SW Bell To Ask For Local Rate Increase

Members of the Lockney City Council were notified this week by Manager J. C. Oakley that the Southwestern Bell Telephone Company would ask the Council at their next regular meeting for permission to increase their local telephone rates. The company will ask for an increase of \$2.00 per month on business telephones, an increase of 85 cents per month on one-party residence phones and 25 cents per month on two-party residence phones. The present rate on business phones is \$8.00 per month and the company is asking for \$10.00. On semi-public phones the request is for an increase of one cent per day, from 21 to 22 cents.

The present rate on one-party residence phones is \$4.75 and the company seeks a rate of \$5.60. On two-party lines the present rate is \$4.00 and the company asks for \$4.25.

It is presumed that rural phone rates will be raised at the same time as local rates should the Council allow the rates to be raised. Although the local Council has no authority over rural rates they are usually raised at the same time.

On rural phones the company suggests an increase from \$6.00 to \$6.50 for rural business phones, but does not suggest any increase in rates of rural residence phones which now is \$3.75 per month. However the rates quoted are for telephones within five miles of Lockney. For each additional three miles or fraction thereof the rates increase 25 cents.

The summary of operating costs prepared by the company show the fair value of their property here to be \$370,000. Their 1956 statement of operation show a net income of \$1,029. Their proposed increases would raise an additional \$5,546, which, after taxes would leave a net increase of \$2,553 giving the company a total net income of \$3,582. As usual, however, the operating revenue as reported by the company does not include any revenues from long distance calls.

Fire Dept. Wins Over S. Plains

Fire Department, behind the sturdy pitching of Donald Farish, handed league - leading South Plains their first defeat of the season, 6-2, in the first game Tuesday night. Johnny Wilson hurled for South Plains. The win moved Fire Department into second place behind South Plains. Hammond & Co. and Providence are tied for third position.

In the second game Tuesday night Hammond & Co. knocked off Floydada 7-4. Joe E. Davis was the winning hurler and Duane Stephens and Bill Bishop were the losers.

Monday night Providence routed Lockney Beacon 9-3 behind the pitching of Lee Richards. Gerald Garvin suffered the loss.

Providence edged Floydada 3-1 in the first game Friday night. Robert Matthews, Providence, and Stephens, Floydada, were the pitchers.

In Friday night's second contest Hammond & Co. gave South Plains a scare before being edged 6-4. Johnny Wilson and Joe E. Davis pitched in the game which was close all the way.

Thursday night Lockney Beacon forfeited to Fire Department.

Schedule for this week:

Thursday - Hammond & Co. vs. Lockney Beacon.

Friday - Floydada vs. South Plains; Fire Department vs. Providence.

Monday - Lockney Beacon vs. Floydada.

Tuesday - Providence vs. South Plains; Hammond & Co. vs. Fire Department.

DR. HEWITT HOME

Dr. A. E. Hewitt returned home Tuesday to be doing fine and is reported to be doing fine. He has been in the Plainview Hospital and Clinic for the past month, undergoing surgery there June 18.

Lowell Bilbrey Is Hired As City Officer

Lowell Bilbrey was employed as a City Officer by the Council in a special meeting Monday morning of this week. He will assist Officer Alton May, one working at night and the other during the day.

The City has been employing only one officer since early this year but the coming of labor to this area has necessitated the addition of another officer, Mayor J. E. Cox said.

Bilbrey has been helping with local police work and has worked for the City previously on a part-time basis.

Queen Contest Committee Is Named By F. B.

A committee to make arrangements for the annual Farm Bureau Queen Contest was named recently by directors of that organization. The committee is composed of Mrs. Ewald Quebe, chairman; Mrs. Bill McNeill, Mrs. David Battey, Jr., Mrs. R. G. Dunlap, Mrs. J. D. Webb, Mrs. Murray Julian.

The date of the county contest is tentatively set for August 15, according to information from the Farm Bureau office. The district contest is usually held about September 1st and the state contest later in the fall.

Eligible to enter the contest are young women 16 through 21 years of age, unmarried and a sister or daughter of a Farm Bureau member. Relatives of county officials or Farm Bureau are not eligible to enter.

Local Teachers Attending Tech

Two local teachers are among the 453 teachers and school administrators enrolled in Texas Tech for the first term of the summer session. The Registrar's Office reports. They are Mrs. J. D. Copeland and Mrs. Raymond Watson, both primary grade teachers in the Lockney Public School system. Also attending are Mr. and Mrs. Wendell Edward Huddleston, both employees of the Andrews School System. She is the former Frances Dee Copeland.

States represented besides Texas are New Mexico with 10 students, Arizona with two and Colorado, Oregon and Washington, each with one.

There are 113 Texas communities represented in the analysis. They range in size from Boys Ranch to Houston. The statewide nature of the representation is indicated by such places as Brownsville, Palestine and Corpus Christi which are listed along with West and Central Texas locations.

