Lions Club Pancake Supper Tuesday

The Lockney Lions Club's annual Pancake Supper will be Tuesday,

February 8 from 5 to 8 p.m. Tickets are available from any Lockney Lions Club member or at the door Tuesday. The pancake supper will be at the Lockney Junior High School cafeteria, and while it's going on, Lockney High School basketball teams will be playing Abernathy across the hall in the school gymnasium. The Lions will serve bacon, sausage,

milk and coffee along with the pancakes. Tickets cost \$2 for adults and \$1 for children.

Proceeds from the pancake supper go to support local Little League baseball and Boy Scout programs and for many other worthy Lions projects such as buying eyeglasses for needy children and supporting the Lions Crippled Children's Camp at Kerrville.

Band Concert, Salad Luncheon

Scheduled Sunday At Cafetorium

Lockney Band Boosters salad luncheon and the Lockney school bands' annual winter concert will be Sunday, February 6 at the elementary school cafetorium.

The salad luncheon will begin at 11:45 a.m. Cost is \$2 for adults and

\$1.25 for children under 12.

The band concert starts at 2 p.m. All four Lockney school bands will perform.

There will be someone at the cafetorium after 9 a.m. Sunday so that band parents can bring their salads.

LOCKNEY LIONS David Turbeville, Paul Koonsman and Jack Samford get some pointers on making flapjacks, just in time for the Lions Club Pancake Supper next Tuesday, from Lockney High School home-ec students and their teacher, Mrs. Wilma Adams. Students pictured are Irene Castro, Michael Hill, Leandra Villareal, Sue Martinez, Sylvia Salinas, Norma Salas and Teresa Ramirez. The Lions Pancake Supper is scheduled from 5 to 8 p.m. Tuesday in the Lockney Junior High School cafeteria. (Staff Photo)

R. M. (Ole) Olsen Retires After 38 Years With Bell System

R. M. (Ole) Olsen of Lockney retired in December after 38 years of service with the Bell System. Olsen started working for Bell March 4, 1938 at Council Bluffs, Iowa with Northwestern Bell. He moved to Amarillo, where

Olsen said his greatest thrill while in Lockney was being named "Citizen of the Year" in 1958.

Upon his retirement, Olsen stated "I really hate to have to step down, as you can see. I worked with and for some real wonderful people."

he started working for Southwestern Bell, in 1940. Olsen transferred to Plainview in 1943 and to Lockney in 1949. While in Plainview, he worked Tulia, Floydada, Hale Center and Lockney.

To his fellow employees, he said "I sincerely hope that when your time

comes to retire that you feel the same as I do...Remember what you say and

what you do...the company is and always will be you."

Cotton Prices Higher

Grower prices were higher during the week ending January 28, according to Paul R. Dickson, in charge of the U. S. Department of Agriculture's Lubbock Cotton Classing Office.

The Lubbock Cotton Exchange's Spot Quotations advanced about \$22.50 per bale from the previous week. The base price for grade 41, staple 34, mikes 3.5 - 4.9 was 66.35 cents on Friday, January 28, up 450 points from the previous Friday, according to USDA's Agricultural Marketing Service.

Demand was good to very good, Dickson said. Prices paid growers for cottonseed ranged from \$87 to \$110 per ton, mostly \$95 to \$110.

Grades 42 and 43 were predominant in classings at Lubbock this week. Grade 42 accounted for 20 percent and 43 made up 21 percent. Bark reduction was assigned to 45 percent of the samples classed.

Predominant lengths were staples 31 and 32. Staple 31 was 35 percent and 32 accounted for 32 percent.

Mike readings in the desirable 3.5 - 4.9 range amounted to 44 percent of the total. Mike 3.3-3.4 was nine, 3.0-3.2 accounted for 12 percent, 2.7 - 2.9 claimed 15 percent, while 2.6 and below was 20 percent.

About 10,000 samples were classed by the Lubbock Cotton Classing Office during the week. Season's total stands at 919,000 compared to 700,000 on this date a year ago.

Former Lockneyite Writes Book ;

Autograph Party Sunday In Plainview

Elsie Maye Peckham, R.N., a former Lockneyite, will be autographing her book, "Sugarless Cookery For The

Gourmet," at an autograph party sponsored by the Hale County State Bank Sunday, February 6 in the bank

Century Room.

Samples of Mrs. Peckham's sugar-free dishes will be available for people to sample at the autograph party.

Mrs. Peckham, who now lives in Plainview, is a graduate of Lockney High School and was school nurse here from 1954 to 1961. She was a nurse for three years (working at both Lockney General Hospital and Caprock Hospital in Floydada) but quit after a back injury. She wrote the book (her first) while recuperating from surgery. Both she and her husband are hypoglycemic, a pre-diabetic condition—that's how she became interested in sugar-free cooking.

The book, published April 1, is available at The Health Food Store, The Book Nook, and Gale's Prescription Shop in Plainview.

Everyone is invited to attend the autograph party Sunday from 2:30 to 4:30 p.m.

Odd Fellow-Rebekah

Chili-Stew Supper

Tickets For Sale

Tickets to the Odd Fellow-Rebekah Chili or Stew Supper, scheduled Monday, February 21, are now available from members of the lodges. Adult tickets are \$1.50; children's (under 12) tickets are 75 cents. Drink and dessert are included.

The chili/stew supper will be from 5:30 to 8 p.m. February 21 at the Lockney I.O.O.F.-Rebekah Lodge Hall.

Tickets may be purchased from Don Vernon at Keeter Grocery, Keith Emert at Jackson Tire Company, Weldon Graves at Graves Welding Shop at Lone Star, Frankie Graves at Tye Company, Elmo Savage at Lockney Texaco, and other Odd Fellows and Rebekahs.

Sweetheart Ball Planned

The Floyd County Division of the American Heart Association are planning a fund raising Sweetheart Ball Saturday night, February 12 from 8 p.m. until midnight at the Massie Activity Center in Floydada. Music for the ball will be furnished by the Duke's Mixtures.

A \$12 donation per couple will be taken. Mrs. James (Dot) Word is in charge of ticket sales and may be contacted at 983-2360.

Hornets Defeat Longhorns

Lockney High School's basketball Longhorns lost a 48-38 decision to the Tulia Hornets here Tuesday night. The 'Horns led 14-12 at the end of the first quarter but were down by one (19-18) at halftime and also at the end of three quarters, when the score was 29-28.

Longhorns scoring in the game were Ray McMahan, nine points; Allen Sterling, eight; Danny Fry, seven; Danny Clark and Ronnie Cunyus, six

Lady Horns Defeated By Tulia

Lockney High School's girls' basketball team missed a chance to lock up at least a playoff spot for the District 4-AA basketball title Tuesday night when they lost to Tulia 45-43. The Lady Horns tied with Tulia for the first-round lead, and a victory Tuesday night would have insured a playoff for the LHS girls. They're still not out of it, as anything can still happen in the second round. Right now, Idalou leads

the last round with a 2-0 record. Tulia is 2-1. Lockney and Abernathy are 1-1, and Floydada is 0-3.

Beverly Barker paced the Lady Horns Tuesday night with 27 points. Tammie Carthel scored 10 and Sheila Hrbaeck added six for the Lockney girls. Debra Blankenship led Tulia, scoring 21.

Down by 11 points at one time in the second quarter, the Lady Horns closed the gap to a single point before halftime, but they fell behind by eight points with a minute and a half to play in the game. "We had several chances to win," Coach Marsha Sharp said...but the Lady Horns couldn't capitalize on any of those chances. The Tulia girls lost several turnovers in the first quarter, but the Lockney team couldn't capitalize then, either—that was the key to the game, Coach Sharp said.

LOCKNEY WINS JV GAME

Lockney won the girls' junior varsity game 49-44. Stephanie Turner was top scorer with 29 points. Cindy Frizzell chipped in with 14 points for the Lady Horns, and Lupe Gonzales scored six.

The Lady Horns showed a strong offensive effort in that game, according to their coach, Carol Helms.

AUTHOR...Mrs. Elsie Maye Peckham, former Lockney resident, will autograph copies of her book, "Sugarless Cookery For The Gourmet," Sunday from 2:30 to 4:30 p.m. in the Century Room of the Hale County State Bank in Plainview. (Staff Photo)

As It Looks From Here

WASHINGTON, D.C.—IF THE FIRST AMENDMENT TO THE CONSTITUTION guarantees "freedom of association" the converse of the principle is also the right not to associate. If the first is to be protected, it follows that the second should also.

THIS IS IMPORTANT in the field of employment. Just as one should not be prevented from joining a union, neither should one be required to join to keep a job.

