City seeks \$75,000 grant for airport

The Dimmitt Board of Aldermen agreed Monday night to submit an application for a grant contract with the Texas Aeronautics Commission to upgrade the city airport.

CC plans Christmas activities

The Dimmitt Chamber of Commerce Christmas Fun Breakfast will be Nov. 20 from 7:30 to 11:30 a.m. in the County Expo Building.

The third annual free breakfast will feature Dimmitt merchant's displays of Christmas items.

Merchants wanting to rent a booth should call the Chamber at 333-1111. Booths are eight foot wide by 23 foot deep.

On Nov. 18, the Expo building will be marked off in both spaces so merchants can check their location.

Friday a police guard will be at the building. Santa Claus will visit the Dimmitt tree lighting and community caroling party on Nov. 29.

City Manager Paul Catoe told the board that the city has enough in the airport budget to cover the city's portion.

Proposed improvements would include repairing and resurfacing the runway, apron and taxiways — or as much as could be done for the total \$100,000.

A public hearing must be held to allow interested parties to voice their opinions on the proposed project.

Local pilot Rodney Miller told the board that the most urgent need at this time is to level out portions of the runway and to repair cracks, etc., before it gets any worse and starts coming out in chunks.

He also said that the airport needs a paved taxiway, especially during the busy summer months when lots of crop spraying is being done.

"It is difficult to get into a take-off position without going down the runway itself — which is dangerous to do at a busy time," Miller said.

After the public hearing, specifications would be drawn up by McMorries and Associates, city engineers, and bids would be let for the resurfacing.

The runway covers approximately 42,000 square yards. Catoe said he already plans to apply for additional grants in the future to handle any improvements that cannot be covered by this grant.

Bids were received from only one party on the city's lease agreements concerning the city's playa lake and the land surrounding it.

Freddie Hamilton of Dimmitt bid \$4,077.60 per year for the lease of the land and the lake water rights together; \$1,019.40 for the farmland without the lake water; and \$1,000 for the lake water rights.

The board voted to accept the bid for the land and water rights together.

An ordinance governing itinerant merchants in Dimmitt was passed on the second reading and is now in effect.

Aldermen said that they felt the ordinance would not cover firewood salesmen, since they are selling a product in its natural state.

"One of the purposes of the ordinance is to protect our citizens against merchandise that is defective in its manufacturing," said City Attorney Jack Edwards.

The board agreed to authorize a firm in Amarillo to examine the specifications for the improvements at the agricultural housing project being administered by Azteca Development Corp., to see if the blueprints and specifications meet the city building code.

"The firm said that it will cost around \$2,000, but the city ordinance says that that cost can be passed on to Azteca," Catoe said.

In other business, the board: —Heard a report from Mayor R. L. Fleming on the

which he attended in Fort Worth. —Learned that West Texas Gas of Plainview is installing an aviation fuel key-pump system at Tidwell Spraying Service, which will be available for other pilots as well.

—Approved the wording for warning signs to be placed around the city dumpground prohibiting unauthorized dumping and specifying penalties, etc.

—Agreed to transfer title on a 1960 panel truck to the Dimmitt Volunteer Fire Dept., which had originally purchased the vehicle. The city had held the title for insurance purposes.

WALKING WALL—One of the strangest parts of the Easter Lions Club Halloween party House Saturday night was the black-and-white Striped Room, lighted by a flashing strobe that made all movement "jumpy." As one's eyes became accustomed to the stripes and strobe light, part of the wall would jump toward the crowd. The star of the Striped Room was Paula Price.

State approves charter for new development firm

The Dimmitt Texas Development Corporation, Inc., has had its charter approved by the state and formally elected officers at its first meeting, held Oct. 14.

George Lamberth was named president, with Calvin Marsh as vice-president, and Joe Josselet as secretary-treasurer.

"We're now open for business," said Lamberth. "We really want to stress that the bonds our board is able to make available are NOT just for new businesses, but can also be applied for by already established firms that want to expand, improve or remodel."

Lamberth said that each application will be reviewed on an individual basis.

"We welcome any applicants," Lamberth said. "We have had some to express an interest, but no formal appli-

cations have been made yet." The purpose of the corporation is to help bring more jobs to Dimmitt by making it

easier for companies to get financing for building projects, and at a favorable rate of interest.

Azteca taking renovation bids

Azteca Economic Development Corporation began taking bids Monday from contractors for renovation of the Castro County Agriculture Housing Project.

Azteca board members are accepting sealed bids and on Nov. 30 will make a decision on the general contractor which will get the job. On that day, Azteca board

members, architects and attorneys will meet with FmHA representatives to name a general contractor.

Bids from sub-contractors will not be taken until a general contractor is named.

Larry Gonzales, president of Azteca, said he hopes sub-contractors will be local businesses.

EAST GERMANS VISIT—Elbert Harp (left) visits with German Democratic Republic Feed and Livestock Team (from left) Drs. Karl-Heinz Schulz, Peter Rybka and Walter Laube. Harp is Executive Director of Grain Sorghum Producers Association. The East German team toured the US and made several stops in the Dimmitt area Friday to study crop and livestock production.

East Germans study feed-grain usage here

Three East German agriculturists visited the Dimmitt area Friday as part of a two-week tour of the US to study crop and livestock production.

Drs. Peter Rybka, Walter Laube and Karl-Heinz Schulz toured the area's grain and cattle industries at the invitation of the Texas Grain Sorghum Producers Board. They were accompanied by Kenneth Hobbie, East European regional director of the US Feed Grains Council, and Thomas Brennan, East European regional director of the American Soybean Association.

"The objective of our trip is to learn more about American agriculture," said Dr. Schulz Friday at a stop in Dimmitt, "and to learn more about how the different products we import are used here in your

country. "We hope our visit will give us a good opportunity to make proposals to our agricultural administration and also to our partners here for closer relations in the field of agriculture trade," said Dr. Schulz.

