

Hail pounds county crops

Hail Friday evening caused heavy damage to crops in the Hart area, north of Flagg and north of Dimmitt.

Heaviest hit was an area extending roughly from Amherst to Hart. The hail in the Hart area started falling about 6 p.m., and by the time it was over, many crops were devastated.

"I've never seen crops beaten down so badly," commented Jerry Stump, an insurance agent who surveyed the damage in the Hart area.

One of the many hard-hit Hart-area farmers, Doug Higgins, said, "I lost about two-thirds of my cotton, three-fourths of my corn and 40% of my wheat. Now we'll have to gamble to make some sort of income."

Vehicles and houses also sustained damage from the severe hail storm.

In Flagg, more than half of the cotton north of the community was thought to be wiped out. G. Keller reported hail damage to his house and lightning damage on a well pump, as well as crop damage.

Along FM 1055, crops suffered up to 100% hail damage.

In Dimmitt, the hail-laden clouds left people with claims for damage to houses, mobile homes and vehicles.

Donald Schilling had about 50% of his wheat crop knocked to the ground, as the storm extended its destruction north of the city.

FESTIVE FLAIR—The Texas Tech German Dancers added an authentic old-country flair to the Nazareth German Folk Festival Saturday. These scenes capture the sometimes-sedate, sometimes-wild dances they performed before a crowd of 1,000 in the courtyard of the Community Hall during the afternoon.

Wearing costumes of red, white and black, the colorful troupe performed authentic dances that date back centuries. And in lighter moments, they drafted members of the crowd for a boogie-woogie and a hoedown.

Group protests chief's dismissal

In the face of protests over the resignation of Dimmitt Police Chief Ronald Mitchell, Mayor R. L. Fleming noted at Monday night's meeting of the Board of Aldermen that 13 law officers have expressed an interest in the chief's job here.

Thirteen citizens attended Monday night's meeting. One of them presented a protest petition with 192 signatures along with a four-page letter, and others joined in a lively discussion about Mitchell's forced resignation.

Harold Broadstreet read a letter addressed to the aldermen, the mayor and the city manager on the subject of the Dimmitt Police Dept., its operations and personnel.

The letter asked for specific reasons why the board requested the chief's resignation June 9. Broadstreet said that even Mitchell was not aware of any specific charges.

Broadstreet's letter also touched on the high rate of turnover among department personnel, what he perceives as poor equipment, and what he perceives as ineffectual enforcement procedures.

Broadstreet concluded by recommending that the board make an effort to keep the public informed of their actions in operating the city government."

Alderman Wayne Collins said that the board is aware of some of the problems pointed out in the letter, and that the board is trying to remedy those problems.

"We just felt that it was to the best interest of the department to ask Mitchell to resign," Mayor Fleming said.

Broadstreet asked when he could expect answers to his questions in the letter.

Mayor Fleming said that [See PROTEST, Page 7]

Harvest Days Follies will be in September

The Dimmitt Chamber of Commerce and the Dimmitt School Board will co-sponsor a Harvest Days Follies to be held Saturday night and Sunday afternoon, Sept. 11 and 12.

Jeff Isaacs of Dimmitt, a student at West Texas State University, will direct the production with help from his technical advisor, Byron Taylor of Amarillo.

Isaacs will get college credit in rehearsal and performance for his involvement in the Follies. It will also be good directing experience, he said.

Everyone in the county is invited to get involved, he added. People will be needed who will act, sing, dance and build sets.

The production will include comedy skits, dance and musical numbers that are original and that are from "Gypsy," "Cabaret" and "Chorus Line."

"I've got a children's number," Isaacs said, adding that people of all ages are encouraged to audition in mid-July. The audition date has not been set yet.

Those auditioning do not have to present prepared pieces, Isaacs said.

"Just show up, and we'll work it out," he added.

For more information, contact Isaacs at 647-3262 after 5 p.m., Chamber Manager Delores Heller at 647-2524 or Deanne Clark at 647-3487.

Trial begins in shooting

Domingo Garcia of Hereford went on trial Tuesday morning in 242nd District Court on a charge of attempted murder in the Jan. 18 shooting of Ruben Herrera of Dimmitt.

The state opened its case against Garcia when District Attorney Jimmy Davis brought the injured man's brother, Gilbert, to the stand.

The shooting victim was brought into the courtroom in a hospital bed during his brother's testimony. He is apparently paralyzed except for slight head movements, and he is unable to talk.

Herrera was shot in the left side of the head with a .410 shotgun in the parking lot of the Church of God of the First Born, East Halsell and Northeast Sixth. The shooting reportedly was the result of a fight that started in front of the Star Dance Hall in the 600 block of East Dulin. Security guards employed by the dance hall broke up the fight, but the fight broke out again later near the church. Six men were reported to have been involved.

A jury of seven men and five women was chosen to hear the case before District Judge Marvin Marshall.

The district attorney said he would rest his case Wednesday morning. The defense was expected to have five witnesses, and the trial was expected to last through Wednesday afternoon.

City acts on streets, 'skeeters'

The Dimmitt Board of Aldermen granted a contract on the proposed sealcoating and paving projects at its Monday meeting, along with approving the second reading of the Southwestern Public Service Co. rate increase request and agreeing to purchase a new spraying machine to help combat mosquitoes.

The bid submitted by Jake Diel Construction Co. was accepted on the road work, with the paving to cover about a block of South Broadway and the sealcoating to cover over 70,000 square yards of city streets.

Diel's low bid was \$52,721.80 for the entire project, using hot mix for the paving. Costs were broken down to \$36,120 for the sealcoating and

\$2,889.60 for the engineering of it; and \$16,601.80 for the paving and \$1,328.14 for the engineering.

Not included in the bid was the 8% fee to be paid to the city's engineers, McMorries & Associates, which would bring the city's total cost to \$56,939.54. The budget allowed \$63,528 for the paving and sealcoating. The board agreed to use the remaining \$6,588 in the budgeted amount to sealcoat an additional eight or nine blocks of city streets.

Other bids received were from Jake Diel for triple penetration surfacing at \$53,054.80; High Plains Pavers of Plainview, \$60,138.20 for hot mix and \$58,806.20 for triple treatment; Liphan

Construction Co. of Aspermont, \$62,693.90 for hot mix and \$60,975.30 for triple; and Lubbock Asphalt, \$66,828.48 for hot mix and \$63,478.48 for triple.

McMorries said that property owners may be assessed \$20.89 per foot of frontage on the paving project on South Broadway. City Attorney Jack Edwards said that the city would go on a voluntary basis on the assessment, unless the property owners fail to comply.

The aldermen decided to buy a spraying machine for \$3,977 after seeing it demonstrated. The unit will be capable of pumping 20 gallons per minute with pressure regulated from 40 to 500 pounds per square inch.

City Manager Paul Catoe said it would take an estimated five hours to cover the entire city with the sprayer at

an approximate cost of \$528 for the needed chemicals. The tank would have to be refilled with water and chemicals about every 28 minutes, he said. It was noted that the tank could be refilled from fire hydrants along its route, also helping with the job of periodic "letting off" of the water in the hydrants.

"With this machine's capacity, I hope we'll only have to run it about twice a week," Catoe said.

Troy Waddell and Jim Steinhelper of Southwestern Public Service Co., along with local manager Calvin Marsh, explained their company's proposed 9.003% overall rate increase.

Waddell said that the reason some rates are going up more than 9% and some less than 9% was that the utility tried to come up with

the lowest possible rates for each customer, but still have each customer cover the cost of his own service.

Aldermen again stated that approval of the rate increase was being passed "reluctantly."

When asked how long it would be before SPS requests another rate hike, Waddell said, "We'll be back sooner after this 9.003% increase than we would have been if we had received the 12.7% originally requested."

Marsh said the new rates will show up on July bills, and will be pro-rated from July 1.

Thirteen citizens were present at the meeting, and several joined in a discussion of the recent resignation of Dimmitt Police Chief Ron Mitchell. Also, a petition with 192 signatures requesting Mitchell's reinstatement was presented.

Exchange students 'shuttle' underway

Tobby Tischler, 16-year-old Flagg girl, will leave Saturday for Hovik, Norway, to live two months as an exchange student under the American Field Service's Summer Program.

Robert Watson, who has just completed his senior year at Dimmitt High School, will leave next Wednesday to return to his home in Ireland. A farewell party will be held

for him Sunday from 3 to 5 p.m. in the home of his American family, Mr. and Mrs. Fred Bruegel Jr.

In Honeydew, Transvaal, South Africa, 18-year-old Kim Vercueil is preparing to spend a year in Dimmitt, with the Robert Bentons as her host family. She is expected to arrive here by Aug. 1.

And in Geneva, Switzerland, 17-year-old Isabelle Progin is getting ready to come to Dimmitt to spend a year with the Don Reeve family. She is expected to be here between Aug. 11 and 18.

It's all part of the American Field Service's world-wide shuttle of exchange students that occurs at this time every year. Through the unique AFS program, students in 60 countries share in the culture and education of other societies for a summer or a full school year. Dimmitt is one of 2,500 American communities that participate in the AFS program.

For Robert Watson's farewell letter to the community, and details on Miss Tischler's Norwegian connection and Dimmitt's next two AFS exchange students, see Page 13. A related article appears on Page 14.

PROUD AND PRETTY—Four civic club sweethearts show off the new "Welcome to Dimmitt" sign at the west entrance to the city, one of four signs that have been erected or refinished by the Chamber of Commerce. From left are Rotary Club Sweethearts Tammy Stanford and Krystal Scott, outgoing Lions Club Sweetheart Jill Brown, and Kiwanis Club Sweetheart Wendy Bruegel. This new sign and a similar one have been erected at the west and

southeast entrances, while two larger ones at the east and north entrances have been repainted. All are the work of Umberger artist D. J. Puryear. The larger signs also proclaim the Bobcats' 1982 state basketball championship and the Governor's Community Achievement Award which the community won this year. More post-pilings will be added later to draw attention to the signs.

Baptist men return from crusade in Brazil

BEFORE you grate cheese, hold the grater under very hot running water. The cheese won't stick to the grater.

PROFESSIONAL CARPET CLEANING Truck mounted, steam cleaners. 364-2390

By MARY EDNA HENDRIX

Three men from the First Baptist Church of Dimmitt have returned from the city of Recife, Brazil, where they went as part of a group of 289 Texans. They were Rev. John Street, M. A. Pennington and Dr. Charles Vandiver.

to drink and too thin to plough.

"After breakfast, we would go by taxi from the hotel to our church about seven miles distant. Nearly all taxis are Volkswagens. Taxi drivers in Brazil drive at frightening rates of speed. There are no traffic policemen, and pedestrians do not have the right of way. There are only two kinds of pedestrians — the quick and the dead!"

