Play, Laid Supper Friday Evening

The rollicking, three-act comedy senior class production, "Spooks Alive," rolls the curtain up Friday evening in a show calculated to make Fred Hitchcock take a back seat. Curtain time is 8 p. m.

The high school journalism team will feed the public a laid supper in the cafeteria prior to the show. Tickets are available for both events on any member of the Senior class or the Journalism class.

In the play John Haest finds out gridiron tactics are profitable on the football field but not on a ghost. Betty Gram finds that ghosts aren't bad, particularly if you are married to a college professor who has certain drawbacks like having to live in a haunted house for three months. Her husband can write a manuscript on ghosts — from actual experience. Nelson Wolf finds that if you commit murder you might get it upon. David Howell finds that if, as a doctor, he forgets his pill bag and goes in search of a ghost, he might actually have his efforts rewarded in finding a real live one — that he might turn need one of his pills to settle his nerves.

Jerry Williams and Dickie Barton finds that it is possible to paint scenery on the stage even during practice — a little paint on the east won't make any difference — they're supposed to be funny anyway.

Charlyne Brown and Kay Golden find that as student directors they can just about go crazy directing a little thing like this — but they are not worried about a little thing like that — if they do go crazy they can just be shifted from director to a part in the play and everything will be just lucky.

Paul Schacht plays the part of the professor and Hope Cox his wife. Loy O'Brien and an Widener are daughters of the couple and Eddie Gloyne a son. Other members of the cast are Jean Wofford, Gayle Scher, Neida Tims, Martha Sawyer, Kelly Harrison and L...

MRS. ALICE BAKER was honored at a reception here Wednesday afternoon celebrating the 64th anniversary of the founding of her mercantile business, Baker Mercantile Co.

Rhodes Damage Set At \$49,000

Damage to the Rhodes Super Market in the Sunday night fire has been set at \$49,000, Mr. Rhodes said Wednesday. Settlement has been reached with the insurance company and preparations are being made to clear the building of all stock so that repair work can be started. Mr. Rhodes said it would probably be June 1 before he could re-open. The loss was covered by insurance.

Origin of the fire is still undetermined. The fire started in the northwest corner of the big building where the office is located. A nurse at the Medical-Surgical Hospital discovered the fire, turned in the alarm and called Mr. Rhodes at about 11:15 p. m. Sunday night.

Fire Marshall Lowell Bibrey expressed the opinion that it might have started from a gas stove suspended from the ceiling. Apparently an explosion of some kind occurred to start the fire and he thought perhaps the stove had exploded. Others think perhaps lightning may have started it or perhaps a shortage in an electric light wire. The fire had apparently smoldered for some time before being noticed.

Mr. Rhodes had been in the store just an hour and a half previous to the fire checking his refrigeration compressors and nothing was amiss at that time.

The Lockney Volunteer Fire Department extinguished the fire, pouring water through one of the front windows. It took some time to clear the building of heat so that it could be entered.

Damage was sustained to the contents and fixtures as well as the building. Mr. Rhodes said that the ceiling would have to be replaced, the walls sanded and refinished and many of the fixtures replaced. The stock has all been sold to a salvage company by the insurance adjuster and Mr. Rhodes will open with a completely new stock of merchandise, he said. "We expect to have a better store than ever when we re-open," he said.

He further stated, "We certainly appreciate the fine work of the Fire Department." The firemen extinguished the blaze with a minimum of water and then stayed to help sweep out the water and keep watch to prevent the fire from breaking out again.

MISS JUDY JACKSON

Judy Jackson Is Miss Lighthouse Electric Winner

Miss Judy Jackson, daughter of Mr. and Mrs. E. M. Jackson of Route 1, Floydada, and granddaughter of Mrs. J. W. Jackson and Mr. and Mrs. F. L. Marble of Lockney, was named "Miss Lighthouse Electric" at the annual membership meeting of the electric co-operative last Saturday. Miss Jackson will receive an all-expense paid trip for herself and her chaperon to the state meeting of electric co-operatives and also \$100 cash to apply on a wardrobe. She will enter the Miss Texas Rural Electrification contest at the TEC annual meeting at Lubbock August 28-29. The winner will then go to the national convention, Miss Jackson is a junior in Floydada High School.

Alternate was Miss Juanell Jo Wood, daughter of Mr. and Mrs. L. T. Wood of South Plains who received a hi-fi radio as her prize.

The next five ranking girls in the contest each received a transistor radio as a prize. They were Brooksyne Nell Alexander, daughter of Mr. and Mrs. Clyde Alexander of Route 1, Plainview; Marisue Burleson, daughter of Mr. and Mrs. W. E. Burleson of Route 5, Floydada; Janice Cornelius, daughter of Mr. and Mrs. Billy Cornelius of Route 2, Crosbyton; Betty Lynn Pittman, daughter of Mr. and Mrs. C. H. Pittman, Route 1, Plainview; Berta Sue Scarborough, daughter of Mr. and Mrs. Bert Scarborough. (Continued On Page Six)

Hale-Aiken Group Recommends Sales Tax, Higher Salaries

Recommendations that a general sales tax be levied for school purposes, that school teachers be paid higher salaries, that the economic index be set on net income instead of gross income, that some adjustment be made in the office of county superintendent to bring the salary in line with the duties of the office, were among the many recommendations made by the Floyd County Hale-Aiken Committee which completed its work last week.

Twenty-six citizens of the County held six general meetings and studied the various phases of the schools for some two months. H. H. Nicholas, superintendent of the Lockney schools, was general chairman of the committee. The larger committee was divided into four sub-committees each assigned a different phase of school work to study. These were the school program or curriculum, teacher supply, school building and school finances.

The recommendations will be forwarded to the state Committee of 24 not later than May 1 and out of all the recommendations of the county committee will endeavor to improve and advance the state school program.

Although it would be practically impossible to list all of the recommendations made by the various subcommittees, The Beacon is here attempting to give the more important ones as listed in the committee reports.