The East German team made stops at Taylor Feedlot and the Estacado Lamb Feeding Division Friday.

Bringing this team to West Texas is a part of TGSPB's effort to increase the sales of grain sorghum.

East German livestock producers are not presently buying US grain sorghum.

"They will not buy sorghum, regardless of prices, until the men on this team are convinced that grain sorghum is a good livestock feed," said Elbert Harp, TGSPB execu-

tive director. In 1981, East Germany bought \$333 million worth of agricultural products from the US. 70% of that was corn.

For the 1981-82 marketing year, East Germany is expected to import 275,000 metric tons of US soybean meal and 1,647,000 metric tons of other US coarse grains.

Members of the grain sorghum board say they hope those figures will be higher as a result of the tour.

But Dr. Schulz, first secretary of agriculture affairs at the German Democratic Republic embassy in Washington, said that may mean the US will have to buy more East German "industrial commodities" such as optical lenses, printing machines, china, toys and musical instruments.

NEW UNIFORMS—Dimmitt Police Officers suited up in their new uniforms Friday which recently arrived from a San Antonio uniform manufacturer. Officers Calvin Davenport (left) and Bill Johnson model the new attire.

Castro County voters helped Democrats post a clean sweep in statewide races Tuesday.

With 52 1/2% of the registered voters here casting ballots (2,550 of 4,671), Castro County had a higher percentage of voter turnout than did the rest of the state, as expected. But the 52 1/2% turnout here, although laudable, was still lower than in the last off-year election of 1978 or the past two presidential elections.

In the only contested county race, voters gave Democrat Polly Simpson a 2-1 victory margin over Republican Winston Waggoner. Mrs. Simpson received 1,674 votes to Waggoner's 833. Waggoner carried the Precinct 16 box [West Sunnyside] by 26-21 and Precinct 11 [Flagg] by 22-20, and Mrs. Simpson carried all other 14 voting boxes plus the absentees.

In the two most hotly contested statewide races, Democrat Mark White unseated Republican Gov. Bill Clements and Democrat Lloyd Bentsen retained his seat in the US Senate over Republican challenger Jim Collins.

Statewide, White outpolled Gov. Clements by a margin of 54% to 46%. But in Castro County, White's victory margin was wider than that — 60% to 39 1/2%, with Libertarian Mike Read getting a smattering of votes. White received 1,524 votes to Clements' 1,005 here. However, Clements was the leading Republican vote-getter here, and the only one to receive more than 1,000 votes.

In the US Senate race, Bentsen won easily with a statewide margin of 59% to Collins' 41%. Castro County voters gave Bentsen a margin of 64.8% to Collins' 34.9%. Bentsen polled 1,633 votes here to Collins' 879.

As expected, Castro Countians gave Dimmitt native Kent Hance a big vote in his re-election to Congress. Hance received 2,281 votes here to 194 for his token Republican opponent, E. L. Hicks.

The county also gave Dimmitt's Jack Miller a vote of confidence in his election to a full term as 64th District judge. Miller, the first Castro Countian to hold a state judgeship, has been serving by appointment since former District Judge John T. Boyd was named to the 7th Court of Appeals. With 2,089 votes, Judge Miller led the ticket among candidates for district office.

Leading the "popularity poll" among the uncontested candidates for county office was Tax Assessor-Collector Billy Hackleman with 2,152 votes. Treasurer Oleta Raper, Sheriff Lonny Rhynes and Clerk Candidate Joy Jones also topped the 2,100 mark in votes.

In the other statewide races, Castro Countians favored:

—Lt. Gov. Bill Hobby over Republican Mark Strake, 1,513 to 958.

—Democrat Jim Mattox over Republican Bill Meier for attorney general, 1,709 to 685.

—Comptroller Bob Bullock over Republican Mike Richards, 1,543 to 878.

—Democrat Ann Richards over Republican Allen Clark for state treasurer, 1,570 to 819.

—Democrat Garry Mauro over Republican Woody Glasscock for land commissioner, 1,618 to 668.

—Democrat Jim Hightower over Republican Fred Thornberry for agriculture commissioner, 1,552 to 894.

—Railroad Commissioner Jim Nugent over Republican John Henderson, 1,738 to 579.

—Democrat Ted Robertson over Republican John Bates for Supreme Court justice, Place 1, 1,639 to 624.

—Democrat Chuck Miller over Ray Moses for Criminal Appeals Court, Place 2, 1,691 to 492.

—State Sen. Bill Sarpalius over Republican John Kirchoff by 2,047 to 398.

Castro County voters gave the nod to five of the six proposed constitutional amendments. The only proposition that failed to carry here was No. 6, which would have hiked the interest rate on the state's general obligation bonds to a maximum of 12%. Proposition 6 failed here by a margin of 879 to 753, while all other amendments carried by comfortable margins here.

Results on the amendment balloting statewide were not available at presstime.

Glass to head pheasant hunt

Alex Glass has been named overall chairman for the Dimmitt Kiwanis Club's annual pheasant hunt project, it was announced at the club's meeting Monday.

Glass was given the job at the club's board meeting Monday morning. Committee chairmen for the event include John Kovacs, breakfast; Gene King, publicity; Jack Patton, maps; Bob Murdock, signs; Richard Stahl, money; and Carl Bruegel, land.

The breakfast is set for Dec. 11, pheasant season opening day, from 5:30 to 9 a.m. at the County Expo Building and will consist of hot cakes, eggs, sausage, jelly, coffee, and milk. The charge will be \$3.50 per person.

Also, the club will again be selling season hunting permits for \$50 per person. The permits will allow the holders to hunt on more than 10,000 acres of Castro and Farmer County land for the duration of the pheasant season. The price of the breakfast on opening day is included.

