Homecoming At Baptist Church March 1st

The First Baptist Church of Lockney will observe homecoming on Sunday, March 1. It was decided Wednesday evening by the membership. No homecoming was observed last year but the church has observed the first Sunday in March as homecoming day in years past.

Beginning at 9:45 a. m. Sunday the program for the day will include the regular Sunday school and worship service in the morning, a dinner served at the church at the noon hour and a special homecoming program in the afternoon.

The program has not been arranged yet but former pastors and members will be invited to take part on the program according to present plans.

The committees as appointed by the pastor, Rev. Charles Broadhurst, are as follows: Program Committee: Bert Bobbitt, Edgar R. Hays, Charles Broadhurst.

Foods Committee — Mrs. Hilburn Casey, Mrs. Harmon Landley, Mrs. Bert Vernon, Mrs. H. Ford.

Invitation Committee — Horton Howell, Mrs. E. A. Cox, Mrs. Larence McCandless.

Hospitality Committee — Les Ferguson, W. B. Cates.

Gary Sides Named New Music Director

Gary Sides of Plainview, has accepted a call from the First Baptist Church in Lockney to lead the church's music program, and began his work here last Sunday. He replaces N. S. Abbott who has resigned.

Mr. Sides attended one year at Texas Western College, El Paso, and served four years in the U. S. Navy. He spent a year in business before surrendering to full time religious work. He is a sophomore student at Baylor Baptist College, Plainview where he plans to major in music. His father is a minister.

Mr. Sides is married and has two children, a son, Britt, 3 years of age, and a daughter, Valerie, 1 1/2 years old. Mrs. Sides name is Jackie.

Methodist Devotional Meeting at

"QUEEN DEBRA of the House of Ferguson," is being crowned Football Queen by Co-Captain Duane Griffith, her escort to the Longhorn Football Banquet Saturday evening.

MISS DEBRA FERGUSON IS CROWNED FOOTBALL QUEEN

Miss Debra Ferguson, Lockney High senior, was crowned Football Queen at the annual Longhorn Football Banquet Saturday evening. The affair was held in the high school gym.

Miss Ferguson, an honor student, is the daughter of Mr. and Mrs. Leslie Ferguson. She was crowned with the traditional silver glittered football helmet by Co-Captain Duane Griffith. Presenting her with a bouquet of red carnations was Co-Captain Billy Karl Reice. She was then escorted to her throne by her escort, Duane Griffith.

An ensemble of band students, directed by Band Director Clyde Seaman, played a fanfare as the queen and her attendants were escorted into the banquet room.

Her attendants included Patricia Buchanan, junior representative, escorted by her brother, Oyama Buchanan; Kim Mickey, sophomore representative, escorted by Wayne Cooper; Arlene Purcell, freshman representative, escorted by Jimmy Whitfill.

Back of the head table rose a red and white decorated goal post complete with score board. Centering the speakers table was an arrangement of red carnations flowing from a silver glittered football helmet. At the opposite end of the banquet hall was the Queen's throne decorated in school colors and backed with large white pennants accented with a lighted moon and stars. Red and white streamers outlined the banquet room and red pennants marked places at the long tables laid with white and centered with red streamers.

Speaker of the evening was Joe Kerbel, assistant coach at Texas Technological College, who stressed the importance of desire in the playing of competitive sports, particularly football. A determination to give your best until the final whistle is sounded is the element that makes champion teams, Mr. Kerbel stated.

With Supt. H. H. Nicholas acting as toastmaster, Rev. Charles Broadhurst, local Baptist pastor, gave the invocation. Bob Miller welcomed the guests on behalf of the Quarterback Club and Co-Captain Griffith made the response.

Special music for the occasion was given by a Sophomore Trio composed of Janice Boedeker, Carolyn Harris and Myrtle Lewis. They were accompanied by Ann Brown.

Co-Captain Race presented gift certificates to Coaches Elvin Lyon, Don Beck and Troy Lemley.

More than 200 attended the gala affair including members of the football squad, their dates, members of the faculty, parents and friends.

Lacy Will Speak At Annual C-C Banquet Here

Jack Lacy, manager of the Amarillo Chamber of Commerce, and noted after-dinner speaker, will be the principal speaker at the annual member meeting and banquet of the Lockney Chamber of Commerce and Board of Development. The date has been set for Friday, March 20. Fred Byrd, chairman of the program committee, made the announcement Wednesday.

Mr. Lacy is well known in this area as a humorous speaker and has appeared at numerous functions of a public nature.

Plans were made for the annual affair at a meeting of the directors Monday morning at Golden's Cafe. President Claude Brown appointed the following committees to make arrangements for the meeting:

Program: Fred Byrd, Ike Johnson, J. B. Seale.

Arrangements: Leon Wofford, Kelton Shaw.

Decorations: "Rusty" Baccus, Don Hatch, R. C. Mitchell.

Food and Menu: R. L. Knox and Lester Carter.

Tickets: Clyde Briley, Owen Thornton, Willis Reynolds.

Dr. Harold Loden, manager of Paymaster Farms and a director of the local Chamber, will be master of ceremonies.

Outstanding Citizen

In conjunction with the arrangements for the annual banquet, "Rusty" Baccus has been named chairman of the committee to select Lockney's outstanding citizen for 1958. He will represent the Chamber of Commerce and other organizations of the community will be asked to furnish one representative for the committee. Also a minister will be on the committee. The outstanding citizen will be revealed at the annual banquet.

New Directors

The directors made plans at the Monday meeting for the election of five new directors to take office in March. The board is made up of 15 directors serving three year terms with five retiring each year. Those whose terms expire this year are Claude Brown, Kelton Shaw, Ike Johnson, R. C. Mitchell and J. B. Seale.

These five retiring directors will be a nominating committee to place 10 names on a ballot with five to be elected. The ballot will be mailed soon to all members of the local chamber. After the mail ballots have been returned and the new directors determined, an organizational meeting will be held for the new board on March 2.

R. L. Knox reported to the directors Monday that plans were complete for the annual Soil Fertility Day meeting here and that Smokey's Barbecue of Plainview would serve lunch to those attending.

The directors approved the expenditure of \$600 to be paid out as prizes for the annual Lockney Junior Livestock Show to be held on March 7. R. C. Mitchell and R. L. Knox are the stock show committee.

R. L. Knox and G. B. Johnston Jr. were named as Lockney's representatives to the county junior stock show in March.

Willis Reynolds reported to the directors that three civic organizations had each agreed to buy one trash container to be placed on Main Street. The organizations are Lockney Rotary Club, Lockney Lions Club and Lockney Business & Professional Women's Club. The Chamber will purchase five more for a total of eight for the city.

J. D. Copeland made a financial report to the group.

Present for the meeting were Claude Brown, Willis Reynolds, Don Hatch, Leon Wofford, Fred Byrd, Lester Carter, Kelton Shaw, Clyde Briley, Owen Thornton, Harold Loden, R. C. Mitchell, J. B. Seale, R. L. Knox, and J. D. Copeland.

Oil Company Is Leasing Land Here

Burdell Oil Company, through its agent, Robert Cobb, is leasing land in this area. They have leased quite a bit of land both north and south of Lockney in this immediate vicinity. Some of the leased land is adjacent to the city limits. Among the land leased is the city farm just southeast of Lockney.

Wind Does Little Damage In Area

A high west wind which struck this area Monday covered most everything with sand but did little actual damage in this immediate area. Gusts as high as 65 miles per hour were reported here.

The wind made driving hazardous, damaged some television antennas and probably some roofs.

A hog shed 10x20 feet in size was blown 100 yards on the F. O. Schacht place just south of Lockney during the afternoon. It landed in an apricot tree and stayed there. Mr. Schacht said. The frame building tumbled over a feed-stock and teed lot before stopping its wanderings.

City Election Called For April 7th

The Lockney City Council has called a city election to be held the first Tuesday in April, which is the 7th, for the purpose of electing a mayor and three aldermen. The Council met Thursday night.

The terms of Mayor J. E. Cox, Aldermen Jimmie Hodel and Kelton Shaw expire in April and Alderman Charles Baxter has resigned effective April 7 making three vacancies on the alderman board. The election will be held at the City Hall.

Mr. Baxter, local elevator operator, said that he expected to be out of town much of the time and thus did not feel he could fill the office as it should be filled. His replacement will fill his unexpired term which amounts to one year.

When contacted as to reelection Cox, Hodel and Shaw all said that they were "undecided" as to whether they would seek re-election to their present offices. Deadline for filing for a place on the ballot is 30 days prior to election day, which would be March 7.

By approval of the voters, city officers may now be elected for four year terms but the Council decided not to submit the matter to the voters.

"Two years is long enough, it seemed to the Council," Mayor J. E. Cox said.

In other actions Thursday night, the Council authorized the payment of routine bills, approved the sale of an old motor grader owned by the city, authorized the repair of another grader, and accepted Mr. Baxter's resignation.

The Council also tentatively accepted a plat of two blocks in West Lockney divided into lots. G. L. Sims presented the plat and it is block 1 and 6 in the Wilson addition to Lockney. College Street will be extended west through the blocks and lots will be 60x120 feet and 60x115 feet. The two blocks will make 25 lots.

Present for the meeting were Mayor Cox, Aldermen Baxter, Hodel, Shaw, Claude Brown and City Secretary Juanita Thompson.

Chester White, Poland China Sale Set For Saturday

The Texas Chester White Breeders Association and the Panhandle-Plains Poland China Breeders are having a swine sale at the Panhandle-Plains Show Barns in Plainview Saturday of this week. The sales start at 1 p. m.

Free lunch will be served at the noon hour and all breeders and prospective buyers are invited to attend. Breeders should bring their animals to the barn on Friday.

