LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, MARCH 28, 1957

NUMBER 51

## Changes Made County Livestock Show

A meeting of the Floyd County Junior Livestock Show Association Tuesday evening made a number of changes in rules relating to exhibiting animals in the county.

One of the changes rules each exhibitor can sell one steer, two barrows or two lambs in the auction whereas the rule has allowed exhibitor to sell steers, three barrows and lambs.

Another change is in the date of the show. It will be held on Monday, Tuesday and Wednesday instead of Tuesday, Wednesday and Thursday as it was this year.

Rules call for opening the barn at 9 a. m. on Monday and that all animals be in place by 3 p. m. same day. Sifting of the will begin at 3 p. m. and will be concluded the same day.

HOMEMAKERS ALL — Three Lockney High School students have earned their State Homemaking degrees. They are, left to right, Mrs. Lajuan McCormick, Miss Wanda Cox and Miss Nelda Tims.

## THREE LOCKNEY STUDENTS GET STATE HOMEMAKING DEGREES

Three Lockney High School students will receive State Homemaking degrees at the state meeting in Dallas next April 26 and 27. They are Wanda Cox, daughter of Mr. and Mrs. John Cox; Nelda Tims, daughter of Mr. and Mrs. W. G. Tims and Mrs. Lajuan McCormick, daughter of Mr. and Mrs. Bailey Henderson.

The local Homemakers completed their work on the state degree Wednesday of last week. Their notebooks were turned in to Miss Esther Sorenson, FHA area supervisor at that time. On Saturday the area evaluation committee, composed of FHA members and teachers, graded the notebooks.

## Earl Cooper Is New Deputy In Hutchinson Co.

Earl Cooper, former Floyd County sheriff, has accepted a position as deputy sheriff in Hutchinson County and will be stationed at Borger. Mr. Cooper will go to work there on April 1st.

Sheriff of Hutchinson County is Hugh Anderson, widely known Northwest Texas peace officer. He has eight deputies working under him.

Mr. Cooper served Floyd County as sheriff for four years, served two years as a deputy and served Lockney as city officer for four years. He and Mrs. Cooper will move to Borger within the next few days. At present they are living here.

## Revival Begins At Assembly Of God Church

A revival meeting will begin Sunday morning, March 31st at the Assembly of God Church here, according to announcement by Rev. Quannah Jobe, pastor. The meeting will continue an indefinite time with services each evening at 7:30 except on Saturday.

Mrs. Almata Benson of Eunice, N. M., will do the preaching. Rev. Jobe will be in charge of the song service. Special musical numbers will be presented.

Rev. Jobe invites everyone to attend the meetings, enjoy the good preaching and get better acquainted with the pastor. He has been pastor of the local church only a short time.

## Storm Damage Light In Area

Damage from the high north winds and blizzard the past week end was light in this area, local insurance men say. A number of minor claims have been filed.

R. L. Powell of the Aiken community lost a steel granary. The wind blew the granary over and folded it up.

Buck Kellison lost a screen door and aluminum awning from his residence west of town.

Oscar Golden had a steel door on his barn damaged.

Dorsey Baker lost some windmills on his place near South Plains.

Donald Johnson had damage to his car when the roof of an out-building was blown off and fell on the car.

Lloyd Widener and some others had interior damage to their residence when snow blew into the attic, melted and ruined interior finish.

Marvin Cox had some damage to his garage door when an object blew against it.

Henry Hodel lost a part of his TV antenna to the wind.

A few small glasses were blown out and other minor damage resulted from the storm, including some damage to roofs.

## HAS SURGERY

Mrs. Kenneth Wofford is expected to return home this weekend after spending the past week in Plainview Hospital where she underwent surgery Friday morning of last week. She is convalescing nicely.

## Cattle Drift Way In Storm

The week end blizzard caused 200 head of cattle, being taken to Wade Steele and Lee Francis in southern county, to drift away. Never most of the cattle had rounded up and returned by Wednesday.

Steele said that the cat-wind would pile up over fence and allow them to get out. Some of the cattle found scattered over northern Briscoe and northern county, mostly in the Star community he said. Calves and one cow found dead and three or more calves are still missing. The remainder have been rounded up.

Neighbors were very helpful in rounding up the cattle. Mr. Steele said. Some of them put cows and calves in barns or other shelter, and one man one of the small calves in his cellar and covered with an old quilt for protection against the cold.

Mr. Francis and I surely appreciate the neighborliness and helpfulness shown by those who helped to take care of the cattle," Mr. Steele said Wednesday.

"It was a mighty fine thing for a man to do during a storm and we surely appreciate every kindness shown. If it hadn't been for the help of neighbors we would have lost quite a few more."

James Henderson, also living in northern Briscoe county, lost several calves during the storm probably other cattlemen some stock.

## RECORDS FALL IN LONGHORN MEET DESPITE BAD WEATHER

The fine Lockney Longhorn team tallied 31 points to a first place in the second annual Longhorn Relays Saturday. Three shattered records and another tied record were features of the meet in which sleet, snow, and dust, blown by gusts of wind reaching 60 miles per hour, and a field greatly hampered athletes and prevented more records from being broken. Visible every record would have fallen had the day been clear.

Gene Handley of Lockney set new broad jump mark of 20' 1/2". The old record of 19' 1/2" is set by Manny Connell, Lufkin, in 1955. Matador's only shot putters and discus throwers set two records. Discus thrower Stafford heaved the discus 134' 3/4", topping the old mark of 128' 3/4" established by Abernethy's Connell, 200-pound Port Arthur. All South Plains athletes, all shot 45' 10" or better. The 47' 1/2" record set last year by Canyon's Richard Wham.

Lockney's lightning-fast Jerry Williams tied the 100-yard dash mark of 10 seconds flat. The record was established by Mus McMahan of Lorenzo. Williams ran a 9.75 century Relays week in the Crosbyton Relays and would have easily bested the record on a pretty day.

Stinnett's Rattlers, made up of members of their state championship football team, carried home the second place trophy. The team gathered 24 points. Matador's three-5-16 points. Matador got 20 1-3 points which was good for third place. The Alpine squad, coached by former Lockney coach Curtis Kelley, finished fourth. Defending champion Canyon did not enter.

Other teams were: Post, 16 1-3; Floydada, 13 5-16; Dimmitt, 10; Olton, 9; Amherst, 5 1-3; Idalou, 3; Lorenzo, 3; Slaton, 2 1-3; Cotton Center, 3; Ralls, 2; Mulleshoe, 2; Springlake, 2; Whiteface, 1.

Only 175-200 of the expected 300 boys and 18 of the expected 32 schools were able to compete due to the weather.

## Colorama Of '57 Set For April 4

The presentation of Lockney Longhorn Band's "Colorama of '57" scheduled to take place Thursday, April 4 at 7:30 in the High School Auditorium promises to be one of the most colorful and entertaining events ever to be presented here by the local band.

Integrated with colored lighting the music is live and will consist of concert, popular, religious and swing numbers, a program guaranteed to please everyone, according to an announcement by band director Clyde Seaman.

In addition to presentations from the band, several numbers will be given by the orchestra with different color effects on each selection. Feature numbers will include "The Lone Star Melody Makers," "The June Failure Dancers," Lockney Hi's own Song Birds, Elaine Cooper and Betty Jefferson starting in pop songs of a few years back, also an all-star cast of such famous personalities as "Patience and Prudence," "Sonny James," "Elvis, the Pelvis," "Jerry and Patti Lewis" and many, many more. Plus Patsy "Champion" Ashton with her "Tip Top Toe" routines and Baton Twirlers of '57.

Don't miss the "Colorama of '57" Thursday, April 4 at 7:30. Tickets will be sold by canvassing and at the auditorium. All proceeds will go toward building a better band for Lockney and its citizens. Tickets are 75 cents for adults, 35 cents for children.

## City Election Is Tuesday

The City Election will be held Tuesday with the mayor and two aldermen to be named. Names appearing on the ballot will be those of the incumbents, Mayor J. E. Cox, Aldermen Kelton Shaw and Jimmie Hodel. They have no opposition.

Polls will open at 8 a. m. and close at 7 p. m. F. L. Brown is election judge.

