

Yankees Set Pace In Lockney Little League

The Yankees are frontrunners in the Lockney Little League, but they are being pressed by the remaining five teams.

Last Wednesday the Yankees pulled ahead in league standings by knocking off the tough Dodgers 11-6. On the mound for the Yankees were Steve Stansell, Steve Williams, Ronnie Indian, and Dale Galloway.

The scheduled contest for Wednesday, Cards vs. Indians, was postponed due to wet grounds. Commissioner Tom Moore stated this week that cancelled games will be made up as soon as convenient. The games will be completed at the earliest possible date. The tie games will be resumed where they were stopped with a sudden death playoff rule, Commissioner indicated.

The Beacon will record tie games as one-half game won and lost for each team until the games are ended. Then the winning team will receive credit for the victory and the loser will be charged with the loss.

Thursday—Dodgers vs. Cards. Friday—Red Sox vs. Indians. Saturday—Dodgers vs. Yankees. Sunday—Giants vs. Indians. Tuesday—Dodgers vs. Red Sox.

Team	Won	Lost
Yankees	3	1
Indians	2 1/2	1 1/2
Red Sox	1 1/2	1 1/2
Cards	1	2
Dodgers	1	2

Hills Cover 5,000 Miles On Trip To Great Northwest

Mr. and Mrs. Pat Hill and Mr. and Mrs. James Hill returned Sunday from an interesting trip to the great Northwest, traveling some 5,000 miles and visiting many places of interest.

Leaving Lockney they went to Amistad, N. M., where they visited Mrs. Pat Hill's daughter and husband, Mr. and Mrs. Harold Jones. They then crossed Colorado to Salt Lake City, Utah, thence to Twin Falls, Idaho, Pendleton, Oregon, and Seattle, Wash. At Seattle they visited the Hills' son, J. T., and his family, for a week. J. T. is a graduate of Lockney High school but has been living in Washington for several years.

On their return home they were by Portland, Oregon, Los Angeles, Calif., Phoenix, Ariz., where they visited Mr. and Mrs. Sam Whitfill, and then on home.

Wants To Organize Singing Band Here

Woodie McDermitt, employed by Brown's Cleaners, is interested in organizing a western-type singing band. Anyone interested is requested to contact him at his home. He says the band would furnish entertainment for civic affairs and public gatherings and feels that it would be an asset to the community.

CALENDAR OF EVENTS

- Thursday
 - 6:30 p.m. M. Y. F. Bowling Party.
 - 7:30 p.m. Rotary Installation of new ladies night at Golden's restaurant.
- Monday
 - 9:30 a.m. W.S.C.S. at Methodist Church.
 - 10:00 p.m. Junior and Intermediate G.A., Baptist Church.
 - 7:00 p.m. Lions Club, at Golden's Restaurant.
 - 8:00 p.m. Rebekah Lodge at City Auditorium.
 - 8:00 p.m. American Legion at new Legion building.
 - 9:00 a.m. and Lockney Summer Bowling leagues matches.
- Wednesday
 - 9:50 a.m. Ladies Bible Class, Main Street Church of Christ.
 - 7:00 p.m. Baptist Church S.S. teachers and officers meeting.
 - 7:15 p.m. Methodist Devotion.
 - 9:30 p.m. Prayer Meeting at Baptist Church.
 - 8:00 p.m. Bible Classes for all ages, Main Street Church of Christ.

The Lockney Beacon

SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 58

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, JUNE 25, 1959

NUMBER 12

Three Lockney Future Farmers To Receive Lone Star Degrees

Three members of Lockney Chapter, Future Farmers of America, will receive Lone Star Farmer degrees at the State FFA convention in Austin on July 15, 16, 17. They are Duane Griffith and Byron Brock, members of the graduating class this year, and Dan Smith, a senior next year.

To be eligible to receive the Lone Star Farmer degree, an FFA member must have an outstanding project record during three years of FFA, must exhibit unusual leadership ability and must be an outstanding member of his chapter in every way. His record must pass the examining committee on the district level, then the area level and finally the state level. Only two per cent of the state membership may be awarded the state degree.

All three boys were officers in the local chapter during the past year. Byron served the chapter as president and was named the outstanding member of the local chapter during the year. Duane served as reporter and Dan was the sentinel.

The Lone Star Farmer degrees will be presented at a special ceremony during the state convention. They will be accompanied to Austin by M. L. Brewer, chapter advisor and local agriculture instructor.

Funeral Services For Mrs. Golleher Held Here Monday

Funeral services for Mrs. Robert I. Golleher were held at the West Side Church of Christ Monday at two o'clock conducted by Otmer W. Kirk of Floydada, Church of Christ minister. Burial was in Carrs Chapel cemetery, in southwest Floyd County. Carter Funeral Home of Lockney was in charge of arrangements.

Mrs. Golleher passed away early Sunday in a Wichita Falls hospital. She had been in ill health for some time. Her home at the time of her death was Weatherford, Texas.

The Golleher family lived in the Sand Hill community, south of Lockney, for more than 30 years, moving from here to Earth, Texas in 1945. From there they moved to Weatherford in 1956.

Mrs. Golleher was born in Giles County, Tenn., on September 4, 1887 and was married to R. L. Golleher in Ellis County, Texas, on August 10, 1902. The couple moved to this county in 1914.

Survivors include her husband, three sons, Calvin of Roundtop, George of Wichita Falls, and R. L. of Mission; two daughters, Mrs. Ever Mae Darple of Weatherford and Mrs. Thelma Ellis of Monett, Mo.; a brother, George Shelton of Olney; two half-brothers, Jack Hollingsworth of Roaring Springs and Jerd Hollingsworth of Silverton; two half-sisters, Mrs. Ida Belle Womack, Floydada, and Mrs. Irene May, Plainview; 13 grandchildren and 4 great-grandchildren.

Crum Will Return To Practice Here

Dr. K. O. Crum will return to Lockney to practice medicine July 1, a representative of the Nichols Medical Group told The Beacon Wednesday. The Nichols group has the Crum hospital and clinic under lease here and will continue to operate the two but Dr. Crum will join the staff and work with the group.

The hospital will be opened on a 24-hour basis starting July 1st and the clinic will be open each week day from 9 a.m. to 5 p.m.

Nurses will be interviewed today (Thursday) from 1 to 5 p.m. for duty in the hospital. The Beacon was told.

Miller Is Re-named Chairman of N.F.I.B.

Bob Miller of Miller Insurance Agency has been re-appointed chairman of the Lockney chapter of the National Federation of Independent Business. The appointment was made by Leo Bennett of Lubbock, district manager of the Federation.

The local chapter has about 25 members and each member is polled each month on the bills and issues that affect independent business enterprise in the nation. A tabulation of the opinion of the members on various matters facing the national congress is sent to Congressman George Mahon in Washington.

C. E. Flinn In Amarillo Hospital

C. E. Flinn of Lockney is in St. Anthony Hospital in Amarillo with a broken foot. Just how he was injured was not known here. He is a former blacksmith.

Mrs. N. C. Dagley Observes 102nd Birthday Mon.

BYRON BROCK

DUANE GRIFFITH

DAN SMITH

Mrs. N. C. Dagley Observes 102nd Birthday Mon.

Mrs. N. C. Dagley quietly observed her 102nd birthday Monday. She is the oldest person in Floyd County and possibly in the entire South Plains area. She lives in her own home here though a daughter, Mrs. T. B. Hill lives with her.

A small reception was held at the home of another daughter, Mrs. A. R. Meriwether, and about 20 friends and relatives called during the day to pay their respects to the aged lady.

Mrs. Dagley is still fairly active though more feeble than on her last birthday, relatives say. She frets some because she is not able to be out of the house more.

Another daughter of Mrs. Dagley, Mrs. J. H. Baker, has sold her home in Glendora, Calif., and is now living here to help care for her mother. These three daughters are all the children living of the seven born to Mr. and Mrs. Dagley. Her husband died in 1900.

Out-of-town friends and relatives attending the reception Tuesday including Dr. E. O. Nichols, Robin Baker, Mrs. J. D. Wood, Plainview; Mr. and Mrs. L. V. Phillips of Ralls, Mr. and Mrs. Jim Hill and children of Amarillo, and Ava Dagley and daughter of Lubbock. Mayor Lemnis Baker of Lubbock, a native of Lockney, sent Mrs. Dagley a telegram of congratulations.

Legion Officers Will Be Elected Monday Night

New officers for Lockney American Legion Post No. 171 will be named at the regular meeting next Monday evening in the new Legion building in East Lockney.

The nominating committee has been at work this week. Post officials said, and the final report will be made at this meeting.

The new building is about complete with a little more finishing work yet to be done on the interior. Also the driveway and grounds must be leveled and landscaped, it was said.

Large Area Of Cotton Believed Damaged By 2-4-D

Cotton in a large area in the Sterley, Lone Star and Providence communities north of Lockney has been damaged by some element and many farmers are of the opinion it is the well-known chemical weed killer, 2-4-D. Just where the 2-4-D came from is not known, of course, but the reaction on the cotton is the same as if it had been sprayed lightly with the chemical, farmers say.

