The junior showmanship contest begins Saturday morning at 9 a.m. followed by the livestock judging and lamb judging.

TRACTOR DRIVING

The tractor driving contest begins at 10 a.m. on Saturday north of the rodeo arena. Competition will be held in four divisions: grade school, high school, above high school, men and women. First place plaques will be awarded in each division and ribbons for 2nd and 3rd places.

ROPING

The fire head and heelers, calf roping, and barrel racing jackpot competition will be held at 7 p.m. on Saturday at the rodeo ground.

There will be two classes, ages 13-16 and ages 17 and over.

MIDWAY

A new carnival, Pride of Texas Shows, will have 25 rides and games set up north of the fair building Thursday, Friday and Saturday.

GOSPEL SINGING

The popular old-fashioned gospel singing is scheduled in the entertainment building at 7 p.m. Friday night.

Horns Vs. Lopes 8p.m. Friday

The Longhorns will try to make it two wins when they meet the Petersburg Buffalos Friday night at Petersburg. The game is scheduled to begin at 8 p.m.

Lockney fans are asked to park on the north end and enter the northeast gate.

Petersburg lost to Abernathy last week by a score of 21-0 and are going to try to get their first win.

Petersburg has a good defense and an explosive offense. They run basically the same defense as Post.

For What It's Worth

By Nancy Carthel

Fair week is here again and as is custom, it is raining. It would be interesting to check out the past years and find out how many times it has rained during the fair, but it does seem to occur almost each year. This brings a thought to mind. Why don't we move the date of the fair to late July so we can get a rain when we need it?

School enrollment at the Lockney Schools is down slightly this year. The total students for 1980 is 833, down 66 from 1979's enrollment of 899. The breakdown at individual schools is as follows with this year's figures given first and 1979 figures second: High School, 266-286; Junior High, 197-223; and elementary 370-390.

The junior class will be selling mums for Homecoming beginning Friday, September 5 through Monday, September 15. The prices for the mums will be \$6.50, \$7.50, \$10 and \$15.
Some of the mums are silk handmade and personalized. They are being made by Judy (Whitfill) Fitzgerald of Plainview.
You can purchase a mum by contacting any member of the junior class.

Addresses are needed for the following people from the class of 1968: Luaine Chan, Marjorie Dean Shugart, Norman Self, Steve Williams.
If you have any information on these people, please call Randy or Nancy Henderson at 652-3737.

Mackenzie Bond

Action In November

Mackenzie Municipal Authority Tuesday night to go ahead and bond election on 11/22, 1980. Total bond will be \$15 million.

The municipalities in the project are Lockney, Tulia, and Silvertown. All registered voters in those cities will be able to vote. All must carry an identification card.

At the August Mackenzie board meeting, a delegation from Silvertown met with the board and said it very plainly...they are about out of water and the City of Silvertown cannot afford some \$300,000 to improve underground water facilities and pay its share of obtaining lake water.

The delegation stated that if Silvertown receives the assurance that Mackenzie water is forthcoming (by virtue of a positive bond election vote) it will try to get by on its present water wells until the pipe can be laid from the lake.

An article in the Tulia Herald said that "Tulia isn't far off from needing more water wells." Lockney is in about the same position as is Floydada.

The Mackenzie Board has invited the City Councils from each of the four towns to a special meeting in October. At that time they will present the total picture of the project and receive input from each of the city governments.

estimated cost of the plant facilities and water lines to the towns is about \$15,000,000.

The Mackenzie Authority has applied for government funding of the total project. Although the \$15 million has not yet been appropriated by FHA, the feeling now is that the government will come nearer to making the money available if it seeks that the people have voted their approval of the project.

FARM & RANCH NEWS

Around The County

By Jett Major

FLOYD COUNTY EXTENSION AGENT

Farm Bureau

Holds Meeting

Rainfall in appreciable amounts finally came to the northern part of the county last weekend, but it fell too late to be of any benefit to most crops. It received a warm welcome by many producers who had forgotten what rain looked like and will help soil moisture levels in fields to be planted in wheat as well as help green up some pastures in the area.

Corn harvest continues in the county and was only temporarily delayed by rains last weekend. Sunflower desiccation and harvest is picking up in the area, as is the first picking of bell pepper fields in the county. Soybean stands are looking better everyday as insect pressure decreases and chances for rain increase.

Seed maize is being cut in the southern part of the county and commercial grain sorghum harvest should be just around the corner. Most of the sorghum fields are mature enough to be free of any

further threat of greenbug damage, however, heads still need to be checked for neadworms. It appears that many fields of dryland maize will have to be baled or grazed out due to poor grain development.

Cotton bolls continue to open prematurely across the county and desiccation of some dryland and limited-irrigation fields is already taking place in northern Crosby and southern Floyd County.

Dryland fields continue to be plowed under, particularly in the eastern half of the county. Bollworm activity is all but over in many parts of the county, and where eggs and small worms are being sighted, chances of their survival are minimal due to the cooler nights and increased beneficial insect populations. However, bollworm activity will not completely cease until nighttime temperatures dip well into the fifties, so don't count them out yet if your cotton is still lush and loaded with tender green bolls.

The annual meeting of the Floyd County Farm Bureau and banquet was held September 4, at 7:30 p.m. at the Duncan Elementary Cafeteria. Approximately 150 members and their families attended.

Special guests were introduced by President Kenneth Pitts. Those guests included Mr. Carrol Chaloupka, Texas Farm Bureau President and Mr. Jim Sims, District Sales Manager.

The main purpose of the meeting was to adopt policies for the coming year. The resolutions were proposed and accepted.

Having no new proposed county resolutions, all other approved resolutions will be forwarded to the state convention as recommendations for state and national policies.

Two Lockney High School students who attended the Texas Farm Bureau Citizenship Seminar this summer on Baylor University Campus in Waco reported on their experiences at the school. They were Byron Brock, son of Mr. and Mrs. Byron Brock, and Dwight Jackson, son of Mr. and Mrs. D.K. Jackson.

J.E. Eckert attended the Fireman's Training School at Texas A&M in July of this year. He also spoke on the programs and activities he experienced.

Ballots were then distributed to replace outgoing directors. Those elected by voting members were Warren Mitchell and Billy Fulton. Dan Smith was re-elected.

President Kenneth Pitts made his annual report and Dan Smith made the financial report. Agency Manager, David Cates reported on insurance activities for the year.

Convention delegates were elected for the state convention in San Antonio November 30-December 3. Those elected were Mr. and Mrs. D.K. Jackson, Mr. and Mrs. Billy Colston, Mr. and Mrs. Albert Scheele, Mr. and Mrs. Warren Mitchell, and Paul Schacht.

The door prizes were won by Mrs. Byron Brock and Mrs. Victor Smith. Their prizes were two free tires each.

The meeting was then adjourned by the President.

Citizens For Natural Weather

Group Meets In Plainview

Representatives of Citizens for Natural Weather from eight Panhandle and South Plains counties met in Plainview recently to review the status of cloud seeding and weather modification attempts and to map plans for opposing future attempts to seed clouds in attempts to modify weather.

The group also discussed plans to confer with elected officials, particularly those currently seeking reelection, and those seeking election to office to ascertain their views on weather modification efforts.

Citizens for Natural Weather indicated they will continue to oppose efforts to interfere with the natural formation of weather systems until there is scientific evi-

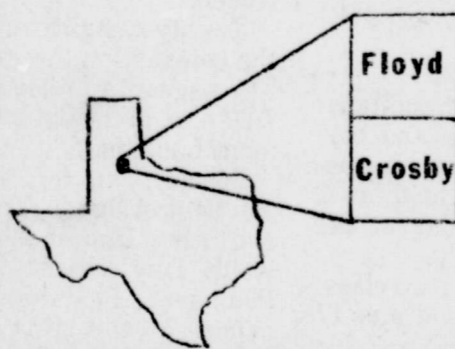

dence that such efforts are safe or will not accomplish adverse effects or benefit one area at the expense of another area. The Citizens for Natural Weather will continue to oppose the efforts of cloud seeding proponents to obtain permits from state agencies to experiment with the weather.

Reports were heard of alleged cloud-seeding efforts being made currently at various locations throughout this area. Persons suspecting such attempts are requested to notify Citizens for Natural Weather officials.

Counties represented at the Plainview meeting were Hale, Floyd, Lamb, Castro, Briscoe, Swisher, Hockley and Randall.

COTTON
Bollworm problems appear to be coming to an end for the season in the area. With cotton terminating its growth and many open and mature bolls present in most fields, no new problems should develop. Decisions to treat bollworms from this time on should be based on how many immature bolls that will be harvested are present on the plant. With the cooler weather we are experiencing now, egg and worm development will be slower. Many eggs are already being found that are not hatching and small worms that have not survived more than a couple of days. Increased beneficial activity has helped reduce bollworm survival in many fields. Heavy populations of minute pirate bugs and lacewing larvae are present in fields not treated recently with harsh insecticides.

Scouting activity is revealing some new activity in recently irrigated and late cotton. Egg counts of up to 40 and bollworms numbering 12 per 100 plants have been reported. Control decisions in such cases will be difficult. Most fields should not be treated just because they have eggs and small worms. If small worms are found re-check the field in a day or two to determine the effects of cooler weather and beneficial insect activity.

Aphids can be found in many cotton fields. Heavy numbers can

cause leaves to curl downward, leaves and small bolls to shed and premature boll opening. Most fields are far enough along that no economic problems will develop. A few spider mites can also be found in most fields but these can be placed in the same category with the aphids.

SORGHUM
Sorghum midge have been found in the area. Any late planted fields that are blooming at this time should be checked carefully for this small orange gnat. If 25-30% of the heads are blooming (yellow anthers present) and midge number at least 1 per head, treatment is recommended.

Sorghum that is still developing can also be damaged by headworms.

FLOYD COUNTY FARM TOUR
Floyd County Agent Jett Major invites all to attend this year's farm tour. We will meet at the Courthouse in Floydada at 1:30 on Tuesday, September 16. Tour stops will include soil moisture testing, cotton growth regulator test, narrow row soybeans, cotton varieties and sprinkler irrigation systems.

Educational program conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, or national origin.

COMBINE moves through corn field as corn harvest continues in the county.

Over Coffee

I have sat on benches and cried when my boy didn't play and cheered when he was on the field. I never worried about that wild play. That wild play males do in the ball game worries me more than well trained and trolled play on a field. I would rather young muscles pit against other young muscles than against my or the door-jam.

Think I don't about football? For I've been able to holiday dinner to coincide with the game half times. I helped memorize the memographed schedule and have been expected to appreciate how were carried out on field. I have stood in for 45 minutes in a department store to get Pearson's autograph.

