## G. H. Kellison Dies Thursday

G. H. Kellison, father of V. H. (Buck) Kellison, R. C. Kellison and G. E. Kellison, all of this community, died in Lockney General Hospital last Thursday morning after a long illness.

Funeral services were held at First Baptist Church in Hollis, Okla., Friday at 3 p.m. conducted by Rev. Charles Broadhurst, local Baptist pastor; Rev. Temple Lewis, pastor of Lone Star Baptist Church and Rev. Woodard of Hollis. Interment was in McKnight Cemetery.

Mr. Kellison was a member of the Baptist Church at Hollis, and a charter member of the Teacross Baptist Church near Hollis, which was organized about 1903. He had been a faithful member of the church all his adult life.

Mr. Kellison was born April 19, 1882, in Arkansas. He was married to Miss Maud Schaffer on September 25, 1903, and the couple had five children and near Hollis all their married life. They observed their 55th wedding anniversary last September. Mr. Kellison had farmed all his active life.

He became ill in 1958, undergoing surgery in June of that year at Plainview. His ill health continued until death came last week.

Survivors include his wife; five sons, V. H., R. C. and G. E., all of Lockney; R. R. Kellison of Chandler, Arizona; J. A. Kellison of Casa Grande, Arizona; two daughters, Mrs. Margie Grossman, El Cajon, Calif., and Mrs. Ford Carter, Levelland, Tex.; one brother, John Kellison of Hollis; 14 grandchildren and 15 great-grandchildren.

Among those attending funeral services from this area were: Messrs. and Mrs. Hilburn Casey, E. A. McLeod, Jewell Rexrode, Fay Pinner, R. C. Mitchell, Mondel Mills, Fred Duvall, Dale Hunt, Martin Bradley, Walter Tack, Bailey Henderson, Conrad Henderson, Bob Merrell, W. O. Whitehead, Thurman Thomas, Horace Seago, France Carthel, Chester and Hershel Carthel; Messrs. Homer Bartram, J. R. Belt, Jack Billington, Loyd Widener, Lonnie Scott, Johnnie Lee, Rev. Charles Broadhurst and Rev. Temple Lewis.

## Band Colorama Set Thursday, Friday Nights, Next Week

The Longhorn Band, directed by Clyde Seaman, will present its annual colorful musical extravaganza Thursday and Friday nights of next week, April 23, 24. The program will begin at 8 p.m. each night at the High School Auditorium.

"This show promises the ultimate in fine home talent of various categories," says Mr. Seaman.

At least one hundred selections have been considered and the best have been selected from these in order to provide the finest in musical entertainment for all ages, the director states.

The show will star such talent as Donna Baughman, Bette Jefferson, Janice Carthel, Karen Ashton, Eudalia Sanders, Patsy Elam, Priscilla Carthel, Linda Elam, Rita Dollar, Joan Falls, Carolyn Merrell, Rita Falls, Pat McLaughlin and Nancy Seaman in dances, tap dances, songs and twirling ensembles.

Everyone is urged to buy their tickets early.

## Spring Revival At Methodist Church Begins Sunday Morning

The Spring revival services at the Lockney Methodist Church will begin Sunday morning, according to announcement by the pastor, Rev. E. Lee Stanford. The revival will continue through Sunday, April 26th.

Dr. Vernon N. Henderson, pastor of San Jacinto Methodist Church in Amarillo, will do the preaching in the meeting. Oliver Holmes will lead the congregational singing.

Evening services will begin at 7 o'clock and the morning services will be in the form of a breakfast each morning at 7:30. The women of the church will meet on Monday and Friday mornings, the men on Tuesday and Saturday mornings and the young people over 12 years of age on Wednesday and Thursday mornings. All children under 12 will have their special service and treat at 4 p.m. Friday, Rev. Stanford said.

Dr. Henderson is a native of Northwest Texas Conference, having been born and reared in this part of the state. He and the local pastor, Rev. Stanford, were boys together at Crowell. Dr. Henderson is a graduate of McMurry College at Abilene and Perkins School of Theology at Southern Methodist University. With the exception of two years service as chaplain in the Navy during World War II, all his ministry has been in this conference, with pastorates at Vega, Haskell, Borger, six years as superintendent of the Brownfield district, and now at Amarillo.

"He is a mild, gentle moving spirit who loves people, the Lord and His church," Rev. Stanford said. "People of all ages and all walks of life are blessed by his ministry. Everyone is invited to hear him during these revival services."

## Pre-School Clinic Scheduled April 28

The pre-school clinic, sponsored by Lockney Parent-Teacher Association will be held Tuesday, April 28 in the basement of the Methodist Church from 1:00 to 4:00 in the afternoon. The clinic is for the benefit of children of the district who will be six years old or will enter school for the first time next year.

Co-operating in the clinic will be physicians, dentist, school nurse and school authorities of the city who will be giving their time in the interest of healthier children.

Offered free of charge at the clinic will be T. B. patch tests, vaccination against small pox and immunization against diphtheria, whooping cough and tetanus. Parents are urged to avail themselves of this opportunity to help their children enter school in good health next fall. In case abnormalities or deficiencies are found parents may contact their family physician or dentist for corrective measures.

Parents incur no obligation by having their children examined, according to Mrs. E. Peckham, R. N., School Nurse.

DR. VERNON N. HENDERSON

## LHS Girls To Get Homemaker Degree At State Meeting

Mrs. Wilma Adams, homemaker instructor, will accompany three of her students to the annual State FHA Convention at Dallas April 23, 24, 25, where Ann Griffith and Elaine Cooper will be awarded their State Degrees in Home-making. The meeting will be held in the Fair Park Auditorium.

Students making the trip will be Ann Griffith and two delegates, Jackie Frizzell and Dee Dorman. One of the girls will accept Elaine's degree for her. Miss Rita Griffith is planning to accompany Mrs. Adams and the girls as a sponsor.

The local chapter has been assigned to help on the registration committee at the event. They will leave next Thursday and return Saturday in time for the Junior-Senior Banquet that night.

## Cancer Fund Drive Under Way In County

The annual Cancer fund drive is under way in Floyd County and County Chairman Mrs. Bill Hodel reported that to Tuesday morning \$608.50 was on deposit in the First National Bank of Lockney to ward the county goal of \$1500. Mrs. W. J. Mangold of Lockney is assistant county chairman.

T. B. Mitchell of Lockney began the drive Monday morning in Lockney's business district. Other workers will be working along as they get the time "C" Day has been set for Tuesday, April 21, but most of the fund drive in this part of the county is expected to be over with by that time.

Last year, under the direction of Mrs. Hodel, Mrs. Milton Ashton and Mrs. W. R. Daniels of Floydada, the county more than doubled the \$1500 quota. Indications are that the quota will be reached within a few days if all workers co-operate as they did last year.

**Cancer Meeting**  
Mrs. Hodel said Tuesday that all workers are urged to be present at a meeting at the Lockney Methodist Church Friday of this week at 1:30 p.m. when Phil Payne, from the district Cancer office in Lubbock, will show a film on the subject of cancer. Literature will be distributed to workers at this time and refreshments will be served.

Although not entirely complete Mrs. Hodel has secured most of the workers and announced them as follows:

Lockney business district — T. B. Mitchell.  
Lockney residential area, east of Main Street—Rebekah Lodge under the direction of Mrs. Flois Reed and Mrs. Albert King; also Mrs. Arthur Nigh and Mrs. J. D. Copeland.  
Northeast Lockney, residential area—Mrs. Frank Messimer.  
Southwest Lockney — Mrs. Jimmy Hodel.  
Northwest Lockney — Mrs. Ben McGhee.

West Lockney residential area —Members of El Progreso Study Club, Mrs. Clyde Applewhite, Mrs. Milton Ashton, Mrs. Hershel Carthel, Mrs. Clyde Briley, Mrs. J. E. Cox, Mrs. Charles Duran, Mrs. Henry Hodel, Mrs. L. M. Honea, Mrs. T. B. Mitchell, Mrs. Henry Schacht, Mrs. Howard Smith, Mrs. Jo Taylor, Mrs. Owen Thornton, Mrs. Ed Whitfill and these others: Mrs. Clyde Baxter, Mrs. W. H. Martin, Mrs. Tommy Chatham, Mrs. Claude Hammond, Mrs. Raymond Meriwether, Mrs. Carl McAdams, Mrs. Leslie Ferguson will work the Lone Star road

**WATCH MAKER HERE**  
Richard Faver, a watch repairman, has set up office at Byrd Pharmacy. He comes here from Abilene but is a native of Dublin. He and his wife and their baby have already moved to Lockney. He started work Monday.

