

FATHER RAPHAEL CHEN, WITH NEW BRICK CHURCH IN BACKGROUND
... Pylon with cross will be finished by Dedication Day Sunday

New Catholic Church To Be Dedicated Sunday

The county's newest church building, St. John's Catholic in Hart, will be dedicated Sunday at 11 a.m., then will have an all-day open house.

Performing the dedication service will be Rt. Rev. Lawrence De Falco, bishop of the Amarillo Diocese.

THE SERVICES are open to the public.

After the dedication, ladies of the church will prepare and serve a roast beef and enchilada dinner in the Hart School cafeteria. The dinner will be \$1.25 for adults and 75 cents for children under

12, with proceeds to go to the purchase of new pews for the church.

THE BUILDING represents a milestone in the seven-year history of the St. John's parish, a mission of the Immaculate Conception Church of Dimmitt.

The congregation held its first services Nov. 16, 1959, after being organized by Msgr. Peter Morsch, then pastor of Nazareth's Holy Family Church. First minister of St. John's was Father Quintero.

Present pastor is Rev. Raphael Chen, who has served the Dimmitt and Hart parishes for the last five years.

The building in which the congregation has worshipped since 1960 will be moved to lots near the new brick edifice and will be used as a hall.

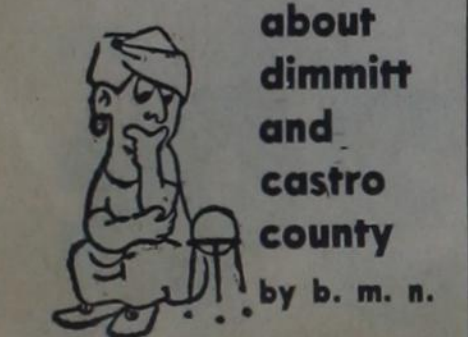

HART'S NEW church building was made possible by contributions from local parishioners, plus a \$10,000 grant from the Exten-

sion Society of the Catholic Church, Chicago. This society has made possible the construction of many such Spanish-American missions and churches in the Texas Panhandle.

The building's architectural design conforms to the church's new liturgy, and has a seating capacity of 250, with room for future expansion. The church also has a cry room and nursery incorporated into two large Sunday school classrooms.

CARRYING OUT the modern design of the building is a tall brick pylon near the northeast corner of the church, which holds an historic old church bell from Nazareth. The pylon is topped by a white cupola bearing a large white cross.

From now on, that old bell will ring at 8:15 every Sunday morning to call Hart's parishioners to mass — in their beautiful new church.

about dimmitt and castro county by b. m. n.

About the only times that we don't need rain in this country is when we have a crop ready to harvest, or just before a ball game. Right now we have some very fine milo that should be headed and hauled to the barn. About half of the tomato acreage in the county has been harvested, the other half needs several days of dry weather so that harvest can be completed. There is still a lot of catsup and tomato juice still in the fields. Since there is plenty moisture for present crop needs, some dry hot weather is needed in the maturing of a fine cotton crop. It would be my guess that most of the fall wheat has been planted, but for those who were behind with their fishing and failed to get the wheat planted between rains a little dry weather would be welcome.

Everything will turn out all right but we do need to get on with the business of gathering a crop.

Politics in Texas will be pretty warm for the next month. No doubt national attention is on the senatorial race in Texas, but of course out of states wouldn't be expected to understand politics, Texas style, most Texans don't expect to understand politics, Senator Ralph Yarborough was hard pressed in the last election and not a democratic state official came to his aid, or even said that he would support the senator at the polls. Now one of the fair-haired boys of the much talked about team is apparently in some sort of trouble and Senator Yarborough is being roundly criticized for not making an all-out effort in his behalf. I don't blame the senator for disregarding the appeals for help from the hard-pressed democratic candidate for senator, and I won't blame loyal democrats for not supporting him at the polls.

The same bunch has control of the democratic party in Texas that were running it in 1952, when the handsome Governor Shivers (Continued on Page Seven)

Burglars Get 44 Auto Tires In Night Job at Hart Co-op

Burglars took 44 tires and a gallon of anti-freeze in a break-in at Producer's Co-op in Hart early last Thursday.

DEPUTY SHERIFF Granville Martin said the tire-happy burglars apparently drove a station wagon to the gin's loading dock and filled it with tires after jimmieing the door with a tire tool. They locked the door behind them

when they left, Martin said.

The deputy estimated the time of the burglary at 1 a.m. last Thursday, although it wasn't discovered by gin employees until after they came to work. Hart has no night watchman.

ALL THE stolen tires are various passenger sizes except for a pair of pickup snow tires, and all carry the "Co-op" brand imprint, Martin said.

Working with the sheriff's office on the case is Butch Albers of the Texas Rangers.

Latimer Finishes CAP Exec Course

Frank Latimer of Dimmitt, executive secretary of the Castro County Community Action Committee, graduated Friday from the University of Missouri Extension Division's Community Action Training Center.

CO-SPONSORED by the Office of Economic Opportunity, the intensive two-week workshop at Columbia, Mo., was designed for Community Action Program directors, to expand their knowledge of new methods and techniques for administering programs in rural communities.

Graduates of the course included CPA directors and administrators from 17 states.

H. J. Huseman Dies Tuesday

Herman Joseph Huseman, 88, retired Nazareth farmer, died at 1 a.m. Tuesday in the home of his grandson, Alvin Kleman.

ROSARY was held Tuesday and Wednesday evenings in Holy Family Church, and mass was to be said today (Thursday) at 10 a.m. by Father Riechel. Burial will be in Holy Family Cemetery at Nazareth, under the direction of Dennis Funeral Home.

Born June 9, 1878, Mr. Huseman was a pioneer farmer in the Nazareth community. His wife, Catherine, died last April.

Survivors include a daughter, Mrs. Clarence Schulte of Nazareth; a sister, Mrs. Rose Albracht of Hereford; 22 grandchildren and 71 great-grandchildren.

Rites Conducted For Mrs. Simpler

Mrs. Tommie Simpler, 81, a resident of Hart since 1952, died Tuesday at 6:40 a.m. in the Olton Community Hospital.

FUNERAL services were held in Hart's First Baptist Church Wednesday morning. Officiating were Rev. Douglas Gossett of Hart Methodist Church and Rev. E. H. Phillips of the Anton Methodist Church.

After further services at Lipan Baptist Church Wednesday afternoon, burial was in Evergreen Cemetery under the direction of Parsons Funeral Home of Olton.

Born in Oak Field, Tenn., in 1885, Mrs. Simpler spent most of her life in Hood County. She had been a member of the Baptist Church since early childhood.

SINCE 1939 she had made her home with her daughter and son-in-law, Mr. and Mrs. Miles Cox. She moved with them to Hart in 1952.

Survivors were E. L. Jobe, Buster Aven, Ernest Martin, J. F. Newsom, Robert Brooks and Tump McLain.

Survivors are her daughter, Mrs. Miles Cox of Hart; a step-daughter, Mrs. T. B. Cox of Hart; step-son, Hubert Newman of Hart; six sisters and one brother.

CLAUDIO BENDAZZI WRITES

'Italy Sure Seems Narrow'

(Editor's Note: Claudio Bendazzi of Italy wrote this letter to the News this week, requesting it be printed as an open letter to the people of Dimmitt. Claudio spent the 1966-67 school year in Dimmitt High School as an American Field Service exchange student. His American "parents" here were the James Bradfords.)

Dear Castro County News:

Excuse me if I haven't written to you before as I promised before leaving Dimmitt, but I have had a lot to do.

As soon as I left Dimmitt I started in the bus trip with 30 other exchange students. What a mess! We stayed in that bus for a whole month touring most of the central and northeastern part of the US. It was a lot of fun even if each one of us was missing

Rains Aren't Fun Anymore

In this land where rain usually brings automatic smiles, the farmers have quit smiling.

"ENOUGH IS enough" seemed to be the general feeling of Castro County farmers as they went about their work under drippy skies Tuesday.

But they breathed a little easier Wednesday as the cold front moved southward and let the sun show its face again in a clear sky.

The biggest headaches right now belong to the cotton farmers.

"IF WE DON'T get some drying weather pretty quick, the cotton farmers are going to be in real trouble," said ASCS Office Manager Charley Hill. "They can't take much more rain right now."

SCENE OF FRIDAY NOON TURNOVER, WHERE PLAINVIEW MAN DIED ... Sheriff and deputies place victim into ambulance

Vegetable farmers aren't happy with the unseasonal, off-and-on showers either.

Elvon DeVaney, manager of Western Vegetable Co., took a look at the cold, damp skies Tuesday and decided "This weather is terrible."

"THIS COLD, WET weather is just like putting these vegetables in the ice box — they'll keep until it warms up, then they'll ruin in the field before you can get them out," DeVaney said.

He said the cucumber harvest, which ended Saturday, was held to 60 percent because of the heavy August and September rains.

DeVaney predicts a good, stable 75 percent crop on tomatoes "if it will dry up and stay pretty again for a while — but if this cold, wet weather keeps up, it's going to be bad."

MILLO, The county's first-line crop, is beginning to flounder a bit from the rain, too.

"The farmers tell me a lot of milo is beginning to sprout in the head because of the wet weather," Hill said, "and it's turing the milo into No. 3 and No. 4, which will cost the farmer money."

Farmers growing corn for ensilage are getting the blues, also.

"The corn is getting too mature for ensilage, and it got so tall and rank that the stalks have begun to fall down, which makes it awfully hard to handle."

BUT WHAT is one man's curse is another's blessing. The recent rains have been a real boon to soybeans, wheat and native grass.

"Things seem to be just right now for soybeans," Hill said.

"Paul Brooks said he felt his patch by Five Point is the best he's ever grown, and he thought it would average 45 bushels per acre without any fertilizer."

"And the wheat is in real fine shape," Hill continued. "It's as pretty as I've ever seen. It will probably need to be grazed around the first of November."

"And I've never seen the native grass as pretty as it is now," he said. "It's heading out real well, and it's really in good shape."

BUT THE GENERAL outlook seems so to be that every new rain now will cost money in Castro County. The soybean and wheat farmers don't want any more, and the cotton farmers can't stand any more until the crops are out.

Wrecks Kill One, Hurt Six

The toll was one dead, four severely injured and two others hurt in separate one-vehicle turnovers near Dimmitt during the week.

LINCOLN WESTMORELAND, 50, the father of three, died shortly after a pickup and trailer jack-knifed and overturned 3.2 miles north of Dimmitt Friday. Six people were in the pickup cab.

Also severely injured in the noon turnover on US 385 was Willie B. Grayson of Plainview, 57, owner and driver of the pickup. Westmoreland's wife, Shirley, received a bruised arm, but her three children apparently escaped unhurt. Ages of the children are 4, 2, and two months.

Highway patrolmen said Grayson was helping the Westmoreland family move from Plainview to Hereford, and was hauling the family's belongings in the pickup bed and a rented trailer.

PATROLMAN Ronnie Grady said Grayson slowed to make a U turn after a mattress blew off the trailer, and the trailer apparently started whipping. The pickup swerved off the pavement onto the dirt shoulder, Grady said, and when Grayson turned back onto the pavement the trailer apparently skidded, causing the hitch's safety chain to overturn the pickup.

Mrs. Westmoreland and her children were taken to Plains Memorial Hospital, and Grayson was transferred to Methodist Hospital in Lubbock with severe head injuries.

Patrolman Charles Moore said the car was going south toward Hart when it passed a pickup going into an S curve via miles out of Dimmitt. When the curve bore back to the right, Moore said, the car kept going straight off the highway and rolled at least twice.

THE AUTO came to rest upright 10 feet from the pavement. Patrolmen issued no citations.

Gee was transferred to an Amarillo hospital with a possible fractured hip, and the other boys were admitted to Plains Memorial. Brook received possible head injuries, and Bland received severe cuts and contusions, patrolmen said.

Three local boys, all 17, were severely injured Monday night when their car jumped a curve and overturned five miles south of Dimmitt on State 194. A fourth boy received lesser injuries.

Seriously injured were Buck Bland of Nazareth, driver of the 1963 Ford sedan, and Mark Brook and Gene Gee of Dimmitt. Also hospitalized, but with less serious injuries, was Glenn Derrick of Dimmitt.

The accident occurred at 7:30 p.m.

Charter Bus Door Still Open

Only 10 signed up Monday for the charter bus to the Dimmitt-Memphis game, but the bus door is still open.