## New Hardware To Open Here

Ernest Fowler, former hardware store operator in Floydada and Olton, will open a new hardware store in the Faggard building here some time in the near future, according to reports reaching The Beacon this week.

Mr. Fowler was at one time employed here at Higginbotham-Bartlett Co., later was manager of the same lumber firm at Floydada and Littlefield and in recent years operated hardware stores at Floydada and Olton. He has sold his stores and for the past two months has not been in business, relatives said. Mrs. Fowler is the daughter of Mrs. George Webster Sr. of Lockney.

The Faggard building is being renovated and a new front installed on it.

The Fowlers have two daughters, both of whom are married.

## U. S. Senator To Be Elected Next Tuesday

A United States Senator from Texas will be elected in a special election set for next Tuesday. Twenty-two candidates are seeking the office although 23 names will appear on the ballot. One candidate, Dr. H. Frank Conally Jr. of McLennan County, has withdrawn from the race but did so after the ballots were printed.

Top candidates in the "sudden death" race are Martin Dies, Ralph Yarborough, J. H. Hart and Thad Hutcheson. Hutcheson is a Republican, the others are Democrats.

Polls will open at 8 a. m. and close at 7 p. m. and the usual 21 polling places will be open in this county. The Beacon will join with The Floyd County Hesperian and other agencies in tabulating the returns as soon as they are available. The county clerk's office will be open from 7 p. m. to 10 p. m. on election night to receive returns from election judges.

The election is to fill the vacancy caused by the resignation of Price Daniel, who was elected governor in the last general election.

Very light absentee balloting indicates a general lack of interest in the race. Up to Wednesday afternoon County Clerk Margaret Collier reported only a few absentee ballots cast. Absentee ballots may be cast through Friday of this week, March 29th.

A run-down on the various candidates for the office follows in the order they appear on the ballot in this county:

Elmer Adams of Dallas, a self-styled "plain Texas farm boy."

H. J. Antoine Sr., a Republican from Bastrop.

Rev. M. T. Banks, a Negro Baptist preacher of Beaumont.

Jacob Bergolofsky, of Wichita Falls, favors a third party.

Searcy Bracewell of Houston supported Eisenhower but would vote Democratic.

John C. Burns Sr. of Deer Park is for economy in government.

Frank G. Cortez of San Antonio, an undertaker, has a conviction of illegal possession of habitations.

J. Cal Courtney of Dallas, blind in one eye.

R. W. (Waire) Currin of Sulphur Springs is a cattleman.

Martin Dies of Lufkin is now congressman-at-large from Texas.

C. O. Foerster Jr. of Elsa doesn't like either Democrats or Republicans.

Curtis Ford of Corpus Christi is former legislator.

Ralph W. Hammonds of Houston, once indicted in insurance scandals.

James P. Harj of Austin favors integration.

Charles W. (Jack) Hill of Fort Worth, against high taxes and foreign aid.

Thad Hutcheson of Houston, a Republican who has President Eisenhower's backing.

Walter S. McNutt of Jefferson, plain East Texan.

Clyde R. Orms of Dallas, against high taxes and foreign aid.

John C. White, present commissioner of agriculture.

J. Perrin Willis of Rusk, against price supports.

Hugh Wilson of Port Arthur wants improved economy.

Ralph W. Yarborough of Austin, lost three races for governor.

Polling places and election officials for this area of the county include:

Sandhill, schoolhouse, T. C. Hollums, presiding judge; W. M. Knight, judge; John Miller and Leroy Durham, clerks.

East Lockney, city auditorium, J. D. Copeland, presiding judge; H. P. Coleman, judge; Mrs. Guy Sams, Mrs. J. D. Copeland, Mrs. E. A. McLeod, clerks.

Providence, schoolhouse, Charlie Boedeker, presiding judge; Wyatt McLaughlin, judge; Mrs. Ewald Quebe, Mrs. Ted Boedeker, clerks.

Lone Star, schoolhouse, H. E. Frizzell, presiding judge; A. O. Foster, judge; Mrs. Clyde Parish, Mrs. Harold Griffith, clerks.

South Plains, schoolhouse, E. P. Smitherman, presiding judge; Bill Beedy, judge; Mrs. L. T. Wood, Mrs. I. H. Parks, clerks.

Cedar Hill, T. F. Love garage, Jack Stansell, presiding judge; Charley Purnell, judge; Eugene Gilly, C. V. Lemons, clerks.

West Lockney, high school, Henry Schacht, presiding judge. (Continued on back page)

## Bank Increases Surplus \$50,000

Directors of the First National Bank in Lockney voted in a meeting last Thursday to increase the bank's surplus account by \$50,000. Charles Duran, president, said that the directors felt that the increase would better enable the bank to serve the area.

The bank now has a capital stock of \$100,000, a surplus of \$150,000 and with undivided profits, the total capital accounts now stand at more than \$300,000.

The increase in surplus gives the local institution a better capital structure than most any bank in the area in a similar size town.

## Election Petition Presented Court

A petition asking for an election to determine whether or not a weed control district will be formed in Floyd County was presented to the Commissioners Court Saturday of last week. The petition was circulated by members of the Floyd County Farm Bureau. Chester Carthel was spokesman for the group.

The Court accepted the petition and set the date of April 16 at 10 a. m. for a public hearing. Any objections to the calling of an election will be heard at that time.

The Court will not set the date for an election on the matter until after the public hearing.

## IOOF Orphan Home Changes Rules

A recent change of rules in the admission of orphan children to the I. O. O. F. Orphan Home at Corsicana, now permits the Home to admit children regardless of whether their parents were affiliated with the order or not, according to C. C. Reed of Lockney, a member of the local lodge.

The I. O. O. F. Lodge now plans to build a summer camp for children somewhere in the vicinity of Corsicana and will allow other organizations or churches to use the camp when the lodge is not using it, Reed said.

## Lone Star Baptists Plan April Revival

Cecil Meadows, pastor of First Baptist Church, Earth, Texas, will be the evangelist for a 10-day revival meeting to begin at Lone Star Baptist Church April 5-14.

Rev. H. H. Sego, pastor of the church, extends an invitation to the public to attend the meetings which will begin each morning at 10:00 o'clock and each evening at 7:30.

T. Z. (ZEB) REED, a resident of Lockney for 50 years, passed away Wednesday in Lockney General Hospital here.

## T. Z. Reed, Mayor, Commissioner, Preacher, Teacher, Dies Wed.

T. Z. (Zeb) Reed, 91 years of age, passed away at 12:50 p. m. Wednesday at the Lockney General Hospital where he had been a patient for the past nine months. Mr. Reed had been confined to a wheel chair for eight years after suffering a stroke at his home here. Mrs. Reed has also been a patient in the local hospital for several months.

Funeral services were held on Friday afternoon at 2:30 p. m. at the First Baptist Church here, where he had been a member for just about 50 years. Rev. Clay Muncey, local Baptist minister will officiate, assisted by Rev. H. B. Coggin, Methodist pastor. Interment will be in the Lockney cemetery. Lockney Masonic Lodge No. 867 will be in charge of graveside services.

Mr. Reed was an important part of life in this community for more than 40 years. He and Mrs. Reed moved to Lockney in 1907 from the Whitfield community. He was first elected mayor of the city in 1910 and served as mayor for some 20 years in various terms. He served one or two terms as commissioner of Precinct 2 in this county, and served as Justice of the Peace for seven years.

He served at one time as director and vice-president of the First National Bank of Lockney, and was engaged in business here in the firm of Riley, Reed & Brewster for a number of years.

Mr. Reed was a pioneer Baptist preacher and in the early days preached many times at rural churches in the area. He also had taught in Sunday School class for 50 years, and was teacher of the elderly men's class at the First Baptist Church here until his health failed.

He had been a member of the Lockney Masonic Lodge just a little less than 50 years and was a past master of the lodge.

Mr. Reed was born March 29, 1866 near Jackson, Miss. He came to Texas in 1886, driving steers to his destination in Bell County. It was there in 1890 that he married Miss Dollie Riddon. Their only child, Mrs. E. M. Lawson, was born in Bell County in 1891. The family left Bell county April 18, 1892 and after driving 32 days in a wagon, pulled by two yoke of steers, they pulled up to the court house square in Floydada. Looking over the county they selected a place in the Whitfield community, in the edge of Swisher county, and settled there.

