

Three Teams Race For Little League Lead

The Dodgers, Indians and Giants are in a torrid race for the lead in the Lockney Little League this week. The Dodgers and Indians are tied for the top spot but the Giants are only half a game away in the standings as of Wednesday morning of this week.

The Yanks are about breaking even in their games but the Cards and Red Sox are having a time and are tied for the cellar spot.

Here are the game results for the past week:

Thursday: Yankees 15, Cards 2. Race was the pitcher for the Cards and Kidd on the mound for the Yankees. Giants 9, Dodgers 8. It was the first loss for the Dodgers. Arterburn was the starting pitcher for the Giants and Johnny Belt started for the Dodgers.

Friday: Cardinals 14, Red Sox 11. It was a battle for the cellar. Garza started for the Red Sox and Morrison for the Cards. Indians 15, Yankees 12. Holt and Davis were on the mound for the Indians and Kidd started for the Yankees.

Monday: Yankees 15, Red Sox 14. Davis was the starting pitcher for the Yanks and Holland started for the Red Sox.

Tuesday: Giants 28, Cardinals 25. Arterburn was the starting pitcher for the Giants and Morrison started for the Cards.

Tigers Lead In Pony League

The Tigers are leading the Pony League standings having won three and lost one up to Wednesday morning. The Braves are in second place with a two win, one loss record.

Here's the results this week: On Saturday night the Tigers downed the second place Braves 7 to 3 in a well played ball game. Davis was pitching for the Tigers and Minter for the Braves.

The second game on Saturday night was called in the bottom of the second inning due to rain. At that time the score was Reds 10 and Cubs 6. The game will be completed at a later date. Rolling was pitching for the Cubs and Carthel for the Reds.

A thrilling 10-inning game on Tuesday night found the Cubs defeating the league leading Tigers 8 to 5. The game was tied at 5 to 5 at the end of the regulation 7 innings and no score was made until the Cubs ran across three in the tenth. Rolling and Smith pitched for the Cubs and Kent and Davis were on the mound for the Tigers.

The Braves won the second game on Tuesday night, a 5-0 affair. They made 9 to 6 for the Reds. Pitchers for the Braves were Minter, Wofford and Wilkes while Bruton went the route for the Reds.

Commissioner Eddie Holcomb said that future Pony League games will start at 7:30 sharp and he urged all players and managers to be present at that time. The first game will be called off at 9:30 in order to allow plenty of time for a second game. Therefore it is necessary to start the first game on time.

Cubs And Dads To Attend Scout Camp

Fifteen local Cub Scouts and their dads will attend the Cub-Dad Camp June 23 and 24 at Fort Camp, Texas. This is the 20th Annual Cub-Dad Camp and it will be held at the C. W. Post Memorial Scout Camp at Post.

Five camps are being held in all. They began the weekend of May 26th and will end with the weekend of June 23. Each camp starts with supper on Saturday evening and ends following lunch on Sunday.

The program for the weekend includes camp fires, songs, stunts, hiking, swimming, mosquito shooting, and the trading post.

Cub Scouts and dads attending from Lockney will be Oscar and Larry Golden, A. T. and Tommy Moore, J. R. and Steve Belt, R. C. and David Mitchell, Frank and Dale Brown, W. L. and Jimmy Thomas, F. O. Byron and Clar Schacht, Charlie and Charles Smith, Chester and Nell Mitchell, Carl and Stanley Blair, Conrad and Donald Henderson, Bob and Bobby Miller, Arthur and Paul Barker, Thurman and Danny Davis, and Leonard and Milton Finley.

Cotton Farmers' Suit Delayed Until This Fall

Attorney G. H. Nelson of Lubbock has advised The Beacon that the suit of 16 Floyd County cotton farmers against the Agricultural Stabilization and Conservation review committee has been delayed until fall. The case was filed in the Federal District Court at Lubbock.

Mr. Nelson pointed out that the Federal Agricultural Act provides that the 1957 cotton acreage for the individual farmer shall not be less than that which they were entitled to receive for 1956 and therefore he has hopes of securing for these farmers the same increase they were entitled to this year.

A portion of Mr. Nelson's letter says:

"The Floyd County Farmer's case, as you know, was appealed to the Federal District Court here at Lubbock. The problem of getting the transcript, statement of facts and other items of the record prepared and filed was a tremendous one. We had the statement of facts transcribed by the Court reporter and filed at the earliest possible date. Of course, the Federal Court docket here is crowded. The Federal Judge was unable to reach this case on the docket during this past term of the Court. This was, of course, a disappointment to us, but a matter which we could not avoid. The next term of Federal Court is this fall. We know, therefore, that we cannot secure for the farmers any benefits for this present year, but since the Federal Agricultural Act provides that the 1957 cotton acreage for the farms shall not be less than that which they were entitled to receive for 1956, we do have the possibility of securing for the farmers the same increase for 1957 that we had hopes of securing for them during 1956. Thus, if we are successful, the acreage for 1957 will be increased over that which they will actually plant for 1956, because the 1956 allotment was in error.

"We regret the delay and our inability to secure any further benefits for this group of farmers, but I think that everyone who attended the hearings at Floydada knows that every effort was made and everything was done that could be done to get increased cotton allotments, and particularly to bring out the facts with reference to what had been done in Floyd County."

Providence In League Lead

Providence took the lead in the Lockney Softball League this week by virtue of their win over Lone Star last Thursday night.

Following are the results of the week's play:

Thursday night: Providence 18, Lone Star 12. Farrish was on the mound for the Lone Star team and Matthews was pitching for Providence. Hammond & Co. dropped a game to Gulf Service 17 to 3 also on Thursday night. Charles Vaughan was pitching for Gulf Service and Davis for Hammond.

Friday night: Fire Department defeated Gulf Service 10 to 9. Vaughan and Bybee were the pitchers. Providence vs. The Bums was postponed.

Monday night: Lone Star defeated the Fire Department 8 to 0. Farrish and Bybee were the pitchers. Also on Monday night Providence defeated Hammond & Co. 16 to 2. Hardy was pitching for Hammond and Brown was on the mound for Providence.

RETURN FROM TRIP

Mr. and Mrs. Hollis Harris returned Sunday from a week's vacation trip on which they visited Ruidoso, New Mexico, Los Angeles, Calif., Las Vegas, Nevada; Boulder Dam, Grand Canyon and Petrified Forest.

Mr. and Mrs. Pete Peterson and children of Houston are here visiting Mrs. Gilbert Huls. Mrs. Bernice Miller and Mr. and Mrs. Bob Miller.

Floyd Barber Sr. Burned Friday

Floyd Barber Sr., owner of Barber's Farm Supply Store here, was badly burned about the face Friday morning when a hose connection on a spraying machine came loose and sprayed him with anhydrous ammonia.

Mr. Barber suffered burns about his eyes, in his mouth and throat. His left eye is more seriously injured but attending physicians do not believe that his sight will be impaired. He is under treatment at the Lockney General Hospital.

Mr. Barber was preparing the machine to fertilize a field and pressure in the tank was at 150 pounds when the hose connection came loose. The full force of the spray struck him about the face. Probably his spectacles saved his eyesight, relatives said.