TWENTY STATES, INCLUDING OUR STATE OF TEXAS, have "right to work" laws. Section 14(b) is an amendment to the Taft-Hartley Act, amended by what is commonly known as the Landrum-Griffin Act, which protects the laws of the States which prohibit the requirement that a person must belong to a union in order to work.

IN THIS SESSION OF THE CONGRESS there is no doubt that an attempt will be made to repeal this provision.

ON THE OTHER SIDE OF THE ISSUE there is being introduced legislation with three parts— one would guarantee that students who work part or full time not be forced to join a union to keep their jobs. The second would

County, Sgt. Ken Evans, Texas Highway Patrol, Crosbyton, Robert Klaus and Larry Duncan, Texas Highway Patrol, Spur.

Next meeting is scheduled for Thursday March 24, 1977 to complete the plans for the annual Rattlesnake Rodeo. The meeting was attended by seventeen officers and directors.

assure Federal employees that they could join or not join a union. The third extends to private sector employees the same rights extended to students.

WHILE INDIVIDUAL FREEDOM is the primary issue at stake, passage of "right to work" legislation would actually be of material benefit to those who, by choice, join unions. The very fact that membership would be voluntary would make union leadership more responsive to the rank and file member. Instead of relying on the force of the law, leaders would have to justify the handling of union dues. Surprisingly enough, in a poll in 1976 by Opinion Research, 66% of all union members declared themselves in favor of "right to work" laws. It has been assumed that those belonging to unions would oppose such a provision but, seemingly, it turns out it is the leadership of the unions which lead the opposition.

ONE OF THE MOST GLARING CASES originated in Wisconsin in which a school board was held to be in the wrong for even permitting a represen-

tative of non-union school teachers to present their case before the board. The union filed a complaint with the Wisconsin Employment Relations Committee, charging the board of education with "unfair labor practices" by even hearing the other side. Their action was upheld in the State's Supreme Court but, just recently, the Supreme Court of the United States unanimously reversed the State's court decision. Non-union teachers, the court ruled, still have their First Amendment right of free speech.

THE PRINCIPLE RECOGNIZED IN THIS CASE certainly extends to the private sector employees who are forced to pay dues regardless of whether they agree to the union's policies and are forced to strike against their will.

IN PRIVATE EMPLOYMENT, THE "RIGHT TO STRIKE" goes hand in hand with the "right to work." Employees in the public sector, that is, employees of the Federal Government or units of local Governments, should have their choice of belonging or not belonging to a union but the "right to strike" against the governing body is another thing.

DURING THE CAMPAIGN LAST FALL, President Carter indicated that he would not recommend the repeal of section 14(b) (right to work) but that if the Congress passed such legislation, he would sign it. It is hoped that there are the votes in the Congress to defeat this move. But there is a big question about what the House of Representatives will do when this issue is before it. In recent years, when these attempts have been made, we have been able to turn the effort back, but many changes have occurred and it is now in doubt.

Mental Health Drive Chairpersons To Be Recruited

Chairpersons for the May drive for mental health will soon be recruited around the state.

Nora Bybee, Mrs. W. J. Mangold, and Mrs. Olan Poteet have been chairpersons in previous years in Lockney.

The Mental Health Association in Texas is a non-pro-

fit volunteer organization dedicated to promoting mental health through education, while working on behalf of the mentally ill and their families.

The educational theme of the association this year is about depression, the most common mental disturbance. The association urges de-

pressed persons to seek help when they lack the ability to "bounce back" after a reasonable length of time following disappointments, loss or stress.

Subsidized Fuel

The cold weather that has brought discomfort to a lot of people this winter has made it quite clear that the supply of natural gas in this country is running out.

Yet the politicians are determined to keep controls on natural gas prices in the belief that they can be sure of getting cheap fuel from now on.

Gas production peaked in this country in 1972 and we are now using more every year than is being added to the reserves. Our present reserves are good for only eight or nine years, say the experts.

The situation that is now taking place comes as no surprise. A lot of people in this country have been warning about it for the past 22 years, ever since the Supreme Court ruled in the Phillips Petroleum case that the federal Power Commission is empowered to set the wellhead price of natural gas if it moves in interstate traffic.

This decision has served to keep the price of gas low, and in recent years below the level necessary to attract producers to discover and develop new supplies.

Worse than that, because the federal government has set an artificially cheap price on natural gas, it has encouraged northern and eastern users to waste a fuel that should be reserved for premium use.

Thousands of factories and plants went to natural gas because it is cheaper, cleaner and easier to use than coal or other fuels.

The Federal Power Commission has attempted to raise the price of natural gas at the wellhead in order to encourage drilling. But every time it does this it gets sued by so-called consumer groups who demand that the price be kept down.

Gas is selling in intrastate markets for \$2.50 per thousand feet but the federal ceiling on new gas is \$1.42 per thousand. Most gas moving in interstate pipelines is being bought at 18 cents to 40 cents per thousand and will continue to be purchased at this price until the wells go dry.

Deregulation would no doubt cause the price

of gas to go up and it would probably hit a price high enough to encourage users of coal in coal producing states to switch back to that form of fuel.

But right now, people who use coal, electricity or fuel oil for heat are paying a free market price. Why do those who use natural gas deserve a special subsidy?

We would rather pay \$2.50 per thousand cubic feet for natural gas than to pay \$1.42 for it and not have any. (Perryton Herald)

GOING, GOING... Total farm acreage in Texas for 1977, at 141,400,000 acres, is projected to be down for the first time in four years by 400,000 acres. Rising production costs and unfair land tax structures are among the factors forcing farmers out of business in the state, according to Agriculture Commissioner John C. White.

Texas Farm Acreage Expected to Decrease

AUSTIN—Farm acreage in Texas is expected to shrink by some 400,000 acres in 1977, breaking a four-year trend toward stability, Agriculture Commissioner John C. White has reported. "For the past few years, the total number of farms has been decreasing at a fairly steady rate but the actual amount of farm land remained stable at 141,800,000 acres from 1973 until last year," White explained. "However, the newest estimate for 1977 is down to

141,400,000 acres," he added.

The total number of farms is also expected to continue its downslide, from 205,000 farms in 1976 to 202,000 in 1977, according to the Texas Crop and Livestock Reporting Service.

"The loss of farms, when coupled with a dip in acreage, carries much more impact. Before, the diminished number of total farms only meant that small, marginal operations were being absorbed by other farmers who were increasing their acreage," White said.

"Now, however, we are not only anticipating that 3,000 farmers will be going out of business; their land will also be taken out of production and will either be sold for residential or commercial development or will lie fallow," he stated.

"There are several reasons for this situation. One is that many Texas farmers are losing their shirts. Production costs have gone up and are continuing to rise, while market prices have remained under those costs on most commodities.

"Unfair tax structures for farmland around metropolitan areas are

another cause. Inheritance taxes also put a big burden on families who might otherwise keep the family farm operating. Many are finding it necessary to sell off at least part of the acreage just to pay the inheritance taxes," White explained.

While the total number of farms in Texas continues to decline, the average size of each farm has risen steadily to the current 692 acres from the 435 recorded in 1952 when records were first tabulated.

Nationally, farm numbers have decreased by 15 per cent during the past ten years, but only a four per cent drop was recorded in land in farms.

Jolly Stitchers

Club Meets

The Jolly Stitchers Club met Thursday of last week in the home of Mrs. Charlie (Melba) Atkins. Members brought their own needle-

work. Refreshments of coffee, spiced tea and cake were served to the following: Mmes. Mabel Andrews, Laverne Cooper, Ann Handley, Robbie Latimer, Georgia Ford, Eathyl Marble, Helen McLeod, Grace Colson, and the hostess, Melba Atkins.

"Women At The Top" Program

For '34 Club

"Our Women Aware of Women at the Top" was the program presented for members of the 1934 Study Club Tuesday night at their regular meeting held in the J.S. Hale home. Mrs. Vernon Parker assisted Mrs. Hale with hostess duties.

Club collect was led by Mrs. Fred Stewart. Those on the program and their topics included Mrs. George Springer, legislature; Mrs. Wilson Bond, medicine; Mrs. Ruth Trapp, armed forces; Mrs. Vernon Parker, economy; Mrs. M. J. McNeill, banking; and Mrs. J. M. Willson Jr., religion.