The day was usually spent with visitations, lunch, more visitations and supper at the church. Evening services were usually about 7:30 p.m.

"Brazilians have good voices and love to sing. The song service would last an hour," Vandiver said, adding that the church had a 16-piece band.

"At about 8:30, they would call on Brother Street to preach. The sermon was twice as long since his message had to be repeated in Portuguese by an interpreter. After the service, the people would gather around us to express joy by a smile or an embrace."

Paige Compton has been here visiting her grandmother, Beral Hance. She has just graduated from high school in Dallas and will be a freshman at Texas Tech this fall. She also visited with the Jack Hodges family in Panhandle on her way to Denver, where she will join her mother, Linda Hance and her sister, Tracey Compton.

Ivy Jackson, Lewella Maxwell and her 13-year-old grandson Edwin Maxwell, returned recently from Conchas Lake for an outing and a little fishing. They caught enough fish for dinner one day, crappie and pansize bass. Ivy caught a pansize bass, the first fish she had ever caught in her life. The wind blew so hard one day, Lewella said they just stayed in the trailer, rested and played dominoes. Edwin was the winner and he had never played dominoes before in his life.

Jim and Ruth Hays entertained the Dimmitt Dinner Club on Monday evening with a delicious hamburger supper. They served hamburgers, chips, watermelon, homemade ice cream with strawberry or fresh peach topping and miniature lemon cupcakes. Their granddaughter, Michele Bradley, assisted them with the hostess duties, in fact she made the place cards that were so attractive. Michele is Lou Ann's daughter and she has spent a few days with her grandparents and other relatives in Dimmitt. The Bradleys live in Denton. The guests enjoying the evening were Ivor and Hazel Bagwell, Geneva and Morgan Dennis, N.A. and Thelma Bryson, Gene and Connie Ivey, Oleta Gollehon, Billye Wesson and Mary Edna Hendrix and Elmer and Mauzee Youts.

Ricky Kuntz and his grandmother, Mrs. Alice Anthony, went to see the play, "Texas," in the Palo Duro Canyon on opening night which was a beautiful night. The Pioneer Farmers of this area were honored with a reception and recognition. The quartet is outstanding and one of Dimmitt's residents, Doug Henry, is a

member. There was a near capacity crowd with seven states, Australia and Great Britain being represented. Some other pioneer farmers from Dimmitt who were honored were Opha and Charles Burks, Rachel Hunter, Helen Richardson, Elizabeth Huckabay, Cleo Forson, Faun Welker, Swain and Katy Burkett and son, David, and grandson, David, and the Hastings family. They had fireworks after the show that were beautiful.

The bridal shower given in honor of Debi Wilson, bride-elect of Sid Ricks, was in the lovely home of Kay Rogers last Saturday morning. In the receiving line was Debi, her mother, Mrs. Edd Wilson, and aunt, Mitzi Jordan, and Kay Rogers. Small cinnamon rolls and colorful fruit kabobs were served by Christi Petty and Stacy Wilson, sister of the bride-to-be. Dondi Hays registered the guests. Everyone enjoyed looking at Kay's home as much as looking at all the lovely gifts. The sun room is so pretty and is a good place to relax. I visited with Mrs. Kenny (Idie) Gearn and her daughter-in-law, Mrs. Geary (Beth) Gearn from Hereford. Mrs. Kenny Gearn was my neighbor when we moved to Dimmitt. I also saw Mary (Hays) McWhorter from Hereford.

Recently Swain and Katy Burkett went to Houston to visit Katy's sister, Sue Cox. From there they met Swain's

sister, Bernice and Mac McCaskill, in Crockett and they all went to Brashear, near Sulpher Springs, to visit Swain's brother, M. M. Burkett. Mr. Burkett met them out in the front yard and told them that his wife had just passed away. So it was a sad ending to their vacation.

Soon after the Burketts returned home, they had company, their son David, and grandson, David Burkett, from Scottsdale, Ariz. They all went to see "Texas" on opening night. Swain gave his grandson his first golf lesson while he was here and I am sure that was a thrill for both of them. They all took the grandson to Amarillo to the plane since he had to be home for a softball game. He is a sophomore in high school. His father, David, stayed a little longer and drove home in his pickup. He designed and constructed the camper part of his pickup.

The century plant in the front yard of Bobby and Wanda Murdock has been interesting to watch. One could almost watch it grow, it grew so fast. The blooms are very unusual, they are a light green in color. It is called a century plant because they thought it blooms only once in 100 years, but this plant has bloomed several times since the Murdocks set it out about 12 years ago. Other interesting plants are the Magnolia trees in Lint Merritt's back yard and Mrs. Pearl Sadler's

supper was delicious and very filling! We also enjoyed looking at the Arts and Crafts

show. We saw many people from Dimmitt including Enoc and Mayra Rodriguez. This [See CHATTER, Page 5]

Saturday was a beautiful day for the German Folk Festival held in Nazareth. Oleta Gollehon and I enjoyed watching the Tech German Dancers. They wore colorful costumes and were very enthusiastic. The sausage

What do you think when you see a cross? Is the cross merely a symbol saying "Here is a Church," or even, "a man was crucified"? Does the cross not rather in language too vivid and real for words that God's love knows no limits? "Greater love hath no man than this, that a man lay down his life for his friends." The cross is the ultimate dramatic performance of God's love and man's rejection of it. God's love knows no bounds, He follows us to the ends of the earth, no matter what the cost to Himself — or us. As we run from His love, we again nail Him to the cross — and fill the emptiness in our lives with love of self. The cross is the monument to that love which knows no bounds. Verily He knocks at the portals of your heart, and He will keep knocking until you let Him in.

Gross sales for Texas increases 19.9 percent

State Comptroller Bob Bullock reported recently that gross sales in Texas for the fourth quarter of 1981 — October, November and December — totaled almost \$109 billion.

Fourth quarter sales in 1981 passed 1980 fourth quarter sales by \$18 billion, Bullock said, a 19.9 percent increase.

Bullock's report detailed gross sales — all sales made by Texas businesses — as well as those subject to sales and use tax.

The Comptroller said the sales tax analysis for October, November and December of 1981 showed 375,699 outlets reporting, compared with 341,539 reporting in 1980.

Out-of-state taxpayers numbered 6,815 compared with 6,096 a year earlier.

Total gross sales for 1981 came to \$337 billion in the state.

The fourth quarter 1981 total reflected sales of \$86.3 billion in gross sales in the state's 26 Standard Metropolitan Statistical Areas (SMSAs), \$10.7 billion in non-metropolitan areas and \$11.8 billion in sales by out-of-state taxpayers.

Sales in Castro County were \$51,118,140, down 22.8 percent. In surrounding counties, the gross sales in the fourth quarter of 1981 were \$56 million for Bailey, up 48.1 percent; \$96.5 million for Deaf Smith, down 2.5 percent; \$167 million for Hale, up 24.3 percent; \$70.9 million for Lamb, up 4.9 percent; \$36 million for Parmer, up 26.3 percent; and \$31.6 million for Swisher, down 7.2 percent.

The Comptroller's Office also released a computer analysis showing reported sales in each of the SMSAs and the state's

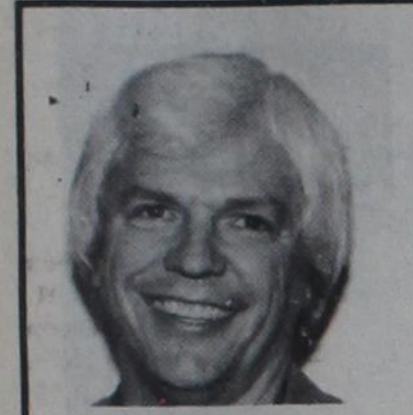

Faulkner gets More about captain rank

James R. Faulkner, son of James E. Faulkner of Dimmitt, has been promoted in the U.S. Air Force to the rank of captain.

Faulkner is a personnel programs officer at Randolph Air Force Base.

His wife, Janice, is the daughter of Roy W. and Johnnie Brittain of Hereford.

He is a 1977 graduate of Culver-Stockton College in Canton, Mo.

Chatter

[Continued from Page 2] was probably their first time to eat German food. We also saw several people from Tulia, among those were Rick and Beth Wallace. Rick is associated with the Tulia Free Press and Beth is the daughter of Ted and Dorothy Sheffy.

John and Faye Walker attended the Barnes (Faye's maiden name) family reunion last weekend at Singing River Ranch, N.M. This was their sixth reunion and there were 56 present.

Kevin Baldrige, son of Sherri and Garry Baldrige, celebrated his fourth birthday with a cookout. They served hamburgers and hotdogs to his guests, Jim Don Laurent, Heath Henderson, Justin Griffin, and Shawn Furr. Also the grandparents, Charles and Betty Vaughan, Bay and Bobby Baldrige, and aunt Sheril Baldrige and

friend Kevin Hucks. They also served homemade cherry ice cream and birthday cake with decorations in the form of a T-Shirt with #4 on it. His big gift was a Motocross bicycle and he gave Walt Disney character plastic bags, Frisbies, gum and cards with small cars as favors. He also celebrated by having one of his little friends spend the night with him for the first time.

Last Sunday was Father's Day! I started my day out by watching the church service on television. They were honoring the fathers with young children by having the fathers carry their babies and stand on the rostrum for a few minutes. I was surprised and thrilled when I saw my grandson, Kevin Lankford, carrying his two little ones, Adria and Mathew.

Bobby and Wanda Murdock entertained their fathers in their home with a dinner Sunday. Bobby's father, R. L. Murdock, came from Littlefield, and Wanda's mother and father, Mr. and Mrs. W. H. Felder, came over from Hart. The Murdock's daughter, Debbi, was here from Amarillo, and their son, Brad, is working in Dimmitt for the summer.

Guests in the "Goose" Ramey home for Father's Day were Bub and Emily Ramey and two girls, Lenora and Ann Marie, from Amarillo, and Decimae Beene from Friona. Also enjoying the feast that the Rameys spread out were Lena Allen and Blanche Ginn.

Sherri and Garry Baldrige invited their parents for dinner Sunday and they cooked a brisket with all the trimmings. The two mothers brought a dish or two of food also. Those present were Charles and Betty Vaughan, Bay and Bobby Baldrige and Sheril, and Troy and Mandy Golden from Lancaster, near Dallas. Mr. Vaughan's other children called to wish him a "Happy Father's Day." They are Charlene Wrobel from Dallas, David Vaughan from Richardson, and Vicki Eberly from Lancaster.

Decimae Dennis came in from Midland to visit her father and mother Geneva and Morgan Dennis for the weekend. She brought her friend, Jo Ann Montgomery, with her.

Guests in the Charles Vandiver home last Saturday were Dr. and Mrs. Chester O'Brien from Albuquerque, N.M. Dr. O'Brien is executive director of Baptists of New Mexico.

