Beef Cattle: Friday, 2:30 p. m.

Agriculture Exhibits Judging Starts at 2:00 p. m.

Thursday.

The Floyd County Fair will open today (Thursday) in what fair officials expect to be a bigger and better event than last year. Frantic last-minute preparations were being made Wednesday, some exhibits were being put up and others were being prepared.

Fair Association President Charlie Boedeker, Fair Manager Dick Whiteley and a number of other fair directors, department superintendents and others were busy with final arrangements. Shelves and tables were being placed and decorations going up on some of them.

The big room provided for the women's division of the fair was being prepared for a flood of entries this morning and quite a number of women were working there Wednesday afternoon.

The stock pens were up and filled with hay, some commercial exhibits were up and others were being made ready, the agriculture exhibits room was ready to go with some agriculture products already on hand.

Several communities were busy preparing community exhibits. Director Jake Watson was not sure how many communities would prepare exhibits, but he thought probably eight or ten would have exhibits in place by Thursday.

The Livestock Department is expected to be better than last year with one new division, baby beef, being added this year. Doyle Mount is superintendent of this division.

The agriculture department certainly is expected to be better because of the much better crops in Floyd County this year. Chester Mitchell is superintendent.

Mrs. R. H. Tinsley of Sterley is superintendent of the Women's Division and this is expected to be much better because of the additional room provided this year.

Parade at 3:30
The fair proper will be kicked off with a parade down Lockney's Main Street starting at 3:30 p. m. Thursday. The entries will gather at the South end of Main Street, near Lockney Lumber & Supply, and the parade will start from that point, parade officials said.

The Floydada Whirlwind Band and the Lockney Longhorn Band will be in the parade and provide the music. Commercial floats, horsemen and other entries will make the parade an interesting one. Officials did not know Wednesday exactly how many floats would be in the parade.

Special Events
Special events at the fair include a fire works display Thursday evening to start at 9 o'clock, a style show featuring a cotton wardrobe at 8 p. m. Thursday evening and at 7 p. m. on Saturday evening, and the personal appearance of The Serenaders, a television musical group from Lubbock, on Saturday evening at 7:30. All with the exception of the fireworks will be held in the big east room where commercial exhibits are located.

School children will be admitted free to the fair grounds Thursday. Regular admission to the grounds is 15 cents for children and 35 cents for adults.

The Victory Exposition Shows, a carnival featuring rides and concessions, round out the entertainment side of the fair. The show arrived on the grounds Monday and by Wednesday most rides were ready to go.

Mrs. Jack Wells Dies In California
Mrs. Jack Wells, daughter of Bob Reeves of San Bernardino, Calif., passed away in a convalescent home in San Bernardino Tuesday morning at 11 o'clock. She had been ill for five years.

Funeral services will be held at Corona, Calif., Thursday at 3:30 p. m. Mrs. B. A. Howell of Sterley and Mrs. R. W. Smith of Lockney left by train Wednesday morning to attend the services. The deceased woman is a niece of Mrs. Howell.

Mrs. Wells was reared here and attended the Lockney schools. The family moved to California about 1940.

Survivors include her husband, her father, two sisters, Mrs. Bobbie Dean Mosley and Mrs. Jo Ann Gaffney, both of San Bernardino.

George Mahon To Be Here Today

Congressman George Mahon, representative in Congress from the 19th district, will be in Lockney today conferring with local Chamber of Commerce officials and visiting the Floyd County Fair.

Tonight (Thursday) Mr. Mahon will speak at a meeting of the Floydada Rotary Club at which teachers in the Floydada school system will be honored.

B Squad And Junior High Play Tonight

The Longhorn B squad and the Junior High Short horns will meet similar teams from Hale Center on Mitchell - Zimmerman field here tonight (Thursday). The Short horns game will begin at 6:30 and the B squad game will follow.

Coach Troy Lemley said Wednesday that his B squad was ready to go and gave a probable starting line up as follows:

David Howell, lb; Jerry Wofford, lt; Terry Clark, lg; Jackie Don Calahan, c; Ronnie Harris, rg; Steve Handley, rt; David Robertson, re; Jake Wofford, qb; Kenneth Holt, rh; Eddie Romero, fb; Ray Owens, lb.

The Beacon was unable to contact Coach Weldon Dodson of the Junior High team but the Short horns always give a good account of themselves.

Admission of 35 cents per person will be charged to the game in order to pay for the lights and incidental expenses, Coach Rudy Haile said.

The B squad and Junior High schedule for the season was announced as follows:

Sept. 13—Hale Center here.
Sept. 20—Petersburg here.
Sept. 27—Olton here.
Oct. 4—Floydada here.
Oct. 11—Olton here.
Oct. 18—Crosbyton here.
Oct. 25—Floydada here.
Nov. 1—Crosbyton here.
Nov. 8—Hale Center here.
Nov. 15—Petersburg here.

Ed Carter's Brother Dies In California

J. R. Carter, 82, brother to Ed Carter of Lockney, died while on a visit with a daughter in California last Saturday. He suffered a heart attack and lived only a few hours. Mr. Carter had left his home at Altus, Okla., some time ago and had visited a daughter in Arizona previous to going to California.

Funeral services were held at the First Methodist Church in Altus Wednesday afternoon at 2 p. m. Interment was in the Altus Cemetery. The local Mr. Carter and Ben Wood attended the services.

Survivors include his wife, nine children, two brothers, Ed of Lockney and J. L. of Midland.

TO DALLAS
Mr. and Mrs. Willis Reynolds, accompanied by Mrs. Reynolds sister, Mrs. Bob Louder of Happy, left Tuesday for Dallas where Mrs. Reynolds will have a medical check-up.

Mr. and Mrs. A. N. Waldroupe, accompanied by their house guests, Mr. and Mrs. C. Totten of Lamar, Colo., spent last weekend in Carlsbad, New Mexico.

Cotton Opens Fast, Some Are Needing Hands

Cotton is popping open fast and some farmers are needing hands, according to information gathered by The Beacon Wednesday. The ideal weather of the past two weeks has caused the cotton to mature at a rapid rate and fields are fast becoming white as the fleecy staple opens.

In the immediate Lockney vicinity there is no large demand for hands but they are being hired as they come in gin men say. However, in the Lone Star and Sterley area some farmers are needing hands, it was reported.

Ginnings have been moderate but the rate of ginning is picking up and gin men expect to be going full blast within two weeks. Employment officials say that thousands of hands are headed this way and as soon as the light crop under the cap rock is cleaned up they will move on to the plains country. This is expected to be within the next two weeks.

662 Bales Ginned
A total of 662 bales of cotton have been ginned at the gins in Lockney, Aiken, Sterley and Lone Star, according to a survey made by The Beacon Wednesday. Of this total 269 bales were ginned at the four gins in Lockney.