## Trustees Take "New Look" At Building Plans

The trustees of Lockney Independent School District are taking a "new look" at plans for adding some building to the present school facilities. Seeking a way to avoid the very high interest rates on borrowed money, the board is considering a plan to build the additional units one unit at a time without the issuing of bonds, school officials said Wednesday.

The ten school study committees which have been working with the board for some two weeks, made their reports to the board at the board meeting Monday night, and the board then took up the study of a building program.

No definite building program has been adopted as yet by the board. The Beacon was told, but the trustees are thinking along this line.

The issuance of \$500,000 in bonds will require an additional \$500,000 in interest to pay off the bonds. The trustees would like to avoid this interest payment if possible. At present valuations in the Lockney district are set on 40% of the estimated actual value of property. By raising the valuations to 60% of the actual value, the board would have an estimated \$55,000 per year for building purposes. They could build a science unit the first year with this money, a home making unit the second year, a vocational agriculture unit the third, a band unit the fourth and a practice gym the fifth and sixth years thus completing the needed units in a six year period without the issuance of bonds.

If the units are built in this manner it will be necessary to move the old buildings off the northwest corner of the present high school grounds and build there since it would not be feasible to have one unit sitting four or five blocks away. The Beacon was told. Then, too, if the building program should bog down for lack of finances sometime during the six year period, the buildings adjacent to the present school facilities would still be usable while they would not be if separated, it was pointed out.

The board has definitely not committed itself to any building plan as yet, but are considering this new angle as a way to save money over the years, school officials said.

## LONE STAR SINGING

The Third Sunday Singing Convention will be held at Lone Star Baptist Church, Sunday, April 19, from 2 to 4 o'clock, according to Miss Sue Wilson, newly elected secretary.

Miss Wilson is the daughter of Mr. and Mrs. John Wilson of South Plains.

The public is cordially invited to attend.

## LOCAL GIRLS AND BOYS STATE DELEGATES ARE NOMINATED

Delegates to the Girls Bluebonnet State and Boys State from Lockney High School were named this week. They are Marjorie Lacy, daughter of Mr. and Mrs. M. D. Lacy of Paymaster Farm, Aiken, and Oyama Buchanan, son of Mr. and Mrs. M. O. Buchanan of Sterley.

Both meetings will be held in Austin in June.

The delegates are selected by school officials on the basis of leadership, scholarship, honesty, character, co-operation and physical fitness. The American Legion Auxiliary sponsors Girls State and the American Legion sponsors Boys State. The local auxiliary and local Legion post will pay the expenses of the delegates from Lockney High.

Miss Lacy is a member of the Honor Society, served as treasurer of that organization last year, is a member of F. H. A. and is a junior in high school. Alternate to Girls State is Donna Baughman.

Oyama is a member of the Honor Society and is president-elect of the Student Council. He was vice-president of the Honor Society last semester. He was one of the main stays of the Longhorn basketball team last season and was a regular on the football team. He was valedictorian of his eighth grade graduating class Donald Ivy is the alternate to Boys State.

The young people will be educated in their duties, privileges, rights and responsibilities as American Citizens at the meetings, which are organized and operated along the lines of state government.

Richard Faver, a watch repairman, has set up office at Byrd Pharmacy. He comes here from Abilene but is a native of Dublin. He and his wife and their baby have already moved to Lockney. He started work Monday.

## Kenneth Kendrick Has Surgery On Broken Leg

Kenneth Kendrick, injured some three weeks ago in an auto accident near Plainview, underwent surgery on his left leg Monday morning at Medical Center in Plainview. A pin was placed in the thigh bone and the leg placed in traction. A cast will be put on in about six days, relatives said Wednesday.

## District Meet Set Saturday At Lubbock

This is the big week for members of the Longhorn track team!

The District 2-AA track and field meet will be held Saturday on the Texas Tech field in Lubbock. All district teams — Lockney, Abilene, Olton, Muleshoe, Morton — will compete.

Olton and Abilene are rated as favorites to cop the team title. Olton is sparked by one of the finest 440-yard and mile relay teams in this area.

Abernathy's Watson usually grabs several points for his team in the hurdles and Camp of Muleshoe, a shot and discus thrower, picks up many of his team's points. The Morton squad is bolstered by a good miler and high jumper, according to local coaches.

Lockney's leading point-maker this season has been Lewis Eiland in the half-mile run. Robert Williams has also placed several times in the pole vault.

Athletes placing first or second in district are eligible to enter the regional meet.

Coch Eivin Lyon's squad was entered in the Hiale Center meet last Saturday. Eiland ran second in the half mile and Williams tied for second in the pole vault. Several other Longhorns placed fifth.

## Bilbrey Relative Dies Tuesday

Claude Spraggins, 65, a brother-in-law of John and Truett Bilbrey of Lockney, died of a heart attack about 10 a.m. Tuesday at his farm about 15 miles northwest of Plainview.

Funeral services will be held at 2 p.m. Thursday at the College Heights Baptist Church in Plainview, where he was a member.

Mr. Spraggins had been suffering with heart trouble for several years. He was a veteran of World War I.

Survivors include his wife, the former Edna Mae Bilbrey, and three sisters.

## HONOR STUDENTS IN LOCKNEY SCHOOLS ARE ANNOUNCED

DEBRA FERGUSON will be valedictorian of the Lockney High graduating class.

PEGGY FORD will be salutatorian of the Lockney High Graduating class.

## Jerry Holmes Is Awarded \$3100 Fellowship

Jerry Holmes, son of Mr. and Mrs. Oliver Holmes, has been awarded the \$3100 Schlumberger Foundation Fellowship to attend the Institute of Technology, Cambridge, Mass.

Jerry will receive his degree from Texas Tech in June as an electrical engineering major. He is 22 and a 1955 graduate of Lockney High School where he was valedictorian of his class.

Since then he has received several other honors. At Cambridge he will be studying in the graduate school of Electrical Engineering. No services except satisfactory grades are to be required of Jerry. The Fall Semester begins September 21, 1959.

Issuance of the fellowship is for \$650 tuition each semester for two semesters and \$900 cash for each of two semesters.

## National Library Week Celebrated

Floyd County has a better opportunity than ever before to celebrate National Library Week because of the Bookmobile demonstration going in this county. Miss Mary Jo Vines, librarian, pointed out this week. Over 2900 books were checked out in the first month of the Bookmobile's operation. Miss Vines said. She also said that in the 36 stops in the counties of Garza, Kent, Dickens and Floyd, the response has been excellent, showing how eager South Plains residents are for good reading.

National Library Week is April 12 to 19 and is observed to emphasize the importance of reading to the American way of life and the importance of libraries of all kinds — public, school, rural and university, as well as those maintained by individuals in their own homes.

## Picture Memory Team Wins Third

The Lockney grade school picture memory team made a score of 99.4-13ths at the district meet in Olton last week but still only placed third. The teachers who coached the children were well pleased with their performance. Mrs. Alma Dutton, principal, said.

Members of the picture memory team were Gayle Carthel, Janet Edwards, Bobby Webster, Cherry Dickson, Jerry Bigham, Melvin Sissney, Keith McCulloch, Rennie Mann, Mary Sue Crader, Gayle Williams, Trudy Jarrett, Steve Stansell, Judy Smith, Connie McPherson, Danny Davis.

Dennis Griffith won fourth place in declamation and the grade school spelling team of Donna Lyn Record and Robert Dollar won fifth place. Linda Whitfill won third place in the story telling contest.

Honor students in both the High School and Junior High graduating classes were announced by principals of those schools Wednesday.

Miss Debra Ferguson, daughter of Mr. and Mrs. Leslie Ferguson, will be valedictorian of the High School graduating class and Peggy Ford, daughter of Mr. and Mrs. R. H. Ford, will be salutatorian. Miss Ferguson's average grade for the past two years is 95.2 and Miss Ford's average is 93.7, according to Principal F. M. Smith.

Other honor students in the High School graduating class are: Janice Hays, with 93.3 grade average; Nancy Tyler, with 92.4 grade average; Patsy Anderson with 92.3 grade average; Duane Griffith, with 92.1 grade average; Milton Mickey with 91.2 grade average; Elaine Cooper with 90.4 grade average and Nancy Bollman with 90.2 grade average.

The High School Commencement will be held at the High School auditorium on Thursday evening, May 28th, and the Baccalaureate on Sunday evening, May 24th.

**Junior High Honors**  
Honor students in the eighth grade graduating class are Miss Sandra Smith, daughter of Mr. and Mrs. Robert Lee Smith, valedictorian, and John M. Tye, son of Mr. and Mrs. J. M. Tye, salutatorian. Miss Smith's average is 94.90 and John's average is 94.05.