DIMMITT'S Athletic Booster Club learned this week that reservations can still be taken for a charter bus to carry fans to Memphis Oct. 7, and the deadline has been extended a week.

Anyone wishing to make the trip by chartered bus may contact Dimmitt High School Principal Ike Moore at his office by 3:30 p.m. Monday. Cost of the round trip is \$6 per person.

Soil Conservation Tour To Form at 9:30 Friday

Farmers and businessmen from throughout the county are expected to gather Friday for the Running Water Soil Conservation District's annual farm tour, which will start at 9:30 a.m.

ASSEMBLY POINT will be the Leland Lee Farm operated by Dale Maxwell, three miles north of Dimmitt on US 385.

Other stops on the tour will be at the farms of the Simpson Brothers, Fred Axe, H. F. Benson and J. V. Jolly.

Final stop will be the Shirley Garrison Farm at Easter, where

First State Bank of Dimmitt will provide a noon meal to be served by the Easter Ladies' Community Club.

AFTER THE MEAL, a short afternoon program will be held. Speakers will include Jack Kyle and Harvey Walker, Extension Service officials from Lubbock; Bob Price, congressional candidate from Pampa; and Frank Rayner, new engineer for the High Plains Underground Water District.

Also on tap is the election of a supervisor from Zone 3 of the district. The man elected will succeed Fred Axe, who is completing his third five-year term

on the district's board of supervisors.

On their tour stops, farmers will see grain sorghum variety demonstrations, forage sorghum variety demonstrations, irrigated warm and cool system pastures, land leveling and other conservation practices.

ONE OF THE highlights of this year's tour will be the grazing systems being used on two places to provide year-round grazing for livestock on irrigated land.

This year's tour will be carried live over Station KDHN, so those who wish to may stay in their cars during the entire tour and still hear every word said.

225 Parents, Teachers Flock To Old-Fashioned Pie Supper

An old-fashioned pie supper drew 225 people to the first meeting of the Dimmitt Parent-Teachers Association last week in South Grade School cafeteria.

AND FOR the first time in a long time, there were more parents than teachers at the PTA meeting.

Presiding at the meeting was Mrs. Woodrow Killingsworth. Before business got underway, Marilyn Hays presented devotional thoughts as a tribute to the late Percy Estes father of South Grade School Principal Helen Richardson.

Mrs. Killingsworth announced that the all-school "hootenannies" would be separated into separate sings because of the overwhelming crowds that have

been attending. From now on, high school students will hold their hootenanny at one church and junior high schoolers will have theirs at another church.

CHURCHES OF the community will sponsor the hootenannies during the year.

Supt. Paul Hilburn presented the 1966-67 school budget and explained the school evaluation program now being conducted.

Mr. Broderson, North Grade School counselor, spoke on the merits of the physical fitness program in the schools, stressing the aid it provides for good child development.

Next PTA meeting will be an open house at the South Grade School the third Tuesday in January.

CELEBRATING their 51st anniversary last week were Mr. and Mrs. J. O. Ayers Sr. of Anderson, Mo., former long-time Castro County residents. All their children were present for a family reunion on the eve of their anniversary. This photo was taken last year when they celebrated their golden anniversary among a large gathering of children, grandchildren, great-grandchildren, neighbors and Dimmitt friends.

Three From Hart Methodist Attend Manor Founder's Day

HART — Three people from Hart attended King's Manor Founder's Day meeting in First Methodist Church at Hereford last week. They were Rev. and Mrs. Douglas Gossett and Mrs. Mabel Aven.

Purpose of the organization is to provide strength which will insure the security and the quality desired in the long term service at King's Manor; to provide publicity and education that will enhance the public image of the home; and to attract capital gifts. Rev. Dr. Don Davidson is administrator of King's Manor.

W. A. HAWKINS SR., who was out of town on a tour, was elected vice president of the group. Mrs. T. B. Cox, who was unable to attend this meeting, is one of the commissioners for the Home. Those interested in entrance in this home should write King's Manor, Admissions Officer, Box 608, Hereford.

THIS WAS A supper meeting of those who had paid the \$10 annual memberships. Rev. Clifford Trotter, pastor of First Methodist Church in Hereford, was master of ceremonies, and Rev. W. W. Hawthorne of Houston, who is now serving as administrator to a similar home for elderly people, was guest speaker. His subject was "The Churches Ministry to the Elderly."

"We must view the elderly from God's point of view," Rev. Hawthorne said. "They are people created in God's image. We must not view them as needing only animalistic attention — but as persons."

The constitution and by-laws were adopted as proposed, setting up three types of membership: annual, \$10; sustaining, more than \$10; and life, \$1,000 or more.

Last Rites Held For Mrs. Phillips

Mrs. Lillian Dee Phillips, 24, of Littlefield died last week in Methodist Hospital in Lubbock, where she had been a patient for 24 days.

Funeral services were held Wednesday of last week at 2 p.m. in Parkview Baptist Church, Littlefield, with Rev. J. B. Cagle officiating. Burial was in Hart Cemetery, with Hammons Funeral Home of Littlefield in charge.

MRS. PHILLIPS was born Aug. 26, 1941 in Wood County.

She is survived by her husband, James M. (Monte) Phillips of Littlefield; three children, Monica Dee, Hoby Brent and Kristi Michelle; her mother, Mrs. Mary Lou Minick of Winstboro; her father, C. T. Tolbert of El Paso; a brother, Troy Tolbert, US Marine Corps; two half brothers, Pete Tolbert of El Paso and Ralph Minick of Winstboro; three sisters, Miss Ruby Minick of Winstboro and Misses Babbett and Natalie Tolbert of El Paso.

Pallbearers were Bob Martin of Farwell, Gene Beck and Douglas Walden of Littlefield, Senny Armstrong of Dimmitt, and Clinton Holiman and Alvin Beavers of Hart.

Circle Studies Men's Unique Mission Service

"For Eight Days I Healed the Sick" was the program topic of Ruth Circle WSCS in its first meeting of the year Monday.

PROGRAM chairman was Mrs. Floyd Stanford, whose topic dealt with a series of articles on American laymen's teams who paid their own way to Bolivia for three-week missions to help in their professional fields as doctors, dentists and hospital administrators.

The Laymen's Overseas Service Program was started in 1962 and is making impressive progress, Mrs. Stanford reported.

Assisting Mrs. Stanford with the program was Mrs. S. R. Hutto, who discussed "Time Out for Missionaries," another article on the LOS program.

Mrs. Edd Wilson Sr. gave the devotional. Fourteen members were present.

Bethel Residents Have '42' Party

Games of "42" were played by Bethel residents at a community party Saturday night in the Community Building.

HOSTESSES were Mr. and Mrs. Milton Bagwell, Mr. and Mrs. Houston Lust, Mr. and Mrs. Martin Young, and Mr. and Mrs. Jimmie Howell.

Those attending, in addition to the host couples, were Mr. and Mrs. Jody Young, Mr. and Mrs. Earl Lust, Mr. and Mrs. Vern Lust, Mr. and Mrs. Lon Boothe and Mr. and Mrs. Elbert Smith and their families.

H-D Notes

This Is 4-H Week-- A Good Time To Join

BY IRENE KEATING
Home Demonstration Agent
 Remember this is 4-H Week. Also, this is a good time for any interested persons to join 4-H. You must be between 9 and 19 to be long. If you are interested con-

tact the county agent's office. Wednesday, Thursday, and Friday afternoons from 2:30 to 3:30 are the leader training sessions for 4-H foods leaders. I hope the foods groups can start meeting in October.

All of you foods leaders are asked to attend these sessions, even if you have had them before, since we have new units this year. The Unit 1 meeting is 2:30 to 3:30 Wednesday; Unit 2 Thursday; and Unit 3 and up Friday at the same times. We will be meeting in the assembly room of the courthouse.

SEPTEMBER is better breakfast month, so let's get the habit of a good breakfast and keep it all year through.

If you find it difficult to prepare more than the simplest breakfast and meet your deadlines for getting your family off to work and school, try a new approach. Give yourself a head start by preparing some of the morning fare the night before. You can set the table at night and get out the cooking items needed for your breakfast.

Wise planning will save a lot of steps and perhaps allow you some extra time to sleep. It is a good idea to have breakfast menus and follow them. Make use of convenience foods.

Canned, frozen or fresh juice can be prepared the night before and refrigerated. Quick cooking cereals can be used; pre-cooked

meats and leftovers need only a few minutes to be heated through, and partially baked hot breads and canned oven-ready biscuits are handy. You might also like to try mixes for muffins, pancakes, etc.

It is best to plan to have one-fourth to one-third of the day's food nutrients at breakfast. Start the day right each morning for your family by providing them with a good breakfast.

Garden Clubs Plan Home Tour

The Dimmitt area's three garden clubs will hold a flower show and home tour in Hereford, Oct. 14, from 2 to 5 p.m. The three garden clubs are hostesses in the homes of Mrs. L. Ansel McDowell, 207 N. Texas; Mrs. R. C. White, 214 N. Texas; Mrs. D. W. Palmer, 149 Live Oak; Mrs. J. D. Poanch, 114 Live Oak; Mrs. Don Robinson, 101 Live Oak; Mrs. Charlie Holt, 4 1/2 miles west on the Clovis Highway.

Brooks in Mo. Mr. and Mrs. Earl Brock are visiting their son, Bob and family in Kansas City, Mo. this week.

B-Cats Gain Tie With Hale Center

The Dimmitt B team played Hale Center last Thursday night and earned a hard-fought 6-6 tie with the visitors.

THE ENTIRE Dimmitt defensive unit joined to hold Hale Center to one touchdown.

Glenn Mundell, Louis Rendon, Julian Acevedo, Steve Hunt, Richard Jackson, David Seale, Gary Crum and the other Bobcats held Hale Center offense in check most of the game. Mundell did an exceptional job playing defensive end.

During the first half the Bobcats could not get their offense going, but after the half, some hard running by Ronnie Prather, Jerry Lytle and Bobby Joe Frierson moved the ball into scoring territory.

JERRY LYTEL broke loose on a 35-yard scoring run, but the run was nullified because of a clipping penalty. A few plays later, behind good blocking, Ronnie Prather went 25 yards for a touchdown. He almost lost his balance a couple of times but managed to stay on his feet and

Freshmen Are Off To a Good Start

Dimmitt High School's freshman football team is off to a good start this year. Thirty-five strong and with two games behind them, they are working hard and are expected to produce some fine athletes for the Bobcats in the future. Coach Jones Hedrich, tutoring the backfield, and Coach Roy Hunter, prompting the line, have high expectations for the season.

THE FIRST test was Sept. 15, when the team journeyed to Friona and returned with a 24-0 victory. The second encounter was Sept. 22, with Littlefield's freshman reserves. The young Cats came out victorious, 6-8. Tonight (Thursday) they take on the Olton ninth grade.

With every player participating in both games, the coaches feel as though each individual is receiving valuable experience. Each player is striving to be prepared for that day when he will be a "Bobcat."

with determination, managed to score.

CLAUDE'S LARRY MORRISON RACES 15 YARDS INTO END ZONE FOR THIRD-QUARTER TOUCHDOWN AGAINST NAZARETH ... Pursuing are Nazareth's Harold Schacher (12), Greg Anderle (43), Gene Dobmeier (41)

Claude Gains 34-0 Victory Over Nazareth

Claude's Mustangs ground out two hard-earned touchdowns in three quarters, then struck for 20 points in the final eight minutes for a 34-0 victory over the Nazareth Swifts Friday night.

The non-conference bout, played on the Swift Field, was a rugged standoff in the first quarter, including a brilliant goal-line stand in which the Swifts yielded only four yards in four plays to throw back the Mustangs on the 5-yard line.

BUT LATE in the second frame the Ponies put together a 55-yard drive and weren't to be denied again. Fullback Billy Mac Bartley punched across from two yards out to give Claude a 6-0 halftime lead.

The Ponies picked up steam after intermission. With just four minutes gone in the third quarter, halfback Larry Morrison hurried 15 yards to paydirt and Bartley added a two-point run to give the Ponies a 14-0 advantage.

That's how the quarter ended — despite a brilliant pass interception and 45-yard runback by Claude's Gary King, which went for naught when Claude fumbled away the ball on the following play.

IN THE fourth period the Swifts barricaded finally fell as Claude attacked from long range. With eight minutes remaining in the game, Bartley weaved 40 yards to set up the Mustangs' third touchdown for a 20-0 lead.