In 1907 they moved to Lockney and opened a little cafe, calling it "Zeb's". Later he entered the grocery business, farmed and engaged in various other types of business. Mr. Reed said at one time that he, as mayor, had the honor of signing the first franchise for all public utilities including gas, electricity and telephone. He prided himself on paying his debts on time, at one time saying that he had never, in private business or in public affairs, paid a debt past due.

Survivors include his wife, one daughter, Mrs. Lawson, three grandchildren, Mrs. Henry (Continued on back page)

Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. — Ephesians 6:11.

**TEXAS WILL ELECT A UNITED STATES SENATOR** next Tuesday, April 2, along with the election of city officials. There are some 22 or 23 candidates seeking the office, but only about four are what we would call serious candidates. That is, only that many have any chance to win the office. Since this election is on a plurality basis then the man who gets the most votes will be elected though he may not receive a majority. In our opinion the only candidates who have any chance in the election are Martin Dies of Angelina County, James P. Hart of Travis County, Thad Hutcherson of Harris County, John C. White of Wichita County and Ralph W. Yarborough of Travis County, though not necessarily in that order. Dies is a conservative, Hart is a liberal with conservative leanings, Hutcherson is a Republican, White is a semi-liberal Democrat and Yarborough is the extreme liberal of the group.

**WE HOPE** the people of Texas will elect Martin Dies to the office. Dies is a man of proven ability. He has spent a number of years in Congress and you remember he headed the famous Dies committee investigating Communist activities during and following World War II. Despite the open opposition of the Administration at that time, Dies' committee succeeded in awakening the American people to the very present danger of Communist infiltration in our government which turned the tide of Communism in America. Dies is a conservative who believes in the right of a state to handle its own affairs, and he will fight for states' rights. He believes in economy in government, though not the kind being practiced by the present administration where the government reduces its farm supports but at the

same time spends money on foreign aid that is in some measure wasted. We think Mr. Dies would vote and work for a reduction in government spending in the right places.

**WE BELIEVE** the race will actually be between Mr. Dies and Ralph W. Yarborough. We cannot support Mr. Yarborough despite his supporters' claims that he is a "good man." In the first place Yarborough has no proof of his ability to serve in a legislative position. He has never held such a job. In the second place every radical element in the state is supporting him. Of course some good level-headed people are also supporting Yarborough but we can not believe they are right in their thinking. We have too much radicalism in government now and should Mr. Yarborough be elected he will owe his office to those groups who support and vote for him. We do not want to see a Senator from Texas who is under obligation to the CIO-PAC, the NAACP, or any other radical group which seeks its own interests above everything else.

**WHEN WE** go to the polls Tuesday we had better ask ourselves what is best for Texas as a whole. After all the man who seeks the common good and represents no element, group or segment of people specifically should be elected to the office of U. S. Senator.

**SCANDAL** after scandal breaks out in the Texas Legislature and will continue to come until the people of the state realize you cannot hire a good man for starvation wages. Sending a man to the Legislature and under paying him is an open invitation to him to see his money otherwise. When we in Texas can cut the number of legislators about half and pay them \$12,000 per year then we may expect to get some men of ability and honesty. Not to say that all legislators are not honest now. Most of them are honest and many are men of ability but every one is serving at a personal sacrifice and that is not conducive to good government.

**WHAT HELPS** luck is a habit of watching for opportunities, having a patient, but restless mind of sacrificing one's ease or vanity, of uniting a love of detail to foresight and of passing through hard times bravely and cheerfully. — Victor Chertulnev.

#### HIGH COURT REFORM

Because of recent rulings which seem to set aside Constitutional guarantees of freedom which Americans always have taken for granted, a great many people in this country have become suspicious of the Supreme Court.

There is a widespread movement on foot to reform the high court by tightening the rules under which men are appointed to it.

There have been many suggestions for curbing the tribunal, including one by the Texas Bar Association. It proposes that Supreme Court justices be chosen by justices of the highest civil court in each State. Under the present method, the President names the justices with the consent of the Senate.

Justices of the nation's highest court certainly should be men with a broad background of judicial experience. Yet the justices of the present Supreme Court, almost without exception, are political appointees who have had limited, if any, experience on the bench.

Supreme Court justices, who

are appointed for life, are supposed to operate on a high plane, above politics, and to view each issue objectively. Few would deny that the present Court more often has been motivated by sociological and political factors than by strict adherence to the Constitution.

"Mr. Dooley," a character created by humorist Finley Peter Dunne, once said: "No matter whether the Constitution follows the flag or not, the Supreme Court follows the flag returns."

Whether or not the present Supreme Court follows the election returns, it certainly leans toward the party line which leans toward the left. — Lubbock Avalanche.

#### NO NEED FOR APOLOGY

Self appointed guardians of the national conscience in the North are showing increasing distress over the South's racial position and what they call its

unfortunate impact on the peoples of the Afro-Asian bloc. This, of course, is a popular political gambit — tying one's pet project to the needs of the nation's defense.

Periodical hand wringing over American shortcomings has long been a favorite parlor game with intellectuals, but before one is carried away completely, it might be well worth considering the position of those nations where we are supposedly in such ill repute.

Would it be India, where an arrogant agnostic chides the West while thousands of his subjects starve daily in filth-strewn gutters?

Or perhaps the liberated colonies of the Dutch and British in the Far East who have shown such lamentable ineptitude for self government?

Or the Arabic world, where millions go blind for lack of the most rudimentary hygienic facilities?

If integration must be defended, let its advocates defend it on its own merits, for when all is said, bus integration can mean little to a spear-bearing aborigine who has never seen a bus. — Fort Worth Star Telegram.

Dear Editor: I see where Pres. Ike says if there are going to be any great cuts in the national budget, we will have to get along without some of the great plans he has for us.

Which is logical but not startling. Most of us know about the fiscal facts of life, and how you can't ride the merry-go-round and keep your nickel too.

Seems like it would be nice, though, if we could sort of postpone some of the president's great programs and get taxes down a little so I could afford to go ahead with some of my own great projects, such as getting a new set of tires.

**Duvall-Cummings  
Vows Exchanged**

In a double ring ceremony  
performed in Aiken Baptist  
Church, Saturday, March 23 at  
7:30 p. m., Miss Mary Kay  
Duvall became the bride of  
James Louis Cummings. Mr.  
and Mrs. L. L. Duvall of Aiken  
community are parents of the  
bride and Mr. and Mrs. Julius  
Cummings of Plainview are  
parents of the bridegroom.

Rev. C. O. Halle, pastor of  
Aiken Baptist Church, read the  
vows as the couple stood be-  
fore an arch decorated with  
lemon leaves, white gladioli  
and stock. Flanking the arch  
were seven-branched candel-  
abra and tall baskets of white  
gladioli and stock. In the back-  
ground was a 14-branched can-  
delabra and palms. White satin  
bows accented the baskets and  
candelabra and also marked  
the aisle.

Mrs. C. L. Record played the  
piano prelude and accompanied  
Luther Williams, student of  
Hardin Simmons University,  
Abilene, as he sang "I Love You  
Truly," "Because" and "The  
Lord's Prayer." The traditional  
wedding marches were used.

Entering on the arm of her  
father who gave her in mar-  
riage, the bride was gowned in  
white lace and tulle over brid-  
al satin. Designed in princess  
lines the dress featured a bas-  
que waist with boat neckline  
accented with lace applique and  
seed pearls. The long fitted  
sleeves ended in points over  
the hand. The full gathered  
skirt was waltz-length fashion-  
ed with a lace panel in front  
and back and featured tulle  
ruffles down each side to the  
hemline. The gown was made  
by the mother of the bride. The  
finger-tip veil of nylon tulle  
was edged in lace and fell  
from a tiara of seed pearls and  
sequins. Her bridal bouquet of  
tiny yellow rosebuds arranged  
on a white Bible, was showered  
with white satin streamers tied  
in loveknots.