Other honor students as announced by Principal C. H. Cheves, are: Fern Sissney, 92.65 average; Frances Fowler, 92.40 average; Jane Reynolds, 91.15 average; Charlotte Brown, 90.85 average; Carolyn Belt, 90.60 average; Jane Rhodes, 90.30 average; Dianne Montgomery, 90.90 average.

The eighth grade graduating exercises will be held Tuesday evening, May 26th, at the high school auditorium. A guest speaker will be secured for this affair. A special school assembly will be held in the afternoon at which students will hear the class history, class will and class prophecy. Miss Sissney will give the class history, Miss Fowler the class prophecy and Miss Reynolds the class will.

## HODGES INJURED

Hoyette Hodges, manager of the Hi-Plains Gin here, suffered a cracked knee cap Tuesday while assisting in moving some heavy machinery at the gin. He fell on the knee causing the injury. He is receiving treatment at Lockney General Hospital.

REV. AUDYE WILEY

## Revival At South Plains Begins Sunday

Revival services at the South Plains Baptist Church will begin Sunday morning, according to announcement by the pastor, Rev. John Gillespie. The meeting will continue one week, through Sunday, April 26. This revival is in co-operation with the Simultaneous Crusade of Southern Baptist churches.

Preaching for the meeting will be Rev. Audye Wiley, pastor of the West Side Baptist Church of Portales, New Mexico. He is a graduate of Wayland Baptist College, Plainview, and a former pastor in this association. Rev. Wiley has a rich background as a pastor. His father and grandfather before him were both preachers, and he is a warm-hearted, fervent preacher, Rev. Gillespie said.

Song services will be conducted by Tommy Cox of Aiken, a ministerial student at Wayland. Mr. Cox is music director of the Aiken church.

Services will be held at 10:30 a.m. and 8 p.m. with prayer services preceding the evening service at 7:30 o'clock. The public is cordially invited to attend these services. Rev. Gillespie said.

## EDITORIAL

Be strong and of good courage; be not afraid, neither be thou dismayed; for the Lord thy God is with thee whithersoever thou goest.—Joshua 1:9

**CAN YOU** afford a 25% increase in the wages of your employees? Right now a strong fight is being made in Washington to increase the minimum wage scale by 25%—from \$1.00 per hour to \$1.25 per hour. You say you already pay some employees more than \$1.25? Maybe so, but if you raise the \$1.00 per hour men to \$1.25 you're going to have to give other employees similar raises or face discontent and unrest. Informed sources tell us that this law will pass the present congress unless strong opposition is registered now.

**A RECENT SURVEY** in a Idaho high school revealed some interesting figures in the controversy over scholarship versus student ownership of cars. The survey showed the following: No straight A student owned or had complete use of a car during school hours; 15 percent of the B students had cars; 41 percent of the C students had cars; 71 percent of the D students had cars and 83 percent of the F students had cars. We don't know exactly what all this means. It probably can't be applied exactly as the survey figures show, but it is enough to make a parent think twice.

**ALTHOUGH** we admire him in many ways, we get kinda put out with Mr. Charlie Guy and his Lubbock Avalanche at times. Seems that they are over-emphasizing the bootlegging situation in Lubbock county, perhaps as ground work for a drive to legalize the selling of intoxicants. We can tell him, without fear of contradiction, that many people who once went to Amarillo to spend their surplus money, now go to Lubbock, because in that city there isn't a bar or beer joint on every corner and several in between. We wish Mr. Guy would check the number of D. W. I. convictions in his county and compare them with Potter county. We don't have the figures available now but we are willing to rest our case with the statistics. We do have these figures: During the year 1958 in the 142 dry counties in the state, 2,468 driver's licenses were cancelled for driving while intoxicated while in the 112 wet counties 5,373

driver's licenses were cancelled. In our books there is nothing more dangerous than a drunken driver. Would Mr. Guy take on the additional risk of injury or death from contact with more drunken drivers in order to gain a small measure of liquor tax revenues? Certainly all counties in Texas, both wet and dry, have trouble with bootleggers — even Floyd County. But putting a liquor store in every block will not solve the liquor problem — regardless of the amount of revenue — because you see "legal control" doesn't control anything.

**WE HEARD** Alvin A. Burger, director of the Texas Research League, make an address before the Panhandle Press Association in Amarillo last Saturday. Mr. Burger made many pertinent points but best of all were these:

It is not true that the mere appropriation of money automatically solves any given public problem. Some of our best school systems, for example, are operated at a reasonably modest cost per pupil. It is not true that every legislator who makes speeches for economy in government always votes for spending reductions when the chips are down.

It is not true that government spends money more efficiently than do individuals or businesses, but many public officials are trying to improve in this matter.

It is not true that the average citizen cannot do something to halt unwarranted increases in government spending. He can inform himself, he can vote, he can write letters to legislators or Congressmen. It is not true that totalitarian government is more efficient than democratic government. The lack of public knowledge of the expenditure of public moneys lays the ground work for extravagance and corruption on a grand scale.

**AN ECONOMIST** forecasts that Americans will spend almost \$2 billion this year on sporting goods.

**COLUMNIST SYLVIA PORTER** finds that in the past 88 years — as long a period for which reliable statistics exist—stock prices have advanced an average of 1,060%, as against a cost of living increase of 232%.

## THE AMERICAN WAY

The Siamese Twins — Aid and Control

## With Our EXCHANGES

**FARM LABOR** — Two Farm Bureau officials — Hub King of Brownfield and Millard Shivers of Waco — spoke before some 600 FB members and guests at the Bull Barn Thursday night, expressing definite opinions that farm labor may well become unionized in the next year or so.

King based his opinion on the fact that AFL-CIO representatives have already appeared in a Farm Bureau operated cotton mill in Lubbock with demands for union labor; he said the case has been referred to federal labor board mediators in Dallas. Shivers carried the thinking a little bit further by pointing out the possibility that union help in the cotton mill could refuse to handle products from non-union gins in the area; the gins, once unionized, can in

turn refuse cotton from farms manned with non-union labor. His idea, especially in view of the recent halting of Girl Scout cookie sales in California by unions, is not so remote as many farmers would like to think.

Unfortunately, the farm bloc has lost the political prestige and respect it had 10 years ago. It is now taken for granted by the political leaders. Worse still, they give the impression that they actually don't care a whole lot what the farmer thinks. Today, they bow and scrape to organized labor, while the farm bloc takes a back seat — Jimmie Gillentine in Hereford Brand.

**A CRISIS THAT CONTINUES** — Berlin, Berlin, Berlin! Every day for the past month newspaper headlines have told the

story of mounting and dismounting tension between the United States and Russia over the proposed giving of travel controls to the East Germans. First Russia threatens war and when that doesn't do any good she proposes some new answer to the problem, such as making it a free city.

This is all just part of the old Communist method of doing business. You hunt and hunt until you get the opponent to give a little then begin hunting all over again. It's not the fastest way to win the world but in the long run it is the most effective. We in the United States have always been a people to go at a job, get it finished, and then forget it. In our dealings with Russia we are going to have to realize that there will never be such a thing as complete quiet. They will forever be trying to find a soft spot in our armor. It is their philosophy of government.

This is why the American people, and all of the people of the free world, are going to have to prepare themselves for a period of constant crisis for maybe the next 50 years. How long will depend only upon the length of time the Soviet system of government is able to stay in power. This is what we must live with in the coming years and we must not allow ourselves to become tired and give an inch just to get a little rest from Russian pressure. — Memphis Democrat.

## CROSS ROADS REPORT

I see where some Texas lawmakers got kind of riled at a school teacher, juveniles, and other groups which ganged up on the capital to pressure for some new laws they want.

My political expert neighbor says this is like hiring a man to paint your house, and then bothering him with requests as to what color, etc.

Says mass meddling with our people-shepherds is bad etiquette, anyhow, and no fair substitute for the old reliable gift-bearing lobbyist.

**LOCKNEY BOWLING LEAGUE (Men)**

Flash - O - Gas captured the league lead Monday night by tripping First National Bank in three contests. Seale Drive-In dropped Brown's Dept. Store in two of three games to deadlock the Bank for second place.

