LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, AUGUST 6, 1959

NUMBER 18

CHANGES MADE IN PARKING AND TICKETS AT FAIR GROUNDS

At a recent meeting of the directors of the Floyd County Fair Association, changes in the parking arrangement at the fair grounds and the method of taking tickets were made. The new arrangement is expected to be much more convenient and satisfactory to all concerned, fair officials said.

Some work has been done on the new arrangements already and the Fair directors have set every Monday as work day, asking that everyone interested come by and help as long as possible, even if it is just between water sets.

School Board Adopts Budget

The Lockney school board adopted the annual budget at its regular meeting Monday evening of this week. The budget, showing expected expense for the coming year, totals \$320,978.50, which is an increase of some \$20,000 over the previous year.

The board upped its estimate of revenue from local sources due to a substantial increase in property valuations by the equalization board which met week before last.

On the darker side, the school district will end this year with a \$3500.00 deficit, due to buying land and some other expenses.

BEGINS SCHOOL

Miss Ann Griffith enrolled Tuesday morning in Lipperts Business College, in Plainview.

ATTEND FUNERAL

Mr. and Mrs. L. G. Rhine attended the funera of Mrs. I. P. Jones on Saturday in Fort Worth. Mr. Jones is the brother of Mrs. Rhine.

IN SAN ANTONIO

Mrs. Quentin Adams and children, Milton and Jenny, left Sunday morning for San Antonio where Mrs. Adams will attend a Homemaking Conference and will visit with relatives there.

VISITING FROM MIDLAND

Mr. and Mrs. Jack Craft and family, of Midland, are visiting this week in the home of Mrs. Craft's mother, Mrs. R. L. Lacker, and sister, Mrs. Walter Merrell and family.

Auto Accidents Injure Three

Two separate auto accidents the past week resulted in injuries to three people, two of them Lockneyites. Both happened Sunday afternoon.

Vincent Felty, grandson of Mr. and Mrs. Wilbur Miller of Lockney, and Dwayne Wilson, son of Mr. and Mrs. Carl Wilson, were both injured when Felty's 1952 Chevrolet collided with a dump truck at 34th and Tyler in Amarillo.

Director Calls Band Meeting

Lockney High's new band director, Wyatt Burkhalter, this week issued a call for all band members to meet at the band hall next Monday evening at 7 o'clock for an organizational meeting.

Legion Seeks Donations For New Building

The American Legion was organized in memory of, and to honor those who served, and those who gave their lives in defense of their country. We are proud to be members of such an organization.

Youth Retreat Planned By Baptist Church

The annual Youth Retreat for the Young People and Intermediates of the Baptist Church is set for Monday through Wednesday morning, August 10-12.

BOOKMOBILE SCHEDULE

Miss Mary Jo Vines, librarian, announces the following schedule of stops for the Bookmobile in Floyd County, on Tuesday, August 11.

Suth Plains, Upton Grocery, 9:10-9:50 a.m. Cedar Hill, Eugene Gilly home, 10:10-10:50 a.m.

Aiken, Paymaster Gin, 11:20-12:00. Providence, Lutheran Church, 1:10-1:50 p.m.

Lone Star, Lone Star Grocery, 2:00-2:45 p.m. Lockney Public Library, Book Deposits, 3:00-4:00.

MRS. TEUTON SAME

The condition of Mrs. E. D. Teuton remained about the same this week according to her son, Paul. She is in St. Anthony Hospital, Amarillo, suffering with a broken hip.

SHIPPED TO JAPAN

Pfc Dwayne Ivie, U. S. Marine Corps, was due to leave San Francisco August 1st on the U. S. S. Hancock for Japan. He expects to be stationed in Japan for at least six months. He is the son of Mr. and Mrs. O. L. Ivie.

WYATT BURKHALTER is the new band director for Lockney High School.

MRS. WYATT BURKHALTER will teach public school music in Lockney schools the coming year.

National Wins First All-Star Game Tuesday

Second contest in the Lockney Little League all-star series is slated for Thursday afternoon at 6 p.m. on the Little League diamond. If the American League wins the second match the rubber game will be played Saturday afternoon.

The hard-hitting National League all-stars pushed seven runs across the plate in the second inning as they edged past the American League all-stars, 7-5, Tuesday in the initial game of the all-star series.

Starting and winning hurler was Merlin Boedecker who pitched four innings. Olin Degege worked the final two stanzas. On the mound for the American League stars were Ronnie Jefferson and Dale Galloway.

Teams composing the National squad are the Dodgers, Cards, and Giants. Members of the Indians, Yankees, and Red Sox are represented on the American roster.

Edgar R. Hays and Buck Latimer, Dodger managers, assisted by Carroll Minor, Cards, and R. V. Webster, Giants, are guiding the National stars. American League managers are Leonard Finley and Frank Hawkins of the Indians.

Box score of Tuesday's battle: NATIONAL LEAGUE Name Pos. AB Hits Runs J. Hulcy, ss 3 1 1 M. Boedecker, p, ss 4 3 1 P. Barker, cf 4 1 0 B. Kropp, 2b 3 2 1 N. Mitchell, lf 2 1 1 R. Smith, c 3 3 1 E. American Legion Officers Installed

New officers of Lockney American Legion Post No. 141 were installed at a regular meeting of the Post on Monday evening of this week. Installing officer was Wilfred Stoerner of the Providence community, who is Chaplain of the 19th District, American Legion, and a member of the Ray Blakemore Post of Plainview.

Officers installed were Ray Sissney, Post Commander; Kenneth Moody, First Vice-Commander; Paul Teuton, Adjutant; John Bickley, Finance Officer; Weldon Dodson, Service Officer; V. L. Webster, Chaplain; Jimmy Hodel, Historian; Conrad Henderson, Sergeant-at-Arms.

Trustees are: W. L. Thomas, 3 years; Bob Miller, 1 year. W. L. Thomas is the retiring commander.

Youth Revival Closes Week

A weekend Youth Revival will close the Youth Activities Week of the Methodist Church which has been August 2 through 9.

The revival services will begin at 7 p.m. Friday through Sunday nights in the sanctuary of the Methodist Church and will be led by Bobby McMillan, youth director for the church. The messages will carry the theme of the week "Right Here, Right Now".

Senior Class Calls Meeting

The Senior Class of '60 will meet Friday night at 8 p.m. in the High School Auditorium for a called meeting. Every member of the class is urged to attend this important meeting. Donna Workman, president, said.

OBSERVES 79TH BIRTHDAY

V. O. Harris of Lockney observed his 79th birthday at his home here Monday, August 3rd. His three daughters, Mrs. Raymond Nelson and Mrs. Jesse Wofford of Plainview, Mrs. Harold Griffith of the Lone Star community were all with him for the day and he received a cablegram from his son, Olin Harris of Sao Paulo, Brazil, wishing him the best.

Charlie Is All Ready For Feast

Charlie Andrews, mayor of Aiken, announces that everything is in readiness for the big seed meeting and watermelon feast at the Paymaster Gin yard tonight (Thursday). He is inviting everybody in Hale and Floyd Counties, he says, and will have plenty of free watermelon for all.

The annual event is sponsored by Aiken Elevator and Paymaster Farm. Talks by various agriculture leaders will highlight the program.

Merchants Enjoy Good Business On Summer Sale Event

Most Lockney merchants enjoyed a good weekend business on the Annual Summer Sale event staged last week, according to statements to The Beacon representative.

One merchant stated that he was very pleasantly surprised at the response and others expressed their satisfaction with the extra business which the event brought to town.

This is an annual sales event begun last year by Lockney merchants and is staged, not only to clear stocks of summer merchandise, but to express the appreciation of the local merchants for the patronage they receive the year round.