My mistake was during the 45 minutes I got on the field when being caught up in a long affair with football. I was off and I back to the farm going to exercises.

For the 300-400-500 miles I have seen in the Cotton Bowl, Sun Bowl and the dome. I was the one lost her voice first when I was in high school Rocky Ford, Colorado was part of the Corps when I attended Colorado University. Have I convinced you? Well, I wasn't vined! I was moaning Wendell Tooley, "am I ever going to the football games they expect me to?" he said, "Don't worry about it Shelly, you have a fresh approach. Just cover the game interview the coach and work on your tures."

Then Jim Reynolds freely gave us his and true, simplified of keeping states that developed over the years. And he offered word encouragement.

So here we go into season. And I have confession to make there is a crack-sp writer in town I don't to hear about it. It's exciting down on the in the middle of action, well...see you day night.

MRS. JACKSON JORDAN JR.

Double-Ring Ceremony Unites Bonnie Jack And Jackson Jordan

Wedding promises pledged Saturday evening in First United Methodist Church of Lockney joined in marriage Miss Bonnie LaDelle Jack and Mr. Knox Jackson Jordan Jr. Their parents are Mr. and Mrs. Delton Jack of Lockney and Mr. and Mrs. Knox Jordan of Odessa.

Frank Duckworth, minister of West College and Third Street Church of Christ in Lockney, directed the 7 o'clock exchange of double-ring wedding vows as the couple stood in the altar area of the church that was centered with a brass candle arch.

Also in the nuptial area were spiral candelabras tied with tropical foliage and pink satin bows, baskets of peardry gladioli and white China mums and a kneeling bench. Candles were lighted by the bride's cousin, Miss Sharon Talley of Amarillo, and Clay Adrian.

Wedding guests were registered by Mrs. Lindan Morris of Floydada and escorted to seating in the church by ushers Randy Laycock of Lubbock and Bernie Ford.

Organ music for the ceremony was by Mrs. C.L. Record, Miss Janet Lovvorn of Stamford sang "Longer" and Mrs. John Wendeborn, also of Stamford, sang "One Love."

Flower girls, Rainey Whittington, and ring bearer, Jackie Don Schacht, the bride's cousin from Lubbock, preceded the wedding attendants down the aisle. Miss Christie Jack of Lubbock was her sister's maid of honor. Matron of honor was Mrs. Randy Laycock of Lubbock and the groom's sister, Miss Julie Jordan of Odessa, was bridesmaid. The feminine attendants wore gowns of pink lace knit. The blouson bodice featured a scoop neckline and shirred cap sleeves. An accordion-pleated skirt fell to a floor-length from a natural waistline accented with a self-fabric belt. They carried nose-

gays of pink pixie carnations, white China mums and pink satin bows and streamers, and wore matching flowers in their hair. The feminine candle-lighter's dress was styled identically to the bridal attendants and her flowers were fashioned into a wrist corsage. The flower girl's dress was of the same material but was accented with ruffles. She carried a white basket with pink flowers and wore pink pixie carnations and a satin ribbon in her hair.

The mothers of the bride and groom wore formal-length dresses and corsages of cymbidium orchids. All of the male members of the wedding party and the fathers of the bride and the groom wore black tuxedos with white shirts ruffled in the front. Their boutonnieres were of white carnations. The groom's tuxedo was formally styled and had a white coat. The ruffles of his white shirt were edged in black. His boutonniere was a pink rose.

Best man was Gary Frederick of Dallas, and groomsmen were Ron Lewis of Lubbock and the groom's brother, Kyle Jordan of Odessa.

BRIDAL ATTIRE

Given in marriage by her father, the bride chose a gown of white organza. The moulded bodice featured a deep yoke of Cluny lace sewn with seed pearls forming a scalloped and diamond pattern down the center of the yoke. Narrow Cluny lace edged the yoke and formed the Elizabethan collar. The Cluny lace made long, fitted sleeves and seed pearls repeated the scalloped and diamond pattern down the entire sleeve. Narrow bands of Cluny lace formed the cuffs. The natural waistline was encircled in lace and the skirt was fashioned with a redingote front opening over an organza crystal-pleated panel edged in Cluny lace that extended around the gown to form an apron effect in the

Candlelight Wedding Unites Bearden-Couch In Marriage

Garland Street Church of Christ was the scene of nuptial vows pledged Friday evening September 5 by Cheryl Denise Bearden and William Everett Couch in the presence of Weldon Couch, brother of the groom, who officiated the ceremony.

Mr. and Mrs. Louis N. Bearden of Floydada are the bride's parents. Mr. and Mrs. James C. Couch of Plainview, are the

broogroom's parents. Vows were repeated in a candlelight setting with centered archway decorated with greenery and white daisies. Candelabra with baby blue candles and greenery flanked the archway.

Attendants of the bride were Mrs. Bill Brown and Elisa Cervantes. Bridegroom attendants were Mike Muniz and Lewis Couch, brother of the

groom. Michael Bearden, brother of the bride and Tommy Love, nephew of the groom, were ushers. "Annie's Song" and "The Wedding Prayer," were sung by Randy Williams.

Given in marriage by her father, the bride wore a gown of white Lustagio Quiana knit. The moulded bodice featured a "V" neckline defined in silk Venise lace. Long tapered sleeves were accented at the wrist with an applique of silk Venise lace.

Silk Venise lace encircled the empire waistline which fell to a natural waistline in the back. The full accordion pleated skirt swept to back fullness forming a chapel length train. Her veil of illusion was secured to a Cam-lot headpiece that was bordered with Venise lace and had stitched pearls.

The bride carried an arrangement of white daisies and baby blue carnations with baby's breath on a Bible covered with white silk lace.

For something old she wore her mother's wedding band. Something new was her wedding gown. Something borrowed was the Bible she carried, belonging to Kathy Brown. She added the traditional blue garter and in her shoe were pennies minted in the years she and the bridegroom were born.

Gowns of her attendants were of baby blue polyester accented with a multi-colored small flower pattern. The dresses had an empire waistline, round neckline and long cuffed sleeves. Each carried a stem of white daisies and a single baby blue carnation with baby's breath, tied with a baby blue ribbon.

RECEPTION

Reception assistants were Mrs. Vaudie Holbert aunt of the bride, and Mrs. Randy Brown, sister of the groom.

A light blue tablecloth draped the bride's table, with a memory candle forming the centerpiece.

Thursday night, September 4, the rehearsal dinner was held at K-Bob's Restaurant in Plainview.

Following a short wedding trip the couple will reside in Plainview.

COURTESIES

Prior to the wedding the couple was honored with a

miscellaneous shower in Floydada at the home of Mrs. Joe Jones. Hostesses for the August 28 shower were Mmes. Bob Owens, Wylie Rogers, Delmas McCormick, Tom Pearson, Roger Poage, Roger Gooch, Don Green, Fern Hartsell, Richard Bertrand, Joe Jones, Charles Chandler, Ricky Fuller, Tony Jones, Jamie Lewallen, James Marriselle and Joel Hendrix.

The Center-Fairview Reunion was held August 31 at the Massie Activity Center. One hundred six people registered.

A short devotional was given by Ausie Watson of Abilene before lunch. After lunch a short business meeting was presented by Louis Anderson, president. Alma Dunn, secretary, read the minutes of last meeting in August 1978. Mrs. Clyde Bagwell read the memorial list of the deceased members of Center-Fairview commun-

ities since 1978. After the reading the group paused for silent meditation and then sang "Precious Memories." Mrs. Travis Lightfoot read two poems about growing old. One was written by Mrs. Claude Carpenter.

Prizes were given to Mr. Charley Spence, for oldest man; Mrs. J.E. Green, oldest woman; Mr. and Mrs. Clyde Bagwell, for oldest married couple (sixty years); and Mr. and Mrs. Gordon Lightfoot for traveling the furthest

Center-Fairview Hold Reunion

The Texas Alpha Sigma Upsilon met September 2, at the home of Donna Lipham.

Mary Emert and her committee of June Mc-Gough and Vikki Yeary presented all members with the 1980-81 year-books. The yearbooks are light blue and decorated with a yellow rose and the 50th Anniversary emblem. This committee was congratulated on a job well done on the year-books.

Mary Emert embroidered everyone a badge with a yellow rose bud.

Donna Lipham surprised all members with a blue carryall bag for their yearbooks and other supplies.

Nancy Willson from the Heart Association brought the program. Nancy showed a film on Mouth to Mouth Method of Artificial Respiration. Pamphlets were given out to help with "Activity and Your Heart."

Morning Vows Pledged Walters And Edwards

The wedding ceremony for Sandra Lee Walters and Earl Edwards was held at the First United Methodist Church of La Feria. The bride wore a high rise waistline gown featuring a bodice etched in pearls and long cuffed sleeves. The groom wore a tuxedo with a white boutonniere pinned to his lapel. The ceremony was officiated by Rev. Harold Leon Brown. The bride was escorted by her father, Mr. William Everett Couch. The groom was escorted by his best man, Mr. Taylor Virdell of Llano. The wedding cake was served by the bride's maid of honor, Mrs. Nancy Coleman. The reception was held at the home of Mrs. Earl Edwards, Jr. of Llano. The bride and groom were surrounded by family and friends. The ceremony was a beautiful and memorable occasion.

Tables were covered with white cloths edged with lace and arrangements of pink ribbon with daisies decorated them. The wedding cake was a two tiered confection frosted with butter cream icing topped with a bride and groom. Residing at the bride's table was Mrs. Doug Purl of Corpus Christi. Presiding at the groom's table was Mrs. Taylor Virdell, of Llano, she served a chocolate cake with A&M decorations. Guests were registered by Miss Ann Holland and ushered by Randy Walters, brother of the bride of La Feria. Best man was Taylor Virdell of Llano and Doug Purl of Corpus Christi served as groomsman. Floydada Nursing Home Happenings

Carrick and Doris Snodgrass brought several cantaloupes to the home. The residents have really enjoyed all the watermelons and vegetables and cantaloupes.

We went to Plainview on the bus trip Wednesday afternoon. Those enjoying the ride were Ermit Lawrence, Verna McSwain, Iva Simpson, Velva Pricer and Docia Manning.

Mr. Ermit Lawrence enjoyed Old Settlers in Roaring Springs with several of his children this week.

Big bingo winner was Mr. Ray Reed with three games. Mr. W.C. Cates and Joseph Delgado won two games each and Velva Pricer, A.G. Eubanks, Clara McNeely, Leona Bell and Clara Williamson all won one game each.

Mrs. Clara Murry enjoyed supper with Lloyd and Amelia Wednesday night. Other out of town guests there were A.D. and Helen Campsey of Jacksboro and Trena Jones of Fort Worth.