One theory is that the poison came from below the cap where it has been used in recent weeks to spray mesquite trees. Some theorize that the 2-4-D was picked up by the wind and carried in from that direction two weeks ago Friday. The storm brought sand, static electricity and some rain with it. Apparently only those who received rain on that day have cotton damage.

Another theory is that a spraying plane pilot may have washed the tank of his plane out at a high altitude over this area.

The extent of the damage is yet unknown but the leaves do show definite damage and it will probably be harvest time before the extent of the damage can be determined. The damage has retarded the growth of the cotton and caused the leaves to be deformed.

Willson Speaks To Local Rotarians

Jimmy Willson Jr. of Floydada spoke to the Lockney Rotary Club last Friday noon, his subject being "Success." Willson pointed out that success is not always measured in terms of money, fame or power but that many people are successful who fulfill their obligations to their families and their fellowman receiving little notice from the world.

President Wilson Kermickel presided over the meeting and Leroy Durham was in charge of the program.

Development Co. Offers FHA Homes For Sale Here

The C. & H. Development Co. are now offering homes built under F. H. A. for sale through Bob Miller Insurance Agency here, according to announcement made this week. The development company, owned by Horton Howell and W. B. Cates, both local men, recently purchased the Sims addition in West Lockney and have now made arrangements to construct F. H. A. homes there.

Details concerning the type of homes may be found in their advertisement elsewhere in this issue of The Beacon.

4-Year-Old Is Crushed By Car

A 4-year-old Latin-American girl was apparently crushed to death by the family car about 5 p.m. Saturday. The child was Mary Alice Martinez, daughter of Mr. and Mrs. Lucio Martinez. The accident occurred on the Eugene Harris farm, south of Aiken.

The Martinez family lives at Petersburg and was visiting another Latin-American family on the Harris farm. The last time the girl was seen she was in the back seat of the car. Her father had driven up to the place and then backed the car around so that it could be pushed off. As he backed up he saw the little girl lying in front of the car. Apparently she had fallen from the car and a wheel passed over her head. Her death resulted from severe head injuries. She was rushed to Lockney General Hospital in a Carter Ambulance but was dead on arrival.

Justice of the Peace J. J. Harris of Lockney held the inquest and returned a verdict of accidental death.

Graveside services were held for the little girl in Petersburg Cemetery Sunday afternoon at 3 o'clock. Carter Funeral Home was in charge of arrangements.

Everyone Should Fight Mosquitoes Mayor Cox Says

"If everyone will take care of their own property in the fight on mosquitoes, we will have much more success in controlling them," Mayor J. E. Cox said this week.

He suggested that every resident take these steps on his property: 1. Cut the weeds, 2. remove piles of rubbish or refuse, 3. spray shrubs and trees with insecticides, 4. treat air conditioner water and other standing water with insecticides.

The city employees have been operating the fogging machine every day during the past two weeks but this cannot control all the mosquitoes, Mayor Cox said. Harmon Mills operates the machine and they have been using malathion mixed with chlorodane in a diesel base. Mills has also sprayed the lake on the city farm southeast of Lockney using dieldrin.

Mosquitoes have been a problem in every city on the South Plains in recent weeks.

SOME CROPS DAMAGED BY HAIL, RAINS TOTAL 1.70 INCHES HERE

Scattering hail falling in this area last Sunday afternoon damaged crops in some sections and rain served to stop the wheat harvest and field work for the past several days. Total moisture for the week was measured here at 1.70 inches.

Eight Farmers Switch Back To Cotton Plan A

Eight Floyd County farmers have made application to switch from Cotton acreage Plan B to Plan A due to hail damage to their crops. All applications have been approved by the County ASC committee, Tom Hutchins, office manager, said Wednesday.

The law provides that farmers may change from Plan B to Plan A if a portion of their crop is destroyed by hail, drought, flood or excess water.

The switch back in this county didn't affect the county acreage a great deal, Hutchins said. He estimated that county acreage was reduced probably 300 to 400 acres in the change.

There is no deadline for filing an application change from Plan B to Plan A, the official said, the only requirement being the farmer must be able to show loss of 40 per cent or more.

A crew of 14 men are in the fields of Floyd County measuring cotton acreage and an additional six are working in the county ASC office tabulating the results, Mr. Hutchins said. The work of measuring the county's cotton acreage is about half done. Some 1,800 different fields must be measured in this county.

If the farmer wishes to have his cotton re-measured he must pay a fee of \$10.00 plus \$4.00 for each additional plot. This will be refunded if the crop is within the allotment.

Rotary Officers To Be Installed Friday Evening

New officers of the Lockney Rotary Club will be installed in a ladies' night program at Golden's Restaurant Friday evening. Dinner will be served at 7:30 p.m. and the program will follow.

Officers to be installed are H. H. Nicholas, president; Henry Ford Jr., vice-president; Howard Smith, secretary; Leonard Wofford, treasurer; Lloyd Wofford, sergeant-at-arms; and J. D. Copeland, director. Installing officer will be Frank Day, Plainview attorney.

Wilson Kermickel, local attorney, is the retiring president. A social hour will follow the installation ceremony. All Rotarians and wives are urged to attend.

ADAMS FAMILY Likes Italy

Mr. and Mrs. Jack Adams and daughter Vickie, report to relatives here that living conditions, the weather and the people in Italy are "just perfect." The Adams are living in Naples where Jack is stationed with the U. S. Navy.

They arrived in Naples on June 7 and are now living at the St. Elmo Hotel there pending the arrival of their furniture. They have a new apartment rented and the furniture is expected to arrive about August 1st.

Mrs. Adams, in writing to her parents, Mr. and Mrs. V. H. Kellison, tells of the profusion of flowers in Italy. There are many street markets where the most beautiful of flowers can be bought. She also reports that they can see an active volcano from their hotel.

The Lockneyites have placed an order for a new German-made car, an "Opal" and expect delivery on it very soon. Then they will be able to see more of the delightful country.

They went to Italy by plane, leaving Norfolk, Va., and traveling via Newfoundland, thence to Casablanca, North Africa, and on to Naples. They spent 40 hours in Casablanca and was able to see quite a bit of that city.

T. J. Crass Dies June 16 At Lubbock

Funeral services for T. J. Crass, 82, were held June 17 at 3 p.m. in the Rock Creek Church of Christ with Earl I. Cantwell, officiating. Burial was in the Silverton Cemetery under the direction of Roberts Funeral Home of Silverton.

Mr. Crass died in a Lubbock hospital on June 16 at 12:15 a.m.

Thomas Jasper Crass was born in Bell County, Texas, January 29, 1877, and came to Briscoe County in 1908. He settled ten miles Southwest of Silverton. At the time of his death, he had retired from farming.

He is survived by one daughter, Mrs. Miriam Jowell of Silverton; three sons, Theron and Edwin of Silverton, and Clinton of Palestine, Texas; four brothers, Will and Reg of Belton, Texas, Zollie of Dallas and Robert of Escondido, Calif.; six grandchildren and two great grandchildren.

Funeral services were held by Rev. Alvie Jasper, Elton Cantwell, Wrayland Fitzgerald, Milton Frizzell, and Garland Francis.

DALRYMPLE POINTS OUT WHEAT STUBBLE BENEFITS

Another good wheat harvest will soon be completed in Floyd County Soil Conservation District. This year's crop was not as good as 1958 crop, but much better than was thought earlier in the spring. Yields of 60 bushels and higher have been reported. Irrigated wheat will average 35 to 40 bushels per acre while dryland will cut 10 to 12 bushels per acre.

Wise management of this wheat stubble can mean the difference between profit and loss on next year's crop. Tests have shown that wheat yields can be boosted as much as 15 per cent when stubble mulching is practiced, as compared with use of the one-way plow.

With the massive amount of straw we will have, some thought should be given on how to handle the stubble most effectively to get best results. The most effective use is of course to leave most of the stubble on the soil surface. By handling stubble in this way you will be protecting the soil from blowing, channeling water into the soil, shading the soil from the direct rays of the sun, thus cutting down on evaporation of soil moisture and breaking the impact of rainfall.

According to A. W. Dalrymple, Work Unit Conservationist of the Soil Conservation Service at Floydada, wheat stubble is considered to be of as much

EDITORIAL

Have mercy upon me, O Lord, for I am weak; O Lord, heal me.—Psalm 6:2.

MOSQUITO CONTROL is a matter for every individual, as well as the city government. With the frequent showers falling in this area, conditions are ideal for hatching mosquitos and they will continue to increase if the citizens of the area don't join in the fight to control them. Ways suggested by health officials are these: cut weeds, don't let them grow; do away with piles of rubbish and trash, these provide cover and protection for mosquitos; spray the lawn, shrubs, flowers, bushes and trees daily with a good poison (Malathion or Dieldrin are recommended); air conditioners and pools of water should be treated with insecticides. Health authorities say that mosquitos have developed a surprising immunity to DDT and they do not recommend it, since it is no longer an effective insecticide.

local people are divided as to the effectiveness of the city's spraying machine. City employees have been running the machine regularly and it certainly is doing some good. But to expect the city to do all the mosquito fighting is expecting too much. Each family should see that their home place is as mosquito proof as possible by following the above steps. What to do about the shallow-water lakes in the neighborhood is something else. That is a matter for city or county governments to handle but something must be done about them if mosquito control is to be effective.