N. T. A. Byars, Grandson Of Famed Texan, Is Buried Here Monday

Noah Turner Arthur Byars, 86 years of age and a descendant of Rev. Noah T. Byars of Texas history fame, passed away in his hotel at Dublin early Saturday evening. Mr. Byars body was found about 1 a. m. Sunday morning and he had been dead several hours. A heart at the time was presumed to be the cause of death.

Funeral services were held at the First Baptist Church in Lockney Monday afternoon at 4 o'clock conducted by Rev. W. Broadhurst, both of Lockney. Interment was in the Lockney cemetery with Carter Lockney Home in charge of arrangements.

Mr. Byars and his family were residents of this community for a good many years but he sold his farm south of Lockney about 1950 and moved to Dublin. Later Mr. and Mrs. Byars moved back to Floydada, and then to Desdemonia which and their present home. Mrs. Byars had been in a convalescent home in Dublin for several months and Mr. Byars had been living in a hotel there to be near his wife. She was unable to attend the services here.

Mr. Byars was born May 13, 1871 in Navarro County, Texas, the son of Mr. and Mrs. A. J. Byars. He was the grandson of Rev. Noah T. Byars, one of the pioneer Baptist preachers of Texas. Rev. Byars organized

County Agent Resigns, New Agent Named

W. G. (Bill) Rodgers has submitted his resignation as county agricultural agent in Floyd County and his successor has been chosen. The new agent will be J. C. Lewis, who has been assistant county agent in Lubbock County for the past four years.

Rodgers submitted his resignation to the Court last Friday. He has accepted a similar position in Swisher County and will move to Tulsa as soon as the arrangements are completed. The change involves several county agents and assistants in West Texas and is expected to be completed before August 15.

Rodgers has been county agent in Floyd County for the past four years. He has made a good record here and done an outstanding job. He came here from Lamb County where he served as assistant county agent.

Mr. Lewis is in the Army Reserve and at present is taking two weeks of training at Fort Bliss, near El Paso. He will arrange to move to this county as soon as his training period is over. He and his wife have one small child.

The agreement to employ Lewis came in a meeting of the Commissioners Court and District Extension Agent N. B. Jones of Lubbock Wednesday morning.

The change will not affect Assistant County Agent Lynn Pittard, members of the Court said. Mr. Pittard could not be considered for the position as county agent in this county because of a rule in the extension service that an assistant county agent cannot be promoted to county agent in the county in which he is presently employed.

Nelda Jean Auld At Home Now

Mrs. Nelda Jean Auld, who has been in an Amarillo hospital for treatment of injuries received in an auto wreck several weeks ago, returned to the home of her parents here Sunday afternoon. She is doing fine, members of the family said, and is able to walk some with aid.

Cotton Blooming On Mosley Farm

Pete Mosley said Wednesday that he had quite a few cotton blooms in his field. "This isn't early for a normal year, but I thought maybe it would be news for this year," Pete said. Some of his cotton, planted between the rains in May, now stands about 12 inches high and is looking good, he said. He lives seven miles north of Lockney.

Red Sox And Braves Tie For First Place

The Red Sox moved into a first place tie with the Braves in Lockney Pony League as the Red Sox beat the league leaders 6-4 Saturday night. Dan Smith, Red Sox, and Irvie, Braves, pitched. The Red Sox picked up one run in the first inning and led by a narrow margin all the game.

Thursday night the Cubs remained in third place by beating the Tigers 8-2. James Davis was the winning pitcher and Derrel Kent was the loser.

Monday the Red Sox walloped the Cubs 13-3 as the Red Sox picked up eight runs in the second inning. Keith Carthel went all the way for the winners and Dickie Fulfer pitched for the Cubs.

Schedule for this week:

Thursday - Braves vs. Tigers.

Saturday - Cubs vs. Braves.

Monday - Red Sox vs. Tigers.

Standings:

Team	W	L	Pct.
Red Sox	5	1	.834
Braves	5	1	.834

Keeter Adds Line Of Groceries

Joe Keeter had added a line of groceries to his market on the Lone Star highway, two blocks north of the intersection in east Lockney, and now is operating a grocery and meat market. He has operated the market for several years.

Recently he added to his building, provided more room and has redecorated the entire building.

Walter Chaney is in charge of the meat market. The piece of business will known as Keeter's Grocery & Market. Elsewhere in this issue of The Beacon the store is advertising special prices for the week end.

Mr. and Mrs. J. B. McAda of Farmington, N. M., are here visiting their daughter, Mrs. Joe Parrish and Mr. Parrish.

C-C Officials At Lubbock Meeting

Chamber of Commerce President Claud Holley and Manager Dick Whiteley attended a West Texas Chamber of Commerce directors meeting at Lubbock Tuesday morning. Mr. Holley also served on a committee to nominate the vice-president of the West Texas Chamber of Commerce from District 2 for the coming year.

Onion Harvest Slow, Price Is Down To \$1.25

Due chiefly to the low price, the onion harvest was moving very slowly here this week. Both local packing sheds were handling only a few onions, leaving the crop in the field as long as possible hoping for a better price.