A Junior Judging Contest will be held at 9 a. m. Saturday for high school and 4-H club teams.

R. C. Mitchell of Lockney, Chester White breeder, has some bred gilts consigned to the sale.

BOB MUNCY IMPROVES

The condition of Bob Muncy is much improved this week at Lockney General Hospital. Mr. Muncy suffered a heart attack about two weeks ago and was in serious condition for a while. His wife and two children, Mrs. Clyde Gordon of Lubbock and Norman Muncy of Muncy Community, have been with him. Mrs. Gordon returned home Tuesday.

Farmers Will Hear "A" And "B" Cotton Plans Discussed Tonight

Boxing Card Scheduled Here Saturday Night

Another fight night will be held in the Legion Hall here Saturday night with 15-20 bouts on the agenda. First match is slated to begin at 8 p. m.

Boxers from Lockney, Plainview, and probably Littlefield and Petersburg will be paired. Admission will be \$1.00 per person.

Lockney boxers made a good showing at the Regional Golden Gloves Tournament at Amarillo last week end, although none of the boys claimed a title.

Alvin Hayes reached the finals in the 135-pound high school class. The scrappy Hayes was knocked out by southpaw R. C. Welty of Hereford in the Saturday night finals.

The Lockney High senior entered the finals by downing Lucky Dunham of Pampa in a Friday night encounter. The Pampa boy, a veteran of several years in the ring, was favored to win the 135-pound title.

Joe Allard and Billy Dan Rolling, fighting in the 126-pound high school division, won their first bouts before being eliminated in their second matches.

Allard won a decision over Thomas Chavez of Amarillo in his first bout, but was TKO'd in his second match Wednesday night. He was one of two boys who had to fight twice in the same night. Rolling out-pointed Douglas Kittrell of Wellington Wednesday night, but lost to Jackie Laurant of Plainview Friday night.

Rosalio Sanchez lost a close decision in his opening night battle. Jimmy Visage was a TKO in his 105-pound match Friday night.

Court Sets Tax Rate Same As Last Year

The Floyd County Commissioners Court, in regular meeting Monday, set the various taxes allocations the same as last year. County Judge J. D. McBrien said Wednesday. The rate totals \$1.40 per \$100 valuation.

The rates are: Jury Fund, 5c. Road and bridge fund, 20c. General fund, 35c. Permanent improvement fund, 15c. Library, 5c. 1948 road bonds, 23c. 1958 road bonds, 12c. Special road tax, 15c. Court house bonds, 10c.

In other actions Monday the Court selected the First National Bank at Floydada as the county depository for the calendar years of 1959 and 1960, raised the travel allowance for the extension agents from \$500 to \$600 per year, and named the elections officials for the year.

Mrs. Fred Cardinal of Floydada and Mrs. Arthur Barker Sr. of Lockney were given three-year appointments as members of the County Library Board.

Jury of View Named

A Jury of View was named by the Court to investigate the opening of a road in an area north of Sterley. The jury is composed of Bert Bobbitt, Lester McCormick, Ray Sissney, G. B. Johnston Jr., and Early Pritchett. The proposed road is one extending east from Farm Highway 788 north of Lockney. Farm Road 788 runs from Providence east to Farm Road 598. From that point east 2 1/2 miles of dirt road is open. The proposal is to open this road all the way through to Highway 207, known as the Silverton Highway.

The Jury will investigate and make their report to the Court.

FRED PASCHAL ILL

Fred Paschal has been critically ill the past few weeks at his home in Floydada. He became ill about the first of December and his condition has worsened recently, friends of the family report. Mr. Paschal formerly operated Lockney Frozen Foods plant here.

Farmers of North Floyd County will hear the "A" and "B" cotton plans discussed in detail at a meeting in the Lockney High School auditorium tonight (Thursday) starting at 7:30 o'clock. Several authorities on the cotton plans will be present and farmers are urged to attend.

Present to help discuss the cotton rules and regulations in the new set-up will be Thos. J. Hutchins, Floyd County ASC office manager; Cecil Lewis, county agricultural agent; Van Davis of Lubbock, representing the Plains Cotton Growers, and Bob Poteet, also of Lubbock, representing the Plains Cotton Co-operative Marketing Association.

Especially of interest to farmers will be the technical points concerning the choice they must make by March 16. That is the deadline for the farmer to file his plan for the 1959 cotton crop with the ASC office in Floydada.

If a farmer does not make a choice then he is automatically assigned plan "A", the regulations state. If the farmer operates more than one upland cotton farm, he must use the same plan for all his farms. However, if he rents a place then his choice is not binding on the renter and the renter may make his own choice. Many other technical details of the plans will be discussed.

Choosing the "A" plan, under which the farmer must stay with his cotton allotment and receive price supports at 80 per cent of parity, or the "B" plan, in which he may up his cotton acreage 40 per cent and receive price supports at 65 per cent of parity, will probably be the biggest decision the farmer will be called upon to make all the year. It is the first time in history that the farmer has a choice of two programs.

Opinion among farmers has been varying from one plan to the other since the program was announced last fall. Deciding under which plan a farmer can make the most money is causing most cotton men to scratch their heads.

Officials of the Plains Cotton Growers believe that the farmer may possibly make more money under the "B" plan. A representative of that organization will attend the meeting here tonight.

A similar meeting will be held at the Floydada High School auditorium on Friday evening of this week, also starting at 7:30 p. m. Most of the same authorities will be present for that meeting.

EDITORIAL

Though I speak with the tongues of men and of angels and have not charity, I am become as sounding brass or a tinkling cymbal. — I Cor. 13:1.

WILL HYBRID cotton seed follow in the footsteps of hybrid grain sorghums and hybrid corn? Of course efforts are being made now to develop a hybrid cotton seed and there is no reason to think that it cannot be done after seeing the development of other hybrid seeds. The experts say that within three years hybrid cotton seed will be offered for sale and within six years we'll see phenomenal yields of cotton. Now the seed breeders are saying nothing and promising nothing — but they will admit they are working at the job.

A BIG INCREASE in cotton yields will call for some changes in the farm program if surpluses are to be kept down. Perhaps by the time hybrid cotton is developed the powers that be in Washington will have the farm surplus problem all solved. Trouble has been that as fast as acreage is cut down the farmer increases his per-acre yield and thus produces as much on fewer acres. Hybrid cotton will increase this tendency. Glad the problem isn't ours to solve.

THE BIG DUSTER of Monday reminds us that we still live in West Texas and that good farming practices must be kept up if we are to avoid the catastrophes of the thirties. The fact that we haven't had any

moisture in this country since last summer only adds to the danger of blowing land. There was some hope that a "wet cycle" had begun on the High Plains last year when moisture abounded, but now we have another drouth brewing and the dry land farmer is discouraged and looking for something else. Maybe we need Congress to pass a law making for even seasons on the High Plains.

IN THINKING of how we could improve our town, some have come up with the suggestion that a zoning ordinance would be good. There is building going on now and more in prospect and certainly a person spending his money should have some assurance that his property will not be ruined by the wrong kind of development in his neighborhood. Some people, we are told, do not even bother to secure a building permit when they start construction. Although we would encourage building of any kind within the city, still it is important that building be done in an orderly process and in compliance with rules and regulations that will work for the good of the city as a whole. We suggest that a zoning ordinance would be advantageous and that stricter enforcement of present building regulations be considered.

C. JAMES PROUD, president of the Advertising Federation of America, says: "Government officials who seek to tax advertising are like amateurs who try to remove an appendix. They are very apt to lose the patient. It is important to remember that advertising has traditionally been considered a cost of doing business, and not a product in itself. All businesses using advertising pay their fair and full share of taxes."

THE ESTIMATED number of households in this country increased 6.8 million, or 16 percent, between March, 1950, and March, 1958, says the Census Bureau. On the latter date there were 50.4 million households. The total population was 172.3 million.

WRITING FROM Berlin, Joseph Alsop says: "What the Kremlin wants is this city. Nikita Khrushchev's threats to Berlin are most emphatically not primarily intended to force the West to recognize the East German government, or to promote German confederation, or to produce another summit conference. They are primarily intended to secure the surrender of free Berlin."

THERE ARE 35,868,977 Catholics and 55,823,777 Protestants in this country, according to Newsweek. Of the Protestants, the Baptists are much the most numerous with 19,795,121 communicants.

WHY EXEMPT BEER FROM TAX HIKE?

Gov. Price Daniel Wednesday submitted to the Legislature his recommendations for balancing the state's budget for the coming biennium. Along with it were suggestions for emergency action to wipe out the deficit in the current budget in order that the state can begin the next biennium without the necessity of absorbing an overdraft in the general fund.

The recommendations followed the line predicted a few days ago in Austin press dispatches. The proposals call for increases in taxes on natural gas, automobile sales, and liquor, and a tax on tobacco products, except snuff, equal to that now levied on cigarettes.

Conspicuously absent from the Governor's recommendations was an increase in the tax on beer. This is interesting, and perhaps significant, in view of the suggestion that the tax on liquor be upped from the present figure of \$1.408 to \$2.50 per gallon.

Of all the luxury commodities beer is taxed far less than any other. For example, the tax on beer is about one-third of the state tax on a package of cigarettes or a gallon of gasoline. Snuff also is exempted from a recommended tax increase. Beer guzzlers and snuff dippers seem to be favored groups among taxpaying citizens. — Vernon Daily Record.

A TIMELY MEASURE

Sen. Preston Smith of Lubbock has introduced a bill in the Legislature to require all official meetings of that body, and of city, State, county and school boards to be open to the public.

Exceptions were made for meetings which presently are confidential. Such as closed sessions of the Senate Nominations Committee which reviews appointments.

