Jesus said unto him, If thou canst believe, all things are possible to him that believeth. —Mark 9:23.

THE WEATHER in this area the past two months has set some sort of record although we aren't sure just what kind. It was probably the warmest September in history. Never do we remember a September that vied with July and August for the heat record. Here it is well into October and most men are still wearing short sleeve shirts. The writer has never turned his furnace on at his residence and doesn't expect to as long as the weather stays this warm. (D. Patterson probably won't like that.) We haven't had any measurable moisture in so long most of us have forgotten what rain looks like. Guess we're just going to have summer all the winter long.

BUSINESS MEN are saying that this fall is approaching the peak of business reached back in the days when there were no cotton acreage allotments and lots of people needed work. You may think, looking down Main Street on Saturday, that this area has all the harvest hands it needs but that isn't true. Many farmers still are needing help to harvest their cotton and have hoarding for hands. If we ever get all the hands we need we'll really be busy on the weekend.

THIS IS FIRE PREVENTION WEEK and it is a good time to check up on the fire hazards around your home. Nothing can be as tragic as a fire. Things are destroyed that money cannot buy and which can never be replaced.

be replaced. "Undetermined origin" is a common phrase in a report on a fire. Many times no one is able to tell how the fire started. All too many times "faulty wiring" is given the blame when there is no evidence to indicate that such was the case. More times than not carelessness is the cause of fires. A cigarette carelessly disposed of, a pile of oily rags left lying on the floor or in a corner, a flying ember from a match as it is struck falling into clothing unnoticed—many times these are the causes of fires. Of course overloaded electric lines and oversize fuses do cause fires too. At any rate a little carelessness can do a lot toward preventing fires.

THE PRESIDENTIAL RACE is getting hotter — and come to think of it, the general election is less than a month away. Mr. Stevenson will carry Texas this time without too much trouble but whether he will gain enough to overcome the big majority President Eisenhower had in other states, four years ago is doubtful. The farm states are turning to the Democratic candidate and no doubt Stevenson will get the "Solid South" back on his side with the possible exception of Florida (too many Yankees went South) but there just aren't enough farm states to elect Adlai. He better do a little campaigning in California and New York if he expects to get the job.

THE NAACP is fighting for its life. Perhaps the best thing that can be done is to bring to light all the rotten, dirty tricks pulled by this organization in an effort to tell Texas people, and others, how to run their own business. We sincerely hope that Attorney General John Ben Sheppard and his assistants don't compromise an inch. If there is a legal way to run the NAACP out of Texas we think now is the time to do it. No doubt that it is infiltrated by Communists and controlled by a group of radicals who have no thought in mind but to stir up all the race strife and trouble they can.

THE FEDERAL RESERVE Board's "tight money" policy is bringing a reduction in house building and slowing down business in other ways. Where banks used to borrow money for 1 3/4% now they pay close to 3%. This is because credit spending is running rampant and bringing a demand for consumers goods that threatens inflation. Should a recession threaten the Board will simply lower the rate of interest on money and thus seek to increase the spending of money. We don't know whether Board can so manipulate the money business and control it or not. We kinda wish they would quit monkeying around and let things take their normal course.

Ike Can't Make It Rain, But He's Still Best Man

The other day I asked a farmer if it was dry out his way. He said it sure was. "Looks like we just can't get any rain," he said. "Why, when Noah had his 40-day flood, we didn't get over half an inch."

There's no mistake about it, Texas is having itself a real drought. Some of the farmers and ranchers in our county are in such bad shape that they may vote for Stevenson.

Old Man Jones, from across the river, said he wasn't going to go to any such extreme. He said he needed rain as bad as anybody else. He claimed water was so scarce in his community that the preacher was baptizing new members with a wet handkerchief. But he was holding out awhile longer, anyway.

"I may be stubborn," said Old Man Jones, "but I just ain't been convinced that President Eisenhower is keeping it from raining."