Going price here Wednesday ranged from \$1.25 to \$1.40 per 50 pound sack and the demand was light at that. Demand on white onions is especially weak, local shed operators said.

A considerable quantity of onions have been stored in the fair building in east Lockney but some of these were loaded out Tuesday night.

Cucumbers Move

The cucumber crop started moving here Wednesday with a crop on the Elmer Thornton place coming to the grader set up at the Hi Plains gin plant here. The cucumbers are being sold to Craddock Food Company of Garland under contract. Contract prices are \$7.00 per cwt. for No. 1s, \$3.00 for No. 2s, \$1.75 for No. 3, and 50 cents for No. 4. The company has around 175 acres under contract in the Lockney area.

Some 400 to 500 acres of cantaloupes are up and looking good. M. W. Wiley of Wiley & Duncan reports. In addition Trautman Bros. have 300 acres of cantaloupes growing on their lease north of town.

Lettuce planting will start next week in this vicinity and some 400 to 600 acres may be planted, vegetable men say.

Marr Changes Routes, Nigh Gets Route 1

Thomas Marr is now carrying Rural Route 2 out of Lockney and Arthur Nigh, until recently a post office clerk, is carrying Route 1. Marr's former route, both received permanent appointments to the respective routes early this month and took up their new duties last Saturday, July 13.

Marr succeeds D. D. Langford as carrier on Route 2. Langford retired some two months ago and the route has been carried in recent weeks by Douglas Meriwether, a substitute in the local office. Marr has been carrying Route 1 for several years but asked for a transfer to Route 2 because it is a longer route and therefore pays more salary.

Nigh has been a clerk in the local office since World War II. Both he and Marr are veterans of World War II.

Nigh's appointment as carrier leaves a vacancy in the local office for a full time clerk. An examination has been called by Civil Service for substitute clerk and it is presumed that the appointment of a full time clerk will be made after that examination has been held and grades determined. The office has two substitute clerks now, Meriwether and Donald Reece.

Lockney Boys Visit Washington

Washington, D. C. July 12. - Two boys from Lockney, Jim A. Whitfill and Rosalie Sanchez, were among 280 South Plains Boy Scouts who toured Washington last week before the opening of the National Boy Scout Jamboree in Valley Forge, Pa.

The boys, who are traveling aboard seven special buses, visited the Capitol, where they saw the House of Representatives in session and visited with Texas Senators Lyndon Johnson and Ralph Yarborough and Congressman George Mahon of the 19th District.

After a box luncheon on the Capitol grounds the boys made a short tour of the city, the highlight of which was a stop at Arlington National Cemetery to watch the changing of the guard at the Tomb of the Unknown Soldier.

Approximately 50,000 Boy Scouts from across the nation are attending the Jamboree, thousands of them visiting Washington en route.

DR. SIMMONS IMPROVING

Dr. B. A. Simmons remains in Methodist Hospital, Lubbock. It is not known when he will be able to return home but he is reported to be rapidly improving. He became suddenly ill Tuesday of last week and underwent surgery in Lubbock the same day.

County Will Vote On Proposed Weed Control District Saturday

County Offers To Pay For Rural Fire Fighting

Commissioner Hugh Counts said this week that the Commissioners Court had offered the City Councils of Lockney and Floydada payment of \$50 per month for services of the Fire Departments in fighting rural fires in the county. Recently the two Councils had asked the Court for \$100 per hour for fighting rural fires and also asked the Court to assume liability on firemen in the performance of their duties.

Mayor J. E. Cox said Wednesday that the Lockney Council had not yet officially discussed the county's offer but that they had been considering it.

"It's not the money we're after," Mayor J. E. Cox said. "We want the county to enter into a contract so that the individual members of the Council will not be personally liable for injury to firemen in the act of fighting rural fires as appears to be the case now."

Only last week the City Council instructed local firemen not to answer calls for help on rural fires since the City's liability insurance does not cover them on such calls and recent court rulings have held that members of the city council are personally responsible in such cases.

As explained in a recent article in The Beacon written by Chester Carthel, former president of the county Farm Bureau, a vote favoring the district would authorize the selection of a board of five directors, all land owners within the district. The directors will be authorized to determine which noxious weeds will be subject to control, to determine the methods of control, to prescribe the specific area within the district where control measures are to be carried out, to set the period which the measures will be undertaken, and to take other steps which will make the move effective.

The Commissioners Court will be required to comply with control measures along the road right-of-way as well as land owners.

The directors may levy a tax not to exceed three cents per acre for the purpose of paying the expenses of the district.

Copies of the entire law are on file at the Farm Bureau office in Floydada and those interested are invited to go by and study the law.

4-H Members To Attend District Camp At Lubbock

Six 4-H Club members from Floyd County will be among the large group attending the annual District 2 4-H Club Camp to be held on the fair grounds at Lubbock this week. Attending from this county will be Warren Mitchell of Pleasant Valley community, Billy Don Colston of Dougherty and Jerry Powell of Floydada; Donita Milton and Sue Wilson of South Plains and Sally Parks of Floydada.