Troy and Mandy Golden are here visiting their grandparents Charles and Betty Vaughan, Ward and Oleta Golden, and aunt Sherri and Garry Baldrige. They will also be visiting their cousins, Craig, Coby and Mitzi Heller. Mandy plans to visit a friend in Plainview for a few days.

The Thursday Bridge Group played at the Senior Citizens Center with Ferne Dickey as hostess. High scorer was Faun Welker with Cleo Forson coming in second. Others playing were Opha Burks, Betty Cartwright, Elizabeth Huckabay, Oleda Schumacher and Susie Reeves.

Museum group meets tonight

The Castro County Historical Museum Association will meet tonight (Thursday) at 7:30 in the museum building on West Halsell in Dimmitt. Anyone interested in the museum is invited to attend.

SUSAN COLEMAN, who specializes in modern gospel music, sings at the annual Dimmitt Lions Club Installation Banquet and Ladies' Night last Thursday night at K-Bob's Steak House. A crowd of 60 Lions, wives and guests enjoyed her music.

Social Security in Castro County

By JANICE GRANN

If you receive Supplemental Security Income (SSI), today's column will be of interest to you. You will soon receive, if you haven't already, a special authorization form in the mail. This is a request for your consent to allow Social Security to obtain tax information from the Internal Revenue Service.

The law requires us to verify the income and resources reported by people who get SSI. One way of doing this is to compare our records with IRS records. The IRS records will tell us how much income you received other than wages. The amount of income listed on the IRS records will also give us an idea of the value of your resources.

The only information this authorization will allow IRS to give Social Security is from informational returns. These are returns filed with IRS by banks or any other organization that has paid you income. For example, banks report any interest you may earn. Dividends, winnings from gambling, farm subsidies and unemployment compensation are also reported on these informational returns. This authorization will not allow IRS to give Social Security copies of your tax returns — only the reports of income paid to you by others.

Any time a person receives SSI benefits, income and resources are subject to verification. The income and resources of other members of the household are also subject to verification in many cases. For example, income of parents is considered when determining the amount payable to a child on SSI. Consequently, you may receive an authorization if someone else

View from the library

By BRICK AUTRY

Wednesdays — Story hour for ages 3 to 5 at 10 a.m.

Thursdays — Films, books and things in Hart Elementary School.

Fridays — 3:30 p. m. story for ages 6 and up, 4 p.m. films.

Rhoads Library started a summer program in Hart last week. You should have seen it. The plans for taking a library operation require a small battery of delivery men. First is the list, and like any good list, starts with the last thing first so that nothing is left behind.

The big difficulty with this is that the last things first don't always fit in a Ford Fiesta last things first. It's like putting a family of twelve on the road for a week. Alas, the big book-drop box didn't fit no matter all the cramming we did.

"Why don't we put it in the driver's seat?" came the question.

"Yeah," said the other. "Who needs the driver?"

Finally the packed car drove off on Highway 194.

"What happens if nobody shows up down in Hart? Does that mean we'll be unpacking the car and going through all this again just for nothing?" Silence.

Luckily, someone came and all the unpacking was not in vain.

The Library Program in Hart will be conducted through the summer at the Hart Elementary School on Thursday afternoons. Call the library at 647-3532 for detailed information.

Tomorrow's film in Dimmitt, at 4 p.m., is about oil fields and other exciting things.

Also tomorrow, the library will present a serial to be read chapter by chapter. The serial will introduce the films. Contrary to some wild rumor, however, no cereal will be presented with the serial.

Come again?

German Festival is one of the best ever

The 10th Annual German Sausage Festival was a huge success.

Over 1,000 people were served at the meal. Of the 1,700 pounds of sausage made for the day, 600 pounds were used for the meal. The remaining sausage was sold before 8:30 p.m. The Fest workers said this was the first time they had a one-day sell-out of sausage.

The Arts and Crafts Show and Sale had 20 exhibits set up in the high school cafeteria. The exhibits featured oil and water paintings, crocheted items, wooden crafts, pottery, ceramics, handmade stuffed dolls and cosmetics. More than 500 reportedly attended the show.

The fiddlers' contest and the concert drew a crowd early in the afternoon. The winners of the fiddlers' contest were Paul Melton of Plainview, first; Glen Nelson of Hereford, second and Melodi Moore of Hereford, third.

A contributing factor to the success of the festival was the performance of the Texas Tech German Dancers. Their dances added a special touch.

The accumulated proceeds marked this year's festival as one of the best ever, and the profits will go to the Community Hall.

LARRY'S CHEVROLET-PONTIAC, INC.

4,860 to choose from.

6,525 to choose from.

No, they're not on our lot. But that's how many are listed this week in the unique Chevrolet Locator Service, as being in stock now at Chevrolet dealers throughout the Oklahoma City district.

And that doesn't include the Pontiacs and other General Motors vehicles available.

We can get any one of them for you.

As part of the General Motors Dealer Locator System, Larry's Chevrolet-Pontiac, Inc., has access to every vehicle in every dealer's inventory in the vast Oklahoma City district.

Through a weekly computerized print-out, we have a complete description of every vehicle — color, body style, trim, optional features — at 180 other dealerships in the Southwest.

So if you don't see what you want in our present inventory, don't go and look anywhere else. We already know what you'll see everywhere else. Whatever vehicle you're looking for, we can locate it immediately and get it for you.

In these days of widely varied models and high interest rates, it makes sense for us to utilize this service.

It makes sense for you, too.

Just tell us what you want, and give us a minute.

Insects of interest
Mosquito fight is on

By ALLEN KNUTSON
Extension Agent —
Entomology

The city of Dimmitt continues to wage war against that menace of man — the mosquito. A fierce house to house battle has been conducted by dedicated mobile units that daily sweep through the city, pursuing the enemy into backyards and alleys.

However, this valiant effort has been hampered by ever-present brisk winds that limit the range and killing power of the chemical arsenal available to the troops.

Also, rains and cloudy weather have benefited the mosquito horde, encouraging reproduction of larvae in lakes, ditches and other standing water. Thus, city residents have hastily retreated from outdoor evening activities, often to find their homes infiltrated by a blood-thirsty squadron.

This insect assault is not only a nuisance, but also a potential health hazard. The female mosquito, known for her painful bite and the subsequent swelling and itching, also practices germ warfare. Mosquitoes can transmit encephalitis to man and carry the tiny nematode that infects dogs with heartworm.

Victory in the mosquito conflict requires a cooperative effort by local government and individual residents. Mosquitoes can lay eggs wherever standing water is available for a week or longer. Citizens can help by draining old tires, cans, rain gutters, bird baths, or other sources of water. Water in lakes, ditches, and low areas can be treated with a larvicide.

During the day, adult mosquitoes encamp in tall grasses, weeds, shrubbery and around buildings. Keeping grass mowed and destroying weeds will eliminate these hideouts. Other resting areas can be treated with a residual insecticide spray applied to vegetation, eaves of roofs, under porches and other shaded areas. Malathion, Dibrom, methoxychlor or Dursban will provide good but temporary control.

Indoors, aerosol bombs containing pyrethroids provide short-lived but quick knock-down. The "pest-strip" offers effective indoor control for a longer time.

Light traps are quite popular in some communities for adult mosquito control. Unfortunately, there is no data to support their utility for mosquito control. Extension entomologists report quite the contrary. They say these light traps can actually draw more mosquitoes in from surrounding areas and increase the problem rather than alleviate it.

A successful aerial attack was mounted this week after being delayed by wind, rain and low temperatures during the weekend. Hopefully, the invasion will soon be brought under control, and peace will prevail in Dimmitt.

Police calls

Local officers arrested 12 men this week on charges of driving while intoxicated, public intoxication, theft, contempt of court, disorderly conduct and burglary of a residence.

One man was arrested on a writ of attachment for a civil action in Lamb County. He had failed to pay child support.

Another man was arrested on a warrant for pre-trial confinement.

A wheelbarrow was reportedly taken from a residence on West Bedford about two weeks ago. Another theft was an 8-track FM stereo tape player and two speakers from a motorcycle on East Jones in a used car lot.

Multiple charges of driving while intoxicated, evading, driving without a driver's license and no proof of insurance were filed against one man.

The back windshield of a Ford was shot out Friday while the vehicle was parked at a residence on Pine.

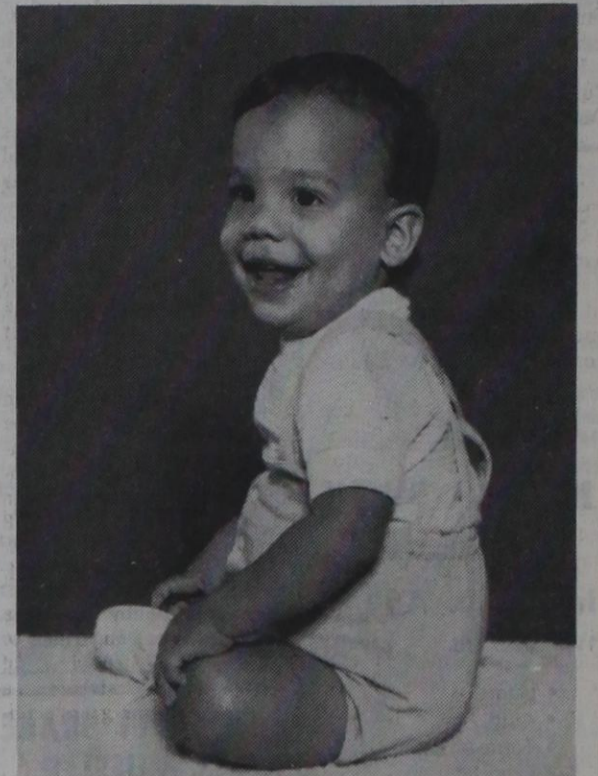

Monday, someone slashed two tires on a 1978 Monte Carlo while it was parked behind Parson's Rexall Drug.

Tuesday morning, William Paul Dannevik was issued a citation for failure to yield right of way. Driving his 1980 Ford pickup, Dannevik stopped at a stop sign on Front Street before proceeding across. He failed to see a 1972 Chevrolet pickup, driven by Manuel Lopez Ortiz, traveling east on Jones. Dannevik pulled out in front of Ortiz.

At 5:05 p.m. Sunday, Douglas Wayne Garibaldi, driving a 1974 Chevrolet pickup, was

northbound on Broadway and made a left turn in front of Donya Louise Tuttle, driving a 1979 Ford Fairmont. Miss Tuttle was southbound on Broadway and was unable to stop before hitting the pickup. Garibaldi was issued a citation for failure to yield right of way.

Obituaries

Harold Weir

Services for Harold Weir, 82, of Muleshoe were held at 3 p.m. Monday in the First United Methodist Church of Amarillo with the Rev. Bill Kidd, pastor, officiating.

