County Clubs National Club Week

One hundred and sixty Floyd County Home Demonstration club members will be among the 30,000 Texas homemakers and seven million homemakers throughout the nation who will observe the 15th National Home Demonstration club week, May 1-7.

In observance of the week, the Floyd County Home Demonstration Council has planned a county tea to be held on Tuesday, May 3, at 2 o'clock. Mrs. Jimmy Willson, guest speaker, will review the book, "All I Want is Everything", by Marian Hill Prentiss. The tea will be held in the Floydada Methodist Church Fellowship Hall. The public is invited.

The 160 Home Demonstration club members of Floyd County belong to eleven clubs, located in the community of Dougherty, Harmony, Floydada, Lakeview, Lockney, Lone Star, Providence, Sandhill, Starkey, and Sterley. The clubs meet twice monthly and have a business meeting, educational program and recreation or social period.

Co-op Gin Annual Meeting Will Be Held Here Friday

The annual meeting of stockholders of the Lockney Co-op Gin & Elevator will be held Friday evening at the high school gym. It will be in the form of a dinner meeting and the meal will be served starting at 8 o'clock.

Principal speaker for the occasion will be Dr. Henry Rodgers of Kansas City, Mo., well-known humorist, world traveler and lecturer. His talk is expected to be very entertaining and informative.

Manager Mondell Mills will introduce the guests and give his annual report to the membership. An audit report will be given by Edwin E. Merriman, auditor of Lubbock.

Two directors will be elected with the terms of Leroy Durham and Loyd Widener expiring this year. Also a proposed amendment to the by-laws and charter of the organization will be presented for consideration.

A large crowd is expected to be present for the affair.

Bartram Cited For Service To Draft Board

Homer Bartram of the Sandhill community in this county was awarded a Presidential Citation for his five years of service to the Selective Service in ceremonies held Tuesday morning at Plainview. Also honored was L. C. Kurtz of Tullia, a member of the same board.

The awards were presented by Col. Morris S. Schwartz, state director of Selective Service. He was acting on behalf of President Dwight Eisenhower, Gov. Price Daniel and Lt. Gen. Lewis B. Hershey, national Selective Service director.

The citations were given for "loyal and faithful service" to the United States. They were signed by the President, the Governor and the national and state directors of Selective Service.

"These gentlemen have served their country and communities during these years without pay or thought of pay," Col. Schwartz said. "It is my pleasure to carry out the directions of the President in making these awards."

The presentation was made at the local board office in Plainview.

Cancer Fund Drive Not Complete

Solicitation is continuing on the Cancer Fund Drive for this part of Floyd County with only two communities having complete reports this week, according to Mrs. Burl Holt, drive chairman.

Muncy has turned in \$18.00 and Prairie Chapel has \$115.75 for the only complete reports. Other incomplete reports show Lockney business district with \$285.00, East Lockney with \$45.31, West Lockney with \$109.59.

The work is going slowly but the reports are good thus far, Mrs. Holt said. It is expected that the drive will be completed by the last of this week.

Golden Wins Re-election To School Board

In what was probably the "hottest" school trustee election in the history of the Lockney school district, Oscar Golden won re-election to that board last Saturday over a new-comer to school politics, G. B. Johnston Jr. Golden polled 472 votes to 306 for Johnston, according to unofficial returns.

The election was a "run-off" affair after the two men had tied for second place with 206 votes each in the first election April 2nd. Golden is a farmer of the Aiken community and Johnston farms in the Lone Star community. Golden has been president of the board for the past two terms.

Dillon Patterson won a place on the board in the April 2nd election, polling 219 votes and leading the ticket. There were two to be elected.

The school board will meet next Monday night, canvass the returns and administer the oath of office to the two men elected.

Holdover members of the board are Charlie Boedeker, Kenneth Wofford, Owen Thornton, Dr. W. J. Mangold, Melvin Potts.

PTA Volleyball Tournament Is Going Strong

Despite sore muscles and a few bruises the Lockney Parent-Teacher volleyball tournament is continuing and will begin the second round of play Monday night of next week. The final two games of the first round will be played that night as will the first two games of the second round.

This week's action saw some close games and some not so close. On Monday night in the men's division, the First National Bank team won two of three from the American Legion, scores 16-14, 15-17, 15-9. Thurman Davis' team won over Dub Mercer's team in two games, 15-12 and 15-5.

In the women's division Monday night, the Lockney Hospital team defeated Mrs. Dot Stansell's team in three games, 12-15, 15-5, 15-7. In the other game, Mrs. Dale Hunt's team won over Mrs. Violet Cooper's team, 15-5 and 15-4.

On Tuesday night in the men's division, the Seniors won over P. E. II class in three games, 14-16, 15-10, 15-3. In the other men's game, Cliff Hardy's team defeated the Rotary Club, 16-14, 15-4.

Mrs. Lozell Graham's team won easily over Mrs. Viola Moody's team, 15-0 and 15-5 and the High School girls dropped a hard-fought battle to Mrs. Dub Mercer's team, 14-16, 15-8, 15-4.

Next Monday's schedule calls for the High School P. E. I to play Tom Marr's team and the Young Farmers to play the Faculty to complete the first round of play.

Starting the second round, Mrs. Dale Hunt's team will play the Hospital team at 8:30 and the First National Bank team will play Thurman Davis' team at 9:30.

On Tuesday the Lozell Graham team will play Mrs. Dub Mercer's team at 6:30. Mrs. Violet Cooper's team will play Mrs. Dot Stansell's team at 7:30. Cliff Hardy's team will play the Seniors at 8:30 and Mrs. Viola Moody's team will play the High School girls at 9:30.

On Thursday, May 5th, the consolation round will find the Legion playing Dub Mercer's team and the Rotary playing P. E. II. Two more games will be played that night, but these are to be decided after the first round is completed.

Three Lockney Bands To Present Spring Concert

All three of the Lockney school bands have begun intensive practice on numbers for a Spring Concert to be presented at the High School Auditorium Friday night, May 13. In the concert presentation will be members of the Grade School, Junior High and High School bands. Solos and ensemble numbers will be included on the colorful program.

Monday Is Dollar Day In Lockney

Next Monday, May 2, is Dollar Day in Lockney and Lockney merchants are again offering many very special prices to their patrons of this area.

A check through this issue of The Beacon will reveal bargains from several types of stores and a wide variety of merchandise offered.

You'll find it profitable as well as convenient to trade with your home-town merchants on Dollar Day, next Monday, May 2.

Whitfill, Eiland Will Enter Red Raider Relays

Two Longhorn athletes will enter the Red Raider Relays at Texas Tech, Lubbock, this Saturday. The meet will be a warmup for the state finals at Austin May 5, 6, 7.

Jimmy Whitfill tied for first place in the Region I meet at Lubbock last weekend in high jump to qualify for the state meet. Joining Whitfill at the Austin meet will be teammate Lewis Eiland, who ran second behind Owen Lee Morrison of Quanah in the 880 yard run to become eligible for the Red Raider Relays and the state meet.

Coach Elvin Lyon said Eiland finished fast to come in second and almost caught Morrison at the finish. The Quanah athlete won the 880 yard run in the regional meet and finished fourth in the state meet last year.

Whitfill, a promising sophomore, jumped 5'10" to deadlock with Dwight Griggs, Hamlin, for first place in the high jump. Dan Smith was fifth in the Region I discus-throw with a toss of 133'1".

Only three District 2-AA boys qualified for the state meet. Big Bob Camp of Muleshoe was first in the shot put event. Although Lockney was third in the district meet and qualified only three boys for region, the Longhorn team placed eighth in the Region I meet. The locals gained 19 points. Muleshoe had 17, Abernathy gained 2 points, and Morton earned 1 point.

Only other boys from this area eligible to enter the Class AA state meet are Buzzy Poage (440-yard dash) and Sidney Davis (mile run). Both are from Tulla.

Local Legion Post Honored

Lockney American Legion Post and the local Auxiliary were both honored at the 19th District Legion convention held in Brownfield last week end. The Auxiliary won a citation for exceeding its membership quota for the year and the president, Mrs. Joe Phillips, was given a pin for being president of the award winning unit.