We have two new residents, Mr. Roy Fawceter and Mr. John Bilbrey of Lockney. They are roommates in room 8 on the south wing. They will need the visits of all their friends and loved ones.

Mr. Leon Marble was able to sit outside and enjoy the warm sunshine this week. It was the first time in several months and he really enjoyed breathing the fresh air.

We would like to thank Mrs. Fletcher Powell for the okra. The residents really did enjoy it.

Twenty-two residents watched two very good movies Friday afternoon, "A Banner In The Sky," and "A Guitar In Color." Among those in the lobby were Icy Biggs and Jessie Freeman, who had been unable to attend our movies for some time.

This has been a real fun week. Everyone is feeling much better after suffering several days with colds. Our exercise classes and devotions have been much larger due to everyone feeling better.

We would like to welcome Mrs. Hazel Ginn to our home. She lives in room 8B down the west wing. Mrs. Ginn isn't a newcomer to our home. This makes her third stay here and I know we will enjoy having her.

We would like to thank Mr. and Mrs. J.W. Day Jr for the cantaloupes. The residents loved having them for lunch.

Mrs. Burmah Probasco and Mrs. Clarence Jones showered us with lots of nice scraps to make lap robes with, this week and the ladies of the First Christian Church have already picked them up to make.

We enjoyed the fruit and cookies of the Sunshine S.S. Class, this is always a treat the residents look forward to.

Mr. and Mrs. N.B. Mooney of Dallas visited his mother, Mrs. Susie Mooney, this week.

Mrs. Leona Bell has enjoyed a trip to her farm

and visiting with her grandson, Paul Bell of South Carolina, this week. Mr. John Bilbrey is in Caprock Hospital. Mr. Bilbrey is making a fine recovery and we hope he is home soon.

We went to Crosbyton on our bus trip last Wednesday. Those enjoying the trip along with a frosted coke were Iva Simpson, Velva Pricer, Verna McSwain, Emmit Lawrence and Victoria Asher.

Many thanks to our visitors who included: Debra Jo Fawver, Amanda Jo Fawver, Marge Sue, Thelma Fawver, Mrs. Clara McNeely, Doris Snodgrass, Voncel Colston, Helen Johnson, Lois Jones,

Cucumbers Anyone?!

Many of you must have lots of cucumbers in your garden. I've had lots of requests for a different way to preserve them besides the same old pickles. This is a popular recipe and one you might like to try. It is a lot like apple rings.

CUCUMBER CINNAMON RINGS
2 gallons large cucumber rings
2 cups lime
8 1/2 quarts water
1 cup vinegar
1/2 ounce red food coloring
1 tablespoon alum
2 cups vinegar
2 cups water
8 cups sugar
8 sticks cinnamon
1 cup red hot candy

Wash and peel cucumbers, cut in slices (about

1/2-inch thick), core out center, making a ring. Let stand 24 hours in lime water. Rinse well and soak in cold water three hours. Drain and mix together 1 cup vinegar, food coloring, alum and enough water to cover. Simmer cucumbers in this mixture for two hours. Drain and discard liquid. Make a syrup of 2 cups vinegar, 2 cups water, sugar, cinnamon and candy. Bring to a boil. Pour over rings and let set over night. Drain, heat syrup and pour over rings. Repeat syrup process for three days. Pack in jars and process five minutes in a boiling water bath.

Several canning and pickling bulletins are available free from the Extension Office. Come by and pick up some!

The Floyd County Junior Livestock Show Association's Board of Directors will be meeting at 7:30 p.m., on Tuesday, September 16, at the County Extension Office Meeting Room to finalize all rule changes and to set dates for show barn work days.

All members of the Board are encouraged to attend this meeting and any 4-H and FFA members or parents are invited to express any suggestions they might have concerning the show through their respective director. A list of the Board of Directors is outlined below:

Precinct 1:
Ed Nutt—83
Weldon Pruitt—82
Bill Hendrix—81

Honor Club Elects Officers

The Dougherty Honor Club met September 4, for their first organizational meeting.

The officers of the club are as follows: President, Abel Arellano; Vice President, Heath Robertson; Secretary, Judy Cervantes; Treasurer, Neomi Huerta; Sergeant at Arms, Bobby Martinez; and Reporter, Chad Pernel.

The club plans to raise candy this year to sell money for their school decorations and for their end of school trip.

Members of the Honor Club are: Abel Arellano, Donna Campbell, Judy Cervantes, Sofia Contreras, Calvin Jewell, Jose Hernandez, Bobby Martinez, Chad Pernel, Heath Robertson, and Luis Travino.

Sponsor of the Honor Club is Mrs. "D."

4-H Discuss Upcoming

A 4-H meeting was held at 7:30, September 2 in the Ag building.

Keith Hight called the meeting to order. Following that Lisa Terrell lead the members in the 4-H motto and pledge.

They discussed having another meeting that will be held Monday night September 8 at 7:30 p.m. in the Ag building.

The 4-H Achievement Banquet is scheduled to be October 11, at 7 p.m. at the Lockney Elementary Cafeteria.

Judging teams on Dairy, Plant Identification, Livestock and Horse judging will all be formed this year for the members to participate in.

A new state rule is that all 4-H clubs in the State of Texas will have to re-enroll each September.

An adult leader Forum will be held in Lubbock on Saturday, September 6,

for adult leaders and parents.

We have two new members who have joined 4-H. They are Phillip Glasson and Wesley Teeter.

Those present at the 4-H meeting were: Keith Hight, Monty, Wesley and Rusty Teeter, Julie

Diesterhaus, Lisa Terrell, Earl Hight, Karen Hight, and Keith Hight.

Coach's Comments

"We were a little nervous at the beginning of the game" said Coach Dewayne Sexton, "but after the first play our boys settled down and we just tried to play our game. We stopped ourselves all night with penalties. However, most of the penalties were aggressive ones. The offensive line played aggressive the entire game and controlled the line of scrimmage. They came off the line well and played smart. Jeffrey McCormick and Junior McDonald had a good game. They have played together for five years and complement each other. On defense, Mario Gonzales and Mike Arellano in the secondary played well along with defensive end John Fortenberry and linebacker Kyle Brock."

Study Club Holds Meeting

Mrs. Louise Turner, president of the Floydada Women's Chamber of Commerce was guest speaker at the opening meeting of the 1980-81 1929 Study Club, Thursday morning at 9:30 a.m. in the home of Mrs. Cleo Goins.

"The Chamber's year begins in the spring at their banquet," Mrs. Turner reported. "Then committees are appointed for the year's projects. The style show, yard beautification, blood donation drive, Old Settlers Play Day booth, community planning survey, appreciation coffee, Christmas tree lighting ceremony, assisting with open house for new businesses if requested, coffee for teachers appreciation, doctors, and nurses, Vaudeville show for the County library, all are part of the work the Woman's Chamber of Commerce have done. When Floydada returned their questionnaires from the rural community planning survey, the South Plains Association of Governments said it was the best response of any of the towns surveyed," the speaker said.

Mrs. Vance Campbell, president, led the group in repeating the Pledge of the Bible, to open the club meeting. The business meeting was held after the report by Mrs. Turner.

Mrs. S.W. Ross read the minutes of the May meeting, as the secretary, Mrs. Weldon McClure, had to leave early. The club voted in May to go local, rather than continue in their fifty year tradition of National and State Federation. They will donate the dues money to local projects.

The new yearbooks were reviewed by program chairman, Mrs. Ben Whitaker and Mrs. Campbell. "Have you helped someone today?", is the theme for the year.

A breakfast buffet of hot sausage balls, hot cheese wafers, muffins, nuts and plates of fresh fruit tidbits was served with coffee. The serving table was covered with pale green linen. China appointments were used. Mrs. C.M. Meredith poured.

Other members present for the opening meeting included Mmes. H.E. Cline, C.W. Denison, W.B. Parrack, Ben Whitaker and Q.D. Williams.

The next meeting will be October 2 at the ranch home of Mrs. W.D. Williams in Lakeview community. Sheriff Cardinal will be guest speaker.

TYE COMPANY VOLLEYBALL TOURNAMENT CHAMPIONS — John Tye, right, presents plaque to Department 600 members, first place winners. Pictured left to right are Alex Martinez, Joe Tambunga Jr., David Peralez, Mauro Martinez, Miguel Padilla, Freddie Gonzales, and John Tye. Tournament director was Les Spence.

Tye Company Hosts Annual Company Picnic

The Tye Company hosted their annual company picnic honoring all Tye Company employees and their families and guests on Saturday, August 16, at American Legion Hall in Lockney. Approximately 200 people were in attendance at the event.

A picnic supper of hamburgers and hot dogs with all the trimmings, and ice-cold watermelon was followed by entertainment for all ages. A penny toss and a jelly bean jar guessing contest provided entertainment for the young-

sters. Winners of the jelly bean contest were Memori Assiter and Kyle Bush. Others enjoyed swimming, interdepartmental volleyball and horseshoe pitching tournaments.

Winners of the volleyball tournament were members of Department 600, Final Assembly, whose team consisted of Mauro Martinez, Alex Martinez, Joe Tambunga Jr., David Peralez, Miguel Padilla, and Freddie Gonzales. Runners-up in the event were Department 700, Bench Assem-

bly, represented by Humberto Flores, Willie Phillips, Armando Rendon, Noe Blanco, Charlie Amador, Robert Rendon, and Danny Rodriguez.

Department 600 also captured first place in the horseshoe tournament, with Mauro Martinez and Freddie Gonzales representing that team. Second place went to James Steele and Chele Duran.

Plaques will be placed in the company trophy case, along with other awards from previous years.

Green Thumb Program Has New State Director

Diane L. Parrish of Waco has been appointed state director of Texas Farmers Union Green Thumb employment program.

She replaces former state director David Hartwig who left in order to become Green Thumb's Regional Coordinator of the Western Region in Idaho.

Mrs. Parrish has worked with Green Thumb since 1976, as office manager, area supervisor and district director prior to her promotion.

A native of Oklahoma, she has a degree in business administration from Oklahoma State Univer-

sity. Green Thumb Inc., a part-time work opportunity for disadvantaged rural senior workers, is a federal program funded through the Department of Labor and sponsored by National Farmers Union. Green Thumb, an Equal Employment Opportunity Employer, places Green Thumb workers with non-profit organizations to help serve the needs of rural communities. The program's goal is to place older workers in unsubsidized positions.

Currently, Green Thumb operates in 107 counties and employs more than 950 workers, program officials say.

MAURO MARTINEZ AND FREDDIE GONZALES receive plaque for first place in Tye Company horseshoe tournament from Jack Covington, picnic chairman. Frankie Graves served as tournament director.