The annual Floyd County Farm Bureau Queen Contest will be held tonight (Thursday) in Floydada High School auditorium with the program beginning at 8 p.m. Four entries will vie for the honor of representing this county in the District contest in September.

Entries are: Joan Smith, 17, daughter of Mr. and Mrs. Norman Smith of the Providence community. She is a senior in Lockney High School and is sponsored by Crume Gin of Providence.

Gladys Matthews, 16, daughter of Mr. and Mrs. R. C. Matthews of Providence community. She is a junior in Lockney High School and is sponsored by the Providence Home Demonstration Club.

Jane Carol Phillips, 16, daughter of Mr. and Mrs. D. J. Phillips of Lone Star community. She is a junior in Lockney High School and is sponsored by Lone Star Home Demonstration Club.

Shirley Gregory, 16, daughter of Mr. and Mrs. Howard Gregory of Floydada. She is a junior in Floydada High School and is sponsored by the Floydada Chamber of Commerce.

Judges will be from Wayland College at Plainview, officials said.

Ned Bradley of Floydada will be Master of Ceremonies for the occasion. Music will be furnished by Martha Sanders and The Moon Discs, a boys combo band from South Plains.

Marisue Burleson, last year's Queen, will crown the new queen, Little Pamela Brandes, daughter of Mr. and Mrs. L. B. Brandes, will be the flower girl.

L. B. Brandes, president of the Floyd County Farm Bureau, will present gifts to the queen candidates.

Local Teachers Attend Conference

Mrs. Albert Dutton, principal, and Mrs. Imogene Myers, and Mrs. Ben Wood, teachers in the local elementary school attended the seventh annual Reading Conference sponsored by the Texas Association for the Improvement of Reading at West Texas State College in Canyon on July 28-30.

Heading the conference were three nationally known authorities in the field of children's literature. They were Dorothy Cates, of the School of Library Science at the University of San Francisco, Dr. Walter Loban, of the University of California, and Miss Loretta M. Antl, supervisor of field services and consultants at Wesleyan University in Middletown, Conn.

Topics discussed at the conference included "Developmental Basic Reading," "Is There a Literature for Children?", "Moral Values and Literature," "Humor and Children's Books," "Reading as an All-School Responsibility," "Power Over Language," and "News Reading to Develop Literature Citizens."

Five Men Called For Induction, Ten For Exam

Five men have been called for induction into the armed forces by Selective Service Board No. 45, and 10 others are ordered to report for armed forces physical examination on August 17.

Called for induction are Earl Weston Steen, John Ray Amerison, Roy Tadger Mitchell, all from Hale County; Jack Eual Boggs of Swisher County, and Sammy Joe Graham of Floyd County.

Those called for examination include: Lloyd Lee Williams, Larry Eugene Temple, Leslie Melvin Thompson, James Lewellyn Miller, Everett Dee Linville, Alfred Robert Byrd, all of Hale County.

Joe Dan Mangram, Milton Stanley Brooks, Motley County. Robert Walter Goss, George Lewis Bozeman Jr., Swisher County.

EDITORIAL

But the fruit of the Spirit is love, joy, peace, long suffering, gentleness, goodness, faith. —Galatians 5:22.

LOCKNEY tax payers are not the only ones who are dissatisfied with the work of professional appraisers who have made recommendations as to the valuations to be placed on property within the school district. Almost the identical same thing happened in the Tullia school district and an article from the Tullia Herald relating to the matter will be found on this page. No doubt but that many inequities still exist in property valuations in the Lockney school district. In the first place the appraiser did not have time to give each piece of property in the district proper consideration. He had to do a "hurry up" job and naturally did not do his best. In the second place, even if he had done his best he needed the advice and assistance of some local person or persons who know local values. We do not believe any man who is unfamiliar with local situations and property can come in here, look at the property and place a fair and equitable valuation on all of it. Seems to us that a working together between the professional appraiser and a local advisor would be a better solution to the problem.

WHEREAS before the recent revaluations it was apparent that city property was valued too low in comparison with farm land and rural property, now many people are of the opinion that the reverse is true. Most farm land was not raised

in the revaluation program while much city property was more than doubled in value. Some local property is actually valued at more than it cost and in some cases more than it could be sold for. This is not fair, of course, but is another indication that the professional appraiser was not familiar with local values.

LITTLE LEAGUE season is almost over and we repeat again that this program, sponsored locally by the Lockney Lions Club and ram-rod by Commissioner Tom Moore, is a very worthy and worthwhile program. Even if Ye Olde Editor did not have a personal interest in the program we would still think that it is worth while and something that is good for boys. As far as we know, every boy on the various teams exhibited good sportsmanship most all the time, had a good attitude toward the opposing team and conducted himself in a mannerly way.

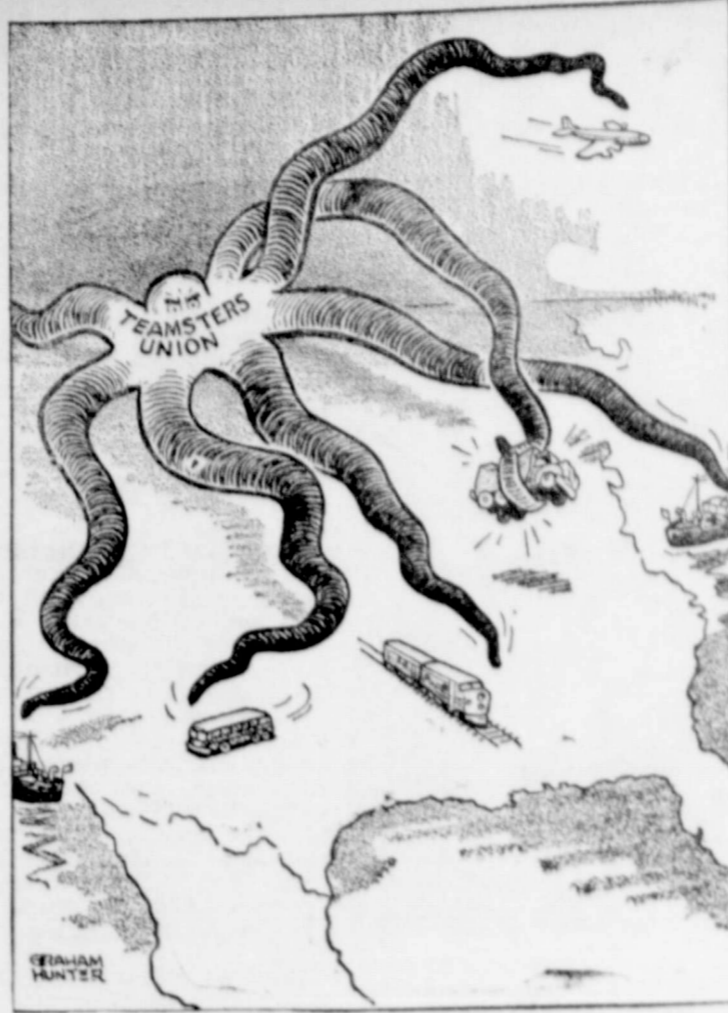

WHETHER you like him or not, or whether you are Democrat or Republican, you must face the fact that Vice-President Nixon's trip to Russia had added tremendously to his stature in the eyes of American voters and increased his chances to be the next president of the United States. Nixon's intestinal fortitude in standing up to Khrushchev, trading verbal blow for blow and coming out no worse than even in the exchange and possibly better than even, has certainly put him in a favorable light with many American voters. The tremendous and tumultuous welcomes he has received in those countries has also helped his prestige in this country. Not speaking our preference (we're still for Johnson) but it appears now that Mr. Nixon has a very good chance to be the next president.

