## Rare individuality brought in form of art

Portrait art is the subject matter most exciting to the artist whose work is on display through October in the lobby of The First National Bank, Floydada.

"The challenge of drawing or painting a person is the most rewarding of all," said Gary Adelman, artist.

A native of Owensboro, Kentucky, Adelman now makes his home in Lubbock, and is employed in the art department of the Lubbock Avalanche Journal. He attended Brescia College in Owensboro and the Ringling School of Art, Sarasota, Florida. He has freelanced in art for the past ten years.

Working in the various mediums

including charcoal, pencil, watercolor, oil, pastel, Adelman says it is difficult for him to decide which he prefers. His sketches are distinctive; and, the Adelman "touch" has become familiar to area residents in the form of sketches made of homes, businesses, note cards, Christmas greetings.

The First National is happy to offer varied and distinctive sketches that introduce individuality in art to Floydada and the surrounding area. The display may be seen during regular banking hours in the lobby; Monday, 9:00-5:00 p.m.; Tuesday through Friday, 9:00-3:00 p.m.

## Grays appear in Lubbock

Bill and Dell Gray of Floydada, along with their daughter, Kim Boothe of Dallas and Dr. Curtis Baldwin of Plainview, will be featured in the musical entertainment for the Texas Tech University Theater's revival of the old-fashioned tent show at 8:15 p.m. October 6-8 in Lubbock. Bill was reared in show business, having been born while his parents were travelling with the Brunk's Comedians in Tahoka, Texas, in 1937.

After his mother's death in 1940, Bill's father, Erman Gray, spent several years as band director in various West Texas towns, including Floydada (1942-43). In 1949, Bill and his father and step-mother, Goldie, joined the Schaffner Players' "Toby and Susie" Company, one of the best-known of all tent repertoire shows, touring in Missouri, Iowa, and Illinois. Bill acted in the plays, played drums in the family orchestra, and performed vaudeville routines. Because of his first-hand knowledge of tent show life, Gray is helping with technical advice in this latest Tech entertainment venture.

Dell Gray, widely known teacher-entertainer-composer, will combine her keyboard talents on organ and piano, along with special musical arrangements. Kim (clarinetist) is currently a woodwind instructor in Dallas and is a graduate of Texas Tech. Joining Kim

and the Grays will be Dr. Curtis Baldwin, a Plainview dentist and long-time area musician, who will be playing string bass with the group.

"Saintly Hypocrites and Honest Sinners," one of the most popular "preacher plays" produced by such companies as Harley Sadler's and Brunk's Comedians will be the play presented in this latest Tech revival. In 1976, The Tech Theater had a highly-successful re-creation of the "New Harley Sadler Show," in which the Grays also appeared. Unlike the 1976 version, which was played in an actual tent, "Saintly Hypocrites and Honest Sinners" will be performed in the University Theater on the Texas Tech campus. (Gray commented, "No blow-downs this time!")

Although being staged in the modern theater facility, Dr. Clifford Ashby, director, and entertainment coordinator, Charles Addington, plan to create the entire tent show atmosphere in the Tech Production. Vaudeville routines between the acts and even the traditional candy sale will provide the audience with a nostalgic look backward to past entertainment in West Texas. Dr. Ashby also points out, "The production will be strictly family entertainment." Call (806) 742-3601 for ticket information.

## Films to be presented

Questionable new lifestyles...the "tyranny of the urgent"...the shifting of the foundations—they're all a part of an emotional climate which makes many moderns feel that they are "losing their grip."

But minister Charles R. Swindoll, senior pastor of the First Evangelical Free Church in Fullerton, California, is offering an alternative to today's dizzying changes, confusing "overchoice," and moral uncertainty.

"There are some fixed points, and you don't have to be washed away in this tide of confusion," Swindoll says in a new film series called "Strengthening Your Grip." The series was shown at First Baptist Church in Floydada beginning Sunday, October 2, at 6 p.m. in the Chapel.

The series, challenging what Swindoll calls "the 80's, a decade of aimlessness," is based on his best-selling book by the same title.

In the first film, which deals with the problem of priorities, Swindoll calls for the recognition of the subtle but essential difference between the important and "the merely urgent." While the urgent "always makes the most noise," he notes, the important but less noisy issues usually need more attention than our hectic schedules allow.

The popular minister, whose radio program "Insight for Living" is broadcast more than 400 times daily, deals

with the topic of aging in the second film. He says no one needs to "shift their head into neutral" merely because a certain age is reached.

Known for his rapier-sharp use of the language and his pithy illustrations, Swindoll has made many church audiences sit up and listen when he warns against "too much church."

In the third film he affirms leisure as an important part of life, warning both the workaholic and "churchaholic" that "fatigue is not next to godliness."

Swindoll also warns that "too much church" can insulate Christians from the real world, in the fourth film, "Godliness: The Perils of Hothouse Christianity."

Film Five is on "Attitudes: Choosing the Food You Serve Your Mind." Here Swindoll urges a mental diet of something other than "media clutter" for anyone wanting to improve their outlook on life.

In the final film, the author-minister deals with the crisis of authority which he sees in the land. Taking personal responsibility for quelling our natural rebelliousness offers the only hope for what he calls a "talk-back, fight-back world."

The "Strengthening Your Grip" films will be shown consecutively on October 2, 9, 16, 30, November 6 and 13 at 6 p.m. The films are produced by Word, Inc., of Waco.

## CVAE courses held

The Advisory Committee for the Coordinate Vocational Academic Education (CVAE) classes met Monday, October 3, at 3:30 p.m. in the Azteca Cafe. The Home Economics teacher, Mrs. Joyce Williams, presented a curriculum plan for the school year for approval and suggestions. Each member was given copies of the plan to study. Suggestions were made by members as to job training, institutional menu planning and available jobs in the community.

Mrs. Betty Fuller, of the Floyd County Day Care Center, was elected chairman; Mrs. Ersi VanCleve was elected vice-chairman; Mrs. Josie Longoria was elected secretary. Other members of the committee include Servando Longoria, co-owner of the Azteca Cafe, Mrs. Betty Baker of Caprock Hospital and Forrest Shannon of Buddy's Supermarket.

The Azteca served iced tea to the committee during the meeting.

## New face at Post Office

If you have noticed a new face in the Post Office lately or an unfamiliar face on the postal beat, it is probably new mail carrier Stan Self.

Self is a native of Petersburg and graduated from High School there in 1963.

A 1965 graduate of Henderson County Jr. College in Athens, Texas, he then attended Stephen F. Austin State University in Nacogdoches, Texas.

During the Vietnam War he served in the United States Marine Corps.

After his Marine Corp duties he was

associated with the Rath Packing Company in Houston, Texas.

He went on from the meat packing business to become an auctioneer in Lubbock, Texas for two years.

Later operating his own construction business in Longview, Texas, he was also on the Longview Fire Department for eight years.

Before joining the United States Postal Service he worked at the Lubbock State School.

He is the son of Mr. and Mrs. Levi and Juanita Self of Lubbock.

# Chamber Clips...

By Susan Garms

**ATTENTION!** The play "The Saga of Katy and the Gambler Lady" may have been cast last Thursday night, but still needed are talented individuals and groups willing to have a lot of fun while they support their local Chamber of Commerce and its projects. Director Sara Probasco has appointed Joann Cagle as talent coordinator for the evening's vaudeville-type acts. And WE know who would be good, but will they volunteer or even say yes...among those who come to mind are Harvey Allen with harmonica, Jack and Britt Gregory with quartet cohorts Bobby Rainer and Don Warren, tiny songstress Robin Galloway, song and dance lady Gail Hale, singers from the Lloyd family, reciter Sally Galloway and several ladies we have in mind for the can can. The quartet of Copeland, Aldredge, Craig and Cartlege would certainly be entertaining also, as would be the singing ladies from FBC Hambright, Allen, Crabtree and Parker, and will you come again Molly Stringer? Know of a fiddler, juggler or joker? How about a soft-shoe artist (Carroll Sims?) Come on down and volunteer your talent, or sign up your best friend. Or call the Chamber-office and give us a lead? 983-3434.

This whole production is going to take place in six weeks on November 12 and 15 at the Massie Activity center, which will be transformed for those evenings into the C Bar C (C-C) Saloon (Serving Dinner and Entertainment Nightly).

Don't forget, by being a member of the Floydada Chamber of Commerce, you are eligible for group insurance. This major medical protection is sold and handled by the local insurance agents. The "group" is the chamber membership and qualifies for lower rates. Call the Chamber office or your insurance agent for more information. This applies to individuals as well as businesses, no group is too large or too small.

So where does the airport fund stand? We now have \$34,288.17 in savings and in pledges. If you made a pledge, it's

time to start paying it. And if you have not contributed at all, won't you help us reach our goal? We still need about \$800.00. Come on, Floydada, let's make our goal in October!

\*\*\*\*\*  
What's going on with your club or organization? If you'll telephone the Chamber office Monday through Friday 8:30 to 3:30, and let us know, we'll help you get the word out.

The 1956 Jr. Study Club is selling tickets for the Tater Bake before the Childress game on Friday week, which is the 14th. The menu includes stuffed potatoes with choices of several toppings, salad, bread sticks and cobbler. The tickets are \$3.50 and \$1.75 and the proceeds go to Girlstown and the Scholarship fund.

\*\*\*\*\*  
The Band Boosters are in the middle of their calendar campaign. They are selling birthday and anniversary listings and business listings. This is one of their major fund raisers this year so let's all support our band by buying and using our band calendars. When a booster calls on you, say yes, and if they happen to miss you, call one of them and volunteer. Can you think of a better way to help?