The 1956 crop in Floyd is estimated at 74,000 bales in the last tabulation which is some 14,000 bales above the 1955 crop. The crop in this part of the county is much better than last year and some farmers have "very good" cotton while other crops are just average.

Some farmers are being troubled with red spiders. Also some fields have been damaged with angular leaf spot, a disease about which the farmer can do very little. This has caused considerable spot cotton in grades.

Local Relatives Are Wreck Victims
Mr. and Mrs. Samuel Guerry of Sundown and Mr. and Mrs. John Guerry of Lipon were killed in a collision with a diesel truck near Mineral Wells Sunday. Mr. and Mrs. Samuel Guerry were visiting his brother at Lipon for the week end. Joint funeral services were held at Lipon Tuesday.

Both Mrs. Samuel Guerry and Mrs. John Guerry were aunts of Mrs. H. H. Nicholas of Lockney.

Quarterback Club To Meet Tuesday

The Lockney Quarterback Club will meet next Tuesday evening at the High School Cafeteria. President Marvin Gilbert said Wednesday. The film of the Lockney - Hale Center game will be shown at this meeting and refreshments of coffee and doughnuts will be served.

The club was scheduled to meet this week but the meeting was postponed.

The meeting will start at 8 p. m.

Band Parents Elect Officers

The Lockney Band Parents Club elected Mrs. Milton Ashton as president at its first meeting of the year last Thursday evening, named other officers and adopted plans to support the band in an effective way. An enthusiastic spirit prevailed in the group.

Other officers elected were Mrs. Kenne J. Wofford, vice-president; Mrs. Chester Johnson, secretary; Connie O'Brien, treasurer; Edgar R. Hays, reporter.

The group voted to meet each fourth Tuesday evening of the month and a program committee was named consisting of Mrs. Edgar R. Hays, chairman; Mrs. Connie O'Brien and Chester Johnson. A refreshment committee was composed of Mrs. F. O. Schacht, chairman; Mrs. Henry Bollman and Mrs. Carl Wilson.

An organization was set up to handle the concession stand at the football game and also the football programs. Plans for a very active year are being made, Mrs. Ashton said.

Youth Critically Hurt In Wreck

Ronnie McGinnis, 15, of Plainview and a half brother to Coach Rudy Haile of Lockney, was critically injured late last Friday afternoon when he was thrown from a pickup as it overturned near Plainview. He was riding with Wesley Byler, who was only slightly injured in the accident.

McGinnis was carried to Northwest Texas Hospital in Amarillo immediately after the accident. He suffered severe head injuries and underwent an emergency operation Sunday night when a tube was inserted in his throat to help him breathe. He was still unconscious Wednesday but the family feels more hope for his recovery, Coach Haile said.

Deadline For Committeemen Ballots Is September 20th

Deadline for returning community committeemen ballots to the County ASC office is September 20th. Office Manager Tom Hutchins said Wednesday. Some 2000 ballots have been mailed to farmers in Floyd County. If some one failed to get a ballot he may secure one at the ASC office or the office will mail him another if he will contact them, Mr. Hutchins said.

Three community committeemen and two alternates will be elected from each of the nine communities in the county. The ballots carry the names of 10 nominees with instructions to the voter to vote for five. The person in each community receiving the most votes will be community committee chairman and a delegate to the county convention which names the County Agriculture Stabilization and Conservation Committee. The one receiving the second highest number of votes will be the vice chairman of the community committee. The third person will be a member of the committee and the next two will be alternates.

The farmers named chairmen of the various community committees will meet at the ASC office in Floydada on September 27th to elect the county A. C. committee.

Spaces are provided on the ballot for writing in the name of other persons should the voter wish to do so. Mr. Hutchins pointed out.

Following is a list of the various communities in Floyd County along with the nominees from each:

Community A — Hershel Carthel, Zack Cummings, Clyde Parish, Les Ferguson.

Enrollment Up 53 In Local School System

Enrollment in the Lockney school system Wednesday was up 53 over the first day enrollment last year, according to figures released by Supt. H. H. Nicholas. The total enrollment Wednesday stood at 936 compared to 883 on the first day of school in 1955.

Increases were noted in both junior high and grade school while the high school enrollment showed a decided drop. The colored school was also down slightly.

The high school enrollment Wednesday was 227 compared to 214 last year and at the grade school, the enrollment Wednesday was 449 compared to 255 last year, a drop of 28. In junior high this year's enrollment thus far is 225 compared to 214 last year and at the grade school, the enrollment Wednesday was 449 compared to 377 the first day of school in 1955.

The colored school enrollment is 35 this year compared to 37 last year.

Supt. Nicholas said that the enrollment in all the schools has been increasing each day and he expects increases especially in the colored school and in the grade school.

Grade School Building
Work is progressing at a fast clip on the burned section of the grade school building and it will be ready for use within a short time, school men think.

New desks for the two rooms which were burned out arrived Tuesday and will be installed as soon as the rooms are ready. It is possible that more new furniture for this building will be purchased depending upon how much money is left, Mr. Nicholas said, after the repair work is completed.

Despite some handicaps, school is progressing nicely at the grade school building and all sections are housed adequately. Some clean up work still remains to be done, especially on the venetian blinds.

Room Mothers
At Junior High School Principal C. H. Cheves asked all mothers of Junior High students who wished to be room mothers this year to meet at the Junior High Tuesday at 2:30 for an organization meeting.

Seven Called For Induction
Seven men from the jurisdiction of Local Board No. 45, Floyd, Hale, Swisher and Motley Counties, have been called for induction into the armed forces. The men will report to the courthouse at Plainview on September 20th. Following is a list of those called:

Robert Kent Pollard, Hale Center.
Nathan Edward Owens, Hale Center.
Donald Wayne Thornhill, Midland.
Bob Jack Chambers, Plainview.
Keith Williams, Plainview.
Doyle Wayne May, Plainview.

Ted Billington, Plainview.
The following named registrars were ordered by the Board for Pre-Induction Physical Examination for the 20th day of September 1956:

Lee Ramstedt Dye, Plainview.
Bobby Glenn Perry, Plainview.
Kenneth Ray Brown, Plainview.
Clarence Hubert Kayler, Jr., Hale Center.
Raymond Quintana, Hale Center.
William Bert Grimes, Floydada.
Thomas Jefferson Anderson, Jr., Fairdale, Kentucky.

Grain Sorghum Loan Rate Set
The grain sorghum loan rate has been set at \$1.88 per cwt. for farm stored grain, according to information from the ASC office. Grain stored from Sept. 2 to Sept. 14 inclusive will net the producer \$1.70 per cwt. Storage will decrease 1c per day for each 11 days after Sept. 14. This will make the loan rate increase 1c every 11 days.

Corn support has been set at \$1.32 per bushel for farm stored corn.

Minute Editorials

The thoughts of the wicked are an abomination to the Lord; but the words of the pure are pleasant words. — Proverbs 15:26.