The school program or curriculum sub-committee reported that the county schools were conforming to present statutes regarding school curriculum with the possible exception of the colored schools. Plans are being made now to remedy that situation next year with the Lockney high school colored students being transferred to the Floydada. This will make a better high school, affording the Floydada school probably eight teachers and allowing them enough pupils to put on a good program. The colored grade schools meet the requirements of curriculum.

The sub-committee also suggested that fire prevention, drivers education and a counseling program for seventh grade and up be required.

The committee also suggested that all schools be required to be part of a 12-grade system or that taxation be equalized in all districts so that every pupil would be paying his full share of school costs.

The committee suggested a need for more adequate teaching on spelling in the lower grades and more opportunity for public speaking, also more time for arithmetic, better science equipment, more emphasis on geography, more attention to history, a better physical education program, and improvement in music and arts and crafts.

The committee suggested the addition of industrial arts in Lockney High School. They also stated that ample time was spent in school now and voted against a longer period each day. They also approved the testing programs in the schools.

The committee found that approximately eight per cent of the classrooms are heavily overloaded all year and most all classrooms are overloaded in the fall. They suggested that the number of teachers earned by a school be determined on the basis of each 20 pupils in average daily attendance instead of 25 as at present.

Further recommendations by this sub-committee were to be the effect that special service personnel should be provided for art and music, that athletic coaches should be on the same salary schedule as regular classroom teachers who have extra duties to perform, thus bringing a better feeling of cooperation between teachers and coaches, and that the schools should place more emphasis on good organized physical education programs and less on competitive athletics.

Teacher Supply Committee

The Teacher Supply sub-committee found that the county now needs eight extra teachers to relieve overcrowded classrooms and four teachers for essential instruction not now offered in the schools. They also found that 13 teachers are needed in the county for replacement of those lost in various ways, and that 53 additional teachers will eventually be needed because of larger enrollment, to replace those who leave the profession and to meet additional instructional needs.

The report showed there were 29 faculties to the county's teaching faculties during the past year.

The committee found that working conditions for teachers were not the kind that would attract others to the profession and suggested better salaries, better facilities, lighter loads with the provision that teachers be assigned on the basis of 20 ADA instead of 25, and at least one period off each day.

Various means of recruiting and attracting more to the teaching profession were listed. The report showed 28 teachers had resigned from county school faculties within the past two years for various reasons.

The committee suggested that the teachers salary schedule established by the state should be a minimum of \$4800 and maximum of \$7500, an annual increase of \$120 for holders of bachelor's degrees for duration of teaching, and \$240 annual increase for holders of master's degree for duration of teaching career.

The committee decided that (Continued On Page Six)

400 CALL TO HONOR MRS. BAKER ON HER 64TH ANNIVERSARY

Some 400 people crowded into the American Legion Hall here Wednesday afternoon from 3 to 6 o'clock to honor Mrs. Alice Baker upon her 64th anniversary as a business woman in Lockney. Her establishment, Baker Mercantile Company, was founded here by her and husband, the late J. A. Baker, on April 23, 1894.

The reception was planned by local friends and preparations had been underway for the past three weeks. The hall was decorated in red and white with red roses and red carnations the flowers used.

Opened with a prayer by Rev. Charles Broadhurst, local Baptist pastor, the reception started promptly at 3 o'clock and the building was quickly filled with friends and relatives. The Lockney High School orchestra under the direction of Clyde Seaman furnished music for the occasion.

Mrs. Baker was escorted to the place of honor, a chair more than 100 years old, belonging to Mrs. Tom Simpson, by her two oldest grandchildren, Mrs. Clyde Applewhite of Lockney and Lennis Baker, mayor of the City of Lubbock. The chair was on a platform near the center of the building.

Mrs. Baker was presented a bouquet of red roses by Little Miss Linda Hodel, daughter of Mr. and Mrs. Jimmy Hodel, with the inscription "Mother of Lockney."

Many old timers called to pay their respects to Lockney's "first citizen." These included Mrs. Maude E. Hollums of Floydada, first white child born in Floyd County; Mrs. Ed Reeves of Abilene, a long time employee of the local store; Clifton Oliver of Amarillo, son of the founder of The Lockney Beacon; Grady Brewster of Dalhart, son of a pioneer couple who had much to do with Lockney's early history; Dr. E. O. Nichols of Plainview, a former resident of Lockney; Mrs. F. F. Ewing of Amarillo, also a former resident and mother of the famed Maurice Ewing of Columbia University; and many others.

Three real old timers who still live here were among the guests, these being Mrs. Fannie Brown, age 96; Mrs. Mattie Marble, age 93 and Mrs. F. L. Marble, age 84. Mrs. Baker is 90 years of age.

Greetings were received from Congressman George Mahon, Governor Price Daniel and U.S. Senator Lyndon Johnson as well as any other friends. Senator Ralph Yarborough called his greetings. Among the wires was one from a grandson, Dr. Charles Baker who lives in Maryland.

Lajuan Sandlin Wins Regional In Declamation

Lajuan Sandlin, a senior in Lockney High School, won first place in the senior girls declamation at the regional interscholastic meet in Lubbock last Saturday. Lajuan attended a state FHA meeting in San Antonio Friday and then flew to Lubbock Friday night to be on hand for the contest. She will enter the state declamation contest at Austin on May 2.

Lajuan's speech is titled "In Defense of My Generation." She won first in the district meet two weeks ago.

Aubrey Green won third place in the extemporaneous speaking contest but only first and second go to the state meet.

Floydada High scored more points than any other school to win first place in the meet. Their winners were: George Farris, first, Neida Fortenberry, second, in typewriting; Beth Scott, first, in poetry writing; Joe Smalley, first, in senior boys declamation; Joyce White, second in shorthand; first in one-act play.

Local Clubs To Honor Teachers Friday, May 2

Four local service clubs will be hosts at the second annual Teacher Appreciation Banquet which will be held at the high school cafeteria on Friday evening, May 2. The affair gets underway at 7:30.

Speaker of the evening will be Mrs. Evelyn Pope, a teacher in the Lockney school system and noted for her after-dinner speeches. Musical numbers will round out the program. The awards will be presented for the completion of 5, 10, 15, 20 and 25 years of service in the local school system.