NOW if the Democrats are so foolish as to nominate John Kennedy to be their presidential candidate, thus alienating many Southern States because of the religion of Kennedy, Nixon will be almost sure to be elected President and we'll have another four years of Republican administration.

CITY OFFICIALS have issued a warning to parents that some boys have a habit of riding their bicycles and following the city's fogging machine. Officials say that there is a possibility that the boys may be poisoned by the spray and also they could be run down by a car in the thick cloud because motorists cannot see them. Their request is that you see that your son doesn't do this.

THE FBI REPORTS that aggravated assaults in cities about the country rose 13% during the first quarter of this year as compared with last. Forcible rapes, for instance, were up 11%. On the other hand, there were declines of 8% in robberies, 4% in auto thefts, and 3% in murders.

EQUALIZATION BOARD TROUBLES AT TULLIA

The tax equalization board for the City of Tullia has been meeting with property owners this week who are dissatisfied with the valuations set by the professional appraiser who has been working since January to equalize property valuations within the city and school district.

The project was initiated jointly by the city and school board. More than 325 persons asked for appointments with the board and 24 meetings were held Monday. It is expected to take two weeks to conduct all meetings requested.

Agitation over the new evaluations began largely as a result of several apparent errors in judgment on the part of the appraiser which were not caught by the equalization board before notices were mailed to taxpayers.

As a result, a mass meeting was held last week in the district courtroom and petitions were drafted asking that the new evaluations be discarded and that the 1958 values be used for this year's assessments. Petitions, left at several downtown locations were signed by more than 900 city and county residents after an intensive newspaper and radio campaign was conducted to secure signatures. A citizens committee named

at the mass meeting met with the city council Thursday night at which time the petitions were presented.

The council concurred with the committee that many of the evaluations were unsatisfactory and it was agreed that representatives from the council and committee would present the petitions to the board of equalization with the suggestion that the board exercise its own right to set assessments with a free hand.

It was explained by City Attorney Burrell Evans that a council has no authority to dictate to or to exercise undue influence upon a board of equalization. It was his opinion that the city council could not legally order the board to use 1958 or any other valuations. On the other hand, the council was under obligation to accept the valuations submitted by the equalization board.

It was agreed that the board of equalization be informed that the appraiser in some instances did not contact property owners according to the instructions of the city council. The city had previously announced that it was not interested in raising additional taxes, that it expected no hike in 1959 taxes except that which came from new construction. Purpose of the evaluation program was to correct inequalities which have existed for years in some instances.

The citizens' committee met Monday night with the school board at which time the same petitions were presented. The school board took no action at the meeting. It explained to the group what the

board was trying to do in equalizing taxes throughout the school district.

Both the city and school have expressed their desire to set up an equitable base for the assessment of taxes so that everybody will be paying according to the same formula.

In a special meeting Tuesday night the school board considered the petitions and decided to pass them on to the equalization board for its consideration. — Tullia Herald.

SO IT STANDS

The Supreme Court ruled last week that a private business can refuse to serve whom ever it pleases. Therefore it stands that a private business in Lubbock was denied its constitutional rights through coercion by a foreign government.

Regardless of moral issues involved, the threat of boycott by a foreign government to enforce its will on a private business in the United States is a serious threat to us.

It seems farmers and ranchers have learned little of the trouble infested on this nation by seeking cheap labor, i.e. the Negro slaves. As we are now paying for this crime of enslavement, we someday will be paying for the infestation of braceros in the border states.

The Mexican government asks that we honor the braceros, as they do not do by allowing them to work here at sub-standard wages and sub-standard living conditions. They further insist they be allowed the run of the country without the restrictions of which we expect from our own people.

Not only this, but the braceros are tearing down the cooperative understanding of the US citizen of Latin extraction and his association with other citizens of the country. He set a high standard for himself and his family, but now finds himself classified with the braceros as to mentality, financial status and social environment.

We would probably be better off in the long run if braceros would go home. — Cecil Waggoner in Claude News.

CROSS ROADS REPORT

I see where the U.S. is sending \$37 million over to Burma to build them some roads with in spite of our own building program is in a cramp for funds.

My reluctant Samaritan neighbor says this seems pretty noble of us, and proves that you don't have to be solvent to be Santa Claus.

Says it also proves that we need a crash research program to find out who has been putting loco weed in our cereal.

BRING THE WHOLE FAMILY — EVERYONE WELCOME!

WHY DO WITHOUT A LITTLE LUXURY LIKE THIS... LET ALONE

THESE BIG CHEVY VIRTUES!

Chevy's the only car of the leading low-priced three that gives you the convenience of crank-operated vent windows. No awkward latches to fumble with... your knuckles and fingernails will appreciate it.

greater roominess

Automobile Manufacturers Association records carry the facts on this. In a Chevy sedan, for example, you've got more front seat head room than all but one of the high-priced cars! And Chevy's front seat hip room spreads up to 5.9 inches wider than comparable cars.

bigger savings

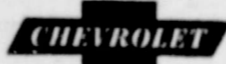

Here's solid proof that Chevrolet squeezes more miles out of a gallon: In the famous Mobilgas Economy Run, two Chevrolet sixes with Powerglide took the first two places in their class. Winning mileage: 22.38 m.p.g. And that, friends, took top honors for Chevy from every full-sized car!

higher trade-in

N.A.D.A.* Guide Books prove that your Chevrolet will keep its value. Chevy used car prices last year, for example, averaged up to \$128 higher than comparable models of the other two cars in Chevrolet's field.

*National Automobile Dealers Association.

bigger brakes

Bigger, yes, and built with bonded linings for as much as 66% longer life. And how's this for proof that Chevy's a real stopper: in a NAS-CAR*-conducted test of repeated stops from highway speeds, Chevrolet outstopped both of the "other two" time after time.

*National Association for Stock Car Advancement and Research.

award-winning engines

The NASCAR Outstanding Achievement award goes to Chevrolet! Chevy wins for "the creation and continuing development of America's most efficient V-type engines... for the establishment of new levels of V8 compactness combined with outstanding smoothness." And you can choose among eight V8's and the Six that won the Mobilgas Economy Run for its class.

fresh styling

POPULAR SCIENCE magazine gave Chevy's styling a thoughtful look, then said it this way: "In its price class, Chevy establishes a new high in daring styling... You'll find your own happy way of saying that Chevy's the only unmistakably modern car in its class.

See how much more Chevy has to offer—visit your local authorized Chevrolet dealer!

Lockney Auto Company

114 West Locust St.

Dial OL 4-3368

Lockney, Texas

STATE CAPITAL
Highlights
AND Sidelights
by Vern Sanford
 TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — With the millenium broken on a tax bill regular spending, legislators began to look down the road.

Rep. Murray Watson of Mart proposed a resolution that put up the lawmakers' business about having more rough decisions before the year is out.

Watson's resolution called on Gov. Price Daniel to say immediately whether he would call another special session to raise money for the Hale-Aikin school improvement program.

Hale-Aikin proposals, which include an \$800 a year salary boost for teachers, would cost an estimated \$120,000,000 a year. There have been repeated rumors that the governor will re-call the Legislature next fall to enact Hale-Aikin. Also floating around is the rumor that a 1 cent per gallon hike in the gasoline tax is being "saved" for that purpose.

Watson charged, "I think there's been a definite deal made with the Texas State Teachers Association. . . Somebody else should know what's going on here instead of just the governor and the teachers' lobby."

Immediate Installation
 Call for Free Estimates

Governor Daniel's supporters called this unfair. They declared that the governor, like everyone else couldn't tell how it would be until after the dust settled from the fracas over raising money for the basic budget.

