## 6-Week Citizenship Training Course Begins Here March 17

Dr. Jack Bates, academic dean of Lubbock Christian College, will present the L. C. C. Citizenship Training Program in the High School Auditorium at Lockney on Thursday, March 17th at 7:30 o'clock.

The series, sponsored by the Floyd County Farm Bureau, will continue each Thursday night for six weeks.

The Citizenship Training series was developed by Lubbock Christian College in the spring of 1958 to "present factual material concerning Socialism and Communism and to arouse the American citizens to the methods and techniques that are used to gain leftist objectives," said Dr. Bates. Films, slides and other visual aid materials are used to illustrate the lessons.

The six sessions of the program deal with the following subjects:

1. "The Battle Ahead."
2. "The Structure of the American Way of Life."
3. "World Communism."
4. "Socialism Unveiled."
5. "The Profit System."
6. "The Responsibility of Citizenship."

Dr. Bates was educated at Abilene Christian College, College of Pacific and the University of Southern California. He holds a doctorate from the latter institution.

During World War II, Dr. Bates served as an Army chaplain with the 91st Infantry Division in North Africa and Italy. Following the conclusion of the war in Europe, his units occupied the territory along the Yugoslavian frontier for five months, where he observed communism closely as a political pressure force. While holding a Lieutenant Colonel's commission in the U. S. Army Reserve, he is now serving with the Texas National Guard. He was a member of the Materials Committee and Speakers Bureau for "Project Alert", a recent city-wide effort in Lubbock to discuss Communism.

"We hope to create an awareness of the Communist threat, and we are trying to meet the threat by training our citizens for leadership in combatting it," said Dr. Bates.

These meetings are open to the public and citizens of this community are urged to attend these classes. No collection will be taken.

The information given in these lectures is non-sectarian and non-partisan in nature. Better citizenship is the sole purpose, according to Farm Bureau officials.

## Mrs. J. R. Graham Is Found Dead

Mrs. J. R. Graham, 81 years of age, was found dead in her bed by her husband early Monday. Physicians said that she had been dead about an hour. Death was believed caused by a heart ailment from which she had been suffering for many years.

Mrs. Graham arose about 7 a.m. and called his wife but she failed to answer. When he went to her bed he found that she had passed away. Mrs. Graham had been fairly active for her age and her sudden death was unexpected.

Funeral services were held Tuesday afternoon at 2:30 o'clock at Carter Funeral Chapel in Lockney. Officiating was Gerald Johnson of Lubbock, a former educational director of the First Baptist Church of Lockney. Burial was in Lockney Cemetery.

Mrs. Graham was born Sept. 28, 1878, at Liberty, Lincoln County, Kentucky. Her maiden name was Kate Clarkston. She came to Texas with her family when she was six years of age and was reared near Moody, Texas.

She was married to J. R. Graham on June 30, 1909, at Blair, Oklahoma. The couple moved to Vernon, later lived at Wellington and then came to Hale Center in 1925. They moved to Lockney to make their home in 1937.

Mrs. Graham was converted at an early age and became a member of a Baptist Church. She had been a faithful member all of her adult life and had served many years as a Sunday school teacher.

Survivors include her husband; one daughter, Mrs. Fay Pinner of Dimmitt; one stepdaughter, Mrs. Orris Fike of Skelleytown; one brother, R. C. Clarkston of Mangum, Okla.

Carter Funeral Home of Lockney was in charge of the arrangements. Pallbearers were Leslie Ferguson, Edgar R. Hays, Buck Kellison, Jewell Rexrode, Jim Pinner and William Deberry.

Mr. and Mrs. Gerald Sams of Amarillo visited Sunday with his mother, Mrs. Hugh Counts, Mr. Counts and other relatives.

## School Board Lets Contract For Building

The Lockney school board let contracts Monday night for a 7700 square foot addition to the present high school building and for equipment for the homemaking and science departments which will be housed in the new structure.

The contractors have agreed to have the new addition and equipment in readiness for the opening of school next Sept. 1st.

The building contract was let to Claude Martin & Son of Lubbock for the sum of \$78,770. The equipment contract was let to Great Plains School and Church Supply of Amarillo for a total of \$14,960. This brings the total building and equipment to \$93,730, which is some \$17,000 less than the architect's estimate of cost previous to the bid letting. But the lower bid is not all the good news.

The federal government has a project under which they pay for one-half the cost of new science equipment being installed in high schools. Under this program the local schools will be refunded a total of \$6,520.50 on the cost of equipment, making the net cost to the local school district \$87,209.50 or better than \$20,000 more than the original estimate.

Members of both firms of contractors were present at the Monday night board meeting.

## Teachers Are Elected By Board Monday

Teachers and other school personnel were elected by the school board in their regular meeting Monday night. The administrative personnel and coaches were elected in previous meetings.

Teacher selected for high school were as follows: Mrs. Felicia Applewhite, Mrs. Mildred Zeigler, Mrs. Myrtis Cope, Miss Myra Applewhite, Edward Rabitzke, J. A. Davidson, Mrs. Harlene Lewis, Mrs. Lena Sue Babitzke, Elvin Lyon, Mrs. Mrs. Mrs. Wilma Adams, Mrs. Bertha E. Patton, McLee Brewer (agriculture), Wyatt Burkhalter, Bobby Davis.

Junior High School teachers: Wayne Coleman, Weldon Dodson, Mrs. Velma Cox, Mrs. Glenda Rhoten.

School Nurse: Mrs. Elsie Feckham.

Public School Music Teacher: George Arthur.

Grade School: Mrs. Polly Gilbert, Mrs. Eunice Greenhaw, Mrs. Marjorie Wood, G. C. Applewhite, Mrs. Lue Brewer, Mrs. Viola Conner, Mrs. Moilie Harris, Mrs. Nora Ayres, Mrs. Arla Copeland, Mrs. Velma Cheves, Mrs. Essie Nicholas, Mrs. Jontha Mercer, Mrs. Imogene Myers, Mrs. Maudie Muncy, Mrs. Leona Watson, Mrs. Edythe Clark, Miss Nellie Brown.

Mrs. Patton and Mr. Arthur have resigned effective at the close of this school year, according to information from the superintendent's office.

Mrs. Alice Ford was re-elected as school secretary. Also re-elected were the school custodians, John Spradlin, Ernest Spradlin, Carl Wilson and J. R. Richards.

## Red Cross Fund Drive Set For Floyd County

The annual fund drive for the American Red Cross in this county will be made on Tuesday and Wednesday of next week, according to Dillon Patterson, chairman for the north part of the county. Patterson is at work on his organization and expects to have it complete by the week end.

The goal for the county is \$2700.00. Mr. Patterson said. County drive chairman is Dean Davis of Floydada.

The Band Boosters organization meeting was postponed last week because of bad weather and the meeting has been rescheduled for Tuesday evening, March 22 at 7:30, according to Wyatt Burkhalter, band director.

Mr. Burkhalter urges all parents of band students to be on hand for this important meeting.

## Eight Census Enumerators Are Selected

Eight census enumerators have been selected for this county and two more will be selected shortly, according to Mrs. Paul Fullerton, crew chief for the county. The enumerators are to begin work on April 1st.

Mrs. Fullerton announced the names of Mrs. Patricia Danford, Mrs. Jerry Paul Cooper and Mrs. P. L. Morgan in the Lockney area, as enumerators.

Others in the county are C. H. Newberry of Lakeview, Mrs. Bill Shubert of Sandhill, Mrs. John Kimbell, Mrs. Rex Brown and Mrs. Claude Weathersby of Floydada. Mrs. Gladys Ruth Baggett of Floydada has been named reviewer for the county.

Mrs. Fullerton said it is the policy of the census department to use people as enumerators in the area in which they live or such as possible. Those applying for the position, however, must pass a written test and for this reason all that apply are not used.

The enumerators will attend a school in Floydada starting March 28th for four days.

## Teachers Select Smith, Workman Best All-Around

Donna Workman and Dan Smith were selected as Best All-Around girl and boy of Lockney High School, according to an announcement made this week. Both are members of the senior class. The students were named in secret ballot voting by the school faculty.

Miss Workman, daughter of Mr. and Mrs. Harley Workman, is senior class president, Honor Society Belle and editor of the 1960 yearbook, "Round-Up". She has served the F.H.A. as an officer and holds the Junior and Senior Chapter degrees in Homemaking. She has been an F.H.A. member for four years and has taken active part in numerous class and organizational activities throughout her four years in high school.

Smith, son of Mr. and Mrs. Weldon Smith of Pleasant Valley community, was an outstanding football player and was named on numerous All-District and All-Regional teams. He served his class as an officer three years and was a class favorite during his sophomore year and class personality his junior and senior years. He was an F.F.A. officer three years, a member four years and holds the state Lone Star Farmer degree. He was active in the National Honor Society his junior and senior years and was named a Junior Rotarian recently. He also has had numerous other honors during his high school activities.

The honored students will be given full page pictures in the school annual.

## VFW Will Meet Tonight At 8:00

The Lockney Post of Veterans of Foreign Wars will meet tonight (Thursday) at 8 o'clock at Golden's Restaurant, it was announced this week. One item of business will be the nomination of officers. All members are urged to be present.