The Legion Post won two citations, one for reaching its 1960 membership quota and the other for reaching an all-time high record in membership.

Attending the meeting were Mr. and Mrs. Paul Teuton, Mr. and Mrs. Elmo Schaffner and Jimmy Hodel.

The Sunday morning session was a joint meeting between the Legion and the Auxiliary with Mrs. Agnes George, state auxiliary president, speaking to the group. She praised the Auxiliaries especially for their work in the Child Welfare program.

In the afternoon a business session for the Legion was held with the principal address by Maurice Kubby, 4th Division Commander from El Paso. He spoke on the history of the American Legion.

"They are knocking on our back door," was Commander Kubby's warning words concerning socialism, communism and evil.

School Talent Show Will Benefit Pool

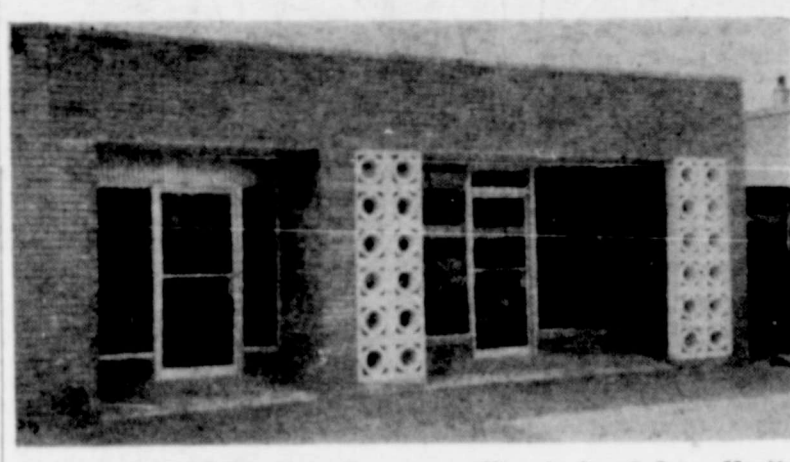

A talent show presented by High School and Junior High School students will be given Monday, May 2 at 1 p.m. at the high school auditorium. The high school proceeds will be donated to the swimming pool fund. Admission is 25 cents. The public is invited to attend and help in the project.

A large number of students will participate with musical numbers, twirling routines, pantomimes, skits, Negro act, and readings. Bill Mangold will act as master of ceremonies. Judges will be Mrs. G. C. Applewhite, Mrs. Mildred Zeigler and R. L. Rhoten.

Current Construction Here Totals One-Third Million

WALLS ARE rising rapidly on the addition of the high school building. Construction is expected to be completed in time for use next school term.

BOB MILLER'S attractive new office is located on North Main, next door to Golden's Restaurant.

HIGH PLAINS Motor Co. building on East Locust is almost completed and will be occupied shortly.

THE NEW HOME of Mr. and Mrs. Raymond Rucker in Southwest Lockney is just one of the several beautiful new homes which have been built recently or will be completed soon here.

Young Farmers Hear Dr. Harvey

The local organization of Young Farmers heard an interesting program Tuesday night presented by Dr. Harvey, professor at Texas Tech and an associate of Lubbock Experiment Station.

The program on Cotton Production included valuable information on fertilizer plots, the results and botany helps. Films were shown to emphasize the program.

Twenty-two members were present. Next meeting will be held Tuesday, May 3, at the high school ag building at 7:30.

Local Men Attend Scottish Rite School

A number of Lockney men attended the 111th reunion of the El Paso Consistory No. 3, Scottish Rite, held last week at El Paso. The meeting was held April 18-21.

Attending the school and attaining the 32nd degree of Masonry were Louis Golden, O. J. Huggins, Bill Whitfill, R. V. Webster, Homer Sinsy, James Taylor, Oliver Savage. Mr. Huggins was the oldest man in the class of 173.

Other Lockney men, who have already attained the 32nd degree, attending the meeting were V. L. Webster, George Webster and John E. Huggins.

SWIMMING POOL CONTRACT IS LET TO LUBBOCK FIRM FRIDAY

Contract for a new swimming pool for the Lockney community was let last Friday evening to the Seahorse Swimming Pool firm of Lubbock. The contract was for \$12,778.00 which provides for a swimming pool 35 by 75 feet in size, ranging in depth from 2 to 8 1/2 feet, including two diving boards, a modern filter system, stainless steel ladders, non-skid bottom, ceramic tile water line, four under-water lights and other features.

The contract does not include the deck area around the pool, bath houses or the fence. Mrs. R. D. Baccus, chairman of the fund raising committee, said that other provisions must be made to pay for these. Negotiations are underway to provide a way for financing the building of the additional facilities. The Beacon was told.

Mrs. Baccus said Wednesday that her committee had collected a total of \$11,000 and are still working. Construction of the pool is expected to start within the next two weeks.

The pool will be located on the American Legion grounds just north of the Legion Home. The Legion has several acres of ground on this location. The pool will be turned over to the Legion to operate as a community pool. Mrs. Baccus said. Admission will be charged and the pool will be open to the public.

Mrs. Baccus asked The Beacon to express the appreciation of the committee to all those who have helped to make the project a success. The big thermometer located on Main Street has kept the public informed as to the progress of the drive. This thermometer was built by Davis Lumber Co. and painted by Miss Felicia Louise Applewhite.

More than one-third of a million dollars in new building, including both commercial and residential, is now underway, has just been completed or will be begun in the near future in the Lockney area, according to a survey made by The Beacon recently. The estimate after the survey was actually a conservative \$350,000.

The big construction job in the area is, of course, the addition at Lockney High School where the school district will spend \$78,770 for building and an additional \$14,960 for equipment. The addition will house the homemaking and science departments. It is a one-story brick, tile and steel building attached to the north end of the present high school building. Claude Martin & Son of Lubbock are contractors.

Bob Miller has already moved into his attractive little office building on North Main Street. It is located just north of Golden's Restaurant, is 20x40 feet in size, is of brick and tile construction and is beautifully decorated. The glass front with decorated tile pillars on each side is especially attractive.

Formal opening of the new Miller Insurance building is being held Friday of this week. Mr. Miller elsewhere in this issue of The Beacon invites the public to visit the firm in its new location on that date. Refreshments will be served.

The High Plains Motor Co. building on East Locust is almost completed and the motor firm expects to move soon to their new location. The big building is 50 feet wide by 120 feet long and is of prefabricated steel with rigid frame construction, a rose colored roman brick front and concrete floor. The building faces north and the north end will house the office and parts department. The repair department will be in the south end, with entrance on Southeast First Street.

Mr. and Mrs. Henry Rowell have just completed a 30x40 frame and stucco building in Sterley where they are operating the Sterley Grocery and the post office. The store opened for business last Friday.

Construction has been underway for some time on the new building for the Cedar Hill Baptist Church, 12 miles east of Lockney. The L-shaped building will house the auditorium, several class rooms, a fellowship hall with kitchen, baptistry and other rooms. Members of the church are doing much of the work on the building and it is expected to be ready for use soon.

The dollar estimate above does not include the construction of the relay tower with equipment building four miles north of Lockney. The tower and building are being built by American Telephone & Telegraph as part of a relay route for television transmission in this area. The concrete block building housing the equipment will contain 500 square feet.

Neither does the estimate include the proposed new swimming pool which may cost around \$15,000 and will be built on American Legion grounds in east Lockney.

A number of new residences have been built within the city limits and in the adjoining territory in the past few months. Mr. and Mrs. Raymond Rucker moved into a beautiful new brick veneer home on the corner of 5th and Bryant in February. The home features three bedrooms, a kitchen-den combination, a study, two and a half baths, double garage with a storm cellar underneath. A white wood trim complements the pink brick finish. Contractor was Robert McDonald. The floor space is approximately 2400 square feet living area.

Directly in front of the Pucker home is the new residence of Mr. and Mrs. Kenneth Wofford and family. The house faces east and is constructed of pink and tan shaded brick, white roof, white trim with 2400 square feet floor space, plus double garage. There are three bedrooms on the ground floor and an additional 10x12 basement bedroom below the garage. It has a kitchen-den combination, living room, utility and two and a half baths. Lubbock contractors are in charge of the construction which is expected to be completed by the middle of May.