AT LAST — When the Legislature finally voted out the new \$185,000,000 tax bill, it voted it out in a big way. Tally was 29-2 in the Senate and 115-10-24 in the House.

This is well over the required two-thirds to make the bill effective immediately on the governor's signing.

House, which had been hamstringing for seven months on the tax issue, came unstrung so suddenly it surprised the bill's advocates. Voting ended good naturedly with "yea" votes of an old-fashioned revival meeting.

Most talked-about feature of the new bill is a severance beneficiary tax of 1.5 per cent on natural gas. It was the first time the Senate had approved this tax. Many House members had said they would not vote for any bill that didn't include it. It will bring in an estimated \$15 to \$18,000,000 over two years if not ruled unconstitutional.

Three-fourths or more of the bill's revenue will come from selective sales taxes. Newcomers are a 3 per cent tax on jewelry and furs, a 3 per cent tax on hotel and motel room rentals, 3 per cent on boats, motors, cameras, air conditioners, 25 per cent on tobacco products other than cigarettes.

Taxes on cigarettes will go up 3 cents a pack; liquor and wine, 20 per cent; motor vehicle sales, from 1.1 to 1.5 per cent.

Utility gross receipts will go up 20 per cent, and the corporation franchise tax will go up 75 cents per \$1,000 capital for one year, 50 cents per \$1,000 thereafter.

LADIES DAY—Senate debate on the tax bill was enlivened by the arrival of a "women's march on the capitol."

Gallery was filled with flowery hats and excited chatter as some 40 to 100 women (estimates varied widely) swept in "to show those lobbyists what's what."

Leaders were Mrs. Jud Collier of Mumford and Mrs. Minnie Fisher Cunningham of New Waverly, both workers in the

fanatically liberal Democrats of Texas Clubs.

They were, according to Mrs. Collier, "infuriated by the scandalous lobby which has blocked action on the tax bill." Specifically, they favored a bill heavy on gas taxes and light on selective sales taxes.

LEGISLATING ENDING ABRUPTLY — Tax bills have had a lot of attention during the current special session of the Texas Legislature. But there were more eyes on charming Miss Carol Ralphs when she stopped in for a capitol building visit than ever looked at a tax bill.

This fetching miss from Farron, Utah, whose theme song is "Remember the A-La-Mode", is America's Miss Dairy Princess. She was accompanied by Mrs. Anne Reeve, whose husband Lew is publisher of the Oceola (Wis.) Sun. Mrs. Reeve is the chaperone for Carol's journeys about the country.

Miss Dairy Princess was introduced in the House, addressed the Senate, and was the recipient of complimentary resolutions from both branches of the legislature.

Then the lawmakers settled down to work again.

71 NEW PATROLMEN — A total of 46 new patrolmen now are manning Texas highways. These trainees have just graduated from the Law Enforcement Academy of the Texas Department of Public Safety. Also graduating were 20 drivers license patrolmen and five license and weight patrolmen.

Presenting diplomas to the group was Col. Homer Garrison Jr., director of the department. He announced that there still are 73 openings on the force. Eligible to fill these posts are young men 21 to 35 years of age—and they are badly needed.

CITY BUSES LOSE OUT — Another cause, apparently lost for this year, is that of exempting city bus systems from the state gasoline tax.

Rural area senators, led by Sen. Wardlow Lane of Center, voted it down.

City spokesmen say the buses, needed by low-income people, can't stay in the black unless they get tax relief. San Antonio's transit system went to the wall, was taken over by the city.

Senator Lane made a scathing attack on "taking care of Highland Park" (a swank Dallas suburb) when the state is hav-

Dear Editor:
 I see where a Michigan town's Lions Club got into some official hot water here a while back on account of having a stripteaser on one of their programs.

Which my Rotary neighbor says proves the Lion brass don't trust their members, who naturally just wanted the young lady to give them an educational talk.

Says he got a bull fighter in for a program at his club one day, but nobody expected the man to fight a bull just for that one meal.

D. E. SCOTT
 Crossroads, U.S.A.

ing a hard time finding money "to pay the old age pensioners."

DANIEL OPPOSES FEDERAL TAX — Governor Daniel asked the National Governors Conference to join him in opposing an increase in the federal tax on gasoline.

Congress is considering President Eisenhower's recommended 1.5 cent per gallon increase to pump new life into the federal highway building program.

Governor Daniel charged the federal government would have plenty of money for the highway program if it would quit using gasoline tax money for other purposes. He said further gasoline taxing should be left to the states, which need the money worse.

Earlier this year the governor mentioned the gasoline tax as a possible source of additional future revenue. State gasoline tax is presently 5 cents a gallon; federal tax, 3 cents a gallon.

During the Civil War, the Federal Navy paid a Frenchman \$10,000 to build a submarine to sink the Confederate iron-clad Merrimac. But when a naval officer arrived to take command of the finished vessel, the inventor had disappeared (with his \$10,000). As no one could figure out how to work the gadget, it never was of any use to the Navy.

Elton Karr Enrolls At Wayland College

Plainview. — Enrolled for the second summer term at Wayland Baptist College is Elton Karr of South Plains.

Summer enrollment is the highest since Wayland became a four year, degree granting institution in 1947. Karr, son of Mr. and Mrs. Bryan Karr,

is president of Wayland Mission Band and was member of a mission team which recently returned from the Northwest.

Fall enrollment, slated for Sept. 7, is expected to be far in excess of 1958, according to Mrs. Roy Boles, registrar.

To oil a hard-to-reach spot without mess, let the oil run down a thin wire to the point desired.

lot of blade—and a low, low price!

Here's a utility blade priced within the reach of anyone who owns a light tractor. We state flatly, this will be the largest selling light blade in the country, because it is the greatest value. All welded, sturdy, 240 lb. construction, 13" mouldboard plus 6" replaceable cutting edge of 1/2" grader-blade steel, 8 adjustments for angling and reversing.

If you need a larger, more versatile blade for specialized ditching and terracing work, Servis makes big tough ones that tilt, angle, and pitch in more directions than the average man can think of. But for simple utility work, this Lone Star blade is it!

Legion Auxiliary Installs Officers

The American Legion Auxiliary will have a salad supper and installation of officers at 7:30 Thursday at the Legion home.

Mrs. Wilfred Stoerner, District President, will install the officers. Each member is asked to bring a salad.

The auxiliary would like to express their appreciation for the response they received with the forty-two party last week.

Wesleyan Service Guild Has Meeting

The Wesleyan Service Guild of the Methodist Church met at the home of Mrs. Barry Barker on July 23rd. The program was given by Mrs. Frank Hawkins.

Present for the occasion were Mmes. Oliver Holmes, Frank Hawkins, Henry Hodel, Lillie Cooper, Duard Reves, Claude Hammonds, C. L. Record, Tommy Weathers, Miss Mildred Thomas, and the hostess.

CARD OF THANKS

I wish to express my sincere appreciation for all the flowers, cards, food and other kindnesses I received during my stay in the hospital. Especially do I thank Leslie Ferguson for the blood. Every kindness was deeply appreciated.

Mrs. W. C. Eiland

SERIOUSLY ILL

H. Cook of Canyon, father of Mrs. Leslie Ferguson of Lockney, is seriously ill at his home. He has suffered a series of strokes, relatives said, and is partially paralyzed. The Fergusons have spent much time there in the past week.

Tucker-Linton Vows Exchanged Recently

Patricia Maude Tucker and Kenneth Earl Linton were united in marriage at a double ring ceremony July 8, at 4 p.m. at the First Baptist Church in Florence, Arizona. Rev. Fred Cowardin, officiated.