Burial was in the Bailey County Memorial Park under direction of Ellis Funeral Home.

Weir died at 10:45 p.m. Saturday at West Plains Medical Center in Amarillo after a lengthy illness.

He was born March 21, 1900, in Baird, Iowa. He married Virginia Morgan Jan. 23, 1925, in Shamrock. He and his wife lived in Big Square from 1925 to 1927. Then they moved to Muleshoe.

He was the retired tax assessor-collector for Bailey County, the Worshipful Master of the Muleshoe Masonic Lodge, a charter member of the Lions Club and a member of the First United Methodist Church.

Survivors include his wife; and two sisters, Mrs. L. V. Hennington of Hereford and Mrs. Maude Turnbow of Los Angeles, Calif.

GRAVY dishes and pans will come clean easier if you add a few drops of ammonia to the water.

R. W. 'Bob' McCaskill

Services for R. W. "Bob" McCaskill, 79, of Earth, were held at 3 p.m. Monday in Earth United Methodist Church with Rev. Royce Womack, a Methodist pastor from Pampa, and Rev. Jimmy Nunn, pastor, officiating.

Masonic graveside services were held in Earth Memorial Cemetery, and burial was under direction of Parsons-Ellis Funeral Home.

Mr. McCaskill lived at South Hills Manor of Dimmitt for one week before he became ill. He died Saturday at Plains Memorial Hospital.

He was born in Simpson County, Miss. He moved to Earth in 1929 from Mendenhall, Miss. He was a Methodist and a member of the Earth Masonic Lodge for 48 years. He was also a U.S. Army veteran of World War I.

Survivors include a daughter, Mrs. Doug Lewis of Earth; a son, Richard E. of Waco; seven sisters; a brother; and four grandchildren.

The family requested that memorials be to the Emergency Medical Technicians in Earth.

More about Protest...

[Continued from Page 1]

the board has given all the answers it is going to give regarding the resignation of the chief.

"You can read it in last week's paper," Fleming said. He added that other questions in Broadstreet's letter requesting statistical information would be answered by City Manager Paul Catoe as soon as he has time to look up the answers.

After progressing on to another matter, the board was brought abruptly back to the subject of the chief's resignation by questions posed by local citizens John and Doris Wait.

"Why didn't you answer his (Broadstreet's) questions?" Mrs. Wait demanded. "Don't you think it would be better to give answers than to act like it's nothing?"

Fleming repeated that the board has no further statements to make concerning the chief's resignation.

"If the chief was supposed to report to Catoe, why didn't Catoe know anything about it until Mitchell handed in his resignation?" Mrs. Wait asked.

Catoe replied that the possibility of asking the chief to resign had been discussed during previous executive sessions of the board.

"Well, it sounds like a cover-up to me," Mrs. Wait said.

"We spent many a long hour in executive sessions trying to find a solution to what we saw as problems in the police department and feel we did the best we could," said Alderwoman Ann Armstrong.

"What are you going to do about those 192 signatures?" Wait asked, referring to the petition asking for Mitchell's reinstatement.

"Nothing will be done about them," Fleming replied. "What do you want us to do with them? I could easily gather enough signatures to hang you or anyone. If you lay down a petition, there's always someone who'll sign it."

"We have no malice toward Mitchell or anyone else and are not trying to hide anything, but we just don't think it would be helpful to go into more details," Alderman Wayne Collins said.

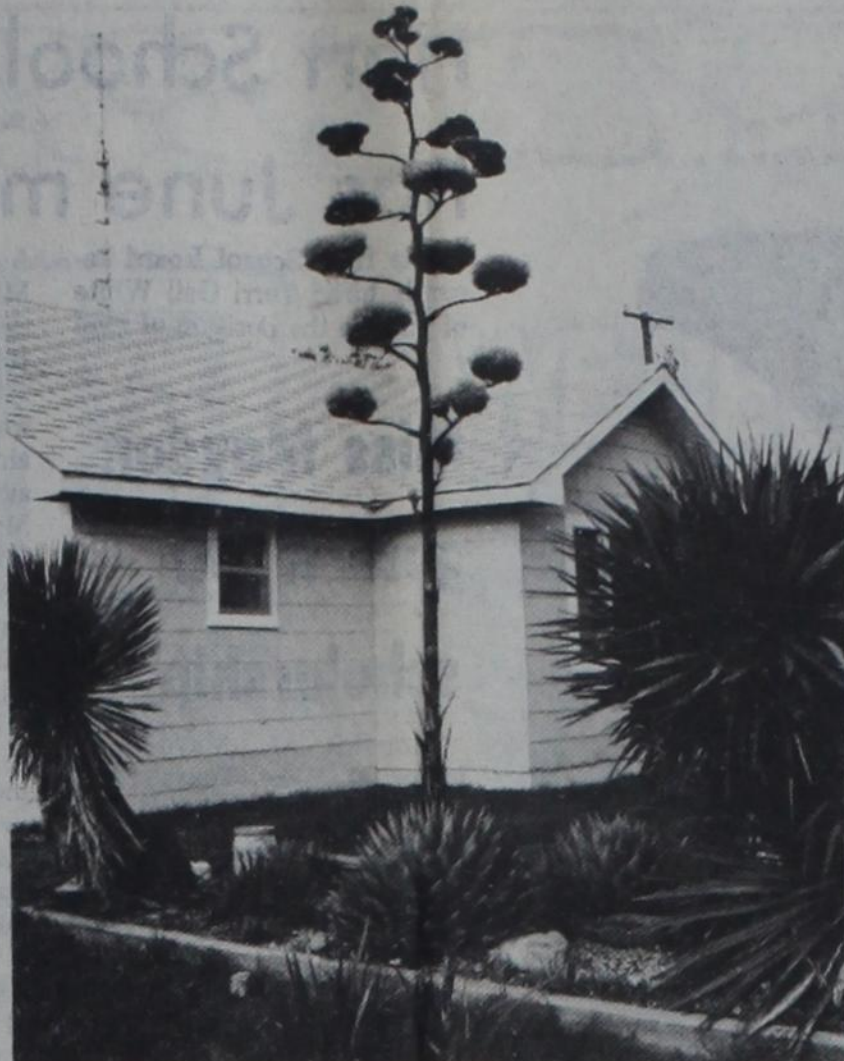

Cheryl Pybus defended the aldermen, saying, "We have elected these people to do a job, and we should give them credit for doing their best to do what they think is right, whether we personally agree or not. We need to abide by their decisions and support them."

Wait concluded by telling the board, "Thanks for your time and no answers."

WORTH WAITING FOR—The Maguey or Century Plant in front of the home of Bob and Wanda Murdock at 607 Belsher St. is in full bloom. The Murdocks acquired the plant seven years ago in Carlsbad and transplanted it where it now stands. It is estimated that a Century Plant blooms about every 20 years.

YOUR CITY AT WORK

By PAUL CATOE
City Manager

The City's Code of Ordinances was compiled and codified by the Panhandle Regional Planning Commission in 1977. This book has always been available for public review at City Hall, however, because of a special request, I have placed a copy of the code book at the Rhoads Memorial Library for city residents to review at their own leisure. I would also like to encourage city residents who might have questions about the code to contact me or a member of our administrative staff. I can assure you that we will make every effort to provide accurate information to the public.

Information contained within the code book is sometimes easily misunderstood and many residents are not even aware of its contents. In an effort to better inform the public, I will be explaining the various sections of our city code in future articles which will appear in the Castro County News. I would also like to invite the public to contact me in regard to any

specific sections of the City's code which might require special attention and I hope that these articles will provide a better understanding of your city at work.

Employee Highlights
Our Director of Public Works, James Killough, recently traveled to Austin to take a test for his plumbing certificate. I am happy to report that he has been notified by the Texas State Board of Plumbing Inspectors, that he has passed his plumbing examination and that he has also been awarded a certificate which will allow him to do all of the city's plumbing inspections. He has also recently received his Class D water license from the state of Texas. He is now working towards his Class C license which he hopes to have in approximately nine months.

Rotary elects new directors

The Rotarians elected new directors and chose a new sweetheart Friday.

New directors will be David Schaeffer, club service; Jack Thompson, community service; Ed Freeman, international service; and Bob West, vocational service.

Krystal Scott will replace Tammy Stanford as the organization's sweetheart.

Four members planned to attend the Rotary District Assembly last Saturday. They were Ed Freeman, Doug Pybus, Danny Rice and Joe Bob Sanders.

Those attending the regular meeting last week viewed a film concerning back injuries and ways to prevent them. Leonard Ring, M.Sc. (ergonomics), M.C.S.P., stressed the importance of "bending your knees when you lift."

Ring said that 18 percent of the world's population has back problems at sometime. It is a universal problem caused mostly by improper bending and stretching, he added.

Rotarians will have Ladies' Day at Friday's meeting. New officers and directors will be installed July 2.

WATER heated in a covered pan or tea kettle comes to a boil more rapidly and requires less energy than boiling water in an uncovered pan.

FIDDLER AND GUITARISTS 'WING IT' ... During Nazareth German Folk Festival Saturday

Nazareth

Festival is big success

By VIRGIE GERBER
The annual German Folk Festival was a great success again this year, thanks to our people who worked and the people from surrounding areas who came and had a good time.

Blue Grass Outdoor Concert, the Arts and Craft Show, a softball game and lots of good sausage added up to a great day. A thousand or more enjoyed the sausage supper and then danced to the music of the Rough Riders Band in the Community Hall.

The Dennis Heiman family hosted a cookout Sunday evening enjoyed by Meta Stork, Florene Leinen, the Albert Gerber families, Virgil and Vi Pohlmeier of Tulia, Brian and Peggy Pohlmeier of Muleshoe, James and Maureen Self and family of Hereford, Donna Charanza and sons of Canyon and the LeRoy Pohlmeier families.

summer, came home with the Gene Gerbers and visited her parents, the LeRoy Pohlmeiers.

Congratulations to Charley Hill, who received an Administrator's Award for Service to Agriculture in Austin.

Father Stanley enjoyed a family reunion at Glencove, Long Island, during his recent vacation in New Jersey. He enjoyed movies of all the family marriages and he also baptized a nephew who was named for him, Louis Stanley Grasso.

Mrs. Fonsa Huseman is a patient in Northwest Texas Hospital in Amarillo where she is to have knee surgery Tuesday. We hope she recovers quickly.

David Vercamp is a patient in St. Anthony's Hospital in Amarillo. He had surgery last Thursday but is doing fine.

Cornelia Annen is being treated for a heart attack at Plains Memorial Hospital in Dimmitt. She was doing fine but suffered another attack Monday and is back in intensive care.