The decorations will carry out the school motif. Arrangements committee includes Mrs. Wanda Baker, Mrs. Bettie Knox, Mrs. Ruby Merrick, Mrs. Velma Cox, Mrs. Dimple McGavock, and Mrs. Frances O'Hearn.

Clubs which will be hosts for the occasion are the Lockney Lions Club, Lockney Rotary Club, Business & Professional Women's Club and the Jaycees.

Clear After And Hail

The weather in this area was clear Wednesday afternoon and fell the past week. Moisture to fall here Wednesday was 2.05 inches. Some hail fell Saturday and Sunday nights in the immediate Lockney area with little damage to wheat was noted.

Some of the taller wheat is still being reached. The weather office said, but much of the wheat in this area hasn't reached the boot stage yet and is not easily damaged.

A hard-packing rain and considerable hail Sunday night backed the ground and added an inch of moisture to that falling Wednesday, Thursday and Saturday nights.

Winds were high Wednesday and the weather man wasn't promising additional moisture. Temperatures were very warm.

Larian Salad Supper Will Be Friday Nite

The Larian Salad Supper, postponed from last week, will be held Friday night of this week, April 25, preceding the Senior play, "Spooks Alive." Supper will be served buffet style at the high school cafeteria any time from 6:00 to 7:30 p.m.

The Larian Staff and Journalism Class are sponsoring this event to complete financial obligation for the remaining school publications.

The public is urged to plan to have supper in the cafeteria and then attend the Senior play in the high school auditorium afterward.

Plates for adults will be \$1.00 for children, 12 and under the price is 50c.

Youth Revival At Aiken Church

A week end Youth-Led Revival will be held at the Aiken Baptist Church starting Friday evening, according to announcement by the pastor, Rev. E. O. Adams.

Services will be held Friday, Saturday and Sunday evenings with prayer groups meeting at 7:30 and the preaching services at 8 p. m. Sunday morning services will be at 11 a. m.

A team of Wayland students will lead the revival. They are Dale Pruitt, preacher; Jerry Arrington, singer, and Roma Brewer, pianist.

Everyone is invited to attend the services. Rev. Adams said.

19 Legion Convention Meets

Early Settler Dies Wednesday

John Cephus Fortenberry Jr., an early settler of Floyd County, died at his home in the Cedar Hill community at 10:30 a. m. Wednesday after a six months illness. His parents, Mr. and Mrs. John Cephus Fortenberry Sr., settled in the Cedar Hill community in 1890. Both are now deceased.

Funeral services will be held at the First Baptist Church in Lockney at 3 p. m. today (Thursday). Officiating will be Rev. Robert Bernard of Cedar, Rev. Horace Reeves of Plainview, Rev. John Tucker of Lubbock, all Assembly of God preachers, and Rev. Richard Brewster, pastor of the Sterley Methodist Church.

Burial will be in the Lockney Cemetery. Carter Funeral Home of Lockney is in charge of arrangements.

Mr. Fortenberry had farmed in the Cedar Hill community all of his adult life. He was born July 13, 1890 in Cook County, Texas, but his parents moved to Cedar Hill when he was three weeks old.

He was married to Miss Vonnie Ann Lackey on December 24, 1910 at Lockney.

Survivors include his widow, three sons, Robin and John C. III both of Cedar, and C. F. of South Plains; two daughters, Mrs. J. G. Tucker of Cedar and Mrs. R. A. Breckonridge, Dallas; four brothers, Tom of Cedar, John of Carlsbad, N. M.; J. G. and Hugh of Adrain; four sisters, Mrs. M. H. Taylor, Mrs. C. V. Lemons, Mrs. J. R. Kelley, all of Cedar and Mrs. John Seay, Duran, N. M. Also surviving are 10 grandchildren and three great-grandchildren.

CO-FOUNDER—J. A. Baker, late husband of Mrs. Alice Baker was co-founder of the Baker Mercantile Co. He died in 1917.

CO-FOUNDER—J. A. Baker, late husband of Mrs. Alice Baker was co-founder of the Baker Mercantile Co. He died in 1917.

Newspaper and television stations of the area were covering the event and cameras were in evidence on every hand. Lubbock TV station KDUB, Channel 13, made movies of the affair which will be shown at an undetermined date, possibly Sunday evening at 10 o'clock. Also, Amarillo TV Station KGNL, Channel 4, also made many pictures and movies to be shown on television. That station was represented by "Cotton John" Smith who said that the movies would probably be shown on his program, "Cotton John's Week End Agricultural Review," to be presented Sunday at 12:30 p.m.

Tall baskets of red roses and carnations flanked the elevated platform where the honoree was seated and at center front of the building were white trellises banked with red roses and palms. Banner letters written in red were "Baker Mercantile, 64th Year in Business, Mrs. Alice Baker" which formed the center front backdrop. A profusion of red roses and other flowers, sent in congratulation to Mrs. Baker were placed about the entertaining room. Red and white streamers decorated the ceiling.

The refreshment table was laid with white and centered with a huge four-tiered cake laid in white and topped with "64". The word Anniversary was written in red across the front and accented with red roses. At one end of the table were large styrofoam numbers "64" outlined with burning tapers and at the other end was a replica of Baker Mercantile (Continued on back page)

FHA Girls Get State Degrees At San Antonio

Highlights of the State Meeting of Texas Association Future Homemakers of America in San Antonio Thursday, Friday and Saturday of last week occurred when seven Lockney students were presented their State Home-maker Degrees of Achievement. They were among 350 girls from over the state whose achievements were accepted for this award during an impressive ceremony concluding the Friday afternoon session. Some 2,000 girls were in attendance.

Becoming degrees from Lockney were Lajuana Sandlin, Anita Durham, Virginia Caldwell, Martha Hadden, Jean Wofford, Justice Hays and Letra Ferguson.

The girls were accompanied by Mrs. Wilma Adams, sponsor, Mrs. Kenneth Wofford, Mrs. Edgar Hays, Mr. and Mrs. L. Roy Durham. They stayed at the Bluebonnet Hotel. The group enjoyed the company of Mrs. Albertine Irons of Longview, former Lockney teacher, during the meetings.