During business club president, Mrs. Kyle Glover, read an invitation from Dr. Floyd C. Bradley, inviting members to attend a Community Forum to be held Monday, February 14. Members filled out questionnaires from the Chamber of Commerce office concerning needs in the community. An invitation was also read inviting the group to a workshop "Hands-Up" to be held Saturday, February 5th at the J.A. Hodges Community Center, 41st and University in Lubbock. The workshop will deal with crime prevention and the public is

cordially invited to attend.

Mrs. Hale and Mrs. Parker served refreshments to Mmes. Allen Bingham, Wilson Bond, Floyd Bradley, L. L. Clark, Dennis Dempsey, R. G. Club Meets In Copeland Home

The 1950 Study Club met Tuesday, February 1, in the home of Mrs. Bob Copeland. President Doris McLain called the meeting to order and introduced Doug Frazier, who asked club members to fill out a questionnaire concerning the needs of the community.

Mrs. McLain plans to attend a meeting February 14 as a representative of the club at the Community Forum.

Mrs. Ray Morton led the group in prayer after which Mrs. Hollis Payne, secretary, called the roll, answered with a short uplifting thought.

As past presidents of the club, Mrs. Doyle Moore and Mrs. Dallas Ramsey's names will be put in the Golden

Dr. and Mrs. Terry James of Floydada are parents of their second son, Brett Weston, who was born in Central Plain Hospital at 5:18 p.m. January 25. The baby weighed eight pounds, one and a half ounces at birth. His brother, Garrett Lee is age two.

Grandparents are Mr. and Mrs. Burnett James of Idabel, Oklahoma, and Mr. and Mrs. Robert M. Soule of Euless, Texas.

Club members were asked to make or contribute an item to be sold in the Country Store at the district meeting March 12 in Lubbock.

Club voted to donate \$10.00 to the Girl Scouts. Program for the evening was "Jewels of Our Homes." Mrs. Doyle Moore presented "Home Decoration, Past and Present" with specific ideas on color schemes and picture arrangements. "Landscaping, Present, and Future" was presented by Mrs. Bob Kendrick. In landscaping a home plans should include the public area, private area, and the service area, remembering that the growth of plants affects future landscaping, Mrs. Kendrick.

Miss Smith Honored At Shower

Miss Robin Smith, bride-elect of Martin Stoerner, was honored Saturday at a shower in the home of Mrs. Jeff Terrell.

Guests at the shower were greeted by Mrs. Terrell and registered by Miss Lana Smith. They were received by the honoree; her mother, Mrs. Max Smith; Mrs. Wilfred Stoerner, mother of the prospective groom; and Mrs. Danny Bain, grandmother of the bride-to-be. They wore corsages of white spider mums with blue ribbons.

Mrs. Cynthia Bybee and

Joy Jones assisted in displaying the gifts.

Refreshments -- coffee, spiced tea, cookies and finger sandwiches -- were served by Miss Jean Galloway and Miss Becky Smith. The serving table was covered with a yellow floor-length tablecloth. Napkins were blue, with silver wedding bells. A silver service was used. The centerpiece was yellow and white spider mums with blue baby's breath and blue ribbon.

MRS. WESLEY BRUCE JONES

Miss Adams, Wesley Bruce Jones Wed

On Friday night, January 28, Del Norte Baptist Church was the setting for the wedding of Miss Vikki Carole Adams and Wesley Bruce Jones with the Rev. Bob Bacon reading the traditional double-ring service.

The bride is the daughter of Mr. and Mrs. Jack D. Adams, and the bridegroom is the son of Mrs. Mildred Jones of Sebing, Florida and the late Richard Jones.

Grecian columns topped with baskets of bronze and yellow mums, flanked by spiraling brass candleholders containing yellow candles formed the setting for the wedding. Bobby Kazee sang "The Hawaiian Wedding

Song" and "And I Love You So."

For her wedding the bride chose a dress of candlelight chiffon featuring chantilly lace for the bodice, cuffs and edge of the chapel length train. Her cap was also candlelight lace, pearls and illusion. With her dress she wore a handmade pendant of pearls and Emprial Jade that her father had brought from the Orient. Her bouquet was a cascading arrangement of Cypridium orchids and English Ivy carried a bride's Bible.

Mrs. Mack Hickerson of Floydada was her matron of honor and Mike Paper of

Washington, D. C. was best man. Ushers were Ron Sturdivant and Doug Marrow. The brides book was presided over by Mrs. Blake Hickerson. The matron of honor's dress was a scooped neck, empire style of navy jersey. She carried a cresent arrangement of Cypridium orchids and ivy. The men all wore traditional tuxs. For something old the bride wore her great-grandmother Kellison's wedding band, something new was her Bible, a gift from a college friend, something borrowed was pearl earrings and something blue her sapphire engagement ring.

After a wedding trip to Playa Blanca, Mexico the couple will be at home in Albuquerque, New Mexico. Mrs. Jones is employed by Ken Schultz Buick and Jones is owner of That Car Place. Out of town guests included: Mr. and Mrs. V. H. Kellison, Lockney, grandparents of the bride, Mr. and Mrs. Clark Jones and Jaki, Atlanta, Ga., Mrs. Mildred Jones, Sebring, Florida, Mrs. Wm. Jones, Los Angeles, California, A. J. Adams, Saint Jo, Texas, Mike Paper, Washington, D.C., Mr. and Mrs. Mack Hickerson and Julie Hickerson of Floydada.

A catered reception was held at the church following the wedding. The cake table featured 2 large tiered cake with supporting columns shielding a miniature bride and groom, a month anniversary cake topped this. The punch table featured 2 silver punch bowls centered with an arrangement of mums, nuts and mints.

DAR good citizens to be honored

Seven young people, representing Floyd, Lamb, Swisher and Hale Counties, have been selected DAR Good Citizens. They are Steve Phillips of Petersburg, Tammie Carthel of Lockney, Reeve Voelker, Plainview, Alanna Spain, Olton, Carol Harp, Abernathy, Perri Patton of Tulia and Tracey Puckett of Floydada.

These young people and their mothers will be honored Feb. 9 at the annual George Washington tea by the Mary McCoy Baines Chapter, Daughters of the American Revolution, Mrs. Jess Wayne West, chairman of the DAR Good Citizens contest said.

Each of the young people will be presented a certificate and a DAR Good Citizen pin at the tea, and winner of the Plainview contest will be eligible to enter the State DAR Good Citizen contest, Mrs. West said.

IN ORDER to be a contestant, young people in Plainview and area high schools had to answer questionnaires on their personal activities, about the government of the United States and of state government, give their thoughts on patriotism and the flag and furnish a transcript from their respective schools. Those to file the questionnaires were selected by the school faculty.

TRACEY PUCKETT is the daughter of Mr. and Mrs. Sam Puckett of Floydada. She is a member of National Honor Society, has been chosen "Citizen of the Month" three times and was a candidate for Homecoming Queen.

Tracey has been a class of

ficer several times and lettered in basketball three years. She was cheerleader for the varsity football team three years and has been active in tennis for four years. She is a member of FHA and Future Teachers of America and a student council representative for three years.

She works on her church youth council, is active in

community work, and was Kiwanis Club Sweetheart in 1975-76. She also works on fund drives and blood drives. Tracey has been active in Girl Scouts for 10 years, earning the First Class Rank, which is equal to an Eagle Scout.

Tracey plans to attend Texas Tech University and major in psychology.

NEWS 'N' NOTES (by Sharon Hillis)

HOW about a cup of flaxseed or bearberry rather than that expensive cup of coffee? Not having tried either of the two, I won't recommend it, but we are hearing of more and more coffee substitutes since coffee prices have sky rocketed. There are dozens of coffee alternatives, some even more exotic, the Agriculture Department says, which can be concocted into hot drinks. Whether these plant drinks will take the place of coffee remains to be seen.

BRIDE Killed In Auto Crash After Wedding. That's a very blunt headline but it's true. It happened in Oklahoma recently but could happen anywhere. The cause of the crash on a curve is being blamed on painted over headlights of the groom's car while it was being pursued by friends. Too many times "fixing" the groom's car can lead to accidents and injuries, and yes, even death. Hopefully our young people here will hold their activities to a minimum. Another danger is "chasing" the newly-weds in their car. One of the wisest things a groom can do is drive his car at a slow speed in leaving town, and eventually friends will "give up" when they see he isn't attempting to outrun them as such was the case in the mentioned tragedy.

Preventing medicine from deteriorating too rapidly is a key consideration in home medicine storage.

Over-the-counter medicines (OTC) usually are safe and effective for approximately two years-if storage conditions are favorable. But if they aren't, the medicine may lose quality faster.

Few OTC drugs have expiration dates printed for the consumers' information; so it is wise to print clearly the purchase date on medicines to keep track of their age.

