### AT ANNUAL MEETING

## Farm Bureau Celebrates Bond Payment

A bond-burning ceremony highlighted the Floyd County Farm Bureau annual meeting Friday night in Lockney Elementary School Cafetorium. Charter board member Albert Sheele, past presidents Robert Lee Smith, Buddy Brandes, Kenneth Brose, Lee Burton, A.C. Pratt, Neil Bertrand, Bill Race and Paul Schacht, and current president Eddie Teeter participated in the ceremony, marking payment of the county Farm Bureau building bonds ten years ahead of schedule.

Before the ceremony, Teeter reviewed some of the history of the organization. The Floyd County Farm Bureau was chartered March 7, 1951 with 13 members. On November 28, 1967 the board of directors let the contract to build the \$17,519.27 new building. The board voted to sell 20-year bonds at seven percent interest. Open house for the building was February 14, 1968. The first bond was paid in July 1970; the last, in August 1977.

Teeter mentioned "a few special people" prior to the bond-burning ceremony, including charter board members H.E. Frizzell, Harmon Handley, Verner Hodel, W.E. Sims, Chester Carthel, Harry Morckel and Scheele. Other past presidents of the organization were Ben Quebe, Helmuth Quebe, Chester Carthel and Lloyd Turner.

#### DIRECTORS ELECTED

New directors elected at the meeting were Delton Jack, Dan Smith and Laron Fulton. They will replace Eddie Teeter, Kenneth Holt and Turner Hunter, respectively. Wayne Bramlet, chairman of the nominating committee, conducted the election of directors. Other directors are Omar Burleson, Kenneth Pitts, Billy Don Colston, Roy Kidd, Travis J ones and D.K. Jackson.

Omar Burleson closed the membership report, stating that the county Farm Bureau has gained in member-

## Fair Pageant Slated

The Floyd County Fair Queen Pageant will be held Thursday, September 15, at the fairground entertainment building in Lockney, Texas. The pageant will begin at 7:30 p.m. and will be emceed by Spike Wideman of Lubbock. Miss Robin Roberts, last year's queen, will provide entertainment and crown her successor.

Special entertainment will be provided by Patsy Morris of Dimmitt, a popular country-western singer. Her first album, "In The Wilderness", has just been released and is dedicated in memory of her brother, Jerry Ragle, who was killed in a spray plane accident near Lockney in 1969. She has just returned from performing live at the Grand Ole Opry in Nashville, Tennessee.

The entrants in the pageant will model sportswear (to be furnished by

their sponsor) and a formal of their own choosing. Entrants may contact sponsors at their convenience to select sportswear. All entrants are asked to meet at the Methodist Church Fellowship Hall on Main Street in Lockney at 2:00 p.m. on the 15th to ride in the parade, be interviewed by the judges, and eat a light salad supper before the pageant.

A coke party and rehearsal will be held Saturday, September 10, at 2:30 p.m. at the fairgrounds in Lockney.

## Explorers Plan Paper Drive

Lockney Explorer Post, sponsored by the Lockney Police Department, will have a paper drive on Saturday, September 17. The Explorers are asking Lockney residents to save newspapers, magazines, and other paper for them to pick up on that date.

To arrange for pickup of papers, call 652-3548 any time Saturday, September 17 and give your name and address. The Explorers will pick up paper on that day only.

Patrolman Donnie Ballew is adult sponsor for the Explorer Post. President of the post is Donny Wiley; first vice president is Jeff Isom; second vice president is Buddy Wiley; secretary-treasurer is Jackie Gaskins; and master of arms is Craig Ellison.

## Tracy And Clay 4-H Gold Stars

Tracy Beedy of the Lockney 4-H and Clay Hamilton of the Floydada 4-H club were honored as Floyd Gold Star boy and girl at the annual awards banquet Saturday night in Duncan Elementary cafetorium.

Tracy is a fourth year 4-H'er, daughter of Mr. and Mrs. Austin Beedy. Clay is the only eighth year 4-H'er and the son of Mr. and Mrs. Charles Hamilton.

Clay was also recognized as one of the county state 4-H winners along with Sharon J ones, Darlene Brose, Marcia Fortenberry and Kenneth Brose.

Stephanie Turner was honored as the county 4-H sweetheart, Shawnda Brock and Earl Brose were recognized for outstanding first year records and Adeana Morris won the Foley award. Earl also received the Texas Sheep and Goat Raisers Assn. award. Adeana also received the "I Dare You Award" along with David Foster.

Kenneth Brose also received the 4-H Alumni Award.

Davis Farm supply received the meritorious service award, Juanita Brose and Kenneth Holt received the outstanding adult awards.

## Fair Parade To Feature "Sunshine Sally"

"Sunshine Sally" from Channel 13 will be in the Floyd and Surrounding Counties Fair parade September 15, according to fair parade chairman Kelly Fortenberry.

The first 20 youngsters to buy a "Sunshine Sally" T-shirt (to be available in children's sizes 2,4,6 and 8 only;

get a ride on the float with the TV personality.

The parade through downtown Lockney starts at 3:30 p.m. Thursday, September 15, first day of the three-day fair. Anyone who would like to enter the parade may contact Mrs. Fortenberry.

## Workdays Wednesday, Thursday

County Fair workdays are scheduled all day Wednesday and Thursday, September 7 and 8 at the fairgrounds in Lockney, fair board secretary Nancy Carthel has announced.

Everyone who would like to volunteer his or her services in getting ready for the Floyd and Surrounding Counties Fair, scheduled September 15, 16 and 17, is invited to come and help.