The groom is the son of Mr. and Mrs. A. M. Linton of Florence, Arizona. The bride is a former resident of Lockney and is the granddaughter of Mr. and Mrs. W. R. Tucker, formerly of Lockney and Lone Star.

The bride was given in marriage by her grandfather and wore a street-length white lace dress with a white three-quarter sleeve jacket. Her headpiece was a small white floral hat, studded with pearls. She carried a white orchid on a white Bible.

The bride is a 1959 graduate of Florence Union High School. She was a member of the National Honor Society for two years and valedictorian of her class. She attended Lockney High School her junior year.

Linton graduated from Florence Union High School in 1955. He is now serving in the United States Army, and is stationed in Fort Ord, California, where he is a mechanic on tactical vehicles.

Nancy Bollman And Sam Graham Wed

The wedding of Miss Nancy Bollman and Sam Graham of Floydada, on July 13 in Crosbyton was revealed this week.

Her parents are Mr. and Mrs. Henry Bollman, Lockney. The bridegroom is the son of Mr. J. W. Graham, Floydada.

NEW HOMES

When I visit this city I always try to drive out in the residential area to see just how many new homes are being constructed and invariably there are always a few more being built than there were on my last visit.

In planning your new home a family will spend a great deal of time to insure that the plan will meet the need. Also that the home is modern in every way to meet the growing needs of a busy family.

We want to share in the planning by suggesting a modern telephone arrangement. As the living habits of your family changes, so do your telephone needs.

We have on display in our business office many different types of color — one that will meet the need of every member of your family.

How about giving us a call at OL 4-2202 and let us help in your telephone planning for now as well as the future.

A NEW HAT OR A COLOR PHONE

A friend of mine remarked the other day that August is a pretty hectic month around his house.

The kids are getting a little restless for school to start even though they'd never own up to it. And this restlessness doesn't exactly help his wife's attitude, either.

I know how restless the small fry can get, and it's hard to solve that one. But I did have a tip to offer my friend that would perk up his wife's morale.

"Since it's too early for her to buy a new Fall hat," I said, "why not order an extension telephone in her favorite color."

The happy ending to this story is that he perked up his wife's morale AND brightened their kitchen with a new color telephone.

P.S. It was an easy sale, because my friend is like most men. He's not exactly crazy about women's hats.

THE CALL THAT'S APPRECIATED

About this time of year, most of us are back from vacation with memories of good times fresh in our minds.

I've always thought that the best way to relive a summer vacation — and be courteous at the same time — is to call the people who helped make your vacation so much fun.

If you spend it with other members of your family, they'll be glad to know you arrived home safely. If you vacationed with friends, they'll enjoy hearing your voice again.

So why not make the call tonight that's really appreciated? Rates are lower after 6 p.m., and you can talk longer for less by placing your call station-to-station.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

Wayland To Build Apartment Houses

Plainview. — Construction on two eight-unit apartment buildings at Wayland Baptist College at a cost of \$128,000 will be started by mid-September, looking toward easing the shortage of housing for married students that is rapidly developing as Wayland's enrollment continues to climb.

"Because of the gift of \$32,000 from the Grady Goodpasture family of Brownfield and \$32,000 on hand for this purpose, we will be able to begin construction at once on this badly needed housing," President A. Hope Owen announced this week. "Each unit will cost \$64,000. We must finance the additional \$64,000 through a loan unless another gift comes in before the apartments are completed."

"Married student housing is becoming acute because of the increased enrollment of married students and because temporary housing obtained in 1947 from war surplus is fast becoming obsolete," Dr. Owen explains.

Erection of these two apartment houses will open a new campus area at the corner of 10th and Vernon Streets, west of brick duplexes for married students given the college in 1953 by Mr. and Mrs. R. Earl O'Keefe, Amarillo, and First Baptist Churches of Amarillo, Borger and Brownfield.

Wayland architect, Herbert Brasher, Lubbock, with permission of Southwestern Baptist Seminary, is adapting their new plan of apartment housing to fit Wayland's needs. Each will have four one-bedroom and four two-bedroom apartments to care for couples with and without children. The buildings will be two story permanent masonry construction in modern design similar to Wayland's newest buildings; Van Howeling Memorial Library and Flores Bible Building.

This \$32,000 gift from Grady Goodpasture, a trustee, and Mrs. Goodpasture, brings to \$47,000 gifts made by them in 1958-59 to Wayland. The additional \$15,000 was given to the Home Life Building campaign and to the renovation program of Administration Building, which includes the new approach from Quincy and erection of the Wayland Baptist College sign of 16-inch aluminum letters on the parapet wall of the enlarged front terrace.

To keep a clothesline from fraying, rub it occasionally with a bar of moist soap.

QUICK TUNA SOUFFLE

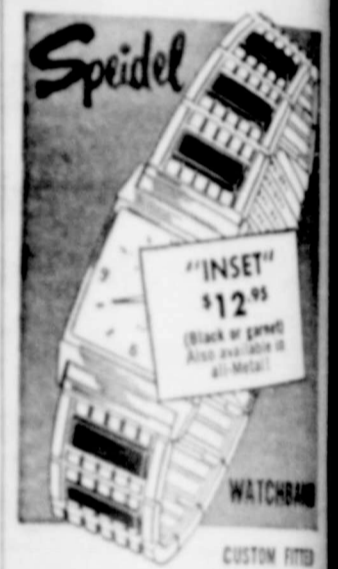

Preheat the oven to 300 degrees. Then open a can of cream of celery soup and a 6 1/2 ounce can of tuna. Heat 1/2 of the can of soup with the tuna. When it bubbles, turn out the flame and blend in 4 egg yolks. Preheat the oven to 300 degrees and beat the 4 egg whites until stiff. Fold the egg whites into the tuna mixture and pour into a 1 1/2 quart casserole. Bake the soufflé 50 minutes. Dilute the remaining soup with 1/2 can of milk, add 1 tablespoon chopped pimiento and 2 tablespoons sauce over the soufflé. Serve 3 to 4.

Dear Editor: I see where the boys in our foreign friend procurement department in Washington say lots of countries are turning against us because we are pruning their relief checks a little.

And, of course, you can't blame them for being aggravated by a dirty trick like getting them accustomed to bit free prizes and then starting to cut down on same.

My cow-valet neighbor says, after all, even a dumb critter like a calf gets pretty put out with you when you are trying to wean him. D. E. SCOTT Crossroads, U. S. A.

NATURE'S WAY NOT BEST Most fruits are most delicious when allowed to ripen or mature on the tree or plant. However pears are an exception. Tree ripened pears have a coarse and gritty flesh. Mature, hard pears develop fine flavor and smooth texture when ripened in a paper bag at room temperature (60-70 degrees). When they yield to slight pressure at the base of the stem they are ripe and ready to eat. Pears may be green, yellow or partially russet in color, depending on variety.

The present U. S. labor force of about 70 million will expand to 80 million by 1965, the Bureau of Labor Statistics predicts.

L. O. O. F. LODGE NO. 93 Meets each Thursday at 8 p. m. Lockney, Texas WARREN GRAHAM, N. G.

H. G. BARBER, Floydada vocational agriculture teacher, watches as Governor Price Daniel signs a proclamation designating August 9-15 as "Vocational Agriculture Teacher Week" in Texas. Barber is president of the Vocational Agriculture Teachers Association which will meet in Fort Worth for their annual conference on this date. M. L. Brewer, Lockney ag teacher, will be among those attending the conference.