The Texas Department of Public Safety wishes to warn the motorist that daylight hours will be getting shorter. It is difficult to see a person on foot during the twilight hours.

Major C.W. Bell, Regional Department of Public Safety Commander said, "Children will be attending school and this will cause an increase in pedestrian traffic. Human life is the most precious commodity we have, more especially our school children's lives."

FIX-IT FACTS

Now is the time to repair... if your home has attractive stucco walls but unattractive cracks. Time before the cold weather gets here. Using a chisel, remove all loose stucco to get a smooth base for patching. Widen the crack to nearly twice its width and undercut to provide a ledge to hold patching cement. Wet the crack thoroughly with a brush or soaked cloth. Using a putty knife, fill the crack. Be sure the cement fills the crack thoroughly and overlaps each side about 1 inch. If your stucco is colored, a colored stucco (sandfinish) can be applied over the crack by dapping a wet sponge into the stucco and working the wet material in a circular motion to blend with the older stucco. After amply filling the crack with cement, use the putty knife to smooth out the filler into the surrounding stucco.

The WMU Leadership Clinic was held at the First Baptist Church in Matador, on Thursday, September 4, with around forty women in attendance at the meeting which began at 9:30 a.m. with Mrs. Bobbie Trull in charge of the procedures. Mrs. Trull, Mrs. Connie Allen, Mrs. Mamie Wood and Mrs. Evelyn Latta were among those who led the studies on How to Use the WMU Year Book and duties, etc. of officers in the WMU. Theme for the meeting was, "Life's Changing Commitments," and Psalm 37:5 is the Watchword for the week. Mrs. Mamie Wood brought the work of Mission Study, and she is from South Plains. Accompanying Mrs. Wood to Matador were Mrs. Ruby Higginbotham, Mrs. Joyce Osborn, Mrs. Trudie Taylor and Mrs. Bonnie Julian. They all carried sack lunches to have at the noon hour.

Mrs. Sterling Cummings enjoyed a friend from Vichy, Missouri, last Thursday as Mrs. O.J. Webb from there came to visit and have lunch with her. On Friday Mrs. Cummings went to Lockney and met Mrs. Thurman Davis where they had lunch with several friends and classmates of Mrs. Webb.

Mr. and Mrs. Doris and Hilburn Casey of Lockney were visiting here with her sister and husband, Mr. and Mrs. Raymond Upton, Sunday afternoon, and they were guests with them at evening services at the South Plains Baptist Church.

Around a hundred visitors, guests and home folks were present on Sunday night, August 31, at the South Plains Baptist Church when Open House was held for the new pastor and wife, Rev. and Mrs. Cecil and Joyce Osborn. Gospel Quartet singing, with other music and entertainment was presented throughout the evening, and then homemade ice cream and cakes and

cookies, were served to everyone in Fellowship Hall.

Sunday School Preparation Night will be held this coming Tuesday night, September 9, beginning at 6:45 at the Matador First Baptist Church, where Gary Lillyard is pastor. Several from the South Plains Baptist Church are planning to attend, including Rev. and Mrs. Cecil Osborn, Mr. and Mrs. Kelvin Cummings, Mrs. Mamie Wood and Mrs. Ruby Higginbotham.

Mr. and Mrs. Bryan Karr from down near Dallas have been visiting friends and relatives here during the past week, and Wednesday noon a family reunion of Helen Karr's brothers and sisters met at Furr's in Plainview for a family get-together at twelve o'clock noon. Dean Stewart brought his wife, Pat Stewart, home from the Nichols Hospital in Plainview on Wednesday, September 3, and she is convalescing at home, and doing fine at this time. She will have to be out of the South Plains Postoffice for the next four to six weeks. Mrs. Stewart's mother, Mrs. Babb, from Beaver, Oklahoma has been here with the Stewarts, part of the time while Mrs. Stewart was in the hospital. Mrs. Glen Wood is assistant postmaster at the South Plains Postoffice.

Others who have left South Plains for college and other schools are Deneen Johnson at Nursing School in Lubbock, and Denise Johnson in Texas Tech. Renee Sanders is also attending Texas Tech University where she is a freshman.

Mr. and Mrs. Fred Marble, with Cindy and friend, Meredith Kitchens, left here Thursday, August 28th, for their vacation and went to Denton, where they visited Fred's sister, Mr. and Mrs. Marvin Wells and girls. They then went to Weatherford where on Sunday they at-

tended a family reunion of Fred's mother folks, at the home of Mr. and Mrs. Quentin Burgett on Lake Weatherford. Thursday of the next week they spent that day and Friday at Graham then went on to Possum Kingdom Dam, where they spent some time, and they returned home the following Monday.

36 were present for Sunday School, Sunday morning, at the South Plains Baptist Church and more came in for church services at 11:00 o'clock. Visitors were Mr. and Mrs. Bobby Craddock of Sundown (she is a church member) and Randy Johnson of Whiteface with Renee Sanders. The children were all visitors in the Richard Sanders home during the weekend.

Prayer meeting time at the South Plains Baptist Church is at 7:30 p.m. Wednesday night, and Sunday evening services begin Sunday night at 7:00 p.m.

The Lockney Cooperatives held the 23rd annual meeting at the Lockney Grade School Cafeteria on September 6, and several from our community attended the banquet and the election, etc.

Economic Conditioning

If you have central air conditioning, keep the thermostat at a steady setting no lower than 75°F. Depending on where you live, the difference between 72°F and 78°F can save you anywhere from 12% to 47% in cooling costs.

With room air conditioners, use only the ones in rooms you are occupying at the moment; shut down the others.

When buying air conditioners, get sound advice on air-conditioner capacity; too powerful or too weak a unit will waste energy and money.

Clean or replace filters for at least once a month during the cooling season. Set the fan at high speed, except in very humid weather. A low setting will remove more moisture.

Agri-Facts
By Jerry Perry

Producers who have been in the cattle business for any time at all know there's nothing harder to predict than the cattle market. Now that reporting systems for the total number of cows on pasture and cattle in feedlots are much more accurate it seems things would get easier. But then you have a few other factors which come into play. High interest rates may change the projection of new cattle coming into feedlots. Prices of other meats may be drastically lowered because of oversupply. Also, consumers may get a big dose of misinformation on nutrition from beef. Inflation may shoot up beyond expectations causing family food budgets to be sharply scrutinized. Any one of these factors could make earlier projections worthless at any given time, but when they all happen in the same year it can drive all the predictors right back to coin flipping. What do you think? Heads or tails?

Wreckers And Seagos Tour Europe

and flowers everywhere. The barns were in the bottom of the farm homes with living quarters on the top.

The amount of traffic was surprising. Traffic was very heavy and gas is over \$3.00 a gallon. As we crossed over the Inn River, we saw the Alps for the first time before we reached the German/Austrian border which was very relaxed and easy as they checked out passports. We stopped at Moonsee Lake to change our money into schillings. It takes 12 schillings to make \$1.00. This is where we ate our first (but not our last) tortes. We passed by the little church where the wedding was filmed for "The Sound Of Music." Churches are dotted all over the mountain sides, in the valleys, villages, and cities. 90% of all the churches we saw are Catholic, then the Lutheran, followed by the rest of the Protestant faiths. Some of the churches show the eastern influence with the onion domes.

The Monastery of Melk was built in 900 A.D., burned and finally finished in 1703, with a large cathedral in the center. It is still a place of education and boarding school and it was the capitol in the 11th century.

From Melk, we took a two hour boat ride down the Danube River to Krems. Grapes were growing on both sides of the river. Krems has a reputation of having the best wine in Austria. Signs above the doors of the cafes or taverns are wreaths of evergreen or wheels of straw with straw spokes to tell that they have new white wine. We ate lunch on the boat and had our first confusing experience of paying with foreign money, it was expensive. A second glass of tea cost \$2.25. After that we were careful about seconds.

Vineyards are grown all up and down the rolling hills along the Danube, which is also lined with old castles and garrisons. One of the castles was where Richard the Lion Hearted was held. We drove through the Vienna woods into the beautiful old city of Vienna. We went up to the top of a look-out mountain to get a panoramic view of the city of 1.4 million people.

Vienna was the capitol during the 12th century and one could not help feeling the power of the Holy Roman Empire as we looked down on that ancient city, which at one time had a population of 2.1 million.

Our first sightseeing in Vienna was the Schonbrunn Castle. Leopold built this palace in 1696 as a summer home at the edge of the city but it is now in the center of Vienna. It was later to be the summer palace of

Maria Theresa, which she had enlarged and redone in the style it is today. Schonbrunn means "beautiful spring" and is crystal clear that still flows from the spring today. It has 1,400 rooms and we toured 18 rooms at the rear, overlooking the most beautiful garden that we were to see at any of the castles or on the entire trip. The palace was heated with porcelain wood stoves in the corner of each room. They were vase shaped and stood 7' or 8' tall. We saw the triumphal arch called Gloriette in the garden and sculptured fountains, trees, and hedges. Since the Halsburg family once occupied this palace, the native Viennitians are still fond of coming here.

We toured around the "Ring" which really is a ring around the center of town on which are located many of the historical and ornate buildings. Here we saw the statue of a Russian hero which was made by Russia as a part of the treaty and must remain there. The people of Vienna have erected a fountain in front of the statue which sprays water higher than the Russian hero thus hiding him from the front view.

Vienna is so filled with history it would take a lifetime to see and hear it all. We drove through Hofburg or Imperial Castle into the Plaza where into Hero's Square where Hitler once made speeches. Hofburg is a city within a city and the President of the Republic still lives there. Eating lunch at the sidewalk cafes, pastry shops (you wouldn't believe the goodies), and shopping in the quaint shops that were expensive, was a fun and a unique experience.

We saw Vienna at night going to the Stadtpark (the big city park) to a concert which honors Johann Strauss and Mozart and waltzed under the stars to their beautiful music. Several thousand people go there each evening during the summer. Art found coffee expensive at the park. It was \$5.00 a cup. He really appreciated the coffee at the First National Bank in Lockney. Later that same evening we rode the tallest Prater (ferris wheel) which is 190' high. Later we went to an open air beer garden in Donaupark (we had apple juice, scouts pro-mise). By a mix-up we left Roberta at the place, but not for long! We went around the "Ring" to see the historical and government buildings flooded in light. The evening was cool and the trees and flowers were gorgeous on this mountain side garden. Getting back to the motel at 1:00 a.m., we vowed to return to Vienna.

South Plains Fair Report

The complete story of the sixty-third annual Panhandle South Plains Fair is contained in a 124-page catalog just distributed throughout the South Plains and eastern New Mexico areas.

More than 4,500 copies of the 1980 catalog have been mailed to potential exhibitors and fair superintendents and other volunteer workers, according to General Manager Steve L. Lewis.