The breakfast and permit sales are the club's largest money-making projects each year. Part of the proceeds are divided between the Key Club, Dimmitt FFA and 4-H, since members of the three youth organizations aid in the project.

Members voted at Monday's meeting to donate \$200 to the local cub scout program to aid them in getting started back up again.

'Dimmitt Ding-a-Lings' tour Ozarks

By MARY EDNA HENDRIX

Autumn in the Flaming Ozarks! What a beautiful sight! Homer and Tommie Nisbett, Louise Mears, Irene Carpenter, Oleta Gollehon, and I took the bus tour to the Ozarks. We started out as "Homer and his Harem," but the group on the bus soon named us "The Dimmitt Ding-A-Lings and one Ding-Dong!" Robert and Alice Thompson from Hereford were our escorts, and Bill Wiegand from Amarillo was our bus driver. There were three others from Hereford, Leona Glenn, Elizabeth Wills, and Thelma McMinn, whom many of you will remember as a former school teacher in Dimmitt. There were three from Amarillo, Gwen Roof and our only young girls Norweta Dillard, a nurse, and Sheryl Sommer, a dietician for the hospital. The couples were Ray and Ladelle Williamson from Lubbock, Ned and Jewell Turner from Spearman, David and Esther Redelsperger from Pollett, Joe and Bobby Murphy from Plainview, and Ruben and Edna May from Allison. Otis Ford from Wheeler was the only single man (poor thing), and the rest were single women: Shila Atwell and Corkie Sechler from Boise City, Okla., Ruby Johnson from Keyes, Okla., Eileen Bender from Canyon, Esther Caswell and Iona May from Wheeler and Ava Mills from San Angelo.

On Monday morning Alice Thompson gave the first devotional and she read the poem "Trees" by Joyce

Kilmer. Then each person gave a brief summary of his life and occupation. Ruben May said he was a retired lover. (He never heard the last of that.)

We visited the Cowboy Hall of Fame in Oklahoma City. Mrs. McMurry's stepson sculptured the huge statue of Buffalo Bill, so of course Oleta Gollehon wanted us all to see it. We spent the first night at Fountainhead Lodge in Checotah, Okla. This is a pretty place in a beautiful setting with a lake and lots of trees.

Tuesday we toured the Queen Wilemina National Park. We spent the second night in the Hilton at Fayetteville, Ark. We ate in the dining room and Sheryl Sommers asked the pianist to play a special number and when he learned we were from Texas, he played, "The Yellow Rose of Texas." We had some miniature gold boots so we made him an honorary Texan! Wednesday we went to the Pea Ridge Battleground, toured the beautiful Ozark Mountains where we saw the huge White Statue of Christ. We were allowed two hours to look and shop in Eureka Springs and drove on to Bronson, Mo., where we stayed for two nights. We went to see "Opryland U.S.A. On the Road." This was a delightful show, singing and dancing with a band and twin boys from Oklahoma City, sisters from Provo, Utah and others.

Thursday we toured the Shepherd of the Hills Country. This is a rugged section of the Ozarks made famous by Harold Bell Wright's "Shepherd of the Hills" book, the third most widely read story in the history of American literature. We saw the interior of Old Matt's cabin and toured the farm in an open trailer. We went in the Memorial Museum, the home that was moved from an Eastern City to the quiet and peaceful life in the Ozarks. There was a gold clock on the mantle that is 300 years old and weighed 300 pounds, one large room was filled with a doll collection, and many dishes and quilts in other rooms. We saw the "Old Mill Theatre" where we had planned to see the play "Shepherd of the Hills," but it rained all day so it was cancelled. We went to Silver Dollar City, near Bronson. This is a reconstruction

of an early American mining town, and is really a fun place. It was raining all the time we were there, so it was a little disagreeable but we had fun anyway.

We ate Funnel Cake that was delicious and we went to the saloon and saw a cute program. Since we were not able to see the play "Shepherd of the Hills" we went to see a show in Bronson, "The Bob-O-Links." This is a country Hoe Down and it was very entertaining, a band with several singers, two comedians, a square dance team with a boy and girl age eight and a boy and girl age 14 years.

Friday we drove through more beautiful country admiring the gold, brown, green, yellow, and bright red leaves on the trees. We ate lunch at the Nickerson Farms Restaurant where they have the huge glass beehive with the live bees in it. This is an interesting sight! We spent the night at Wagoner, Okla. in Sequoyah State Park at the Western Hills Lodge. This is another pretty place in a beautiful setting by a lake and lovely trees.

We had our Farewell Banquet that evening. Oleta Gollehon was the emcee, Homer Nisbett told several stories and presented "Loverboy" with a T-Shirt, the two young girls sang two beautiful songs, "Loverboy" and his wife danced "Put Your Little Foot." Shila Atwell read the poem that she and Corkie Sechler and Ruby Johnson composed. Three Okies went on an Ozark tour, you'll

never guess what they went for. We soon found out there were no available men about, but we met a swell group and learned a lot of scoop. Lover boy kept us all aglow. But Edna told us to go slow. The Dimmitt Ding-a-lings were at their best. As was all the other ones from the West. We all put Robert and Alice to the test. Sheryl and Norweta wanted to stay in the hills. But they have to go home to pay their bills. Joe was as pleased as an old goat, when us women wanted to feel his coat. Ruby wanted to dance with Ruben all night, but Edna didn't think that would be quite right. Corkie wanted to sample Joe's white lightning, but Bobby said that would be terribly frightening. From time to time we stopped to shop, as always had to tell Shila to stop. We giggled and laughed all we could and ended up with more gas than we should. Bill drove our bus, took care of us without making a fuss. The trees were at their peak and the music was really neat. You can't beat that in just a week. Now we're going home. No more to roam and wait till we can float another loan. Louise Mears presented the three smokers with a gift and Oleta won the trophy to try to lose the most weight. Oleta, Irene, and I sang the song "Now is the hour when we must say goodbye."