\*\*\*\*\*  
The Plains region has the most elbow room of any Texas region, with an average of 17 persons per square mile. This region was the slowest growing during the 1970's adding only 175,000 to its population, with one-third of its counties losing population. Back in 1850, there were only 212,000 Texans, about 6,600 percent less than there are today. According to the Texas 2000 Commission, the number of Texans is expected to top 22 million by the year 2000, an increase of 45 percent from the current population.

According to the National Retail Merchants Association there are several "best buys" in the marketplace today, and all this month of October. These are: Columbus Day, falls sales, cars (last of old models) coats, lingerie, and infant needs.

Kevin, Eddie and Shella Carter

## Carter joins local S.P.S.

There is a new face behind the wheel of one of those Southwestern Public Service trucks driving all over the country...that face belongs to Eddie Carter.

Carter, his wife Shella, and their son, Kevin recently moved here from Lubbock where he was youth pastor at the Bethel Assembly of God Church.

A native of Bentonville, Arkansas, Carter has worked an electrical journeyman for R.E.A. in Arkansas as well as working for Southwestern Public Ser-

vice in Dumas, Texas and Lubbock.

Kevin is a Freshman at Floydada High School and hopes to make the golf team and the basketball team.

Shella enjoys working in the home and hopes to soon start selling "Home Interior."

He and his family plan to make Floydada their home. "Floydada is more friendly than most towns and we have already met some good neighbors," said Carter.

## Orman attends annual Texas County Treasurers Conference

Floyd County Treasurer, Glenna M. Orman, along with some 175 other Texas county treasurers attended the 35th Annual Texas County Treasurers' Conference in San Angelo, September 20-22, 1983. The Conference was the conclusion of a highly productive year for Texas county treasurers under the leadership of President Bill Melton, Dallas County Treasurer. The agenda included headline speeches from State Treasurer Ann Richards, Attorney General Jim Mattoz, Secretary of State John Fainter, and House County Affairs Chairman Gary Thompson, as well as financial and educational discussions and workshops.

Glenna M. Orman explained that the County Treasurers' Association was instrumental in the passage of four bills during the 68th Session of the Texas Legislature, including HB 570, the county treasurers' continuing education bill which requires 20 hours of classroom training in the duties of county treasurer each 24 months. The organization also published the new Texas County Treasurers' Procedures Manual in cooperation with the V.G. Young Institute for County Government, a part of the Texas A&M System. The

Manual, which was reviewed by the assembly in a special session of the Conference, contains guidelines to the operations of the office and has been placed as permanent volume in each Texas County.

"County treasurers are striving to become more knowledgeable of finance, management, governmental accounting, and computerization, and to become an even more vital part of county government by providing the proper check and balance system for county finance", said Glenna Orman.

"We anticipate 100% attendance at our Texas A&M Seminar in April to meet the educational requirements of HB 570 which will assist county treasurers in operating their offices to the maximum benefit of the citizens of their counties."

## Call made for tougher standards

The University Interscholastic League director, sensitive to pressure from the chairman of a special education committee, called Wednesday for tougher academic standards for high school athletes and a paring down of some extracurricular programs.

"I'm tired and I'm emotional because I did a lot of soul-searching last night," Bailey Marshall told the Select Committee on Public Education.

In recent weeks, committee chairman H. Ross Perot has criticized scholastic extracurricular activities. Perot said educators have told him those activities steal time from education.

"If we don't recover the school day for learning we're going to produce children like we do now. (Children) that don't know much," said Perot.

Marshall came to the committee Wednesday with a long list of proposed changes—revisions he predicted would win approval from school superintendents who set UIL rules.

Marshall's proposals included: \*Requiring high school athletes to be passing four courses, instead of the current three, to remain eligible. Students also would be banned from participating in a UIL contest if it meant missing a class they were failing.

\*A study of eliminating some sports—he did not say which ones—that are offered outside of school.

\*Move golf and tennis competition, which he said are the most time-consuming sports, to the summer months.

\*Penalize coaches for UIL rules violations. A school would be able to escape a penalty by replacing the coach. A school that hired a penalized coach would be subject to the penalty. Marshall said that plan would "place the penalties not so much on the students."

\*Study cutting the number of baseball, basketball, volleyball and soccer games. Perot liked the proposal, and said, "You get the same benefit out of playing everybody once as you do playing everybody twice."

\*Penalize "redshirting," a process in which parents have their children repeat seventh grade so they'll have another year of growth before they begin high school sports. Marshall said such students should lose one year of high school sports eligibility.

\*Ban interschool contests below the seventh grade. The UIL does not regulate activities below the high school level, but Marshall said many districts use UIL rules throughout their system. Perot has called for a ban on interscholastic sports below the high school level. Marshall proposed a ban on junior high

school games on school nights.

\*A five-year moratorium on adding new athletic programs.

\*Allow schools to provide only "basic equipment" for sports. Marshall called for the elimination of "towell dryers, hand warmers, names on jerseys... things we do not need to conduct the programs."

\*A limit on the number of coaches at a school. "I don't think we need one for every position," he said.

\*Limit speech competitions to eight per year, with a limit of 10 school days missed. Marshall said some students miss up to 22 days per year to participate in such contests.

\*Allow students to miss school only once a year for a music contest.

Perot said Marshall's plan was a "very courageous statement, obviously focused on what's in the best interest of the school children of Texas."

Marshall invited committee members to an October 16 meeting of the UIL rule-making body. Perot said he would be there and would bring "a bunch of collegé graduate football players who can't do anything but sell dope for a living."

Perot said he was "surprised and pleased" that Marshall came prepared with a package of reforms.

"I certainly think it's movement in the proper direction," he said.

Perot opened the session by telling Marshall that committee members, studying the entire public education system in Texas, are not against extracurricular activities, but are concerned the activities are overemphasized.

With proper reforms, "the games will still be played, the bands still will play, the drill teams still will march. They just won't dominate the schools," said Perot.

He told Marshall the future might hold schoolboy football teams that don't "have a playbook as complicated as the Dallas Cowboys, but they'll still be playing on Friday night."

Perot also said the marching bands might hit a few "sour notes," and the drill teams might have some "curves in the line," but both would still perform.

He said he knew his proposed ban on junior high school interscholastic sports would be opposed by coaches.

The chairman told reporters that UIL activities are not the worst problem faced by educators. He said 4-H programs are the "greatest time thief of all." Perot said a West Texas principal complained that such programs allow a "kid and sheep to disappear" and miss school time.

### Letter to The Editor:

The Hesperian has served as our "letter from home" since 1954, during which time we have enjoyed the various changes in format and content.

We especially enjoyed the recent letter to the editor from Jerry Coltharp (8-25-83), and share his appreciation for the good foundation in education and community life in Floydada.

CARRIE MARTIN AND GIRAFFE "CROOK" at International Wildlife Park.

## Martin deals with lions and giraffes while employed at wildlife park

What do you do when you are in a cage with a hungry lion? Well, Carrie Martin found out the hard way this summer when she worked at the International Wildlife Park near Dallas. Carrie, a 1982 Floydada High School graduate and a sophomore at San Angelo State University, applied for jobs at Six Flags, Sesame Place and International Wildlife Park. After an interview at International Wildlife, she was hired.

The park management asked Carrie to be supervisor of the "Entertainment Village" at the park. Job duties included walking around the stands, shops, shows and rides in the village and insuring everyone was performing their job, as well as entertaining the guests who visit the park.

Having always been "intrigued by animals", Carrie soon got involved in the wildlife department of the park.

She quickly made friends with a lion cub that was born at the park. Monroe really responded like just a big housecat until one day, a few months later, Carrie went into his cage to play with him for a while...Monroe hadn't been fed yet and his natural instinct overcame his love for Carrie and he decided to have lunch immediately. After a little fast thinking Carrie threw her walkie-talkie in his mouth and ran to safety.

Recalling other similar incidents, Carrie said she got a call saying one of the Elan (largest elk in the world) was about to get out of the wildlife area and into the "Entertainment Village".

Carrie took off in her jeep to cut the elk off. When she arrived, he was running back and forth so much she could not keep up with him in the jeep. She then jumped out of her jeep and started running back and forth in front of him. She finally got him stopped just in front of the village entrance. She said they just stood there looking at each other. It wasn't long before one of the wildlife attendants arrived on the scene. He became very upset. He told her to turn around and very slowly walk away...the elk was about to charge! After several experiences like that, it did not take long before she realized that all these animals really were wild and were not pets.

The park is designed so that guests may drive through in their car, look at or feed the animals, and just enjoy the scenery. Some guests have also discovered that these animals are not pets.

Once one of the camels started leaning up against a guest's pickup, almost turning it over. He then proceeded to cough and spit all over the pickup.

One Rhino got a little too frisky one day and decided to joust with one of the guest's vehicles. He placed his horn under the bumper and started lifting up and down. Fortunately the guests thought it was wonderful and decided to take pictures.

There are 2500 different species of animals at the park and it takes around \$28,000 a month for food for the animals.

The park is a member of the International Animal Exchange program. This enables the park and other zoos and parks to reciprocate with animals they need.

The park has several very rare animals. There are only six white zebras in the world and the park has two of them. These are not albino, but are beige and white, in contrast with the ordinary black and white zebra.

The park also boasts one white lion. There are presently only 50 in the world. The park has two lionesses that have white genes and it is their goal to produce more of the white lions.

Carrie supervised 72 people in the village as well as serving as M.C. of the McCall parrot show. She said she tried to get to know all of her employees and feels she gained their respect by treating them with her small town attitude.

"If I can maintain that kind of relationship with my employees from now on, I'll be all right," said Carrie.

She said everyone called her "Mama Joe" because she was always acting like a mother to all her employees. "I learned to deal with people and how to

make them enjoy their work," she commented.

Carrie is a business administration major at college and said "this job really made me excited about my major."

She said she feels she had an advantage going to Floydada High School "because you know everybody and that gives you a different attitude."

She said "by living in a small town, you do not judge people too hastily; you give people a chance."