Humidity and moisture speed deterioration of many drugs, especially tablets and powders. Vitamins often are sold in dark plastic containers to protect them from light. In general, drugs need to be protected from intense light, heat and moisture. Some may need to be refrigerated.

The bathroom is a popular place to store medicines, but it is often steamy and warm.

The kitchen presents a better atmosphere, if the drugs can be stored away from the stove-and not above the refrigerator-and the kitchen is well ventilated. Cabinets with a special section used only for drugs should be clearly marked and set apart from regular food storage areas.

Wherever drugs may be kept, a prime consideration is that they are out of the reach of young children.

Some specific signs of deterioration may help consumers know when medicines shouldn't be used any more.

-Aspirin: a vinegar-like odor or the tablet may be puffy or have a change of color.

-Liquid or syrup medicine: cloudy, residue collected on the bottom and after shaking the liquid immediately separates again.

-Creams or ointments: dry and caked means they are no longer effective.

It is advisable to discard a drug with any sign of deterioration, rather than take a chance using it. The user does not know the effect that may result from chemical changes which have taken place. The medicine may be flushed down the toilet or dissolved in water and washed down the sink. Also, rinse the container before throwing away.

FLOYD DATA

Mrs. Bob Alldredge came home Thursday from Nichols Hospital where she had minor surgery. Mrs. Alldredge is reported to be doing nicely.

County Youngsters Win In Amarillo Stock Show

Two Floyd County youngsters took high honors at the Amarillo Stock Show last week. Trevor Williams of Lockney displayed the grand champion Angus and Jon Jones of Floydada showed the reserve grand champion with his 1,080 pound crossbred, which also took reserve champion of the cross division, second place in the medium cross and the award for being the best steer from Texas entered.

There were divisions for crossbreds, Herefords and Angus, but the crossbreds, making 63 percent of the entered animals, had to be split into five classes compared to three for the Angus

and Herefords. The Grand Champion cross-bred and Reserve Champion cross-bred competed for the overall and reserve champions against the Grand and Reserve winners of Angus and Herefords.

The 319 crossbreds and 502 total cattle were records for any Amarillo steer show. Floyd County youngsters showed the highest of any county with 65 entries.

Other county winners in

the steer competition included Roy Dale Womack, 3rd in heavyweight, Angus class and Ricky Hrbacek, 1st, lightweight Angus.

Meistersinger Chorus

Kyle Degge and Sara Degge, the son and daughter of Mr. and Mrs. Douglas Degge, of Lockney, Texas, are members of the 60-voice Lubbock Christian College Meistersinger Chorus for the 1976-77 school year.

Under the direction of assistant professor of music Charles E. Cox, who has led the chorus since 1961, the group includes freshmen through seniors who are majoring in everything from agriculture to bible.

The Meistersingers, in its 17th year, perform many times during the year including special occasions on the college campus, before Lubbock-area church groups and during four tours throughout the U.S. which the group takes annually.

Lubbock Christian College, located on the high plains of West Texas, is a private liberal arts college that is the academic home for some 1,200 students re-

presenting 38 states and 19 foreign countries.

Kay Terrell Named

To President's List

SHAWNEE—a total of 646 Oklahoma Baptist University students have been named to the fall semester honor rolls. The list includes 293 on the President's Honor Roll and 353 on the Dean's Honor Roll.

Listing on the Dean's Honor Roll requires a 3.0 grade point average, no grade lower than C and enrollment in at least three courses. The President's Honor Roll requires a 3.5 average, no grade lower than B and enrollment in at least three courses. Of those named to the President's list, 96 had perfect 4.0 grade points, including Kay Beth Terrell, daughter of Mr. and Mrs. Jeff Terrell of Route 1, Lockney.

LOCKNEY GUARD KAREN McCARTER corrals a wayward Tulia pass in Tuesday-night basketball game. Tulia won the District 4-AA contest 45-43, complicating the district standings and forcing the Lockney girls to "wait and see" about their hopes of getting in a playoff for the district title. (Staff Photo)

SOUTH PLAINS.

January 28-The Worker's Conference Program of the Caprock Association met January 25 at the South Plains Baptist Church, with Theme: Christian Training. Rev. Jimmy McGuire led the church in Christian Training presentation, and special music was given by Rev. Raymond Crowder, with Mrs. Ruby Higginbotham and Mrs. Richard Sanders. Rev. Fred Blake of the South Plains Baptist Church brought the message, and Dr. Strauss Atkinson served the evening meal with around seventy who were at the meeting.

Mr. and Mrs. Pete Land of Clarendon were at South Plains to spend Saturday with her sister and family. Mr. and Mrs. Arby Mulder.

Mr. and Mrs. Frank McClure will spend tonight, January 18, in Plainview with their daughter, Mrs. Jean McClure and their grandson, Boyd. They will also have as guests, Rev. and Mrs. Jeff Messer of Fieldton, where he is pastor of the Baptist Church. The occasion is the birthday of Donna McClure, complete with birthday cake and dinner for the menu.

Revival for the South Plains Baptist Church has been set for April 24-May 1, and they have voted to invite Rev. H. S. Calahan Jr. to be the evangelist for the

revival messages.

Auction sale of E. J. Kinslow was held at his farm four miles north of South Plains January 27. Kinslow had a fine, bright day for the sale. He plans not to do any active farming and has rented his farm land.

Congratulations and best wishes to Mrs. Fleeta Carthel, now of Floydada, who completed her graduation requirements at the close of the fall semester at Wayland College in Plainview. She will get her BA degree in May in elementary education and we are especially proud for her. Her husband's parents, Mr. and Mrs. R. H. Adams lived in our vicinity, and the three boys went to school here.

Mr. and Mrs. W. M. Staniforth Jr. have had their little granddaughter, Sarah Staniforth of San Antonio here visiting with them during the past holiday time. Sarah is 2½ years old.

Mr. and Mrs. W. H. Simmons from Truscott spent Saturday and Sunday here with her sister, Mr. and Mrs. Sylvain Kinnibrugh. Others with them for Sunday were another sister, Mr. and Mrs. Ray Dillard of Lockney, and the Kinnibrugh's children, Mr. and Mrs. Teddy Horne and Melissa and Mr. and Mrs. Hank Dickens, all of Plainview. The Kinnibrugh's were in Lubbock this Thursday as Ray Dillard was in the hospital taking tests.

The Lockney Beacon

Mr. and Mrs. I. H. Parks left South Plains January 8, for Dahlonega, Georgia, where they visited several weeks with his mother and other relatives. They found the weather wet and sloppy while there, and four inches of snow fell during the time they visited.

We are hoping to hear very soon that Hilburn Casey is getting better after his heart attack which occurred four weeks ago this past Saturday. He is in the Lockney General Hospital.

Several from our vicinity sold cattle during this past week at the Floydada Sales Ring. Alvin Nichols took all his cows and calves to the sale during the week.

Congratulations to Atha Blake, daughter of Rev. and Mrs. Fred Blake, who was named among others, to the all-Regional Whirlwind Band. She is a junior in FHS from South Plains. She is at Lubbock this Thursday through Saturday night where she will be playing with others in the All-Regional Band, at Monterey High School.

Congratulations and best wishes to Mrs. R. E. Young of Floydada who was honored on her birthday, January 14. Mrs. Young lived in the South Plains area many years with her family, as they grew up here, and her niece, Mrs. Grigsby Milton, Jr. from here visited her on her birthday, among others of the family.

Mr. and Mrs. Tillman Powell have been keeping their granddaughter, Nicole, off and on the past three weeks while her father, Warren Powell, is in Tulsa, Oklahoma, attending school for the

Thursday, February 3, 1977, Page

Dowell Company. Mrs. Warren Powell has been here and in Dallas with her parents, Mr. and Mrs. John Egger, while Warren is in school, and she has been under medical tests in Dallas.

Congratulations to Mr. and Mrs. Gary Sanders who were wedded in a church ceremony in Dalhart December 18. They are making their home in Canyon where both are seniors, and will graduate from West Texas State University next spring.

We are glad to hear that Jim Harper, who is employed by the county taking care of roads, is home after a stay in the University Hospital, following a heart attack. He was taken to Lubbock last Saturday night, and was able to come home this Wednesday.

Rev. Fred Blake of the South Plains Baptist Church is teaching the study book: "Everyman's Gospel, Romans", on Wednesday nights at the Baptist Church. Sunday night Nathan Mulder is teaching the book, which is a wonderful study, and one which everyone should take advantage of.