Three minutes later, it was Bartley again, this time faking a punt, and racing 60 yards to the promised land to make the score 26-0.

The relentless Mustangs kept pounding, and with only 20 seconds left to play, King took a short pass, weaved 40 yards, stopped to wait for his blockers, then danced into the end zone with Claude's fifth TD. The Mustangs converted with a two-point run to garner a 34-0 win, their first victory of the season.

Messer Throws Cats For 31-12 Loss

BY JIMMIE CHAPMAN
The Springlake Wolverines battled back in the second half Friday night after trailing the Dimmitt Bobcats by 12-0 to snatch a 31-12 victory from the Bobcats in a non-conference game at Springlake.

Dimmitt scored once in the first quarter and once in the second, and seemed on its way to its second victory of the season. But Quarterback Doug Messer had different ideas. He ran and passed the Wolverines to 31 points in the final three periods, 25 of them coming in the last half.

The southpaw passer ran the Bobcats wild, and threw the ball for yardage that even the AAA Muleshoe Mules and the fabulous Shields of Farwell had not been able to accomplish.

It was one of the most outstanding one-man shows that has been unveiled before the Cats in the past five years. Messer passed 21 times, completed 12 and gained 154 yards through the air, mostly to halfback Terry Parrish and fullback Randy Washington.

Dimmitt got on the scoreboard first when fullback David Land crashed over from the one-yard line, capping a 51-yard drive that started when Don Moore hit Messer so hard behind the line of scrimmage that he fumbled and the Bobcats recovered. The try for extra point never got off because of a bad snap from center, and the Bobcats held a 6-0 lead at the end of the first period.

The Bobcats increased their lead midway in the second period after a stout defense had given the Bobcats possession on their own 34. Tommy Stafford popped through the left guard spot and went 66 yards for a touchdown on first down.

The conversion attempt was again no good, but it was exciting. The bad snap from the center got away from the holder, and Kenmore picked it up and tried to pass it to anyone in the end zone, but it fell incomplete.

However, the Bobcats had a 12-0 lead and looked like they were on their way to victory.

Springlake took the kickoff on its own 33, then Messer began to get the Wolverines rolling. He would either keep the ball himself or pass it to Washington or Parrish. With the ball resting on the 18-yard line, Messer kept on a roll-out and went in for the first Springlake touchdown. He was hit three times but bounced off, then finally hurdled the last man at the 5-yard line to go in for the

score. James Thomas' place kick was wide, and the score stood at 12-6 with the Bobcats still in the lead.

Springlake tried an onside kick on the kickoff, but it failed and Dimmitt took over at the 50. Ronnie Hutton and Tommy Stafford kept picking away at the Wolverine line, but the lack of offensive blocking held the Cats in check. The first half ended with the Bobcats owning the ball in Springlake territory with a 12-6 lead.

The Bobcats got the second half kickoff — and that's about all they got in the second half. From their own 38-yard line they were penalized back to the 25 for clipping, and Bobby Cummings recovered a Dimmitt fumble two plays later on the Dimmitt 25.

The Wolverines drew a 15-yard penalty a couple plays later, but on fourth down and goal to go from the 10, Messer hit Logan Armstrong on a 10-yard TD pass that tied up the game. Messer tried to go around left end but he was stacked up at the line and the score remained tied at 12-12.

Later in the third period, Randy Washington intercepted a Bobcat pass and ran it back for 21 yards and a touchdown to put the Wolverines ahead. Jose Triana kicked the point, and the Wolverines were ahead 19-12 when the third quarter ended.

Springlake grabbed another fumble in the fourth period, this one on the Dimmitt 36. Beelee Goodwin came through and threw Messer for a nine-yard loss on the first play, but Messer dusted himself off and hit Terry Parrish with a 45-yard touchdown pass on the next play. Triana's kick was good and Springlake held a 25-12 edge with 7:45 left to play.

The Bobcats were forced to punt, and after getting another bad center, Kenmore's punt was blocked and Springlake recovered on the Dimmitt 21. Messer went into the promised land two plays later from the 5-yard line, but the play was nullified by a backfield in motion penalty. On the next play, Messer hit Washington for the TD that was good. Triana's kick failed and the score stood 31-12.

The desperate Bobcats again could not move the ball and were forced to punt. They got another

chance, but the Wolverines ended the game two minutes later by recovering a fumble on the 50-yard line.

Dimmitt's offense showed up well in the first two periods, but after that it was all Springlake. The weakest part of the Bobcat's attack was the lack of downfield blocking, the very factor that had sparked them to the tie with Muleshoe and a win over Farwell.

Coach Brown L. Smith made no excuses for the showing except to say that the team mentally was just not ready for the game. But he said the squad will be worked hard this week and will be ready for the tough Hale Center Owls when they fly into town for the first District 3-AA game of the season. From now on cut, all

games are District 3-AA encounters, and those are the ones that count.

On the offensive side for the Bobcats, standouts were Tommy Stafford, who did well with his running, and Rodney Hutto and Don Moore, who did some good blocking. On the defensive side, David Land, Beelee Goodwin, Stanley Byrnes and Mike Bruegel stood out.

Will Owls Conquer as Usual, Or Will Bobcats Stop Them?

For Dimmitt's sadder but wiser Bobcats, the acid test comes early this year — Friday night, in fact.

THAT'S WHEN the powerful Hale Center Owls, the coaches' choice as the cream of the conference, will come to Bobcat Stadium for the District 3-AA opener.

From here on, every game will be played for the brass ring. The Owls, in their first year as a Class AA team, will hope to get an early start toward the district championship. The Bobcats intend to stop them.

Dimmitt came out of its non-conference schedule with a so-so 1-1-1 record, after bouts with a AAA school and two Class A crews. Hale Center is sporting a 2-1 mark.

BY COMPARATIVE scores, the Owls figure to be 44-point favorites. They downed Springlake 31-6 two weeks ago, then Springlake turned around and rocked the Bobcats 31-12 last week.

But Coach Brown L. Smith and his Bobcats don't plan to play the game on paper. They're hungry this year, they're definitely on the prowl, and an Owl feast would suit them just fine.

But whether they come up with a feast or feathers will probably depend on a precise balance of desire, confidence, ability and grit.

THE OWLS won't be easy foes. In fact, they've won the nod from Class AA coaches as the district favorites — and they haven't done anything yet to make the coaches change their choice.

Coach C. H. Keeton's Hale County boys started the season

with a narrow 14-8 loss to Post. The loss was nothing to be ashamed of, though — Post is picked as the first team in years that can take the District 4-AA crown away from Denver City.

In their second outing, the Owls trounced Springlake 31-6. Friday night they flexed their muscles to a 33-0 victory over Hereford B in a schedule filler.

IN THEIR FINAL season as a Class A team last year, the Owls posted a 7-3 mark, including a 34-6 victory over Dimmitt. They lost to Kress by three points for the district championship, and their other two losses were to 3-AA schools.

Fourteen of last year's lettermen bolster the Owl squad, although the roster includes only two of last year's offensive starters and five defensive returnees. They'll be bigger than the Bobcats; they have a good, deep bench; and they're in good shape.

For the first time, the Bobcats will have tri-captains Friday night. Last year the boys elected Kent Lindsey and Don Moore as co-captains, then agreed to wait until pre-conference week to elect the third man on the basis of his performance and value as a teammate. Monday they chose senior guard Mike Bruegel as their third tri-captain.

ALL THE COMPARISONS will go into the wastebasket where they belong Friday night when the Bobcats go out to defend their home field and make their grab for the brass ring of District 3-AA.

Game time is 7:30 p.m.

SWC Highlights Film Is Booked

Dimmitt's Athletic Booster Club will hold its regular meeting Tuesday night next week instead of Monday night as usual, and will see a color film on "Southwest Conference Highlights of 1965," narrated by Kern Tips.

Longhorns, Turks Fight To 8-8 Tie

By Larry Bates
The Turkey Turks came from behind in the second quarter to tie the fighting Hart Longhorns 8-8 Friday night. It was a long, hard fought battle with both teams displaying outstanding defense.

IN THE FIRST quarter, with eight minutes gone, Larry Parker tackled a Turk on the Turk's 2-yard line. Three downs netted the Turks minus one yard, and on the fourth down punt play, Hart's Larry Parker broke through from his end position and got a hand on the ball. The Longhorns recovered on the Turks' 4-yard line.

Two plays later, fullback, Tommy Gonzales pierced the middle for the score. Two extra points were added as Gary Rambo passed to Larry Parker in the flat.

THE REST of the first quarter was mainly a defensive battle with neither team gaining an advantage.

In the second quarter, the Turks finally began to get up a head of steam. They drove from the own 30-yard line in nine plays with John King scoring from the 12-yard line. King also made the extra points as he sprinted around end into the end zone to deadlock the score at 8-8.

Both teams came to play in the second half, but again the game settled into a defensive battle. The third quarter was uneventful as both teams fought it out in the middle of the field.

THE FOURTH quarter was a replay of the third. The Turks were trying to keep a good name by beating the Longhorns, but the Longhorns were determined to hold the Turks at bay. The fourth quarter ended with Turkey roosting on Hart's 8-yard line.

Assistant Coach Jim Rich commended Danny Smith, Larry Parker and Bob Crick for "very fine jobs," and all of the Longhorns contributed to the outstanding job of defense.

"**IF WE CAN** get our offense to clicking, we can give the rest of the teams a run for their money," Coach Rich said.

The Turks bested the Longhorns in the statistics department, but the Hart lads came up with big plays at the right moments.

Memphis Minister To Conduct Week-Long 'Crusade For Christ'

Evangelist Tom T. Posey, minister of Memphis' First Christian Church, will arrive Sunday afternoon to begin a "Crusade for Christ" week of services at First Christian Church, 600 Western Drive, Dimmitt.

Evangelist Posey

SERVICES WILL be at 7:30 p.m. during the two Sundays of the Crusade instead of the regular 6 p.m. time, so people can attend the evening Crusade services after going to their own evening church services.

Minister Bedford W. Smith will open the Crusade at the 10:50 a.m. service Sunday with a sermon on "Today Is the Day." He will also deliver the Crusade's closing sermons Oct. 9.

Evangelist Posey will preach Sunday evening and at 7:30 each night Monday through Friday next week.

Evangelist Posey is in his third term of ministry with the Memphis congregation, having served two terms there before going to Paramount Christian Church in Amarillo. He returned to Memphis last year. Minister Smith of Dimmitt also was formerly associated with the Memphis congregation, having served there from 1948 to 1952.

Minister Posey is no stranger to the local congregation. He was the dedication speaker for the church here in February 1963, and preached the sixth anniversary service here last February.

SUNDAY ALSO will be Rally Day in the 9:45 a.m. Bible school,

with several special features planned. George Gabel is superintendent.

The Women's Council met last Monday evening at the church with Mrs. Dexter McGaughey serving as hostess. Last month's meeting was hosted by Mrs. Othole Frye of the Dodd community.

'Missions' Topic At WSCS Meeting

HART — Mrs. H. H. Parker, assisted by Mrs. Ed Bennett and Mrs. Douglas Gossett, gave a program entitled "New Focus for Missions" at last Thursday morning's meeting of the Women's Society of Christian Service.

MRS. MABEL AVEN opened the meeting with prayer and Mrs. C. B. Landers gave a short devotional, followed by a brief business session conducted by Mrs. H. H. Parker, president.

Present were Mrs. W. A. Hawkins Sr., Mrs. W. C. Crick, Mrs. Parker, Mrs. Gossett, Mrs. Landers, Mrs. Aven and Mrs. Bennett.

The WSCS meets each Thursday at 9 a.m. in First Methodist Church of Hart, and meetings are open to all ladies of the community.

Mrs. Harlin Hosts Zealots

HART — The home of Mrs. M. C. Harlin was the meeting place for the Zealot Club last week. Mrs. Preston Upshaw and Mrs. Jimmy Davis were co-hostesses.

A SHORT business session was conducted by the president, Mrs. Warren Lemons. Bob Hammond of the Yard Stick in Plainview spoke on "Dress Fabrics and Patterns." Mrs. Ralph Futrell submitted her resignation as reporter. Mrs. Howard Mitchell and Mrs. D. L. Williams were voted in as regular members.

Mrs. C. R. Jones was appointed chairman for ways and means to raise money for the club. In the past the club has furnished baskets of food at Christmas time to the needy; sent money to Rev. Dale West, a former Baptist pastor at Hart, who is doing missionary work in Old Mexico; helped develop a picnic ground at the American Legion building, and a number of other causes.