Sen. Smith's proposal — the second such of his career — is timely and pertinent. The tendency toward "star chamber proceedings," all the way from the Federal Government down to county boards, has been growing. The thinking of officials seems to be that "what the people do not know doesn't hurt them." It is re-elected in the attitude of both Federal and State officials, in trying to keep secret much information to which the public is entitled.

If enacted, the Smith measure (SB66) should go far toward halting the trend toward governmental secrecy which has been growing in Austin and over the U. S. for several years. Its application in local communities should put an end to the practice of barring the public from meetings which it has a right to attend. It is a good measure and deserves the support of all legislators who have the best interests of their constituents at heart. — Lubbock Avalanche.

BE AWAKE!

I was in Austin the past week end to attend the Texas Press Mid-Winter meeting, and got somewhat of a jolt when I heard a first-hand story of the experiences of Princess Catherine Caradja of Roumania. The lady, who helped more than 1,000 U. S. pilots escape from Hitler after they were shot down during World War II, paints a bleak picture of life under Russian rule. She also declares that the Reds plan to take this nation — at least our children or grandchildren — in a bloodless coup, and put us to work making things for the Russian people. Her talk was entitled, "Be Awake, Aware and Wary."

She is quite interesting, sincere and devoted to the cause of arousing Americans to the dangers. Since her escape from behind the iron curtain, she has devoted her entire time to making talks and, when possible, to visiting "her boys", this being the term she applies to the airmen she helped to keep alive and escape from occupied zones. The princess, incidentally, lost everything — including her 15-acre flower garden and private orphan's home — when the Russian's confiscated Roumania. — Jimmie Gillette in Hereford Brand.

Dear Editor:

I see where a nationally prominent school wheel says little schools which graduate less than 100 from high school each year had ought to be done away with.

My country-learned neighbor says the man is right, on account of in small schools where there is not much competition some very lightly talented kids get to be football stars and queens, etc.

Says this makes people notice them without their having to mug anybody, and keeps such small schools from turning out their fair share of juvenile delinquents.

The Man who Appreciates the Finest

BUYS HIS WIFE GAS APPLIANCES!

There is often more to an object of art than the mere surface discloses. A man of discriminating tastes has an instinct for evaluating real craftsmanship. This is the kind of man who buys a GAS Range for his wife's kitchen. In appearance, anyone can see its cleanness of line... glimmer of design. Most ranges can claim this. But it's in Performance that a Gas Range achieves superiority! For here is a precision-engineered, automatically-controlled instrument that removes guesswork from cooking. Closed-door, smokeless broiling, instant ignition, and shut-off with no heat hang-over... here is Performance that assures success in the fine art of cooking. Yes, in every way (economy included) Gas gives you more. And where the finest is truly appreciated... Gas belongs!

Wesleyan Guild Meets For Program

The Wesleyan Service Guild met in the home of Miss Mildred Thomas January 26 at 7:15. Mrs. F. O. Conner presented a most interesting program on "Christ's Message for Today." The next meeting will be held Friday, February 13 at the First Methodist Church beginning at 7:15 when the Guild will meet with the WSCS for the World Day of Prayer program. Mrs. Oliver Holmes is Guild leader.

HOME FROM CALIF.

Mr. and Mrs. Bailey Henderson, Lockney, accompanied by his sister and brother-in-law, Mr. and Mrs. Tommy Henderson of Sudan returned home Tuesday, January 27 from a ten-day trip to California. They visited sisters of the two men at Los Angeles and San Diego. Other places of interest visited before returning home was Disneyland, Knoxberry Farm, movie sets, the coastline from Los Angeles to San Diego and Boulder Dam.

Judson Millers Observe Golden Anniversary

Mr. and Mrs. Joe Judson Miller observed their golden wedding anniversary with a reception from two thirty to five p. m. Sunday, February 1, in their home in Plainview. Hosts for the occasion were the children of Mr. and Mrs. Miller.

Receiving with the honored couple were the children, Mrs. Tom Moore, Lockney, Mrs. Robert Thompson, Fort Collins, Colorado, Mrs. Ben Tye, Kress, Mrs. Howard Batson, Portales, N. M., Edgar Miller, Dallas, James Miller, Plainview.

Four of the grandsons, Marlin Miller, Wayne Miller, Richard Tye and Al Cornebise, alternated at receiving the guests at the door. Approximately one hundred and fifty guests were registered during the afternoon by Mrs. James Miller.

Mrs. Al Cornebise, Mrs. Marlin Miller, Mrs. Wayne Miller and Miss Kay Miller, granddaughters, served the punch and cake.

The table was laid with a handmade cloth imported from Spain.

The centerpiece was of white carnations, with gold foliage and ribbons inscribed with the numerals "50" in gold, complemented by tall gold tapers. The three tiered cake was all-white accented with gold spun sugar bells and topped with a miniature bride and groom in a horse drawn carriage.

The coffee table arrangement was a gold epergne holding white carnations, gold baroque candles and gold grapes. On the register table was a nosegay of white carnations centered with a white rosebud caught with loops of gold ribbon. Gifts of bouquets and potted plants were used throughout the house.

White drapes on the gift tables were caught at intervals with gold satin bows. Mrs. Wylie Keith, Mrs. Edgar Miller and Mrs. Edgar White presided in the gift room.

Mrs. Miller wore a dress of mauve barethea silk with jeweled yoke. Her corsage was a purple throated orchid. The members of the houseparty wore ice blue afternoon dresses, and white corsages tied with gold.

House guests, other than the children and their families, were Mr. and Mrs. Wylie Keith of Atoka, Okla., sister and brother-in-law of Mrs. Miller, and Mr. and Mrs. Edgar White, Dallas, nephew and niece of the couple.

Mr. and Mrs. Miller were married in simple home rites in Lebanon, Tenn. Mr. Miller had a three room house at Lockney ready for his bride, and shortly after the wedding they came here to make their home. They lived in Lockney twenty-five years, and the other twenty-five years of their married life has been spent in Plainview. Mr. Miller has always engaged in farming.

CROSSROADS REPORT
Dear Editor:
I see where surveys in some high schools show only a few A students have cars to drive when not in class, but that nearly all who fail or quit school are motorized.

Which news may prove that automobiling and learning don't mix, but my modernized neighbor says he doesn't look for it to wreck the motor car industry.

Says even if exhaust fumes were to dozo education, folks won't ever go back to the old days when kids were sometimes 19 or 20 before they got married on account of romance flowers slow on bicycles, especially in cold weather.

Bride Complimented At Morning Coffee

Mrs. Roy Kidd, nee Linda Baxter, was complimented Saturday morning, February 7, with a coffee and bridal shower at the home of Mrs. Hamilton Gammage. Calling hours were 9:30 to 11:30.

Mrs. Gammage greeted the guests at the door and presented them to the honoree, her mother, Mrs. Clyde Baxter, and Mrs. J. W. Kidd, mother of the bridegroom.

The refreshment table was laid with pink linen and centered with an arrangement of pink carnations surrounded with white net ruffles touched with pink. Rising from the flowers were twin hearts outlined with white ruffled net accented with pink. Across the hearts were the names of the newly weds lettered in silver. Favors were silver wedding rings tied with a pink bow holding a spray of lilies of the valley. Mrs. Austin Meriwether served coffee and tea from a silver service and dainty sweet rolls, nuts and mints.

Mrs. J. C. Widener and Mrs. Frances Montandon alternated at the register. Mrs. L. M. Honea and Mrs. R. W. Smith presided in the gift room. Hostesses were Mmes. Austin Meriwether, Quentin Adams, J. C. Widener, F. L. Montandon.

Mike is the son of Mr. and Mrs. Bill Hodel and is liked by the students especially for his ability to share. Mr. and Mrs. Raymond Rhodes are Pam's parents. Pam loves to tell funny stories and play.

A Valentine party is planned for Friday of this week. Mmes. Joe Wisdom, Raymond Rhodes, Bill Hodel, Chas. Duran and Rusty Bacus are in charge of the festivities. A Valentine box has been made by students and they have been filling it with cards each day. Refreshments will be served to students and their guests after a session of games.

Mrs. Bryan Smith Is Club Hostess

Mrs. Bryan Smith was hostess for a meeting of LaVentana Study Club Tuesday afternoon at 2:00 o'clock, January 27. Co-hostess was Mrs. Herman Huffman.

Mrs. Huffman acted as program leader and Mrs. C. L. King gave Federation News. Roll call was answered with facts about Alaska. Mrs. Hubert Frizzell gave "Everyday Problems" and Mrs. J. L. Lovvorn gave "Home Life."

Refreshments of spiced tea and cake were served to Mmes. Hubert Frizzell, J. T. Griffin, Bailey Henderson, M. S. Johnson, Albert King, C. L. King, Temple Lewis, J. L. Lovvorn, Ruby Merrack, W. D. Nance, Robert Smith, Raymond Teeple and Bryan Smith.

Governor Proclaims 4-H Week, Salutes 4-H Alumni

College Station. — By proclamation, Governor Price Daniel has designated the week of February 28-March 7 as 4-H Club Week in Texas. The week is also being observed nationally.

In a letter to the 111,000 4-H club members in Texas, the Governor said, "Since the 4-H club program was organized 50 years ago, members of your organization have made outstanding contributions to the

material wealth of Texas and the Nation. More important, as young people, you represent the richest resource of our State."

Plans for observing 4-H Week are being perfected in the counties and will include special recognition for 4-H alumni. More than 1,000,000 Texas young people have been 4-H members during the past 50 years. Today, 4-H alumni are leaders in business, industry, the professions and government, and are among the strongest supporters of the Agricultural Extension Service sponsored organization.

FERTILIZING COTTON CAN BE PROFITABLE IF . . .

