# Tests show Lockney students well above average

**NOTE:** The Lockney school recently received the results of the Assessment of Basic Skills examinations that were administered in the schools last spring. The scores appear to indicate that the school administrators' philosophy of returning to the "basics" is paying off to show substantial results. This article on the test results is written in its entirety by Lockney High School Principal Raymond Lusk and has been edited only for consistency to the style of the Beacon.

**BY RAYMOND LUSK  
LHS PRINCIPAL**

In recent years, a great deal of attention has been drawn to public schools and to standardized test scores. The public outcry has been that test scores have been too low—that there has been a steady decline in math and reading comprehension—and that public schools today are turning out students who are illiterate.

Because of these concerns, the demand from all corners is to get "back to basics". Of course, the basics were never abandoned, but there has been a continuing trend in recent years to re-emphasize the basics—reading, writing and mathematics.

Federal and State programs have been formed to fund additional teachers and aides to help strengthen reading and mathematics skills of those who have problems in these areas. More money and materials have been made available to these teachers and programs.

As an additional measure, the Texas Legislature has developed a basic skills competency test, which is administered yearly to all Third, Fifth, and Ninth grade students. This test, the Texas Assessment of Basic Skills (TABS), requires that students attain competency in basic skills of writing, reading, and

mathematics.

It may be true that, statewide, students are on a constant decline, but scores of our local students prove that this is not true in Lockney. On the TABS test given in the Spring of 1981, scores of Lockney students were higher than statewide scores in almost all categories or objectives tested.

In math, Lockney students scored well above average. With almost every objective tested, Lockney students came out above the statewide average.

In grades Three and Five, more than 80% of the Lockney students tested mastered the basic skills in math and in

only 2 objectives did they fall below 90% mastery. This means that more than 90% of the students tested demonstrated mastery of basic math skills. In grade Nine, Lockney students demonstrated a high percentage of mastery in all but two objectives tested, and in most objectives were above the state average.

Scores in writing were also above the statewide average in all three grades.

In reading, grade Three scored well above the state average, with a high percent of Lockney students demonstrating mastery in reading was just

about in line with the statewide average.

The TABS test was developed to assure that students are being taught the essential basic skills and that they master these skills. They will be required to demonstrate mastery of the basic skills before being allowed to graduate from high school.

Lockney citizens, parents, and Lockney school personnel can take pride in the fact that a high percentage of Lockney students do demonstrate mastery of the skills tested in the TABS test, and that Lockney students are well above average when compared to other students across the state.

Longhorn cats tails 22-18

### Longhorns close with barnburner

Lockney Longhorns treated their parents, fellow students and other assembled boosters to a finish to their 1981 football season on Friday night. Before the game, the Longhorns appeared to be a team of underdogs, but they proved otherwise by defeating the highly favored Idalou 22-18.

The Longhorns had taken the field as a 29 point deficit, but they fought back to win. The game was a hard fought battle, but the Longhorns' defense held strong in the final minutes to secure the victory.

The win enabled the Longhorns to finish the season at 3-7, while Idalou dipped to 7-3. Idalou took the lead first in the game as Allen Johnson blasted over from 3 yards out with 7:43 left in the first half, but Lockney came back on a 25-yard TD pass from Jeffrey McCormick to Robert Rendon. The PAT gave the Longhorns a 7-6 halftime lead.

Neither team could produce a score in the third quarter, but both squads lived things up in the final period. With just 21 seconds gone in the final stanza, quarterback McCormick pitched the ball to wingback Rendon. McCormick then slipped unnoticed into the Idalou secondary as Rendon fired a 35-yard strike for a TD, capping a drive that consumed most of the third quarter.

McCormick then hit Junior McDonald for the two-point conversion to give the Longhorns a 15-6 edge.

horns, band members, cheerleaders and fans remained on the field, whooping it up, long after their defeated rivals had retired from the scene of conflict. How sweet it was!