He said he knew that Stevenson and Kefauver acted like they thought so, and they had a right to their opinion. Lyndon Johnson, he figured, knew better, but he was sticking with Adlai and Estes for the sake of unity. He said he didn't figure Mr. Sam Rayburn had known whether it was raining or not for the last 25 years.

"I hate not to go along with such a widely known crowd of weather observers," Old Man Jones said. "If there's anybody

The trend is good, in view of the fact that it will ultimately place a college education within the grasp of more people than ever before in history. Most of these people have in the past missed college by economic necessity, or from equally serious parallels, and they are intensely interested in their work, an attitude often quite different from that of matriculated college students. Shorter work weeks have provided much additional time. When people use this time for personal improvement, the only possible result can be that of a better community and a better nation. — Hereford Brand.

FEDERAL AID

From the Graham Scandal Sheet comes these thoughts: Folks are always talking about what they call "Federal Aid." About the only aid the Federal government could give would be a reduction in taxes. What they call "Federal Aid" is really Federal supervision of the spending of money collected from all people and then sent back to part of them, minus the collecting and sending back costs, and believe me, that's plenty. And they call that Federal Aid. If they would leave the money at home the people could aid themselves. — Standing on the Corner in Lynn County News.

Lockney, Post And Spur Win In 2-AA

Lockney, Post and Spur won opening District 2-AA games last Friday evening. Floydada had an open date.

The Longhorns walloped Aberrathy 33-12 in a home game for the Longhorns.

The Spur Bulldogs trampled the Tahoka Bulldogs by a one-sided score, 48-7 in a game at Spur, with four of those touchdowns being in the first quarter.

The Post Antelopes defeated the Slaton Tigers on the Post field 27 to 14. The halftime score was 7-7. A fumble on the kick-off and an intercepted pass were two breaks for the Post team which figured in their win. Both were turned into touchdowns.

This week's schedule finds Spur playing at Aberrathy, Floydada at Tahoka and Lockney at Slaton. Post has an open date.

School Program For 18-To-23 Years

The Government's new school program for sons and daughters of deceased war veterans is limited to "young adults" generally between 18 and 23, and not younger children, Scott B. Harrington, manager of the Veterans Administration Regional Office in Dallas said today.

Some mothers of pre-teen-agers have been asking which is the program applied to them. It does not, under the law, Mr. Harrington said. The youngsters usually will have to wait until they are 18 before they can begin.

The War Orphans Educational program is for sons and daughters of World War I, World War 2 and Korea veterans who died of service-connected injuries or diseases. Eligible young men and women may receive Government allowances of \$110 a month while in school or college.

It may be possible for a young person to start school before age 18, Mr. Harrington said. Conditions are that (1) he has quit or has been graduated from high school; (2) he is above the age of compulsory school attendance, and (3) VA finds it would be in his best interest to start his training before turning 18.

It also may be possible to remain in school under the program after age 23. These are the conditions:

1. If the person passed his 18th birthday, but not his 23rd, when the law went into effect on June 29, 1956, he may attend school until June 29, 1961.

2. If he was eligible for schooling, but entered military service before age 23, he will have five years from date of discharge in which to attend school.

3. If the veteran parent dies after the son or daughter is 18 but not yet 23, the person has five years from the date of death of the parent.

In no event, however, may a student attend school for more than 36 months, a maximum allowed by the law. Also, schooling under the War Orphans program may not continue beyond the young man or woman's 31st birthday.

NECESSARY BUT ATTRACTIVE STORAGE UNITS

Train children to be neat by providing them with the facilities of storing away their toys, picture and story books, and phonograph records. Empty, up-turned orange crates are ideal for this purpose, as they can be grouped together in a row or in a corner arrangement to save space. They're low enough for the children to reach easily, and can be attractive additions to a room if painted in bright colors or covered with wallpaper to match or contrast with the decor of the room.