Congratulations to Mr. and Mrs. Royce Bethel who have announced the birth of their second child, a daughter, born January 9, in Tulsa at the Swisher Memorial Hospital. She weighed 6 lbs. and 13 ozs. and her name is Jamie Renee. Jamie has an older sister, named Shelli. Grandparents here are Mr. and Mrs. A. V. Bethel, and from Quitaque Mr. and Mrs. Prof Patrick.

Mr. and Mrs. Kendall Cummings are among relatives from here who will go

to Glen Rose, Saturday, January 29, where they will attend the wedding of their niece, Zenda Cummings, daughter of Mr. and Mrs. Zach W. Cummings, to Thomas L. Stevens of Colorado City. The wedding will take place at the First Baptist Church in Glen Rose, at seven o'clock p.m. Zenda grew up in the South Plains Community, and attended schools here. We extend best wishes to the young couple.

Mrs. Walter Wood was honored with a birthday reception and party on her 90th birthday, on January 8, at the South Plains Baptist Church, where she had been a member for 71 years. We extend our prayers and congratulations to her for a wonderful life.

Mr. and Mrs. Kenneth Huntley, Holiace and Todd from Denver, Colorado, arrived here Sunday afternoon from South Texas and especially Houston and Brownsville. They found the southern farms under water, from recent rains, and it was very cold at Corpus Christi and around the southern part of Texas. They visited here with Mrs. Huntley's aunt and uncle, Mr. and Mrs. Murray Julian, and with Mr. and Mrs. Kendis Julian and family and returned home Tuesday.

Mr. and Mrs. Frank McClure went to Snyder Tuesday to visit until Thursday with her sister, Mrs. J. E. Woodson, and with her brother, Mr. and Mrs. A. C. Newman.

We sympathize with Mr. and Mrs. O.G. Mayfield of Floydada in the death of his nephew, Horace Mayfield, who died in Oklahoma City last week, and who formerly

lived in this area. We hope, too, that Mr. O. G. Mayfield regains his health following recent major surgery.

Mr. and Mrs. Tommy Powell and Heather are just beginning to build a new home on May Street in Floydada. They were formerly of South Plains, and we extend best wishes to them in their new home.

Mrs. Harold Hamm and Mrs. Arby Mulder spent January 17th, in Amarillo, with Mrs. Jerry Taylor, and others.

January 21, a group from here went to Plainview to have dinner at the Plains Inn, and to enjoy a birthday celebration for Mrs. J. P. Taylor, whose birthday was Jan. 18th. Those who went were Mmes. Ruby Higginbotham, L. T. Wood, Harold Hamm, Fred Fortenberry of Lockney, and the honoree, Mrs. J. P. Taylor.

South Plains Hobby Club members met at the home of Mrs. Harold Hamm Wednesday, Jan. 12th, and election of officers was held. New officers are: president, Mrs. Kendall Cummings; vice-president, Mrs. Harold Hamm; and secretary-treasurer, Mrs. Leighton Teeple. Programs were planned for the year, and refreshments were served to Mmes. E. J. Kinslow, J. P. Taylor, Arby Mulder, Fred Marble, Keith Marble, and hostess Mrs. Hamm. The next Hobby Club meeting will be February 9, at the home of Mrs. Grigsby Milton, Jr. at 2 p.m. in the afternoon. Roll Call will be "A Beauty Hint," and Mrs. J. P. Taylor will have the Thought For the Day. There will be a beauty demonstration at this meeting. On the telephone committee for the coming year for the Hobby Club will be Mrs. Arby Mulder and Mrs. E. E. Wells.

We extend congratulations to Donette Marble, a freshman at Levelland at South Plains College, who was listed on the Dean's Honor List for the past semester.

Mr. and Mrs. Murray Julian left South Plains by car, Wednesday, January 5, for Onrario, near Los Angeles, California, where they spent two weeks with old friends, Mr. and Mrs. Wm Harenberg. While there, they toured the country area and on Monday after arriving, went to San Diego, to spend the day at the famed zoo, and had dinner that night at the Lawrence Welk Escokiddo Country Club. They spent two days on the west coast at Monterey and Carmel, where President Ford was in a golf match at Pebble Beach, and they were at Santa Barbara, and enjoyed a picnic on the Pacific with the waves high,

frothy and crashing. They toured downtown Los Angeles by bus, and also toured homes of the stars, saw Busch Gardens, and all the beauty there. The weather was perfect with around 30 at night, and in the 60's during the days. When they started home, they ran into rain at Tucson, Arizona and through the Deming and Los Cruces, New Mexico area. It is dry out that way, but the desert is a beautiful place, with irrigation and farms everywhere, where before there were only cactus and sand. They arrived home Saturday.

Some Hope

For Cattlemen

COLLEGE STATION — Although cattlemen may have a difficult time seeing a pot of gold at the end of the rainbow, 1977 does offer a ray of hope.

Dr. Edward Uvacek, a livestock marketing specialist with the Texas Agricultural Extension Service, sees a reduction in fed cattle marketing for the early part of the year, about 9 per cent below last year's level. But he believes marketings will increase slightly—two to three per cent—during the second quarter, April through June. This rather small increase, together with lower levels of cow and non-fed cattle kill, should keep cattle slaughter low for the next six months.

"All this means that beef

supplies should be down for a while," says Uvacek. "Therefore, fed cattle prices should move up during the next few months. This, plus more favorable feed grain prices, could stimulate an increase in feedlot placements."

Thus, if the feedlot business does pick up during the first part of 1977, then some beef supply problems could develop during the latter part of the year.

Because of a limited carry-over of calves from last year and a lower calf crop, feeder cattle and calf numbers should be down during most of the year, adds the specialist.

This means feeder cattle prices should also show some improvement, following the pattern being set by the fed cattle market.

Uvacek believes that cattle feeders will remain much more cautious in the new year, and this will keep them from over-paying for feeder animals.

SEARCH FOR RURAL HERO—Some deserving individual who risked his or her life to save another will receive the 1976 Rural Heroism Award sponsored by the Texas Farm and Ranch Safety Council. The council sponsors the award program to help promote safety in rural areas, notes an agricultural safety engineer with the Texas Agricultural Extension Service. All nominations must be submitted by Feb. 25 to the Texas Farm and Ranch Safety Council, Box 489, Waco, Texas 76703.

You have a growing advantage with Asgrow Bug-Off sorghums...

Dorado performance plus Greenbug resistance.

There's no need to sacrifice sorghum performance to get Greenbug resistance. Not when you can have Asgrow's famous Dorado performance plus Greenbug resistance in a choice of hybrids.

You'll have a growing advantage with Asgrow Bug-Off or Bug-Off M. An advantage that can mean greater sorghum yield and profit potential.

And, you'll never find a better time to order these great Greenbug resistant varieties than right now. See our special free gift offer outlined below.

Bug-Off*

Bug-Off hits the Greenbug problem head-on. The bred-in resistance of this Dorado type helps shrug off Greenbugs and go on to make dependable high yields under irrigation or the stress of dry-land conditions. Strong sturdy stalks carry heads with large bronze grain and high test weight. A bonus: Bug-Off also provides resistance to MDM, and races 1 and 3 of head smut.

*The name "Bug-Off" is intended to imply only resistance to Greenbugs.

Bug-Off*M

This Greenbug resistant hybrid is very similar to Asgrow's famous Dorado M in agronomic characteristics and performance... a mighty strong point in its favor. And, it's also resistant to MDM, races 1 and 3 of head smut and foliar burn from applications of methylparathion. Moderately open heads carry medium large yellow grain of high test weight and yield. Bug-Off M is a winner, Greenbugs or not.

*The name "Bug-Off" is intended to imply only resistance to Greenbugs.

includes orders placed at Asgrow Seed Days. See your Asgrow dealer or sales representative for additional details.

Glenda Kay Thompson and Sandra Thompson went to Plainview to a skating party Saturday.

Kevin and Wade Stanley spent the day with Jackie Wayne Thompson.

Jim Harper is recovering satisfactorily after a recent heart attack. He was able to return home and there was no serious damage to the heart.

Thursday Mrs. Tom Fortenberry and Mrs. George Taylor of Lockney visited Mrs. Taylor's daughter, Mrs. Jimmy Wesley and family in Canyon and went on to Amarillo.

Mr. and Mrs. Tom Fortenberry spent the night with their daughter, Mr. and Mrs. Lafayette Boone and family in Lubbock Thursday.

Connie Welch of West Texas University at Canyon spent the weekend home with her parents, Mr. and Mrs. J. A. Welch.