1. The Right Fertilizers are used.
2. They are bought in the lowest cost form.
3. Application costs are kept low.

The Right Fertilizers:

CUSTOM MIXED "COTTON SPECIAL" — the right plant food in the right balance. "Cotton Special" is a dry-flow pellet formulated especially for cotton.

CUSTOM MIXED "FLOW DOWN" — is built for use with anhydrous ammonia on cotton, where the land has had nothing but anhydrous ammonia applied for the past two years.

Mrs. Joe Foster spoke on "Education, Inclusive and Exclusive" at a meeting of Lockney Parent-Teacher Association Tuesday evening at the high school auditorium.

"The Starlighters," composed of Patricia Thornton, Donna Lyn Record, Toni Webster and Judy Johnson, sang "Little Blue Man" and "True Love".

"Food for Thought" was brought by Mrs. Thurman Davis.

Mrs. Boyce Mosley, president, was in charge for a business meeting in which a nominating committee was named. On the committee are H. H. Nicholas, Mrs. Frank Hawkins and Mrs. Edgar Hays. A landscaping project for the Grade School was discussed.

An announcement was made that Public School Week has been set for March 2-6 and parents and other interested friends are urged to visit the schools and become more acquainted with their activities.

Mrs. Harold Duval was in charge of a Founders Day Tea held following the program.

Mrs. Elythe Clark's first grade room won the attendance banner with 15 per cent of the membership present. Mrs. J. D. Copeland's room and Mrs. Clay Muncy's room tied for second place attendance.

Home Making Hints

by Phyllis Roggendorf
County Home
Demonstration Agent

Several have said they would like to have attended the refinishing furniture workshop last week but didn't make it, because of the weather. If you can catch up with us, you're welcome to attend the second meeting on March 2. By that time you should have the old finish taken off and the piece of furniture sanded smooth.

The main cost of refinishing furniture is labor. If you will learn to do the work yourself, you might save enough to buy a few new pieces.

The first step is to remove any handles or knobs that will get in your way while sanding. If the piece of furniture is real decorative you can remove much of the applied ornament and by substituting simple styled hardware, have a piece of furniture that looks like new.

There are several paint and varnish removers available. Just be sure to follow the directions on the can. It's a good idea to wear rubber gloves for this step. A spatula or putty knife is a handy tool to use to scrape the old finish off after the paint and varnish remover has softened it. If your piece of furniture has spool legs, a wad of steel wool pulled into a strip is helpful to get the old finish off.

It takes patience and fortitude to sand a piece of furniture so it will be "smooth as glass" but it can be done. An electric sander is helpful on flat wood and can be rented from some paint and hardware stores. Be sure to use a vibrator sander, never a circular sander.

The circles put into the wood are very hard to get out. Garnet sand paper cuts faster than flint so saves a little work, but is more expensive. Always sand with the lengthwise grain of the wood. You will probably need to start with a medium grade of sandpaper then go to fine and finish with very fine.

At the next workshop we will put the filler on open grained wood and the stain on closed grained wood. If you are not sure what you want to do to your piece of furniture, you can bring it to the workshop, we'll discuss it. The piece you work on will have to be small enough to bring in to the workshop, or if a dresser, bring a drawer. Besides the furniture you will need to bring newspapers and rags. You can purchase your stain or filler and brush after you get here, or bring it with you.

The second workshop will be Monday, March 2, the 3rd Monday, March 9, and the 4th and last, Tuesday, March 31st. The place will be announced later.

AFRICAN VIOLETS

Anyone can grow African Violets in the home if care is given to their moisture, light and temperature requirements.

If they receive too much or too little light, they will not bloom. They do best in a location not exposed to direct sunlight at noon or during the afternoon. Usually a north or east window will provide suitable light.

A good temperature is 60-65 degrees at night and 70-75 in the day time.

Most homes do not have enough moisture in the air for the best growth of African Violets. More moisture may be added to the plant area by placing

IN APPRECIATION

I want to express my appreciation to friends for the cards and visits I received during my stay in Lockney General Hospital. I also thank Mrs. and Mr. Williams and the staff for their wonderful care. Mrs. Womack Graves, who cooked for the delicious meals, and Mr. Wright who kept the room so tidy and nice and short little visits I looked forward to each day. I hope the entire staff will have as good a time as I had in making my stay a pleasant one and the good boys who finished my room and caring for my livestock. May God bless you all and give you the best of health.

Floydada C-C Has Annual Banquet

The Floydada Chamber of Commerce and Floyd County Board of Development held the annual membership meeting and banquet last Friday evening at the High School cafeteria in Floydada. Some 200 were present.
Principal speaker for the occasion was Rex Jennings, manager of industrial development, Fort Worth Chamber of Commerce, who spoke to the group on the "livability features" of towns and cities who seek to attract industry. Mr. Jennings stressed the tremendous competition among the cities in the attracting of industry and said that the average results of industrial committee efforts brought one new industry to a city out of each 100 possibilities.
He listed four things necessary for community growth — time, money, work and desire and stated that, of the four, desire was the most important. Jennings was introduced by W. E. Garrett, retiring president of the Floydada Chamber. Toastmaster was Carl Minor Jr., of KCBD-TV, Lubbock, former Floydada resident. Joe Gidden introduced the guests and Mr. Garrett introduced the officers and directors of the organization.
New officers and directors are E. A. Williams, president; Lon Davis Jr., Vice-President; Louis Anderson, treasurer; Allen Bingham, Dale Goen, Leonard Mestler, Kenneth Bain Jr., M. S. Robertson, Claude Estes, W. P. Nicholson Jr., S. E. Sparks, W. E. Garrett, O. M. Watson Sr., Edward H. Wester, J. D. McBrien and Joe Gidden.
Attending the affair from Lockney were Mr. and Mrs. J. E. Cox, Mr. and Mrs. Claude Brown, Mr. and Mrs. Edgar R. Hays.
County Officials To State Meeting
County Judge J. D. McBrien and Commissioner John Fowler of Precinct 1 plan to attend the County Judges' and Commissioners' Conference at Texas A&M Memorial Student Center February 24-27. The Beacon was told this week.
Purpose of the conference is to give those attending a better understanding of the many problems which face commissioners courts in these fast changing times. The conference is co-sponsored by the Texas Extension Service and the County Judges' and Commissioners' Association of Texas.

CARD OF THANKS
I want to express my sincere thanks to my many friends who were so kind and thoughtful during my recent stay in Lockney General Hospital. Your prayers, visits, cards, gifts and beautiful flowers were deeply appreciated. A special thanks to Dr. Pat Williams, Dr. Mangold and the nurses for their untiring service. Iylene and the family join me in expressing our thanks.

IN ST. LOUIS STORM
Mrs. Alton Noland talked with her sister, Mrs. Carl Burnett, at St. Louis Tuesday and Mrs. Burnett stated her family escaped injury in the tornado which destroyed homes on all sides of them. Only a few shingles were blown from their roof. She said it was terrible hearing the distressed people calling for help and seeing their homes destroyed.
GO TO CHURCH SUNDAY.

PLANS COMPLETE FOR SOIL FERTILITY DAY IN LOCKNEY

Plans and program are complete for the eleventh annual Soil Fertility Day to be held at the Plains Theatre here on Friday, February 20. The affair is sponsored by the Burlington Railroad, the Extension Service, and the Lockney Chamber of Commerce.
The program starts at 10 a. m. and will feature discussions on irrigation efficiency, weed control, fertilizer use, and livestock programs.
County Agent Cecil Lewis the general chairman and has been in charge of arranging the program. The Lockney Chamber of Commerce will serve a barbecue dinner at the noon hour. R. L. Knox Jr. is chairman of the arrangements committee. The barbecue will be furnished and served by Snokey's Barbecue of Plainview as it was last year. It will probably be served at the old Legion building here. C. C. officials said Wednesday.
John Key West will be the morning chairman and Mayor J. E. Cox will welcome the group. Other morning talks will be as follows:
A. K. Hepperly, agricultural agent, Burlington Lines, Denver, Colo.
Shelby Newman, Lubbock Experiment Station, will talk on "Methods of Increasing Irrigation Water Efficiency."
J. H. Davis of the High Plains Station, Halfway, will talk on "Miscellaneous Crop Production Cost and Methods."
Buck Frierson, assistant manager of the Texas Prison System will speak on "Working Livestock into a Farming Program."
Chester Mitchell will be afternoon chairman and the following topics will be discussed:
Dr. William F. Bennett of the Extension Service will speak on "Soil Testing and Fertilizer Use."
Douglas Degge, supervisor of the Floyd County Weed Control District will discuss the activities and operation of the district.
A livestock panel will conclude the day's program with Doyle Mount of Floydada discussing Sheep Feeding, Dale Lacey of Lockney discussing Swine Feeding, and Ernest Tannahill of Lockney discussing Steer Feeding.
A question and answer period will follow the panel.
Chamber officials have made arrangements to take care of as many as 300 at the barbecue. The Beacon was told this week. Last year's attendance was around 200.

Busy Week Ahead For Jr. High, Frosh Basketball Teams

Lockney Jr. High and freshmen basketball teams face another full week.
The local teams travel to Silverton today (Thursday) for four games. The 7th grade boys, 8th grade boys and girls, and freshmen girls will battle like teams from Silverton. Lockney freshmen and varsity "B" team boys take on Hale Center there tonight.
Floydada 8th grade boys and girls will invade the local gym Monday night. The girls tilt is scheduled for 6:30 and the boys battle will follow.
The local teams journey to Tulla Monday and came out on the short end of the score in all three games. Tulla 7th grade boys won 22-11, the host 8th grade girls took a 29-19 victory, and the 8th grade boys earned a 24-13 victory.
Lockney frosh and "B" boys won contests from Floydada Monday. The frosh won 38-33 and the local "B" won a 33-32 thriller.
Two consolation trophies were won in the McAadoo tournament last week. The frosh boys downed Roaring Springs, 33-18, the 8th grade girls downed Crosbyton in consolation championship games Saturday.
The local frosh lost to Post, 40-33, Thursday afternoon. In Jr. High games Thursday the Lockney girls beat Floydada, but the Shorthorns were eliminated by Floydada, 24-23.
Three Lockney players were named on the all-tournament squads — Johnny Belt, freshmen boys; Terry Mosley, 8th grade boys; Jane Reynolds, 8th grade girls.