Registration began at the Gunter Hotel and meetings took place at the Municipal Auditorium. Theme for the gathering was "Live and Radiate F.H.A." Friday night's program was entitled "F.H.A. Joins Hands Around the World" and featured customs, folk songs and dances of other nations. Miss Jean Wofford, Lockney, was narrator for a Japanese folk dance, "Bon Odori," presented by Area 1 She and Sandra Lawson, Lockney, took part in the very impressive dance following the narration. Two exchange students from Europe added much to the program. They were Margareta Sundstrom, Husum, Sweden, member F.H.A. chapter of Karls who gave "Notes from Sweden" and Silvana Felicia, Torino, Italy, member of F.H.A. Chapter Heidelberg, who presented "La Muderina," folk dance of Northern Italy. At the finale on the evening program a song written by Robin Sumner and Jonathan Aizer of Amarillo High School, "Around the World" was sung.

Miss Lajuana Sandlin left via plane following the afternoon

ten per cent or more of the teachers currently employed need more preparation in subject matter in areas which they teach. Lack a well rounded general cultural education, show inadequacies in ability to work with children and in effectiveness of actual teaching.

School Construction

The school construction sub-committee found that classroom facilities were inadequate in the Lockney school system, stating that the shortage was due in part to change in instructional program and in part to consolidation. Some members of the committee suggested that since only 50 per cent of the high school students used the high school lunch room, the maintenance of the use of the lunch room and its conversion to classroom rooms would provide three usable classrooms at the high school.

The committee estimated that between now and 1960 county schools would need an additional 22 classrooms. They estimated that this need would require an expenditure of \$2,000 in the Floydada school district and \$75,000 in the Lockney school district.

The construction committee took a stand on the consolidation question, stating that it was their opinion that further consolidation is not necessary and would mean a waste of existing facilities belonging to the common school districts.

The committee also suggested the formation of a state agency to make available not only general information pertaining to school construction but provide information on specific building problems with the end in view of advancing ideas which will materially reduce the per classroom outlay while not reducing the efficiency and quality of construction.

The committee recommended that no change be made in the state \$300 per classroom teacher unit allotment.

They suggested that if additional taxes are needed to be collected at the individual level, a retail sales tax may be the most equitable. They also suggested that thought be given to the collection of personal property taxes on motor vehicles only as the vehicles are registered each year.

Directors Elected

Three directors were elected for the co-operative, these being Herman King of Lone Star from district 5, R. C. Rathel of Crosbyton, for district 1, and Odel Breed, Route 2, Floydada, for district 2.

A number of attendance prizes were given. The big prize, a color television set went to Ota Moore of Crosbyton. A unique situation, in which a number held by A. O. Foster of Lone Star was drawn for the set while he was counting director ballots, was quickly remedied when Mr. Foster was also awarded a color set.

Other winners and prizes were: electric toaster, Weems Norman, Floydada; waring blender, Mrs. O. L. Boarder, Floydada; electric blanket, Henry Harris, McAdoo; pressure cooker, Mrs. E. O. Barrett, Lone Star; Dutch oven, George Herlander, McAdoo; electric sauce pan, G. W. Smith, Floydada; red and teal, E. B. Noel, Floydada; electric shaver, C. L. Whitehead, Silverton; electric oven, W. C. Mooney, Hale County; electric cream freezer, Raymond Irb, Floydada. All the above prizes were given by the Lighthouse Electric Co-operative.

Other winners were Bill Smith, Floydada, electric iron; Doyle Moore, Floydada, time switch; Mrs. S. J. Latta, Floydada, gift certificate; O. L. Vinson, Floydada, waffle baker; D. J. Phillips, Lockney, table lamp; Mrs. Chas. Denning, Floydada, electric fry pan; Sadie Castleberry, Plainview, scotch oven; F. P. Pritchett, Route 2, Lockney, electric ice cream freezer; Mrs. Ray Upchurch, Dougherty, electric skillet; Mrs. Henry Scarborough, Petersburg, electric kettle; Mrs. W. E. Burleson, Floydada, playing cards; Ota Moore, Crosbyton, case of oil; Marvin Schiele, Lockney, electric fry pan; A. G. Williamson, Plainview, table lamp; Bud Holt, Lockney, electric clock.

Three Teenagers Are Released In Car Theft Case

Three teenagers from Clovis, New Mexico, taken into custody Saturday night by Deputy Sheriff Ray Hardin while driving a car reported stolen from the National Alfalfa Mill here, were released without charge after a hearing in Floyd County juvenile court Tuesday morning.

Hardin overtook the boys just east of town after reports had reached him that someone was entering a parked car at the mill. The car belonged to a mill employee and had the keys in it.

The boys were held in Floyd County jail until the hearing Tuesday. They are 16, 14 and 13 years of age. Hardin said they had previous records in New Mexico for breaking and entering and car theft.

Lockney FFA Is Host To District Conference Fri.

The Lockney Future Farmer chapter was host last Friday to the Plainview District FFA leadership conference. More than fifty students with their instructors from 14 area schools attended the meeting.

Contests of various kinds were held with awards being given in a number of phases of FFA work.

Linda Childress of Plainview was selected as the district FFA sweetheart. Lockney's entry, Miss Kay Golden, was a finalist in the contest.

Marvin Wells of Lockney and Jarus Flowers of Tulla made applications for American Farmer degree. Marvin is a 1957 graduate of Lockney High School. Ronnie Harris of the Lockney Chapter made application for the Lone Star Farmer degree. Thirty-two other boys in the district also made Lone Star Farmer applications.

Teddy Carruth of Tulla won the public speaking contest and was nominated as the district's candidate for area office. Carruth added to his honors with annexation of the Lone Star Farmer award.

Kent McClaran of Plainview won the farm electrification and farm mechanics awards.

Bob Stewart, Plainview, carried off the soil and water management and Farm Bureau college scholarship nominations. Claude Yates of Plainview was nominated for the district's contender for the Santa Fe college scholarship.

