**Good Farm Record Can Save Income Tax Dollars**

College Station — Farmers may save several dollars on income tax by keeping good records, reminds C. H. Bates, extension farm management specialist.

Small leaks are the ones that sometimes prove costliest, Bates points out. An oversight of only \$25 in expense items may cost an additional \$5 tax. So, records should include all items of expense and income that will help determine net profit or loss from the business.

To simplify filling out the tax forms, Bates recommends classifying various items in categories corresponding to the various headings used in tax forms. For recording sales, the following groups are recommended: (1) sale of livestock raised, (2) sale of produce raised, (3) other income, (4) sale of items purchased for resale and (5) sale of assets that may receive capital asset treatment.

A depreciation schedule should be kept on farm building (except dwelling), fences, machinery, equipment and purchased livestock used for dairy, breeding or draft purposes. These items depreciate each year and this loss is deductible for income tax purposes at the end of the year in which it occurs.

Bates advises consulting your local county agricultural agent about your tax problems. The county agent also can provide a copy of the 1959 Farmers' Tax Guide which should be helpful in your tax management this year.

Miss Linda Baxter, bride-elect of Roy Kidd, was complimented with a lingerie shower Saturday afternoon at 4:00 o'clock in the home of Mrs. Jerry Lynn Wofford.

The refreshment table was laid with white and centered with tall pink cupid holding darts. Surrounding the cupid was a cloud of angel hair topped with a picture of the honoree. The cloud was labeled "Number Nine."

Hostesses for the delightful occasion were Miss Pat Ashton, Miss Rita Johnson and Mrs. Jerry Lynn Wofford.

Guests included Shirley Mitchell, Janice Hays, Eleane Baxter, Peggy Ford, Debra Ferguson, Ann Griffith, Lesca Dee Dorman, Donna Workman, Jackie Frizzell, Rita Marshall, Kim Mickey, Charlotte Taylor, Ann Brown, Mertie Lewis, Vickie Cook, the honoree and her mother, Mrs. Clyde Baxter.

**G.A. MEETS**

The Bertha E. Stanley Girls Auxiliary met at the First Baptist Church Monday afternoon at 4 o'clock to do some community mission work. Jonita Ferguson, president, presided and Mrs. Harmon Handley, sponsor, gave the invocation. Following mission activity the girls were served refreshments.

**Mrs. Troy Stafford Is Shower Honoree**

Mrs. Troy Stafford was named honoree for a layette shower given Tuesday from 7:00 to 8:30 p. m. in the home of Mrs. Donald Reece.

The serving table was laid with lace over green and appointed in crystal. Individual cakes were iced in white and topped with a yellow or green tootie. Favors were marshmallow storks.

Hostesses were Mmes. Joe Taylor, Donald Reece, Bobby McCormick, Carroll Minor, Bob Lane, Teddy Carthel, Douglas Meriwether and Roland Watson.

**S. S. Class Has Chili Supper**

The T.E.L. Sunday School Class of the First Baptist Church entertained their husbands at a chili supper in Fellowship Hall of the church Thursday evening, January 23.

Mrs. Ben McGee, president, presided and Mrs. F. M. Smith brought the devotional. J. A. Dunn gave the benediction. Those in attendance were Mr. and Mrs. F. M. Smith, Mr. and Mrs. E. J. Rogers, Mr. and Mrs. W. O. Whitehead, Mr. and Mrs. J. C. Weathers, Mr. and Mrs. T. B. Mitchell, Mr. and Mrs. Ben McGee, Mr. and Mrs. O. C. Bailey, Mr. and Mrs. J. R. Richards, Mr. and Mrs. H. Mr. Kermickel spoke on "Wills".

Present were Mmes. Robt. Daniels, Bobby Johnson, J. M. Tye, Jimmie Stennett, H. G. Hodges, W. A. Jolly, Wilson Kermickel, Roland Watson and Ted Carthel.

Next meeting will be Feb. 18 in the J. M. Tye home with Mrs. Douglas Dege as speaker.

**J. A. Dunn Honored At Surprise Dinner**

John Allen Dunn was honored with a surprise birthday dinner Sunday, January 25, at his home here.

Mr. Dunn's five sisters from Crosbyton brought the meal to surprise their only brother. The sisters and their families present were Mr. and Mrs. Dee Collier, Mr. and Mrs. Tilman Reeves and Melinda, Mr. and Mrs. Ernest Roberson, Mrs. Griffin Odum and Andria, Mrs. E. L. Roberts, all of Crosbyton. Others attending were the Dunn's daughter and family, Mr. and Mrs. Bill Rogers and Pecky of Amarillo, Mr. and Mrs. John Dunn.

Center attraction on the table was a birthday cake designed as a man's shirt, complete with collar, tie, buttons and pocket. The cake was baked by Mrs. Henry Rowell and was a gift from Mrs. Dunn.

After dinner group pictures were made.

MARY MARTIN was named "Homemaker of Tomorrow" at Lockney High School.