A nice field trip. This was the first in three weeks because it has been too cold. We would like to thank Mrs. Gilly and Hester Moore for the scraps.

Thursday was fun day with bingo. Top winners were Hope Hammonds and Clara Williamson with 3 games each. Hallie Bertrand, Della Finley, Ray Reed and Agnes Anderson all won two games each.

We have sure had a lot of visitors this week. Ida Martin had two sister-in-laws, three nieces and a son, Bruce Morris from Oklahoma to come see her. Also a friend from Matador.

Over the weekend Bill Reasoner passed away. He had only been here a short time and had been ill all this time. We will all miss him and our sympathy goes to his family. May the Lord help them to bear this great loss.

Also Cleta Bradshaw had to return to the hospital and Hope Hammonds had to enter the hospital. We pray they will soon be able to come home. We have had several more visitors which included: Mrs. George Wexler, Alma Ruth Nelson, Mr. and Mrs. Willie Bradshaw and Anna Lita, Mrs. Carrick Snodgrass, Mrs. Mary H.

Floyd Farmer Third In State Soybean Contest

The top soybean producers in the state were recognized at the annual meeting of the Texas Soybean Association here today (Jan. 29).

State champion was Neal Burnett of Route 2, Plainview, who came in with a yield of 72.3 bushels per acre. Burnett made his top yield with the Mitchell variety. He irrigated four times, one a preplant application.

He received a plaque and a free trip for two to Acapulco.

Second place winner in the state contest was Worth Matteson III of Route 4, DeKalb, who produced 64.2 bushels per acre with the Forrest variety. Matteson received a plaque and 50 quarts of Treflan herbicide.

Capturing third place was Fred Carthel of Route 2,

Lockney. He produced 64.1 bushels of soybeans per acre with the Ring Around 41 variety. Carthel used a preplant and four summer irrigations. For his placing, he received a plaque and 25 quarts Treflan.

Winners for the three major soybean producing areas of Texas were also recognized. Burnett and Carthel came in first and second, respectively, in the

High Plains, with Joe Leach of Route 3, Plainview, placing third. Leach had a yield of 58.1 bushels per acre with the York variety. He used one preplant and five summer irrigations. Leach received a special plaque and 15 quarts of Treflan.

In addition to state and

area awards, Burnett, Matteson, Carthel and Nichols also qualified for membership in the Texas 60 Bushel Club.

Award presentations were made by R. J. Hodges, agronomist with the Texas Agricultural Extension Service, and Bob Gregg with Elanco Products Co. of Houston, the commercial sponsor of the contest. The soybean yield contest

is sponsored annually by the Texas Soybean Association and Elanco Products Co. in cooperation with the Extension Service. It is designed to stimulate interest in soybean production by providing

useful cultural information and increasing cooperation within the industry to increase production efficiency, points out Hodges.

Search On For Rural Hero

COLLEGE STATION: Some deserving individual who risked his or her life to save another will receive the 1976 Rural Heroism Award sponsored by the Texas Farm and Ranch Safety Council.

The council sponsors the award program to help promote safety in rural areas, according to Dr. Gary Nelson, agricultural safety engineer for the Texas Agricultural Extension Service.

All nominations must be submitted by Feb. 25 to the Texas Farm and Ranch Safety Council, Box 489, Waco, Texas 76703.

The recipient of the award will be presented an inscribed plaque at the annual meeting of the Texas Safety Association at the Shamrock Hilton Hotel in Houston on March 28.

"Individuals who performed acts of life-saving heroism in a farm or ranch environment during the 1976 calendar year are eligible for the award," points out Nelson. "The nomination should include a detailed report of the incident, names of all persons involved, and the location and date. News pictures and stories will be helpful."

According to Nelson, Wilson, Otis Anderson, Mr. and Mrs. Hubert Davis, all of Floydada;

Joyce Davis, Tahoka; Louise Davis, Lubbock; Josephine and Verdie Smith of Lockney; Mr. and Mrs. Oliver Holmes, Richardson; Mr. and Mrs. Fred Bradley, Abilene; and Mrs. M. A. Powell of Pampa.

highway or transportation accidents, industrial accidents or recreational accidents on public property are among those not considered eligible. However, exceptions may be made when the incident involves farm and ranch families or employees.

Country Club Elects New Directors

Four new directors were elected to the Floydada Country Club board at the annual meeting Thursday.

Lockney's Alton Barnes, Floydada's Laron Fulton, Claude Weathersbee and James Word were elected.

President Doyle Moore will soon call a meeting for election of officers for another year.

If you are thinking thin and trying to trim inches, take the agony out of dieting. FLOYD DATA

Mrs. C. E. Bartlett sustained a broken right hip Sunday in a fall at her home. She underwent surgery Monday in Caprock Hospital and is responding to treatment fairly well according to relatives. Mrs. Bartlett had just returned home around noon from church and was changing her clothes when she accidentally fell. A daughter, Mrs. Otho Sanders at South Plains attempted to reach her mother by phone throughout the afternoon and when she failed to do so, she contacted neighbors who by then noticed Mrs. Bartlett's home in darkness. The Sanders' were notified and they drove in from South Plains to find Mrs. Bartlett on the floor of the bathroom where she had fallen.

This is the second broken hip for the 89 year old Floydada woman. She sustained a broken left hip in a fall four years ago.

"Is a Plurality of Communion Cups Scriptural?"...Jan. 30
"Literal Until Proven Figurative".....Feb. 6

Did You Know —

- that THE BIBLE IS WRITTEN IN CLEAR UNDERSTANDABLE WORDS THAT HAVE MEANINGS?
- that WE MUST HAVE A STANDARD TO WHICH WE CAN GO FOR THE MEANINGS OF WORDS—OR WE CAN MAKE THEM MEAN ANYTHING WE WANT THEM TO MEAN?
- that THE BIBLE DOES NOT "DEFINE" A WORD AND GIVE IT A MEANING CONTRARY TO WHAT THE DICTIONARIES OR GREEK-ENGLISH LEXICONS GIVE?
- that TO MAKE THE WORD "CUP" MEAN "FRUIT OF THE VINE", ALL LANGUAGE AUTHORITIES MUST BE IGNORED?
- that IF THE WORD "CUP" (MATT 26:27) DOES NOT MEAN "CUP" (DRINKING VESSEL AS WE NORMALLY UNDERSTAND THE WORD TO MEAN) THIS MEANS THAT THE BIBLE CANNOT BE UNDERSTOOD AS IT IS WRITTEN AND THAT THE WORDS OF THE BIBLE HAVE NO FOUNDATION...GREEK OR ENGLISH?
- that IF THE WRITERS OF THE NEW TESTAMENT HAD MEANT "THE FRUIT OF THE VINE THEY COULD HAVE SAID, "HE TOOK THE FRUIT OF THE VINE"?
- that SINCE THEY SAID "HE TOOK THE CUP" (GREEK-DRINKING VESSEL...SINGULAR) THIS PLACES EMPHASIS ON THE FACT THAT JESUS USED ONE VOLUME OF THE FRUIT OF THE VINE?
- that THE "CUP OF BLESSING" ACCORDING TO AUTHORITIES IS "A CUP OF THE FRUIT OF THE VINE"?
- that THE BIBLE DAY BEGINS AT "EVEN"...SUNSET? (LEV. 23:32)
- that WHEN A CONGREGATION SERVES THE LORD'S SUPPER AFTER SUNSET ON SUNDAY, THIS SUPPER IS BEING SERVED ON MONDAY — NOT THE FIRST DAY OF THE WEEK?

Floydada Nursing Home Happenings

By Faye Walters

This has been a beautiful week and I know each one of our residents were glad to see the sun shine.

Two of our residents got to come home from the hospital: Cleta Bradshaw and Lydia Collins. We are so happy to have them back. But sorry Mark Jordon is still in the hospital. Hope he will be home very soon.

We have had some real good devotions this week. Glad to have some of the ones back who were missing for awhile but sorry those from First Methodist are still out. Hope they will be back soon as everyone at the Nursing Home are really missing their good devotions.

We appreciate those who come for Sunday school and the Sunday church services.

We have had two new residents attending exercise classes this week, Zollie Burgett and Ida Martin. They have really been doing good and we are glad to have them. Wednesday we took

PIONEER INFORMATION BULLETIN

Subject: SMUT

Most farmers in this area have heard of the epidemic of head smut which affected the corn crop in parts of six counties of West Texas. The disease is not expected to spread much beyond that area next year, if indeed it occurs at all, but the Pioneer Agronomy Service Department headquartered in Plainview, is conducting an informational program to acquaint all corn farmers with the disease.

