The 1983 football season will begin when the city will "Meet the Whirlwinds" Friday night at 7:30 p.m. at Wester Field.

Airport Boost

The drive to raise \$35,200 for the resurfacing of the Floydada Airport runway received a couple of boosts this week.

First, Jack McIntosh appeared before the Floyd County Commissioner's Court on Monday at a revenue sharing proposed use hearing and requested the county set aside \$11,733 to help the City of Floydada airport qualify for a matching grant. During informal discussions later, the majority of the commissioners appeared to favor the county kicking in much of the requested money. The decision will come after County Judge Choise Smith draws up the revenue sharing budget early next week.

Also, Floydada Chamber of Commerce Manager Susan Garms announced Wednesday that the fund had risen to \$22,678.17. "If the county is able to put in a good amount," she said, "we'll make it."

A LARGE twin engine plane landed at Floydada airport last week bringing the director of production and drilling and an attorney from O.I.L. Energy of Dallas to visit a well in southeast Floyd County. Fred Zimmerman, whose relatives own the land, reported the pilot noted the "marginal condi-

tion" of the airport's surface. A drive is underway to resurface the runway. Zimmerman said the oil well, which has been in production off and on since last October, is pumping but needs a lot of what the oil people call "workover."

Schools expecting about 1300 students

Student enrollment should be about 1,300 as Floydada schools begin classes Aug. 22, school officials are hoping.

Supt. Jerry Cannon said that he projects the 1,300 enrollment figures will be up slightly from last year because of the migrant student population.

The migrant enrollment was off last August because of a lack of farm work in the area, he said, but he is expecting this to return to normal this year. Registration begins Friday, Aug. 19,

at Floydada schools with classes starting at 8:45 a.m. Monday, Aug. 22.

Supt. Cannon said he expects some 330 students in Floydada High School.

Enrollment, he said, should peak out at about 1,350 by Nov. 1.

School gas bid ends in tie

When a bid comes in a dead heat between two local businesses, it puts the Floydada School Board on the spot.

It took the school board almost two hours on Tuesday night to get off the spot which resulted when bids to furnish Floydada school vehicles with gas for the coming year came in a virtual tie.

Both Tipton Oil Co. and Consumers Fuel Assn. bid \$1.02 per gallon for regular, which the school estimates it will use up to 35,000 gallons this year, and the smaller vehicle items were also close between the two companies.

Since the bids were close to identical, the board decided to award the contract to both companies, a semester at a time.

School Business Manager Tom Cathey phoned both bidders to see if they would agree to the same discount they had bid on a half year basis, and he reported to the board that both agreed.

School taxes stay same

Your Floydada school tax rate will be the same as last year's.

In a rare 5-minute meeting, the Floydada Independent School Board set the tax rate Monday afternoon at precisely what it had been.

The local maintenance rate will be .702, and the interest and sinking fund rate will be .078.

That's a total of 78 cents per \$100 valuation, with 90 percent of the taxes going to local maintenance and 10 percent to interest and sinking.

By a coin toss, Consumers got the first semester.

The board also opened bids from five local insurance companies for school vehicle insurance coverage for the coming year, but no action was taken because a question came up whether all of the bids were submitted on a 12-month basis as the board desires. The award will be made at a later meeting.

The board also opened a lone bid from First National Bank of Floydada to be the school depository for the next two years. The board approved First National's bid.

In other business, the board:

—Heard a report that current taxes collected represented \$934,514, or 94 percent of the total. The school had budgeted to collect \$941,711, or 95 percent. The amount which was became delinquent in July was \$49,686, which Business Manager Cathey said was "not unusual" and "not bad considering the year we're in."

—Learned from Supt. Jerry Cannon that Don Wilson had been contacted to put in the new lighting in the gym at a cost of about \$4,800. The new lights will bring four times as much candle power to the gym's playing surface.

ALBERT JUAREZ, his father Pilar Juarez, and brother Lee Juarez of Grand Prairie work on new Flea Market.

Flea market to open soon

Albert Juarez and brother, Lee Juarez, of Grand Prairie are opening a new restaurant and flea market where the Silverton Highway and Missouri street intersect.

The two brothers and their father have been working on the project for some time.

"I'm the brains, my brother has the

money, and my father oversees," says Albert.

The trio hope to have their grand opening in about six weeks. The flea market will cover the entire back portion of the lot, and the restaurant will be available to everyone.

Blocks at the flea market will rent for \$7. Anyone with anything to sell is welcome.

Library issue may end in vote

The question of whether Floyd County Library has a building for its own may come down to a bond issue.

For more than a decade, the Library Board has wanted to move the library out of the courthouse's second floor and into a building where it could get more use from the elderly, disabled, working people and school children.

On Monday, the library board asked the Floyd County Commissioner's

Court to take an option on the building owned by Leroy Burns just east of City Auto. The option would be part of an effort to acquire a large matching grant for the library.

But commissioners, already struggling with next year's budget, are cautious about spending the money without voter approval.

So the talk on Monday afternoon turned to the possibility of a bond issue to let the voters decide.

"That's the way it should be done," said County Judge Choise Smith.

Library Board member Jim Word had earlier asked the county to pursue the purchase option on the building which used to house the ASC office.

The library board wants to have the option as part of its application for a 50-50 matching federal grant. First the grant application must go through a screening process, Word said.

By November 15, the Library Board will know if its application survived the screening. Then detailed costs and plans would be prepared for a final decision by the Texas State Library Board.

The decision on which communities receive the grants will be made on the basis of high unemployment, and while Floyd County unemployment is not more than average high, the state is divided into zones, and Floyd County should have a fair chance in this zone, Word said.

Word said the grant would be a maximum of \$100,000 from the federal government, and maybe less if less is needed. The Library Board would be responsible for an equal amount through the county and a public funds campaign.

The commissioners responded that

they would inquire about the procedures and legality of such a purchase option, and they wound up consulting with bond adviser Joe Smith of Abilene by telephone.

Smith will prepare a letter and mail it to the commissioners on how it could be done.

But the commissioners were clearly in no mood to spend much money without specific voter approval.

"It's time to put it to the voters on a special ballot," said Judge Smith. "I would hope we have a good turnout and get this issue settled."

Commissioner Jack Lackey said that, from his reading of the taxpayers, he thinks a library bond issue would fail by 3 to 1, and he questioned whether the commissioner's court should go to the effort and expense of a bond election.

But the commissioners seemed to feel that the library building is one of those hard issues that only the voters should decide, and with the bond adviser's letter in hand, they will discuss the question again at their next meeting.

3 resign

At the regular meeting of the school board Tuesday night, three school employees turned in their resignations.

These were Maybelle Enriquez, F.I. S.D. migrant clerk; Bruce Kenner, F.H.S. band director; and Connie Clark Wideman, Jr. high school math aid. All three resignations were expected.

Mary Morales was employed to replace Maybelle Enriquez as migrant clerk.

Hospital board votes to lower taxes 2 cents

What goes up and never comes down? Taxes, right?