He was still hospitalized Wednesday but his condition was much improved.

Little League Schedule Is Changed Up

In order to avoid conflicts with other leagues using the same field, the Lockney Little League has changed its schedule completely and will play one game each day of the week, Monday through Saturday, all on the new south field, Commissioner Tom Moore said this week. The games will start at 5:45 each evening.

Following is the new schedule as announced by Mr. Moore:

June 18, Red Sox vs. Yankees; 19, Giants vs. Cardinals; 20, Dodgers vs. Yankees; 21, Cards vs. Indians; 22, Giants vs. Red Sox; 23, Dodgers vs. Indians.

June 25, Dodgers vs. Cardinals; 26, Red Sox vs. Indians; 27, Yankees vs. Giants; 28, Dodgers vs. Red Sox; 29, Giants vs. Indians; 30, Cardinals vs. Yankees.

July 2, Giants vs. Dodgers; 3, Cards vs. Red Sox; 4, Yankees vs. Indians; 5, Giants vs. Cards; 6, Dodgers vs. Indians; 7, Red Sox vs. Yankees.

July 9, Giants vs. Yankees; 10, Red Sox vs. Indians; 11, Dodgers vs. Cards; 12, Giants vs. Red Sox; 13, Dodgers vs. Yankees; 14, Cards vs. Indians.

July 16, Dodgers vs. Red Sox; 17, Giants vs. Indians; 18, Cards vs. Yankees; 19, Giants vs. Dodgers; 20, Yankees vs. Indians; 21, Cards vs. Red Sox.

July 23, Red Sox vs. Yankees; 24, Giants vs. Cards; 25, Dodgers vs. Yankees; 26, Cards vs. Indians; 27, Giants vs. Red Sox; 28, Dodgers vs. Indians.

July 30, Dodgers vs. Cards; 31, Red Sox vs. Indians; August 1, Yankees vs. Giants; 2, Dodgers vs. Red Sox; 3, Cards vs. Yankees; 4, Giants vs. Indians.

Lockney Gin Is Incorporated

Owners of the Lockney Gin here have incorporated forming the Lockney Gin Company, Inc., according to information received by Lester Carter, secretary-treasurer of the new organization. The charter is dated May 1 and final papers were received this week.

There has been no change in ownership of the gin and none is contemplated. Mr. Carter said the gin is owned by J. W. Carter and his children as follows: Mrs. Jewell Terry, Clint W. Carter, Mrs. Gladys Hefflin, J. M. Carter and Lester Carter. All stock in the gin is held by members of the family.

Officers of the corporation are J. W. Carter, president; Clint W. Carter and J. M. Carter, vice-presidents; Lester Carter, secretary-treasurer.

The Carter family has been operating the gin here for a good many years.

Eldora Boone At Music Center

Miss Eldora Boone, daughter of Mr. and Mrs. M. A. Boone of Sterley, left Monday for Estes Park, Colo., where she will attend Rocky Ridge Music Center for seven weeks. Miss Boone, 1956 graduate of Lockney High School, will be a pupil of Beth Miller Harrod, well-known concert artist, lecturer and teacher. She will also study theory and attend an Art Appreciation class.

Board Approves Expenditures For Improvements

An expenditure of some \$12,000.00 for improvements in the local school system was approved in a special meeting of the board of trustees Monday evening of this week.

The improvements will include rewiring and new light fixtures at the high school building, some new furniture for the high school, seven new typewriters for the commercial department, teachers supplies and equipment including some laboratory equipment.

The board is contemplating the purchase of additional lab equipment. Secretary Robert Lee Smith said.

The rewiring job is for the purpose of bringing the lighting in the high school building up to standard, Mr. Smith said. Texas has no laws governing the situation but other states do and the board is seeking to comply with the standard in other states in order that the building may be properly and adequately lighted.

The problem of providing adequate facilities for the local negro school was discussed at this meeting but no decision was reached. The board agreed to come to some decision on the matter at the next regular board meeting, Mr. Smith said.

Road Petitions Are Withdrawn

Petitions asking the Commissioners Court to call an election on a \$325,000 road bond issue have been withdrawn temporarily. The Beacon was informed this week. The petitions were presented to the Court early this month.

Reason for withdrawing the petitions was the announcement by the Highway Commission that an additional 30 feet of right-of-way would be required under new regulations adopted recently. The Commissioners Court and those circulating the petitions were unsure as to how much the new regulations would add to the cost of the right-of-way in this county but they felt that the \$325,000 issue would be insufficient under the new requirements.

The Court will take no action on the matter at least until their next regular meeting early in July and possibly not then, it was said.

Change Planned In Local Firms

Change in the ownership of two local businesses is contemplated in negotiations underway this week. No transactions have been completed but the deals are far enough along to be fairly sure of going through, the principals say.

Clyde Briley, pharmacist at Lockney Drug Co., is negotiating to buy the interest of Mrs. Bernice Miller, Mrs. Gilbert Huls and Bob Miller in the store. Mr. Briley has had an interest in the store for some two years and has served as pharmacist at the store during that time.

Meanwhile Bob Miller is negotiating to buy the Pinner Insurance Agency here from Mr. and Mrs. Fay Pinner. Due to the fact that Mr. Miller may apply for and receive his insurance recording license before taking over the business, this deal will probably not be completed before August 1st, it was explained.

Meanwhile Mr. Pinner continues in the office, will service all hail crop policies and will continue to work in the office at least until September 1st and will aid Mr. Miller until January 1st if needed, he said. There will be no change in the companies nor in the policies of the business, the two men emphasized.

Pylant Completes Garage, Storage

Pylant Grocery & Market here have just completed a tile building which will be used for a garage and storage. The building is 24 by 28 feet in size, concrete floor with clay tile walls, and is located at the southeast corner of the store building.

GO TO CHURCH SUNDAY.

EVANGELIST PAUL CARLIN

Paul Carlin To Lead Revival At Lone Star

Evangelist Paul Carlin and Gospel Singer Milton Martin will begin a revival meeting at the Lone Star Baptist Church Wednesday evening of next week, June 27. The meeting will continue one week through Wednesday, July 4th with services at 9 a. m. and 7:45 p. m.

Mr. Carlin is a ministerial student at Wayland College, Plainview, and has been very successful in evangelistic work in this area. Mr. Martin is from Morton, Texas and is an outstanding tenor soloist. New pastor of the Lone Star Church is Rev. H. H. Sego.

The evangelist has had an amazing career. He was an outstanding athlete at Stephen F. Austin High School in Houston during his school days. He was captain of his team and helped win the city championship in basketball. Other victories followed and his team won third in the state. For two years Paul was among the top ranking ball players in Houston High School.

But these thrills were not enough. Following his school years Paul started using narcotics and running with a "hoodlum gang." After barely escaping the law for three years, finally in 1951 he was arrested by narcotic agents and later indicted by the Harris County grand jury. But at this point he was won to the Lord and since his dramatic conversion three and a half years ago, Paul has been filling pulpits across the land, telling young people, "For a real, everlasting thrill accept Jesus Christ."