On the corner of Bryant and 6th Street, one block west of the Rucker and Wofford homes is the new home of Mr. and Mrs. V. H. (Buck) Kellison. The red brick veneer structure will contain approximately 2500 square feet of floor space, plus double garage. There will be three bedrooms, living room,

EDITORIAL

Knowing that Christ, being raised from the dead, dieth no more; death hath no more dominion over Him. — Romans 6:9.

SEEMS THAT some folks don't know that the first Democratic Primary is coming up here within a little more than a week — May 7 to be exact. It is time to pick out your candidates and start making up your minds how to vote. The lack of interesting races, both for state and county offices, probably has contributed much to the lack of interest in the first primary. Three of four races for state offices or kicking up quite a bit of dust but we doubt if any changes will be made. Not especially speaking our preference but we don't believe that Price Daniel for governor, Ben Ramsey for lieutenant governor, Will Wilson for attorney general, Robert S. Calvert for comptroller, and Bill Alcorn for commissioner of the general land office will have much trouble getting re-elected. Seems that the "throw the rascals out" attitude is not too prevalent this year.

THERE IS ONE state race The Beacon editor is especially interested in, however, and that is the contest for the judge of the Court of Criminal Appeals. In this race the candidates are Jim D. Bowman of Bell County, W. T. McDonald of Brazos County and Lloyd W. Davidson of Travis County. Judge Davidson is now sitting on that court but we would like to see him defeated because of his tendency to split hairs in legal matters. According to our infor-

mation here are some of the ridiculous decisions Judge Davidson has either written or joined in:

A dope peddler was released because officers found a sack of marijuana in her hand and the search warrant, according to Judge Davidson, only gave officers permission to search her car.

The law says that it is unlawful to drive a "vehicle" while under the influence of drugs but Judge Davidson says that this does not include "motor vehicles" and therefore a man driving a pick-up while under the influence of drugs cannot be convicted.

Such legalistic hair-splitting serves to defeat the purpose of the laws and actually encourages law violation. We think Judge Davidson has been on the bench too long already. We suggest that the best chance to remove him is to vote for Jim D. Bowman.

IF YOU PLAN to be away on primary election day you may vote absentee up until May 3rd. The instructions for voting absentee were published in The Beacon last week. The simplest procedure is to go by the county clerk's office and vote. If this is not convenient you may write to the county clerk for the proper forms.

ELSEWHERE IN THIS issue of The Beacon County Democratic Chairman Ben P. Ayres explains in detail the requirements for voting and also the requirements for attending your precinct convention which meets on the afternoon of the primary election day. It will be well for everyone to read this explanation so that they may be informed as to these requirements. Considerable change was made in the law by the 1959 Legislature. Be sure and read this and attend your precinct convention.

THE MOTOR VEHICLE inspection law is serving to reduce the number of auto accidents due to vehicle defects, according to current reports. We mention this because some ate of the opinion that the auto inspection law is only a nuisance and serves no good purpose. A report from an association of insurance companies says that in 1952 vehicle defects were responsible for 16 per cent of the fatal auto accidents while in 1958 the rate had been reduced to 6 per cent. If the State Department of Public Safety and other responsible agencies would now vigorously enforce the law requiring financial responsibility for auto drivers, we believe that the accident rate would be further lessened.

THE LATE PRESIDENT Theodore Roosevelt once said: "Americanism means the virtues of courage, honesty, justice, truth, sincerity and hardihood — the virtues that made America. The things that will destroy America are prosperity-at-any-price, safety-first instead of duty-first, the love of soft living and the get-rich-quick theory of life."

SOME BOUQUET!

county and state conventions adopt her program. Chairman Butler will then deliver the Texas credentials to Mrs. Randolph and her group at the national convention, regardless of whether one or two only were in the rump convention.

We believe that the National Committee, when the chips are down, will recognize majority opinion. But it had better be "majority" from the precincts to the state convention. If Mrs. Randolph et al. can pick up so many as two or three congressional districts, an organized minority represents Texas. — Louise Evans in Amarillo Daily News.

Dear Editor:
I see where a political expert says we would get a better type of people in public office if it was illegal for uninformed citizens to vote.

And he thinks that folks who have had their intelligence technically augmented by exposure to college had ought to be allowed to cast about three votes each.

But my short-cut neighbor says weeding out all of us unpolished voters would be a monstrous job, and we could get the same results earlier by making candidates pass a sense test before letting them run for office.

TEACHER CONTRACT IS ONE-WAY DEAL

Recent action of Hereford trustees in approval of teacher contracts duplicates an annual procedure in school districts all over the nation. Few people, including most trustees, stop to consider just how one-sided these contracts have become.

Originally issued for protection of both parties, the teacher contracts in more recent years seem to have adopted the pattern of the one-way street. They provide protection only for the teacher and, in some instances, are used as a springboard to better positions.

Administrators and school boards have no doubt contributed to the situation with the idea that an unhappy teacher, forced to fill a contract, is worse than no teacher at all. Frequently, on the other hand, the school may wish to terminate the services of an employee only to be told that the employee will go to court and exercise his rights as specified in the contract.

A coaching situation at West Texas State College recently received much publicity in this category. Under our present system "better jobs" just before school opens frequently upsets the entire plans of a school system, and nullify previous hard work of the administrative staff.

Solution of the situation, once school systems face the facts would be simple. By merely placing bonus payments and a small percentage of annual pay in a forfeit bond, the board could handily eliminate around 50 percent of the walkouts, although we do grant that the system would need to be statewide in scope.

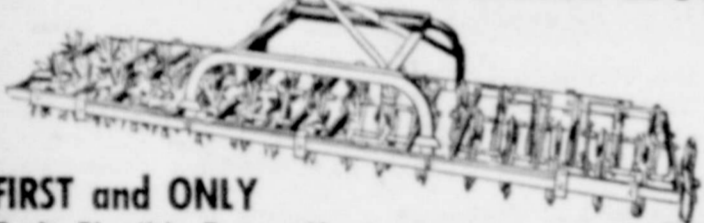

Meanwhile, we wonder why school teachers should be so different from other people that they assume no responsibility when they enter into contract. This particular group will teach our children such American tenets as honesty, fairness, equality of right and justice for all. It seems to us, that they would be the last group to advocate the one-way contract.

FRANKIE'S PLOT

It is important that all those have NOT been taught well and long by COPE — the Committee on Political Action — formed by the labor bosses do their home work this year. Mrs. Frankie Randolph of Houston, darling of the bosses from Detroit down, and admittedly the hatchet-girl for National Chairman Paul Butler's plan to name his own nominee at the Democratic Convention, has her plot ready.

The plot: Rump conventions from one end of the state to the other unless the precinct.

WE'VE BECOME MORE EFFICIENT GERM SPREADERS

In the past we caught a relatively small number of illnesses. They were more apt to be fatal or last longer... but there wasn't the variety. Today, due to the automobile and larger urban areas, we expose ourselves to strangers' germs more often.

Fortunately, new drugs and medications make us better equipped to fight these ailments than those of the past. For prompt, dependable service, bring your prescriptions to us.

OVER BACK-COUNTRY ROADS AT WITH A SKY-HIGH LOAD OF TIMBER

Chevy middleweight shows the big rig how it's done!

That's a 6303 medium-duty Chevrolet powered by a 283-cu.-in. V8. But there's sure nothing medium-duty about the load. Mr. J. E. Blankinship, Arkansas logging contractor, says both of his torsion-spring 6303's "move along at 40 to 50 miles per hour with 55,000 pounds gross weight and maintain a 5-trip-a-day schedule with no trouble at all." Figure the money you save when you've got a medium-duty truck that can cover 30,000 back-country miles a year with a high-tonnage load!

We've never seen anything like the amount of praise truck owners are heaping on Chevy's new torsion spring suspension. Owners like the fact the truck handles a whole lot easier, can move faster off the road without beating the driver to death and shaking loose all the sheet metal. They like the idea of extra thousands of miles before trade-in... Drive a '60 Chevy just once. It's a whole new experience.

(Chevy middleweight averages 200 miles of back roads a day dragging timber out of the woods and delivering it to the mill at Crossett, Arkansas.)