The Sears Roebuck \$120 cash award went to the Quitaque FFA chapter. The award is based on accomplishments in livestock projects and the money will be used to buy purebred livestock for outstanding members of the chapter to use as demonstration projects.

The district winners will compete for area honors at the meet May 10 at Monterey High School in Lubbock. The speech and sweetheart nominees will vie for state awards at the meet July 15-17 at San Antonio. Winners of the other awards will be determined by a state committee.

M. L. Brewer, head of the Lockney vocational agriculture department and the Lockney FFA chapter were hosts to the meeting.

Teddy Carruth, district president, presided. Walter Labay, Plainview, is supervisor of vocational agriculture area 1 which includes the Plainview district and was on hand to assist with the Lockney meeting.

Mrs. Elsie Sherman and Mrs. Jimmy Stennett attended an Insurance Workshop in Lubbock on April 16. This workshop was sponsored by the South Plains Hospital Council.

Mr. and Mrs. Grady Brewster of Dalhart are spending a few days with the John L. Riley family. They also attended the Baker 64th anniversary celebration.

Local Meeting Helps Launch Safety Campaign

Some 30 Floyd County officials, law enforcement officers and other citizens gathered in the county court room at Floydada Wednesday morning to help launch Governor Price Daniel's statewide traffic safety campaign. Bob Copeland of Floydada presided at the meeting.

The meeting was called at the request of Governor Daniel by County Judge J. D. McBrien. A similar meeting was held at the same time in each of Texas' 254 counties.

The group first heard an address by Governor Daniel and then discussed ways that local action could help to better the highway safety program.

Governor Daniel stated that the program was designed to reduce the traffic fatality by 10 per cent or equal to 254 lives in Texas this year. He also announced that awards would be given to officials and newspapers who do the best job of reducing traffic accidents and promoting safety. He pointed out that thus far this year traffic fatalities are down 11 per cent which is a good start on the highway safety program.

Excessive speed and driving while intoxicated were listed as the two main reasons for traffic accidents. Governor Daniel asked stricter enforcement on the law in these two phases.

From the local standpoint, officials said that the disregard of stop signals and other traffic signs was a big cause of accidents. They also said that under-staffing of local forces was a cause of lack of enforcement. Others asked for stricter enforcement and public backing of officers.

Other suggestions for improving traffic safety included yearly examinations for drivers license, the addition of two

highway patrolmen in Floyd County, traffic safety program in the schools, frequent drivers license checks, among others.

A meeting will be held at the Floydada Chamber of Commerce office Thursday evening of next week for the purpose of discussing the highway safety program. The public is invited to attend.

Attending the meeting from Lockney were Supt. H. H. Nicholas, Henry Ford Jr., City Officer Alton May, Edgar R. Hays, Commissioner Hugh Counts.

The campaign is being sponsored by the Governor's Highway Safety Commission under the direction of Brad Smith, assistant to the Governor.

Local Survey — Following the meeting City Officer Alton May ran a survey on accidents within the city limits the past year with these results as to causes:

Hit parked car four, making U turn four, backing from curb six; left turn one, driving while intoxicated two, disregard of stop sign one, speed one. Mr. May said that there were no fatalities and no one hospitalized as the result of a traffic accident within the city during the year 1957.

HOME FROM HOSPITAL

Mrs. A. D. Riddle returned to her home Friday after having surgery on her foot at Medical & Surgical Hospital. Here visiting Mrs. Riddle for two weeks are her sister and husband, Mr. and Mrs. Odie Honea of Quitaque.

Mr. and Mrs. Jimmy Stennett of Lockney attended the funeral services for Mr. Stennett's grandmother, Mrs. J. D. Stennett in Paducah Monday afternoon.

GO TO CHURCH SUNDAY.

JOE GREENHILL of Travis County has announced his candidacy for his first elective term as associate justice of the Supreme Court of Texas.

The 4-H Contest Friday afternoon was well attended by the 4-H clubs. The demonstrations were in Dairy Foods and Vegetables for the girls. There was one team in Electricity. Kathy Rowland from this community was one of them. She is eligible for district in Lubbock. Others from the community winning ribbons were Janet Miller, first in Dairy Foods, and Norma Sue Hollums and Nancy Campbell, second in the Dairy Food teams. Winning first in the Vegetable teams were Janet Holmes and Barbara Schulz from the Harmony Club and Beverly Jeffress and Mary Starkey won second from the Lockney seventh and eighth grade 4-H club. Congratulations to all the girls mentioned and all the others that won ribbons.
 The Lighthouse Electric party was one of the biggest and best ever. Mr. and Mrs. T. C. Hollums helped make it a success. Two of our girls were in the beauty contest. They were Billie Gail Holmes and Jo Ellen Jackson. Although they didn't win they looked very beautiful and we are very proud of them. The club would like to thank them for representing the community. Some seen at the big feed and good program were Brother and Mrs. Bill Rowland (who were on the program), Mr. and Mrs. Walter Knight, Mrs. R. L. Bullocks and Judy, Mrs. J. T. Spears and children, Mr. and Mrs. Tom Thomas, Mr. and Mrs. M. B. Swanner, Mr. and Mrs. Ed Noel (who won a gift), Mr. and Mrs. W. R. Billington, Jim Holmes and Billie Gail, Mr. and Mrs. Fred Jackson, Mr. and Mrs. C. P. Carey, Mr. and Mrs. James Jeffress, Mary Starkey, and Mrs. C. B. Carmack, and I'm sure there were others.
 Mr. and Mrs. H. F. Jackson were in Plainview Saturday visiting his mother.
 Mr. and Mrs. Ross Yondell and children, Plainview, visited her parents, Mr. and Mrs. W. R. Billington Saturday.
 Others at the R.E.A. meeting Saturday were Mr. and Mrs. Chuck Holmes and Mr. and Mrs. Bud Pope and family.
 Mrs. T. C. Hollums has been on the sick list this week. Also reported ill was Mrs. Johnny Tims, the former Pearl Baird of

Portales, New Mexico, who has undergone surgery. Her condition is reported improving.

W.M.U. was postponed from Monday until Thursday afternoon due to the Sunday school convention in Lubbock.