New 4c Postage Stamp Emphasizes Soil Conservation

A new 4-cent postage stamp commemorating soil conservation will go on sale at the local postoffice on August 27. A black and white reproduction of the stamp is shown herewith. The stamp portrays a modern conservation farm, according to A. W. Dalrymple, of the Soil Conservation Service. Grasses in the rolling pasture, foreground, prevent soil erosion and conserve moisture. Grazing is regulated to favor growth of the best forage grasses.

A farm pond, lower right, provides water for domestic and livestock use, for fire protection, for wildlife, and for recreation such as fishing, swimming and boating. Contour stripcropping and rotation systems, left and right center, include grasses and cultivated crops in alternating bands. The grassed strips catch and hold soil that may move out of cultivated strips during rainstorms, and they increase moisture insoak.

Trees and shrubs control erosion, provide a home for wildlife, and protect the farmstead from the hot winds of summer and the cold winds of winter.

Conservation farming, as depicted in the stamp, gives assurance of a plentiful supply of food and other products of the land for the seven-eighths of our people who live in town, symbolized in upper right.

"I'm sure that most everyone in Floyd County will want to buy these colorful and historical stamps when they go on sale here", Dalrymple said. Although the Post Office Department is printing 120 million copies of the three-color soil conservation stamp, the edition won't last long, Dalrymple predicted.

Those who are interested in a "first-day cover," a souvenir envelope, can mail addressed envelopes plus a remittance for postage, to the postmaster at Rapid City, S. D., who will place

the soil conservation stamp on the envelopes, cancel with a special cancellation mark used only on that day and at that place, and mail as addressed anywhere in the country. Orders should be placed within the next week or two. For further information contact A. W. Dalrymple of the Soil Conservation Service.

Floydada Soldier In Officers Training

Fort Hood, Texas. — Cadet Gayno W. Scott, son of Lonnie H. Scott, Route 4, Floydada, is receiving six weeks of training at the Reserve Officer Training Corps summer camp at Fort Hood, Texas. The training is scheduled to be completed July 31.

The 23-year-old cadet is a 1954 graduate of Floydada High School and is a student at the A & M College of Texas in College Station.

OFFICE SUPPLIES at The BEACON OFFICE.

NEW GRANDCHILD

Mr. and Mrs. Ralph Langley, 2204 Kokomo, Plainview, are the parents of a baby daughter, born July 26 at North West Texas Hospital, Amarillo. She weighed 6 lbs. 6 ozs., and was named Mary Delissa. She has a five year old brother, Ralph Edward. Grandparents are Mrs. J. R. Langley, Lockney, Mrs. Helen Lee of Floydada, and great-grandmother, Mrs. Ethel Quirk of Floydada.

Texas dairymen supply major milk consuming areas under seven Milk Marketing Agreements with the U. S. Department of Agriculture.

DRESS REVUE WINNERS — Miss Sue Wilson, center, represented Floyd County in the senior division of the District 4-H Club Dress Revue at Lubbock last Friday. She won a red ribbon and an alternate place in the contest. Doris Fawver, not pictured here, represented the county in the junior division and won a white ribbon. At left is Miss Connie Luene Reel, daughter of Mr. and Mrs. C. C. Reed of Lockney, who won third place in the dressy dresses class in the county revue and at right is Miss Linoa Abbott, daughter of Mr. and Mrs. N. S. Abbott of Lockney, who won first place in the same class.

Floyd Entries Win Honors At Dress Revue

The two Floyd County entries in the District 4-H Club Dress Revue held last Friday at Lubbock won ribbons, according to results announced this week.

Miss Sue Wilson, daughter of Mr. and Mrs. John Wilson of the South Plains community, won a red ribbon and an alternate place in the senior division of the revue. She was the senior division winner in this county.

Miss Doris Fawver of Floydada, winner of the "under 14" division in the county, won a white ribbon at the district revue. She is the daughter of Mr. and Mrs. Gilbert Fawver and is a member of the County-Wide 4-H Club.

Winner of first place and a \$500 scholarship was Billie King of Gaines County, daughter of Mrs. Willie King, Jacqueline Martil of Scurry County is alternate.

The six high point girls in the contest won blue ribbons and will represent District 2 in the State 4-H Dress Revue in Dallas in October.

Attending the dress revue and luncheon at Lubbock Friday from this county were Sue and her parents, Doris and her parents, Mrs. I. H. Parks, Mrs. Tom Porter and Miss Phyllis Roggenorff, county home demonstration agent. The affair was held in the ball room of the Texas Tech student union building.

ATTEND FUNERAL

Dr. and Mrs. Wayne Greer and Mrs. N. E. Greer were in Clyde, Texas, Sunday to attend the funeral of Mrs. Luther Patterson. Luther Patterson is a brother of Mrs. N. E. Greer. Mrs. Greer plans to remain in Clyde and Deleon for the remainder of the week. Dr. and Mrs. Greer returned Sunday.

If the policy of government upon vital questions affecting the whole people is to be irrevocably fixed by decisions of the Supreme Court, the people will have ceased to be their own rulers, having to that extent practically resigned their government into the hands of that eminent tribunal.—Abraham Lincoln.

Wayland Basketball Schedule Is Given

Plainview. — A stronger slate of basketball games, including contests with Texas Western University, El Paso, and New Mexico State, Las Cruces, N. M., will be in store for the 1959-60 Wayland Baptist College Pioneers, according to Ed S. Billings, Pioneer coach.

Billings, beginning his fourth year at the helm of the Pioneers, has added seven teams not played last season by his team. Two of the seven, Texas Western and California Western, San Diego, Calif., have never played Wayland before.

Back on the schedule after a short absence are St. Mary's University, San Antonio; Benedictine Heights, Tulsa, Okla.; Phillips University, Enid, Okla.; New Mexico State; and Austin College, Sherman, winner of NAIA District 8 title last year, defeating Midwestern to which Wayland lost in the Northern half.

A rash of bad luck hit the Pioneers last year, when five varsity players were dropped at mid-season, but prospects suggest that the 1959-60 season should be an improvement over the 12-10 record posted last season.

District games for the Pioneers include contests with Austin College; McMurry College, Abilene; and Midwestern University, Wichita Falls.

Non-district games, other than the Southwestern AAU Tournament in Dallas, Dec. 29-31, are with Southeastern Oklahoma State, Durant, Okla.; Oklahoma Baptist University, Shawnee, Okla.; Panhandle A & M College, Goodwell, Okla.; Eastern New Mexico University, Portales, N. M.; Abilene Christian College; and Sul Ross State College, Alpine.

Threading a needle is easier if you cut the thread on a slant.

Since 1900, life expectancy of Americans 65 years old and over has risen from 47 years to nearly 70 years. During the same period, the nation's population has doubled. But the number over has more than quadrupled — from 3,000,000 to 14,000,000.

...paired for pleasant living!

Like apple pie and ice cream an electric dishwasher and electric water heater go together. Your dishwasher does the dishes "on the double" — you're out of the kitchen in half the time. And you break fewer dishes, keep your hands lovelier, and keep those dirty dishes out of sight — in the dishwasher — between loads. Plenty of hot water is what your dishwasher wants — and gets — from an electric water heater. You can put that electric water heater right where you want it — where you use the most hot water — because it has no vents — no flues. Yes, the electric dishwasher and water heater go together. Try one now — add the other later. You'll like them both.

ATTENTION, HUSBANDS
Wouldn't you spend 1 1/2c a day to give your wife lovely hands? Of course you would — especially if you could get the dishes done for that price, too. You can! And electric water heating is inexpensive, too, with a big bargain rate.

SOCIETY

Local Rainbows Attend Petersburg Institution Mon.

Twelve girls of the Lockney Rainbow Assembly, accompanied by Mrs. Chester Mitchell and Mrs. Forrest Smith, attended the institution and installed the Petersburg Rainbow Association of Petersburg Monday night.