It also contains a list of premiums totaling more than \$75,000, Lewis noted.

The theme of this year's fair, scheduled September 20-27, is "family fun at the fair."

The center section of the catalog is devoted to virtually an all-new lineup of stars booked for the stage of Fair Park Coliseum.

"We're tickled to death with the lineup," Lewis said, adding that ticket sales so far are well ahead of last year.

The coliseum attractions include:

Sept. 21—The Merle Haggard show, with Susie Allanson, 5 p.m. and 8 p.m.

Sept. 22—The Oak Ridge Boys, with Joe Sun, 5 p.m. and 8 p.m.

Sept. 23—The Marty Robbins show, with Little David Wilkins, 5 p.m. and 8 p.m.

Sept. 24—The Eddie Rabbit show, with Susan Raye, 5 p.m. and 8 p.m.

Sept. 26—Moe Bandy and Joe Stampley, 8 p.m. only, and

Sept. 27—Larry Gatlin and the Gatlin Brothers Band, 5 p.m. and 8 p.m.

All seats are reserved and tickets are \$4, \$5 and \$6.

Mail order requests for reservations currently are being accepted by the fair, P.O. Box 208, Lubbock, Texas 79408. Orders will be processed in the order in which received.

Requests must be accompanied by a stamped, self-addressed envelope.

Beginning August 1, tickets also will go on sale at the fair office, 105 E. Broadway.

Registration For Aerobics Nearing

The Department of Health, Physical Education and Recreation at Wayland Baptist College will be offering a beginning and advanced course in Aerobics for persons in the Lockney area this fall, according to Dr. Sylvia Nadler, head of the Department.

The course, to be taught by Anne Carthel, will meet each Monday from 6-8 p.m. or 8-10 p.m. beginning September 8.

Registration will take place on September 8 and 15 beginning at 6 p.m. at the American Legion, and persons planning to enroll should wear exercise clothing and tennis shoes. The first class session will be held the night of registration.

Cost for the class, which offers one hour college credit, is \$50 for credit and \$33.33 for persons wishing only to audit the course. In addition, a \$15 fee will also be charged credit students who are enrolling in Wayland for the first time.

The class was offered by WBC for the first time last fall and attracted more than 1,400 participants during the 1979-80 year. Aerobics is "a fun way to get in shape," according to Mrs. Carthel.

"It tones the muscles, gets the heart and lungs in shape, burns up calories and really gives you energy."

"Aerobics combines jogging and jumping with choreography," says Carthel. "It's a physical fitness program designed to build up the cardiovascular system."

Each session will consist of a warm-up period followed by several routines, and finally, a "cool-down" period of other exercises. All routines and exercises will be done to popular music.

Hearing Loss Is Not A Sign Of Old Age

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone requesting it.

True, all hearing problems are not alike... and some cannot be helped by a hearing aid. But audiologists report that many can. So, send for this free model now, and wear it in the privacy of your own home. It is not a real hearing aid, but it will show you how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. #52329 Beltone Electronics, 4201 W. Victoria, Chicago, Ill. 60646.

Floyd County Towns That Preceded Floydada And Lockney

Out in the west it is a rare town that is standing on the original site, and with the same name as it began. The railroad location and other factors often made the difference.

Floydada is no exception. According to an early history of Floyd County written by Claude V. Hall, founder and first editor of the Hesperian, Della Plain was the first town in Floyd County.

It was named in honor of Della, daughter of a real pioneer settler, J.S. McLain, who later settled in the Sandhill community. Its location was five miles north and one mile east of the present site of Floydada.

In 1886, seeking to escape a severe drouth, T.J. Braidfoot, of Baylor County, drove his herd of cattle in early summer to this county. Seeking to found a new town, he formed a partnership with J.S. McLain of Seymour, being joined in the town promotion venture by two other Seymour men, Dr. L.T. Wilson and Judge L.R. Darnell.

Lumber and other materials were hauled from Wichita Falls by ox wagons, 175 miles, and though intended for a store, floor lumber and shingles being as yet unobtainable, the unfinished building served as an all-around community center. McLain induced his uncle, J.R. McLain of Seymour, to move, as well as Paris Cox, founder of Estacado and Crosby County clerk up to 1888.

Surveyor Seg Bradford located a quarter section in the homestead strip just north of Della Plain near the close of 1887, and in 1890 located school lands for the Floyd County permanent school fund, in Bailey county.

Early storekeepers were Dr. Wilson, the Davis Bros., A.J. Sams and A.D. White, the latter using the old store building on the north side of the square as a residence, store, and post office in 1893. The McLain family took care of the mail in the early years, Estacado being the originating point.

The McLain name has meant much to Floyd County, particularly in the eastern and southern section. J.S. McLain came from Randolph County in Arkansas to Baylor County, Seymour being the county seat, and remained but a few years before moving back to Floyd County in 1887.

His uncle, J.R. McLain, and Paris Cox, the founder of Estacado, were the men chiefly responsible in influencing him to move. According to Claude V. Hall, long-time Hesperian editor who narrated the early history of the county for the Panhandle-Plains Historical Society (p. 88) "Cox spent some time in the winter of 1886-1887 at Seymour transcribing the records of Baylor County pertaining to Crosby County.

Cox lost no opportunity to set forth the resources and advantages of the "Staked Plains." "The most pretentious building of the first year or two was occupied as a hotel by T.J. Braidfoot. In all directions from Della Plain habitations were fast provided, and most of them were dugouts and sod houses. The settlers in general were not well supplied with funds, but they had ample time to devote to the construction of homes which cost nothing save muscular exertion on the part of the owners." D.R. Wilson put in a small stock of merchandise in the fall of 1888, in the first building erected at Della Plain, consisting mostly of tobacco, canned goods, and small wares. This totaled only about \$100.

Davis Bros. bought him out in the spring of 1889, and enlarged the stock of goods; they were suc-

ceeded by A.J. Sams, though they remained in the general section as homesteaders, near the present site of Lockney. Sams moved his store to Mayshaw in 1895, staying there until the founding of the rival town of Lockney in 1895, when he moved there.

R.E.L. McLain found the first weekly newspaper, The Della Plain Review, in January 1889, but it ceased to publish in August 1891, and moved to Silverton.

Roads were poor, but there was a trail to Plainville running about one mile south of present-day Lockney.

In 1888 J.C. White set up a blacksmith shop, but moved the next year to Lockney.

The first public dance in Della Plain was held on Christmas Eve in 1888, with most inhabitants present. J.C. White and daughter furnished the music. They used violins of his own handiwork.

A four month school term with salary at \$30 monthly was held in 1888-1889, with 15 pupils. Miss Emma Lewis of Estacado taught the school, and trustees were T.J. Braidfoot, J.S. McLain, and A.V. McCracken. Private subscriptions increased the teacher's pay. The roll jumped to 20 the following year, with William Massie holding a four-month term at \$40 monthly. Half his pay was in cedar post and wood. Two sons of W.A. Merrill of Blanco Canyon traveled a distance of twelve miles to attend.

R.T. Miller was superintendent of the first Sunday School, organized in 1889, with keen interest on the people's part. Occasionally a worship service was held. The store building was sometimes the site; some meetings were conducted in dugouts. Anson Cox, of Estacado, joined with O.A. Shook, J.H. Stegall, and Thomas Duncan in these pioneer sermons.

As was quite typical of pioneers in their rough surroundings and often hazardous contacts with nature, a longing for higher forms of education

was soon manifested, and so there was a sympathetic hearing when Rev. B.F. Fronabarger, proprietor of a large private school at Springtown, Parker County, delivered an address at Seymour relating to his educational work.

Since there were many associations by now between Della Plain and Seymour, it was not a mere happenstance that J.R. McLain should contact him at the close of his address relating to the possibility of locating a school at Della Plain.

After a visit there, he entered into a contract with McLain and seven others to erect a school building, maintain and supervise a school for five years, and then receive title to the building and some town lots.

DELLA PLAIN INSTITUTE

Called Della Plain Male and Female Institute, the school endured only a few months, in 1890-91. A graduate of Fronabarger's school at Springtown, C.W. Hutcherson, served as principal, with Miss Anna Bedecarrax as assistant principal. Although much vigor was expended by the founder at first, he soon resigned, and Fayette Copeland took his place.

Then it ran as a public school for six months and closed. Though a "failure" in a sense, the school was at least the product of great dreams: its advertisements stated that it had primary, preparatory, and collegiate departments, the latter offering these subjects: General History, Composition and Rhetoric, Metaphysics and Logic, High Algebra, Geometry, Trigonometry, Surveying, Greek, Latin, French, German, Hebrew, Spanish, Natural Science, Commercial Law, and Art.

A glimpse of the high hopes of at least one person for life at Della Plain can be seen in the letter published in the Della Plain Review: "Come to the beautiful little Della Plain, in the county of Floyd. Send

your children. They will find board cheap but good; tuition reasonable; instruction thorough; discipline kind, but rigid. Send your sons that they may get the advantage of a college course without having to leave their homes to get it. Send your daughters that they may become skilled in the finer arts, as well as being equipped for the sterner duties of life."

In 1895 the building from this school was converted into an additional room of the Floydada public school.

Despite the initial hopes, Della Plain's population ebbed away in 1891-92. Briscoe County to the north was organized March 15, 1892, and Braidfoot, Briscoe, and others, having lost faith in the future at Della Plain moved to Silverton and became numbered among its founders. A.D. White, upon the discontinuance of the postoffice at his home in 1893, in the autumn, settled on a homestead of a quarter section nine miles west of Floydada. In 1900 twenty acres of the townsite were planted in cotton, and six bales were harvested and ginned at Childress.

The relationship of Floyd County people to other towns is interestingly displayed by Claude V. Hall. "Meanwhile the Ft. Worth and Denver City Railway extended its train service to Childress, which was thenceforth, for a few months, the trading point for Floyd County settlers. From the latter part of 1887 to the summer of 1898 Amarillo was the principal trading point during the warm seasons while Childress was the market for cold seasons. Estacado was about thirty miles southwest of the new town in Floyd County settlers; for mail facilities, for land and legal business, and for trading in small wares.

MAYSHAW

While some settlers moved north, and the McLains southwest to Sandhill, others made a shorter move, only a couple of miles west, and

founded another short-lived town, Mayshaw, in the community now known as Muncy. A.J. Shaw was one of the promoters of the new enterprise, and his wife was named May, thus the name Mayshaw. After 1896 only a few dugouts marked the scene. Floydada having been chosen as the county seat town, many of Della Plain's residents regarded its cause as hopeless, and a capital stock company with \$11,000 at its disposal was organized, dubbed "The Citizen's Town Company," headed by A.J. Shaw of Galesburg, Illinois, A.F. and J.H. Dodson, as well as A.J. Sams, B.F. Farmer, and other joined in.