The group will be accompanied by County Agent Bill Rodgers, Assistant County Agent Lynn Pittard and one woman adult sponsor, Mrs. Henry Bollman of Lockney.

The camp began Wednesday and will continue through Friday. Special studies of electricity and electrical equipment will be presented during the camp by Southwestern Public Service Company representatives.

Roy Reed Draws Shetland Pony

Roy Reed of Lockney was the lucky winner of the Shetland pony, saddle and bridle, given away last Saturday evening by the Lockney Volunteer Fire Department at the Seale Drive-In Theatre.

The Fire Department members sold more than 600 tickets on the pony, the campaign starting back in June.

Members of the Fire Department asked The Beacon to express their thanks to those who donated to the campaign.

The rich and the poor meet together: the Lord is the Maker of them all. — Proverbs 22:2

THE BUSINESS of growing vegetables in the Lockney area is a coming thing. More and more farmers are becoming interested in vegetables and are engaging in the production of same. Of course, as with any other growing thing, there must come ups and downs, good times and bad, but in the long run the people who have been in the vegetable growing business for years tell us that it is a very profitable thing. The onion price this year is an example of the variability of the business. Six weeks ago the market price on onions was at a peak. Today it is very low simply because two or three sections of the country are harvesting big crops of onions. Possible within two months it will be up again. This brings to mind the need of some type of cold storage or other storage here so that growers can keep vegetables off the market when the price is down. It will take some growing, some plan-

TRANQUILIZERS KILL ANXIETIES THAT HELP US

Many people in the United States have resorted to tranquilizer drugs to get relief from anxiety and tension. It has been estimated that nearly a third of all prescriptions now contain some tranquilizing agent. The estimate constitutes a sorry indictment of either our way of life, or many of our people. Is the pace of business and home life so severe that tranquilizers must be gobbled up like vitamin pills, or have many people weakened to the point where they are unwilling to experience any of the anxieties which man has known since the beginning of human existence?

Dr. Robert H. Felix, director of the national Institute of Mental Health, has been studying the effects of the tranquilizers since they first came into widespread use. He says there is no reason for tranquilizers to be taken by persons who are not mentally ill. Dr. Felix contends that by doing this the doctors are defeating the mechanism that nature has provided for the normal person to meet periods when they have to put out a little extra. The happy pills slow down mental and physical performance.

In a well person, the doctor has found, tranquilizers disorganize him, while in the schizophrenically ill person, organizes him better. It would seem from the doctor's remarks that the liberal use of the tranquilizers by doctors and patients should be curtailed. — Lamb County Leader.

TO DICTATORSHIP
Up in Washington Republic

can and Southern Democratic Senators are squaring off for the biggest battle since the turn of the century. Unless Ike and the Republican leaders agree to compromise more bitterly will be stirred up in the next two months than has existed since soon after the close of the Civil War. You'll likely hear a bunch of rebel yells from the deep South arguing another war on "them damnyankees". The north should realize by now that the deep South is not ready to accept integration, laws or no laws. To attempt to force them to do so by passing more laws will be like trying to put out a fire by pouring gasoline on it. And to take away the right of trial by jury to insure northern justice for the Negro would certainly signal the breakdown of our democratic form of government. It is an insufferable proposition and would be declared unconstitutional quite promptly by any supreme court we have ever had prior to the present one. It could easily lead to the thing Americans dread the most — dictatorship. Perhaps the Negroes are not being treated justly in the South. But two wrongs have never made a right, and to take away the white man's right to trial by jury would be an even greater injustice than that now inflicted on the Negro. — Hubert Curry in Crosbyton Review.

THANKS EDITOR IZZARD

for your excellent editorial Tuesday on the proposed elimination of a jury trial in civil rights. We should each read and re-read these editorials to see what we stand to lose if this new flake becomes the law. We always have those who would cut down freedom after freedom in the name of protecting the "people". Attempts have been made to investigate; stop the press from exposing political and military deals in high places; hamper the due process of law and on it goes.

Of course mistakes are made in this system but I'd rather have them as they are with the mistakes than not to have them at all. It is a great deal like the woman who believes her best laying hen because the hen is scratching up her flower garden. Everyone loses. I wonder what has produced this type thinker in our politics. Is it the result of military mind, political hide-bounds or communistic leanings. Regardless, there is more effort being put forth today to stifle our freedoms than ever before in the history of the United States. — Cecil Waggoner in Claude News.

Dear Editor:

I see where a government expert says the living standard of farmers is 15 per cent higher than it was in 1950.

This shows the high grade of expertise we get these days. He doesn't just say farmers are getting along better; he draws it down to a gnat's bristle and says they are living 15 per cent higher.

My farming neighbor says the figures are pretty accurate. In his case, he is now 50 per cent deeper in debt and is paying only 35 per cent more interest and taxes, which obviously leaves him 15 per cent for higher living.

Public Service New Plant On Production Line

Power for the growing requirements of the New Mexico and West area becomes available in July, when Southwestern Public Service Company's modern Cunningham plant goes on the line.