Mrs. Forrest Smith, Grand Visitor, was in charge of several arrangements for the installation, and Shirley Mitchell, Junior Member of the Grand Examining Committee, served as Recorder for the installation.

Local girls attending were Jane Reynolds, Charlotte Taylor, Carolyn Merrell, Dixie Ford, Anita Cooper, Peggy Ford, Linda Cooper, Shirley Mitchell, Janice Hays, Candy Thornton, Carol Cooper, and Debra Ferguson.

PUBLIC INVITED

The public is invited to attend a bridal courtesy honoring Miss JoAnn Buckner, bride-elect of Kenneth McCool, Lockney.

The shower will be held in the C. S. Silcott home in north-west Olton Wednesday, August 22, from 3:30 to 5:30 p.m.

Silcotts reside one block west of Main Street, and two blocks south of the Plainview Highway.

MR. AND MRS. ARLIS POWELL

Miss Donita Milton Weds Arlis Powell Sunday Afternoon

Miss Buelah Donita Milton and Arlis Oyama Powell were united in marriage in the South Plains Baptist Church August 2 at 3 p.m.

Rev. Ed Bowles, pastor of the First Baptist Church, Floydada, performed the double ring ceremony for the children of Mr. and Mrs. Grigsby Milton, South Plains, and Mr. and Mrs. Parnell Powell, Floydada.

The couple repeated vows before an altar decorated with baskets of large white mums and small white pom-pom mums, and candelabra holding tall white tapers. They stood under an arch of white mums and tropical foliage topped by wedding bells tied with blue ribbon. The kneeling bench held pillows covered with white satin.

Traditional wedding marches and prelude were played by Mrs. C. L. Record, organist, who also accompanied soloist Camille Cleveland, Midland, in singing "Always", "Whither Thou Goest", and "The Lord's Prayer."

The bride, entering on the arm of her father who gave her in marriage, wore a full length gown of Chantilly lace and tulle over taffeta designed with a low square neckline edged with scallops. The fitted bodice terminated with a point in the front and featured brief sleeves complimented by short gloves. The voluminous skirt was made of alternating panels of chantilly lace and tulle highlighted by an applique band of lace outlining the hem of the skirt. Her veil of silk illusion was held by a crown of pearls. She carried a white orchid placed in a nest of blue net and blue bridal satin ribbon. Rhinestones intermingled in white pom-pom mums and blue satin streamers tied in love knots completed the arrangement which was placed on a white Bible. A thirty-year-old linen handkerchief belonging to the groom's grandmother was placed between the pages of the Bible.

Miss Barbara Sue Milton, South Plains, served her sister as maid of honor. Bridesmaids were Miss Carol Lawson, Floydada, and Mrs. Marvin Wells, South Plains. They wore dresses of white organdy with scoop neckline, cap sleeves and blue taffeta cummerbunds accented by a bow in front. Tiny blue embroidered flowers trimmed the neck and top of the hem. Headpieces of blue taffeta matched the trim. They carried nosegays of white pom-pom mums nestled in blue net and satin with blue satin streamers.

Carla Bean, South Plains was flower girl and Joe Jones, Dougherty, was ring bearer. Candlelighters were Kathy Mulder, and Thumper Morgan, Floydada. Carla and Kathy wore identical dresses of white eyelet embroidery. Carla carried a white basket with mum petals.

Jerry Powell, brother of the groom, Floydada, served as best man. Ushers were Dale Lawson and Wayland Richardson.

Mrs. Milton, mother of the bride, wore a blue lace suit with matching accessories. Mrs. Powell, mother of the bridegroom, wore a light blue lace sheath with blue and white accessories.

Following the ceremony a reception was given by the brides parents in the Educational Building of the church. Mrs. Joe Taylor poured punch from a large silver punch bowl and Mrs. Jo Anne Gilbert served the three tiered wedding cake topped with a miniature bride and groom. The table was covered with a white linen table cloth with blue cutwork. For traveling the bride chose a black lace sheath with black

Mrs. Leroy Adams Is Shower Honoree

Mrs. Leroy Adams, nee Linda Durham, was honored with a bridal shower in the home of Mrs. Leslie Ferguson, Saturday from 4 to 5 p.m.

Hostesses with Mrs. Ferguson were Meses. Bill Hodel, Edgar Hays, Chester Mitchell, H. E. Musser, Gene Hammit, Claude Hammit, Hall Ferguson, Harmon Handley, Elmer Stapp, Johnny Rance, C. D. McCandless, E. A. McLeod, Dimple McGavock, Bill Reagan, Arbra Kent, Hilburn Casey, Melvin Cooper, Ed Whitfill, R. H. Ford, Harold Davis, Henry Bollman, Jack Calahan, and Frank Brown.

An arrangement of pink roses accented with the miniature bride and groom centered the table laid with white net over pink. Tall pink tapers flanked the centerpiece. White cake squares topped with pink rosebuds were served with pink fruit punch poured from a crystal bowl. Meses Peggy Ford and Debra Ferguson served. Other appointments were of crystal.

Baptist Youth Enjoy Party

The Young People's Training Union Department of the Baptist Church enjoyed a bowling party on Thursday night at Plainview.

Attending were Peggy Ford, Debra Ferguson, Duane Griffith, Alvin Hayes, Shirley Mitchell, Charlyne Brown, James Lemons, Warren Mitchell, Lawson Rowell, Jimmy Howell, Ann Griffith, Janice Hays, Milton Finley, Cliff Hardy, Eulalia Sanders, and sponsors Mr. and Mrs. Leonard Finley.

THE LOCKNEY BEACON, LOCKNEY, TEX., AUGUST 6, 1958

PICKLE MAKING TIP
The best kind of a jar to use for storing pickles is a glass jar with a glass top. Metal tops sometimes corrode by the acid in the vinegar. Before packing pickles in jars, sterilize the jars by inverting them in a shallow pan of water placed over a high flame. Bring quickly to the boiling point. When the water starts bubbling vigorously, turn the flame back to medium and let the water bubble gently for 15 minutes. Then you can be certain your jars are sterilized.

Rebekah Lodge Plans Picnic

In a regular meeting of the Rebekah Lodge Monday night, plans were made for a Family District Friendship night at the Plainview Park, August 21 at 7 p.m.

Mrs. Omega May, Noble Grand, presided over the short study of Secret Work and picnic plans. All members in the district are urged to be present and bring food for their family for the picnic party.

After the meeting, those present enjoyed a social hour in the home of Mrs. Temp Phillips.

VISITING HERE

Mr. and Mrs. C. C. Garlington and Cindy, of Arlington, spent the week end visiting in the home of Mr. Garlington's sister, Mrs. Edgar Hays and family. They were enroute home from a vacation trip to Colorado.

and white accessories and a white orchid corsage. After a wedding trip to Amarillo the couple will be at home at 1106-A Nobles Ave., Midland.

Mr. and Mrs. Powell are 1958 graduates of Floydada High School. Mrs. Powell attended Draughon's Business College in Lubbock and is presently employed by Texico, Inc., in Midland.

Prescriptions Cost Less!

20 years ago the average Prescription cost \$1.11. To pay for it, the average U. S. wage-earner had to work . . . 1 hour and 45 minutes

Today, the average Prescription costs \$3.08. But to pay for it, the average wage - earner works only . . . 1 hour and 27 minutes

EVEN MORE IMPORTANT . . . today's prescriptions at today's price delivers to you what a millionaire of 20 years ago couldn't buy at any price.

We'll be happy to fill your Prescriptions promptly and accurately.