The City of Lockney will shred weeds at the fairgrounds, probably next week, in preparation for the annual event.

More entries are needed for the arts and crafts show, a new feature this year at the fair. It's set for all day Friday, September 16 in the entertainment building. Contact show chairman Tommy Billington to enter or for more information.

### WORLD'S RICHEST HORSE RACE TO BE RUN LABOR DAY

## Lockneyite Owns Third Fastest Horse In All America Futurity Trials

Lockneyite Floyd Jackson thinks it would be a "hot idea" for Hot Idea to win the world's richest horse race. The filly, owned by Jackson and his son-in-law Ted Bruce of Estelline, clocked the third fastest time while competing in the All American Futurity Trials held last Friday at Ruidoso Downs. The All American Futurity, to be run Labor Day at Ruidoso Downs, N.M., will be viewed by a national television audience numbering in the millions. Gross purse in the All American Futurity and three consolation is \$1,030,000. It surpasses monetarily such classics as the fabled Kentucky Derby. While the first horse under the wire in the Labor Day classic draws a \$330,000 paycheck, the tenth place finisher receives a healthy \$27,000.

Hot Idea, competing in the sixth of 25 trial heats, posted a 22.11 1/2 second timing in the quarter mile trials.

Stopping the clock with the best time was Town Policy, a West Coast colt, in 22.06 1/2. Biffy Pass crossed the wire in 22.10 1/2.

Another filly, Stoa Minga, owned by a South Plains man, C.L. Stewart of Lubbock, ran the fourth best time: 22.14.

Other qualifiers bidding for the first place plum of \$330,000 are: Kita Bar

None, 22.15; Gambling Streak, 22.22; Call Me Gotta, 22.24 1/2; Medley Glass, 22.27; J ones Feature, 22.32; and J un Jun Ni, 22.32 1/2.

Hot Idea has been labeled by the Ruidoso Downs public relations department as "the great bargain horse of the field." Jackson and Bruce, who have been involved in Quarter Horse breeding and racing for several years, purchased the filly for \$4,000 in the 1976 All American Sale. This was less than one-half the average \$8,647 price for 444 head.

Bred by E.L. Baker, well-known Weatherford horseman, Hot Idea was nominated for the All American by Dr. Valton Cox of Lubbock and consigned to the A-A Sale by Lynn Peveler, also of Lubbock.

Hundreds of veteran horsemen overlooked the filly as a yearling despite her excellent breeding. She is by the popular sire Aforethought, which sired 1973 All American Futurity winner Timeto Thinkrich. Hot Idea's dam is Coquette, a register of merit three-time winner by Azure T, one of the Quarter Horse industry's most successful Thoroughbred outcrosses. Azure Te has produced a number of All American Futurity finalists. Coquette is a full sister to Hot Kiss, which posted a strong 91 speed index and ran

out \$28,537.

Hot Idea's paternal brother, Timeto Thinkrich, is a three-time running champion and the second richest

Quarter Horse in the industry's annals. He bankrolled \$612,858 during his racing career.

The class filly was one of the

favorites in her heat last Friday despite the fact that she had only one previous outing. Hot Idea won her first race June 5 at Ruidoso when she

daylighted a 10-horse field in an allowance race. Her margin of victory Friday was approximately 2-1/2 lengths.

Too Dry or Too Wet . . .

## Full Fertility Helps Crops Use Moisture Efficiently

COMPARE THE CROPS IN YOUR AREA THIS YEAR

No N Roots Explore Little

160 Lb N Roots Explore Much

1. Adequate fertility increases root exploration in the soil. Any time we give roots enough nourishment to explore another foot into the soil, we get about another two inches of available water. In Illinois, fertilized corn went 2 feet deeper than unfertilized corn for 4 extra inches of water. Iowa soybeans are known to draw 75% of their moisture from below 5 feet in late August on a well drained silt loam soil. Fertility can be a great help getting their roots to such depths.

2. Adequate fertility increases the crop's foliage canopy covering the soil. This enables more water to seep into the soil when it does rain and causes less evaporation from a blistering sun.

3. Adequate fertility increases maturity speed of many crops. Especially corn and soybeans. This helps grain fill before summer drought hits, usually in the critical July-August growing period.

4. Adequate fertility increases nourishment to oxygen-starved roots. As we all know, plant roots need oxygen for respiration, just as humans do. When a heavy rain fills all soil air space with water, the roots have trouble getting enough oxygen to breathe and take up adequate nutrients for vigorous growth. Under these conditions, added fertility insures more nutrients available for oxygen-restricted roots. The plant often responds eagerly. The need for fertility under too dry or too wet conditions can be documented from all over the nation.

ALMOST EVERY YEAR in every area there are periods of too little moisture—or too much. Today's unusually wide variation in rainfall is creating larger areas of moisture shortage.

More and more we must think moisture CONSERVATION, think moisture EFFICIENCY, think how to get the most out of the moisture we have.

Adequate fertility stretches moisture supply. It does not replace water. It just helps the crop use it more efficiently. It has been estimated one inch of rain produces 5 bushels of corn under low fertility, but 7 to 8 bushels under high fertility.

The reason seems clear: Full fertility means fuller root system to extract more moisture from each foot of soil tapped—for a higher yield—and a higher yield means more crop per inch of water.

This influence of sound fertilization has been documented for decades. In 1913, USDA scientists said, "With few exceptions, the experiments show a reduction in water requirement accompanying the use of fertilizers."

A half century later they were still saying, "Fertilizers may increase root exploration of the soil so that soil water is used to higher tensions and to greater depths."