**Mary Martin Is Homemaker Of The Year**

Mary Lois Martin has been named 1959 Betty Crocker Homemaker of Tomorrow at Lockney High School. She is the daughter of Mr. and Mrs. W. H. Martin.

She received the highest score in a 50-minute written examination on homemaking knowledge and attitudes taken by graduating senior girls in her school. She received a home-making pin which represents the slogan, "Home is Where the Heart Is" in High School Assembly last Friday morning. Her examination paper will be entered in competition with those of other school winners in the state to name the state Betty Crocker Homemaker of Tomorrow.

The test is designed and judged by Science Research Associates.

Each state Homemaker of Tomorrow will receive a \$1,500 scholarship from General Mills, an educational trip April 4-10 with her school advisor to Washington, D. C., colonial Williamsburg, Va., New York City and Minneapolis, and she will be a candidate for the title of All-American Homemaker of Tomorrow. The school of each state winner will receive a set of the Encyclopaedia Britannica. General Mills will award a \$500 scholarship to each state runner-up.

There are 12,260 participating schools throughout the nation, which have enrolled 349,150 senior girls, the largest number of participants in the five-year history of this \$106,000 scholarship program. Growth has been steady since 1955 when 187,463 girls in 8,040 schools participated.

The 1959 All-American Homemaker of Tomorrow will be announced in Minneapolis April 10 at the American Table Dinner in the Leamington Hotel's "Hall of States."

The scholarship of the All-American Homemaker of Tomorrow will be increased to \$5,000. The national runner-up will receive a \$4,000 grant, third place winner a \$3,000 award and fourth place winner a \$2,000 scholarship.

**PRESERVES, JAMS, JELLIES. WHAT'S THE DIFFERENCE?**

According to home economists with the Gas Appliance Manufacturers Association, preserves are made from whole fruits, jams are made from the juices of fruits. Home made varieties of these foods make beautiful Christmas gifts. Be sure to shine the glasses and label correctly and attractively. Wrap in transparent paper so the jewel-like colors show through.

**GLAMOROUS CAKE FROSTING**

Combine 1 1/2 cups sugar, 1/2 cup water and a dash of salt and place on the automatic top burner heat control of the range set at 212 degrees. Cook until the syrup spins a thread, or to 234 degrees F on a candy thermometer. Beat 2 egg whites until frothy, add 1/2 teaspoon cream of tartar and beat until stiff. Pour syrup over the egg whites, beating constantly until smooth. Add 1 tablespoon lemon juice and 16 marshmallows cut into quarters. Continue beating until thick enough to spread. Tint with food coloring if desired.

Definite plans were made to have the annual Sweetheart Banquet on February 12.

**SERVE FRESH ROASTED PORK NOW**

Fresh pork contributes significant amounts of protein, iron and B-vitamins to the daily diet. The price of this nutritious meat declines during fall and winter months, so serve it often. It is a good idea to use a meat thermometer when roasting pork, inserting it through the fat side into the center of the meat. Preheat the oven to 325 degrees and allow 45 to 60 minutes per pound if the roast has been refrigerated. When the thermometer reaches 185 degrees, the meat is well done. It should be even gray in color.

**HEARTY BEAN CHOWDER**

Cut 1/2 pound of link pork sausage into 1-inch pieces. Cook over a medium flame until brown. Add 1/2 cup chopped celery and 2 tablespoons minced sweet red pepper. Cook 5 minutes. Add one can of tomato soup and one can of bean soup and 2 cans of milk or water. Cook over a low flame for 20 to 30 minutes. Serve steaming hot with a garnish of parsley, chives or scallions. Serve with wedges of cornbread and crisp relishes. Serves 4 to 6 hungry people.

The first homestead in the U. S. was granted to Daniel Freeman in January, 1863. According to The World Book Encyclopedia, the site, near Beatrice, Nebraska, was made a national monument in 1939.

The Navy's newest floating airfield, the aircraft carrier USS Independence, is equipped with two special food shaping machines that will automatically shape up to 2,400 hamburgers an hour. Coffee urns will make up to two gallons of and automatic potatoes are estimated to potatoes an hour.

Those who will take part on the program are Nina Rhea Willams, Suzanne Smith, Judy Smith, Mary Johnson, Johnnie Hodel, Linda Hodel, David Mitchell, Vernon Ray White, Trudy Jarrett, Joe Dean Hammond, Carol Turner, Jonita Ferguson, Gale Kendrick, Marie Harris.

Weathers-Donelson Wedding Vows Are Repeated Saturday

Miss Sally Weathers, daughter of Mr. and Mrs. Carl Weathers of Kress, became the bride of Duane Carroll Donelson, son of Mr. and Mrs. J. D. Donelson, Route 3, Plainview.

Rev. E. S. Weathers, grandfather of the bride, read the vows in the Kress First Baptist Church as the couple stood before an arch formed with candelabra entwined with greenery.

Mrs. Stella Morton, organist, played the traditional wedding music and accompanied J. E. Boggs who sang "Always" and "Whither Thou Goest".