Saturday, we stopped at Claremore, Okla., to see the Will Rogers Memorial. The bronze statue of Will Rogers on his favorite horse, Soap

Suds, stands in front of the building. Just as we were returning to Amarillo we saw all the beautiful balloons in the air, a beautiful ending for a lovely trip.

Beral Hance returned last week from Washington after visiting the Kent Hance family. The autumn foliage was in full color. Kent and Carol, Ron and Susan were here for the election and visited Beral, and Carol's family in Hereford. While in Washington, Beral and Carol went to the Kennedy Center, the old Ford Theater and where Lincoln was shot the New York Avenue Presbyterian Church where Lincoln worshipped while he was president. She and Carol went over to Middleburg, a quaint and beautiful little town where they had tea in an old fashioned tea room. They went to the Library of Congress and to the Supreme Court Building.

One day Beral went to the Capitol with Kent and they had lunch in the Library of

Congress annex where Carol joined them. They went to Ron's football game at Yorktown and won by a score of 13-0.

On Sunday they attended the Columbia Baptist Church, where there were 900 present for Sunday School, and also went to the church for "family night" on Thursday night.

A GOOD APPEARANCE

Inborn in us is a desire to appear neat, clean, and attractive to others. We groom our hair, and wear attractive clothes. But let us not be concerned only with the physical appearance, for the light that shines from within is greater than any beauty treatment.

"... man looketh on the outward appearance, but the Lord looketh on the heart."

Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God."

P. O. and Frances Goodwin returned recently from Festus, Mo., where they visited two weeks with son, Mike, Gail and twins Brett and Brandi. While there they went to a huge apple orchard in Illinois, took a picnic lunch, ate under the trees and had fresh homemade apple pie, prepared close by. They also toured the Shaws Botanical Gardens which was a breathtaking sight. The mums and orchids were the most beautiful sights you ever saw. The foliage wasn't at their peak yet, but was enough change they had an idea how pretty they could be. One tree in Festus was quite intriguing. It had been struck by lightning one time, and ever since one side exactly one-half of it turns the most beautiful red and the other side is still a waxy green.

Ben and Mollie Scott entertained their mother, Lois Scott, on her birthday by taking her to the Thompson House in Hereford. Others enjoying the delicious meal were Annie Lee Dobbins, Jo Gregory, Dorothy and Jim Elder, Mr. and Mrs. Wilbur Gibson and Joe Scott. Later they went to the home of Annie Lee Dobbins for games and birthday cake with peaches and cream.

On Sunday Ben and Molly invited Lois and Joe over for homecooked birthday dinner for Lois so the entire family could enjoy it, including Annessa, Crystal, and Ben, Jr.

Last week Jo Gregory took some of her friends to Angel Fire for a few days of resting and having fun in the mountains. They reported that most of the colored leaves were already off the trees. Those enjoying the mountain air were Annie Lee Dobbins, Eleanor Gibson, and Lois Scott.

Nazareth

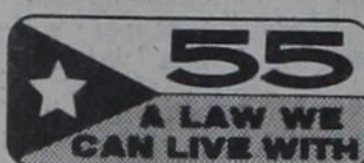

Parish commemorates life of Gertrude Acker

By VIRGIE GERBER
Funeral mass was said Monday afternoon for Mrs. Gertrude Acker, 92, Nazareth's oldest parishioner, in Holy Family Church with Rev. Harold Waldow and Father Glen Rosendale of Olton officiating. Assisting were deacons Jerome Brockman and Walter Kleman. Father Harold gave a beautiful, inspiring homily that was truly befitting of Mrs. Acker. At the offertory, some of her many grandchildren brought articles with significant meaning — a picture that she had painted, a crocheted afghan, a pillow, a picture of her with one of the many bridal veils that she had made, a wedding picture, a framed DCCN, special recognition and many others. Burial was in Holy Family Cemetery, where her husband Philip was buried in November '69. Evelyn Hill of Lubbock

spent Sunday with her mother Meta Stork and other family members. Tammye Couch, her children Lance and Christi also were here Sunday morning. A Halloween Carnival at Nazareth School Sunday evening was sponsored by the eighth grade class, their teacher and parents. It was enjoyed by a large number of children and their parents. Booths, spook show, costume judging, jail, and a concession stand all contributed to an entertaining evening. Many parishioners attended the Holy Family Penance Service on Tuesday evening during which CCD students participated with the Scripture readings. Many appropriate hymns were sung and the homily was given by Father Harold. Students from the second through sixth grades portrayed a favorite saint for the litany and the

first grade students gave the closing prayer. Tony and Mary Gerber are visiting their son Norbert and family in Woodward, Okla. They also attended the funeral of Kate Schaeffer in Okarche, Okla. Funeral services for Dorothy Riley Burt, 74, were held in Hart Monday morning with Rev. Harold Waldow officiating. Burial was in Hart Cemetery. Her husband, Olan Burt, was also buried there in 1969. Survivors include a brother, Furche Riley of Hart, and two sisters, Eva Olson of Beeville and Margie Kalermer of Leander. Sister Maurine Schmucker and Sister Cordelia Lange of Amarillo visited the Joe Langes and other relatives here on Sunday.

Brazil missionary leads revival

By TEENY BOWDEN
Rev. Richard Clymer presented to his son, Tom, his commission as a volunteer missionary for the Home Mission Board during the Monday night revival services. Tom sang a song he has written, "His Grace Is Sufficient For Me" during the service, and left Tuesday morning for his assignment in Long Beach, Calif.

The revival began Monday noon with Rev. Clifford Dane, a missionary to Brazil now on furlough, the evangelist and Charles Lawson of Wayland leading the singing each night. Meals were served at the church each day by the Sunday School classes.