NOW THAT the four white youths in Florida have been given life imprisonment for the rape of a Negro coed it will be interesting to see what kind of sentence is meted out to the five Negro youths who are charged with the same offense against a white girl in New York. We certainly do not uphold nor even defend the white youths in their heinous crime but we are wondering if the NAACP and the "equal rights for all" crowd in New York might not influence the jury there toward leniency for the Negroes. Already officials are saying that it is just "some punk kids trying to show off," indicating that they do not think the offense is very bad and maybe we just ought to forget the whole thing. To make the New York matter worse, in our opinion, is the fact that the victim was a young eighth grade girl. Let's see who has equal rights.

AN AREA DAILY described a young New York boy as graduating "summa cum laude" recently. We don't know exactly how that is but think maybe they ought to change that last word to either "laude" or "lewdy" whichever fits the situation.

COLUMNIST MARQUIS CHILDS writes: "Chinese Communist representatives in western Europe are known to have expressed anger and indignation that Soviet Foreign Minister Andrei Gromyko should have gone to the funeral of John Foster Dulles. To think they are reported as saying, that he should have gone to pay homage to the man who was China's greatest enemy. The growing hostility of the Chinese toward Russian negotiation with the West and the 'soft' Russian attitude can incidentally be a factor in the Geneva talks."

AMERICAN RAILROADS, have just been given a Certificate of Merit from the American Foundation for the Blind. The award was for assistance which the roads give blind travelers, such as the privilege whereby a blind person may travel with a sighted traveler for a single fare, and permission is given for trained guide dogs to accompany their blind masters free of charge.

THE TAX FOUNDATION notes that the 48 states (excluding Alaska) spent \$23 1/2 billion in the 1958 fiscal year, are likely to spend \$25 billion in the current fiscal year, and around \$27 billion in fiscal 1960.

THE AMERICAN WAY

The Penalty of Efficiency

With Our EXCHANGES

HERTER MADE DIRECT 'HIT'

Secretary of State Christian A. Herter made his first report to the nation, ruing out "fear and appeasement" in future negotiations with the Russians. Herter we feel, fairly well expressed the candid opinion of the average American in his approach to the problem, and the talk was all the more welcome by those who criticized the appointment on grounds that Herter could become an advocate of appeasement. His direct approach, his proposal to stand firm in face of all odds, along with a preference for peace, definitely sums up the thinking of most people we know.

Certainly, no American wants another war, and those who step to consider possible consequences of atomic development will be the first to agree. A reunited and free Germany, on the other hand, is necessary for our nation as a security measure, as a Christian responsibility and as a matter of self respect among ourselves. If Mr. Herter pursues the policies he outlined Thursday night, he will certainly represent his people well. Furthermore, he made quite a hit with his audience, chiefly because he was executing the desires and wishes of the majority of the people, which means that he will certainly get the cooperation he seeks. — Hereford Brand.

FAMOUS LAST SITTERS

It wasn't the Roman people who fed the Christians to the lions and gladiators. It was Nero and his insane henchmen.

The people sat and watched. The French people did not promulgate the bloody massacre of their noble brains. It was power seeking Napoleon and his thugs.

The people sat and watched. The Russian peasants didn't destroy democratic Russia. It was the bloody hands of communists and their satanic inspired revolutionists.

The people sat and watched. The poor German was not responsible for their crematoriums and concentration camps. It was Hitler and his "brave" Nazis.

The people sat and watched. The laborer did not ask for help from goons and racketeers. Labor leaders installed them to gain national power.

The laborers sit and watch. It isn't the Christian people who are demanding the approval via recognition of the bloody hands of communist China. It is the self-appointed heads of protestantism.

The Christians sit and watch. The laborer did not ask for help from goons and racketeers. Labor leaders installed them to gain national power.

The Americans sit and watch. It isn't the U. S. citizen who is tearing the country apart with hopeless civil rights legislation. It is ambitious, power hungry, vote seeking politicians.

The people sit and watch. In retrospective, these sleeping giants are eventually drawn in the blood of their own people. But it is more concessive to sit and watch. — Cecil Waggoner in Claude News.

WHO'S ON LIST OF UNDERPRIVILEGED?

Who are the underprivileged? The common conception of underprivileged is that of plagued with scarcity of food, of good lodging, of money to spend, etc.

Often it is that the poor little rich boy is more underprivileged than his poorer neighbor living in a more squalid part of town, or at least in less luxury.

The Plainview Girl Scout council's board of directors has listed too much money and lack of responsibility as among the problems of youth.

Maybe it would be well for junior to know where that big touring car, high-powered boat, and folding money came from.

Too much money certainly can soil some young people, but not necessarily, for many of them know values.

Lack of responsibility is a type of youth poverty that is most lamentable.

Maybe that's why we like these kids who have newspaper routes and are their own little business men.

Maybe that's why we swell with pride when we see boys and girls in the youth in agriculture work.

Maybe that's why we admire so much the youngsters who accept and discharge responsibility in their churches and schools.

Often we have a warped concept of who is underprivileged and in what manner. — Plainview Daily Herald.

AT LEAST 35 species or sub-species of poisonous snakes are known in the United States.

Bites are estimated at 3,000 a year, but the death rate is low — 10 to 20 a year. It is pointed out, however, that the hazards may increase as camping and other outdoor activities become more popular.

GO TO CHURCH SUNDAY.

Dear Editor:
I see where some labor leaders are pretty dissatisfied with what they are getting for the money they spent on congressional campaigns in 1958.

Seems like some of their most costly chore boys are crawfishing and tending at times to put the general welfare ahead of labor's interests.

My repentant neighbor says he knows just how they feel, on account of he put \$5 on Mr. Eisenhower's campaign but is getting the same little dole of commodities every month as the folks who voted for Stevenson.

D. E. SCOTT
Crossroads, U.S.A.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

June 27, 1929

The wheat harvest in Lockney is in full swing now. Yields as high as 35 bushels to the acre have been reported by farmers north of town. To the south the yield is not as heavy with some reporting as low as six bushels and as high as 20.

T. Z. Reed has announced that he will be a candidate for commissioner of Precinct No. 2 in the election to be held next year. He was mayor of Lockney for a number of years.

Mr. and Mrs. Flake Griffith of Skellytown are the parents of a baby boy born Tuesday morning. Grandparents are Mr. and Mrs. Theo Griffith of Lockney.

The Lockney Masonic Lodge Saturday night elected the following officers for the ensuing year: C. H. Huffman, W. M., J. C. Cummings, S. W., J. M. Cox, J. W. Jno. C. Broyles, Treasurer, E. C. Martin, Secretary and W. E. McClure, Tiler. Other offices will be filled by appointment and all will be installed on the next meeting night.

In the first game of baseball between the Rotarians of Floyd...

dada and Lockney played the Lockney Rotarians victorious with a score of 8.

Chester R. Mickey, age five years, died at his home Monday morning about 10 o'clock. Mr. Mickey was the son of a merchant at the village of Mickey.

June 27, 1940

With the wheat crop more than half harvested, the Rotarians of the South Floyd buried under an average grain. Yield is averaging 25 bushels per acre with some going as high as 40 bushels.

Miss Alice Eugene daughter of Mr. and Mrs. Barnes of Amarillo and Mr. P. Gentry, son of Mr. and Mrs. H. C. Gentry of Lockney, married on Saturday June 14.

Funeral rites for C. W. son, 77, of Dallas were held 2 o'clock Thursday afternoon at the First Methodist Church. He died Tuesday at Dallas. Johnson was the son of M. S. Johnson of Lockney and the uncle of Ike and John Johnson.

John Dren Jackson, resident of Lockney, was almost instantly in an automobile collision at Lockney Tuesday morning, June 22.

