Preliminary budget studied by Board

Travis Jones met with the school board for the first time since his accident and hospitalization.

Upon the recommendation of Superintendent Jerry Cannon a media contract with the Education Service Center for the '83-'84 year. Films are delivered and picked up twice a week at a cost of \$2 per ADA per film, with the school receiving matching money.

Business manager Tommy Cathey reported \$927,787.73 taxes had been collected thru June 30 for a 93.3% of taxable revenue. \$31,512.71 of delinquent taxes had been collected also, including those funds collected by school tax office before the Appraisal District took the collections.

A balanced proposed budget was presented to the board for their preliminary budget study. Areas of the budget consisted of nine parts:

Special ed. coop	496,670
Local maintenance	2,424,906
Cafeteria	227,900
Athletics	43,850
State compen.	32,050
I&S	97,400
Title I	
Reading	125,237
Migrant	199,408

Chapter 2	3,647,421
Activity funds	11,766
	40,000

3,699,187

These figures were those presented to the board before the budget study. Non-certified employees' salaries were budgeted for a 4% increase. Approximately \$18,600 was trimmed from the budget but final figures will be drafted at the budget hearing scheduled for Tuesday, July 26 at 1:00 p.m.

Cathey also presented to the board a recap of the taxable base and tax revenue for the past four years. He showed how the school district had lost nearly \$10 million in taxable base since 1980 due to homestead, agriculture, elderly, disabled and veterans exemptions.

Year	1980	1981	1982	1983
1980	135,122,822	999,009		
1981	136,898,621	1,013,050		
1982	128,038,752	998,702		
1983	125,159,881	992,859		

A ruling will have to be received on whether stocks and bonds held by banks can be taxed before the tax base can be known. \$4 million would be involved by Floydada banks alone to make a \$31,600 tax revenue. The tax rate will be set at a meeting Monday, August 8 at 4:45 p.m.

Sanding of floors in the classrooms at Andrews continues. Hot mix was supposed to be poured on parking areas at the schools yesterday.

The next regular school board meeting will be held August 9.

Commissioners propose new library facilities

BY HOPE WARREN

The County Commissioners met in a regular meeting on July 11, 1983 in the County Courtroom of the Floyd County Courthouse. Members present were Thomas Warren, Jack Lackey, Judge Choise Smith, Sam Spence and Bob Jarrett.

Judge Smith called the meeting to order at 8:00 a.m. The first order of business was to pay bills for the month of June.

Bobbie Hamilton then gave the County Auditor's report. She reported on the total funds and funds turned in from the tax assessors-collectors office. Mrs. Hamilton reported to the court that interest on funds in savings and C.D.'s have been down but is expected to go up again. She also presented the total expenditures for the first six months. The utility bills have been down. The court discussed out of county

refunds and unbudgeted taxes. A report from the Floyd County Central Appraisal District was read.

Mrs. Hamilton then reported on each precinct. Precinct one, Commissioner Spence, was reported to be receiving more on extra labor, and spending on parts and repair. Precinct two, Commissioner Jarrett, was operating on budget. Precinct three, Commissioner Warren, is also operating within budget. Precinct four, Commissioner Lackey, is also spending on fuel and repairs and reported that wages were one-half of what is set up on the budget.

The Floyd County Library is also doing well on collections.

W.M. Staniforth in precinct three requests to dig a pit. This was decided to be done with a motion from Warren and seconded by Spence. Vote: All in favor.

Appraisal District discusses tax levies

BY HOPE WARREN

The Floyd County Appraisal District held their regular meeting on July 6, 1983 in room 107 at the county courthouse. Members present were: Tom Duvall, chairman; Adrian Helms, secretary; Shelia Faulkenberry, chief appraiser; Eddie Teeter, Jack Lackey and Fred Zimmerman III, members.

The meeting was called to order at 9:00 a.m. by Duvall. The invocation was given by Teeter. Helms read the minutes from the previous meeting. The minutes were approved and went on record. A motion by Lackey and seconded by Helms to pay last month's bills was made. Vote: All in favor.

The financial budget was discussed. It was also pointed out that the taxes for 1982 became delinquent on July 1.

Members were reminded of a meeting of the Texas Association of Appraisal Districts (TAAD) to be held in Amarillo on Monday, July 18. Each member was urged to attend. At the meeting all new appraisal laws, any changes that have been made, and new instructions will be reviewed.

Mrs. Faulkenberry also informed board members that new aerial photographs are being made of the county for official records.

The board discussed the decision of the Supreme Court ruling on imposing property taxes on banks. Mrs. Faulkenberry informed the board that it will not be decided until Friday when the effective date will be set.

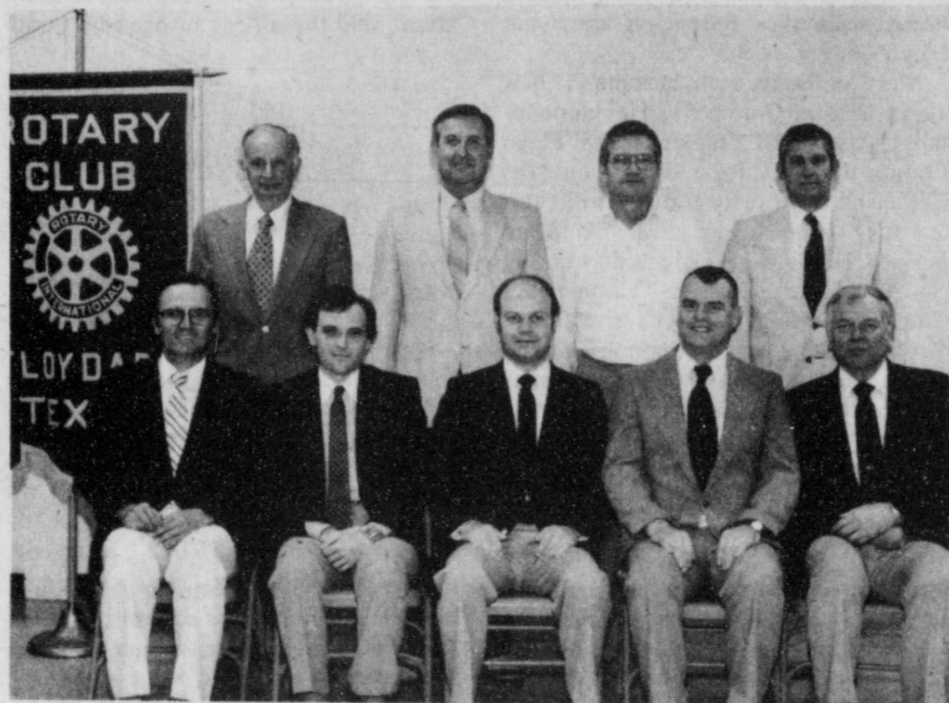

The 1983 tax value, payed June 26, was discussed. The certified value given to each entity was designated and will be published in the paper.

Mrs. Faulkenberry informed the board that contracts on collections were typed up and ready to be sent out.

The tax rate increase was discussed. Rates from each entity is needed to be in the appraisal office by August 15.

A motion by Teeter and seconded by Lackey was made to make resolutions to send contracts to each entity for collections starting January 1, 1984 and ending December 31, 1985. Vote: All in favor.

The meeting was adjourned at 10:50 a.m.

MEMBERS OF ROTARY CLUB who were installed as officers and directors are: [back row] Edell Moore, director; Don Hardy, director; Edd Henderson, director; Jerry Cannon, director; [front row] Lewis McDaniel, treasurer; Stan McCleendon, director; Tom Farris, President; Mac Willson, Vice-President; and Jimmy Willson, Secretary.

Rotary club installs new officers

By Hope Warren

The Floydada Rotary Club met for their installation of officers meeting at noon on July 6. The meeting was held at the Massie Activity Center.

Lunch of roast beef and gravy, early June peans, carrots, salad, rolls, and tea was served to the members present.

The song "America" and the Pledge to the flag was led by Floyd C. Bradley.

Lewis McDaniel introduced and welcomed the guests. These were: Lane Cheek, Lori Farris, Brad Hagood, Bob Moody and Don and Hope Warren.

Jimmy Willson introduced Steve Hale, Dick Bruce, Earl Blair, and James Williams as new members to the club. These new members received book, pin and emblem.

For his outstanding club leadership, Jerry Cannon was presented a plaque. As outgoing President, Cannon gave a speech.

Jimmy Willson introduced the new officers and directors. Members, officers and directors gave their pledge of

support to the club and new president. Willson also presided as Tom Farris took his pledge as new president.

Farris' first order of business was to introduce the new sweetheart. She is Cindee Davis and was presented with a pin. Farris also expressed his goals for the coming year.

The meeting was then adjourned.

SWEETHEART for the Rotary Club this year is Miss Cindee Davis.