Some farmers here have planted their cotton; some are planting, and some have their up and you can "Row it" Monday it was again a cold 37 degrees, but it was hot and windy most of last week.

Tommy Cox of Wayland College spoke Sunday at the Baptist Church while Rev. Gillispie was in Tularosa, N. M. Mrs. Cox and daughter accompanied Tommy.

One hundred and five were present at Sunday school and 69 were at Training Union on Sunday. The Gillispies went to Lamesa Friday to spend the night with their parents. Saturday they went on to Tularosa where he is in a revival this week.

Mr. and Mrs. Joe Taylor and Gregg of Lockney attended Sunday morning services here and spent the day with her parents, the J. P. Taylors.

Mr. and Mrs. Bill Beedy spent the week end at Stinnett visiting Mr. and Mrs. Charles Beedy and children. Joining them there were Mr. and Mrs. Eugene Beedy of WTSC, Canyon.

Mrs. Bryan Karr, WMU president, and Mrs. Arby Mulder, Sunbeam leader, spent Tuesday in Crosbyton at a Sunbeam leadership clinic.

Mr. and Mrs. Fred Blake and children of Boulder, Colorado, visited from Friday to Monday night with the Loyd Deavenports and Dennis. She is Loyd's sister.

Mrs. H. S. Calahan Jr., Mrs. Sterling Cummings, and Mrs. Sylvan Kinnibrugh went to Lubbock Wednesday on business for the Training Union of the Baptist Church.

Those helping Mrs. Hansel Sanders in the Cancer fund drive here are Mrs. Herman Thornton, Mrs. Garvin Beedy and Mrs. L. T. Wood.

The Sylvan Kinnibrughs went to Vera Saturday night to visit his folks, the J. A. Kinnibrughs. Sunday they spent in Truscott with her mother, Mrs. J. R. Spivey.

Mrs. Jack Yeary is convalescing at the home of her parents, the O. R. Beards. Her children are staying with her sisters, Mrs. Carl Lee Gilley, and Mrs. Rene Yeary. We hope she can come home soon.

The Roy Bledsoes and Bill spent Saturday in Lubbock. While there they visited Mrs. Arlis Powell and new son at the West Texas Hospital.

Tuesday night visitors in the Ernest Smitherman home were the Roy Bledsoes, the Philip Smithermans, the Raymond Uptons and Miss Yvonne Karr. They brought a freezer of ice cream and cookies which they all enjoyed.

Mrs. Walter Wood visited the Lee Pearsons Sunday afternoon. They had just returned home Saturday night from Albuquerque, N. M., where they went for the funeral services of her mother, Mrs. Bell.

Mr. and Mrs. Leighton Teeple went to Waco last Thursday where they attended funeral services of Leighton's uncle, Lonnie L. Oliver, 71.

Dick Morrison called his family from San Francisco Thursday, and he hopes to be able to come home from there in another 15 days. We rejoice with the Morrissions on their son's homecoming from the Navy.

The H. L. Marbles went to Sand Hill Sunday evening where they spent the evening with Mr. and Mrs. T. C. Hollums.

Mr. and Mrs. Early Pritchett and boys had a week end guests Early's sister, Mr. and Mrs. L. D. Reid of Dallas. Other guests were Early's parents, Mr. and Mrs. H. H. Stevenson of Plainview on Sunday.

The Bryan Karrs stayed from Tuesday to Friday in Ft. Worth with his mother, Mrs. J. H. Karr, and visited the Rev. and Mrs. Larry Faus, and in Louisville, they visited his brother, Mr. and Mrs. Archie Karr. Mrs. Karr came home with them.

We extend sympathy to Mrs. Bill Beedy and family in the passing of her uncle, Lawrence Randolph of Earth, who passed away Sunday afternoon. Services were held Monday morning in Lockney at the Baptist Church.

Mr. and Mrs. George West left Friday morning for Mineral Wells where they are taking mineral baths and fishing.

The S. D. Kinnibrughs and the H. S. Calahans Jr. were hosts Friday evening at a covered dish supper at the schoolhouse sponsored by the Training Union of the Baptist Church. Six couples enjoyed the supper. Present were the Kinnibrughs, the Calahans, Mr. and Mrs. Garvin Beedy and children, Mr. and Mrs. Dean Stewart, Mr. and Mrs. Wendell Johnson and children, Mr. and Mrs. Philip Smitherman and Marc, and Mrs. Rex Smitherman and Bryan. Those coming later for games were Mr. and Mrs. Sterling Cummings and Mr. and Mrs. Zach Cummings.

Congratulations are extended to Mr. and Mrs. Arlis Powell of Lubbock at the birth of their first child, a son, Jerry Milton, who weighed 7 pounds, 3 1/2 ounces, born at West Texas Hospital, Wednesday afternoon, April 20. Proud grandparents are Mr. and Mrs. Grigsby Milton and Mr. and Mrs. Farnell Powell of Floydada. This is the first grandchild for each family.

The Grigsby Miltons and girls went to Lubbock Thursday to see their new grandson. Sunday they returned to Lubbock and Mrs. Milton and Darla stayed to care for Donita and baby this week.

Mrs. Walter Wood and her grandson, Mike, hosted a wienner roast and slumber party on Saturday night. The boys fixed the fire and shared in the fun of cooking supper out-of-doors. Later the boys slept on quilts on the grass. Enjoying the party were Frank Jones, Allan Adams, and Jay Ronald Taylor.

PARTY PRETTY—The freshness of this charming frock is emphasized by the delicate leaf design of the cotton bag fabric. Made from McCall's Pattern 5314, it's styled with a V-neckline and full skirt. Wardrobes sewn from cotton feed and flour sacks are available for style shows from the National Cotton Council, Box 9006, Department X, Memphis 12, Tennessee.

NOTICE OF SUBMITTING PROPOSED CONTRACT TO COMPETITIVE BIDS

Notice is hereby given that the Commissioners Court of Floyd County, Texas, will receive bids at 10:00 o'clock on May 14, 1960, at the County Commissioners room in the Courthouse at Floydada, Texas, for the purpose of letting a contract to the lowest responsible bidder to seal coat 10.3 miles of county roads on the following plans and specifications:

(A) SEAL COAT:
From: F. M. Hwy. 598, 5.6 miles North of Lockney, East end South through Sterley approximately 2.4 miles of 18 ft. pavement.

From: U. S. Hwy. 70, 1.5 East of Aiken, South and West to the Floyd-Hale County line. Approximately 6.8 miles of 18 ft. pavement.

From: P. S. Hwy. 70 in Aiken, North along Sixth Street and East to F. M. Hwy. 2301, approximately 0.6 miles of 18 ft. pavement.

From: The intersection of F. M. Hwy. 97 and F. M. Hwy. 598, south along Eighth Street in Lockney to State Hwy. Loop 75. Approximately 0.5 miles. Total 10.3 miles.

(B) SPECIFICATIONS:
Texas Highway Department Standard Specifications for Road and Bridge Construction. Item 303 Seal Coat.

Paragraph 303.4 Measurement revised as follows:

Measurement: — The unit price bid for seal coat shall be measured by the mile of pavement 18 ft. wide, with asphalt, aggregate, and rolling applied at following rates:

Asphalt: — Shall be type OA-230 applied at the rate of 0.3 gallons of asphalt to a square yard.

Aggregate: — Type A Grade 7 applied at the rate of 1 cubic yard of aggregate to 120-140 square yards of pavement.

Rolling Item 203 (Flat Wheel): — Applied at the rate of 3 hours of rolling for each mile of pavement.

Rolling Item 203 B (Pneumatic Tire): — Applied at the rate of 4 hours of rolling for each mile of pavement.

(C) Paragraph 303.5 Payment Revised as follows:

Payment: The work performed and materials furnished as prescribed by this item and measured as provided under "Measurement" will be paid for at the unit price bid for "seal coat of 18 feet asphalt pavement," which price shall be full compensation for cleaning and patching; for furnishing freight involved, preparing

hauling, and placing all materials, and for all manipulations, labor, tools, equipment and incidentals necessary to complete the work.

Payment shall not be made until the job is completed and inspected and approved by Bob Jarrett, County Commissioner of Precinct 2, Floyd County, Texas.