For something old she wore  
her great grandmother's lock-  
et, new was a Bible given her  
by the YWA of Aiken Baptist  
Church, borrowed was a penny  
belonging to her brother, Cecil  
Duvall. Blue was a garter.  
Miss Ann Britton of Arling-  
ton, Texas, was maid of honor.  
She wore a waltz-length gown  
of yellow organdy over taffeta  
designed with a boat neckline  
accented with set-in ruching,  
short puffed sleeves and full  
gathered skirt. She wore a  
bandeau of flowers and rhin-  
estones and carried a nosegay of  
yellow carnations outlined in  
orchid.

Bridesmaids were Betty Sue  
Elam and Pauline Johnson.  
They wore dresses or orchid  
organdy designed identical to  
that of the maid of honor. Their  
nosegays were orchid carnations  
edged in yellow and in their  
hair they wore orchid  
flowers.

Candlelighters were Don  
Duvall, brother of the bride,  
and Regena Perkins of Plain-  
view. Miss Perkins was dressed  
identical to the maid of honor  
and wore a wristlet of orchid  
carnations.

Everett Duvall of Edmonson,  
cousin of the bride, served as  
best man.

Ushers were Norman Scott,  
Lockney, and James Long, Pad-  
ucah, cousin of the bridegroom.

Mrs. Duvall, mother of the  
bride, wore a sheath dress of  
rose beige brocade satin with  
beige accessories. Mrs. Cum-  
mings, mother of the bride-  
groom, wore a pastel blue two-  
piece suit with white accessori-  
es. Each wore a corsage of  
white gardenias.

**Reception**  
A reception was held in the  
church following the ceremony.  
Baskets of white gladioli and  
stock were placed at vantage  
points about the room. The  
bride's table was laid with lace  
over yellow and centered with  
a crystal epergne holding the  
nosegays of the three attend-  
ants. The bride's bouquet com-  
pleted the center arrangement.  
At one end of the table was a  
crystal punch service with  
golden punch, at the other end  
was a three-tiered cake iced in  
white, topped with a miniature  
bride and groom standing be-  
neath a heart-shaped arch. Pale  
yellow trailing roses completed  
the cake decor.

Miss Carolyn Elam poured  
the punch and Miss Martha  
Harden served cake. Miss Nel-

**LODGE SAYS THANKS**

Members of the I. O. O. F.  
Lodge this week expressed  
their appreciation to local cafes  
and others who helped them in  
their Pancake Supper last Fri-  
day night. Due to conflicts the  
supper was only moderately  
successful, it was said, but the  
Lodge members did appreciate  
the help they received.

"Fan," meaning an enthus-  
iast, comes from the word "fan-  
atic."

Miss Joyce Ratliff, cousin of the  
groom, presided at the guest  
book where approximately 90  
persons registered from Arling-  
ton, Paducah, Midlothian, Dal-  
las, Abilene, Roscoe, Plainview,  
Bovina and Lockney.

For a wedding trip to South  
Texas the bride chose a navy  
blue sheath dress with navy  
and white accessories. Her cor-  
sage was yellow rose buds.

The bride is a senior in Plain-  
view High School and the  
bridegroom graduated from  
Plainview last spring. He is now  
engaged in farming. After Mar-  
ch 27 the couple will be at  
home on Route 1, Hale Center,  
Texas.

**Ronnie Thornton Is  
Honored At Party**

Miss Patsy Ashton honored  
Ronnie Thornton with a sur-  
prise dinner party on his 16th  
birthday Wednesday, March 13  
at 6:30. Assisting with the hos-  
pitalities were Patsy's mother,  
Mrs. Milton Ashton and Mrs.  
Owen Thornton, mother of the  
honoree.

As the honoree entered the  
Ashton home he was greeted  
with the "Happy Birthday"  
song and presented an array of  
gifts.

The dining table was center-  
ed with a birthday cake shaped  
and decorated as a blue shirt  
with white collar and cuffs. The  
table was multicolored and the  
initial "R" was on the pocket.  
Around the cake were confec-  
tion roses and stand-up letters  
naming the honoree.

After a steak dinner the  
guests enjoyed a show at the  
Seale Drive-In.

Enjoying the occasion were  
Linda Baxter, Byron Brock, Ron-  
nie Harris, Rita Johnson, Jerry  
Lynn Wofford, the hostess and  
honoree.

**Rehearsal Tea  
Honors Couple**

Following rehearsal Friday  
night Mr. and Mrs. Leo Duvall,  
cousins of the bride-elect, were  
hosts for a tea honoring Mary  
Kay Duvall and James Louis  
Cummings.

Laid with yellow linen, the  
refreshment table was centered  
with an arrangement of orchid  
iris and yellow mums backed  
by candelabra holding yellow  
tapers.

In attendance were Mr. and  
Mrs. L. L. Duvall, Mrs. C. L.  
Record, Mrs. Joe Roach, Luther  
Williams, Norman Scott, James  
Long, Everett Duvall, Pauline  
Johnson, Mrs. Webb Johnson,  
Betty Sue Elam, Rev. and Mrs.

**VOTE TUESDAY, APRIL 2**

**For Ralph Yarborough For U.S. Senator**

LAST NAME ON THE BALLOT BUT TOP NAME IN THE RETURNS

When his opponents point to Yarborough's past defeats, remember that  
Lincoln was defeated 7 out of 9 times for public office before his election to the  
presidency, because he would not sacrifice his principles for political expediency.

With Texas politics dominated for the past five years by the most powerful  
and corrupt political machine in history, now foundering on the rocks of exposed  
corruption, Yarborough has gained more honor in defeat than have his oppon-  
ents in victory, for he has almost alone in public life fought that machine and  
now stands vindicated — Governor Daniel, who defeated Yarborough by only  
3000 votes (less than 1-10 of 1%) in 1956, admits that the corruption in Austin yet  
to be exposed will sicken you — now he tells you.

You don't need a Republican nor an Eisenhower Democrat in the Senate, not  
unless you believe it proper to dish out 200 million bucks to King Saud for upkeep  
of his 300 brothers and sisters, his slaves, his fleets of Cadillacs, and his 90 (count  
'em) wives, while doling out a miserly 76 million for drought stricken American  
farmers and ranchers, most of whom can't hardly afford one wife.

There are other good Democrats in the race, but Yarborough is the only good  
Democrat with a chance to win. Don't waste your vote!

**SOIL CONSERVATION DISTRICT NEWS**

Farmers are reminded by the Floyd County Soil Conservation District board of supervisors that between now and April 15 is the best planting time for Hubam, Madrid or Yellow Blossom Clover.

Fred Johnston, work unit conservationist for the Soil Conservation Service of Floyd County, urges all farmers to start and encourage an active legume program to be carried out this spring.

Clover can be overseeded in any of the small grains with very good results, without interfering with the harvesting of them. The clover can be seeded in the small grains with a drill or be broadcast and covered with a section harrow with little or no damage to the grain crop. The clover seed should be inoculated and planted from one to three quarters inch deep. Excellent results have been received from this method in the past. The clover is not large enough at harvest time to interfere with the cutting of the small grain crop. After the grain is harvested the clover grows all winter fast and can be grazed, harvested for seed or used as a soil improving crop by working it into the top soil at the full bloom stage.

Good results can be expected from the use of clover on acreage reserve land that has been put in the soil bank program for only one year. It will add organic matter, open up the soil with its root system, plus the addition of the nitrogen fixation bacteria in the soil. Farmers who have used clover in the past have increased their yields as much as 30 per cent. Where sweet clover is used as a soil improving crop, the results have been found to equal, if not better, that received from alfalfa.

Farmers cooperating with the Floyd County S. C. D. that have received good results from planting sweet clover are: Fred Jackson, chairman of the board of supervisors, Thomas Chatham, B. C. Cates, L. B. Brandes, R. G. Dunslop, Chester and R. C. Mitchell. Arrangements have been made by several other SCD members to plant sweet clover this spring.

GO TO CHURCH SUNDAY.

Mrs. Alice Tiller and daughter, Dianna Lee, left Thursday for their home after visiting weeks.

**CROSSROADS REPORT**  
By D. E. SCOTT

**Dear Editor:**  
I note that a considerable herd of citizens are organizing a drive to do away with the income tax, on the theory that we would have more money left if we did not have to pay same.

One of the arguments for abolishing this tax is that maybe Congress wouldn't throw federal money around so recklessly if it was a little scarcer.

Move is likely to fail, though. On the grounds it would be inhumane to turn a lot of professional bureaucrats out into the working world to root hog or die.

