

L. Cowart Is Given 50-Year Masonic Button

L. Cowart of Silverton was presented with a 50-year Masonic button by the Silverton lodge No. 754 in a ceremony Tuesday evening of last week.

Cowart was a pioneer druggist of Lockney, moving here in 1891 and living here until 1918.

The ceremony was held at home of the honoree's son, Wiley Cowart in Silverton. L. Anderson of Lockney was asked by Mr. Cowart as the pin to present the pin. Quite a few members of the Lockney 1 Silverton Lodges were present for the ceremony.

Mr. Cowart received his master's degree from the Lockney lodge in December 1905. He was the local lodge as secretary from 1906 to 1912 and was worthy Patron of the Eastern Star Chapter No. 437.

Around 1912 he served the first Baptist Church here as church clerk. Edwin Minter of Silverton is master of ceremonies for occasion and invocation was given by Rev. James Patterson.

Plants were presented the honoree, one from the Lockney lodge by Rev. G. C. Applewhite and one from Silverton Lodge W. Coffee Jr.

Henry Teubel of Tullia Lodge 733 made a talk on Masonry the early days and J. W. Moore also made a talk. After presentation of the pin by Anderson the benediction was given by Rev. G. C. Applewhite.

Methodists Attend WSCS Workshop
Every citizen is responsible for World Peace" was the theme of the workshop on world understanding held at the Methodist Church, Plainview Tuesday from 10 a. m. to 3:30 p. m.

The workshop, sponsored by the Christian Social Relations and Local Church activities department of the W. S. C. S. is attended by more than 400 men and women of the North Texas Conference, New Mexico Conference and Central Texas Conference which is made up of Negro churches.

Special guest speakers were Mrs. Kiyo Tawaka who is a teacher, Y. W. C. A. and social worker in Nagoya, Japan, Miss Violetta Cavallero, director of religious education at Crandon Institute Montevideo Uruguay and Miss Shipstone, director of department of psychology at Abella Thoburn College, Lucknow, India. Miss Lucille Robinson, former missionary to China was co-ordinator for the group. Topics for consideration were "The Contribution the Church is Making toward World Understanding," "Some Barriers to World Peace" and "The Missionary Enterprise and World Understanding." Rev. Woodrow Adcock of Pampa, chairman of the commission on race of Northwest Texas Conference addressed the group on "The United Nations, a Channel for World Understanding."

Attending from Lockney W. C. S. were Messdames C. H. Rose, Burl Holt, Joe Foster, Frank Dodson, Paul Cooper, Herman Huffman, H. B. Coggin and F. O. Schacht.

Rev. Wiley To Attend Wayland Board Meeting
Plainview. — Rev. Roland Wiley, Lockney, is expected for the annual mid-winter meeting of the Wayland College Board of Trustees at 1:30 o'clock, Jan. 3, according to W. A. Mays, marillo, chairman. This meeting is traditionally held during the Panhandle Pastors' and Laymen's Conference, which this year will be in session on Jan. 23-24.

President A. Hope Owen will report on the state of the college. J. L. Harden, business manager, will report on the progress of the building program including remodeling in the Administration Building to provide a new combination bookstore and snack bar; construction of Brotherhood Hall, the project of the Baptist men in District 8, 9 and 10 to provide dormitory space for 50 young men; construction of a residence hall for 34 young women; and plans for Van Loweling Memorial Library building for which ground will be broken in the spring.

Other matters on the agenda include approval of Commencement plans and recommendations for faculty tenure.

Rev. Wiley is a member of the trustee committee on athletics.

Mrs. Floyd Huff returned Tuesday from Austin where she spent two weeks visiting her daughter, Mrs. Douglas Degge and family and other relatives.

GO TO CHURCH SUNDAY.

VOLUME 54

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, JANUARY 19, 1956

NUMBER 41

Local Teams To Tulia Friday

The Lockney High basketball teams will travel to Tulia Friday night to take on the very tough Tulia teams in District 2-AA battles. Both boys and girls teams at Tulia are very good this year, press reports show and the local teams will be in for a busy night.

Three games will be played with the first game, the boys B teams, starting at 6:30. The girls game will follow with the boys A team winding up the nights schedule.

Local Teams Lose
That old Muleshoe jinx worked on the local teams last Friday night in the local gym with both boys and girls dropping their games to Muleshoe by one point. Last year the girls lost both their district games to Muleshoe by one point.

In the boys game, the Longhorns led most of the way, holding a 6 point lead at the half time but the Mules managed to eke ahead at the close of the game winning 43 to 42. Gene Handley was the high point man for the Longhorns with 18 points and David Frizzell sank 12 points. Larry Jarrett, Johnny Hanst, Jay Kemp, and Maurice Meriwether also saw action.

In the girls game the final score was 29 to 30 in favor of Muleshoe. The guards held the Muleshoe team to one of the lowest scores of the season but the Lockney forwards couldn't get going and as a result the Longhornettes score was also low. Jan Mathis scored 29 points for the Longhornettes. Nelda Widener and Betty Foster were the other forwards. Guards were Doyle Harrison, Mary Myers and Sandra Sams.

On Tuesday evening also in the local gym the Lockney High teams lost three games to Littlefield.

In the B team game the score was 47 to 31. It was the first game the B team had lost all season.

The Longhornettes lost their game to the Muleshoe girls, 61 to 48. Jan Mathis dropped in 24 points and Nelda Widener made 13 for the local girls.

In the boys A game, the Longhorns just couldn't stay with the strong Littlefield team and the final score was 75 to 48. Gene Handley sank 17 points and David Frizzell made 14 for the Longhorns.

On Tuesday of next week the local teams travel to Oilton for the fourth series of district games.

County Salaries Are Unchanged

Salaries of county and precinct officials in Floyd County will be the same this year as the past year according to action by the Commissioners Court in a special meeting last Friday.

County Judge W. E. Grimes said that the Court did not see fit to change any salaries this year.

The only salary change in the court house was that of Court Reporter William D. Hardin, whose salary was raised from \$4800 to \$6000 per year. The district judge sets this salary and each county in the district pay their proportionate share based on population. Floyd County pays about one-third of the salary in this district, Judge Grimes said.

Mrs. Sandlin Says Thanks For Help

Mrs. Roland Sandlin this week asked The Beacon to express her appreciation for the financial assistance given her in paying hospital and funeral expenses incurred recently when her husband passed away.

Rev. M. H. Mooberry, pastor of the Assembly of God Church here, H. G. Edwards and H. C. Burress solicited funds here and in surrounding communities this week securing more than \$700 for the family. Both the hospital and funeral home reduced their charges so that the money collected paid the bills in full, Mrs. Sandlin said.

"I deeply appreciate what the people of Lockney and surrounding communities have done for us," Mrs. Sandlin said. "God bless you all for your part in helping to pay these expenses and we also appreciate the efforts of those who took up the money."

Mr. Sandlin passed away recently after a long illness.

C-C Representatives Leave Wednesday

Four representatives of the Lockney Chamber of Commerce and one man from Plainview left Wednesday morning for a trip to Corpus Christi and other points in South Texas on an inspection tour of industrial plants in that area. Making the trip were Claude Holley, president of the Chamber, Dick Whiteley, manager, Bob Miller and Jerry Paul Cooper of Lockney and Bert Prothro of Plainview. The men expect to be gone three or four days.

March Of Dimes Money Coming In

Funds for the annual March of Dimes have started to come in but no county-wide total is available at this time, according to Billy Henry of Floydada, drive chairman.

Several events are yet to be held benefitting the fund drive and probably the climax of the drive won't be reached until the latter part of the month.

Barry Barker, local drive chairman, said Tuesday that only one community had reported thus far in this part of the county. That was Irick. Gene Bloys, chairman, who turned in \$190.45 this week.

The dime cards, placed in various business houses here, are gradually gathering dimes and are expected to add considerably to the drive.

Boy Scouts To Work
The Lockney Boy Scouts will be out in force Saturday selling the March of Dimes blue crutches for the benefit of the dimes drive.

The Mothers March on Polio is set for Friday evening, January 27th and will be under the direction of the Lockney Business & Professional Women's Club. At that time the women of the city will make a house-to-house canvas for the March of Dimes.

Mrs. J. D. Wood is working up a talent show for pre-school children the same night with proceeds to go to the March of Dimes.

The fund drive in the business district will be made the latter part of the month, Barry said and will climax the drive here.

Radar Set-Up Nabs 26 Speeders

A State Highway Patrol radar set-up on Highway 70 just this side of the Hale County line last Friday and Saturday nights resulted in speeding tickets to 26 motorists and one ticket for failure to have a tail light.

Justice of the Peace J. J. Harris said Wednesday that most of those receiving tickets were residents of other areas, only four or five being local people.

Highway Patrolman Thurman Keffer and Troy Porterfield operated the radar unit and handed out the tickets.

Mr. Harris said that the minimum fine in his court for speeding is \$18.70, which is \$5 and costs. If a motorist is speeding excessively the fine goes up with speeds over 100 miles per hour drawing at least \$50 and costs. No tickets were handed to motorists making more than 75 miles per hour in the radar set-up, he said.

Registration Of Motor Vehicles To Begin Feb. 1

Registration of motor vehicles begins February 1. County Tax Collector T. T. Hamilton said this week. The county office at Floydada will begin registration on that date and Frank Dodson will be in charge of an office here starting March 1 to be located at the Lockney Auto Co.

The license plates this year will conform to the national standard size being about an inch and a half longer than old plates. Their actual size will be 6 by 12 inches, and the plates will be black with orange figures and letters.

Passenger plates in Floyd County begin with BD-4000 and go to BD-8099.

Commercial plates begin with 1E-125 and go to 1E-724. Farm plates begin with 5D-7800 and go to 5D-9599.

Polls Still Low
Poll tax payments in this county were still at a low figure this week. Mr. Hamilton said. Up to Tuesday the tax office had issued 1888 polls and 35 exemptions for a total of 1923.

Earl Cooper Asks For Re-Election

TO THE CITIZENS OF FLOYD COUNTY:
I offer myself as a candidate for re-election in the Democratic Primary July 28, 1956.

I have served as your sheriff for the past three years. Like any other officer, I haven't been able to please everyone. That's an impossibility. This office has been run in a clean, respectable and impartial manner.

I truly appreciate the cooperation that the people have given me, and this office, and if you feel that I have done my duties well enough to be re-elected to this office for another term I will sincerely appreciate your vote and influence. I promise the people that I will carry on the duties of the sheriff's office in the same manner as it has been in the past.

I may not be able to see all the people in the county, for I have the duties of this office to see after, but I will see as many as possible.

I earnestly solicit your vote and influence.
Sincerely,
Earl Cooper.

Betty Dean Has Operation Wed.

Little Betty Irene Dean, 4½-year-old daughter of Mr. and Mrs. Bud Dean, underwent an emergency operation at Baylor Hospital in Dallas Wednesday morning. The little girl had been in a serious condition but she was much improved Wednesday afternoon.

Mr. and Mrs. Dean and the little girl flew to Dallas Monday because of the girl's serious condition. She was so much improved Wednesday, however, that they hoped to be able to start home Thursday, according to a telephone conversation between Mrs. Dean and her mother, Mrs. A. P. Shugart of Lockney.

Mrs. Dean is proprietor of the Modern Beauty Shop here.