Wrong, or at least it is at the Caprock Hospital District where the Board of Directors have unanimously voted to set the tax rate at 16 cents per \$100 valuation.

This represents a decrease in the tax rate of 2 cents from last year, and since the hospital was leased two years ago to Caprock Hospital Medical Services, the tax rate has been lowered by a total of 4 cents.

E.A. Williams, president of the board, attributes the tax decrease to a lower budget necessary for operations because of the improving financial position of the hospital.

The tax money is very important for maintaining the existing equipment and purchasing the necessary new equipment to meet the health care needs of the community, he said.

Some of the repairs and new equipment include \$54,000 for air conditioning improvement, \$25,000 central heart monitoring system, \$18,500 treadmill and E.C.G. machine, \$10,000 physical therapy department, \$9,000 fetal heart monitor, \$8,000 defibrillator/heart monitor, \$8,000 clinic remodeling, \$10,000 new lab equipment, \$12,500 x-ray processor and \$7,000 for paving repairs.

The future needs of the hospital include more paving repairs and the addition of an ultra-sound machine among others. The tax money insures the success for the new additions to the hospital.

DINKS ECKERT, and Tom Pearson picket in front of the old Bell telephone office here in Floydada Tuesday morning. As of Saturday midnight Southwestern Bell Telephone employees have been on strike. Local employees Dinks Eckert, and Tom Pearson say their only grievance is that the phone company wants them to pay for their own benefits. Pearson and Eckert both say they will continue to strike as long as their money holds out. Neither of the two will be paid while on strike.

LARON CHEEK, Steve Stringer and Matt Griffin, F.H.S. tuba players, warm up for summer band sectionals.

Band starts early

Floydada High School summer band began Monday morning. Even though that's a little early for the Whirlwind fight song, the brass section of the band turned out in full force.

Summer band sectionals are being held under the direction of Assistant Band Director Billy Marquis. Floydada band director Bruce Kenner turned in

his resignation to the school board, so at this time the school is without a band director.

Drum majors Anna Leta Bradshaw and Cindee Davis began helping Marquis with Freshman marching rehearsals Monday night. Full band rehearsals will begin Thursday, August 11, at 7 p.m. Band rehearsals will continue through August 18.

Local artist brings cowboy humor to life

[EDITOR'S NOTE: Paul Wylie was one of more than two dozen artists to display their work on Saturday at the Arts and Crafts Show sponsored by Floyd County Museum.]

By DANA WOODY
Paul Wylie may look like just another cowboy, but this cowboy can boast six gold awards and three silver awards from the Texas Cowboy Art Association.

When you see a Wylie bronze, oil or pencil you know the man knows his subject. The realism of his horses, cowboys, and cattle shows his 30 years of ranching.

"I like to keep cowboy humor alive," says Wylie. His bronze pieces depicting the thrown cowboy toppling over the head of his horse meeting him in what Wylie calls "Eye to Eye" brings this humor to life.

Art was simply a hobby to Wylie until he was 39 years old.

"I started sketching and drawing as a boy. We didn't have TV to watch at night so I would sketch."

In 1969 he decided to go to college to study art at South Plains College in Levelland.

"I had to cowboy during the day and take my art classes at night. It took me three years to get through one year of college. I sold enough of my work during this time to pay my way through school."

All that hard work and long hours paid off because Wylie was voted Texas Cowboy Artist of the year for 1979-80. He designed a bronze edition for Girls Town and West Texas Boys Ranch. These editions are sold and the money goes to benefit the kids at these schools.

His favorite piece of work is a bronze figure of his Dad called "Everything's Jake." The detail of this figure is amazing. Jake is depicted sitting on his bedroll, saddle and lariat by his side.

"I had to borrow a Levi jacket to look at to get the seams right — As many of those jackets that I've worn.

Wylie's art gallery and studio is an

1876 private railroad car with velvet curtains at his home south of Lubbock. Wife, Jan, keeps the home fires burning while 11-year-old son, Jake, studies art with his father.

His love of cowboy art and love of people makes Wylie an exciting part of any art show.

"I enjoy helping out all of the local museums. I give a percentage of all my profits to the museum when I do a show. Heck fire, I'm just an old country boy. I enjoy meeting all the people."

Wylie's address is Rt. 10, Box 92F, Lubbock. Anyone interested in his work may write him at this address or call 806-745-6326.

Commissioners to divide up federal money

When it comes to revenue sharing, it's not the revenue that's the hard part—it's the sharing.

Floyd County Commissioners Court found itself back with the annual local government revenue sharing problem: too many requests for money, and too little revenue.

Commissioners will have \$119,814 in revenue sharing money for next year, and it's already been more than spoken for.

At their regular meeting on Monday, the commissioners set aside time for a "revenue sharing proposed use hearing" when different groups could request the money.

After hearing the Library Board, Jack McIntosh of Floydada Airport, John LaBaume of the Soil Conservation Service and Seth Halbert of the Central Plains Community Mental Health/Mental Retardation Center, in addition to receiving many other requests for money, the commissioners each drew a budget on how they think the revenue sharing should be read.

They gave their ideas to County Judge Choise Smith, who will come up with a revenue sharing budget in seven days.

In other action, the commissioner's court delayed until its August 29 meeting the appointment of presiding judges and alternates for each voting precinct.

Firemen attend 54th annual firemen school

Carroll J. Sims, volunteer fireman on the Floydada Volunteer Fire Department of Floydada, attended the 54th Annual Texas Firemen's Training School, July 24-29. The school, attended by nearly 2,000 students representing about 750 cities from more than 25 states, is being held on the Texas A&M University campus.

Firemen can choose their course at the school from a list including Fire Fighting, Fire Prevention, Fire Department Officer Training, Fire Department Pump Maintenance, Specialized Fire Protection, and Disaster Rescue Training.

Fireman Sims was sponsored by Floyd County Farm Bureau and Texas Farm Bureau Insurance Companies by contributing toward the cost of the school. Since volunteer firemen are interested in attending this school to help do a better job of fire fighting and fire prevention, 100 County Farm Bureaus and the Texas Farm Bureau Insurance Companies in the statewide program have sponsored 100 firemen at the school.

"The Farm Bureau Insurance Companies believe volunteer fire departments have been very effective in reducing the amount of loss involved by fire in rural areas," said President S.M. True, Jr. of Plainview. "It is our hope in sponsoring this program that the fireman will help the Floydada Volunteer Department to better serve the residents of Floyd County."

THE WATSON JONES home at 816 W. Mississippi is bordered along its entire west side by crepe myrtle in full bloom. To really appreciate this weeks yard of the week one must go by and see it.

Cost of permits and titles increase

If you go into the Floyd County tax assessor-collector's office after August 29 for a title or permit you will notice a considerable increase.

Texas 68 Legislature passed several laws pertaining to increase in rates effective the local office. New rate charges effective September 1, 1983 are: The title application fee is increased from \$3.00 to \$10.00.

Transfer receipt is increased from 50 cents to \$2.50.