FISD increases price of school meals

In an effort to overcome a deficit in the cafeteria fund the school board agreed to increase the price of meals served at the Floydada schools for the first time in three years.

Weldon Pruitt made the motion and Travis Jones seconded the proposed increase. Rates will be as follows:

	81-82	82-83
Breakfasts	.50	.60
Lunches		
K-6	.80	1.00
7-12	.90	1.10
Adults	1.30	1.50

The resignation of Frances Easter was accepted as a vocational home economics teachers. Fred Zimmerman made a motion that was seconded by Bill Orman to hire Joyce Williams to replace her. All were in favor.

A federal audit will be made of the vocational programs in the Floydada schools October 3-7. The 5-year audit

will include ag, VEH, DECA, home economics, and VEH programs.

Hotel reservations have been made for a school board workshop to be held in San Antonio September 16-19. Superintendent Jerry Cannon encouraged the board members to inform him as soon as possible of their intention so excess rooms could be released and transportation reservations could be made.

A reduction in force insurance policy was discussed among the members, but was tabled until the August meeting when attorney Paul Lyle could advise the board. If initiated, the policy would be added to the school insurance policy at no additional cost. It was explained as a safeguard against some drastic turn of events.

The annual breakfast for the entire school personnel is scheduled for Thursday, August 18 at the cafeteria at Duncan.

Telephone topic of City Council meeting

By Hope Warren

The Floydada City Council met in a regular meeting on July 12 at 7:30 in the City Hall meeting room. Members present were: Leroy Burns, Boone Adams, Frank Breed, Ed Self, City Attorney; Bill Feuerbacher, City Manager; Mayor Parnell Powell, and Jimmie Lou Stewart, City Secretary.

The invocation was given by Adams to start the meeting. A motion was made by Adams and seconded by Burns to approve the minutes from the last meeting. Vote: All for.

The Floyd County Library Board led

by Jim Word, met with the Council and introduced the proposal for the new library. This proposal was also presented to the Floyd County Commissioners Court on Monday. The Council was asked to furnish utilities to the new facility should it be okayed by the Commissioners. This would cost approximately \$5,000 a year or \$500 a month from now on. The Council called a special meeting for Monday night, July 18.

90 years old and still very young at heart

BY HOPE WARREN

Many of us enjoy birthdays. The cards we receive, the well wishes from friends, and the knowledge we made it through another year. Mrs. W.A. (Maggie) Lovell celebrated her 90th birthday Sunday, July 10, in her home. Maggie Lovell was born in Heflin, Alabama on July 9, 1893 on a Sunday. Heflin is a city now but 90 years ago it was just a village. Her parents were Mr. and Mrs. J.T. Creed. At age 3 months the Creed family moved to Mississippi. They resided in Mississippi till 1910. Maggie is the second oldest in a family of nine. She had seven brothers and one sister.

The growing years were hard. Her family had to work hard every day. At age five, Maggie started cooking for her family. They slept on beds made of rope springs and straw mattresses. She has worked in the fields and at Penny's. Mrs. Lovell says her father would work for 50 cents or a slab of bacon a day, no matter what kind of work it was.

The seasons she remembers most was winter. She reports the ground would freeze and "spoo" up because it was so cold. All she recalls about summer is going bare foot.

Every Sunday her family would attend church in their wagon.

The first school Maggie Lovell attended was a log cabin. This was in 1898 when she was five years old. The school was in Plattersville, Mississippi. She recalls grown men sitting with the children in school. The log cabin school was one room with big windows and doors.

In 1910 the Creed family moved to Waxahachie, Texas located south of Dallas. In 1911 the J.C. Lovell family moved to Waxahachie. Maggie met W.A. "Walter" Lovell at a swing dance party. He courted her for four years off and on. On August 12, 1917 in Waxahachie, Maggie became Walter Lovell's bride. They were married a total of 62 years till Lovell died of cancer of the bladder on July 8, 1979.

Maggie Lovell was two years older than her husband but he was definitely ruler of the house. The Lovell's had five

children, two sons and three daughters. Clyde, who is the oldest, still lives in Floydada and is a painter. Francise lives in Yuma, Arizona. James also lives in Floydada and teaches school. Gladys and Margeret both live in Louisiana. There are nine grandchildren and five great-grandchildren.

Mrs. Lovell came to Floyd County on November 16, 1925. The Lovell's followed his parents to Floyd County. She says she has lived all over the county and in her present home for the past 37 years.

Mrs. Lovell reports she had a close family. True, they had ups and downs, but every family does. She and Lovell had a happy marriage and never argued in front of their children.

She attributes eating right, getting plenty of rest, and keeping active to her ninety years of living. She enjoys travel and flying, cooking, and walks two miles a day. She eats a hearty breakfast everyday and doesn't worry about things she can't do anything about. She also likes to know if people like her. Things like this is what keeps you young.

Attending the 90th birthday party were: Maurice Nixon, granddaughter, of Plainview; Henry Bates, brother-in-law, Wells Point, Texas; Gertrude Bates, sister, Helen Boothe, niece, also of Wells Point; Dan and Mitzi Nixon, grandson, Floydada; Tom Lovell, grandson, Rotan; James and Sue Lovell, son, of Floydada; Lu Ann, Mike and Johnny Collins, granddaughter and great-grandson of Floydada; Clarence and Iris Lovell, brother-in-law, Plainview; Jimmie Lovell, sister-in-law, of Plainview; Bessie Taylor, sister-in-law, Plainview; Mary Ferguson, neighbor, Floydada.

Also attending from Floydada were: Maurine Gregg, Myria Dade, Perry and Relda Zumwalt, Louella Bradley, Sammy Bradley, Beulah Denison, R.L. and Geneva Giesecke, Beulah Baker, Mary Spears, Roger and Claudia Dawdy, Carl and Pearl Moosberg, Mr. and Mrs. Jon LaBaume and Kelli, Rebecca Smith, L.D. Britton, Eunice Hardy, Ruth Walker and Weldon and Mazie Becker. Those from Lockney were Mary Lou Bollman and Clara Reecer, Gladys Crass, Jimmie Douglas, sister-in-law, attended from Plainview.

MRS. W.A. (MAGGIE) LOVELL celebrated her 90th birthday Sunday, July 11, with a party at her home. Many friends and relatives helped Mrs. Lovell celebrate. Although she is 90 years old, she still walks two miles a day.

True named home economics agent

A home economics agent with extensive 4-H background has been named home economics Extension agent for Floyd County.

Mary Smith True will become the new agent here on August 1. Her appointment was jointly announced by Floyd County Judge Choise Smith and Dr. Catherine B. Crawford, district director for the Texas Agricultural Extension Service. Her duties will include working closely with Extension Homemakers Clubs and their Council, the Floyd County Family Living Committee, and giving leadership to home economics and related 4-H project areas. Mrs. True will join agricultural agents Richard Crow and Benny Butler in giving general leadership to the Floyd County Extension Program.

Mrs. True grew up in Cochran County on the family farm. Her mother, Mrs. Latina Smith, still resides there.

The agent was graduated from Morton High School in 1979 and received a Bachelor of Science degree in home economics education from Texas Tech University in 1983.

She achieved numerous honors as a 4-H Club member in Cochran County. These included serving as president, vice president, and treasurer of her local club. She was secretary and chairman of the District 4-H Council, and was 1st vice chairman of the State 4-H Council. Mrs. True was a state record book winner, won a trip to the National 4-H Congress, received the Santa Fe, C.J. Davidson, and Aubrey W. Russell scholarships. She completed numerous 4-H projects and was named Cochran County Gold Star Winner.

Her achievements while at Texas Tech were outstanding. She was vice president of the College of Home

Economics Student Council, active in the American Home Economics Association, held the offices of president and

MARY TRUE

treasurer of the Collegiate 4-H Club. She chaired numerous committees.

Honors earned while at Tech included being named to Who's Who in American Colleges and Universities, Home Economics Student-of-the-Month, Phi Upsilon Omicron nation home economics honorary, Phi Kappa Phi academic honorary, Mortar Board senior honorary, and Alpha Lambda Delta freshman honorary. She was on the Dean's honor list every semester and graduated with highest honors.

Mrs. True is married to Mark True who is employed by the Farmers Home Administration in Floyd County.

A reception given this week in Mrs. True's honor was attended by Anna Marie Hernandez, Syble Teeple, Gladys Widener, Inez Walker, Vera King, Elvira Stewart, Ruth Trapp, Lillian Smith, Ruth Reeves, Renie Chapman, Muri Mayfield, Helen Huffman, Bess Carr, Ruth Scott, and Blanche Williams.