Three Plead Guilty In District Court

Three men pleaded guilty in 110th District Court at Floydada Wednesday and all were given probated sentences.

Homer Warr pleaded guilty to a charge of burglary and was given a 5-year probated sentence by District Judge Alton B. Chapman. Elroy Andrews also pleaded guilty to a like charge and received the same sentence. The men were charged with breaking into the Weems Texaco Station at Floydada.

W. D. Fuston pleaded guilty to passing a worthless check and received a 2-year probated sentence.

In County Court Jose Vara was charged with stealing a watch, value under \$50. He pleaded not guilty and the trial was set for Feb. 23.

Mrs. Riddle Is Buried Tuesday

Mrs. Hettie Francis Riddle was buried in the Bethlehem Cemetery near Blue Ridge, Texas, Tuesday after funeral services at Lockney and Blue Ridge. She passed away about 3 a. m. Monday in the Lockney General Hospital after a short illness. Death was caused by a heart attack. She was 77 years of age.

Services were held at the Carter Funeral Chapel here Monday afternoon conducted by Rev. E. E. Wiley, local Baptist pastor. The body was carried overland to Blue Ridge where services were held at 3 p. m. Tuesday.

Mrs. Riddle was born October 6, 1878 at Collins, Texas. She had lived in East Texas most of her life moving here about 4 years ago to live near her daughters, Mrs. J. B. Howard and Mrs. A. H. Turner.

Survivors include the two daughters of Lockney, one son, Ernest Riddle of Greenville; one brother, Jim Watson of Lubbock; four sisters, Mrs. L. M. Powell, Mrs. Wesley Parker, Mrs. Wade Sumrow, all of Lubbock, and Mrs. Homer Kenady of Fort Worth. Eighteen grandchildren and 21 great-grandchildren also survive.

Carter Funeral Home of Lockney was in charge of arrangements. Grandsons were pallbearers.

Pre-School Talent Show To Be Jan. 27

The pre-school Talent Show is shaping up nicely, according to Mrs. J. D. Wood. Twenty-four youngsters whose ages range from 2 to 6 plan to take part. Any child who is not enrolled in public school is still welcome to contact Mrs. Wood, dial 2235, to help in this polio benefit program taking place at the high school auditorium Friday, January 27. The deadline for entering has been extended to Tuesday noon, January 24 so all names of the young performers will appear in next week's Beacon.

Pupils of the Mother Goose School are preparing a "Jack and Jill" wedding with various Mother Goose story book characters all in costumes. Other children may wear costumes if they wish. Climaxing the evening's entertainment will be the coronation of "Little Miss Polio" who is Bridget Ann Wood, Plainview, three years old. Bridget Ann was stricken with polio when she was only 13 months old.

No admission charge will be made but a silver offering will be taken. All of this will be turned over to the local polio fund. The public is cordially invited to attend.

Screen Cover Over Trash Barrels Asked

Residents of the city are being asked to put a screen cover over their trash barrels in order to prevent flying embers. Miss Juanita Thompson, city secretary said this week.

If local residents want to burn off a vacant lot they are asked to call the fire department who will send a truck to stand by and prevent spread of the fire, Miss Thompson said.

TO MAYO CLINIC

Mr. and Mrs. T. B. Mitchell and son, Chester Mitchell, left Tuesday for Rochester, Minn., where all three planned to go through the Mayo Clinic. They will be gone about 10 days.

LAVON JOHNSON IS SELECTED TO FILL BOARD VACANCY

Farm Road Is Completed

Paving of a five-mile connection between the Providence and Lone Star farm-to-market roads has been practically completed by Kerr & Middleton, contractors. The caliche base has been shot with one "winter" coat of asphalt and the contractors will come back in the spring to give it a second shot and complete the work, it was said.

The "winter" shot of asphalt is a new wrinkle in farm-to-market road paving but engineers have concluded that one shot of asphalt will serve to hold the caliche in place better than the old practice of shooting all the asphalt in warm weather.

The connection is an 18-foot road which runs straight east from the Providence school and connects with the Lone Star road one mile south of Cassel Bros. gin in the Lone Star community.

Final Rites Held For Mrs. J. E. Cooper

Mrs. J. E. Cooper passed away at Hondo Valley Hospital in Ruidoso, New Mexico Thursday, January 12 at 9 a. m. She underwent major surgery at the hospital Wednesday morning and passed away the following morning. Five of Mrs. Cooper's children live in Lockney. They were all at her bedside when she passed away.

Mrs. Cooper was Maud Frances White before her marriage to J. E. Cooper October 19, 1909. She was born in Oak Grove, Arkansas and was converted at the age of nine years and united with the Baptist Church.

Funeral services were held in Greentree Baptist Church Friday, January 12 at 2:30 p. m. with Rev. Jess E. Allen, pastor officiating. He was assisted by Rev. Ben F. Waggoner, pastor of Shady Grove Baptist Church.

A daughter, Elba Marie preceded her mother in death a number of years ago. Mrs. Cooper's husband and twelve children survive. Children are Jack Cooper of Morenci, Arizona, Howard Cooper, Mrs. John Chandler, Melvin, Glen, and Ross Cooper, all of Lockney, Mrs. George Mills, Amarillo, Lee Cooper, and Mrs. Bob Van Meter, of Albuquerque, Kenneth Cooper, Jai, New Mexico, Dick Cooper, Blackwell, Texas and Mrs. James Wood, Lubbock. All were present for services. Twenty-four grandchildren, one great-grandchild, three brothers and three sisters also survive. Two of the brothers, Charlie and Willie White of Traskwood, Arkansas attended the funeral.

Those attending final rites from Lockney and Plainview included her children and their families and the following friends, Mr. and Mrs. Hilburn Casey, Tom Marr, Mr. and Mrs. Don Murphy and family, Mrs. Ed Chandler and Mary Beth, Carl Chandler, Mrs. Kate Chandler and Mrs. Bobby McAninch.

Mrs. Annie Allen Is Little Better

Mrs. Annie Allen, who has been critically ill in the Lockney General Hospital here, was reported to be a little better Wednesday. Her condition was very serious over the weekend but has since shown some improvement.

Court Names Two Members On Board

Mrs. Ted Oliver of Lockney and Mrs. H. A. Kreis of Dougherty are new members of the Floyd County Library board, succeeding Mrs. Dee Copeland of Lockney and Mrs. H. A. Drysdale of Dougherty, whose terms expired with the end of the year.

By-laws of the library organization do not permit a director to succeed himself on the directorate.

The new members were named by the Commissioners Court in a brief session held recently.

Hold-over members of the board are Mrs. H. F. Jackson, Sand Hill, Cecil Hagood and Mrs. Kinder Farris of Floydada, Mrs. L. T. Wood of South Plains, Joe Parrish and Mrs. Hershel Cartel of Lockney.

Lavon Johnson of Lockney has been selected by the School Board to fill the vacancy on that board caused by the resignation of "Whitey" Baccus. The unexpired term lasts only until April of this year when three members of the board will be elected. Mr. Johnson is a member of the firm of Johnson & Johnson, auto repair and parts, and has been living in Lockney for the past 10 years.

The Baccus family moved to Dallas in an effort to improve the health of their little daughter, Pamela. The child has had pneumonia several times and only recently recovered from an attack. Physicians have advised that they move to a lower climate. They left here Monday of this week.

The "Whitey" Baccus Motor Company will continue its operation here in the same manner with R. D. "Rusty" Baccus in charge, members of the firm said.

"I certainly appreciate the co-operation of the people of this area while I served on the school board," Mr. Baccus told The Beacon. "Your co-operation has been excellent and it has helped us in many ways."

Mr. Baccus resigned at the board meeting held Tuesday evening of last week. His resignation was accepted regretfully by the board and Oscar Golden, vice-president, moved up to the office of president. The terms of Robert Lee Smith and Frank Brown also expire in April.

Charles Duran, president of the First National Bank here, will move into the Baccus home on Southwest Second Street.

Dinner Meeting Of Fair Ass'n Reset

The dinner meeting of the directors of the Floyd County Fair Association originally scheduled for Jan. 12, has been reset for Tuesday, Jan. 24, according to an announcement by E. L. Turner, president of the Association.

The postponement was made because of the death of the mother of Howard Cooper, secretary of the organization.

Tuesday night's meeting will be held at the Floydada High School cafeteria, with activities to begin at 7:30, according to original plans.

New directors and new officers will be installed at the meeting, which will be the first of the year for the group. Preliminary plans for the annual fair, including the choice of a site and date, will be made at the planning session, which will follow the dinner.

Wives of directors will be guests. Extension service agents are also expected to be present to assist in the planning.

Lloyd Widener Is Burned By Fire

A tractor fire Sunday afternoon resulted in painful burns on the hands for Lloyd Widener, a farmer of the Prairie Chapel community. Mr. Widener also had some blisters on his face. He will not be able to work very much for some time, Mrs. Widener said Wednesday although the burns are healing satisfactorily.

Mr. Widener had driven the tractor from the field to the house and was using a butane filler hose to clean the radiator. The butane came in contact with the exhaust, which was still hot, and exploded. One tire, the seat and other burnable parts of the tractor were destroyed by the fire.

The Lockney Volunteer Fire Department was called and a truck and several members went to the scene of the fire but the Wideners had been able to extinguish the fire with small fire extinguishers when they arrived.

Fire Chief Audvie Barnett Wednesday was urging farmers and others handling butane to be very careful with it due to its explosive qualities. There have been several accidents resulting in burns from the handling of butane, he said.

Sub-District WSCS To Meet January 24

The Sub-District meeting of W. S. C. S. will meet with Alken Methodist Church Tuesday, Jan. 24, from 10 a. m. to 2:30 p. m. Mrs. Clyde Kemp will bring a report from the local unit on "What We Are Doing in Our Children's Department."

PROBE LEADERS CONFER. Three key figures in the Texas veterans land investigations confer in a Kerrville hospital on the many state-wide criminal and civil cases now in various stages of prosecution. Left to right—Wiley Cheatham, former DeWitt County Attorney recently appointed by the Attorney General to head the criminal division of the Attorney General's Office in coordinating the cases under prosecution, and Attorney General John Ben Shepperd, visit Kenneth Towery, editor of the Cuero Record, who recently won a Pulitzer Prize for his work in exposing the first fraudulent land sales in the veterans land program. Towery is recuperating in the Kerrville hospital.

Minute Editorials

For this is the love of God, that we keep His commandments; and His commandments are not grievous.—1 John 5:3.

DESPITE ALL OUR TROUBLES cropwise the past year deposits in the First National Bank of Lockney on January 1 compared very favorably with those in banks in other towns of the area of comparable size. In fact we haven't found a town of Lockney's size which could match its bank deposits. In a list of more than 10 towns on the Plains we found only two which had higher deposits than Lockney, these being Floydada and Tahoka. Both are county seats as well as being considerably larger than Lockney.

LOOK AT THIS list of area towns and their deposits:

IT IS SOME COMFORT that both political parties are pledged to take some quick action on the farm problem and try to reverse the trend of recent years. The thing we fear is that the two parties will get to fighting each other to see who gets the credit for helping the poor farmer and he'll wind up without any help. We hope that doesn't come true but it might. It is awfully hard for our Congressmen to refrain from indulging in some politics along the way most of the time to the detriment of all.

