SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, NOVEMBER 17, 1955

NUMBER 32

## Longhorns Close Season Against Littlefield Fri.

The Lockney Longhorns will wind up their 1955 football schedule Friday evening when they travel to Littlefield to play the Littlefield Wildcats. It will also be a battle for second place in the district standings. Each team has lost a game to Olton. The Longhorns could possibly tie for the district title if they defeat Littlefield and Olton loses to Dimmitt.

The Wildcats are still tough. Coach Rudy Haile said this week but do not compare with the Littlefield team of last year which went to the state quarterfinals in the Class AA football race. The Wildcats have about broke even on their season's play.

Coach Haile said that he thought the Longhorns would play the Wildcats a good game and had hopes that the local team would be able to defeat them.

Dan Griffith will probably not be able to play in the Friday game but the remainder of the Longhorn team will be ready to go, Haile said. The starting line-up will be about the same as it has been in previous weeks.

The Wildcats will have a weight advantage, outweighing the Longhorns some 10 pounds per man in the line and 15 pounds per man in the backfield.

Game time is 8 p. m. and the Longhorns' loyal fans are expected to make the 65 mile trip to see the game.

## J. B. Johnson Is Buried Monday

James Barnabas Johnson, a resident of Lockney for 38 years, died at the family home in East Lockney Saturday at 11:15 p. m. Funeral services were held at the Lockney Methodist Church Monday afternoon at 2 o'clock conducted by the pastor, Rev. H. B. Coggin. Burial was in the Lockney Cemetery.

A Masonic service was held at the graveside. Mr. Johnson had been a member of the Masonic Lodge for a number of years.

Mr. Johnson had been in ill health for 18 months, having suffered two strokes in that period of time. His condition gradually became worse until death claimed him Saturday.

He was born at Salina, Texas, on August 26, 1874. On October 19, 1902 he was married to Miss Ella Price. The couple celebrated their Golden Wedding anniversary at their home here in 1952.

Mr. and Mrs. Johnson moved to Greer County, Okla., soon after their marriage where they homesteaded a place they lived there until 1917 when they moved to Lockney. Mr. Johnson was a farmer all his life until his retirement several years ago.

He became a member of the Methodist Church in 1917. Survivors include his wife, two daughters, Mrs. Elva Bales of Albuquerque, N. M., and Mrs. Annette Helms of Quitaque; one son, Arnold Johnson of Quitaque; five brothers, Marvin and Sam of Liberal, Kansas; Tom of Fargo, Okla.; Paul of Clarksville, Texas; Silas of East Chicago, Ind.; two sisters, Mrs. Ruby Pemberton and Mrs. Frances Waybright, both of Liberal. Three grandchildren and one great-grandchild also survive.

Pallbearers were Murray Scott, Dee Thomas, Jim Pemberton, Lawrence Catlin, Jesse Thomas, W. E. Helms Jr., Ernest Stapp, Arthur Nigh. Carter Funeral Home of Lockney was in charge of arrangements.

## Jack Calahan Buys Into Gulf Station

Jack Calahan has bought the interest of Buck Fowler in the Fowler-Barnett Gulf Service Station here. Audvie Barnett, who was partner with Fowler in the station will remain as a partner with Calahan.

The sale is effective as soon as Calahan can be released from his duties with Baker Flash-O-Gas Co. where he has been employed as a truck driver.

The firm will be known as Barnett & Calahan Gulf Service.

## 4 Floyd Veterans In Land Drawing

Four Floyd County veterans were among the 350 whose names were drawn recently to secure land purchase application blanks under the state veteran's land program. They are Dr. W. J. Mangold, Frances L. Montandon and Tommie G. Montandon, all of Lockney, and Luther P. Kemmerer of Floydada.

The drawing of their names means that these men will have an opportunity to borrow up to \$7500 for the purchase of land. They must first find land that they can buy not to exceed twice the amount of the loan, and then get it approved by the county committee. The loan is at 3% interest and is for 40 years.

This is the first activity under the new program of the veterans land board since its reorganization after the land scandals.

The Floyd County Commissioners Court has named the following to the county committee to process the veterans applications: R. G. Dunlap of Liberty, Doyle Moore of Floydada and Chester Carthel of Lockney.

W. D. Miller of Floydada will be one of the 12 state appraisers for the veterans land board.

## Mrs. Lula Phillips To Be Buried Here Thursday Afternoon

The funeral of Mrs. Lula E. Phillips, 86, will be conducted at 2 o'clock Thursday afternoon at the Wood-Mitchell Funeral Home chapel in Plainview.

Rev. Harlan Harris, pastor of the Plainview First Baptist Church, and Rev. Louis Shultz, pastor of the Plainview First Assembly of God Church, will officiate.

Mrs. Phillips, a resident of Plainview the past four years, died at 11:15 Tuesday night at the home of a daughter, Mrs. J. M. Gillilan, 1414 Joliet Street. She was stricken with a heart attack a week ago.

Mrs. Phillips was born Nov. 1, 1869 in Tennessee. She was Lula E. Sparks until her marriage in 1887 in Wise County to George W. Phillips. He died in 1912.

In 1905 the family moved from Wise County to Lockney and Mrs. Phillips resided here until 1928 when she moved to Lakeview in Hall County. Four years ago she came to Plainview to make her home with Mrs. Gillilan.

Mrs. Phillips was a member of the Lakeview Baptist Church. She was active in her church until her later years.

Survivors are five children. They are Roy Phillips and Clinton Phillips, both of Plainview; Mrs. J. M. Gillilan; Elvin Phillips, Wichita Falls, and Harley Phillips, Amarillo. Fourteen grandchildren and fourteen great-grandchildren survive.

Interment will be in the Lockney cemetery beside the grave of Mr. Phillips.

## Has Operation At Baylor Hospital

Don Vernon, 17-year-old son of Mr. and Mrs. Bert Vernon, Lockney, underwent a serious back operation at Baylor Hospital, Dallas, Thursday, November 10. He is doing nicely, according to word received here from his mother who is with him.

Don has been suffering from a curvature of the spine for several years and an operation was deemed necessary to prevent more serious complications. The operation Thursday involved removing a bone from his leg and fusing it onto the spine at the base of the neck.

After two weeks treatment Don will be placed in a cast and brought home to recuperate. He will have to remain in the cast six months, it was said.

## B&PW Club Plan Bake Sale Saturday

## Marshall Formby Talks To Rotary

State Highway Commissioner Marshall Formby spoke to the Lockney Rotary Club last Friday noon on the topic, "Highway Safety." Mr. Formby is one of the three-member commission, and is the only member from West Texas.

Mr. Formby told of the Highway Commission's state-wide responsibility in the matter of safe highways. He described some of the problems the Highway Commission has to face in the matter of building roads and gave some of the history of the commission.

Mr. Formby told the Rotarians that the Commission's first consideration in building highways was safety. He explained that four-lane highways with a substantial lane between the roads almost eliminated head-on collisions between motor vehicles which is the principal cause of traffic deaths in Texas.

Mr. Formby was introduced by Program Chairman Joe Parrish.

## NEW ARRIVAL

Mr. and Mrs. Freddie Merrell of Lubbock are parents of a baby girl born Tuesday night November 15, at 8:57 o'clock. The young lady was named Sheila Kathleen. She is blonde headed, blue-eyed and weighed 7 pounds, 8 1/2 ounces. She was born at the Methodist Hospital here. The mother is the in-law of Barbara Hays. Grandparents are Mr. and Mrs. Edgar Hays and Mr. and Mrs. R. Hays and Mr. and Mrs. Walter Merrell, both of Lockney. This is the first grandchild for both.

## Local Men Sign Contract To Buy Whittenburg Gin

Five Lockney men signed a sales contract Tuesday night in which they agreed to buy the Whittenburg Gin here. The contract was signed by H. E. Whittenburg for the gin and by the five purchasers, R. P. Sissney, Leslie Ferguson, Horton Howell, Harmon Handley and Raymond (Dick) Ford.