Many studies right up to the present have shown specific ways fertilization helps crops get through dry periods with respectable yields. Results can be summed up in four basic points:

**HOT WEATHER CARE FOR CATTLE**—Proper management of cattle is important during the hot summer weather to reduce

stress, points out a beef cattle specialist with the Texas Agricultural Extension Service. The main thing is to leave cattle alone as much as possible. This means avoiding movement, crowding and handling of cattle—anything that will increase the animals' body temperature. Any type of surgery should also be avoided since excessive bleeding may occur due to the animal's increased blood

Veterans seeking loans to meet their expenses for going to school this Fall will get priority action from the Veterans Administration, according to D.G. Ayres, Service Officer for Floyd County.

The Service Officer explained that there is an educational assistance loan program for veterans who are eligible to attend school under the current GI Bill. Eligible for schooling benefits from the Veterans Administration are veterans with 181 days or more service since January 31, 1955, and whose discharge or release was under other than dishonorable conditions. The delimiting date for using educational entitlement is ten (10) years from the date of the last discharge occurring after January 31, 1955. The current GI Bill went into effect June 1, 1966, thus veterans who were discharged prior to that date are no longer eligible.

# Wheat set-aside plan is set

WASHINGTON (AP) — Wheat farmers will have to reduce 1978 wheat acreages 20 per cent if they want federal benefits and there is a good chance that corn and other feed-grain producers will have to cut back by 10 per cent.

The wheat acreage set-aside program was announced Monday at the White House by deputy Secretary of Agriculture John White, who told reporters that the crop cutbacks "will have no significant impact" on consumer food prices or world feed grain supplies.

Grain cutback programs are aimed at forestalling further huge increases in U.S. surpluses and at helping bolster sagging farm prices of the crops.

Agriculture Secretary Bob Bergland, who is on vacation, had recommended a 25 per cent cutback in 1978 wheat to President Carter, but Carter was also under pressure from those who felt that grain production should not be reduced sharply in case there are shortfalls in the world harvest next year.

WHITE SAID that a similar plan involving a 10 per cent reduction in 1978

corn and other feed grain acreage is under study, but that a decision will be held up until more is known about this year's corn harvest.

The 1977 wheat crop, the third bumper harvest in a row, has been gathered and farmers are now ready to plant their winter wheat for next year. It is that kind that makes up most of the U.S. supply.

White also announced that an earlier farmer-owned wheat and rice reserve will be expanded to include 17 million to 19 million metric tons of corn and other feed grains. About 8.2 million tons of wheat and 600,000 tons of rice were announced earlier this year as a feed grain reserve in which farmers continue to own the grain but keep it off the market under the federal price-support program for up to three years or until prices go high enough to trigger the grain's release onto the free market.

IN ADDITION, White said Congress will be asked to approve a special international emergency food reserve held by the government to help meet U.S. foreign aid commitments. A metric ton is 2,205 pounds.

White also said farmers will have

higher price-support loans for 1977 feed grains. The corn loan rate was increased to \$2 from \$1.75 previously, with proportionately higher rates for other feed grains such as sorghum.

The acreage set aside plan for wheat, the first in five years, is contingent upon Congress giving final approval to new farm legislation and Carter signing it. The House and Senate still have to agree on a compromise farm bill before it is sent to Carter.

ASKED IF CARTER intends to sign the farm bill, White dodged the issue and added, "We'll just have to hold that one in judgment."

The Carter-approved plan for cutting wheat production is "an annual decision" and does not represent a clear trend in federal crop controls beyond next year, White said.

Howard Hjort, the department's director of economics who appeared with White, said the 20 per cent plan is expected to reduce 1978 wheat planted for harvest to about 63.5 million acres, against 74.4 million planted for this year's crop.

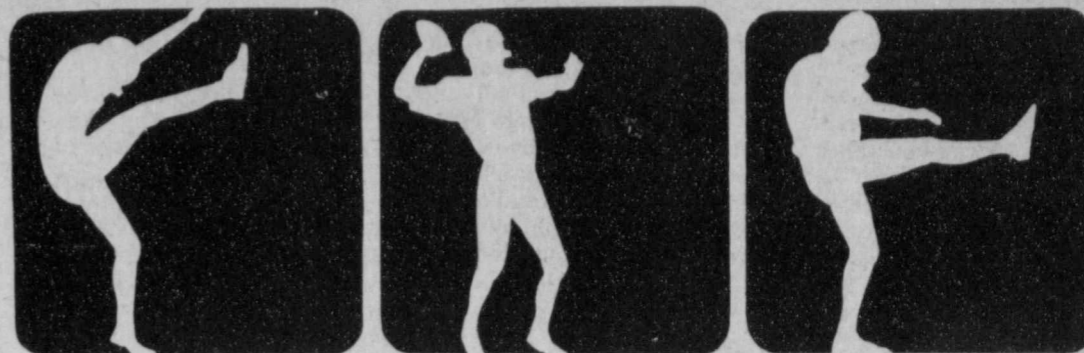

nares, all original singers with Glenn Miller. Having previously toured with "Oklahoma" and "The Music Man," The Young Americans, making a return appearance in Plainview, will this year present one of the all-time top Broadway musicals, "West Side Story."

For lovers of classical music, the Franz Liszt Orchestra's concert follows successful tours of major American and European cities. British pianists Rostal and Schaefer, whose concerts have included a command performance for the British royal family, likewise have gained an enviable reputation wherever they have appeared. In addition to classical compositions, the pianists will also show off their techniques for pop, Bacharach and even the Beatles.