Soil Supervisors Attend National Soil Meeting

Supervisors of the Floyd County Soil Conservation District attended the 13th annual convention of the National Association of Soil Conservation Districts in Houston from February 1 thru 5. The following members attended: G. L. Fawcett, R. G. Dunlap, Fred Jackson and Cecil Purcell. A. W. Dalrymple of the Soil Conservation also attended.
Out-of-state delegates to the convention numbered more than 1500. National President, Nolan J. Fuqua of Oklahoma presided over the meeting. Bill Richards of the State of Nebraska will be the new president of the association for the coming year.
The National Association of Soil Conservation Districts was organized in Chicago in 1947 as an independent, non-profit organization. Its purpose was to stir the consciousness of the nation to arrest the mounting soil and water losses.
From a small organization with no funds, the association has grown into a big family of 2835 soil conservation districts in the United States, Puerto Rico, Hawaii, and the Virgin Islands. Its cooperators total more than 1,757,000, who own and operate more than 1,613,000,000 acres of land.
Personnel of N. A. S. C. D. includes a giant staff of unpaid officers and directors, farmers and ranchers from all over the country who are giving their time to further the organization's objectives.
Soil conservation is indeed big business. It is no 'hit or miss plan.' See your local supervisors or SCS Technicians for assistance in developing and carrying out a complete conservation plan on your farm or ranch.

TO DALLAS

Mr. and Mrs. Tom Rankin Jr. and children have been in Dallas this week where Mr. Rankin is undergoing medical examination. They expect to go on to Temple where their young son, Tom III, will have treatment.

Weekend visitors in the Zack Cummings home were two of his brothers and their wives. Mr. and Mrs. Sidney Cummings were here from Woodburn, Ore., and Mr. and Mrs. Aubrey Cummings visited from Wiley, Texas, near Blue Ridge.

IN BAYLOR HOSPITAL

Mrs. A. L. Shaw, mother of Kelson Shaw of Lockney, is in Baylor Hospital at Dallas where she is undergoing examination and tests. She has been there about 10 days and may be allowed to return home this week.

CARD OF THANKS

I want to express my sincere thanks to my many friends who were so kind and thoughtful during my recent stay in Lockney General Hospital. Your prayers, visits, cards, gifts and beautiful flowers were deeply appreciated. A special thanks to Dr. Pat Williams, Dr. Mangold and the nurses for their untiring service. "We did a swell business all afternoon, buying from each other . . . then Johnny let that ice cream man get off with our nickel."

Local merchants have access to the same world supply sources as the big city stores. They are more familiar with our needs . . . and our preferences . . . and fit their stocks of goods, their services, their price ranges . . . to better meet those needs and wants.

Adding Millions

to our area economy
with resources we already have

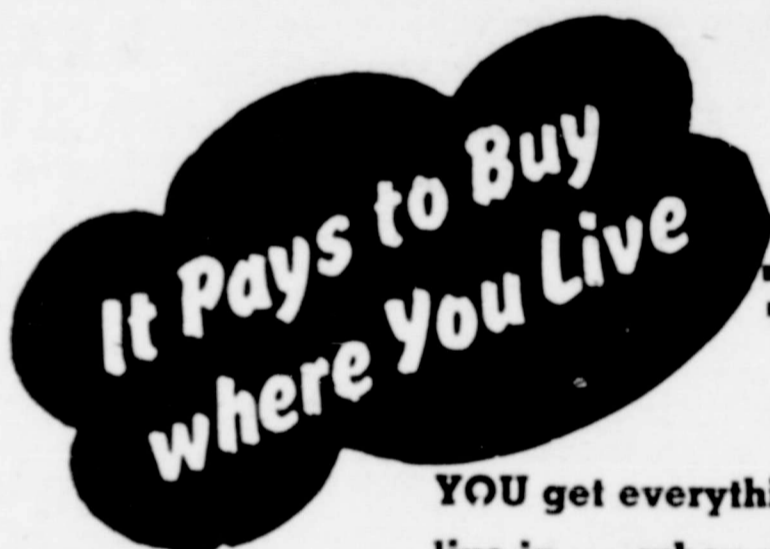

We yearn for new industries . . . new payrolls . . . bigger business volume . . . in our trade area . . . that we may each benefit. We'll work and wish unceasingly for these.

Yet we are likely to forget that an Old Dollar which stays here to circulate and re-circulate among us, creates growth and prosperity just as effectively as a New Dollar coming in.

While we're waiting and hoping for new financial blood in our community business veins . . . shouldn't we guard what we already have . . . against transfusion into other areas . . . through too much buying in far away cities?

Sand Hill News

By Mrs. James Jeffress

Monday was a regular spring day with everything from a light shower to a regular dust storm. We haven't realized that spring is just around the corner and with spring comes the stormy weather. Do you have your cellars ready for an emergency? Just something to think about.

Mrs. Monroe Schultz and Mrs. Edward Baird attended a show in Hart Friday afternoon honoring Mrs. Baird's sister who will be married in the near future.

Mrs. E. H. Foerster spent last week visiting in the home of her daughter, Mr. and Mrs. Monroe Schultz and family. Mr. and Mrs. Foerster have a new brick home under construction near Lubbock where they lost their home by fire in December.

Fred Jackson was in Houston out of this week on a business trip.

Sunday dinner guests in the home of Mr. and Mrs. J. M. Williams were Jimmy Morrison, Mr. and Mrs. Keith Lloyd and family, all of Plainview.

Mrs. Bill Rowland and daughters.

Mr. and Mrs. James Jeffress and family were dinner guests in the home of Mr. and Mrs. Hollis McLain. Also enjoying Sunday dinner was Mrs. McLain's father from Floydada. Visiting in the afternoon were Mrs. King and daughter, Leora, from Floydada.

Get Acquainted Party Friday Night

It's time for Sand Hill's annual Get Acquainted Party again. The date is Friday night, February 13, at 7:30 p.m. Progressive "42" will be the recreation with pie and coffee being served during the evening. Since the Sand Hill Club sponsors the event, all members are asked to bring pies. The Get Acquainted Party is for every one in the community. It's a chance for all the new families to meet their neighbors, so all you neighbors be there.

The Sand Hill Club met Wednesday afternoon in the home of Mrs. R. L. Bullock. Something about a foreign country continues to be a very interesting roll call, and really adds to the meetings.

The club voted to sell name

plate markers for the community, and if possible put up a marker near the intersection with names, directions and mileage on it. If some club lady comes around sells you a marker, you will be helping the club and also the community. These markers may be seen day or night. The poles are not furnished.

Mrs. James Jeffress was elected T.H.D.A. delegate to represent the club at council. The club will help pay some of the expense for two persons to attend the Recreation Roundup at Glenrose beginning next week. Mr. and Mrs. Lynn Miller were elected to go. Alternates were Mrs. Hollis McLain and Mrs. James Jeffress.

Mrs. R. L. Bullock gave the program on "How to Prune Shrubs". Refreshments were served to Mmes. Ed Noel, T. Myrick, H. F. Jackson, T. C. Hollums, Wayne Billington, Hollis McLain, Arlon Miller, Lynn Miller, Walter Knight, James Jeffress, and the hostess. Next meeting will be Feb. 18 in the home of Mrs. James Jeffress. The program will be on "Care of the Feet".

Do we want a community center? There is something for each member of the community to think about. If you want a community center you had better start talking it up, and first help do something about it by signing the petition that is being circulated around this week. If not, we may lose the school house, then there would be no club, no 4-H Club, no community parties. If we get to keep the school house, plans for a community center will start in the near future. With the men helping the clubs we should have a good one. It can be done with everyone pulling together.

Both church attendances in the community were way up Sunday. Brother Keith Lloyd preached at the Baptist Church. Seventy-three were in Sunday school with eighty for church. Fifty-seven attended training union.

Thirty contacts were reported Sunday morning and three classes had 100% membership!

We would like to welcome Mr. and Mrs. Bill Shurbet and family, Mr. and Mrs. Don Shurbet to our community. The Don Shurbets moved into the farm home of the J. M. Williams and the Bill Shurbets moved in a new home on the Sand Hill road. There are other new families that have moved into the community and we want to say welcome to all of you.

Grandmother Holmes is staying in the home of her son, Mr. and Mrs. Jim Holmes for the next two weeks.

Rev. Bill Rowland returned home Monday night from Ohio. He preached at the Calvary Baptist Church at Hamilton, Ohio, Sunday morning and at Terre Haute, Indiana, Sunday night. Ohio is badly in need of missionaries.

Mr. and Mrs. J. T. Huckaby will attend the wedding of their son, Gary Dean, Saturday near Waco.

Visiting in the home of Mr. and Mrs. M. B. Swanner Sunday were their children, Mr. and Mrs. Kirk Slater Jr., and Betty Gene of Ralls, Mr. and Mrs. Ken Swanner of Lubbock, Mr. and Mrs. Gene Swanner. Gene is home on leave from the Sea Bees. He will return to California Feb. 24 and then go to Alaska and the Philippines. He has eighteen months more of service. His wife will stay in California with her parents while he's away.