The bidder shall not be liable for maintenance for more than the first 48 hours after application of aggregate. 3-21.

PORK SAUSAGE A GOOD STANDBY

Home consultants say that, with pork prices considerably below last year's level, sausage is an exceptionally good buy. Use it as an appetizer and a seasoner as well as an occasional entree meat. Make sausage balls in miniature and bake them in oven preheated to 400 degrees for 15 minutes. Drain the balls on paper towels and serve on bright colored cocktail picks. Sausage adds a lively flavor to poultry stuffing.

pancake batter, which is released from the biscuits and waffles.

MR. COTTON FARMER . . .

Don't Let Profit-Stealing Seed Bed Failures Rob you of
Early Maturity — Top Yields — High Quality Cotton

Treat Your Cotton Seed Furrows with

ORTHOCLIDE SOIL TREATER X

Protects your seed after germination against
DAMPING OFF — SORE SHIN — SORE SHANK — SEEDLING BLIGHT — SEEDLING ROOT ROT and other soil borne diseases.

Cold ground many times brings some of these soil borne diseases to cotton seed. ORTHOCIDE SOIL TREATER X protects your seed from these diseases which kill young cotton plants just before or soon after they come up, bringing poor stands and costly replanting.

IT'S EASY TO APPLY . . .

No special equipment is needed. Just sift the ORTHOCIDE dust directly on the seed in the planter box. The dust gives previously treated seed added protection from seed rot. The excess material filters down into the furrow. The fine dust mixes with the soil — forms a protected zone around the seed and seedling.

ORTHOCLIDE SEED TREATER X does not take the place of seed treatment at your delinting plant. It adds to and supplements that protection.

Mrs. George Arthur Will Graduate From Wayland

Mrs. George Arthur, Lockney, is a candidate for the B. S. degree with the spring graduating class at Wayland Baptist College, Plainview.

Commencement speakers for May 22 and 23 will be Paul Harvey, Chicago, and the Rev. Mori Hiratani, Pearl City, Hawaii, who will also have honorary degrees conferred on them.

Mrs. Arthur, whose husband, George Arthur, teaches in the public schools, will be an honored guest of President and Mrs. A. Hope Owen at the President's Reception on Sunday afternoon, and of the Association of Former Students at dinner on May 20 in Slaughter Memorial Center. The 1960 Class will give its final program at the 10 o'clock chapel hour on May 23. At that time the class gift will be presented to Dr. Owen.

A home and family life major, Mrs. Arthur is a member of Alpha Chi and the Science Club. She has served as president of the Home Economics Club of which she is a member. She has also been a member of the Philokian Club.

Commencement ceremonies are slated for 7:30 p.m., May 23, at Plainview High School Auditorium. Mr. Harvey, news analyst for American Broadcasting Company and nationally known lecturer and author on American Heritage subjects, will deliver the Commencement address before the awarding of degrees to 59 seniors. His daily radio broadcast will originate over Lubbock's Radio Station KSEL on May 23.

Almost Ready For Contract On Highway 62

County Commissioner John B. Fowler of precinct one reported this week that it appears likely the highway department will let the contract for new paving south of Floydada on highway 62 to the Crosby County line in June of this year.

Fowler said that from information received by letter from the highway department it now appears that practically all work in preparation for the paving has been done and nothing is in sight to prevent the job being included in June lettings.

A check with the office of

highway engineer Sam Fowler showed plans for the paving about complete.

The construction job will start at the wye in southwest Floydada. The wye will be re-worked to accommodate the divided highway coming in from Balls and disperse traffic on to undivided highways 70 and 62 which go through town from northwest to southeast.

The wye and new highway will be curbed and guttered to the Stewary residence southwest of town. That portion of the new construction will have a 30 foot island in the center which will divide the opposing lanes of traffic.

The divided paving will extend on to the intersection of farm road and from that point on to the county line it will be wide two lane pavement much like that in Crosby County.

In the canyon the pavement will be wide enough to allow a

M. Meriwether Goes Back To Navy Duty

Morris G. Meriwether, storekeeper 3-c USN, son of Mr. and Mrs. Raymond W. Meriwether of Lockney, has reported aboard the U. S. Naval Missile Facility Point Arguello, Calif., following a leave during which he visited his parents here.

Meriwether enlisted in the Navy in January 1958 at Albuquerque, New Mexico, and received his recruit training at the U. S. Naval Training Center,

San Diego, Calif. Upon completion of training, he was assigned to the Navy's Storekeeper School in San Diego. In July 1958 he received orders to Service Craft Unit in Sasebo, Japan. Completing his tour of duty in Japan in October 1959, he was transferred to the store ship USS Vega and served on board until February 1960 when he was assigned to Point Arguello. He is serving in the Supply Department.

The U. S. Naval Missile Facility Point Arguello, Calif., will be the main launch and control site for the Navy's Pacific Missile Range. The Pacific Missile Range is designed to accommodate the long range missiles, earth satellite rockets and other advanced space projects.

GALA JR.-SR. BANQUET PORTRAYS FANTASY LAND

The Senior Class was royally entertained by the Juniors on Saturday night with the annual Junior-Senior Banquet held in the high school gymnasium in an atmosphere of "Never, Never Land". Highlight of the evening was the presentation of the banquet favorites.

Guests enjoyed the fantasy land over a picturesque foot bridge overlooking a castle which covered the entire south end of the gym. From the balcony of the castle one could see the figure of a beautiful princess with long yellow angel hair flowing down the castle wall to her lover. The lover, a manikin, dressed in a red velvet cloak stood on a bridge over a moat with running water at the foot of the castle.

Along the west wall of the gym was a gum drop tree, Alice at the wishing well, and the three bears. Sleeping Beauty, dressed in a frilly pink dress, was the scene in the northwest corner. Centering the north wall was a large tree and in the northeast corner was the old woman in the shoe. Other scenes included a six-foot forest tree, Jack and the Beanstalk, Humpty Dumpty, a money tree and to one side of the castle was a green forest and lilac trees. A sky of blue over the entire scene featured glittering stars.

Centering the head table was a miniature castle and along the tables were miniature gum drop and money trees surrounded by colorful butterflies. At each place was a top hat nut cup with a star studded gold wand and a gold wish bone with a note bearing "May Your Wish Come True."

The favorites were brought into the banquet hall in a gayly decorated carriage drawn by Terry Mosley and Donnie Hanst. As each favorite was announced the carriage brought them over the bridge and into the center of the room designed as a garden of flowers. They walked through a white trellis arch and received their gifts.

Honored as Most Popular were Lewis Eiland and Pat Buchanan; Friendliest, Jake Wofford and Eleanore Baxter; Most Representative, Oyama Buchanan and Donna Dorman; Most Likely to Succeed, Donald Ivie and Marjorie Lacy. Junior escorts for the favorites were Joe Allard, Billy Dan Rolling, Warren Mitchell, Bill Mangold, Jackie Lu Frizzell, Carolyn Harris, Janice Boedecker and Nancy Schacht.

The sponsors of the two classes were recognized and presented with appreciation gifts. Junior sponsors are Mrs. Quentin Adams, M. L. Brewer and Wyatt Burkhalter. Senior sponsors are Mr. and Mrs. Edward Babitzke and Elvin Lyon.

The invocation was given by Oscar Golden, followed by the welcome by Wayne Cooper, Junior Class president, who served as master of ceremonies. The response was given by Donna Workman, Senior Class

Band Boosters Install Officers

At the last regular meeting of the Band Boosters Club Tuesday evening, officers for the coming year were elected and installed and other business matters settled.

The new officers are C. L. Record, president; Mrs. Howard Mosley, vice-president; Mrs. S. A. Freeman, secretary; Mrs. Henry Bollman, treasurer; Mrs. Lena White, reporter. Mrs. F. O. Schacht, a former president, was the installing officer.

The group voted to have two sets of obsolete band uniforms made into a rug which will be given to the new homemaking department of the high school.

A new band jacket was selected and will be standard for a four-year period, it was decided. The new jacket is a waist length, button type, is all wool and red in color. The jacket will have a regular collar, a knit waist band, white leatherette trim on the collar and pocket, a knit cuff with white bands and white letters.

Mrs. Milton Ashton, the retiring treasurer, gave a treasurer's report.