Since his conversion Paul has spoken in 250 Baptist Churches and thousands have crowded into churches, ball parks and tabernacles to hear his story. In 1953, shortly after his conversion he gave his testimony before 15,000 people at the youth night service at the Southern Baptist Convention.

Rev. Sego extends an invitation to the public to attend each service.

Wheat Harvest About Complete

The 1956 wheat harvest in this area is about complete. Elevator men estimating that 90% to 95% of the wheat is out.

Although the yield this year didn't compare to the big wheat years of the past, local elevators handled from three to four times as much wheat as they did last year.

Dry land per acre yields ran from 3 to 15 bushels and averaged 8 or 9 bushels. The Beacon was told. Irrigated wheat, of course did much better with yields running from 18 to 47 bushels and averaging 25 to 30 bushels per acre. Some of the better yields were: Julian Roach, 47 bushels; Ted Boedeker, 45 bushels; Thee Griffith and Tom Rankin, about 42 1/2 bushels each.

Local elevators had received no notice up to Tuesday afternoon of the loan price on wheat and wheat farmers who had grain in storage were still without payment at that time.

Interested In Boxing Club

Donald Reecer, employed at the local post office, is interested in forming a boxing club here. Boys who are interested in joining the club and training may leave their names with Donald at the post office, he said.

Seal Coat Project Is Now Underway

Bryan & Hoffman, Plainview contractors, began work this week on the job of seal coating some 100 blocks of asphalt paving within the city limits. Crews have been clearing dirt from the pavement and repairing holes. Some asphalt has been poured but not a great deal as yet.

Soil Bank Plan To Be Explained Here Friday

A county-wide meeting, at which informed speakers will explain and discuss the new Soil Bank plan, will be held at the Lockney High School auditorium Friday of this week starting at 8 p. m. Included in the discussion will be the 10% reserve on cotton.

Speakers will be Tom Hutchins, office manager of the county ASC office at Floydada and Hub King, Farm Bureau director for this area, from Brownfield.

The Farm Bureau is sponsoring the meeting but officials emphasized that all farmers and others are cordially invited to attend.

The board of directors of the Floyd County Farm Bureau met in regular session last Thursday night at the home of Mr. and Mrs. Grady Walker in Floydada. Barbecue and all the trimmings were served to the group.

Other reports indicated that progress was being made on the plan to call an election on a weed control district. Most of the signers are in but the Bureau is still short of the necessary \$500.00 needed for calling the election.

Present for the meeting were Messrs. and Mrs. Robert Lee Smith, L. B. Brandes, Lawrence Davis, R. G. Dunlap, George Weast, Tate Ignes, Elmer Biggs, Glen White, Oliver Grote, Grigsby Milton Jr., W. R. Puckett, and R. R. Kellison, Harold Duval, A. O. Foster, Sam Puckett.

Cotton Showers Fall In Area

Cotton showers falling in this area over the weekend, brightened crop prospects and relieved the terrific heat wave of Saturday and Sunday.

On Sunday afternoon and night nice showers fell ranging from a half inch to two inches and a half. Cotton and young feed was especially benefited. About a half inch fell here while the rain was heavier to the north and east. Alvin Nichols at Cedar Hill received 2 1/2 inches and the South Plains area had an inch, reports say. Sterley received an inch and a quarter, Hilburn Casey, who lives 8 miles northeast of Lockney, had an inch and a half and Leslie Ferguson, five miles north of Lockney had 4 of an inch.

L. R. Brandes of Providence reported 2 inches and the twin was heavier north of there. Marvin Scheele in the same general vicinity had only 3/8 of an inch Sunday night but received 1 1/2 inches Monday.

East of Cedar Hill some hail damage was reported and the rain was very heavy in that vicinity with up to four and a half inches reported. Crops belonging to Cephus and Robin Fortenberry were badly damaged by hail and also Ray Ford had some crop damage. The heavy rain and hail was mostly east and south of Cedar.

John Bihrey of Lockney lost 78 acres of cotton on his place northeast of Plainview Sunday afternoon. Hail completely wiped out the cotton, he said and he expects to replant in feed.

Mrs. Alice Baker Improving

Mrs. Alice Baker, 89 years of age, was taken home from Lockney General Hospital Monday after having been there for the past two weeks. She has been ill more than a month and is reported to be steadily improving.

MRS. C. MESSIMER SAME. Mrs. Cammie Messimer was reported Wednesday afternoon to be still in critical condition. She is in Lockney General Hospital.

Soil Bank Money Is Available For This Year

County ASC office manager Tom Hutchins said Wednesday that payments under the Soil Bank program would be available to Floyd County farmers this year under some conditions on wheat and cotton.

Mr. Hutchins, County Agent Bill Rodgers, County Committeemen Buck Sams, Tom Porter and Gerald Lackey, and Eddie Cooper, an office worker, attended a meeting at Lubbock Tuesday in which details of the new plan were explained.

The Soil Bank plan is based on average yield for the past five years and payment will be made on that basis with the exception of wheat for this year. Farmers who had wheat acreage and did not plant or perhaps did not harvest may be paid for the acreage this year. Wheat acreage not planted will be paid for at the rate of \$4.00 per acre and that planted but not harvested at the rate of \$6.00 per acre. This plan is in effect this year only, however, and next year wheat payments will be on the yield basis as cotton is this year.

The wheat farmer may draw soil bank payments on wheat for this year and still seed his land to wheat this fall for 1957 harvest.

"On the yield basis the farmer may sell up to 50% of his allotted acreage to the soil bank. The county committee then figures his average per acre yield for the past five years and, in the case of cotton, pays him 15 cents per pound for his average yield on the acreage which he leaves unplanted. If his average yield was 500 pounds per acre then he would be paid \$75.00 per acre for all the acres he had sold to the soil bank.

County Average Told. Mr. Hutchins said that his office had just completed figuring the county's per acre average yield on cotton the past five years and found that this average was 303 pounds per acre. Of course this includes both dry land and irrigated farms.

The individual average yields will be figured this coming week and farmers may enter the soil bank plan on cotton this year if they so desire. They may either not plant the acreage, or may plow up that which is planted, he said.

In announcing participation requirements for the 1956 Acreage Reserve Program, Secretary Benson stated:

"We have proceeded with all possible haste since enactment of the Soil Bank legislation to present a sound 1956 program to farmers. It is true, however, that the program for this year is in a sense a special program designed to meet the time limitations and the requirements of the legislation for 1956.

"For that reason, 1956 will not present a fair trial of what the program can accomplish. The rates set for the 1956 program only. Before next year's crops are planted, however — including fall seeding of wheat this year, we will have an opportunity to plan and develop a more comprehensive program.

"The Soil Bank makes available, beginning especially in 1957, a way to reduce our farm surpluses, to safeguard our soil and water resources, to give a lift to farm prices."

Under the 1956 Acreage Reserve program farmers who are eligible to take part in the program may earn payments in connection with one or more of the commodities specified in the law — corn, wheat, upland or extra long staple cotton, peanuts (except Virginias and Valencias for which there is no surplus), rice, and most types of tobacco — by reducing their acreage of the crop below the farm's established allotment (or base acreage in the case of corn).