As usual, a newspaper quickly sprang up, the Mayshaw Zephyr, which gave this explanation of the town's existence: Tired of the warfare for the county seat, citizens had determined to construct a town of their own. The reason for the site was this, "That this section was near the geographical center of the county, had a perfect land title, was almost the exact agricultural center of the county, had a splendid natural drainage, a magnificent view, and last, it was known that plenty of water could be secured upon this section at a very small expense."

During the 1892 summer it seemed that Mayshaw would prosper, with a post office in operation, a small public library, and a few business enterprises projected.

Some of Della Plain's houses were moved to Mayshaw, others to Briscoe County. Despite the great help of Col. and Mrs. Shaw, the settlers could not withstand an invasion of grasshoppers in 1893, which followed

fast upon a prolonged drouth. (The hoppers must have carried their thermos jugs with them!) So interested was J.H. Dodson, the Zephyr's editor, that he sent his paper free on a countywide basis, and even ran for county judge to help his town, but he resigned as editor in 1893 and moved to California.

His interest had extended so far as to insert free advertising for the marks and brands of stockmen, and classified reading notices. W.C. Hawkins revived the Zephyr in 1894, but discontinued it the following spring to become the editor of The Floyd County Times at Floydada.

Besides the Dodson brothers, leading men at Mayshaw were L.R. Voorhees, whose services were in great demand as a mechanic and windmill expert, S.H. Brown, blacksmith, G.W. Farnsworth, public-spirited farmer, C.F. Ramsey, early-day county commissioner, A.J. Sams, merchant, Mrs. T. Cromartie, who was proprietor of the Winsor Hotel, E.P. Thompson, and G.W. Grammer. Thompson proclaimed that he was "Prepared to put up or repair all kinds of windmills on short notice." Reflecting the versatility and enterprise, as well as ways of thinking of a previous century, Grammer asserted that he was an instructor in music, stenography, and phrenology.

Connections with the outside world were evident. Callaway Bros. of Amarillo were advertising a new wagon yard, wholesale and retail, where a person could buy "Grain, hay and feed stuff." The boast was also made: "Best Wagon Yards & Stock Sheds on the Plains!"

Memphis was advertising itself as "The nearest Rail Road Town to Floyd County," with directions as to finding Memphis, including Curlew post office, Adam's Camp, Vernons House, Farmer's house, etc., and the Red River. Childress advertised its Ice and Coal Co., selling "EGG AND LUMP COAL." Even from as far off as Gainesville there was advertising for Springdale Nurseries.

A large advertising spot, that would now be known as a "public service," described Mayshaw, Texas, as "THE FUTURE TOWN OF FLOYD COUNTY," and ended with "A GOOD OPENING FOR A GENERAL MERCHANDISE STORE."

Ft. Worth and Denver City Railway Co., and Union Pacific System, "The Only Line Running Through the Great Panhandle of Texas," the greatest wheat producing country in the world, advertised cheap houses and direct route to western states.

The newspaper itself, the Zephyr, in the boom spirit of those days advertised itself as sending its issues to all in the county whose names were available, and dubbed Floyd County as "THE BANNER SPOT OF TEXAS." There were advertisements from Panhandle, Higgins, and Canaunan, in the Texas Panhandle (the spellings varied as to one or two words from panhandle), and from Wellington, Kansas. A doctor was wanted, and he was promised the practice for two-thirds of the county. A detailed description of the county was given, headed thus: "The County which has the greatest amount of the richest land, and inexhaustible supply of the purest water, and the

Memphis was advertising itself as "The nearest Rail Road Town to Floyd County," with directions as to finding Memphis, including Curlew post office, Adam's Camp, Vernons House, Parmer's house, etc., and the Red River. Childress advertised its Ice and Coal Co., selling "EGG AND LUMP COAL." Even from as far off as Gainseville there was advertising for Springdale Nurseries.

A large advertising spot, that would now be known as a "public service," described Mayshaw, Texas, as "THE FUTURE TOWN OF FLOYD COUNTY," and ended with "A GOOD OPENING FOR A GENERAL MERCHANDISE STORE."

Ft. Worth and Denver City Railway Co., and Union Pacific System, "The Only Line Running Through the Great Pan Handle of Texas, The greatest wheat producing country in the world," advertised cheap houses and direct route to western states.

The newspaper itself, the Zephyr, in the boom spirit of those days advertised itself as sending its issues to all in the county whose names were available, and dubbed Floyd County as "THE BANNER SPOT OF TEXAS."

There were advertisements from Panhandle, Higgins, and Canadian, in the Texas Panhandle (the spellings varied as to one or two words from panhandle), and from Wellington, Kansas. A doctor was wanted, and he was promised the practice for two-third of the county. A detailed description of the county was given, headed thus: "The County which has the greatest amount of the richest land, and inexhaustible supply of the purest water, and the

Floyd County Implement Company is dealership for John Deere farming equip-
ment and has been in business in Floydada approximately 50 years.
It was bought by the Perry family in November of 1979, and is operated by Jerry
Perry. They also own the John Deere house in Petersburg, Perry Farm Machinery,
which was founded by Evert Perry over 40 years ago. In 1971 they bought Perry
Implement Co. in Lockney and it is operated by Mike Perry.
"We appreciate your business in the past," Jerry said, "and hope we will be able
to continue serving the farming community."

Floyd County History

Continued From Page 2

was S.M. Brown, vice-president, H. Terry, Secretary, S.F. Lindsay, the first meeting taking place May 14.

In number for January 24, 1893, there was also a call for "THIRD PARTY MEETING." This related to Populist organization. If the activity during this time is any sample of what happened—and there the young lawyers were even asked to indicate their preferences, and seasoned community, leaders declared whether they were still Democrats or had gone over to the "radicals," the interest must have been quite keen.

The close connection between hotels and railroads was displayed in an advertisement: "THE CITY HOTEL. This Hotel is 80 yards of the Passenger Depot. They have a Night Clerk and will call you in time to take the cars. This Hotel sets the best table in the City for the money. Terms:—Meals 25 cents, bed 25 cents." Thus an Amarillo firm reached out to Mayshaw.

Mayshaw had a Sunday School, and Rev. Anson Cox of the Friends Church preached each first Sunday, with C.W. Smith of the Church of Christ taking the pulpit each third Sunday.

Young people had the opportunity to take part in a group aside from most of their elders. In February of 1893 the Zephyr reported: "The Christian Endeavor Society gave their regular monthly social on Wednesday night of last week at the Residence of A.F. Dodson. On account of the unusually cold weather the attendance was smaller than had been expected, but the seven or eight couples present seemed to have quite a nice time and the social was pronounced a success.

Miss Rosa Ewing, daughter of J.A. Ewing, taught the first session for the Mayshaw school district, which was created by the county commissioner's court on May 19, 1892.

The social graces were not neglected, for on May 2 in 1892 "a number of the youth and beauty of Floyd County" went to celebrate the finishing of a business house owned by J.B. Anthony. Messrs. Cox and Farmer furnished the music, "and dancing continued until the wee small hours."

In February of 1893 the directors of the town company decided that it was high time they improved the appearance of the public square and at the same time provide a good time. They accordingly made plans to celebrate Washington's birthday a little late, on March 1, hold a picnic and set out trees on the public square. Since they would have to get the trees in the breaks it was decided to spend the night there. Doubtless there was small objection from the youth of that day.

The Mayshaw Public Library advertised "Something For The People to Read." Library dues were 50 cents per quarter, and for that one could read a history of Parker County, Texas, of the State of Massachusetts, or of Rome; or the novels of Scott and Dickens; Hawthorne's Twice-Told Tales; the early English novelists; Shakespeare and history of the Civil War; how to be good doctor at home; and practically any of the staple authors and poets then in favor. The public was asked to donate books. The services were donated.

Despite the high hopes of its founders, the devotion to duty of the manager of the town company, A.F. Dodson, in spite of the longing for permanence of its settlers, Mayshaw lasted less than two

years. By 1896 only a post office and blacksmith shop were left, both under the management of S.H. Brown.

In story on organization of Farmers Alliance at Della Plain, reference is made to a Baptist minister and Populist organizer name is T.E. Leake.

Come To The Fair

A fishing trio to Lake Hubbard near Breckenridge was enjoyed last week by Mr. and Mrs. Alvie McHam, Mr. and Mrs. Tommy McHam, Mr. and Mrs. Wesley Geyer (Peggy) of Lubbock, Dennis and Barbara McHam. They stayed from Sunday through Friday. Upon their return, Mr. and Mrs. Wayne McHam planned to leave for a trip to Carlsbad Caverns.

Miss Pam Veary, Floydada kindergarten teacher, visited her student, Rance Golightly, son of Mr. and Mrs. Dayne Golightly, Thursday afternoon. The little kindergarten students get out of school at noon and the teachers try to visit every family in their class.

Mrs. Blanton Hartsell has been working hard in her summer kitchen, putting up taco sauce, pickles, okra and peas, and is ready to start canning green beans. This is a separate kitchen where she keeps all her canning and freezing equipment and can

have all the work space she needs without messing up her house.

Mrs. Ozena Norris and her sister, Mrs. Ora Nell Norrel of Hereford, visited Mr. and Mrs. Wayne Appling Sunday.

Mr. and Mrs. Lester Green visited her mother, Mrs. Holt Bishop, over the weekend. Shirley Faye and Lester were in the process of moving from San Antonio to Lubbock.

son of Mr. and Mrs. Rex Harrison, visited his maternal grandparents, Mr. and Mrs. Dwight Snider, in Amarillo for a week. Beverly and Rex met them at her parents cabin at Eagle Nest, New Mexico, where Rex helped Mr. Snider work on his cabin. They all enjoyed a week's vacation in the cool mountain air before school started.

Mr. and Mrs. Wayne Appling visited Bertha's sister, Mrs. Wynell Rogers, in the

hospital in Ft. Worth last week. She is critically ill.

The Appling's also visited their daughter, Beverly Conner, and family while in Ft. Worth. Then they went on to Dallas to visit their other daughter, Phyllis Farley and family. They were gone from Thursday through the weekend. Bertha has started canning tomatoes from her garden now.

spotted over the area. The women are busy canning vegetable as usual this time of year.

Mr. and Mrs. A.S. Mize moved into town Thursday last week after living on their farm, north of Fairview, for 42 years. Their son, George Mize of Ruidoso, New Mexico, came to help them move and remained over Sunday. We hope Mr. and Mrs. Mize

will be content in their new home, we know they will miss their home on the farm.

It was nice to see Mrs. Edna Phillips able to be out to church services at First Baptist Church Sunday morning.