Traveling is Carrie's second nature. "I like meeting different people. Working at the park gave me some of the best experiences I've ever had," she said.

She said she would enjoy working there again next summer but wants to go to Europe.

Carrie seems to be a prime example of how a small town girl can survive in the "jungle!"

## Women's C of C plan chili supper

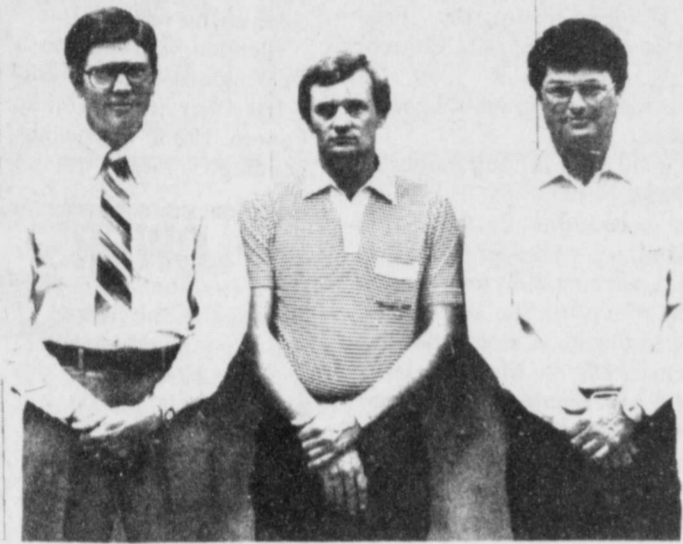

At the regular meeting of the Chamber of Commerce Women's Division on October 3, it was decided that the Women's Division will assist with food preparation for the Chamber of Commerce Chili and Bean Supper on November 4. The menu will consist of chili, beans, cornbread, and fruit cobbler. It will be served at the Jr. High Cafeteria before the Slaton football game. Members will be contacted by the calling committee.

Susan Garms read an invitation from the Plainview Women's Division to their annual "Hi, Neighbor" free luncheon, to be held at the Plainview Country Club on Friday, October 14 from 11:00 a.m. to 1:00 p.m. There will be many door prizes donated by artists displaying their wares at the Running Water Draw Arts and Crafts Festival. Floydada Women's Division members who wish to go should call Susan Garms. It is hoped that Floydada group can arrange to take several car-loads. Members who have attended the luncheon report that it was a most enjoyable way to spend a Fall day.

Jackie Walls reported that arrangements have been made for "Apples For The Teachers Day" and also for the annual Merchants Appreciation Coffee, which will be at the First National Bank Coffee Room on October 19 from 9:00 to 11:00 a.m.

It was agreed at the meeting that one of the Women's Division's fund-raising projects this year will be a bake sale at the Lions Club Bazaar in December, providing booth space is still available.

The next regular meeting of the Women's Division will be at 5:00 p.m. on November 7 at the School Business Office.

## Letter to the Editor

Dear Sir:

Having recently spent a delightful week with my parents in Floydada, I wanted to say a special and belated thanks, on behalf of my brother Randall and myself, to the good friends our family is fortunate to have.

During the anxious moments spent in worry over our dad's health, it was a great relief, both mentally and spiritually, to know that both Al and Sally were in the good, loving, and healing hands of our dear friends. I send special thanks to the Caprock nurses (especially to the ladies on night duty who so patiently and kindly took my very late calls) and to Dr. Jordan.

We thank you all and wish you health and happiness.

Sincerely,  
Dana Scott Galloway  
1935 N. Vermont, #12  
Los Angeles, California

Dear Floydada,

I don't know where to begin to thank you all. Dea and I have received cards, visitors, gifts, prayers, and helping hands from so many of you. It means so much to us. We also appreciate the love fund that will help a great deal with her medical expenses.

Although her disease is a rare and serious one, we are optimistic and hopeful. I believe that someday Dea will realize, like her mommy, that she has grown up in the friendliest little town around.

Very Sincerely,  
Billie (Christian) Watson

## Bazaar to feature a Yankee peddler

A Yankee Peddler in Matador? Yes, there is! Joan Patton decided to emphasize her home background in the name of her shop which she opened in Matador in 1974. The Yankee Peddler is located in a small house (912 Dundee Street) just to the west of the Methodist Church.

The owner moved to Matador in 1962 from Babylon, L.I., New York, upon her marriage to a Matador native.

The shop features collectibles and antiques--some from out-of-state but mostly acquired locally. Also many items are on consignment from area people. The Yankee Peddler is open upon demand because Joan also works three days a week as a Green Thumb aide at the Motley County Library. Joan will be at the First Christian

Church October 22 for the Tasting Bee Antiques, Collectibles and Craft Items Bazaar. She will bring many items for you to see.

## Sellars, West to participate in bazaar

A bazaar featuring antiques, collectibles, and tasting bee will be held at the First Christian Church on October 22nd between 10-4 p.m.

Two locals participating will be Edith Sellars and Sherre West. Sellars will have primitive antiques, antique jewelry and glassware. She has been buying and selling antiques and collect-

ibles in her spare time for 15 years. She is also an Avon group sales leader. Her husband is an expert craftsman and will have some of his handcrafted wooden buckets will be displayed at the Bazaar. The Sellars have lived in Floydada for many years and raised their family here. West is a wholesaler in 14k gold and

cloisonne jewelry and has recently started designing necklaces and bracelets from semi precious stones such as lapis, coral, malachite, onyx, pearls, and many others. Sherre can re-design a strand of beads or add gold beads. What a distinctive gift a custom made strand of beads in your own design would be!

## CENTER NEWS

Monday, Oct. 3, 1983:

It was good to be in church Sunday. But the afternoon was varied. Cloudy, a dust storm, a shower, then cleared off. Today is cloudy but warmer. The wind is up again.

Mr. Andrew Sanders who lives alone was celebrating a birthday Sunday. Among cousins who went up in the afternoon to be with well wishers were Mr. and Mrs. Thomas Warren, Mrs. Ola Warren and Mrs. Fred Battey.

Mr. and Mrs. O.G. Mayfield had company over the weekend. These were their son and wife of Henrietta, Mr. and Mrs. Gene Mayfield. Also their daughter Paulette who came over to have the week-end visit with her parents and grandparents. Paulette is a student of Texas Tech. All left for home or school Sunday afternoon. They also visited the Fairview Farm while here. Mrs. Roe Jones is home again after a

visit in Amarillo with daughter, Clara Mae and family.

Mrs. W.C. Plumlee is home again feeling better after a few days in a Plainview hospital.

Wiley Rogers is reported "doing pretty good." Their daughter, Nora of Canyon is visiting them today.

The Revival is on at the First Baptist Church. That is something good to attend.

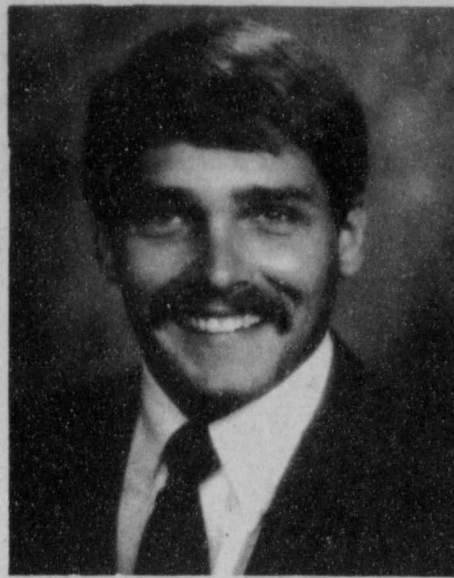

Mr. and Mrs. Curtis Meredith and son have moved to Plainview, and like it. They are scheduled to visit his mother Tuesday.

Bro. Muncy is back home in Lockney from the Lockney Hospital. We hope he is feeling much better.

Mrs. Ethel Warren says she is getting better. Is able to be out some.

Mr. Hal Thomas says he had to spend this week-end alone this time.

Mrs. Ashton of Lockney Rest Home is getting along "pretty good."

## Friend, foe or UFO?

Several people in the community observed something they may have questioned Tuesday morning about daybreak.

In reality it was a helium balloon that carried a 2-man race team to southeast of Floydada about 10 miles and came to rest on some of the Murray land operated by Doris and Watson Jones.

The pair, a member of the "Old Glory" team, made their 350 mile trip from Albuquerque with a couple following their travel in a van pulling a trailer.

The balloon, described as being as "big as a good-sized house" was

geared with a rope and a bag of dirt tied at the end for precautionary measures. The rope struck a highline wire near Alex Garza's home, causing him to lose the electricity at his home for about 40 minutes. Garza, Junior Ledbetter and Rob Hefflin observed the balloon as it descended and went to the scene to offer assistance if needed.

The passengers were unharmed, but ask the two local men to sign papers to confirm the location of their landing.

It took the foursome approximately half a day to pack their gear to start their return trip by van.

## Ford-Montandon wed August 20 in Odessa

Parkview Church of Christ in Odessa was the site for the August 20th wedding uniting Debra Kay Ford and Francis L. Montandon IV. Doyle Gilliam read the vows.

The bride is the daughter of Mr. and Mrs. Thomas R. Ford of Odessa and the groom is the son of Mr. and Mrs. F.L. Montandon of Aiken.

Presented in marriage by her father, the bride chose a dress of white alencon lace over illusion, which had a fitted bodice with a laced edge V-neck and bishop sleeves of sheer lace. The full skirt had a slightly raised waistline and a deep ruffle trimmed in sequins with an attached sweeping cathedral train of matching alencon lace.

The fingertip illusion veil had a Juliet cap of galloon lace and simulated pearls and was edged with alencon lace.

Her bouquet was a cascade of silk flowers which consisted of roses and mums in shades of apricot and white.