Under the basic rules of eligibility established in keeping with the law, acreage designated for the Acreage Reserve must: (1) Be representative of the land used for the crop, (2) result in the harvesting of an acreage of the basic crop less than the farm allotment or corn base acreage, and (3) not be grazed, cut for hay, or cropped for the entire 1956 calendar year. Noxious weeds must also be controlled

But your iniquities have separated between you and your God, and your sins have hid His face from you—Isaiah 59:2

THIS IS THE critical week as far as weather and crops go in Floyd County. If crops can escape the ravages of hail or blowing sand through this week it is the general opinion that they have a good chance to escape for the season. You remember that on June 18 of last year the big hail storm came which destroyed thousands of acres of crops and thereby brought about one of the poorest crop years for this section in some time. It was on June 19, 1933 when blowing sand following a rain ruined thousands of acres of cotton. Even the insurance companies watch this particular week in this area. We are told if we can get through this week without crop damage from the weather and can kill off the thrip, we can have one of the best cotton years, acreage wise, we have ever had.

WHETHER the land bank program will be worth anything to farmers of Floyd County is a question many a farmer is asking himself these days. Although details of the

DEMOCRATIC voters will have an opportunity to express their opinions on some issues come the first primary on July 28. The State Democratic Executive Committee has voted to place these issues on the primary ballot with the voter to express his opinion for or against:

1. Legislation exempting a child from compulsory attendance at integrated schools.
2. Legislation "perfecting" laws against intermarriage of negroes and whites.
3. Use of interposition to halt federal encroachment on states rights.

Majority approval would presumably constitute a mandate for action by the next legislature.

IN NOVEMBER the state will vote upon nine proposed constitutional amendments, as follows:

1. Expand the veterans land program 100 million dollars.
2. Allow person charged with insanity choice of whether or not to have a jury trial except where criminal offense is charged.
3. Give district judges the right to deny bail to persons twice convicted of felonies.
4. Change the teacher retirement program so future teachers could improve teacher pensions, and add disability and death benefits to the present plan.
5. Give the Legislature power to provide for assistance to needy individuals who are permanently and totally disabled.
6. Allow the legislature to grant aid and compensation to persons who have been confined or imprisoned for offenses of which they are not guilty.
7. Authorize commissioners courts to reallocate annually the amount of tax to be levied for each of four funds, total not to exceed the present limit of 80 cents per \$100 valuation.
8. Broaden the field in which the University Permanent Fund may be invested in an effort to increase return and revise provisions for construction and equipment of state college buildings.
9. Change the form of the constitutional oath of office so that appointed officers will not have to take the same oath as elective officers.

TRIFLE TOO EXCLUSIVE

To give you an idea how tight-minded Democrats in Texas have become through the years, it is reported that at least three precinct chairmen in Texas refused to permit a reporter to be present at their conventions. Texas' election law says that only a qualified voter in the precinct may "vote, be present at, or participate in the business of such a convention." Evidently the reporters couldn't qualify and so they could not be present to report the convention. If Texas Democrats keep on being silly they'll next be begging reporters (and voters) to come to their conventions. You can be too exclusive, you know. And you don't make people do things. You persuade them. — Floyd County Hesperian.

GROWERS REPORT INCREASED YIELD WITH "NA-CHURS" SEED TREATMENT AND LEAF FEEDING

The following excerpts from satisfied "Na-Churs" users are typical of the many letters received by the "Na-Churs" Plant Food Company from your own friends and neighbors. These folks have proven to themselves that "Na-Churs" Liquid Fertilizer can help increase yield, give better growth and advance harvest.

"I sprayed 5 gallons of "Na-Churs" on 3 acres of cotton in the middle of a 12 acre field. The increase in yield was at least 30%, compared to unsprayed part. I will use "Na-Churs" again next year." C. C. Swope, Wilson, Texas.

"In 1935 I treated 10 acres of irrigated cotton with 2 gallons per acre of "Na-Churs". This cotton made one bale per acre, and was pulled two weeks before the untreated which made only 2-3 bales per acre. All of this cotton acreage had a heavy hail loss on June 25. In 1936 my plans call for seed treatment plus foliage spraying." Theo Campbell, Wilson, Texas.

EASY TO DO — SMALL COST PER ACRE
 Treating seed with "Na-Churs" is easy. Simply sprinkle "Na-Churs" over the seed, mix until thoroughly moistened, and allow to dry. One gallon of "Na-Churs" will treat 8 bushels of seed and the cost is only a few cents per acre. Only a half bushel increase in yield will more than pay for "Na-Churs" seed treatment.

FOR MORE PROFIT — TRY LEAF FEEDING
 Used as a companion with "Na-Churs" seed treatment, foliage feeding with "Na-Churs" can help your grain and cotton develop stronger roots. Application can be made with any type sprayer or by airplane. It's fast acting. Don't let this season go by without giving "Na-Churs" a try on your farm.

TEACHING PROFESSION

Teaching has improved sharply as a profession, due to salary increases in recent years. The teachers gripe and complain a lot, but when you break it down to the days they actually teach (167 in Texas), most of them get paid on the basis of around \$20 a day, or more, for the time they actually put in on the job. This is especially attractive to wives and mothers, most of whom have other duties and chores at home. When you analyze the situation carefully, it appears that the beginning salaries are perhaps a better deal than the career teachers get. They do have experience and longevity benefits, but they fall short of the beginning set-up. Many of these folks get to be principals, superintendents, coaches and the like, of course, but it seems to me that the long-term classroom teacher is the one who gets the poorest deal of all. Ironically enough, these are also the folks who form the backbone of our educational system. They are the ones who serve much the same capacity as the sergeants in the army — and any GI will tell you that the "top kick" is the boy who really makes the army run — Hereford Bull and Hereford Brand.

SOCIALISM AT WORK

Every time someone suggests a sensible approach to reopening job opportunities to youngsters, do-gooders in Washington start crying bitter tears to a backdrop of a 19th century story penned by Charles Dickens. If such a move is made in a state, other do-gooders — like their Washington counterparts on the payroll to "protect youth from prostitution" — sob bitterly. As the sobs resound and the tears splash, kids disillusioned after long search for jobs, go out and throw a brick through a school window, or steal a car for a "thrill," or gang up and pummel other kids. — The Plainsman in Lubbock Avalanche.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

June 24, 1926

Harvest season opened last Monday morning in the Lockney area. The combines and binders can be heard from every direction and the usual rush of the season is upon us. The Lockney area seems to be beginning a boom. The farmers as a whole are more optimistic than ever, and with the present prospects the country will be in another month, on a better financial basis than it has been since 1919. The wheat acreage is not as large as usual, but the average yield per acre is expected to be around 20 to 25 bushels per acre. Wheat is selling for \$1.15 at this time.

The Ukelele Club was a huge success at the West Texas Chamber of Commerce convention in Amarillo last week. Every delegation in the big convention wanted Lockney to visit their headquarters and play and sing for them.

W. P. (Uncle Pete) Talley died Tuesday morning, June 22, after an illness of about one year.

The Interstate Commerce Commission has announced that a hearing has been granted on the application of the four railroads seeking to build extensions into the South Plains of Texas.