THE TEXAS RANGEES were called to Corsicana to help keep the union members in line in the strike there. The violence done to non-striker homes of course is inexcusable. Certainly the union would deny responsibility but under the circumstances it could hardly be anyone but union members who would have occasion to resort to violence so the union gets the credit whether they want it or not. Any organization which resorts to mob violence and outlaws to try to enforce its demands and keep people from engaging in their right to work is doing itself a hurt and you can't escape the fact—denials or not.

POLITICS are certainly not boiling much in Floyd County and there is no indication at present that they might start boiling very soon. We will probably have two or three contested races and maybe more but not likely. You'll want to exercise your right to vote, however so better run down and pay that poll tax if you haven't. January 31st is the last date for paying your poll tax.

THE EIGHT DO-MORES: Do more than exist—live; do more than touch—feel; do more than look—observe; do more than read—absorb; do more than hear—listen; do more than think—ponder; do more than talk—say something.

A BIG LEAGUE UMPIRE once remarked that he could never understand how crowds in the grandstands, hundreds of feet from the plate, could see better and judge more accurately than he, when he was never more than seven feet away. In life, too, we sometimes call strikes on a chap when we are too far away to understand. Perhaps if we had a closer view of the man and his problems, we would reverse our decisions.—Cheer Magazine.

THE AMERICAN WAY

Aha! THAT'S It!

With Our EXCHANGES

PUBLIC NOTICES In all the talk about the land scandals, the insurance scandals, the stealing of public funds—not one mention has ever been made by anyone in public office concerned that if laws had been passed requiring publication of legal notices about such transactions these events would not have happened. Public notices serve to expose such operations, and so long as publication is not required there will continue to be thievery, crookedness and bickering. If it had been mandatory that the land department, for

example, advertise the fact that said land had been bought by said veteran and that he had theretofore taken advantage of the state's generous offer—there would be no so-called "bulk" sales. The people in the community where that veteran lived would have been notified that he had entered into said contract. He himself would have known what was going on in his name. In fact, the fear of publicity would have stopped it before it started. When grafters are exposed to public view, the graft ends.—Trends in Crosbyton Review.

ALL THE NEWS The publisher of a southern Illinois county seat weekly newspaper was recently fined \$300 and costs for drunken driving and had his driver's license revoked for one year. He ran the story on Page 1 of his newspaper.

There is no business like newspaper business. Newspapers for generations have earned the trust of their readers by printing what their editors know to be news. Sometimes, as in the case above, they would rather not use a story, but every editor knows that he has no choice. To suppress a news story is not only a matter of cheating his readers but it is a slap at the profession which he has chosen as his life's work.—Amarillo Daily News.

license revoked for one year. He ran the story on Page 1 of his newspaper. The Illinois Press Association in reporting the above facts doubts that any readers will henceforth prevail upon the publisher to keep their names out of the paper. During the time it takes to read this editorial some editor somewhere is trying to explain to some distraught parent or wife of a husband who he has not published. And the chances are that his explanation isn't understood.

AND THAT'S GREEDY, MONOPOLISTIC BIG BUSINESS FOR YOU! The giving away of \$300 million dollars to colleges, hospitals and medical education centers last week by the Ford Foundation was an act of philanthropy which captured the imagination of the nation. Even in this day of multi-figure computations where "billions" are thrown around in the casual manner that "thousands" used to be \$300 million dollars is an astoundingly large amount of money to just give away.

With millions of other Americans, we shared the satisfaction of knowing that this money represents the true outlook of American industry to this country, but this news also provided us with a little amusement. After having read in some publications, too few, fortunately, that the country's big business concerns are bleeding the rest of the country to death while they greedily stack up record-breaking profits, it is almost a joke to match this philanthropic act against what some labor-backed writers have been trying to make us believe.—State Tribune.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

January 21, 1925
 Lockney Auto Company celebrated the opening of its new \$30,000 home here Friday evening with a banquet and house warming. Several hundred people were in attendance.

A Co-operative marketing School will be held at the Christian College in Lockney Thursday, Friday and Saturday next week under the auspices of Texas Wheat Growers Ass'n, Floyd County Farm Bureau and Texas Bureau Cotton Ass'n.

Mr. and Mrs. T. F. Casey celebrated their 50th wedding anniversary Wednesday, January 20 at their home about seven miles northeast of Lockney. Mr. and Mrs. Casey were married in Benton County, Mississippi Jan. 20, 1876 and came to Texas thirty-five years ago. They came to Lockney in 1900, 20 years ago. Their sons and daughters are John, Luther Perry, and Hilburth Casey, all living in Floyd County. Mrs. E. C. Cox, Lockney, Mrs. G. C. Fairley of Amarillo, Mrs. W. L. Thomas and Mrs. C. H. Rose of Lockney.

 REVIS HARRIS Baker Hotel E. R. HARRIS

"Our ELECTRIC water heater is an important partner to our other work saving electric appliances!"
 says MRS. KEITH HALL 120 E. 18th STREET PORTALES, NEW MEXICO

A modern water heater is fast, safe, clean and economical... in, of course, the modern water heater is electric.
 Mrs. Hall says: "I like for the water to be really hot when I use my dishwasher and my washer-dryer combination. Our boy family makes many demands for hot water, and our electric water heater does a perfect job."
 Mrs. Hall enjoys the exclusive plus value of extra storage space, which electric water heating offers, too. "Even our linens can be stored above our electric water heater."

The supreme test for a water heater? Keeping up with the needs of a growing boy. "Our son, Jimmy, like most young athletes, requires a dependable supply of hot water."
 And the father looks to safety. Mr. Hall, immediate past president of the New Mexico Junior Chamber of Commerce, says: "I often find it necessary to take out of town trips in my business, and I appreciate the fact that our electric water heater is absolutely safe."
 For every member of your family there's a modern way to heat water. Of course, it's electric.

Andy Baccus Is Party Honoree

Andy Baccus, son of Mr. and Mrs. Whitey Baccus, was honored with a farewell party in the basement of the Methodist church Saturday night at 7:30. He moved with his parents to Dallas Monday. He is ten years old and a member of the first grade class. Games were played and gifts presented to the honoree. Refreshments were served to 7 and Jimmy Baccus, Paul Bob and Jimmy Kropp, Givens, Delvin Bybee, Clark, Karen Ashton, Jerry Janie Rhodes, Jo Read, Jonita Ferguson, Joe Hammond, Denny Land, Sue Stansell, Gary Holt, Barker, James Race, Greg Smith, Randy Laceywell, Schchrist, Sharon Edwards.

Guests were Meses. J. C. Dale Laceywell, Claude Bond, Fritz Schacht, Tom and Milton Ashton.

Club Meets In Mitchell Home

Sant Valley Home Demonstration Club met Tuesday, January 10 in the home of Mrs. Mitchell, hostess. The program for the evening was "The Program is Changing." Mrs. Harriette Pett gave a demonstration in Party Foods for Tea Towels. Mitchell served dainty ches, cookies, mints and to Meses. Harmon Hand, Mark Harris, Don Hatch, Dorsey, Bob Henry, Ray Rucker, Ray Aston and te Brummett. Club will meet Tuesday, January 24th in the home of Mrs. Mitchell.

Mrs. Henry Schacht Is Club Hostess

El Progreso Study Club met Wednesday, January 11 in the home of Mrs. Henry Schacht.

Roll Call was answered with "The First Thing I Notice About a Person." Topic for discussion was "What's New in the Home." Mrs. Dee Copeland, Mrs. Chester Mitchell and Mrs. Leslie Ferguson conducted very interesting round-table talks on construction, planning, built-ins, appliances, floor coverings, home furnishings, window treatments and handy gadgets.

Refreshments were served to Meses. Herschel Carthel, L. M. Honea, J. C. Kemp, Barry Barker, Dee Copeland, Leslie Ferguson, Chester Mitchell, Milton Ashton, Clyde Applewhite, Guy Sams, E. M. Quebe, T. B. Mitchell, Henry Hodel, B. A. Simmons, Jesse Cox and the hostess.

The next meeting will be January 25 in the home of Mrs. Leslie Ferguson.

COLOR CAUTION

Every woman loves color in the kitchen. It brightens her view and cheers her working day. Kitchen planners, however, caution against indulging color whims in walls and counters. It is wiser to keep the permanent tile of the walls or wainscots, as well as the work surfaces, in delicate pastels or gray, and rely on utensils and accessories for color splashes. The walls are around a long time and you want to be sure you won't tire of their hue.

Presidential electors meet on the Monday following the second Wednesday in December.

ENGAGED — Mrs. I. O. Graves is announcing the engagement and approaching marriage of her daughter, Leona to A. S. Arlie L. Willis, son of Mr. and Mrs. B. F. Willis, Marietta, Okla. The wedding will be held in the Lone Star Baptist Church February 13 at 7 p. m.

Betty Blum Is Bride Of Ronnie Upton

Miss Betty Elaine Blum became the bride of Ronnie Dale Upton Sunday afternoon at 3 o'clock in a double ring ceremony solemnized at the City Park Church of Christ, Floydada. The bride is the daughter of Mr. and Mrs. Lewis H. Blum, Floydada and the bridegroom is the son of Mr. and Mrs. Raymond Upton of South Plains. Minister Gordon Downing, read the vows before an altar arched in white wrought iron entwined with greenery. Flanking the arch were baskets of white mums and gladioli backed with candelabra holding white tapers.

The wedding chorus of Broadway Church of Christ, Lubbock sang a prelude of nuptial music and the traditional wedding marches. The Lord's prayer was sung as a benediction.

Entering on the arm of her father who gave her in marriage, the bride was dressed in a full length gown of nylon tulle over satin. The fitted waist was designed with low v-neck, cap sleeves and a yoke outlined with ruffled net. The voluminous skirt was fashioned with gathered tiers edged with ruffles and featured a double tiered peplum at the waist. Her shoulder length veil of nylon tulle fell from an imported velour hat flecked with pearls and rhinestones. She carried a prayer book topped with a white orchid showered with white satin streamers.

Mrs. Bill Fulton was matron of honor. She was dressed in a ballerina length gown of turquoise crystalettes designed with a fitted bodice, v-shaped neck and three-quarter length sleeves. The skirt was tiered and she carried a bouquet of pink carnations showered with turquoise streamers.

Bonnie Upton, sister of the bridegroom, lighted the candles. She was dressed identical to that of the matron of honor. Serving as best man was Bill Fulton.

A reception was given at the church immediately following the ceremony. The refreshment table was laid with a white crocheted cloth accented with the attendant's bouquet and a three-tiered cake topped with a miniature bride and groom. Mrs. Juanita Mullican, aunt of the bride, and Mrs. Bill Fulton served.

For a wedding trip to Ruidoso, New Mexico the bride chose a princess style dress of brown flecked with black and trimmed with pink. Her shoes were brown and she wore pink gloves and hat, and an orchid corsage.

Mr. and Mrs. Upton are both graduates of Floydada High School. After January 25 they will be at home in Tacoma, Washington while he is stationed with the army at Fort Lewis.

Attending the wedding from Lockney were Mr. and Mrs. H. S. Calahan, grandparents of the groom, Mr. and Mrs. Arthur Brown, Mr. and Mrs. E. A. McLeod, Mr. and Mrs. Frank Brown, Mr. and Mrs. Hilburn Casey.

School Menu

Monday — Salmon patties, oven potatoes, English peas and cheese salad, hot rolls, butter, jelly, cake squares, milk.