INTRIGUING INDEED is the change of atmosphere that comes with school beginning and the harvest season. We notice a hustle and bustle that has not been evident during the long summer days. There is work to be done, deadlines to meet, schedules to make and everyone is hustling about, doing his best to get all the things done that need to be done. The cool morning air generates pep and enthusiasm and creates a desire for accomplishment. It is fall and school time and there is no time for loafing and procrastination. It is indeed a nice time of the year.

HOORAY for the Longhorns. They demonstrated they could play football Friday night and were looking for them to keep that old victory string going against Dimmitt this week. If the Longhorns defeat Dimmitt we think they can win all their practice games and then they'll start on that tough 2-AA schedule. It's going to be a long, hard road but we believe the Longhorns have what it takes. Fight 'em, Longhorns!

THAT NEWSPAPER editor up at Tullia is still trying to give us trouble. That fellow is so prejudiced that he'd argue black is white if he thought it would help Ralph Yarborough. Poor old Ralph has been defeated four times now and it just looks like he can't realize that the people of Texas don't

want him for any office — that is a majority of them don't. We hate to clutter up this column but here's what Baggary has to say:

POST-ELECTION comments of area editors have been interesting indeed. The analysis of the governor's race by the two Floyd county editors are especially interesting.

Editor Edgar R. Hays of the Lockney Beacon says that many Daniel supporters were on vacation or didn't bother to vote thinking he had the race cinched. Those who didn't vote were largely Daniel supporters since we're sure that all of Yarborough's supporters went to the polls. But one angle has been overlooked it seems to us. That is a mistake in strategy made by Mr. Daniel. He tried to conduct his campaign on a high plane, to avoid mudslinging and personalities and to discuss the real issues which face Texas today. Yarborough took advantage of this and did his best to smear Daniel with every charge he could imagine. It doesn't pay to be a gentleman in Texas politics.

"HOMER STEEN in his Floyd County Hesperian at Floydada added, 'An all-out campaign to smear Price Daniel... may now be expected... Friends of the senator wonder how much he will take before he begins to fight back at the calumny and the people who are responsible for it. The senator owes it to himself and his friends to find a way to get his side of the story to the people. Daniel is... being well crucified.'

"THE LAST TIME we heard anything comparable to the above was from Tokyo Rose who had the remarkable ability to tell a story exactly as it happened — only reversing the names of the characters involved.

"We don't mean to imply that these Floyd county editors and Tokyo Rose were inspired by the same motives. Tokyo Rose knew what she was doing while Editors Hays and Steen have just not bothered to learn the facts. They are mistaken now just as they were mistaken two years ago when they were bemoaning Ralph Yarborough and urging their readers to support Allan Shivers.

"Two years ago they accused Yarborough of smearing Shivers, as if that were possible."

MR. BAGGARLY is still fighting the governor's race even though it is over and done with. That's typical of his nature. He fought the 1952 presidential race in his column all through 1953, 1954, 1955. The fact that it was settled didn't matter to him. All his efforts to whitewash Ralph Yarborough are not going to make a lot of difference. He may continue to smear the good name of Price Daniel and get some folks to believe it but it won't help Ralph Yarborough. The manner in which Yarborough conducted his campaign has revealed his true nature to the people of Texas and we don't believe he'll ever get a majority vote for any state office if he runs from now until dooms day — which it looks as though he might.

AND IN ADDITION to his other faults, Baggary misspelled this editor's name twice in his column last week. That's an unforgivable sin.

THE COST OF CRIME

J. Edgar Hoover of the FBI states: "We complain about high taxes, but last year crime cost every man, woman and child in the United States \$122.00, or a staggering estimated total of 20 billion dollars. Perhaps this figure could become more meaningful if we realized that for every \$1.00 spent on education, crime costs \$1.46; and for every \$1.00 which went to the churches of the nation, \$13.00 went to crime."

Mr. Hoover said in a speech urging improvement in crime control—especially as it affects the parole system and the problem of the repeater. And the challenge of this, he added, "is a challenge to all of us."

TO BE SAD

Paul Crumb in The Dallas News says: "So sad are most of the stories that the gentle reader inevitably feels like saying: 'As I sat musing Alone and melancholy And without a friend There came a voice Out of the gloom Saying, 'Cheer up; Things might be worse.' So I cheered up And, sure enough, Things got worse.' Soap opera technique is good for sustaining interest, apparently so we will simply have to check for chuckles elsewhere. astrous drouth in the history of West Texas, is definitely something upon which to speculate. The heavy deposits, without question, are the direct result of vegetable production in the area. Furthermore, they are unusual in view of exceptional prices drawn by produce this summer.

Coming on the heels of a "washout" in wheat production, poor cattle profits, and in the face of low grain sorghum supports, the situation is indeed a life-saver.

Those who are thinking: "Yeah, but it don't happen every year," are the people who actually prove the point. They are right and, by their own reasoning, they prove the importance of diversified farming in the irrigation belt. This area grows several crops, instead of concentrating on one alone, are they able today to point to huge bank deposits, comfortable living sound economy and a growing territory.

Hereford and Deaf Smith County are wonderful places to live. With this we agree—and the chief reason is Diversified Farming. — Hereford Brand.

CRITICISM

We may be sure that not even the best of men can outwardly escape criticism. Did not Caesar have his Brutus? Socrates his Meletus? Even Jesus his envious Pharisees? But a man can, by developing a right attitude, find an escape from within.

He begins by admitting that at least some of his criticisms have, in the course of time, proved helpful to him. Looking back, he can see that his own measure of progress has been due not nearly so much to his careless, back-slapping friends as to his unwanted, uninvited critics. These, as he sees years later, have been the "unpaid guardians of his soul." — Clipped.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

Sept. 16, 1926.

N. W. Morgan, age 64, died at his home here Saturday after an illness of more than a year. Since 1916 Mr. Morgan has successfully handled the international line of farm machinery in Lockney. He is survived by his wife and two sons, R. G. Morgan, Lockney, and Eldon Morgan of Hale Center. R. G. is manager of the implement business in Lockney.

An old fiddlers contest is announced as a closing feature of the Sand Hill Fair Wednesday night, Sept. 22 by A. R. Hanna, general superintendent. "An admission fee of 10 and 15 cents ought to raise a good pot for the fiddlers to work for," Mr. Morgan said.

Mrs. Elizabeth Sams, wife of W. V. Sams, died at her home in Lockney Saturday morning of a lingering illness. She was 56 years of age. Mrs. Sams moved to Lockney with her husband immediately following their marriage in 1890 in Dallas County. They have made this their home since that time. Mrs. Sams is survived by her husband, one son and three daughters. Guy Sams, of Rose, land community. Mrs. Frank Busby and Misses Nora and Dora Sams of Lockney. Funeral services were held at the College Auditorium and interment was in Lockney Cemetery.