Then, bake for one hour in a slow oven and give the pot a final two-minute "shot" of high heat under the broiler flame to produce a really photogenic success. Serves 8 to 10 people.

**CHOOSE SOCKS CAREFULLY**  
Any mother of young children will save herself grief—and money—by buying socks guaranteed to be "colorfast" or "washfast." She'll be able to launder these safely in the hot suds and rinses required to remove ground-in dirt—without danger of spreading dye to other pieces in the family wash.

**3 Records Fall—**  
(Continued from page 1)  
finished one-two in the 220-yard dash. Wofford's time was 22.5. This was another record that probably would have fallen, weather permitting.

Lockney picked up other first places in the mile run and the 440-yard relay. Bill Musser came in first in the mile with a time of 5:26.8. The relay team (Clifford Hardy, Handley, Wofford, and Williams) finished in 47.6.

First place points were also picked up by Teddy Estes, Olton in the 440-yard dash; Bobby Turner, Alpine, 120 yard high hurdles; Don Burgess, Alpine, 180-yard low hurdles; and the Stinnett mile relay team of Ralph Hicks, Larry Dawson, Sam Roberts, Dale Keadle, which happens to be the Rattler's state championship backfield.

The high jump ended in a three-way tie between Charles Ogden, Floydada, Garland Cartwright, Matador, and Ledford Enloe, Amherst, with a jump of 11' 6". The pole vault had to be halted at 9' 6" because of the wind. Ray Gary, Post, Dale Keadle, Stinnett, and Jim McClanahan, Slaton, were declared winners. Points were split in case of tie.

Lockney Chamber of Commerce sponsored the Longhorn Relays and paid all expenses. Trophies were given to teams winning first and second and to the first place winners in the 440-yard relay and the mile relay. Ribbons were given for the first four places in other events.

Rudy Haile, local coach, was meet director. Coach Elvin Lyon, Lockney, was announcer. Starters were Elvin Reddell, Idalou coach, and Clarence Tillery of the Sports Center, Lubbock.

The athletes and coaches ate lunch at the grade school cafeteria and the boys dressed at the grade school building.

Complete results are:  
100-yard dash — 1. Jerry Williams, Lockney; 2. Montie Boozer, Dimmitt; 3. Jack Rains, Post; 4. Ralph Hicks, Stinnett. Time — 10 seconds flat. (Tie record set by Mus McMillan, Lorenzo, 1956.)

220-yard dash — 1. Nelson Wofford, Lockney; 2. Jerry Williams, Lockney; 3. Montie Boozer, Dimmitt; 4. (Tie) Stanley Grant, Floydada; Dale Keadle, Stinnett. Time — 22.5.

440-yard dash — 1. Teddy Estes, Olton; Ernie Batchelor, Lorenzo; 3. Ronnie Morris, Post; 4. Jerry Patterson, Floydada. Time — 58.2.

880-yard run — 1. Ray Gary, Post; 2. Dexter Thomas, Alpine; 3. Ken Weaver, Idalou; 4. Jerry McGowan, Dimmitt. Time — 2:14.5.

Mile run — 1. Bill Musser, Lockney; 2. Jessie Masters, Cotton Center; Lynn Huddleston, Rails; 4. Berto Rodriguez, Idalou. Time — 5:26.8.

120-yard high hurdles — 1. Bobby Turner, Alpine; 2. Don Burgess, Alpine; 3. Ledford Enloe, Amherst; 4. Bill Patterson, Floydada. Time 16.1.

180-yard low hurdles — 1. Don Burgess, Alpine; 2. Bobby Turner, Alpine; 3. Sam Roberts, Stinnett; 4. Dickie Thomas, Slaton. Time — 21 seconds flat.

Broad jump — 1. Gene Handley, Lockney, 20'; 2. Ronnie Downing, Floydada, 19' 3"; 3. Sam Roberts, Stinnett, 19' 2"; 4. Ysidoro Ramos, Whiteface, 18' 8" (New record; old record, 19' 1/2" set by Manny Connell, Abernathy, 1956.)

High jump — 1. Charles Ogden, Floydada, Garland Cartwright, Matador; Ledford Enloe, Amherst. (Three-way tie, all cleared 5' 10", no fourth place, split 10 points.)

Pole vault — 1. Ray Gary, Post; Dale Keadle, Stinnett; Jim McClanahan, Slaton. (Three-way tie. All cleared 9' 6", forced to stop due to wind, split 10 points.)

Shot put — 1. Porky Ellithorpe, Matador, 48' 10"; 2.

**HERE FROM CALIFORNIA**  
Mr. and Mrs. Lee Tomme, Betty and Billy of Hawthorne, Calif., visited in the home of her mother, Mrs. Betty McClure the past week end. They also visited part of last week with his parents in Llano, Texas. They are former residents of Lockney.

**'POLISHED' COTTON TAKES LOW HEAT**

So-called "polished" cotton fabrics are best washed in warm, rather than hot, water with soap or detergent suds and rinses. In a dryer, it is simple to maintain the correct low heat for drying. Too much heat would soften the resin finishes that are applied to cotton for added luster of "polish." The resins contribute permanent crispness, crease resistance, and easier ironing.

GO TO CHURCH SUNDAY.

**M. Sandlin crosses Thanks**  
Mildred Sandlin is very grateful for the many kindnesses shown her and the family her accident recently. She asked The Beacon to express her appreciation to all people of the community who have been helpful in any way she will be in the hospital. She is doing fine. The family say, but I take quite some time to leg to heal. She would like cards or letters from friends. Her address is Mildred Sandlin, 6 Meth-Hospital, Room 401, Lubbock, Texas.

**AUTO DECATHLON PROVES— CHEVY'S THE CHAMPION OF THE ROAD!**

Drive the car that proved its superior steering, braking, cornering, road-holding and passing ability in the world's first Auto Decathlon, a ten-way test of the driving qualities you want.

Chevy proved it's the champ in the world's first Auto Decathlon, certified by the NATA.\* It showed how beautifully it handles, how quickly it recovers from emergency situations—like quick turns and stops—which can cause a car to lose its even-keel stance on the road.

Chevy waltzed through some of the roughest challenges ever laid down to measure how a car behaves when the going is tough. And it beat all other cars in its field and all the higher priced cars tested, too!

That's Chevrolet's sure and solid going for you. Come in and drive the winner!

## B&PW Attends Lubbock Banquet

Eleven members and guests of Lockney B&PW Club were among the approximately 360 women who attended Lubbock's B&PW Club Annual Public Affairs Banquet Tuesday night at 7 o'clock in First Methodist Church, Lubbock.

"Would You Hire Yourself" was the subject discussed by Dr. Sylvia Sorkin, noted author, lecturer and management counselor from St. Louis, Missouri. Dr. Sorkin gave many thought provoking points on the qualifications of a business woman.

Guests attending were from B&PW Clubs in Plainview, Lockney, Post and Lubbock. Those from Lockney were Meses, Joe Wilson, Revis Harris, Carl Blair, Jack Shipp, Claud Holley, Dorsey Baker, Frances O'Hearn, O. C. Bailey, C. J. Taylor, Dimple McGavock and June Bybee.

## New Comers Club Has Luncheon

The first annual luncheon of the Lockney Newcomers Club was held at the Plains Hotel dining room here last Wednesday. Each member brought a guest for the special occasion. The menu consisted of fried chicken, potato salad, peas and peach cobbler.

Mrs. G. C. Applewhite reviewed the book, "Big Foot Wallace" for the group. The review was all the more interesting since Mrs. Applewhite is a distant cousin of Big Foot Wallace.

Present for the luncheon were Meses, Bill Whitlock, Kenneth J. Wharram, Bill Wornack of Plainview, Charles Duran, Floyd Neil, Don Hatch, Tom Moore, Henry Moore, Lloyd Wofford, Wilson P. Kermickie, Claud Holley, Wayne Bybee, Raymond Smith, Bob Miller, Dick Whiteley, Jimmy Stinnett, Andy Jolly, Raymond Meriwether, and Mrs. Applewhite.

## Gleaners Class Has Social Meet

Mrs. Chester Johnson and Mrs. B. B. Vernon were hostesses for a business and social meeting of Gleaners Sunday School Class of the Baptist Church Wednesday at 2 p. m. in the church parlor.