Fritz and Julene Gerber hosted a Fathers Day cookout Sunday. Those enjoying the day were Father Stanley, Tony and Mary Gerber, Walter and Easy Schulte, the Jerome Gerber family of Tatum, N.M., the Norbert Gerber family of Woodward, Okla., the Dennis Gerber family of Hereford, the Ronnie Hoelting family, the Vincent Gerber family and the Dennis Heiman family.

Ted Huseman of Levelland has been employed by Coors of Amarillo. Ted and Deanna will be moving their mobile home from Levelland to Amarillo as soon as possible.

The family of Virgie Gerber hosted a surprise birthday party Friday evening at the Charley Hill home. From out of town were Gene, Susie, Natalie, Jenny and Harold Gerber of Odessa, Donna Charanza, and sons Kris and Bryan from Canyon.

Lisa Pohlmeier, who is working in Odessa during the

Hart School Board has June meeting

The Hart School Board recently hired Terri Gail White of Tulia in the position of Plan

A early childhood teacher and Mrs. Kay Gfeller as Plan A resource room teacher for the 1982-83 school year.

The teacher aides assigned were Lula Mae Hanes, library aide and Cindy Davia, P. E. aide. Other aides hired were Mary Reyna, Marsha George, Rosa Perez, Betty Griswold, Betty Montiel, Bev Garza, Angelita Morales, Mary Malone, Barbara Diaz and Gloria Diaz.

The Board agreed to have the school board's policy manual updated. The track project and other school improvements were also approved to be completed during the summer.

Results of the annual Texas Assessment of Basic Skills (TABS) tests taken by all third, fifth and ninth graders and some tenth grade students were presented to the Board at the meeting. Individual student results will be released only to the student, parents and school personnel directly involved with the results.

The TABS tests cover the three basic areas of reading, writing and arithmetic and point out strengths and weaknesses in these areas.

Miss Maydon gets WTSU scholarship

Mondica M. Maydon, a junior at West Texas State University from Dimmitt, has been awarded a WTSU Student Foundation scholarship for the 1982-83 academic year.

Maydon, who is majoring in speech and hearing therapy, received the \$200 scholarship through the Department of Speech and Theatre.

Of the 1981 total, the WTSU Student Foundation set aside \$7,600 to award WTSU Student Foundation Honor Scholarships to students from community or junior colleges who are members of Phi Theta Kappa honor society, and \$16,300 to be given as WTSU Student Foundation Scholarships in 25 academic areas.

Wests place in trapshoots

Todd West, 12-year-old Dimmitt trapshooter, tied for Open Trophy honors in the State Handicap Champion-

ships held recently in Amarillo.

West tied with a Wichita Falls youth with a score of 88/100, but lost a 25-round shootoff by two birds, firing a 21/25. He finished third among all sub-junior shooters (under 15) in the championship shoot, behind the winners of the Championship Trophy and Open Trophy.

West earlier had won the sub-junior championship at the South Plains Gun Club shoot at Lubbock with a 79/100.

His father, Lynn, tied for second of 114 shooters in the recent Panhandle Championship trap shoot held by the Amarillo Gun Club. West won a belt buckle by hitting 94/100 in short-yardage competition, the best score in the match at that range.

FRONT LINERS—Dimmitt High School students attending the Big Country Front Line Camp for baton twirlers and drum majors recently were [left to right] Kelli Small, Becky Benton, Stacie Jackson, Julie Reeve and Kyla Booser, all twirlers, and

Denise Behrends, drum major. Also attending but not pictured was Shelly Frye, drum major. The five-day clinic was held on the campus of Hardin-Simmons University in Abilene.

CHICKEN remains a bargain at the supermarket. It costs only about 10 cents a pound more than it did in 1954.

OFFICE IN
DEAF SMITH COUNTY HOSPITAL

Education program for infants to begin here

This community is about to join others in a nine-county area which receive the services of a homebound teacher provided by Central Plains Mental Health Mental Retardation Center for children from birth to three years of age.

Central Plains MHMR recently received additional grant money for its Rural Infant Education Program (RIEP) and is able to reach new towns in the region it serves including Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Motley, Parmer and Swisher Counties. The grant money is available through Senate Bill 630 for Early Childhood Intervention.

The children who are the special concern of the RIEP are those who need education and habilitation because they are physically or mentally handicapped or because they are high risk infants. They must be in the age range of newborn to three years of age and live in one of the nine counties served to receive help.

The program itself is geared to teach parents and

their children in the following areas: daily living skills (such as dressing, feeding and toilet training); gross motor skills (physical abilities, like sitting alone, crawling, walking, etc.); fine motor skills (grasping and releasing objects, use of small muscles to manipulate objects); language (beginning with the development of cooing and babbling and learning to speak in sentences); cognitive skills (developing thinking skills and problem-solving skills); sensory training (training in developing the five senses); and many other areas, according to the child's needs.

Miss Desiree Isom, the homebound teacher who will serve this area, explained the services also include a trans-disciplinary assessment by a team of professionals working with the parents. She said the team includes a speech pathologist, physical and occupational therapists, a physician, a social worker, a psychologist and an education specialist.

In explaining the focus of the program, Miss Isom said a high risk infant was one "born as a result of a problem or high risk pregnancy." Often the mother is under 17 years of age or over 35.

"Sometimes, too there are problems with diabetes or high blood pressure in the mother, or a family history of inherited disorders. In some instances," the teacher continued, "there might have been a structural problem in the mother's pelvis, or the mother might have been very underweight or overweight." "Sometimes a mother and child do not have the same RH blood factor and there are severe problems at birth. Then, of course, there are infections, addiction or consumption of drugs, a history of previous miscarriages or stillbirths or unwanted pregnancies — all of these are high risk factors," she added.

Those are some of the problems in a pregnancy that may bring a child to RIEP. Others are present at the birth itself.

"If a child is premature or has a very low birthweight," continued Miss Isom, "there may be a slower than normal maturing process. We can help to stimulate the child to

achieve his or her best. Sometimes, at birth, a child doesn't breathe at once and the deficiency of oxygen can injure him. Other conditions include breech births, the unusually large size of an infant or even an extremely long labor. Cesarean sections often mean some complications in the health of the infant."

She also said that, during the first four weeks of life, a child may become one designated "high risk" because of serum bilirubin over 20 mg/100 ml or an exchange transfusion, a toxic mother, maternal diabetes, sucking or swallowing difficulties, failure to thrive, convulsions, cyanotic attacks or severe apneic spells (babies sometimes "forget" to breathe), PKU, abnormal neurological signs and severe illnesses and injuries.

The teacher noted that during the postnatal period, a single parent or a very young mother (under 17 years of age) may have special problems with a newborn. Additionally, the premature child or a sick newborn who

has had a long hospital stay, a child from a large family or from low socio-economic class, or one who suffers from physical or emotional abuse — all may benefit from the specialized educational techniques offered by the program.

"Sometimes neighbors or relatives see poor mother-child interaction, know of a history of psychiatric illness in one or both parents or see a child with injuries or severe illnesses. Sometimes they just note the peculiar appearance of a child and think, 'Isn't that too bad. I wish there was something I could do,'" Miss Isom said. "That's why the Rural Infant Education Program was begun. We can come and help families get adequate medical care or counseling and training for that very special child who is important to all of us."

Miss Isom urges anyone interested in the program to contact the mental health office in Dimmitt at 647-2409 or write to RIEP at 214 W. 11th Street, Plainview, TX 79072.

did you know?

At Southwestern Public Service Company, we keep our customers in mind when selecting the type of fuel to use in our electric generating stations. That is why we chose coal as the fuel for our newest power plants. Coal meets the tests of availability, technical and economical feasibility, reliability, environmental standards, and is in line with national energy policies.

Morris Rantz, Fuel Administration Manager, Amarillo.

The economy affects utility companies just as it does all of us. Despite their regulated status, utilities still face the problems of inflation, high interest rates, and soaring fuel costs. And regulation does not guarantee that a company will make a profit. Instead, regulators establish a "ceiling" or maximum amount of profit which a utility may make, a profit level which few utilities are able to reach because of the expenses involved in providing reliable electric service.

Jo Barnes, Chief Clerk, Levelland.

Using major electric appliances during "off-peak" hours can help keep down the cost of electric service. Certain times of day, usually between 5 p.m. and 7 p.m., are "peak" hours, when SPS' full generating capacity must be used to meet customer demands. Using your appliances during "off-peak" hours can help balance the load on these facilities and allow SPS to deliver your electricity in the most economical way.

Connie Moyers, Consumer Services Representative, Clovis.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.

60 youths attend rally here

By **TEENY BOWDEN**
The Llanos Altos Association Youth Rally met at the church Saturday night for their monthly meeting. Approximately 60 attended with several churches represented. The Uppitts had charge of the program with Cliff and Naomi Brown, Lee and Gale Brown, John and Daniel Clymer, and Melody Sadler participating. Mrs. Richard Clymer and Mrs. Gale Sadler served cookies, punch and coffee after the program to those attending. Karen Jones of Plainview was one of the

visitors. She kept the twins during the Uppitt performance. Visiting churches were Amherst, who brought the special music, First Baptist of Littlefield and Dimmitt, Fieldton, Enos. Tracy Hatla was also a visitor.

The Billy Graham film "The Living Word" was shown during the Sunday night worship hour. The film traces God's most precious promise - life everlasting with Him - from the moment He first breathed life into man, to the moment when His Son, Jesus Christ, broke the power of death with His resurrection. The story was told with the scenes of Palestine, and all kinds of art to emphasize the story.

All fathers were recognized in the Sunday morning services. Johnny Saenz was the youngest father present, Noah Spencer, the oldest present. The pastor brought a Father's Day message. Mr. and Mrs. Olvis Spencer, Blake and Lisa were visitors in the Sunday morning services. They live in Rock Hill, S.C.

Eric Davis and Erin Bridges reached Pluto this week and will splash down soon. Others making advances in the library summer reading program included James Davis to Neptune; Lupe and Juana Yanez and Ignacio Mendoza to Uranus; Lolita Mendoza, Miguel and Angel Yanez and Patricia Lewis to Saturn; Cecelia Yanez, Melissa Jurado, and Lenardo Mendoza to Jupiter. Those moving to Venus and Mercury were Deakon Carson, Froilan Mendoza, Richard Jurado, Samantha Wilson, Justin Bradley, and Sophia Lucio. Those reaching Mars were Gabriel Rodriguez, Lewis Jurado, and Jack Bradley. Eloy Saenz got on the launch pad.

A trace of rain was received Thursday afternoon, .90 of an inch Friday night, .35 of an

inch Saturday night and .60 of an inch Sunday night. Some hail fell, but no severe damage caused.

Blake Michael Byers of Earth, nephew of Ricky Byers, died suddenly Tuesday morning in the ambulance on the way to the hospital. He was 16 months old. Funeral services were held Thursday morning in the First Baptist Church in Earth with burial in the Littlefield Memorial Gardens. Mr. and Mrs. Lee Bradley and Ardis Conner attended.