Nearly fifty gallons of flies was the total catch at the close of the fly catching contest. David Hamilton was named champion. He bagged twenty-two gallons, two quart

one pint of the pests. He paid 10¢ a quart and a sum of \$15 as first prize. Sams claimed second with ten gallons and one. He received \$10 prize. Cook won the third prize.

A garage, beauty parlor, cafe are being opened by Byington and Middleton, Inc. on South Main by Mrs. J. H. Robertson and A. L. Thompson all of view.

September 15, 1944
Construction of a sugar dump in Lockney by the American Crystal Sugar Co., Rocky Ford, Colo., was completed this week. Sugar harvesting is expected to start Oct. 20. Those having a beer acreage in this section includes Jack Taylor, R. E. O. T. and Elbert Shanes, Gilbreath, R. C. Yarborough, L. Brown, M. J. Westinghouse, Monroe.

Aviation Cadet Gilbert Robertson, son of Mr. and Mrs. Frank Robertson of Lockney, completed his basic training at the Merced Air Field. He will be sent to an advanced flying school.

Mr. and Mrs. W. G. received a letter from son, Pvt. Joe Ripston, stating that he has been killed in action in France. Now in a hospital in England. Joe has been in service since June 25, 1943 and overseas since June 1944.

Miss Mary Bybee, daughter of Mr. and Mrs. Delbert, became the bride of the Sergeant Calvin Shouse of Carolina, in a ceremony performed Saturday night. Methodist parsonage here will be at home in P. M.

FARMERS

The Board of Directors of the Grain Sorghum Producers Association of Floyd County has voted to raise funds by asking all growers to contribute one-fourth of one percent of their grain sorghum income. The support of every farmer can insure continuing the progress this association has made.

What The Grain Sorghum Producers Association Accomplished in 1956

1. Income from grain sorghums in Floyd County increased more than \$750,000.00 through higher price supports.
2. The Secretary of Agriculture is now required by law to support the price of grain sorghums.
3. A beachhead in Washington established to influence future farm legislation.
4. National recognition and advertisement gained for grain sorghums.

What The Grain Sorghum Producers Association Can Accomplish in the future with Your Support:

1. Favorable Farm Legislation.
2. Research for higher, more efficient production.
3. Research to find new uses in industry and agriculture.
4. National Advertisement of our product.

Courtship Began In Nigeria For Couple Wed At Lockney

Even though thousands of miles from their homes in Nigeria, Miss Rosina Anuwe Jagha and Clecut Suku George had much the same kind of wedding Thursday night in the home of Mr. and Mrs. Sid B. Thomas Sr., Lockney, as they would have had in their homeland, since they are Christians and products of Southern Baptist Mission Schools. The Thomases are their sponsors in the United States.

President A. Hope Owen of Wayland College was the officiating minister for the single ring ceremony which took place before an altar decorated with white candles in seven branched candelabra. Baby mums tied with white satin adorned the candelabra. Miss Barbara Walters, Winthrop Harbor, Ill., lighted the candles before Sid B. Thomas Jr., Tulsa, sang "I Love You Truly," accompanied by Miss Janice Hays, Lockney. Miss Hays also played the traditional wedding marches.

Mr. and Mrs. Folorunso Bamijoko, Wayland students from Ire, Nigeria, served as bridal attendants.

The bride's dress was light blue flock dotted nylon, with full skirt and plain bodice, with which she wore white accessories. She also wore a pearl necklace and ear screws. The bridal bouquet of baby mums from which showered white satin ribbons was carried on top of her white Bible, on which the two placed their hands for the benedictory prayer by Dr. Owen.

The bride's chosen colors of blue and white were further carried out in her attendants' dresses.

Following the ceremony, the bride cut the first piece from the three tiered wedding cake which was served with punch from the beautifully decorated serving table laid with white embroidered cloth. Candles and chrysanthemums formed the centerpiece for the table, which was also flanked by candelabra in which burned white tapers.

Miss Joan Smith, Vernon, and Miss Walters assisted Mrs. Edgar Hays and Mrs. Hilburn Casey of Lockney in serving the guests. Mrs. T. S. Fox, Lockney, and Mrs. Sid B. Thomas Jr., Tulsa, assisted in the gift room and at the guest register.

Guests also included: Mrs. A. Hope Owen, Mr. and Mrs. J. L. Harden, Dr. and Mrs. Robert L. Dobson, Dean Henson Harris, Dean Bryan Robinson, Dr. J. Ivyloy Bishop, Mrs. O. M. Conway, Mrs. Ethel Hicks, Misses Florrie Conway, Ailsee Parten, Stacia Scott, Beverly Bush, Roma Jean Brewer, and Clyde Cain, all of Wayland; T. S. Fox and Hilburn Casey of Lockney.

The Georges departed early Friday morning from Plainview for Bloomington, Ind., where Mr. George will enroll in Indiana University Medical School and Mrs. George in the School of Pharmacy. Mr. George was graduated from Wayland in 1955 with honors and last month was awarded the M. A. degree with a major in zoology by Indiana University. Mrs. George was a sophomore in Wayland during the summer session and like Mr. George has consistently made the Dean's Honor List.

The Georges met in 1949 in Abeokuta, Nigeria, where he was attending Baptist Boys' High School and she the Baptist Women's Training College but not until three years later did they really get acquainted. By then they were both teaching in Fort Harcourt in Baptist schools. They became engaged shortly before he was awarded a scholarship. Three weeks before she arrived to take advantage of a Wayland scholarship too, he enrolled in Indiana University to begin graduate work. Being in the same country helped even if they were separated by a few hundred miles.

Wayland classmates who had returned to the campus early honored the bride with a shower in Hattie Mays Ferguson Hall on Tuesday night. In Nigeria it is also the custom to make gifts to the bride-to-be. In the United States the couple had a much simpler wedding eve than they would have had in their own country. In Nigeria, the bride's family would have begun preparations days in advance for the "wedding eve celebration," which lasts until after midnight and at which huge quantities of food are consumed. Many delicacies would have been prepared for relatives and friends.

According to the Nigerian custom, the bride would have returned to her home following the marriage ceremony and awaited the procession headed by her new husband, his family and friends, who would come to her parents' home to request formally that the bride be given to the bridegroom. Here is the opportunity for much teasing when, all in fun, the bride's parents are begged, and often for a while refuse, to present their daughter to her husband.

Eventually, the bridegroom takes his bride to an apartment in the family home unless he is rich and can afford to build a whole house on the family property. If a Nigerian family is rich enough the couple may also take a honeymoon trip.

The Georges spent the night in the home of friends and departed in a shower of rice early Friday morning for Bloomington, Ind., where their first home will be in a student trailer camp on the campus of Indiana University. The shower of rice was a typical American touch to the bridal festivities as such a custom is unknown in Nigeria.

The Georges are eagerly looking forward to the day when they will and can return to Nigeria to work with their own people as Christian doctor and pharmacist. Such workers are badly needed in their country.