The W.M.U. of Sand Hill Baptist Church met Tuesday morning at 9 a.m. Mrs. Olen Baird is program chairman and gave some facts about Alaska. Mrs. Tommye Rowan asked some interesting questions about our forty-ninth state and Mrs. Hollis McLain presented a crossword puzzle on Alaska.

Mrs. Bill Rowland gave the Bible reading and led the closing prayer for missionaries in Alaska. Refreshments were served to Mmes. J. T. Rowan, Ed Noel, Bill Stringer, Bill Row-

Sterley News

By Mrs. Virgil Adams

Methodist evening services at Sterley church will begin at 7 o'clock instead of the former time of 8:00, according to an announcement from the pastor, Rev. J. W. Read.

Sterley Home Demonstration Club met Thursday at 7:30 in the home of Mrs. A. D. Schaffner. Mrs. Herman Huffman gave a very interesting program on Prevention of Home Fires and Fire Fighting. Committee recommendations were read and approved. Mrs. Schaffner served delicious angel food cake topped with whipped cream and cherries, coffee and cakes to Mmes. E. A. McLeod, Herman Huffman, R. H. Tinsley, C. L. Mooney, Bill Washington, Virgil Adams and five children. Next meeting will be Feb. 19 at the Virgil Adams home for a program on Health. Mrs. A. D. Schaffner will give a program on "Care of the Feet".

Mr. and Mrs. J. H. Williamson of Childress were week end guests of Mr. and Mrs. B. A. Howell. Mrs. Howell is still improving from a broken hip suffered about a month ago.

Mrs. Bob Lane honored her four year old son, J. H., with a birthday party Tuesday, Feb. 10. Birthday cake, ice cream and punch were served to Mike and Pamela Reeves, Ruby Nell Adams, Nancy Henderson, Phillip Montandon, Amy and John Lemley, Tim and M'Liss Moyer, David and Marilee Martin, children's mothers, and both grandmothers of the honoree, Mrs. H. S. Gilbert of Flomot and Mrs. John Lane of Turkey.

Mr. and Mrs. Red Archer have moved into a small house on the Duard Reeves place.

Hansel Sanders had major surgery at Lockney General Hospital Friday.

J. D. Pate had an appendectomy at Lockney General Hospital Friday.

Mrs. Fred Fortenberry's father, T. A. McCain of Grapevine, Texas, was in a car wreck the last of January. He is recovering in a Fort Worth hospital. Mrs. Fortenberry has been with him and he will return home with her soon.

Wendell Green Has Second Surgery

Wendell Green, Plainview, son-in-law of Mrs. L. A. Blair, Lockney, underwent a second operation at Baylor Hospital, Dallas Monday morning of this week. Mr. Green had an operation about three weeks ago for the removal of a blood clot on his brain. The second operation was to complete the removal of the clot. Mrs. Blair was informed Monday night in a telephone conversation with her daughter, Lois Green, that Mr. Green came through the operation in good shape and he is expected to recover his health. Mr. Green's brother and his wife, Mr. and Mrs. Emmett Green and a nephew, Bill Bloys, all of Plainview, were with Mrs. Green during the operation and remained until Wednesday.

Mr. and Mrs. W. C. Singer of Brownwood visited her parents, Mr. and Mrs. E. W. Newton and other relatives last week.

land, Olen Baird, Tom Thomas, J. T. Huckaby, M. B. Swanner, James Jeffress, C. P. Carey, William Mayo, and Hollis McLain. The next meeting will be February 24 at 9 a.m. This will be the Bible study program.

FLOYD COUNTY JUNIOR LIVESTOCK SHOW

Plans for the 1959 stock show are well under way. New scales have been bought and will be ready for the stock show. Some improvements are being made in the barn which will add a lot to the appearance of the barn. Wednesday, February 11, has been designated as a work day by Bill Beedy, president, and all interested people willing to help have been requested to be present. Remember that March 2 is the deadline for all entries to be in the County Agent's Office.

A AND B PLAN FOR COTTON

Two meetings will be held, Thursday at Lockney in the high school auditorium, Friday at Floydada in the high school auditorium. These meetings will start at 7:30 and an interesting program has been arranged. Many questions that you have on this program will be answered.

WHEAT FERTILIZATION

For irrigated wheat now is the time to top dress wheat with nitrogen fertilizer if this is in your plans. Research done on hardland soils has shown yield increases from 10 to 20 bushels per acre. About 60 pounds of actual nitrogen per acre has proven to be the best application rate. If fertilizer is applied later you will not receive maximum benefit from it.

LEE POPE HERE

Lee Pope of Bynumville, Mo., is here visiting his mother, Mrs. W. H. Pope of Floydada, and brother, "Bud" Pope of Sand Hill community. He is a former resident of this county, having farmed south of Lockney for many years. Lee has recently undergone two serious operations but is rapidly regaining his strength.

Mr. and Mrs. John B. Mercer of Graham, left Tuesday after spending ten days visiting relatives and attending to business. The Mercers moved to Graham two years ago from Lone Star Community where they had lived many years.

South Plains

By Mrs. Murray Julia

Heavy winds and dust made this Monday feel like a spring day, but we are all hoping for some rain behind the giant dust storm. Work on the South Plains Baptist Church has progressed rapidly to this date, with the new roof shining on the old part of the building.

The Sylvan Kinnibrughs spent Saturday night with his folks. Mr. and Mrs. J. A. Kinnibrugh at Vera. Sunday they visited in Truscott with her mother, Mrs. J. R. Spivey and the W. H. Simmons.

Mr. and Mrs. Ernest Newton and Joann went to Cedar Hill Sunday to visit with Mr. and Mrs. Mack Burrell and family.

Mr. and Mrs. H. S. Calahan Jr. and children were hosts at a birthday dinner given Sunday honoring her mother. Guests were Mr. and Mrs. Carl Smith and Mrs. Garland Foster and children, all of Floydada.

Mr. and Mrs. Roy Bledsoe and Bill spent Saturday in Lubbock and Plainview.

Mr. and Mrs. L. T. Wood spent Sunday afternoon in Lubbock with their children, Mr. and Mrs. James Teague.

Sunday Mr. and Mrs. Early Pritchett and Stevie were in Lubbock visiting their daughter Louise, Mr. and Mrs. Robt. Glen Turner.

Last Tuesday a group of men worked at Kenneth Bean's new home, where they put in new partitions, and made other additions and changes in the house.

Lynn Jackson, brother of Mrs. Smitherman, arrived home Tuesday afternoon. He is out of the army now, having spent the past two years near Mannheim, Germany. We all rejoice with joy and her family on the safe return of Lynn.

Mr. and Mrs. Cecil Winn of Amarillo spent Friday afternoon and night with Mr. and Mrs. Chester Hidalgo and boys. Mrs. Winn was a college friend of Mary Louise. The Hidalgos went to Plainview Sunday where they had dinner with her folks, Mr. and Mrs. Roy Childress.

Friday night at Plainview a group of boys and girls and their sponsors met for games of bowling at the bowling center. Intermediate Sunday School Class members went with their teacher, Mrs. L. T. Wood. Attending were Jimmie Pritchett, Sue Wilson, Marilyn Kinnibrugh, Barbara Milfon, Bud Higginbotham, Nathan Mulder, Bruce Julian, Dennis Deaven.

port, Bill Bledsoe, Yvonne Karr, Allan Adams, Joann Newton, Mr. and Mrs. L. T. Wood, Mr. and Mrs. Grigsby Milton, Mr. and Mrs. Sylvan Kinnibrugh, and Murray Julian.

The Bill Beedys spent Sunday in Lubbock with their son, Mr. and Mrs. Bradford Beedy and two small boys.

Guests Monday night at dinner in the home of Mr. and Mrs. John Smitherman, Floydada, to enjoy a three way celebration were Mr. and Mrs. Bill Beedy, whose anniversary it was, Mr. and Mrs. L. T. Wood, and it was a birthday dinner for her, and for John, whose birthday came on Monday.

Mr. and Mrs. E. J. Kinslow visited Mrs. Loyd Deavenport at Lockney General Hospital Friday night. We are sorry Mrs. Deavenport has had to stay at the hospital so long.

Mrs. Fred Fortenberry was called to Fort Worth last Saturday by the illness of her father, Tom McCain, who was injured in a car wreck on the previous Friday. She went with her brother, John McCain of Amarillo, and is still there at the hospital staying with her father who suffered neck injuries.

Mr. and Mrs. Frank McClure returned from Snyder Thursday night after being there since Monday morning. Her mother, Mrs. Newman, came through the operation fine.

Mr. and Mrs. Ernest Smitherman, P. M. Smitherman and other relatives here were called to Hart by the sudden passing of Charles F. Sanders, who grew ill Thursday and died soon after. His wife was the former Polly Smitherman, daughter of Mr. and Mrs. Jack Smitherman. Services were held in the Hart Baptist Church on Saturday at 3 p.m. and relatives from here attended. We mourn with the Smithermans at the untimely passing of Mr. Sanders who left four young boys besides his wife.

Leaving on a trip to Nevada which will take them first to Reno and then to various other towns in northern Nevada, were Grigsby Milton, E. J. Kinslow and Bryan Karr who left early Monday morning by pickup, planning to be home for several days.

Junior HD Club Meets At Probascio Home
Junior Home Demonstration Club members and guests met Thursday afternoon in the home of Mrs. Probascio with Mrs. Wood giving the devotion-al and Mrs. Probascio in charge of the meeting. Mrs. Webb gave a talk on the Culture of Straw-berries and Mrs. Hidalgo did a

Dear Editor:
I guess there is some ground rule where a columnist has to turn in his badge if he don't get off a crack about us finding out the world is pear-shaped.