Maid of honor was Pam Smith. Attending as bridesmaids were April Nunn and Julia Ford. Flower girl was Amanda.

Thurman Hux acted as best man with Tommy Stewart and Barton Cooper serving as groomsmen.

Clark Chandler and Mike Jones were ushers.

A reception was held in the Sherwood Church of Christ all purpose building.

The bride, a graduate of Odessa High, attended one year at Lubbock Christian College and is presently employed by Fanfare Shoes in Lubbock. The groom received a B.S. from Abilene Christian University and is a student of Sunset School of Preaching in Lubbock.

## Smith descendants gather in Floydada Sept. 24th

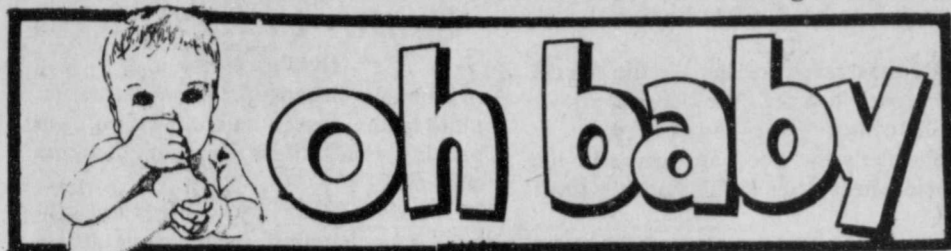

Relatives of the late Della Hammonds Smith met September 24 at the home of Mr. and Mrs. Bill Smith for a family get together, with relatives from several states attending.

Pictures were shown of previous years, reports on the various families, and many humorous stories were told. Group pictures were taken as were as individual pictures by Bill Hawkins of Phoenix, Arizona.

This was the first time the group had got together since 1949. All of the immediate Hammonds family had transpired during that time. There are three surviving aunts, Mrs. Pryor Hammonds of Littlefield, Mrs. Cecil Hammonds of Vega and Mrs. C. C. Hammonds of Lubbock.

A very pleasant day was reported by all. Plans were made to meet the second week end in September in 1984 in Plainview at the home of Mr. and Mrs. Roy Smith.

Those registering were: Bob and Beatrice Hawkins and Bill Hawkins, Phoenix, Arizona; Janice Smith Honsen, Rochester, New York; Bernice Ladrou, Chula Vista, California; Agnes Fletcher, Morgan Hills, California; Elizabeth Ann Hammonds, Houston; Fay Smith, Levelland; Harold and Vera Dell Shockley; Dee Hillard and Willie Mae Hilard, Lovington, New Mexico; Dolly Hammonds, Littlefield; Anna Hammonds, Vega, Texas; Shirley and Jack Gaines, Odessa; Ruth and Royce Cretzinger, Wildorado, Texas; Doris and Russell Miller, Amarillo; Bill and Gail Howard, Heather and Alicia, Plainview; Sue Givens, Jennifer and Chad; Max and Jaynette Harrison; Ronnie, Phyllis, Stacy and Andrea Smith all of Floydada; and hosts Milton and Jo Harrison, Ruth and Don Harrison, Bill and Lillian Smith all of Floydada; Mona Dunn and Jean, Hale Center; Roy and Sunshine Smith of Plainview.

**MULL**  
John and Pat (McCarty) Mull of 1108 Boger, Plainview are the proud parents of a baby girl, Megan Le Ann Mull. Megan Le Ann was born Tuesday September 27th at 5:28 a.m. She weighed 6 lbs. and 8 oz. She was also 19 inches long. Megan Le Ann has a brother, Brandon and a sister, Andrea Selman. Grandparents are Truett and La-

Verne McCarty of Lockney and Bill and Mary Mull of Snyder. Great grandparents are Mr. and Mrs. Calvin Poteet of Henrietta. Uncles and aunts include Frank and Carol Claunch of Ingleside; Dickie and Debby McCarty of Lockney; Jim and Cheryl Mull, William and Glenda Mull, Ronnie and Donna Mull, all of Plainview; David Mull of Canyon and Scott McCarty of Clarendon.

## Anna Perales given Latin American Scholarship

Anna B. Perales of Floydada has been awarded a Latin American scholarship from the Baptist General Convention of Texas.

Miss Perales, daughter of Enrique Perales of Floydada, is attending Wayland Baptist College in Plainview this fall.

The Latin American Scholarships are funded by the Mary Hill Davis offering taken each fall in conjunction with a week of prayer for state missions by the 4,700 Southern Baptist congregations in Texas.

During the past 25 years, more than \$1.3 million of the offering has been invested in the education of more than 900 Mexican American youth attending the eight Texas Baptist colleges and universities or Southwestern Seminary.

Besides scholarships the offering provides financial support for Valley Baptist Academy, new church and

mission construction and other state mission causes.

## Floydada Nursing Home Happenings

By Winona Jackson

This has been a week filled with pleasant surprises for many of the residents. Lovely flowers were sent to the residents by the family of Mrs. Ethel King with special arrangements sent especially to Alta Probasco and Una Clark, who were long time friends of Mrs. King. Faye Carpenter brought fresh tomatoes for the residents to enjoy and Howard Gene Bishop brought watermelons to the residents. The day before, several of the residents were saying "Oh, wouldn't a watermelon taste good." Thank you, Howard Gene, for listening! Thank you, Faye, for caring.

Helen Teeple brought blueberry muffins for everyone to enjoy at "coffee time". This was a treat for everyone who attends coffee. Thank you, Helen!

Ceramics class was cancelled because of a fire in Janice's workshop, but Irene, Iva, Lura, and Ruth stayed busy braiding Lura's crochet for fragrance braids.

Susie Mooney's daughter and son-in-law were here to visit her and Susie really enjoyed their visit. Before the week was over Susie's son was also here to visit her. Susie had an exciting week.

Bennie Wilson's sister and brother-in-law, Jessie and Arby Stewart took Bennie out to lunch on Tuesday. Bennie loved this surprise.

Right after bingo on Wednesday, Mrs. Smitherman and Mrs. Hambright, representing the Sunshine Sunday School Class of First Baptist Church, brought freshly baked doughnuts to all the residents. The diabetic residents received a special treat...diabetic doughnuts! Everyone really enjoyed this afternoon.

Thursday afternoon Iva, Bennie, Una, Mrs. Birnie, Addie, and Lura had a bus ride to South Plains. We have watched the cotton crops each Thursday since they were first planted so it was good to see the fields turning white.

On Friday, Irene Fuller was showing off her new leg and foot. Irene is an amputee and has been having therapy for weeks preparing for her new "foot." Soon we hope to see Irene walking down the hallways.

The movies were especially good Friday afternoon so the movie fans enjoyed the films and the popcorn.

Mrs. Nora Norris spends a lot of time writing letters and it really brings results. She gets lots of mail each week. Mr. and Mrs. Bloodworth also enjoy hearing from all of their friends and members of their family. Beatrice enjoys writing letters also. Jewell Norman received a letter from her granddaughter, Linda, this week which brought smiles to Jewell's lovely face. Letters and cards are so appreciated by the people here.

Mrs. Kreis and Mrs. Duke are better and back from Caprock Hospital. Earl Bishop is back to make his home with us. It is good to see Mr. Bishop and his nice family again. Welcome back Mr. Bishop!

A special thanks to all the volunteers and guests this week and to the friends who remembered the residents with special treats and "surprises." Guests included: Ruby Gooch, Mrs. Watson Jones, Mr. and Mrs. Joyce Williams, Christine Robertson, Lucille Lobban, Estelle Hinkle, Dorothy Neff, Mrs. Carl Smith, Shirley Teague, Hurst, Texas; Gene Baird, Burmah Probasco, Charley L. Berry Sr., Elvis and Lovelle Childs, Rena Barris, Mr. and Mrs. Claude Lyles, Amarillo; Hazel Bradley and

Zella Palmer, Beth Hinson and Odessa Mullins, all of Roaring Springs.

## Baby shower honors Mrs. Dennis Tierce

Mrs. Dennis Tierce (Holly Robertson) was honored with a baby shower Saturday, September 17, in the home of Jodie McGuire at Dougherty.

Hostesses for the occasion were Jodie McGuire, Lucy Eastham, Wilma Ward, Elaine Clemmons, Denise Pernell, LeShay Everett, Alta Smith, Freida Dunn, Barbara Covington, Darryn Boothe, Leah Lackey and Bessie Glover.

Mrs. Tierce was presented with a play pen, and with a night light, which was used in the table decoration. The Tierces are expecting the birth of their baby the last of October.

## Il Penseroso discusses farm sale

Il Penseroso Jr. Study Club met Thursday, September 22 at the Home Economics lab. Hostess for the meeting was Cindy Ford with Julie Hickerson and Cathy Barnett co-hosting.

The meeting was called to order by club president Robin Stoerner. Marilyn Biggs gave the treasurers report. Plans were made for the farm sale which was held September 27 and 28. A

barbecue meal was served with proceeds from the concession going toward payment for the incubator purchased by the club for the hospital.

Members present were Treena Astor, Cathy Barnett, Marilyn Biggs, Charlanne Burson, Cynthia Bybee, Sandra Cummings, Lesca Durham, Cindy Ford, Kelly Fortenberry.