Library News

Mrs. J. M. Reue, one of our fourth grade teachers at Andrews Ward started the school year with a shelf of books in her room from the County Library, which she will make available to her pupils for outside reading. Mrs. Reue used this method last year with her pupils and found it strengthened them in reading. Many children who ride the school bus cannot find a convenient time to visit the library, and books made available to them in this way is a real privilege.

There were several teachers in Andrews Ward, as well as the rural schools, who used this method last year, and we are hoping that they, as well as other teachers, will be coming back for books this year. We shall be happy to cooperate in every way possible with our schools.

Mrs. H. A. Mills, librarian at the Lockney Branch reported one teacher in Lockney using this method last year. This was Mrs. Dee Copeland, former member of the library board, and she plans to make books available to her pupils this fall. Mrs. Mills also reports that the Lockney P. T. A. is showing much interest in the Library, and is hoping to work out a closer relationship between the library and the school.

A new book in the library that will attract the attention of many, especially the "Old Timers" is "The Texas News," a miscellany of Texas history in newspaper style by Ralph W. Steen, Editor. In turning through the book, some of the headlines are:

- "March 4, 1836, Texas Independence Declared."
- "May 17, 1846, Santa Anna Signs Treaty."
- "June 2, 1846, Republic of Texas is no more."
- "December 15, 1852, Work to begin on Railroad."
- "March 2, 1858, Houston defeated, Runnels now Governor."
- "August 15, 1860, Houston now Governor."
- "November 15, 1881, Capitol Building destroyed by Fire."
- "December 1, 1884, Fence Cutting made a Felony."
- "December 1, 1888, New Capitol Building is Dedicated."
- "September 15, 1900, Hurricane, Tidal Wave Destroy Galveston."
- "April 15, 1901, Oil Discovered at Spindletop in East Texas."
- "November 30, 1925, Miriam A. Ferguson Takes Oath."
- "November 30, 1936, Texas Centennial Exposition opens in Dallas."
- "December 31, 1940, O'Daniel wins Sweeping Victory."

School Girl Chum Visits Mrs. Cox

Mrs. Johns Cox of Pleasant Valley community was surprised Monday by a visit from a friend who had been a school chum when the two were 13 and 14 years of age. Mrs. Henry Higginbotham, accompanied by her husband, visited Mr. and Mrs. Cox for the first time in 17 years. The Higginbothams live in Casper, Wyoming. When the girls moved away from Duke, Oklahoma in 1923 they agreed to keep in contact by mail. Each couple has three daughters now.

Pharmacists Attend Plainview Banquet

Mr. and Mrs. Clyde Briley, Mr. and Mrs. Payton Powers, Mr. and Mrs. Fred Byrd were among the 200 druggists and their guests attending a banquet Saturday night in Plainview honoring Jess West who was named Texas Pharmaceutical Association's most outstanding druggist for the year.

Wayne Collier, Tahoka, president of the state organization of pharmacists, presented West with a plaque denoting the honor. Others appearing on the program were Max Resch, Austin; Dr. A. Hope Owen and George Mahon Organ music was furnished by Pollyanna Cavett during the meal.

On Sunday an all-day refresher course was conducted for the druggists.

Aiken Friendship Club Has Meeting

Mrs. Frances Montandon was hostess for a meeting of Aiken Friendship Club Tuesday, September 4 at 4 o'clock.

Following a program on hat making and redecorating refreshments were served to Mmes. Martin Bradley, Leslie Carlton, O. D. Wofford, Arnold Langford, L. L. Duvall and the hostess.

Birthday Party Honors L. Durham

Miss Linda Durham was honored with a surprise party on her fifteenth birthday Saturday night in the home of Mrs. T. F. Anderson.

Games were played and refreshments were served to Edna Johnson, Jean Catlin, Pat Anderson, Pat Ashton, Pat Marshall, Elaine Cooper, Nancy Bollman, Ann Griffith, Weita Kent, Faye and Alleene Musser, Glenn McCandless, Layne and Dwayne Poteet, Don Schacht, L. T. Cooper, Ricky and Tommy Duvall, John Perry, Truett Bill Musser, Page and Joe Durham, the honoree, her parents, Mr. and Mrs. O. E. Durham, Mrs. T. F. Anderson, all of Lockney, Charles Ogden, Sam Marren and Ronnie Vickers of Floydada.

After the gifts were opened and displayed the group was entertained by Glen McCandless and his guitar.

Teachers Honored At Tuesday Meeting

Lockney Parent-Teacher Association honored teachers in the local school system Tuesday night with a reception and program at the high school beginning at 7:30. Approximately 150 teachers and patrons attended.

Registrars were busy from 7:30 until 8:00 taking membership dues and registering parents for the room counts. Mrs. Copeland's Third Grade room received the attendance banner for having the largest percent of parents present.

The meeting began with group singing and a prayer offered by Rev. C. O. Halle of Aiken. Mrs. Burl Holt, president, presided during the business meeting during which it was voted to change the name of the organization from C. N. Townsend P. T. A. to Lockney Parent-Teacher Association to include the high school since all phases of the school are served through this group.

Copies of the resolutions of the officers and committee chairman were handed each patron present. They were adopted.

Henry Ford Jr., Finance Committee chairman, presented the proposed budget and it was accepted.

The program, under the direction of Mrs. Jesse Tye, included a vocal duet, "We Would Be Building" by Mrs. Frank Hawkins and Mrs. Fritz Schacht, accompanied by Mrs. C. L. Record, Oscar Golden, School Board president, introduced board members and their wives.

Supt. H. H. Nicholas gave a report of progress made in the school and the needs of the future. He expressed his appreciation for the work of P. T. A. and urged cooperation of all patrons and teachers. Supt. Nicholas, the School Board and P. T. A. president expressed appreciation for the help given by school patrons in getting the grade school ready for use following the fire. Additional help is needed to clean the blinds for many of the rooms, Mrs. Forrest Mickey, reported.

All the principals, teachers and other school personnel were introduced. Mrs. Wayne Greer, chairman of the hospitality committee, was assisted by Mrs. Tommy Chatham, Mrs. Verner Hodel and Mrs. Burl Holt in serving a tea held in the high school cafeteria at the conclusion of the program. The table was laid with an ecru embroidered linen cloth and centered with an arrangement of gold mums. Napkins were blue and cakes were blue and gold. Silver appointments completed the table decor.

Games of 42 were played after the tea.

Mrs. Payton Powers and Mrs. Clyde Briley were present for a coffee held in the Red Rock Room of the Hilton Hotel, Plainview, Sunday morning from 9:30 to 10:30 for wives of pharmacists attending a refresher course during the day.

Mrs. Jess West was hostess for the occasion. Co-hostesses were Mmes. Payton Powers, Jim Standfield, Eason Moore and Sweetie Gilmer.

A flower arrangement centered the men and lace covered table Mrs. Wynne Collier, Tahoka, poured.