Duplicate receipt from \$1.00 to \$2.00. Penalty for not transferring title within 20 working days from \$5.00 to \$10.00.

72 hr. 3-day permits from \$10.00 to \$25.00 each (effective August 29, 1983). New 144 hr. permits (6 days) \$50.00. (Effective August, 29, 1983).

Certified Copy of the Original or Duplicate Texas title from 25 cents to \$2.00.

Whirlwind workouts underway

It's time once again for sit ups, push ups, and running the "Whirlwind Mile." On Monday, Floydada football players began their twice daily workouts.

Head coach Joe Paty says, "We've had a good turn out this year, and we expect to pick up six to eight more

young men before the season begins."

Floydada lost 13 senior football players to graduation last year. The only problem Coach Paty foresees is the team's lack of depth and experience.

The Floydada Quarterback Club will sponsor "Meet the Whirlwinds" Friday, Aug. 12th, beginning at 7:30 p.m. at Wester Field. There will be a watermelon supper for the public after wards.

Season ticket sales are going great, Paty said, but there are still seats available. Please contact Joe Paty or the Floydada High School.

"I'm excited about the enthusiasm of the team and the towns people. They have really made me feel good about it. This year is going to be a challenge, but we have the staff and team to overcome anything. I think we will make out just fine," says Paty.

The Whirlwinds will begin their pre-season games with a scrimmage at Petersburg August 18.

Varsity players and their classification are:

- Sr. Carlos Baker

MR. WALT HALE of Floydada along with fishing guide, Paul Eakins, and Cecil Hagood (not pictured) caught this string of black bass from the deep, blue waters of Lake Amistad. The threesome were fishing the 85 mile long Lake Amistad, located just north of Del Rio on the border between Texas and Mexico. The dam at Amistad restrains more than 5 million acre feet of clear water from three famous and scenic rivers, the Rio Grande, the Pecos and the Devil's River.

Annual Quarterback club donation drive begins

Dear Whirlwind Fan:

It is time for the "Annual Quarterback Club Donation Drive." The Quarterback Club is a non profit organization that promotes and supports all high school athletics.

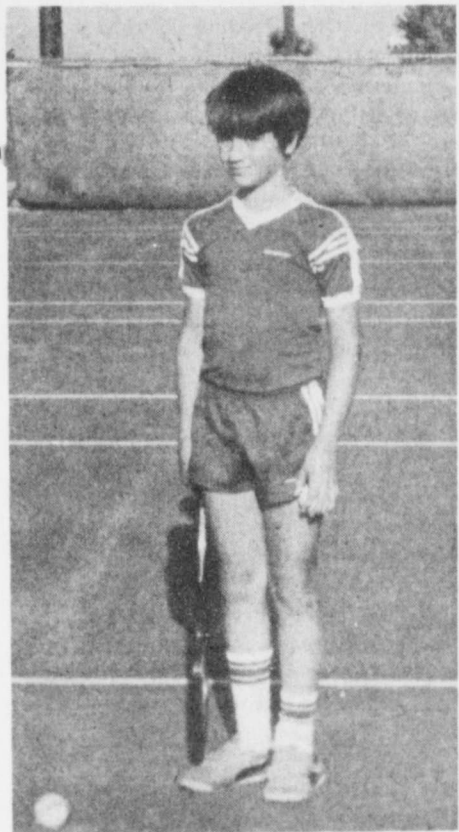

Our goal this year is to promote all boys and girls athletics to their fullest extent.

We feel that athletics is an important part of the community and that behind every successful athletic team is an active parent group. This support can be shown through financial help, as well as promoting school spirit around town. Our combined support and excitement brings us closer together as a business community and as individuals.

We invite you to become a part of this team effort by supporting the Floydada Quarterback Club. We are asking each family for a \$10 dollar donation.

The Quarterback Club would like to thank you in advance for your time and contributions.

Sincerely yours,
LARRY BARBEE
President

JAY HOLLUMS, son of District Attorney and Mrs. Randy Hollums was just one of the 107 entrees in the tennis tournament sponsored by the Floydada Quarterback Club.

Boys and Girls Tennis Committee:

Cathey suffers

Texas heat

Floydada School District Business Manager Tom Cathey was one of the 50,000 sweltering in near 100-degree temperatures last Saturday to watch the Dallas Cowboys play the Miami Dolphins.

It's hard to imagine how hot it can get in Texas Stadium in August, Cathey said, adding that he thinks it's better to be there in the cold.

For 37 1/2 minutes, Cathey said, the Cowboy game wasn't worth the heat, but Dallas pulled a miracle, two-touchdown finish in the last 2 1/2 minutes to win 20-17 and compensate fans for all the sweat.

Pat Zimmerman, Chairman; Teresa Hollums,

Boys and Girls Golf Committee: David and Vickie Cates, Chairman; Melvin and Janet Lloyd.

Budget Committee: Freddie and Laveta Morren.

Officers for the club this year in addition to President Barbee are Tommy Cathcy, vice president; and Freddie Laveta Morren, secretary-treasurer.

Correction

Lockney Longhorns football mothers night will be August 23, 1983 at 8:30 p.m. at the Longhorn field house.

This is to correct the date published in the Lockney Beacon under Mother's Night in this weeks happenings.

Tennis tourney has 104 entrees

The first annual Quarterback Club tennis tourney began Tuesday with a 12-years-and-under group.

"We really hadn't intended to have this group, but we had 13 kids sign up so we started a day early," says Vickie Rainer, worker.

The 14-years-and-under group began Wednesday, and the 16 to 18-year-olds will start Thursday. Saturday and Sunday will be open tournament.

This year the tourney has 104 entrees, the largest group in seven or eight years.

Anyone wishing information may contact Tommy Baxter, Pat Zimmerman, Vickie Rainer, Vickie Pitts or Teresa Hollums.

MRS. BARTON JOE GREER

Rials, Barton united during garden ceremony

Miss La Nai Rials and Mr. Paul Barton were united in marriage in a lovely garden ceremony at the home of the bride's parents Sunday, July 24, 1983. The Rev. J.R. Burnette performed the double ring ceremony.

La Nai is the daughter of Mr. and Mrs. Harvey Rials of Aztec, New Mexico. She is the granddaughter of Mrs. Lavada Neff of Floydada. La Nai is a 1980 graduate of Aztec High School and a 1983 graduate of Basin Beauty College. Paul is the son of Mr. and Mrs. Jack Barton of Bloomfield, New Mexico. He is a 1980 graduate of Aztec High School, served three years in the United States Air Force and is now in the Air Guard and employed by Drake Well Service.

The bride, given in marriage by her father, wore a Victorian styled gown featuring a sheer illusion neck with embroidery giving an off the shoulder effect. Chantilly lace fell from her sweetheart bodice. Re-embroidered lace and venise lace accentuated her waist and full skirt. Tiers of chantilly lace ruffled her skirt that fell into a cathedral train. A flower wreath with satin bow held a fingertip veil trimmed with venise lace.