The devotional was given by Mrs. Vernon. Refreshments were served to Meses, Jack Calahan, Hilburn Casey, W. O. Whitehead, Lester Carter, Alta Warren, Harmon Handley, Charles Baxter, W. R. Cates, Tom Ashburn, L. M. Readhimer, Joe B. Cumble and the hostesses.

## BREAKS HAND

Miss Joan Harris, student of McMurry College, Abilene, is recuperating from a fractured hand suffered in an accident during a basketball game in which she was playing two weeks ago. Joan was playing with the Gamma Sigma Club team. The fracture injured her right hand but fortunately her school work was not hampered since she is left handed. The cast will be removed in about a week. Joan plans to visit her parents here next week end.

Since 1962 when President McKinley was assassinated, the U. S. Secret Service has been charged with guarding the President.

## Memorial Services To Honor Jet Pilot

Memorial services honoring Guy Alden Wright, Lt. J. G., who lost his life in the crash of a jet plane in the Pacific Ocean near Hawaiian Islands Monday, March 18, will be held in the Presbyterian Church, Clarendon, Sunday, March 31, at 3:30 p. m. He was the son of Mr. and Mrs. Guy Wright of Memphis, Texas and a nephew of Mrs. Bill Hodel, Lockney.

Lt. Wright had been stationed in Honolulu the past 18 months and at the time of the tragic accident was engaged in piloting a Panther type jet plane which was the target for naval training in combating high speed aircraft. The plane failed to come out of a dive and crashed into 12,000 feet of water about 45 miles from shore. Searchers from near-by ships were at the scene within minutes and were never able to recover anything but the pilot's helmet. He was alone in the craft.

Memorial services were held at the Base Chapel in Honolulu last Sunday with the Navy Choir participating. Sunday was National Orchid Day in the islands and the chapel was banked with the rare flowers for memorial rites.

Rev. Paul Wright, pastor of the Presbyterian Church, Clarendon, of which Lt. Wright was a member, will officiate in the services next Sunday. A chaplain and Honor Guard of 8th Naval District, New Orleans will take part.

## Annual Electric Co-Op Meeting Set For April 27

An announcement was made this week by Mrs. Nancy Mueckel home service advisor, that the Annual meeting of Light-house Electric Cooperative will be held Saturday, April 27.

The all-day meeting will take place at the Baptist Encampment grounds near Floydada. The program will feature home talent. The Letton Catering Service of Fort Worth will serve the noon meal. Other information on the elaborate plans will appear next week.

Belva Lockwood was the only woman ever to run for president.

Surviving are his parents, formerly of Clarendon, now residing in Memphis where Mr. Wright is Chief of Police, two sisters, Frances and Priscilla, one brother, Perry, all of the home.

Born in Clarendon May 8, 1884, Lt. Wright soon would have observed his 23rd birthday. He was reared in Clarendon where he graduated from high school and Clarendon Junior College. He entered the service on March 18, 1951 voluntarily for Navy Under training.

He was sent to Pensacola, Florida and later received his wings as a Naval Aviator at Corpus Christi. After going to Honolulu he was returned to San Francisco for special training in radar.

## Mrs. J. V. Gilly Dies Thursday

Mrs. J. V. Gilly, a resident of Lockney since 1952, passed away Thursday about 2 p. m. at the Medical & Surgical Hospital here. She had been seriously ill for about two weeks and had been in poor health for some five years.

Funeral services were held at the First Baptist Church here Friday afternoon at 2:30 conducted by Rev. H. M. Reeves of Plainview and Rev. Quannah Jobe, pastor of the Lockney Assembly of God Church. A large crowd of friends and relatives were present.

Mrs. Gilly was born Mary Anna Parsons on November 19, 1885 at Pennington Gap, Virginia. She was reared in that area. In 1902 her childhood sweetheart, John Vincent Gilly came to Floyd County to buy land and in 1910 he went back to Pennington Gap. The couple were married and immediately moved to this county to make their home. They had lived in the Cedar Hill community until 1952 when they moved into Lockney to live.

Mrs. Gilly was a member of the Lockney Assembly of God Church and had been a Christian for many years. Survivors include her husband, three sons, Herbert Clifford, Emory Eugene Corpus Christi and Carl Lee Gilly, both of Cedar Hill; two daughters, Mrs. Claude Hammit of near Lockney and Mrs. Willie Fran-

ces Hammit of DeLeon, Texas; two brothers, E. E. Parsons of Pennington Gap, Virginia, and P. M. Parsons of Middleborough, Ky.; five sisters, Mrs. Verna Hobbs, Hampton, Va., Miss Lizzie Parsons and Mrs. Cora Stewart, both of Pennington Gap, Mrs. E. E. O'Boar, Chattanooga, Tenn.; and Mrs. Carl Hutton, Waterloo, Iowa; 12 grandchildren and 6 great grandchildren.

Interment was in Floydada Cemetery. Carter Funeral Home of Lockney was in charge of arrangements.

The adoption of bright colors for more and more one-time drab items in the home has reached gas room heaters, too. Extra color choices have been added to many of the new lines, making it possible to fit direct heating equipment into the most fashionable room decor.

**Sesame Grows Up To \$120.00 Per Acre**

Sesame has won clear title as the No. 2 money-maker for the irrigation farmers of the High Plains. The new crop's position became clear with the announcement by the Texas Sesame Seed Growers that the 1956 crop of 3,300,000 pounds had been sold for \$341,880.00.

For many High Plains farmers this meant gross returns from Sesame of more than \$120.00 per acre — second only to cotton.

Robert L. Parker, executive vice president of Texas Sesame Seed Growers, production and marketing organization made up of farmers with headquarters in Paris, Texas, gave this report: "Irrigated yields per acre were the best ever recorded. The average net price on the High Plains of \$10.34 per hundred to the grower is a record high. Most all of the Sesame produced was graded and sold as No. 1 quality seed."

The \$10.34 price compared with \$10.04 per hundred for the 1955 High Plains crop and \$9.60 for the 1954 crop.

Farmers on the High Plains made the highest yields and profits on Sesame, Parker reported, but the 5-year-old crop continued to make gains in other sections of Texas, New Mexico, Oklahoma, Louisiana and Arkansas.

"It has been demonstrated clearly that there is a fine opportunity for this crop in the future," Parker said. "U. S. Sesame seed production in 1956 was only about one-tenth of the total domestic market requirement, and we could have sold eight to 10 million pounds at the same good price had U. S. grown seed been available. The market will be just as big in 1957, and if we don't produce sufficient tonnage, buyers will return to foreign sources for Sesame seed."

The farmers of the High Plains achieved their record-breaking yields by following a simple formula developed jointly with Texas Sesame Seed Growers: (1) Good farming practices, (2) Thick stand, (3) High Fertility level in soil, and (4) Plenty of irrigation water.

Parker said that for the first time since domestic Sesame production began five years ago irrigation farmers actually produced the yields which have always been expected.

Clayton W. Sanders of Parmer County, averaged 1,250 pounds of good seed per acre, a gross return of \$129.25 per acre, and a net profit of \$96.00 per acre after deducting total production and harvesting costs of \$33.25. Bill Wilson of Hale County, grew 1,180 pounds per acre, grossed \$122.00, had costs of \$29.65 and netted \$92.35. Weldon Bailey of Lynn County, averaged 1,200 pounds, grossed \$124.08, had costs of \$29.80 and a per acre net profit of \$94.28. These successes were duplicated many times over through the High Plains country.

"Sesame now has proved itself as a money-maker for the good farmer," Parker said. "The big problems of growing and harvesting and marketing have been removed and costs have been reduced. Most of the pioneering work is over, and an increasing number of farmers now are finding a place for Sesame in their cropping picture."

### Windbreak Trees Offered Farmers

College Station. — West Texas landowners can get assistance in planting windbreak trees through the Conservation Reserve portion of the Texas Soil Bank Act, according to Don Young, head, Forest Management Department of the Texas Forest Service. The deadline for entering contracts for the Conservation Reserve in 1957 is April 15.