The contract calls for closing of the transaction on February 1, 1956, which means that the Whittenburg interests will operate the plants through this season.

The contract calls for the transfer of blocks 1, 2, 3 and 4 in the Nall addition of Lockney along with one nearly new 5-stand, 90-saw gin plant, office building and scales, and a residence. Also the office equipment is included in the contract. Land in the deal measures approximately 7 1/2 acres, it was said.

Mr. Whittenburg reserves the old gin plant, purchased some three years ago from Mr. and Mrs. V. E. Spears. He plans to move that plant off the present location and has a year from the closing date of the contract to do so. However he will not operate the plant here after February 1, 1956.

The men who have agreed to buy the Whittenburg property here plan to form a corporation employ a full time manager and keep the gin office open the year round, it was said.

The purchase price was not announced.

## Local Teacher Is Found Dead

Mrs. Annie Bird, 65, a teacher of exceptional children in the Lockney School system, was found dead at her home here Tuesday morning. Death was believed to have been caused by a cerebral hemorrhage, officials said. Justice of the Peace J. J. Harris returned an inquest verdict of death from natural causes.

Mrs. Bird had apparently been dead about 10 hours when found. Mrs. Mollie Harris, also a teacher at the grade school here, drove by to pick up Mrs. Bird Tuesday morning and take her to school about 8:15 a. m. She honked and receiving no response went to investigate. She found Mrs. Bird lying in the floor of her living room. She still had on her coat and all lights were burning. Mrs. Bird had visited the W. C. Irons home Monday evening, leaving there about 8:30 p. m. Investigators believed that she died suddenly soon after returning to her home that evening. The covers of her bed were turned down but the bed had not been slept in.

Mrs. Bird was born February 12, 1890. She had lived at Wellington for 40 years and had taught school 20 years. She served as tax assessor-collector of Collingsworth County for four years. Her husband passed away in 1918.

Mrs. Bird was in her second year of teaching here. She had recently purchased a house in West Lockney from Fay Pinner and had been living there alone for a month.

Survivors include two sons, Clarence Bird of Kempner, Texas, and George Bird of Hereford; two daughters, Mrs. Eunice Pickering of Eatontown, N. J., and Mrs. Lurlene Wells of KeFlavik, Iceland. Also surviving are five sisters, one brother, and seven grandchildren.

Fay Pinner of Lockney met Mrs. Pinner and Bill McClaskey, Lockney, met Mrs. Pickering at an Amarillo Airport Tuesday night and took her to Wellington.

## IN HOSPITAL

J. H. Weathers is in the Medical & Surgical Hospital here suffering from a virus attack. He was some better Wednesday relatives said. Visiting him have been his daughter, Mrs. C. H. Samples of Amarillo, Mr. Horace Weeks of Amarillo, Mr. and Mrs. Von Allen of Clovis.

Mrs. Lottie Blount and her sister, Beulah of Memphis arrived Saturday for a visit with their cousin, Mrs. Hugh Counts and Mr. Counts. Other weekend visitors in the Counts home were Mr. and Mrs. Curry Lynch of Las Cruces, N. M. Mrs. Lynch is a sister to Mr. Counts.

GEORGE MAHON, representative from the 19th district of Texas to the national Congress, will speak to the Lockney Rotary Club Friday at noon.

## George Mahon Will Speak To Rotary

Congressman George Mahon will speak to the Lockney Rotary Club at its luncheon meeting Friday of this week. Program Chairman Joe Parish has announced. The representative from the 19th district of Texas has his headquarters in Lubbock. He is back in his home district during the time congress is not in session.

Mr. Mahon is head of the powerful appropriations committee in the House of Representatives and has been very active in working out appropriations for the armed forces. He recently spent some time in Europe on an inspection tour of army installations. Mahon has represented this district in congress more than 20 years.

## Barwise Elevator Destroyed By Fire

The fash of elevator fires in this area continued over the weekend with fire destroying a 600,000 pound capacity elevator at Barwise, some 12 miles southwest of Lockney. The elevator was owned by L. R. Stringer and Tom Sneed was manager.

The fire was first discovered about midnight Saturday by a Latin-American. It began in the head house, and quickly spread to the remainder of the sheet metal and wood building. Floydada firemen were called to the scene Saturday night but were unable to control the blaze. Water pressure was insufficient to reach the 60-foot high head house, it was said. After the fire had burned down some firemen left the scene but volunteers remained through the night to watch the embers. Sunday afternoon a stiff wind fanned the grain into a blaze again and the Lockney Volunteer Fire Department was called to help with the fire. The truck picked up water from a bar ditch to quench the flames.

Most of the 450,000 pounds of grain in the elevator was destroyed by the fire. Sneed said that not over \$2,000 worth of the grain could be salvaged. Loss was estimated by Sneed at \$25,000, including \$15,000 for the building and \$10,000 for the stored maize.

Owners of the elevator had recently made some \$5,000 in improvements to the elevator.

## Attending PTA Convention

Mrs. Burl Holt, delegate from Lockney Parent-Teacher Association is attending the 47th Annual Convention of Texas Congress of Parents and Teachers, November 16-18 in Fort Worth. Also attending is Mrs. Hershel Carthel.

Mrs. Holt is Vice-President of the local PTA organization and Mrs. Carthel is District Rural Service Chairman and serves as citizenship chairman of the Lockney P. T. A. The two left Tuesday morning on a chartered bus from Lubbock. Hershel Carthel will meet his wife in Lubbock Saturday and will attend Dad's Day at Texas Tech before they return home.

## Lone Star Singers To Meet Sunday

Lone Star community singers cordially invite the public to be present for a regular monthly singing at the school house Sunday, November 20 starting at 2 p. m.

## Cotton Gins Hum As Harvest Goes Into High Gear

Cotton gins in North Floyd County were humming this week as the cotton harvest hit its stride for the season. Total ginnings in north Floyd County jumped some 4,000 bales during the past week which is almost as much as was ginned during the harvest peak last year. TEC representative Jack Orr reported a total of 11,066 bales at the nine gins in the north part of the county Tuesday of this week, compared to some 7,000 at the same time last week.

In Briscoe county the increase wasn't so marked. Slightly over 6,000 bales had been ginned in that county to Tuesday compared to a little more than 5,000 last week.

Quite a few farmers are stripping now and the harvest tempo will continue at a fast pace for some time yet, weather permitting. Others are still hand pulling the cotton and hands are still in some demand in this area. Orr said that he placed some 25 hands Monday and Tuesday. Hand pulling will continue on some farms for at least another two weeks, according to opinions given The Beacon.

Ginners are resigned to the fact that this year's total ginnings will not approach those of last year. Their estimates of this year's crop run from 50 to 65 percent of what was ginned last year. The percentage of the crop now ginned also varies somewhat with the area. In the Lockney and Lone Star areas, gin men say that probably 40% of the 1955 crop has been ginned. In the Sterley area, where weather was more favorable, some 50 percent has been ginned. However in the Providence area the ginnings will not reach more than 25%, gin men said.

There is still some question concerning the late cotton. Some say that it will still make some cotton although of poor grade while others are doubtful. Two farmers in the area south of Lockney were stripping just about a bale to the acre from some late cotton this week. Other fields will not do so good.

Turn outs on irrigated stripped cotton is running from 20 to 22 percent, it was reported while some dry land cotton was turning out 27 percent.

Cold weather this week slowed the harvest somewhat but warmer weather was due the latter part of the week. The cold for the week was 18 degrees on Tuesday night, according to Joe Holt, local weather observer.