Fire department news

By Mike Reeves

The Floydada Fire Department had a busy holiday weekend, July 4th. We had six fires in five days on July 2. We had an electrical fire at Allen's Dixie Dog on Houston Street. Six men and two trucks were dispatched. There was little damage. We had four firework related calls. Two were on July 3.

The first was a grass fire in Blanco Canyon. The second was a grass fire that occurred at the corner of Garrison and Ollie Streets.

Two more calls were answered on July 4th. Our first call was a grass fire on South 8th Street behind the Duncan Apartments. The other was again in Blanco Canyon. All four were extinguished with little damage.

On July 5th, we answered our sixth call in five days with a cotton burr fire one mile north on the Lockney highway.

The department has proudly added two new members, Gary Vick and Mike

Anderson. Five men will represent the department the latter part of this month in a fire school at College Station. This school is designed to train firemen in all phases of fire fighting. Two of our men will serve as guest instructors.

July 2: Electrical fire at Allen's Dixie Dog Drive In. 6 men and two trucks responded.

July 3: Grass fire in Blanco Canyon. 2 trucks and 6 men responded.

July 3: Grass fire at the corner of Garrison and Ollie. Seven men and 3 trucks responded.

July 4: Grass fire behind Duncan Apartments on South 8th. 10 men and 3 trucks responded.

July 4: Grass fire in Blanco Canyon. 3 trucks and 6 men responded.

July 5: Cotton burr fire one mile north on Lockney Hi-way. 2 trucks and 6 men responded.

New organization started to aid citizens

By Hope Warren

A new organization starting in Floydada, Floydada Spirit of Sharing, met June 7 at the First Christian Church. The group is a combination of churches of the community, the Department of Human Resources and Kathy Green's office.

This group's purpose is to aid the needy of the community. The applicants requiring help will undergo a screening by a committee. This group will provide clothing for children and adults, transportation for the elderly and a food bank.

This group is church sponsored. Each church will kick off this program by donating food and clothing.

The major concern of the Floydada SOS is a building. One has not been located at this time and is needed desperately. The best location for a building would be on 2nd Street or Houston being the busiest streets in Floydada but any building will do. The center, which will be manned by volunteers is preferred to be at least 1,000 square feet but any size will do. This is a non-profit organization and a donation of a building would be tax deductible. The center would be set up

on a yearly agreement. Anyone willing to donate a building needs to contact Jack McIntosh, 983-3656.

Officers for this organization are: Jack McIntosh and Helen Martin, co-chairpersons; Margie Sue, secretary.

Highway 70 undergoes construction

The State Department of Highways and Public Transportation issued a work order to the Atchison, Topeka and Santa Fe Railway Company for replanking the crossings on US 62 and US 70 in Floydada.

Work began July 12 and will continue approximately 21 days. The crossing will be closed during this period and traffic will be detoured onto Crockett Street at 9th Street and 12th Street.

The traveling public is urged to use caution and courtesy during this construction period.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective August 1, 1983, unless otherwise determined by the Commission.

A complete copy of the new rate schedule is on file with the Texas Public Utility Commission (PUC) at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

As a result of the settlement of a lawsuit brought by the U.S. Department of Justice against AT&T, Southwestern Bell, on January 1, 1984, (or as otherwise ordered by the United States District Court) will no longer be a part of the Bell System, but will be owned by public shareholders. Under the terms of the settlement, Southwestern Bell has identified 15 areas in the state within which it may provide service, and the federal court with jurisdiction of the settlement has tentatively approved these areas, called LATAs (Local Access and Transport Area). On or about January 1, 1984, Southwestern Bell can not provide service between these LATAs, and in addition, must transfer to AT&T customer premises equipment that it leases to customers.

Southwestern Bell has filed a proposed revised rate schedule with the PUC reflecting these changes. These rates would become effective August 1, 1983, if they are not suspended by the PUC; however, it is expected that they will be suspended and that the rates ultimately set by the PUC will become effective on or about January 1, 1984. If the rates were to become effective as filed, they would produce a 48.2% increase in Southwestern Bell's unadjusted test year revenues (or a 76.36% increase in Southwestern Bell's test year revenues adjusted to reflect the effect of Southwestern Bell's divestiture from AT&T). Any change in the rates for any interLATA services offered by AT&T or a subsidiary after January 1, 1984, could affect customers of Southwestern Bell Telephone Company.

Notice to Customers of Other Telephone Companies

While Southwestern Bell has proposed no increase in rates for intraLATA interexchange toll services, any change in those rates could also affect customers of other telephone companies. Southwestern Bell is proposing changes in the structure of the present private line and foreign exchange services. Changes in these rates may affect customers of other telephone companies. Any change in the rates for any interLATA services offered by AT&T or a subsidiary after January 1, 1984, could affect customers of other telephone companies.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel de tarifas para servicio de teléfono en Texas, con vigencia a partir del 1o de agosto de 1983, a menos que la Comisión haga otra determinación.

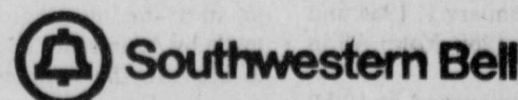

Una copia completa del nuevo arancel de tarifas se ha archivado en las oficinas del Public Utility Commission (PUC, ó Comisión de Servicios Públicos) de Texas en Austin, Texas, al igual que en cada municipalidad afectada y que se servirá por Southwestern Bell, y dicho arancel está disponible para inspección pública en todas las oficinas de Southwestern Bell en Texas. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios cada vez que Southwestern Bell solicite un cambio en dichas tarifas.

Como resultado del arreglo judicial al cual se llegó tras el proceso legal entablado en contra de AT&T por el U.S. Department of Justice (Departamento de Justicia), Southwestern Bell dejará de formar parte del Bell System (Sistema Bell) a partir del 1o de enero de 1984 (ó en la fecha que disponga el United States District Court — Tribunal Federal de Distrito), e llegará a ser posesión de accionistas públicos. Bajo las condiciones de dicho arreglo, Southwestern Bell ha identificado 15 regiones dentro del Estado de Texas en las cuales puede proporcionar servicio, y el tribunal federal con jurisdicción en el arreglo ha dado su aprobación provisoria a éstas regiones, que se denominan "LATAs" (Local Access and Transport Area, ó Regiones Locales de Acceso y Transporte). A partir de fecha 1o de enero de 1984 aproximadamente, Southwestern Bell no podrá proporcionar servicio entre dichas LATAs, y además deberá ceder a AT&T todo equipo ubicado en premisas de clientes y alquilado a los mismos.

Estos cambios se han incluido en el propuesto arancel de tarifas de servicio revisado que Southwestern Bell ha archivado con la PUC. Dichas tarifas tendrían vigencia a partir del 1o de agosto de 1983, a menos que fueran suspendidas por la PUC; sin embargo, se espera que si serán suspendidas, y que las tarifas que en último caso establezca la PUC entrarán en vigor a partir de fecha 1o de enero de 1984 aproximadamente. Si las tarifas entrarán en vigor tal y como se han archivadas, aumentarían en un 48.2% los ingresos no-ajustados de Southwestern Bell para año de prueba (unadjusted test year revenues), ó sea un aumento de 76.36% en los ingresos de Southwestern Bell para año de prueba, ajustados para reflejar el efecto del despojo entre Southwestern Bell y AT&T. Cualquier cambio en las tarifas para cualquier servicio tipo-interLATA que proporcione AT&T ó una compañía subsidiaria después del 1o de enero de 1984 podría afectar a los clientes de Southwestern Bell Telephone Company.

Aviso a los Clientes de Otras Compañías de Teléfono

Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para servicios tipo "intraLATA interexchange toll", cualquier cambio en dichas tarifas también podría afectar a los clientes de otras compañías de servicio telefónico. Southwestern Bell está proponiendo cambios en la estructura de los servicios actuales de línea privada (private line) y de intercambio extranjero (foreign exchange). Cambios en las tarifas para dichos servicios podrían afectar a los clientes de otras compañías de servicio telefónico. Cualquier cambio en las tarifas para cualquier servicio tipo-interLATA que proporcione AT&T ó una compañía subsidiaria después del 1o de enero de 1984 podría afectar a los clientes de otras compañías de servicio telefónico.

Commissioners Court

A request from Kent Covington in precinct four to level ground where railroad tracks were once laid near Dougherty. Motion by Lackey and seconded by Jarrett to do the leveling. Vote: All for.

A motion from Jarrett and seconded by Warren to clean up and improve land ten miles north of Lockney for Hazel Johnson. Vote: All in favor.

L.L. Hooten, two miles south of Lockney, made a request for clean up and improvement. A motion by Jarrett and seconded by Lackey made this requested decided to be carried out. Vote: All in favor.

A motion by Spence and seconded by Jarrett to clean out a tank located eight miles west of Floydada for Pat Frizzell. Vote: All for.