# Lakeview News

By Joyce Williams

The D and B Oil Company of Snyder, Texas moved into Lakeview Saturday for construction of a slush pit for the oil well they are drilling on the land belonging to the Billy Joe Hambricht family, due north of the Lakeview gin. Meridian Oil Company leased the land from the owners nine years ago this month. With one year to go on the ten year lease, it was sub-leased to the Snyder Company, composed of a group of investors who pooled their funds. The independent producers contracted water from Verlon Wright, directly across the highway to the west. Verlon had his irrigation well running all day Saturday and by Monday the pit excavated years ago by the highway department was filling up. The oil company had the heavy black plastic hose running from the pit, under the culvert, along the highway to the well site, ready for the rig to go up. Sunday evening the crew had put down black plastic sheets to line the slush pit, and were busy scooping dirt to keep the liner from blowing away in the heavy sandstorm that preceded the shower about sundown. About .2 to .3 inch of rain settled the dust over our community, always welcome. Scarcely any of the surrounding land is leased to oil companies. This time of year is popular time for oil companies or people willing to gamble money that might otherwise to income tax, to go out and drill for oil. If they're lucky, great. If they get a dry hole, then chalk it off their income taxes. The southwestern manager of a major oil company disclosed nearly ten years ago that their maps showed natural gas deposits around Lakeview. This may be what they are looking for now rather than oil. What determines whether a well is oil or gas? Since 1935 the Texas Railroad Commission has designated a well as an oil well if it produces at least one barrel of oil to every 100,000 cubic feet of gas. The commission also allows only one gas well per every 640 acre section of land. An oil well is allowed on every ten (10) acres. The recent controversy between major and independent oil companies is based on that law. The major companies drill for oil — 64 wells to the section, and just accidentally discover some natural gas along the way. The majors keep their mouth shut about the gas, and pipe the oil the refineries. There they extract the natural gas, in order to refine the oil, keeping mum about the gas to tax people and landowners. The independents strike oil and there at the well head begin a refrigeration process to separate oil and gas, paying taxes on

the gas to local school districts and the government as well as payments to the landowners. And that's part of the reason aggressive independent oil companies are welcomed in the counties of West Texas. The process used by the independents to condense liquid hydrocarbons from casinghead gas at the wellsite helps spread the money around. Although no one would protest in Lakeview if a conservative major company decided interest rates were low enough to warrant some leasing and exploration. The new wellsite is conveniently near the pavement for all Lakeview oil well watchers. When a rig goes up, everybody in the community becomes an oil well watcher; some more so than others.

Jimmy McLaughlin drove the school band bus to Lubbock for band students who marched in the South Plains Fair Parade last Monday. Marlis McLaughlin is a band member, and also marched in the Lockney Fair Parade. The McLaughlins and Marlis' guest, Miss Paige Cannon, attended the Fair the previous Saturday. June and Jimmy attended the Mac Davis show.

Holt Bishop ate Sunday supper with the Howard Bishops. Gary Nixon and Greg Bishop attended the Texas Tech game Saturday.

Randy Burk of Lubbock was here last week-end to go dove hunting.

Jason Harrison is home and going to school half a day, after being in the hospital with a riding lawn mower injury.

Misti Bertrand, daughter of Mr. and Mrs. Randy Bertrand won the sports-wear award in the Little Miss Floyd County Fair pageant.

Mrs. Ona Ruth Neff attended a Daughters of the American Revolution meeting at the home of Susan Dunavant near Allmon, Tuesday evening.

Mrs. Q.D. Williams accompanied several other Floydada teachers to a Texas State Teachers Association meeting at O.L. Slaton Junior High School in Lubbock Wednesday evening. Her workshop on Gifted and Talented students was also attended by Mrs. Kay Brian, mother of Mrs. Kellie Williams.

Judge Choise Smith and son, Hunter, have gone fishing at White River several evenings lately and are putting lots of nice bass in the freezer for the winter.

Mr. and Mrs. Monte Williams and daughter, Amanda, James Williams and son Austin, and Q.D. Williams attended the Air Show at Reese Air Force Base in Lubbock Sunday afternoon.

Mrs. Cathy Green and daughter,

Heather came over from Lubbock for the week-end with her parents, Mr. and Mrs. Billy Joe Hambricht while Jerry Green went dove hunting at Vealmore, Texas.

Some farmers are harvesting milo, hay grazer, shredding frost nipped cotton and gathering bell peppers and tomatoes for the sheds.

Mr. and Mrs. Don Harrison attended the Hammons family reunion at Bill and Lillian Smith's home in Floydada Saturday. Ruth and Bill's mother was a Hammons. Kim arrived from California, Arizona, New Mexico, Houston, Odessa, Amarillo, Littlefield, Texas, and Rochester, New York.

Two of their cousins, Dee and his sister, Willie Hillard, of Lovington, New Mexico, who once lived at Post, Texas, spent Saturday night with Ruth and Don in Lakeview. They stayed until the Dallas Cowboys game was over Sunday evening. All the local relatives brought food for a salad luncheon at Saturday noon. Then there was another big spread Saturday night, with tables set up all over the house and in the garage with every delectable dish imaginable offered. Next year the clan meets in

Plainview with Roy Smith and Sunshine. Mrs. Janice Hansen, of Rochester, New York came out Monday for lunch with Ruth and Don.

Mrs. Howard Bishop and her sister, Mrs. Pete Calloway, visited their aunt, Mrs. Neva Callahan at the Lockney Rest Home last Saturday. Mrs. Callahan had been released from the Lockney Hospital.

Mr. and Mrs. Don Harrison visited Saturday with Jeanette Harrison and Debby. Tracy had gone to Abilene with a college church class. On Friday the Don Harrisons visited with her aunt, Mrs. Jessie Smith of Levelland, at Methodist Hospital.

The Moosbergs had as their guests last weekend: Tommy, June and Rolf Sherman of Lockney; Ken and Alice Steele of Perryton, who were on vacation, they had also visited his grandparents in Neosho, Missouri, and toured point of interest in Arkansas, Oklahoma and Missouri; Donny, Carla and Zarle Lee Winslow and a friend from Duncan, Oklahoma.

The Moosbergs and Alice attended the Herman King funeral in Lockney. Ken visited Rolf Tuesday morning.

## Center News

By Mrs. J.E. Green

Sept. 26, 1983

Sunday was cold and windy. We had some real winter start about the middle of last week, but it has warmed up some.

Sunday the Henry Brewer had some of their children from Lubbock.

Oh, I have some news - I have a new great granddaughter. The granddaughter of Margaret and Doc. She arrived Saturday in the Hubbard Hospital. The parents are Mr. and Mrs. Doug Chandler of Lubbock. Margaret called me. The baby is not named yet. That makes three for me. What a prize!

Mr. and Mrs. Anthony Latta made a trip to Plainview Friday. Monday, Mrs. Latta made a short visit with Mrs. Green.

I can't get many people today, but Hal Thomas' daughter and family of Lubbock spent the weekend with him. His brother, Bill of Lockney, came Sunday.

Mrs. Doyle Sanifer's brother of Lake Meredith visited her recently.

Mrs. Ethel Warren is still better after her car was wrecked. The Marion Carpenters are at home.

Bro. Clay Muncy is in the Lockney Hospital. He is doing a little better.

Mrs. Plumber is in a Plainview Hospital. Wiley Rogers is at home.

## Billie Jordan honored with Red Rose Award

Members of Delta Kappa Gama met in the Floydada High School cafeteria for a meal Monday night. Some 60 professional women attended representing six area towns: Plainview, Hale Center, Petersburg, Lockney, Floydada, and Abernathy.

Those attending included Peggy Hallmark, Dorothy Bradley, and Jeanette Marr, all of Lockney, and LaVada Garrett, Amy Hollums, Roberta Hardin, Joanne Cagle, Sallye Lyles, Sheree Cannon, and Dale Tyer, all of Floydada.

The first Red Rose Award was awarded to Billie Jordan for outstanding personal service to people. The following tribute was written by Amy Hollums and read as a tribute to her: The day has never been too cold nor too hot. The night has never been too short or too dark. The plea may have been almost too weak to be heard, but she managed to hear and to be there!

She has cared for the ill, the needy, the broken-hearted, the depressed! She comes quietly, humbly! She feels the need and gives of her graciousness - her help - and her love!

Her deeds are too numerous to be mentioned - a wife, a mother of three, a school nurse, Sunday school teacher, Child Welfare Board Member, a member of the Day Care Center Board, a good friend, a good neighbor, a real Christian!

All these hats, or titles, are worn sweetly and pleasantly by the recipient of our first Red Rose Award for Outstanding Personal Service to People Billie Jordan.

Bits of Humor, Trivia, and an occasional Word of Wisdom

There are two kinds of fools. One says, "This is old, therefore it is good." The other says, "This is new, therefore it is better."

When asked what Floyd county was noted for, a native replied, "Why, it's the center of everything. You can start here and go anywhere in the world."

Pedestrian: someone who is SURE there's still gas in the tank when the gauge points to "empty".

We just sent our income to the government. Who can afford taxes?

One thing most folks wish they'd saved for their old age: the years between twenty and thirty.

Psychologist: one who, when a beautiful girl enters the room, watches everyone else.

Nowadays, when opportunity knocks, you have to unlock the deadbolts, remove the chain, and disconnect the burglar alarm to let it in.

Such multiple protection isn't really necessary if you have the right kind of security locks. Call today for a FREE security check of your home or business.

## JV defeat Wildcats 19-18

The Floydada Whirlwinds Junior Varsity football team made the Littlefield Wildcats wish they had stayed at home last Thursday night in the closest game of the season.

A 38 yard pass from quarterback J.D. Wilson to Dale Minner set up the 48 yard drive touchdown scored by Danny Delgado in the first quarter of the ball game. The extra point kick by Joey Kemp was good making the score 7-0.

In the second quarter Floydada ran away with the ball again as a pass interception by Tony Caballero set up a 21 yard touchdown pass from J.D. Wilson to Dale Minner.

Littlefield then tried to take hold scoring on a Floydada fumble on the Floydada 15 yard line.

Floydada had another opportunity to score with seconds left in the first half when a 37 yard field goal into the wind by Joe Kemp, fell short of the uprights.

Score at the half was Floydada 13, Littlefield 6.

Littlefield scored in the third quarter when a Littlefield player intercepted a Floydada pass and returned it to the one yard line. They scored on the third play from the one yard line, making the score Floydada 13, Littlefield 12.