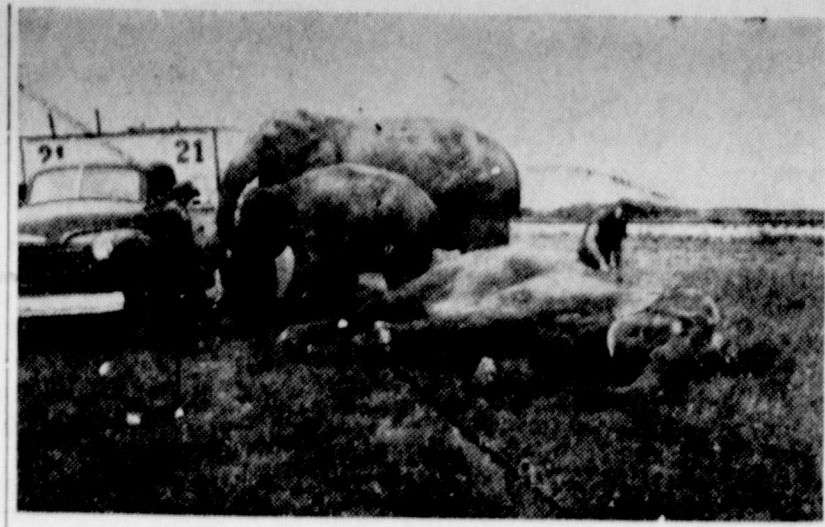

Lockney Lumber won two of three from United Elevators and Crume Gin knocked off Rowland-Gordon Oil Co. by the same count in other matches as

Lockney League reached the half way point in the schedule. Tough luck Lockney Lumber has suffered one-point defeats in the past two weeks.

Ewald Quebe of Brown's Dept. Store had the high game of the season - 242. High series, 544, was rolled by Gene Handley of Flash-O-Gas.

Team high games and series: Brown's Dept. Store, Ewald Quebe, 242-477; Seale Drive-In, Earl Cooper, 176-486; First National Bank, Carl Lee, 173-493; Flash - O - Gas, Gene Handley, 195-544; United Elevators, Royce Carthel, 183. Helmuth Quebe, 516; Lockney Lumber, R. L. Rhoten, 190-512; Crume Gin, J. D. Boedeker, 162. Robert Matthews, 427; Rowland - Gordon, Bobby McCormick, 195-468.

Schedule for Monday, April 20 - Rowland-Gordon Oil Co. vs. First National Bank (Lanes 13-14); Brown's Dept. Store vs. United Elevators (Lanes 15-16); Crume Gin vs. Seale Drive-In (Lanes 17-18); Flash-O-Gas vs. Lockney Lumber (Lanes 19-20).

**SOYBEANS**  
Soybeans are becoming a more important crop in our area. Here are a few points on producing maximum yields. Lee variety is the most popular variety at the present time it tends to shatter less. Planting rate should be about 60 pounds per acre. All soybeans should be inoculated with the Southwest Culture and the dose should be doubled for best benefits. Planting date should be from June 10th to June 20th.

Soybeans need plenty of water from bloom to soft dough stage. Usually the Soybeans need water after cotton is irrigated. The support price net to the farmer has been set at 1.64 to 1.68 per bushel, depending on quality produced.

**LAWN MANAGEMENT**  
To develop a nice lawn spring fertilization should be done. It is recommended to apply a balanced fertilizer containing nitrogen, phosphorus, and potash or apply just nitrogen and phosphorus. 25 to 30 pounds of fertilizer per 1000 square feet is the best rate. Heavy waterings are better than light frequent waterings.

Many lawns which are old may have grubs that are damaging the lawn and are causing brown patches to appear. The use of chlordane or dieldrin at 2 pounds per 100 square feet ap-

plied to the lawn and then watered into the soil will control grubs. Gold was so plentiful in Colombia in the early days that fishermen used it for making fishhooks, according to The World Book Encyclopedia.

District Lions Convention At Plainview

Plainview — Two Plainview Lions Clubs, co-hosts to the annual District 27-1 Convention scheduled here April 25-28 are preparing to receive more than 1,000 Lions and members of their families during the four days' gathering.

Neal Williams, president of the noon club, and Smokey Hewitt, president of the evening club, and their committees are well along with preparations.

It will be the last time the year district, one of the largest in U.S. Lions International, will meet as an area. The district will be divided as nearly geographically equal as possible at the Plainview convention.

Ray Black, a former director of Lions International, will address the district governor's banquet at the National Guard Armory at 7 Monday night, April 27.

Dear Editor: I see where the administration has about given up the theory that lowering prices on farm products will cut down the output of same.

My pro farmer neighbor says it was a pretty good theory anyhow, on account of ignoring such facts of life as: The less a man's staff brings, the more of it he has got to raise to keep his banker in a good humor.

Says what ought to be tried now is higher prices, to see if this wouldn't give bankers a shorter whip, so farmers could cultivate more business and less corn.

Winners In 4-H Demonstration Contests Named

Thirty-four Floyd County 4-H club girls participated in the demonstration contests held Saturday at the Floydada High School. Mrs. Joan Chester Johnson judged the contests.

First places were given blue ribbons, second places were given red ribbons and third places were given white ribbons.

Those entering the vegetable demonstrations and the places won were announced by Miss Phyllis Roggenburt, county home demonstration agent, as follows:

Blue ribbons, Becky Miller and Tynette Smith, Sandhill Community 4-H Club; Jennie Adams and Janette Dobson, Lockney Grade School 4-H Club; Katherine Blalder, South Plains Community 4-H Club.

Red ribbons, Martha Pyle and Cynthia Williams, Lakeview Community 4-H Club; Sue Wilson and Yvonne Karr, South Plains Community 4-H Club.

White ribbons, Anita Perez and Dinah Kay Hodel, Lockney Grade School 4-H Club; Laurita Lacewell, Lockney Grade School 4-H Club.

Those getting dairy foods demonstration were named as their 4-H record in well as their demonstration. Ribbons they received are:

Blue, Beverly Smithy and Nina Sentz, Harmony Community 4-H Club; Beverly Jeffress and Mary Starkey, Sandhill Community 4-H Club; Jennie Miller, Sandhill Community 4-H Club.

Red, Becky Duplap, Floydada Jr High 4-H Club; Elaine Starkey, Sandhill Community 4-H Club; Linda Abbott and Pat Schaffner, Lockney Grade School 4-H Club; Janet Holmes, Harmony Community 4-H Club; Darlene Mount, Floydada Jr High 4-H Club.

White, Kay Hammonds and Shirley Johnson, Lakeview Community 4-H Club; Gayle Carthel and Connie McPherson, Lockney Grade School 4-H Club; Suanna Martina and Candace Chilla, Lockney Grade School 4-H Club; Barbara Washburn and Darlene Covington, Floydada Jr High 4-H Club; Carol Cooper and Brenda Gant, Lockney Grade School 4-H Club; Barbara Chambliss, Lockney Grade School 4-H Club.

Sue Wilson and Yvonne Karr of the South Plains Community 4-H Club were the only demonstrators old enough to be eligible to participate in the District Contest. They will represent Floyd County with their Vegetable Team Demonstration on May 2 at Lubbock.

Dual-Wheeled Vehicles Must Have Flaps

Austin — Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety, said today that under a new State law it is now illegal to operate dual-wheeled vehicles on the highways without mud flaps on the rear to protect drivers in back of them.

The law which formerly applied only when the pavement was wet, now requires mud flaps in all kinds of weather for certain vehicles. It became effective April 1, 1959.

Under regulations issued by the Department, Garrison said, the flaps may be made of metal, rubber, rubberized material or other substantial material rigid enough to prevent mud, slush, gravel or other matter from being thrown from the rear of a dual-wheeled vehicle into the windshield of a vehicle following.

Pole trailers, truck tractors operated alone and without being in combination with a semi-trailer, and all trucks operated on private property do not come under the provisions of the new law.

LHS Students Have Poems Printed

Lockney High School students have been recognized again this spring by acceptance for publication a number of their poems for the National High School Anthology of Poetry.

Pat Anderson and Margaret Schicht were given special mention for their contributions and the following have received certificates of award, Bill Mangold, Corrine Sanchez, Baye Watson, Jane Carol Phillips, Carolyn Merrill, Jackie Fritzel, Mickey Mowley, Janice Buedeker and Genda Harden.

Students Appear On PTA Program Tues.

The Rhythm Band composed of Mrs. Clay Mistry's first graders, under direction of Mrs. C. L. Rensell, presented several numbers at a meeting of Lockney Parent-Teacher Association Tuesday night at the High School Auditorium. Following the music Mrs. G. C. Applewhite and several high school students presented a program.

Rhythm Band leaders for numbers presented were Gary Mangold, Stann Ford and Kathy Jean McDonald.