Judge Smith read a letter from the Texas State Highway Commission regarding the trip to Austin. The letter stated it would be at a later date before the Commission would make a ruling on the farm to market road. Judge Smith expressed to the court that he is very optimistic about their decision.

Judge Smith also informed the court that he received the grant to purchase a new base two-way radio and repeater for the Sheriff's Department. The grant is for \$10,000.

Judge Smith announced that County Clerk Margaret Collier has gone on a short vacation. Marilyn Holcomb has been hired to aid deputy Mary Shurbet. Warren made a motion to change line items from supplies to fees for this event. This was seconded by Spence. Vote: All in favor.

It was announced that the Floyd County Canary in Lockney opened officially July 1 with a motion from Warren and seconded by Jarrett. Vote: All in favor. The cost of the cans will be 20 cents for in-county and 25 cents for out-of-county. A new sealer will arrive in a few days and the old one will be used for parts.

The lease agreement between Floyd County and the Caprock Community Action Association was discussed. The agreement is for the Caprock CAA to pay for the community van and its upkeep, and insurance. The County will

allow the Caprock CAA to use the van to transport people around Floyd County. Fees will be donated to UMTA. The agreement started January 1-December 31 of 1983. The cost to the county will be only \$500 for rental fees. Spence made a motion and Warren seconded it to sign the agreement. Vote: All in favor.

Lackey made a motion to accept a bid for a new Catapiller tractor and trade one in for precinct four. The motion was seconded by Jarrett. Vote: All in favor.

At 10:00 the Library board, led by June Ware and Frances Staniforth, met with the court to discuss a new library. Mrs. Ware informed the court that the Farris home located on the corner of Third and Georgia has been donated to be a new library. Mrs. Staniforth proposed a grant proposal for \$100,000. The deadline for this pre-application is August 1st. If the pre-application is approved, the application deadline is October 15. The County would have to budget \$60,000 for the next three years to add to the grant. The Library board would raise \$20,000 for the next three years. The Farris home would need to be remodeled and have a wing added. The completion date would be April 1986. The grant application is based on county-wide unemployment. A motion was made by Spence and seconded by Warren to agree to the donation of the home and authorize the Judge to sign the pre-application only was made. Vote: For Warren and Spence, against Lackey, Jarrett, and Judge Smith. The court then decided to discuss this at a special meeting on July 18.

The Child Welfare board met with the court to renew the contract. Funds for this board is set at 300 dollars. A motion by Spence and seconded by Jarrett was made to continue this arrangement. Vote: All for.

The Floyd County Museum representatives then came to the court. They asked to continue to be placed on Revenue Sharing, but doesn't need a separate budget.

Ritchie Crow introduced the court to Mary Kay Smith True. She has been selected as the Extension Agent for home economics. A motion was made by Jarrett and seconded by Lackey for Mrs. True to assume this position. Vote: All for. Her duties begin August 1.

Judge Smith then read the contract with the Floyd County Central Appraisal District. A motion made by Spence and seconded by Warren authorized Judge Smith to sign the contract. Vote: All for.

A motion was made by Jarrett and seconded by Warren to change the following line items: money from supplies to extra employees, from prison care to the sheriff's telephone, and extra labor to parts and repair for precinct two. Vote: All for. A motion was made by Lackey and seconded by Spence to change \$60,000 from road and bridge to each precinct. Vote: All for.

Bobbie Hamilton discussed budget needs for the County Auditor's office. This office request a new calculator, a bookkeeper, salary increase, and to start saving for a computer.

Glenna Orman, County Treasurer, asked for her budget to include a 10% salary increase, \$900 for travel expenses, a new adding machine, a small table for record books, \$900 for supplies and improvement.

Margaret Collier, County Clerk, requested a salary increase, \$3,000 for supplies, a new calculator, and saving for a new index file that will be needed soon.

Bill Hendrix proposed a contract renewal with the Lubbock Youth Center for youth probation. The fee from the county will be \$1,250.89.

Jonelle Fawver of the tax assessor/collector office requested a 5% salary increase, a salary increase and notarize her deputy, \$1,000 in supplies, check into a computer service in Plainview for voter registration which would cost \$150.00 a week, for next years budget.

Sandra Crawford, Librarian, requested for next year's budget, \$500 for extra employees, same amount as last year for equipment and supplies, a new filing cabinet and new shelves, and to keep the same amount for book orders.

District Clerk, Mary McPheerson, requested a salary increase. She doesn't need any new equipment or supplies.

Adult Probation Officer, Polly Campbell, has asked for a new legal size filing cabinet, book shelves, calculator and typewriter.

Judge Smith read the minutes from the previous meeting. They were approved. Meeting was adjourned.

Insurance fund awarded to city

Mayor Parnell Powell, announced recently, that the City of Floydada has received a \$3,100.00 dividend from the Texas Municipal League Workers' Compensation Joint Insurance Fund.

The dividend represents the City's share of the Fund's annual excess contribution return which this year totaled \$3,433,894.

According to Mayor Powell, the city is one of only 409 Texas cities to receive a dividend check. He attributes this to the city's employee accident prevention efforts as well as the overall financial and operating success of the TML Fund.

The Fund is a unique legal arrangement wherein 635 participating members collectively provide workers' compensation insurance protection to their combined 88,000 municipal employees. Marvin Townsend, City Manager of Laredo and Chairman of the Board of Trustees, expressed pride in the fact that the TML Fund cities enjoy a better loss ratio than all Texas commercial policyholders combined. "The dividend check received by the City of Floydada is clear documentation of the success experienced by the City and the other 635 TML Fund members".

Cost savings have been a characteristic of the TML Fund since its inception nine years ago. Cities receive an immediate 25 percent front-end discount from standard commercial premiums each year. Cash dividends follow at year end and reflect overall healthy operating results; dividends have amounted to more than \$11 million in returns to Texas cities since 1974.

Brown named outstanding young man of America

The Jaycees of America have recognized their Outstanding Young Men of America. Gary Brown of Floydada has received notice that he has been selected to this group of men.

A certificate has been presented to Brown which states "he has been selected as an Outstanding Young Man of America for 1983 in recognition of outstanding professional achievement, superior leadership ability and exceptional service to the community."

Brown, vice-president of First National Bank of Floydada, is active in Lions Club, having been president for the past two years; treasurer for the Floydada Boy Scout Council; president of the Floydada Rehabilitation Housing program and one of the board of directors for the Chamber of Commerce.

He is an adult 4-H leader, a member of Floyd County and Floydada Stock Show boards, and member of the board for the FFA chapter. He is active in Floydada Little Dribblers, Floydada Baseball Association and the First Baptist Church.

The Browns have been residents of Floydada for six years. Brown's wife, Charlene, is a professional in child care. They have three children, Jason, an eighth grader; Roxene, a sixth grader; and Rheelene, a third grader.

MR. AND MRS. FRANK DOUGLAS PAGE

May wedding unites Page and Johnston

Mr. and Mrs. Frank Douglas Page are residing at 6506 Woodhue in Austin following their May 28th wedding. Mrs. Page is the former Rhonda Pierce Johnston, daughter of Mr. and Mrs. Neil Pierce of Floydada. The groom is the son of Mr. and Mrs. Joseph A. Page of Austin.

The Pierce home was the setting for the 10:30 a.m. vows performed by Hollis Payne. The double ring ceremony was performed before a fireplace banked with greenery and variegated burgundy and rose silk flowers of the bride's chosen colors.

Miss Lou Ellen Pierce of Austin, sister of the bride, was maid of honor. Susan McHam of Fairview community, sister of the bride, was bridesmaid. Joe and Billy Page of Austin, brothers of the groom, were groomsmen.

Escorted by her father, the bride wore a formal gown of white organza fashioned with a high neckline of Val lace. Full bishop sleeves were caught at the wrist by lace ruffles. Bands of matching lace accented the

softly gathered A-line skirt. She wore a veil of Venice lace and daisies holding a three-quarter length tier illusion edged in lace.

For something old the bride wore a diamond pin belonging to her grandmother, Betty Patterson. Something borrowed was her wedding gown belonging to her sister, Susan. She also wore the traditional blue garter for something blue.

The bride carried a colonial style bouquet of mixed silk flowers of burgundy and rose. Robin Pierce of Paris, niece of the bride, was flower girl. The female attendants wore dresses of lace and flowery print, made and designed by Mrs. McHam.

Following the wedding, a reception was held in the Pierce home. The serving table was laid with a white lace cloth accented by brass holders with burgundy tapers. The three tiered cake topped with wedding bells was made by the bride's mother and decorated by her aunt, Myrtle Finley. Ann Duff from Lubbock, cousin of the bride, and Tanya Pierce of Paris, her sister-in-law, served guests cake and punch.

The bride and groom are both employed by the federal government in Austin.