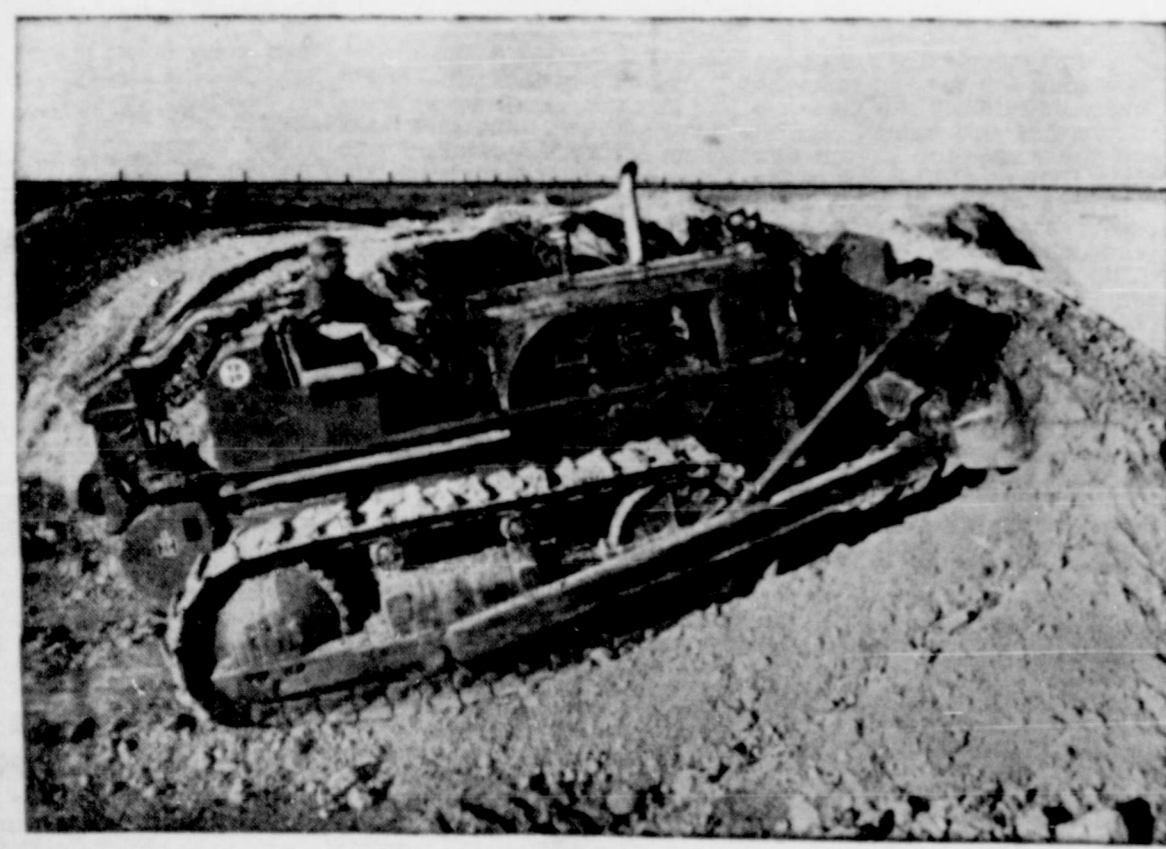

A baby daughter, weighing eight pounds, six ounces was born to Mr. and Mrs. E. R. Mitchell June 22. Grandparents are Mr. and Mrs. T. B. Mitchell of Lockney.

Chevy Gives You Smarter Style Today...

Don't take it from us—take it from independent experts and from facts and figures that are now a matter of record. POPULAR SCIENCE sums up Chevy's unmistakably modern style this way: "The fact is, in its price class Chevy establishes a new high in daring styling..." This is one more reason your new Chevrolet will bring a higher allowance at trade-in time, as Chevy has over the years. A look at last year's used car prices* shows Chevrolet averaged up to \$128 more than comparable models of the other leading low-priced two.

PLUS 5 MORE BIG BESTS OVER ANY OTHER CAR IN CHEVROLET'S FIELD!

Best Brakes. Chevy showed the best brakes of the leading low-priced three in repeated highway speed stopping tests conducted by NASCAR.* No wonder, Chevy's brakes, built for up to two-thirds longer lining life, are the biggest in its field.

Best Engine. Every motor magazine has given Chevy's passenger car and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

Best Economy. No doubt about this: a pair of Chevrolet sixes came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car.

Best Room. Dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room is up to 5.9 inches wider than comparable cars.

Best Ride. No doubt about this: MOTOR TREND magazine sums it up this way: "...the smoothest, most quiet, softest riding car in its price class."

NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!

See your local authorized Chevrolet dealer for the best buy on the best seller!

FROM THE County Agent's Office
 By Cecil Lewis and Harold W. Ellison

Insect Situation
 Thrips are being found on cotton in damaging numbers. These insects will delay cotton growth when allowed to go uncontrolled. This is especially important on the late cotton, which is in the county. Curling and silvering of the young leaves are indication of thrip infestation.

Fleahoppers will damage cotton when plants begin to square. When checking for fleahoppers, examine the main stem terminal bud (about 3 to 4 inches of top of plant) of 100 plants at several representative points in the field. Treatment should begin when 15 to 35 fleahoppers (nymph and adults) are found per 100 terminals. Endrin, Heptachlor, Aldrin and Dieldrin applied at the rate of 1-1 1/2 pints per acre and Toxaphene 1 1/2 pints to 1 3/4 quarts per acre will control fleahoppers and thrips.

Livestock Judging
 Several 4-H club members met last week to discuss working on Livestock Judging Team. These boys will start practicing next month. Any 4-H Club member interested should contact the County Agents Office.

PUNGENT SNACK
 Slice cervelat sausage in paper-thin slices and spread the slices on several thicknesses of paper towels on a cookie sheet. Turn the oven heat control to 400 degrees and bake the slices in the oven for 10 to 15 minutes. The fat will be absorbed onto the paper towels and the resulting chips will be crisp and peppery. Cervelat chips will keep several days without deteriorating.

OFFICE SUPPLIES at The BEACON OFFICE.

20 Years Later... SAME STATION-DIFFERENT WAGON

The setting is the same as 20 years ago but, otherwise, these pictures tell a graphic story of two decades of station wagon development. The photograph at top was taken at the Wyandotte, Mich., New York Central station in 1939 as Chevrolet introduced its first station wagon model—a unit featuring a body made of wood and steel. In contrast below is a 1959 all-steel Nomad with luggage rack, wraparound windows, folding seats, electrically operated tailgate window, dual headlights, etc. A further note on station wagon history... in 1939, less than seven out of every 1,000 cars built were station wagons. Today, about every sixth car is a wagon. Five of Chevrolet's 15 passenger car models are station wagons.

Home Making Hints
 by Phyllis Roggendorf
 County Home Demonstration Agent

You Can Make Your Work Easier
 Many family members are double duty homemakers. Every person helps with some jobs at home daily and otherwise. All need to find ways to make the best use of time and energy for each chore.

Here are a few suggestions of a few simple, sensible rules that will cut out some of the work and time needed for doing a job.

First, analyze the way you work. Watch yourself to see if you take extra steps, make extra motions when you do a job. If so, next time leave out the unnecessary steps.

Why dry dishes when scalding would take less time and be more sanitary as well.

Leave out steps, stoops, stretches and stresses by having cleaning equipment stored together for faster, easier cleaning.

When sewing, have the equipment conveniently arranged so that you can turn away from the machine and press seams as you complete them.

Make shopping trips count for more by having a list.

Arrange cosmetics for quick, efficient grooming, keeping everything used convenient. If you work, it will save time in the morning if you decide what to wear the night before. That goes for school children, too.

These and many other techniques will help give you time to read, relax or just visit with family members and others.

New Home Demonstration Club

A new Home Demonstration Club was organized last week in the Lone Star community. The club was named the Lone Star Jr. Home Demonstration Club. Eleven prospective members met in the home of Mrs. Jim Nause Wednesday evening. Mrs. Hoyette Hodges of the Sr. Lone Star Club and I met with them to explain club work to them. The club consists of young homemakers. They will meet on the 2nd and 4th Tuesdays of each month.

CREAMY, SMOOTH FROSTING

Turn the flame to "simmer" and place a 6-ounce package of semi-sweet chocolate pieces, 2 tablespoons butter and 3 tablespoons of milk into a heavy saucepan. Stir slowly over the simmer burner until the chocolate is melted. Add 1 cup sifted confectioner's sugar and remove from the heat. Beat until smooth and glossy.

A NUTRITIOUS BOOSTER
 Wise cooks give special thought to serving foods such as liver that are extra high in food value. Margaret Spader, home service editor of the Gas Appliance Manufacturers Association, suggests using liver within a day after purchasing because it loses flavor and freshness after that. Marinating liver in French dressing or a well seasoned barbecue sauce lends an interesting touch. Miss Spader also suggests cutting it into strips or cubes, then cooking with seasoned flour and sauteing in butter or bacon fat over a medium flame. Beef, pork, chicken, lamb or calves liver can be prepared in this manner.

On June 15, 1775, the Rhode Island State Assembly passed a law authorizing the fitting out of two sloops. This was the first time armed vessels were ever commissioned in America and was the start of the U. S. Navy.

It Does Make A Difference What We Believe

"Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves." (Matt 7:15) "For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel, for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works." (II Cor. 11:13-15). "Beloved, believe not every spirit, but try the spirits whether they are of God; because many false prophets are going out into the world." (I John 4:1). "But evil men and seducers shall wax worse and worse, deceiving, and being deceived." (II Tim. 3:13).

From the above scriptures it is easy to see how important it is to search God's word to see if what we believe and practice is taught therein. The people at Berea searched the scriptures daily to see if the things Paul taught were so. God said they were more noble than the people at Thessalonica because they not only searched the scriptures but also received the word with all readiness of mind. (Acts 17:11) No one who is striving sincerely to teach the truth will be afraid to have what he teaches examined in the light of God's word.