Mr. and Mrs. A.S. Mize, Mr. and Mrs. Walton Wilson, Mr. and Mrs. Bill Tye, George Mize, Mr. and Mrs. Bill DuBois were Saturday night visitors with Mr. and Mrs. Bill Beedy.

Mr. and Mrs. T.L. Perry, Mr. and Mrs. Eugene Walls and children went to the Amarillo Park Sunday for a picnic.

Mr. and Mrs. Marvin Morsee of Norman, Oklahoma came Sunday for a visit here with Mr. and Mrs. E.W. Walls. Mrs. Marsee and Mrs. Walls are sisters.

Mrs. Ray Cook and her sister, Mrs. Velma Cates, went to Berger Sunday and spent the day at the hospital there with their brother John Sullivan. Mrs. Cates came to the home of Mrs. Cook and they went together and Mrs. Cates spent Sunday night in the Cook home.

Lee Burton visited Mr. and Mrs. Cook Thursday morning.

Mrs. Gus Hammonds visited in the Ray Cook home Monday morning.

Mr. and Mrs. A.V. Bethel visited Sunday afternoon with Mr. and Mrs. C.H. Wise.

Later Sunday afternoon Mrs. Wise visited Frances Mitchell.

Last Monday, Mr. and Mrs. E.R. Walls of Plainview visited Mr. and Mrs. E.W. Walls.

Mr. and Mrs. Clyde Bagwell were out for a short visit with Mr. and Mrs. E.W. Walls Tuesday afternoon and Mrs. C.W. Denison was there Wednesday afternoon for a short time.

Mrs. Ethel Graham and Mrs. Jewell Teague visited Saturday afternoon with Mr. and Mrs. R.B. Hatley.

Carolyn Burton visited Mr. and Mrs. Clay Muncy in Lockney Friday. On Wednesday afternoon Carolyn visited Mrs. Floyd Starkey and Mrs. S.H. Taskett.

Mrs. Ouida Zachary of Santa Paula, California and her daughter, Mrs. Bill Austin of Ventura, California and Mrs. Bill Beedy visited Mrs. Kate Crabtree Friday.

Mr. and Mrs. Kay Crabtree, Sam and Anissa went to Lubbock Saturday to visit Becky at the dormitory and to take some more of her things to her.

Mr. and Mrs. E.W. Walls went to Plainview Friday and visited their son, Dean Walls and also they visited Mr. and Mrs. E.R. Walls.

Mrs. J.E. Green

September 8:
Today is cool with great white and gray clouds resting against the most beautiful blue sky. We hope it will terminate in a good rain.

We had a nice weekend. Good services at churches as usual. So nice to be able to attend.

Mr. and Mrs. Henry Brewer and Mr. and Mrs. Millard Watson dined Sunday in Lubbock with another daughter, Peggy Ayers and family. In the afternoon they visited other of their children in Lubbock.

Miss Vera Meredith's visitors last week included Mrs. Clay Muncy and Mr. and Mrs. Hal Thomas who came Tuesday, and Sunday Mrs. Edna Patton and Mrs. Pierce.

Mrs. Anthony Latta visited Mrs. Green briefly after church Sunday. Later in the afternoon callers were Mrs. Frank Dunn, Mrs. J.D. Welborn and Mrs. Joe Ann Gorch.

Mr. and Mrs. Earl Huckaby of Dumas, here also for the Homecoming Sunday, August 31, spent the night afterward with Mrs. Fred Batten. On Monday they and Mrs. Batten and Mrs. Ola Warren were dinner guests of Mr. and Mrs. Burl Huckaby.

Weekend visitors of the Dale Millers were friends from Ft. Worth, Pete and Virginia Brisco.

The Thomas Warren's report a two inch rain Thursday. Sunday visitors at the Warren's were Joyce and Jimmy Owens and boys and Mr. and Mrs. William Bertrand.

Mrs. Ethel Warren spent Friday P.M. and evening with Mrs. C.M. Meredith.

Dreams Come True In The Cub Scouts

Adventure and excitement is the dream of many a young boy. But it's more than just a dream for the two million members of the Cub Scouts—an organization now celebrating its 50th Anniversary.

Robert L. Untch, national director of the Cub Scouts, says Cub Scouting is more popular than ever during this Golden Anniversary year.

"Cub Scouting offers fun and adventure to every boy from ages 8 through 10," says Mr. Untch. "Cub Scouts participate in weekly meetings where they make lasting friendships. They also have fun at games and sports in which they learn good sportsmanship, and go on nature trips where they learn about the beauty and value of our environment."

Other Cub Scout activities—the list is almost endless—feature summer cookouts, museum and plant tours, swimming parties, physical fitness competition, and bicycle rodeos. These diverse activities have several things in common. They are educational and fun but, most of all, they encourage family participation, good citizenship and leadership. And that's what Cub Scouting is all about.

If you would like to make a dream come true for your son, join the Cub Scouts. Contact your local Boy Scouts of America Council for information. Consult the white or yellow pages of your telephone directory.

The Ford dealership has been in Floydada since the Model T days when the cars came in only partly assembled. Ray Reed bought the agency in 1962. The new building was completed in 1964. Reed said that the automotive industry is changing so much that by 1985 we won't be running the kind of cars we are now. Automobiles will be 90% electric fuel injected. Operated by on-board computers. They will be down sized, with all kinds of fuel saving devices, and will be in the 30 to 31 mile per gallon range. Also everything will be front wheel drive.

"1981"

HAVE YOU EVER WONDERED WHY YOU SEE SO MANY "CITY AUTO" STICKERS? ONE REASON IS OUR PRICES. YES, IT IS A FACT THAT THE 1981 VEHICLES WILL BE HIGHER. BUT, BEFORE YOU BUY THAT 1980 MODEL CHECK OUR PRICES ON THE '81's. THE WAY WE SELL OUR CARS AND PICKUPS YOU MIGHT BE SURPRISED AT HOW LITTLE THE DIFFERENCE IS BETWEEN A ONE YEAR OLD VEHICLE (1980) AND A BRAND NEW ONE (1981).

In 1936 Connor Oden established Oden Chevrolet Agency. In 1972 Clinton Fyffe, Doyle Walls and L.B. Stewart Jr. bought the dealership. The three men have a combined total of 103 years of service in that same place of business. Oden's has the largest automotive shop and parts business in the county. The dealership now has both 1980 and 1981 model cars on their showroom floor. They invite everyone to come in and compare the two models.

DRIVELINE

"OH, OH! THE BRAKE LIGHT STARTERS, DON'T JAM ON YOUR BRAKES. Most cars manufactured have two separate hydraulic systems at the front and rear brakes. If your car is lit, one of those systems has probably jammed down. However, there should still be braking power in the second system until the car comes to a stop. When you then gently test your brakes. Then slowly—to a repair shop. And avoid accidents."

Brakes do go totally out, shift into gear to slow down, pull over and gradually apply the emergency brake. Do not try to stop. Have your car towed to a repair shop.

Think traffic safety laws are tough in Norway just outlawed skateboards... the ban followed a government study of accidents caused by the little gizmos. Don't advocate making skateboards safer but caution would help. There were skateboarding related injuries in America. Lots of fractures.

See It, Now You Don't Department: A car every nine minutes in Texas. Over 40 million have the keys left in the ignition.

Save yourself and save gas... A dirty, clogged carburetor can rob your car of precious gas mileage. Gasoline engines don't get enough air they burn gasoline. Check your car's air filter regularly. If you can't see light through it, replace it...

"Parent's Day" To Be Held At West Texas State University

Parents of West Texas State University students have been invited to share college life for the third annual Parents' Day on Saturday, September 27. Parents' Day will feature a buffet luncheon; open house in each of the seven colleges and schools, the 12 residence halls and five church centers; displays and concerts; a football game and awarding of the Parent of Parents of the Year. Registration will begin at 11:30 a.m. in the foyer of the East Dining Hall.

The University Chorale will perform at 3 p.m. in Northern Recital Hall as part of the Honor Choir Festival featuring selected high school choirs. Students and several faculty members will demonstrate equestrian skills at the University Farm Horse Center, located north of the campus on the Canyon Expressway from 4 p.m. to 5 p.m.

Sell Trees For Profit

The National Arbor Day Foundation reminds local organizations that they need to contact the Foundation, now to line up a fund-raising project involving the sale of trees for fall planting. Youth and school groups, clubs, churches and other organizations can sell trees in their community to raise money for their activities, and the Foundation will mail the trees directly to the customers' homes. The local sponsoring organization never has to handle the trees, according to the Foundation. The Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life in communities throughout the country by encouraging tree planting. Trees are an unusual fund-raising idea, much different from the usual candy or cookies. Trees can be a profitable fundraiser because many people will buy several, a Foundation representative said. Red Maple, Sugar Maple, Redbud, Weeping Willow, Tulip Tree, and White Flowering Dogwood trees are sold for \$3.50, including a profit of \$1.25 per tree for the local sponsoring organization. The trees are four to six

feet tall and come with complete planting instructions. They are delivered at an appropriate time for fall planting. The Foundation says that for best results, trees should be sold from August 15 to October 31 for fall delivery. Organizations may obtain sample sales literature and further information by calling (402) 474-5655 or writing the National Arbor Day Foundation, Arbor Lodge 100, Nebraska City, Nebraska 68410.

amendment that would change the jurisdiction and authority of the State's appellate courts. The amendment would change the name of the Courts of Civil Appeals to Courts of Appeal and provide that these courts have intermediate appellate jurisdiction over both criminal and civil cases. The amendment would change titles for the Associate Justices of the Supreme Court to Justices and would require members of the Supreme Court to be attorneys licensed in this state while holding office. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the name of the Courts of Civil Appeals and the names and qualifications of the Justices of the Supreme Court and to prescribe the jurisdiction and authority of the appellate courts."