Sixty-five women attended the delightful affair.

Mr. and Mrs. Gene Reynolds and children of Earth visited her parents, Mr. and Mrs. Frank Messimer and Charlene Sunday. Also visiting in the Messimer home were Mr. and Mrs. Clarence Messimer and Rhonda of Floydada.

FARM BUREAU ANNOUNCES POLICY DEVELOPMENT MEETINGS

The Board of Directors of the Floyd County Farm Bureau have announced dates for Policy Development Meetings in which the members of Floyd County will determine their policies and make recommendations to the State Convention.

A meeting will be held in Lockney on Tuesday, September 25th, and in Floydada on Thursday, September 27. All members will be notified of the meeting place by letter and in this newspaper in a later issue.

The entire membership is urged to assume this responsibility and participate in the activities of the group. Organization without membership participation is not only weak, but can be dangerous.

It's time to "stand up and speak." Consider the facts relating to local, state and national problems that affect agriculture and our nation, discuss with your neighbors possible solutions. You can help eliminate the "they did this to us" excuse. Yes, it's time to stand up and speak.

Ask Investigation Of Cotton Classing

Waco. — Farm Bureau leaders in the area served by the Smith-Doxey government cotton classing office at Dallas are asking for a Congressional investigation of government classing.

Hoyt Gaston, Waxahachie, a Farm Bureau director, said that he and other Farm Bureau officials in North Texas requested the investigation because of wide-spread complaints about the way the government is classing this year's cotton crop.

Gaston has conferred with Rep. E. C. Gathings, (D-Ark.), chairman of the cotton subcommittee of the House Agriculture Committee. The Farm Bureau director said Gathings was agreeable to holding either one or a series of hearings on the matter.

Cotton farmers in the North Texas area served by the Dal-

las classing office complain that the government classers are placing grades on their cotton \$10 to \$20 a bale lower than private classers. Smith-Doxey officials say they are only following government standards.

A mass meeting attended by both Smith-Doxey officials and cotton farmers was held Aug. 25 in Dallas. Gaston said he has had numerous complaints that government classers have placed even lower grades on cotton sent to the classing office since that meeting. The Dallas meeting was called by Gaston and Edwin Sanderson, Paris, another Farm Bureau director.

Gaston said that other cotton-producing areas are voicing complaints at the way gov-

ernment classers are grading cotton this year. He said Rep. Gathings promised to contact Rep. W. R. Poage, Waco, vice-chairman of the House Agriculture committee. Gaston said he hoped Poage would act immediately to call hearings on the issue.

The Lockney Longhorns gained some measure of revenge for past defeats Friday night by walloping the Hale Center Owls 20 to 3 in a well-played football game. It was the opening game for both teams with the result that each team fumbled and lost the ball three times but penalties were few and the game was a fast one.

The Longhorn's win was a

team victory with every man, both offensive and defensive, playing good football. The Owls were unable to find a weak spot in the Longhorn defense all night. Without minimizing the play of other team members the defensive work of John Hanst, Lonell Hays and Jerry Workman was outstanding. Quarterback Gene Handley did an outstanding job both on offense and in pass defense and the Longhorn's two tiny mite halfbacks, Jerry Williams and Cliff Hardy kept the Owls in hot water with their dashes around end and off tackle. Williams made two touchdowns but Hardy was in there gaining ground for the Longhorns also. Fullback Bill Race also did a good job both as a blocker and as a line plunger.

Stand-out play of the game was Handley's 90-yard run for a touchdown in the third quarter. Handley took an Owl punt on his own 10 yard line on the west side of the field, faked beautifully to Halfback Cliff Hardy, and then went up the east sideline with never a hand laid on him. Excellent down field blocking made the play possible.

The Longhorns came back from a 3-0 deficit at the half time to win the game. Ferman McBeth's 24 yard field goal in the second quarter put the Owls ahead 3-0 and that's the way it was at half time.

There were no threats in the

first quarter with both teams playing safe and taking no chances. The Longhorns won the toss, and starting from their own 18 yard line made one first down with the aid of a five-yard penalty before they kicked. The Owls also made one first down and kicked. The Longhorns failed to gain and they kicked with the Owls returning the ball to their own 38. They made a first down on their own 49, tried two passes, failed to gain and the Longhorns took the ball on their own 32 and then Handley, on a keeper play, went to Hale Center's 43 yard line for another first down. A fumble here gave the ball to the Owls on the Lockney 49. The Owls started a real threat here, making first downs on the Lockney 38, 27 and 14 yard lines. They made 4 but fumbled on the second play with Longhorn end Donald Farish pouncing on the ball on the Longhorns 12. The Longhorns drove out to the 20 but fumbled again and Hale Center took the ball on the Lockney 23. They made 9 in four plays and it was the Longhorn ball on the 14. The Longhorns made 9½ but fumbled again and an Owl covered the ball on the Lockney 29. The Owls tried two passes, both incomplete, the Longhorns were penalized five and then McBeth stepped back to kick the ball over the goal from placement for a field goal. It was from the 24 yard line which is a pretty good feat for a high school player.

The Longhorns had only time to receive the kickoff before the half time whistle sounded.

The Owls held the advantage in statistics as well as score in the first half but it was a different story in the second period of play. McBeth returned the kick-off to the Hale Center 49 for the Owls but a fumble on the next play gave the ball to the Longhorns on their 46. Here the Lockney boys started a drive to pay dirt. Aided by one 15-yard penalty against the Owls the Longhorns made first down on the Hale Center 42, 26 and 12 yard lines. Halfback Jerry Williams skirted right end to carry over from the nine on the second play of the series.

Fullback Bill Race plunged over for the extra point to make the score 7-3.

The Owls returned the kick off to their own 45, failed to gain sufficiently and kicked to Handley standing on his own 10. It was here that he made his 90 yard run for a score. The fake hand-off to Hardy fooled a good part of the Hale Center team and a swarm of Longhorn blockers took the remainder of them out of the play.

Try to plunge the point failed and the score was 13-3.

Fumbles continued to plague the Owls. They took the kick off back to their own 36, made a first down on their own 49, but fumbled here and a Longhorn recovered on the Lockney 44. The Longhorns started another drive, with first downs on the Hale Center 45, the 31 and the 20 but here the Owls held and took the ball on their own 12. A pass was completed for 9, the only complete pass of the game, and the Owls went on to the 25 for a first down. They tried another pass, the Longhorns were penalized 5 and on fourth down the Owls faked a kick and McBeth ran with the ball making a first down on the 35. Three pass attempts and a 2 yard gain gave the Longhorns the ball on the 37. The Longhorns tried two passes and on fourth down Handley started to pass, but

decided to run with the ball and carried to the Hale Center 24 for a first down. The Longhorns made 3 and here Handley again kept the ball and went to the three yard line. Jerry Williams carried over for the score and Handley plunged for the point to make the score 20-3.