## Champion Calf Brings \$1 Pound At Show Auction

PAULETTE KROPP, daughter of Mr. and Mrs. Paul Kropp of Lockney, is representing Floyd County 4-H Clubs in the Princess Contest at the South Plains Junior Fat Stock Show in Lubbock. Miss Kropp is a sophomore in Lockney High School. The Princess Contest will be held at the fair grounds in Lubbock on March 19 with a winner selected from 4-H club representatives and one from FFA chapter representatives. These two will then act as official hostesses for the stock show on March 21, 22, 23.

## Baccus Will Show Falcon Wagons

Baccus Motor Company, local Ford and Falcon dealers, will show the new Falcon Station wagons this week end, according to announcement Tuesday by "Rusty" Baccus, dealer.

The new Falcon Wagon comes in either two door or four door and has ample room for six people, according to advance publicity. It has a 7-foot floor and has ample headroom as well as leg room.

The new Falcon station wagon gets up to 30 miles per gallon or gas, the makers say, and an oil change is necessary only about every 4,000 miles.

The new wagon will be on display here Thursday, Friday and Saturday.

## Local F.H.A. Girls Attend Area Meet

The Future Homemakers of America Chapter of Lockney High attended a meeting of Area I Saturday, March 5, at Lubbock. Sessions were held from 9 a.m. to 3 p.m. June Caldwell was the Lockney delegate.

Those attending were Jackie Frizzell, Karen Brown, Jane Phillips, June Caldwell, Marie Harris, Gayle Kendrick, Donna Baughman, Eulalia Sanders, Janis Carthel, Frances Jones, Louise Jones, Dee Dorman, Raye Watson, Pat Buchanan, Linda Gamme, Mrs. Quentin Adams, and Mrs. Sam Jones, sponsors.

Neil Mitchell is a 4-H club member.

Neil Mitchell's grand champion calf at the Floyd County Junior Fat Stock Show sold for \$1.00 per pound in the auction sale Wednesday afternoon. It was bought by Lockney Co-op Gin and weighed 921 pounds. The Hi-Plains Gin of Lockney paid 60 cents per pound for Francis Montandon's reserve champion calf. It weighed 906 pounds. Bidding was slow at the start of the auction but later picked up to raise prices to the usual high levels.

The grand champion barrow, belonging to Randy Laceywell of Lockney, was bought by Smith & Hicks Insurance of Lubbock and Paul Kropp of Lockney for 80 cents per pound. The barrow weighed 199 pounds. The reserve champion barrow, shown by David Mitchell of Lockney, was bought by First National Bank of Floydada for 75 cents per pound. Its weight was 202 pounds.

Paulette Kropp, a Lockney 4-H lass, drew the top money among the winners in the lamb division, when her champion Southdown was sold for \$1.50 per pound to Patterson Grain Co. of Lockney.

The champion fine wool lamb, shown by Dan Smith of Lockney, was sold to OK Rubber Welders of Floydada for 60 cents per pound. Olin Degge's champion medium wool lamb was sold to Davis Lumber Co. of Lockney for 60 cents per pound. Billy Colston's champion other breed lamb was purchased by Poole Grain Co. of Dougherty for \$1.20 per pound.

But all the champion lambs didn't match a late runner in price. A little crippled lamb belonging to Larry Adams of the South Plains community was sold for \$5.50 per pound to Lockney Gin. The bidding was heated among several bidders with the Lockney firm finally getting the lamb. It weighed only 47 pounds.

Ricky Kellison's first place lightweight drylot steer was bought by Farmers Gin of Lone Star for 48 cents per pound. The first place heavyweight drylot steer, shown by Melvin Lloyd, was bought by Producers Co-op Elevator at Floydada for 41 cents. James McNeill's first place lightweight milk-fed steer was bought by the Co-op Gin at Floydada for 42 cents per pound.

First place barrows sold as follows: Neil Mitchell's Poland China lightweight, 44c to First National Bank, Lockney; Rex Battey's Berkshire lightweight, to Bohannon Gin, Floydada, for 55c; Doris Fawver's Hampshire light weight, to Lane Decker for 35c; Claburn Stewart's crossbred light weight, to Edmonston Plumbing for 27c; Billy Colston's Hampshire heavy weight, to A. P. Swepston for 48c; David Mitchell's Chester White heavy weight to Lockney Co-op Gin & Elevator for 44c; James Ray Wofford's heavy weight crossbred barrow to Patterson Grain Co. of Lockney for 37c.

4-H club members in the Lockney vicinity swept seven out of eight of the top places in the county show. It was revealed following judging Tuesday afternoon.

Neil Mitchell is a 4-H club member.

Francis Montandon's Hereford calf won the grand champion rosette at the Lockney Junior Livestock Show last Saturday and was named reserve champion of the Floyd County Junior Show Tuesday. Francis also won the showmanship awards in the steer division at both the Lockney and Floyd County shows.

### ARE AGRICULTURAL SURPLUSES REAL?

From Texas Department of Agriculture  
John C. White, Commissioner

THERE IS SO much talk and so much alarm spread about the billions of dollars U.S. taxpayers now have invested in agricultural surpluses through farm price supports that many of our people fail to recognize that surpluses are a relatively small part of total farm output. In recent years these surpluses have represented only five to eight per cent of annual production.

NOW AS TO those billions of dollars U.S. taxpayers have tied up in agricultural surpluses: In the 25 years from 1933 to 1958, farm price support losses have cost the taxpayers \$5,173,746,788, an average of about \$200 million — not billions — per year.

IN THE SAME period of time, the House Committee on Appropriations has reported, business reconversion payments by the government in tax allowances, tax abatements, tax credits and many other types of so-called "reconversion payments" have amounted to \$43,362,000,000 — more than eight times as much.

IN ONE TEN-YEAR period, from 1946 to 1956, mail and postoffice subsidies alone amounted to \$5,968,000,000, more than farm price support losses for the entire 25 years. In the 20 years from 1938 through 1957, subsidies to maritime organizations to keep U.S. ships sailing the seas cost taxpayers \$3,500,000,000.

IT MUST ALWAYS be borne in mind that the \$6.8 billion dollars the government now has invested in farm surplus products on hand, mainly wheat, corn and cotton, can by no means be written off as a loss. The stocks are in storage, most of them will finally be sold, and experience has demonstrated that the eventual rate of recovery will be relatively high.

A HUNDRED YEARS AGO, in 1860, this was a nation of only 32 million people. Today our population is nearly 180 million, more than five times as many. But the number of

farm workers in the U.S. now about 7 million, is virtually the same today as it was back in 1860.

FROM 1920 to 1940, production of all farm products rose about one-fifth, while land in cultivation stayed the same and employment dropped almost a fifth.

In the 20 years since 1940 we have raised our total agricultural output by more than half. Farm employment has fallen by one-third. Farm output per man-hour has doubled.

WITH ALL THIS, the fact remains that in recent years our farm surpluses have represented only five to eight per cent of annual production. This means that most of the increase in farm output achieved during the past 20 years has been vitally necessary production — production we had to have to meet the requirements of our fast-growing and generally prosperous population. Population experts are now projecting this growth in population to forecast a total of some 230 million people in the U.S. by 1975, nearly double the population of 1930.

ACCORDING to the American Medical Association, in 1939 the average U. S. factory worker worked 15 hours and 54 minutes to buy \$10 worth of medical care. In 1958, on the other hand, it required only nine hours and 24 minutes of work to purchase — even at a higher price — the same quantity of care.

THERE HAS BEEN much controversy over the Administration proposal to raise the legal interest rate on long-term government bonds. In an article explaining why the rate is now too low, Time says: "Every economist agrees that the U. S. Treasury is in a tough spot that are constantly coming due. With top-grade corporate issues bringing more than 5 per cent, the Treasury cannot sell long-term bonds limited to a 4 1/2 per cent ceiling. The Treasury is forced to get its money by short-term borrowing for business and helping to drive up rates."

THE TAX FOUNDATION, Inc. estimates that all previous spending and taxing records seem likely to be broken this year. Total spending by the federal, state and local governments, is expected to reach \$136 billion, as against \$134.9 billion in 1958, the last year for which official figures are available.

## With Our EXCHANGES

NO COMPETITION? — Some times those of us in the newspaper and radio business have it thrown up to us that it must be nice not to have any competition and when we hear that we know that the person saying it doesn't know much about the situation. While newspapers, radios, and television stations get the bulk of the advertising dollar in this country, they don't get the bulk of what is charged off by business as "advertising."