\$1,320 Value Of Water Stored At Hi-Plains Station

Water valued at \$1,320.00 was stored underground through the recharge well at the High Plains Research Foundation at Halfway in one week recently.

Dr. T. C. Longnecker, foundation director, placed this value on the 22 acre feet recharge from the 25 acre playa lake following recent rains which totaled 3.85 inches. The estimated value was based upon the additional yield obtained when one acre foot of irrigation water is applied to cotton.

The intake rate of 800 gallons per minute was maintained for the entire week. Every 24 hours during the week the pump was operated for 30 to 40 minutes and the well back flushed to dislodge any siltation. This was done to prevent clogging the underground formation.

Approximately 150 acre feet of irrigation water is used annually on the quarter section of land where the recharge well is located. The 22 acre feet of water recharged from the 3 days of rain would thus represent 15% of the annual irrigation water requirements for this quarter section.

The 25 acre lake bottom will be planted in grain sorghum as a part of the lake land reclamation research at the Foundation.

SUPPER MENU FOR BACKYARD EATING
 Here is a menu that can be cooked all at one time in a oven set at 350 degrees. Cook the foods in range-to-table ware and they will keep piping hot. Oven fried chicken, macaroni and cheese, mixed vegetable casserole and spicy blueberry cobbler. Add a mixed green salad and some hot coffee.

GO TO CHURCH SUNDAY.

Army Offers Guided Missile Training To Qualified Men

Sergeant First Class Willard P. Wang, the Army recruiter for this area announced today that he has received authorization from Fourth Army headquarters to accept applications for enlistment of qualified men that desire assignment in the "guided missile field," with choice of their assignment to specific metropolitan areas in the United States. Sergeant Wang further stated that these "guided missile" assignments will be under the direction of the United States Army Air Defense Command. The USARADCOM is the Army's contribution to the North American Air Defense Command which is comprised of elements representing all branches of the service—Army, Navy, Airforce, Marines and the Royal Canadian Air Force charged with the responsibility of protecting the North American continent from aggressor air attack. The USARADCOM is currently armed with Nike-Ajax, the first operational surface-to-air missile, a deadly defensive weapon capable of destroying any aircraft flying today. The present missile is being augmented with Nike-Hercules, a surface-to-air missile with far greater range and kill from the same launching sites as the Nike-Ajax. The Hawk, a missile designed specifically as a nemesis for low-flying aircraft, is ready for operational use. Yet to come is the Nike-Zeus, currently under development as an anti-missile missile capable of intercepting the inter-continental ballistic missile (ICBM).

Sergeant Wang said that only those men interested in the electronics field need apply, also they must meet the high physical mental and moral qualification required to be a part of USARADCOM.

Sergeant Wang emphasized that there is a limited quota for acceptance of applicants. The Panhandle area, with headquarters in Amarillo is, allotted only six enlistments under this program for the balance of June.

For further information regarding qualifications and procedure for applying for an assignment in the Army's Guided Missile program, you may call Sergeant Wang at his office in Plainview, Capital 4-9228 collect. Sergeant Wang will be in Lockney every Friday between the hours of 11 a.m. and 12 noon.

Betty Graham Is Bride Of Jerry Mickey

The altar of the First Methodist Church, flanked with baskets of white gladioli and candelabra to accent the stained glass portrait of Jesus, was the scene for the double ring wedding ceremony uniting Miss Betty Graham and Jerry Mickey, on Saturday June 20, at 4 p. m.

The bride is the daughter of Mr. and Mrs. Glenn Kinard of Sand Hill community. The bridegroom is the son of Mr. and Mrs. Forrest Mickey of Lockney. S.A. Freeman of the Main Street Church of Christ officiated.

Gene Handley, usher, seated the bride's mother, Mrs. Kinard, dressed in beige silk shantung with beige accessories and a yellow rose bud corsage. Roland Watson seated the bridegroom's mother, Mrs. Mickey, dressed in a coral silk organza with coral and white accessories and a coral rose bud corsage.

Mrs. Gene Handley played the organ prelude and traditional marches and accompanied Miss Gayle Rucker, soloist, who sang "Oh, Perfect Love," "Whither Thou Goest," and "The Lord's Prayer."

The bride, given in marriage by her father, wore a dress of French Chantilly lace, over ruffled nylon tulle and bridal satin. Above the boat neckline, the bride wore cultured pearls to match the pearl crown holding the elbow length veil of illusion. The short sleeves were completed with matching mitts. The flowing floor length skirt was caught up at the bottom with tiny white bows. She carried a white Bible topped with a white orchid and mint green ribbon.

Miss Virginia Caldwell was maid of honor, and Misses Jan Widener and Kim Mickey, sister of the groom, were bridesmaids. They wore identical mint green cotton satin sheaths with matching chiffon overskirts and carried colonial of mint green, pink and deep rose carnations.

Milton Mickey, uncle of the bridegroom, served as best man. Groomsmen were David Frizzell and Loyd Widener.

A reception following the ceremony was given in the Methodist Fellowship Hall. Mrs. Gene Bloys attended the register and Misses Hope Cox, Anita Durham, Charlyne Brown, and Jean Wofford served. Miss Loy O'Brien and Miss Kay Golden provided background music.

For traveling the bride chose a two piece dress of mint green ripple cotton and eyelet embroidery with white accessories and white orchid corsage.

The bride was a 1958 graduate of Lockney High School and attended Texas Tech.

The bridegroom graduated from Lockney High School in 1957 and attended Abilene Christian College, and Lubbock Christian College.

After a wedding trip to Quartz Mountain Lodge at Lake Altus, the couple will be at home in Lockney where Jerry farms.

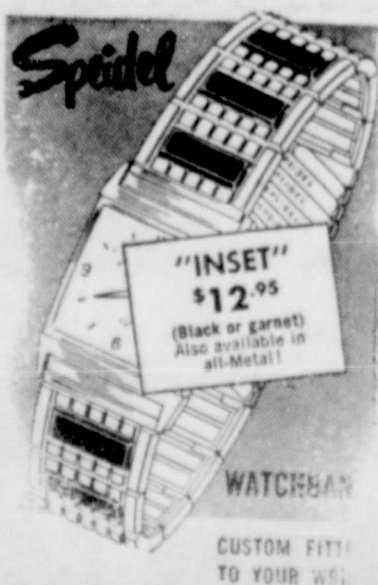

There is little harmony in the home where parents are continually harping.

MRS. JERRY MICKEY

Lingerie Shower Fetes Bride-Elect

Miss Sandra Lawson was honored with a lingerie shower in the home of Miss Jean Wofford Monday evening from 6:30 to 8.

Hostesses Misses Wofford and Kay Golden served white cake

squares and strawberry punch from a table laid with white lace over pink. A miniature bride standing under an archway surrounded by pink asters formed the center piece. Tiny pink and white rice bags were favors.

OFFICE SUPPLIES at The BEACON OFFICE.

Layette Shower Honors Mrs. Nance

A pink and blue shower honoring Mrs. Jim Nance was given in the home of Mrs. Hubert Frizzell on Friday from 9 to 11.

Hostesses were Mmes. Frizzell, C. D. Merrick, Floyd Dorman, Jack Dickson, E. O. Barrett, Bascom Baxter, Raymond Teeple, C. L. King, M. W. Hartman, Bailey Henderson, G. B. Johnston, Jr., and G. R. Johnston, Sr.

Mrs. Jack Dickson presided at the register. The honoree wore a corsage made of white baby sox trimmed in pink ribbon and net. The table, laid with a white linen cloth, was centered with a large stork under a gayly colored umbrella, and surrounded with baskets of pink carnations. Tiny pacifiers served as plate favors. Hostesses served pink punch and cookies.

Rebekah Lodge To Meet Monday

The Lockney Rebekah Lodge will meet June 29 at 8 p.m. for regular work and a social hour. A program honoring the past Noble Grands will be presented. This meeting will take the place of the regular meeting last Monday which was called off because of the weather. Outgoing N. G. Hallie King invites all members and their families to be her guests for refreshments, visiting and games.

NEW ARRIVAL

Mr. and Mrs. Roland Watson are the parents of a baby girl born Saturday night at 10:40. Little Laura Ann weighed 7 lbs. and 8 ozs. Grandparents are Mr. and Mrs. Glen Watson of Lockney, and Mrs. V. A. Monnier of Dallas.

CARD OF THANKS

We wish to express our thanks to everyone who remembered the 102nd birthday of our mother, Mrs. N. C. Dagley, on Monday, June 22nd.

The Family

Honored On Fifth Birthday

Mrs. Sherman Carey honored her son, Harold Gene, with a party on his fifth birthday, June 23rd. The affair was held at the home of Mr. and Mrs. J. L. Withrow, grandparents of the honoree.

Refreshments were cake, ice cream and soft drinks. Tiny cars were favors and a number of games were played.