Not surprisingly, there is a good bit of confusion about head smut since 1976 was the first year it has appeared in the Southwest in high enough incidence to affect yields. Pioneer agronomists had studied the problem elsewhere, however, and print this information as a service to High Plains farmers.

Two distinctly different kinds of smut appeared in parts of Parmer, Castro, Deaf Smith, Lamb, Bailey and Hale counties: **common smut** and **head smut**. Common smut has little, if any, economic significance, but it is frequently confused with head smut, which is the real culprit. Estimates are that head smut reduced the yields of some fields by over 20%.

COMMON SMUT (*Ustilago maydis*), sometimes called boil smut, does not usually reduce yields. It is characterized by galls, bulbous growths which are at first covered with a glistening, greenish to silvery-white tissue. The galls may appear on any part of the corn plant including the exposed tips of healthy ears protruding beyond the shuck. The plant becomes host to wind or water-borne spordia which stimulate cells in young tissue to proliferate.

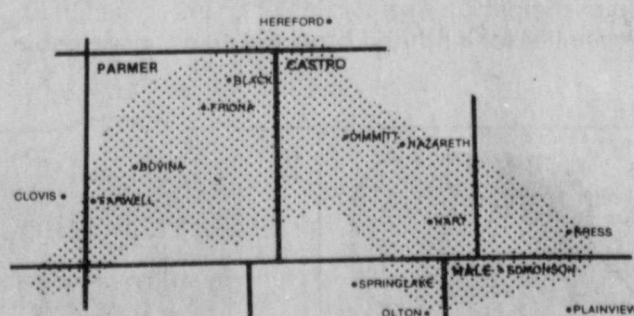

HEAD SMUT (*Sphacelotheca reiliana*) is systemic, the plant being infected by soil-borne teliospores in the seedling stage. The outward signs of the disease are less conspicuous than common smut. It first appears when ears and tassels are formed. Tassels of infected plants usually appear to be covered with a reddish brown or black, spiny rust. Silkless shucks look as if they might cover a short, fat ear of corn but opening the shuck exposes a mass of black, worm-like teliospores or a tangle of bright green, leafy buds. Since head smut is soil borne and there is no practical chemical treatment to control it, we can expect infection to increase from one year to the next if conditions are right. This year's weather (dry and cool) was particularly conducive to infestations of both types of smut fungus.

WHAT ABOUT NEXT YEAR? For the most part, head smut occurs in fields that have been planted to corn for several years. It appears that farmers with a head smut-infested field have a choice for the use of that field next year. They can plant the field to another crop or can, with reasonable safety, plant corn hybrids that offer resistance to the disease. Pioneer has three excellent hybrid corn varieties that show strong resistance to head smut. One of these is well known to area farmers and is the most planted variety in much of this area... Pioneer brand 3306. Two other Pioneer varieties... 3184 and 3195... which were planted widely in this area for the first time this year, not only resist smut but have even greater yield potential than the well-known yield champion, Pioneer brand 3369-A.

A. Common Smut Galls usually do not affect the yield of the host plant.
 B. Head Smut sometimes affects the tassel but always precludes the development of grain.

OBITUARIES

Mrs. Hatcher

Rites for Mrs. Emma M. Hatcher, 65 year old Clovis, New Mexico, resident, and sister of Mrs. Bea Martin of Floydada, were held in Clovis yesterday. A native of Swisher County, Mrs. Hatcher died Monday. She had lived in Clovis since 1959.

Survivors include her husband, H. T. Hatcher; two sons, Don of Clovis and Beryl of Slaton; a daughter, Mrs. Marie Wallingsford of Clovis; three sisters, Mrs. Martin of Floydada, Mrs. Jewel Mosley of Petersburg, and Mrs. Bertha Hatcher of Clovis; three brothers, J. W. Germany of Grand Saline, J.M. Germany of Indianapolis and Kenneth Germany of Citrus Heights, California; a half brother, Jerry Germany of Lubbock; two half sisters, Mrs. Barbara Short of Lubbock and Mrs. Mary Starkey of Paducah; seven grandchildren and three great grandchildren.

Mrs. Webb

Funeral rites were held this midweek in Fresno, California, for Mrs. Varley Webb, former Floyd County resident, who died in her home there last Sunday. Mrs. Webb was the former Naomi Carmack. She had been in failing health for several years.

Survivors include her husband; two children; her mother, Mrs. John (Eula) Carmack of Fresno; one sister and two brothers, one of Fresno and Milton (Pete) Carmack of Amarillo; and a half sister, Mrs. Mae Phyfer of McAdoo.

J.W. Skrabanek

Services for John Warren Skrabanek, 52, of Aurora, Colorado, were conducted Monday in the First United Methodist Church in Floydada. Skrabanek, who is married to the former Patsy Parkey, died about 10:30 p.m. Thursday in a hospital in Denver, Colo., after a lengthy illness. He was the son-in-law of Mrs. Laules Parkey and the late D. J. Parkey of Floydada.

Born in Caldwell, he was married to Patsy Parkey August 13, 1949 in Denton. He was a geologist and a member of the American Association of Petroleum Geologists, the American Institute of Professional Geologists and the Trinity United Methodist Church in Springfield, Mass.

Survivors include his wife; two sons, Scott of Creed, Colo., and Patrick, a student at Texas Tech University; and his mother, Mrs. Lillie Skrabanek of Austin.

Officiating at the service was the Rev. James W. Smith, pastor. Burial was in Floyd County Memorial Park under the direction of Moore-Rose Funeral Home.

Mrs. Dougherty

Word has been received here of the death of Jane S. Dougherty, 55, wife of William H. Dougherty. Mrs. Dougherty died in a hospital in Santa Fe, New Mexico, on January 30 of a malignancy.

The Dougherty family resided in the town of Dougherty in Floyd County some three years before moving to New Mexico, and still having farming interest there.

Rites for Mrs. Dougherty were conducted yesterday in Santa Fe.

Survivors include her husband; a daughter, Mrs. Tammy Kostuk of Houston and two sons, Frank and David Dougherty both of Santa Fe.

J. C. Reasoner

Rites for Jarvis C. "Bill" Reasoner, 72, were held Saturday in the Moore-Rose Funeral Home chapel. Reasoner, who had been a patient in Floydada Nursing Home, died there Thursday night, January 27th.

Born in Erath County April 20, 1904, he first came to Floyd County in 1925 from Fannin County with his parents. He served in the Army during World War II and in 1951 he married Lorene Teal in Plainview and they moved to Floydada in 1957. He was a barber and worked for George Sherrill and later in the Wright's

Barber Shop in Floydada before retiring. Reasoner was a member of the Calvary Baptist Church.

Survivors include his wife; three sons, J. W. of

Miami, Florida; J. T. of Lenore, Calif., and Bill of Wichita Falls; one stepson, Harold Ballard of Benjamin; three brothers, Sam of Denton, Leamon of Slaton and Elton of Sherman; three sisters, Johnnie Terrell of Floydada, Hulda Page of Atoka, Oklahoma and Polly Brown of Amarillo; nine grandchildren and one great grandchild. He was preceded in death in 1973 by a daughter, Lorene Nelson.

Rev. Hollis Payne, Baptist minister, and Rev. Robert Rhoadbarger, Nazarene minister, officiated for the service. Burial was in Floydada Cemetery under the arrangement of Moore-Rose Funeral Home.

Pallbearers were Paul Westbrook, Edwin Pollan, Joe Peck, Wylie Rogers, Hubert Davis and Dub Ferguson.

Gopher Control Demonstration Slated This Morning

There will be a gopher control demonstration in Floyd County this morning, Thursday, February 3rd. All those interested are asked to meet at the County Extension office at 9 a.m., then go as a group to the H. M. Bain Ranch where the demonstration will be conducted.

Lloyd K. Cheatham, TAES, District Field Supervisor/Rodent Control, out of Amarillo, will give the demonstration on gopher control in alfalfa, orchards, home lawns and gardens.

Trying to make a marriage without love is like trying to bake a cake without sugar- it can be done, but your product does not measure up to your expectations. Mrs. Ilene Miller, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System says.

According to a recent survey, the average Ameri-

can woman owns seven pair of slacks with two-thirds of the women planning to buy more slacks during 1977, reports Mrs. Becky Culp, area clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

'Spiritual tone' set at inauguration

WASHINGTON, D. C. (UMC) — The inauguration of the nation's new President took a highly spiritual tone here Jan. 20 — a tone set both by President Carter's address and by the prayers of two bishops, including United Methodist Bishop William R. Cannon of Atlanta.