The bride's bouquet was done in spring colors of yellow and blue camellias, pink floribunda, mint green orchids, lilac tiger lilies and peach mountain roses. They were secured with ribbon and lace of matching colors. Something new was the bride's wedding dress, something blue was her garter, something borrowed was an ankle bracelet from her sister, Sabrina Rials and something old was the pennies in

her shoes bearing their bride and groom's birthdates.

Serving as maid of honor was Miss Joy Hobbs of Aztec, New Mexico, a friend of the bride. She wore a pink and floral ruffled halter gown of floked organza. She carried a fan with shades of pink floribunda flowers and had a matching head wreath. Bridesmaids were Miss Jessica Harris of Farmington, New Mexico, friend of the bride, and Sabrina Rials of Aztec, New Mexico, sister of the bride. Jessica wore a blue and floral ruffled halter gown of floked organza. She carried a fan with shades of blue camellia flowers and matching head wreath. Sabrina wore a solid lavender ruffled halter gown of organza. She carried a fan with purple poppies and lavender daisies and matching head wreaths. Flower girl was Miss Kasey Conner, friend of the bride. She wore a gown of pink dotted swiss. Her head wreath was of pink floribunda flowers and she carried a basket of spring bouquet flowers.

Nelda Rials, mother of the bride, made all of the flower arrangements, bouquets, corsages, boutonnières and head wreaths.

The groom was attired in his Air Force uniform. The best man and groomsmen wore blue suits. Servings as best man was Rodney Taylor of Aztec, New Mexico, friend of the groom. Groomsmen were Jerry Galloway of Floydada, uncle of the bride, and Gary Vick of Floydada, cousin of the bride. Ring bearer was Seth Conner of Aztec, New Mexico, friend of the bride. Ushers were Mark Runyan of Farmington, New Mexico, friend of the bride and Mike Madlener of San Francisco, California, friend of the bride.

At the guest registration table were Wendy Crispin, friend of the bride, and Lisa Aleman, sister-in-law of the bride. Presiding at the gift table were Sherry Vick and Tammi Galloway of Floydada, cousins of the bride. Rice bags were passed out by Jeannie Evan, Dimmitt, cousin of the bride, and Vanessa Johnson.

Musical selections were presented by Mrs. Kay Maxwell at the piano and vocal selections by Andy and Belinda Coats of Lubbock, cousins of the bride. Andy sang a solo of "Someday Lady You'll Accompany Me." Belinda sang a solo of "The Twelfth of Never" and they both sang "You and I."

Reception

Following the ceremony a reception was given by the bride's parents, Mr. and Mrs. Harvey Rials. The bride's table was a lace over blue cloth, with a large bouquet of spring flowers. The three-tiered sweetheart shaped cake was cream colored and topped with a miniature bride and groom. Punch, nuts and mints were served from silver appointments. The groom's table was laid with a lace over pink and white cloth. It held a chocolate cake decorated with an airplane. Also on the groom's table were nuts, dips and fresh vegetables. Serving were Marie Carpenter, Myra Haley, Jamie Crawford, Leona Neff and Winola Galloway.

Rehearsal

Rehearsal was held on Saturday night at the home of the bride's parents and was hosted by the bride's parents, Jerry Galloway, uncle of the bride, helped with the preparation of the food.

Out of town guests included: Leona and Shorty Neff, Edd and Dorothy Neff, Mrs. Lavada Neff, Jerry, Winola and Tammi Galloway and Gary and Sherry Vick, all of Floydada; Andy Belinda and Andrew Coats and Paul and Hauteen Woody of Lubbock; Mrs. Leona Rials, Mrs. Pat Evan and Jeannie Evan of Dimmitt; Red and June Madlener of Albuquerque, New Mexico, Mike Madlener of San Francisco, California, and Tonya Thompson of Ignacio, Colorado.

MRS. PAUL BARTON

Heflin, Greer exchange vows

Shawnda Kay Heflin and Barton Joe Greer exchanged wedding vows Saturday, August 6 at 4:00 in the afternoon at the First Baptist Church of Floydada. Dr. Floyd Bradley, pastor officiated.

Parents of the couple are Mr. and Mrs. Rob Heflin of Floydada and Mr. and Mrs. Bob Greer of Denton, formerly of Plainview.

Selected nuptial music was presented by Mrs. Bill Hardin, organist; and Miss Jana Mapp of Plainview, Pianist. Mrs. Tommy James, the bride's cousin of Plainview, was vocalist. She sang "The Wedding Song", "Annie's Song", and "The Lord's Prayer". Mrs. Randal McAnally, the bride's cousin of Brownwood registered guests. The registry table held a candle in a crystal cup on a brass stand with a yellow ring of silk flowers.

A brass pyramid candelabra holding an arrangement of pale yellow glads and white daisies, flanked by a pair of brass hurricane candelabras also decorated in yellow glads and white daisies among graduated sizes of palms formed the background in the choir loft. The main floor of the sanctuary was decorated with arrangements of yellow glads and daisies in brass urns on brass stands. Hurricane candelabras and gold satin ropes formed the entrance to the wedding scene. A brass unity candle also decorated in yellow and white flowers was placed near the wedding scene. The bridal aisle was lit by brass hurricane candelabras decorated with garlands, silk daisies, and yellow satin streamers.

Presented for marriage by her father.

The bride wore a formal gown of organza and chantilly lace with a cascading ruffle lace skirt with attached chapel train. The dress featured a Queen Ann neckline bordered in venise lace, and lace ruffle over the shoulders. The empire waist was accented with a satin bow in back. Long, full bishop sleeves with ruffled lace cuffs were also tied with satin ribbons. To complete the ensemble, the bride wore a picture hat of layers of Cantilly lace with silk flowers gracing the sides of the hat. She also wore a string of pearls belonging to her sister for something borrowed. She wore the traditional blue garter, and for something old she carried a pearl bible

belonging to the groom's sister, Cindy Pritchard. Something new was her wedding attire. For good luck she wore pennies of their birthdates in her shoes.

Her bouquet was of all silk flowers and foliage in white rose buds, white daisies, white baby's breath, and added streamers of white bridal lace. Upon entering and leaving the altar, the bride presented each mother with a yellow silk rose.

Attending the bride as Maid of Honor was Miss LaDonna Heflin, the bride's sister of Floydada. Bridesmaids were Mrs. Greg Hicks of Lubbock, and Mrs. Bernard Schack of Malvern, Arkansas. Brook Pritchard, niece of the groom of Plainview, was flower girl.

The attendants wore formal length gowns of yellow chiffon. The gowns fashioned with a bottom ruffle and a ruffle worn off the shoulders. Completing the outfits were satin ribbons tied at the waist. Each carried round colonial type bouquets in pale yellow white daisies and rose buds accented in pale yellow ribbon. The flower girl wore a yellow full length dress with a white lace bustle skirt. The dress had a v-neckline and short puffed sleeves. She carried a white lace basket filled with yellow silk flower petals. All female attendants wore baby's breath in their hair. Mothers wore shoulder corsages of cymbidium orchids trimmed in colors to complete their attire.