Given in marriage by her father, the bride wore a gown of white Chantilly lace and nylon net over taffeta. Folds of net formed the fitted bodice.

Miss Judy Weathers attended her sister as maid of honor. She wore a dress of aqua Bates cotton designed with fitted bodice featuring a neckline high in front and dipping to a V in back.

Misses Sharon Thomas, Ruthie Seal and Sue Williams, all of Kress, were bridesmaids. They wore dresses designed like that of the maid of honor.

Ronald Donelson served his brother as best man. Groomsmen were Durward Davis, Tullie Charles Reinhardt and Jimmy Curry, Kress.

For her daughter's wedding, Mrs. Weathers wore a rose beige silk crepe dress with white and cinnamon accessories. Her corsage was of pink carnations.

Following a reception at the home of Mr. and Mrs. E. E. Cox,

Lone Star Club Sees Slides Of France, Germany

Joe and Jim Nance presented an interesting program for Lone Star Home Demonstration Club Tuesday, Jan. 20 when the club met in the Nance home with Mrs. W. D. Nance as hostess.

The two men, former service men stationed in France, showed colored slides of interesting places in Paris and Orleans, France, home of Joan of Arc, and some beautiful garden scenes near the former home of Adolf Hitler in Germany.

Mrs. Bailey Henderson, president, was absent and Mrs. C. L. King, vice-president, presided. The club had the council exhibit January 16, arranged by Mrs. Henderson and Mrs. Hoyette Hodges and this report was given to the club during the Tuesday meeting by Mrs. Jim Nance.

A devotional was given by Mrs. Joe Nance and Mrs. Hubert Frizzell spoke on "Plants Best Suited" followed by Mrs. C. L. King who discussed "Spring Flowers." Roll call was answered with interesting facts about some foreign country.

Refreshments of fruit cake, coffee, spiced tea, mints and nuts were served.

Next meeting will be held February 3 in the home of Mrs. E. O. Barrett for a program on "Strawberry Culture and Shrub Pruning."

Kress, the couple left for a short wedding trip. For traveling the bride chose a blue and white fitted suit, white hat and gloves.

The bride attended schools in Lockney and Kress where she graduated at mid-semester. Her husband graduated from Kress High School in 1956 and attended Texas Tech. He is now employed with Bell Telephone Company in Midland where the couple is at home.

Dear Editor: I see where pretty often a congressman or other government official is mentioned in the news, it will be noted that he is pro-labor, pro-business, or otherwise herded.

My free-speaking neighbor says of course these groupings are within the broader categories of pro-tax and pro-me leaders.

But says it does look like, once in a while, the law of averages would turn up an occasional one of these characters who was just pro-

### South Plains

By Mrs. Murray Julian

Wednesday morning it was five degrees with a little snow, but the predicted blizzard passed us by. Farmers are finding hard going with their deep plowed fields so dry it is hard to work them. Moisture is needed very badly.

Children on the honor roll at South Plains the past six weeks are as follows: 3rd grade, Beth Kinnibrugh, Diana Calahan; 4th grade, Glenda Kay Cummings, Rita Taylor, Vicki Johnson, Dewey Spradlin, Sandra Sessums; 5th grade, Darlene Gillespie, Katherine Mulder, Mary Respondek; and in the

8th grade, Dennis Deavenport, Gary Wilson, Jimmy Pritchett, Bill Bledsoe and Bruce Julian. Don, Nancy and Donette Marble left over the week end for a vacation out in Nevada and the western states.

Alton Higginbotham, Kendis Julian and Eugene Beedy from WTSC at Canyon were home from Thursday to Sunday with their folks during midsemester vacation.

James Hartman and Keith Marble are scheduled to do their boot training at Camp Chaffee, Arkansas.

Mr. and Mrs. Arby Mulder and children visited Sunday with her brother and family, the Wayland Fitzgeralds at Rock Creek. The occasion was

a surprise birthday dinner and about 45 of the family gathered.

Tommy Respondek and Kendis Julian went to Lubbock Saturday where they attended open house, parade, air show, and static display of aircraft, with a B-25 dedication ceremony which marked the graduation of the last class of B-25 student pilots and the institution of all-jet pilot training at Reese Air Force Base.

The Frank McClures had as guests Monday her mother, Mrs. R. W. Newman, her brother, Mr. and Mrs. A. C. Newman, and her sister, Mrs. R. L. Younts, Brenda and Rusty, all of Snyder.

Mr. and Mrs. Calvin Potet and family moved this past week to Floydada. We are sorry to see them go. They sold their home to Mr. and Mrs. Kenneth Bean, Carla and Diane, who will move there in February.

Mr. and Mrs. Grigsby Milton, Darla and Barbara went to Lubbock Thursday night at 8 p.m. to attend a style show by the Nancy Taylor Finishing School at the Caprock Hotel. Their daughter, Donita, modeled clothing from Dunlaps during the show.