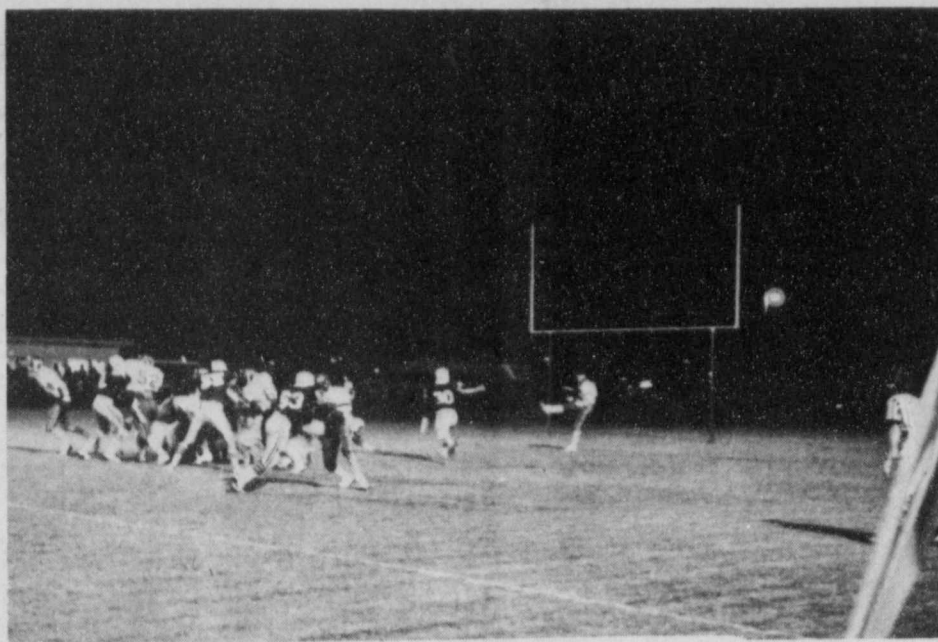

Floydada then set up a three pass reception of J.D. Wilson to Haney Robertson, Joey Kemp and Dale Minner to score on a three yard run by Tony Caballero to score their final six points in the fourth quarter.

With 16 seconds left in the ball game, Littlefield scored on a touchdown pass making the score 19-18. The extra point pass was no good.

Final score: Floydada 19, Littlefield 18.

Offensive standouts: Danny Delgado, J.D. Wilson, Dale Minner, Robbie Covington and Jose Segura.

Defensive standouts: Richard Rendon, Caballero, Jeff Matsler, Juan Segura, Brad Rainer and Greg Thompson.

"ONE MORE TIME" Whirlwinds kick to Littlefield Wildcats on fourth down.

## Winds feel Cat's blow

Although the Floydada Whirlwinds were beat last Friday night by the number one ranked Littlefield Wildcats, 31-6, Head Coach Joe Paty said he was "pleased with the way the team played against the Wildcats and could see a lot of improvement in their game as a whole."

A 28 yard touchdown pass from Mark Hatley to Derrick Jenkins was the only points scored by the Whirlwinds against

the Wildcats.

Paty said "the boys didn't make near as many mistakes as they had been."

Floydada goes up against the Lockney Longhorns for their first district game this Friday night at 7:30 p.m. at Lockney.

"District play is what we have been working for all year," said Paty. "This is what we have been striving for...to win district, that is our goal right now."

## Defense praised after loss

Although the 8th grade Breezer football team was beat by Littlefield last Thursday night, the defense did an outstanding job of holding Littlefield to a 6-0 win.

There was no score in the first quarter but in the second quarter Floydada drove the ball to Littlefield's 7 yard line, ending when a pass from Ty Stovall was ruled a fumble.

Littlefield scored on a 35 yard pass in the third quarter putting the only points

of the game on the board.

In the fourth quarter Floydada took over the ball on it's own 30 yard line and drove the ball to Littlefield's 15 yard line. The drive ended when Floydada failed on a 4th and 7 pass play.

Final score was Floydada 0, Littlefield 6.

Outstanding Offensive Players: Rusty Rainey and Julio Flores.

Outstanding Defensive Players: Leonard Flores and Jeff Smith.

## Freshmen lose to Wildcats

Last Thursday night the fighting Floydada Whirlwind freshman met in a close match against the Littlefield Wildcats.

Littlefield scored two touchdowns in the first quarter but the Winds came back and scored on a reverse play by Clay Lowrance for 50 yards.

Floydada then scored in the second

quarter with a pass from Clay Lowrance to Cornelius Campbell for a touchdown.

In the third quarter Littlefield scored again making the score 18-12.

Whirlwind Noe Soliz intercepted a Littlefield pass for a touchdown but the play was called back because of a clip.

Final score was Littlefield 18, Floydada 12.

## Muleshoe victorious over Floydada JV 20-18

On September 15 the Floydada Junior Varsity went up against the Muleshoe Mules at Muleshoe.

Muleshoe scored the first points in the first quarter, the extra points were no good.

Floydada then took the Muleshoe kick-off and drove the ball 65 yards for their first touchdown. Tony Caballero capped off the drive with a 7 yard touchdown run tying the game up 6-6.

Due to a tremendous defensive effort by both teams in the second quarter there were no scores. Floydada's Brad Rainer, Jeff Matsler, and Danny Delgado turned in some fine defensive play to stop Muleshoe from scoring in this quarter.

At halftime the teams were tied 6-6.

Muleshoe scored first in the third quarter but missed the extra points making the score 12-6.

Floydada then answered back with a 57 yard touchdown drive with Tony Caballero scoring from three yards out tying the game once again. In that drive by Floydada, J.D. Wilson connected with Dale Minner on a 53 yard pass play to help set up this second touchdown.

Muleshoe again scored first in the fourth and final quarter of the game. The extra points were good making the

score 20-12.

Floydada came back to life with a 60 yard touchdown pass from J.D. Wilson to Joey Kemp. The extra points attempt was no good now making the score 20-18.

Floydada had the opportunity to score again in the closing minutes of the ball game but a drive was stalled on the Muleshoe 9 yard line. Final score was Muleshoe 20, Floydada 18.

Offensive standouts were J.D. Wilson, Dale Minner, Jerry King, Joey Kemp and Richard Rendon.

Defensive standouts were Tony Caballero, Brad Rainer, Jeff Matsler, Danny Delgado and Haney Robertson.

## Girl Scouts tour power plant

## Breezers beat Littlefield 22-18

The Floydada 7th grade Breezers gave Littlefield a taste of that Mean Green magic last week beating them 22-18.

Littlefield scored on a 70 yard run in the first quarter but it didn't take Floydada too long to gather themselves up and score on a 20 yard pass from Chad Quisenberry to Ismail Delgado in the second quarter. Danny Caballero ran for the extra points making the score Floydada 8, Littlefield 6.

Floydada then scored on an 8 yard pass from Chad Quisenberry to Dana Cooper. Danny Caballero once again ran for the extra points making the score 16-6 at halftime.

In the third quarter Littlefield scored first on a 75 yard run, but the extra points attempt failed.

A 5 yard run by Danny Caballero put Floydada's final points on the board making the score 22-12.

In the fourth quarter Littlefield made a final attempt scoring on a 60 yard run but their run for extra points failed causing them to lose to the Breezers.

The final score: Floydada 22, Littlefield 18.

Outstanding Offensive Players: Chad Quisenberry and Joe Barrientos.

Outstanding Defensive Players: Danny Caballero and Fernando Gonzales.

# South Plains News

By Mrs. Murray Julian

South Plains, October 3.  
Woe to housewives who left any indows open and were gone Sunday afternoon because the terrible wind and dust storm blew through every crevice in the house and added insult to injury as spatterings of rain swept through our area, leaving mud on windows and porches.

This Monday morning Rev. Cecil Osborne left for Dalhart where he will be preaching in revival services at the Lincoln Street Baptist Church during this coming week. Rev. Johnny Lee is pastor at the Lincoln Street Church. This Sunday was participation in the Lords Supper at the morning service here and business meeting was held at the evening service of the South Plains Baptist Church. The mission fund has reached \$142.00 and we hope soon to reach the goal. Visitors Sunday were Mrs. Corda Taylor of Muleshoe visiting here with her daughter and husband. Rev. and Mrs. Cecil Osborne.

Lon Colvin of the Lockney Cooperatives of the South Plains Gin report there were around 65 or 70 who attended the delicious Fish and Chicken Dinner held at the Coop September 26, at 12:00 noon. The Velsicol Company (Banvel) were hosts for the dinner and short program which followed the meal.

We are glad to welcome Mrs. Mamie Wood home again after she has been gone some time working with the People Plus, Inc. with the last program given at Wichita, Kansas. She was also at Chicago, Illinois.

Dr. John Mitchell of Wayland Baptist College in Plainview will be the preacher for Sunday morning and evening services at the South Plains Baptist Church this coming Sunday, October 9, for both morning and evening meetings. On Wednesday night at 7:00 p.m. Prayer Meeting will be held here with Kelvin Cummings speaking to all those attending.

Mrs. Cecil Osborne (Joyce) and her

mother, Mrs. Corda Taylor of Muleshoe went to Lubbock this Monday where Mrs. Taylor had an eye appointment, then they are leaving for Dallas where they will be spending the coming week with the Osborne's daughter and family, Rev. and Mrs. Ron Somers and girls, Jennifer and Jaime, and another daughter Mrs. Karen Mauney, all of them live at Lewisville.