Rev. Clifford Dane showed items of the culture of Brazil each night before the services tying each item into the message he used. Monday night he used carvings of Spiritism which is a widespread form of worship in Brazil.

Tuesday night he talked about the Indians who still roam the interior naked, and murder people in order to shrink their heads as a part of their religion. The government now protects this tribe, and they are not punished for breaking any law of the land. He showed and demonstrated their dart blow gun which they use to get the animals out of the trees. The gun is homemade with three different kinds of wood and it never warps. The long darts are so sharp that a blow gun can easily pierce a one inch pine board at 20 feet. He also showed the ivory sonar ear of a whale and preached on Jonah.

Wednesday night he showed the heavy leather breeches, jacket and hat worn by the people of the state of Bahia. He used Angelia Talley, one of the GA girls, and modeled the clothing, also a braided rawhide rope, a tiny antique 32 caliber revolver, and a single barrel and a double barrel powder muzzle loading rifles which are hand-made.

Thursday night he showed carved and polished fruit in a carved fruit bowl carved from wood by a life term prisoner who had been saved. Also a replica of a boat he carved from wood. Friday night he showed gems both raw and polished showing raw emeralds in smokey quartz from the state of Bahia, and all kinds of finished gems. Saturday night he taught us how to sing "God Is So Good" in Portuguese. Sunday morning he displayed all the items he brought and preached on Spiritism. Friday at noon he showed slides of his work and of his family. Rev. Dane is a professor in the Baptist Theological Seminary at Recife, Brazil and works with the radio and TV commission. He showed slides Sunday night.

dialized at home on Friday without any problems.

Rev. and Mrs. Glen Smith of Sundown visited with Mr. and Mrs. Bruce Bridges, Erin, Robin, and Jonathan Thursday at noon and at the Homecoming activities at Springlake-Earth Friday night. He attended the noon worship services with Phyllis Thursday.

Mr. and Mrs. Gerald Elkins received word Wednesday that his aunt, Cleo Gooch had had a stroke. He and his mother flew to Tucson, Ariz. Saturday to be with her.

Troy Dane, the missionaries' son who is a freshman in Wayland, visited in the revival services Wednesday night. Troy Burk of Brownfield, also a Wayland student, also visited in the service and played and sang a solo. Thursday night Loretta Penland brought the special music accompanied by Tracy Wallingford who played for the services. They are Wayland students who came with Charles to help out with the services.

Mr. and Mrs. Cliff Brown and Mr. and Mrs. Lee Brown, Jared and Jason attended the production of O.I.L. in Lubbock Saturday night. The South Plains College production is a musical tribute to the Oil Industry in Texas and Hockley County. It was written by Helen Roberts, professor of speech and drama at the college, and put to music by John Hartin, head of the country and bluegrass music program of the college. He plays lead guitar and directs the orchestra for the production. Lynn Brown is the lighting technician for the musical. He is a sound tech-

nology major at SPC and has been sound technician for the summer show, "Raisin' A Ruckus" and the country band, Tumbleweed Flats at the Texas State Fair in Dallas.

Several in the community have had a flu-like virus this week which put them to bed for a few days.

Mr. and Mrs. Ezell Sadler visited in Clovis Saturday with Mr. and Mrs. Cleo Widner of Melrose.

Natalie Lawson of Olton spent the weekend with her grandmother, Pat Elkins while Gerald was in Arizona. Chris Elkins was also home from Tech for the weekend.

Mr. and Mrs. Ray Joe Riley and Jodie, Mr. and Mrs. Doug Freeman, Norma Dawson, Mrs. Kelly Quisenberry, and Mr. and Mrs. Bruce Bridges, Erin, Robin, and Jonathan attended the Springlake-Earth homecoming activities Friday night. Norma Dawson was among the class of 1942 being honored, Ray Joe one of the class of 1952, Bruce and Phyllis the class of 1972.

The Lions Club sponsored a turkey shoot Sunday afternoon south of Sunnyside. There was a good attendance.

High attendance day was observed in Sunday School Sunday morning with 98 in attendance. Several classes were 100% or more. Thirteen children attended the children's sermon brought by Naomi Brown and the Uppitts.

Mrs. Jackie Clark and Mrs. John Gilbreath went to a "Country Chic" in Amarillo Thursday and had dinner with Jerri Ka Clark and visited with Dorothy's niece, Stacy Barnett.

Mrs. James Powell and Mrs. John Sirmans and Ken and Mrs. Ezell Sadler. Mr. and Mrs. Jake King of Hereford visited with them Sunday night and Monday with Mr. and Mrs. Ezell Sadler.

Basketball teams slate scrimmages

By BRENDA SCHULTE
It's almost here — basketball 1982-83, and the county's fans can get a sneak preview of their favorite teams next week as all three schools have their first scrimmages.

Another exciting year should be in store, with the Nazareth girls shooting for their seventh consecutive state championship, and Dimmitt's boys going for a second straight crown.

Dimmitt's girls will be gunning for an eighth straight playoff appearance, while the Nazareth Swifts, Region 1-A Tournament finalists last year, are bigger, stronger and could earn their fifth straight playoff spot.

The Hart squads will be

hoping for their first playoff spot ever. The girls will be more experienced, and the boys will be better defensively.

Here is a preview report on the local teams:

DIMMITT
BOBCATS — Dimmitt fans will be hoping the "Cat Tracks" lead back to Austin this year. Four of five starters return from Dimmitt's 1982 state championship team, and Coach Kenneth Cleveland reports "Everyone has grown some and they're a lot stronger." Cleveland said that he hoped among his team's strengths will be "that they are still hungry and want to win." Leading the Cats will be

5-10 guard Kevin Cleveland and 6-5 post Jeff Watts. Cleveland earned all-state honors last season while averaging 22 points a game. Watts averaged 11 points per contest last year and made the Texas Association of Basketball Coaches' all-state third team.