Tuesday — Meat loaf, spaghetti and tomatoes, green beans, carrot sticks, bran muffins, butter, banana pudding, milk.

Wednesday — Brown beans, scalloped tomatoes, cabbage and pepper slaw, tamales with cheese, cornbread, milk.

Thursday — Hot dogs with chili, French fried potatoes, glazed whole carrots, whipped orange jello with pineapple, milk, cinnamon rolls.

Friday — Roast beef, cranberry sauce, black eyed peas with snaps, candied sweet potatoes, lettuce wedge, w-w rolls, butter, milk, blackberry pie.

329 Fay and Jimmie Lockney

South Plains

By Mrs. Murray Julian

Albert Bean was taken to Plainview Hospital Tuesday suffering with a heart attack, and is still there. Mrs. Shelby Calahan and Mrs. Gilbert Bean have been caring for Albert's girls while Mrs. Bean is at the hospital with him. We hope he is soon able to come home.

Mr. and Mrs. Sim Reeves are expecting at any time their son. Mr. and Mrs. Raymond Reeves who have been stationed at Rockaway Park, New York the past year. Raymond has finished his military training and will be home to stay.

Mr. and Mrs. Grigsby Milton Jr. and girls took his mother, Mrs. Grigsby Milton Sr. and Linnie back to their home in Amarillo Sunday. Mrs. Milton and Linnie had been here a week visiting with relatives and friends. They had attended church Sunday morning in Lockney with Mr. and Mrs. Herman Thornton and children.

Fred Marble and Charles Hartman who left last Wednesday morning for the armed service have been assigned to the military base at Fort Ord, Calif. Johnny West from here is also stationed there.

Mr. and Mrs. Sylvin Kinnibrugh and girls went to Vera

and Truscott Saturday to visit the J. A. Kinnibrughs and Mrs. J. R. Spivey until Sunday.

John Wilson was ill and in the Plainview Hospital from Wednesday of last week until Sunday. He is convalescing at home.

Beverly Norman left Sunday for her home in Siloam Springs, Arkansas, after spending the past two weeks visiting her sister, Mrs. Sterling Cummings and family.

J. T. McClure, 78, of Crosbyton, father of Frank McClure of our community, passed away Sunday night in Crosbyton. We extend sympathy to the family who only recently had the sadness of Mrs. McClure's father, R. W. Newman's death. Funeral services will be Wednesday at 2 p. m. in Crosbyton for J. T. McClure.

Mrs. Lena King arrived home Sunday after spending the past three weeks in Dumas, the guest of her daughter, Mrs. J. T. Reed and family.

Mrs. Gus Whitted now living at New Deal has been staying the past week in the home of her brother, Charles Jarrett and family helping care for Eddie Jarrett who underwent surgery for a back ailment and is now convalescing at home.

Terry Julian from WTSC Canyon, spent Saturday until Monday with his folks, and will be home again Thursday.

Chevrolet Introduces Restyled Corvette

Chevrolet adds another chapter to its pioneering achievements with a new Corvette in the sport car field. Among principal features are a power-actuated solid top, 115 and a removable solid top, which like the body is built of the new, stronger, fiber-reinforced plastic. The new, more completely restyled car has been completely restyled and offers either a manual or automatic transmission coupled to a V8 engine of 235 horsepower. It is appearance the latest Corvette may be readily distinguished from previous models. Restyled fenders sweep downward and the sides of the body carry a sculptured depression. Exterior color choices include black, green, upper, red, blue and white, with the cockpit color-coded in beige or red.

Mr. and Mrs. George Weast arrived home late Sunday night from Ruidoso, N. M. where they spent the weekend in their mountain home, with guests Roy, Chris and Bill Kodes from South Plains.

Mrs. Bryan Karr is convalescing at her home after being in the Lockney Hospital from Tuesday until Thursday of last week with minor surgery.

Mr. and Mrs. John Key West, Winfred and Dale, moved into their new home west of Siverston Highway, near the McClure home Monday, and they have invited all their friends, relatives and neighbors to open house on their 23rd wedding anniversary Sunday, January 22 from two until five-thirty p. m.

Mr. and Mrs. Frank McClure returned to Grand Prairie Thursday night, where they are in Millings Sanatorium for treatment. They were called suddenly home Sunday night by the passing of his father, J. T. McClure.

Mr. and Mrs. Carl Daniel from Amarillo were overnight guests of Mr. and Mrs. George Weast Wednesday night.

Mr. and Mrs. B. G. Dunlap, Becky and John spent Saturday night visiting Mr. and Mrs. Murray Julian and boys.

WMU met in the home of Mrs. Bryan Karr Monday afternoon at two with Mrs. Shelby Calahan assisting. Mrs. Milton presided. After prayer Mrs. John Smitherman began the interesting review of the mission book "The Tribes Go Up," a study of the American Indians and the missionary activities among them. The following served supper, punch and coffee to Mrs. Bryan Karr, Mrs. Milton, Mrs. J. W. Taylor, Don, Sun, Susan, J. W. Taylor, Don, John, James, Charles, and Bryan, Kay.

Mr. and Mrs. Owen Thompson left for Temple Sunday when Owen will go through the state at San and White Monday. Kathleen will also have a checkup.

Mrs. E. W. Newton and daughter, Dorothy and Lorraine arrived home late Sunday night from El Paso where they were staying with Mrs. Newton's sister, Mrs. Eva May Brown, who was quite ill with pneumonia. They returned home Friday and are expecting Mrs. F. H. to arrive Thursday for a two-week stay at the Seaside home.

Mr. and Mrs. Sterling Cummings were hosts of a waffle supper Friday evening to members of the Young Married Club, Sunday School Class, Sun School, and "42" after the supper games of "42" and "24" were played. Present were Mrs. and Mrs. Sylvin Kinnibrugh and Mrs. Kenneth

South Plains H. D. Club met at the home of Mrs. Frank McClure with Mrs. Grigsby Milton as hostess Wednesday afternoon. Mrs. Webb led in singing with Mrs. Newton's sister, Mrs. Eva May Brown, who was quite ill with pneumonia. They returned home Friday and are expecting Mrs. F. H. to arrive Thursday for a two-week stay at the Seaside home.

South Plains H. D. Club met at the home of Mrs. Frank McClure with Mrs. Grigsby Milton as hostess Wednesday afternoon. Mrs. Webb led in singing with Mrs. Newton's sister, Mrs. Eva May Brown, who was quite ill with pneumonia. They returned home Friday and are expecting Mrs. F. H. to arrive Thursday for a two-week stay at the Seaside home.

Grow your calves when the growing is easy!

Size in a cow means MILK to you and size in a calf is easiest to get when that cow's a calf!

At no time in the life of a cow does she grow like she does when she's a calf. That's when Nature gives her that ingrown "want" to grow which, through proper feeding and management on your part, lets a calf triple... sometimes quadruple... her weight in four short months.

Purina's calf Chow teammates... Nursing Chow and Calf Startena, have what it takes to help calves grow to half their breeding weight in four months' time.

Purina Nursing Chow, a top milk replacer, supplies a baby calf's milk needs during her all-important first 30 days and provides growth-stimulating, disease-preventing vitamins, minerals and antibiotics as well.

Purina Calf Startena, a complete calf Chow, has been developed by years of laboratory research and on-the-farm testing to provide carefully-blended nutrients for strong bones, deep bodies and healthful vigor.

Raise your calves the Purina way with Purina Nursing Chow and Calf Startena. Let these famous calf Chows help you grow big calves today... for big cows tomorrow!

Dead on Your Feet?

IF YOU SUFFER FROM

- Fatigue
- Nervousness
- Poor appetite
- Digestive upsets
- Insomnia
- Constipation

These symptoms if due to a chronic deficiency occur only when daily intake of vitamins B₁ and B₂ is less than the minimum daily requirements over a prolonged period. In themselves they do not create a chronic deficiency as they may have other causes or be due to functional deficiencies.

See your doctor. The basic cause of your trouble may be iron-and-vitamin deficiency over a prolonged period. BEXEL, the Special High-Potency Formula supplies supplementary quantities of iron for red blood to start new strength and energy pouring through your entire body.

Each wonder-working BEXEL capsule gives you more than 10 times the daily minimum requirements of blood-building iron; more than the daily minimum requirements of all the essential B-vitamins plus Vitamin E, plus trace minerals.

Join the thousands of grateful men and women of all ages who thank BEXEL Special Formula for giving them a glorious outlook on life. Get BEXEL today—now available at all drug stores.

By Mrs. Murray Julian
Delayed

Summer like days and cool nights dominate our weather and wheat farmers are watering wheat or wishing for some moisture.

TA met at the school auditorium Friday, January 6 with Roy Bledsoe in charge of program on "The Family Skilled Hands." A program was also given by the 4th grades under direction of O. T. Hewitt. The teachers, and about 15 parents present.

Ann Wood left Wednesday his marine base in Camp Lejeune, California, after 15 days furlough with folks. Mr. and Mrs. L. T. Wood and Mr. and Mrs. Walter d.

Ms. Grigsby Milton accompanied Mrs. Harriette Brummett to Lubbock Friday where they attended a THDA meeting.

Ms. Grigsby Milton Sr. and daughter, Linnie, of Amarillo, the small daughter of Otis, arrived Sunday to spend a few days visiting Mr. and Mrs. Grigsby Milton Jr. and family and other relatives and friends. They plan to attend at Mrs. McClure's Wednesday afternoon.

S. R. G. Cassel of South Plains visited Thursday with Mrs. George West. West is spending her winter this week visiting homes of our vicinity in the Plains division.

and Mrs. Roy Bledsoe and Mrs. S. D. Kinnibrugh and

Beth, and Mrs. Clifford Helms and Bonnie were among those who spent Thursday in Lubbock.

Betty Blum Complimented At Shower Of Gifts

A bridal shower honoring Miss Betty Blum, bride-elect of Ronnie Upton, was given in the beautiful home of Mrs. George West Wednesday, January 4 at three o'clock.

Guests were greeted by Mrs. West and Mrs. Parks and were registered by Miss Bonnie Upton, sister of the groom, in a lovely white leather brides book. Mrs. Higginbotham showed the guests to the serving table which was laid with a white cutwork cloth over blue, and centered with a tiered flower arrangement of blue and white, the brides chosen colors and topped by a miniature bride and groom.

Presiding at the punch service was Mrs. Beedy and serving the blue and white decorated angel cake squares was Mrs. L. T. Wood. Crystal appointments were used and napkins were imprinted with "Betty and Ronnie."

Mrs. Lewis Blum, mother of the bride and Mrs. Raymond Upton, mother of the groom, and the bride-elect were presented beautiful white corsages.

Hostesses for the occasion were Meses. George West, John K. West, Bill Beedy, H. R. Hartman, Bryant Higginbotham, A. L. Stewart, I. H. Parks, H. L. Marble, L. T. Wood, John Wilson and John Smitherman.

There were about 50 guests present and many gifts were sent by those unable to attend.

Mrs. Sterling Cummings had as house guest this week her sister, Beverly Norman of Siloam Springs, Ark. On Wednesday another sister, Mrs. Kay Hall of Hereford came to spend the afternoon and night with the Cummings family.