Best man was Brad Greer of Richardson, brother of the groom. Serving as groomsmen were Randy Pritchard of Plainview, the groom's brother-in-law; Brandon Pritchard of Plainview, the groom's nephew; and Rick Heflin of Floydada, brother of the bride. Guests were seated by Scott Horne of Plainview, Dwight Adams of Plainview, Mike McAlister of Lubbock, and Newt Wheeler of Lubbock. The groom and all male attendants wore classic black tuxedos with white shirts.

The reception was held in the parlor of the church. Both tables were covered with ecru lace cloths. The bride's table held a tiered wedding cake decorated with yellow sweetheart roses. Punch and an assortment of mints were also served from silver appointments. A five-candle arrangement with all white flowers and foliage also adorned the table. Serving at the bride's table

were Mrs. Danny Nixon, Miss Brenda Hicks, and Mrs. Jim Finley.

The groom's table featured a brass vase of yellow silk flowers and brass serving appointments. The chocolate cake was decorated with fruit and featured the couple's names and wedding date in the center. Serving for the groom's table were Mrs. Randy Pritchard, the groom's sister of Plainview; Miss Vicki Greer, the groom's sister of Dallas, and Mrs. Brad Greer, the groom's sister-in-law of Richardson.

After a wedding trip to Las Vegas, Nevada, the couple will make their home in Azle, Texas. The bride, a graduate of Floydada High School and Texas Tech University will be employed as a 3rd grade teacher with the Azle I.S.D. The groom, a graduate of Plainview High School, attended Tech and Baylor. He is employed at Azle State Bank.

A rehearsal dinner was hosted by the groom's parents at the Plainview Club. Mrs. Travis Gentry honored the bride with a bridesmaid's luncheon at the Old White House on July 30, and friends of the groom's mother of Plainview gave a brunch on Friday, August 5, at the Plainview Country Club.

Floyd County places at 4-H Fashion Revue

The District II 4-H Fashion Revue was held Friday, August 5 in the Lubbock Civic Center. The theme this year was "Happy Birthday 4-H" in celebration of 75 years of 4-H in Texas. The program included clowns, balloons, and a bright array of fashions.

First place winner in the Daytime Non-tailored category was Kristy Dawdy of Floydada.

Stacy Dawdy of Floydada won second place in Evening and Specialty wear.

Active sportswear Floyd County winner, Keri Dee Lusk of Lockney, received a blue ribbon.

Sherre Kinard of Lockney received a blue ribbon in her category, Daytime Tailored.

A cotton award is given in each category for the highest ranking participant whose garment is at least 50 percent cotton. Kristy Dawdy received this award in Daytime Non-tailored.

Each of the girls have done an outstanding job this year. It is great that blue ribbons were awarded to all four. Thank you for all of the hard work this year girls, and we look forward to seeing you next year in the Fashion Revue.

Floydada Nursing Home Happenings

By Winona Jackson

Monday started off with Wendy's tea time and everyone sharing their thoughts and prayers. Right after, Jim Guess and the volunteers from Assembly of God Church were here for devotions. After a lively singing session it was exercise time. It is not easy to do exercises sitting in a wheelchair but most of the residents try and so very well. I am always so proud of their efforts and willingness in trying. After exercise time everyone is ready for mail time. Everyone is always so

happy to receive letters and cards from their family and friends. There was good attendance at devotions and exercise class all week. On Tuesday, Neeley had 25 present as he led devotions. Tuesday afternoon the Bible Study group met for their regular Bible Study. We are studying Acts now. Irene, Bennie, Addie, Una, Ona, and Iva are always present. On Wednesday, we tried a new activity before devotion time...shelling peas! Lura, Irene, Iva and myself enjoyed this and we wished for more peas to shell. Emmitt convinced us that this

was something he knew nothing about. I think we were convinced a little too easily! Emmitt does know how to play Bingo, and he won the most games again on Wednesday afternoon. Lura won two games, Hallie won two, Ona won one, Mrs. Birnie won one, Walter won two, Addie won one, and Bennie won one. Lura and Emmitt both had black-out cards at the same time so they shared this honor. Wednesday morning the Church of Christ choir sang a beautiful special for us during devotion time. Everyone really enjoyed this. On Thursday, Bro. Bunjes was back after being on vacation. The residents were all so glad to have him back. We were glad to have Mrs. Robertson and Mrs. Pierce to sing with us too. Thursday afternoon Ona, Irene, Bennie, Una, Iva, Addie, Lura, and Ruth found that they could "make something." They made fragrance braids by braiding some of the crochet which Lura does... and trying fragrance balls covered with colorful scraps of material to the braids. It was so beautiful to see these sweet ladies helping one another in braiding and tying. On Friday, we were happy to have David Seay from First Baptist Church with us to lead devotions and singing. Thank you, David. Friday afternoon the movies were very good-thanks to Sandra Crawford at the Library...and of course the popcorn is always good! Emmitt made his owl on Friday. There are several for sale now so if anyone needs a colorful owl on their wall...come out and choose one and make Emmitt's eyes twinkle!

Center News

By Mrs. J.E. Green

August 8, 1983: It is cooler today. When our always good church service was over we found the pavement was under water. Something we've been glad to see. And we'd be glad to have more of - rain. Mr. and Mrs. Irvin Brewer of Lubbock dined Sunday with his parents, Mr. and Mrs. Henry Brewer. Mrs. Clay Muncy of Lockney called on Ma Green one morning last week. She reports Bro. Muncy is at home, but not well. Mrs. Anthony Latta called at the Green home Monday. The O.G. Mayfields will soon have

company. At present they are in Amarillo. "The kids" are coming by here on Our not so well. Mrs. Clarence Ashton, doing pretty well. Mrs. Ethel Warren, not too good. Wiley Rogers, doing about as usual. I have just had a chat from my granddaughter Gretchen. She and family arrived at the parental home, the Clyde Greens of Peralta, New Mexico from far away Pakistan (via Seattle). They have one of my "great grands," Sarah Louise, aged 15 months. Let us remember the Rose family, relatives of Rex Rose of Dallas who passed away last week, a former Floydada boy. Prayer changes things.

Firemen attend training school in College Station

Bobby Welborn, Carroll Sims and Dinks Eckert of the Floydada Fire Department attended the 54th annual Firemen's Training School conducted in College Station July 24-29.

Over 2,000 students participated in the training activities conducted by the Fire Protection Training Division of the Texas Engineering Extension Service, a part of The Texas A&M University System.

Sponsored by the State Firemen's and Fire Marshals' Association of Texas, the school is considered the largest and most comprehensive of its kind in the world.

Brayton Firemen Training Field, site of the annual school, features 120 acres and over \$14 million in buildings, specialized equipment and training aids. Instruction combines classroom sessions and hands-on training in actual firefighting under close supervision of experienced firefighting instructors.