There are all sorts of gimmicks practiced by sharpshooters who descend upon a town like Perryton and visit merchants. They sell everything that can be hung on a wall, passed out on the streets or carried in the pocket, and call it "advertising." Oil companies, especially those in the service end of the business, have to pass out gifts and favors of all sort in order to get business, and they call it "advertising." And merchants will scream about their advertising being so high, and then buy more from the next guy with a good sales pitch. Last week a sharpie

from television station KVII in Amarillo came into town with a good deal — a 13 week schedule of 20 second advertising spots on channel 7, with the station to pick the spots. The station even provides pictures of the proprietor and his store to be flashed on the screen. The cost—a modest \$399, with \$149 paid in advance, please. How a Perryton business can sell its merchandise in its trade area by advertising on an Amarillo television station which blankets, by its own modest admission, a 150 mile circle around Amarillo, is more than we can see. Kinda like using a 105 howitzer to shoot a sparrow, if that is fair comparison. And by the way—what ever happened to those famous city directories, in which "advertis-

ing" was sold to Perryton merchants early a year ago, in April, if memory serves us correctly. We haven't seen a directory yet. — Harold Hudson in Ochiltree County Herald.

## NOBODY READS IT

Rev. Lenard Hartley, new pastor of the First Baptist Church, in prefacing his remarks at the Tuesday noon luncheon of the Hamlin Lions Club, declared that reading and speaking from the Bible reminded him of a story.

When a preacher some time ago said he was safe in quoting from the Bible a friend agreed by saying that: A speaker fair would speak about history, because some of his hearers might know more history than he; he hesitated to talk about science because many people know more about that subject; and agriculture was a poor reference because most people know more about that topic. But he could safely quote from the Bible because so few people know very much about the Good Book.—Hamlin Herald.

Dear Editor: I see where California's pet rapist, Book Writer Chessman, got detoured from the gas chamber again the other day when our State Department heard some Uruguayan school kids wanted him preserved.

My foxy neighbor says this gives him an idea which he thinks we ought to try out while foreign loud-mouths have got Washington buffaloed.

Says 180 million Americans crying for succor hasn't done any good, but 100 or 200 students demonstrating for same in Peru would most likely get us a tax cut.

# Mitchell Top Winner At Lockney Jr. Stock Show

## Francis Montandon Exhibits Grand Champion Steer At Show Saturday

A 12-year-old 4-H boy walked away with top honors at the annual Lockney Junior Livestock Show Saturday. Neil Mitchell, son of Mr. and Mrs. Chester Mitchell of Pleasant Valley community, exhibited the grand champion and reserve champion barrows and the reserve champion in the beef division.

A 900 pound Hereford, owned and exhibited by Francis Montandon, was named grand champion calf of the show. Francis is the 13-year-old son of Mr. and Mrs. F. L. Montandon of Aiken.

Both the grand and reserve champion calves were from the heavy milked class. Mitchell's reserve champion steer was a 950-pound Shorthorn, bred by his father. The grand and reserve champion barrows were 194 and 198 pound Poland Chinas.

Another top winner in the show was David Mitchell. This 12-year-old 4-H boy showed the top animals in the lightweight and heavy-weight barrow classes and in the medium wool lamb class. He placed high with other animals in the swine and lamb divisions. David is the son of Mr. and Mrs. R. C. Mitchell and a cousin of Neil Mitchell.

Bob Kropp showed the first place animal in the Southdown and Southdown Cross lamb division. First place in the fine wool lamb class was claimed by Tony Frizzell.

Probably the toughest class to judge was the medium wool lambs where all animals were of top-notch quality.

Francis Montandon's fine handling of his calves, which won both the heavy drylot and heavy milked classes, earned him the showmanship award in the beef division. Robert Holland won the showmanship trophy in the swine division and James Ray Wofford earned similar honors in the lamb division. Trophies were donated by Charlie Boedeker.

Almost \$500 in cash prizes was awarded by the Lockney Chamber of Commerce, annual sponsors of the event.

Gene Barnett, agriculture instructor at Plainview High School, judged some 112 animals during the day. The show is usually held outdoors but had to be moved inside the fair building due to cold, damp

weather. Assisting M. L. Brewer, general chairman of the show, were members of the local chapter of Young Farmers of America. The group also operated a concession stand.

Following is the complete list of winners (exhibitor, organization, and animal's breed):

# J. E. Hampton Is Buried Here

J. E. (Bud) Hampton, a resident of the Aiken community for many years, was buried in Lockney Cemetery Saturday afternoon following funeral services at the First Baptist Church here at 1 p.m. Rev. R. C. Malone of Plainview officiated at the services, assisted by Rev. Troy Harp of Amarillo. Carter Funeral Home of Lockney was in charge of arrangements.

Mr. Hampton farmed just west and north of Aiken for several years and later lived in Aiken and worked at the gin there. His wife died while living there and she is buried in Lockney Cemetery. He moved to Amarillo about eight years ago and died there last Thursday. He was 85 years of age.

Survivors include one daughter, Nell; a son, J. E. Hampton Jr.; and three grandchildren, all of Amarillo.

### FROZEN DINNER TIP

If your family likes more seasoning on frozen prepared dinners you can partially remove the foil covering and sprinkle seasoning on the food before baking. Home service consultants recommend curry powder over creamed chicken, rosemary over meat loaf, thyme over beef and onion salt over Swiss steak to give these foods more excitement. Be sure to replace the cover and bake in a preheated oven. The best temperature to use is indicated on the directions of the package.

### 'HOT-RODS'

"Hot-rods" that are thoroughly edible and delicious can be made by splitting a loaf of French bread in half, lengthwise. Mix 1 pound of ground beef, 1/2 cup hot chili sauce, 1 teaspoon salt and a dash of pepper together and spread it evenly over the halves of the bread. Set the bread on the broiler grid about 3 inches from the flame and turn the oven regulator to 375 degrees. Broil 12 to 15 minutes. Sprinkle generously with Parmesan cheese and serve with potato chips, radishes and pickles. Serves 4-6.

Home economists recommend clipping the edges of steak before placing under the flame. This prevents curling and burning. Don't preheat the broiler grid and you'll find it much easier to wash. The experts recommend a full flame — 550 degrees for tender steaks. The distance from the flame should not exceed 3 inches. For frozen steaks, however, they recommend a distance of 4 to 4 1/2 inches and an increase in cooking time of 10 minutes per pound.

# 1959 Irrigation Well Drilling Almost Doubles That Of 1958

Lubbock. — The High Plains Underground Water Conservation District has announced that in 1959, commercial well drilling within the Water District increased almost two-fold over 1958. In 1959, a total of 1518 wells were drilled, as compared to 879 wells in 1958.

In Floyd County 115 new wells were drilled in 1959 compared to 61 in 1958. In addition 23 replacement wells were drilled in 1959 and 6 dry holes were sunk.

Officials of the Water District explain that because of the need for pre-planting irrigation water on crop land in the spring of 1959, the first six months of that year showed a tremendous increase in drilling activity when compared to the first six months of 1958. The latter half of 1959, however, was about equal in number of wells drilled to the last six months period of 1958.

The District reports that very little new land is being placed under irrigation for the first time, even though additional wells are being drilled. Most new wells are drilled to obtain additional water with which decreasing irrigation supplies may be supplemented. Wells in the southern High Plains of Texas are generally decreasing in capacity, consequently, new wells added to an irrigation system are used to regain

quantities of water originally pumped from fewer wells.

Another factor which probably had a bearing on increased drilling activity in 1959 is that generally excellent crops were harvested over the southern High Plains area during the fall of 1958. The good harvest not only re-filled the area's sagging pocketbook, but it was also instrumental in creating an optimistic feeling within individuals toward making additional capital investments.

Over 98 per cent of the water pumped from wells in the southern High Plains is pumped for agricultural irrigation purposes.

### OLD THERMOSTATS ALLERGIC TO DUST

According to the Gas Appliance Manufacturers Association a minute fleck of dust in the mechanism of your thermostat could be standing between you and adequate heat in your home. This is worth checking if your home heating system hasn't been responding the way it should to temperature change. The condition can usually be corrected by lifting the thermostat cover and blowing briskly on the inside mechanism. GAMA says most new-style thermostats are dust-proof.

"WHAT WILL YOU DO WITH JESUS?"

Dear Editor: I see where moral indignation is being outpoured by commentators and a few lawmakers on account of some tricky farmers have split up their property so as to get all kids on Soil Bank payola.

My scrupulously neighbor says this proves farmers are just as conscientious family providers as if they were in some high government office.

But says the tendency to farm out their paternal obligations to the taxpayers is liable to get more farmers jailed for impersonating Congress.

### DELICIOUS SALMON PATTIES

If you have a griddle on your range, you'll enjoy following this recipe for salmon patties: You will be able to fry the entire batch at once and they'll brown evenly with no danger of smoking or burning. Drain a 1-pound can of salmon and break it into small pieces, removing bones. Add 1 1/2 cups soft bread crumbs, 1/2 cup milk, 2 tablespoons finely chopped scallion, 1 egg, 1 teaspoon salt and a dash of pepper. Mix well and form into 8 patties. Brush one side of each patty with melted butter. Preheat the griddle to 350 degrees and turn buttered side of patty down on the griddle and cook for 5 minutes or until nicely browned. Brush top side with butter and turn and brown the second side. Serve with lemon and parsley.

### Sand Hill News

By Mrs. James Jeffress

Ice, snow, and sleet seems to be just about describe the weather picture of our community for the past two weeks. We should have a good underground season for our coming crops. It seems that some forecasters are already forecasting the type weather we can expect this spring, and the main thing I didn't like was the word tornadoes. Lets all take precautions, and have a place ready just in case we do have one.