The Floyd Philosopher

Editor's note: The Floyd Philosopher on his Johnson grass farm comes up with an idea for football fans. Dear editor: Some people think everything's been invented that we need and a good many things we don't need, but it isn't so. For example, when Russian officials hear a radio broadcast from outside their borders they don't want the Russian people to hear, they jam it. I don't know how it works but instead of news the Russians hear something that sounds like a buzz-saw. This presents a golden opportunity for some American inventor. There's a big market for a small hand-held jamming device, something you can turn on when Howard Cosell is interrupting Monday night football. Push a button and he's drowned out with a buzz-saw sound, which many people would prefer over what he's saying. It could be used also on those embarrassing commercials TV is now running. Speaking of Cosell, I got to figuring up how many words he speaks during a football telecast, detailing endlessly the background of all the players and their kinfolks. Assuming that about 100 plays occur during a game and allotting him say 100 words between each one, although frequently he tops that and is still going while a play is unfolding down on the field, that comes to 10,000 words per game, not counting what he can work in during half-time. I some inventor can get that jamming device on the market, he'll get rich and make football fans happy as they sit back, push that button and watch the game in peace. Speaking of talking, there's a lot of it going on about the proposed Presidential debates. I'm opposed to them. Debates are too formal, too stodgy. What they ought to have are Presidential arguments. Instead of debating, with each candidate given so many minutes for speaking, so many for rebuttal, let them face each other on TV and argue. Throw out the moderator and let them have at it. It's a lot more fun and the results are about the same. Yours faithfully, J.A.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 4, 1980

PROPOSITION NO. 1 ON THE BALLOT
 Joint Resolution proposes a constitutional amendment that would allow the Legislature to establish banks to establish and operate unit teller machines in the county or city of the banks are located to share the use of the machines on a consistent basis with the public. If it finds such a single appraisal and a single board of equalization within each county for ad valorem tax purposes."

PROPOSITION NO. 2 ON THE BALLOT
 Joint Resolution proposes a constitutional amendment that would allow the Legislature to authorize the conduct of bingo games by certain specified groups for charitable purposes, subject to the limitations that operation of the games must be approved in local option elections and that all proceeds must be spent in Texas.

PROPOSITION NO. 3 ON THE BALLOT
 House Joint Resolution 86 proposes a constitutional amendment that would allow the Legislature to exercise fiscal control over the expenditure of certain appropriated funds, subject to any conditions and limitations provided by law and subject to the approval of a budget execution committee that would be composed of the Governor, Lieutenant Governor, Speaker of the House of Representatives, Chairman and Vice-chairman of the Senate Finance Committee, and Chairman and Vice-chairman of the Committee on Appropriations of the House of Representatives.

PROPOSITION NO. 4 ON THE BALLOT
 Senate Joint Resolution 8 proposes a constitutional amendment that would allow the Governor to appoint a previously confirmed official to remove that official from office subject to the advice and consent of the Senate; and if the Legislature is not in session, to call a special session of the Senate which may last no longer than 2 days for consideration of the removal.

PROPOSITION NO. 5 ON THE BALLOT
 House Joint Resolution 86 proposes a constitutional amendment that would allow the Legislature to exercise fiscal control over the expenditure of certain appropriated funds, subject to any conditions and limitations provided by law and subject to the approval of a budget execution committee that would be composed of the Governor, Lieutenant Governor, Speaker of the House of Representatives, Chairman and Vice-chairman of the Senate Finance Committee, and Chairman and Vice-chairman of the Committee on Appropriations of the House of Representatives.

PROPOSITION NO. 6 ON THE BALLOT
 Senate Joint Resolution 8 proposes a constitutional amendment that would allow the Governor to appoint a previously confirmed official to remove that official from office subject to the advice and consent of the Senate; and if the Legislature is not in session, to call a special session of the Senate which may last no longer than 2 days for consideration of the removal.

PROPOSITION NO. 7 ON THE BALLOT
 House Joint Resolution 121 proposes a constitutional amendment that would authorize counties with a population of 5000 or less to construct and maintain private roads if they impose a reasonable charge for the work. The Legislature may limit this authority. Revenue received from private road work may be used only for the construction, including the right-of-way acquisition, or maintenance of public roads.

PROPOSITION NO. 8 ON THE BALLOT
 Senate Joint Resolution 36 proposes a constitutional amendment that would change the jurisdiction and authority of the State's appellate courts. The amendment would change the name of the Courts of Civil Appeals to Courts of Appeal and provide that these courts have intermediate appellate jurisdiction over both criminal and civil cases. The amendment would change titles for the Associate Justices of the Supreme Court to Justices and would require members of the Supreme Court to be attorneys licensed in this state while holding office. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the name of the Courts of Civil Appeals and the names and qualifications of the Justices of the Supreme Court and to prescribe the jurisdiction and authority of the appellate courts."

PROPOSITION NO. 9 ON THE BALLOT
 House Joint Resolution 54 proposes a constitutional amendment which defines separate property owned by either spouse as all property, both real and personal, of a spouse owned or claimed before marriage, and that acquired afterward by gift, devise or descent. Persons about to marry and spouses, without the intent to defraud pre-existing creditors, may by written instrument from time to time partition between themselves all or part of their property. Spouses may exchange a community interest in property owned or to be acquired for a community interest in other community property. The amendment would allow spouses to agree in writing that income or property arising from any separate property is to be separate property rather than as community property as it would be in the absence of an agreement. The right-of-way acquisition, including the right-of-way acquisition, or maintenance of public roads.

PROPOSITION NO. 10 ON THE BALLOT
 The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the name of the Courts of Civil Appeals and the names and qualifications of the Justices of the Supreme Court and to prescribe the jurisdiction and authority of the appellate courts."

AVISO PUBLICO

Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS EN LA ELECCION GENERAL 4 DE NOVIEMBRE DE 1980

PROPOSICION NO. 1 EN LA BOLETA
 Resolución Conjunta #35 del Senado propone una enmienda constitucional que autorice a la Legislatura permitir a los bancos establecer y operar máquinas registradoras automáticas (teller machines) dentro del condado o ciudad en donde están los bancos compartiendo el uso de las máquinas registradoras de acuerdo con las leyes antimonopolistas, si esta operación resulta conveniente para el público. La Legislatura ya aprobó la autorización de esta legislación (H.B. 1510) para la proposición de esta enmienda.

PROPOSICION NO. 2 EN LA BOLETA
 Resolución Conjunta #97 de la Cámara propone una enmienda constitucional que conceda al Estado y al acusado el derecho de una apelación interlocutoria en los siguientes fallos de la corte en causas criminales: los fallos antes del juicio sobre la constitucionalidad de una ley; sobre la petición para anular, destruir, o deshechar una acusación; y sobre una petición para suprimir la evidencia. La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza la apelación de ciertos fallos antes del juicio de una corte en una causa criminal por el Estado o por el acusado."

PROPOSICION NO. 3 EN LA BOLETA
 Resolución Conjunta #98 de la Cámara propone una enmienda constitucional que requiera una evaluación de todos los bienes sujetos a los impuestos de ad valorem y proveerá únicamente una junta para

limitaciones provistas por la ley y sujeto a la aprobación de un comité ejecutivo del presupuesto que constará del Gobernador, Gobernador Teniente, Presidente de la Cámara de Representantes, Presidente Vice-presidente del Comité de Finanzas del Senado, y Presidente y Vice-presidente del Comité de Asignaciones Fiscales de la Cámara de Representantes. La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional concede al Gobernador el poder para ejercer control fiscal de los gastos de los fondos asignados según la ley."

PROPOSICION NO. 4 EN LA BOLETA
 Resolución Conjunta #18 del Senado propone una enmienda constitucional permitiendo a la Legislatura autorizar que los bancos usen máquinas registradoras automáticas (teller machines) dentro del condado o ciudad de su domicilio en un plan de cooperación para conveniencia pública. La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza que los bancos usen máquinas registradoras automáticas (teller machines) dentro del condado o ciudad de su domicilio en un plan de cooperación para conveniencia pública."

PROPOSICION NO. 5 EN LA BOLETA
 Resolución Conjunta #121 de la Cámara propone una enmienda constitucional que autorice a los condados con una población de 5000 o menos, que construyan y mantengan caminos privados cobrando razonablemente por el trabajo. Por ley, la Legislatura puede limitar esta autoridad. Los ingresos recibidos por trabajo en caminos privados se pueden usar solamente para construcción, para adquisición de derecho de paso, o para el mantenimiento de caminos públicos. La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza que los condados con una población de 5000 o menos trabajen en caminos privados."

PROPOSICION NO. 6 EN LA BOLETA
 Resolución Conjunta #8 del Senado propone una enmienda constitucional que permita al Gobernador remover a un oficial de su cargo aunque este haya sido previamente nombrado por el Gobernador y confirmado por el Senado. El remover al oficial será únicamente bajo el consentimiento del Senado, y si la Legislatura no está en sesión, se convocará una sesión extraordinaria del Senado, la cual no durará más de dos días, para considerar la eliminación del oficial en caso. La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza que el Gobernador remueva a los oficiales nombrados bajo consejo y consentimiento del Senado."

PROPOSICION NO. 7 EN LA BOLETA
 Resolución Conjunta #121 de la Cámara propone una enmienda constitucional que autorice a los condados con una población de 5000 o menos, que construyan y mantengan caminos privados cobrando razonablemente por el trabajo. Por ley, la Legislatura puede limitar esta autoridad. Los ingresos recibidos por trabajo en caminos privados se pueden usar solamente para construcción, para adquisición de derecho de paso, o para el mantenimiento de caminos públicos. La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza que los condados con una población de 5000 o menos trabajen en caminos privados."

PROPOSICION NO. 8 EN LA BOLETA
 Resolución Conjunta #86 de la Cámara propone una enmienda constitucional que permita a la Legislatura autorizar al Gobernador para que ejerza control fiscal de los gastos de ciertos fondos financieros previamente asignados, sujeto a las condiciones y

limitaciones provistas por la ley y sujeto a la aprobación de un comité ejecutivo del presupuesto que constará del Gobernador, Gobernador Teniente, Presidente de la Cámara de Representantes, Presidente Vice-presidente del Comité de Finanzas del Senado, y Presidente y Vice-presidente del Comité de Asignaciones Fiscales de la Cámara de Representantes. La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional concede al Gobernador el poder para ejercer control fiscal de los gastos de los fondos asignados según la ley."

PROPOSICION NO. 9 EN LA BOLETA
 Resolución Conjunta #54 de la Cámara propone una enmienda constitucional que define la propiedad que posee cualquiera de los cónyuges como separada, incluyendo las dos clases de bienes raíces y los bienes inmuebles—los tales fueron propiedad de alguno de los cónyuges antes del matrimonio o fueron adquiridos después como un regalo, ya sea un legado de bienes raíces, o de descendencia. Las parejas que están por casarse a los que ya están casados, y sin la intención de defraudar a sus acreedores preexistentes, pueden partirse de vez en cuando, entre sí y por escrito, toda o parte de su propiedad. Pueden también intercambiar un interés común en bienes poseídos o que van a poseer por un interés común en la comunidad de bienes. La enmienda permitirá a los cónyuges condicionar por escrito que los ingresos a bienes derivados de cualquier propiedad particular se dividirán en lugar de ser comunidad de bienes como sería si no existiera este convenio por escrito. La enmienda propone que el regalo de un cónyuge a otro se supone que incluye todos los ingresos y bienes derivados de tal regalo. La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional permite a los cónyuges el consentir que los ingresos o los bienes que se derivan de los bienes particulares permanecerán como bienes particulares."