The Owls returned the kick off to their own 32 and lost nine yards on a pass attempt as the game ended.

a WITCH DOCTOR is cheaper!

But the few extra dollars that you pay for reliable modern prescriptions save you time and money in the long run. Why? Because today rapid recoveries can often be made with just a single prescription. Burdensome expenses involved in long sickness are eliminated. As recently as ten years ago, your doctor had to rely upon medicines that were slow-acting and uncertain. True, your prescription cost less then, but today, because of modern research, you get far greater results for your medicine-dollar.

HOMEMADE FOUNTAIN OF YOUTH

Natural changes occur in our skin as we grow older, necessitating softer hues and less pronounced accents of rouge and lipstick. New lines sneak up on us too as we grow older. And for this reason the Gas Appliance Manufacturers Association suggests an "abbreviated facial." Set your dial on your automatic gas water heater to 150 degrees for this process. Cleanse the face, then take a steam bath, over your wash basin. For this you merely open the faucet wide and let the water cascade into the basin, while you lean over and bathe every pore with clouds of steam. Next, soap your face, then rinse with warm water then again with cold water. A good skin-firming astringent before the night cream and you're through.

Four Cases Of Encephalitis In Floydada

Floydada.—Dr. George Smith, Floyd County health officer, reports four cases of encephalitis last week.

Calvin Poteet of the South Plains community was reported improved at the Stanley Hospital in Matador. Relatives of Mr. Poteet stated that they hope to bring him home this weekend.

A. O. McAda has been a patient in the Peoples Hospital and is reported improving.

Gravely ill in the Methodist Hospital at Lubbock is Fred Jones, prominent Floyd County Farmer of the Lakeview Community. His malady is diagnosed as encephalitis.

Suzanna Jackson, daughter of Mr. and Mrs. Bill Jackson, is

slowly improving in the Hale Center Hospital, according to her grandmother, Mrs. Andy Jackson.

Mr. and Mrs. W. C. Eiland and Mrs. B. B. Vernon accompanied the B. B. Vernon's daughter, Betty to Fort Worth Friday where she will continue her work as a student nurse at Harris Memorial Hospital. Betty had been visiting her parents here following a trip to Glorieta, New Mexico where she attended Young People's session at the Baptist Encampment. They visited relatives in Fort Worth before returning home Monday.

Flowers are the sweetest things that God ever made and forgot to put a soul into.

Mr. and Mrs. L. B. Brandes and girls were in Amarillo Thursday.

Mrs. Ben Brandes went to Methodist Hospital in Lubbock Tuesday for her annual check. Accompanying her were Mr. and Mrs. Wilfred Stoerner and daughter, Cynthia Ann. They visited Mrs. Clint Keith and Mrs. Violet Cox of Lubbock.

Mr. and Mrs. Hubert Stoerner and sons visited Mr. and Mrs. Albert Shultz in Littlefield Sunday. Mrs. Shultz was celebrating her birthday and members of St. Martin's Lutheran Church surprised her in the afternoon.

J. D. Boedeker of Canyon visited his parents, Mr. and Mrs. Walter Boedeker Thursday.

Birthday Observed
Mr. and Mrs. Jake Jones entertained relatives Saturday night in their summer recreation cottage. A bountiful basket supper was enjoyed. Maxine and Nadine, twin daughters of Mr. and Mrs. Clarence Brandes, received many useful birthday gifts. Enjoying the evening were Mr. and Mrs. Luther Brandes and son, Van; Mr. and Mrs. L. B. Brandes, Debra and Pamela; Mr. and Mrs. B. H. Quebe and Janie; Mr. and Mrs. Wilfred Stoerner and Cynthia Ann; Mr. and Mrs. J. W. Loyd; Mr. and Mrs. Jake Jones, Dickie and Nancy; Mr. and Mrs. Ben Brandes; Mrs. Ben Quebe; Mrs. Clarence Brandes, Sue and Loyd; and Mrs. Jim Jones.

Candle Light Circle Meets
The Candle Light Circle of Trinity Lutheran Church of Providence met Wednesday in the home of Mrs. L. B. Brandes, who acted as hostess and program chairman. Program opened with singing the theme song of "Hark I Hear The Savior Walking." Followed by scripture reading and prayer and by Mrs. Albert Kelm. Mrs. Hubert Stoerner gave a discussion on The Hall of Crucifixion which houses the Crucifixion by Jan Styka. A very outstanding painting by Jan Styka who captured the all encompassing drama that changed the world that day on Golgotha. The Canvas of The Crucifixion is America's largest religious painting so huge that nowhere in the nation could it be exhibited except at Forest Lawn in Glendale, Calif. She also told of The Wayfarers Chapel, located at Portuguese Bend, California. This is an all glass chapel. This chapel was the dream of Emanuel Swedenborg who was born in Stockholm, Sweden. Mrs. Leo Boedeker discussed the influence of Hymns on our lives and ways of living. Bible study based on Cor. I, Chapters 9, 19, II Cor., Chapters I, 13 was given by Mrs. Wilfred Stoerner. Mrs. Virgil Brasher gave a very inspiring piano selection "The Love of God." Closing of program the group sang "The Will I Love My Strength My Treasure."

Mrs. Hubert Stoerner, president, opened the business meeting. Mrs. Leo Boedeker read a letter from Mrs. Fleiel

Most 2-AA Teams Lose Openers

Most of the District 2-AA football teams lost their opening games last Friday night while the Longhorns were defeating Hale Center 20-3. Post and Slaton were the only exceptions. Post defeated Ralls 6-1-0 while Slaton was handing Crosbyton a 19 to 13 defeat. The Longhorns will play Post in district competition and Ralls is on the local schedule for a non-district game.

Other games scores in the area were:

Oilton 20, Abernathy 19
Canyon 32, Floydada 6
Silverton 25, Dimmitt 24
Memphis 6, Tulla 0
Matador 13, Spur 13
Plains 13, Tahoka 6

Auto Inspection Period Is Set

The Texas Public Safety Commission has set September 15, 1956 to April 15, 1957, as the period during which automobiles and other motor vehicles must be inspected under provisions of the State's Motor Vehicle Inspection law.

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, said in announcing the Commission's action that motorists should avail themselves of the opportunity to have their autos inspected as soon after September 15 as possible in order to avoid the inconvenience and delay which is usually associated with the end of the seven months period by the "log jam" of car owners who wait until just before the deadline to have their vehicles safety checked.

George W. Busby, Chief of the DPS Motor Vehicle Inspection Division, stated that the more than 4,200 licensed inspection stations in the State would have sufficient supplies of stickers on hand by the starting date and would be equipped to check vehicles without delay.