Mrs. Cecil Curtis and Mrs. Don Curtis, Cynthia and Kristi, visited in Hale Center Tuesday with their mother, grandmother, and great-grandmother, Mrs. E. M. Stephens. They were involved in a two-vehicle accident on the way home when a pickup pulling a trailer loaded with seed plowed into the back of their van while they were stopped at a stop sign. No one was injured, and the damage was not extensive.

Mrs. David Sadler and Melody and Karla of Hobbs arrived Friday to spend the weekend with relatives. Melody stayed to prepare for the Uppitt mission trip to Oklahoma June 28 through July 3. She will be a guest of Mr. and Mrs. Cliff Brown.

Mr. and Mrs. Cliff Brown, Mr. and Mrs. Lee Brown, Jared and Jason and Melody Sadler spent the afternoon and evening in Lubbock Sunday with Mrs. E. R. Brown.

Mr. and Mrs. Olvis Spencer, Blake and Lisa of Rock Hill, S.C. arrived Friday to spend the weekend with Mr. and Mrs. Noah Spencer, and Mrs. John Spencer. The Noah and Olvis Spencers attended the production of "Texas" in Palo Duro Canyon Friday night. One of Marty's cousins, Randy Snow from Perryton, is part of the cast and she got to visit with him after the production.

Mr. and Mrs. Clyde Akers of Lubbock spent the weekend with Mrs. John Spencer. Mr. and Mrs. Noah Spencer and Mr. and Mrs. Olvis Spencer, Blake and Lisa visited with them and Mrs. Spencer during the weekend and Mr. and Mrs. Carmon Pigg and Vanessa visited with all Sunday afternoon.

The Noah Spencers learned Sunday that their son-in-law, Jerry Cox, will undergo back surgery in High Plains Baptist Hospital in Amarillo this coming week. He has been undergoing tests this week.

Mr. and Mrs. Greg Harmon of Lubbock attended the Sunday night church services and had supper with Gale and Verna Sadler after church.

The first load of wheat was received at Sunnyside Grain and Supply Tuesday. It was brought in by J. C. Holbrooks and tested 13 1/2 moisture and had a 58-lb. test weight.

Mrs. W. E. Loudder was dismissed from Plains Memorial Hospital to South Hills Manor Tuesday morning and continues to progress satisfactorily.

Mr. and Mrs. Gale Sadler attended the morning garden

wedding of Sandra Grisby and David Sell of Booker in Lubbock last Saturday. Sandra is the sister of Susan Lefevere of Brownfield, a former resident of the community.

Mr. and Mrs. James Powell and Cheryl of Canadian spent Saturday night and Sunday with Mr. and Mrs. Ezell Sadler. Cheryl stayed. They [Continued on Page 15]

City sales drop in Castro County

State Comptroller Bob Bullock recently sent checks totaling \$35.5 million to 966 Texas cities as their share of the one-percent city sales tax for June.

"These monthly rebates are keeping ahead of last year's payments," Bullock said. "With 1982 half over, they are nearly 14 percent higher than the amount we had paid by this time last year."

Amarillo received a check for \$406,000, up more than 11 percent from last year's payment.

Lubbock's \$517,000 payment is up nearly 10 percent over last year.

The city and MTA sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are

collected by the Comptroller. Dimmitt received the largest check in Castro County at \$7,569, down .91 percent from last year. Nazareth received \$962, down 2.63 percent. Hart's check amounted to \$586, down 5.36 percent.

Surrounding cities and their totals were Friona with \$3,701, up 13 percent; Hereford with \$19,719, down .44 percent; Littlefield with \$10,046, down 5.95 percent; Muleshoe with \$8,108, up 2.91 percent; Olton with \$974, down 4.78 percent; Plainview with \$36,070, up 3.1 percent; Sudan with \$546, up 3.6 percent; and Tulia with \$5,572, down 6.82 percent.

"LET a smile be your umbrella, and you'll get a mouthful of rain."

BOY SCOUTS NEED YOU!—Four of the men most vitally interested in the current Boy Scout Sustaining Membership Enrollment in Dimmitt show the pledge cards which have been sent out and the plaques available for sizable donations to sustaining members. From left are Chet Braafladt, co-chairman, holding pledge cards; Joe Josselet, co-chairman, holding a Leadership plaque available to anyone donating \$250;

Assistant Scoutmaster Dick Schacher with a Patron plaque for any individual donating \$500; and Scoutmaster Roger Malone, holding a Guardian plaque, which designates a \$1,000 contribution. During the past year, 95 Dimmitt boys have taken part in Boy Scouts, Braafladt said. Goal of the fund drive is \$6,800 to finance Dimmitt's "fair share" of the program cost.

FARMERS investing in soil and water conservation now get additional tax incentives. Producers receiving payments made for approved conservation practices can now exclude these, under certain conditions, from their gross income for federal tax purposes.

ROBERT WATSON of Ireland packs his cowboy boots and other American keepsakes for his trip home after spending the 1981-82 school year in Dimmitt as a member of the Fred

Bruegel Jr. family. He is holding his new Canon AE-1 camera, a gift from school friends.

'Slan mo chara'

By ROBERT WATSON

Dhia duit. [Hi!] —

I am soon to leave for home and I wanted to say a few words to express my gratitude for a wonderful year and to bid you all farewell.

Arriving in Amarillo to meet the Bruegels was the most terrifying experience of my life. I was ready to call the whole thing off rather than get off the plane to meet a family of strangers who I was sure were going to hate me. Well, something told me there was no turning back. My mother would have been awfully disappointed to see me arrive back on the doorstep. She thought she had got rid of me for a year!

It is funny to think I was so nervous. The Bruegels made me feel right at home from the beginning. They really are a wonderful family, and I couldn't have wished for better. They really did treat me just like one of the family which is very important. Granted, we had our differences in opinion, but the occasional argument only made me feel more at home. I love the Bruegels almost as much as I do my own family, and I will miss them terribly when I go home.

I am very glad I came to Dimmitt rather than a large city. Sure, there are disadvantages with a small town, but in this case they are outweighed by the advantages. Dimmitt is a very close community. Everyone is friendly and kind, and there is an atmosphere you just don't get in big cities.

I think my favorite pastime has been country and western dancing. This was new to me but as soon as I learned, I really did enjoy it, and I was always impatient for the next dance.

Another new experience was going downtown and

driving around. I'm used to paying \$5 a gallon for gas. At home, we don't use the car unless it's absolutely necessary, so this seemed to be a rather strange way to spend both time and money. Needless to say, I got used to it pretty quickly.

My senior year has been fantastic. The fact that the school is so small and everyone is so friendly and outgoing meant that I got to know a large number of the students. The other kids really have been great to me, and I made many close friends. Both the students and the faculty have helped make this a very special school year.

One of the highlights of the year was being able to show pigs. This was something very new to me, and I enjoyed every minute of it.

I am very anxious to see my parents and family again, but on the other hand, I don't want to leave here.

I will miss Dimmitt a lot. It's strange, but I don't feel like a foreign exchange student. I feel a part of this community, and it seems unnatural that I should leave.

I plan to return to Dimmitt as soon as is possible, but meanwhile I shall be thinking of you all.

I want to thank you all for helping to make this an experience that will stay with me for the rest of my life. You have all been very kind, warm and generous, and I thank you.

I will never forget you.

Slan mo chara
(Goodbye, my friends)

Robert Watson

Tobby Tischler going to Norway

Tobby Tischler, 16, will leave Saturday for Norway to spend two months as an AFS Summer Program exchange student.

She will live with the family of Arne Johan Brekke in Hovik, near Oslo — within an hour's drive of where some of her relatives live.

She and her parents, Delton and Sue Tischler, were notified of her host-family assignment Friday by the AFS International office in New York.

Miss Tischler, a Dimmitt High School junior, will leave Amarillo airport at 7:03 a.m. Saturday and arrive in New York, N.Y., about 1 p.m. She will undergo a day or two of orientation at C. W. Post College on Long Island, then will board a Finnair plane in New York for her flight to Oslo.

Expressing her mixed feelings about heading for the other side of the world, Miss Tischler said, "I can't wait to go, but at the same time I'm kinda getting cold feet."

Although she'll be a seasoned air traveler by the time she gets back home in August, Saturday's plane flight "will be my first one, so I'm kinda wondering about this," she admitted. "I'd rather be on a boat than a plane."

There were also some anxious times for Miss Tischler before she got her final placement assignment Friday. She had applied for the AFS Summer Program last October, and was notified in February her placement was guaranteed. In April, she received a letter from AFS International notifying her that she would go to Norway.

Then she and her family waited two months for notification of her host family. The AFS International office telephoned the Tischlers Friday after receiving word of her host family assignment via cable from AFS coordinators in Norway.

Meanwhile, she had already bought her tickets

for her June 26 flight to New York — on Braniff Airlines. That caused some anxiety, too, when Braniff suddenly declared bankruptcy. But the travel service that books the domestic flights into New York for AFS students was able to trade the Braniff tickets for American Airlines tickets, and AFS made up the difference in price.

When she arrives in Oslo, Miss Tischler will undergo another orientation before being picked up by her host family.

Her Norwegian father, Arne Johan Brekke, is an executive secretary, and his wife, Aagot, is a librarian. The Brekkes have two sons who are 23 and 16, and two daughters who are 21 and 17.

Hovik is near Oslo. It's also near Ski, where some of Miss Tischler's relatives live. One of her great-grandfathers, Martin Rohne, came to the US from Norway as a youth and settled near Waco. He and his daughter (Miss Tischler's maternal grandmother) corresponded for many years with their relatives at Ski, and Miss Tischler hopes to meet some of them during her two-month stay in Norway.

"If I'm too far away to see them, I'm going to at least call them," she said.

She's taking with her a set of slides of her family, her home at Flagg, and scenes in this area. She's been shooting pictures for the slide presentation since last fall. She also is preparing a talk on the lifestyle, economy and statistics of this area.

She will return home Aug. 27 to begin her junior year in Dimmitt High School.

Miss Tischler is the third Dimmitt youth to go abroad as an AFS exchange student. Annita Parker was the first, spending the summer of 1976 in Colombia. The second was David Nelson, who spent the 1979-80 school year in France.

New AFS students coming from Switzerland and South Africa

Dimmitt will host two girls through the American Field Service program during the 1982-83 school year.

Kim Vercueil of South Africa will be here by Aug. 1. She will live with the family of Robert and Martie Benton. Her American family will include Ben, a freshman, and Becky, a junior. The Bentons have a daughter, Beth, who will be attending Angelo State University this year.

Isabelle Progin of Switzerland will arrive sometime between Aug. 11 and 18. She will live with Don and LaVon Reeve and their children, Jamie, an eighth grader, and Julie, a junior. The Reeves' son, Jay, will begin studies at Abilene Christian University this fall.