Present last week were Mrs. Warren Lemons, Mrs. C. R. Jones, Mrs. Wamon Foster, Mrs. Deryl Cleavinger, Mrs. L. D. Williams, Mrs. Howard Mitchell, Mrs. Jimmy Davis, Mrs. Preston Upshaw, Mrs. M. L. Harlin and one guest, Mrs. J. V. Wescott.

PAINT . . . Protects wood and metal GOD'S WORD . . . Protects the soul

As paint protects wood and metal from decay, rust, and corrosion, so the promises found in God's word protect the soul from the evils of sin, anxiety and despair. Hear God's wonderful promises proclaimed from the pulpit in the church of your choice this Sunday. These promises so heard will accomplish wonderful things in your soul and heart, for God says of His Word, "It shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it." Isaiah 55:11.

Bible Thoughts

"CHRISTIAN DISPOSITION"

By Ronnie Parker

In Colossians 3:12 Paul says, Put on therefore, as God's elect, holy and beloved, a heart of compassion, kindness, lowliness, meekness, longsuffering; forbearing one another, and forgiving each other."

In speaking about Christian disposition we are speaking of the great need to have right attitudes. Disposition defined is "the predominating bent of one's mind or spirit — the habit of one's mind." Emerson said, "A man is what he thinks about all day long." In other words, our thoughts make us what we are. The Roman ruler, Marcus Aurelius said, "Our life is what our thoughts make it."

If we think happy thoughts, we will be happy. If we think miserable thoughts, we will be miserable. If we think fear thoughts, we will be fearful. If we think sickly thoughts, we will be ill. If we think hateful thoughts, we will hate. If we think of love, we will love.

Being Christian in disposition is not easy. Rather, it takes a lot of earnest effort and presents a great challenge to us. This world will be better when more of God's children put on hearts of compassion and love.

Study Club Holds Luncheon And White Elephant Auction

BY DEBORAH BAKER
The Mon Amis Study Club met last Wednesday for a luncheon in the home of Mrs. Jack White. The program was a white elephant sale with Carol Terrell as auctioneer.

ricks, who attended Wednesday. The R. B. Bakers were also there Wednesday. The Billy Bakers and Jerry Lance attended the fair on Monday night.

Sunday the Carl Lees had all their children visiting with them in their home. Their children are Mr. and Mrs. Carlyle Sargent and children from Hereford, Mr. and Mrs. Jackie Lee from Friona, Mr. and Mrs. Wayne Lee and children from Tulla, Mr. and Jack Howell and children from Dimmitt, and Mrs. Donald Shelton.

Mrs. Jack Howell of Dimmitt went with her mother and sister, Mrs. Carl Lee and Carolyn Shelton and neighbor Mrs. Cleo Edwards Monday to Amarillo on business.

Mr. and Mrs. Fate Shannon and her parents from Dimmitt, Mr. and Mrs. Bryan Sinclair were dinner guests Sunday of Mr. and Mrs. Lloyd Veazey in Amarillo.

J. W. (Dub) White, son of Mr. and Mrs. Jack White was home last week from Oklahoma Military Academy at Claremore, Okla.

RAY BOLINGER and Mr. H. L. Higgins of Hereford left last Thursday for a business trip to Bentonville, Ark. They returned Sunday.

Last Rites Held For M. B. Jowell

Last rites were conducted in Plainview last Thursday for M. B. "Pop" Jowell, 85, former Dimmitt resident who died at his home northwest of Halfway Sept. 20.

MR. JOWELL farmed in Castro County from the early 1940s until the mid-1950s, and with his wife operated the Steak House, the Hotel Cafe and Mom's Cafe. His sons distinguished themselves in athletics here, and later played basketball and football for Rice Institute and McMurry College.

Services were held in Wood-Dunning Colonial Chapel and burial in Tulla's Rose Hill Cemetery under the direction of Wood-Dunning Funeral Home.

Born in Mineral Wells, Mr. Jowell first came to the Panhandle in 1891, moving to Tulla from Palo Pinto County. He spent part of his early life in Arizona during his pre-statehood days. He had farmed in Swisher, Castro, Floyd and Hale Counties.

HE IS survived by his wife, Mrs. Laura "Mom" Jowell of Halfway; four sons, Mel and James of Houston, William of Phoenix and Carl of Odessa; two step-sons, Cecil Anderson of Phoenix and Edgar Marvel of Hawaii; a daughter, Mrs. Lois McAlister of Halfway; a stepdaughter, Mrs. Katherine Macey of Akron, Ohio; 36 grandchildren and four great-grandchildren.

visiting her parents Mr. and Mrs. James Stidham. Mr. Guy Walsler and son Wayne and Carlyle Sargent were fishing this week at Indian Springs Resort in Okla. The men left Wednesday and returned home Sunday.

Miss Gibbs

Dimmitt Graduate To Join Hospital

Linda Gibbs, daughter of Mr. and Mrs. A. R. Gibbs of Dimmitt, graduated Friday night from Amarillo College School of Vocational Nursing and is scheduled to start work at Plains Memorial Hospital Saturday.

MISS GIBBS, a 1964 graduate of Dimmitt High School, was among 30 student nurses receiving diplomas in commencement exercises Friday evening. Main speaker was Emmett R. Johnson, executive director of the Amarillo Area Foundation.

While a student at Amarillo College, Miss Gibbs trained at St. Anthony's Hospital in Amarillo.

moved into the republican camp with all of the democratic party organization killing any chance Governor Stevenson would have had in carrying Texas. Now that same bunch is preaching party loyalty in trying to get the right-wing arch-conservative candidate, Waggoner Carr, elected on the democratic ticket.

The republican daily papers take delight in pointing out the fact that the Governor has absolute and complete control of the Democratic party in Texas and there is no gainsaying the fact. However it is a little hard to understand just why the governor was hell-bent for leather to completely snuff the loyal and liberal democrats at the state convention. Even though the credentials committee declared that the liberal delegation from Houston and Harris County were duly elected at the Harris County convention, they ruled that half of the county's votes would be cast by a delegation from a conservative rump convention. After pulling that stunt they will get out and beat the bushes and clamor for support of the party's nominee by all democrats. When they plead for party loyalty they should remember the lack of support given Senator Yarborough by their type of democrats, and the times that this same party organization openly and actively supported the republican nominee for president. The ring leader, on the two occasions that the state democratic party organization openly and arrogantly threw its support to the republicans, was Allan Shivers and that same Allan Shivers was a speaker at the recent democratic convention. That's the bunch that talks about party loyalty, but only when one of their own fair-haired members gets into trouble.

An important project of interest to every citizen in Dimmitt has been under consideration, investigation and appraisal by the City Commission for the past several weeks or months. The proposed project would provide for electric generating facilities to furnish electricity to some of the major electric users in the city, and according to unofficial reports would be financed by revenue bonds authorized in a special election. A joint meeting of Dimmitt business and civic clubs has been scheduled for Thursday, October 13, when city officials propose to discuss the proposed bond election. Announcement of the joint meeting of Dimmitt clubs was made at last week's meeting of the Lions Club, and I assume at the regular meetings of other clubs in the city. The News staff will make every effort to give full and complete news coverage of the upcoming project as it becomes available.

THE ALL NEW CAMARO, Chevrolet's newest, will be built in sport coupe and convertible models. This is the Super Sport. The Camaro line incorporates many options that include concealed headlamps behind a lattice grille which opens and closes when lights are turned on and

off, plus a hood with simulated louvers and a wide "bumble bee" paint band on the nose. A 350-cubic-inch V8 engine is used in the Super Sport version. The Camaro and all other new Chevrolet models go on display today at Dimmitt Motor Co.

Feeding Hints On Urea Given

Urea is a non-protein-nitrogen compound which, through bacterial action in the rumen and in the presence of readily available carbohydrates, is converted into protein usable by ruminants, according to U. D. Thompson, Extension animal husbandman, Texas A&M University.

READILY available carbohydrates are such feeds as molasses and the grains of corn, wheat, barley and sorghums. Correct amounts of urea thoroughly mixed with molasses or the grains gives comparable feeding results to the vegetable protein supplements, Thompson said.

The following points should be considered when urea is fed to cattle:

- 1. Mixtures containing urea require thorough mechanical mixing.
2. Getting cattle adjusted to feeds containing urea is very important. Range cattle may be fed one-fourth of their daily supplemental protein allowance for the first three days. Then gradually increase until they are receiving their full daily protein requirement within two weeks.
3. UREA MAY provide one-third of the total protein in a supplemental.
4. Urea may make up one percent of the total ration.
5. Urea is most efficiently used when fed with a readily digestible carbohydrate. For each pound of urea in a mixture add seven to eight pounds of ground grain or nine to 10 pounds of molasses.
6. Urea probably serves no useful purpose when included in a ration that is already adequate in protein.
Thompson suggests a visit with the county agent for more detail information on feeding of urea.

USING SOFT BAIT—Surf, salt water, and even fresh water fishermen often find it difficult to keep soft bait such as shrimp, liver, crab, etc., from coming off the hook.

Get rid of this worry by tying such bait to the hook with thread.

Carry a spool of strong thread in your pocket then, if rushing water tends to wash away your offering, you have the remedy at hand.

CLEANING SURFACES—Sometimes flat surfaces on which to clean fish are hard to come by. Cutting boards do fine, but in lieu of such a convenience, go out and find a downed log, or stump.

Gadding About

Need A Windbreak?

By Carolyn Dunn

Here I am again this week to tell you of the fine things happening around our campus. We have had no parties that I have been aware of, but several interesting things have happened.

IT SURE is nice to see that Victory Flag flying this year, isn't it? The feeling of "Victory" makes you feel warm inside doesn't it? But after the Farwell game, the boys seemed to think the price was very great to pay. As most of you know, we lost two key players for the rest of the season. We want to wish Kent and Joe Bob a very speedy recovery. Also, this should give the Bobcats more desire to win. Don't forget to back our team, win or lose!

There is a great deal of talk buzzing around about new windbreakers that are to be sold by the Student Council. I believe they will be sold for \$7 each. The breaker is of white nylon fabric.

with the Bobcat insignia and "Dimmitt Bobcats" written on it in purple. This would be a very good buy and the money goes for a good cause — our Student Senate.

The seniors were called into the auditorium by Mr. Moore on Tuesday to be instructed on filling out important forms. These forms have to do with getting our school accredited. Each senior was asked to fill out one of these forms and to include his preference of schools and the field of study he planned to enter. Mr. Moore also told the seniors there would be more questionnaires to be completed.

STUDENTS should be thinking of some talent they might contribute to the next Hootenanny, Sept. 30, in the First Baptist Church. Contact Darla Underwood for further information. All talent is needed and it will certainly be appreciated.

FOR FASHION notes this week, materials for girls' clothes are first on the list. If you girls have noticed, the popular materials for fall are the corduroys, the flowered materials, and of course, the wools.

Another new trend in materials is the mixture of wool and voile. This seems odd, but many of the fall suits are made of wool and have either blouses of voile, or sleeves set in out of voile. These

make very attractive ensembles. The wide wale corduroys are very popular this fall in suits as well as slacks ensembles.

The little boy suits of the flowered prints are extremely popular. This type of print can be found in such fabrics as linen, cotton, and even corduroy. The new wool skirts are taking the bias cut in plaids and checks. These skirts are often worn with poor boys or just plain sweaters.

Some of the girls around our campus who were dressed very attractively this week were: Robbie Sheffy, who wore a beautiful paisley print dress made by sister Connie (remember what I told you about the paisley?); Anita Cameron, who wore a cute orange and white checked empire dress; Martha Nitsa, who wore a very pretty yellow and pink voile dress. Her dress had cute little flowers on it; and Keith Ann Howard, who had a very pretty, eye-catching, blue pants suit. Her slacks were of the wide wale corduroy. Mary Kirby also has a pretty pink skirt and sweater set in her wardrobe this fall. I believe the skirt is wool, and the sweater is of an orlon blend.

RATHER THAN tell you boys of any new fashion in your part of the world, I would like to tell you about the nice scents that can be detected when you good-looking fellows walk down the hall. It is so refreshing to smell the faint odor of aftershave lotion. Perhaps you would like to know some of the most popular scents of today. I would list Jade East on the top of most boys' preference list. Next would probably come Brut, then British Sterling, English Leather, and Genel. I would venture to say that any boy using these fine lotions would surely be noticed, if not chased, (and some boys like to be chased).