Darrel Overton has moved back to the community from Austin and is making his home with his cousin, Jimmy Huckabay. Darrel lived in our community once before for a while.

Reports were received this week that W. J. Hollums, a former resident of Sand Hill is in the hospital in Abilene. We hope his condition improves. He is a brother of T. C. Hollums and Walter Hollums.

Mrs. Latham was scolded one day last week when a large pot of coffee was accidentally turned over on her. Her condition is improving.

Mr. and Mrs. J. T. Huckabay have taken a few days vacation around San Antonio to do some visiting. They were expected home the first of this week.

Fred Jackson attended the funeral of a cousin in Haskell Sunday. Our deepest sympathy goes out to the family.

Word was received this week that Bro. E. O. Adams and family have been called back from the mission field in Ohio to pastor a church in Tularosa, New Mexico, and that Bro.

Adams will be holding a revival at South Plains Baptist Church this spring.

Visiting in the home of Mr. and Mrs. Fred Jackson and family Saturday night were Mr. and Mrs. T. C. Hollums and Norma and Mrs. Jackie Myrick and Lori of Lubbock.

Mrs. W. R. Billington was brought home from Lockney General Hospital Sunday, after receiving treatment for the past week.

Mrs. William Mayo is in the Lockney General Hospital this week after undergoing major surgery last Tuesday. She is doing nicely and will be able to come home this week end if all goes well.

Sunday visitors in the home of Mr. and Mrs. Jim Holmes were Mr. and Mrs. Oliver Holmes of Irick, Mr. and Mrs. Bob Hinkston, Mr. and Mrs. James Jeffress and sons and Grandmother Holmes.

Supper guests in the home of Beverly Jeffress Saturday night were Jimmy Huckabay and Darrel Overton.

Sunday dinner guests in the home of Mr. and Mrs. M. B. Swanner were Mr. and Mrs. Kenneth Swanner and son of Lubbock, and Mr. and Mrs. Kirk Slater Jr. and family.

Sunday visitors in the home of Mr. and Mrs. Jess Starkey and family were Mr. and Mrs. Leroy Durham of Plainview, Beverly Jeffress, Norma Hollums and Cecil Jackson.

Miss Sarah Carey and Donald Cowan of West Texas State, Canyon, spent the week end visiting her parents, Mr. and Mrs. C. P. Carey.

Sand Hill Baptist Brotherhood brought back the Brotherhood banner from the associational meeting at the First Baptist Church in Lockney Monday night. Our Brotherhood has two banners hanging in the church already for keeps. All present enjoyed a big supper and some good preaching. Attending from Sand Hill were Frankie Rainey, James Jeffress, Bill Stringer, Tom Pierce, Dale Stringer, Jim Holmes and Kirk Slater.

Each year 25 outstanding 4-H boys and girls residing in nine states served by Santa Fe are awarded college scholarships for leadership. Program also includes 66 achievement awards annually, making it possible for 66 4-H'ers to attend Club Congress in Chicago. For more than 37 years the railroad has supported 4-H work under supervision of the Cooperative Extension Service.  
Checking the new scholarship certificate with Marsh is Norman Mindrum of Chicago, director of National Committee on Boys and Girls Club Work.

Read Your Fiber Label  
On my radio program last Friday I mentioned the new Fiber Identification Act which went into effect on March 3, 1960. Here is more information that will help you when buying fabrics and ready-mades.

Fiber identification is an important clue to the use and care of modern fabrics. The Fiber Identification Act, effectively last Thursday, requires that each textile fiber product, such as clothing, must carry a label which gives the generic (family) names and percentages by weight of the fibers in the product.

Each generic name designates a kind of fiber that differs in origin. The natural fibers—cotton, linen, silk and wool—are familiar, but some of the manmade fibers have unfamiliar generic names.

Generic names are useful to the drycleaner and homemaker in the care of clothing. They are a clue to proper washing, drying and pressing temperatures, and to spot removal and storage.

Trade names exist for many manmade fibers. If a manufacturer uses a trade name he must pair it with the generic name. There are many more trade names than generic names. If you become familiar with the generic names of fabrics, this will be your key to proper care.

The following are generic names and examples of some fiber trade names now used in clothing. You will find other trade names on labels, but will have no trouble identifying them, since they will be paired with the correct generic name.

## COTTON is in style ANYWHERE!

Wherever you are going — to church, to a party, to a formal affair, or to work — cotton is in style. It leads in popularity for smart Spring dresses, for men's shirts, for crisp little boys' suits, for adorable little-girl ruffles. Every member of the family can enjoy wearing cotton.

Cotton's versatility makes it equally adaptable to sheer, dainty fabrics for feminine fashions or smart, sturdy men's wear. And the new cottons are so easy to care for that they're a joy to own.

When you buy your next clothing, insist on COTTON!

### Vets Have Five Months To Apply For GI Loans

About five months remain in which World War II veterans may apply for GI home, farm or business loans, Sumner G. Whittier, Administrator of Veterans Affairs, reminded veterans today.

Under present law, July 25, 1960, is the cut-off date set for World War II veteran participation in the post-war program that has seen more than five million World War II veterans take advantage of the GI Bill loan provisions since June 22, 1944.

Veterans who submit their applications on or before the deadline of July 25, 1960, will be allowed an additional year, or until July 25, 1961, in which to have the loan processed and actually closed.

Mr. Whittier pointed out that these dates do not apply to Korean-conflict veterans who have until January 31, 1965, to make GI loan applications.

World War II veterans who also served during the Korean-conflict period are considered Korean-conflict veterans for the purpose of GI loans.

Veterans in rural areas and in small cities and towns where guaranteed loans are not generally available are eligible for VA direct home and farmhouse loans. The direct loan program for both World War II and Korean-conflict veterans is due to expire on July 25, 1960.

Since the GI loan program was launched in June, 1944, and up through December, 1959, a total of 5,125,000 loans have been guaranteed or made to World War II veterans for a total face value of \$40.8 billion.

Approximately one-third of eligible World War II veterans and one-eighth of the Korean-conflict veterans have taken advantage of the loan program to date.

Reviewing the tremendous scope of the GI loan program as used by both World War II and Korean-conflict veterans combined, Mr. Whittier said that it was the equal of financing one out of every 10 dwelling units in the United States, including apartments and single-family rental properties.

Nearly one out of every 4 mortgaged single-family dwelling units in the United States has a VA-guaranteed mortgage, Mr. Whittier said.

Mr. and Mrs. Ray Dean Fleming of Friona and Loyd Lee Widener, student of A. C. C. in Abilene, were weekend guests in the home of their parents, Mr. and Mrs. Loyd Widener.

Mr. and Mrs. C. L. Record and Donna Lyn visited Friday and Saturday in Midland with her cousin, Clema Ruth Alexander, who is in a hospital.

### Floyd G. Still Dies In Monrovia, Calif.

Floyd G. Still, son of Mrs. R. G. Still of Lockney, died February 17th at Monrovia, Calif., after an illness of seven or eight years. He was a former resident of Lockney but had lived in California for the past 25 years.

Services were held at Monrovia and burial was there. Attending from this area was a sister, Mrs. C. H. Williams of Alamogordo, New Mexico. A brother, James R. (Bud) Still of Lockney, had just returned from a visit there.

Survivors include his wife, Harriet; one son, Mark; three daughters, Karin, Kelsie and Nancy; his mother and one brother, both of Lockney; four sisters, Mrs. Vernon Shelton of Glenwood Springs, Colo.; Mrs. Marion Yearly of Fort Worth; Mrs. Harold Wood of Smithfield, Texas, and Mrs. Williams.

**ARMY PVT. LOYD S. DEAVENPORT JR.**, whose parents live in South Plains, recently completed the line-man's course at The Southeastern Signal School, Fort Gordon, Ga. During the eight-week course Deavenport was trained to install and maintain aerial communication wires and cables. The 21-year-old soldier entered the Army last September and completed basic training at Fort Riley, Kan. He is a 1956 graduate of Floydada High School.

### VISIT IN COLORADO

Mr. and Mrs. Kelton Shaw spent several days over the weekend visiting with Mr. and Mrs. Pat Woodburn and family at Fort Morgan, Colorado. Mr. Woodburn, son of Mrs. E. L. Woodburn, Lockney, grew up here. He has been employed with an oil company at Fort Morgan for several years.

### Allison Is Named Nat'l VFW Officer

Kansas City, Mo.—O. C. Allison, Lockney, has been appointed National Aide-de-Camp, Recruiting Class, to the Commander-in-Chief of the Veterans of Foreign Wars, Louis G. Feldmann, Hazleton, Pa.

In making the announcement, Commander Feldmann cited Allison for his outstanding work in the field of membership and staff. Without men of his caliber the Veterans of Foreign Wars could not continue to grow as it has in recent years.

### Floydada Soldier Completes Training

Fort Ord, Calif.—Army Pvt. Joe L. Coleman, son of Mr. and Mrs. T. J. Coleman, Floydada, completed eight weeks of advanced individual heavy weapons training February 27 at Fort Ord, Calif.

