Give him back that old zip and hustle. We have the vitamins.

Remember—We have a complete line of SCHOOL SUPPLIES

Genuine leather zipper binders. We will imprint your name in gold FREE when purchased here.