But my collaborator neighbor says it's not funny to find that another basic scientific truth he learned in school is wrong, and the earth is not shaped like an orange.

Says so many new facts are being established and old facts repealed here lately that he is commencing to doubt even that two and two is four, or that Mary ever had a little lamb.

Webb, Larry McCormick, Bill Hopper, James Huckaby, and Chester Hidalgo. The next meeting will be on Feb. 19 in the home of Mrs. Larry McCormick.

PTA Program Held
South Plains P-TA met Friday afternoon at the school auditorium with Mrs. Kinslow in charge of the business meeting. She appointed a nominating committee of Mrs. John Gillespie, Mrs. Kendall Cummings and Mrs. Thos. Pierce. Mrs. Mary Verdamen with 3, 4, and 5th grade pupils presented the program which opened with a song by her whole room. Dian Calahan directed the rhythm band which began as a radio broadcast. Three plays and several piano selections with a little puppet show were enjoyed by pupils, parents and teachers. At the March P-TA meeting Mrs. Rene Yeary will present her music pupils.

Mr. and Mrs. E. L. Morrison and Gary returned home Sunday from a three week trip spent near San Francisco, Calif. Saturday night they spent in Lubbock with the Bill Morrisons. They report a wonderful trip, since they got to see their new granddaughter, and came home by way of Las Vegas, Nevada, and through Albuquerque, New Mexico.

Mr. and Mrs. John Wilson and Gary went to Lubbock Friday where Gary underwent dental surgery. He was able to be back in school Monday.

Saturday night the Rev. and Mrs. Clyde Swann and family of Floydada came out to the parsonage to have supper and spend the evening with Rev. John Gillespie and family.

Larry Adams, son of Mr. and Mrs. R. H. Adams underwent an appendectomy in Lockney General Hospital Sunday morning. He was taken ill suddenly Saturday night. He is reported to be doing fine at this time, and hopes to be home by next Saturday.

Valentine 42 Party
Friday night at 7:30 the Junior Home Demonstration Club members are sponsoring a Valentine 42 party to be held at the school recreation room. The party is for everyone in the community. Admission will be 50 cents per person, with free refreshments. Each couple attending should bring their table and dominos. Everyone come and have a good time Friday night, Feb. 13.

Rev. Bowles Shows Films Here Tuesday

Rev. Ed Bowles, pastor of the First Baptist Church of Floydada, showed films of Hawaii at a meeting of the Brotherhood of the First Baptist Church here Tuesday evening. The films were made in the Spring of 1958 during an evangelistic crusade in which he participated.

Rev. Bowles narrated the colored slides as he showed them, telling the group of the needs of evangelizing the people of the islands. He showed pictures of the various Baptist churches in the islands along with pastors and missionaries and some beautiful Hawaiian scenery.

President Harmon Handley opened the meeting and Rev. Charles Broadhurst, local pastor, introduced the program. Some 25 men enjoyed the dinner and the program which followed.

Now! Bleach safely, automatically in the new **MAYTAG AUTOMATIC WASHER with BLEACH DISPENSER**

No waiting or diluting. Maytag does both jobs for you. Just add concentrated bleach through dispenser opening; bleach remains in dispenser until washer has filled and washing action starts, and is automatically diluted before being introduced into the wash water. After washing action starts, bleach is added slowly to provide uniform bleaching action. Only Maytag provides this automatic delay and pre-dilution.

No bleach damage to clothes. By providing automatic dilution and proper timing injection, Maytag prevents heavy concentrations of bleach from coming in contact with clothes. Always use the weakened dilute liquid bleach.

No half-hearted detergent agents which are weakened and detergents are added to water at the same time, delaying the introduction of bleach until after the action has started. Maytag serves the full effect of your detergent and cleans out sparkling clean, color bright, wash after wash.

TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — with committee hearings going full tilt, the Legislature has reached the high and tumble stage. Committee hearings give everyone who has anything to say about a proposed measure a chance to come and speak out. It brings people to Austin droves. And many speak up very bluntly. This year's lawmakers, particularly in the House, seem to be falling into an early pattern of much work, little play. In fact, the shortage of sociability

is attributed to the hard-fought speaker's race. It divided the House into two camps, whose members, for the most part, stayed aloof from each other during early weeks. A second sobering factor is attributed to the new lobby control law. Actually, the lobby registration requirement has probably done more than any one thing in years, to make lobbying seem common-place, respectable. A total registration of some 700 indicated that just about everybody and his bro-

ther was a lobbyist. But the law also requires that each lobbyist make a monthly report on the amount spent influencing legislation. Herein comes the reason for caution in entertainment. No one particularly minds being identified as a lobbyist, but too large expenses might incur the risk of being tagged a "rich lobbyist."

ROUGH ROAD — Toughest sledding continues to be over the money problem.

Gov. Price Daniel let go with both barrels at critics of his plan for clearing the state deficit and raising additional money for future state services.

Daniel's principal target is Rep. Prates Seelgson of San Antonio, whose 18 months' work with the State Tax Study Commission convinced him Texas' taxing had to branch out, partly through a 1.5 per cent sales tax.

Daniel's money program is based primarily on a natural gas severance tax and increases in a number of present taxes. He warned he'll fight for this program to the last ditch, even into a third term, if necessary.

MATTER OF MATH — First official consideration of a part of the governor's money program brought a real set-to.

It was a hearing on "the bookkeeping bill" by the House Revenue and Taxation Committee. This is a proposal, sponsored by Rep. James E. Bates of Edinburg, to credit to the general revenue \$18,000,000 from the omnibus tax fund. Since the general revenue fund is expected to be \$65,000,000 in the red by August 31, this would help to ease the pain in that area.

Representatives from the state comptroller's office called the plan unsound, declared such juggling around would just be "legalizing a false statement." Legislative critics labeled it "check kiting."

But members of the governors office defended it stoutly as a means of giving a "true picture of financial condition."

PARKHOUSE vs. LABOR — More heat was generated when representatives of organized labor came up to protest Sen. George Parkhouse's union reporting bill.

Briefly, the Parkhouse bill would prohibit use of union dues for political purposes, and require unions to file financial statements audited by a certified public accountant.

Labor officials protested that some phrasing in the bill was so broad as to limit union members from expressing opinions and, hence, free speech. They also said the CPA requirement would be too heavy an expense for small unions.

Parkhouse said many union members had asked him to sponsor such a bill so they could get an accounting of what goes with union funds. Some, he said, complained their dues money was used for purposes with which they did not agree.

SCHOOL BILLS — Committee hearings on higher education appropriations brought varied, but cautious, expressions on how these increasing costs might be met.

Before the House Appropriations panel, A. M. Muldrow, Higher Education Commission chairman, said that the commission was studying the question of asking for higher college tuition rates. State college tuition was doubled, from \$50 to \$100 a year, last session.

Before the Senate Finance Committee, most of a group of

The nation's 4,780,000 Cub Scouts, Boy Scouts, Explorers, and adult leaders observe Boy Scout Week, February 7 to 13, by launching the fourth and final year of the "Onward for God and My Country" program. The 49th anniversary emphasis is "A Scout is friendly."

Through their World Friendship Fund of voluntary contributions the Boy Scouts of America have helped Scouts in 48 other nations.

America will be represented by several hundred Scouts at the Tenth World Scout Jamboree next July 17-26 in Makiling National Park near Manila in the Philippine Islands.

During Boy Scout Week, honors will go to units that successfully carried out projects in traffic, outdoor, and home safety in last year's Safety Good Turn.

they would approve a general sales tax "if necessary."

BY THE DOZENS — More than 18 junior college presidents said and more bills keep pouring into the legislative mill daily. Among recent ones are those measures which would:

PROTECT PUBLIC RECORDS by providing a three to seven year prison term for unlawful removal, by Sen. David Ratliff of Stamford.

CREATE A NEW COMMISSION to regulate telephone, gas and electric power companies statewide, by Rep. Bill Kilgartin of Houston.

KEEP PASSENGER TRAINS running longer after revenue declines, by Rep. Clyde Miller of Houston. Railroads cannot now be required to operate passenger service at a loss.

INCREASE FRANCHISE TAX

on corporations by 60 cents on each \$1,000 capital, by Rep. J. E. Winfree of Houston. Part of the Daniel tax program, it would raise an estimated \$14,000,000 this year, \$15,000,000 next year, then expire.

RAISE STATE EMPLOYE pay 5 to 20 per cent on salaries under \$4,800, by Travis County legislators.

PERMIT FLEXIBLE RATES on automobile insurance, varying according to good and bad records of drivers, by Sen. Jarrod Secret of Temple. This is a highly controversial bill which was defeated last session.

TAX TRADING STAMPS by 10 per cent, by Rep. Joe Chapman of Sulphur Springs.

OLIVER 880

New Gasoline and Diesel Row Crop Champion

This is the new work leader—the most powerful row crop tractor built in recent, nationally recognized tests the gasoline 880 developed 56.29 drawbar horsepower... the diesel, 54.97. These 880 models also established new records in pounds of drawbar pull: 7998 and 8118.

There's a lot more to see in the new record-breakers, extra units to make all your jobs go faster and easier. Come in and look over the new Power-Booster Drive, which increases pulling power almost one-third for heavy going... Power Traction Hitch, which transfers more weight to the rear wheels to reduce slippage and save time... Powerjuster wheels and full-time power steering to save you.

From every angle these powerfully smooth Oliver "sixes" are your practical buy. You get such added conveniences as the restful, rubber spring seat... safety-switch key starting... sure, long-lasting double-disc brakes... and a single-lever, 6-forward-speed transmission at no extra cost. Get the tractor with everything—the new 4-5 plow Oliver 880.