Miss Vercueil is 18. Her father is a managing director for Dowson & Dobson Co., and her mother is a lecturer at a Bible college in their hometown of Honeydew in Transvaal, South Africa. She has two brothers, Graham Rous, 15, and Pierre Mente, 13.

Having graduated from secondary school in December 1981, Miss Vercueil studied English for 12 years. She also studied Afrikaans, Zulu, French and German.

Kim Vercueil

"I am outgoing and enjoy people. I find it easy to open up and express my feelings and ideas," Miss Vercueil said.

Her interests include baking, sewing, horse-riding, sports, music, playing piano and guitar, "the bushveldt and people." She recently won a talent audition to tour South Africa on a gospel singing and witnessing tour.

"Christianity is very important," she said, adding, "We have Christian principles in our home, and this has helped me to form a high set of morals."

Miss Vercueil applied for the AFS student exchange program because "I am interested in other people, their countries and their cultures, and the only way to learn about them is to live with a family in their country."

After her AFS experience, she plans to attend Rosebank Bible College for a year before attending a South African university to study occupational therapy for four years.

"I'd like to work in a school or hospital with people, so that I can help them to cope with their physical and emotional handicaps," she added.

Miss Progin will be 18 years old the week after she arrives here. She lives with her mother, her father and her 10-year-old brother, Stephane, in Geneva, Switzerland.

Her father is the chief supervisor for TV Suisse Romande, and her mother is a homemaker.

She will graduate from secondary school in June, 1984. She studied French for 12 years, German for five years, English for four years and Italian for two years. She said that her command of the English is "only fair." French is her native language.

The wide variety of her interests includes sports, typewriting, photography, modern dance, astronomy, geography, art and cooking. Like most teenage girls, she enjoys music, seeing movies and going shopping.

The AFS program has opened the door for her first overseas trip. In the past, she visited Italy and France every year. She has also been to Yugoslavia.

"I think that it's (AFS) a very profitable and salutary opportunity to go to foreign countries, among different mentalities and customs. It's a fantastic experience, and I consider that such an occasion must be taken at my age, because it's now that I 'really' begin to understand and to know what the world is; its beauties and its horrors," she commented, "even if the result isn't what we expect, I think we must do it."

Isabelle Progin

Watson to be honored with going-away party

A going-away party for Dimmitt's AFS student, Robert Watson, will be held Sunday from 3 to 5 p.m. in the home of Fred and Bobbie Bruegel.

"We want Robert's friends to drop by to tell him goodbye," Mrs. Bruegel said.

The informal gathering will be open to everyone who would like to attend. The Bruegels' home is five miles west of Dimmitt on Highway 86.

YOU ARE ALWAYS....

Lazbuddie vows read

Judy Ann Lust and James Nelson Cooper exchanged wedding vows recently in a formal, double-ring ceremony in the Lazbuddie United Methodist Church. Rev. Kenny Kirk of Post officiated.

The bride is the daughter of Mr. and Mrs. Glenn Lust of Lazbuddie, former Dimmitt residents, and the granddaughter of Mr. and Mrs. Vern Lust of Dimmitt. Parents of the groom are Mr. and Mrs. J. B. Cooper of Matador.

Maid of honor was Gina Elliot of Amarillo, and bridesmaids were Phyllis Payne of Olton and Nancy Cooper, sister of the groom, of Matador. They wore sheer floral print dresses. The bridesmaids carried silk cascade

bouquets of peach, blue and white daisies, forget-me-nots, baby's breath and streamers. Handkerchiefs belonging to the bride's great grandmother and the groom's mother were centered in each bouquet.

Tyla Hinkson of Lazbuddie, cousin of the bride, was the flower girl. Ring bearer was Landon Hinkson of Turkey, also a cousin of the bride.

Ricky Brooks of Welch served as best man. Groomsmen were David Lust, the bride's brother, and Dickie Scott of Clovis. Ushers were Mark Lust, the bride's brother, and Jay Lynn Blackburn of Broadview, N.M.

Tim Lust, brother of the bride, and Trey Hinkson, a cousin, served as candlelighters.

The church was decorated with brass candelabras, greenery garlands and votive candles decked with peach flowers and bows. Completing the altar setting was a white frosted unity candle on a brass stand, which was flanked by two peach candles and bows.

Soloists were Rev. Wesley Putnam of Plainview, who sang "Follow Me," "Through the Years," "There Is Love," and "It's a Mystery"; Leslie Barfield of San Angelo, who sang "Whither Thou Goest"; and Mrs. Frank Hinkson II, aunt of the groom, who sang her own composition based on I Corinthians 13, and "The Lord's Prayer" as a benediction, accompanied by Rev. Putnam on the guitar.

Mrs. Hoppy Jennings was the organist, and Mrs. Jim Johnson was the pianist.

Given in marriage by her father, the bride wore a formal-length Empire gown of white chiffon with a Queen Anne neckline that was trimmed with Chantilly lace and pearls. The gown featured lace trim at the waistline, skirt, panel overlay and cuffs, a chapel-length train and scalloped hem. She wore a fingertip veil of bridal illusion trimmed with Chantilly lace and pearls, and carried a cascade bouquet of silk peach roses, daisies and miniature carnations, accented by blue daisies and white flowers. The bouquet was tied with white and peach ribbon and featured lace streamers of love knots and flowers.

A reception in the church's fellowship hall followed the ceremony, with both bride's and groom's cakes being served with coffee, punch, salted nuts and white mints.

Centering the bridal table was a white fountain cake decorated with peach and blue flowers, surrounded by four fan-shaped cakes. A Jonathan and David bride and groom were nestled between the tiers, and the cake was topped with peach orchid flowers arranged in blue net and ribbon. The bride's bouquet was incorporated into the table's centerpiece. Serving at the bride's table were Mrs. Martin Nowlin of Lazbuddie and Mrs. Vernon Turner of Hereford.

At the groom's table, a horseshoe-shaped cake was served by Ceala Mills of Lubbock and Donna Wells of San Antonio. An arrangement of blue and peach daisies rested in a brass spitoon with a miniature saddle, boots and hat.

Sheila Hrbacek of Lockney registered guests. The house party included Mrs. Ronald Elliott, Mrs. Greg Gregory, Mrs. Don McDonald, Mrs. Jimmy Seaton, Mrs. Louis Crenshaw and Mrs. Leonard Elliott.

For a wedding trip to Colorado, the bride wore a blue floral-print skirt and sun-top with white eyelet petticoat and a jacket. Her corsage was of blue silk daisies.

The bride graduated from Lazbuddie High School in 1978, from South Plains College in 1980 and from Angelo State University in 1982. She will teach science and will coach girls' athletics at Spade High School.

The groom is a 1977 graduate of Motley County High School and a 1982 graduate of Texas Tech University. He will teach vocational agriculture at Spade High School.

MRS. SHANNON BRET RICHARDSON
... The former Terri June Axe

Axe-Richardson vows are recited in Vega

The United Methodist Church in Vega was the setting for the double ring marriage vows exchanged Friday evening by Terri June Axe and Shannon Bret Richardson.

Rev. Steve Campbell officiated at the marriage service.

The bride is the daughter of Mr. and Mrs. Marvin Axe of Vega. Parents of the bridegroom are Mr. and Mrs. Donald Richardson of Vega.

Matching candelabras accented with spring flowers decorated the altar. Two floral arrangements featuring blue, pink, yellow, and orchid with accented baby's breath completed the setting.

Registering wedding guests was Mrs. Donna Duggan of Vega, sister of the bride. Candles were lit by Brandy Richardson, sister of the groom.

Selections for the wedding service included harp music by Mrs. Mike Richardson of Perryton and the organ played by Mrs. Ralph Slutz of Vega. Donna Salyards of Odessa sang "The Twelfth of Never" and "Surround Me With Love."

The bride's sister, Mrs. Sherri Blake of Hereford, served as Matron of Honor. Bridesmaids were Karen Axe of Amarillo, sister of the bride, Sheri Gouldy of Wildorado and Andra Dorman of Vega.

They wore matching light blue silk dresses with cap sleeves and a draped front. Their cascade bouquets were arranged of mixed pink, blue, orchid and yellow flowers.

Best man was Gary Cannon of Amarillo. Trace Richardson and Trent Richardson, brothers of the groom and Larry Richardson, cousin of the groom, all of Vega, served as groomsmen. Scotty Cook and Bill Gruhkey, cousins of the groom, were ushers.

Miss Underwood, Porsch recite wedding vows here

Mr. and Mrs. William F. Porsch are at home in Texline following their wedding trip to Red River, N.M.

They were wed recently in a formal double-ring ceremony at the First United Methodist Church of Dimmitt with Rev. Random Ely, pastor of the United Methodist Church in Texline, officiating.

The bride, the former Brenda Gay Underwood, is the daughter of Roy Dale Underwood of Spearman and Shirley Underwood of Dimmitt. The groom's parents are Mr. and Mrs. Louie Porsch of Texline.

Escorted by her father, the bride wore a formal-length gown of accordeon-pleated white quiana featuring an Empire waistline with Venice lace and beaded with seed pearls. The bodice had front pleats that accented the Queen Anne neckline with a stand-up collar, and had capped sleeves. The veil was attached to a Victorian hat complemented with Venice lace seed pearls and white baby roses.

She carried a bridal cascade bouquet of white baby roses, stephanotis and baby's breath accented with long white lace streamers.

Maid of honor was Cheryl Sammann of Provo, Utah. Sandra Tischler of Chickasha, Okla., and Tammy Grant of Fort Worth, cousin of the bride, served as bridesmaids.

Each attendant wore a formal-length gown of baby blue voile with a fitted bodice, ruffled off-the-shoulder neckline, a bustled skirt and ruffled hemline. Each carried a nosegay of white daisies accented with blue violets and baby's breath, and each wore white daisies and blue violets in her hair.

Chuck Kane of Amarillo served as best man. Groomsmen were Bryan Herber of Amarillo and Danny Underwood of Dimmitt, brother of the bride.

Candlelighters were Tracy Porsch, brother of the groom, and Nancy Porsch, sister of the groom. Tucker Schumacher, cousin of the bride, served as ring bearer. Michelle Schumacher, cousin of the bride, was the flower girl.

Beth Welch and Debbie Dennis registered the guests, and Robbin Myers of Dimmitt handed out thank-you scrolls. Ushers were Roger Underwood, brother of the bride, Randy Whitlow, cousin of the bride, Carol Steen and Brian French.

Music was provided by Zelda Ellison on the organ and Shirley Peggram on piano. Mrs. Peggram sang "Till There Was You." Mrs. Ellison sang "Whither Thou Goest," "I Honestly Love You" and "The Lord's Prayer."