## Lt. Delbert Phillips Sees Plane Crash

Lt. Delbert C. Phillips of Fort Collins, Colo., was one of the over 100 eye witnesses who saw the crash of the big United Air Lines DC-6B passenger plane which fell near Longmont, Colo., on the night of November 1st. He is the son of Mr. and Mrs. B. R. Phillips of the Lone Star community and is an Assistant Professor of Air Science at Colorado A&M College, Fort Collins.

Lt. Phillips was the only one of the eye witnesses who saw the crash from a "head-on" view and he was interviewed at the United Air Lines headquarters in Denver on November 8 by members of the Civil Aeronautics Board's investigating division headed by James Peyton, chief of the division. Others saw the crash from a side or rear view.

The explosion and crash of the passenger plane took the lives of 44 persons. Monday of this week a suspect was arrested on suspicion of having planted a bomb in the plane, on which his mother was a passenger.

## Jno. M. Rommell Passes Away

John M. Rommell passed away at Houston Sunday after a long illness, according to word received here by relatives. Funeral services were held in Houston Tuesday.

Mrs. Rommell is the former Beth Johnston, and formerly lived here. She is a sister to Jim, Bill, Claud, Less and the late Bernie Johnston. None of the local relatives were able to attend funeral services, it was said.

## I Shall Not Pass

Geometry is my weakness;  
I shall not pass.  
It maketh me to stay home  
nights and be absent from  
the show.  
It leadeth me into room 207  
For Mrs. Cope's sake.  
Yea, tho I walk thru the  
corridor from her class;  
I shall not be happy.  
Her sides and angles, they  
torment me.  
She shall prepare a place  
for me in the corner;  
And she shall anoint my  
head with a dunce cap.  
My head, it is empty.  
Surely C's and F's shall fol-  
low me all the days of my  
life.  
And I shall dwell in Mrs.  
Cope's class all the days of  
my life.

## Nicknames Are Many At L. H. S.

One new in the hall of Lock-  
ney High School might be  
thrown into some mental con-  
fusion regarding who is who  
if he goes simply by the nam-  
es he hears students called.  
Nicknames, some more familiar  
than the name itself, are very  
prevalent in L. H. S. Some bear  
interesting origins.

Joyce W. Paschal, because of  
his like for potatoes, is called  
"Spuds."

Paul Ray Williams, because  
of his size, is called "Fat."  
Carolyn Jones, on account of  
her pleasant smile, is "Dimples."  
Clifford Hardy is called "Red"  
for obvious reasons.

One look at Sally Cox and  
her nickname of "Blondie" is  
explained.

Playing the piano so well got  
Jay Kemp the nickname of  
"Liberace."

From the name, Harrison,  
Doyle gets the nickname  
"Hair."

Bennie Ballard "Bernice", be-  
cause he got a permanent last  
year.

Weldon Jones, "The Boss," be-  
cause he is such a rough  
football player.

Derrel Waldroupe, "Droopy"  
for short.

David Frizzell, "Bertrand"  
which is his first name.

Patsy McLaughlin, "Bugs,"  
due to her small size.

Lloyd Williams, "Red," on ac-  
count of his red beard.

Sandra Sams, "Sammy" given  
by Coach Ingram.

Eva Sanchez, "Evangeline,"  
which is her real name.

Harold Shearer, "Tiny", be-  
cause of his size.

Arley Pinner, "Mermaid," be-  
cause he fell into a swimming  
pool and injured his head.

Here are more nicknames, al-  
though their origin is unknown:

"Fuzzy" — Doyle Fowler.  
"Goober" — Charles Will-  
iams.  
"Shorty" — Janice Widener.  
"Dubby" — J. W. Dippery.  
"Moose" — Morris Meriweth-

"Bessie" — Betty Jean Jack-  
son.  
"Booger" — Dickie Barton.  
"Kitty" — Mary Katheryn  
Ford.  
"Dode" — Jerry Mickey.  
"John" — Weldon Jones.  
"Firecracker" — La Dora  
Ayres.  
"Jinky" — Betty Jean Foster.  
"Chicken" — Margie Sech-  
rist.  
"Willie" — Gail Wilson.  
"Lagoon" — Dan Griffith.  
"Mack" — Doyle McAda.  
"Junior" — Luther Williams.  
"Bootsy" — Johnnie Bruton.  
"Toe Nails" — Brannon Dar-  
nell.  
"Jerry" — Gerald Workman.

## How Well Do You Memorize?

Each pupil in English will  
make three book reports during  
this term. One oral or written  
report on fiction or non-fiction  
will be given every six weeks.  
As soon as the library is in  
readiness, we shall commence  
our outside reading. Each of us  
will also memorize and say in  
class the required hundred-  
lines of poetry.

On Wednesday, October 12th,  
Mrs. Carpenter, our English  
teacher, presented the first  
poetry appreciation lesson. She  
has spent several periods read-  
ing from such renowned and  
favorite poets as: William  
Wordsworth; Alfred Lord Ten-  
nyson; Walter de la Mare; Eliz-  
abeth Barrett Browning; Wil-  
liam Ernest Henley; Edgar Al-  
lan Poe; Emily Dickinson;  
Robert Frost; Carl Sandburg;  
Edna St. Vincent Millay; Sara  
Teasdale; Henry Wadsworth  
Longfellow; Rudyard Kipling;  
Elinor Wylie; John Masefield;  
Amy Lowell. Each pupil made  
his selection of poems for  
memorization as Mrs. Carpenter  
read them. We think, too, that  
a pupil memorizes more easily  
and retains longer a poem that  
he likes and wants to hear than  
he will one that doesn't appeal  
to him.

Mrs. Carpenter plans to re-  
cord all book reports and mem-  
orized poetry on large cards for  
permanent filing, so there will  
be no repetition in the various  
high school courses.

We pupils think that book  
reports and poetry-reading will  
enliven and create more inter-  
est in regular classwork.

## OVEN CARE

Use a stiff brush dipped into  
a solution of hot soapsuds and  
ammonia to clean your gas  
range. If the oven needs real  
attention, leave a cup of am-  
monia in the oven overnight.  
The grease and spill-overs come  
off more readily with this treat-  
ment.

## Paper Staff's Lament

Getting out this paper is no  
picnic.  
If we print jokes, people say  
we are silly.  
If we don't, they say we are  
too serious.  
If we stick close to the office  
all day,  
We ought to be around hunt-  
ing material.  
If we go out and try to hustle,  
We ought to be on the job in  
the office.  
If we don't print contribu-  
tions,  
We don't appreciate genius!  
If we do, the paper is filled

with junk!  
If we clip things from other  
papers,  
We are too lazy to write them  
for ourselves.  
If we don't, we are stuck  
with our own stuff.  
Now, like as not, some guy  
will say  
We swiped this from some  
other paper.  
We Did.

NEWLY WEDS — Mr. and Mrs. Melton Ray White were united in marriage in a ceremony performed at the First Baptist Church here at 8 p. m. November 3. The bride is the former Nina Jo Vernon. The couple are living in Plainview.

Golden Wedding  
Is Celebrated  
Here Sunday

The children of Mr. and Mrs. R. H. Ashton honored their parents with open house celebrating their 50th wedding anniversary Sunday, November 13 in the home of their youngest son, Milton Ashton of Lockney.

Mrs. Milton Ashton greeted the guests at the door and presented them to the honorees and their two sons, Clarence and Milton.

Mrs. Clarence Ashton assisted by Mrs. M. L. Stiles of Lubbock displayed gifts and had charge of an interesting array of family pictures as well as the wedding gloves of Mrs. Ashton and wedding tie of Mr. Ashton.

Richard Henry Ashton and Miss Nellie Keller were married at the home of her father, J. A. Keller in Ohio, Hamilton County, Texas on November 15, 1905. They lived near Ohio for years, then moved to Floyd County where they owned and operated a farm until 1950 when they retired and moved into Floydada where they now live.