A tea honoring the new officers concluded the meeting. The serving table was laid with white decorated with a centerpiece of bronze iris and green-

160 People Make Garden Club's Tour Of Homes

Lockney Garden Club's Home Tour held last Sunday afternoon proved to be a great success with some 160 people from Lockney, Tulia, Plainview and Floydada touring the seven homes.

Your Poll Tax Receipt Must Be Stamped If You Attend Convention

By Ben P. Ayres
County Democratic Chairman

At the outset, there has been no change in the election law which requires any change in the long established practice in this area that a voter is NOT required to show his poll tax receipt in order to vote.

On the other hand, as amended in 1959, the law concerning precinct conventions provides that a voter, otherwise qualified, must vote in the first Democratic Primary Election on May 7th, in order to be eligible to attend his precinct convention, which, in this County, will be held at 2 p.m. on May 7th. Further, to establish his eligibility to attend the convention, the voter must present at the door of the convention:

(1) His poll tax receipt, or if exempt from poll tax as under age, his exemption certificate. In either case stamped "Democrat" by the election judge to show that the voter has voted in the primary; or

(2) Affidavit of loss of poll tax receipt or of loss of under-age exemption certificate, sworn to before the election judge and stamped "Democrat" to show that the voter has voted in the primary; or

(3) If exempt from poll tax as over age, certificate from the election judge that he has voted in the primary.

Accordingly, if you want to attend your precinct convention at 2 p.m. on May 7th, you must first vote in the primary election on that date. When you vote, present your poll tax receipt, or your certificate of exemption as under age, to the election judge, who will stamp such receipt or certificate "Democrat", showing that you have voted. If you are exempt from poll tax as over age, the election judge will, on request, give you a certificate showing that you have voted. If you cannot find your poll tax receipt or your under-age exemption certificate, the election judge will, on request, let you sign affidavit to loss of the receipt or certificate, which affidavit he will stamp "Democrat" and give to you, showing that you have voted.

It will greatly simplify matters if every voter who wants to attend his precinct convention will take the trouble to hunt up his poll tax receipt or under-age exemption certificate and present such receipt or certificate when he goes to vote; the making of affidavits of loss will be burdensome to both election judges and voters and will slow down the election.

In conclusion, you do NOT need your poll tax receipt in order to vote, but you need it, stamped "Democrat," or other evidence that you have voted, as above outlined, in order to attend your precinct convention.

The reported purpose of the law is obtain party loyalty, for which purpose it is wholly futile, since the Republicans probably won't hold another primary for the next 20 years, and the practical result of the law will be to discourage attendance at conventions and make life miserable for election officials.

Dear Editor:
I see where a reporter blabs that our delegate to the Geneva disarmament show owns stock in a big corporation which sells defense tackle to the government.

My ever-trusting neighbor says it's terrible the way people just take it for granted that a man is guilty of double-dealing any time same might make him a dollar.

Says actually there are still some off-beat folks even in government, who are so uppity they think they can make a living, or get elected, just on their own merits, without rigging, payola, or dirty pool.

7-Weeks-Baby Suffers Broken Leg In Fall

Little Paula Sue Cole, 7-weeks-old daughter of Mr. and Mrs. Bill Cole of Denver City, suffered a broken right leg in a fall from a divan at her home Wednesday, April 13. The baby is the granddaughter of Mr. and Mrs. George Myers of Lockney. Mother of the baby is the former Sandra Myers who grew up here. Mr. Cole is a teacher.

Mr. and Mrs. Myers and Mary visited the Cole family Saturday. They were accompanied by the Cole's other child, Gary, 17-months-old who is staying with his grandparents while Paula Sue is hospitalized. The infant's leg was broken between the knee and hip. Both legs are in traction and the injured limb will be placed in a cast before she is released from the hospital in two or three more weeks. She is resting well and the limb is expected to heal satisfactorily.

Floydada Soldier Is In Kentucky

Fort Bragg, N. C. (AHTNC) — Army PFC Donnie R. Taylor, son of Mrs. Josephine Taylor, Floydada, recently participated with other personnel from the XVIII Airborne Corps' 54th Artillery Group in Exercise Quick Strike at Fort Campbell and Camp Breckinridge, Ky.

Quick Strike tested the corps' on-the-mark readiness as one of the major units of the Strategic Army Corps (STRAC). Taylor, a radio operator in the group's Headquarters Battery at Fort Bragg, N. C., entered the Army last April and completed basic training at Fort Hood, Tex.

The 19-year-old soldier attended Floydada High School. His father, Freddie T. Taylor, lives at 3262 N. Hardy, Fort Worth.

SURE WAY TO COOK RICE

If you have trouble cooking rice, here is a method that will put a sure end to the problem! Melt 2 tablespoons of butter in a saucepan over the automatic top burner heat control of your range. Set the control at 200 degrees. Add a cup of long grain rice, stir well and brown the rice slightly in the butter. Then add a 10 1/2-ounce can of chicken or beef broth and 1-3 cup of water. Stir until thoroughly mixed, cover and cook exactly 15 minutes. Turn off flame and let the rice set undisturbed for 5 minutes. Then stir well with a fork and serve immediately.

Mr. and Mrs. Troy Ray and family of Friona visited the Gene Hammit family Sunday. The Rays are former residents of Lockney. Mr. Ray farms and Mrs. Ray teaches music in the Friona schools.

Commissioners OK New Roads At South Plains

Floydada. — Floyd County Commissioners Court last week indicated the reported of a jury of view recommending slightly more than four miles of new road in the vicinity of South Plains, will be adopted and the road will be opened, 60 feet in width.

Two and one-eighth miles of the new road will extend from the common corner of Surveys 86 and 87, Block G & M, north to the common corner of Section 1 in Block B6 and 14 in Block B5.

The other two miles will run from the southeast corner of Section 2, Block B6, to the southwest corner of Survey 2, in Block B6.

Recommendation of the jury of view is that the county pay for moving the underground pipe outlets on the Deavenport land, also the underground pipe be put under the ground at the county's expense on the George West land.

The new road will reduce the mileage traveled by school buses in the district.

In other action the Commis-

sioners bought magnetic nail picker for Precincts 1 and 2 at a cost of \$3,700, for which cash payment is being made.

A \$225 repair job on the court house was awarded to Hamilton Roofing Co.

The court also canvassed school election returns, which were unofficially reported last week.

With right-of-way for State Highway 62 to the Crosby County line from Floydada now cleared up, Resident Engineer Sam A. Fowler, of the State Highway Department, asked that all fence and facilities adjustments which are to be made by the county be ready by July 1.

He also served notice on live utilities concerns that adjustments of their service lines should be completed on or before July 1. If he gets assurance that these will be carried out the paving will be included in the June lettings.

Peggy Ford, Elaine Cooper and Jackie Don Calahan were among the West Texas State students who spent last week end at home.

Mr. and Mrs. R. H. Ford and family spent several days last week fishing at Buchanan Lake.

Lamp Shades
Lamp shades are important for both lighting and decoration. If colored shades are used for an accent in the room decoration, choose an opaque shade, with a white lining. A translucent shade, one that lets the light through, should be white or as neutral as possible. A colored translucent shade would distort the color of the light and its effect on the surroundings.

For a harmonious effect, every room should have something light, some dark, something bright and something dull. The lamp shade may be a good choice of something light. You will get the most light from translucent, white lampshade.

Danger! Farmer At Work.
Approximately 25 per cent of all workmen killed on the job in the U. S. are killed in farm work; whether death is caused by falls, burns, drownings or machinery accidents, fatigue and carelessness are usually contributing factors. Accidents with machinery usually result from improper procedure or unwise practices. Tractors are frequently used in situations for which they were not intended. Safety measures and precautions advised by the manufacturer for tractors and other machinery are ignored by the farm. Some of the most dangerous mistakes are repairing, unclogging, or refueling running machines. (Turn off power for safety's sake.)

These pointers on farm machinery can also be applied to housework and appliances for cooking, cleaning and laundry. Safety measures can help the housewife avoid many of the serious and even fatal accidents that occur in U.S. homes each year.