The win enabled the Longhorns to finish the season at 3-7, while Idalou dipped to 7-3.

Idalou took the lead first in the game as Allen Johnson blasted over from 3 yards out with 7:43 left in the first half, but Lockney came back on a 25-yard TD pass from Jeffrey McCormick to Robert Rendon. The PAT gave the Longhorns a 7-6 halftime lead.

Neither team could produce a score in the third quarter, but both squads lived things up in the final period. With just 21 seconds gone in the final stanza, quarterback McCormick pitched the ball to wingback Rendon. McCormick then slipped unnoticed into the Idalou secondary as Rendon fired a 35-yard strike for a TD, capping a drive that consumed most of the third quarter.

McCormick then hit Junior McDonald for the two-point conversion to give the Longhorns a 15-6 edge.

Idalou came back to within three points at 15-12 with 5:28 left in the game as Johnson barreled into the end zone from 3 yards out, but the PAT try was wide.

Lockney countered with a 2-yard TD run by McCormick with just over 2 minutes left. Idalou then came over from the 1 on the final play of the game.

Team Statistics		Idalou
Lockney	Score	18
22	First Downs	9
6	Rushing Yards	242
160	Passing Yards	4/10 72 yds.
3/8 91 yds.	Passing Yards	4/10 72 yds.
251 yds.	TOTAL	314 yds.

**Rushing:**  
Jr. McDonald — 101 yds, 25 carries  
Jeff McCormick — 31 yds, 7 carries, 1 TD  
M. Arrellano — 5 yds, 2 carries

**Passing:**  
Robert Rendon — 3 catches, 63 yards, 1 TD  
Jeff McCormick — 1 catch, 31 yards, 1 TD

LOCKNEY TEAM MEMBERS host their helmets in victory sign during winning moments of the game.

### When a friend's in need

It might be termed a "friendly" swarm of some 55-60 of his neighbors descended like a swarm of locusts on the Jerry Cawley northeast of Lone Star Friday. The locusts, however, were just the beginning of the historical locust plague—they were there to save a friend in need.

They had been unable to tend to the crop of a serious illness in his neighbor that has kept him beside a

hospital bed in Lubbock. His neighbors decided to pitch in and get his crop out while the ideal harvesting weather remained.

Following a fried chicken luncheon held at the Lone Star school building, which was prepared by farm wives of the area, where the participants mapped their strategy and assigned areas for various groups to work. They then descended upon the 200 acres of cotton with some seventeen strippers, five

huge module builders and cotton trailers by the score.

With such a huge task force, the stripping operation took just a little over four hours, with the modules and trailer loads of cotton departing for the gins in a regular stream. This same operation, using the equipment of a single farmer, would have taken several days and would have risked the return of bad weather and the consequent delay in completing the harvest and the lowering of the cotton grade.

## Neighbors harvest farmer's cotton

NEIGHBORS HELPING NEIGHBORS—These area farmers helped in the harvesting of Cawley's crops and attended the luncheon at the Long Star school building Friday.

### This Week

#### Public meeting on drugs tonight

"Drugs, Narcotics and You" will be the theme of a program to be presented tonight, Thursday, November 19 at 7:30 in the Lockney High School Gym. The program will be presented by Bert Sinclair, veteran drugs educator and narcotics officer of the Texas Department of Public Safety and long-time host of the television show "Live and Learn."

A reception will be held following the program where parents and all interested persons can meet Mr. Sinclair and confer with the teachers of the Lockney school system.

#### Lockney 4-H schedules meeting

The Lockney 4-H Club will meet Monday, November 23, at the High School Agriculture Building at 7:30. The program will be given by Chuck Wilson, a well-known photographer. All members are asked to bring a small toy, either new or used, in excellent condition for distribution to needy families at Christmas.