The elevator, formerly owned and conducted by the Leslie Floyd Grain Company has been sold to the Ayles Grain Company of Plainview. Mr. Ray C. Ayles has secured the services of Mr. Aron Keys as manager of the Lockney Elevator.

June 23, 1944

The Denver Alfalfa Milling

and Products Company began production of alfalfa meal in their recently constructed plant in Lockney last Friday.

Verline Adams, 17, of Lockney was killed instantly in an auto-truck collision near Grandfield, Oklahoma, Monday. Also killed in the same crash was Harvey Bates of Lubbock, injured were Peggy Weeks, 13, of Aiken and Leard Ames, 20, of Lubbock. Miss Adams was the daughter of Mr. and Mrs. W. A. Adams who operate the Texaco service station in south Lockney. Peggy is the daughter of Mr. and Mrs. T. H. Weeks of Aiken.

Bond sales in the 5th War Loan Drive in Floyd county had reached a total of \$106,165.50 Wednesday night.

Pvt. Ben Williamson, husband of the former Louise Vlasco, was killed in action in Italy June 1st, according to a telegram received this week.

Miss Alma Graves, daughter of Mr. and Mrs. C. S. Graves, and Melvin Rae Ross were wed May 26. Rev. G. C. Appleton of Amarillo officiated.

In a quite ceremony solemnized Sunday, June 18, Martha Margaret Griffith, daughter of Mr. and Mrs. W. J. Griffith of Lockney, became the bride of Sgt. Bob Davis, son of Mr. and Mrs. Marshall Davis of Amarillo, formerly of Lockney.

Eddie L. Hammonds First Refund On Federal Gas Tax Receives Diploma Due After July 1

Miss Eddie Lynn Hammonds, daughter of Mrs. Edwin Hammonds of the Sandhill community, received her high school diploma from the American School of Chicago. The diploma was granted May 22, according to the announcement.

Miss Hammonds plans to attend college but has not decided upon the school as yet, she said.

The first refund to farmers of the 2 cents Federal tax on gasoline will be made after July 1. County Agent Bill R. G. Gers said this week that forms for filing a claim for the refund would be found at banks in the county and at his office.

The first period for which refunds will be made on gasoline and other special fuels purchased for farming purposes is after December 31, 1955, and before July 1, 1956. The claims must be filed on or before September 29, 1956.

Congress approved a measure on April 2 relieving farmers of the burden of Federal taxes on the fuels. After this first period of refunds will be made annually for the period July 1 to June 30 and will be paid direct to the farmer by the Federal government.

Knox Installs New Fixtures

The Knox Grocery & Market has some new fixtures installed after work hours Monday. The new wall shelving is all metal, finished with baked-on enamel and chrome trim. Also two new checking counters to match were installed. The new fixtures gives the local store a neater appearance and also affords more convenience for the shopper.

HD Club Meets With Mrs. H. Cunningham

Mrs. Herman Cunningham was hostess Thursday afternoon, June 14, to the Lockney Home Demonstration Club. Meeting at four o'clock, the club was entertained with a very useful demonstration by Mrs. Connie Reed and Glenn Morgan called Koffee Kan Kasserole. The club members then enjoyed testing the delightful new idea which was served with iced tea. Members present were Mrs. N. S. Abbott, M. S. Johnson, E. M. Lawson, Henry Rowell, Fred Cooper, Raymond Watson, Dale Ross, Udiel Cunningham, Glenn Morgan, Connie Reed, Lavonne Johnson, Thomas Marr, R. W. Johnson, Ross Cooper, E. M. Whorton, and the hostess.

Local 4-H Delegates To College Station

Misses Nancy Bollman and Shirley Mitchell attended the 4-H Roundup featuring short courses in different phases of farm and home life at College Station Tuesday through Friday of last week. Nancy and Shirley were delegates from this county. Dan Smith, Bill Smith, James Teague, and David Mount, won the right to attend the Roundup at the District 4-H contest in Lubbock recently. Leaders who accompanied the group were Mrs. Ray Ashton of Lockney and Bill Rodgers of Floydada, county agent.

The delegates attended four meetings of the short courses: Foods and Nutrition, Mrs. Ray Ashton; Farm, Home and Ranch Development, Nancy Bollman; and Recreation, Shirley Mitchell. There was entertainment each night. Sears and Roebuck sponsored a check wagon supper and the entertainment the final night. Visitors Sunday in the home of Mrs. Laura Stinebaugh were her nephew, Leon Robertson, and his family, of Longview and her sister-in-law, Mrs. Morris Robertson of Lakeview.

50 Attend Rotary Ladies Program

Some 50 persons enjoyed the Lockney Rotary Club's Rotary-ane night program last Friday. The setting was the recreation rooms at the Methodist Church.

Following the dinner President Bob Miller welcomed the guests. Songs were presented by Miss Barbara Carruth of Wilmore, Ky., and The Harmonettes, a trio composed of Janice Hays, Elaine Cooper and Debra Ferguson.

President Miller introduced new officers of the club who will take office July 1st. They are Lloyd Wofford, president; Leslie Ferguson, vice president; Eddie Holcomb, secretary-treasurer; H. H. Nicholas, Leroy Durham and H. B. Coggin, directors. Mr. Miller, as retiring president, will also be a director.

The group was entertained with a film in color, titled "The World That Nature Forgot."

Library Begins Summer Program

The Lockney division of the Floyd County Library began its series of summer programs Wednesday morning June 20, in the basement of the First Methodist Church.

Lt. Gov. Ben Ramsey Here Wednesday

Lieutenant Governor Ben Ramsey brought his campaign to Lockney Wednesday. He said that soil and water conservation, and greater protection for Texas families through good services and stability in government are the major planks of his campaign for re-election.

Ramsey, who is on a five-day campaign swing through the Plains country, said, "Soil is the storehouse of agriculture and industry. Water is the key to both," he added.

"People throughout Texas have made great strides in soil and water saving practices in the last 10 years. People have become water conscious. If the next Legislature at its regular session does not enact a comprehensive water program, then I will recommend to the next governor that a special session of the Legislature be called to deal singly with the water problem."

Guests Sunday in the home of Mr. and Mrs. J. R. McDonald were Mr. and Mrs. H. N. McDonald and children of Orange, Mr. and Mrs. R. W. Dillard of Lubbock, Mr. and Mrs. Beryl Johnson and son of Plainview, Mrs. J. M. Mayfield of Leveland, and Mrs. Bill and David Mayfield of New Orleans, La.

Nancy Tomlinson of Canyon is staying this week in the Oscar Golden home while assisting with the preparations for the Bolt-Foster wedding.

The Practical Value of Buying where You Live

For instance . . . meditate for a minute on what a comfort it is to have people around you. Particularly people like doctors, plumbers, druggists, firemen, preachers, mechanics, taxpayers, and the like.

These all come with towns. Towns

come with business. Your business. Every nickel you spend in some other town helps to send some of these handy people away from here.

Maybe it even helps to eliminate YOUR job. Certainly it decreases the profits on whatever business you

are in, and reduces the value of any property you may own in this area.