Mr. and Mrs. Walter Wood and L. T. Wood went to Sunny-side in Castro County Sunday afternoon to attend services for Mrs. R. A. Ferguson, 51, who passed away Friday morning of a heart condition. She had lived at Cedar Hill with her family in the past years. Others from here attending the funeral were Mr. and Mrs. Albert Milze and Mr. and Mrs. Jim Connor.

Mrs. Harry Hartman was hostess Tuesday afternoon to members or guests of her canasta club. Games of canasta were enjoyed and refreshments of sandwiches, dessert and coffee to Meses. Skeet Thornton, Frank McClure, George Beedy, Horace Marble and George West.

Mrs. Kenneth Bean and Mrs. John Key West spent Monday in Lubbock.

GO TO CHURCH SUNDAY.

A Good Reason To Be A Farm Bureau Member!

The Farm Bureau's Life, Fire and Casualty Insurance Companies are legal reserve capital stock participating companies, organized under the laws of the State of Texas and subject to supervision by the Texas Board of Insurance Commissioners. They are listed among the top insurance companies of the nation, and after only 9 years of operation the Southern Farm Bureau Life Insurance Company alone is nearing \$200,000,000 of Life Insurance in force.

The sole purpose for the existence of these companies is to provide the best possible insurance service at the lowest possible cost to Farm Bureau Members of the Farm Bureau Organizations. Due to the fact that these companies are operated at low cost, high profits are not paid to stockholders and management, coupled with the preferred risk advantage of the farmer, these companies are making substantial savings to its members in the form of dividends. The Southern Farm Bureau Casualty Insurance Company is paying as much as 50% of its premiums back to its policy holders; also, the Life and fire companies return a substantial dividend annually. These savings are among the many that are available to

the members of the Farm Bureau. When you have a need for insurance, it would be good business for you to investigate these companies and find out for yourself that it does not cost, but actually pays to belong to the Farm Bureau. 39-4tc.

Six New Members On Floydada C-C Board Of Directors

Floydada. — Six new members have been named to the Board of Directors of the Floydada Chamber of Commerce, with balloting completed Tuesday. Named to the board were A. L. Wylie Jr., Gene Arwine, Mitchell Parrish, Fred Martin, Cecil Hagood and Carl Minor Sr.

The six were chosen from 12 nominees named by the nominating committee composed of J. M. Willson Jr., J. B. Bishop, Mark Martin, Conner Oden and Parnell Powell.

A meeting of all directors will be held soon for the purpose of electing officers and organizing for a new term, according to O. M. Watson Jr., C-C manager.

New directors will take office March 1. T. L. Holland Jr. currently heads the board.

Clement Moore was the author of "The Night Before Christmas."

Fred Johnston Is Conservationist

Fred A. Johnston Jr., now residing at 738 West Grover, Floydada, has recently been assigned as the new work unit conservationist for the Floyd County Soil Conservation District.

Mr. Johnston is a graduate of Texas Tech, and has been with the Soil Conservation Service since February of 1954. His previous work was with the Soil Conservation Service in Lubbock County.

Mack G. Keathley, the late work unit conservationist, has been relieved, pending transfer to the Soil Conservation Service in Oklahoma. Mr. Keathley is to remain with the local work unit through the busy season, which is anticipated to last until about April 1.

Jimmy Rankin Gets Letter At College

Jimmy Rankin, son of Mr. and Mrs. Thurston Rankin of Eudora, Ark., won a football letter the past season at Ouchita College, Arkadelphia, Ark. He played as a freshman student at the school.

The Rankins are former residents of the Lone Star community.

Ronald Reecer Gets Army Promotion

Fort Lawton, Wash.—Ronald L. Reecer, son of Mr. and Mrs. Loren L. Reecer, Lockney, recently was promoted to specialist third class at Fort Lawton, Wash., where he is a member of the 513th Anti-Aircraft Artillery Missile Battalion.

Specialist Reecer, a firing panel operator in the battalion's Battery D, entered the Army in February 1954 and received basic training at Fort Bliss, Texas.

The 21-year-old soldier attended Texas Technological College and was employed by Reecer Master Cleaners in civilian life.

Floyd Youth Held In Kidnap, Theft Probe

Albuquerque, N. M. — Police held a 20-year-old Texan Friday and sought, at the same time, the return of a Denver airman who had claimed he was kidnaped and robbed.

The Denver airman, Paul Lamoreaux, told police here that his car was stolen after he was kidnaped as he was driving from Tucson, Ariz. to Denver. Lamoreaux said he continued on to Denver by hitchhiking.

Police have arrested a Texas, James W. Wimberly of Floydada, for investigation, but now they can't get Lamoreaux to return for completion of the investigation. Lamoreaux had reportedly picked up Wimberly en route from Tucson and Lamoreaux' automobile was later found abandoned behind some stores here.

HOW THE NEW McCORMICK Farmall 400 with Fast-Hitch OUTWORKS THEM ALL!

The new 4-plow, 4-row Farmall 400 (diesel or gasoline) gives you new big-power work capacity plus new convenience and handling ease!

Just back... click!... and go! You hitch or switch big implements seconds-fast with Fast-Hitch...

... Control equipment hydraulically in more work-saving ways with exclusive Hydra-Touch...

... Boost pull-power up to 45% on the go with Torque Amplifier, to farm full-depth, non-stop...

... Step-up capacity of plow-driven machines with the new completely independent pto.

Announcing Plymouth's \$150,000 Lucky Motor Number Sweepstakes

\$150,000 IN PRIZES

| | | |
|---|---|--|
| 1ST PRIZE \$50,000 CASH | 2ND PRIZE ALL-EXPENSE WORLD TRIP FOR 2 BY AIR plus \$5,000 cash | AND 783 OTHER BIG CASH PRIZES |
| | | 3rd prize—\$5,000 4th prize—\$2,500 5th prize—\$1,000 50 prizes of \$500 75 prizes of \$250 100 prizes of \$100 555 prizes of \$50 785 prizes in all—total of \$150,000 |

World's easiest contest—just go to any Plymouth dealer and register the motor number of your 1950 or newer model car (any make). That's all. Nothing to buy or guess or solve.

It's our chance to celebrate our record-breaking sales—and to make even more friends. It's your chance to win up to \$50,000 in cash—a thrilling around-the-world trip for two, plus \$5,000—or any one of 783 other big cash prizes.

And it's so easy to win: You merely bring proof of ownership—for your 1950 or newer model car—to any Plymouth dealer, and copy your motor number onto the FREE entry blank. See rules.

That's all there is to it! There's no obligation—nothing whatever to buy or solve or rhyme. (Sure, we hope you'll look over the new jet-age Plymouth... biggest car of the low-price three... only low-price car with Push-Button Driving. And we hope you'll ask about Plymouth's red-hot deals.)

Don't miss this chance at \$50,000 or that exciting world trip for two. Hurry in to your dealer's now. You may have a lucky motor number!

PLYMOUTH

Sweepstakes opens January 17—hurry in and enter now!

OFFICIAL SWEEPSTAKES RULES

- Contest open to any person in U. S. or territories who owns a 1950 or newer model car, registered in his or her name prior to Jan. 17, 1956, except employees and their immediate families of Plymouth Motor Corp., Plymouth Division of Chrysler Corp., its advertising agencies, The Reuben H. Donnelley Corp., and Plymouth dealers.
- Nothing to buy or solve. Take your title, owner's card or registration certificate—any proof of ownership—to any Plymouth dealer. Register your car's motor or serial number, make and model year on the entry blank. Then sign your name, address and telephone number, and have your entry checked or otherwise validated by a Plymouth dealer or salesman. Place entry in the contest entry box.
- Winners will be selected by The Reuben H. Donnelley Corp. by blindfold drawing. 1st prize winner will be selected first—2nd prize winner, second, etc., in successive drawings. Decisions of judges final.
- All entries become the property of Plymouth Division of Chrysler Corporation and none will be returned. Plymouth and its advertising agencies will not enter into any correspondence with any contestant, except winners.
- Contest opens at beginning of dealer's business day, January 17, 1956. Entries must be placed in entry box before close of dealer's business day, March 10, 1956.
- Winners will be notified by mail by May 10, 1956. Names and addresses of winners will be posted at Plymouth dealers. Prizes awarded at Detroit, Mich.
- Second prize winner must complete around-the-world trip within two weeks, by October 31, 1956. Total cost of trip for two not to exceed \$5,000.
- Contest subject to Federal, State and Local regulations.

SOCIETY

B&PW Celebrates Ninth Birthday

Lockney Business & Professional Women's Club celebrated its 9th birthday with a dinner at the Grade School Cafeteria Tuesday night at 7 o'clock. Colorful balloons formed the centerpiece for the table and were used for plate cards. "Happy Birthday" was sung before cutting the beautifully decorated cake.

Willie Merle Haithecock, Plainview, former Lockney teacher and now Hale County School Superintendent, spoke on "Paying Poll Tax" and showed films of her trip through the western states and part of Canada.

Hostesses were Betty Knox, Ruby Merrick and Ada Bailey. Members present were Joyce Blibrey, Velma Cox, Birda Foster, Jeffie Griffith, Lorraine Olfver, Wanda Wilson, Mavis Reecer, Dorothy Shipp, Ruth Cox, Estelle Powers, Frances O'Hearn, Dimple McGavock, Dorothy Stansell, Jimmie Rhodes, and the hostesses.

Lone Star Club Meets Today

The Lone Star Home Demonstration Club will meet today (Thursday) in the home of Mrs. Raymond Teeple, a meeting postponed from Tuesday of this week. Topic of discussion will be "Citizenship and Civil Defense" and the meeting begins at 2 p. m.

The last meeting of the club was on January 3 in the home of Mrs. W. D. Nance. Nine members and one visitor were present to hear a program on parties.

Mrs. Hoyette Hodges discussed "How To Be A Good Hostess." "How To Be A Good Guest" was discussed by Mrs. Clyde Baxter.

The county agent, Mrs. Harlette Brummette, gave a demonstration on "Party Foods for Teas and Showers."

The group also worked on the yearbooks at this meeting.

Boston, Mass. is named for Boston L'ncolnshire, England.

Alaska has a total area of 586,400,648 square miles.

Gail Wilson Is Birthday Honoree

A group of friends met at the home of Wanda Cox at 7:30 Wednesday night, January 11 for a surprise party honoring Gail Wilson on his 18th birthday.

Party punch, sandwiches and cookies were served with miniature candles and candleholders to La Juan Henderson, Larry McCormick, Betty Jackson, Cleon Wiley, Lahoma Rowell, Donice Casey, Sunny Lawson, Roland Watson, Beth McLaughlin, Jim Bob Reynolds, the honoree, Gail Wilson, hostess, Wanda Cox and their parents, Mr. and Mrs. Alvin Wilson and Mr. and Mrs. W. J. Cox.

Aiken Club Meets In Wofford Home

Mrs. D. D. Wofford was hostess to members of the Aiken Friendship Club Tuesday, January 27.

Mrs. R. R. Kellison, president, presided and Mrs. Wofford offered the opening prayer. During the business meeting Mrs. Leslie Carlton was elected president, Mrs. Martin Bradley, vice-president, Mrs. Raymond Hargrove, reporter, Mrs. A. P. Langfeldt, Courtesy Chairman. Assisting Mgs. Langfeldt will be Mrs. M. F. Montandon and Mrs. R. R. Kellison.

Refreshments were served to Mmes. Raymond Hargrove, A. P. Langfeldt, F. L. Collis, M. F. Montandon, R. R. Kellison and the hostess.