Also back will be 6-1 forward John Smith, who averaged eight points a game, and Fermin Gonzales, a 5-9 guard who tossed in six points per game.

Dimmitt's fifth man probably will be John King, 6-5 senior post.

Cleveland sited bench strength as a possible weakness this season.

"We have some good ones, but I don't know how much depth we'll have," he said.

In Cleveland's 21 seasons as head coach, the Bobcats have won 16 district, 10 bi-district, five regional and two state championships.

"Our goal every year is to go as far as we possibly can with what we have," Cleveland said. "Of course, we always hope that's Austin."

BOBBIES — With just three letterwinners back, Coach Jimmy Hoyle will be looking for newcomers to fill vacated starting roles.

Returning will be Norma Porter, a 6-0 post who was named all-district; Shawn Jackson, a 5-7 post; and Toby Tischler, a 5-8 forward.

"Our inside game should be in pretty good shape," Hoyle said. "We don't have a lot of post players, but if they will play up to their potential we'll be in good [Continued on Page 13]

As partners of Southwestern Public Service Company, you, our customers, are invited to an open house at the new coal-fired power plant near Muleshoe, Texas. We hope you'll tour the plant, Tolk Station, November 20 or 21. Tolk is located about 10 miles east of Muleshoe, just south of highway 70. The open house will begin at 10 a.m. and continue until 4 p.m. on Saturday, November 20; then continue from 1 p.m. until 4 p.m. on Sunday the 21st. As our partners, you have helped SPS make energy decisions which built Tolk Station. Come see it.

Ben Green, Tolk Station Manager, Muleshoe.

It won't be hard to find Tolk Station. It can be seen across the plains from miles and miles away. The stack is 400 feet tall, and the structure which houses the boiler for the turbine generator is as high as a 20-story building. The great size is required for equipment large enough to supply the growing demand in our area for electrical power. Tolk can produce enough electricity for 225,000 people.

Dave Cavitt, Manager, Muleshoe.

We are proud Tolk Station's Unit No. 1 was completed for less than one-half of the national average cost for coal-fired plants. The 561,000-kilowatt unit began testing in June and began commercial service in August. Unit No. 2, which will be identical to Unit No. 1 at Tolk, is now being built and is scheduled for completion in 1985. Our own generation-plant design engineers help us tremendously in keeping down the cost of the plants. And that helps us keep down the rates you pay for electricity.

Henry Hamilton, Group Manager, Production, Amarillo.

Swifts chalk up big win over Lazbuddie, 20-0

Nazareth's Swifts kept their hopes alive for a second-place finish when they hammered out a big 20-0 victory over the Lazbuddie Longhorns Friday night.

The Swifts, now 6-2-1 for the year and 4-2 in district,

will host the Happy Cowboys Friday night in their final regular-season game. A victory over Happy would put the Swifts in a three-way tie for second place, with a chance to go into the playoffs. Should Happy win Friday,

the Swifts would finish in fourth place in the eight-team District 2-A North.

At Lazbuddie Friday night, the Swifts and the host Longhorns fought a scoreless duel until midway in the second quarter, when quarterback Johnny Schmucker and Chris

Gerber teamed up for a 47-yard touchdown pass to open the scoring. Schmucker kicked the extra point to give the Swifts a 7-0 lead.

Then, with 42 seconds left in the half, Marvin Schmucker — who led all Nazareth runners with 62 yards on the

night — scored from one yard out. Schmucker's PAT kick again was good, and the Swifts took a 14-0 lead to the locker room at halftime.

The next touchdown was set up by a Nazareth interception. Eight plays after the interception, Johnny Sch-

mucker threw a 9-yard touchdown pass to Sidney Gerber. The score came with 5:27 remaining in the third quarter. The kick, was blocked and left the score 20-0.

Nazareth racked up 295 yards, 194 rushing and 101 passing, and took advantage

of eight Lazbuddie turnovers, three interceptions and five fumbles.

'Horns fall to Farwell

Hart's Longhorns ran into a buzz-saw at Farwell Friday night as the Steers rolled to an impressive 40-0 district win to tighten their hold on the District 3-AA lead.

Hart received the opening kickoff and found the going tough against a fired-up Farwell defense. After a good punt by Robert Martinez of 44 yards, the host Steers drove 71 yards in only eight plays for the game's first score. Quarterback Alan Eubank carried the final 39 yards with 7:11 remaining in the initial period. Raymond Sierra added the point-after kick for a 7-0 advantage.

On Hart's next possession, a fumbled exchange set up the Steers at the Longhorn 25-yard line. After a 15-yard penalty and an incomplete pass, Farwell running back Santiago Lucio raced around right end 40 yards for the score. Sierra converted the kick to hike the Steers' lead to 14-0 with 6:22 still showing in the first quarter.

Hart fumbled again on its next possession, but a re-

covered fumble by Hart line-backer Chris Reyna stopped Farwell at the 2-yard line.

Farwell scored its third TD with 8:54 remaining in the half. This time it was running back Paul Fulcher carrying over from the 1 to make the score Farwell 20, Hart 0.

Farwell scored again before the half, after another Longhorn turnover. Quarterback Eubank took only two plays as he carried in from 28 yards out with 6:21 left before intermission, padding the Steers' lead to 26-0.

Farwell mounted one last drive before half, but a heads-up interception by safety Dale Scott stopped the drive.

Although the Steers continued to move the ball up and down the field in the third period, big plays by the Hart defense held Farwell away from the goal line until late in the stanza, when Farwell intercepted a Hart aerial and returned it to the Longhorn 3-yard line. On the first play, running back Paul Fulcher

carried over with 36 seconds left in the third. With Sierra's kick, Farwell now led 33-0.

The Longhorns fumbled on their next possession, giving the Steers another good opportunity. It took Farwell only three plays to travel the 43 yards, with Santiago Lucio going the final six yards for the score with 11:10 still left to play in the final period. Sierra's kick upped the Steers' lead to 40-0.