Jimmy Carter of Georgia, who has expressed his Christian belief perhaps more than any other President and more than most candidates in the nation's history referred to the words of Micah to establish his call for a new dedication and spirit among the people.

And Bishop Cannon's invocation was a plea to "save us as a nation from the arrogant futility of trying to play like God" — whether through knowledge, wealth or power.

"Teach us that a democracy is not sacred just because it is a democracy, and that a government by the people, of

the people and for the people is no better than the people themselves," he prayed.

The plea that the nation not "play like God" continued, "as if we knew everything there is to know; as if our wealth were so great that we could satisfy the needs of people everywhere over the world and buy their favor and support; as if our power were limitless, so that we could manage and direct the affairs of humankind."

"The truth is that we are not able properly to manage and control ourselves," he said, "and to guarantee to every American the full advantage of the fruits of his labor."

In asking for God's blessing on the new administration as well as on the one departing, Bishop Cannon expressed hope for the beginning of "a new era — a time of rectitude, righteousness, prosperity for all our citizens based on their own toil and productivity, and

peace." He prayed also that the nation be saved "from factionalism and from divisiveness" in order to build a nation united for "the service of the world."

President Carter said that Micah's declaration of how men should live — "do justly, love mercy and walk humbly with thy God" — is the basis for a "new beginning, a new dedication within the government and a new spirit among us all."

He has no new dream, said Mr. Carter, but faith in the old — "the bold and brilliant dream of our founders awaits its consummation." In that spirit, he called for the nation's people to "learn together, laugh together, work together and pray together."

In its 200 years, the President declared, the nation has torn down barriers of race, region and religion. Now it is time to build trust, to respect unity and diversity, to find work for all who can work, to strengthen the family, to build respect for the law, to provide equal treatment under the law and to build peace "not based on weapons but on policies which reflect our most precious values."

Obtain Proof of Crop Ownership

AUSTIN—All Texas grain farmers are urged to obtain official grain warehouse receipts for their stored crop, according to Agriculture Commissioner John C. White.

"Farmers who receive nothing more than weight tickets as proof of deposit of their grain should exchange them for official receipts as soon as possible to ensure maximum protection under the law," White said.

In the event of a grain warehouse failure, a weight ticket holder could easily be inviting lengthy legal haggling before taking possession of his grain, since scale tickets in themselves do not necessarily constitute legal proof of ownership.

On the other hand, White stated, warehouse receipts, obtained upon request from any grain warehouse, provide clearcut proof of ownership as legal negotiable instruments.

According to the Texas Department of Agriculture officials, warehouse receipts would have priority in any case of forced closure or bankruptcy.

THE BUSH HOG / HUSKY SYSTEM IS A HANDLING AND STORAGE SYSTEM. As a handling system it cuts turnrow harvesting labor, reduces dumping time, and cuts fuel costs. As a storage system cotton can be stored in the turnrow or on the gin yard to be handled and ginned at the gin's convenience which eliminates bottlenecks at the gin.

**The Floyd Philosopher
Finds Scientists Don't Know**

Whether The World Will Freeze Or Melt

Editor's note: The Floyd Philosopher on his Johnson grass farm discusses the weather this week. Why not? Everybody else is.

Dear editor:
Some weather scientists are predicting another Ice Age may be on its way across the earth. Apparently they haven't been outside this winter as most of us thought it was already here.

According to them an Ice Age hits every 10,000 years and it's now been 12,000 years since the last one. This is about average for weather predictors; they missed it by 2,000 years. I have always contended that weathermen are excellent when it comes to telling us what happened yesterday, but a little slipshod about what's going to happen tomorrow.

When a forecaster says it's going to be fair tomorrow and it turns out rain comes down in torrents, he wasn't wrong, the weather was. The first requirement of a weatherman or a Congressman is to be able to ignore today what you said yesterday. I suspect when

weathermen retire they become economists who predict the economic index is going to take a turn upward in the next quarter.

Speaking of this winter, I'm sure the suggestion that we should turn down our thermostats to conserve energy ought to be endorsed by everybody. It's already been endorsed by the makers of sweaters, overcoats and long-handle underwear. Makers of cold remedies will be next. And as soon as they hear about it, people who sell firewood at \$75 a cord will come out for it too.

Back to the possibility of another Ice Age. Opinion is divided. One group of scientists says it's coming. Glaciers will creep slowly over the earth and we'd better get ready to do something about it. Another group says no, the weather isn't turning colder, it's turning warmer and there's danger of that permanent ice at the North Pole and other places melting and sending the oceans flooding over the coastal cities of the world. This leaves us where we've always been. We don't know what the weather next week is going to be.

Yours faithfully,
J.A.

Holding Down Land Tax

COLLEGE STATION-- Taking advantage of tax angles when buying or selling real estate may save a farmer or rancher thousands of dollars, contends an economist for the Texas Agricultural Extension Service.

"After buying a farm or ranch, it's important to set up the right tax 'basis' for the land," says Dr. Wayne Hayenga. "The basis is the amount of money allocated for land out of the total purchase price of the estate. This is the amount that will be used for figuring taxes if you sell the farm or are involved in an estate settlement."

Next, allocate part of the total price to unharvested crops, advises the Texas A&M University System economist. This amount will be the starting point or basis for figuring net profit or loss realized on income tax during the year crops are sold. "How much you allocate to crops can make a lot of difference in the amount of taxes you pay," contends Hayenga. "The higher the amount allocated to unharvested crops, the less income you will have to pay taxes on when you sell the crops."

All buildings, equipment and timber on the land must also be given a value. These amounts will establish a basis for setting up depreciation schedules and figuring timber depletion.

"If mineral and water rights are included in the purchase price of the estate and are considered valuable in your location, put a value on these also," notes the economist. "It's a good idea to get professional help when figuring these values."

Hayenga says the best time to sell real estate is when crops are still in the ground. This is because proceeds from the sale of unharvested crops are eligible for long-term capital gains treatment (lower tax rate) if the farm has been held for more than six months. Income from crops harvested and sold separately is usually considered ordinary income and is not eligible for capital gains treatment. When transferring a farm to a son or daughter, one

way to avoid charging a fixed price is to arrange payments in the form of a percentage of the annual farm receipts over a number of years, Hayenga points out.

"In this arrangement the buyer could not claim a tax deduction on payments made, but the seller would not be taxed for payments received until the basis or original cost of the farm was recovered. After that, payments would be taxable under the capital gains rate.

"If you decide to use this type of agreement, be sure to draw up a clear and concise contract," Hayenga advises.

Good management of the sale of a farm residence with a farm can also save money on taxes.

"If you sell a farm residence with a farm at a profit and reinvest some or all of the proceeds within a year in a house in town or another farm residence, the profit from the house sold is not taxable," says the economist.

"Thus it's important to determine before the sale how much out of the total price of the farm is for the house. If you sold a house for \$60,000 and then reinvested \$45,000 in another house, the \$15,000 profit would not be taxable."

By trading a farm for some other type of income producing property in a town, such as an apartment or commercial building, capital gains tax may be avoided entirely, notes Hayenga. "There are some restrictions, but often any gain from such a trade is tax free unless you receive cash in the deal. However, if the property is sold later, profit is taxable."

Proposal Sets 85 MPH Limit

COLLEGE STATION--Consumers may find that "85 m.p.h." is the top speed listed on their car speedometers, someday, says Claudia Kerbel, a consumer information specialist.

A proposal currently being considered by the National Highway Traffic Safety Administration would require car makers to limit the speed indicator to 85 m.p.h. (137 kilometers per hour), she said, noting that the public may indicate their opinion on the proposal before March 14.

"This does not mean cars could not travel faster—they just could not indicate speeds above 85 m.p.h.," the specialist added.

She is with the Texas Agricultural Extension Service, The Texas & M University System.

"Several studies on the effects of the nationwide 55 m.p.h. speed limit have shown that slower, more uniform speeds are primarily responsible for the significant drop in the fatality

rate," Ms. Kerbel said.

"Existing speedometers which register speeds of 120 m.p.h.—or greater—are using more than half of the dial to indicate illegal and dangerous speeds. The proposed standard will help remove the immature driver's temptation to test the top speed of his vehicle.

"Also, it will make the speedometer dials more precise and easier to read—in the range of speeds normally driven," she said.

If adopted, the proposal will become effective in September, 1979.

Comments are now being sought on the proposed standard, and consumers may write, before March 14, 1977, to: Docket Section (No. 76 06), National Highway Traffic Safety Administration, Room 5108, 400 Seventh Street, S.W., Washington, D.C. 20590.