Next meeting will be held February 21 at 2 o'clock in the home of Mrs. Raymond Hargrove.

Methodist WSCS Has Meeting

W. S. C. S. of the Methodist Church met Monday from 10 a. m. to 3:00 p. m. for a study conducted by Mrs. Herman Huffman. "Combining Our Efforts for Lasting Peace" was the topic for study. The final lesson will be conducted Monday, Jan. 23 at 3:00 p. m.

Mrs. Wilson Kermickel arrived here Sunday to join her husband who recently established a law office in the Wanda Baker building. The Kermickels have rented the Barton house on Southwest First Street. They moved here from Waco.

A sign of spring and the summer to follow is this garden-fresh print dress sprinkled with bouquets and butterflies. A boat-necklined bodice scattered with rhinestones—a full-swinging skirt. Piping and cummerbund in contrasting sateen complete this Clockwise day-time or date-time dress.

CARD OF THANKS

We are grateful to our friends and acquaintances of Lockney and this area for your many expressions of sympathy, your kindness and the beautiful flowers you sent at the death of our loved one May God bless each one of you is our prayer.

Pastor-Layman Conference At Wayland College

Plainview. — Wayland College will be host to the 35th annual Pastors' and Laymen's Conference, Jan. 23-24, with outstanding Baptist preachers as principal speakers, according to J. L. Harden, Plainview, secretary-treasurer. Dr. E. Douglas Carver, pastor of First Baptist Church, Pampa, is president and Dr. J. Harvey Scott, pastor of First Baptist Church, Petersburg, is vice-president.

Dr. E. S. James, Dallas, editor, The Baptist Standard, and former pastor of First Baptist Church, Vernon, will deliver the six ethics lectures. Coming from Louisville, Ky., will be Dr. W. W. Adams, Bible professor at Southern Baptist Theological Seminary, who will be the Bible teacher for the six sessions. Dr. James W. Middleton, pastor, First Baptist Church, Shreveport, La., will preach at the six sessions.

Music throughout the conference will be in charge of W. E. Steward, chairman of the Division of Fine Arts at Wayland College, with special music being arranged for each session. Dr. G. W. McDonald,

Plainview, president of District 9, will give the address of welcome.

The first session of the conference which has as its theme "Tomorrow's Christian Leaders Depends on Christian Training Today" will be held at 10 a. m., Jan. 23, in the newly decorated Wayland College Chapel. Other sessions will be at 2 and 7 p. m. both days.

Soil Testing Lab Opened At Seymour

College Station. — Ceremonies marking the formal opening of the new Baylor County Soil Testing Laboratory, located in the City Hall at Seymour, are scheduled for 9 a. m. on January 13. Baylor County Agent Roy L. McClung is to be in charge of the lab with Mrs. Mary Boone serving as technician.

According to M. K. Thornton, extension agricultural chemist, the new facility is equipped to make the same soil tests as the State Laboratory at College Station. These include organic matter, available potash, phosphorus and lime, harmful salts, pH or soil reaction and available nitrogen is estimated from the organic matter. The fee for testing will be the same as that charged by the State Lab, \$1.00.

Local finances made the laboratory possible. It was located at Seymour to better serve farmers and ranchmen in the area which covers some 15 to 20 counties.

Gospel of Christ

MAIN STREET CHURCH OF CHRIST

THOS. McDONALD
Preacher

ABOUT PARTAKING OF THE LORD'S SUPPER

President James A. Garfield was a member of the Church of Christ and served as a gospel preacher before he became president of the United States. Once a cabinet member requested an appointment at 10:30 Sunday morning. President Garfield refused on the grounds that he had a prior engagement. The cabinet member was irritated and said: "With whom do you have an appointment which you cannot break for a discussion of this crisis?" The President replied: "Sir, I have an appointment with my Lord-around his table and I do not intend to break it." He kept his appointment. The crisis passed, and he remained faithful to his Lord.

Today, many believers in Christ neglect to assemble with the saints on each Sunday around the Lord's table. Jesus commanded us to do this in remembrance of him. The Holy Spirit inspired the apostles to teach the early church to continue "steadfastly in the apostles' doctrine, and fellowship, and in breaking of bread, and in prayers (Acts 2:42). Why is it that many believers who consider it important to regularly observe three of these acts of worship each Sunday do not include "The breaking of bread" or the Lord's Supper?

The New Testament gives us an approved example of the early church meeting on the first day of the week for the purpose of keeping the Lord's supper. When Paul was at Troas, he stayed there seven days, "and upon the first day of the week, when the disciples came together to break bread, Paul preached unto them . . ." (Acts 20:7). This indicates that they met primarily to "break bread" rather than to hear Paul preach, and that it was their custom to do so. We Americans celebrate our independence on the fourth of July. If we were to describe our custom to a foreigner, we would expect him to understand that we keep every fourth of July. So, this scripture indicates that the early Christians observed the Lord's supper every first day of the week just as the Jews kept the Sabbath every Saturday.

The history of the early churches of Christ bears out this teaching. Such early historians as Pliny, Justin Martyr, and Tertullian testify to this practice. The eminent church historian, Neander, writes: "As we have already remarked, the celebration of the Lord's Supper was still held to constitute an essential part of divine worship every Sunday as appears from Justin Martyr A. D. 150, and the whole church partook of the communion after they had joined in the Amen of the preceding prayer."

John Erskine describes the action of a church council in Spain as late as 324 years after Christ which decreed that no contribution should be received from those who did not receive the Lord's supper. The council at Antioch in A. D. 341 said that all who come to visit the church and heard the scriptures read, but afterwards joined not in the prayers and receiving of the supper should be cast out of the church until such time as they gave public proof of their repentance. However, by 506 A. D. indifference and worldliness had influenced so many that the council of Agatha in Lanquedoc decided that it was essential for good Christians, to commune at least three times a year, instead of every Sunday.

As a baptized believer in Christ, are you neglecting this memorial supper? Are you gaining the strength you should from partaking in a worthy manner? Let us urge you not to let a vacation or business trip or anything less than a providential hindrance keep you from the Lord's table each Lord's day! — Selected.

ORDINANCE NO. 89

AN ORDINANCE REGULATING THE OPERATION OF MOTOR VEHICLES WITHIN THE CORPORATE LIMITS OF THE CITY OF LOCKNEY AND FOR THE CONTROL OF MOTOR VEHICLES AND PEDESTRIAN TRAVEL WITHIN THE CITY; STOP SIGNS ARE TO BE ERRECTED AT CERTAIN INTERSECTIONS; AND PROVIDING A PENALTY FOR THE VIOLATION THEREOF.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOCKNEY:

Section 1.

The City Council finds that an urgent necessity exists for the protection of vehicles and pedestrian travel and that all motor vehicles be required to come to a complete stop before proceeding, at the following intersections of streets, to-wit:

On West Fourth Street, entering Highway 70 Loop on the North;

On West Fourth Street, entering Willow Street on the South;

On West Fourth Street, entering Poplar Street on the North;

CLINT HARBERS, outstanding young farmer in Fayette County, Texas, was named "Man of the Year in Texas Agriculture" by the Progressive Farmer magazine recently. The honor was given Harbers for superior achievement in the art of farming.

Section 2.

That the operator of every vehicle of every kind, whether self-propelled or manually propelled, shall come to a complete stop at each intersection where said stop sign is placed and the operator of such vehicle shall not proceed across or into the intersection until the traffic on the street intersection has cleared to where travel is safe.

Section 3.

For the protection of the travelling public, it shall be unlawful for any person, firm or corporation to park any vehicle or objects of any kind, at any time on the following described portion of Highway 70:

Beginning at the intersection of Highway 70 with the Highway 70 Loop, just South of the Railroad and at the South end of West Fourth Street;

Thence Southeasterly parallel with the center line of Highway 70, a distance of 500 feet;

Thence Northeast at right angle to the center line of said Highway 70 to a point in the South line of Railroad right-of-way;

Thence Northwesterly along the South line of the Railroad right-of-way to its intersection with the South line of Highway 70 Loop;

Thence West along the South line of Highway 70 Loop to the place of beginning, in the Town of Lockney, Floyd County, Texas;

Section 4.

Every person who shall violate any of the provisions of this ordinance and upon conviction thereof, shall be fined in a sum of not less than \$1.00

or more than \$100.00.

PASSED, APPROVED AND ADOPTED This 5th day of January, A. D. 1956.

J. E. Cox, Mayor.

ATTEST: A. Juanita Thompson, City Secretary.

Pfc. Roy Cross In Alaskan Maneuvers

Pfc. Roy Cross, a former resident of Lockney, is taking part in the Army winter maneuvers being held in Alaska. The maneuvers are centered around Fort Greely, Alaska, and are due to run through January and February. Temperatures as low as 50 degrees below zero are expected.

The maneuvers are termed "Exercise Moose Horn" and are designed to train troops to operate in extremely cold weather and in arctic areas.

Troops of the 71st Infantry Division are involved in the maneuvers.

Cross sent newspaper clippings on the maneuvers to Mrs. Melvin Ezzell of Lockney.

RETURNS HOME

Mr. and Mrs. Jack Orr returned home Wednesday evening of last week from a six weeks visit with their son, J. D. Orr at Purdy, Mo.

WE FEATURE SERVICE FOR THE SICK

AN INVITATION... to the man who is driving any car in the medium-price class

How you can own a bigger, more powerful Chrysler Windsor V-8 for the cost of a medium-priced car

Frankly, we believe you will find that the Chrysler Windsor is the only real luxury car that sells at a medium price . . . a car far in advance of its contemporaries and ahead of its time. We would like to put you behind the wheel of this car . . . because we've found from actual comparative demonstrations that 3 out of 4 open-minded men who drive a Chrysler for the first time prefer it to anything else.

There are many reasons. In the first place, the 1956 Chrysler is the only car in its price class that has been completely restyled this year. It has that "hair-trigger" look for which designers have been striving many years. We call it "PowerStyle."

But there's more to the Chrysler story than styling. There's power . . . more power to pass safely when necessary . . . more power to drive without effort . . . more power to stop.

There is not a car on the road today as completely power-operated as the "PowerStyle" Chrysler. Its PowerFlite transmission is controlled by pushbuttons . . . the

ultimate in automatic, foot-operated control. But do Chrysler's competitors have this mechanical trouble-free system? *Not yet!* Chrysler's PowerSmooth Steering works full time . . . 80% of the work, not just in passing but in long distance driving, in rough and in rough going. Chrysler's power steering cuts in and out, and does only a fraction of the job.

And what about engines? Chrysler was first to adopt the principle of the airplane-type V-8 engine. That engine is a new and bigger version of this engine . . . 250 hp in the Windsor V-8 and now 340 hp in the blazing new Chrysler.

Then there is the all-important matter of brakes. Chrysler's newly designed PowerSmooth Brakes not only bring you safer, surer, straight-line stops . . . they last the others 2 to 1.

So if you have been driving another make of car in Chrysler's price class . . . ask yourself this question: Don't I want to know what my money can buy here? I spend it? Then make a drive-them-both comparison. We'll leave everything else to your judgment.

*With the addition of the Chrysler Power Train a slight increase in price.

Ability To Repay" To Guide FHA Making Loans During New Year

Used loan regulations re-lasted last week by the Floyd County office of Farm Home Administration emphasize that the ability of farm and ranchers to repay the loans they receive is the major factor to consider in determining the soundness of a loan, according to Walter T. McKay, agency's State Director.