Junior League To Present Follies

The Plainview Junior Service League will present their Follies of 1956 October 11th and 12th at 8 p. m. in the Plainview High School Auditorium. Proceeds from the Follies benefit the day nursery.

The League has been operating the day nursery for almost twenty years and each year has a big project to raise funds to operate the nursery. The League is very proud of its well staffed nursery. It provides a safe and reliable place for working mothers to leave their children. The children have supervised play and rest periods, a rhythm band, mid-morning and mid-afternoon snacks and a hot lunch at noon.

Preparation for the Follies includes several months of committee work and three weeks of hard practice learning dance routines and songs from Broadway musicals. The Follies this year promises to be "better than ever" and will include many colorful costumes and much lively music. The show will be presented against a glamorous sequin backdrop curtain. Farmers, business men and husbands of League members contribute time and talent to make the Follies as near professional as possible.

Predictions of rainfall cannot be made on the basis of weather cycles of "wet and dry years." Recent studies of rainfall records at 31 locations dating as far back as 89 years in Texas' High and Rolling Plains by the Texas Agricultural Experiment Station show that cycles play little or no part in annual rainfall figures.

Floydada Rites Held For Mrs. Harrison

Floydada. — Funeral services were conducted at 3:30 p. m. Saturday in the City Park Church of Christ for Mrs. William H. Harrison, 64, who died of a heart ailment in the Lockney General Hospital Thursday night.

The Rev. Kenneth Martin, pastor of the Primitive Baptist Church of Floydada officiated. Burial was in Floydada Cemetery under direction of Harmon Funeral Home.

Born in Erath County, Mrs. Harrison moved to Rotan in 1915 and to Floydada in 1930. Survivors include her husband; one son, Don C. Floydada; three daughters, Mrs. J. R. Evers, Venezuela; Mrs. Dick Furrow, San Diego; and Mrs. W. N. Hall, Greenville; one brother, Wilson Reed, Lubbock; one sister, Mrs. R. Edwards, Hobbs; and 11 grandchildren.

Help that counts... when disaster strikes!

When windstorms, explosions or conflagrations cause widespread destruction, the carefully worked out CATASTROPHE PLAN of capital stock insurance companies is operating in a matter of hours.

Urgently needed information and comforting advice on what to do about claims are communicated by radio and newspapers to dazed and troubled people.

Claims offices manned by experienced insurance men are hurriedly opened in the stricken areas.

Trained adjusters from near and far move in to speed recovery.

Local agents work night and day processing claims.

Settlement checks start leaving major companies promptly—increasing in numbers daily to match mounting claims.

Thus through planning and foresight the capital stock insurance companies and their agents go into action immediately in the wake of destruction—to bring peace of mind and the ability to build anew.

We represent such strong capital stock insurance companies—companies which have stood the test of catastrophe for over a century.

Next meeting will be held at the home of Mrs. A. O. Wines October 19 at 4 o'clock. Mrs. G. C. Applewhite will install the new officers. Every member is urged to attend this meeting.

Avanell Brand Is Bride Of J. Swilling

Miss Avanell Brand, daughter of Mr. and Mrs. L. W. Brand of Happy, became the bride of John Swilling of Plainview Friday, September 28 at 3 p. m. in the home of the bride's parents. The pastor of the First Baptist Church officiated at the double ring service.

The bride wore a powder blue brocaded satin dress designed with princess lines, three quarter length sleeves, scoop neckline and full skirt. She carried a bouquet of pink sweetheart roses atop a white Bible. She wore a black pill-box style hat and other black accessories.

Delores Brown, daughter of Mr. and Mrs. Jim Brown, Lockney, served as maid of honor. She wore a sheath dress of beige silk, black accessories and a corsage of white carnations.

The bridegroom was attended by his brother as best man. A reception was held immediately following the wedding in the Brand home. A three-tiered wedding cake was served with punch.

For a wedding trip the bride chose a black sheath dress with a jacket featuring three-quarter length sleeves, black accessories and wore a corsage of pink rosebuds.