Friday afternoon, September 30, the South Plains Boy Scouts and Webelows went to the canyons near the Cogsdill Ranch where they had a week end of fun and camping out with leader of Boy Scouts, Nathan Johnson and several other fathers. Among the good things they had to eat were Hobo stew, corn on the cob, peach cobbler, bacon and eggs and hot biscuits for breakfast and other good things. They were there from Friday afternoon at 7:00 p.m. Saturday night, and those present were Nathan Johnson and Tracy, Dwight Teeple and Brian, Ira Henderson and Bryan,

Nathan Mulder and Cory, Victor Chavarria, and Kendis Julian and Tim.

Mr. and Mrs. Harold Hamm enjoyed their daughter and family, Mr. and Mrs. Pat Huff, Duane and Marlane of Amarillo over last weekend as they visited here with them. The new baby girl is doing fine and growing well.

Mr. and Mrs. Ozzie Chappell enjoyed a week end in Brownwood, at the Lake with all three of their children and families spending the week end with them. Coming Friday evening to be with the Chappells there at their cabin and at their trailer home were Mrs. Kathy Lange and Kelly of Lubbock, Mr. and Mrs. Steve and Judy Floyd and children of Floydada and Mr. and Mrs. Daria and Jerry Chappell from here. They said they didn't have much luck with their fishing this week end at the Brownwood Lake.

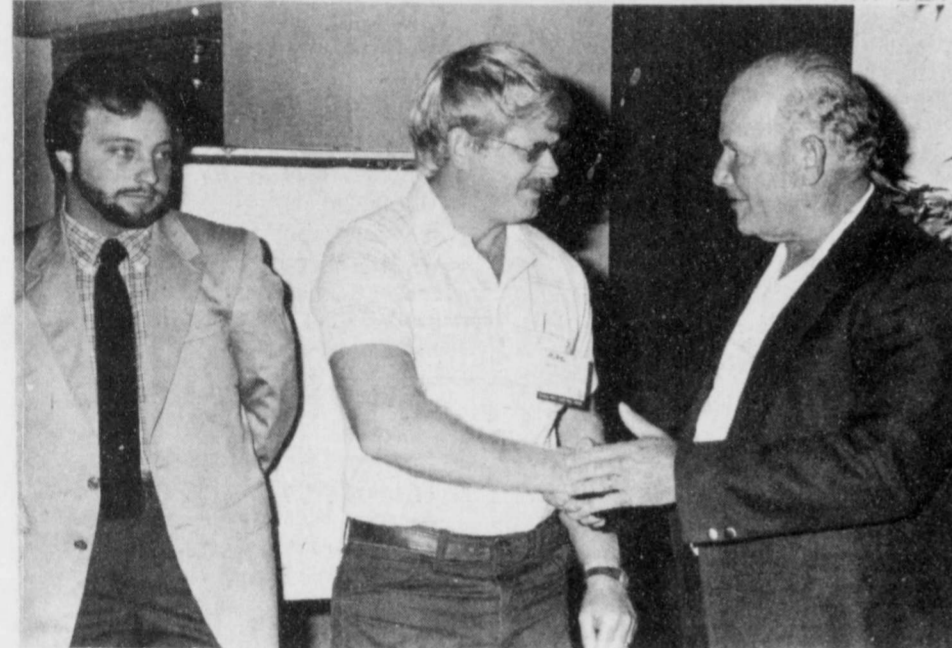

Miss Tonia Galyon of Lubbock was honored with a bridal shower on Saturday, October 1, at the home of Mrs. Mamie Wood here in South Plains

with guests coming between the hours of 2:00-3:30 p.m. Miss Galyon is the fiancée of Blake Kitchens of South Plains, and their wedding is planned for October 15, at the Highland Baptist Church in Lubbock. They will make their home in Lubbock where Blake is associated with an investment firm. There were 20 hostesses for the wedding shower, and the colors chosen by Tonia for her shower were light blue and dark blue. A western theme was carried out in the decorations. We extend best wishes to the young couple.

Remember the South Plains Hobby Club will be meeting at the home of Mrs. Leighton Teeple on October 12, at 2:00 p.m. for the October meeting and the program will be on an Art Show of local artists. Each artist will be explaining tips, difficulties and her enjoyment of her art. We have so many wonderful artists in our community, so this will be a good meeting.

Teachers, workers, and annual matters were all discussed and voted

on, at Sunday nights business meeting. Sunday School director is Kendis Julian Church clerk is Mamie Wood; Church treasurer is Raymond Upton; Music director is Kendis Julian; Pianist is Darla Chappell; Organist is Diane Johnson; with assistants, Janis and Mitzi Julian; Librarian is Mamie Wood; General Secretary is Ruby Higginbotham; Connie Johnson, Gail Henderson, and Gleyne E. Cummings; Benevolence is Nina Upton; Grounds-Building, Carlton Johnson, Nathan Johnson, Kelvin Cummings; VBS Director, Kay Bethel; Choir Jolene Cummings, and teachers are Rev. Cecil Osborne-adults; Connie and Nathan Johnson, youth and young people; Kay Bethel, children, grades 1, 2, 3, 4, 5, 6; pre-school, and cradle to age 2 is Janis Julian and Kay Bethel will be working and beginning the G.A.'s at the Baptist Church. There are other committees and offices with helpers and workers in the church family, and so begins a new church year.

RECEIVES SCHOLARSHIP—Texas Tech entomology students Jeff Alvis and Mike Bishop receive scholarships from professional pest control operator Buddy Glasse of Texas Tech's annual pest control workshop. [Tech Photo]

## Scholarships awarded to Entomology students

A Houston pest control operator, Buddy Glasse, has presented Texas Tech University's Department of Entomology with two \$500 scholarships.

The scholarships, which are named for Glasse's mother, Fannie, were given to Jeff Alvis, a senior in entomology, and Mike Bishop, an entomology graduate student.

Alvis, son of James Alvis, 3408

Grandview, Plainview, lives at 5306 38th St., Lubbock.

Bishop, son of Mr. and Mrs. Howard Bishop, Route 2, Floydada, lives at 114 JB Ave., Floydada.

Glasse, the owner of Redwood Chemical Inc., presented the scholarships to the students at Texas Tech's Pest Control Operators Workshop.

WORK NOW TOWARD A BETTER SPRING LAWN

The end of summer may be in sight but not the end of yard work. There's still more work to be done to insure a weed-free winter lawn and good recovery of your lawn next spring.

Insects, including chinch bugs, white grubs and armyworms, must be controlled before the end of the fall. Otherwise, winter weeds will rapidly invade the weakened turf. Timely applications of insecticides such as diazinon or chlorpyrifos (Dursban) will control most lawn insect problems.

Fall fertilization is another requirement for maintaining green color and promoting early spring green-up of your lawn. A dense, vigorous turf produced by proper fertilization also helps keep out winter weeds.

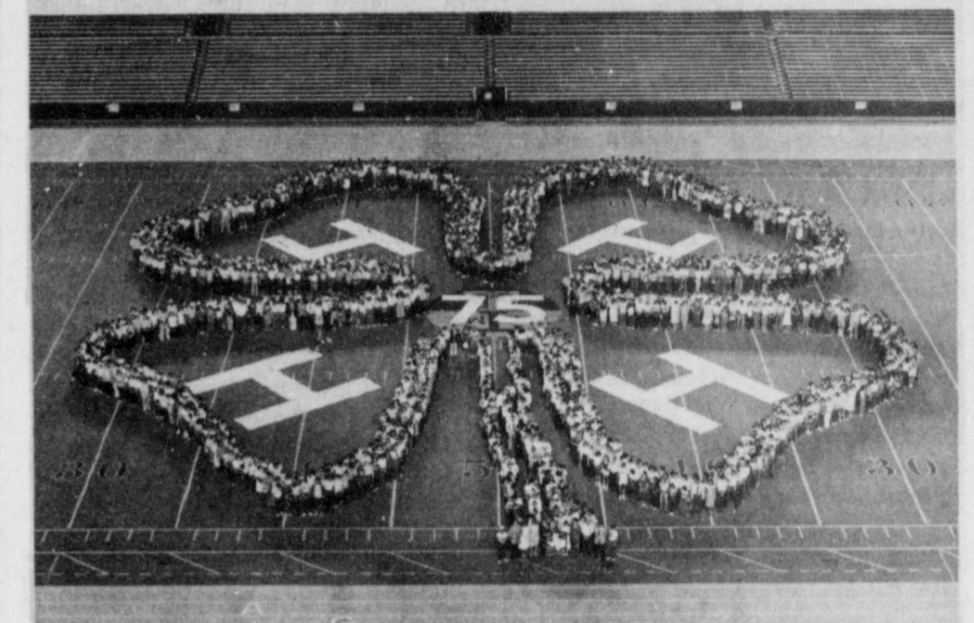

If winter weeds have been a problem

in past years, apply a preemergence herbicide for additional protection.

As far as disease control is concerned, apply a fungicide on St. Augustine lawns to prevent damage from brown patch. Not only is brown patch unsightly, but weeds generally invade the lawn in disease-weakened areas. Brown patch also delays spring recovery of damaged areas.

Another fall task for homeowners is to remove excess accumulations of grass clippings or tree leaves from the lawn. The excess debris from these sources increases thatch accumulation and creates a favorable habitat for insects and disease organisms.

So, for attractive lawns this fall and good spring recovery, be sure to fertilize, eliminate insects and disease, and clean up. Then you can take a break for the winter.

TEXAS-SIZED 4-H CLOVER—It took about 2,300 Texas 4-H Club members and sponsors to form this giant clover on Kyle Field at Texas A&M University during the 1983 State 4-H Roundup. The unique clover formation was one of the highlights of the 75th anniversary of 4-H Club work in Texas, which was noted during the 4-H Roundup. In the foreground of the clover stem are Dr. Zerle L. Carpenter, director of the Texas Agricultural Extension Service, the parent organization of 4-H, and H.T. "Tom" Davison, state 4-H program leader with the Extension Service. The 75th anniversary observance continues through the remainder of the year.