### Grand Tour

The Athena Junior Study Club met in the home of Mrs. Ted Carthel at 7:00 p.m. Thursday, Aug. 25. After being met by "stewardesses" Lela Warren, Donnie Meriwether, Sally Carthel, and Sheree Cannon, they were served lemonade garnished with cherries and orange slices.

The next stop on their Grand Tour of 1977-1978 was the home of Mrs. Roy Turley. Here they boarded the Athena Flight which was piloted by Sandra Turley and co-piloted by Sue Zorger. Each member's purse was checked at the inspection gate. Martha Sue Lusk was awarded a set of wooden kitchen utensils for boarding with the most dangerous item (a can opener).

During the flight the members were served chicken breasts with rice, salad, broccoli with cheese sauce, sour dough bread and orange sherbert with mint. The flight movie was "Summer Fun" starring Athena members candidly caught in summer activities. Ticket draw-

ings were held during the flight Barbara Mathis, who drew her own name, won an apron and Virginia Owens won a travel kit.

Members were traveling hats that showed their summer time activities. After each member described her hat, Sheila Poole was awarded a lipstick case for the most unusual hat. Her hat was made of diapers and diaper pins.

Near the end of the flight passengers were served a choice of coke, grape juice, or apricot nectar.

After landing, the Athena members received their yearbooks entitled "Athena

Grand Tour 1977-1978" and they held a short business meeting. They planned a float for the fair parade and discussed their Ice Cream Booth for the fair. Everyone is encouraged to Eat Home-

FARM BUREAU PAST PRESIDENTS participated in the bond-burning ceremony at the annual meeting Friday night. Left to right are A.C. Pratt, president in 1966-67; Neill Bertrand, 1968-9; Bill Race, 1969-71; Paul Schacht, 1973-74; Eddie Teeter, 1975-77. (Staff Photo)

Aundy Jackson, 9-year old daughter of Rev. and Mrs. David Jackson of Irving, Tx., spent the past three weeks visiting here with her grandparents Mr. and Mrs. David Jackson, Sr., and with her uncle and his family, the Donnie Jacksons.

Mr. and Mrs. C.H. Harris of El Paso visited recently with the Marvin Gilberts. Mrs. Harris is the former Ruth Stapleton of Lockney.

2 1/2 weeks. Cities they visited in included Guadalajara and Mexico City from where she flew by commercial airlines to Lubbock.

Advertisement for ALLSUP'S CONVENIENCE STORES featuring various products like COKE, BORDENS MILK, YOGURT, SAUCE, TISSUES, BURRITOS, CRISCO, JAM, and NOVELTIES.

FARM BUREAU FROM PAGE 1 ship each year since 1972, when there were 642 members. Membership as of October 31, 1976 was 850; current membership is 854.

STATE DELEGATES Delegates nominated Friday night to attend the state Farm Bureau convention in Houston November 27-30 were Paul Schacht, Mr. and Mrs. Buddy Brandes, Mr. and Mrs. Larry Noland, Mr. and Mrs. Albert Scheele and Mr. and Mrs. Warren Mitchell.

INSURANCE REPORT David Cates, insurance agency manager, reported that there is over \$10 million in Farm Bureau life insurance in force in the county. Cates introduced career agents James Race and Jerry Bullock and recognized office secretary Helen Bertrand.

PRESIDENT'S REPORT Teeter told what the board of directors used membership money to do in the past year. In December, the board decided to promote the cotton referendum election, which passed.

IN February, Floyd County Farm Bureau co-sponsored the junior livestock show banquet.

In the spring, Floyd County Farm Bureau participated in a national affairs conference; Paul Schacht and Rainey Davis went to Washington, D.C.

In March, the county was represented at the state commodity conference in Austin; Burleson, Teeter and Warren Mitchell attended.

In May, the board of directors added tillage tools to tires and batteries already sold by Farm Bureau sales outlets in the county. The Farm Bureau helped sponsor the barbecue dinner at the county Old Settlers celebration.

In July, four Floyd County students attended the Farm Bureau Citizenship Seminar in Waco.

The board of directors selected four young men to apply for Outstanding Young Farmer recognition (three have applied).

Teeter reported that sales by the two Farm Bureau dealers in the county, Jackson Tire Company in Lockney and Nichols Oil Company in Floydada, are up this year by about \$12,000 over the 1976.

FINANCIAL STATEMENT Kenneth Pitts read the financial statement and minutes of the last meeting. Seminar students Diane Saenz and Anna Araujo of Lockney, and Sheldon Sue and Jim Finley of Floydada told about their trip to Waco.

Director Billy Don Colston gave the welcome to the meeting. Colston traced the progress of the Floyd County Farm Bureau from a "cubby hole" for offices to the present modern office building, and from 54 members when his father was on the board of directors in the fifties to the more than 800 members now.

He thanked Ann Race for playing dinner music for the event, Mrs. Billie Whitlock and the cafeteria workers for preparing the meal, and elementary school principal Weldon Dodson for use of the building.

According to Colston, Farm Bureau lobbyists in the 65th legislature this year in Austin had 75 victories and 11 defeats, a success average of 87.2 per cent.

The meeting was attended by Bill Hoover from the state Farm Bureau Office and S.M. True, district FB director.

Brian Smith won the door prize, a set of Safemark tires valued at \$120.

RESOLUTIONS A.C. Pratt, chairman of the resolutions and policy development committee chairman, presented state and national resolutions proposed by the committee, and called for resolutions from the floor.

STATE: 1. We recommend that Texas Farm Bureau strongly oppose the imposition of a Texas state income tax.

STATE AND NATIONAL: 1. We recommend that Texas Farm Bureau and the American Farm Bureau Federation oppose any interstate and intrastate regulation of all energy sources.