Appearing with Mrs. Applewhite in a typical home room discussion were Jake Welford, owner; Donna Workman, Milton Mickey, Bill Rice and Wynnan Cooley. The discussion brought out amusing and interesting statements, and cleverly deflected from the given subject of "The Moon" to "Integration."

Mrs. Wayne Cozer, vice-president presided at the meeting and Lee Capeland brought the invocation. Announcement was made of the Pre-School Clinic which is to be held April 28 from 1 to 4 p. m. in the basement of the Methodist Church. The clinic is sponsored by the PTA.

E. H. Nicholas discussed "What's New in Our Schools" emphasizing the music program in Junior High and Grade School and stressing the importance of raising the school standards to meet the changing requirements of colleges.

Mrs. Milton Ashton reported on the progress of the PTA project to plant grass at the grade school.

An announcement was made that Lockney's PTA Year Book won a Superior rating at the district convention at Plainview Tuesday and the History and Publicity Book won an Excellent rating. The Publicity Book was prepared by F. M. Smith and Janice Hays.

Attending the Plainview meeting were Bob Miller, PTA president for next term, Mrs. Thurman Davis, Mrs. Durward Jack and two high school students, Donna Workman and Oysma Buchanan.

Mrs. Mancy's room won the attendance award and Mrs. Dee Capeland's room was runner-up.

Return Home From Newfoundland

A 1-c James L. Quisenberry is expected home some time this week from a 1 1/2 year tour of duty at Ernest Harmon Air Force Base, Stovenville, Newfoundland.

His wife, the former Nell Wells, and their 3-month-old baby son have been here since February 15 when the family returned for the funeral of James' father, Fred Paschall, James went back to Newfoundland March 13 to await a transfer to the states. Mrs. Wells had spent 1 1/2 years at the distant base and says the family is very happy with the prospects of being stationed in Lubbock for 11 months. Her husband lacks completing his eight years of service.

James Bradford is the name of the Quisenberry's baby son who was born in Newfoundland on January 11. He and his mother have been enjoying a visit with her parents, Mr. and Mrs. Tom Wells, and other relatives, since February.

Mrs. Quisenberry says Newfoundland has already had 200 inches of snow this year and that the low temperature in winter is about 20 below, however, the average is 10 above in summer, temperatures are not higher than 75 degrees and a light wrap is always comfortable, she states.

The return trip in February was made by plane to New Jersey and by train the remainder of the way. James is expected to make his transfer back via plane.

More than half the patients in U. S. veterans' hospitals are being treated for non-service-connected disabilities.

The U. S. Treasury, through taxes, is more heavily taxed in corporate profits than all private stockholders combined.

By Mrs. Murray Julian

Since the wonderful two inch Tuesday night we had most no sun until Monday, following the moisture to soak the thirsty ground. Temperatures of around 25 degrees are prevalent Monday.

Rev. Douglas Clark of Wayland College was guest speaker Sunday as the Rev. J. E. Bespie is holding a revival at Wesley Baptist Church in Plainview from April 12-14. Carolyn Seago of Floydada was a visitor at the morning services.

Elton Karr, Mary Nell Wynn, and Morris Pruitt, students at Wayland College, were visitors at Training Union Rev. Clark and Matus Yott of Oklahoma, also of Wayland, were guests of the Gillespies Sunday afternoon.

Bricklayers will resume work this week on the Baptist Church. The pews are scheduled to be in place the second week in May.

Mr. and Mrs. Ernest Smitherman went to Lockney Sunday

to visit Mr. and Mrs. Owen Thornton and family.

Mr. and Mrs. Grigsby Milton had as guests Sunday, Rev. Douglas Clark of Plainview, Mr. and Mrs. Sim Reeves.

Mrs. Murray Julian attended a library board meeting at Floydada Thursday morning. Present were John Reue, Mrs. Tom Porter, and Mrs. Kinder Farris of Floydada and from Lockney Mrs. Arthur Barker, Sr., and Kenneth Wofford.

Mr. and Mrs. George West were hosts at a canasta party Friday night. Guests were Mr. and Mrs. Frank McClure, Mr. and Mrs. Skeet Thornton and Mr. and Mrs. George Beedy of Plainview. Mrs. West served snacks of assorted party dips, sandwiches, cakes and coffee.

Mr. and Mrs. Robt. Olen Turner of Lubbock and his cousin, Floyd Medley, of Floydada were dinner guests in the home of Mrs. Turner's parents, Mr. and Mrs. Early Pritchett and boys Sunday.

Mrs. L. T. Wood presided at the WMU meeting Monday afternoon at the church and Mrs. Shelby Calahan was in charge of the program on "Who

Dear Editor:

I see where our Chiefs of Staff are beefing up national defense by spending \$350,000 to have their Pentagon offices remodeled.

My rankless neighbor says when Khrushchev hears about this he will no doubt throw in the towel. But some U.S. commentators claim it is extravagance.

Says what maybe they don't realize is that a man can't be expected to think large thoughts in an old office where the drapes are the wrong color, the gold inlay on the desk is all dirty, and some of the walls are too close to the wastebasket.

### Interest In Corn Up On The High Plains

Increased interest in corn production for the 1959 growing season has recently developed in this area, according to a report from the High Plains Station at Halfway, west of Plainview. The High Plains station summarizes the available information on corn production as follows:

1. Land: Should be of medium to high fertility and fairly level to insure good water penetration.
2. Fertilizer: 100 to 150 pounds of nitrogen either preplant or sidedressed early, and on sandy lands or land that has previously given response to phosphate: 60 to 80 pounds of P2O5.
3. Planting: Plant as early as practical, usually from April 10th to May 1st. Earlier planting gives more opportunity to harvest before corn falls down. Plant at a rate to get 16,000 to 18,000 plants per acre or one plant every 8 or 9 inches in 16 inch rows (usually 10 to 12 pounds per acre).
4. Irrigation: Moisture requirements are critical at silking and tasseling and the corn will probably need one irrigation after silking to develop ears. Corn will require three to five irrigations depending upon maturity type of hybrid, rainfall, type and contour of land.
5. Cultural Practice: About same as for grain sorghum.
6. Harvesting: Corn should be harvested when moisture gets from 15% to 20%. Some reports indicate that corn can be combined with moisture ranging from 20% to 25%. This practice reduces harvesting losses and permits earlier harvesting, but requires drying the grain.
7. Varieties: There are many good commercial white and yellow hybrids of early, medium and late maturity. Some of these are: Texas 17W, 26, 28 & 30; Asgrow 104; Conrads 3; Watsons 111; Funks G779W & 740; TRF 9 & 10; PAG 485; DeKalb 1002 & 1023; Northrup King KW5.
8. Expected Yield: 90 to 150 bushels per acre.

The farm population is getting older. Since 1950, the largest decrease in farm population has been in the 18 to 44-year old group.

**Brownies Visit Newspaper Office**

The Second Grade Brownie Troop enjoyed a visit to the Beacon printing plant Tuesday as an educational tour. Fifteen girls and two sponsors made the trip.

In the absence of Mrs. Dick Whiteley, leader, the girls were accompanied by associate leaders, Mrs. Kenneth Wofford and Mrs. Maudell Mills. Brownies making the tour were Genita James, Chudy Barnes, Dorothy Moseley, Jani Wofford, Kathy Thornton, Carolyn Byrd, Mickey Jarrett, Cathy Jo Handley, Shawna Gilly, Brenita Dutton, Chudy Rankin, Pamela Mills, Debra Carthel, Glenda Cooper and Debbie Miller.

Eighteen girls are enrolled in the troop which meets regularly each Tuesday at 2:30 at C. N. Townsend School Cafeteria.

**Legion Auxiliary To Meet Thursday**

The American Legion Auxiliary will meet Thursday night at 7:30 in the smaller dining room at Golden's Restaurant.

Mrs. Jimmy Rodel will give a report of the District Convention she attended last week at Big Spring.

Following the program and business a social will be held.

**Kay Golden Named "Best Dressed" At West Texas State**

Miss Kay Golden, Lockney Freshman, was recently voted "Best Dressed" student at a dance sponsored by Lambda Chi Alpha, a social club for men at West Texas State College. Miss Golden is the daughter of Mr. and Mrs. Oscar Golden, Aiken.

This event honoring the best dressed is designed to promote better dress on the campus. A business education major, Miss Golden, recently became a member of Phi Gamma Nu, national business organization for women at West Texas State College.

**NEW ARRIVAL**

Mr. and Mrs. Thomas Marr are parents of a baby daughter, Janis Kay, who arrived at Lockney General Hospital Wednesday, April 8, at 6:25 p.m., weighing 7 pounds. Janis Kay has a sister, Karen, 4, and two brothers, Ronald, 10, and Gary, 4 years of age. Grandparents are Mr. and Mrs. D. L. Hall of Lubbock, Mr. and Mrs. R. E. Marr, Lockney, Mrs. C. L. McElroy of Clarksville is a great-grandmother.