Floyd County Farm Bureau to conduct Driving Course

The Floyd County Farm Bureau will conduct a Defensive Driving Course on August 15 and on August 17 at 6:00 p.m. in the Lighthouse Electric for their members.

The eight-topic course in the DDC program utilizes films and discussions to teach people to avoid accidents despite the actions of others and the surrounding conditions by recognizing the hazard, knowing what to do and acting in time.

MHMR asks for larger support

Who from Floyd County used the Central Plains Community Mental Health/Mental Retardation Center?

According to data presented to Floyd County commissioners on Monday 255 different people from Floyd County used the agency's services in the last fiscal year.

Seth Halbert, director of program support, and Bob Alldredge, Floyd County's trustee on the agency board, told commissioners of the agency's programs in a request to up county support from \$3,200 last year to \$3,616 in the coming year.

The Floyd County program is the agency's second most active, behind Hale County, said Halbert.

Alldredge, special education director for Floydada and other area schools, said that Mary Ann Juarez is secretary of the Floydada office, and counsellor Meah Mahaney spend 1/2 days a week here and 1/2 day in Motley County.

Only Farm Bureau members are eligible to take the DDC course through Texas Farm Bureau. There are no age requirements. There will not be a test of driving involved. All students must have a valid Texas driver's license to qualify for the 10 percent insurance discount.

The principal driver who completes the eight-topic Defensive Driving Course will receive a certificate to be filed with the automobile insurance company, qualifying for a 10 percent discount on...bodily injury, property damage, medical payments and collision coverages where those coverages are afforded.

Total cost for a Farm Bureau member to enroll in the DDC is \$5.00. To register, please call 983-3777 or 652-2242.

City Council to pass water rates

The Floydada City Council will meet in City Hall at 7:30 p.m. Thursday to pass the new water rate ordinance to finance Mackenzie Lake water.

A nineteen agenda meeting will include the meeting of the council with Albert Juarez, who is putting in a flea market here in Floydada.

The council will discuss other topics including setting the 1983 city tax rate, selling the 483 acre city farm and review all city insurance coverages.

COOK OF THE WEEK
Lena Mae Watson

Lena Watson's favorite recipe is Lemon Cake

The cook of the week has taught school for 24 years, enjoys crocheting and does painting on glass. She is Lena Mae Watson.

Lena Mae came from Paradise, Texas to visit her aunt at Floydada thirty years ago and fell in love with Olin Watson. She married Olin in 1952 and they have lived "happily ever after."

Lena Mae has retired from teaching but still keeps a busy with her home, her husband, and one daughter, LouAnn, who is now married and resides in Midland.

Lena Mae says this recipe is one of her favorites because it is so easy. Olin

says it's one of his because it tastes so good.

Sour Cream Lemon Cake
Cream together 2 sticks oleo, 2 cups sugar. Then add 3 eggs one at a time. Mix 2 cups flour and 1/2 tsp. salt. Add to the butter mixture. Then add 1 cup sour cream and 2 tsp. vanilla. Bake in a greased and floured tube pan for one hour at 350 degrees. Leave in pan for 10 minutes. Remove and glaze.

Glaze
Mix 1/2 stick oleo melted, 2 T. lemon juice and 1 cup powdered sugar. Drizzle over cake.

FARM NEWS

This Is A Farmer

The following article was brought in by Mrs. Monroe Schulz. It was taken from a booklet of Schwan's Sales Enterprises, Inc.

This Is a Farmer

Farmers are found in fields plowing up, seeding down, returning from planting to, fertilizing with, spraying for and harvesting if. Wives help them, little boys follow them, the Agriculture Department confuses them, city relatives visit them, salesmen detain them, meals wait for them, weather can delay them, but it takes Heaven to stop them.

When your car stalls along the way, a farmer is a considerate, courteous, inexpensive road service. When a farmer's wife suggests he buy a new suit, he can quote from memory every expense involved in operating the farm

last year, plus the added expense he is certain will crop up this year. Or else he assumes the role of the indignant shopper, impressing upon everyone within earshot the pounds of pork he must produce in order to pay for a suit at today's prices.

A farmer is a paradox—he is an "overlaid" executive with his home office; a scientist using fertilizer attachments; a purchasing agent in an old straw hat; a personnel director with grease under his finger nails; a diction with a passion for alfalfa, animals and antibiotics; a production expert faced with a surplus; and a manager battling a price-cost squeeze. He manages more capital than most of the businessmen in town.

He likes sunshine, good food, state fairs, dinner at NOON, auctions, his neighbors, Saturday nights in town, his shirt collar unbuttoned, and above all a good soaking rain in August.

He is not much for droughts, ditches, throughways, experts, weeds, the eight-hour day, helping with the housework, or grasshoppers.

Nobody else is so far from the telephone or so close to God. Nobody else gets so much satisfaction out of modern plumbing, favorable weather and good ice cream.

Nobody else can remove all those things from his pockets and on wash-day stall have overlooked: five "steeples," one cotter key, a rusty spike, three grains of corn, the stub end of a lead pencil, a square tape, a \$4.98 pocket watch, and a cupful of chaff in each trouser cuff.

A farmer is both Faith and Fatalist—he must have faith to continually meet the challenges of his capacities amid an ever-present possibility that an act of God (a late spring, an early frost, tornado, flood, drought) can bring his business to a standstill. You can REDUCE HIS ACREAGE but you can't RESTRAIN HIS AMBITION.

Might as well put up with him—he is your friend, your competitor, your customer, your source of food and fiber, and self-reliant young citizens to help replenish your cities.

He is your countryman—a denim-dressed, businesswise, fast-growing statesman of stature.

And when he comes in at noon having spent the energy of his hopes and dreams, he can be recharged anew with the magic words: "The Market's Up."

KYLE ADAMS [right], age 17, a senior at Shamrock High School received the Lone Star Farmer award in San Antonio July 15. The Lone Star Farmer is the highest award given by the Texas FFA. Kyle also participates in band and on the school newspaper. He is the son of Mr. and Mrs. Monroe Shannon and the grandson of Mr. and Mrs. Aaron Carthel of Floydada and Mrs. Cardelia Adams of Ralls.

Gilbert Fawver honored by SPAG board of directors

Gilbert Fawver was honored for his seven years of service to the SPAG Board of Directors at the July meeting. Judge Bill Young presented a plaque and resolution gratefully acknowledging "the years of service rendered by Mr. Fawver to the citizens of the South Plains."

Mr. Fawver recently retired as Chairman of the Board of Directors of the Floyd County Soil and Water Conservation District after thirty-two years of service. He missed only three meetings throughout his years with the District. Because of his interest in all aspects of soil and water conservation, Mr. Fawver is currently a member of the High Plains Water District Board of Directors.

The Fawvers were one of the first pioneer families to settle in Floyd County. Mr. and Mrs. Fawver live and raise cattle on the land the family originally homesteaded. The Fawvers have two daughters, five grandchildren and four great-grandchildren.

"Plant-for Pik" saves cotton farmers money

Suspension of USDA's "plant-for-Pik" program averted at least a \$50-per-bale loss for cotton farmers, the National Cotton Council president said in Fresno, California.