NATIONAL: 1. We recommend repeal of OSHA (Occupational Safety and Health Administration) and EPA (Environmental Protection Agency).

Lions Sell Over \$3200 In Broom Sale Lockney Lions Club sold \$3,276.13 worth of brooms, mops and other household items in their annual Lions Broom Sale Saturday. That's one of the best sales in recent years. The Lockney Lions usually have one of the largest sales, for the size of the community, of any Lions Club in the area, Lions Boss James Race says, and this year was no exception.

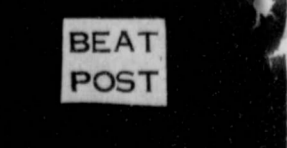

Register For PP&K At Baccus Motor Co. Registration for the 1977 Punt, Pass and Kick competition has started in the showroom of Baccus Motor company. In making the announcement, Rusty Baccus, owner of the dealership, said: "We're looking forward to a big local PP&K competition in Lockney. We hope all the youngsters 8 through 13 years of age in this area will come in to register and take part."

Senior Citizens Meeting The Lockney Senior Citizens' organization will meet at 10 a.m. Thursday (September 1) in the First United Methodist Church fellowship hall. Those who attended should bring a covered dish for the luncheon.

PEREZ GETS DIPLOMA Ft. Bliss, Tex. (AHTNC) Aug. 19-Army Private First Class Daniel S. Perez, son of Mr. and Mrs. Joe S. Perez, Route M, Lockney, Tex., recently received a diploma from Escuela Del Sol High School (School of the Sun) at Ft. Bliss, Tex.

Esuela Del Sol High School is a Texas state accredited evening school operated through the El Paso School System and the Ft. Bliss Education Center. Classes are conducted during on and off-duty time utilizing structured classes and GED testing.

Pfc. Perez, an infantryman with the 3rd Armored Cavalry Regiment, entered the army in September 1974. His wife, Cecilia, lives in El Paso.

### Center News

By Mrs. J.E. Green

August 30-This is a bright, pleasant day, and summer is going fast. Much of it has been hot and dry. But we did enjoy the recent rains?

Miss Vera Meredith's company last week included Mrs. O.M. Conway of Plainview and Mrs. Thelma J ones on Tuesday; and Mrs. Fred Battey Wednesday p.m. Miss Meredith spent over the weekend in Lockney with the Clay Muncys. Mr. and Mrs. Brooks Carroll attended the rodeo at Roaring Springs Saturday, and had supper with his parents Sunday.

While the Carrolls were away John's dog disappeared. But he is happy again, friends, Joe and Pat J ones, brought him another.

Mrs. Dale Miller visited Mrs. Carroll Tuesday evening.

Mr. and Mrs. Thomas Warren visited his mother, Mrs. Ola Warren, Sunday p.m.

Mr. and Mrs. Guy Foreman of Oklahoma City spent over the weekend in his sister's home, the Henry Brewers and the Millard Watsons of Mt. Blanco and the Fred McDougle's of Crosbyton were also Sunday dinner guests. Mr. and Mrs. Dean Watson and girls joined the group for supper. Monday Mr. and Mrs. Guy Foreman, accompanied by Mrs. Brewer, spent the day with their brother and wife, Mr. and Mrs. Buren Foreman in Anton.

Mrs. R.C. Ross spent several days recently with a daughter and husband in Baileyboro. The other daughter and family, the Larry Fobersons (Norma) of Denver, Colo., spent this weekend with her mother.

Kenneth Lightfoot and family of Amarillo spent the weekend with his parents, Mr. and Mrs. Travis Lightfoot.

Mrs. Gordon Mayfield attended a workers' conference at Quitaque last Tuesday.

We are sorry that Mrs. Charley Spence is back in the Lockney hospital. We hope she will soon be able to return home.

Mrs. Flora Warren is home again after several days in the Lockney hospital.

Mrs. Victor Green and Mrs. J.E. Green were in Borger and Phillips Thursday where they visited Mrs. Green's sisters, Mrs. Ruby Stone in the Magic Plains Nursing Home, and Mr. and Mrs. J.B. Massingill in their home. Mrs. Winifred Coggin was not at home.

Bill Thomas of Lockney dined Sunday with the Hal Thomas'. He is back after a 3-weeks' tour of the eastern states visiting relatives.

Mrs. Milton Mensch and baby of Lubbock came Monday for rites of J.D. Welborn. Grandparents of David kept him while Sue was at the funeral.

How we sympathize with the Welborn family, our good neighbors for so many years at Center. All the family and many friends joined them at the Bible Baptist Church Monday afternoon for last rites. He is at rest after a long illness.

Calvary Baptist Church is stunned by the resignation of its young pastor, Bro.

#### FLOYD DATA

Mr. and Mrs. J.W. Day Jr., spent last weekend in McCamey visiting their daughter, Cindy, who is in her first year of teaching in McCamey.

#### FLOYD DATA

Louie Caffee and daughter of Green River, Utah, is here visiting his mother, Mrs. C.A. Caffee, who makes her home at the Floydada Care Center.

#### Accident victim dies of injuries

Hector Tapia, 37, of Floydada who was injured when struck by a vehicle while pushing another car on East Highway 70 early last Sunday, died Friday at 7:20 in Lubbock's Methodist Hospital of injuries received in that mishap.

The body has been sent by Lemons Funeral Home of Plainview to Thorne Funeral Home in San Benito for burial.