Present for the delightful occasion were Brenda and Travis Hayes, Gary and Jackie Stone, Randy and Dewayne Ward, Sidney Gibson, Karen Marr, Carl Gibson, Royce, Rita, June, Lesca Dee and Shirley Hayes, Jane and Nancy Davis, Mrs. J. B. Ward and Mrs. J. L. Withrow. Barbara Ann Withrow aided with the festivities.

"The good die young" — is especially true of resolutions.

New Comer's Club Elects Officers

The New Comer's Club met at the home of Mrs. Joe Harris at 7:30 a.m. June 18 for a surprise come-as-you-are breakfast to elect officers for the coming year. Hostesses were Mrs. Harris, H. G. Hodges, and Mrs. Whiteley.

Officers elected were Mrs. Doug Meriwether, President; Mrs. S. A. Freeman, Vice President; Mrs. Robert Dornick, Secretary; Mrs. H. G. Hodges, Treasurer.

Coffee, donuts, and fruit juice were served to Mrs. Harris, Doug Meriwether, Dick Whiteley, H. G. Hodges, Wilson Kimmick, Douglas Deane, Taylor, Jimmie Stennett, S. L. Freeman, Pat Williams, Thomas Glenn, Elroy Thomas, Ted G. Thel, and Loyce McDermott.

The Nichols Medical Group

announces the following changes in the Lockney clinic:

STARTING JULY 1st

Dr. K. O. Crum will re-join the hospital staff.

The hospital will be open on a 24-hour basis.

The clinic will be open each week day from 9 to 5 o'clock.

Nurses will be interviewed today (Thursday) for duty in the hospital.

C. M. Jasper Of Silverton Dies
Silverton. — Funeral services for Clarence Milford (Milt) Jasper, 70, Silverton resident since 1889, were conducted at 3 p.m. Monday in the Silverton Church of Christ.
Officiating was Earl Cantwell, minister of the Rock Creek Church of Christ, assisted by the Rev. G. A. Elrod, pastor of the First Baptist Church.
Burial was in Silverton Cemetery under direction of Roberts Funeral Home.
Mr. Jasper, a retired farmer, died about 7 p.m. Friday in Veterans Hospital in Amarillo, where he had been a patient for about a month and a half.
He was born April 6, 1889, in Desdemona. Mr. Jasper was a World War I veteran and a member of the Church of Christ.
Surviving are his wife, Gertrude; a daughter, Mrs. B. G. Toler of Electra; six sons, Lloyd, Joe and L. C. Jasper, all of Silverton, Darden Jasper of Ash Fork, Ariz., Eddie Jasper of Fort Benning, Ga., and Norman Jasper of Lubbock; three brothers, Nat Jasper of San Diego, Calif., Will Jasper of Portales, N. M., and John Jasper of Claude, and four sisters, Mrs. Betty Hodges and Mrs. Fannie Thompson, both of Memphis, Mrs. Kit Washington of Flomot and Mrs. Kate Speers of Tulsa.

Trade in Lockney

... your handy market and supply center

Charity... non-profit type

Local merchants have millions of dollars invested in stocks of goods, buildings and facilities to make this town a convenient market and shopping center for all of us who live in this area. This CONVENIENCE is only one of the many advantages they offer us . . . at no extra cost . . . that the business firms in more distant towns and cities cannot give us.

Generally speaking, Charity is a virtue which lays up some treasure for us . . . either here or hereafter.

But many charitable impulses earn small dividends . . . such as the urge to assist beautiful maidens . . . or to help Build Bigger Big Cities . . . somewhere else.

Let's consider the least profitable of these habits . . . letting the Big Cities charm us into giving to them and their people the growth and prosperity that our spending dollars create.

If they're in dire need, and we can get due credit for being charitable . . . let's help them. If not . . . let's keep the benefits our dollars pay for . . . in the locality in which we live . . . and enjoy them ourselves

**It Pays to Buy
where you Live**

YOU get everything that your money pays for . . . merchandise AND a trade-invigorated community to live in . . . when you buy from your home town merchants . . .

Jefferson-Teague Vows Exchanged

Wedding vows of Miss Bette Frances Jefferson, daughter of Mrs. Lois Jefferson of Lockney, and Mr. Royce Earle Teague, son of Mr. and Mrs. Martin Teague of Hale Center, were read in a ring ceremony at one o'clock Thursday in the home of Mrs. L. A. Wofford, great-uncle of the bride. The bride is the granddaughter of Mr. and Mrs. C. L. Wofford of Lockney. Rev. Charles Broadhurst of the First Baptist Church of Lockney officiated. Altar decorations consisted of baskets of red and white gladioli and tiered candelabra holding long white tapers. Mrs. Betty Burchfield of Amarillo assisted her niece as matron of honor. She wore a white dress accented with white accessories, and a red gladioli corsage trimmed with white. The bride, given in marriage by her grandfather, C. L. Calaway, wore a floor length gown of Chantilly lace and tulle over a white satin. Iridescent sequins traced the scalloped neckline. Complementing the gown were long pointed sleeves, an empire waistline and full tulle ruffles to the floor. The fingertip

veil fell from a crown of sequins and seed pearls. The bride carried a bouquet of red and white gladioli with white satin streamers tied in love knots. At the reception following the ceremony, the bride's table was centered with a white wedding cake accented in red and a miniature bride and groom. Bouquets of the bride and matron of honor on the white lace table cloth and crystal and silver appointments completed the arrangements.

Miss Myrna Hays presided at the register and Misses Barbara Rigby, Margaret Schacht, Laveta Jones, and Kay Martin composed the house party.

The bride chose a black cotton suit trimmed in white with white accessories and a white gladioli corsage for the wedding trip to Haskell Lake.

The bride is a Senior in Lockney High School and the bridegroom is a graduate of Hale Center High School. He is employed by the Conoco Company in Hale Center.

Lone Star HD Club Meets Tuesday

Mrs. Bailey Henderson was the hostess for the Lone Star Home Demonstration meeting in her home June 16 at 2 p. m.

Following a short business meeting, a program on mattresses and linens was given by Mrs. W. D. Nance and Mrs. Bailey Henderson.

Refreshments were served to 14 members and two guests. The club will meet with Mrs. Rex Holt on June 23 at 2 p. m. to work on chores. The next regular meeting will be July 7 with Mrs. G. B. Johnston as hostess.

OFFICE SUPPLIES at The BEACON OFFICE.

MRS. SMITH, MISS MITCHELL HONORED AT RAINBOW MEET

Lockney Assembly No. 270, Order of Rainbow for Girls, was honored last week when two members were named to Grand offices at the 36th annual Grand Assembly of Texas. The meeting was in San Antonio June 15, 16 and 17.

Mrs. F. M. Smith, Past Mother Advisor of Lockney Assembly was installed as Grand Visitor, and Shirley Mitchell, Past Worthy Advisor of Lockney Assembly, was installed as a Junior Member of the Grand Examining Committee. Miss Sandra Lawson served as Grand Faith for the session this year.

During the coming year Mrs. Smith will visit assemblies at Crosbyton, Earth, Floydada, Lorenzo, Olton, Plainview, and Spur.

Four Lockney Assembly members received four year pins, and two received five year pins. They were Rita Johnson, Elaine Cooper, Peggy Ford, and Shirley Mitchell, four year, and Loy O'Brien and Hope Cox, five year.

The Lockney delegates reported the Grand Assembly as one of the best and largest ever held in Texas. Some 2,700 Rainbow girls and 646 Eastern Star members were present. "B" certificates were awarded to 1,790 girls.

Attending from Lockney were Misses Janice Boedeker, who received her Grand Cross of Color degree, Carolyn Harris, who was Grand Choir member, Jackie Frizzell, June Caldwell, Carolyn Merrill, Karen Brown, Nancy Jo Schacht, Shirley Mitchell, Sandra Lawson, and Mrs. F. M. Smith.

While in San Antonio, they visited the Alamo, Brackenridge Park, and other points of interest.

ana milk shake and cookies served as refreshments. Attending were Meses. Red Archer, R. H. Tinsley, Herman Huffman, C. L. Mooney, A. D. Schaffner, Guy Sams, Bruce Whitlock, Bill Washington, Virgil Adams and several children.

Arthur E. Duncan, Abstract Company, Owner and Manager, South East corner Square, Floydada, Texas. Oldest and most complete abstract plant in Floyd Co. Prepared to render prompt efficient service on everything in the line of land titles.

MAUD E. HOLLUMS, Owner and Manager, South East corner Square, Floydada, Texas. Oldest and most complete abstract plant in Floyd Co. Prepared to render prompt efficient service on everything in the line of land titles.

HD Council Elects Delegates For State Meeting

In a regular monthly council meeting of the Floyd County Home Demonstration clubs Saturday at 2:30, three delegates were elected to represent this county at the state meeting which is to be held in Galveston, September 16, 17, 18. The delegates are Mrs. James Jeffress, Mrs. G. W. Smith, and Mrs. Zant Scott. Alternates chosen are Meses. Virgil Adams, John Shepley, and Sam Jones.