The suspension, announced by USDA, resulted from Council-supported legislation passed late last week by

Congress and signed into law by President Reagan shortly before midnight Saturday. It requires the Department to reopen bids to acquire 1982 and earlier crop cotton to meet PF obligations without the 7 percent cap that hobbled the previous bid program.

Council President Gerald Brewer

explained that the new measure in effect prohibits USDA from forcing cotton growers who did not have sufficient loan cotton for their own PIK to sell their 1983 crop to the government at below-market prices.

"This also would have forced many of them to default on forward contracts which they had made with the expectation of receiving PIK cotton," he added.

Agriculture Secretary Block, in announcing reopening of the bid program in Washington, said offers to sell cotton to CCC may be submitted without regard to any maximum bid percentage.

Brewer said USDA's announcement concerning reopening of the bid program includes an option that could be especially helpful to producers who had already entered their 1982 cotton under the earlier bid program.

"As I understand it, these producers can now submit new bids at a higher rate and their earlier bids of up to 7 percent will be totally invalidated," the Council president said.

About 417,000 bales were acquired by CCC under the 7 percent bid program.

Brewer cautioned, however, that if the higher bid is not accepted, a producer would be expected to reimburse CCC at the loan rate for those bales received as payment under the earlier bid program.

The bid program is due to be reopened on August 8 and continue through August 24.

Scattered showers fall on County

Parts of Floyd County received some rain on Tuesday evening, but it came too late to prevent irrigation farmers from investing in a second watering.

Floyd County Agriculture Agent Benny Butler said the McCoy area got almost an inch of rain Tuesday and Lockney received 3/4 of an inch.

While the rain is still helpful to dry land cotton farmers, the irrigation farmers of the county were already through, for the most part, with their second watering, Butler said.

He said Floyd County stands to make a pretty good cotton crop, providing there is a dry September and a late frost.

There was little rain in the City of Floydada itself, but a light shower fell to the south and east.

The county agent said that insect pressure in Floyd County had not been that high. A few boll worms had been found, he said, but he termed it "light" thus far with a lot of beneficial insects in the fields.

Briscoe to celebrate birthday

Briscoe County's 91st Birthday Celebration will be held August 11-12-13 in Silverton. An arts and craft fair will be set up on the court house lawn. Booths will sell their wares all day Thursday August 11.

The western parade will begin at 4:00 p.m. in downtown Silverton. There will be prizes for the best floats and riding clubs. Harvey McJimsey is parade marshal.

Following the parade will be a meal of barbeque and all the trimmings. Tickets for the barbeque are \$4.00. Free tickets will be given to all citizens 65 years or older who have lived in the county at least 40 years.

Starting Thursday evening will be the Silverton Young Farmers Rodeo held at Wood Memorial Arena. Stock producer is C Bar T of Lubbock. Rodeo events are tie down calf roping, team roping, ladies barrel race, bareback bronc riding, saddle bronc riding and bull riding. Rodeo secretary is Charlie Thompson with books opening August 9th at 9:00 until 6:00 p.m. Phone number is 749-2317.

Cucumber season to hit full swing soon

You may have noticed you are seeing less and less onion skins floating through the air. Onion harvest is just about over, but now right on its heels is another vegetable harvest. Cucumber harvesting is getting underway. September will be the peak month for cucumbers.

"This year has been a pretty good year for vegetables—harvested here," according to Jr. Simpson, manager of a local vegetable shed. Pepper season should run through November. So when you look outside and don't see any onion skins flying around it's only because they are harvesting peppers and cucumbers!

At 9:00 p.m. each evening, dances will begin in the community barn just south of the rodeo arena. Thursday and Friday music will be provided by Caprock County, and on Saturday night Play-a-Playboys will be the music makers. The dances are co-sponsored by the Silverton Volunteer Fire Department and the Young Farmers.

Floyd County fails to meet DHR guidelines

Floyd County was one of 25 counties in the 30th District that failed to meet criteria recently set by the Texas Department of Human Resources for the distribution of government surplus commodities.

Under the new DHR guidelines, which only 83 of Texas' 254 counties meet, a county must have 8.5 percent unemployment or serve 5,000 food stamp recipients to qualify.

Senator Ray Farabee of Wichita Falls has entered a strong protest with the Department that the guidelines are discriminatory to rural areas saying, "While I realize that federal cutbacks necessitate some changes, I can not understand why rural areas have been cut out completely. Many children, elderly and disabled persons in these counties need surplus foods to maintain an adequate diet."

Farabee further protested the requirement that food bank centers in counties which fail to meet criteria must return stored food, at state expense, for redistribution to persons in other areas.

CHAMBER CLIPS

The first and very important meeting for the Chamber's Fall Dinner Theater will take place at the First National Bank at 7:30 p.m., Monday, August 15th. Those interested in musical or play direction, set construction, acting, costumes, props, etc. are urged to attend.

ments through the Chamber - use your imagination - parties, family reunions, programs, call 983-3434.

Don't miss the Museum's Arts and Crafts Show at the Pavilion - Saturday, August 6th. Twenty-one artists have pre-registered!

Taxes contribute to the support of almost half our population but some people expect you to do more. Myth: There are those who would increase tax rates more and more solely for the purpose of financing more and more welfare. What "they" want is for you, the taxpayer, to make it possible for a greater number to receive living expenses without working. Fact: Two people in five either have government jobs (local, state or national) or related tax supported jobs. Add to this the programs for our needy, elderly and minority groups and you can see how taxes already contribute enormously to the support of a lot of people. It can't go on. Someone has to work for a profit with which to pay for all of this. Because, without profits there are no jobs. Without profits there are no taxes to be collected to pay for the basic services we need to expect - including appropriate welfare grants. Profits is not a dirty word.

Deposits for the Annual Chamber Escape Weekend to New Orleans are now due. We have four spaces left, make your plans now.

A ten-year old protested vigorously when his mother asked him to take his younger sister with him when he went fishing. "The last time I took her with me," he said, "I didn't catch a single fish."

"Well," his mother said, "I'll talk to her. I promise you, this time she won't make any noise."

"It wasn't the noise, Mom," the boy said, "She ate all the bait."

Annual Chamber breakfast - Friday, August 26th, BE THERE!

A rather stuffy vice president made frequent use of the company bulletin board to post notices deploring the transgressions of his employees. Once or twice a week, one of his notices would appear, always beginning with the same words: "It has been brought to the attention of the vice president that some employees have been leaving work early on Friday afternoon." Or "It has been brought to the attention of the vice president that employees have been using the telephones to make personal calls."

One day, after a series of these notices had appeared, the employees were delighted to see the following statement posted on the bulletin board: "It has been brought to the attention of the staff that entirely too many things are being brought to the attention of the vice president."