Eddie Parks of South Plains was presented a certificate for being elected Citizen of the Semester by the student body and faculty during last Thursday's assembly. We are proud of Eddie and add our congratulations to those of the neighbors. Qualifications for the award include interest, participation in school activities, school spirit, contribution to welfare of school and student body, sportsmanship and wholesome attitude.

4-H Club members met Thursday night at the school house with leaders, Mrs. Roy Bledsoe, Miss Roggendorff and Harold Ellison. The rat and mice poison came and Friday afternoon John Key West, Murray Julian, Grigsby Milton, R. H. Adams and Kendis Julian helped sack the poison for distribution at Clubb Elevator. All that was not sent out is at the Parks Oil Station where it may be picked up.

Grigsby Milton, Shelby Calahan, Murray Julian, Kenneth Bean and Early Pritchett got home Thursday around noon from Eureka, Nevada, by way of Salt Lake City, Utah, where they were in a bad snow storm, through Cortez, Colorado and home by way of Albuquerque, New Mexico.

Mr. and Mrs. Sim Reeves

hosted a dinner Saturday night in honor of Jack Reeves, who was home just over night from

Denver, Colorado. He came in Saturday by train and took his car back Sunday morning. Present were Mr. and Mrs. Bob Reeves, Sandy, Jean and Jeanette of Lubbock, Mr. and Mrs. Ted Bell and Rex of Floydada, and Mr. and Mrs. Raymond Reeves and Carol Ann.

The fifth annual meeting of members of the Caprock Gas Association was held at the school house Thursday night, Jan. 22 with two new directors, L. T. Wood and L. N. Johnson being elected during the business session.

The Young Married Couples Sunday School Class held a party Friday night at the school house, 42 and 84 were played. Hostesses were Reta Pierce and Joy Smitherman, who served refreshments of cherry and carnal pie, coffee and cold drinks. Present were Rev. John Gillespie, Mr. and Mrs. Garvin Beedy, Mr. and Mrs. Sterling Cummings, Mr. and Mrs. Sylvain Kinnibrugh, Mrs. Junior Calahan, Mr. and Mrs. Rex Smitherman and Kelly, and Mrs. Thomas Pierce and Beverly.

Our sympathy is extended to Mrs. I. H. Parks and her family in the death of her father, Jehu George Shearer, who passed away Monday in San Antonio. The family left Tuesday for there and then went on to Amarillo where on Thursday the last rites were said at 1 p.m. at the Blackburn-Shaw Chapel, with interment at Amarillo. Death was caused by tuberculosis, and he had been ill for a long time. The Parks had gone down to visit him at Christmas time.

Those from here attending the funeral of J. G. Shearer in Amarillo Thursday were Mr. and Mrs. Bryan Karr, Mr. and Mrs. John Key West, Mr. and Mrs. John Smitherman, Mrs. L. T. Wood, Cherry Muihins, Fred Marble, E. J. Kinslow, Dean Stewart, Junior Calahan and Pierce.

WMU members met Monday at 2 for Bible study. Mrs. Bryan Karr directed the study of Abraham. Present were Mmes. J. P. Taylor, John Gillespie, Sim Reeves, L. T. Wood, Tom Pierce, Shelby Calahan, Bryan Karr, Dock Jones and E. L. Morrison. A business and social meeting is scheduled Monday at 3 p.m. in the home of Mrs. Taylor.

Mr. and Mrs. Kenneth Bean and Diane are leaving Monday for Houston on a business trip

and plan to be away for several days.

Mrs. H. S. Calahan Jr. was hostess at a party Saturday afternoon in honor of her oldest daughter, Diane, who was celebrating her ninth birthday. Guests were Beth Kinnibrugh, Beverly Pierce, Linda Lamb, Reta Taylor, Darlene Gillespie, and Kay Cummings. Games were played and Mrs. Calahan served birthday cake, ice cream and cokes. Favors were heart shaped candy.

White chrysanthemums and

greenery centered the table for a miscellaneous wedding shower given in the home of Mrs. H. L. Parks honoring Mrs. James Teague, nee Juanell Wood, Saturday afternoon. Guests were served hot spiced tea, nuts and cake squares decorated with blue wedding bells, by Miss Donita Milton. The table was laid with lace over blue. Napkins with the names, Juanell and James, were used depicting the brides chosen colors of blue and white. Guests were greeted by Mrs.

Marble and were registered a bride's book by Mrs. Wood. Registering from the da were Mrs. Riley, Mrs. Earl Bishop, Mrs. Bishop, Mrs. Roy Teague, Lubbock, Mrs. W. L. and from Crosbyton, Mrs. my Peggram and Christesses were Mmes. Horseye, Harry Hartman, Bill John Smitherman, Bill le, A. C. Carthel, Upton, Don Marble, Milton and J. P. Taylor. tifty guests registered.

## Thanks, Folks!

I wish to express my appreciation for the fine patronage you have given the firm of Hammond & Company for the past several years. Your friendship and loyalty has meant a great deal to me and I do sincerely appreciate every one of you.