#### Churches join to offer services

The annual Community Thanksgiving Service will be Sunday, November 22, at 7:00 p.m. in the First Baptist Church of Lockney. Rev. Michael O'Connor, pastor of the First United Methodist Church will give the message. An offering will be taken and the proceeds will go to the American Red Cross.

#### Protestants offer Thanksgiving luncheon

Those who have no family or no place to go for Thanksgiving, are invited to a Thanksgiving luncheon being served at the church at 401 South Main from 12:00 a.m. to 1:30 p.m. on Thursday, November 26. Those needing a ride to the luncheon are requested to call 652-2251 or 652-3544.

Si no tiene familia ha donde ir ha donde pasar el dia de dar gracias les invitamos ud ha que se una con nosotros ha una comida de Dia de Gracias el dia Jueves Noviembre 26. Horas de servicio sera de 11:30 a.m. a 1:30 p.m. en la First Baptist Church, 401 South Main, Lockney.

### Western artist

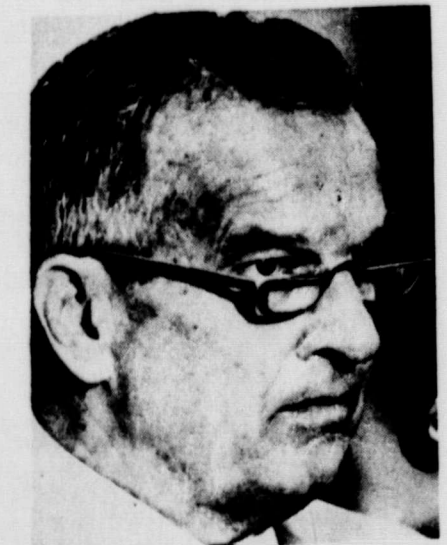

#### Kenneth Wyatt

#### publishes book

Kenneth Wyatt, prominent western artist from Tulsa, and Charles L. Allen have combined talents to prepare a book called "Kenneth Wyatt's Western Art Interpreted by Charles L. Allen." The 100 page inspirational book contains color copies of sixteen Wyatt paintings with each painting creatively interpreted by Allen.

## Clements says he wants second term as Governor

BILL CLEMENTS

Governor Bill Clements formally announced his intentions to be a candidate for a second term at a press conference in Austin yesterday. Following the press conference he embarked on a multi-city campaign junket to make his decision known to the voters first hand.

"I know of no higher honor than to serve the greatest state in the union as its governor and there is no challenge I would rather accept than to have the affairs of Texas as my daily responsibility and agenda," he told a news conference where the reports were outnumbered by Clements' cheering supporters.

Clements won election as Texas' first Republican governor this century after a hard-fought campaign in 1978.

"The message I received then and continue to hear now is that you want state government to be run in business-like way," he said "I still hear your message and this businesslike approach to government has been my program and is my plan for the future."

In a question-and-answer session following his formal announcement, Clements revealed several of his demands on the 1983 Legislature, if he wins re-election.

"I see no inclination to raise oil and gas taxes (as suggested by Attorney General Mark White, Democrat). I doubt it would have any chance of passage in the House or Senate. I am not for it," he said.

Clements said he would again submit legislation to do away with the state property tax. He also said his 1983

program includes a water trust fund proposal similar to the one defeated by voters November 3.

"When they (voters) are presented a long-range water plan and we show how it can be funded, I think they will approve it," Clements said.

Clements said he might favor an increase in the state gasoline tax "I predict it will be before the 1983 Legislature and whether I am for it will depend on the amount and how it is dedicated," he said.

Clements said T. Boone Pickens Jr., Amarillo oil company president, would be his state chairman, with Mrs. Bobbie Biggart, Dallas, vice chairman.

Dary Stone and George Bayoud Jr., both former members of the governor's staff, will be in charge of day-to-day campaign activities.

# County Recipe Contest

Worth Howard, Floydada, took a first place in this week's recipe contest with a Cranberry Boganza salad. Second place winner was Verla Varnell, Floydada, with a scalloped corn side dish. Neta Marble, South Plains, entered the third place recipe which was a broccoli-cauliflower salad.