Heflin feted with lingerie shower

Shawnda Heflin, bride-elect of Bart Greer, was honored with a lingerie shower on Thursday, July 7, at the Olde White House. Hostesses for the occasion were Mitzi Nixon and Rosemary Finley.

The refreshment table featured peach and yellow flowers. Punch and an assortment of cookies were served by the hostesses.

Those attending and sending gifts included LaDonna and Linda Heflin, Cindy Martin, Jana Mapp, Kari Guinn, Lisa Horne, Kathy Hicks, Celia Wheeler, Atha Sue, Vickie James, Melissa Hale, Lisa Welborn and Diane McAllister.

Double-ring ceremony joins Patterson, Elliott

Marriage vows were exchanged by Karen Janette Patterson and Jackie Lee Elliott at 6 p.m. Friday, June 24, at the First Baptist Church in Floydada. Elder Joe Jackson, of the New Salem Primitive Baptist Church in Cone, read the vows.

The date chosen is also the anniversary of the bride's sister and her husband.

The couple are the son and daughter of the late Mr. and Mrs. Odis Elliott and Mr. and Mrs. Adrian West of Floydada.

The altar was decorated in the center by a 15-branch arch brass candelabra. This was flanked by two 15-branch spiral candelabra, also in brass. Two seven-branch brass candelabra completed the altar arrangement. The aisle was marked with four-brass hurricane lanterns on the family pews. All candelabra were decorated with draped plumosa greenery, orchid bows and carnations and yellow daisies. Orchid candles complemented the flowers.

Musical selections were presented by cousins of the bride, Mr. and Mrs. Andy Coats of Lubbock, vocalist; also Mrs. Hollis Payne of Floydada, pianist and singer; and Janis Sims, Lubbock, pianist. Songs presented were "The Rose," "Endless Love," "The Wedding Song," "If," and "Theme from Ice Castles."

Mrs. Gary Vick, cousin of the bride, presided at the register.

For her wedding, the bride chose a candlelight gown designed by Mi Deb of New York. The high neckline was outlined in Alencon lace with an illusion yoke. The moulded bodice was covered in Alencon lace and seed pearls. The candlestick sleeves were enhanced by Alencon lace appliques.

The A-line skirt fell to floor length and swept to back fullness with appliques on the front skirt and a lace border on the hemline. The back skirt featured a crystal pleated ruffle and heavily detailed Alencon lace on the chapel length train.

To complete her ensemble, the bride wore a candlelight hat by Alter Bound. The derby hat was covered in Alencon lace and scattered seed pearls. Gathered illusion was attached to the back of the hat and fell to shoulder length.

Her bouquet consisted of silk lavender roses, candlelight lace and candlelight roses. Streamers of lavender and candlelight accented her flowers.

Following tradition the bride had as something old, her and her mother's first wedding rings tied into her bouquet, along with the first wedding rings of the groom and his mother; something new was her attire and a sapphire necklace, which was a gift from the groom; something borrowed

was her baby bracelet, which was also entwined in her bouquet; and something blue was her garter. She wore pennies in her shoes with the birth dates of her and the groom.

Matron of honor, Mrs. Lynn Martin, a sister of the bride of Bowie, wore a dress of lavender lace over lavender silk, with a Victorian neckline and A-line skirt.

Mrs. Nancy Barker and Mrs. Kurt Miner, both of Floydada, were bridesmaids. Their dresses were of lavender organza, A-line skirts and lavender lace Victorian necklines. Buttons were all the way down the back. They carried bouquets of silk lavender and dark purple roses and candlelight daisies.

Miss Krissy Patterson, daughter of the bride of Floydada, carried a candlelight lace basket with lavender and dark purple roses with a lavender bow on each side.

Shane Martin, nephew of the bride of Bowie, carried a candlelight heart shaped pillow with Chantilly lace and seeded pearls. Candlelight streamers held the rings.

Mr. G.L. Hight of Lockney was best man. Attending as groomsmen were Mr. Elmer Swaffar and Mr. D.L. Miller, both of Floydada.

Keith Hight of Lockney and Johnnie Turpen of Plainview served as ushers.

Candlelighters were cousins of the bride, Neva West and Tammi Galloway, both of Floydada.

Following the ceremony a reception was held in the Wall Street Parlor with approximately 30 guests attending.

A special guest was the bride's grandmother, Mrs. Alta Martin of Crosbyton.

The reception table was covered with a candlelight tablecloth and decorated with a five-candle candelabra centerpiece with silk lavender and dark purple roses.

The three-tier candlelight cake was decorated with lavender roses and dark purple gardenias. A ceramic bride and groom, specially painted to resemble the couple, complimented the top of the cake.

Jana Finley passed out lavender satin rose rice bags. The basket was decorated with lavender ribbons and bows.

Punch was served by Mrs. G.L. Hight. Mrs. Scott Graham and Mrs. Woodrow Brints presided at the cake.

For departing on a week-long wedding trip to Las Vegas, Nevada, the bride chose a candlelight street dress. The groom was attired in jeans, western shirt and hat. The couple is now at home in the Sandhill community.

The bride is a 1975 graduate of Floydada High School. The groom, a 1973 FHS graduate is engaged in farming.

OBITUARIES

WILSON BOND
Wilson Gordon Bond, 60, businessman and civic leader, died Friday, July 8.

Services were held at 3 p.m. Sunday in First Baptist Church. Dr. Floyd C. Bradley, pastor, and the Rev. David Seay, associate pastor, officiated. Burial was in Floyd County Memorial Park Cemetery by Moore-Rose Funeral Home.

Mr. Bond, born in Floydada, moved to Amarillo in 1941 and returned to Floydada in 1963 from Andrews.

He earned his bachelor's and master's degrees in business administration from West Texas State University in Canyon.

He was in the real estate business and had been active in organizing credit unions in the Floydada and in the Andrews Public Schools.

He was a veteran of Navy service in World War II and Army service during the Korean War. He taught in the business department of Andrews High School for eight years before returning to Floydada.

He also had worked as a reporter for the Andrews County newspaper and was co-author of a history of Andrews county.

He taught Sunday school at the First Baptist Church and was president of the Floydada Lions Club and of the Floyd County Library Board. He was also a director of the South Plains Mental Health Center and Massie Activity Center. He had served as a Boy Scout leader in Floydada and was a sponsor of the Future Teachers of America chapter and the Foreign Student Exchange program in the Andrews schools.

Work with Boy Scouts, begun in 1963 and during which 17 Spanish-speaking boys attained the Eagle Scout rank, earned Bond the Silver Beaver honor.

He married Mamie Margarette Wasson September 2, 1947 in Amarillo.

Survivors include his wife; two sons, Gregory Edwin Bond of Floydada and Gordon Scott Bond of Fort Worth; a sister, Martin Louise Orr of Denver City; a brother, Kennison Bond of Amarillo; and a grandchild.

The family requests memorials be made to the Floydada Lions Club Boy Scout Scholarship or to the American Cancer Society.

PUBLIC NOTICE

At the request of the Office of the General Counsel of the Public Utility Commission, the Commission has established Docket No. 5113 to inquire into pressing issues involving the entire telephone industry in Texas. Docket No. 5113 will deal with many issues resulting from the impending divestiture of American Telephone and Telegraph Company and Southwestern Bell Telephone Company. Some of those issues include establishing the service areas of Southwestern Bell after divestiture and assessing the impact on other telephone companies in Texas, including General Telephone Of The Southwest, of current settlement arrangements between Southwestern Bell and those companies. Additionally, Docket No. 5113 will deal with the issues arising from the Federal Communications Commission's Final Order in Docket 78-72 (the Access Charge Docket) as they impact all telephone companies, including General Telephone Company Of The Southwest. It is anticipated that Docket No. 5113 will be evidentiary in nature. RATES FOR GENERAL TELEPHONE COMPANY OF THE SOUTHWEST MAY BE DETERMINED BY THE COMMISSION IN OR AS A RESULT OF THIS PROCEEDING. Interested parties seeking further information or desiring to participate in Docket No. 5113 are advised to write to Rhonda Colbert Ryan, Secretary and Director of Hearings, Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757 or telephone the Public Utility Commission Consumer Affairs Division at (512)458-0223 or 458-0227, or (512) 458-0221 TTY for the deaf.

CHOOSING AN INSECTICIDE

Choosing an insecticide should be a decision many gardeners need make only once! Good control of garden pests can be best obtained by using one of the several all-purpose insecticides available from local garden supply centers. Such spray formulations are designed to kill a broad spectrum of insects. Those ideally suited for use by home garden-

ers are labeled for use on most vegetables, fruit and crops and ornamentals around the home. Once you become familiar with a product and it does the job, it makes sense to standardize. Become familiar with your product and stick with it!