Southwestern Public Service's eleventh steam plant is 12 miles west of Hobbs, New Mexico and one mile north of the Hobbs-Carlsbad highway. The gleaming aluminum structure is on a 160 acre tract owned by the power company. The new plant is named for H. O. Hodson, vice president of Southwestern Public Service Co. and operating here in the state for 12 years.

The entire community rocked and grieved Monday morning when news received of the death of Handley, 36, daughter of Mrs. D. L. B. illness was diagnosed as a form of stomach cancer were visiting at the Erick, Oklahoma.

the total plant capability of Southwestern's system was only 166,000 kilowatts.

"Our last ten year's growth symbolizes the progressive thinking of our 170,000 customers in applying more electric power for use in industry, commercial establishments, and the home," the power company executive added.

Mr. Watson also added that Cunningham plant was another home grown product, for this newest plant was the second steam generating station in Southwestern Public Service's system which was designed by the company's own engineering staff. And, like the first, which was Plant X, Cunningham plant incorporates the latest features in economical power plant design and operation.

Public Service engineers cut down on the construction time by putting aluminum exterior walls instead of steel. Designers did not omit a decorative touch, for they used black ceramic coated aluminum for outside trim, parapet caps and front entrance facade.

Another construction cost cutting application was the location of the plant's 55,000 gallon water storage tank on the roof deck of the semi-outdoor boiler. This location saved most of the construction cost of a conventional hi-tank.

J. B. Matthews is plant manager at Cunningham. He was named to this position February 1, 1957 and moved here from Public Service's Moore County Plant near Dumas, Tex.

Mr. and Mrs. Angus Truett and three children of Amarillo visited with his brother, J. P. Truett and family and Mrs. M. P. Sulkeron last week.

C. L. Kay Will Become Dean Of Lubbock College

C. L. Kay, director of the Church of Christ Bible Chair at West Texas State College since 1954, has resigned his post to become Dean of Students at Lubbock Christian College according to an announcement by Dr. F. W. Mattox, President of the College.

The new Lubbock Junior College will open its doors to students in September.

During Kay's three years' administration, the Church of Christ Bible Chair has shown spectacular growth, with its enrollment increasing by 674 percent. Within a year off his arrival, a \$70,000 students center was built.

Kay began the annual fellowship program which this year brought more than 700 church leaders to the West Texas State campus. During his tenure, Church of Christ congregations throughout the state handle increased the monthly support of the chair from \$175 to \$1,000.

Read In Plainview

St. Mark's Episcopal Church in Plainview was the scene Saturday, July 6, for the wedding of Miss Adrienne Annette Carter and Gerald Raymond Bagle. She is the daughter of Mrs. J. C. Turner, 1056 Independence, Plainview, and James D. Carter, Bayt wn. His parents are Mr. and Mrs. Raymond Bagle, Plainview, and he is the grandson of Mrs. M. H. Bagle, Lockney.

Rev. Lester Jones, rector, directed the double ring service at seven o'clock.

White gladioli and blue daisies at the altar decorated the church for the occasion and musical background was provided by Polyanna Cavett, organist, and Mrs. Jimmy Kelly, soloist.

Miss Patsy Bagle, sister of the bridegroom, was maid of honor, wearing a dress of blue polished cotton, and carrying a colonial bouquet of pink flowers. Jimmy Carter, brother of the bride, was best man.

The bride was given in marriage by her stepfather. Her dress of white organdy embroidered in blue, was styled with bouffant skirt and fitted bodice with batwing neckline.

She wore a short circular veil of blue held by a blue satin headband and carried a white orchid on a white ribbon, showered with Stephanotis.

The wedding reception was held in the parish hall at the church.

Guests were present for the wedding from Lubbock, San Marcos, Lockney and other points. Attending from Lockney were Mr. and Mrs. Roy Bagle, Mrs. Bryan McCullough, Mrs. M. H. Bagle.

Following the reception the couple left for a honeymoon in New Mexico and Colorado, the bride traveling in beige silk and cotton with black accessories.

Both bride and groom are graduates of Plainview High School. He attended Abilene Christian College, West Texas State and Texas Tech. He is presently a civilian instructor for the Air Force at Gary AFB, San Marcos.

They will be at home in San Marcos after July 22.

TELEPHONE DIRECTORY

I know that each of you have received your copy of the new Lockney telephone directory by now.

You have noticed that this directory contains the address of each customer of ours. This is the first time in history that this has been shown in our directory.

I want to say thanks to your local Chamber of Commerce for the hard work they put in in getting the address of each person. Without their help it would not have been done.

The new directory has 7 white pages and 24 yellow pages, held together by a green cover.

Before you destroy your old ones, please return any item that you may have placed within the pages.

HAVE YOU DIALED A WRONG NUMBER LATELY?

If so, maybe it's because you have forgotten to dial OL4 before your number. Remember, our city is another step of expansion recently when it became necessary to change all numbers to two-letters and five numbers. This means you will have to dial two letters and five numbers instead of the four-digit numbers you have been used to. Your new telephone directory that you received last week contains all the new numbers that are served by your exchange.