Well, I guess that is about all this week — don't forget three things:

1. To back the Bobcats.
 2. October 3, 1966.
 3. To watch out for me!
- See ya!

Senior Boy of Week:

Donny Arnold

Our senior boy of the week is a sincere student and can be very dependable, depending upon his interest. He is Donny Arnold, sometimes referred to as "Mooch."

DONNY has been very active in band, having been in it since his freshman year. He is a member of the Science Club, and he has also participated in FFA.

When Donny finds time, he likes

to hunt and fish. His favorite sport is a good game of basketball. He enjoys bar-b-que steak most of all.

After graduation Donny plans to attend Texas Tech where he hopes to study architectural engineering.

WHEN ONE OF the teachers was asked about Donny, she made this statement: "Donny is one of the most sincere students I know. He readily accepts responsibility and tries to do his best in everything. This is what makes him a good student."

Don't forget Oct. 3.

Senior Girl of Week:

Kay Bradley

Our senior girl of the week always has a bright smile which makes the people around her a little more cheerful. She is Kay Bradley, sometimes known as "George."

KAY HAS contributed a great deal to our high school. She has been in the band for four years, and this year she is reporter. She also belongs to the Bobbies. She is president of the FTA. This year Kay was elected vice president of the FHA, having served as president her sophomore year. As corresponding secretary of the Student Senate she gets to do a lot of writing. She is also reporter for the Lyre Club. This year she is secretary of the senior class.

Kay has received many honors such as "Best All Around" both her freshmen and junior years. Her classmates chose her as "most beautiful girl" her sophomore year.

WHEN SHE finds time, she likes sports such as basketball and swimming. In fact, she likes almost anything except work.

She plans to attend Texas Tech and hopes to major in business or education.

One of the teachers had this to say about Kay. "She is always smiling and friendly and never seems to have an unhappy moment. This friendliness has helped her to gain much influence and respect."

Remember Oct. 3.

How You Can Tell Them Apart: Donnie Is Six Minutes Older

"Did you say that was Ronnie or Donnie? I can't tell the difference. Would someone please tell me which is which?"

THIS HAS been a familiar question heard since the lively Johnson twins made their entrance into the halls of DHS.

Donnie is proud to say that he is six minutes older than Ronnie. Both the twins like to participate in football, basketball and band. They attend the First Baptist Church.

They don't dress alike much anymore, but they have gotten into a little mischief by looking alike. Last year they decided to switch classes to see if the teachers could tell the difference. They pulled this little stunt on Miss Griffing and Mrs. Smith. Donnie says he doesn't think Miss Griffing ever noticed the difference.

IF YOU WERE ever to visit them, you would probably find Donnie working on his penny collection, and Ronnie playing cards. Ronnie wants to become a farmer, but Donnie is still undecided. Their ideas on being twins is

different. Ronnie says, "It's rotten." While Donnie says "It's pretty neat."

There is one thing they definitely like to do separately, and that is to date. They would rather single-date than double-date.

Take A Bow, Students

By Susan Walker
I hope we've all read this column these past few weeks, about how people feel on certain subjects. This week I want to take this opportunity to compliment the students of Dimmitt High School. As you read this, please keep in mind these are the opinions of the writer.
WE'LL FIRST take the subject of school spirit. I honestly believe that the spirit of DHS is marvelous.
Why? Why is it, after these past years of having almost no school spirit at all? I believe it's because the student body finally became tired of hearing they had no school spirit. After all, who likes to be told it's his fault that Dimmitt High School hasn't gone on to do better things in sports and all other activities?
The spirit in Dimmitt High this

year is truly outstanding, but did you know it's because you care for your school, and you're proud to say that you are from Dimmitt High School? It's a school with a student body, faculty, and administration that care what people think about their school.
I WOULD like to compliment the student body also for its good manners. I have found that students of DHS are courteous. They all seem to care not only for their best friends, but for everyone with whom they come in contact. I believe we all work together for what we think is best for our school. We may not always agree, but whatever the majority wants, everyone helps to accomplish it.
The students of DHS are friendly. I've heard many people say one can step out in the hall anytime of day and see a smile.

I've noticed this, too. I can walk down the halls of Dimmitt High and everyone has a smile and a "Hi" for me. Tell me, do you think you could find this in every school? I don't think so.
As I've said before, these are my own opinions and I believe in them with all my heart.
Don't forget October 3, 1966.

Organizations

Juniors Study Fund Projects

Junior Class
Junior class officers and fundraising committee met in activity period, Sept. 19. They discussed fund-raising projects for such events as the Junior-Senior Banquet and the junior year expenses.

Organizations
The Latin Club reorganized during activity period Sept. 20, to elect the following officers:
Sheila Hamilton, president; Robert Froehner, vice-president; Sandra Hilger, secretary; Karen Slough, reporter; and Vikki Otte, parliamentarian.
They will set a date for initiation later.

★
The Drama Club met at 4:30 Sept. 20 with Mr. Moore as a guest. Film strips from "The Diary of Anne Frank" were shown and discussed. The members also discussed what drama has meant to them.

With vice-president Peggy Godfrey in charge, committees were appointed to write up a constitution and to set up a points system. They chose, Sept. 27 as the deadline for letters of membership to be turned in to Miss Griffing on Club members.

In addition, Bill Hunt was elected parliamentarian, and Sharron Flynt was elected historian.
The Student Council met Sept. 20 to discuss what to do in place of Homecoming. The date of the replacement will be Oct. 14. One suggestion was "DHS Spirit Week."

Mr. Moore also spoke about the parking permits.
Members of the club will begin the sale of windbreakers at \$7. Beanies will also be ordered for the "Fish" to wear later on in the year.

A decision was passed to paint lettering, such as the school name on the Victory Bell.

Don't forget October 3, and to back our Bobcats Friday when they tackle Hale Center.

Bobcats Dedicate Grid Season To Three Injured DHS Players

The Dimmitt Bobcats have dedicated this football season to three fine boys. Ray Bradley, Kent Lindsey, and Joe Bob Sanders have all been deprived of playing the rest of the season because of injuries received in previous games. Since all three boys were senior starters, their absence will take a chunk out of the starting lineup.

BRADLEY, a halfback, lettered his sophomore and junior years and was looking great before being injured in the scrimmage with White Deer this year. He is still helping the Bobcats by assisting the coaches all he can.

Lindsey, a captain for the Bobcats and starting quarterback, was also a two-year letterman. He received a knee injury in the Farwell game and has been in

Methodist Hospital in Lubbock since.

Sanders, a powerful fullback and key man on defense, also received a knee injury in the Farwell game. He and Kent will be traveling with the Bobcats and helping them in any way they can.

The Bobcats will be fighting extra hard for the district championship — especially for Ray, Kent and Joe Bob.

When A Drop-Out Drops In

September is here, and school has reopened with a bang!

TEACHERS ARE busy with administrative reports and with preparations for the new semester; students are busy with trying to get organized, new books and newer faces, and the fun of re-joining old friends.

The first few weeks are hectic for everybody. And during these weeks, the drop-outs from years gone by drop in. Usually, they don't say much of anything. They just stand around and watch the other kids.

Why have they returned? Do they miss the teachers and books and familiar faces? Do they want to come back, but are too stubborn to make that first courageous step? Or do they drop in to show off a new car, a handsome wardrobe, or boast of a terrific job?

NO MATTER what their reasons, one fact remains: they're out of action.

Yes, they may have a souped-up '61 red Ford and their dashing ties may seem to spell success; and everything about them appears to put them on the winning team. Still, they are losers.

Sure, Mr. Drop-Out was lucky and found a good job, but in a few years that big salary shrinks when he and his girl start look-

ing for furniture.
Sure, Mr. Drop-Out is a big man now. However, he won't talk about the number of payments to be made on the car. He won't talk about the number of hours he works, or the worries he has. He also won't tell you how many job interviews he had before finding employment.

SO WHY DO these people keep coming back year after year? They may give fancy excuses but these "fancy excuses" are only disguises for their real reason. They want to come back to school. They may appear to be happy, but they are in anguish every minute of every day. They can't go out into the world like they are, but they can't go back to school either. They won't go back to school because they are too ashamed and stubborn to take the first step.

Sure, Mrs. Drop-Out looks like a million bucks and he's on his own, big as any VIP. Still, how big will he fall within a few short years, when he is overlooked for promotion and younger men who waited to graduate are given the jobs that lead to executive positions?

So, welcome every drop-out who drops in. But keep this in mind: he's a loser.

Don't you become a loser!
—Garland Jarvis

What Was It Like In Good Old Days?

Have you ever wondered about the "Good Old Days" that your parents are always talking about? Let's let Mrs. Paul Hilburn, who was a senior in 1936, describe a typical school day of 30 years ago:

"AFTER A short jaunt of three or four miles, I arrived at school just in time to see the big old school bell ring. As my friends and I clomped into the building, we prepared for another day of drudgery."

"After three hours of sneaking notes and talking behind the teacher's back, we were finally dismissed for lunch. Everyone collected his lunch or went to the little place down the road to eat — none of this business of being cramped in the mad rush to the cafeteria."

"Then we trudged back to the salt mines for four more hours. My classmates became even more mischievous after the refreshing lunch break. A few fell asleep during the monotonous English class and were rudely awakened as an eraser or book went sailing through the air, narrowly missing their little pointed heads."

"Finally, 3:30 drew near, a few poor souls began to sigh with dismay, for they were the lucky ones who were caught passing notes and had the privilege of staying in detention hall."

"THE 'GOOD Old Days' were really something, weren't they?"

Students Get 12 Bonus Days As Teachers Evaluate Schools

Some of you may be wondering why we got out of school at 2:50 Monday, Sept. 12. Well, here's good news — there are 11 more days that we will get out early.
FACULTY members of the Dimmitt School System are preparing an evaluation of our schools. They are doing this in order for Dimmitt Public Schools to become a member of the Southern Association of Secondary Schools. This association includes schools throughout the southern states. Dr. Morris Wallace from Texas Tech is supervising the study.
Each teacher is on one or more

committees. Each committee covers a separate field taught in Dimmitt's schools. There are 32 committees, all told.
BEFORE ANY of these committees could begin, the Philosophy and Objectives committee had to formulate a guideline. This group gave its report Sept. 19.
Our teachers should be recognized for the hard work they are going to have to put in this study to make it a success. After all, it does mean that we get out early on 12 days. That's something to congratulate them on in itself!

Round the Campus

By Keith McMahon
I ask myself, "What is happening around the campus?" The first answer is, of course, "nothing."

Then I say to myself, "That's not right. Look around you." And looking around, I notice some familiar faces missing from the crowd. Christine Shugart has been in the hospital. Coach Kountz also spent two days in the hospital. Both are back in school now, however.

OUR BOYS PAID dearly for the victory over Farwell. Because of injuries acquired in the game, Ronnie Kenmore underwent knee surgery in the Methodist Hospital in Lubbock, as did Joe Bob Sanders in Northwest Texas Hospital. As a result of their injuries, Kent and Joe Bob are out of commission for the rest of the season.

On Sept. 15, the FHA's enjoyed their first activity of the year — Kid Day. All the incoming FHA's were dressed in little girly frocks. It seems they had a problem standing up between periods. The day was topped off by initiation that night. It was flavored with eggs, mascara, and all sorts of other things. After getting "all dressed up" they enjoyed a snack. Then the initiates were escorted to the dreaded Kangaroo Court. Apparently they were all found guilty and had to suffer the penalty. This was a sentence they will never forget. It was a trip through corn flakes, noodles, water and many other crazy things.

WELL, FISH, how do you feel? I think Mrs. Kountz and her Pep Club should be commended for the fine work they have been doing in decorating the halls and boosting school spirit and morale. We should all appreciate the hard work they have done.

It seems that in Seagraves, where Mr. Moore came from, each Friday was Color Day and on these days he wore red socks to honor the school colors. We would like to see him wear purple socks. It would, in fact, be nice if everyone were to wear something purple on Friday.

ANYONE who did not make it out to the game with Farwell missed a thriller of a ball game. Our Cats showed their ability to bounce back even though they got behind and lost two of their starting backs. I think this is a great credit to our team and to the coaches.

It would be great to see every Dimmitt Fan out to show the Bobcats we appreciate the superb way in which they represent our school.

THOUGHT OF THE WEEK: "Ask not what your country can do for you, but what you can do for your country."