What to look for in an insecticide formulation? Broad-spectrum action is particularly important because there are many classifications of insects. Some literally suck the juices out of the plant. Some eat the leaves. Some bore into the stem. Perhaps the broadest spectrum insecticide on the market today is malathion. Malathion controls an unusually wide variety of different insects. It's an established, reliable performer, and consequently is found in many garden protection products produced by many manufacturers.

When choosing an all-purpose insecticide, check the product label. Verify that the active ingredients listed are of low toxicity and are recommended specifically for the plants, fruit or vegetables you have in your own garden. One additional advantage malathion provides home vegetable growers is insect protection that extends close to harvest. This means that interval between last spray and picking is very short. The permitted time intervals is shown on the label.

Most insecticides are available as emulsifiable concentrates, wettable powders, or dusts. Follow label directions exactly, mix only the amount you need, and spray at the first sign of insect trouble. Make sure you get good overall coverage and pay particular attention to leaf undersides, which are often neglected. Other tips for best results: don't spray in hot sun, or on a windy day. The best time to apply your insecticide is early morning or late afternoon.

To sum it all up - unless you plan to develop enough expertise to use special-purpose insecticides, your best bet is to choose a good all-purpose

product. Those available today are tried and true, and they do a good job. Use only when necessary, but use your general-purpose insecticide exactly as described on the label. You should get very good results.

BY RICHARD CROW

I believe the crops that were planted in Floyd County have finally started growing. The hot weather we have been receiving the past two weeks has been very helpful. The most significant agricultural-related happening in Floyd County seems to be wheat harvest, cultivation, and irrigation of crops. Most of the county has not received any moisture to speak of except for small heat showers. The area that is the exception is the McCoy area. They received a hail Thursday, June 30th along with 2 to 3 inches of rain. The hardest hit area started at the McCoy Gin, being about 2 miles wide and 3 miles east. Except for this area the county as a whole could stand a good rain, without the hard stuff.

It seems most of the wheat acreage has been harvested. The yields from around the county were varied. Yields around 85 bu./acre were reported around Lockney.

Range and pastures are beginning to suffer. This is due to lack of moisture. With grass in short supply many

Texas Grain Sorghum Producers Board slates September election

Grain Sorghum farmers in a 29-county area of the Texas High Plains will elect four members to the Texas Grain Sorghum Producers Board on September 15. Terms of four current board members expire at that time. They are Paul Cobb of Plains; Lee Hill of Dalhart; C.C. Reed of Kress and Olan "Jack" Crowl of Morse. All incumbents are eligible for re-election to the six-year, non-salaried position as long as they are bona fide grain sorghum producers.

Any person in the 29-county TFSBP area who produces grain sorghum and

is subject to the board assessment is eligible to vote, including owners of farms and their tenants and sharecroppers. Any person eligible to vote is also eligible to make nominations for director.

Qualified persons wishing to have their names placed in nomination for membership on the Board may do so by application to the organization, signed by himself and ten others who are eligible to vote. All nominations must be filed by August 15 at the TGSPB office, Box R, Abernathy, Texas 79311 to allow time for adding their names to

the ballot. Forms are available at that office.

Ballots will be mailed to voters and must be returned to the TGSPB office by September 15. Any person qualified to vote who does not receive a ballot by September 1, may obtain one at his County Agent's office.

Counties involved are Armstrong, Bailey, Briscoe, Carson, Castro, Cochran, Crosby, Dallam, Dawson, Deaf Smith, Floyd, Gaines, Hale, Hansford, Hartley, Hockley, Hutchinson, Lamb, Lubbock, Lynn, Moore, Oldham, Parmer, Potter, Randall, Sherman, Swisher, Terry and Yoakum.

Annual Field Day set

The Annual Field Day at the Texas Agricultural Experiment Station, North Plains Research Field, will be August 17, 1983 at 1:00 p.m., according to Dr. G.B. Thompson, Research Director at the Texas A&M Research and Extension Center in Amarillo. Arrangements for the event are being made by Cecil Regier, Manager of the Etter facility. Thompson invites everyone to observe research that will lead to more productive and profitable agricultural in the High Plains.

The event will start at the "West Campus", one-half mile east of the

intersection of U.S. 287 and F.M. 281 at Etter. At this location, cultural practices, timing of irrigation, sprinkler automation, and chemigation under center pivot irrigation will be shown and discussed.

Later at the "East Campus" near the headquarters building, corn, sorghum, and cotton variety trials will be shown. The efficiency of a furrow irrigation system that practically eliminates tailwater will be explained. Economical methods of managing PIK acres and research on death losses in cattle will be presented.

County Agent's Corner

livestock producers are being forced to sell some cattle. Last weeks cattle markets were down at Floydada, probably due to July 4th weekend and lack of rain.

Precipitation records for Floydada indicate that in the next three weeks the chances of getting 3.1, and 0.4 or more inches of rain are 20, 59, and 78%, respectively. The most ever occurring at Floydada in 36 years is 6.9 inches and the mean value for the three weeks ahead is 1.8 inches. The chance is 11% that it will not rain during the period.

If anyone is interested in looking at Johnson grass control you may want to attend a turnrow meeting Saturday, July 9, at 9:00 a.m. at the James Hinton farm, 1 1/2 miles south of Hwy 70 on Hwy 28 or 1 mile north of Dougherty on Hwy 28. The main chemicals under observation are Fusilade TM, Poast TM, and Dowco 453 TM.

I believe that if you're interested in controlling your grass problems you will try and look at these plots, they are very drastic. I hope that representatives with these chemicals will be present to

answer all your questions.

Floydada City Council
Continued from page 1

Oscar Outlaw then met with the council to discuss water service for his home outside the city limits. He was told he would have to tap into the city line at Ollie Street and then run his own line south. He would also have to talk to the County Judge or Commissioners Court and to the property owners of the land he would cross. The cost would be \$125.00 for tapping, \$50.00 deposit, and \$17.50 a month for his bill. A motion was made by Burns and seconded by Adams to allow the city to tap into the line for him. Vote: All for.

The council decided to send Bobby Welborn, Carroll Sims and Dinks Eckert to Fire School at A&M. Fire Marshall Welborn must attend. Credit is given on the other two firemen attending. Registration cost is \$450.00. A motion was made by Burns and seconded by Breed to send them but they must drive during the day and not at night. Vote: All for.

Rick and Regi Holland from Plainview met with the council and presented the options of the city owning its own telephone system and a new radio base system. The radio would place fire, municipal, and storm watch in one service and be controlled from the basement at the Fire Hall. The council decided to check into it further.

A representative for Centel Corporation of Amarillo also presented an opportunity for the city owned telephone system. This system is similar to the system already used by the city. Council decided to check into this further also.

The discussion on the 1983 city tax rate was tabled till all council members can meet together. A motion was made

by Burns and seconded by Adams to renew the contract with the Floyd County Central Appraisal Board. Vote: All for.

A motion by Adams and seconded by Burns was made to keep the same 1:1 ratio on retirement contributions for retired workers of 28 years. This plan will save the city \$3,000 a year. Vote: All for.

A new city ordinance will be drawn up to change the speed limit on Missouri Street from 4th Street to 8th Street to 20 miles per hour. The present speed limit is 30. Fourth Street is west of the Post Office and Eighth Street is east of the railroad tracks at Producers Cooperative Elevator. This ordinance will be ready for the next council meeting.

City Manager Feuerbacher was instructed to inform businesses of Floydada to keep their property clean and free from weeds. They will send letters informing each business the condition of their property.

The City Council approved the appointment of Fred Zimmerman III, Jack Lackey, Eddie Teeter, Tom Duvall, and Adrain Helms to the Floyd County Central Appraisal Board with a motion from Adams and seconded by Breed. Vote: All for.

The council tabled the discussion of purchasing a new 4-door sedan for the Police Department. It was decided each police car be serviced every 15,000 miles and for a record to be kept.

A motion was made by Adams to appoint James Hale as assistant Police Chief. This was seconded by Breed. Vote: All for.

Burns made a motion to pay the bills for the month of June. It was seconded by Adams. Vote: All for.

The meeting was then adjourned.

Europe brought to Floydada in Cavalli

By Hope Warren
Angela Cavalli from Parma Italy, is a guest in the home of Ritchie and Sue Crow. Miss Cavalli is with the International 4-H Youth Exchange.

Miss Cavalli came to the United States and arrived in New York City on July 7. The group went to the National 4-H Center for orientation. The next day she flew to Dallas. She attended another orientation and received her schedule. She then flew to Lubbock and the Crows picked her up at 6:30 p.m. She will be with the Crows until July 19 and in different Texas cities for two weeks at a time until October 14.

Miss Cavalli is 20 years old and lives on a dairy farm 10 kilometers from Parma, Italy. On her family farm, dairy cows are raised. The milk from these cows is sent to a cooperative and used to make parmesan cheese. Angela Cavalli is a bookkeeper for her farm and a translator in a nearby factory.