**MAGNETIC ALLOYS**

The alloys of the iron-nickel system, containing from 20 to 90 per cent nickel, provide a series of alloys with special magnetic properties which are extremely useful in the electrical industries, particularly in the communications field.

**TRY BEACON CLASSIFIEDS**

Interest due on existing 2nd and 3rd mortgage amounts to two-thirds of the estimated \$12-billion Federal deficit to be added to the debt this fiscal year.

**Mrs. Henry Bollman Is HD Club Hostess**

Mrs. Henry Bollman was hostess to the Lockney Home Demonstration Club Wednesday, April 8, when Miss Phyllis Roggendorf, County Agent, presented the program.

Mrs. W. H. Martin read the devotional from Matt. 5:28. Roll call was answered with something about a foreign country.

Miss Roggendorf gave an interesting talk on "Selection of Clothes and Accessories for Men and Boys". Some of the things discussed were what goes with what. She also reminded the women that shirt collars should show about 1/2 inch above the suit coat collar and the shirt sleeves should show 1/4 to 3/8 inch below the coat sleeves.

Those attending were Mines, Ross Cooper, N. S. Abbott, W. H. Martin, Henry Bollman, Vestal Eliant and W. W. Miller.

Next meeting will be April 22 at 2:45 in the home of Mrs. W. T. Cooper.

**NEW ARRIVAL**

Mr. and Mrs. Franklin Spruell, Plainview, are parents of a baby girl, Nancy D'lene, who arrived at Lockney General Hospital Thursday, April 8, weighing 7 lbs., 2 ozs. Paternal grandparents are Mr. and Mrs. R. D. Spruell, Aken, formerly a Lockney resident. The father is a 1955 graduate of Lockney High School and is employed with Beal Bros. Store, Plainview.

**GO TO FLOYDADA**

The Student Council of LHS will present an assembly program at Floydada High School next Monday morning at 10 o'clock. The program will be given in exchange for a very nice program presented to Lockney High students here last Monday by Floydada students.

**Mrs. Stoerner Re-Elected To Auxiliary Post**

Mrs. Wilfred Stoerner of Providence was re-elected to serve a full two-year term as president of the 19th District, American Legion Auxiliary, at the annual meeting of that organization in Big Spring last Saturday and Sunday. Mrs. Stoerner had served the district Auxiliary the past year on an unexpired term.

Mrs. Stoerner defeated Mrs. W. K. Thompson, Seminole, for the district president's office. She is very active in Legion Auxiliary work and is presently serving as chairman of the Blue Bonnet Girls State committee in the Plainview post. Her husband, Wilfred Stoer-

ner, was re-elected as chaplain of the District 19 American Legion organization, a spot he has held for several years. He is a member of the Plainview American Legion Post. Clarence Rogers of the Plainview post was named first Vice - Commander of the district.

Mr. and Mrs. Jimmy Rodel of

Lockney attended the district meeting with the Stoerners representing the Lockney post.

### Lee Leatherman Retires, Wood Is Promoted

Lee Leatherman, associated with the National Alfalfa Dehydrating & Milling Co. at Plainview since 1941, retired from service with the firm Wednesday of this week, April 15, and J. Q. Wood, former manager of the Lockney unit, is taking charge of production in the district Ray Copeland of Plainview will be in charge of district sales.

Leatherman has been in the alfalfa business since 1919 when he began work with the Denver Alfalfa Milling & Products Co. in Colorado. Later his firm merged with another to form the National company. During his service the company has built a number of plants including those at Lockney and Plainview.

Wood began work with the company here as assistant manager back in the forties. Last year he was moved to Plainview as local manager.

### Recipe For Sour Cream Dressing

Mrs. Wilma Adams, LHS homemaker teacher, has received many requests for the recipe for the Sour Cream Dressing which was used for bake potatoes at the last two Chamber of Commerce banquets. Because of its popular demand we pass it on to our readers:

Sour Cream Dressing—1/2 cup commercial sour cream, 3 dashes black pepper, 1 1/2 teaspoons sugar, 1/2 teaspoon salt, 1 tablespoon cider vinegar, 1-8 teaspoon prepared mustard, 1 teaspoon minced onion or chives, 1/2 teaspoon chopped parsley, dash of paprika. Mix in order given.

W. A. Taylor entered Hendricks Memorial Hospital at Abilene Monday for treatment. He will remain there two or three weeks, Mrs. Taylor said. Mr. Taylor has been in ill health for several months.

## Recent Bride Feted At Nuptial Shower

Mrs. Alvin Gibson, nee Doris Eiland, was complimented with a nuptial shower Friday afternoon in the home of Mrs. F. M. Smith. Calling hours were 3 to 4 o'clock.

Mrs. Smith greeted the guests and presented them to the honoree, her mother, Mrs. Orba Eiland, and Mrs. Irene Gibson, mother of the bridegroom.

The refreshment table was laid with white ruffled net over white and centered with an arrangement of yellow forsythia and daffodils in a crystal bowl. Yellow fruit punch was served from a crystal service surrounded with white lilacs and forsythia. A silver coffee service and yellow napkins completed the table appointments. Flower arrangements were placed at vantage points about the entertaining rooms.

Presiding at the table were Misses Beverly Poteet, Marie Harris and Branda Carter.

Hostesses for the delightful event were Mmes. Jack Calahan, R. H. Ford, C. D. McCandless, Melvin Potts, Harmon Handley, W. B. Cates, Horton Howell, Hilburn Casey, Leslie Ferguson, N. S. Martin, Chester Mitchell, Melvin Cooper and Frank Brown. The hostess gift was cookware.

Approximately 75 guests called or sent gifts.

## Dependants May Receive Social Security Payments

Dependent aged parents of a deceased son or daughter may now receive Social Security payments even though the deceased was survived by a widow, widower, or child. Mr. John G. Hutton, district manager of the Lubbock, Texas, Social Security office indicated that these additional benefits are possible as the result of recent Social Security amendments.

Dependent mothers and dependent fathers in this group should immediately get in touch with their Social Security office. Mr. Hutton said today.

Before a dependent mother at age 62 or dependent father at age 65 can receive benefits, they must file proof of dependency with their Social Security office. Generally this proof must be filed within two years after August 1958, when the law was amended, or within two years after the death of the son or daughter whichever is later.

Mr. Hutton said that he or his office staff will be glad to discuss this or any provision of the law at the Social Security office located at 2878 34th Street, Lubbock, between the hours of 8 a.m. and 5 p.m., Monday through Friday. You may also telephone Sherwood 4-8491.

Since 1940, average farm size has increased 40 per cent and investment per farm 300 per cent.

Weekend guests in the home of Mr. and Mrs. Leslie Cox and Joe included Mrs. Cox's mother, Mrs. L. S. Simmons of Groesbeck, Texas, who will remain several weeks, and the Cox son, Mr. and Mrs. Aubrey Cox and children, and a daughter, Mrs. Duane Jones and Mr. Jones, all of Lubbock.

Mrs. C. A. Griffith returned home Saturday, April 11 after spending the past two weeks in El Paso visiting her son, Hubert Griffith and family.

## AT FORT SAM HOUSTON

James Carthel has recently been transferred from Fort Chaffee, Arkansas, to Fort Sam Houston where he is enrolled in a 16-week course in Dental Laboratory Specialist's School.

His wife, Carol, will be teaching in Lubbock until the end of the year. She will join her husband in the San Antonio base.

Dear Editor:  
I see where Mrs. Roosevelt on tour bought her granddaughter a camel, but the Republicans won't let her bring it into the U. S.

My camel-shy neighbor says it seems very little of officialdom to hinder a grandma from appeasing her grandchild's yearning.

Says about all grandmas and grandpas are good for is to work at keeping grandchildren from want, no matter what it is they want, and he thinks the government ought to butt out in this case where one man can be temporarily satisfied with a \$77 camel.

D. E. SCOTT  
Crossroads, U. S. A.

meeting decided to reaffirm this stand and directed Executive Vice President George W. Pfeiffer and officers to work toward this end.

Vice President Wilmer Smith, who presided at the meeting, expressed doubt that any legislation would be passed this session, but urged that directors be kept informed of all proposed measures and changes.

The group also directed Pfeiffer to attend the Universal Standards Conference to be held in Washington May 25-27, at which time proposed changes in cotton classing are to be discussed.