I have sold my interest in the firm to M. H. Martin, Fred Martin and Fred Zimmerman Jr., and they will continue to operate the business in the same location. I know they will give you the same good service to which you are accustomed and I will appreciate your continued patronage of the local implement firm.

Thanks again for every favor you have shown me through the years.

CLAUDE HAMMOND AND FAMILY

# Announcement!

We wish to announce to the people of Lockney and this area that we have purchased the interest of Mr. Claude Hammond in the Lockney International-Harvester dealership, which has been operated as Hammond & Company for the past several years.

We will continue to operate the business in the same location and will give you the very best parts and service at the lowest possible prices. We will carry a complete line of International Farm Machinery and Farmall Tractors as well as repair parts and accessories. It is our intention to give you the kind of service you want from an implement house and we invite you to come to see us when we can be of help to you.

The employee personnel will remain the same. We will all certainly appreciate the opportunity of serving you.

Our trade name is pending but it will be selected and announced soon.

## Texas Primary Roads Carry Most Traffic

Austin — "Texans must not feel that Uncle Sam is going to solve all our highway needs with federal money. Texans still have a tremendous responsibility in solving their own traffic needs."

These words of warning come from Marshall Formby, Chairman of the State Highway Commission.

Formby stated that too many people in Texas, after reading about the huge amount of money which the federal government is going to spend on the interstate system of highways, believe that all Texas highway needs are solved.

"The 3,033 miles of interstate highway in Texas, when completed, will carry only about 16 per cent, certainly never more than 20 per cent of our Texas traffic. It is up to Texans to work out their own solution for this other 80 to 84 per cent of traffic."

Formby explained that the biggest problem in Texas highways is the 26,000-mile "primary" system which links most of the state's major cities and towns.

"Two out of three autos travel this system," Formby said. "Yet at the present rate of improvement it will take us 22 years to put the primary roads in top condition. By this time, these roads will need further improvement."

Chairman Formby stated that 1,000 miles of the busy primary system are built with four lanes, and that another 5,500 miles should be four-laned within the next five years.

"Thousands of miles need shoulders paved, and 4,200 bridges need to be widened. It would cost more than \$2 billion to put the primary roads in first class condition for safe travel under the present traffic load."

Formby predicted that 500 lives and \$50 million property damage from accidents could be saved annually if the primary system were built to proper standards.

"We are proud of the progress made on our 32,000-mile farm-to-market road system," Chairman Formby said. "These paved rural roads are of much benefit to the farming and ranching areas and school bus and mail routes. We have added nearly nine thousand miles to the farm-to-market road system since I joined the Highway Commission in 1953."

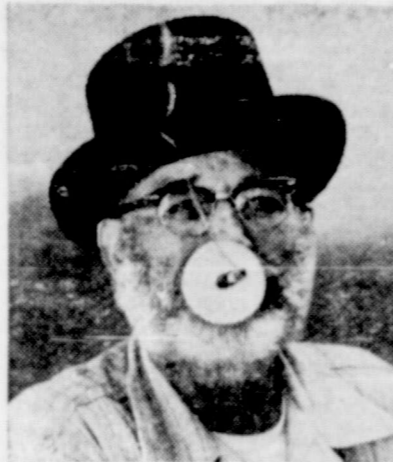

Formby stated that the 50-50 right-of-way purchase law enacted by the last session of the

TO KEEP those whiskers from getting singed, this ingenious cigarette smoker uses a circular ash guard. After all, you don't grow a luxuriant sample like this every day.

TO PLEASE his boss, and also the customers at this Miami, Fla., pool, Corky, the porpoise, daily plunges through a paper-covered hoop. The 500-pound clown is star of the show.

TO TRAIN students at the Ft. Leonard Wood, Mo., school of the U. S. Army Engineers, these International crawler tractors are used for earthmoving demonstrations. The 10 tractors are part of an array of 234 machines operated in the six-weeks' course.

Texas legislature has been a great aid to the primary system and to the countries and cities desiring highway improvement. "However, right of way is exceeding the estimated cost. When more money is required for right of way, it has to come out of the construction money, and so less road-miles can be built," Formby said.

Formby, 47, was born in Hopkins County, but moved to McAdoo in Dickens County when a small boy. He is a

former county judge of Dickens County, former state senator, and served with the army engineers in World War II, spending 20 months in the European theatre. He is married and has a young son and young daughter. He is a graduate of Texas Tech, received his Masters degree from The University of Texas, and studied law at Baylor University.

## Diseases Cost Cotton Farmers \$156 Million

College Station — Diseases took a \$156 million bite out of the 1958 Texas cotton crop, report 15 cotton specialists located throughout the state.

"Cotton diseases kept at least 930,000 bales of cotton from being marketed," said Harlan Smith, extension plant pathologist, who compiled the information for the Cotton Disease Council.

Besides the \$156 million cash loss to producers, there were losses of business to farm labor, railroads, trucking companies, suppliers, compress companies, storage facilities and other phases of the industry. Diseases also were a major factor in grade reduction and a limiting factor in yield.