4-H Demonstration Contest
Thirteen 4-H girls participated in the 4-H demonstration contest last Saturday with eight demonstrations. Those participating and ribbons they received were: Becky and Betty Miller, red ribbons, Sandhill. Lantha Pyle and Kay Hammonds, Lakeview, red. Shirley Johnson and Phyllis Appling, Lakeview, red. Mary Starkey and Beverly Jeffress, Sandhill, red. Kathy Mulder, South Plains, red.

Bunny Hopper, Sandhill, blue. Janice Miller, Sandhill, blue. Mary Starkey and Beverly Jeffress with their vegetable demonstration and use team demonstration, and Janice Miller with her dairy foods demonstration will participate in the district contest at Lubbock on May 7. Frances Jones and Paulette Kropp of the Lockney 4-H Club will also participate in the district contest with an electricity demonstration.

4-H Council
The regular 4-H Council meeting will be held next Monday night, May 2, at 8:00 in the Home Demonstration Council room. 4-H Council members and organization leaders should attend.

R. M. Stovall Dies At Plainview

R. M. Stovall a long-time resident of Floydada and uncle of Mrs. Marvin Gilbert of Lockney, died Thursday night at his home in Plainview. A heart attack was believed the cause of death. He had been ill a month.

Funeral services were held at the First Baptist Church in Floydada Sunday at 3 p.m. conducted by Rev. Roy McClung, pastor at Plainview, and Rev. Ed Bowles, pastor at Floydada, officiating. Burial was in Floydada Cemetery.

Mr. Stovall was born March 22, 1891, in Hill County. He and his family moved to Floydada in 1927 and he farmed in this county until 1958 when he retired and he and his wife moved to Plainview.

He was a member and deacon in the First Baptist Church, Plainview, and was a 32nd degree Mason with membership in the Floydada lodge.

Survivors include his wife, two sons, J. T. Stovall of San Diego, and Lawrence of Floydada; three daughters, Mrs. A. L. Garmino of Chula Vista, Calif., Mrs. J. W. Kinard of Lubbock, Mrs. Louis Anderson of Floydada; two sisters and 12 grandchildren.

Junior High Is Holding Election

A lot of campaigning is going on in Lockney Junior High School this week as Mrs. Velma Cox's 7th grade government class stages a real campaign and election. Campaigning has been underway since last week and the election will be held Friday of this week. Polls will open at 9 a.m. and remain open until school is out. All the Junior High is being allowed to take part in the voting if they have paid a poll tax but only 7th graders are running for office.

The poll tax charged was 10c and the \$10.40 raised by poll taxes was donated to the Lockney swimming pool fund.

The various candidates were required to write out their own announcements and post them in the class room, stating their qualifications and reasons for seeking the respective office. Now the hallway walls in Junior High are covered with clever posters promoting the candidacy of the various candidates.

L. H. S. Students Receive Honors For Poetry Writing

Ten students from Lockney High School, representing the Sophomore and Junior classes, were awarded certificates from the National High School Poetry Association recently for poems written during this school year. The poems written by the local students were selected from among those submitted by high school students from all over the nation. These will be published in the National Anthology of High School Poetry.

Special recognition went to Ariene Purcell, a sophomore, for her poem titled "From Flower To Fruit."

Other students who were honored and their poems are: Carolyn Harris, a junior, "Moment's Notice"; and the following sophomores: Keith Emert, "Winter at the Lake"; Donna Sammann, "Rewarding Thought"; Paulette Kropp, "Observation"; Larry Cross, "Lonely Pine"; Tom Duvall, "Snow"; Lavona Cartmel, "Home"; Billy Dan Rolling, "Spring Song"; Lynda Poole, "The Brook".

Nearly 1,000,000 American men, women and children were injured or killed last year because an automobile driver exceeded the speed limit.

There are about 40 known species of hummingbirds, mostly native to the tropics.

The school newspaper, was named senior most likely to succeed, was a member of the one-act play and senior play cast, and a member of the basketball team.

Dear Editor:
I see where a committee of Democrat grand viziers recommends that the U. S. finance the education of half a million foreign students each year in our colleges.

My tax-tripped neighbor says the people in Washington giving birth to such expensive ideas is what has kept him so broke he can't send his own kids to college.

But says he guesses this plan is sensible, on account of if we are going to give the country to the foreigners, they will need to be educated so they can run it.

GO TO CHURCH SUNDAY

Girl Scout Troop Completes Organization

Climaxing intensive effort on the part of local Brownie Troop leaders and other interested persons a Girl Scout organization was completed for Lockney following a meeting held Monday afternoon at the Legion Home.

The interest sparking session was led by Mrs. Jimmy Hodel, leader of the new Girl Scout troop.

Paul Teuton of the American Legion, gave the invocation. Mrs. Hodel expressed appreciation to the Legion for donating the use of their building for the meeting. She announced the following businesses or organizations as sponsors of the new Girl Scout work: Plains Floral, First National Bank, Co-op Gin and Elevator, and Lockney B&PW Club. Prospective sponsors were named as Consumer Fuel Association and the American Legion Auxiliary.

Assistant leaders for the new troop were introduced as Mrs. Lena Brotherton and Mrs. Pat Williams. Mrs. Boyce Mosley and Mrs. Durward Jack are leaders of the Brownie troop whose members will soon "fly up", that is, become Girl Scouts. Another Brownie troop and its leaders, Mrs. Wayne Bramlet and Mrs. Bill Washington were recognized. Mrs. Tommy Montandon is the temporary neighborhood chairman.

Nineteen girls compose the present membership of the new Girl Scout troop which will meet each Monday at 4 p.m. in the American Legion Home.

H. H. Nicholas, school superintendent, spoke to the gathering on the importance of giving children the right kind of training, enabling them to perform honorably amid the problems of life. He emphasized scouting as an excellent means of developing a child's talent in mastering his own difficulties. In order to supply the need for proper guidance in worthwhile projects such as the Girl Scout program, Mr. Nicholas urged the interested few to keep their interest "boiling hot" for "Operation Girl Scout".

Mrs. Thelma Vestal, Girl Scout Council executive from Plainview, spoke on the educational and character building qualities of scouting. Eleven different fields of study supplies the needs of girls, Mrs. Vestal stated. These fields range from music to agriculture and includes child care. Merit bars to be earned help make useful citizens because scouting is a means of becoming prepared. Girls are taught to develop their own personalities and not to imitate another.

The meeting was concluded with a benediction by Rev. Charles Broadhurst, pastor of the First Baptist Church.

550 square miles (half area of Rhode Island) of the area of United States lie below sea level, part as much as 280 feet.

Although making up less than 14 percent of the driving population, drivers under age 25 were involved in nearly 29 percent of all fatal accidents in the United States during 1959.

Eastern Star Officers Honored At Dinner

Mr. and Mrs. Forrest Smith, Worthy Patron and Worthy Matron of Lockney Chapter of the Order of Eastern Star, honored officers of the organization with a chicken dinner Friday evening at the Townsend School Cafeteria.

Tables were decorated in blue and white accented with three beautiful floral arrangements. Places were marked for the officers with gifts from the Worthy Matron. Other places were marked with gold ceramic Bible plaques.

George Myers gave the invocation and Mrs. Smith welcomed the guests. An address by the Worthy Matron on the topic of "Time Marches On" included a poem entitled "A Golden Year" which expressed Mrs. Smith's love and appreciation for the service of her officers. She concluded her address with a tribute, "Today" honoring Mrs. Herman Huffman, incoming Worthy Matron.

Miss Eulalia Sanders played a piano accordion selection, "Others" and dedicated it to Mr. and Mrs. Smith. Mr. Smith in turn offered his appreciation for the help the couple has received in making this a successful year.

Mrs. Huffman presented the officers' gift, a 50-piece set of stainless steel flatware. A gift from the co-workers, an automatic electric percolator, was presented by Mrs. Carl McAdams.

Mrs. Huffman, Mrs. McAdams and Mrs. Joe Foster spoke words of praise and appreciation to the Worthy Matron and Worthy Patron.

Benediction was given by Joe Foster.

Out-of-town guests included Malcolm McNeill from Floydada. Local guests included Eulalia Sanders and Buck Smith.

there's **GOLD** in them thar hills

▶ and we put lots of it there

GOLD...represented by Prosperity, Growth, Wealth... abounds in the larger cities today. But it's a sort of non-portable, one-way type of gold—people living in the smaller communities like ours can't just go up into the stone and glass hills and canyons with our burros and bring loads of it home.