When my ship
 goes OUT

**THE CHURCH FOR ALL . . .
 ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	John	6	15-21
Monday	John	6	22-27
Tuesday	II Samuel	22	22-29
Wednesday	Ephesians	6	1-7
Thursday	II Timothy	4	6-12
Friday	I Corinthians	12	7-13
Saturday	Matthew	22	34-40

The imaginative adult waits for his ship to come in. The child watches his ship go out.

And only the ship which has gone out, will ever come in!

Success, in other words, comes to those who venture. Discovery is the reward only of the explorer.

But failure can repay our venturing; futility can frustrate our exploring.

What shall we seek when our ship goes out? This is the crucial question! Shall we seek the qualities of faith and noble life which make honest ventures worthwhile; or the selfish lures which make searching our downfall?

It is no strange coincidence that so many of the happy, contented, successful people in our community are also faithful church-goers. Jesus said:

Seek ye first the Kingdom of God, and His righteousness, and all these things shall be added unto you.

OLTON TABBED AS RUNNER-UP

District Coaches Select Muleshoe 2-AA Favorite

Who will wear the District 2-AA grid crown this fall?

In the opinion of 2-AA coaches Muleshoe is the team most likely to succeed. Olton is generally conceded the second spot.

District mentors predict a toss up between Lockney and Abernathy for third. Morton is picked for last, but may be the darkhorse.

No 2-AA club appears strong enough to walk away with the title.

Graduation took many key players from the Big Red fold including 12 boys who started on offense or defense some time during the past season. A total of 15 Longhorns graduated.

Only four starters are back — tackle Dan Smith, end Oyama Buchanan, quarterback Bill Mangold, halfback Terry Clark. Wayne Cooper also saw considerable action.

Brightest spot in the local

picture is Smith, a surprisingly agile 200-pounder. The Longhorn captain is expected to be one of the finest linemen in this area. He was all-district on both offense and defense last season.

The Big Red ranks appear to be thin, but an exceptional crop of sophomores and freshmen will help fill the gaps.

Coach H. W. Callan, who has transferred from LeFors to Muleshoe, has already dug out the crying towel. He says the Mules lack speed, depth and experience.

Despite the walls of Coach Callan, Muleshoe should field a solid eleven from 48 experienced players who return from last year's club. In 1958 the team finished second to Abernathy.

Sparking the Mules should be Darrell Oliver and Lyndal Black, all-district selections the past season.

Olton could well represent 2-AA in bi-district this November. The Mustang squad appears to be small in number, but long in ability. Their backers claim less than thirty-five boys, including freshmen, will report to Coach Joe Turner this fall.

Seven boys who had starting assignments on defense or offense last fall will lead the Olton outfit. They should be exceptionally strong in the backfield with an abundance of speed.

Sixty halfback Rande Buchanan and fullback Robert Priest are expected to lead the charge.

Sonny Davenport, who has replaced Royal James as head mentor at Abernathy, says his team lacks experience, speed and size. The Antelopes will be studying a new offense this year.

No conference coach will sell short the traditionally rugged Abernathy eleven.

Even though Morton is picked for the cellar, this may well be the wampum year for Coach John Paul Jones' Indian charges. Morton is the most experienced crew in the district with eight starters back.

CHEERLEADERS — Lockney High School's six cheerleaders for football games this fall will attend a cheerleaders school at Southern Methodist University, Dallas, next week. They are, front row, Charlotte Taylor, left, and Kim Mickey; center row, left to right, Janice Boedecker, Donna Dorman and Ann Brown; back row, Jackie Lou Frizzell.

Local Cheerleaders To Attend School

Cheerleaders for the 1959-60 football season will leave Saturday night for Southern Methodist University in Dallas for a five-day Pep Squad School.

Attending will be Kim Mickey, Donna Dorman, Charlotte Taylor, Janice Boedecker, Jackie Frizzell, and Ann Brown.

They will attend classes on stunts and routines, creating and maintaining school spirit, and sportsmanship, uniforms, parades, and marching fundamentals taught by Miss Gussie Nell Davis, Director of the world famous Kilgore Rangerettes, and her staff. They will be housed in the SMU Dormitories and eat in the school cafeteria.

In the progress of making road signs to be placed on major highways leading into the county, these signs give a welcome to Floyd County by the sponsoring organization.

Thursday, August 13, Floyd County 4-H Clubs will have their annual 4-H beef calf tour. The tour will start at 2 p.m. from the County Agents office in Floydada.

Approximately seven places will be visited with other members bringing their beef calves to these points. The tour will let all beef calf feeders see the progress of the calves and the facilities that are being used to care for the livestock.

All 4-H Club members, parents and interested public are urged to attend this tour to see what our young livestock feeders are doing with beef cattle.

All 4-H Club records are due in the County Agents office no later than the 15th of August. The records must contain the Standard Report Form, demonstration report and the news story to qualify an individual for a 4-H Club year pin. To enter a specific awards program a complete record book must be submitted. If any member needs assistance, notify your local 4-H adult leader or the County Extension Agents.

Mr. and Mrs. Johnny Race and family, accompanied by Ann Brown, returned home Tuesday night from a week's vacation at Antonita, Colo.

Nitrogen Advised For Maize Stubble

College Station.—An application of nitrogen to grain sorghum stubble prior to plowing it under will prevent a nitrogen shortage for the crop which follows, says W. F. Bennett, soil chemist for the Texas Agricultural Extension Service.

The chemist suggests that stalks be shredded as soon after harvest as possible. An application of 20 pounds of nitrogen for each ton of residue to be turned under should be made just prior to the plowing. Where nitrogen is not applied, and stubble is left in the field until late in the year, the decomposition process will tie up the available nitrogen in the soil and often cause a nitrogen shortage for the following crop.

By using nitrogen and early shredding and plowing of stubble, this condition can be eliminated, says Bennett. Too, the nitrogen in the soil will be available for use by the crop which follows the grain sorghum.

Bennett cautions against the use of more nitrogen than the crop which is to follow can use. In no case, he adds, should more than 60 pounds of nitrogen be applied per acre. Generally, he says, about 30 pounds of nitrogen per acre will adequately take care of the residue to be plowed under on most Texas farms.

Local county agents can supply additional information on the subject.

DEAN CECIL COSPER

Cosper To Speak At South Plains

Dean Cecil Cosper of Wayland Baptist College will speak at South Plains Baptist Church for the morning and evening worship services on next Sunday, August 9th.

Dr. Cosper was named academic dean of Wayland Baptist College in 1957 after six years on the teaching staff as professor of education and chairman of the division of education and psychology. Dur-

ing this time he served as a member of the executive committee of the Texas Council on Teacher Education and frequently as consultant for regional and state meetings on teacher education. In Lockney, he has been assistant professor of education at Louisiana Col-

Miss Carolyn Hastings Tulla, and Miss Ann Silverton, are visiting in home of Mr. and Mrs. Joe this week.

Donald Iyle is spending week in Oklahoma City with his brother, Gerald, and relatives.

Cotton Insect Situation
Early planted cotton in most fields is carrying a good load of squares and bolls. Most of these fields are past Fleahopper damage. Spraying for fleahoppers now will kill most of the beneficials and leave it wide open for a bollworm buildup. Early planted cotton should be checked closely for boll worms. When eggs and 4 to 5 small worms are found per 100 terminals a control program will usually be justified. When 5% of the small squares are damaged throughout a field control may be started.
Late planted cotton should be watched closely for fleahoppers and heavy lice infestations.
Dallas Fair
Thirteen 4-H Club members will exhibit livestock at the Dallas Fair the second week in October. The boys are feeding and fitting six lambs and 33 barrows for the show. The boys will try to make a good showing for Floyd County.