Visiting in the home of Mr. and Mrs. Jess Starkey Sunday were Mr. and Mrs. J. E. Hampton and family of Amarillo.

Mr. and Mrs. Leroy Durham accompanied their daughter, Anita, to San Antonio over the week end where she received her State FHA Degree. Also going was Lajuan Sandlin who is making her home with the Durhams until school is out.

Mr. and Mrs. Simpson of Matador visited in the home of their daughter, Mr. and Mrs. Ed Noel Sunday. Also visiting was her sister from Matador.

Mr. and Mrs. Kenneth Swanner of Lubbock visited his parents, Mr. and Mrs. M. B. Swanner Sunday.

Bud Pope suffered a painful sprained arm one day last week while roping a calf at Quitaque. He is steadily improving.

Mr. and Mrs. M. B. Swanner attended the Sunday School Convention Monday in Lubbock. Those attending Tuesday were Mrs. J. T. Spears, Mrs. Ed Noel and Mrs. Bill Rowland. Mrs. Spears planned to attend the Vacation Bible School Classes.

Sterley News

By Mrs. Virgil Adams
 It is sure wonderful to see the sun again this morning after the rain averaging 1 to 1 1/2 inches over the week end.

Sterley Home Demonstration Club didn't meet last week because of bad weather. Next meeting will be May 1. The program will be "Civil Defense". At present we don't know where it will be held.

Mrs. Red Archer gave a birthday party for Patricia McCoy Wednesday, April 16. The little miss was five years old. Refreshments of cup cakes and lemonade were served to Patricia, David and little sister McCoy, Butch, David Jackie, Tommy and Danny Adams, Gordon and Ruby Nell Adams and Junior Archer.

Mr. and Mrs. M. A. Boone took her parents, Mr. and Mrs. J. T. Burleson to their home at Hermleigh, Tex. Saturday afternoon after a two weeks stay here. Mrs. Burleson was just out of the hospital when they came here.

Mr. and Mrs. Elmo Schaffner and children spent the week end in Midland visiting her mother.

Mr. and Mrs. Mac Howard and children visited in the A. D. and Elmo Schaffner homes Wednesday.

Mr. and Mrs. A. D. Schaffner visited Mr. and Mrs. Melvin Schaffner of O'Donnell Tuesday.

Mr. and Mrs. Red Archer and baby moved to Amarillo Tuesday. We hated to see them move from our community but we hope they will be happy and successful in their new home.

Mr. and Mrs. Virgil Lee Adams and children moved to Amarillo Sunday after spending last week in the Virgil Adams home.

Opening Baseball Game At Plainview Next Wednesday

Plainview—Professional baseball makes its 1953 debut here on Wednesday night, April 30, with the Plainview Athletics taking on the Artesia Giants in an 8:30 contest at Jaycee Park.
 The Athletics open the season two nights earlier, on April 28th at Artesia where the Giants provide the opposition.

A new concept in baseball will be making its appearance in this area in the Wednesday night opener for the Athletics.

The Plainview nine is this year a member of the six-club Sophomore League in organized baseball, a league in which all clubs are sponsored by major league teams.

Plainview's sponsor is the Kansas City Athletics of the American League. The other five teams are sponsored by National League clubs—Artesia by the San Francisco Giants, Hobbs by the St. Louis Cardinals, San Angelo by the Pittsburgh Pirates, Midland by the Milwaukee Braves, and Carlsbad by the Chicago Cubs.

Regular season rosters for the six members of the league will be made up of 16 players, none of them with over two years' experience in organized baseball.

It is a league of young players, all of whom are shooting for a spot in the major leagues with their parent club. It will be a league of hustling scrapping play.

All reports from the Pensacola training camp of the Plainview club point to the local Athletics having strong pitching plus a club with plenty of speed on the base paths—a club which can supply the fans with plenty of thrills.

Opening night tickets for the April 30th game with Artesia are on sale all over the area for 90 cents each. Season ticket books are \$40 and \$20 are on sale in Plainview. After the opening game General Admission will be 75c for Adults and 25c for children.

There is a new innovation at Jaycee Park this year. Boxes with four chairs will be on sale each night for \$1. They may be purchased after entering the park and assure fans of a good seat.

Dear Editor:
 I see where the Potomac pundits have decided to whip the alleged recession by fixing it so anybody can buy a home without any down payment.

My coffee-shop economist neighbor says he bought a TV set one time with no down payment, but it didn't help his depressed financial condition on account of the deal still called for monthly payments.

So he is writing his congressman to get behind a more helpful move, say, to leave down payments about where they are and cut out the monthly payments.

Light Leads Our People

Each day a new door opens. What it reveals on the other side, for the people who must pass over its threshold, depends upon the conditions under which they lived their yesterdays.

Those in some countries look through the door upon a new day shadowed with oppressions, where there are few freedoms, tyrannies abound and living is hard and cold.

Those of us in America are more fortunate. Opening the door each day, we are met by the light of freedom which has led our destiny for many years. Protecting that freedom

has been — and always will be — a Press that will not succumb to dictation or overpowering despotism.

For the light that leads to all freedoms is Freedom of the Press: Education . . . information of all kinds . . . news of all that transpires . . . and the open discussion of opinions and ideas that sharpens understanding.

Complete freedom of speech and of the press is the light that builds understanding, helping all mankind to advance onward and upward through the opening door of each tomorrow.

Mr. and Mrs. Kenneth Swanner of Lubbock visited his parents, Mr. and Mrs. M. B. Swanner Sunday.

Bud Pope suffered a painful sprained arm one day last week while roping a calf at Quitaque. He is steadily improving.

Mr. and Mrs. M. B. Swanner attended the Sunday School Convention Monday in Lubbock. Those attending Tuesday were Mrs. J. T. Spears, Mrs. Ed Noel and Mrs. Bill Rowland. Mrs. Spears planned to attend the Vacation Bible School Class.

It is a league of young players, all of whom are shooting for a spot in the major leagues with their parent club. It will be a league of hustling scrapping play.