As a matter of cold, hard economic fact—this gold—this wealth—in our neighboring metropolises is not for us to enjoy...unless we're ready to move there and live with it. Yet, our Trade, our money...carried to them on our shopping pilgrimages...has importantly helped in their enrichment.

The same money...kept in the trade channels of our own community...will put more gold where we can enjoy it ourselves—the gold of Prosperity and Growth.

**It Pays to Buy
where you Live**

YOU get everything that your money pays for... merchandise **AND** a trade-invigorated community to live in... when you buy from your home town merchants...

E. C. Durham Rites Sunday

Funeral services for E. C. Durham of Lockney were held Sunday afternoon at three o'clock at the First Baptist Church. Conducting the services were Rev. Olan Beauchamp of McCamey and Rev. Joe Stone, pastor of the Assembly of God Church here. Beauchamp is a former pastor of the local Assembly.

Mr. Durham died about 6 a. m. Saturday in Lockney General Hospital where he had been a patient almost a week. He suffered a slight stroke about two weeks previous to his death and another on Monday of last week. He never regained consciousness following the second stroke. Up until this illness he had been very active, and was on the street each day attending to his affairs. He was 81 years of age.

Edward Clarence Durham was born February 28, 1879, in Ellis County, Texas. He was reared at Jacksboro where his parents moved when he was very young.

Mr. Durham was married to Miss Effie Shields on December 15, 1901, at Jacksboro. They celebrated their 58th wedding anniversary last December.

In 1918 Mr. and Mrs. Durham and their family moved to Floyd County, settling at Cedar Hill. They lived there until 1943 when they moved just east of Lockney and in 1950 he retired from farming and they moved to Lockney to make their home. Mr. Durham had been a farmer all his active life.

He was always interested in public affairs and served several terms as school trustee and as a member of the county school board.

Mr. Durham had been a member of an Assembly of God

Church for more than 50 years, and had served the church as deacon, Sunday School superintendent and in other offices.

Burial was in Lockney cemetery with Carter Funeral Home of Lockney in charge of arrangements. Pallbearers were Clarence Strickland, Jim Conner, Raymond Love, H. C. Burris, Charley Parnell, and Homer Starkey.

Survivors include his wife, three sons, Leroy of Plainview, Clyde of Washington, D. C., and Lester of Amarillo; three sisters, Mrs. Ola Love, Coolidge; Mrs. Ada Myers, Fort Sumner, and Mrs. Ollie Langford, Childress; seven grandchildren and seven great-grandchildren.

Final Citizenship Course Tonight

The final session of the Citizenship Training Course will be held tonight (Thursday) at the high school auditorium starting at 7:30. Dr. Dick Bates, dean of Lubbock Christian College, will talk on "The Responsibility of Citizenship." Dr. Bates will point out the dangers faced by Americans and the necessity for remaining alert.

Last week he discussed the "Profit System" pointing out how well the system had worked in rebuilding West Germany. The series is sponsored by the Floyd County Farm Bureau.

Firemen Answer Call Monday

The Lockney Volunteer Fire Department was called to the Cecil Colson home in West Lockney Monday morning when Mrs. Colson came into the house and found it filled with smoke.

Investigation revealed that a washing machine motor had burned out and caused the smoke. The motor and machine were both destroyed. Mrs. Colson said there was no other damage to the home.

L. H. Randolph Is Buried Here

Funeral services for L. H. (Shorty) Randolph were held at 10 a. m. Tuesday at the First Baptist Church here. Rev. Joe Wilson of Floydada, a brother-in-law of the deceased, officiated at the services. Burial was in Lockney Cemetery under the direction of Carter Funeral Home. He was 69 years of age.

Mr. Randolph died Sunday afternoon in a San Angelo hospital. He had suffered a heart attack Tuesday of last week while driving his car in San Angelo. The car struck a utility pole and he was very seriously injured in the accident. He had undergone surgery but death came Sunday.

Mr. Randolph was a member of the pioneer Randolph family of the Cedar Hill community. He grew up in that area and was the son of the late "Uncle Henry" and Mrs. Randolph. He moved to Earth in 1947 and had served as deputy sheriff of Lamb County several years. He later held the justice of peace office at Earth but retired in 1958.

Survivors include his wife; one son, Fred of Sundown; one daughter, Mrs. Orville Armstrong of Earth; a brother, Albert of Lubbock; two sisters, Mrs. Joe Wilson of Floydada and Mrs. Albert Mize of Cedar; six grandchildren and five great-grandchildren.

Chiropractor Changes Mind

Dr. J. C. Lewis Jr., a chiropractor, changed his mind about moving from Post to Lockney "for personal reasons" and did not set up his office here last Monday as he had announced he would do in The Beacon. Dr. Lewis stayed here several days but did not move his family here. Wednesday of last week he called The Beacon and said that he had decided not to move.

den and kitchen combination and two and a half baths. They expect to be in the house about the middle of June.

Near completion is the first of several new homes expected to be built in the Sims Addition in West Lockney. The house, built by Commuter Homes of Lubbock, is brick veneer with 1239 square feet of floor space, garage, three bedrooms, two baths, living room-den combination. The house is for sale.

Open house will be held Sunday, May 1, at the new Commuter Homes house in the Sims addition. The house will be open for inspection from 2 to 5:30 p. m. and the public is invited to visit it.

Dr. and Mrs. Pat Williams and family are building a new home at the south edge of town on the Sand Hill road. Robert McDonald is the contractor for the construction which comprises 3,000 square feet floor space, plus double garage. Outside walls will be a blend of colonial rose brick with cedar shingle roof. There are four bedrooms, three baths, living room, kitchen and breakfast room combination, a study and a large play room. A fireplace will be placed in the living room. They hope to be in the house the latter part of July or first of August.

Another new home is that of Mr. and Mrs. Edward Babitzke, located in the Southwestern Heights addition. It was moved in last week and is being finished this time. The new home contains three bedrooms, den, living room, kitchen, 1½ baths and is located just north of the Babitzke's present home.

Mr. and Mrs. Sid Thomas are having a new three bedroom renthouse built in Lubbock. It will be placed on lots south of the Thomas home in West Lockney. Mr. and Mrs. Dewey Simmons and children will occupy the house. There will be 1200 square feet of living space, and a car port. Outside finish will be pink asbestos shingles with one wall of aqua colored wood. The foundation has been run and the house is expected to be placed on the lot the last of this week.

The new home of Mr. and Mrs. L. B. Brandes and family, located five miles north of Aiken, is expected to be completed in May. Constructed of red brick veneer, with white slate roof, the house will contain 2500 square feet of living space plus triple garage. There will be three bedrooms, two and a half baths, den and kitchen combination, living-dining room combination. A fireplace will be in the den. A Plainview contractor is in charge.

Weed Control Meeting Features Valuable Data

The Second Annual Weed Control meeting was held Monday evening at 7:30 at the Floyd County District Courtroom with 70 persons present.

L. B. Brandes and L. T. Wood were elected new board members from Precincts Two and Three, replacing Robert Lee Smith and Cephus Fortenberry.

A program including colored slides of weed species of the Panhandle was well received. The pictures were taken and shown by Perry Bowser of KVOP, Plainview and a writer for Plains Farmer. Mr. Bowser is a polo victim and the program was especially appreciated because of the enormous effort put forth by Bowser and his wife in securing the pictures.

A short film was shown by Archie Martin, Hale County Weed District supervisor on "Activities of the Hale County District."

Dr. Allen Wiese, Associate Agronomist, Texas Agricultural Experiment Station, Bushland, talked on "Control of Weeds and Grain Sorghums."

Eighteen door prizes valued at \$159.60 were given. These gifts were donated by Rowland, Gordon, Lockney and Plain-

view; Western Supply Oil and Fertilizer Farm Chemical; Supply; Fungus Farm of Floydada; Oak Park Co., Estes Chemical DuPont, all of Lubbock.

Each one presented a complimentary copy of "Weeds, a special" edited in Plainview by Hamilton, Perry Bowser of the writers.