We're social critters, and depend on each other for many things. But when you scratch somebody else's back, be sure he stands where he can scratch yours in turn.

**It Pays to Buy
where You Live**

YOU get everything that your money pays for . . . merchandise AND a trade-invigorated community to live in . . . when you buy from your home town merchants . . .

Newlyweds To Live In Missouri

The Trinity Lutheran Church at Providence was the scene Friday evening, June 15, for the nuptial vows of Miss Clara Emma Sammann and Paul Lewis Stuke. She is the daughter of Mr. and Mrs. H. H. Sammann of Plainview and he is the son of Mr. and Mrs. S. C. Stuke of Carthage, Missouri. The couple will make their home in Carthage, where he is engaged in farming.

The church was beautifully decorated for the candlelight service directed by the pastor.

Rev. H. L. Anderson. Arrangements of white mums, stock and shasta mums were used at the altar.

Preceding the ceremony organ selections were presented by Mrs. Jack Faver. She accompanied Mrs. H. L. Anderson, soloist, for her rendition of "The Lord's Prayer" for the benediction. The traditional marches were used.

Miss Barbara Ann Sammann of Plainview was maid of honor and bridesmaids were the bride's sisters, Mrs. Ted Boedeker of Lockney and Mrs. Lee Roy Brandes of Wichita Falls, and the groom's sister, Mrs. Abbiatti of Carthage. They were attired in dresses of pale pink lace and net.

Serving as best man was the bridegroom's brother-in-law, Harry Abbiatti of Carthage. Ushers were Robert Matthews and Cecil Boedeker of

Lockney and Delbert Matthews of Silverton. Groomsmen were Ernest Sammann of Plainview, Ted and Cecil Boedeker of Lockney.

Nephews of the bride who lighted the candles before the ceremony were Elbert Sammann, Jesse Sammann, both of Plainview, and Larry Boedeker and Meritt Boedeker of Lockney.

Jaqueline Faver of Plainview was flower girl and wore a replica of the bride's ensemble. She carried a lace flower basket filled with rose petals. Alfred Sammann was ring bearer.

The bride was lovely in a dress of imported French lace and nylon net. The lace bodice was styled on a princess line. A tiny bolero of lace covered the shoulders and long lace mitts extended in points over the hands. The extremely full skirt was fashioned of three tiers of nylon net.

Her hip-length veil of illusion fell from a halo of seed pearls, and she carried a lace covered white Bible, the gift of Rev. and Mrs. Anderson, on which rested a white orchid nestled in white stock and showed with satin streamers.

A reception honoring the couple followed the ceremony held in the home of the bride's mother. The receiving line was formed of Mrs. Sammann, Barbara Sammann, Mrs. Ted Boedeker, Mrs. Lee Roy Brandes, Mrs. Harry Abbiatti and the newlyweds.

The five-tiered wedding cake was featured on a table covered with a linen cutwork cloth with crystal appointments.

Those assisting with the house party were Meses, H. L. Anderson, Dorothy Knipping of Sagerton, Mac Howard, Don McLaughlin, both of Lockney, Weldon Foster, Richard Matthews, Albert Sammann, and Boyce Carthel, and Misses Vir-

ginia Sammann, Emeline Rode of San Antonio, Marie Scheele, Helen Neuman, Arlene Matthews and Lettie Matthews.

Mrs. Stuke taught the past term at the Hillcrest Elementary School in Plainview. She is a graduate of Plainview High School and attended Trinity University and Texas Tech, and is a graduate of Texas Lutheran College in Seguin. Mr. Stuke is a graduate of Carthage, Missouri, High School.

Bride-To-Be Is Feted With Spinster's Party

Miss Elizabeth Ann Belt, bride-elect of Eddie Joe Foster, was honored with a spinster's party Tuesday afternoon in the home of Mrs. John Belt. Hostesses for the party were her bridesmaids, Misses Betty Johnson, Betty Jean Foster, Betty May Sams, and Nancy Tomlinson of Canyon.

Cokes and cookies were served to the 16 guests before Miss Belt was presented with baskets of unlabeled canned foods, jellies and jams, and jars of flour, baking powder, detergents, etc. It was left to the discretion and judgment of the bride-to-be to determine the nature of each of these items. The cans and jars were attractively decorated with beautiful bows, ribbon, and such.

Present for the occasion were Meses, Kenneth Wofford, Ike Johnson, J. R. Belt Jr., Hershel Carthel, Warren Mathis, Garland Sims, E. J. Foster, Vestal Hastings, John Belt, and Misses Carolyn Belt, Jean Harris, Patti Adams, Sandra Myers, Rosemary McDonald, Kay Golden, Jean Wofford, Carolyn Hastings, and the hostesses.

Neither the Capitol nor the White House in Washington is insured.

Roylene Dunavant Bride Of Joe Wall

Miss Roylene Dunavant became the bride of Joe Edward Wall in a quiet ceremony June 16, read in the home of her parents, Mr. and Mrs. Gene Rodgers, 2007 West 20th Street, Plainview. He is the son of Mr. and Mrs. Roy Wall, 829 Date Street. Rev. C. O. Haile of Aiken read the double ring vows.

The couple stood before an arch entwined with white wedding bells and flanked on either side with baskets of yellow mums and fern and ivory tapers with yellow ribbon.

The traditional wedding marches were played.

The bride, given in marriage by her stepfather, was attractively attired in a dress of French imported lace over blue taffeta. The princess-styled bodice terminated in points above a full, billowing skirt. The bride and maid of honor was dressed in a yellow dress made identical to the bride's. She carried orchid pom pom mums on a heart of orchid net and satin ribbon. Miss Jovonne Taylor, candlelighter, wore a dress styled like the bride's, made of orchid lace and taffeta. Her wrist corsage was of yellow pom pom mums.

The bride's mother was attired in a suit of blue silk shantung with a white carnation corsage and blue accessories. The bridegroom's mother was dressed in navy blue with white accessories.

Best man was Ed Roberts of Plainview.

Reception

A reception was held after the ceremony. The couple were assisted in the receiving line by the bride and groom. The table was covered with an imported lace tablecloth, and centered with a heart of orchid pom pom mums on a mirror. It was flanked by ivory tapers in crystal candelabra.

Guests were registered from Amarillo, Lubbock, Morton,

Panhandle, Lockney, and Santa Barbara, California.

For a wedding trip to points of interest in Colorado, the bride chose a navy dress of silk with pink and orchid accessories. Upon their return they will be at home in Plainview.

Mrs. Wall is a 1954 graduate of Lockney High School and is now employed at Blair Drug

in Plainview. Mr. Wall attended school at Mangum, Oklahoma, and served two years with the U. S. Army in Korea.

Miss Sandra Myers is home for the summer from Lubbock where she has been attending Texas Tech and working part-time for Homer Pharr, Attorney at Law. She is the daughter of Mr. and Mrs. George Myers.

South Plains

By Mrs. Murray Julian

Dr. J. Harvey Scott, evangelist from Petersburg, and Bill Sweeney, from Wayland College, as singer, are leaders in the Baptist revival which started on Sunday night, June 17, and will go through June 23. Everyone is cordially invited to come to the morning meetings at 10:30 and 7:30 at night for the booster band and prayer meeting with sermon to follow at 8.