This loss occurred even though 1958 growing conditions were generally good as record yields were harvested in many areas, Smith said.

Major diseases and estimated loss due to their effect on yield were bacterial blight, 7.31 percent; root rot, 3.18 percent; verticillium wilt, 3.06 percent; seedling diseases, 3.0 percent; and boll rots, 0.92 percent. Other diseases causing losses were root knot nematodes, fusarium wilt and ascochyta blight.

These average figures don't give the true picture because in areas where diseases struck the hardest losses ran into ruinous figures, pointed out Smith. For example, root rot was estimated to have caused a 25 per cent loss in the Central Blackland area. Seedling diseases were especially damaging in the Lower Rio Grande Valley and in some North Texas areas. Bacterial blight caused damage throughout most of the state.

### PEACHES MARCO POLO

Preheat your oven to 400 degrees. Then arrange drained canned cling peach halves in baking dish, cut side up. Mix 1/4 cup honey, 1/2 cup chopped raisins, 2 teaspoons finely chopped candied ginger and 2 tablespoons wine vinegar together and fill cavities of the peaches. Bake them in a hot oven for 20 minutes. Serve warm, spooning syrup over them. Garnish with vanilla ice cream if desired. Coconut cookies go nicely with peaches.

### WOOL SHIRT WEATHER

No more need to deprive the men of the house of wool shirt comfort. Blends of synthetic and wool fibers look like pure wool and are machine washable. Read hand tags on all new clothing carefully. Con-

trols on new water heaters and clothes dryers remove all doubts about shrinkage. You can set the temperatures to the specifications of the shirt manufacturer.

County Home  
Demonstration Agent

Mrs. J. T. Spears, chairman, Home Demonstration Council, Mrs. Elmer Norrell, Vice-Chairman, and Mrs. Arlon Miller, County THDA chairman are going to a district meeting at Tahoka with me Thursday. This is a Texas Home Demonstration Association meeting to give training on the THDA and plan the district meeting which will be at Plainview April 16.

I am holding the first special interest meeting on Refinishing furniture next Monday, Feb. 2. It will be in the Home Demonstration Council room in the courthouse at 2 p. m. At this first meeting I will discuss how to take the old finish off of furniture and sand it. At the

second meeting, March 2, everyone will bring their furniture to the work show, so it will need to be a small enough piece to carry around. Anyone who wants to refinish a piece of furniture is welcome to come.

#### Are You A Good Eater?

Food is the fuel your body depends on. The right food daily can give you better health and more pep and vitality. It can improve your attitude, appearance and even help you live longer.

Poor eating habits can cause many bodily disorders. Nervousness, depression, tendency to tire easily, improper weight, skin disorders and lowered resistance to disease are some of the more common results. Improper growth, tooth decay, poor bone formation, night blindness, sore gums and other disorders may occur.

Check now to see how you and other family members rate. For a good diet, you need daily:

- 1 egg
- Meat
- Potatoes
- Green or yellow vegetables
- Citrus fruit or tomatoes
- Other fruits
- Enriched cereals or bread
- Butter or margarine.

#### Tax Man Sam Sez:

The community property law of the State of Texas continues to be one of the most important points for Texans to remember in filing their Federal tax returns. In Texas the husband and wife must each file on one-half of all the community income and on one-half of all the expenses of the community if they file separate returns. It is much better in Texas to file a joint return with all the husband's and wife's income on one return. Now for our annual joke — In Texas a woman cannot have all of her husband's money, she is only entitled to half. It says so in the law.

### Carl D. Lee At Spring Show

Carl D. Lee, owner and operator of the White Authorized Dealer Store here, has just returned from the annual spring merchandise show and dealer meeting in Wichita Falls.

Mr. Lee was one of the 193 White Authorized Dealers present at the show. These dealers traveled from as far away as Mississippi to attend the event and see on display the 1959 lines of merchandise available to them.

This annual show, which directly follows the national markets held in New York and Chicago is patterned after these market shows and each item or line of merchandise is displayed separately with a factory representative on hand to explain new models and features. This provides the dealer with a complete knowledge of the various lines and simplifies the selection and buying of merchandise.

Merchandise shown included the 1959 lines of Leonard refrigerators, home freezers, washing machines, and electric ranges; ABC automatic washers and dryers; Eureka cleaners; Gaffers & Sattler gas ranges; Revco home freezers; Olympic television, radios, and phonographs (including the latest hi-fidelity sets); Arvin radios, and many others.

Heading the list of spring the lawn and garden equipment, garden hose, power lawn mowers, and outdoor play equipment. Displayed, too, was a wide selection of Wilson sporting goods, South Bend, Pflueger, Shakespeare, and other fishing equipment, water skis and accessories, etc.

Many of White's own brands, Catalina gas ranges and room

coolers and White evaporative coolers, the complete line of White tires and tubes and White batteries and seat covers, plus White power lawn mowers . . . brands well-known to millions from Denver to the Gulf of Mexico were also on display.