All reports from the Pensacola training camp of the Plainview club point to the local Athletics having strong pitching plus a club with plenty of speed on the base paths — a club which can supply the fans with plenty of thrills.

Opening night tickets for the April 30th game with Artesia are on sale all over the area for 90 cents each. Season ticket books are \$40 and \$20 are on sale in Plainview. After the opening game General Admission will be 75c for Adults and 25c for children.

There is a new innovation at Jaycee Park this year. Boxes with four chairs will be on sale each night for \$1. They may be purchased after entering the park and assure fans of a good seat.

Mr. and Mrs. M. A. Boone took her parents, Mr. and Mrs. J. T. Burleson to their home at Hermleigh, Tex. Saturday afternoon after a two weeks stay here. Mrs. Burleson was just out of the hospital when they came here.

Mr. and Mrs. Elmo Schaffner and children spent the week end in Midland visiting her mother.

Mr. and Mrs. Mac Howard and children visited in the A. D. and Elmo Schaffner homes Wednesday.

Mr. and Mrs. A. D. Schaffner visited Mr. and Mrs. Melvin Schaffner of O'Donnell Tuesday.

Mr. and Mrs. Red Archer and baby moved to Amarillo Tuesday. We hated to see them move from our community but we hope they will be happy and successful in their new home.

Mr. and Mrs. Virgil Lee Adams and children moved to Amarillo Sunday after spending last week in the Virgil Adams home.

Opening Baseball Game At Plainview Next Wednesday

Plainview—Professional baseball makes its 1958 debut here on Wednesday night, April 30, with the Plainview Athletics taking on the Artesia Giants in an 8:30 contest at Jaycee Park.

The Athletics open the season two nights earlier, on April 28th at Artesia where the Giants provide the opposition.

A new concept in baseball will be making its appearance in this area in the Wednesday night opener for the Athletics.

The Plainview nine is this year a member of the six-club Sophomore League in organized baseball, a league in which all clubs are sponsored by major league teams.

Plainview's sponsor is the Kansas City Athletics of the American League. The other five teams are sponsored by National League clubs—Artesia by the San Francisco Giants, Hobbs by the St. Louis Cardinals, San Angelo by the Pittsburgh Pirates, Midland by the Milwaukee Braves, and Carlsbad by the Chicago Cubs.

Regular season rosters for the six members of the league will be made up of 16 players, none of them with over two years' experience in organized baseball.

Dear Editor: I see where the Potomac pundits have decided to whip the alleged recession by fixing it so anybody can buy a home without any down payment.

My coffee-shop economist neighbor says he bought a TV set one time with no down payment, but it didn't help his depressed financial condition on account of the deal still called for monthly payments.

So he is writing his congressman to get behind a more helpful move, say, to leave down payments about where they are and cut out the monthly payments.

Light Leads Our People

Each day a new door opens. What it reveals on the other side, for the people who must pass over its threshold, depends upon the conditions under which they lived their yesterdays.

Those in some countries look through the door upon a new day shadowed with oppressions, where there are few freedoms, tyrannies abound and living is hard and cold.

Those of us in America are more fortunate. Opening the door each day, we are met by the light of freedom which has led our destiny for many years. Protecting that freedom

has been — and always will be — a Press that will not succumb to dictation or overpowering despotism.

For the light that leads to all freedoms is Freedom of the Press: Education . . . information of all kinds . . . news of all that transpires . . . and the open discussion of opinions and ideas that sharpens understanding.

Complete freedom of speech and of the press is the light that builds understanding, helping all mankind to advance onward and upward through the opening door of each tomorrow.

COTTON SEED — High Quality planting seed is scarce. If you have not checked the germination of your cottonseed it will pay to have a germination test run. There is the possibility of poor stands if you plant poor quality seed. The treatment with fungicides can prevent seed and seedling disease and will help you keep a good stand of cotton.

WHEAT DISEASES — Two of the most common diseases of wheat are Leaf Rust and Stem Rust. There is no chemical control of these diseases and the only way to prevent losses is by the planting of tolerant varieties. Leaf Rust can be identified by the reddish orange spots on the leaves. The plants first appear yellow.

Stem Rust usually has powdery dark red streaks on the stems that eventually turn black.

COTTON MEETING — There will be a general cotton meeting in Plainview Friday, May 2, at the Plainview Co-op Complex. Extension Specialist will conduct the meeting. All persons are invited.

CONTEST — Winners have been selected in County Tractor Program. Curtis Sanders, Floydada, 1st; Warren Mitchell, Lockney,

2nd; Johnnie Witkowski, Floydada, 3rd; Dan Smith, Lockney, 4th; Wallace Denning, Floydada, 5th; and Neil Mitchell, Lockney, 6th.

These boys all worked hard and we congratulate them on the fine job. Curtis will compete in the Tractor Driving Contest in Lubbock May 3.

New Highway Map Is Now Available

Austin — The Texas Highway Department today released the big new 1958 Official Highway Travel Map. Maps may be obtained by writing the Texas Highway Department, Austin 14, Texas, or at the Highway District Offices and Travel Information Bureaus. County tax offices have map cards available for requesting copies of the map.

The Official Highway Travel Map is used by all states and governmental agencies in Texas for determining highway distances, mileages, zones, and like information. The same map is used by Texas tourists seeking roads to recreational and historical attractions throughout the state. The reverse side of the map reflects in full color some of the outstanding scenic and recreational facilities in Texas.

Texas' new 1958 travel map is the answer to today's demand for more and more travel information. The steady growth of Texas from a state with a population of slightly over seven million just ten years ago to its present estimated population of more than nine million is reflected by the information shown.

The number of cities and towns indicated on the 1948 map was 367. Today, there are 1,312 — an increase of 1,245. State and U.S. highways have been increased by 2,026 miles, and farm-to-market roads from 420 miles to 17,126 miles — a 16,706-mile increase. The map reflects a total of 43,292 miles of highways.

Roadside parks, long cherished by Texas highway users, were not shown on the 1948 map. Today, 1,026 roadside parks are pinpointed as pleasant stopping places. Divided

NATION STANDARDS ARE RARELY LOWERED

Dear Editor: I note that the try of China to get its flag up in the assessments for the 1957 seed cotton has been temporarily lowered. Young, chairman of the Seed and Planting their government, has announced.