After finishing school at age 14, she went on to Language School and can now speak English, German, French and Italian.

She has two brothers and two sisters. Angela isn't the only member of her family involved in the Youth Exchange, one of her brothers is in Pennsylvania.

Miss Cavalli came to learn about American agriculture and American lifestyle. Many things have interested her. In Italy the only time they use ice is in Cokes. She also is amazed with cars and houses. In Italy they have big houses and small cars. In America its big cars and small houses. She also says the people are very friendly here.

The Crows are planning to take her to

Hearing Tests Set For Floydada

FLOYDADA-Electronic hearing tests will be given in the Senior Citizens Center on Wednesday, July 20th from 10:00 a.m. to 12:00 noon.

Charley Haney, FAC: factory-trained Hearing Aid Specialist will be in the Senior Citizens Center at 301 E. Georgia to perform the tests.

Anyone who has trouble hearing or understanding speech clearly is welcome to have a test using modern electronic equipment to determine if his loss is one which can be helped. Some of the causes of hearing loss will be explained and diagrams of how the ear works will be shown.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Free service is available for all makes of Hearing Aids. Everyone wearing a hearing aid should have it serviced regularly.

The free hearing test will be given Wednesday from 10:00 a.m. to 12:00 noon in the Senior Citizens Center. If you can't get there on Wednesday call 983-2032 or our Plainview office, 806-293-8585 and arrange for an appointment at another time. In home testing is also available.

Nauro moves to make more land available to veterans

Texas Land Commissioner Garry Mauro announced recently that the Veterans Land Board has abolished the "subdivision rule" restrictions applied to larger tracts of land designated for purchase by the Veterans Land Board.

The "subdivision rule" of the Veterans Land Program, which prohibited the Board from buying more than 20 percent of the unsold acreage of larger subdivisions, was eliminated at the recommendation of Commissioner Mauro during the June 24 meeting of the Veterans Land Board. The ruling is effective immediately.

The rule, which had been suspended for study by the Board since March 21, was intended to insure that the Veterans Land Board did not concentrate its land purchases in any single geographic area of the state.

Mauro, who serves as Chairman of the Veterans Land Board, said, "After consulting with Texas realtors, veterans and lending institutions, I am convinced

the elimination of the subdivision rule will help make higher quality land available at a cheaper price which will be closer to the urban areas where most of our Texas veterans now live."

"By allowing sellers to designate as many 10 acre tracts in a subdivision as they wish for purchase by the Veterans Land Board, we will encourage development and open up more tracts which will give our veterans a greater selection," Mauro explained.

"This policy change will benefit realtors, real estate developers, individual land sellers, and veterans. This ruling is in keeping with my pledge to run the Veterans Land Program like a business and meet the changing needs of our contemporary Texas veterans," Mauro said.

Mauro said the Board will continue to insure the equitable distribution of Board purchases in all market areas of the state and will reserve the right to reinstate the subdivision rule if needed.

Center News

BY MRS. J.E. GREEN

Tuesday, July 5:
We have had some wind today. I have been organizing a quilt. Not there by any means. When a grandchild graduates from high school and intends to go on to college, he has earned a dormitory quilt. I am two behind now and September soon will be here.

The 4th has come and gone. Sunday at church we sang patriotic songs. Good old America!

And I had a nice surprise when church was dismissed. A granddaughter and family, Sarah and Doug Chandler and Bo (3 year old great-grand) arrived from Lubbock-after Sunday school. Since their dinner was already cooked, they picked it up and brought it along. So we had a feast. Yes, Bo likes ice cream and watermelon, too. We had a good time.

Mr. and Mrs. Anthony Latta had their children home for Sunday dinner. Mrs. Latta was feeling better.

The Henry Brewers spent over the weekend visiting relatives in Wichita Falls.

I got my lawn mowed Saturday. Looks better. Now if we could have a good rain.

Now our sick! Wiley Rogers and Bro. Muncy about the same. And Mrs. Ashton. Let us remember these and the family who lost their home by fire.

The Mayfields attended a reunion in Crosbyton over the weekend.

(Connie) Peacock of Houston and Jim Riley Mayfield of Iowa were the only ones of the immediate family unable to attend. Relatives attended from New Home, Seminole, Idalou, Floydada, Amarillo, Henrietta (Texas) and the Crosbyton area.

Mrs. Roe Jones spent the July 4th weekend in Amarillo with a daughter and family, Clara Mae Hale.

Mrs. Elmer Warren is at home but not so well.

Wiley Rogers is doing pretty well. They have company-a daughter and her daughter from Amarillo.

Don Clark and Betty Lou Green of Big Spring arrived Sunday P.M. at Ma Greens and spent the night. Good!

The Henry Brewers and the Watsons spent Sunday in Lubbock visiting some of their children and a relative in the hospital.

Mrs. Anthony Latta left Friday to fly to California to be with a sister whose husband died suddenly Thursday. Our sympathy is with the loved ones.

Nut named to ACU honor roll

Daniel Lee Nutt, the son of Mr. and Mrs. Edward Lee Nutt of Route 3, is among 575 students listed on the spring 1983 Dean's Honor Roll at Abilene Christian University.

To be listed on the Dean's Honor Roll, a student must be enrolled for at least 12 semester hours for a grade and earn a 3.5 grade point average or higher.

ACU is the fourth largest private university in Texas and the largest nationwide of those affiliated with the Churches of Christ. Enrollment in the four undergraduate colleges and the graduate school averages more than 4,500 each fall.

Letter to the Editor

Editor,
Before the parades begin or the food is prepared, take a moment to ponder the practical philosophy of Abraham Lincoln.

"...We are bound together in patriotism and our attachment to our country...while some of us may differ in political opinions, still we are united...the legitimate object of the government is to do for the people what needs to be done...all sharing the privileges...this country belongs to the people." the 16th President eloquently emphasized over a century ago.

Lincoln's words continue to inspire the citizenry. We should utilize his positive political prose as a pattern for demonstrating democracy in today's world.

Dear Editor:

The former residents of Floyd County cordially invite those of Floyd County who are interested, to come to our annual (14th) picnic to be held 20th August, 1983. The place will be the same, Balboa Park in San Diego. (Pine Grove area). It starts at 10:00 A.M. Everyone is welcome. We each bring covered dishes and beverages of our choice and have a regular pot luck feast! We enjoy talking about the good memories we have of living in Floyd County!

Sincerely yours,

Card of Thanks

Dear Friends:
Our family wants to say "Thank You" to each of you who prayed for us, sent flowers, cards, food, phone calls, made home visits, hospital visits, sat with Wilson while he was in the hospital, for those who mowed our yard and all expressions of concern and love for Wilson and our family.
We appreciate the Caprock Hospital administration, office, nursing staff, aides, housekeeping and kitchen staff for their care throughout Wilson's long stay. They gave more than just physical care, they showed their love and concern for Wilson and for all the members of our family and friends.
We "thank" Dr. Jack Jordan and Dr. S.K. Hong for their help and concern.
We are grateful to the Floydada Lions Club for setting up the "Wilson G. Bond Boy Scout Scholarship Memorial Fund" in appreciation of the work he did with the boy scouts. We are grateful that we were able to let Wilson know about this before his death.
Our thanks to all of you for your love, kindness, your concern and for just being our friends.

We Love You,
Mrs. Wilson G. Bond
Mr. & Mrs. Gregory Bond
Mr. & Mrs. Gordon Bond
and Clay

Mr. and Mrs. Wayne Appling moved into town during the Fourth of July weekend. They now live at 629 W. Lee. Catherine and Roy Miller of Tulia came over and helped them move.

MR. EMMITT LAWRENCE of the Floydada Nursing Home displays the letter and picture he recently received from President Reagan. Lawrence received the correspondence after sending the President his 250th owl. He is standing in front of his 100th and 200th owls.

Mrs. Roy Fawver was hostess in her home Wednesday to her 84 group. On Friday she went over to visit her granddaughter, Ann Carthel and new baby daughter, Cienna Beth. The ladies had the house to themselves as the little boys had gone to take their swimming

lessons.

Kathy and Heather Green of Lubbock visited her parents, the Billy Joe Hambrights, from Wednesday through Friday. Miss Terri Figg of Texas Tech visited the Hambrights over the weekend.

Mark and Steve Alldredge were home over the weekend.

Mr. and Mrs. Smoky Quilantan and daughters, Misses Mary Lou and Mary Ann took Jr. to McDonalds in Plainview for a birthday supper on July 5. On the day before, his sisters baked him a birthday cake. All enjoyed an evening of fireworks on July 4th.