Mrs. Smith Dies Sunday Noon

Mrs. Linnie Smith, 55, died at the Lockney General Hospital Sunday of a heart ailment. She became ill Saturday afternoon and entered the hospital at that time for treatment. Death came at 12:20 p.m.

Funeral services were held Tuesday at 3 p.m. at the First Baptist Church where Mrs. Smith held membership. Officiating were Rev. Charles Broadhurst, the pastor, and Rev. G. C. Applewhite of Lane Star.

Mrs. Smith was buried in Lockney Cemetery beside her twin sister, Mrs. Lena Grant-ham, who passed away some 15 months ago. Also the body of an infant daughter of Mrs. Smith's which died in 1941, was moved and placed beside her grave. Carter Funeral Home was in charge of arrangements. Nephews of the deceased woman acted as pallbearers.

Mrs. Smith developed a heart ailment some eight months ago but had not been seriously ill, relatives said.

Mrs. Smith's maiden name was Linnie Harrison and she was the daughter of Mr. and Mrs. J. S. Harrison. She was born on December 12, 1903, near Vernon in Wilbarger County. The family moved here in 1924.

She was married to Russell Smith on January 29, 1927, at Floydada and had made her home here since that time.

Survivors include five sons, Russell Jr., Lockney; Howard E. Beeville; Lynn Ray, Lockney; Joe D., Albuquerque; Ernest Dean, who is in the Air Force and stationed at Albuquerque; four sisters, Mrs. Monette Gee, Lockney; Mrs. Winnie Perkins, Denver, Colo.; Mrs. Oleta Patten, Fort Worth; Mrs. Reva Glass, Amarillo; two brothers, Doyle Harrison of Lockney and Guy Harrison of Shawnee, Okla. Ten grandchildren also survive.

Heart Fund Drive To Be Made Soon

The Heart Fund Drive in Floyd County will be made soon, according to Joe Gidden of Floydada, representing this county on the South Plains Heart Association, February 22 is Heart Sunday.

No announcement has been made concerning a drive chairman for the county as yet. Mrs. Loretta Courtwright of Lubbock is the executive secretary of the South Plains Heart Association and will direct the work in this county.

Rotary Hears About Lubbock Christian College

The Lockney Rotary Club heard a program last Friday describing the founding of Lubbock Christian College and something of its operation and growth. Present to present the program were Jack Carter, assistant to the president, and Elvin R. Higgins, director of admissions.

Mr. Carter showed colored slides of the school and told how it was founded and how it had grown. Mr. Higgins also talked to the Rotarians.

The program was introduced by Lloyd Wofford, President Wilson P. Kermickel presided over the meeting.

Golden's Cafe Will Move Next Week

Golden's Cafe will be closed all next week and will be moving into their new location in the Plains Hotel building, Lewis Golden said Wednesday. The cafe will close starting Monday morning. The exact opening date can't be determined yet but will be announced in next week's Beacon. Mr. Golden said.

The Golden's purchased the Plains Hotel building last fall and have been remodeling the lower floor for some time, providing space for a modern cafe. A spacious public dining room will be in the east end of the lower floor, the kitchen in the center of the building and two private dining rooms in the west end. New equipment will be installed in the private dining rooms, Mr. Golden said.

The Golden's opened their cafe here March 5, 1958.

Harris Moves To New Location

The Lockney Real Estate Co. and Harris Motor Co. have moved their offices into their new building just completed. The location is first door south of Hammond & Company, local international dealers. They have been officing in the Plains Hotel building but moved to make room for the new Golden Cafe going in there.

The new building is of brick and tile one-story and is very attractive. The Harris firms will occupy the north half and the south half will be rented, according to E. R. Harris.

BAND PARTY TONIGHT

Member of the Junior Band and their guests will be entertained with a Valentine party Thursday night at the high school cafeteria. The event begins at 7 o'clock.

Bookmobile Librarian Named, Local Committees Appointed

MISS MARY JO VINES Bookmobile Librarian

The State Demonstration Bookmobile will be here in one month, according to information given The Beacon by Mrs. J. H. Barnard. The bookmobile will serve the residents of Floyd, Crosby, Dickens, Garza and Kent Counties. This is the first multi-county Bookmobile demonstration in West Texas. It is administered by the Texas Rural Library Service, a division of the Texas State Library, created to carry out the provisions of the Library Services Act of 1956. The Bookmobile and 6,000 books are moving to the five-county area from the Central Texas counties of Burnet, Blanco and Sion, where in 1958 mobile library service was provided for a one-year free demonstration.

Soon another demonstration will be moved to another area of West Texas, having served three Big Grande Valley Counties for one year.

Tentative plans for the Bookmobile to inaugurate Books-on-wheels service to Floyd County on the first and third weeks of March. On each of these two days the Bookmobile will make several rural stops and one deposit. The tentative schedule provides that the first week the Bookmobile will visit Lakeview, Sand Hill, Harmony, and Dougherty and a deposit of books will be placed in the Floyd County Library at the Court house and that the third week's stops will be Cedar Hill, South Plains, Aiken, Providence and Lone Star and a deposit of books will be made at The Floyd County Branch Library at Lockney.

Austin. — Texas State Librarian Witt B. Harwell has announced the appointment of Mary Jo Vines of Dallas as Bookmobile Librarian for the one-year mobile library service which is tentatively scheduled to begin March 3 in the rural areas of Floyd, Crosby, Dickens, Kent and Garza counties.

Miss Vines and driver-assistant John Harvey of Crosbyton will take the red and white travelling library into the small towns and sparsely-settled areas, bringing a circulating stock of some 2,000 books and other reading material to the people who have not had library service in the past.

Headquarters for the five-county project, administered by the State Library under the provisions of the Library Services Act, will be set up in the Ellison Building in Crosbyton. There, a bookstock of some 6,000 books will be installed, for circulating through the bookmobile.

Existing libraries in the five counties are cooperating in the project by establishing an inter-library loan system which includes the facilities of the State Library, other bookmobile demonstrations over the State, the Extension Loan Division of the University of Texas Library and Texas A. M. College. By means of this system, virtually any request for a book or reference material can be filled.

Purpose of the project is to demonstrate, for a period of one year, the need and value of a cooperative library system in the rural areas of the counties involved. It is hoped that the counties will continue such a system with local finances, after the close of the demonstration.

Miss Vines is not a stranger to West Texas, having taught high school English and civics at Ranger in Eastland County, and having served as County Librarian at Monahans, Ward County, in 1948-49.

For the past four and a half years, Miss Vines was a librarian with the Air Force Overseas Library Service in Japan, returning to this country last October 13. During her stay there, she also did some night school teaching in connection with the adult education program.

"It will be a privilege to be of service to these fine West Texas people," the librarian said. "I regard my job as a very interesting and stimulating assignment. It will be rewarding to be a part of the educational and recreational activities of the rural folks in this area."

Lone Star Singing Set For Sunday

The Lone Star Singing Convention will be held Sunday afternoon at 2 o'clock at the First Baptist Church. Everyone is urged to attend.

Mr. and Mrs. John Holmes of Erick community returned home Monday from Spartanburg, South Carolina where they spent seven weeks visiting their daughter, Mrs. Troy Jackson and family.

RECUPERATING

Mrs. Edg Teuton was released from Methodist Hospital, Lubbock, Friday and is recuperating in the home of her son, Paul Teuton and family.

AT STOCK SHOW

Mr. and Mrs. J. C. Danford and Stevie spent last week end visiting the Fat Stock Show at Fort Worth and with relatives at Hubbard.

HAS SURGERY

Shelby Williams, young son of Mrs. David Williams underwent surgery recently on one of his legs. He is improving at his home after returning from Methodist Hospital, Lubbock.

Mr. and Mrs. Arnold Johnson of Albuquerque, N. M., visited in the home of Mrs. J. B. Johnson last week end.

The Home Demonstration agent and the County Judge and the four precinct commissioners are working with the Floyd County members on the Multi-County Board, which includes Mrs. J. H. Barnard of the Floydada area and Mrs. E. M. Quebe of the Lockney area, to make sure that all rural communities of the county are alerted to this free service for the period of one year. He is watching for the exact bookmobile schedule — to be published in both county newspapers.

Headquarters for this five-county project will be maintained at Crosbyton, a central location provided by the generosity of Crosbyton citizens. A trained librarian and a driver will be provided by The Texas Rural Library Service which is supported by State and Federal Funds.

Local Bookmobile chairmen and the place of stops are as follows:

Aiken, Mrs. John Powell, Paymaster Gin office.

Cedar Hill, Mrs. Eugene Gilley, the Gilley drive-way.

Dougherty, Mrs. Howard Drysdale, Baptist Church.

Harmony, Mrs. Charles Reid, Community Center.

Lakeview, Mrs. Q. D. Williams, Lakeview Grocery.

Lone Star, Mrs. Hubert Frizzell, Lone Star Grocery.

Providence, Mrs. Wilfred Stoerner, Lutheran Church.

Sand Hill, Mrs. J. Hollis McClain, Shurbet Grocery.

South Plains, Mrs. L. T. Wood, Upton Grocery.

Each of these ladies has asked other ladies, who value book-reading, and participate in community life, to serve as assistants in publicizing this library-on-wheels service and

the rules governing stops. For instance, no school stops are permitted, thus avoiding frequent interruption of each school's schedule. Therefore, parents may charge-out books for all their children on their own or their children's borrower cards. The loan period will be three weeks as the bookmobile will repeat its schedule every three weeks. In the summer months special reading projects will be conducted by

the Bookmobile Librarian, Mrs. Barnard, that you contact the man living nearest the cure borrower's card member of your family. Have them prepared prior to the "final" arrival of the bookmobile.

A. D. Kent of Texas, spent Saturday visiting his son, Arthur, family.