Mr. and Mrs. Ashton have two sons, Clarence of Floydada and Milton of Lockney. There are five grandchildren, all of whom were present except their only grandson, Pvt. Bobby C. Ashton who is in the armed services, stationed at Lamont, Ill.

Little Miss Annel Ashton directed guests to the registration desk presided over by Miss Karen Ashton. Decorating the desk was a model "T" car filled with gold colored flowers.

Decorations featuring gold were carried out throughout the house. An arrangement of gold chrysanthemums flanked by gold colored tapers centered the mantle beneath a large picture made of the honored couple on their wedding day, Nov. 15, 1905.

A gold colored punch service and crystal appointments were used on the serving table which was draped with a cut-work linen cloth. The tiered cake decorated with gold rose buds and topped with gold figures announcing 50th Anniversary, was served by a granddaughter, Miss Patsy Ashton and golden colored punch was poured by Miss Francis Ashton, another granddaughter.

The Lockney quartet composed of Ike Johnson, Clark Harris, C. L. Record, and Raymond Rucker, accompanied by Mrs. C. L. Record sang a number of favorite songs for Mr. and Mrs. Ashton. A life-long family friend, Mrs. Nita Williams of Odessa sang a number for them also.

Other members of the house party were Mrs. Bruce Smith and Miss Billie Ruth Stiles of Lubbock, Mrs. B. A. Robertson, Miss Verle McNeil and Mrs. V. L. McNeil of Floydada.

Many guests were registered from Floydada and Lockney as well as the following out-of-town guests: Will Ashton, El Paso; Mr. and Mrs. Clifford Ashton and Anita of Midland; Mr. and Mrs. Oreville Herman Tabaka; Mr. and Mrs. S. E. Williams, Odessa; Mrs. S. E. Stiles, Miss Billie Stiles, Mrs. Stiles, Miss Billie Stiles and Mrs. M. L. Stiles and sons, and Mrs. M. L. Stiles and Tommie and Mrs. Bruce Smith and Mrs. Kathy; Mr. and Mrs. C. H. McNeil, Lt. Royce H. McNeil, Mrs. Vashie Horn, Mr. and Mrs. Homer Hill and Darrell Summers, all of Lubbock; Mrs. James O. Mangum of Littlefield and L. J. Davis of Hale Center.

YWA Officers Are  
Installed In  
Colorful Service

Officers of the Young Women's Auxiliary were installed in a colorful ceremony in the First Baptist Church Wednesday evening at 6 o'clock. Mrs. Sid Thomas, Young People's Director, was installing officer. The officers were dressed formally.

Pat Pierce was installed as president; Betty Jean Jackson, Vice-President; Kitty Ford, Secretary; Lanell Johnson, Treasurer; Wanda Cox, Mission Study Chairman; Nancy Holland, Program Chairman; Nelda Cates, Community Missions Chairman; Hope Cox, Social Chairman; Charlyne Brown, Publicity Chairman; Mary Marble, Literature and Library Chairman; Frances Halle, Music Chairman.

The Y. W. A. Watchword was used as theme for the service. It reads, "They that be wise shall shine as the firmament."

and they that turn many to righteousness as the stars forever and ever." Daniel 12:3. A large glittering star with five lighted points stood for the Y. W. A. ideals, Bible Study, prayer, mission study, community missions and stewardship. Other stars hung from the ceiling adding much to the impressive setting.

Mrs. Thomas symbolized each officer as a bright star in the sky and likened the members to the stars of the milky way. A charge of faithfulness to duty was given the officers. "O Zion Haste," Y. W. A. hymn, and a prayer closed the service.

Refreshments were served to approximately thirty girls and sponsors by Mrs. R. W. Johnson.

Mrs. J. H. Cooper and Mrs. Marvin Cox, members of the Business Women's Circle, Mrs. Troy Ingram and Miss Bobbye Casey are counselors for the girls. Next meeting will be held Wednesday, Nov. 23 at 6 p. m. in the parlor of the Baptist Church.

Mr. and Mrs. Dawson Busby and Johnny, Mr. and Mrs. Jimmy Busby and Dawson of Rialto, Calif., visited in the homes of Mr. and Mrs. Lewis Busby, Mr. and Mrs. Ben McGhee and Mr. and Mrs. Joe Phillips Thursday and Friday of last week.

Insurance is as necessary as groceries

You don't dare to run a home or a business without insurance. The risks of financial loss are too great.

Sensible people don't go a single day without adequate insurance of several kinds. They know that, otherwise, they may be suddenly ruined by a fire, storm, burglary, accident or a damage suit.

They buy insurance almost before they buy meat and potatoes.

And insurance probably does not cost as much as you think. Consult us today as to what it will cost you to protect you against most possible financial losses in your home or business.

## Farm Exports Up 20% First Quarter

College Station. — United States agricultural exports for the July - August - September quarter of the current fiscal year were 20 percent higher than for the same period last year. Exports were valued at \$720 million, as compared with \$598 million for the corresponding period of 1954-1955.

During the first quarter of the current fiscal year exports in all major commodities, except cotton, showed an increase over the corresponding quarter of 1954-55. The value of cotton exports, amounting to \$10 million, was only 35 percent of the total for the same period of the previous year.

In August, latest month for which official returns are available, farm exports totaled \$222 million, 17 percent above August, 1954.

Expansion of purchasing power available abroad, and an increase in foreign consumption levels for agricultural commodities, particularly in Western Europe, are favorable factors in the foreign market. United States agricultural exports are having to compete against larger foreign output, however, and in the case of a few commodities, against lower prices.

United States agricultural commodities have met a steadily increasing world trade since World War II. United States agriculture, however, has not been participating in the increase. During the Korean conflict, U. S. farm exports increased, but declined thereafter. Foreign exporters on the other hand, have increased their sales. With United States cotton exports off during July, August and September the de-

cline in U. S. exports appears to be continuing into the current fiscal year.

The bolstering effect of sales and donations under United States government programs has been considerable in the past year. Substantial Purchase Authorizations made late in 1954-55 have been resulting in large exports sales in 1955-56.

The first settlers in Maryland landed at St. Marys in 1634.

## Texas Cotton Acres Cut By 200,000

College Station. — The U. S. Department of Agriculture has announced state acreage allotments for the 1956 crop of upland cotton. These are a breakdown of the national allotments of 17,391,304 acres announced October 14.

The Texas allotment for 1956 is 7,410,893 acres. This is a 201,886 acre reduction from the 1955 allotment of 7,612,779 acres. On July 1, 1955 6,984,000 acres of upland cotton were being cultivated in the state.

The law provides that no state shall receive an allotment for upland cotton which is less than the smaller of 4,000 acres or the highest acreage planted to cotton in the state in any of the years 1953, 1954 and 1955. The remainder of the national acreage allotment is apportioned among other states on the basis of the acreages planted to cotton in the years of 1950 to 1954, with certain adjustments in such acreage as required by law.

The national acreage allotment of 17,391,304 acres is that which is required to produce an amount of cotton equal to the national marketing quota of 10 million bales. It is based on the national average yield of cotton per planted acre for the five years 1950-54.

On December 13, farmers who grew upland cotton in 1955 will vote in a national referendum to determine whether marketing quotas will be operative for the 1956 crop of upland cotton. Two-thirds of those voting must approve marketing quotas if they are to continue in effect. The same day, a referendum on marketing quotas for the 1956 crop of extra long staple cotton

will be held in the type of cotton. The state allotment are to be apportioned among counties and allotments among counties according to provision and regulations issued by Secretary. Individual age allotments will to operators prior to end of year.

Nearly 16 centuries ago, a man named Augustine lived in a Roman colony in Africa. He was vain, greedy, lustful—in fact, few men have been less exemplary. Then, when in his early thirties, he began to be increasingly dissatisfied with his life.

One day, feeling particularly miserable, he went into his garden and wept. While weeping, he heard, from a neighboring house, the voice of a child saying again and again, "Take up and read. Take up and read."