### Denton Reports On Savings Bond Sales

July sales of Series E and H United States Savings Bonds in Floyd county were reported today by County Bond Chairman Clarence Denton. Sales for the seven-month period totaled \$85,398 for 43% of the 1977 sales goal of \$200,000. Texas sales during the

month amounted to \$22,544,475, while sales for the first seven months of 1977 totaled \$163,463,640 with 59% of the yearly sales goal of 276.9 million achieved.

#### FLOYD DATA

Dr. F.C. Bradley has returned home from Lubbock Methodist Hospital and is recuperating nicely - from surgery.

### Marriage License Cost Up, Too

As if a pair of prospective newlyweds doesn't have enough to worry about, now they must pay more for a marriage license. The new cost for the piece of paper obtained at the county clerk's office is \$7.50, an increase of \$2.50. The soon-to-be-hitched couple can thank Senate Bill 184, passed by the legislature and signed by Gov. Dolph Briscoe May 28, for the price hike. Twelve years ago, on Aug. 31, 1965, the price of a marriage license was raised from \$3.25 to \$5.

### CERTIFICATION OF PESTICIDE APPLICATORS

TORS—Pesticide applicators who use or supervise the use of restricted-use or state-limited-use pesticides will be required to become certified by Oct. 21. Individuals may be certified as either commercial or non-commercial applicators. Certification is being handled by either commercial or non-commercial applicators. Certification is being handled by four state agencies depending on the major pest control areas involved—Texas Department of Agriculture (agricultural pests); Texas Animal Health Commission (animal pests); Texas Water Quality Board (aquatic pests); and Texas Department of Health Resources (health-related pests).

## OBITUARIES

### J. D. Welborn

Services for James Dennis Welborn, 72 year old Floydada resident, were conducted Monday, August 29th in the Bible Baptist Church. Rev. Lloyd Hamilton, minister, officiated.

Welborn died August 28th about 6 a.m. at the family home following a lengthy illness.

A native of Cookeville, he was born December 4, 1904 and was married to Ermon Kelsey in Sayre, Okla., on Feb. 6, 1932. The couple moved to Floyd County from Pampa in 1938 and lived for many years in the Center Community where he farmed, before moving into Floydada where he was employed at Consumers Fuel until retiring.

Survivors include his wife; two sons, Bobby of Floydada and James David of Hurst; three daughters, Eunice Lewis and Joann Gooch of Floydada and Donna Booth of Lubbock; two brothers, Pat Welborn of Silver City, New Mex., and Harold Welborn of Oklahoma City; two sisters, Mrs. Ella Davis of Mount Pleasant and Mrs. Dovie Bohannon of Rencona, New Mex.; and nine grandchildren.

Interment was in Floydada Cemetery under the direction of Moore-Rose Funeral Home. Pallbearers were Jimmy Dunn, Travis Lightfoot, Alvie Jackson, Jimmy Vickers, Fay Gooch and Max Harrison.

### Lester Durham

Services for Thomas Lester Durham, 67, of Lockney were held yesterday afternoon in the Lockney Moore-Rose Funeral Home chapel with the Rev. Joe Stone, pastor of the First Assembly of God Church of Muleshoe, officiating, assisted by

the Rev. Bob Wright, pastor of the Lockney First Assembly of God Church.

Burial was in Lockney Cemetery under direction of Moore-Rose Funeral Home of Lockney.

Durham died Tuesday morning after a lengthy illness. He was a resident of Lockney Care Center.

Durham was born August 26, 1910 in Jacksboro and moved to Lockney in 1918.

He is survived by two sons, Jimmy Durham and Danny Durham, both of Lockney; two brothers, Clyde Durham of Leesburg, Virginia and Leroy Durham of Lockney; and four grandsons.

### Mrs. Stinebaugh

Mrs. Woody P. Stinebaugh, 92, died at 10:15 p.m. Aug. 24 in a Lubbock convalescent home after a lengthy illness.

Services were Friday morning, Aug. 26 in Lemons Memorial Chapel with Bill Sweatmon of Greenlawn Church of Christ in Lubbock, officiating. Burial was in Plainview Memorial Park directed by Lemons Funeral Home.

Born Oct. 23, 1884 in Searcy, Ark., the former Nettie Elvira Adams moved to Farmington, Texas when she was nine years old and attended schools there. She moved to Stamford in 1905 and to Lockney in 1913.