"Acreage removed from production of soil bank base crops can be planted to windbreak trees and landowners can receive \$8 to \$13 per acre in annual rental payments for the 10 year length of contract," Young said. In addition, the federal government will pay up to 80 per cent of the cost of

purchasing and planting the trees.

"In the West Texas region, such tree species as Austrian pine, Chinese elm, honey locust, and red cedar, to name a few, may be planted," Young stated.

Conservation Reserve specifications call for a minimum of three rows of trees planted 6 to 12 feet apart with the rows between 8 to 25 feet apart.

"Windbreak species will be available for the planting season commencing in December, 1957, through the Texas Forest Service," Young added.

West Texas landowners interested in establishing farmstead or field windbreaks through the Soil Bank Program are urged to contact the A. S. C. committee in the county in which their lands are located.

### Lockney Women At WSCS Meeting

Abilene. — Lockney Methodists were represented at the Sixteenth Annual Northwest Texas Methodist Conference Woman's Society of Christian Service meeting held in St. Paul Methodist Church here Wednesday, March 20, through Friday, March 22. Theme for the meeting was "Teach Us To Build."

Featured speakers were: Mrs. Frank G. Brooks of New York City, former president of the Woman's Division of Christian Service, The Methodist Church, and Nina Stallings of Atlanta, Ga., former missionary to China and the Philippines.

Attending from Lockney were Mrs. Paul Cooper, Mrs. W. L. Thomas, Mrs. H. B. Cogglin, Mrs. Bobby McCormick.

### Ford Has Self-Regulating Clock

That pesky little regulating screw sticking out of your automobile clock is a thing of the past on 1957 Ford cars, says "Rusty" Baccus, local Ford dealer.

Mr. Baccus says Ford has done away with the broken fingernails and fumbled thin dimes used to turn the regulating screw to speed up or slow down the clock. The regulating screw isn't even in the faces of the electric clocks being installed in new Fords this year.

Instead, designers have made the new Ford clocks self-regulating. When the clock's hands are moved to the right time, a newly developed set of tiny special gears adjusts the tension of the hairspring deep inside the clock. After you have helped the clock catch up by two or three settings of the hands, the clock automatically has been regulated to keep perfect time.

Ford's new clock eliminates one of the old causes of car clock failures. In the old-style clock owners unknowingly could twist the regulating screw too much, accidentally breaking the tiny gears.

### LETTERS TO THE EDITOR

Dear Editor:

I see where the Texas legislature has passed a law which makes it illegal for a criminal or an ex-convict to carry a pistol.

Which seems like a pretty high-handed procedure, taking away their means of livelihood from hundreds of small business men by depriving them of the tools of their craft.

But of course this law is a move toward equal rights for everybody, on account of it was already against the law for a non-criminal to carry a gun.

### April 15th Last Day For Inspection

Austin. — Only two-thirds of the total number of vehicle owners in Texas have received their 1957 vehicle inspection stickers, Col. Homer Garrison, Jr., director of the Texas Department of Public Safety said today. He warned against the last minute rush at inspection stations at the close of the inspection period April 15.

"Of the more than four million vehicle owners in Texas only about 2,500,000 have had their cars, trucks and other vehicles inspected, leaving more than 1,000,000 to act within the remaining three weeks."

The state police director reminded motorists of the impending deadline with a note of concern. He suggested that automobile owners visit a nearby inspection station now before inspection lines become long and they suffer an undue loss of time and effort.

In commenting generally on the inspection program Col. Garrison said the correction of mechanical defects in vehicles operated upon our state highways plays a substantial part in preventing traffic accidents.

TO: ALL LOCAL UNION LEADERS  
UAW-CIO LOCAL UNIONS OF TEXAS

Dear Sir and Brother:

We appreciate, very much indeed, the hard work by all who devoted their abilities and tireless efforts in the recent campaign to elect the Democratic candidates for office in Texas.

The defeat of Judge Ralph Yarbrough, Leslie Bankler and James Mahon is of great disappointment, but we have no time to patience with those who deduce from it that the Democratic Party principals are in any danger of extinction. On the contrary, an organization of energetic, experienced people, hastily thrown together, was able to successfully campaign for the right man on the side of the Democratic candidate. You must realize that this was done against a powerful organization which has been working for years to perfect its machinery to reach the public, and that this machine was used to arouse bigotry and racism by the dissemination of scurrilous and unprovable slanders.

We are convinced that had we kept our Political Action Committee active and working between elections, the vote cast would have been overwhelmingly in our favor. We must, therefore, prepare ourselves to be able to present our candidate and the issues to each and every voter next time. We want to enlist your aid in this undertaking in order to keep our freedom and the principles of Democracy alive. Please get in personal touch with each and every leader in your local union and in your community.

We hope you will write us your frank views regarding the campaign, the issues and the building of a better organization.

Sincerely and fraternally,

By Mrs. Murray Julian

The week end of March 23 will be long remembered here as the time of the big blizzard in the Panhandle, and although on the fringe of the worst of the storm, whirling snow and howling winds kept up through Saturday afternoon, and into Sunday night, with no let up in the winds, even after the snow had abated. Everyone here kept close to their homes and cared for their livestock, but otherwise waited the storm out. Monday morning there was little left of our snow, and a few drifts remaining melted away during the day.

Bonnie Upton came home Friday afternoon from WTSC at Canyon to spend the week end with her folks, Mr. and Mrs. Raymond Upton and due to the blizzard in Canyon didn't go back to school until Tuesday, because roads in that area were blocked going in and out of the city.

There were no church services Sunday morning or night, and as our community had about three fourths inch of rain Wednesday not many were able to be out for prayer meeting. A gentle drizzle began falling about 7 o'clock that morning, and several nice showers fell during the day.

Mr. and Mrs. B. D. Doosey of Lubbock spent Friday night here with Mr. and Mrs. John Key West. They had brought Mrs. West home from Lubbock after she had spent the day at the hospital with John L. West.

Mr. and Mrs. Frank McClure spent Wednesday with their daughter, Mr. and Mrs. Don McClure and girls in Crosbyton.

Mr. and Mrs. Shelby Calahan and baby son spent Wednesday with Mr. and Mrs. Sylvan Kiniburgh. Thursday Mrs. Kiniburgh went to the Calahan home to spend the day in sewing.

John Key West spent most of the weekend in Lubbock with his father, John L. West. He has been in the hospital since Thursday of last week. John Key came home Monday and reports his father is some better.

Mr. and Mrs. Murray Julian and Mr. and Mrs. Roy Bledsoe and Bill were among those who spent last Thursday in Lubbock. The Bledsoes also attended the automobile show at the coliseum.

Mr. and Mrs. Grigsby Milton and girls went to Amarillo Saturday to see his mother, Mrs. Milton and Linnie. His sister, Lillian, from Alabama is now in Amarillo with the folks, and will stay with them while Mrs. Milton is ill.

Kendis Julian went to Lubbock with about 29 members of the Floydada Whirlwind Band Saturday to hear the United States Navy Band and attend the Automobile Show at the coliseum. Band members were guests of the Band Boosters Club.

Wayne Adams celebrated his 15th birthday Saturday in the home of his parents and brothers. Due to the stormy night, many were unable to attend, but the boys enjoyed games and refreshments, and spent the night in the Adams home. Guests were Price Pritchett and Frank Jones.

Dear Editor:  
I see where the records show that church attendance dropped four per cent last year from the year before and the preachers are worried about this.

Same as anybody else worries when his business starts to falling off.

But my tolerant neighbor Jr.

says this is not because more people are getting smart-alecky and feel like snubbing God. It's because the Sunday papers are bigger. By the time a man can wade through one of them and find out what happened to Buzz Sawyer and the Dodgers, it is too late for church.

Dear Editor:  
I notice there is a large amount of talk about Federal Aid, which differs from religion in that everybody is in favor of it for himself and against it for everybody else.

Both my 8:30 and my 9:30 morning coffee conferees have been studying the matter of Federal Aid and have come to a unanimous conclusion, to wit:

Us taxpayers have about reached the point where we would like to see the Federal government quit wanting to raise the ante all the time and start trying to get along on the aid we are giving it now.