Struck by these words, Augustine went to his room, opened his Bible, and read. And when he had finished reading the turning point in his life had been reached and passed and he was a man transformed.

Through the centuries men and women have gone to the Bible seeking, and have come away with their answer. For in no other book is there such truth, wisdom, and promise. That is why the American Bible Society has been at work for more than a century, bringing the Bible to millions of persons in more than 60 countries, translating it into hundreds of languages.

The Bible is everywhere, yours for the asking.  
Take it up—and read.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

### Mark Your Chickens Warning Is Given

W. M. Ferguson, who lives in the south west part of Lockney, told The Beacon this week that chicken raisers in this area had better mark their chickens. Mr. Ferguson said that he recently lost 25 pullets from his flock. He didn't know exactly what night they disappeared but said that it was some two weeks ago.

Mr. and Mrs. J. C. Willis and children accompanied by a nephew, Lewis Willis of Amarillo, spent last weekend visiting relatives in Marietta, Oklahoma.

### Uranium "Useless" Old Dictionary Says

Uranium is a heavy white metallic element and has no important uses, according to a definition of the radio active substance found in an old dictionary belonging to Mrs. N. E. Greer. The dictionary is a big one and was edited in 1915. Dr. Wayne Greer found the definition while browsing through the big dictionary recently.

The complete definition of the substance is as follows: "A rare, heavy white metallic element. It is never found native. Has no important uses although certain of its salts are used as pigments, especially in the manufacture of glass and porcelain. Its nitrate and acetate are used for quantitative determination of phosphoric acid. It is chemically related to chormium, molybdenum and tungsten. Discovered in 1789. Has radioactivity and easily deteriorates.

The duration of a trade mark registration is 20 years.

### With The Sick

W. C. Irons, Lockney School Superintendent, became ill Thursday of last week but was showing improvement Wednesday. He hopes to be out by the end of the week.

The condition of Wallace Allen who lost his left arm in a cotton stripper last week on his farm near Miami, Oklahoma, is said to be not too good. Walter Taack received word this week that Wallace has been pretty sick, supposedly from shock. Doctors have succeeded in getting his fever down but he is still suffering a great deal.

Mrs. Jimmy Hodel who spent several days last week in Lockney General Hospital was returned home Monday. She is doing nicely now but will have to take things easy this week to regain her strength. Mr. Hodel said.

Mrs. Harve Pennington is doing fairly well at her home this week and is able to be up around the house after suffering a fall the first of the month.

Mrs. George Meriwether is convalescing at her home following several weeks hospitalization recently.

W. C. Watson, who is convalescing from a recent heart attack, is steadily improving at Lockney General Hospital. He sits up some now, and relatives report that if he continues to improve he may be able to return home first of next week.

Douglas Watson of Tulia, son of Mr. and Mrs. W. C. Watson, underwent major surgery at Methodist Hospital in Lubbock Tuesday morning. He is getting along nicely.

Ed Carter is getting along nicely and was able to return home from Lockney General

Hospital Wednesday, Nov. 9. He will be able to sit up in two or three more days, Mrs. Carter says.

Walter Byars, who underwent an operation in Sweetwater last week is getting along fine now. Mrs. Payton Powers, his daughter says. He was reported in a serious condition last week but was much improved when Mrs. Powers and Mrs. Byars arrived to visit him. He may leave the hospital the last of the week.

Mrs. Ted Livesey of Plainview, former Lockney resident who has been seriously ill at Plainview Hospital several weeks, has improved from an undetermined illness and is now at home doing much better.

#### State Highway Patrolmen Needed

Austin. — The Texas Highway Patrol is accepting applications between now and January 1 for appointment as State Patrolmen.

Cal. Homer Garrison Jr., Director of the Texas Department of Public Safety, said that state-wide examinations would be given in January and that successful candidates would begin training at the Austin headquarters of the DPS in April.

Forty-seven men are now in recruit school and another class will begin in January. These were selected as a result of examinations given last Summer.

The Public Safety Director invited all young men who are interested in a career of law enforcement to make application as early as possible. He pointed out that they must be between 21 and 35 years of age inclusive; have a high school education; be at least 5 feet 8 inches in height; and weight not less than two or more than three and one-half pounds per inch of height. Garrison also emphasized that applicants must have been residents of Texas for at least

a year prior to the date of examination and they must be of good moral character and in perfect physical condition and able to withstand a rigid character investigation.

Base pay of a Patrolman, after schooling and a six months probationary period, is \$315 monthly. Also provided is longevity pay; two weeks paid vacation annually; sick leave, if necessary; and the benefits of both the State Retirement Act and Federal Social Security. Applications may be obtained by writing to W. J. Elliott, Chief, Texas Highway Patrol, Austin; or by visiting the nearest Patrol District Office.

#### MARINATE MEAT

For superb flavor and tenderness, try your chops, steaks or roasts sprinkled generously with exotic herbs or California french salad dressing mix — the kind that comes in envelopes. Let stand at room temperature for 15 to 30 minutes, turning once. After you shake off any of the excess mix, use the drippings from the seasoned meat as a base for sauce or gravy.

## Minute Editorials

Then shall the light break forth in the morning, and thine health shall spring forth speedily, and thy righteousness shall go before thee; the glory of the Lord shall be thy reward. —Isaiah 58:3.

**THE THREAT** of representatives of West and South Texas to seek a court injunction against the State ASC Committee to prevent it from carrying out the plan to rob West Texas and South Texas of considerable cotton acreage and add it to that of East Texas seems to be the only recourse possible for the injured areas. Whether the courts would or could do anything about the matter is doubtful but the possible results could be worth the effort. It is a sorrowful state, however, when it becomes necessary to go to court to force a state agency to follow the intent of the written law of the land.

**CHRISTMAS IS JUST** around the corner and the Christmas committee of the Lockney Chamber of Commerce is getting ready. Plans revealed this week call for a better Christmas decoration than we have had in the past along with lighting contests and other things that make for a gala Christmas season. It behooves all of us, business people and residents alike, to do our bit toward making the town beautiful and adding to the Christmas spirit. Let's get to work on it just as soon as the proper time arrives.

**THE PUBLIC** has a well founded right to know about what is happening in any public agency, board or ruling body whatever the nature. There is no place for secrecy or "under-

cover" actions by any such public body. That is why we are proud of the Board of Trustees and Supt. W. C. Irons of the Lockney Independent School District. The minutes of the board meetings are always open to the local newspaper and whatever information is needed is always given to the newspaper if it is available. The policy of full information to the public is carried further this week by the publication of the full audit report of the school district's funds for the past fiscal year. This complies with the announced policy of the board to have an annual audit made of the books and publish the same for public information. Certainly there can be no criticism of a board which follows such a policy.

**ALL THIS TALK** of conservatism, moderates and liberals may mean something to the politicians but we're not convinced that it means a great deal to the average voter. The brass collar of the political party is fast losing its importance to the average person and more and more people are looking to the character of the person or persons involved in the political tussles, moderates and liberals race along with their announced intentions toward the great issues of the day. When we get back to fundamentals instead of dealing with superficial issues in political races, we'll all be better off.

**SOME BODY** is playing politics. Everyone is saying that Congress will cut income taxes next year. As it is now planned every one will be given a \$20 across-the-board cut. BUT also in the offing is an increase in the social security tax one-half of one per cent. The average weekly wage of workers in the U. S. is \$76.11. That's \$3,957 per year. One-half of one per cent of that is \$19.78. That's 22 cents per year less than the tax cut promised.

**WE'RE LOSING FAITH** in experts. We read expert predictions on this and that from time to time and it seems to us that most of the time the experts miss it about as much as most of us do. The economic experts, for instance, are as surprised as anyone else that the present nationwide economic boom has gone as long and as high as it has. They probably don't know any more about when the down turn might come than you or I do.