An arch of white tapers backed the altar that featured globed candelabras and white tapers. Pews were marked with baby blue bows accented with white daisies.

Following the ceremony, a reception was held in Lamar Fellowship Hall, which was decorated by bouquets of assorted fresh flowers.

The bride's table was clothed with a draped chiffon cloth accented with baby blue bows and white daisies. The white four-tiered wedding cake was decorated with

MRS. WILLIAM F. PORSCH
... The former Brenda Gay Underwood

yellow and white fresh daisies and baby's breath and topped with kissing angels encircled with white and yellow daisies. The centerpiece was a fresh bouquet of yellow baby roses, white and yellow daisies and baby's breath featuring four baby blue tapers. The base of the punch bowl was decorated with daisies and English ivy.

Presiding at the bride's table were Daria Underwood, Debbie Schumacher and Teresa Jeter, all cousins of the bride.

The groom's table was covered with a cloth of baby blue and white checked gingham. The centerpiece was a brass appointment with a hurricane globe accented with a cascade of white daisies. Joyce Bills, Linda

Welch and Kay DuLaney served chocolate cake with mocha icing and fruit.

Sandy Ellis played wedding music at the piano during the reception.

For the wedding trip to Red River, N.M., the bride wore a white skirt and blazer with blue camisole. Her corsage was of white baby roses and stephanotis.

The bride is a graduate of Dimmitt High School, and she received a bachelor of science degree from Texas Tech University in 1981. She teaches third grade in the Texline schools.

The groom is a graduate of Texline High School, and is employed at Pote Chemical Co. in Texline.

MRS. JAMES NELSON COOPER
... The former Judy Ann Lust

Couple will wed in Tulia

Mr. and Mrs. Wesley Hayhurst of Tulia announce the engagement of their daughter, Luanna, to Norris Cole, son of Mr. and Mrs. David Cole of Dimmitt.

The couple will exchange vows at 7 p.m. Saturday, Aug. 14, at the Church of Christ in Tulia.

Miss Hayhurst is a 1981 graduate of Tulia High School. She has attended Texas Tech University and West Texas State University.

Cole is a 1980 graduate of Dimmitt High School. He attended Texas Tech. At present, he raises quarter horses and operates a custom cattle feeding operation.

Luanna Hayhurst and Norris Cole

Senior Citizens

The Castro County Senior Citizens Center is located at 3rd and Jones and is open Monday through Friday from 8 a.m. to 4 p.m.

A blood pressure clinic will be held at the center today (Thursday) from 11 a.m. to noon.

On Sunday, all senior citizens are invited to an indoor picnic at the center.

"When you get through at church, go home and change your clothes and bring your picnic lunch to the Center for picnic, skits, talent and a community sing," Rev. Ed Freeman said.

There is a Bible study at the center every Monday from noon to 1 p.m.

The nutritional program at the Center is open Monday through Friday from 11:30 a.m. to 1 p.m.

A game night will be held Tuesday at 6:30 p.m. Hostesses will be Carolyn Copeland, Jewell Connell and Bobby Dodd.

Almost every day of the week, there are bridge clubs, crafts and quilting going on at the Senior Citizens Center. It is open for everyone 55 years of age or older.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective July 27, 1982, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 13.4 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

Notice to El Paso Area Customers

Effective January 1, 1982, Southwestern Bell adopted the Mountain States tariffs in effect for El Paso County. Southwestern Bell proposes to merge the separate El Paso tariffs with its tariffs applicable to the rest of Texas. The resulting new rate schedule is on file with the PUC and the El Paso area municipalities served by Southwestern Bell, and is available for inspection at our El Paso business office.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs. While Southwestern Bell has proposed no increase in long distance rates, any change in those rates would also affect customers of other telephone companies.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 27 de julio, 1982, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 13.4 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios que resulten de la manera en la cual Southwestern Bell aplique sus tarifas.

Aviso a Clientes en la Región de El Paso

Con vigencia a partir del 1o de enero de 1982, Southwestern Bell ha adoptado las tarifas de Mountain States efectivas en el condado de El Paso. Southwestern Bell propone unir las tarifas de El Paso con sus otras tarifas que se aplican al resto de Texas. El nuevo arancel que resulta de esta unión se ha archivado en la Comisión de Servicios Públicos (Public Utility Commission), al igual que en las municipalidades de la región de El Paso servidas por Southwestern Bell, y está disponible para inspección pública en nuestras oficinas de El Paso.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell. Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para larga distancia, cualquier cambio en las mismas también afectaría a los clientes de otras compañías de teléfono.

Religion in schools will be discussed

A "God and Our Public Schools Rally" will be held Saturday at 7:30 p.m. in the east room of the Hereford Community Center, 100 Ave. C.

The meeting will be sponsored by the National Association of Christian Educators, a Division of Bold Ministries.

Plans have been made to establish local chapters in each community to conduct future local meetings to exalt Christ and unite national efforts for freedom of voluntary prayer and the choice of whether or not evolution and secular humanism should be taught in schools.

Rallies will be held in the Tulia Memorial Hall on July 2 at 7:30 p.m. and at the Canyon Community Center Building at 10 a.m., 2 p.m., and 7:30 p.m. on Friday.

Dr. Otto, president and founder of the association, is pastor of the Pleasant Valley Baptist Church in Amarillo. His new book, entitled "How to Protect Your Children," will be available at the rallies.

For more information call Darla Stewart at 647-2547.

Wayland's list has two locals

The spring 1982 Dean's Honor Roll at Wayland Baptist University here includes two students from Dimmitt.

Those named to the Honor Roll were Debbie Dobbs, daughter of Geneva Dobbs and Kimberly Peggram, daughter of Mr. and Mrs. Jim Peggram, all of Dimmitt. Dobbs, a sophomore, and Peggram, a junior, both earned grade point averages of 4.00.

The Dean's Honor Roll is announced at the end of each semester by Dr. Dan McAllen, academic vice president and dean of the university, and lists the names of students who carried at least

12 semester hours during the term and whose GPA was 3.50 or above on a 4.00 scale. A total of 120 students from 13 states and one foreign country were named to the Honor Roll for the spring term.

Statement of NONDISCRIMINATION

Swisher Electric Cooperative, Inc., has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color, or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants, or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, DC 20250, or the Rural Electrification Administration, Washington, DC 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.

Wheat check-offs begin

Grain elevator operators throughout the State of Texas will be deducting 1/2 cent per bushel from all farmer deliveries of wheat beginning with the 1982 harvest. The voluntary "implied consent" amassed funds will be expended at the direction of the initiating organizations to strengthen the market demand, price and producers income for all classes of wheat in the state, according to a joint announcement made by presidents of supporting organizations.

The new "Texas Wheat Promotion Plan" will be administered by the farmer-elected Texas Wheat Producers Board, through its professional and technical staff headquartered in Amarillo, according to TWPB Chairman W. R. Moore Jr. of

Munday.

The dynamic change in wheat production and marketing within the state make such a bold self-help effort mandatory if any semblance of profit is to be maintainable,

Tax collection tops a billion dollars in May

State Comptroller Bob Bullock said recently that state tax collections topped a billion dollars for the month of May, the highest monthly total in Texas history.

The \$1,013,475,464 deposited in the state Treasury during the month was nearly \$100 million more than last May's deposit and \$25 million above the previous high deposit of \$988 million that Bullock put in the Treasury in February.

"There may be some clouds on the horizon for our state and national economies," Bullock said. "But the sun is still shining in Texas and Texans are making hay while it does."

Bullock said part of May's record tax payments came from quarterly prepayments made by the state's largest taxpayers along with month-end minerals tax collections. Major taxpayers have an incentive to prepay taxes they collect because they are allowed to retain a percentage of collections for paying early and allowing the state to begin earning interest on the funds.

Bert Wallace, director of the Comptroller's Revenue Processing Division, said he has expected tax collections to top the billion dollar mark for several months. Monthly collections during 1982 have been running about 20 percent higher than last year's, he said.

The month's total passed \$1 billion with the Comptroller's final May deposit to the Treasury on the 28th, he added.

Brucellosis is studied

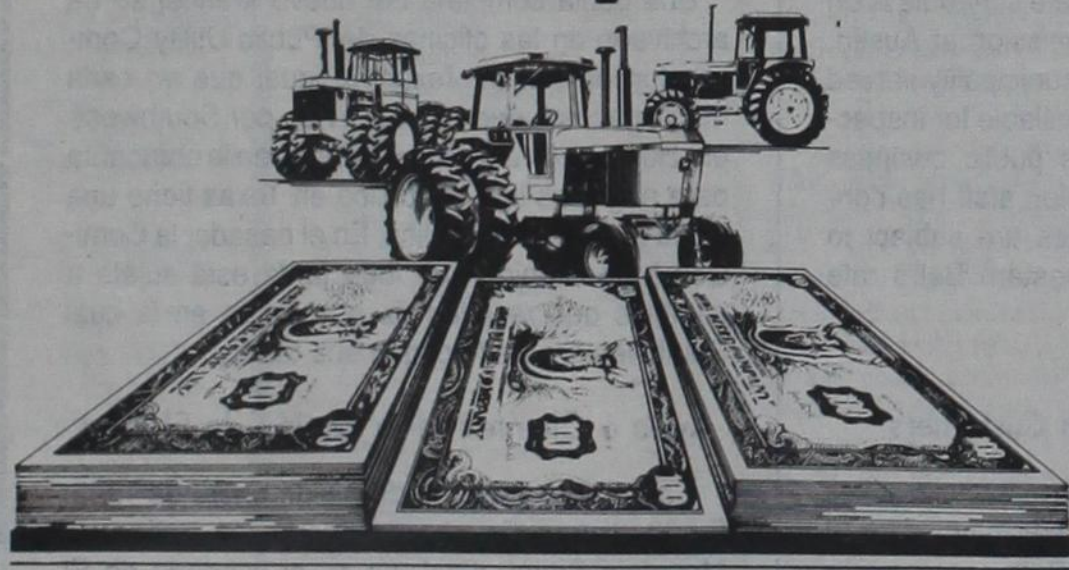

Commissioners of the Texas Animal Health Commission have under study the recent summary judgment ruling of Judge Harley Clark regarding the Texas brucellosis program.

Brucellosis is a disease or infection caused by bacteria. Dr. John W. Holcombe, executive director of TAHC, said Commissioners will meet with the agency's attorneys and will determine a course of action. Once that has been decided, a statement will be issued, he said.

In the meantime, the present Texas brucellosis program will continue as it is currently being administered.

John Deere Super Tractor Savings

EARN \$1,400 TO \$12,900*

Buy your new John Deere tractor in June...get bigger-than-ever savings in John Deere money

Take your pick from the 15 new John Deere tractors listed here... 40-hp to 300-hp. Beyond our good deal, you'll qualify for Super Tractor Savings directly from Deere.