Mr. Lee and the other dealers spent the day touring the various market places and placing orders for early spring shipments.

He says, "I think that my store will be able to offer not only the best quality spring and summer merchandise to be found in this area, but the lowest prices for that merchandise that can be found. This show always proves invaluable to me and the other White dealers, because we are able to completely familiarize ourselves with the newest and best in merchandise with which to present our customers."

#### CALIFORNIA VISITORS

Mrs. Floyd Saddler and children of Los Angeles were here visiting her parents, Mr. and Mrs. W. R. Kendall last week. Other relatives visiting in the Kendall home were Mr. and Mrs. W. Jenkins of Amarillo, Mr. and Mrs. B. B. Joiner and Mr. and Mrs. Lee Deavenport of Silverton.

#### HARDINS ARE HERE

Mr. and Mrs. Ray Hardin were visiting friends here Tuesday. Mr. Hardin has just been released from the Veterans Hospital at McKinney where he had been under treatment for a month. He underwent surgery there. He is a former deputy sheriff here but is now employed in a similar capacity at Anton.

### Lower Beef Prices Are Predicted

College Station. — It appears that beef prices in 1959 may not be greatly different from those of 1958, though the average price in 1959 could be a little lower, predicts John G. McHaney, extension economist.

However, he adds, increases in cattle inventory are setting the stage for a price decline some time in the next few years. Any increase in cattle numbers sets the stage for a future price decline and one is very probable in some early year after 1959. But if the date of expansion can be kept within bounds the drop will not be too severe.

McHaney says the average price received for slaughter cattle in 1959 may be slightly below that of 1958 and profits from feeding cattle may average less than in 1958 when returns were the largest of recent years.

The greatest price strength in 1959 will be in feeder and breeding stock, just as in 1958, the economist points out. The bumper 1958 feed harvest, the second in consecutive years, should keep the demand for feeders at a high level. The

strong demand for young cattle, both for feeding and herd expansion, also will help keep the price of feeder and breeding cattle high relative to slaughter and fed cattle.

Consumers will have more meat to eat in 1959 than in 1958, McHaney says. It has been estimated that about six percent more red meat will be produced in 1959. Most of the increase will be in pork and sizeable increase in pork supplies will tend to hold down cattle prices.

Higher grade beef from fed cattle will remain fairly abundant but lower grades will continue scarce. The price spread between grades will continue to be unusually narrow as cattle feeders bid for the lighter, unfinished animals.

# STATE CAPITAL Highlights AND Sidelights

by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Texas lawmakers face the old "chicken or egg" problem as they move into the session's main issue — money. Is it best to decide first how much the state must spend to keep its various programs going and then scrape up tax money to cover them? Or should the tax take be set first and the pie sliced up accordingly? Thus far, both problems are being juggled at the same time. Already the mathematical acrobatics are spreading among spectators — both appropriation seekers and tax carriers.

GOVERNOR'S PRESCRIPTION — Gov. Price Daniel is prescribing a two-pronged, \$210,000,000 plan to cure state fiscal ailments. First prong is to raise \$65,000,000 to pay off the debt existing in the general revenue fund by the end of this fiscal year. Second prong is to raise \$2,800,000 a year (\$145,600,000 over the next biennium) to cover spending from the general revenue fund.

Sources for this money would include: (1) a natural gas severance tax, (2) an increase in levies on motor vehicle sales, tobacco and corporation franchises and (3) unclaimed bank deposits, insurance policies and property, which the state would take over.

## OLIVER 880 New Gasoline and Diesel Row Crop Champion

This is the new work leader—the most powerful row crop tractor built. In recent, nationally recognized tests the gasoline 880 developed 56.29 drawbar horsepower... the diesel, 54.97. These 880 models also established new records in pounds of drawbar pull: 7998 and 8118. There's a lot more to see in the new record-breakers, extra units to make all your jobs go faster and easier. Come in and look over the new Power-Booster Drive, which increases pulling power almost one-third for heavy going... Power-Traction Hit-b, which transfers more weight to the rear wheels to reduce slippage and save time... Powerjuster wheels and full-time power steering to save you.

From every angle these powerfully smooth Oliver "sizers" are your practical buy. You get such added conveniences as the restful, rubber spring seat... safety-switch key starting... sure, long-lasting double-disc brakes... and a single-lever, 6-forward-speed transmission at no extra cost. Get the tractor with everything—the new 4-5 plow Oliver 880.

**FAIR WARNING** — Governor Daniel and Lt. Gov. Ben Ramsey both declared at their inaugural that they have sympathetic hearts for Texas taxpayers.

Governor Daniel proposed greater efficiency and economy by combining some of the 175 separate agencies and 213 special accounts operated by the state.

Ramsey promised there would be "no stringing up of the unfortunate taxpayer by the heels to shake out enough money to give everyone everything he wants."

Added Ramsey, "I refuse to admit that the success of a legislative session, or an administration, depends solely on the amount of money it can spend."