Frio Barbers See Deep South

BY MRS. OWEN ANDREWS
Mr. and Mrs. Harlan Barber, Mr. and Mrs. Jimmy Barber and Virgil Barber returned home Sunday from several days tour as far as Panama City, Fla. Among points of special interest visited were Natchez, where they toured a colonial home, "The Rosalie" and saw others in the city, with their ornate heavy furniture, high ceilings and rooms planned for pre Civil War luxurious living. Kitchens are in special buildings apart from the family dwelling. At Mobile, they visited Bellingrath Gardens, an estate devoted to many acres of flowers, azalias, camellias and Spanish Moss. From Fort Walton to Panama City they drove many miles the length of the beach, a stretch of smooth white sandy vacationers' paradise.

At New Orleans they visited points of interest including La-Fayette Cemetery, which dates from the earliest days of the City and Audubon Park and the Wild Life Preserve.

At the beginning of their trip the Barbers had visited friends, the Quinton Sticklands at Texarkana, enjoying a fishing trip while there.

BEN SCOTT was honored at a birthday dinner at the home of his parents, Mr. and Mrs. Joe Scott, Dimmitt. Others present included his wife and their daughter, Krystal and her parents, Mr. and Mrs. Harley Davis and daughter, Rochelle and son, Gus, all of Hereford. Also present were Mr. and Mrs. Don Ed Middleton and Max, of Happy, Mr. and Mrs. Edgar Vinson, Edlana, Sammie, Carleta and Pam, Hereford, Mr. and Mrs. Carlton Dobbins, Mr. and Mrs. Robert Dobbins and Carla Sue, Robbie and Dee Anna.

Frio Homemakers Club met Tuesday at the community center for a program on "Shoe Fitting" brought by a guest, Max Leon, from a local shoe store. He discussed shoe lasts, styles and problems in fitting and gave opportunity for members to question and discuss the subject.

Mrs. Marvin Welty was hostess and others attending the meeting were Mesdames Carlton Dobbins, T. L. Sparkman, Jr., Eugene Baldwin, Chesley Johnson, Annie Springer, Henry Andrews, Earnest Harder, Edgar Vinson, Owen Andrews and a guest, Mrs. Joe Scott of Dimmitt.

The next meeting will be in the home of Mrs. Eugene Baldwin on Oct. 4.

Interior Dept. Official Pledges Help For Water

The annual meeting of Plains Cotton Growers, Inc., in Lubbock last week drew about 150 farmers, ginners and other cotton-related businessmen from over the organization's 23-county area.

Kenneth Holm, assistant secretary of the US Dept. of Interior, in the principal address told the group that West Texas must solve its water problems, and pledged, "You can count on us in the Dept. of Interior to work with you on solving that problem."

The opening speech of the meeting was given by Dr. Grover E. Murray, president of Texas Tech. He discussed the proposed establishment of an International Center for Arid and Semi-Arid Land Studies at Texas Tech.

In the afternoon session, J. D. Smith of Littlefield gave the president's annual report and Donald A. Johnson, Lubbock, gave the report of the executive vice-president.

SMITH, AFTER lauding the accomplishments of PCG on behalf for the past 10 years, concluded by saying, "I take no credit for PCG accomplishments, past or future. The Board of Directors, the staff, committee members, and countless other people in our industry are the ones responsible for the tremendous job done by Plains Cotton Growers."

"And if each of these, and each of you, is as proud to be a part of PCG as I am, then you can rest assured that we will continue to have an active organization, and an organization which will continue to adequately reward us for all that we put into it."

JOHNSON stressed the necessity in the area for two things. One, he said, we must make a greater effort to increase markets for the kind of cotton we are now growing, and two, we must go all-out to upgrade the quality of our cotton to broaden the base of our potential market.

He pointed out that in two more years Congress will be considering a new cotton program. "And the treatment received by the High Plains in these deliberations will largely depend on how much progress we have made toward marketing a higher percentage of our crop," he said.

Some sections of the cotton belt are already thinking about asking for acreage increases in areas which have very little cotton going into the government loan and for acreage restrictions in areas, such as the High Plains, where much of the cotton winds up in the loan.

Industry leaders feel that representatives of the "high quality" producers will have a concrete proposal for carrying out such acreage redistribution when Congress next considers a new cotton law.

"The progress we have made and the programs we have going toward marketing more of our cotton will be our best answer to such proposals," Johnson said.

PCG directors, confirmed by the membership at the annual meeting, held a session after the membership meeting to elect officers for the 1966-67 year.

Each of the organization's three officers was re-elected for a one-year term. They are J. D. Smith of Littlefield, president; L. D. (Don) Anderson of Crosbyton, vice-president, and W. L. Edelman, Friona, secretary-treasurer.

Members present for the annual meeting also ratified the new PCG by-laws unanimously adopted by the board of directors Feb. 25.

Visits Parents
Visiting Saturday in the home of Mr. and Mrs. Melvin Witt were their daughter and family, Mr. and Mrs. Dee Stamps, Ricky, Jerry, and Deann of Fieldton.

'MARY'S DUCK' was one of the many wierd-shaped potatoes brought in last week to H&S Produce at Hart for processing and sacking. Office secretary Mary Murray started a collection that included a rabbit, a Mickey Mouse and an assortment of yet-to-be-named monsters in potato's clothing. Here, she admires her duck, which earned a stand of its own on her

desk. Ralph Futrell, co-manager of the Hart potato processing plant, said the odd shapes were caused by an unseasonal cycle of dry weather and heavy rains that started the potatoes regrowing in the fields. Most of these odd-shaped spuds have to be culled out or packed as Grade 3, simply because of their shapes.

Cotton Growers Petition IRS For Pro-Ration On 1966 Tax

Plains Cotton Growers, Inc., according to executive vice-president Donald A. Johnson, is petitioning the Internal Revenue Service for "relief from an undue tax burden" created for some High Plains farmers by cotton program changes made by the Agricultural Act of 1965.

Johnson explained that unless the PCG request gets favorable action by IRS, farmers who report income on a cash basis will have to report as income in 1966 both cotton sales after Dec. 31 from the 1965 crop and the diversion and price support payments made under the new program on the 1966 crop.

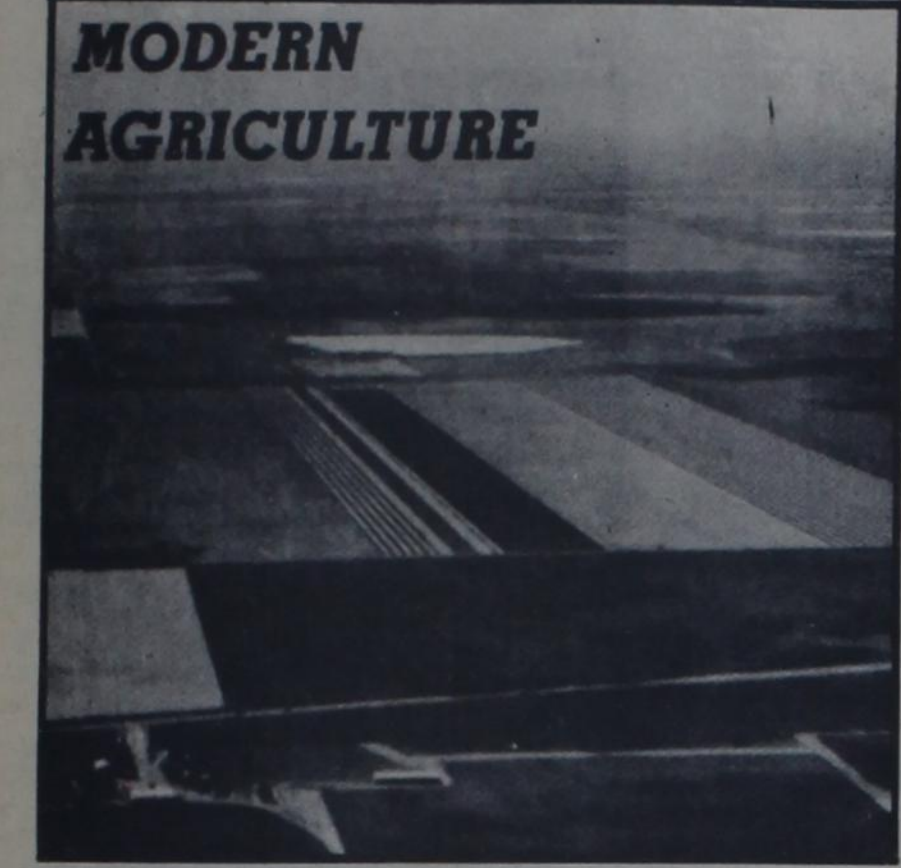

FARMERS HAVE always been allowed to report income from cotton in the year of sale, without regard to the year of production. And the lateness of the High Plains crop each year normally prevents ginning and processing of sales and loan papers until after Dec. 31. So most cotton income has necessarily been reported in the year following the

year of production. Others have purposely "carried-over" income as a hedge against a large taxable income one year followed by poor crops and little or no taxable income the next year.

Under present Internal Revenue Service regulations government payments under the new cotton program must be reported in the year for which such payments were made. This means that a farmer for the year 1966 must report not only his carry-over from 1965, but also the cotton payments made under the new cotton program for 1966.

PCG is requesting that IRS grant relief by ruling that the provisions of Revenue Procedure 64-16 are applicable to cash payments received by cotton producers in 1966 for both diverted acreage and domestic price support.

UNDER THIS procedure, Johnson said, farmers could pro-rate 1966 direct payments over a 10-year period and would not be saddled with taxes on more than actual earnings during that year.

MODERN AGRICULTURE

Stiles Foundation Increases Blackland Sorghum Production

Grain sorghum yields on the Stiles Farm Foundation near Thrall almost reached the 4,000 pounds per acre mark this year, reported R. E. Patterson, dean of agriculture, Texas A&M University. He added that the farm's 683 acres produced an average of 3,983 pounds per acre compared with 3,285 pounds in 1964 and 3,555 in 1965.

TWO FIELDS beat the 4,500 pound production goal set for Blackland farmers under Operation BIG by more than 250 pounds per acre. Overall results would have been even better, Patterson said, but one of the larger fields got a temporary setback from a new terrace system. No grain at all was grown in 12 miles of terrace channels, he said.

Several factors have contributed to the yearly increases in yield Dean Patterson said. High on the list was the three-year rotation of grain sorghum, small grains and cotton which is standard on the Foundation; use of adapted hybrids; weed control; fertilization based on soil tests and the overall good management practices followed by Farm Manager Calvin Rinn.

Fertilizer tests showed an average grain increase of 1,457 pounds per acre when soil test recommendations were used. This amounted to an added net return of \$9.71 per acre, or a 56 percent return on each dollar spent for fertilizer. An additional 874 pounds of grain per acre was obtained when twice the recommended amount of fertilizer was used but the net return was only 38 cents per acre.

OF 25 HYBRIDS under comparison, more than half produced 5,000 or more pounds per acre. The top five and their yields were RS 671, 5,920 pounds; Pioneer 846, 5,730; RS 622, 5,710; WAC 700, 5590 and DeKalb F-64 5,580 pounds per acre.

In herbicide tests, propazine gave excellent weed control, but no increase in grain production, Patterson said. This, he explained, was because weeds came up late, were shaded by the grain sorghum plants and thus did little damage.

Center says that the best "rule of the thumb" for use of harvest-aid chemicals is "When you are ready for a frost, use them. If you aren't, don't. If ready for a light frost, use a defoliant; if ready for a killing frost, use a desiccant."

The Extension Service, under the direction of District Agent Billy C. Gunter, has been conducting educational meetings throughout the area on the subject, and they are advising each farmer to check with his county agent before making final decisions.

"On a year like this, conditions vary from area to area and from field to field, and the decision to use or not to use harvest-aid chemicals must be made on an individual basis," Gunter said.

ON QUALITY, Newman says micronaire, strength and the oil content of seed are most endangered by use of defoliants or desiccants at an inopportune time. He continued, "Under the best of conditions this year, these quality factors may well suffer from the abnormal weather we've had, and farmers should be extra cautious about compounding the problem with ill advised use of chemicals."

Ride the Wide-Track winning streak!

From the same drawing board that gave you Grand Prix, GTO and Overhead Cam Six now come the newest Pontiacs since the invention of Wide-Track!