The Starkey club presented an exhibit of gold plaques, planters, lamp shades, and flower arrangements. Mrs. R. H. Tinsley gave a report on the fair exhibits and Mrs. Herman Huffman gave the civil defense report. Mrs. Tom Porter, 4-H club adult leader, gave a report on the sewing class which began on Monday. After a game led by Mrs. R. G. Dunlap, Miss Phyllis Roggendorff reported on the new Lone Star Junior club.

Legion Auxiliary Elects Officers

The American Legion Auxiliary met in the home of Mrs. Temp Phillips Thursday, June 18, at 8 p. m. to elect officers. Officers for the next year are Mrs. Temp Phillips, President; Mrs. Kathleen McPherson, First Vice - President; Mrs. Viola Moody, Secretary; Mrs. Dorothy Thomas, Treasurer; Mrs. Vada Webster, Historian; Mrs. June Bybee, Chaplain; Mrs. Louise Hodel, Sergeant-at-arms.

Those present were Meses. Vada Webster, Kathleen McPherson, Louise Hodel, Viola Moody, Marty Smith, Vencil Casey, Dorothy Thomas, and Temp Phillips.

GO TO CHURCH SUNDAY.

MRS. JIMMIE SMITH was appointed Grand Visitor, Order of Rainbow for Girls, at the Grand Assembly in San Antonio last week. Mrs. Smith was also recently installed as Worthy Matron, Lockney Chapter, Order of Eastern Star.

FORREST M. SMITH was recently installed Worthy Patron of Lockney Chapter, Order of Eastern Star.

Sterley HD Club Meets Thursday

The Sterley Home Demonstration Club met Thursday, June 18, at 3 o'clock in the home of Mrs. Elmo Schaffner. The program was given by 4-H girls, Pat Schaffner and Linda Abbott, who made han-

SHIRLEY MITCHELL was recently appointed a junior member of the Grand Examining Committee, Order of Rainbow for Girls.

VISITING FROM PAMPA

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — At it again, the third time this year, legislators go into the second session wearing, but social session wearier, but Midnight wind-up of the second session brought show-down votes indicating what each house will and will not accept in the way of a tax program. Next conference committee on taxes will know that

the line of compromise must be more finely drawn between Senate and House thinking. In addressing the new session, Gov. Price Daniel reminded lawmakers of the "up against it" state of things. "Every function of state government depends on enactment of an appropriation bill before Sept. 1 with a tax bill to support it," said the governor. State's fiscal year and present appropriations run out Aug. 31. Unless a new appropriation bill can go into effect the next day, the whole state operation — including hospitals, schools, employee salaries and pensions — will stop.

A lot of blade—and a low, low price!

Here's a utility blade priced within the reach of anyone who owns a light tractor. We state flatly, this will be the largest selling light blade in the country, because it is the greatest value. All welded, sturdy, 240 lb. construction. 13" mouldboard plus 6" replaceable cutting edge of 1/2" grader-blade steel. 8 adjustments for angling and reversing.

If you need a larger, more versatile blade for specialized ditching and terracing work, Servis makes big tough ones that tilt, angle, and pitch in more directions than the average man can think of. But for simple utility work, this Lone Star blade is it!

\$99.00

Plan to see it this week at . . .

On Highway 70 — Lockney

"This is unthinkable, of course. No lawmaker could go home and face the voters with things in such a state. But there's another pinching factor which the governor emphasized. Cost of deficit financing plus loss of potential tax income means that each day's delay costs the state an estimated \$200,000. Despite this, the House took a four-day week end and the Senate, 3 1/2 days. But some lawmakers seemed to feel the delays, deadlocks and head-knocking were not necessarily expensive wasted motion, but milestones along the long, hard road to democratic compromise.

"We've crossed a lot of bridges we won't have to cross again," said Rep. Don Kennard of Fort Worth.

NO SURRENDER — Legislature was thrown into another session when the House rejected, 117-23, a conference committee tax bill that was largely based on Senate thinking.

Senate approved, 19-12. Some House members were indignant that three of the five House appointees signed the conference committee report which House opponents called a "complete surrender" to Senate wishes.

House passed a tax bill that was divided about 50-50 between taxes on business and selective sales taxes. Senate pared back the business taxes to about 18 per cent, added new the difference.

Conference committee proposed a bill that would have raised \$177,066,000 with essentially the same levies approved by the Senate plus a temporary hike from \$1 to \$2 in drivers licenses. Appropriations conference committee was reportedly deadlocked and never made a report.

After the new session opened, most of the same taxing and spending bills were introduced again, including the twice-killed abandoned property bill. House quickly re-passed the same appropriation bill it had passed before. Most bills are expected to follow the same pattern they did in the last special session — up to the point where the conference committees start working out differences.

ONE MADE IT — Only major money bill to make the grade is the bookkeeping bill, passed by both Houses and signed into law by the governor.

Effect of the law is to change accounting procedures so that an estimated \$28,000,000 more will be credited to the state's general fund when the fiscal year runs out Aug. 31.

It means that much less that has to be raised to balance the books.

STUDENT FEE BILL BACK — Rep. W. S. Heatley Jr. of Paducah re-introduced a bill to let colleges require students to pay up to \$30 a semester for various campus services. Bill passed the House last session, but died in the Senate on the last day. Sen. William S. Fly of Victoria was Senate sponsor.

Dear Editor: I see wher the Supreme Court says it is all right, even in a Southern state, to hold back a citizen from voting just because he can't read and write.

But my third-grade graduate neighbor says lots of smart people can't write. Says even the boys who got up our Constitution couldn't write very good, or it wouldn't have taken all these years for a Supreme Court to come along that could understand what they meant.

And he thinks a citizen who can't read ought to make a superior voter, on account of not being so confused.

D. E. SCOTT
Crossroads, U. S. A.

Heatley, Fly and other supporters pointed to the crying need for new money and said college presidents were urging the bill. Opponents said there were better places to get money than from working-their-way college students who would rather do without the football tickets, parking spaces, etc., covered by the fee.

PUBLIC BEACHES ASKED — Providing public access to Gulf Coast beaches is the only non-money matter submitted by the governor to the new session.

House passed such a bill overwhelmingly last session, but it died in the Senate on the last day.

A recent State Supreme Court ruling changed the general conception of where the boundary line is between private and public ownership along the coastline. To clear up resulting confusion, the House-passed bill provided for a "public easement" of 200 feet from the low tide mark. It also prohibited fences or other obstructions.

Rep. Bob Eckhardt of Houston re-introduced the bill in the new session.

OIL CUT AGAIN — Texas oil production will take another tumble when the July allowable takes effect. Railroad Commission ordered production cut by 226,044 barrels a day and run on a nine-day producing pattern. Ten producing days were allowed for June which was a cutback from May.

Oil men testified that they not only had more gasoline than they could sell, but faced the prospect of running out of storage space.

ARRANGED CONTRACTS HIT — Atty. Gen. Will Wilson has filed an anti-trust suit against certain Houston electrical contractors and an electrical workers union.

Wilson said his office had gathered evidence indicating the Southeast Texas Chapter of the National Electrical Contractors Assn. was deciding in advance which member of the group should be allowed to make the low bid on a job. Then others, said Wilson, would put in higher bids.

Suit also charges that members of Local 716 of the International Brotherhood of Electrical Workers aided the contractors' association by not sending enough workers to jobs of non-members.

Price-fixing conspiracies, Wilson declared, cut away the foundation of a competitive free enterprise economy.

On June 28, 1784, Joshua Humphreys was appointed America's first Naval Constructor with an annual salary of \$2,000. He designed and built the Constitution, Constitution, President, Chesapeake, and United States.

Floydada Soldier Completes Training

Fort Ord, Calif. — Pvt. Donald E. Smith, son of Mr. and Mrs. Carl M. Smith, Route 5, Floydada, Texas, completed the eight-week basic Army administration course June 12 at Fort Ord, Calif.

Smith received training in typing, record keeping and Army clerical procedure. He entered the Army last January and completed basic training at Fort Chaffee, Ark.

The 22-year-old soldier is a 1954 graduate of Floydada High School, a 1958 graduate of Texas Technological College in Lubbock, and a member of Phi Kappa Phi, Sigma Iota Epsilon and Phi Eta Sigma fraternities. Before entering the Army he was a member of the office staff of the Community Chest and Council Inc. of Lubbock.

FOR A BEAUTIFUL CAKE

When a cake is removed from the oven it should be cooled in the pan about 10 minutes, preferably on a wire rack so air can circulate around it. Home economists recommend thorough cooling of cakes before filling or icing. It is a good idea to make the filling while the cake is baking so it will be cool when the cake is ready to be iced. If the cake has been baked at proper temperature there will be no crusty edges to remove.

Thanks, Friends!

Although I am a little late in doing so, I want to take this means of thanking the people of Lockney and this community for the business you gave us and the many favors and courtesies extended to us during the time I was in the automobile dealership at Lockney. You are a wonderful bunch of people and I thank you everyone from the bottom of my heart.

As you know I have sold my interest in the business to my brother, R. D. "Rusty" Baccus and I know that he will continue to give you the same good service and the same courteous treatment you have received from this firm in the past. I will certainly appreciate any favors you may show him.