Coleman entered the Army last October and completed basic combat training at Fort Ord.

The 23-year-old soldier is a 1954 graduate of Northward High School.

DIFFERENCE IN A CHEVY WAGON!

Chevy wagons are widest where wagons should be—with the widest seating, the widest cargo space and the widest choice of power teams in the low-price field. Check any of the five handy, handsome new models at your dealer's. You won't find these versatile advantages in any other wagon near Chevy's size and price!

- Widest seating, front and rear—up to a full 3.1 inches wider in front, up to 4.2 inches in the rear.
- Widest cargo area—the load platform's a whopping 5 1/2 feet wide, designed for a wider variety of cargo.
- Widest area between wheel housings—

- allows more room for bulky loads.
- Widest choice of engines and transmissions—24 combinations in all, to give you peak performance with any kind of load.
- Full Coil springs that ride right loaded or light—no other wagon near Chevy's price and size gentles the bumps with coil springs at all four wheels.
- More road and ramp clearance—you can take full loads over bumps and grades without scraping bumpers.
- Truly practical 9-passenger model—with roomy rear-facing third seat and electric roll-down rear window.

See Corvair for the wide, wide difference in compact cars! Every Corvair gives you a fold-down rear seat for extra storage space—at not a penny extra. And this is only one of many advantages you'll find in no other compact car in the land!

## Lockney OES Honors Deputy Grand Matron

Miss Opal Roberson, Hereford, Deputy Grand Matron District Two, Section Three, of the Grand Chapter of Texas, Order of Eastern Star, was honored at a stated meeting Monday night, March 7, by Lockney Chapter No. 437 at the Masonic Hall.

Mrs. Roberson was presented in the west and escorted to the east by the conductress and associate conductress. She was introduced and welcomed by Worthy Matron, Sister Jimmie Smith.

The Deputy brought greetings from the Worthy Grand Matron, Sister Mary Katherine Smith and the Worthy Grand Patron, Dr. R. O. Fuqua. The Worthy Grand Matron's program was presented by Mrs. Roberson in a pleasing and impressive manner.

A program was rendered in Mrs. Roberson's behalf with the conductress presenting her in the Rainbow Garden. The chaplain, Anna Dell Quebe, read Genesis 9:12-13 as the Deputy Grand Matron stood under a large rainbow arch surrounded by pastel colored roses. Officers entered the garden leading the Chapter's continued support in the year's work, each presenting the honoree with a lovely verse and flower in appropriate colors.

The associate conductress escorted the Worthy Patron and Worthy Matron to the garden where George Myers, associate Worthy Patron pro-tem, presented Mrs. Roberson with a pot of gold while the Worthy Matron gave a lovely poem as the organist, Mrs. Bernice Miller, played "The Beautiful Garden of Prayer".

Following the program the group retired to the dining room for a delightful hour of fellowship. Ribbon sandwiches, German chocolate cake and coffee were served by the refreshment committee, Mrs. Glen Cooper, Mrs. Frank Messimer and Mrs. Forrest Smith.

The dining table was covered with lace over blue and centered with ceramic vase of praying hands holding Peace roses, the emblem and flower of the Worthy Patron.

A good attendance was present from Hereford and Lockney.

GO TO CHURCH SUNDAY.

## Mrs. McCormick Is Luncheon Honoree

Mrs. Larry McCormick was named honoree at a surprise luncheon given Monday at 12:00 noon in the home of the honoree's sister, Mrs. Sidney Rodgers, Plainview. The occasion marked Mrs. McCormick's birthday.

Centering the dining table was an arrangement of pink roses. Places were laid for Mrs. Cleon Wylie, Jim Reynolds, Gene Handley, David Frizzell, Marvin Wells, Warren Mathis, Conrad Henderson, Deanie Henderson, Bobby McCormick, L. R. McCormick, Bailey Henderson, the honoree, all of Lockney, and the hostess, Mrs. Rodgers, Plainview.

## Garden Club Hears Program On Lilies

Lockney Garden Club met Friday, March 4 in the T. B. Mitchell home for a program on "Day Lilies" presented by Mrs. K. E. Patterson. Mrs. R. C. Mitchell was hostess.

A St. Patrick's Day table was demonstrated by Mrs. Ewald Quebe and Mrs. Clyde Briley.

Refreshments of lime sherbet punch, sandwiches, potato chips and cookies were served to Mrs. A. P. Barker, Clyde Briley, L. A. Cooper, Theo Griffith, Harmon Handley, L. M. Honea, Dale Laceywell, R. E. Patterson, Ewald Quebe, T. V. Rankin, Frank Roberson, R. W. Smith, Carl McAdams, the hostess and one visitor, Mrs. Eliza Brickley of Loveland, Colorado, sister of Mrs. Theo Griffith.

New meeting will be held Friday, March 18, at the home of Mrs. J. B. Seale.

## Lyles of Lubbock To Be IOOF Guest

Guest speaker for a meeting of the Lockney Odd Fellows Lodge next Monday night will be Mr. Lyles, Lubbock, an official of the Southwest Blood Bank. The meeting will be held at Golden's Restaurant beginning at 7:30 p.m.

Representatives of all civic clubs are urged to attend this important meeting and hear Mr. Lyles speak on the Blood Bank program in Lockney area.

Mrs. G. H. Kellison of Hollis, Oklahoma is here visiting in the home of her son, G. H. Kellison and other children.

MRS. JOHN W. BARNES II

## Jane Chandler Weds J. W. Barnes

Miss Mary Jane Chandler, 626 1/2 Richmond Ave., Dallas, became the bride of John Wesley Barnes II, 823 Stewart Dr., Dallas, in an impressive ceremony held Saturday, Feb. 27, at 7:00 p.m.

Vows were exchanged in the First Baptist Church of Hugo, Oklahoma, with the pastor, H. Alton Webb, officiating.

Parents of the bride are Mr. and Mrs. J. H. Chandler, Lockney. Mr. and Mrs. John W. Barnes, Sr., Dallas, are parents of the bridegroom.

The bride was attractive in a fitted light blue wool suit with milk collar. She carried a nosegay of white carnations.

Miss Gienna Robinson, Dallas, was maid of honor. She wore a white wool dress with matching accessories and a corsage of pink carnations.

Ben Perkins, Dallas, served the bridegroom as best man.

A reception was held in the fellowship hall of the church following the ceremony. Mrs. Mary Gregg of Soper, Okla., was hostess for the courtesy.

After a wedding trip to Lake Texhoma the couple is at home at 501 D North Ewing, Dallas.

A graduate of Lockney High School, the bride attended Eastern New Mexico University and is now employed as an accounting typist with Pollock Paper Co., Dallas. Her husband attended North Texas State College, Denton, and is employed in Dallas as an accountant for Western Hatcheries.

## Rebekah Lodge Plans 42 Party

Lockney Rebekah Lodge met Monday night, February 22 and planned a 42 party to be held next Friday night, March 11. Mrs. Vera Jo Bybee, N. G. presided.

No door charge will be made and no charge will be made for games. Refreshments of sandwiches, coffee, cold drinks and desserts will be sold and the lodge is expecting a large number of friends to be on hand to have supper with them and stay for table games. Supper will be served beginning at 7:00 o'clock.

The lodge recently purchased new drapes and they are being hung this week. Mrs. Hallie King was elected Lodge Deputy and Mrs. Judy McDaniel of Petersburg was nominated as the District Deputy President.

Mrs. Pauline Reagan was hostess for the Monday meeting. She served angel food rolls, fritos, crackers and cheese dips with coffee and cold drinks.

The lodge ate lunch at the high school cafeteria Monday in observance of Public School Week.

## Debbie Miller Honored At Party

Debbie Miller was honored with a party on her birthday, Wednesday, March 2, from 3:30 to 5:00 o'clock. Mrs. Bob Miller was hostess for her daughter's party held in the home.

The dining table featured a pink angel food cake placed on a pink stand and decorated with large pink candles. Hallmark paper dolls stood at each place and bore the name of a guest. Place mats were paper doll clothes. Appointments were of crystal. Pink lemonade and cake were served.

Excitement was high as the honoree opened her gifts and games were played.

Guests included Kathy Thornton, Jane Whitfill, Carolyn Byrd, Cindy Rankin, Jann Wofford, Mickey Jarrett and the honoree.

Coffee was served to the mothers afterwards.

## PERFECT HOLLANDAISE SAUCE

Use a small aluminum saucepan and the automatic top burner heat control on your range and you'll never have trouble preparing Hollandaise sauce. Place 1/4 cup butter, 1 egg yolk, 1 tablespoon lemon juice, 1 tablespoon of cold water and a dash of salt in a small saucepan and let stand at room temperature for 1/2 hour. Then mix thoroughly and cook at 175 degrees for about a minute and a half, or until it thickens. Stir constantly to prevent curdling. Serve over fresh asparagus or broccoli.

For the first time in history, there are more Americans who own homes than those who do not.

## Auld-Jeter Vows Exchanged In Paducah Rites

Miss Shirley Ann Jeter, Paducah, became the bride of Charles Auld, Lockney, in a double ring ceremony solemnized Sunday, February 21, at 3 p.m. in the First Baptist Church, Paducah. Rev. Joe P. Self, pastor, officiated.