You're looking at the most beautiful Pontiacs ever to ride on Wide-Track. The incomparable GTO returns with a 335-hp 400 cubic inch engine under a magnificently refined new skin. Or you can order the 255-hp version or the fabulous new 360-hp Quadra-Power 400. And for the first time, you can order your GTO with our famous three-speed Turbo Hydra-Matic.

The Le Mans and Tempests come back better than ever. Bright new interiors. Bold new colors.

A 165-hp Overhead Cam Six is standard. Or you can specify a 215-hp version, a 250-hp regular gas V-8 or its 285-hp premium gas cousin. Or step into the neatest grand touring car this side of the Atlantic with our OHC 6 Sprint package.

Our big Pontiacs are new from the famous split grille to the slickest innovation of the year —disappearing windshield wipers! They're less subject to freezing. And only Pontiac has them.

Also new: a Grand Prix convertible! There are new 400 and 428 cubic inch V-8s. New safety features such as front seat belt retractors, a four-way traffic hazard flasher, folding front seat back latches and General Motors' new energy absorbing steering column.

Of course, all Pontiacs come with the road-hugging security of Wide-Track.

Art Gallery Perspective

BY ALICE COWEN

The Art Guild met at the Gallery Monday night and as usual considered the problem of financing the Gallery. The Guild needs members — dues help.

THE GROUP voted to take some paintings to the Golden Spread Rest Home. Pictures will be changed from time to time. Theo Campbell has had paintings hanging there for some time.

As a gimmick to keep the dabblers dabbling, the Guild members drew assignments. Assignments were landscape, still life, abstract, etc. Each one is to have a picture of the type designated on the slip he drew ready to show at the next Guild meeting. If he fails, he must pay a forfeit. Practice is important to the developing artist, and this device may provide incentive.

G. B. Duncan brought to the meeting a recently painted picture, one which he is still working on. It is a painting in muted colors of a castle, done from a small black and white newspaper photograph.

Larry Hilburn will start a series of lessons at the Gallery next Thursday. All who have had instruction before and plan to take this series should be at the Gallery at 4 p.m. on that day.

Those who are interested in his beginners' class should come to the Gallery between 7 and 9 p.m. tonight (Thursday) to enroll. If you can't be there at that time, you should call 647-4616, 647-2457, or any member of the Guild.

NOW GOING UP on US 385 in North Dimmitt is an American Cyanamid farm service outlet and fertilizer blending plant. Constructed by Brown & McKee Construction Co. of Lubbock, the 50 by 120 ft.

store-plant is being finished with exterior plywood. Superintendent Lewis Howard said the new structure will be completed by Nov. 1.

THE FINISHED PLANT being built here by American Cyanamid Co. will look like this. At left is a cluster of blending bins that will mix dry fertilizers over a loading dock.

The farm store is at right. A railroad spur line will run along the rear of the building. The plant is expected to employ three.

MR. AND MRS. CECIL VANDIVER AT TERMINAL ... Free trip for top sales effort

Vandivers Fly To Acapulco For National Delco Conclave

Mr. and Mrs. Cecil Vandiver of Dimmitt left Sunday morning for a week's convention stay in Acapulco, Mexico, courtesy of the United Delco Corp. and the J. C. Hamilton Co. of Amarillo.

WHILE IN Acapulco, the Dimmitt couple are staying in the Pierre Marques Hotel, headquarters of Delco's national convention this week.

Vandiver, owner of Dimmitt Parts and Supply, was awarded the free trip for an outstanding sales record during the last 12 months. Vandiver exceeded his sales quota by almost 100 percent during the year. J. C. Hamilton Co., Vandiver's wholesale supplier, awarded free trips to five dealers in its four-state area.

The Vandivers flew to Acapulco from Amarillo Air Terminal via Braniff International jet. Their flight, including a touchdown at Dallas, took only seven hours.

Social Security Disability Cases Under New Rules

According to Travis C. Briggs, manager of the Amarillo Social Security Office, an important change concerning the disability provisions was made in the 1965 amendments to the Social Security Act.

HE ADVISED that so much information has been published about "Medicare" that many people are unaware that other important changes have taken place.

Before the amendments, a person had to have an illness or injury which was expected to continue indefinitely or result in death. Now, a worker can meet this requirement if he has a severe impairment which has lasted, or is expected to last, for as little as 12 continuous months.

This is the first change in the definition of disability in the 11-year history of the disability program.

Anyone who has previously filed for disability and was denied because his condition was expected to improve in the near future, should recontact his social security office.

Kemp Attends Dealer School

Carl L. Kemp of Dimmitt Motor Co., Inc., was among 38 auto dealership executives from the United States, Canada, Belgium and Venezuela graduated recently from one of the industry's most extraordinary sales educational schools.

THE RETAIL leaders attended the Eighth Dealer-Executive Forum held at Chevrolet's School of Merchandising and Management at Warren, Mich. The special 10-day course, which ended Sept. 23, included intensive study in the fundamentals of operating a modern automobile dealership. The forum-type sessions were initiated by Chevrolet for advanced training of dealers and key retail executives, as well as a refresher course for graduates of the school.

The Chevrolet school, founded in 1938, often has been called "The West Point of Industry." More than 6,000 persons have been graduated from approximately 130 different sessions for retail and wholesale personnel.

Magazine Lauds Parsons Drug For Modern Marketing Design

Interior design of Parsons Drug in Dimmitt is the subject of a full page picture story in the current issue of American Druggist magazine.

USING THREE photos of the store's fountain, prescription and cosmetics departments, the magazine cites Parsons Drug as a leader in modern marketing techniques.

The large, ultramodern drug store, managed by Sandy Parsons, was completed last October. Installation of display counters and furniture was by McKesson and Robbins.

In its current article in the "Marketing Trends" section, American Druggist commented: **THE MOST** striking feature of the cosmetic department is a canopy ceiling with dropped, decorative lamps. The same kind of cornice used over the wall shelves ... is also used in the fountain and in the tobacco and photo departments.

Horns Will Face Hereford Friday

Hart's Longhorns, sporting a 1-1-1 record, will try to add from the left Friday night when they play the Hereford B team in Hereford.

AFTER DROPPING their season opener to Silverton by a touchdown, the Longhorns have made a creditable showing with a 1-0 victory over the Muleshoe B squad and an 8-8 tie with Turkey.

Friday night the little Longhorns will try to up their season record to 2-1-1 at Hereford's expense, and a happy band of boosters is expected to follow them to Hereford to help them do it.

The Hospital Auxiliary met Wednesday of last week, and everyone was fired up for the fall season. After hearing a most interesting speaker, Van Earl Huglies, a former worker in the missionary field in South America, much business and pro-and-occu-

BUSINESS ran the gamut from B to U — that is, baby blankets to uniforms. The hospital nursery need the former, which will be supplied by mothers of erstwhile infants, and anyone needing the latter in a medium size may see Jewell Craig at 1000 West Lee.

Our Tasting Tea held during the Diamond Jubilee was such a success it was decided that we would have another and combine it with the Christmas Bazaar. It will probably be held at the First Methodist Church, where there will be room for both projects.

And that leads me to the next item of business, which is a gift shop workshop to be held Oct. 5 at Jerry Butler's. Be thinking of gift ideas. Again, they may run the gamut from B to U; bizarre to useful.

THE LAST OF the Operation Christmas Greeting money, except for \$1 to keep the account open, was used to help buy a flame photometer for the hospital lab. It will enhance the diagnostic services and increase the revenue at our hospital. It's about time to be appointing a new chairman for this Operation Christmas Greeting. Let's hope she'll be more photogenic than the last one.

MRS. ROBERT C. EUBANKS
Formerly Dottie Gaynell Tate

Amarillo Church Site Of Wedding

Dottie Gaynell Tate, daughter of Mr. and Mrs. Giles Tate of Amarillo, became the bride of Robert Cleveland Eubanks, son of Mr. and Mrs. Dan F. Eubanks of Atlanta, Ga., Friday.

The double ring ceremony was performed by G. M. Covington, uncle of the bride, in Southside Church of Christ, Amarillo.

ATTENDING the bride as matron of honor was her sister, Mrs. Lorene Brazill of Lubbock. Bridesmaids were Mrs. Bryon Tate and Miss Viola Young, both of Amarillo.

Candlelighters were Sharon Eubanks of Atlanta, Ga., and Kenneth Covington of Tullia. Flower girls were Sabrina Tate and Judy Brazill, both nieces of the bride. Best man was Dan Eubanks, father of the groom, and groomsmen were Bryon Tate of Amarillo and Boyce Tate of Albuquerque, N.M., both brothers of the bride. Ushers were J. L. Brazill of Lubbock, Jerry Hunt of Amarillo and Conroy Lacy of Groom.

The altar was decorated with an archway of fern and glads, with a basket of white glads and gold mums and a candelabra on each side. Aisles were candle lighted.

The Southside Choir sang "Oh Promise Me," "Whither Thou Goest" and the traditional wedding music. Ray Daniels of Amarillo sang "Because" and "The Lord's Prayer."

GIVEN IN marriage by her father, the bride wore a gown of lace over white taffeta with round neck outlined with seed pearls and petal pointed sleeves also outlined with seed pearls, with sheath skirt with chapel length train. Her headpiece was of lace flowers outlined with seed pearls and her veil was of silk illusion re-embroidered with lace flowers and seed pearls. She carried a crescent shaped bouquet of white orchids from Hawaii.

Following the wedding a reception was held in the Fellowship Rooms of the church. A three-tiered wedding cake topped with wedding bells and trimmed with gold and green roses was served with lime colored punch. Mrs. Jackie Skinner and Mrs. Ginger Jackson served at the reception. Mrs. Lynda Campbell registered the guests.

After a trip to Waikiki Beach, Hawaii the couple will be at home in Hilo, Hawaii.

Shelly's Chatter

Football Fans Throng To Lubbock

BY MYRTLE SHEFFY

Football games are the topic of conversation and goings to, now. Most of Dimmitt went to the Earth-Springlake and Dimmitt game Friday night. We were ahead the first half then those two fast runners No. 12 and 21 on their side just jumped over our men and made too many touchdowns for our good — It was fun tho — The bands marching!! All the loud coaching from the sidelines and those cute cheer leaders.

We, the Jacksons and Sunny and Randy Randolph came by the Richard Bills for coffee and brownies.

AND IT SEEMS that hundreds of fans went to Lubbock Saturday night to see the Tech and University of Texas teams play. Verbie and Don Nelson went down and spent the night with friends, the T. C. Steelmans, the children stayed with grandparents.

The Jon Pollards visited his parents, the M. L. Pollards after the game. Jimmy and Nancy Roes, Bill and Millicent Bennett, George and Carolyn Sides, Buck and Marge Cleavinger, Kenneth and Libby Cleveland, the Nolan Froehners, who will visit son, George in school at Tech — Joe and Gladys Benson — the Glen Ratcliffs — they always visit Raymond and Mary King — Nancy and Charlie Hays, Carol and Kent Hance, who will go home to Austin after a short visit with the Hances and Hays.

JAMES AND MILDRED Bradford and Aural Davis. They will visit with Suzie Davis.

Jimmie Chapman and sons John and Duke and Garland Frazier are football fans and went also. G. C. and Betty Brockett; the Ford folks went.

Cynthia Dyer told me that her parents, the Goldman Dyers, the Ralph Smiths and the Ike Moores went down early to eat out and then attended the game. Others were there but they did not call me.

BRENDA SEELEY was among the crowd at the Dimmitt Springlake game. She is the redhead and my friend.

And did you know that Jim Axe is manager of the West Texas State Buffaloes football team? They went to Calif. to play last weekend.

Carolyn Shelton told us that her husband, Don, is Pfc. in Frankfurt, Germany. She hopes to join him in January if things work out.

Mrs. Wayne Bishop and little daughter Donna of Crosbyton visited a few days with her parents Mr. and Mrs. Woody George. MRS. LEILA PETTY and Miss Hanscn of Tullia attended church in Dimmitt Sunday and the WSCS Guild. Miss Petty was home demonstration agent in the county a few years ago.

Mr. and Mrs. R. C. Jones, sister, and Mrs. Dick Zirkle and Martha, nieces of San Angelo were weekend guests of Mr. and Mrs. P. L. Cunningham.

Flower Show Is Scheduled

The Candelabra Shop in northwest Hereford will host a rose arrangement contest among the area garden clubs, Saturday at 1 p.m.

8,000 cut roses will be available. Each person should bring containers and holders. The arrangements will be judged and later in the afternoon entrants may take their flowers home.