### NEWS VS. EDITORIALS

News coverage, one would think is a routine item which the reader is entitled to expect when he lays down his nickel and buys his newspaper. It is possible, on the other hand, that we may be so engulfed in our own worries and problems that we fail to stress the subject sufficiently. During the past week we have been somewhat surprised to encounter a divergence of opinion on coverage of news items in The Brand. Some people declare themselves as thinking certain articles are wonderful, others think that they are terrible.

To us, a good news story is one which is well written, informative—and without bias or prejudice. Viewed from this standpoint, it is exceptional for the reader to intensely like or dislike a story. Such controversy over any other story seems to us to be the result of a lack of clear understanding on the part of our readers as to the difference between a news story and an editorial. The difference, to us, is tremendous and, for this reason, it appears that Brand policy should be clarified on this point.

## DIVIDE OFFICES

On Saturday, Nov. 19, Crosby County voters will decide whether the office of sheriff and tax assessor-collector of the county should be divided. This election was ordered by the Commissioners court after the passage last fall of a constitutional amendment allowing counties with less than 10,000 population to vote on the division.

We had thought there would be little or no opposition to this vision, until we picked up the Ralls Banner two weeks ago and found that Editor Ernest Joiner had voiced his opposition. He believes that the office does not need dividing, that the division would cost more money, and that we need to consolidate more offices rather than separate them. — Trends in Crosbyton Review.

## VICE PRESIDENTS GETTING ATTENTION

These days you hear a lot of talk about "Vice Presidents" and, without question, it is high time. Current discussions started with President Eisenhower's recent heart attack, and have put many citizens to seriously pondering the important question.

In the past it has been the policy to spend days selecting a Presidential candidate at the national convention then, when everyone is tired out, ready to give up and wants to go home, a man is finally nominated for President of the United States. Everyone is so happy, so elated, and so dog-tired that the candidate for Vice President is selected in short order, and without much contest or thought. The formula holds for both the Democrats and the Republicans.

When you stop to consider, however, the alarming number of VPs who have become President of the United States, the method appears to be sheer folly. It would seem, in fact, that equally as much time should be spent in choosing the Vice President as the President — Hereford Brand.

## TURKEY HASH

After the holiday has ended and the turkey has been served in so many ways, don't forget the old favorite, turkey hash. The whole thing hinges on that intangible taste known as seasoning. Herbs, should be used with care. Hot coffee and a salad served crisp and cold combine well with this standby.

## USE SUFFICIENT SOAP

Dirt uses up soap, which cleanses by surrounding the loosened dirt particles and holding them in suspension for a short time. This makes it important to use enough soap or detergent to do the job well, and to know which soaps are best for heavy duty and which are mildest for delicate fabrics.

## COMBINE LEFTOVERS

Cleaning your refrigerator is easy if you do it regularly — at least once a week. Remove shelves and containers and wash down the interior with hot soapy water with a little soda added. It's economical, too, because leftover vegetables and cheeses can be combined and served as a vegetable salad with your next meal.

**Longhorns Take Tulia, 20-6**

	Lockney	Tulia
First downs	13	12
Yards rushing	272	169
Passes completed 1 of 3	6	15
Yards passing	10	48
Yards penalties	45	60
Fumbles lost	2	2

The Longhorns from Lockney won their fourth district game in five starts last Friday evening when they plastered a 20-6 defeat on the Tulia Hornets. The Hornets jumped into a 6-0 lead early in the first quarter and outplayed the Longhorns for the first 10 minutes but the Lockney boys finally got wound up, scored early in the second quarter, made the point to go ahead 7-6 and were never in danger after that.

Quarterback Gene Handley made the first touchdown, going over from the 1 yard line untouched. Fullback Kenneth Callaway ran the ball over for the point. Little Jerry Williams

was sprung loose on one of his famous runs for the second, the play covering 62 yards. Callaway drove over from the 2 in the third quarter to score the third touchdown for the locals.

The Longhorns looked much better on both blocking and tackling than they did in the Olton game the previous week. End Doyle McAda not only starred on offensive play but broke through to block a Tulia punt at one stage of the game. The Hornets completed 6 of 15 passes but their passing yardage was small because of the close guarding by the Longhorns.

Tulia won the toss and elected to receive. They returned the kick to their own 29, made 9 and a first on the 40, made 9, a first on the Lockney 46, made 0, a pass was good for 2, made 6 and then a first down on the Lockney 33. They made 5 in two plays and then fumbled with a Lockney player recovering on the Lockney 27. Callaway made 5 and on the next play a fumble was recovered by Tulia on the Lockney 31.

Here Halfback George Washington broke loose for a touchdown for the Hornets. Attempt to kick the point failed and the score was 6-0.

The Longhorns returned the kick to their own 33. Cliff Hardy made 4 and 2 and Callaway carried to the Lockney 47 for a first down. The Longhorns bogged down here and kicked out on the 19. The Hornets made 2, 4, were penalized 5, made 2 and kicked to the Lockney 44. Callaway made 7. Hardy carried to the Tulia 45 for a first down, the Longhorns made 3 and 4 and Callaway went to the Tulia 35 for another first. The locals made 2, Handley went 7½ and Williams carried to the Tulia 24. A pitchout Handley to Williams went to the 11, the Longhorns made 2, Callaway carried for 7, and then a first down on the 1. The Longhorns made nothing on first try at the line but Handley went over untouched on a keeper play around end on second down. Callaway carried over for the point and the score was 7-6.

The Hornets returned the kick to the 50 yard line, drew a 5 yard penalty, made 3, lost 8 on a pass attempt, made 10 on a pass and on an attempted kick End Doyle McAda drove in to block the kick giving Lockney the ball on the Tulia 42. Williams made 7 but a fumble was recovered on the following play by Tulia on their own 34. They made 7 and a first down on the Lockney 45, made 2 in two plays, a pass was incomplete and they elected to run with the ball on fourth down. They made 4 on the play and the Longhorns took the ball on their own 39. Handley completed a pass to McAda for 30 yards but it was nullified by a 5 yard penalty against the Longhorns. Handley made 4 and then Jerry Williams broke out between tackle and end and ran 62 yards for the score. Callaway drove over for the point and the score was 14-6.

Tulia returned the kick to their own 48, a pass was complete to the Lockney 41, two passes were incomplete, Tulia was penalized 5, they made 7, lost 4 and the Longhorns took the ball on their own 42. They made 3 as the half time whistle blew.

The Longhorns received the kick starting the third quarter returning it to their own 37. They made 8 in three plays and then Handley kicked over the Tulia goal line, the Hornets taking the ball on the 20. The Hornets were penalized 10 on a clipping infraction, made 9 and 2 and then completed a pass to their own 31. They made 8 in three plays and the kick was returned to the Tulia 45. Handley carried to the Tulia 23 on a keeper, was hurt on the play, but stayed in the game. Handley went to the 7, Tulia was penalized 5, Lockney was penalized 5, Handley made 5 and Callaway drove over for the score. Try for point failed and the score was 20-6.