This lowering of the germination of the cotton is a temporary emergency measure for the 1957 seed crop to make application for foreign aid money.

My better judgment guesses what our government's real expert runners are doing in this field.

10 CLUES TO CANCER

Clue No. 3, Chemotherapy

An impressive number of anti-cancer drugs have been produced, and more constantly are coming off the "molecule assembly lines" in university, hospital and industrial laboratories.

A few of these drugs have cured cancers in animals.

A dozen or more are of substantial benefit to cancer patients — in some cases they will make the cancers wither away completely for a while. But none so far has cured human cancer.

Scientists now have learned the shape and composition of many drug molecules; they have traced them in body chemistry; and they are fashioning more effective drugs in hope that one or more will cure the disease in humans.

Help science help you! Send your contribution to the American Cancer Society!

of the state already have had to replant their cotton acreage and were unable to find adequate high germinating seed for the replanting," Young said.

"It is the Board's opinion," he explained, "that if it is necessary for growers to plant seed with germination below 60 per cent, it will be better to plant the low germination seed produced under certified regulations than to plant low germination seed of unknown or questionable origin."

A farmer should expect to purchase the low germinating seed at a reduced price since it will contain less live seed per bushel than seed germinating at a higher percentage, Young said.

"However, the reduction in price can not be proportional to the reduction in germination since it costs the same to cull, treat, bag and tag both the low and higher germination seed," he added.

Jerry D. Newton Out Of Boot Camp
San Diego, Calif. (FHTNC) — Jerry D. Newton, son of Dalton W. Newton of Lockney, graduated from recruit training March 28 at the Naval Training Center, San Diego, Calif.

The graduation exercises, marking the end of nine weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "new recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

HOW TO BUY CALAVOS
According to Margaret Spader, home appliance editor of the Gas Appliance Manufacturers Association, avocados are ready to eat only when soft. To test for softness, hold the fruit in the palms of your hands and press gently. If the fruit feels soft, it is ready to eat. If firm, leave at room temperature for two or three or four days. Do not refrigerate an avocado until it is soft. When soft, place in the warmest part of the refrigerator.

IN A NUTSHELL
To store nuts properly and prevent their becoming rancid, remember: unshelled nuts keep better than shelled nuts. Unsalted nuts keep better than salted nuts. Nuts will hold their crispness for 8-10 months in the home freezer. They should be sealed in air-tight polyethylene bags for freezing. Nuts that are low in fat (such as filberts) should be roasted in oven at a low temperature, 275 degrees. Almonds, walnuts, pecans and other nuts high in oils and fats can be roasted at 375 degrees.

Cancer Drive Hits \$3,138.46 In County

The fund drive for the American Cancer Society now totals \$3,138.46 in Floyd, more than double the original quota, according to figures released Wednesday. On deposit in the Lockney bank from the northern portion of Floyd County Wednesday was \$1,625.82 and (a) deposit at Floydada of the remainder of the county was \$1,512.64. The county's quota was \$1,500.00.

Mrs. Bill Hodel, chairman for the Lockney area, says that the drive has been handled very satisfactorily by all workers and she urges all citizens to get regular check-ups for cancer detection.

Mrs. W. E. Daniels of Floydada, county chairman of the drive, said that she certainly appreciated the fine work of Mrs. Hodel in organizing and carrying on the drive in this part of the county. "We appreciate not only her personal effort, but the fine co-operation she gave and secured from all workers."

Mrs. Hodel said this week. "The American Cancer Society states that the educational campaign is as important as the fund raising aspects in this work. Williams and Musser Qualify For State Meet

Two Lockney Longhorns — Jerry Williams and Bill Musser — will compete in the Class A state track meet May 1, 2, 3 at Austin. The two boys will warm up for the state meet by entering the Red Banner Relays at Lubbock Saturday.

The Lockney High athletes qualified for the state meet by placing first or second in the Region 1 meet at Texas Tech field, Lubbock, last week end. Preliminary heats were held Friday with the final Saturday.

Williams won the 100-yard dash final to qualify for the state event. The little speedster finished ahead of Roy Suddarth of Dalhart who had defeated him in the Sande Relays at Amarillo March 28-29. Williams' time was 10.6.

Musser came in second behind Dennis Richardson of Seminole in the mile run. The winner was clocked at 4:44.5.

Another outstanding Longhorn sprinter, Nelson Wofford, ran third in the 200-yard dash, but failed to qualify for the state meet. Tim Cramer, Fort Stockton, and Suddarth, was first and second in the event.

The Lockney 440-yard relay team — Williams, Wofford, Cliff Hardy, Donnie Barton — ran third and narrowly missed qualifying for the state meet.

Williams, Wofford, and the 440 relay team completed in the state meet last spring. Athletes who came in first or second in district meets were eligible to enter the Region 1 event.

Williams, Musser, Wofford, Hardy and Barton are all senior students.

Physician's Bill Patterson continued on his winning way as he won the 120-yard high hurdles and anchored second in the 180-yard low hurdles. Charles Ogden of Floydada won the high jump. Other boys from this district who showed up in the regional finals were A. C. Harris, Abilene, who won the 440-yard dash and Jerry Adams, Tahoka, who placed third in the 880-yard run.

Lockney placed seventh in the Class A team standing with 22 points. Team totals included: Seminole 21; McCarney 16; Fort Stockton 16; Dalhart 14; Crane 14; Floydada 13; Lockney 12; Denver City 9; Canyon 7; Abilene 5; Quanah 5; Perryton 5; Tulla 5; Olin 4; Mulleshoe 3; Tahoka 2; Wellington 2; Childress 1.

Mrs. Ed Reeves of Abilene, a former Lockney resident and former employee of Baker Dry Goods accompanied Mrs. W. A. Hughes, also of Abilene, on a visit here with friends and relatives Tuesday and Wednesday. Among those they visited were Mrs. Hughes' mother, Mrs. Pearl Prickett and Mrs. Conde Davis. They also attended the Baker celebration.