The bride is the daughter of Mrs. Annie Jeter of Vernon, and Floyd Jeter of Lubbock. Mrs. Mary Auld, Lockney, is mother of the bridegroom.

Mrs. Jerry Davis, Lockney, sister of the bridegroom, attended the bride as matron of honor. She wore a light blue street length dress designed with a fitted bodice, cowl collar and three-quarter length sleeves. The skirt was gathered full. She wore white accessories and a corsage of white and blue carnations.

The bride was dressed in a turquoise wool suit with a boxy jacket, large collar and three-quarter length sleeves.

She wore white accessories and a corsage of white carnations. Her jewelry was a single strand of pearls and matching earrings.

A. W. Auld of Plainview served his brother as best man.

The bride is a 1958 graduate of Paducah High School and the bridegroom attended Lockney High School. He has recently returned from an 18-month tour of duty with the U.S. Army occupation troops in Germany. They will make their home at Fort Hood where he is stationed.

## H. H. Nicholas Is PTA Speaker

H. H. Nicholas, Lockney school superintendent, spoke on "Problems to Grow On" at a meeting of Lockney Parent-Teacher Association Tuesday evening at 7 o'clock at the high school auditorium.

Bob Miller, PTA president, presided. Invocation was given by Rev. Russell McAnally, pastor of First Methodist Church. Eight songs were sung by second grade students from the rooms of Mrs. Imogene Myers, Mrs. Dub Mercer, Mrs. H. H. Nicholas and Mrs. Hugh Marble. They were directed by George Arthur and accompanied by Mrs. Douglas Dege.

A committee composed of Mrs. Wayne Greer, Mrs. Thurman Davis and Mrs. H. H. Nicholas was appointed to nominate officers for the new school year.

An excellent crowd was on hand for the interesting program.

Leslie Floyd went to Oklahoma City Sunday and stayed through Monday for medical treatment at a clinic there.

Attending the wedding were Mr. and Mrs. James Morris, Mr. and Mrs. Jerry Davis, Mrs. Mary Auld and Glenda, all of Lockney, Mr. and Mrs. Don Hutchins, Mr. and Mrs. Jerry Mowery, Mr. and Mrs. Wesley Gibbs, Mr. and Mrs. Martin Shive, Wayne, O. V., Bill, Roy and Linda Jeter, and Robert Gibbs, all of Paducah, A. W. Auld and family of Plainview.

## Outlook Good For Castor Beans Says Company Head

The world market outlook for castor beans shows improvement, according to officials of Baker Castor Oil Company at Plainview. This stronger outlook has permitted increases in that company's contract offers regarding 1960 crop.

Growers now contracting for castor beans have two choices, at contracting time, of (a) whatever the world market price is at the time of delivery, but not less than 5.00c per pound, and (b) a fixed and final sale price of 5.25c per pound.

The Baker Castor Oil Co., a division of the National Lead Company, has arranged for land near Plainview to be used for increased facilities, including a processing mill for castor beans once the acreage is adequate, says E. G. Orling, president of Baker.

Marked advances have recently been made in varieties and harvesters. Only "storm-proof" dwarfs are now grown, says Dr. D. L. Van Horn, Baker's plant breeder, Plainview, and harvesting is done with stock combines fitted with castor bean attachments, with custom harvest service available in most areas.

"Sentiment is to a marriage what good will is to a business — the intangible factor, worth more than every 'practical' consideration." — Ardis Whitman.

## CROSS ROAD REPORT

Dear Editor: I see where Communist work on a plan to be unlawful for anybody to receive its views with percolators which really play a tune, walkouts, etc.

My evergreen neighbor if this law passes, he is happy to witness anyone who smokes a cigarette makes him think of a fire in a drug store with cool water, as advertised.

Says this law could joy to live under so we elect a politician don't deliver like he does on TV, we might be money back.

D. E. SCOTT

## CARD OF THANKS

We wish to express our felt thanks and appreciation to all those who sent flowers, food, who expressed sympathy in so many ways for the many other kind shown us at the death of our loved one. Your thoughtfulness has been a great comfort in this hour of sorrow. May we bless each one of you for your prayer.

### Points To April 15 Inspection Deadline

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, said today that more than two-million motor vehicles remain to be inspected before the April 15 deadline. He urged all Texas motorists to obtain their new inspection stickers at an early date.

Garrison reported that more than 4,300,000 will be inspected in Texas this year. To date only about half that number have gone through inspection lines at some 4,400 inspection stations located throughout the state.

The DPS director pointed out that inspection stations cannot inspect vehicles during wet, rainy weather, a condition normally prevailing during late winter and early spring. To make sure every vehicle owner is able to obtain his 1960 inspection sticker in time, Garrison suggested that plans be made now to visit an inspection station, before inspection lines grow long.

Smog was no problem with the electric cars that were popular at the turn of the century. But World Book Encyclopedia reports that the cars lost favor because their batteries had to be recharged after they had traveled about 100 miles.

## SOIL DISTRICT REPORT SHOWS INCREASED FARMER INTEREST

The annual report of the Floyd County Soil Conservation District reveals an increasing interest of farmers in conserving our soil and water, two of our greatest natural resources.

According to Mr. G. L. Fawver, chairman of the board of supervisors of the Floyd County Soil Conservation District, "Conservation is everyone's business. The conservation of soil and water in Floyd County has a direct influence on the welfare, economy, and standard of living of all the people in Floyd County." Soil Conservation Service technicians assisting the Floyd County S. C. D. conservation program assisted more than 475 farmers and ranchers to apply one or more soil and water conservation practices last year.

Conservation practices applied for the first time by cooperators of the district include: contour farming, 4,205 acres; crop residue use, 35,489 acres; stubble mulching, 8,254 acres; deferring grazing, 7,330 acres; proper range use, 12,172 acres; range seeding, 771 acres; land leveling, 974 acres; brush control, 1,200 acres; range chiselling and piling, 230 acres; underground irrigation pipelines, 60 miles; level terraces, 38 miles; and diversion terraces, 5 miles.

A total of 47 new conservation plans were developed by farmers and ranchers with the assistance of Soil Conservation Service technicians to bring the total number of landowners cooperating with the district to 1,115.

In addition, 25 Great Plains Conservation Program contracts were completed in which the landowner will carry out a complete soil and water conservation plan within three to ten years. Under the G.P.C. Program, the federal government shares with landowners the cost of carrying out approved conservation practices. It is the desire of the Board of Supervisors that every farmer in the district initiate one or more conservation practices during the coming year. Anyone interested in applying or needing assistance in applying a conservation practice may receive help by contacting the local Soil Conservation Service office.

#### GRIFFITH VISITOR

Visitors in the home of Mr. and Mrs. Theo Griffith this week and the week before have been Mrs. Griffith's two sisters, Mrs. Eliza Brickley of Loveland, Colorado, and Mr. and Mrs. Charlie Bass of Eaton, Colorado. The visitors accompanied Mr. and Mrs. Griffith on a two weeks visit in South Texas. They visited many interesting places and were guests of Mrs. E. T. Pratt, former Lockney resident, while in Brownwood. The Besses have returned to their home but Mrs. Brickley remained for a longer visit.

### High Plains Station Reports On Castor Bean Yields

Castor bean tests for 1959 at the High Plains Research Foundation disclose that Baker dwarf varieties 292 and 296 continue to be the best in yield of the released varieties with 1866 pounds and 1859 pounds per acre, respectively. Delbert LaGrifford, Assistant Agronomist, stated in commenting on his report released today.

These yields were approximately 400 pounds per acre above the 1958 record and about 700 pounds above the 1957 yield. The Dawn variety made similar gains.

Five of the eight varieties tested were experimental and not yet released. The average yield of all eight was 1,829 pounds per acre. This exceeded the 1958 averages by 194 pounds and 1957 by 633 pounds. One of the experimental varieties was over 200 pounds above the three year yield leaders. Even higher yields may be anticipated in the future.

The eight varieties of castor beans under test at Halfway made a surprising recovery from the June 22 heavy hail damage. Castor beans suffered less than other crops on the research farm at Halfway.

The eight varieties were planted May 14 at the rate of 10 pounds of seed per acre. They received 50 pounds of nitrogen sidedressed on June 19. All varieties were harvested January 29. Inclement weather delayed the harvest and caused an approximate 10% loss from shattering. Damage from the alternaria leaf spot was higher in the sections of the field where water from rain and irrigation remained on the ground longer.

Eight varieties of castor beans tested in previous years have been found unsuitable for this area and have been eliminated from the test programs at Halfway.

The Foundation's research program with castor beans has been conducted at the research farm at Halfway for the past three years. This program will be continued as a part of the Foundation's work in developing new crops to strengthen the agricultural and industrial economy of the High Plains. Dr. Earl Collister, Chief Agronomist and Assistant Director, stated today.

### Potato Research At Halfway Station

Potatoes will be added to the 1960 vegetable research program at the High Plains Research Foundation. This experiment to find varieties better suited for chip production will be conducted in cooperation with Allen Bros., Halfway, and the International Potato Chip Institute of Cleveland, Ohio. Dr. T. C. Longmeyer, Director of the Foundation, announced today.