The bride attended Lockney High School before moving to Happy several months ago. The couple will be at home in Plainview. The bridegroom is engaged in farming near Plainview.

The bride is a granddaughter of Mr. and Mrs. J. H. Weathers and a great niece of the Whitfills. The local relatives returned home Sunday afternoon.

Girls Auxiliary Initiation Held

An impressive candlelight service initiated new members of the Junior Girls Auxiliary of the Baptist Missionary Union Monday night at 7 o'clock in the church parlor.

Dressed in pastel formal the young girls wore blindfolds signifying the darkness of the world before being enlightened by mission study in Girls Auxiliary work. Juanell Potts, Jr., G. A. president, removed the blindfolds as the girls entered one at a time and stood by a candlelighted table featuring an open Bible accented with a banner bearing one of the star ideals, "Advancing in Wisdom by Bible Study." Mrs. Hilburn Casey assisted Mrs. Bill Hodel, counselor, with the initiation service. Mrs. Dale Laceywell is co-counselor. Mrs. Fred Huggins played piano music for the service.

Floyd Co. Teachers Have Dinner Meet

Places were laid for 86 teachers Monday night at a dinner meeting of the Floyd County Unit Texas State Teachers Association at Lockney High School Cafeteria.

Dr. Ishmael Hill, Assistant Supt. Lubbock Public Schools, was speaker for the meeting. Kenneth Kendrick entertained with a coronet solo, "The Holy City," accompanied by Miss Bobby Lu Casey at the piano. Dr. Hill spoke on the "Teacher Retirement Amendment." H. G. Barber, Floydada, president, presided and Clarence Guffee, treasurer, gave the treasurer's report. Mrs. Dee Copeland was in charge of the program.

Sandra and Mary Myers of West Texas State College, Canyon will spend the weekend with their parents, Mr. and Mrs. Geo. Myers. On Saturday night they plan to see the Tech-WTSC football game at Lubbock.

MR. FARM BUREAU MEMBER!

Be sure to attend your annual County Convention at the Lockney High School auditorium Thursday night of this week starting at 8 o'clock.

POLICIES to be presented to the STATE CONVENTION will be adopted.

Every Farmer Is Urged To Be Present!

So you want to be STRONG

Remember this: "Some folks just naturally wouldn't want a Farm Bureau as strong as all farmers working together could make it."

It is so easy to be "Against" things—A few loud voices can do farmers a lot of damage. Indeed, it is quite another thing for "Loud Voices" to be "for Something" and make it work.

Farmers, through Farm Bureau, have never made a policy of attacking any program without first advancing a better program. WHAT HAVE YOU DONE TO MAKE IT WORK? Do you exert your thinking in shaping policy making resolutions? Do you attend meetings?

Do you accept responsibilities of holding community and county office?

Do you accept committee assignments?

"Loud Voices" don't attack, criticize, and destroy that which they have helped to build.

JOIN YOUR COUNTY FARM BUREAU NOW!

Longhorns Win First District Game Friday

	Lockney	Abernathy
First downs	16	10
Yards gained	262	145
Yards lost	16	12
Passes attempted	3	6
Completed—yards	3 for 50	1 for 44
Yards penalties	55	30
Fumbles lost	1	2

The Longhorns won their first district game of the season in an easier-than-expected fashion last Friday night. The score was Lockney 33, Abernathy 12.

It was a ball game for the first quarter with the score tied at 6-6 and the halftime score was only 13 to 6 in Lockney's favor but the third period saw the Longhorns pile up two more touchdowns to take a commanding lead. Lockney's final touchdown came in the fourth period as did Abernathy's. The Antelopes scored their second touchdown against Coach Rudy Haille's reserves. Fullback Billy (The Kid) Race stood out in the ground gaining department for the Longhorns although Quarterback Gene Handley and Halfbacks Jerry Williams and Cliff Hardy did their part also. Race scored two touchdowns and drove over for two extra points during the evening.