Call by number. It's twice as fast.

Vows Read In Quite Ceremony Unite Local Couple

Rev. O. E. Adams, pastor, conducted wedding vows Wednesday afternoon, July 10, uniting in marriage Miss Patty Adams and Eugene Tannahill.

The single ring ceremony was read in the Sand Hill Baptist Church at 4 p. m.

Mrs. Donice Casey, sister of the bride, and matron of honor, wore a navy linen suit with white accessories. Best man was Werner Boedecker, Plainview.

The bride chose a navy linen sheath for her wedding. It featured a round neckline and cap sleeves. Her accessories were white.

Mrs. Adams wore a forest green linen dress with white accessories and Mrs. Tannahill's attire was fashioned of white embroidered cotton with white and black accessories.

Only immediate members of the family were present.

Following the ceremony the couple left for a honeymoon to Ruidoso and are now at home at 107 Beach, Hereford, where he is engaged in farming and business.

Mrs. Tannahill was a popular member of the Lockney High School 1954 graduating class. She attended Oklahoma College for Women in Chickasha and has been employed the past two years by the Pioneer Natural Gas Company here.

Mr. Tannahill graduated from Lockney High School in 1949 and served in the U. S. Army two years.

Coffee In Hammond Home Honors Mrs. D. Meriwether

A morning coffee was given in the Claud Hammond home Wednesday, July 17, honoring Mrs. Douglas Meriwether, nee Dornie Young.

Receiving the guests from 9:30 to 11 were Mrs. Hammond, the honoree, her mother, Mrs. R. E. Young and mother of the recent groom, Mrs. Raymond Meriwether; presiding at the register was Mrs. Payton Powers.

Mrs. Tom Chatham and Mrs. Wayne Greer served guests from a table laid with white net over pale blue, the front of which was centered with a large white satin bow, streamers and wedding bells. A miniature bride and groom off set the centerpiece, an arrangement of white daisies, and blue baby's breath. Guests received small sprays of blue bells of Ireland tied with blue. Silver appointments completed decorations.

Refreshments were cinnamon buns, pineapple squares, sugar-coated grapes and tea or coffee.

Hostesses included Mmes. Hammond, Marvin Gilbert, Ray Thompson, Payton Powers, E. A. Bonner, Henry Hodel, Dorsey Baker, Bernice Miller, John Belt, Bill Hodel, M. W. Wiley, Jeffie Griffith, Clyde Applewhite, Wayne Greer, Roy Thornton, George Webster, Jo Taylor, Loren Rhodes, Art Barker, Donald Reece, Jessie Cox, J. W. Mangold, Tommy Chatham and Loran Reece. Their gifts to the couple were a bedspread and an electric skillet.

Planning To Get Married?

The Beacon wants to run stories of weddings involving people of this area or even people who are well known here. We will appreciate it if the bride-elect or her mother will furnish us with details previous to the wedding if possible. We have information blanks which can be filled out quickly and easily and which give us most all the information we need for a complete wedding story. We will be glad for you to pick these up at our office. We want to run the story immediately following the wedding since any story loses its value as time passes.

Many times the couple wants a picture run along with the wedding story. The Beacon is glad to run pictures in connection with weddings because we realize that pictures do add to any story. But the engraving of a metal plate from which we print the picture in the paper — that is, the making of a metal plate from which we print the picture in the paper — is an expensive process. Because of the expense of these engravings the Beacon's policy in the future will be this:

If the bride purchases her wedding invitations or announcements from us then we will carry a 2-column wedding picture with the story of her wedding without charge. If she does not purchase her invitations or announcements from us then she must pay for the engraving of the picture. Otherwise we will run the wedding story without a picture. The cost to us of a two-column engraving is around \$4.00.

The Beacon has the finest line of wedding invitations and announcements, either processed printing or genuine engraving, you can find and our prices are competitive with anyone's. We will be glad to show them to you at any time.

Library News

For a new fiction book read "The Wonderful O" by James Thurber, and illustrated by Marc Simont, winner of the 1957 Caldecott Medal. The man with the map and the man with the ship sailed for the island rich with sapphires, emeralds and rubies. Their vessel was called Aelu, which has every vowel but O. The owner hated O because his mother had become wedged in a port-hole and they couldn't pull her in, so they had to push her out. The island, Oros, was inhabited by gentle people who did not resist when the pirates, unable to find any jewels, decided to get rid of all words with an O in them. The islanders decided there were four words with an O that must not be lost. Three of them were "hope" and "love" and "valor." The fourth and most important is really the whole point of "The Wonderful O."

Also new in the library is "Through Gates of Splendor," the martyrdom of five American Missionaries in the Ecuador jungle, by Elizabeth Ellet. Here for the millions of readers stirred by articles and pictures in Life and Readers Digest, is the whole story in full detail and in its true and spiritual setting as the extraordinarily detailed martyrs' diaries revealed it. Catherine Marshall says of the book: "Mrs. Elliott's book is an epic missionary saga." Frank G. Gabel comments: "Through Gates of Splendor is a missionary classic."