Mrs. Buell Neff has been sewing for her family and celebrated the 4th of July at her sewing machine. Her company all came on Saturday. Donald and Pat Neff came over from Lubbock with Ona Ruth's new great-granddaughter, Amy Lynn. Her parents are Dwane and Tammy Neff. They all went out for supper. Later in the evening they stopped by at the Shorty Neffs and Edwin Neffs so they could all see the new baby.

Jean and Duane McClintock went to Midland for the McNabb family reunion on Saturday, July 2. Jean's mother's family had 13 members and eleven surviving. Each year one of the 13 children's family assumes responsibility for the family gathering. This year it was the turn for the cousins in Midland. They own a candle shop in the Mall there and took all the kinfolks on a tour of their store. Each year the host family does something different. One year all guests were given name tags and duplicate cards were dropped in a bowl for a door prize drawing. Each person always buys their own meals so there are no long hours spent standing over the cookstove getting meals ready for everyone. This year the McNabbs all met at a motel. The host family handed out play money labeled "McNabb Reunion," and offered beautiful candle rings from their store. Relatives could use the play money to bid on the candle they wanted. Some families went together to bid for large candles. All had a lot of fun and enjoyed the way their cousins had of giving them souvenirs of the reunion. Next year it will be Jean McClintock and her sister's turn to host the clan and they are already thinking up plans.

Mrs. Q.D. Williams went to Abilene Wednesday with her father, Edgar Jones. Doctors constructed a new ear drum for him from skin on the inside of his arm. He returned home Friday and is going about his regular work. A granddaughter, Miss Lou Lee, is staying with him at his ranch to make sure he takes his medicine and stays out of the hot sun.

Mr. and Mrs. Wayne Appling went to Crosbyton Friday to visit her brother-in-law, Ronnie Ellis and her sister, Ethna Mae Ellis. Mr. Ellis is still in the Crosbyton Hospital.

Mr. and Mrs. Duane McClintock returned home from Midland on Sunday by way of Christoval, Texas, where they stayed with Duane's sister, Mrs. Pauline Derden. Her daughter, Patsy Beets had arrived from Houston to be with her mother, who has recently had a cataract removed from her eye. Duane and Jean got there and found they had supper all ready for them. They returned home Monday.

The weather is still very hot and dry. No rain. Pastures are very dry. Several prairie fires around Crowell, on the Halsell and other ranches have been reported this past week. Cotton around the rolling plains area looks very good

despite the drought.

Among recent visitors at the Moosbergs have been Mrs. Donny (Carla) Winslow and Zade Lee from Duncan, Oklahoma. Carla came to attend the 1973 class reunion and meet the rest of the family for a visit. Also, Delice and Ken Steel of Perryton, June, Tommy and Rolf Sherman of Lockney, Mrs. Ed (Winifred) Lee of Matador. All the Moosbergs met at Plainview for church services at 6-p.m. Sunday evening. The new minister at Garland St. Church was their minister when the Moosbergs lived in Arkansas in 60's and 70's. After service the family all ate at Shermans at the Lone Star Community. Donny Winslow was the only member of the family missing. He was attending a golf tournament in Paris, Texas. This was the first time the three Moosberg sisters had all been at home at once since January 9, and a good time was enjoyed by all.

Tom Taylor, foreman of the Kirkpatrick ranch, south of Crosbyton, was seriously injured last week when a mean horse he was riding reared up and fell back on him. His pelvis bone was crushed and his condition was so serious that no visitors were allowed. He is at St. Mary's Hospital in Lubbock.

A good time was had by all. Lot of visiting and getting acquainted was enjoyed, along with games, music, singing, fishing, swimming and lots of good food. They plan to gather again in two years at the same time and the same place.

Floydada Nursing Home Happenings

BY WINONA JACKSON

This week has been exciting! The excitement was the birth of Steve and Stacy Westbrook's new baby boy who was born on the 4th of July. Then on the 5th of July Paul and Dortha Westbrook were blessed with another grandchild, a baby girl.

Saturday Bob Stanley's family brought a birthday party to him...with cake and family fellowship.

Monday was the 4th of July and the Companions 'n Caring volunteers hosted an ice cream party for the residents. Everyone enjoyed the party so much. There were lots of second and third helpings! Thank you, friends, for remembering the resident's holiday in this special way.

On Tuesday Rev. Earl Blair from First United Methodist Church led devotions for us again and Mary Corley came just in time to play the piano for us. Neeley and Zelma will be back next week for Tuesday's devotions. Everyone has enjoyed Rev. Blair so much and we all appreciate his being with us these past two weeks. Thank you, Rev. Blair!

Tuesday's Bible study was attended by Emmitt, Lura, Mrs. Bernie, Irene, Bennie, Addie, Ann and Ruth.

On Wednesday everyone was ready for...bingo! Sue wasn't feeling well and she really hated to miss the bingo games...and everyone else sure missed her! Emmitt and Vera won the most games. Addie and Bennie won two games and Lura, Mrs. Bernie, Hallie and Una won one game. Hallie was the black-out winner.

On Thursday, Vera, Mrs. Bernie and Alma had lots of guests during the day. They enjoyed this. Thursday afternoon,

we had a spelling "B". Lura, Una and Bennie were the last three spellers and Bennie won the "B" by spelling the word...scissors. The other spellers were Addie, Hallie, Iva, Irene, Clara and Alta.

Friday was movies and popcorn. I was busy helping Emmitt with his owl "making" and missed the movie but Iva told me it was one of the best ones and she should know...she always sees all the movies.

Wendy hasn't been feeling well this week. We all have missed not having her at tea time devotions. Wendy is in constant pain, but she is an inspiration to each of us by getting up each morning to plan this devotion time for the other residents. It is a special time of love, devotions, insights, prayers and just loving fellowship for each of us.

We have all missed Sue Thompson sitting in her special place in the lobby each day. Get well soon, Wendy and Sue!

PUBLIC NOTICE

At the request of the Office of the General Counsel of the Public Utility Commission, the Commission has established Docket No. 5113 to inquire into pressing issues involving the entire telephone industry in Texas. Docket No. 5113 will deal with many issues resulting from the impending divestiture of American Telephone and Telegraph Company and Southwestern Bell Telephone Company. Some of those issues include establishing the service areas of Southwestern Bell after divestiture and assessing the impact on other telephone companies in Texas of current settlement arrangements between Southwestern Bell and those companies. Additionally, Docket No. 5113 will deal with the issues arising from the Federal Communications Commission's Final Order in Docket 78-72 (the Access Charge Docket) as they impact all telephone companies. It is anticipated that Docket No. 5113 will be evidentiary in nature. RATES FOR SOUTHWESTERN BELL MAY BE DETERMINED BY THE COMMISSION IN OR AS A RESULT OF THIS PROCEEDING. Interested parties seeking further information or desiring to participate in Docket No. 5113 are advised to write to Rhonda Colbert Ryan, Secretary and Director of Hearings, Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757 or telephone the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or 458-0227, or (512) 458-0221 TTY for the deaf.

AVISO PÚBLICO

A solicitud de la Oficina de Consejo Legal (Office of the General Counsel) de la Comisión de Servicios Públicos (Public Utility Commission), la Comisión ha establecido la Acta No. 5113 con el fin de investigar asuntos de importancia que incumben a todas las compañías de servicio de teléfono en el Estado de Texas. La Acta No. 5113 tratará con muchos asuntos que resulten del despoamiento que está pendiente entre American Telephone and Telegraph Company y Southwestern Bell Telephone Company. Algunos de estos asuntos incluyen el de establecer las áreas de servicio de Southwestern Bell después del despoamiento y el de tasar los efectos de los arreglos judiciales que están en vigor entre Southwestern Bell y otras compañías de servicio de teléfono en el Estado de Texas. Adicionalmente, la Acta No. 5113 tratará con los asuntos que surjan del Decreto Final (Final Order) de la Comisión Federal de Comunicaciones (Federal Communications Commission) en la Acta No. 78-72 (ó sea la Acta de Cobros por Acceso — Access Charge Docket) en cuanto al efecto que tengan en las actividades de todas otras compañías de servicio de teléfono. Se anticipa que la Acta No. 5113 será probatoria. PUEDE QUE LAS TARIFAS QUE COBRE SOUTHWESTERN BELL SEAN DETERMINADAS POR LA COMISIÓN EN Ó COMO RESULTADO DE ÉSTE PROCESO. A las partes interesadas que busquen más información, ó que deseen participar en la Acta No. 5113, se les aconseja comunicarse por escrito con la Sra. Rhonda Colbert Ryan, Secretary and Director of Hearings (Secretaria y Directora de Vistas), Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, ó llamar a la Consumer Affairs Division (División de Asuntos de Consumidores) de la Public Utility Commission al (512) 458-0223, ó 458-0227, ó (512) 458-0221 TTY para aquellos que padecen de la sordera.