Handley scored the first touchdown for the Longhorns within 30 seconds of the opening kickoff. Due to a sore ankle John Hanst was not in the ball game to start off and Handley kicked off to Manny Connell down on the Abernathy 7 yard line. Halfback Jerry Williams and others were down fast and as Connell fumbled the kick off one of the Longhorns covered it on the six yard line for the Longhorns. The Longhorns made 1 yard on the first play and on a keeper Handley went over without being touched on the second play of the game.

A 23-yard pass Handley to End Nelson Wofford was good for the second score in the second quarter. Race drove over from the 1 yard line in the third quarter for the third score and Jerry Williams ran 36 yards for the fourth score also in the third quarter. Race made the final touchdown in the fourth quarter with a drive from the 1 yard line.

Here's a summary of the game. Handley kicked to Abernathy and Connell fumbled

with the Longhorns recovering on the 6 yard line. Two plays made the score but the try for point was missed and the Longhorns lead 6-0.

The Antelopes received a gain, returning to their own 40. They made a first down on the Lockney 46 in three plays, lost 1 and then lost 2 but a 5-yard penalty against the Longhorns gave them a new lease on life and they made a first down on the Lockney 34. They drove for first downs on the Lockney 17, on the 4 and then Halfback Billy Gist drove over for the score. Their try for point also missed and the score was tied up 6-6.

Handley brought the kick off back to the Lockney 21 for the Longhorns, the local team made 9 1/2 yards in three plays, and kicked to the Abernathy 43. The Antelopes couldn't move and kicked back to the Lockney 26. The Longhorns made their first first down of the ball game on their own 43 as the quarter came to a close.

The Longhorns kept their drive going with first downs on the Abernathy 47, the Abernathy 33, and the 20 but here a 15-yard penalty for clipping set them back to the Abernathy 23. Handley passed to Wofford over the goal line for the score and Race drove over for the extra point to make the score 13-6.

The Antelopes returned the kick off to their own 34 but Cliff Hardy came in to intercept a pass bringing the ball back to the Abernathy 49. However a fumble on the first play gave the ball back to the Antelopes on the Lockney 47. The Antelopes started another drive making first downs on the Lockney 47, the Lockney 24, the Lockney 11, but here a fumble was recovered by a Longhorn to kill the Antelope drive. Race carried to a first down on the Lockney 32 and then Handley kicked to the Antelopes 31. The Antelopes made 2 and had a pass incomplete as the half time whistle sounded.

The Longhorns received the kick-off opening the third period, returning it to the Lockney 26. Williams carried for a first down on the Lockney 43. Hardy made a first on the Abernathy 39. Race carried to the Abernathy 29 for another, the Longhorns went to the 21 in three plays and then Handley carried to the 10 yard line. However a 5-yard penalty sent the Longhorns back at this point. But Race made 4. Hardy made 5. Abernathy was penalized five and Race drove over for the score. He also plunged

Harleen Workman Active In T. S. C. W.

Denton—Miss Harleen Workman is a member of the tickets committee for the fifth annual Gold Rush Carnival on the Texas State College for Women Campus.

The carnival, to be held Oct. 9, features fried chicken, Mexican food, games, booths, prizes, rides and a variety show.

The carnival began in 1952 in celebration of TSCW's Golden Reserves as Abernathy returned the kick off to their own 27. They made a first down on their 41, another first on the Lockney 44 and here a pass Tannehill to Connell was good for the touchdown. Try for point failed and the score stood at 33 to 12.

An inside kick by the Antelopes was covered by Lonell Hayes on the Lockney 44. The Longhorns drew a 15 yard penalty, a jump pass was good for 7 and they kicked to the Antelopes 37. A pass was incomplete and the Longhorns drew a 5 yard penalty. The Antelopes failed to gain on the third play of the series and this ended the game.