For the little reader, "The Talking Cat" by Natalie Carlson and "The Swains of Rally Castle" by Walter Hackett.

Help...when you need it

... not days ... not hours ...
but only minutes away

We're lucky that emergencies don't arise very often in our lives ... when we suddenly need a plumber, a mechanic, a druggist ... or a fresh loaf of bread.

But these little ... and big ... emergencies do come up. Then we're glad it's today ... with modern stores and skilled service people available to us in a matter of minutes.

To divert much of our regular daily non-emergency patronage to more distant cities invites a return of the old days ... when ALL supplies ... emergency or not ... were a long trip away.

"Magnanimous Mail Order Co.: Dear Sirs: Please ship one plumber to repair faucet No. 3K492 recently ordered from you. Rush."

This is YOUR TOWN ... important to your social and economic welfare ... and dependent upon you for its growth and prosperity ... if you live and make your living in it or in its trade area ... whether or not you own a dollar's worth of property here.

**It Pays to Buy
where you Live**

YOU get everything that your money pays for ... merchandise AND a trade-invigorated community to live in ... when you buy from your home town merchants ...

Mrs. J. P. Whitaker, Jimmy, Pamela and Mike, Amarillo, came Monday afternoon to stay until Tuesday afternoon with her cousin, Mrs. Grigsby Milton and family then to Lockney to visit in the home of Mr. and Mrs. R. E. Young.

Intermediate girls left Monday after lunch for the Plains Baptist Encampment and the South Plains cabin where they will stay until Wednesday afternoon. Counselors Virginia

staying with the girls. Going from here were Sue Wilson and Yvonne Karr. Mrs. L. T. Wood, vice-president of the WMU, went to the encampment for a meeting of the Womens Missionary Union which was called by Mrs. Bert Black for Monday afternoon at three o'clock.

Mrs. Sylvan Kinnibrugh and girls went to Lubbock Friday accompanied by Mrs. Clifford Helms and baby son, whom she took for a check up at the Methodist Hospital.

Mr. and Mrs. Mac Smitherman are the proud parents of a son, born July 10, at eight o'clock at the Lockney General Hospital, and he weighed seven and a half pounds. We offer congratulations to the parents and grandparents, Mr. and Mrs. John Smitherman and Mr. and Mrs. Charles Perry of the Sandhill community.

Mr. and Mrs. John Fortenberry and Mr. and Mrs. Garland Tucker of Cedar Hill had dinner Sunday after church with Mr. and Mrs. Fred Fortenberry here. The Fortenberrys have a new niece born this week in the Plainview Hospital on Monday. She is the baby daughter of Mr. and Mrs. Elton Fortenberry who lives east of the Cedar Hill Store, and she has been named Stephanie Darlene. Mother and daughter came home on Thursday noon to stay with Mr. and Mrs. Bob Fortenberry for a few days.

Jane Marble is at the Plains Baptist Assembly Grounds again this week where she is one of the life guards at the swimming pool.

Wednesday night at the Baptist Church here Dr. A. Hope Owen, President of Wayland College, Plainview, brought a good message at prayer meeting. This Wednesday, Thomas Parrish, director of development at Wayland, will hold prayer meeting here, beginning at 8 o'clock.

Mr. and Mrs. Arby Mulder and children will go to Amarillo next Sunday to attend a family reunion of the Hollars, her mother's people, at Elmwood Park.

Grandparents are Mr. and Mrs. Leo Fizzell of Center, and Mr. and Mrs. George Beedy of Lockney. The new baby has been named LaTonya Gay, and she has a brother, Larry S., and a sister, Rose I.

Mrs. McFarland, of Riverside, California, which is near Los Angeles, arrived Tuesday evening for a visit with Mr. and Mrs. Lee Pearson. She is Lee's niece, and will be remembered as Ona Weston.

Baptist revival services will be August 18-25, with Rev. Troy Dale of the Ozona Baptist Church as speaker and Rev. Larry Faus as singer. Ozona is between San Angelo and Eagle Pass. Rev. Faus will lead the singing at the Dougherty Baptist Church at their meeting August 4-11. On Sunday E. L. Morrison was accepted as an active deacon in the church at South Plains, having served 15 years in this capacity before coming here.

Sue Wilson and Donita Milton have had the honor to be selected as two of 6 4-H boys and girls from each of several counties on the South Plains to go to Lubbock to attend a camp sponsored by the Southwestern Public Service from Wednesday noon until Friday afternoon, July 19. 4-H boys and girls were chosen by their outstanding work, and they will learn about electrical appliances among other things and will make either a lamp or a brooder, while at camp. The camp will be situated on the Fair grounds at Lubbock and there will be recreation, swim-

CROSSROADS REPORT
By D. E. SCOTT

Dear Editor:

I see where Senator Douglas says the main aim of the Civil Rights Bill is to stop civil rights stealers before they can do their dirty work.