Mr. Henry Allen of Allen Bros. stated in making the request on behalf of Allen Bros. and the Institute, that "there is a great need for a potato that meets the specific gravity and other quality requirements of the potato chip industry."

The Foundation is conducting this testing program as a part of its search for crops which will add to the area income and permit greater diversification of farm crops and in developing industry.

Eight varieties of potatoes will be included in the testing program. One-half acre will be assigned to each of the varieties. The Foundation will conduct the tests and the quality analysis will be made by the Potato Chip Institute's laboratories at Ithaca, N. Y.

The Institute is searching for an area where quality potatoes can be grown on a large scale to supply the potato chip industry. Local potato enthusiasts are hopeful that the High Plains can be that area.

It's a good idea to identify heifer calves. Dairy scientists point out the calves may be identified by ear tags, photographs or sketches showing color markings.

Dear Editor:  
I see where Congress is figuring on setting up a law whereby a man can't work for less than \$1.25 an hour, even if that is more than he is worth.

My laboring neighbor says this is good news, on account of nobody can afford to pay a man of his calibre that much money, and he has been sort of wanting to retire on welfare anyhow.

Says he has looked into this, and feels like it would suit him as a career, especially if the welfare drawing business can be modernized a little, so he would get proper fringe benefits, such as coffee breaks and paid vacations.

### Wheat Acreage Is Below Average

The United States Department of Agriculture reported that as of December 1, 1959, 4,373,000 acres were seeded to wheat in Texas. This is two percent above the previous year but twelve percent below average.

Prospective production of the 1960 wheat crop is placed at 61,222,000 bushels on the basis of December 1 conditions and other factors. This is two percent above 1959 production and sixty-seven percent above the ten-year average. This forecast assumes normal weather, insect and disease conditions for the remainder of the crop season.

Rye planted in Texas is estimated at 110,000 acres, ten percent above last year, but below ten-year average of 120,000 acres.

Wheat and other small grain prospects are reported from good to excellent over the entire Texas wheat belt. Ample surface and subsoil moisture is present, however, very little growth has occurred during the last month as a result of below normal temperatures.

## ABOUT THE COST OF DRUGS!

Some have charged that the cost of drugs has risen too much and that modern drugs cost too much. Government statistics show that drugs have withstood the pressure of inflation far better than some other commodities.

Since 1945, the cost of drugs has risen 31 percent, compared to a 50 percent climb in rent and 65 percent increase in cost of food.

The average American spends about \$12 per year for prescription drugs, yet his tobacco bill is \$35 per year and he spends \$55 per year on alcohol.

The drug industry spends \$170 million per year on research, or about 7 cents out of every sales dollar as compared to 1 percent by industry in general.

LET US take care of your prescription needs. Our fresh stock of drugs and trained personnel assures you of the best in prescription service.

## BE REALLY REFRESHED AROUND THE CLOCK!

Here are four easy ways to serve "Fancy Franks." 1) Slice a hot frank, stuff with cole slaw. 2) Roll frank in slice of mustard-spread bread. Fasten with wooden pick, brush with melted butter, brown in hot oven. Add olives. 3) Mix relish into canned baked beans, pile into sliced franks, pop in hot oven. 4) Put hot frank in bun with slice of dill pickle, red sash of pimento. Serve with ice-cold King Size Coca-Cola. Only Coca-Cola gives you that cheerful lift...that cold crisp taste that brightens any bite.

Serve this Hors d' Oeuvres Pie for a midnight snack with King Size Coca-Cola. Just take a center slice out of a round loaf of dark or white bread. Decorate with a circling of deviled ham and egg salad. Mix yellow pasteurized processed cheese spread with softened butter and pipe along the edges with a pastry tube. Garnish with cucumber slices, sliced olives, cream cheese and a radish. Cut into wedges and serve with ice-cold King Size Coca-Cola!

Dear Editor:

I see where the TV chiefs aim to rig their programs to include a shot of culture every day or so, to see if they can put a little better polish on the people.

And my new hope neighbor says this move will be a big help if it spreads culture around enough to make it common.

On account of when everybody gets culturized and starts to liking doodle art, tune-shy music and bawdy literature, the folks who want to stand out from the crowd will have to go in for being natural.

### Mrs. Morckel Is Picked Floydada Woman Of Year

Mrs. Nancy Morckel, Home Economist, for the Lighthouse Electric Cooperative, Inc., was named "Floydada 1960 Woman of the Year" by the 1950 Study Club of that city.

Mrs. Morckel, well known throughout the area especially in the seven counties where she works with the Power-Use program, has been with Lighthouse since 1945. Up to that time Mrs. Morckel acted as secretary for six different Floyd county agents.

In addition to holding down a full time job of her own, she keeps books for her husband, Harry, at the Morckel Farm Supply. She is a member of the First Christian Church in Floydada and has taught a Sunday school class there.

Each year at Thanksgiving the rural communities of Wake, Broadway, and McAdoo enjoy a Thanksgiving dinner cooked by Mrs. Morckel. At Christmas time she bakes and sells several hundred pounds of fruit cake.

"Kitchen and Field News" is the name of her weekly column and she is publisher of the Lighthouse Cookbook. This year the third edition of the cookbook will go on sale.

Mrs. Morckel does many things "above and beyond duty" such as serving on the Floyd County Fair Board and answering many calls from homemakers who need help on home problems. Each year she opens her office and serves refreshments to mothers who work on the Mothers March of Dimes.

"Mrs. Morckel has a warm and friendly personality and the 1950 Study Club is happy to name her "woman of the year," said Mrs. Bill Hale, president.

### L. C. McDonald Dies At Floydada

Floydada. — Funeral services were conducted at 3 p.m. Monday in the First Methodist Church here for L. C. McDonald, 81, who died at 1:30 a.m. Sunday following a lengthy illness.

Officiating at services was the Rev. H. Dewitt Seago, pastor. Burial was in Floydada Cemetery under direction of Harmon Funeral Home.

Born in Augusta, W. Va., McDonald and the former Catherine Chesire were married Dec. 25, 1901. They moved to Floyd County from Keyser, W. Va., in 1915. He was in the farm implement business until his retirement. McDonald also had farming and ranching interests in Floyd County and South Dakota.

Survivors include the wife; two sons, Clement, Floydada, and Lee Roy, Tulsa; four brothers, Homer and Edgar McDonald, both of Winchester, Va.; Dr. Walter McDonald, Augusta, and Raymond McDonald, Tampa, Fla.; a sister, Mrs. Sally Hook, Winchester; and four grandchildren and two great-grandchildren.

### Farm Bureau Ups Drive Goal To 725 Members

At the membership drive kick-off meeting Monday morning, Floyd County Farm Bureau drive officials upped their membership goal for this year to 725 members and launched an all-out county-wide drive for members.

The meeting was held at Golden's Restaurant in Lockney at 10 a.m. Monday with about 25 Farm Bureau members and officials in attendance.

Jack McIntosh, county president, presided and introduced Millard Shivers, state organizational director of Waco, who was the main speaker. Shivers stressed the importance of working together to continue our present way of life, which many, he stated, are seeking to destroy.

According to Shivers, Farm Bureau membership in the state has almost doubled within the past 10-year period, bringing the present membership to some 80,000 with 720 voting delegates.

Ewald Quebe, vice-president and membership drive chairman, instructed the directors and workers in campaign methods. The drive will continue through Wednesday, March 16.

If the goal of 725 members is reached, it will afford the county an additional voting delegate at the state meeting, bringing the total Floyd County delegates to eight.

Among other officials attending were J. D. Hill, area field representative of Lubbock and W. R. Puckett, county service officer.

### W. Cooper Goes To Denver City

Wayne Cooper, manager of the Olton Chamber of Commerce for the past 18 months, has resigned that position effective April 1st to accept a similar position with the Denver City Chamber of Commerce. He is the son of Mr. and Mrs. Earl Cooper of Lockney and a graduate of Lockney High School.

Denver City is a city of about 6,000 population and the move represents a promotion for Mr. Cooper.

### C. E. Bartlett Rites Are Held

Floydada. — Funeral services for C. E. Bartlett, 77, were held at 3 p.m. Friday at the First Methodist Church here.

Bartlett, a retired Floyd County farmer, died at 6:30 a.m. Thursday at his home here. He was a native of Mississippi.

The Rev. H. Dewitt Seago, pastor, officiated at funeral services. Burial was in Floydada Cemetery under direction of Harmon Funeral Home.

Survivors include his wife; a daughter, Mrs. Otho Sanders, Floydada; a son, R. V. Bartlett, Fort Worth; a sister, Mrs. J. F. Colston, Floydada; two brothers, H. E. and D. Y. Bartlett, both of Floydada; and four grandchildren.

### John V. Gross Dies Thursday

John V. Gross, 81 years of age died at a Dimmitt hospital Thursday morning. A resident of Floyd County for exactly 48 years on the day of his death, he had gone home with a son two weeks ago for a visit. He became seriously ill Thursday morning and was rushed to the Dimmitt hospital where he died within an hour. He had been in ill health for several months.