Mr. and Mrs. J. M. McNeil and daughter visited Mr. and Mrs. E. M. Quebe and Mrs. Ben Brandes Sunday evening.

Mr. and Mrs. L. B. Brandes and daughters attended church at Shepard King Lutheran Church at Lubbock Sunday. Later they visited Mr. and Mrs. Werner Tagerman of Lubbock.

Trinity Lutheran Church
Pastor Arnold Windecker has accepted the pastorate of Trinity Lutheran Church. He and his family will move the week of October 15th. Installation services are being planned by the church council and probably be held Sunday, October 21st. Probably at a night service.

A clean-up day for the parsonage will be held Monday, October 15th. Lets have a good turn out for this duty.

The Luther League will again participate in the religious parade in Plainview in early December. Next week the League will be assigned to a float theme and work will commence on our entry. Work dates will be announced in the bulletin.

Attendance last Sunday 94. Average for September 97. Let's strive to improve this record.

Circle Meets
Mrs. Albert Kelm was hostess and program chairman at the monthly meeting of the Candlelight circle of Trinity Lutheran Church. Meeting opened with theme song "Hark I Hear The Savior Walking." Mrs. Wilfred Stoerner used as scripture reading Psalm 51. Followed by prayer. Mrs. L. B. Brandes assisted at the piano. Mrs. Royce Carthel sang "Singing For Jesus." Bible study given by Mrs. Leo Boedeker using II Corinthians 2. Emphasizing people be true to their call, using talents God has given us.

Mrs. Hubert Stoerner president, called the business meeting to order.

Business included a report from Mrs. Ben Brandes. Four large packages had been mailed to Rev. and Mrs. Flierl of New Guinea. Election of officers whose terms expire this year will be held next meeting. Nominations committee Mrs. Een Quebe. Mrs. Wilfred Stoerner. Mrs. Henry Sammann. The year book committee Mrs. A. D. Schaffner. Mrs. Mae Howard. Mrs. Hubert Stoerner. Thanks offering in gathering will be held the fourth Sunday of October. Due to the International Womens Missionary Federation meeting at San Antonio the meeting of local circle will be held November 5th. Mrs.

ter, Mrs. F. H. Myrick of Lubbock, went to Dallas Wednesday of last week where they visited Mrs. Wofford's brother-in-law, Donel Weaver who is recovering from surgery at Baylor Hospital. They also visited Mrs. Wofford's sister and husband, Dr. and Mrs. M. F. Husky before returning Friday.

Mr. and Mrs. Dub Mercer and Tim visited in the Fred Curtis home at Farwell Sunday.

Austin—Exactly one year has passed since Harrison County physicians and school officials, in legal disregard for "priority" ages, gave 7600 school children their first shots of Salk polio vaccine in Texas' first all-grades immunization campaign.

In the 12-months interim, not a single untoward reaction to the vaccine has occurred, not a single case of paralytic polio has been diagnosed among the county's 50,000 population. One non-paralytic case was reported to state health officials in July.

"We consider the Harrison County campaign additional proof that Salk vaccine gives excellent protection against paralytic polio," said State Health Commissioner Henry A. Holle.

Dr. Holle called the East Texas county's drive against polio a "study in doctor-community cooperation." He said careful analysis of the project may give an indication as to what percentage of population must be immunized to forestall a polio epidemic.

with two shots of the preventive vaccine. Third shots were given on the initiative of parents. In comparison, only 38 percent of the entire state's under-20 population have received two shots as of September 30.

A BOY'S PRAYER

Dear God . . . there's so much I'd like to say to You. It's that way lots of times. I want to talk to You, and then somehow I get stuck for words.

I guess I do some stupid things, sometimes . . . like that fight with Butch Hendley yesterday. He said something I didn't like and then I said something, and that was it. I guess I won, but afterwards I was kind of ashamed. I told Dad about it last night and he went for a walk with me and we looked up at the sky and the stars. Everything looked so big, all of a sudden, that it scared me. It seemed too big to understand.