Hart made one serious threat late in the game. Quarterback Coy Myrick hit end Freddy Washington over the middle for a 45-yard gain, but a clipping penalty at the end of the run pushed the Longhorns back. The hosts intercepted a pass on third down to stop the Hart drive and preserve their impressive 40-0 victory.

Hart will entertain the Bovina Mustangs Friday in both teams' final game of the year. Game time is set for

7:30 p.m.

Jr. high teams split with Tulia

Dimmitt's eighth grade football team, led by Todd Durham, downed Tulia 20-8 last Thursday, while the Dimmitt seventh graders lost, 14-6.

Durham scored on runs of 15 and three yards and passed to Jerry Gonzales for another score to lead the eighth graders to a win. The win brings the eighth grader's record to 3-3-1.

A pass from Jeremy Warren to Johnny Garza was the only score the Dimmitt seventh graders could manage. They now stand at 4-2-1 on the year.

Bobcats keep rollin' with 20-7 win over Tulia

By JOHN BROOKS

A bigger bunch of Dimmitt Bobcats dominated the line of scrimmage against the Tulia Hornets Friday, but it took a Tulia turnover for Dimmitt to cement a 20-7 win at Bobcat Stadium.

On Friday, Dimmitt Coach Gene Griffin was quoted in

the Amarillo Daily News as saying that football helped Jeff Watts in basketball, and basketball helped him on the gridiron.

How right he was!

Watts looked like he was crashing the boards when he picked off a Chris Sperry pass, then threaded his way

through a passle of Hornets as though he were going on a 1-on-5 fast break to put Dimmitt in the lead to stay late in the third quarter at 12-7. A two-point conversion run by Richard Guzman stretched the margin to 14-7.

Dimmitt was miffed by repeated mistakes during the

evening, but Tulia could recover only one of six Bobcat fumbles. That came on the first Dimmitt drive, after the Bobcats had moved 50 yards. An earlier bobble that went out of bounds aided the Bobcats on the move down the field.

A Tulia mistake just before halftime helped Dimmitt get on the scoreboard. The Hornets had a short drive going with three minutes left in the first half when quarterback Chad Swinburn was stopped short on fourth-and-two at the Dimmitt 42. The Bobcats, mixing things up on the ground, moved to the Hornet 20, and were bogged down there when the Hornets were flagged for grasping the face mask. The five-yard walkoff was enough to give the Bobcats new life at the 15.

On third down, the Bobcats were a yard farther back, and brought wingback Bill Johnson across the field on a reverse. Behind super downfield blocking, Johnson raced into the end zone to give Dimmitt a 6-0 lead 34 seconds before halftime. The extra-point kick veered wide to the right.

Tulia wasted no time in taking the lead in the second half. Coach Mike Sullivan opted to give the offensive controls over to senior Chris Sperry, instead of starter Swinburn. Sperry, who finished third in the state in the 100-meter dash last spring, dashed through the right side of his line at the Hornet 25 and outraced everyone to the end zone. Mark Hill's extra point gave Tulia a 7-6 lead just 18 seconds deep in the third quarter.

Dimmitt was able to keep Tulia bottled up all night by a

good kicking game, as Watts averaged 35 yards a punt. Just before his interception that put the Bobcats back in the lead to stay, Watts nearly pinned the Hornets on the goal line with a 40-yard punt, but the ball just nosed into the end zone.

On the first play from the 20, Sperry threw the only "complete" pass of the night — into the hands of Watts out in the flat at the Hornet 23.

With Dimmitt ahead 14-7, Tulia's Clifford Jackson tried his best to help Dimmitt build a bigger lead, as he let the kickoff slither through his hands. Shan Powell fell on the ball at the Tulia 25.

A Dimmitt penalty and another fumble pitch kept the Bobcats from advancing. On fourth down, Johnny Nino was called on for a long-distance field goal try from 47 yards out, but the ball hit the crossbar and bounced back.

Dimmitt's last score came on a late drive from the Bobcat 45. With fullback Johnny Gonzales and tailbacks Sid Sageser and Mark Bruegel carrying the load, Dimmitt cruised the 55 yards in just 10 plays. Sageser scored from the 8 with four minutes left. The extra-point kick again failed.

Not a single pass was completed during the game, as both teams went 0-for-4. Dimmitt's 279 yards was spread around, with Gonzales picking up 108 yards on 13 tries. Sageser gained 79 yards on 12 carries, while Bruegel, seeing his most sustained action in six games, picked up 62 yards on 11 carries.

The Dimmitt defense limited Tulia to 176 yards, and only seven first downs. In

fact, Tulia got just two first downs after its score early in the third period.

DWIGHT McDONALD puts the stop on Tulia's Melvin Parker to halt a 15-yard gain to the Dimmitt 46 in the second quarter of Friday night's District 2-AAA game here. In background, Dimmitt's David Barton comes up to help make the stop. The Bobcats downed the Hornets, 20-7.

Cats must win for shot at playoffs

By JOHN BROOKS

It's all very simple. If the Bobcats win Friday night, and get a varying degree of help, they could be playing almost anyone from District 1-AAA next weekend.

If the Bobcats don't come through against the 1-8 Abernathy Antelopes at Abernathy Friday night, it's time to hang 'em up.

With Friona's 17-10 win over Muleshoe last week, Dimmitt and Muleshoe are tied for third at 2-2. Littlefield is definitely in the playoffs with a 4-0 conference slate. Tulia (1-3) and Abernathy (0-4) are out.

Friona faces Littlefield Friday, while Tulia hosts Muleshoe.

Friona can win the district with a win over Littlefield, but that's not probable, especially if you're from Dimmitt or Muleshoe. If Littlefield wins, as it is favored to do, and Muleshoe and Dimmitt come through, it would force a three-way tie and a coin flip to decide which of the three second-place teams faces the first-place winner in District 1-AAA next week.