W. T. Millen, Muleshoe, chairman of the PCG Bracero Committee, reported on recent farm labor developments and told directors that new and restrictive regulations on the use of domestic and foreign farm workers proposed by the U.S. Department of Labor are "preposterous".

Millen and PCG representatives plan to continue to attend all meetings pertaining to farm labor.

In conclusion Pfeiffer told directors of progress being made at the organization's pilot spinning plant at Texas Tech College. He also explained work is being done to include cotton blending that is designed to increase the consumption of High Plains cotton.

Smith reminded directors that the organization is nearing its fourth fiscal year, which begins July 1. A meeting of the PCG Finance Committee has been called for April 30, at which time a proposed budget for 1959-60 operations will be drafted.

What is charm? The dictionary says it is a quality of appearance or personality that attracts others. Mrs. Beth Rothman said it is the good you can bring out in others, and that a charming person never makes others feel uncomfortable.

I am attending the charm school being taught this week by Mrs. Rothman at Plainview. She is very charming and interesting. Those of you that go to the District THDA meeting Thursday will hear her.

Mrs. Rothman also told us that poor posture is a state of mind. If you think little of yourself you are more inclined to slump. If you would sit, stand and walk correctly, your muscles would be getting the right kind of exercise and you would feel better. Most backaches and foot trouble are caused by poor posture.

Some more interesting thoughts are: You become what you think about. If you think in negative terms, you will get negative results. If you think in positive terms, you will get positive results. You can alter your life by altering your attitudes. Everyone has some talent but some bury it instead of using it, just as in the Bible story.

I have just been to two classes so far but I will enjoy all of them. Sure wish you were there also.

### COLOR IN THE HOME

Are you planning a new color scheme for your home? Choose colors for large areas first. This includes floor coverings, walls and large upholstered pieces. In most cases, these should be your most livable colors, or colors they are greyed in intensity.

Next choose colors for small upholstery and the window treatment. This may be a blend of the room colors or match or contrast to the walls.

Lastly, choose your colors for accessories, pillows, lamps, pictures, etc. Usually this accent color is the brightest color.

## Floyd County Library News

By Mrs. A. T. Hull, Librarian

April 12 to April 18, 1959, is National Library Week and is sponsored by the National Book Committee in cooperation with the American Library Association. This event is devoted to the importance of reading in American life and to the importance of libraries of all kinds. The objective of this special week is to remind the American people that reading can help them explore and satisfy their need for a greater sense of purpose and meaning in their lives; to urge them to use more fully the libraries throughout our land. "A better read, better informed" America has become a necessity, and only a wide variety of reading can keep us well informed of what has been, what is, and what might be. National Library Week, as well as every week in the year, is a time to explore through reading and a time to develop readiness for the changes that our age of atoms and automation is bringing.

The following selection of notable books from among those published during 1958 are available in the Floyd County Library: "Child of Our Time" by del Castillo; "Only in America" by Harry Golden; "Inside Russia Today" by John Gunther; "Breakfast at Tiffany's" by Truman Capote; "The Memoirs of Field Marshal Lord Montgomery" by Bernard Law Montgomery; "The King Must Die" by Mary Renault; and "Dr. Zhivago" by Boris Pasternak. 1959 publications available include "Dear and Glorious Physician" by Taylor Caldwell; "St. Louis Woman" by Helen Traubel; "April Harvest" by Lillian Budd; "The Watch on the Bridge" by David Garth; "Cone of Silence" by David Beauty; "The Last Days of the Bismarck" by C. S. Forester; "Collision Course" by Alvin Moscow; "Letters to Mother" by Charles Van Doren; and "Main Street USSR" by Irvin Levine.

For the one who prefers lighter reading we have: "Dove Cottage" by Jan Hilliard; "The Middle Age of Mrs. Eliot" by Angus Wilson; "The Rib and Adam" by Edward Shenton; "Who's Running This Expedition?" by Ruth Baus; "Alas, Babylon" by Pat Frank; "Danger! Marines at Work" by Robert Fuller; "One Saint and Seven Sinners" by Ennen Hall; "The Dress Doctor" by Edith Head; and many others.

For the high school graduate, we are receiving general information catalogues from the major colleges of Texas. We shall have a summer reading program again this year if you are not already familiar with this project. Please ask about it the next time you are in the library, and we shall be reminding you about it from time to time. The program covers the school vacation months of June, July, and August.

Lakeview Community 4-H Club leader; Mrs. Henry Bollman and Mrs. N. S. Abbott, Lockney 4-H leaders; Mrs. W. W. Trapp and Mrs. O. G. Mayfield, Floydada School 4-H leaders; and Mrs. Lynn Miller and Mrs. Sherwood Ramsey, former 4-H leaders.

### Sand Hill News

By Mrs. James Jeffress

It has really seemed like spring this week. No dust storms, not much wind, and nice warm temperatures. The community received about an inch of rain. Maybe spring is finally here. The wheat is looking good and the young onions are beginning to get green. Some are even talking about getting their gardens planted.

Sand Hill Club met with Starkey Club Friday at their club house in Starkey. Mrs. Hollis Bond was guest speaker and gave a talk on "Laws That Discriminate Women". Attending from Sand Hill were Mmes. Lynn Miller, Orion Miller, H. F. Jackson, Ed Noel, Hollis McLain and James Jeffress. Next regular meeting will be April 15th at the club room with Mrs. Hollis McLain as hostess. The program will be on "Selection of Clothes for Men and Boys" by the agent.

Sunday visitors in the home of Mr. and Mrs. Jim Holmes were Mrs. Johnny Stokes and family from Crane. Mrs. H. F. Jackson and Mrs. Alma Holmes spent last week end in Abilene visiting relatives.

Sunday dinner guests in the home of Mr. and Mrs. James Jeffress and family were Mr. and Mrs. Jim Holmes and Billie Gail, Mrs. Johnny Stokes and family from Crane. Visiting in the afternoon were Mr. and Mrs. W. R. Billington and H. F. Jackson.

Happy birthday wishes to Mr. and Mrs. J. M. Williams, who celebrated their birthdays last week. Also Junior and Barbara Schultz have celebrated birthdays this month.

Cottage prayer meeting began Monday night in the home of Mr. and Mrs. James Jeffress. Those attending were Brother and Mrs. Bill Rowland, Mr. and Mrs. Ed Noel, Mr. and Mrs. Dale Stringer and Stinson, Mr. and Mrs. M. B. Swanner.

Tuesday the meeting was held in the home of Mr. and Mrs. Bill Stringer. Wednesday was the regular meeting at the church. Thursday's prayer meeting was held in the home of Mr. and Mrs. Dale Stringer and Friday's was in the home of Mr. and Mrs. Fred Jackson. The revival will last through Sunday, April 19, and everyone is invited to attend. Sixty four were in Sunday School Sunday to begin the revival.

Dear Editor:  
I see where General Postmaster Summerfield is still wrestling with the problem of how to give us better mail service, and how to get more money for same.

He has tried putting dog repellent on his postmen, painting the mail boxes a different color, and transporting mail in long range missiles.

My heretic neighbor says this likely explains one of his air mail letters taking five days to go 400 miles. Says he guesses when they missed this letter it went into orbit and it took them four days to shoot it down.

### CARD OF THANKS

Mere words cannot express our heartfelt thanks to our friends for the many kindnesses shown us during my stay in the hospital. The beautiful cards, flowers and other expressions of encouragement and love were all appreciated so much. Our special thanks to those who helped my wife in many ways during these trying times. May God bless each of you in a very special way.

### God's Word — His Authority

Cain and Abel were the first two children of Adam and Eve. Cain was a tiller of the ground and Abel a keeper of sheep. They each worshipped the true God—Jehovah. Abel offered the firstlings of his flock but Cain the fruit of the ground. God had respect to Abel and his offering. To Cain and his offering he had no respect. (Genesis 4:1-4) Abel's sacrifice was more excellent than Cain's. (Hebrews 11:4)

Even though Cain and Abel worshipped the same God and were trying to go to the same place, heaven, God rejected one and accepted the other. Why? Abel's worship was more excellent than Cain's because his was by "FAITH." (Hebrews 11:4) Faith comes by hearing the word of God. (Romans 10:17) This means that worship offered to God must be that which he has authorized, otherwise it is rejected. A woe is pronounced on any who go in the way of Cain. (Jude 11) This we do when we worship God by doing that which he has not authorized. Jesus said, "Howbeit in vain do they worship me, teaching for doctrines the commandments of men." (Mark 7:7)

## 3rd STRAIGHT YEAR! PLYMOUTH V-8 WINS ITS CLASS IN MOBILGAS ECONOMY RUN! OTHERS TALK ECONOMY—PLYMOUTH DELIVERS IT!

Other cars have talked economy this year. But a Plymouth V-8 has just proved it can give better gas mileage than Ford or Chevrolet V-8s. Plymouth did it by winning its class for the 3rd straight year in America's recognized competitive test for economy. Plymouth's score: 21.15 miles per gallon.