Mr. and Mrs. Roscoe Allmon, Nancy and Donna from Ironton, Missouri were house guests last week with Mrs. Allmon's brother and family. Mr. and Mrs. George Weast.

Ronald Faus arrived Sunday at noon to spend a few days in South Plains with his brother, Bobby and Rev. L. J. Faus and family, before he goes on to Norman, Okla., where he is in the Navy.

Mr. and Mrs. John Smithman were hosts at a party in their quonset barn Saturday night from 8:30 to 10:30 to a group of H. D. Club members and their husbands. Games of 42 were enjoyed during the course of the evening and Mrs. Smithman served cookies and punch at the close of the party. 22 guests were present.

Mr. and Mrs. Clarence Foster of Floydada were visitors at church Sunday morning with their daughter, Mrs. H. S. Calahan Jr. and family. They went home with them to spend Father's Day.

Betty Crawford from Dougherty was a visitor at church on Sunday with Bonnie Upton and was a guest with Bonnie at the home of her parents, Mr. and Mrs. Raymond Upton from Saturday until Thursday of this week.

Mr. and Mrs. J. A. Kinnibrough from Vena came on Wednesday at night and Thursday visiting Mr. and Mrs. Sylvan Kinnibrough and girls. Marilyn returned to Vena with her grandparents and will spend the week there Monday night. The Kinnibroughs were guests at the supper hour in the home of Mr. and Mrs. Frank McClure.

Sharon Burnett, daughter of Mrs. Ruth Burnett was graduated from NTSC in Denton on June 1, and is now living in San Antonio. She will be remembered as the niece of Mrs. Bill Harper and went to school in South Plains. Nadine Harper youngest daughter of Mr. and Mrs. Bill Harper was married on June 2 to Howard Timlin, and they are at home in San Antonio.

Kay Burns of Plainview has been visiting the past week with her aunt, Mr. and Mrs. I. H. Parks and family. Kay and Eddie Parks were visitors at church Sunday morning.

Mr. and Mrs. George Weast left for their cabin in Ruidoso, N. M. Thursday. Their daughter, Mr. and Mrs. Bobt. Lee Smith and children of Sterley joined them for a weekend visit at the cabin. The Weasts plan to be home about Thursday of this week.

Fred Marble is now stationed at Philadelphia, Penn., with a guard unit. He had been down at Fort Bliss near El Paso during his training period. Mrs. Marble went with him last week to their new post.

Bonnie Upton was bridesmaid at the wedding in Floydada on June 19 for Miss Linda Gayle Clark and J. E. Waller which took place at the Methodist Church. Bonnie also presided at the punch service at the reception held in the church parlor following the ceremony.

Mr. and Mrs. J. P. Taylor and Katy and Mr. and Mrs. Grigsby Milton and Barbara Sue left Sunday evening for Dallas where they have appointments with physicians on Monday. Bonnie Upton and Betty Crawford stayed the night with Virginia Taylor while they were gone and Jonnell Wood spent the night with Donita Milton.

Mr. and Mrs. Zach Cummings Sr. were hosts Sunday to his sister, Mr. and Mrs. E. H. McCray from Clovis, N. M. and their daughter, Mr. and Mrs. Meow from Sioux City, Iowa. Mr. and Mrs. Sterling Cummings and children were with his parents all day and present for the evening meal along with the above guests were Mr. and Mrs. Kendall Cummings and children and Mr. and Mrs. Zach Cummings Jr. and baby.

Mr. and Mrs. Don McClure, Donna and De'ann from Crosbyton spent Father's Day visiting her parents, Mr. and Mrs. Frank McClure.

Mr. and Mrs. Fred Fortenberry visited in Cedar Hill on Sunday with Mr. and Mrs. Robin Fortenberry. Over two inches of rain was reported in that section.

Mrs. Arby Mulder, Nathan and Katherine went to Tulla on Sunday to spend the day with her sister, Mr. and Mrs. Clarence Cobb and family.

Tuesday at noon the ministers were guests in the home of Mr. and Mrs. Bill Beedy. Enjoying lunch in their home were Rev. and Mrs. Larry Faus,

Vassie Beth, Bobby and Ronald Faus, and singer, Bill Sweeney.

Vacation Bible School was a success at the South Plains Baptist Church with commencement exercises on June 8. Enrollment was at an all time high this year with 68 registered.

Mrs. J. H. Scott and Mrs. Ray Cross from Petersburg and Mrs. Bill Sweeney, children and Mrs. Sweeney from Plainview were all visitors at church on Monday night.

Mr. and Mrs. Frank McClure had as their guests on Monday at a fried chicken lunch, Rev. and Mrs. Larry Faus, Vassie Beth, Ronald and Bobby Faus, and Mr. and Mrs. Murray Julian.

Sunday afternoon brought amounts of over two inches of rain to southern parts of our vicinity. 1.85 fell at the Frank McClure farm near the highway and hail on the Kinnibrough farm did much damage to cotton there and to farms near there. Only light showers fell as far north as the Sim Reeves farm, with 50 reported at the Arby Mulder farm.

Mr. and Mrs. Murray Julian, Bruce and Kendis arrived home this past week from a vacation of three weeks which took them through the western states of California, Washington, Oregon, Idaho, Utah, Colorado and New Mexico. They visited in Norwalk, Calif. with Mr. and Mrs. Harvey Pearsey, former residents of South Plains and with brothers, sisters and many friends they had not seen in several years. They encountered wonderfully cool weather from the day they left until they reached home in the cooling showers. Many of the rivers of the northwest are overflowing their banks and several smaller rivers, such as the Columbia, Snake, Sacramento and several smaller rivers, melting snow in the mountains were causing the flooding. Terry stayed at the farm during the parents vacation.

Mr. and Mrs. Ted Bell who were married on June 2 in Floydada are living at the home of Mr. and Mrs. Joe Wilson while their home is being built. The Wilsons are staying in Lubbock this summer.

Mrs. Xula Higginbotham of Saint Jo, Texas has been spending the past week with her son, Mr. and Mrs. Bryant Higginbotham and boys. They took her home by way of Chillicothe Sunday, to the home of Carl Higginbotham and they went to Crowell and visited another brother of Bryant's, Alton Higginbotham and family.

Terry Julian will leave Wednesday for Fort Hood to spend the coming six weeks at ROTC camp. Accompanying him to camp is Jerry Rowell from Plainview.

Many farmers sprayed cotton for trip the past week and this week wheat harvesting is going on at the Sim Reeves farm and other farms not yet cut. Arby Mulder reported an average yield of 15 bushels an acre.

Club Meeting
Home Demonstration Club members met at the home of Mrs. Walter Wood on Wednesday June 13, with Mrs. L. T. Wood as co-hostess. Mrs. Webb presided at the business meeting which was opened with a

LETTERS TO THE EDITOR

Silverton, Texas 6-14-56.
Mr. Edgar Hays, Editor
The Lockney Beacon,
Lockney, Texas.