If Littlefield, Dimmitt and Tulia were to all win, then there would be no coin flip, as Dimmitt would win second place outright.

But, all that means nothing if the Bobcats don't win Friday night.

Abernathy will be the second young team in a row the Bobcats have faced. After opening with a win over Petersburg, it's been like buying a car in Clarendon for Coach Larry Aldridge — downhill all the way.

Aldridge no doubt wept last May as he watched 19 seniors walk down the aisle at graduation. They played a big role in the 'Lopes 7-3 season. The only starter back is Randy Houston, 6-1, 187-lb. junior. Houston will line up at tight end and defensive end for the Antelopes.

Abernathy has about the same type personnel as did Tulia last week — extremely inexperienced. Bryan Stallings, a part-time starter last season, will be guiding the lines from tackle. Stallings, at 228 pounds, will be on the strong side next to guard Rene Vecchio, a 5-10, 243-lb. sophomore. Those two will be in the middle of the line of defense along with junior David Kemp, at 5-11, 236. That's the biggest trio of linemen the Bobcats have faced this year.

In the backfield, Abernathy will be showing plenty of speed all night. Junior Brian Smith will be running the controls, and has four speedy backs he can hand off to, including sophomores Harold Miller and Chester Cooper, senior Mark Riddell and freshman Billy Cooper.

This is the first meeting in 10 years between the two

schools on the gridiron. They were both members of the old District 3-AA for many years in the 1960's and early 70's.

shape inside. "Experience and a lack of quickness" are Hoyle's big areas of concern.

NAZARETH SWIFTS — With seven players 6-0 or taller and four returning starters, Nazareth will be competitive again in the Class A ranks.

Leading the Swifts will be 6-3 post Mark Huseman, who earned all-district honors last year, averaging 15 a game. Also returning will be 5-9 guard Rodney Schulte, who added 10 points a game, and Marvin and Johnny Schmucker.

Add to those returning starters four lettermen, and the Swifts will have enviable depth. That depth, height and good shooting potential should offset any lack of quickness the Swifts may have.

SWIFTTETTES — Nazareth's girls have a new goal this year. They already hold the record for most consecutive state championships, and a seventh state crown would give them the record for total number of state championships won.

Six letter winners and three starters return from last year's 33-5 team. Leading the pack will be 5-7 post Annette Hoelting and 5-5 forward Rhonda Hoelting, both all-district selections.

Also back is Renee Ramaekers, a 5-8 starting post, along with letter winners Sharon Birkenfeld (5-5), Shari Schilling (5-8) and 5-4 Leona Gerber, who is expected to fill the point guard position.

"We have the possibility of being better offensively," said fifth-year mentor Joe Lombard. "Our post players (Annette, Renee and Shari) have lots of experience and we expect them to contribute more offensively."

Defensively, Lombard said the Swiftettes were probably behind last year's team at this time.

With just 14 players out, depth is one of Lombard's concerns.

Whatever weaknesses the Swiftettes have, Lombard

The event will help raise funds for the Book Club. "We always use proceeds from our fund-raisers to bene-

fit the library, usually in the purchase of books," a club member stated. Founded in the mid-1930's, the club's original purpose was to get a library started. Members have acted as substitute librarians, aided in cataloging books, and have held annual Silver Teas and other fund-raising events.

"Our club has an unusual claim to fame," a club spokesperson said. "We have three family groups in our membership, and each group has three generations of members."

Chit Chat From South Hills Manor Central Care System

By MYRTLE SHEFFY
Hello, just a little Chatter from South Hills. We stay busy. On Thursday we had church that morning with Joe Higgs presenting the service on the 90th Psalm. It is one of the oldest Psalms. We sang a while with Becky Bridges at the piano. The Church of Christ had the service Sunday.

The Sheffy kids and I had Mexican food Saturday night at Ann's. Mrs. Nellie Pesina and Olivia Ortiz came to visit me Friday. Everyone enjoyed the visit and talk and also refreshments of coffee and cookies.

Mrs. Ethel Hunter is our newest citizen. Her husband was Bones or Big'un, Hunter, one of the Jumbo Hunters. They all had nicknames.

Rev. Vernon O'Kelly, the Methodist preacher, will preach Sunday at 9:30 in the assembly room out here. Don Nelson directs the choir for the Methodists.

Howard Bridges was out front Saturday greeting his friends. The Dimmitt school choir and Nazareth youth choir have been out singing for us.

We observed Halloween Friday. People were dressed up as witches and other creatures. At the party we had punch and homebaked cookies.

Santos Perez had lots of fun at the Halloween party. She dressed like a witch. We all had fun.

We have a coffee break each day at 3 out here with a good pot of coffee. Different ones bring cookies, Ruth Jackson more than anyone. Ruth Coleman and Opal Bearden bring cookies, too. Ceal Carlile, my neighbor across the street on Bedford, brings me a dish of ice cream or a piece of pie. Her special is fresh coconut. Thanks go to Mrs. Carlile.

Jimmy Miller was the birthday man Oct. 26.

My sisters came over one day last week: Bower and her husband Bill Sikes from Slaton, Ethel Gillham from Claude and Mrs. Roland Moore from Vigo Park, north and east of Tulia. No they are not as talkative as I am, but nearly.

I hear the Senior Citizens had a good party. I hope to get back there soon.

T&C to meet

At the Nov. 11 meeting of the Town and Country Extension Homemakers Club, members will elect officers and also hear a program on "Medicine Mix-up."

The club meets the second and fourth Thursday of each month at 9:30 a.m. in the courthouse basement.

The Oct. 28 meeting of the club included a tour of a mill and a tortilla factory in Hereford.

All members are encouraged to attend the meeting to elect officers.