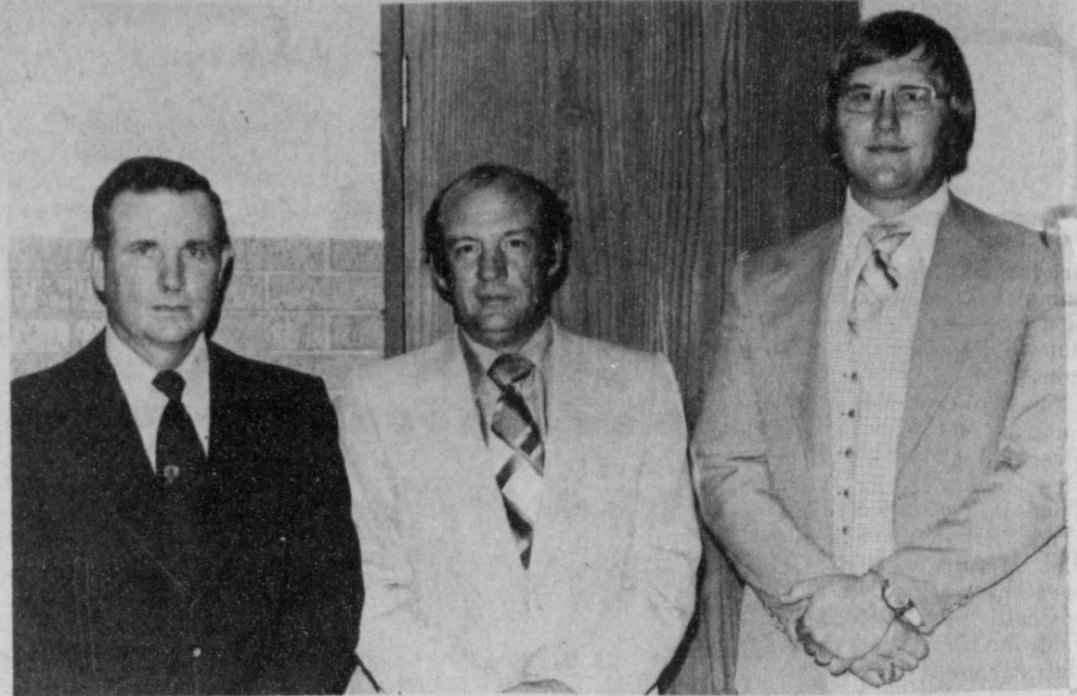

Moving from Lockney to Plainview in 1955, Mrs. Stinebaugh lived here until moving to Lubbock in 1974.

She was married in Farmington to Mr. Stinebaugh who died Dec. 2, 1967 in Plainview. Mrs. Stinebaugh was a member of Ninth and Columbia Street Church of Christ.

Surviving are one daughter, Mrs. Valca (Opal) Thomas of Lubbock; a brother, Roy Adams of Dallas; and one granddaughter, Mrs. Bill (Betty) Roach of Lubbock.

### Mrs. Smalley

Services for Mattie L. Smalley, 77, of Lockney were held Tuesday morning in the Lockney First Baptist Church with the Rev. Murle

NEW FARM BUREAU DIRECTORS, elected Friday at the annual county meeting, are (left to right) Delton Jack, Laron Fulton and Dan Smith. (Staff Photo)

Rogers, pastor of Ropesville Baptist Church, officiating, assisted by the Rev. John Jenkins, pastor of Lockney First Baptist Church.

Burial was in Lockney Cemetery under direction of Moore-Rose Funeral Home, Lockney.

Mrs. Smalley died in her home Saturday morning of an apparent heart attack.

The Dan native moved to Floyd County in 1920, and married John Smalley June 4, 1921, in Floydada. She was a member of First Baptist Church of Lockney. Survivors include her husband; three daughters, El-

nora Wilson of Amarillo, Eloise Rhoads of Fort Worth and Dolores Cannon of Floydada; a son, Gerald of Petersburg; a stepdaughter, Carrie Smalley of Somerton, Ariz.; two brothers, Doyle

and Emmett Dobson, both of Odessa; two sisters, Minnie Morgan of Odessa and Iva Story of Lafayette, La.; 11 grandchildren, nine great-grandchildren and a great-great-grandchild.

# An important message to our customers.

The House of Representatives has just voted to raise the price of your electricity! And the Senate is looking at the same legislation. These bills are going to cost you plenty — nearly \$50,000,000 a year for the next ten years. That's almost half a billion dollars!

Who cares? Of course you care. And we care. That's the reason we want you to know what's happening in Washington.

Not only did the House vote to raise your electric bill, there's a strong chance you'll get less reliable service, too. The Government is trying to take over regulation of your electric company. That's right! A Washington bureaucrat will decide who gets electric power and how much instead of your state and local officials.

That means your electric company will lose control over how we operate our own power transmission lines and facilities. We might not be able to give you — our customers — first priority. The Federal Government could use some of the money you pay for your electric service to make your electric company build a transmission line for a government-subsidized utility. You pay twice that way — in your electric bill and in your taxes. And you don't even get to use the line.

Let's not beat around the bush. The cost of doing business is going up. It costs you more for your electric service than it used to. But now when you pay your electric bill, you pay only what it costs to serve you, plus a controlled profit, so that we can keep updating our generation facilities and our technology to keep serving you better.

Well, if some Congressmen have their way, some people will pay less than their fair share of the electricity cost. Who will decide who gets the special rates? You can bet it won't be you . . . or us . . . or our state and local government who know our needs best.

It will be some government official in Washington!

There's a whole lot more bad news in this legislation that has passed the House and is now being considered in the Senate. It's all part of Senate Bill 1469, Part E . . . and . . . Now for more bad news . . . Senate Bill 1472!

That's a dandy. It's the one that taxes you because some of your electricity is generated with natural gas. The gas users' tax is a case of the Government telling us to build coal-fired power plants faster than you can afford them.

It's as though the folks in Washington just woke up one day and decided there was an energy crisis and decided to try to right all the wrongs over night. The facts are that your electric company has been doing something about our diminishing natural gas reserves for more than six years. We haven't planned or constructed a gas-fired generation facility since 1971. And since that same time we've been planning to use coal as our primary generation fuel. We've just completed and put into operation Harrington Station — a coal-fired generation plant near Amarillo.

But we need the opportunity to phase out the gas-fired facilities at a savings economical to you, our customers. New power plants cost money . . . cost you money, because you are our only source of money. We have a program that makes it possible for us to stop using natural gas to make electricity by 1995 at the latest.

It's a program you can afford. It's a program that will help alleviate rising costs. Sure, you'll pay more for electricity in the future. You'll be paying more for everything, but under our plan you'll pay a lot less than you'll have to pay if Senate Bill 1472 passes. \$423,000,000 less between 1983 and 1990.

Why? Because Senate Bill 1472 says that even though we are building coal-fired power plants as fast as you can afford them, you're still going to be penalized, by almost a half billion dollars. Just because some staff member in Congress thinks you should build them faster. And remember it is your money that builds these new plants.