Loan policies of the Plains credit program began last August, were revised last week by agency officials at meetings in Denver, Amarillo. Special loans in 145 counties in six Plains states enable farmers and ranchers to pay for developing and caring for the type of farming provides for proper land use in the area; in addition, is available for annual tilling needs.

Resources, past production record of the farm, the applicant's ability and experience, plans and similar factors are used to determine the applicant's ability of the appli-

cant. A land capability map will be prepared by the Soil Conservation Service for the farm or ranch to be operated with the proceeds of the loan.

Each loan applicant is expected to carry out farming practices that will make proper use of his land and to take part in all programs designed to develop a sound agricultural economy. However, whether or not a loan is made depends upon whether it finances the type of farming that will enable the borrower to repay the funds advanced.

When needed adjustment in farming practices are to be made a detailed farm and home plan will be prepared and management guidance will be provided by the county supervisors of the FHA to the extent needed. When credit is required only to finance annual operating expenses only a minimum of planning is required and farm management guidance will not accompany the loan.

The credit provided by FHA will be used only to supple-

Providence

by Mrs. Wilfred Stoerner

Something to remember: No government can do something for the people without doing something to the people.

A daughter named Cynthia Ann was born to Mr. and Mrs. Wilfred Stoerner of Route 1, Lockney December 31, 1955 at 2:30 a. m. by Caesarean section at the Plainview Medical center. The baby weighed 7 lbs., 5 ozs., at birth. Grandparents are the late Mr. and Mrs. Rudolph Stoerner of Route 3 Plainview and Mr. and Mrs. Ben Brandes of Route 1, Lockney. Mother and Cynthia Ann are now home and doing fine.

Mr. and Mrs. L. B. Brandes and girls went to Wichita Falls Saturday visiting with Rev. and Mrs. Lee Roy Brandes and family. They left Wichita Falls Sunday and went to Oklahoma City where they will visit with Mr. and Mrs. Paul Haley, former residents of this community.

A party was held for Mrs. Paul Williams, a former resident of this community, in the home of Mrs. B. F. Sammann Sr. Monday afternoon. Those attending were Mrs. Ben Brandes, Mrs. C. E. Merrideth, Mrs. Marvin Scheele, Mrs. Paul Halter, Mrs. Hoffman. Delicious refreshments were served.

Dinner guests Sunday in the home of Mr. and Mrs. Ben Brandes were Mrs. Ben Quebe, Mr. and Mrs. Wilfred Stoerner and daughter, Cynthia Ann. Calling in the afternoon were Mr. and Mrs. V. D. Ross Jr. and girls, Mrs. Paul McCormick, Hale Center.

Several members from Trinity congregation attended the dedication of the new church building of St. Pauls Lutheran Church of Levelland. Attending were Mr. and Mrs. James Riney and daughter, Mr. and Mrs. James Becker and family, Mr. and Mrs. A. D. Schaffner, Mr. and Mrs. Hubert Stoerner and sons.

Rev. H. L. Anderson is preaching a series of sermons at the Lutheran Church of Winters, Texas. We wish for our pastor God's blessings in his efforts.

APRICOT COMPOTE

To make a compote of glazed apricots you need a red jelly. If you do not have one, make a batch of loganberry with the help of liquid fruit pectin and canned juice — a jiffy job. Melt 1/4 cup of this home-made jelly over a low flame, and adding 16 canned apricot halves. Cook and turn

THE LOCKNEY BEACON, LOCKNEY, TEXAS, JAN. 19, 1956

till glazed. Remove fruit, add 1/2 a cup each of canned apricot juice and water to jelly. Boil rapidly for one minute. Cool. Pour around fruit and chill well.

GO TO CHURCH SUNDAY.

Mr. and Mrs. George Beedy are on a vacation trip to the valley and Old Mexico.

Political parties first figured prominently in the campaign between Jefferson and Adams in 1789.

Good News for Lockney!

We are happy to announce that we have a source through a large lending agency which is able and will furnish the money for F. H. A. and G. I. new home construction.

We also have several sources for Remodel and Repair Loans. These loans can be made over a 36 month period with no money down and the labor included.

We will furnish you with FREE ESTIMATES and preliminary drawings and we can save you up to one-half on your blue prints.

See us at your earliest convenience for either of the above loans.

ment credit available from private and cooperative lenders.

Loans are made for the purchase of livestock, farm equipment, seed, fertilizer, feed, insecticides, farm supplies and other farm and home operating needs. Loans are also made to finance soil conservation measures, development of domestic and irrigation water systems, repair of existing farm buildings, and when necessary, the purchase of additional land needed to provide an economical unit. In cases where it is necessary, to enable the farmer or rancher to continue his operations, loans may include funds to refinance certain chattel indebtedness.

A loan may be made to the farm owner or operator if the applicant (1) is an established operator and is primarily engaged in farming or livestock operations; (2) is unable to obtain the necessary credit elsewhere; (3) will have reasonable prospects of success with the assistance of the loan; and (4) will own or have available under satisfactory tenure arrangements a farm suitable for carrying on successful farming operations.

The local county Farmers Home Administration Committee determines the eligibility of applicants for the loans.

LETTERS TO THE EDITOR

Wichita Falls, Texas
Jan. 16, 1956.

Lockney Beacon
Lockney, Texas

Dear Mr. Hays:
The little note in the Beacon brought mother many cards for her birthday, not only did she get cards from old friends in Floyd County but from friends all over, some in several different states who still like to get the Lockney news from The Lockney Beacon.

Mother and Dad aren't either doing too well, but the cards and letters from friends help. We all wish to thank every one for their thoughtfulness in remembering them.

Sincerely,
Laura Manning.

And I Quote . . .

"Maybe the kids could keep on the straight and narrow better if they got information from someone who's been over the route."—D. O. Flynn.

"She's the type of girl who makes men jump in rivers and climb mountains — a woman driver!"—Johnny Lockwood.

"A child is a creature that stands about midway between an adult and the TV screen."—Jerry Vale.

"The difference between law and custom is that it takes a lot of nerve to violate a custom."—Paul Larmer.

WHATEVER THE TROUBLE . .

We'll fix it right for you. Our experienced mechanics will quickly trace down your auto troubles and fix them just as quick.

All West Texas Navy Group Sought

Torpedoman First Class Ralph E. Keesling, Petty Officer in charge of the Navy Recruiting Station in Plainview, has announced that an all West Texas Naval company will be enlisted in January. The chief of Naval Personnel has granted special permission to enlist this company, to be composed of men from this area and to be known as "The West Texas Company." They will carry this name until completion of recruit training at San Diego, California.

This special enlistment program has proven very popular with Naval recruits in the past. In addition to providing the assurance that "buddies" remain together through training, these companies fare better in competition with other all state groups at the training station. The last special company enlisted from this area established a high mark in overall proficiency. Torpedoman Keesling hopes this January company will establish a mark that will stand throughout 1956.

Applications for enlistment in this special company are now being accepted at the Navy Recruiting Station, Court House Building, Plainview.

MOVE TO BOV'NA

Mr. and Mrs. A. V. Campbell have sold their farm in Aiken community to Pete Adams who lives north of Aiken. The Campbells plan to move this week to Bovina where they will farm. Their daughter, Carolyn, a senior in Lockney High School, will remain here to finish school. She has spent all her school years here.

Tech Students Are From 44 States, Nations

Lubbock — Students from 44 states, a U. S. territory and 12 foreign countries are represented in Texas Tech's student body this year.

New Mexico leads the list of out-of-state students with 230 while Oklahoma is second with 12 and Colorado third with 11. New York is fourth with nine.

Other states and the number of students provided include: Alabama (2), Arizona (4), Arkansas (3), California (5), Florida (7), Georgia (2), Idaho (1), Illinois (7), Indiana (1), Kansas (4), Kentucky (2), Missouri (2), Montana (1), Also Nevada (1), New Jersey (4), North Carolina (2), Ohio (1), Pennsylvania (3), South Dakota (1), Tennessee (3), Utah (1), Virginia (1), West Virginia (1), and Wisconsin (3).

Alaska has one student attending Tech. Mexico has the largest foreign representation, providing four students.

Other countries and the number of students at Tech are:

Guatemala (2), Brazil (2), Ontario, Canada (1), China (1), Greece (1), India (1), Jordan (2), Korea (2), Peru (1), Switzerland (1), and Yemen (1).

CONTAINERS RETAIN SHAPE

Don't worry that hot water will melt or change the shape of plastic refrigerator containers. Put them into the same hot soap or detergent suds you use to wash and sanitize the rest of the dishes. Even after rinsing in boiling water they emerge perfectly shaped just like new — that is if you choose the flexible plastic food containers. For easy housekeeping choose also flexible plastic drinking glasses.

OFFICE SUPPLIES at The Beacon Office

Soil Supervisors Meeting In Lubbock

Conservation strategy for 1956, speedup of upstream flood prevention work, and water legislation for Texas will be the big topics of discussion when farmers and ranchers from all over the state meet in Lubbock January 18, 19 and 20 for the 15th annual convention of the Association of Texas Soil Conservation District Supervisors.

Dr. C. R. Wadleigh, chief of USDA's Soil and Water Conservation Research Branch, the main speaker, is expected to discuss research for better control of soil erosion and better use of water to crop production.

Max Euston Johnson, Halbert of Fossil City, first woman to win the state SCD speaking contest, will deliver her prize-winning oration. A full program of ladies activities is scheduled including luncheon, tea, style shows, tours of the city and Lubbock homes, and visits to Texas Tech's museum and art gallery.

Called as a "working convention," there will be plenty of time for the committee work and their discussion of the many soil and water problems facing Texas.

This year's SOIL AND WATER Show, a feature of the convention, will present one of the largest displays of irrigation, land-leveling, earth-moving, brush-control, and other conservative equipment for farms and ranches ever assembled in Texas.

Both the show and convention will be held in Lubbock's Fair Park Coliseum. Admission is free and supervisors are extending a hearty invitation for all interested folks to attend, visit the exhibits, and participate in the convention. Farmers and ranchers of the Plains area will be especially interested in the exhibits of equipment.

Supervisors of the Floyd County Soil Conservation District planning to attend the Lubbock Convention are: Bert Bobbitt of Sterley, Gilbert L. Fowler of Baker, Fred Jackson of Sandhill, R. G. Dunlap of Cedar Hill, Cecil Purcell of South Plains.

CUSTARD WITH APPEAL

Step up the appeal of a familiar custard dessert this way: Place 1 tablespoon home-made orange or apple jelly in each custard cup and fill with custard mixture. Place in pan of hot water and bake in the oven (375 degrees F.) for 20 minutes or till set. Chill and surround with liquid or powdered protein and your own choice of fresh or frozen fruit or juice you can make any home-made jelly quickly.

Glenda Rhoten Heads Sorority

Glenda Rhoten, daughter of Mr. and Mrs. L. M. Roshitz, Lockney, has recently been elected president of the Delta Zeta Chi Sorority, a social club on West Texas State College campus.

Glenda is a graduate of Lockney High School and will receive her degree from W. T. S. C. Canyon next spring. She is majoring in Secondary Education and minoring in business. After graduation she plans to teach.

Only two U. S. Presidents, Taylor and Roosevelt, died while Congress was in session.