Birthday Luncheon

Mrs. Raymond Hance was honored at a birthday luncheon Monday, Sept. 26 at the Colonial Inn Restaurant. Attending were Mrs. Max Keating, Mrs. E. M. Jones, Mrs. M. J. Reed, Mrs. E. A. Barker and Dorothy Wright.

was hostess at a bridge and refreshment party. Her guests were Ceil Carlile, Edith Ramey, Anita Morris, Ann Carpenter, Maxine Tidwell, Katy Burkett and Jennie Miller.

Mrs. Clarence Bearden served coffee and a salad plate after a few hands of bridge Thursday afternoon to Mrs. P. L. Cunningham, Myrtle Sheffy, Cletha George, Ruth Wilson, Beulah Wright, Maggie Boren and Retta Cluck.

Mrs. Jimmy Jack Butler was hostess Tuesday afternoon with bridge and refreshments. Her guests were Millicent Bennett, Nancy Ross, Martha Dannevik, Jane Blackburn, Vaudine Giles, Ann Touchstone, Roberta Stokes, Mary Jo Brown, Beth Jones, Joy Baker, Carol Bryant, Jo Eddy Riley, Peggy Prather, Merle Smiley and Shirley Wise.

JACK AND ALTA Summers are on their circle trip from here to Wichita Falls to see his brother through Okla., up to Wichita, Kan. to visit Alta's sister and around to back home again.

Katy Graham has been busy with parties, Thursday, her bridge club came out. She served that pretty rainbow cake, made with ice cream and coffee to her guests; who were Shirley Wise, Ruth Jackson, Ina Cleavinger, Jo E D D Y Riley, Jerry Butler, Doris Gabel, Carolyn Jones and Mona Merritt.

Then Saturday night she and Bill hosted a Mulkey community party "42" was the game. Refreshments were served to twenty-four people and Kent and Mary Gabel at Tech, and Kathy Graham at school at WTSU were home for the weekend.

RAY RILEY has been at the ranch near Bonham, building corals and repairing the fences for several days.

The Church of Christ on Bedford was host at a teachers training session this week. William Young of Lubbock, formerly of Colorado was the main speaker.

Buster Tidwell and Charlie Armstrong flew up to Battle Mountain where they have a farm. They wanted to see about things. (No working). This place is in Nevada.

Mr. and Mrs. Bill Williams moved to Dimmitt a few months ago from Clarendon. Mrs. Bill, or Dee plays the organ at the Methodist church while Lily Marie Howard is on crutches from that broken foot — a cast now.

I HAVE JUST now heard about that big trip Raleigh and Grace Strother made up north, through the Colorado National Park — as to Yellowstone Park and the Grand Tetons. Raleigh said they saw a lot of the pretty US. He is at the hospital where Josie and I visited Betty Singer, who is there for a rest and checkup. Saw Mrs. Peck Wyer, who is recuperating from falling over spells. Wade Birdwell is doing nicely; Mr. Little of Lubbock, a heart patient, is holding his own — and not a single new baby there on Saturday. How about that?

Mr. and Mrs. Horace Carlile spent a few days at Raton visiting relatives.

Mrs. Louise Kemp and Mrs. Kathryn Hill went to Waco awhile back. They stopped in Wichita Falls on the way home to visit Sybil Arnold, who formerly lived in Dimmitt.

CARL LEE KEMP has been in Detroit on Chevy business for the past two weeks. Guess he has learned all about cars now.

Mrs. Wes Brown and Mrs. Gladys Benson accompanied Ronnie Brown to Amarillo where he took a plane to San Antonio to enter the Air Force. He thinks he will be in the mechanical division. We will hear more later.

Jo Gregory was hostess at a canasta, eating and visiting party Wednesday. Her guests were Margie Harrison, Jennie Miller, Bill Newton of Hereford, Oleta Golden. The girls say you don't keep your girlish figures around Jo's house — such good food

THE GARDEN club meeting in

Hereford was good and enjoyable. Such outstanding roses we saw at the home of Senor and Senora Amavor Munoz. They were large and pretty. Twenty-six of us went to the luncheon and meeting. Our three new members are Mrs. Joe Carver, Mrs. Jimmy Jack Butler and Mrs. Dorit Smiley.

Mrs. Curtis McGuire was bragging about the cute little granddaughter that arrived Sept. 17. She is the daughter of John and Donna McGuire. John and Donna will move soon to Big Spring, where he will work for Forsan's Oil Co.

Mr. and Mrs. Earl Lust had a good visit with Mr. and Mrs. Jim Bagwell up near Salida, Colo. They said the aspen trees were prettier than ever but are beginning to fall off already.

Mrs. Joe Finck of Tullia is a house guest of her daughter, Mrs. Houston Lust and family. And doesn't that cute Sue Lust and Paraly Render step lively in front of our high school band?

Mr. and Mrs. Elmo Bell and Mr. and Mrs. Burl Bradford are home from a Foliage Tour. They went up to Santa Fe, first, the ski runs and out to the Indian ruins, and Los Alamos. It poured down rain there, so they went on to Red River and the Pass Out

has been changed and improved. The aspens and cottonwood trees are simply beautiful — many shades of gold — aspens at their peak on over to Taos, up the ski run where the color is good. They made some of the art galleries there. Now is the time to go — this week! The Aspen Cade at Ruidoso will be the 8th and 9th of Oct.

I WAS A GUEST along with a hundred mothers, grandmothers and dads at the Future Homemakers installation service Sunday afternoon at the high school — so very pretty — the officers in long white dresses, the pledges in Sunday School dresses. They served punch and cookies in the school parlor. Mrs. W. F. King was there too. She told me that their daughter, Kathryn, is a counselor and in the civil service of Bureau of Indian Affairs at Shiprock, N.M. This is a boarding school and interesting and rewarding work.

Mary Lou Frazier and sister, Nell Davis of Friona flew out to San Francisco to visit the two sisters and brother, Joe Senter.

Joe and Dugan Butler and the Mac Paces are home from a few days fishing at Ute Lake. The Paces live south of Tam Anne Gin.

Bethel HD Club Elects Officers

The Bethel Home Demonstration Club elected officers for 1967 last week. They are: Mrs. Donald Gilreath, president; Mrs. Milton Bagwell, vice-president; Mrs. Charles Rickert, secretary-treasurer; Mrs. Jimmy Howell, reporter; Mrs. Gaines Neill, council delegate; and Mrs. James Welch, recreation leader.

PROGRAM for the afternoon, "Table Arrangements," was given by Mrs. George Sides, Mrs. Jimmy Howell and Mrs. Carl Bruegel. Many different table arrangements were shown. Slides were also used to show different types of table settings and the different china and linen to be used with each setting.

A back to school theme was used in the decorations by the hostesses Mrs. Monte Boozer

McLean Enters Kemper School

Robert B. McLean, son of Mr. and Mrs. Bob McLean of Dimmitt, has entered Kemper Military School and College, Boonville, Mo., for the 1966-67 school year.

KEMPER, the oldest military school west of the Mississippi, is beginning its 123rd academic year. It has been designated an honor military school by the department of the army every year since 1914 when the rating was established. Its enrollment of 540 cadets this year is the largest in the school's history.

Present were Mr. and Mrs. John Stork, B. E. Sinclair, Lloyd Veazey, Florene Letinen, Kathy and Shirley, Sharon and Karen Flynt and the hostess Mr. and Mrs. Fate Shannon and family.

HART NEWS

LBJ Nominates Mrs. Brooks

BY MYRT LOMAN

Mrs. Robert Brooks of Hart has been nominated by President Johnson to be postmistress here. It is expected her appointment will be approved by Congress soon.

Mrs. Brooks has one son, Bob Edd of Plainview, and a daughter, Mrs. Deward Armstrong of Texico and has nine grandchildren. She has been acting postmistress for the past nine years.

She and her husband, Robert, have lived in Hart for 25 years. He is an independent crop sprayer.

MEMBERS OF THE Wesleyan Guild of First Methodist Church attended the district meeting in Dimmitt Sunday afternoon.

Hart Guild had charge of the devotional center with the theme, "Lord Speak to Me."

Attending from Hart were Mrs. Douglas Gossett, Mrs. T. B. Cox, Mrs. Robert Brooks, Mrs. Bill Bell and Mrs. Buster Aven.

MR. AND MRS. Judd Davis were honored Sunday afternoon in their new home with a "housewarming."

Calling hours were from 2:30 to 5 p.m.

Janet McLain, a granddaughter, registered the 25 guests and there were 35 gifts on display.

The serving table was covered with white lace cloth and centerpiece of an arrangement of red roses from the home of Mrs. T. R. Davis. Permanent flower arrangements were decorations used throughout the house.

Home baked cookies, punch and coffee were served by Mrs. T. R. Davis, Mrs. Vernon Mapp and

Mrs. Vasca Kittrell.

Hostess gifts were a bedspread and two wall plaques.

Performing hostess duties were Mrs. John Rice, Mrs. Sam Davis, Mrs. T. R. Davis, Mrs. W. H. Felder, Mrs. Jimmy Davis, Mrs. L. L. Swindle, Mrs. Percy Hart, Mrs. Carl Godfrey, Mrs. Orval Sharp, Mrs. Granville Martin, Mrs. Vasca Kittrell, Mrs. Hubert McLain, Mrs. Lewis Smith and Mrs. Vernon Mapp.

THOSE HAVING surgery last week and dismissed from hospital were Mrs. Ike Bennett, Plainview Hospital and Foundation, and Mrs. Lela Gallion, Olton Community Hospital.

The Zealot Club wants your cooperation for a "Rummage Sale" in Oct.

Please contact Mrs. Warren Lemons, Mrs. C. R. Jones or Mrs. Wamon Foster and they will be happy to call at your home for articles.

The club presents a college scholarship to a high school graduate each year, and also sees that underprivileged children in the first grade have a gift or treat at Christmas time.

Mr. and Mrs. Jack Bradley of near Weatherford visited Friday night in the home of their son and daughter-in-law, Mr. and Mrs. Jimmy Bradley and were in Dimmitt Saturday on business.

THREE LEADERS and five boys of Boy Scout Troop 246 spent the weekend in Palo Duro Canyon. The boys are working on merit badges.

Scoutmaster Deryl Clevenger, assistant Paul Armstrong and Gordon Musick accompanied the Duane Clevenger, Stan Musick, boys, Tony Miller, Vic Nelson, and David Armstrong.

Mr. and Mrs. James Pistole of Denver, Colorado spent Monday night in the home of his sister, Mrs. H. E. Loman.

Due to conflicting dates, the Girl Scouts of the second grade will be meeting with Mrs. Lowell Richburg at the school house on Wednesday afternoons.

LIONS CLUB met Monday at Alford's Cafe.

In their business session, the Lions voted to pay Hi-Plains Eye Bank \$2 per member; discussed a turkey shoot for a later date, with place and date to be set; voted to let the city commission determine the number of houses to be numbered. Robert Lewis Hawkins gave a report on Boy Scout Work and Ed Harris volunteered to be Institutional Representative to Haynes Boy Scout District.

Twelve members were present. **THE PUBLIC** is invited to attend the regular meeting of the Hart PTA Monday night at the gym in the elementary building.

A speaker will discuss and explain "Better Education Through Legislation," and "Federal Support Programs."

A variety musical program will be provided by pupils of the

school.

Leaders and assistant leaders are needed for both Girl Scouts and Cub Scouts. If you are interested in Girl Scout work call or see Mrs. Paul Brooks, Girl Scout neighborhood chairman.

If you are interested in Cub Scout work call or see a member of the Scout committee — Jack George, Bill Hill, Cleve McLain, Bob Reed or James Kennedy.

These two organizations are such worthwhile projects it seems a shame to let them disband for lack of leaders.

Statistics show a very small percentage of child delinquents were in Scouts during their youth.

PAUL HARRIS, young son of Dr. and Mrs. Jack Harris, received a broken leg just above the knee last week while playing football at Vega with the junior high team. He was hospitalized in Dimmitt.

Mrs. O. M. Gilcrease of Corsicana is visiting in the home of her daughter and family, Mr. and Mrs. Edgar Varner and on Friday evening, Mrs. Harvey Davis, Mrs. Clay Anderson, Mrs. Johnny Clark and Mrs. Vasca Kittrell called to wish Mrs. Gilcrease a happy birthday.

Mrs. Varner served the ladies sandwiches, coffee, punch and cookies after an hour of visiting and fellowship.