Then Dad told me that there are lots of things like the sky and the stars, too big for people to ever understand. And he said that that's where Faith comes in, and that it is good to have the Church to put our trust in.

I got to thinking about that, and I told Dad that I'd kind of like to ask Butch to come to Church with us next Sunday morning, but that I was afraid he wouldn't come. Dad grinned at me and said, "Why not ask him and see?"

Dear God . . . I did ask Butch, and he's coming. Butch hasn't been to Church regularly like I have, so maybe when it comes to praying he'll get stuck for words even worse than I do. But You'll listen to him anyway, won't You? Because he needs You very much . . . just like I do . . . just like all of us do.

Thank You, God.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

B Squad Goes To Olton Tonight

The Longhorn B squad and the Shorthorn teams travel to Olton tonight (Thursday) for games with Olton teams. Coach Troy Lemley's B squad smacked Olton in their first meeting here some three weeks ago but he is expecting a tougher game this week he says. The B squad lost a high scoring game to the Floydada Whirlwind team last Thursday night 52 to 28. Some of the A string reserves played for the Floydada team, it was said and the local boys weren't able to handle them. The Shorthorns lost their game with Floydada 25 to 0. The Shorthorns haven't been able to win a game this season thus far.

Deceased Veterans Children Entitled To Gov't Grants

More than 150,000 children of deceased veterans are expected to be eligible for Government grants to further their education under the new law. The Veterans must have died of injuries or diseases resulting from their military service. The monthly schooling payments will begin October 1, 1956. Children between 18 and 23 whose deceased parents served in World War I, World War II, or the Korean Conflict, may apply for the educational program. In some instances, however, children will be permitted to begin school before their 18th birthday, and to finish after their 23rd.

Education may be taken in colleges and universities, as well as below-college-level schools. But regular high school training is not included in the new law, and below-college level courses must equip students for definite vocational objectives. On-the-job training, on-the-farm training, and Correspondence Courses are NOT ALLOWED. Students will be allowed up to 36 months of training. The time will be reduced by any Korean GI Bill or Public Law 894 Vocational Rehabilitation Training they might have received, as Korean Veterans.

Steps to be followed in applying for schooling are: The child's parent or guardian files an application with his nearest VA Regional Office. VA will issue provisional approval if it finds the child meets the basic eligibility requirements. VA then will arrange for educational or vocational counseling to help the parent or guardian and the child arrive at a suitable objective, and to help an educational program, the school or schools where the child plans to go, an estimate of how much the program will cost and any other data the VA might require. After this is submitted, VA may give its final approval for the training.

The new Law also provides for special restorative training for children with physical or mental disabilities which would hinder pursuit of a regular program of education. The training would be in the nature of speech and voice correction, lip reading, and Braille reading and writing, one-handed typewriting, personal adjustment training, and the like.

The Government allowance for the special restorative training is \$110.00 a month, but it may be increased if not sufficient to meet the cost of fees and tuition. Purpose of the program, as stated in the Law, is to provide "opportunities for education to children whose education would otherwise be impeded or interrupted by reason of the death of a parent from a disease or injury incurred or aggravated in the Armed Forces, and to aid such children in attending the educational status which they might normally have aspired to and obtained but for the death of such parent."

Mr. and Mrs. George Myers and daughters, Sandra and Mary, students at WTSC, Canyon, left Wednesday for Arlington and returned home Sunday.

Myers Relative Dies At Arlington

Guy Hubbard, 53 years of age, of Arlington, Texas, died suddenly of a heart attack Wednesday morning, October 3 at 8:30 in an ambulance en route to a hospital. Mr. Hubbard is the husband of Mrs. Kathryn Easley Hubbard, sister of Mrs. George Myers, Lockney.

Mr. Hubbard had not been ill previous to the attack and his death came as a shock to friends and relatives. He was a son-in-law of Mr. and Mrs. H. F. Easley of Grand Prairie. Funeral services were held Friday at 10:00 a. m. at the Methodist in Arlington.