Former Floydada Man Dies Of Heart Attack

Floydada. — Relatives here received word Saturday of the death of Andrew J. Cline, 48, a former longtime resident here, who died in a Waco hospital early Saturday morning.

Cline was in Waco for surgery. Death was attributed to a heart condition.

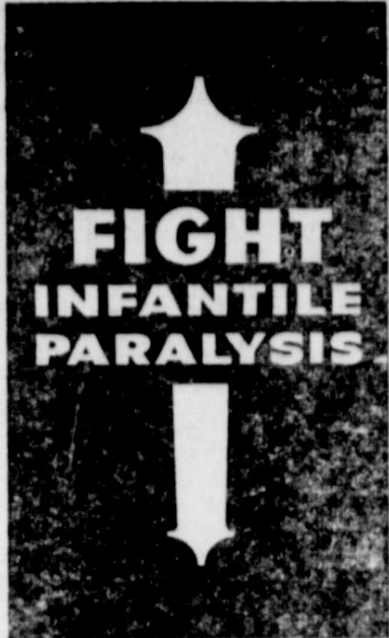

Funeral services were held at 3 p. m. Sunday in the First Baptist Church in Ben Hur, near Waco, where he lived. Burial also was in Ben Hur.

Born in Hill County, Cline moved to Floydada in 1932 and operated the bus station and a service station until 1951 when he and his wife moved to Ben Hur.

Survivors include his wife, Jewel, and two brothers, H. O. Cline, Floydada, and Frank Cline of Little Rock, Ark.

Reports from 185 Texas counties covering the participation of dairymen in basic dairy practices indicate that milk producers can further improve their efficiency of operations. The basic practices studied included the keeping of private herd records; storing and feeding silage; utilizing summer and winter temporary pastures; feeding hay year-around and raising herd replacements.

MARCH OF DIMES

JANUARY 3-31

Floydada Farmer Returns Home After Surgery

Floydada. — John R. Shipley, 51-year-old Floydada farmer, has returned home from Dallas, where he underwent heart surgery at Baylor Hospital Dec. 9.

Shipley entered the hospital Nov. 22 for examination and observation. The delicate operation involved the opening of one valve of the heart and the closing of another, held open by a calcium deposit. The operation required five hours.

Shipley is assured of complete or near complete recovery.

Self-employed farmers and ranchers can become eligible for insurance benefits under the social security law by mid 1956 if they have earned as much as \$400 from farming in both calendar years 1955 and 1956 and have paid the social security tax.

Mahon Warns Of Plans To Lower Support Prices

Washington. — Rep. George Mahon (D-Tex.) warned here Thursday, on the eve of scheduled Senate hearings on a new farm law, that steps should be taken to prevent the adoption of a plan for lower supports on cotton of less than one inch staple.

"The present law requires that cotton loans be based on 7-8 inch staple. There is considerable sentiment in the U. S. Senate to raise that 7-8 inch basis to one inch. This would tend to reduce the support on all cotton an average of about 2 1/2 cents per pound," Mahon declared.

He said Senator Ellender, chairman of the Senate Committee on Agriculture, has indicated his committee might favor raising the basis from 7-8 inch to one inch.

"One proposal would require 90 per cent of parity support of one inch staple, but a support level of less than 90 per cent for cotton having less than one inch staple," Mahon said.

"For example, the support level on one inch cotton might be 90 per cent of parity and the support for 7-8 inch staple might be 75 per cent of parity."

This would not only be discriminatory, according to Mahon, but would deal a disastrous blow to West Texas cotton producers.

Since his return to Washington, Mahon has discussed the problem with officials of the Department of Agriculture and members of the Senate and House agriculture committees.

The Senate Committee is expected to open brief hearings on the new farm bill today (Thursday, Jan. 12). Mahon has asked to be allowed to testify before the committee before final action is taken.

Briefly, here is the legislative outlook in Congress on the farm program. The House last year passed a bill providing for the restoration of 90 per cent of parity supports for the basic crops.

The next move is up to the Senate, and it is expected that the Senate will modify the House bill to include any additional provisions before the House will again have a chance to vote on the new farm legislation.

Senator Ellender expects to have a bill on the President's desk by Feb. 15.

"We are interested in getting something done reasonably soon, but we are more interested in getting the right kind of legislation and most anxious to safeguard ourselves against discrimination in the new law as applied to West Texas," Mahon concluded.

SOIL CONSERVATION DISTRICT NEWS

Conservation strategy for 1956, speedup of upstream flood prevention work, and water legislation for Texas will be the big topics of discussion when farmers and ranchers from all over the state meet in Lubbock January 18-20 for the 15th annual convention of the Association of Texas Soil Conservation District Supervisors.

Dr. C. H. Wadleigh, chief of USDA's Soil and Water Conservation Research Branch, the main speaker, is expected to discuss research for better control of wind erosion and better use of water in crop production.

L. L. Males, Cheyenne, Okla., will tell about the first completed upstream flood prevention project in the United States — the system of small

dams and land treatment measures on Sandstone Creek Watershed in western Oklahoma.

Bill Durham, Fort Worth Star-Telegram farm editor and recent appointee to USDA's new Soil and Water Conservation Advisory Committee, will report on the committee's activities. Nolen Fuqua, Duncan, Okla., president of the National Association of SCD's will discuss NASCD problems and objectives.

Mrs. Eunice Johnson Halbert of Foard City, first woman to win the state SCD speaking contest, will deliver her prize-winning oration. A full program of ladies activities is scheduled including lunches, teas, style shows, tours of the city and of Lubbock homes, and visits to Texas Tech's museum and art gallery.

Billed as a "working convention," there will be plenty of time for committee work and floor discussion of the many soil and water problems facing Texans.

This year's SOIL AND WATER Show, a feature of the convention, will present one of the largest displays of irrigation, land-leveling, earth-moving, brush-control, and other conservation equipment for farms and ranches ever assembled in Texas.

Both the show and convention will be held in Lubbock's Fair Park Coliseum. Admission is free, and supervisors are extending a hearty invitation for all interested folks to attend, visit the exhibits, and participate in the convention. Farmers and ranchers of the Plains area will be especially interested in

the exhibits of equipment. Supervisors of the Floyd County Soil Conservation District planning to attend the Lubbock Convention are: Gilbert Fawver, Fred Jackson, R. G. Dunlap, Cecil Purcell and Bert Bobbitt.

Increased Coverage Offered On Federal Cotton Insurance

Bill Darden, Floyd County Federal Crop Insurance Corporation agent, announced this week that corporation is offering increased coverage rates on irrigated cotton investment protection for the 1956 crop.

Mr. Darden said that the increased coverage comes despite the fact that the corporation lost considerable money the past year in this county due to the hail in June and the early freeze. The corporation paid out approximately \$38,000 to insured cotton producers in this county in 1955, he said. Nearly one-third of those who carried the protection collected on their policies.

The new increased coverages are as follows:

First stage: After it is too late to plant cotton, but before the first cultivation: \$11.02.

Second stage: After the first cultivation but before laying by: \$17.40.

Third stage: After laying by, but before harvest: \$32.77.

Fourth stage: Harvest acreage guarantee: \$43.50.

The premium rate is \$3.13 per acre with a 4% discount on each full 100 acres in each unit. The premium will be paid next fall without interest, Mr. Darden said.

Mr. Darden said that his office has already signed up a number of farmers on the new policy. He pointed out that the amount of the federal crop insurance indemnity will not be reduced if the farmer also carries hail insurance.

The area adjuster, L. A. Wilde, is also accepting applications.

Open House To Be Held Sunday

Mr. and Mrs. John Key West will hold open house at their new home in South Plains community Sunday afternoon from 2 to 5 o'clock. The occasion will be a house warming and a celebration of the couple's 23rd wedding anniversary.

Friends of the family are extended a cordial invitation to attend.

Farm Operators To Pay Social Security Tax Before April 15

College Station. — Self-employed farmers and ranchers can become eligible for insurance benefits under the social security law by mid 1956 if they have earned as much as \$400 from farming in both calendar years 1955 and 1956. A. B. Wooten, extension economist, reminds Texas farm operators.

Along with this goes the responsibility to report earnings from farming and pay the 3 percent social security tax not later than April 15, 1956. The Social Security Administration has suggested that payments be made as early as possible after January 1.

The form for making a report and remitting the required tax for social security insurance (Schedule SE) comes with the Federal Income Tax Return, Form 1040. If your net earnings from farming were as much as \$400 in 1955, you are obliged to fill out and file this return and pay the social security tax, according to Wooten, even if you do not owe any Federal income tax for 1955.

Older farmers — those 65 or over — can retire after mid 1956 and start getting monthly old-age insurance payments if they have met the earnings requirements and paid their tax. Other farmers, regardless of age, will acquire family protection in the form of monthly payments to surviving dependents in the event of their death, provided they meet the same requirements.

In either case, the payment of the social security tax must accompany your income tax declaration or return. This responsibility is required by law.

Further information on social security taxes may be obtained at your nearest Internal Revenue Service office or from the local county agent. Information about benefits can be obtained from your social security district office if you do not know where these offices are, your postmaster can tell you, says Wooten.

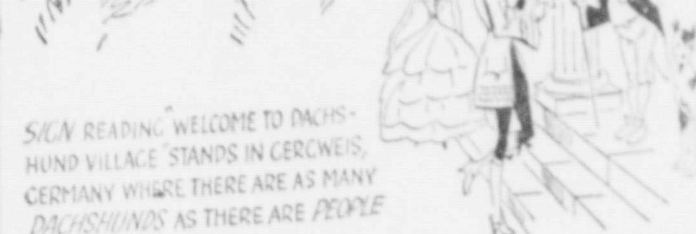

GO TO CHURCH SUNDAY.

Farm Cost-Price Squeeze Expected To Continue In '56

College Station. — The cost-price squeeze on agricultural producers is expected to be even tighter in 1956, says John G. McHaney, agriculture economist for the Texas Extension Service.

Farm income for 1955 is now 10 percent under that for the year before and the trend downward is expected to continue into 1956. On the other hand, points out McHaney, production costs for the farmer will remain high and some may increase.

Too income from crops will be smaller because of reductions brought on by controls, lower prices. Livestock receipts for 1956 could possibly equal those for 1955.

McHaney gives three main factors for the ever-widening gap between the national and farm income. They are the very high rate of agricultural production and the large carryovers of farm products; a considerable drop in farm ex-

ports and the inflexibility of costs of production and marketing which have failed to decrease with the falling farm prices.

The economist expects farm mortgage debts to rise again in 1956. Continued high volume of real estate loans to refinance existing debts is expected and non-real estate debts too are expected to increase. It could all add up to a decline in the liquid financial reserves of agriculturists.

The international situation is classed as an unknown factor in the overall picture because that could have tremendous influence. Watch it closely, advises McHaney.

Agriculture's producers are advised to give more thought to the economic side of their operations. McHaney says falling farm prices have broke more producers than drought or too much rain ever did. Net income to farmers and ranchmen fluctuates considerably over a long period and these changes must be considered in planning both short and long time operations. McHaney is sure that farm

families should give more consideration to economic conditions. For as he put it, national and world economic forces are today shaping the prices which will prevail tomorrow next year and in the next decade. Agriculture, he concludes, has had its ups and downs and will continue to do so. Plans should be made which allow for these changes.