Dear Mr. Hays:
I think you finally smoked out our good friend, Mr. Baggarly, as he didn't fire at you in today's Herald.

I was supposed to have a letter to the Editor in his sheet today but he no print — I told him the Beacon Light had put "the Hot Air Herald" out. Ha. As I told him you editors have the advantage as if a reader "pours it on," you just don't print it, and that I didn't propose to make him do so by resorting to the state statutes, as spending a stamp was expensive enough to answer hot air, or put in another paper in the next block so that the other side might have a say.

If you have read the Herald closely the past few months, you will note I think I have won the "spite" Ha. I told him this week on the tidelands he had the old sow by the tail instead of her ear, and that I would like to see him get the sow by the ear once in a while, or just write about raising frogs and mushrooms, but he doesn't have more hot air in Town Topics this week.

He is a great old bachelor, and I had never met him until twice recently he was at our Lions Club with his good films, and back in a few days with them again for the FFA boys, and though he has the right to see things as he desires, if we had a few more state socialists like H. M., we wouldn't take quite as long to go a little further and really be like England or even Russia.

He is always "cussin' capitalism — I wonder how he would like to be a janitor at Praxida or Ivestasia? It's a cinch he couldn't be the hard hitting free lance writer over there as here, and he is right in most everything but the political issues.

Remember a while back I really got the 19th dissertation from him when I asked him about "Pretty Boy Ralph" (Yarborough), taking the thousand bucks — well I answered him "BUT NARY A WORD DID HE PRINT OF MINE" — he said I had written him during the summer campaign that I was for Shivers — I told him if he could produce either the paper or my letter so saying, I would buy him a nice hat, but no print that — in fact I voted for Holmes, but as I told H. M., I held my nose and voted for Shivers in the runoff, as the lesser of two evils, but that now I wasn't for "Pretty Boy No. 2" — Shivers anymore — looks like he would have printed that — (or I have it on good authority he is in with the liquor inter-

ests, and did sign the bill allowing me to go in a package store and say I was the guardian of your little boy or girl and buy some of the damnable stuff, after saying he was going to veto it — 'nuff for me.

Baggarly and others curse Herbert Hoover — one of the best statesmen America ever had, but he had a Demo Congress his last two years, but they never say anything about that, and he couldn't get anything but the RFC over, and it did well until the Trumanites termite turned it into a bunch of thieves. Like you, I am an old Jeffersonian Southern Democrat, but my party has went Socialist and deserted me. I did vote for Hoover against Smith in 1928 and have always been glad.

I voted for FDR in 1932 and 1936 and have prayed the Lord many times to forgive me for it — he was only King in his own right the good old USA ever had, and had he lived he would have been serving his 9th term, running for the 7th, for labor and many other knots, beads would have voted for the sleek King politician, and the old hard headed mule from Missouri is the worst accident America ever had — No wonder he crowed at his getting over in 1948, as he didn't think he would, but the next four years, he really messed up things — he and the pinko leaning Acheson, and got us in the jam we are in now and allowed the Red spies to get all our secrets — as McArthur said, he might not have meant to be a traitor, and that he was not so claiming, but that he was ignorant and a liar, Ha! Its a matter of public record that FDR and Churey (I don't call drinkers statesmen) got drunk at Yalta, and old Stalin ("I like old Joe") set his whiskey glass aside and didn't get drunk, and got all he wanted and more too —

Read Elliott's own two articles in Look of October, about 4 or 5 years ago, for the proof. I wouldn't have told off on my dead daddy as he did for paid articles like those two for money. But old lady Eleanor is the worst enemy this country ever had, as she went over Halls head and his assistant or Under Secretary of State (his name skips me just now) and got the Reds to coming over here, including the Eisler Bros.

Well, I'll stop, but any school boy, if he doesn't know any President but King Roosy could write a book about what State Socialism has done for us as a nation. I had hoped that Ike would clean up some things, but as Hoover, he has a minority to put up with, as the Socialists are in the majority in Congress, and I fear they will be for years yet.

Cordial good wishes, and watch out for H. M. He might fire with both barrels any issue again, but likely he will stay with the hot air campaign during the next few weeks. I don't think I'll vote for any of the leading candidates for Governor, but for maybe Ed Haley, W. H. Tennon.

Stovall Is New State Bar Director

Judge Lloyd A. Wicks of Falls, State Bar director, and his newly-elected successor on the board, Attorney Richard F. Stovall of Floydada, will head a delegation of South Plains lawyers to the 74th annual meeting of the Texas Bar in Houston, July 4-7.

Advance registrations, reported from convention headquarters in Houston, indicate that upward of 3,500 Texas lawyers and their wives will attend the four-day meeting, largest in the history of the organized bar in Texas — or any other state. The first Texas meeting, with 35 lawyers present, was held in Galveston in December, 1882. The meeting in Houston this year will feature as speakers some 50 of the nation's leading educators, practicing lawyers and judges on all phases of legal practice.

The convention will get underway at the Rice Hotel, July 4, with registrations, and an all-day institute on office management, titled "The Roll-Top Desk in the Atomic Age." A law student moot court competition, sponsored by the State Junior Bar on a question related to the Texas Business Corporation Act, will include teams from St. Mary's University, the University of Texas, SMU and the University of Houston law schools.

Wicks and Stovall will attend a quarterly meeting of the board of directors, to convene July 4 at 2 p. m., and a final luncheon meeting July 7.

Mr. and Mrs. Hoyette Hodges attended the funeral of Mr. Jim Oliver in Memphis, Texas, Sunday.

FORD sets 500-mile record at Indianapolis Speedway

Again proves nobody outperforms Ford
... dramatic demonstration of the kind of performance and roadability that makes all your driving more fun in a Ford!

A Ford V-8 hurtled across the brick and asphalt surface of tough and testing Indianapolis Speedway... whirling through the tight turns and flashing over the straight stretches... to set a mark that no stock car ever reached before!

Previous to Ford's record run, no other stock car had gone even one lap at Indianapolis at 100 m.p.h., but one of Ford's laps was timed at the electrifying speed of 113.7 m.p.h. And Ford averaged over 107 m.p.h. for the full five hundred miles... close to the average set by the extremely costly, specially-built racer which won the Memorial Day "500"!

Ford fully realizes that the welter of claims and counter claims about "racing victories" (many of them completely contradictory) must be confusing and disillusioning to the public. Ford ran this race against time, over the true "Classic" distance and at the most famous track in America, in order to dispel this cloud of doubt and disbelief and prove that no one outperforms Ford!

Peter de Paolo, leader of the team of drivers that piloted the winning Ford, states flatly: "No other stock car could have equalled this performance!" And Pete de Paolo should know, for he was the first driver to win the "500" Classic with a better than 100 m.p.h. average. And now he comes back with a group of drivers to establish a stock car record with the great '56 Ford!

Ford wrote this new mark large and bold in the record books. And the whole Ford did the trick. From the hood-full of throbbing horsepower to the road-hugging rear end, Ford demonstrated that it has what it takes to make your driving more enjoyable. Convince yourself that driving a Ford can be real fun. Test drive a '56 Ford. There's a set of keys waiting for you, so come in and see us soon.