Thanks again to all of you.

F. C. "Whitey" Baccus

NEW GAS PATIO BROILER ELIMINATES MUSS AND FUSS OF CHARCOAL — SPEEDS OUTDOOR COOKING

Just turn a valve, and the volcanic-like substance that looks like charcoal and cooks like charcoal . . . quickly comes aglow to give you the best-tasting barbecue you've ever cooked. Yes, if you are a real barbecue fan, you'll appreciate the wonderful ease and convenience afforded by the remarkable GAS Patio Broiler. Ask for complete details.

Sand Hill News

By Mrs. James Jeffress

The hailed-on, beat-up crops are beginning to put on new leaves. Wheat harvest is in full swing this week and several fields of onions have been harvested. Small amounts of rain spotted the community Thursday afternoon. As much as a half inch fell over Barwise.

I would like to take this opportunity to thank each and everyone of you for the many cards, flowers, gifts, and visits during my stay in the hospital and since I have returned home. It has made my recovery burry along. May God be with each of you.

The Sand Hill 4-H Club met Tuesday night at the club room. The meeting day was changed to the second Monday of each month instead of the second Tuesday. A swimming party was planned for Saturday night. Beverly Jeffress gave the program on "Swimming safety." Refreshments were served to Mary and Elaine Starkey, Beverly Jeffress, Bobby Holt, Becky, Trudy and Glenna Miller, Irene and Janice Miller, and Jimmy Huckleby.

The Sand Hill Club met June 3 with Mrs. Johnny Miller as hostess. Mrs. Miller gave the devotional from 1 Timothy 4:12. The Sand Hill Club will meet with the Dougherty Club on July 1 at 2 p. m. at the Lighthouse Electric. The program on Frozen Foods will be given by the county agent. Anyone having pipe, cement or paint for the community intersections are asked to contact Mrs. J. T. Myrick as soon as possible. The 4-H club girls presented the program. Those

giving demonstrations were Tomette Smith, Becky Miller, Betty Miller, Marilyn McLain, Beverly Jeffress, and Elaine Starkey. Refreshments were served to the 4-H girls, and Misses Lynn Miller, Walter Knight, Orlon Miller, H. F. Jackson, Hollis McLain, James Jeffress, J. T. Myrick, J. C. Hollums and the hostess.

Mr. and Mrs. Bill Stringer, and Christy, and Dale Stringer visited relatives in Waldo, Arkansas last week.

Congratulations to Mr. and Mrs. Kirk Slaten, Jr., on the arrival of a baby boy born Thursday June 18, at the Lockney General Hospital. He weighed 8 pounds, 1 ounce, and had been named Dennis Kirk. He has one sister, Betty Jean. Grandparents are Mr. and Mrs. Marvin Swanner of Sand Hill and Mr. and Mrs. Kirk Slaten of Falls.

Mrs. Jackie Myrick and Loni of Lubbock were visiting in the home of her parents, Mr. and Mrs. Fred Jackson Monday. Margaret and Jo Ellen took Mr. Jackson's mother back to Menchel. She had been visiting relatives here for several days.

The Baptist Workers Conference was held Tuesday at the Sand Hill Baptist Church. About 75 attended the conference. Dinner was served at the parsonage during the noon hour. The church wishes to thank everyone who helped prepare for the conference.

Mrs. William Mayo and Mrs. Curtis accompanied her son, Mr. and Mrs. Donnell Mayo and Terry to McCauley, Texas over the week end.

Mrs. Hollis McLain, Marilyn and Allison returned home Wednesday after spending several days in Oklahoma visiting

in the home of her brother, Mr. and Mrs. Don Cornelius and family. They made the trip with her father from Floydada.

Mrs. Tom Brown of Eden, Texas arrived Friday to spend several days in the home of her daughter, Mr. and Mrs. James Jeffress and family. Visiting in the home of Mr. and Mrs. James Jeffress last Sunday were Mr. and Mrs. Monroe Schulz and family, Mr. and Mrs. J. R. Turner and family from Providence, Hollis McLain, Mr. and Mrs. D. D. Tate, and Mrs. Don Kelly from Portales, New Mexico.

G. A.'s of the Baptist Church met Tuesday afternoon. After presenting the program, plans were made for a swimming party Monday afternoon. Present were Mary and Elaine Starkey, Norma Sue Hollums and the leader Mrs. Bill Stringer. The next meeting will be Thursday, June 25, at 5:30 p. m.

Mr. and Mrs. Ed Noel and family spent Saturday night visiting her parents, Mr. and Mrs. J. D. Simpson of Matador. The Sand Hill 4-H club enjoyed a party in the home of Mr. and Mrs. Lynn Miller and Janice Saturday night. Games and supper were enjoyed by Norma Hooper of Harmony, Cecil Jackson, Elaine, Mary and Harold Starkey, Nancy Mills,

Lon, Trudy and Becky Miller, Marilyn and Allison McLain, Norma Sue Hollums, Jimmy Huckleby, Beverly, Jimmy and Timmy Jeffress, Ronnie and Janice Miller, Mr. and Mrs. Orlon Miller, Hollis McLain and Mr. and Mrs. Lynn Miller.

Visiting in the home of Mr. and Mrs. Ed Noel and family over the week end were her sisters, Mr. and Mrs. Tom Camp and family from San Antonio, Mrs. Buri Monk and children of Matador and her parents, Mr. and Mrs. J. D. Simpson also from Matador.

Our deepest sympathy goes to Mr. and Mrs. A. V. Womack and family on the loss of Mrs. Womack's sister Mrs. Galligan who passed away at Wichita Falls. The funeral was held in Lockney Monday and interment at Carr's Chapel Cemetery at Harmony.

Mr. and Mrs. W. R. Billington and Mr. and Mrs. Jim Holmes spent Sunday in the home of Mrs. Billington's parents, Mr. and Mrs. Glenn in Plainview.

Birthday wishes this week go to Hollis McLain, Johnny Noel and J. T. Huckleby.

Glenn Kinard has been ill this week. We wish him a speedy recovery.

Grandmother Brown returned home from Lockney General Hospital a few days ago and is

doing better. She is still shut in and would enjoy cards and visits from her friends. Her address is Route 4, Floydada.

Mrs. Orlon Miller is the 4-H food leader and Mrs. Hollis McLain is the 4-H clothing leader for Sand Hill. Mrs. McLain has been helping the girls get started on their dresses for the dress review July 15th in Floydada. These ladies are to be commended for their interest in the Sand Hill 4-H Club.

The Sand Hill Home Demonstration Club met Wednesday afternoon in the home of Mrs. C. B. Carmack in Floydada. Mrs. James Jeffress was elected nominee for delegate to the State meeting in Galveston. Mrs. Carmack gave a demonstration on selection of bedding for the home. Refreshments were served to Misses H. F. Jackson, Walter Knight, Lynn Miller, C. B. Carmack, Orlon Miller and Orba Miller, and one guest, Mrs. Glenn.

Visiting in the home of Mr. and Mrs. C. P. Carey over the week end were Mr. and Mrs. G. D. Thompson and son Jerry, and David Carey of Houston, Texas. Visiting Sunday was her mother, Mrs. Ed Meeds of Floydada.

Professional card sharks really visiting an amateur who knows all about the game.

Texas Tech Begins Cattle Research

Lubbock. — Some thirty registered Brahman cows will be the nucleus of a research program scheduled to begin this year at Texas Technological College. Announced by Ralph Durham, Head, Department of Beef Cattle, Texas Tech will put its purebred Brahman herd into hybrid production in the next breeding season. Durham stated that the decision was prompted by the great number of Brahman hybrids now being fed in Panhandle feedlots. To have some of these cattle available for study and research was deemed advantageous by college officials.

The breeding program's primary objective is to obtain hybrid steers for student classroom work. The steers will be fattened to provide data for growth and carcass studies.

Initial plans call for the Brahman cows to be divided into two groups. One to be bred to a purebred Angus bull and the other to a purebred Hereford bull. Only a few heifers from these matings will be retained. The hybrid females kept will be put in a "criss-cross" program with opposite bulls to produce three-way-cross calves.

CARD OF THANKS

Words cannot adequately express our sincere appreciation to our many friends and neighbors who were so thoughtful of us during the loss of our loved one. For the many beautiful flowers, cards, and food we shall always be grateful to each of you. May God bless you in our prayer.

Carl Burnett, Mr. and Mrs. Aaron Burnett, Blankenship and Loren, Mrs. J. G. McGuffey, Mr. and Mrs. Alton Bennett, Joe Arlan and Joyce, Mr. and Mrs. J. W. McDonald, Donnie and Jann, Mr. and Mrs. Cleo Billings and Arline.

On June 4, 1944, the German escorts Jenks, Chastain and Pillsbury, with the carrier Guadacanal, captured the German submarine U-95 in the Atlantic. This was the first time in 130 years that a U. S. Navy boarded and captured an enemy vessel on the high seas. The U-95 is presently on display at the Museum of Science and Industry in Chicago, Ill.

Man's deeds attract more attention than his creeds.