The Good News in all this is that your Congressman voted against raising your electric bill, voted against giving you poor service . . . but he was out-voted. Now what you can do is write your United States Senator (His name and address are printed below for your convenience) and tell him to vote against Part E in Senate Bill 1469 and against the gas users' tax in Senate Bill 1472. Why? BECAUSE YOU CAN'T AFFORD THESE BILLS. And that's a damn good reason. Let the people in Washington know that YOU CARE what they're doing with YOUR MONEY!

Thank you

FIREPLACES: FIRE PREVENTION IS PROTECTION  
Tempted to install your own fireplace? How about one of those new free-standing models to take the chill out of the family room? Watch out, advises Trudy Daly, a fire safety education expert. "It is not a job for a weekend handyman; those installations require skill and planning."  
Tragedy can result from the improper installation of free-standing fireplaces or the old-fashioned wood-burning stoves which are now on the market in large numbers.  
The best protection for homeowners is prevention, says Mrs. Daly of the Hartford Insurance Group-buy a quality product and have the unit installed by professionals.  
But if you do decide to do it yourself, these do's and don'ts may help.  
DO vent it properly. Poor venting can fill a house with deadly carbon monoxide fumes; it can also start a fire at the point where the flue passes through the ceiling or roof.  
DON'T plan on venting through an existing chimney without getting an expert's advice. It is generally not recommended that more than one stove or fireplace be connected to a single flue.  
DO a lot of checking in advance. Look at the manufacturer's recommendations; inquire about fire codes; to allow for safe heat radiation, be certain your room has plenty of clearance under the unit and between unit and walls.

LUBBOCK—All-day shooting for mourning doves has been approved by the Texas Parks and Wildlife Department with the season running from Sept. 1, 1977-Oct. 31, 1977.

The daily bag limit of 10 birds and a possession limit of 20 birds is the same as last year and should furnish hunters with plenty of chances to bag the fast-flying dove with shooting hours from 30 minutes before sunrise to sunset.

Most counties of north-west Texas are reporting good populations of doves with Andrews county in the southwest corner of the South Plains, Scurry and Mitchell counties in the

southeast corner of the South Plains and Wheeler county in the eastern Panhandle reporting excellent populations of doves. Only Hale, Motley and Deaf Smith counties are reporting poor populations of birds for the coming season but, cool weather could affect all these areas.

The passage of cold fronts in late August and early September through Texas has as much affect on the local dove population as any one factor. An increase in the sunflower acreage in some counties should help to hold the birds a little longer than normal.

Sportsmen are reminded that only shotguns not larg-

er than 10-gauge plugged to hold no more than three shells in the magazine and chamber combined are legal. No rifles or pistols of any type are legal for dove hunting.

No hunting will be permitted in game refuges, state and federal parks, game reserves, or from any public road or road right-of-way. Citations issued by Texas game wardens in 1976 included many for shooting from the road.

Sportsmen are required by law to get permission to hunt from the landowner prior to the hunt. A violation of the landowner's property rights will only result in a possible citation and more

**Wants A List Of Superior Banks**  
**Interested In Making Bad Loans**

Editor's note: The Floyd Philosopher on his Johnson grass farm gets in pretty deep this week discussing finances.

Dear editor:  
 In examining the tangled financial affairs of Director Bert Lance of the Office of Budget and Management, one Washington expert complained about "sloppy country banking." As I understand this, he means there's a difference between country banking and city banking, with the implication that city banking is superior.

What I want to know is where can I get hold of a list of some of those superior banks? For example, one of the biggest banks in Atlanta has just discontinued paying stockholders any dividends because it has lost too much money on bad loans. It's too late to get in on that, but if that Washington expert will let me in on the names of the other big city banks in the business of making bad loans, I'd like to get in line. All the country banks around here believe in making only good loans.

As I understand Mr. Lance's situation, he borrowed money from one city bank to buy

stock in another city bank, then when the first bank's note came due he borrowed from a third bank to meet that note. Washington experts try to make this sound complicated. Mr. Lance's problem is simple: he ran out of banks.

Now there are some people who're saying, when they learned that about everything Mr. Lance has is mortgaged to the hilt, that he shouldn't be in charge of managing the government's financial affairs when he's having so much trouble managing his own. This should not be put to a popular vote. He'd win hands down if he got the votes of everybody in America whose house, boat, both cars, lawnmower, television set, washing machine, dish washer, etc., are owed on.

I know a man who, fighting to pay his bills, sat down one day and figured up all the monthly payments he'd signed up for and discovered they came to more than his monthly income.

I don't know of any country bank interested in interviewing him for a job. He'd do better to apply to some superior city bank or, if that fails, try for a government job.

Yours faithfully,  
 J.A.

no-hunting or no-trespassing signs next year.

Sportsmen can help improve the relationship between the landowner and the hunter by being courteous, considerate, capable and,

most of all, careful. These sportsmen will have an excellent chance at being invited back to hunt next year.

More information is available on dove hunting regulations and other P&WD rules

by contacting the nearest Texas game warden or P&WD personnel in your county. More details are available to sportsmen by calling Abilene 915/673-3333, Amarillo 806/355-9246 or Lubbock 806/744-0213.

USE ELEVATORS SAFELY—Elevators and auger devices are a major source of farm accidents and fatalities, says a safety engineer with the Texas Agricultural Extension Service. Due to the many potentially dangerous moving parts, safe operating practices should be followed. No loose clothing should be worn and all safety guards should be kept in place. Equipment should be run no faster than necessary to move material efficiently.