## Symposium slated in Vernon October 19

A three-state symposium on range and pasture seeding in the Southern Great Plains will be held in Vernon October 19. The program at the Wilbarger County Auditorium will feature discussions and demonstrations on the newest grasses, seeding techniques and harvesting and processing equipment.

An outstanding group of speakers has been assembled and participants should plan to arrive early, advised Harold Wiedemann, associate professor of agricultural engineering with the Texas Agricultural Experiment Station at Vernon. Registration will begin at 7:30 a.m. and the program starts at 8:30 a.m. The symposium will end at 4:00 p.m.

The registration fee of \$10 includes lunch and printed proceedings, noted Wiedemann, symposium coordinator. Advance registration may be made by writing Wiedemann at the Texas A&M University Agricultural Research and Extension Center, P. O. Box 1658, Vernon, TX 76384.

Program topics include promising new grasses, grass establishment, rainfall and germination, grass seed harvesting, seeding equipment, seed processing, testing, and modification.

The newest equipment for planting, harvesting, and seed processing and modification will be on display. Wiedemann said. The symposium is sponsored by the Texas A&M University Agricultural Research and Extension Center at Vernon; the Southern Plains Range Research Station at Woodward, Oklahoma; the Soil Conservation Service Plant Materials Center at Knox City, Texas, and the Rolling Plains Economic Program, a regional development effort sponsored by Texas Agricultural Extension Service.

## Vehicle width requirements change

Prior to June 19, 1983, Texas law provided an exemption from vehicle width requirements on Texas public highways for transportation of agricultural implements a distance of not more than 50 miles, pursuant to carrying on agricultural operations (Revised Civil Statutes, Article 6701d-11, Section 3(a)).

However, effective June 19, 1983, it is now unlawful to operate any vehicle on a public highway in Texas if the total outside width of the vehicle, including any load (but exclusive of state or federally authorized safety devices), exceeds 102 inches (8.5 feet), unless the vehicle is operated on a highway specially designated by the State Highway and Public Transportation Commission (Revised Civil Statutes, Article 6701d-11, Section 3-1/2, as amended by the 68th Texas Legislature.)

In summary, the agricultural exemption has been removed, but may be reinstated on designated highways or segments of highways, on the basis of engineering and traffic studies conducted by the State Highway and Public Transportation Commission. Such studies must include an analysis of structural capacity of bridges and pavements, traffic volume, unique climatic conditions, and width of traffic lanes. Any highway designated as a result of this study, shall have a maximum vehicle width of 96 inches, including any load thereof (except that the width of a farm tractor shall not exceed 9 feet); but such highways must allow the same agricultural exemptions as existed prior to June 19, 1983, as well as two new exemptions, for the purpose of delivering implements to their owner, or delivering the implements to a mechanic for maintenance or repair.

If a highway is not specially designated as a result of a State Highway and Public Transportation Commission study, the 102 inch limit shall strictly apply to all vehicles. However, over-width permits would still be available, for movement of agricultural im-

plements, at the discretion of the State Department of Highways and Public Transportation. Such permits now cost \$20.00 for each single trip (Revised Civil Statutes, Article 6701a, Section 3, as amended by the 68th Texas Legislature, effective September 1, 1983). In other words, transporting agricultural implements to and from fields would require two separate permits, totaling \$40.00.

If any highway, or segment of a highway, is designated by the State Highway and Public Transportation Commission so that the agricultural exemption is restored, such designation will become effective and operative only after appropriate signs giving notice of the width limitations are erected. Recommendations on designated highways are currently being submitted to the State Highway and Public Transportation Commission by the highway department staff, prior to a scheduled Commission meeting on September 21, 1983.

Persons desiring the designation of particular highways or segments of highways are encouraged by the highway department staff to communicate with Mr. Mark Goode, Chief Administrative Officer, State Department of Highways and Public Transportation, 11th and Brazos, Austin, Texas 78701, telephone (512) 475-2985, describing the particular stretch of highway. Based on a favorable preliminary recommendation from field personnel, the Commission would then make the additional studies required by law.

Texas vehicle width laws were changed in this session of the legislature to comply with the federal Surface Transportation Assistance Act of 1982 (PL 97-424). Nothing in the federal law required states to eliminate agricultural exemptions. However, the federal law established safety and operational requirements on which special highway designators (other than

102 inches) must be determined, including primarily bridge widths, pavement widths, and highway curvature. Federal requirements, used by the Commission in 96 inch highway designations, are also available from Mr. Goode.

At present, there are strong indications that efforts will be made in the Texas legislature to restore the agricultural exemptions, and legislatively designate Texas highways as exceptions to the 102 inch federal requirements. Additional information on this subject is available from the TFB Department of Research and Education.

## Fatalities decreasing but still a serious problem

Although fatalities on Texas farms and ranches are decreasing, 969 workers were killed in accidents during the past five years, according to an article in Texas Medicine.

The statistics include family members and hired workers killed in accidents involving tractors, other farm machinery, electrocutions, firearms, drownings, suffocation, burns, explosions, and falls.

Dr. Francis C. Jackson, a surgeon at the Texas Tech University School of Medicine in Lubbock, wrote the article appearing in the September issue of the Texas Medical Association's monthly journal.

Jackson notes that for every agricultural fatality, there are an estimated 100 disabling injuries, 1,200 serious injuries, and 3,600 minor injuries. During the 1970s, Texas farms and ranches recorded 1,746 fatalities.

Reflecting a national trend, "the Texas Department of Health has reported a slow decline in farm fatalities beginning in the 1960s when almost 300 deaths were reported annually," writes

Jackson. "In the past 10 years, such deaths have dropped below 200 per year, with 1980 demonstrating the lowest figure (132)."

He suggests that this decline may result from the fewer number of farmers and ranchers in business these days and from new safety features on tractors and farm machinery.

"While deaths from farm and ranch accidents in Texas have declined in the past 15 years, it is unclear whether disabling or serious injuries have also been reduced," Jackson writes.

The National Safety Council reports that beef farmworkers have the highest injury rate, while dairy and grain farmers have the lowest.

Jackson notes that the agricultural industry, with more than 3.5 million workers, is the third most hazardous occupation after mining and construction. Some agricultural accidents are tractor rollovers, falls from grain elevators, silo explosions from grain dust, and injuries involving equipment with moving parts.

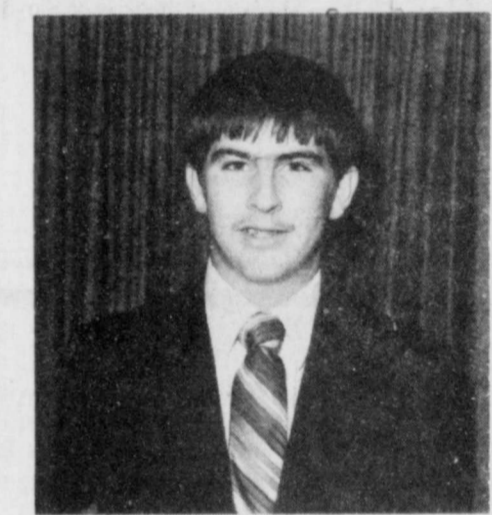

sary of 4-H in Texas to be hosted by the Texas 4-H Council October 15 at 10:00 a.m. in the Hall of State on the fairgrounds. All 4-H members, leaders and friends of 4-H are invited to attend.

## Earl Broseh to be honored at State Fair

Floyd County's own Earl Broseh of the Lockney 4-H Club is one of 30 Texas 4-H Council members to be honored in Dallas October 14th during the 38th Annual State Fair of Texas Honor Award Dinner. The function, sponsored by the State Fair and the Dallas Chamber of Commerce, honors the youths for their outstanding leadership, citizenship and county 4-H program contributions. Also honored during the dinner will be members of the Future Homemakers and Future Farmers of America.

4-H Council officers are elected by their peers at the district level. Their function is to identify needs and interests of 4-H youth, suggest and explore action programs that will meet needs and interests and advise in determination of future 4-H programs. Other activities the 4-H'ers will be involved in during the State Fair include: a reception prior to the awards dinner sponsored by Texas Tech University and tickets for the Saturday matinee performance of the rodeo.

Also included during the week is a reception honoring the 75th Anniver-

## Local students selected for national honor

First United Methodist Church of Petersburg announced that two students from Floydada have been accepted for membership in The Society of Distinguished American High School Students. Founded in 1968, The Society has honored some of the most outstanding high school students in the nation.

**THE AMERICAN CANCER SOCIETY** recently held the annual meeting of District 3 of the South Plains. In attendance were volunteers from a 15 county radius including Floyd County. Pictured left to right are: Amy Hollams and Lea Battey. They represented Floydada along with approximately 52 other volunteers from neighboring counties.

The annual meeting serves to kick off the new program and fiscal year for the American Cancer Society.

Attendees heard Dr. Robert Bloom of Lubbock speak on the progress of District 3 and plans for the future. Mrs. Betty Lindsey, 1983 Lay Director for the district, announced that a total of \$250,000 had been raised district-wide. This income was distributed in the following proportions: 25% For Cancer Research, 16% For Professional Education, Fellowships and Services, 22% For Public Education, 23% For Service, 6% For Program Development and Administration, and 12% For Crusade.

To qualify for Society membership, a nominee must excel in academics, extracurricular, or civic activities and be nominated by a local sponsor. Once accepted for this select honor, members become eligible to compete for college scholarships through The Society's National Awards Program. This year 118 colleges and universities have earmarked scholarship funds for Society members.

Students from Floydada awarded membership are: David Carr and Sandy Carr.

The Society has also presented a National Appreciation Award to the Rev. Jerry Kunkel, the student's sponsor. This award was made "in acknowledgement of untiring efforts and steadfast dedication on behalf of the students from Floydada."

To preserve the honor, these members' names and their biographical accomplishments will be listed in the Society's 1983 Membership Registry.