Fleiel written in German. She told of their work in New Guinea and the great need for clothing for their workers in missionary kitchens. The Circle is purchasing twenty yards of printed materials. The Circle ladies will meet at the home of Mrs. Ben Brandes to roll bandages of used bed sheets. Everyone interested in helping is urged to attend this special means of showing Christian service. Mrs. Ted Boedeker reported that 28 dollars had been turned in for the twenty-fifth silver anniversary to go towards packaged missions.

Meeting closed with Lords Prayer. Mrs. L. B. Brandes served plate refreshments of fruit salad on lettuce leaf crackers and ice tea. Those enjoying the activities were Mmes. Carl Sammann, Henry Sammann, Bill Schmidt, Hubert Stoerner, Wilfred Stoerner, Ben Brandes, Ben Quebe, L. B. Brandes, Leo Boedeker, Virgil Brasher, Albert Kelm, Ted Boedeker and Marvin Scheele.

Wheat Acreage Reserve Open To 'Old' Growers

College Station.—Any producer who has a regular wheat acreage allotment may take part in the Soil Bank's Acreage program for the 1957 winter wheat crop. Robert Shrauner, chairman of the Texas Agricultural Stabilization and Conservation Committee, said today. Producers on farms which receive an allotment as a "new farm" for the 1957 wheat crop, however, are not eligible for participation in the 1957 Acreage Reserve program.

Payments under the program will be made for reducing the acreage of winter wheat below the amount of the allotment, designating in a written agreement a specified part of the allotment acreage as acreage to be "reserved" from production. Land so designated may not be cropped or grazed for the period of the agreement.

The rate of payment for wheat acreage placed in the Acreage Reserve varies by counties. The amount of the payment will be based on the normal yield for the farm or the normal yield for the designated acreage, whichever is the smaller.

The Acreage Reserve agreement must be signed not only by the farm operator, but also by the operator if a share tenant—by each person who as owner or landlord has control of the Acreage Reserve land or who is to receive compensation under the agreement. Provision is made for properly protecting the interests of tenants and shareholders under the program.

Chairman Shrauner explained that farmers may designate as much as 50 percent of their allotment or 50 acres, whichever is larger, for inclusion in the wheat Acreage Reserve. However, the wheat acreage designated for the Acreage Reserve may not exceed the wheat

allotment. The minimum acreage which the farmer may designate for the Acreage Reserve is 3 acres or the wheat allotment, whichever is smaller. If any winter wheat is grown on the farm this fall, September 21 is the deadline for signing agreements to place 1957 crop wheat acreage in the Acreage Reserve.

YER OUT!

If this has never happened to you no words can describe the awful finality of an umpire's decision. It falls like a sentence of death on a boy's heroic dream. And with it ebbs out the joy of his mightiest hit, and of the fly he caught last inning.

But thus baseball helps to build men. A fellow learns how to lose. And that's the first step in learning how to win.

But the biggest lessons of life no sport can teach. On a higher tier than sportsmanship, teamwork and the desire to win are **FAITH, BROTHERHOOD, AND DEDICATION OF LIFE.** These are the ingredients of spiritual victory—the fabric of God-inspired manhood at its best.

We can rightly be proud of our sand-lots and Little Leagues. But the character of American manhood depends most of all on our churches.

HOLY BIBLE

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Tech Fraternity Wins Honors

Lubbock— Texas Tech's chapter of the Phi Delta Theta social fraternity is winner of sweepstake honors at the organizations fifty-first general convocation held at the University of Colorado. Ted Carthel of Lockney was one of Tech's representatives attending the meet.

Tech's chapter competed against 122 other chapters of Phi Delta Theta from over the United States and Canada.

The Tech group tied with Hanover College of Indiana for the Harvard Trophy, given for prompt handling of correspondence with headquarters.

The chapter was further recognized for work done at the Lubbock Children's Home in the community project division, and won top honors in the Spiritual Life Award competition. The chapter was recognized as having brought to the campus a high type of Christian character and service.

Texas Epsilon chapter was the first Greek letter society established at Texas Tech, be-

ing installed in May, 1953. Members have held the highest scholastic record for men's social fraternities for the past three semesters.

Beauticians Here Attend Assn. Meet

Mrs. Wynona Allison and Mrs. Myrl Wofford of Lockney and Mrs. Ethel Marshall, Aiken, attended the Beauticians Association Monday night in the Red Rock Room at the Hilton Hotel. Gussie Hunter was hostess.

The program, a demonstration on doing transformations, presented by Ethel Marshall of Aiken, proved very interesting and informative.

Refreshments were served.

MOVE TO ARKANSAS

DR. HENSON HARRIS

Dr. Harris To Speak Here

Dr. Henson Harris, dean of Wayland College, will be guest speaker for both services Sept. 16, at First Baptist Church, Lockney, according to Rev. Rolan E. Wiley, pastor.

Dean Harris has been at Wayland College since the fall of 1954 and has led Wayland in gaining accreditation by the Association of Texas Colleges and in gaining recognition by other educational organizations. Dr. Harris had served as head of the department of mathematics at Oklahoma Baptist University since 1947. Prior to going to O. B. U., he had served as head of the department of mathematics at Campbell College in Florida. During his 38 months in the Army Air Force as a commissioned officer, he was an instructor of physics and mathematics.

Dean Harris holds the doctorate from the University of Oklahoma with majors in mathematics and administrative education. His M. A. degree was earned at Vanderbilt University, Nashville, and his undergraduate degree from Murray State College in Kentucky, his native state. Dr. Harris also did a year of graduate work at the University of Illinois to which he had been awarded a teaching fellowship.

At Wayland College Dean Harris has assisted in assembling a faculty that is equalled by few colleges. One-third of the faculty holds doctor's degrees and all of these teachers are available to freshmen as well as senior students.

Both Dean and Mrs. Harris are active in the various organizations of First Baptist Church, Plainview, as they were at the First Baptist Church, Shawnee, Okla., as well as in civic and social affairs of the town.

IT'S TIME TO FILL THE COOKIE JAR

School days call for a full cookie jar. Try these coconut orange blossoms: Cream 1/2 cup butter with 1/4 cup sugar. Add 1/4 cup light corn syrup and 1 egg. Beat well. Stir in 1 cup shredded coconut, chopped, and 1 1/2 tablespoons grated orange rind. Sift together 1 1/2 cups flour, 1 1/2 teaspoon baking soda and 1 1/2 teaspoon salt. Add dry ingredients alternately to the creamed mixture with 1/4 cup orange juice. Drop by teaspoonfuls onto greased cookie sheets. Bake in the oven at 350 degrees, for 8 to 10 minutes.

FROSTY AND FASHIONABLE

Pink is the color of the year and here's a meal-starter that features its rosy charm. In your blender chop fine 1/4 small green pepper, 1 small scallion, 1 inch slice peeled cucumber, and a 3-inch piece of celery. Add 1 can condensed tomato soup and 1 soup can of milk. Season with black pepper, marjoram (or oregano) and garlic salt. Chill in your refrigerator and serve with a cheese stick.