### HERE ARE MOBILGAS ECONOMY RUN FACTS: HERE ARE WHAT THESE FACTS MEAN TO YOU

- A Plymouth V-8 has just won its class in the Mobilgas Economy Run for the third year in a row. Ford and Chevrolet both finished behind Plymouth.
- Plymouth scored 21.15 miles per gallon.
- Winning Plymouth was a Belvedere 2-door hardtop, equipped with standard Fury V-800 engine and automatic transmission.
- Run was sanctioned by United States Auto Club.
- As a Plymouth owner, you can expect economy operation in everyday driving.
- As a Plymouth owner, you're driving the car that gave better gas mileage than Ford or Chevrolet in the 1959 Mobilgas Economy Run.
- As a Plymouth owner, you can also expect top performance (Plymouth's winning V-8 is the biggest and best engine in its class).

Plymouth's low prices, low upkeep, high resale value and proven gas economy make it the year's best economy buy in its class. And Plymouth delivers the Big Difference in style, ride, performance, features and comfort, too! A "Two-Mile Try-Out" will prove it, so take yours today!

# GROUP TO BREAK UP OF MATADOR RANCH

A group of Wichita businessmen and two others have purchased a 54,000-acre block recently purchased by E. E. Moss, Lubbock, C. C. (Con) Davis, Spur, and R. H. Simmons, Dickens County rancher.

Birnie, a native of Scotland, came to this country at the end of World War I as bookkeeper for the Matador, later served as manager at intervals.

Sevens, Birnie and the associates will set up offices in the First State Bank here to sell off the land. Their organization is known as the Hornica-Bear Creek Land Co.

Some of the land will make fertile farm land, according to Douglas Meador, editor of the Matador Tribune.

"This is a big thing for us," Meador said. "For the past 80 years, about 45 percent of Motley County has been under the domination of large ranches. Breaking up the land into smaller ownerships will be a boon to our economy."

**Farewell Dinner Held**  
The land is located northeast of Matador.

A "farewell dinner" for cowboys who worked the spread was given Tuesday night with Mr. and Mrs. F. B. Fields as hosts. Fields has been in charge of the camp since it was purchased from the Matador Land and Cattle Co.

## J. B. Jenkins Dies At Floydada Thurs.

Floydada. — Funeral services for J. B. Jenkins, 86, pioneer Floyd County resident, former president of the Floydada Chamber of Commerce and early-day Floydada councilman, were held at 3 p. m. Saturday, in the First Christian Church, Floydada, with the Rev. W. D. Reeves officiating.

Burial was in the Floydada Cemetery, under the direction of Harmon Funeral Home.

Jenkins died at his Floydada home at noon Thursday following a three months illness.

He came to Floyd County as a young man and was a retired cattleman, banker and farmer. He is survived by his wife, Frances; a daughter, Mrs. George Van Winkle, Floydada; a son, Col. Dan W. Jenkins, South Carolina; and two grandchildren.

Mrs. Ray Roberson and children of Dimmitt visited her parents, Mr. and Mrs. Vernon Daniels Sunday.

spread was conducted several weeks ago. Only a skeleton crew of two or three men remains.

Some of the oldtime cowboys attending the farewell dinner included French, Carlos Flowers, John Stogey and Richard Bumpus, Stevens, John Clary, Hoss Terry and Hub Giddens.

The original Matador Ranch once sprawled over hundreds of thousands of acres over parts of several Texas counties. In its prime, the Matador was one of the largest ranch operations in America.

### LIGHTHOUSE ELECTRIC CO-OP ANNUAL MEETING SATURDAY

The annual membership meeting of the Lighthouse Rural Electric Co-operative, Inc. will be held at the Plains Baptist Assembly, five miles south of Floydada, Saturday of this week, April 18, according to announcement by Melvin Henry, manager.

The day's program will include the election of directors, a financial report on the organization, a talk by D. E. Lancaster of the Bailey County Co-operative and director of the Texas Electric matters as they affect the electric cooperative, plus a lot of entertainment and the drawings for prizes to be given to those attending.

John Smitherman, president of the board of directors, will preside and Ned Bradley will be master of ceremonies. Invocation will be given by Rev. A. K. Windercker, pastor of Trinity Lutheran Church at Providence.

Registration will be from 9:00 to 10:00 a.m. with the program starting at 10:00 a.m. Free lunch will be served at the noon hour.

Prizes to be given away during the day will include a Frigidaire electric range in choice of color, electric chord organ, electric blanket, electric drills, transistor radio, stainless steel skillet, electric ice cream freezer, coffee maker, steam and dry iron, electric clocks, electric hand mixer, knife sharpener, sealed beam lanterns and other useful gifts.

A committee was appointed at the February 18th meeting of the board of directors to plan the annual meeting. This committee included Mr. and Mrs. D. T. Graham, Route 1, Plainview; Mr. and Mrs. S. D. Kinneburgh, South Plains; Mr. and Mrs. Harold Trull, Route 1, McAdoo; Mr. and Mrs. Earl Edwards Jr., Route 2, Floydada; Mr. and Mrs. Cecil Baxter, Route 5, Floydada; Mr. and Mrs. John Fowler, Floydada; Mr. and Mrs. Albert Schenck, Route 1, Lockney.

The organization is divided into seven districts with a director elected from each district. Directors will be elected from Districts 6 and 7 this year. O. E. Williamson of the Happy Union community in Hale County has been serving as director in District 6. He has moved to Plainview and is therefore not eligible for re-election. Nominated for that office are Henry Scarborough and Joe McWilliams, both of Hale County.

Roy Hale, serving as secretary-treasurer of the board, has been director from District 7. He has been re-nominated along with Riley Teague from that district. Herman King of the Lone Star Community is vice-president of the board.

#### Cancer Fund—

Hawaii and Alaska have more historical ties than the achievement of statehood in 1958. The World Book Encyclopedia reports that during the 1890's whaling ships stopped off in the islands for supplies and repair on their way to the Alaskan whaling grounds.

Hawaii was added a touch of royalty to the U. S. according to The World Book Encyclopedia. Iolani Palace, the former home of Hawaiian kings, is the only royal palace in the nation.

### First Annual Weed District Meeting Set

Floyd County Noxious Weed Control District will have its first Annual Weed Control Meeting Saturday, April 25, at 7:30 p.m. in the District Court Room in Floydada. The program will feature two speakers, Dr. Allen F. Weise, Associate Agronomist of the Bushland Experiment Station, and Cotton John Smith, Farm Director of KGNC Radio and TV. Also the film "A Tenderfoot in Europe" will be shown. The Weed District Board of Directors urges that all land owners and tenants attend this meeting.

The Hale County Weed Control Meeting will be held on Wednesday, April 22, at 9 a.m. in the National Guard Armory at PIPalview. Several expert weed control specialists will appear on the program including Dr. Laurel E. Anderson, Professor of Agronomy, Kansas State College; Dr. Allen F. Weise, Dr. Robert M. Menges, USDA Horticulturist from Weslaco, Texas. Subjects range from weed control in row crops and vegetables to weed control research in Kansas and Texas. A free lunch will be served at noon.

The 12th Annual Weed Con-

ference of the Southwestern Great Plains Field Station will be held at Bushland on Thursday, April 23, 9 to 3 o'clock. The program will be as follows:

- Weed Exhibits at Equipment displays.
- Weed Control in Newly Seeded Grass—John Brazill, County Agent, Randall County.
- Weed Control in Vegetables—Dr. Robert M. Menges, Horticulturist, USDA, Weslaco, Tex.
- Activities of the Hale County Noxious Weed Control District—Archie Martin, Supervisor.
- Weed Control Activities in Various Counties—Panel Discussion.
- Weed Control on the Highway Right-of-way—J. M. Harris, District Engineer, Amarillo.
- Weed Control in Kansas—Dr. Laurel E. Anderson, Associate Professor, Kansas State College, Manhattan, Kansas.
- Weed Control at the Southwestern Great Plains Field Station—Dr. Allen F. Weise, Associate Agronomist, Bushland, Texas.

Douglas Degge stressed that it will be worth the time spent to attend either the Hale County meeting or Bushland meeting, especially to the vegetable farmers. He is also asking that Floyd County residents give a good turnout at the Floyd County meeting April 25.