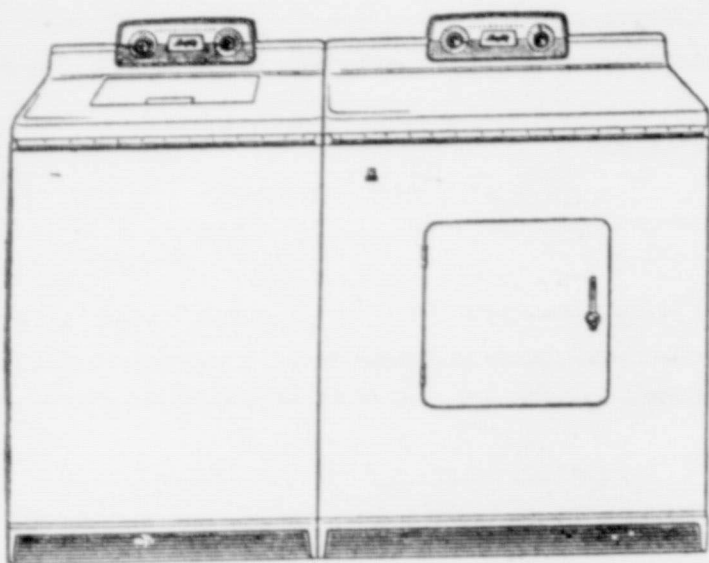

Tulia was penalized 15 yards on the kick-off because of an infraction on the try for point. Johnny Hanst of the Longhorns kicked from the Tulia 45 and the Hornet ball carrier was downed on the Tulia 18. The Hornets made 5, and then a first down on the 29, a pass was incomplete, and then they carried for a first down on the Tulia 39. The Hornets lost 5, made 4 and 3, and Lockney was penalized 15 yards giving the Hornets a first down on the Lockney 45. Cliff Hardy stopped the threat right there by stepping in and intercepting a pass returning it to the Lockney 36. Williams made 8, and then a first down on the Lockney 47. The Longhorns made 6 in two carries and a hand off to Hardy went to the Tulia 31. The local team made 9 in two plays, were penalized 5, and then fumbled with Tulia recovering the ball on the Tulia 27. The Hornets made 3 and then a first down on the 37, had a pass incomplete, Tulia was penalized 15, a pass was good for 12, made 2, a pass was incomplete and the kick was returned to the Lockney 33. The Longhorns were penalized to the 10, made 3 and David Frizzell, at the quarterback slot, made a first down on the 22. The Longhorns made 5 and 2, a pass was incomplete and Handley came in and kicked to the Tulia 35. The Hornets had two passes incomplete, and then drove for a first down on the Tulia 47. They attempted two more passes and then fumbled with Lockney recovering on the Tulia 40. The Longhorns made 3, and then Handley passed to End J. W. Dippery for a first down on the Tulia 27. The game ended before the Longhorns could run another play.

### Spiritual Spice

Luther Williams  
 "Happy is the man that findeth wisdom, and the man that getteth understanding. For the merchandise of it is better than the merchandise of silver, and the gain thereof of fine gold."  
 Proverbs 3:13-14

Understanding means the power of discern, to comprehend, to interpret, and to judge. Many people mean to do the right thing; hence one seldom dislikes and person whom he understands. Each individual is different; consequently let's make an effort to understand one another. If we do, much discord and unhappiness will be eliminated. Wisdom is knowledge and the ability to use it so as to be of value to oneself and others.

Understanding of our fellow-men and usable knowledge will prepare any one for creditable service anywhere.

### Let's Enter The Interscholastic League Contest

Come on, L. H. S. pupils, let's use those versatile talents of ours to bring in some prizes for our school at those District Interscholastic Meets at Lubbock and Olton. On April 7, field and track will be held in Lubbock, and the literary events are scheduled at Olton on April 13. There are many of us who can read, declaim, write, sing, act, play musical instruments, etc., exceedingly well. Let's exhibit interest, enthusiasm and a little work are all that are necessary to really put L. H. S. "On the Map" not only at the district but also at the state meet.

Contact the following teacher-sponsors in regard to the event which you wish to enter:  
 Slide Rule — Mrs. Cope  
 One-Act Play — Mrs. Carpenter  
 Declamation — Mrs. Irons  
 Ready Writers — Mrs. Carpenter  
 Number Sense — Mr. Lyon  
 Extemporaneous Speech — Mr. Johnson  
 Poetry Reading — Mrs. Carpenter  
 Spelling — Mrs. Zeigler  
 Shorthand — Mrs. Walker  
 Typing — Mrs. Walker

### Movie Mix-Up

"Gone With the Wind"—All the "kids" when the 3:30 bell rings.  
 "The Seven Year Itch"—All the science students that sees Mr. Babitzke's red ants.  
 "Not As A Stranger"—All the seniors to school.  
 "Night of the Hunter"—"Kids" who have a time finding their papers when the teachers call for them.  
 "Three Ring Circus"—La Juan Henderson, Rita Johnson, and Nancy Nix in fifth period P. E. class.  
 "Underwater"—All students who will take six-weeks tests.  
 "The Undesirable"—Six weeks test!  
 "Bells On Their Toes"—The Cheerleaders.  
 "New Orleans"—All the seniors (They hope).  
 "The Gallant Lady"—Cleon to Betty June.  
 "We're Not Angels"—The Lariat Staff.  
 "The Farmer's Daughter"—Janis Widener.

### Band Marches

At the Longhorn Hornet football game the band marched on the field playing "Independencia March." They formed a rocket playing "Far Away Places," a feather, and a thermometer playing "Happy Days are Here Again." Next, a football was formed and "The Football Polka" was played for the Tullia Hornets. A L. H. S. was then formed and "Mister Touchdown L. H. S." was played. The band marched off the field led by Eitty Ford.

### F. B. L. A. Gives Assembly Program November 10

On Thursday, Nov. 10 at 12:45 the Future Business Leaders of America presented an informative, entertaining program in the high school auditorium. Rita Griffith was the Emcee, and Luther Williams gave the invocation. The organization's sponsors are Mrs. Joe Foster, Mr. Edgar Hays, and Mr. Leon Wofford, and the faculty sponsors are Mrs. Walker and Mr. Smith. The purposes of the F. B. L. A. were given by Mrs. Joe Foster. Mr. Edgar Hays then delivered a very interesting address on "Business, the American Way." Mr. Bill McClaskey, vice-president of the First National Bank, made a presentation, in behalf of the bank, of a bookkeeping machine to the bookkeeping class. Charles Vaughn gave the class response for this transfer. Mr. Leon Wofford installed the following F. B. L. A. officers: Sandra Sams, president; Paul Bureh, vice president; Nelda Widener, recording secretary; Sue Harper, corresponding secretary; Peggy Williams, treasurer; Jerry Mickey, reporter. Immediately after each installation, Mr. Smith, high school principal, pinned a colored ribbon on each officer.

The club trio sang "Some One to Watch Over Me." The advanced typing class gave a rhythm typing demonstration; one was to slow tempo and the other to fast. Barbara Hanks dictated a class sentence to write in shorthand.

This assembly program informed the L. H. S. pupils about the F. B. L. A. in a very appealing way.

### Highlights In Fashion

Charlyne Brown had on a lovely red skirt with a red sweater Wednesday. This combination was quite attractive. Patsy Anderson's hair is very becoming since she got it cut. Kelly Harrison had on a pretty red shirt Wednesday. Some girls seen wearing jumpers this past week were Rita Johnson, Betty Graham, Janice Hays, Ernestine Spradlin, and Janice Hardy. Dicky Barton wore a flashy pair of bright yellow socks with red trim. Janney Ansley had on a pink blouse Wednesday. It surely looked pretty with her black hair. Sally Cox has been wearing a pretty silver football and track shoe around her neck. We admired La Juan Henderson's ohlong orchid ear-rings, Jane Willis's pretty brown ear-bobs, and Virginia Caldwell's pink rhinestone flower-shaped ones. Several F. A. boys have been proudly wearing new jackets. Mrs. Cope looked attractive Tuesday in a brown skirt and a green and white jumper-sweater with a long-sleeved white blouse under it.

### Senior Class Trip And Assembly Program Discussed

On Tuesday, November 8, the Seniors assembled in room 201 for a class meeting. Derrel Waldroupe, the president, presided. The purpose of this meeting was to decide where to go on the senior trip. Places voted on were to New Orleans and then to Houston to attend the World Fair, to New Orleans, and on to Miami, Florida, and the Washington, D. C. trip. The seniors decided on a combination of the first two mentioned above. This was a trip to New Orleans, Miami, Florida, and the return trip through Houston to attend the World Fair. Of course, we realize that the money in our treasury will not only determine our destination but also the length of time we stay. The senior assembly program, presented by the seniors on Friday was also discussed.