Funeral services were held at the Lockney Methodist Church Saturday afternoon at 3:30 o'clock conducted by Rev. H. B. Coggin of Abernathy, former pastor of the local church. Burial was in Lockney Cemetery under the direction of Carter Funeral Home, Lockney.

Mr. Gross was born August 9, 1878, in Marshall County, Alabama, and moved to Navarro County, Texas, with his parents when he was one year old. He was married to Miss Margie Ann Hair on November 20, 1904, at Emmitt, Texas.

The couple came to Floyd County on March 3, 1912, and settled on a farm in Sandhill community where they lived until he retired in 1945. They moved to Lockney and had made their home here since that time.

Survivors include his wife; two sons, Vernon of Lockney and Oscar of Dimmitt; one daughter, Mrs. L. J. Griffith of Lockney; three brothers, O. B. Gross of Plainview, Floyd Gross of Madill, Okla., and Fred Gross of Floydada; one sister, Mrs. H. H. Graham of Amarillo;

### LHS Students Are Tested For Natl. Merit Scholarship

A number of Lockney High School Junior and Senior students took the National Merit Scholarship Qualifying test Tuesday of this week. The test is administered by Science Research Associates Inc. If a student makes high enough score on the test he may be recommended for one of the scholarships.

This is the sixth annual test given by the sponsoring group and Lockney students have participated each year. During the six years the sponsors have given \$15,000,000 in scholarships through this program. There are more than 3,000 students in the nation's colleges and universities holding National Scholarship grants at this time.

Maximum scholarship is \$6,000 and minimum is \$400.

LHS students who took the test were Bertha Ayama, Dan Smith, Carolyn Merrell, Bill Mangold, Mickey Mosley, Donald Ivie, Doyle Freeman, Donna Reagan, Lorena Gomez, Ovama Buchanan and Marsha Minter.

### Public School Week Concluded

More than 325 parents visited Lockney schools during Public School Week which was concluded last Thursday.

The parents enjoyed meals at the school lunch rooms and heard a number of very interesting programs as well as a visit in their children's class room.

Guests were greeted by the school officials and members of the National Honor Society who pinned on attractive ribbons proclaiming a welcome for Public School Week. The ribbons also bore a picture of Lockney High School.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**  
 The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	I Corinthians	6	19-20
Monday	Romans	12	3-8
Tuesday	Luke	12	22-30
Wednesday	Psalms	77	11-15
Thursday	Ecclesiastes	3	11-15
Friday	Mark	4	14-25
Saturday	I Corinthians	16	1-2 13-14

It's a good idea to have a check up every so often. And the idea ought to be extended to our spiritual as well as our physical health.

For instance, how much are we *thinking* about the truths our churches teach us? Do we understand God . . . His love for men . . . the sacrifice of Christ for our sins . . . the way of Christian living?

And how much are we *doing* for God and our own souls? Are we worshipping every Sunday . . . rearing our children in the Faith . . . serving the Church and fellowmen according to our talents and physical strength?

And how much are we *giving* for God to use? Do we promise Him a fair proportion of our income . . . do we set it aside regularly as a sum that belongs to God and to those who need our help . . . do we have the courage and faith to strengthen our Church by more generous support?

### 4-H Club Week Is Observed By Floyd Members

"Learn, Live, Serve, through 4-H", the national theme for 4-H week reflects the purpose of 4-H Club Work. National 4-H Club Week is being observed this week, March 5-12.

About 150 boys and girls in Floyd County are among the 2 1/2 million 4-H'ers of America who belong to some 93,000 clubs in rural, urban, and suburban communities.

In Floyd County there are presently seven community 4-H clubs in the Dougherty, Lakeview, Starkey-McCoy, Harmony, Sandhill, Lone Star, and South Plains communities. Clubs will be organized soon at Lockney and Floydada. These clubs have adult leaders to assist with their monthly meetings and with their project work. At each meeting they have some business, some educational program, and some recreation in the form of games and songs.

The Floyd County extension agents, Phyllis Roggendorff, home demonstration agent; Cecil Lewis, agricultural agent; and John Schlittler, assistant agricultural agent, advise, assist, and work with the 4-H Clubs and members, helping them carry out the 4-H motto, "To make the best better".

**4-H Members Write**  
Beth Scott, a member of the Harmony 4-H club writes on "4-H In Our World":  
The importance of 4-H club work is being realized everywhere. Every country in the world has a rural faction in its population. In some countries today, as it once was in our own country, the rural people are considered backward. But by educating these people, not only in books, but in how to plow a better furrow and how to bake a better loaf of bread, we can realize the dream of a better world for all people.  
Education alone will not

bring an immediate change in our world's rural districts. Experience, the actual living of what is learned, can greatly further this idea of world betterment. Through 4-H, youth learn to talk to an audience, to give demonstrations, and to lead groups in recreational activities.

The 4-H program is spreading rapidly through the rest of the world. In Japan, China, and many South American countries, 4-H work is being enjoyed by an encouraging number of rural families. From these 4-H families will come better standards of living and better international relations as they "Learn, Live, and Serve—Through 4-H".

Billy Don Colston, a member of the Dougherty 4-H Club writes on "What The 4-H's Mean To Me":

"When I think of what the 4-H's mean to me, I realize that it would be impossible to enumerate all the principles involved here.

First, our Club Motto expresses the true meaning simply by saying "TO MAKE THE BEST BETTER". To make the best better, the qualities of the character of each individual must be mentioned. To obtain the characteristics of a good 4-H member, I must think clearly, concentrate to learn, judge fairly, be considerate, and understand the weaknesses and tribulations of my fellowman.

My heart should be full of compassion and greater loyalty to my God, who governs the universe. I realize that nothing is really ours but this day that the Lord has given us, in order that we may use our hands to larger service for mankind. We must learn to care for our health in order to keep our bodies well, in order to serve.  
So, we must use the gifts God has given us—our HEADS to think, our HEARTS for joy, and our HANDS AND HEALTH to better serve our club, community and country, and most of all our God.

**C. MURRAY FUQUA** will be the evangelist at a revival meeting starting at the First Baptist Church of Aiken Wednesday of next week, March 16th. The meeting will continue through Sunday, March 20th with services at 10:30 a. m. and 7:30 p. m. during the week. Sunday services will be at 11:30 a. m. and 7:30 p. m. Rev. M. L. Redwine is pastor.

### Lockney Gun Club Plans Trap Shoot

The Lockney Gun Club has bought a new trap and set it up on the south side of Highway 70, just east of the Y intersection in south Lockney, according to Audvie Barnett, president. A trap shoot will be held there Sunday afternoon starting about 2 o'clock.

The Gun Club will hold a meeting Friday evening of this week at the Fire Station, starting at 7:30. All members are urged to attend and anyone else who is interested in joining is invited to come. Barnett said.

Mrs. Virginia Hargrove of Lubbock visited in Lockney Sunday.

Miss Marilyn Eastey of Plainview visited here Sunday.

### Fair Directors, C-C Officials Discuss Problems

Problems relating to the Floyd County Fair were discussed in a meeting of Fair directors and officers of the Lockney Chamber of Commerce held Saturday night at Golden's Restaurant in Lockney. Joe Reeves, president of the Fair Association, presided at the meeting.

The need for more housing at the Fair grounds was pointed out by officials and some discussion was on the plan to build a livestock building and utilize the present space used for the livestock show for other display purposes.

Plans are to make the fair bigger each year and the fact that it is growing and has grown in the past few years makes it necessary to secure additional finances from some source, Fair officials said.

This fall the present plans call for some additional exhibits in the youth department. Probably some other features will be added. Efforts will be made to have community exhibits from every original school district in the county.

The Fair officials expect to sign a contract this week with a carnival concern, The Beacon was told.

**COTTON BREEDER**—Lon Lytton, in charge of the Winter Cotton Breeding Station, Iguala, Mexico, is "nursemaid" to a million and a half cotton flowers. His work is aimed at improving the quality of cotton through breeding.

Mrs. A. B. Blount, A. B. Blount Jr., and Miss Opal Blount of Plainview visited with Mrs. Fannie Brown of Lockney Sunday.

### Newcomers Club Sets Bake Sale

Lockney Newcomers Club will hold a bake sale, Saturday, March 12 at Knox Grocery beginning at 10 a. m., members announced this week.

The club's next regular meeting will be Wednesday, March 16 in the home of Mrs. Payton Powers for a salad luncheon at 1:00 p. m. All new residents of Lockney and adjoining area are cordially invited to attend, along with members.

### Tech Exes To Meet Tuesday

The Floyd County Texas Tech Ex-Students Association will meet Tuesday evening, 7:30 o'clock, at the community room in the First National Bank building, Floydada. It was announced this week by Aubrey Holt, president.

Officers of the organization will be elected and a speaker from Tech will appear on the program, Mr. Holt said. All ex-students of Texas Tech are urged to attend.

"During my 24 years in the Senate I have seen many an aid program start at the size of a mouse and rapidly grow to the proportions of an elephant"—Harry F. Byrd.