J. H. Green Jr., Red Cross disaster worker from Paris, Tex., inspects the home of R. P. Boyd near Prestonburg, Ky. The home was one of more than 15,000 destroyed or damaged in floods which ravaged Eastern Kentucky, Virginia and West Virginia last January, where Green was assigned to help provide Red Cross assistance to the flood victims. Flood waters of the Leticia Fork of the Big Sandy washed the ground from under the foundations of the Boyd house and destroyed its contents. The Red Cross will rebuild the house and provide household furnishings. As always this assistance is provided as a free gift of the American people, to help the family recover from disaster-stricken areas.

**EASY-CLEANING FEATURES ACCLAIMED**

If you can save two minutes of cleanup time after every meal, you gain more than 36 hours a year — just about a full week's employment at most places outside the home. Housewives may not have done the arithmetic, but they've shown they favor easy-clearing features in the new built-in ranges.

**CUPPER PANS DULL?**

Copper cleaners can't do it! Our work well on brass surfaces. That's why a copper pan — stainless steel with copper base — must be rubbed and polished with our water bath cleaner and just applying a "topper" cleaning product to remove, polish the copper base.

**HEAT FROM BELOW**

Both tubs chilly? Provision for warming the tub from underneath can be one of the many comfort contributions of heating system modernization. It's not difficult, either, because the tub, solid as it may seem, really is a hollow shell.

# Consider...

After the bleakness of winter comes Spring. Fulfilling a promise of long ago, the seasons follow one another in divinely planned succession.

All around us we see evidence that evil prevails throughout the world, but the Church gives positive assurance that God is ever present. As Spring brings new life to nature so God, through the Church, brings more abundant life to human beings.

Consider the daffodil—its freshness and beauty speak of hope. Consider the Church—its steadfast faith reaches out to undergird and strengthen mankind. God creates daffodils without our help, but intelligent cultivation makes them even more beautiful. Likewise, He depends on us to work in His Church, helping to spread its influence, to broadcast its message, to make a better world.

Let us accept this tremendous challenge and become a part of God's Church today.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible, daily.

## Al Smith Found Dead Thursday

Al Smith, a retired farmer, was found dead at his home in east Lockney last Thursday afternoon. He had eaten the noon meal at the home of his daughter, Mrs. A. C. Gallaway, and she took him to his home about 2 p. m. He had apparently laid down to take a nap and passed away in his sleep. Mrs. Gallaway and her children found him about 4:30 p. m. when they went by his house to see if he wanted to go to Floydada with them. The attending physician said that he had been dead between two and three hours.

Funeral services were held at the First Baptist Church here Saturday afternoon at 2:30 o'clock. Rev. R. E. Wiley, the pastor, conducted the services. Burial was in the Floydada cemetery beside the grave of his wife who passed away in 1938.

Mr. Smith was born November 17, 1879 in Georgia. He was reared there but came to Texas as a young man and was married to Miss Clara Van Bevers at Blue Ridge, Texas in the year 1900. The couple moved to Floyd County in 1907, settling in the Pleasant Valley community, south of Lockney, where he farmed for a number of years.

Mr. Smith joined a Baptist Church when he was nine years of age.

Survivors include two sons, Joe and Woodrow of Amarillo; three daughters, Mrs. Gallaway of Lockney, Mrs. Elmer Swaffar of Floydada and Mrs. Arthur Folsom of Amarillo; four sisters, Mrs. Francis Carthel of Lockney, Mrs. Nora Morris of

Hanna, Okla., Mrs. Flora Pennington of Bard, N. M., and Mrs. Zora Payne of Floydada. Also surviving are 21 grandchildren and two great-grandchildren. Another son, Charlie, was killed only recently in a tractor accident north of Lockney.

Pallbearers were Weldon Dodson, Vernon Pylant, Conrad Henderson, Johnnie Race, Harold Callaway and John Belt. Carter Funeral Home of Lockney was in charge of arrangements.

### U. S. Senator—

(Continued from page 1) ge, Chester Carthel, judge; Mrs. Austin Meriwether, Mrs. Marvin Cox, Jack Dollar, clerks.

Sterley, club house; Bert Bobbitt, presiding judge; Robert Lee Smith, Judge; Horton Howell, clerk.

### T. Z. Reed, Mayor—

(Continued from page 1) Rowell, Reed Lawson and Billy Jack Lawson, and five great-grandchildren.

Active pallbearers will be Oliver Savage, G. C. Applewhite, Hubert Prizzell, James Bobbitt, A. O. Foster and Herman King. Honorary pallbearers will be Leslie Floyd, Dr. J. M. Floyd, J. D. Huggins and Carl McAdams.

### JUST WASH, RINSE AND DRIP DRY

Men's sports shirts knit of orlon or part orlon are comfortable, easy to wash, and retain their shape without blocking. Hand washing is preferable, using warm soap or detergent suds and rinses. Drape each shirt over a non-rusting hanger and allow to drip-dry. The method is so simple, any man can be his own "wash lady."

JERRY COOPER, center, is shown with the cup he was awarded as Lockney's outstanding citizen at the annual membership banquet of the Lockney Chamber of Commerce last Thursday night. At the left is Delbert Downing of Midland, speaker at the banquet, and at the right is Claud Holley, president of the Chamber of Commerce.

## COOPER NAMED OUTSTANDING CITIZEN AT C-C BANQUET

Jerry Paul Cooper, a young farmer, was named the outstanding citizen of this community for 1956 at the annual Lockney Chamber of Commerce banquet last Thursday evening. The affair was held in the High School Cafeteria.

Some 200 local people and visitors filled the cafeteria to capacity and enjoyed the fast-moving program. Barry Barker was master of ceremonies and Delbert Downing, manager of the Midland Chamber of Commerce, entertained the crowd with a humorous yet serious speech.

Cooper is the son of Mr. and Mrs. Paul Cooper and is a native of this community. He has served as Boy Scout Master here for several years, is active in the Methodist Church, is secretary of the Lockney Rotary Club, and has been active in a number of other community projects. In addition he and his father have led in diversified farming operations in the community. He is a graduate of Lockney High School and Texas Technological College. The award was presented by Marvin Cox, a retiring director.

Invocation was given by Rev. H. B. Coggin and the welcome and recognition of guests was by Bob Miller, a retiring member of the board of directors.

The famed "Borestone Four-some" quartet, composed of J. D. Capeland, Cleatis Jeffcoat, J. B. Seale and A. P. Barker Sr., entertained the group with a number of songs. Dressed in western regalia, the group started with "Home on the Range," came back later with "Tumbling Tumble Weed," and ended their performance with "Cool, Clear Water."

President Claud Holley introduced the officers of the organization as well as the retiring directors. MC Barry Barker presented the speaker of the evening, Mr. Downing, who began his speech in a humorous vein, telling of some of his trips around the country with "Mamma," of the situations they found themselves in and then turned serious to urge people of the community to appreciate their community, to use its business houses and in turn

Exploration and Research to industrial possibilities.

Sponsored kiddie Christmas program.

In addition to President Holley, officers of the Chamber are R. L. Knox Jr., vice-president; Edgar R. Bays, secretary-treasurer; Dick Whiteley, manager; Directors include Claude Brown, Fred Byrd, Rex Johnson, Leon Wofford, Kelton Shaw, Jerry Cooper, Charles Baxter, Dr. Harold Loden, Oscar Golden, Lester Carter, Dr. B. A. Simmons, R. C. Mitchell. Retiring directors were Bob Miller, Marvin Cox, R. H. Ford, Lowell Billney and Barry Barker.

Decorations in the banquet hall denoting the theme of Spring, were in pastel shades of pink, green and yellow. Centering the head table was an arrangement of yellow mums and jonquils accented with a pastel green bow. A sunburst effect of pastel colored streamers brightened the room walls. Yellow jonquils were placed along the center of the other tables. Place favors were small boules of cotton attached to a

shipping tag.

The dinner was prepared by Mrs. Olive Myers and her staff at the high school cafeteria and served by Homemaking Girls of Lockney High School.

Out of town guests attending the affair included Mr. and Mrs. J. C. Oakley, Plainview; Joe McLaughlin, Avalanche Journal reporter, Lubbock; Mr. and Mrs. Dave Tipple, Santa Fe; Lubbock; Mr. and Mrs. O. M. Watson Jr., Floydada Chamber of Commerce, Floydada; Mayor M. B.