**NO PAY, NO WORK** — House and Senate agreed easily on an automatic shut-off of the regular session at 6 p.m. May 12, but had more difficulty deciding where to get their salary money.

House members shied from a Senate plan to take from a surplus in the fund to aid the permanently and totally disabled. (Future campaign fodder, for sure, reasoned representatives.)

Instead, they proposed borrowing from the Insurance Department Building fund. Both houses agreed to tap the drivers license fund.

A definite adjournment resolution this early in the session is unprecedented in recent legislative history. So is a session of only 120 days, the period for which legislators can be paid. Both are regarded as reflecting disgruntlement over the defeat of the legislative pay raise amendment last fall.

Already three new pay raise proposals have been introduced: (1) to pay \$50 a day for 150 days, (2) \$40 a day for 120 days, \$20 a day thereafter and

### Local Boxers In Littlefield Meet

Several members of the Lockney Boxing Club will enter the Littlefield tournament this Thursday and Friday. The fights, beginning at 8 p.m. each night, will be a warmup for the Regional Golden Gloves Tournament to be held in Amarillo, February 4, 6, 7.

The local team will enter some boys in the Amarillo Golden Gloves, according to Audvie Barnett. Lockney Volunteer Fire Department is sponsor the boxing club with Barnett, Donald Reecer and several other fire boys working with the boxers.

Another fight night will be held here sometime after the Amarillo meet.

Lockney won the novice division team trophy in the District Golden Gloves Tournament held at Plainview last Tuesday through Friday. The local team was runner-up to Plainview in the high school division. The trophy is on display in the window at Reecer's Master Cleaners.

Ten individual trophies were also claimed by local fighters. Boys winning championship awards included Joe Allard, 135 pound high school class; Alvin Hayes, 137-147 pound novice class; Rosalio Sanchez, 118 pound novice class; Lewis Eiland, 135 pound novice class; David Roberson, 155 pound special novice class. The scrappy Roberson was uncontested.

Several of the boys fought their own teammates for the championships. Hayes decision-

ed Johnnie Belt, Eiland won over Billy Dan Rolling, and Sanchez downed Johnny Willis.

Others claiming runner-up trophies were Jimmy Visage, 100-105 pound high school class; Ronnie Reeves, 100-105 pound novice class.

### Lone Prairie Gas Ass'n To Meet

The Lone Prairie Gas Association will hold its annual meeting tonight (Thursday) at the Lockney High School auditorium, according to announcement by Sterling K. Cummings, president. The meeting is to start at 7:30.

The business to be attended to includes hearing the secretary and treasurer reports, the election of two directors and the consideration of a motion to amend the by-laws to permit people who have given easements for association's lines to their dwellings to such gas lines by paying the costs.

The association is made up of a group of farmers who banded together to lay natural gas lines to their farms for irrigation purposes.

### Rotary Club Observes 30th Anniversary

The Lockney Rotary Club observed its 30th birthday last Friday noon with a special program. The meeting was held in the Methodist Church basement with a number of special guests.

The program was in charge of Marvin Cox, who briefly outlined the history of the club. News items from The Lockney Beacon of January 24, 1929 and January 31st, 1929, were read by Edgar R. Hays. The first president of the club, R. E. Patterson, spoke briefly about the club's early activities. Lloyd Wofford, also a past-president, told of some of the hardships of the club during the war years.

Charter members of the club present for the occasion were Patterson, Carl McAdams, and Arch Crager.

The Lockney Club was organized on Friday night, January 25, 1929, in a meeting at The Lockney Beacon office, according to old files of The Beacon. Aiding in the organization were members of the Plainview Rotary Club, including Fred Lowe, Dave Bowman, C. B. Harder and others.

The first officers of the club were R. E. Patterson, president; H. B. Adams, vice-president; J. H. Hohlaus, secretary-treasurer; Artie Baker, sergeant-at-arms. The executive committee was composed of the officers and E. Guthrie, E. C. Blank, Paul Shick and Geo. T. Meriwether. The program committee was Arthur P. Barker, Hub

M. Mason and Dr. Clovern D. Henry.

### Memorial Service Heard For Brother

Mrs. G. C. Applewhite and daughter, Felicia Louise, were present Monday for a memorial service at the New Mexico state capitol in Santa Fe honoring the late Honorable Elbert Lawson Wallace, brother of Mrs. Applewhite.

Senator Wallace, a Democratic senator, serving his first term died of a heart attack February 3 of last year. He was a resident of Roy, New Mexico.

For the joint memorial rites of the senate and house of representatives, Mrs. Applewhite and Felicia were ushered to special pieces of honor, first in the senate chamber and then into the house of representatives.

A resolution was read commending the late Senator Wallace on his contributions as a public servant during the years he served in both state and federal offices connected with the post office department. Bills he was responsible for introducing and getting passed were listed among his many services to the public. Concluding the rites, everyone stood for several minutes of silent prayer in his memory.