This is a noble objective. And we hope the crystal ball department set up by this law will also be useful for putting murderers away before they kill anybody.

Would be mighty helpful, too, if we could call on the dirty-aim spotters just before elections to point out congressional and presidential candidates who are going to crawl on their campaign promises.

PROVIDENCE
By Mrs. Wilfred Stoerner

Everyone is busy getting their crops clean and getting ready to irrigate the feed and cotton. Progress is evident at the new gin located one mile north of Providence. Smith and Bowden are adding a very large storage barn to the grain elevator at Providence.

The Luther Leaguers of the Trinity Lutheran Church worked very hard cleaning the church grounds, mowing the grass and killing the weeds. Our sincere thanks to these young people who are taking an interest in their church and its grounds.

Those on vacation last week were Mr. and Mrs. Cecil Boedeker and family, Mr. and Mrs. Royce Carthel and son. Those this week include Mr. and Mrs. Ted Boedeker and family and Mr. and Mrs. Albert Scheele and family.

Visitors recently in the community were Rev. and Mrs. Lee Roy Brandes and family, Wichita Falls, Mr. and Mrs. Ernest Ludtke, Clifton, Texas, Mr. and

Mrs. Otto Zachariah and sons, San Antonio.

Mr. and Mrs. Albert Herring, McGregor, were weekend visitors of Mr. and Mrs. Marvin Scheele and Mr. and Mrs. Ben Brandes.

Jack Faver has been ill with the mumps recently. We wish for him a speedy recovery.

Mr. and Mrs. Weldon Foster and son attended the funeral of his aunt in Hamilton last week.

Fertilizer Tests Underway At High Plains Station

Grain sorghum fertilization tests are receiving a great deal of attention in the fertilizer research program at the High Plains Station at Halfway.

Nitrogen is the fertilizer element that has been found to be most effective in increasing yields of grain sorghum but more information is needed as to how much nitrogen is needed, when it should be applied, and whether any phosphate fertilizer is required along with the nitrogen. The grain sorghum fertilization tests are set up to find answers to these and other questions concerning grain sorghum fertilization.

In one grain sorghum test 40, 80 and 120 pounds of nitrogen and phosphate per acre are applied alone and together at all rates of each. The results of this test should help answer the question of how much nitrogen is required for the greatest return to the farmer, and also if phosphate is required as well as nitrogen and if so, how much phosphate.

To answer the question as to whether nitrogen should be applied before planting or as a side-dressing an experiment is underway in which 40, 80, 120 and 160 pounds of nitrogen applied before planting is being compared with the same rates of nitrogen applied as a side-dressing. The 40, 80 and 120 pounds per acre rates are also being applied before planting and again to the same plots as a side-dressing. A total of 240 pounds of nitrogen will thus be applied in some treatments.

"Planting grain sorghum in closer rows for increased yields is receiving more attention all the time," stated Dr. Longnecker, Head of the High Plains Station. "So we consider it important to conduct some tests with combination of row spacing, seeding rate and fertilizer application." In this test one and two rows per bed are being compared at 4 seeding rates, 56, 70, 85 and 101 pounds of seed per acre. In addition no fertilizer, 100 pounds of nitrogen per acre before planting, and 100 pounds both before and after planting are being compared at each rate of seeding and with one and two rows per 40 inch bed. I believe that the proper use of fertilizer and irrigation water along with the new hybrid grain sorghums that we now have offers the opportunity to boost yields of grain sorghums from present yields of 3,500 pounds per acre to 7,500 pounds," concluded Dr. Longnecker.

William Howard Taft was the first U. S. president to receive a salary of \$75,000 a year.

Garden Show Is Set At Lubbock

Ten Lubbock gardens will be opened to the public on July 20 and 21, when the Methodist Hospital Auxiliary will sponsor their second "Over the Garden-Wall Yard Show."

Funds raised from the annual fund drive are to be used by the auxiliary to furnish all the family waiting rooms of Methodist Hospital. Tickets are \$1.00 and are good for both days. They may be obtained at the reception desk at the hospital, from any auxiliary member or at the gate of any of the yards shown.

Each garden will feature a particular point of interest. The following gardens will be open Saturday July 20 from 6 to 9 p. m. Roy Furr, 3129 20th St. patio and professional lighting; John A. Hughes, 3306 43rd—professional landscaping; L. M. Warrtes, 3314 45th — professional landscaping; Harris Underwood, 4620 17th — children's playyard and built up planters; and I. A. Lockney Girls Take Drum Majors Course At Oklahoma U.

Norman — Gayle Rucker and Jean Wofford both of Lockney were enrolled with over 100 teen-agers in the short course for drum majors offered at the Extension Study Center on the north campus of the University of Oklahoma, July 8-12.

Floyd M. Zarbock, graduate from the University of Michigan, served as director for the four-day conference. While at the University of Michigan, he was a twirling drum major for four years. Owner of 14 trophies and 42 medals, he won every contest he entered in 1950.

In addition to the basic techniques of baton twirling, fundamental strutting, advanced strutting, and voice and whistle commands were included in the instruction.