GO TO CHURCH SUNDAY.

## Smoke Signals

I wonder why Derrel W. was so "blue" Saturday night.  
 Roland, where was Sunny over the weekend?  
 Pinner, "what can the matter be" between you and Avanel B.?  
 Lajuan H., just how do you like Larry's new car?  
 Dee Ann, are you still wanting to return to Kansas?  
 Kitty F. and Joe N. were seen at the Seale Sunday night.  
 Bobby, did you and Clifton have fun in Floydada Sunday afternoon?  
 Gail and Wanda and Roland and Sunny apparently enjoyed themselves Tuesday night.  
 We hear Bobby Brown's old girl-friend in Floydada isn't engaged any more.  
 Shirley, do you enjoy Doyle's company? Clara Lee, Dan, Doyle, and Barbara Jo were seen together Tuesday night.  
 Jerry Workman and Carolyn Jones are making the rounds together these days.  
 The party girls are really dressing nicely to come to school. They wear mostly black and white, but some wear green and white.  
 Charles and Derrel are seen going to Floydada. On the way, they meet several Floydada boys coming to Lockney. This is getting puzzling!  
 Oddie and Peg, what's this we hear about your going to the Floydada Football Banquet? Huh! But what are those Senior rings doing around your neck?  
 Donice and Lahoma and Garland and Glenda seemed to be enjoying Bobby Lou's new car Saturday night.  
 Lanell surely was disgusted over the weekend. Could it have been something Glenda F. and Sue H. said to Bobby B.?  
 Where were Gail and Cleon Sunday night after the show? Wanda and Betty were seen riding around together.  
 Next week will not be "Twirp Week" on account of six-week exams.

## SALAD FLAVORING

A touch of garlic gives your crisp, cold salad bowl an added touch. If you're going out later chew a sprig or two of parsley straight from the vegetable freshener.

## Comments On The Senior Trip

Weldon Jones — I want to go to Hawaii to help harvest the grass.  
 Dan Griffith — I want to go to New Orleans, because it is both educational and recreational.  
 Loyd Williams — I want to go to Florida to swim with the beautiful fish.  
 Dee Nix — I want to go to Florida to see the bathing beauties.  
 Cleon Wylie — I prefer to go to Hawaii and learn to do the hula-hula dance.  
 Betty June Jackson — I would like to go to Hawaii to become a hula-hula teacher.  
 Clara Lee Smith — I want to go to New Orleans and see what I can learn down there.  
 Doylene Harrison — I want the trip to New Orleans to have a good time.  
 La Dora Ayres — I would like to go to New Orleans to have fun a few weeks any way.  
 Doyle Fowler — I want a one-way trip to Florida, and be a water dog.  
 Donald Pigg — I prefer New Orleans on account of the delightful climate.  
 Janice Hardy — I would like to go to Florida to forget everything and see sights.  
 Mary Marble — I would like a sightseeing trip to Florida.  
 Peggy Williams — I would like to go to Florida to smell the salt air and go sight-seeing.

## Seniors Class Gives Assembly On Nov. 11

On Friday, November 11 at 12:30 the senior class gave an assembly in the auditorium. Derrel Waldroupe, class president, was the M. C. for the program. The invocation was given by Luther Williams, and Eldora Boone led the student body in "America." Since this is Armistice Day, Mr. R. E. Patterson, a veteran of World War I, gave a speech to that effect. A stroll through Lockney High was taken visiting these teachers:  
 Mrs. Cope — Jimmy Holt.  
 Mrs. Carpenter — Frankie Hardy.  
 Mr. Johnson — Luther Williams.  
 Mrs. Ziegler — Mary Myers.  
 Students were: Doyle McAda, Peggy Williams, Alta Williams, Doyle Fowler, Jan Mathis, Betty Jean Jackson, Eldora Boone, Ernestine Spradlin, Harold Shearer, Bob Copeland and Pat Pierce.  
 "Memories to Remember," was sung by Oddie Rogers and Betty Jean Jackson.  
 The seconds of Elvis Presley and Scotty Moore (Cleon Wylie and Gail Wilson) played "I Forgot to Remember to Forget." "La La" was played by The Rhythm and Blues Band consisting of Harold Shearer, Luther Williams, Betty Mae Sams, Kenneth Pinner, Barbara Hanks, Dan Griffith, Doyle McAda and Sandra Sams.  
 Betty June Jackson, Pat Pierce, Betty Jean Jackson and Jimmy Holt portrayed "The Fontaine Sisters" in four different stages of a seventeen year old girl, and sang "Seventeen."  
 Fress Dominio (Harold Shearer and The Rhythm and Blues Band) played "Ain't It a Shame."

This concluded the senior assembly. It was thoroughly enjoyed by the student body and the faculty.

The famous Texas frontiersman, James Bowie, was inventor of the Bowie knife.

# AUDIT REPORT OF THE LOCKNEY INDEPENDENT SCHOOL DISTRICT FUNDS

Following is a complete audit report of cash receipts and disbursements of the Lockney Independent School District for the year ended August 31, 1955. The audit was made by J. B. Cassel, certified public accountant of Lubbock, Texas, and submitted to the Board of Trustees at its meeting on November 7, 1955. It was approved by the Board and ordered published in The Lockney Beacon. It is the policy of the Board to have an annual audit of all books.

### Hammond Urges Farm Equality In Economy

Fort Worth. — Agriculture must be put on a par with the rest of the economy if we are to avoid another depression, the president of the Texas Farm Bureau warned in a speech here today. J. Walter Hammond urged the adoption of a soil fertility bank plan to alleviate the surplus problem and put agriculture back on a sound basis.

He spoke to the 22nd annual convention of the Texas Farm Bureau at the Hotel Texas.

The farm leader said that the U. S. is in a period of unparalleled prosperity with industry and labor enjoying their richest blessings in history.

"But," he declared, "there is a notable exception to this story of riches. And that exception is agriculture. While labor and industry have been eating higher and higher on the hog, the farmer has seen his income sliding further and further downhill."

Hammond said that too many people are now saying that what happens to the farmer is of no consequence to the total economy. He stated that history has proven that idea false.

"All major depressions have been farmed and farm-fed," he declared. "We must put agriculture on a par with the rest of the economy if we are to avoid another depression."

The Texas farm leader blamed high fixed operating costs and the protective tariff for agriculture's loss of markets.

"If there were no protective tariffs and artificially high labor costs, the American farmer could compete with anybody in the world in selling his produce," he stated. "But, until the day that there is some semblance of sanity in our economy, the American farmer must continue to demand protection in the market place through price supports and other safe-guards."

Hammond singled out the law which requires the Commodity Credit Corp. stocks shipped abroad be carried in American bottoms as one of the methods by which farmers are forced to indirectly subsidize other industries.

He asked: "Is there any sensible reason why a self-respecting, self-supporting farmer should be required by law to use his earnings to subsidize non-self supporting industries, then go out in hand to the government pleading for a hand-out to replace that which he has been forced to give away?" Hammond said this philosophy is: "Let him who has no means of support do his own begging!"

The state farm leader said that the source of the farmers' troubles lies in the fact that we can produce more than we can sell at a fair price. He said labor and industry believed in an economy of scarcity while the farmer tried to operate in an economy of full production.

Hammond said that agriculture would have to operate under a system that limited production to demand if it is to survive. He said the soil fertility bank idea was the best way to achieve this.

Under the soil fertility bank idea, the percentage of acres that caused surpluses would be taken out of commercial production. The idle acres would be devoted to soil-building crops or practices. Hammond said that under the plan each farmer might have to take about 10 per cent of his tillable acreage out of production.

"The success of the plan is dependent upon good administration," he said. "It would limit government regimentation to a minimum."