Survivors include his wife, a son, Bill 11 years of age, and two daughters, Nancy, 14, and Jane, 9.

Mr. and Mrs. George Myers and daughters, Sandra and Mary, students at WTSC, Canyon, left Wednesday for Arlington and returned home Sunday.

Girls Working Out For Basketball

Coach Troy Lemley is working out some 30 girls in basketball getting them ready for the basketball season which starts in January. Only four lettermen are back for this year's season, Lemley said. They are Nelda Widener, Katie Rucker, Betty Foster and Pat Vanek.

ATTEND YOUTH MEET

Katie and Gayle Rucker, Margie Sechrist and Rev. H. B. Coggin attended a Sub-District Youth meeting at Trinity Methodist Church, Plainview Monday night.

Mr. and Mrs. Sid B. Thomas Jr., teachers in Tulla public schools, visited his parents, Mr. and Mrs. Sid Thomas here Friday night.

Explain Sending Of Questionnaires By Draft Board

Austin — Members of the armed forces' standby reserve in different parts of the state recently have expressed themselves as "surprised" and "puzzled" upon receiving questionnaires from local draft boards.

Draft boards are beginning administration of a law enacted by Congress in the immediately past session which placed upon the Selective Service System responsibility of screening the nation's entire standby reserve. Colonel Morris S. Schwartz, state Selective Service director, said Thursday.

"Standby reservists, both men and women, are being mailed the questionnaires," Colonel Schwartz said. "By law, these reservists are required to fill out these questionnaires and

return them to the local boards for use in determining the reservists' availability in time of emergency."

Colonel Schwartz pointed out that standby reservists cannot be called to service unless an emergency is declared by the Congress.

Based upon information furnished in his questionnaire, each standby reservist will be placed in one of three categories:

I-R — Available for service. II-R — deferred because of Civilian occupation essential to maintenance of national health, safety, or interest.

III-R — deferred by reason of extreme hardship and privation to dependents.

In time of war or emergency declared by the Congress, the standby reservist in category I-R can be recalled to service by his armed forces. Those in II-R and III-R will not be recalled to service unless there is a change in status which places them in category I-R.

"The standby reservist has the right of appeal if he is not convinced his category is correct," Colonel Schwartz said.

"The standby reservist has a legal responsibility to keep his local board informed of any change in his address or status."

Colonel Schwartz said the program provides two services: 1. The standby reservists know their emergency recall status. 2. The armed forces can be advised of the availability of their standby reserve pools.

Miss Wadie Martin of Florent, college friend of Miss Clara Lee Smith, spent last weekend here in the home of Clara Lee's parents, Mr. and Mrs. Charley Smith and Charles. The girls are both freshmen.

FEEDING THE SCHOOL SET

With school open again no doubt you are looking for lunch dishes that are quick to fix, filling and nutritious. Here's one that's called "Crazy Mixed-Up Spaghetti." It's simply done by combining a can of spaghetti in tomato sauce with a can of macaroni in cheese sauce. Heat either in a saucepan over the direct flame of the top burner, or in a casserole in the oven. Serves 4 hungry youngsters.

Toastmaster Officers Are Installed

Hal Kerchoff of Plainview was the installing officer at installation ceremonies for officers of the Lockney Toastmasters Club last Thursday evening. It was a ladies' night affair and wives of the members were present.

Mr. Kerchoff explained the purpose of the Toastmasters Club, detailed the duties of each officer as he was introduced and installed, and then turned the gavel over to the new president, Edgar R. Hays. Retiring President John Powell

opened the meeting was the toastmaster for evening. Speakers were Miller and Connie O'Brien. Other officers installed were: Kenneth Holley, educational president; Kenneth Holley, administrative vice president; Joe Wilson, secretary; Dr. A. E. Hewitt, sergeant arms.