PUBLIC NOTICES

APPRAISAL REVIEW BOARD FOR THE FLOYD COUNTY APPRAISAL DISTRICT

Notice of Public Meeting of the Appraisal Review Board: Notice is hereby given that a public meeting of the Appraisal Review Board of Floyd County Appraisal District will convene at 10:30 A.M. on August 18, 1983 at the county courthouse meeting room, room 107, telephone 806-983-5356.

The board will examine and equalize the appraisal records of the chief appraiser, and will hear and determine taxpayer and taxing unit appeals on all matters permitted by TEX. PROPERTY TAX CODE Chapter 41.

The appraisal review board will be in session until all tax appraisals have been equalized and approved and all timely filed appeals heard and resolved.

Any tax payer must have his protest filed with Appraisal District before August 15, 1983.

This notice is given pursuant to TEX. REV. CIV. STAT. ANN, art 6252-17 J.R. Turner Chairman, Appraisal Review Board 8-11c

Notice is hereby given that the adoption of the budget for the fiscal year 1983-84 for Caprock Hospital District is scheduled at the regular meeting of the Board of Directors on Thursday morning, August 25, 1983 at the Caprock Hospital at 8:00 A.M. The public is welcome.

We were completely overwhelmed by the outpouring of love and concern from this community. Thank you to all those who helped in anyway with the beautiful and comforting memorial service for Rex. We appreciate so much all the floral offerings and memorials.

We want to thank the First Baptist Church for the use of their facilities, the ones who came to Dallas to be with us and help us get our cars home, and the ladies who brought endless dishes of food and those who stayed to serve our families.

Courthouse repairs discussed by commissioners

When you're 32 years old, you might need a little face lifting.

You might, that is, if you're the Floyd County Courthouse and you are beginning to see the mortar loosening up a bit around your stone trim.

As the Floyd County Commissioners Court budgets its revenue sharing money for the coming year, the court is trying to set aside funds to repair the courthouse.

The commissioners met Monday with Lubbock architect Eddie Stiles, whose father built the courthouse in 1951, and Stiles agreed that now is the time to act before more damage is done to the building.

The architect said some of the old expansion joints have dried out and are falling out, and he said that left unrepaired, this could cause some serious problems later on.

The commissioners agree, and they authorized Stiles to give them an estimate on what would be required to repair the washed out places in the stone's trim.

County Judge Choise Smith also

asked the architect to estimate the cost of cleaning off the brick of the courthouse and to repair the mortar between the brick in the adjacent ag building the county owns.

But the commissioners are not sure how much money they will have to devote to the repair task. During the revenue sharing proposed use hearing Monday afternoon, they kicked around amounts from \$25,000 to \$30,000.

The courthouse is structurally sound, and the mortar between the bricks appears to have held up very well.

But especially around the stone trim

and expansion joints, the elements have weakened and removed much of the mortar.

Commissioner Bob Jarrett said he was afraid that the stones might start falling off if something is not done.

Architect Stiles said the problem appears to be bad enough to worry that water could begin getting in the building.

Stiles said at least an inch of new mortar would need to be put around the trim. It would be mixed to match the old.

He said there were three methods of deaning the black mold-type substance off the brick:

1) Sandblasting: the least desirable way.

2) Chemical cleaning with light acid, which must be mixed to the brick to avoid the possibility of a green tint coming over the courthouse.

3) Or water blasting, with soap, which he seemed to prefer.

After the architect and commissioners walked around the building, the judge instructed Stiles to prepare separate estimates on each phase of the work. The commissioners will then call for bids on whatever portion they can afford.

Commissioners Jarrett noted that while cleaning brick was "strictly cosmetic and optional," repair of the mortar between the stone trim was something that must be done before rain washes more away.

But he couldn't help but add with a bit of "dry humor": "Of course, it hasn't been getting too much damage lately."

County judge injures hand

Floyd County Judge Choise Smith wasn't shaking any hands on Monday.

It wasn't that he felt unfriendly, the judge explained to people who visited the regular meeting of the Floyd County Commissioner's Court.

Rather, the judge was keeping his right hand to himself because he had cut it badly August 3 when a fruit jar

shattered as he was twisting off the lid.

The accident left his hand badly cut in a half circle around his thumb. It took 21 stitches to sew the cuts back up.

The judge said he hopes to have the stitches out by mid-week, and perhaps it won't be too long until he can go back to hand shaking again.

Local D.J. arrested

James Norris, an employee of radio station KFBA in Floydada, was arrested Wednesday August 3, at the station. Colorado City, Texas, authorities notified local law enforcement officers late Tuesday that Norris had violated his probation and was being charged with theft and illegal use of a vehicle.

Local authorities arrested Norris without resistance around 11 a.m. Wednesday morning. He was put in the local jail and was later picked up by Colorado City officers. He was taken back to Colorado City where he will stand trial.

CEDAR HILL NEWS

By Grace Lemons

We received two light showers this week and the temperature is cooler. We have had no measurable amount of moisture and the crops are suffering considerably.

The Fortenberry reunion will meet at the Massie Activity Center Friday evening August 12th for a hamburger cook-out and homemade ice cream.

There will be a breakfast Saturday morning about 6:30 of bacon, eggs, jelly and plenty of coffee. Dinner will be a covered dish luncheon. Bring a covered dish, meat and drinks will be furnished.

Don't forget the Lackey reunion Saturday the 20th at the Massie Activity Center in Floydada. Bring a covered dish and enjoy the fellowship.

Martha and Junior Taylor left Monday to visit their daughter and family, Sheila and Charlie Joiner and Nick in Irving, they returned home Wednesday.

Norma Welch and Mrs. Peat Kelley visited Donie Henson Friday who is at home again in her home in Floydada. Gerakline and Peat Calaway were also present.

There was a sad excitement Saturday night when an old landmark burned. The home of the late Mr. and Mrs. Joe Fortenberry that left many memories for the children who grew up on the farm caught fire and burned to the ground during the night.

Mrs. Azael Beachamp has spent the past two weeks with Tom and Gladys Fortenberry. Ron Vick, the Fortenberry's grandson and his son, Patrick, of Dallas, arrived by plane Sunday and spent the night. Patrick stayed with the Fortenberrys and Ron attended the funeral of his grandmother, Mrs. Lietle in Amarillo Monday morning at 10:00.

Peat Kelley visited Belle Lemons and Mr. and Mrs. Tom Fortenberry Sunday evening.

Edna Gilly, Mark and Lori Gilly and Craig and Trudi Gilly attended the funeral of Rex Rose in the First Baptist Church in Floydada Saturday.

Linda Lemons, Twyla, Traca and Vance visited Glenda Kay Chadwick and little daughter, Amber Darlene in Hereford Thursday.

Edna Gilly and family, Mark and Lori and Emory, Craig and Trudi, Amy and Tara, Delise Harrison, Christy and Casandra spent from Friday until Monday of last week in Lubbock, spent from Friday until Monday of last week in Ruidoso, swimming, fishing and playing golf.

Grace Lemons visited Sylvia Yeary and Edna Lackey in Lockney Monday afternoon.

Each life should build a step upon which some that follow can climb a little higher.