"Picking the winners was a very difficult job," said judge Marilyn Tate. "There were many, many good recipes entered."

All of the recipes will be printed in the Floyd County Cookbook to be published on December 10. Recipes for main dishes will be judged this coming week and the winners will be announced in next week's newspaper.

So bring your favorite recipe, typed or handwritten, to

the Beacon or Hesperian office. The contest rules are simple, and winners will be named on a point system. You will get one point for each recipe entered. There will be three winning recipes each week. The first place winner will receive 5 points; second place, 4 points; and third place, 3 points. Sweepstakes winner will receive a copy of the Dallas Cowboy Wives Family Fitness Guide and Nutritional Cookbook which was featured in this newspaper two weeks ago. If you have a recipe that doesn't fit any category, bring it in anyway. The more recipes we receive the better the cookbook. This week's winning recipes are as follows:

**1ST PLACE**  
**Cranberry Boganza Salad**

1 envelope Knox Unflavored Gelatine  
1/4 cup sugar  
1 3/4 cups cranberry juice cocktail, divided  
2 tablespoons lemon juice  
1 cup chopped unpeeled apple  
1/2 cup chopped celery  
1 package (3 ounces) cream cheese  
1/2 cup finely chopped pecans

Mix gelatine and sugar in saucepan. Stir in 3/4 cup of the cranberry juice cocktail. Place over low heat, stirring constantly, until gelatine is dissolved, about 3 to 5 minutes. Remove from heat; stir in remaining 1 cup cranberry juice cocktail and lemon juice. Chill, stirring occasionally, until slightly thicker than the consistency of unbeaten egg white. Add chopped apple and celery. Cut cream cheese into approximately 12 squares, roll into balls and then roll in chopped pecans. Fold gently into gelatine mixture. Turn into 3-cup mold or individual molds. Chill until firm. Unmold and garnish with salad greens. If desired, serve with Apple Dressing. YIELD: 4-6 servings.

**Apple Dressing:** Blend together 1/4 cup each of applesauce, sour cream, salad dressing and 1/4 teaspoon celery seed.

\*For individual molds, put two cream cheese balls in each of 6 individual molds, then spoon in gelatine mixture.

**2ND PLACE**  
**Scalloped Corn**

2 eggs  
1 can cream style corn  
1/2 cup sugar  
1/2 can Pet evap. milk  
Soda crackers (as needed)  
Salt and pepper to taste

Beat eggs slightly. Add corn, sugar, salt, and milk; stir well. Pour into casserole. Crumble crackers over top and press into casserole mixture. Crumble a few more crackers over the top. Bake 325-350 degrees for 1 hour.

**3RD PLACE**  
**Broccoli-Cauliflower Salad**

1 head cauliflower (broken into flowerettes)  
1 bunch broccoli (cut into small pieces)  
2 green onions (chopped)  
1 cup mayonnaise  
1 cup sour cream  
2 tbs. lemons juice  
1/2 tsp. seasoning salt  
Pepper to taste  
Mix well and chill overnight

## Tommy Ogden new FLB manager

Tommy R. Ogden is the new Federal Land Bank manager and has been in the Floydada office for the past three weeks.

Ogden is a native of Floydada, graduated from high school here, and worked at the First National Bank of Floydada for four years.

After completing time in the service he went to work for the Lubbock National Bank and has been there the past 13 years.

"My wife, Alice, and I wanted to get away from the large town," Ogden said in regard to his choosing the Floydada position. "We wanted (to bring) our kids to a small community, and we wanted back to a small community. The pace of a large city can get to you."

The Ogdens have two daughters: Tonva, 11, and Trina, 8.

Ogden said that he is having to learn alot. In Lubbock his duties were more operational type whereas here there is a combination of duties.

"It's going to be a challenge," he said.

## Spaces still available for festival

There are still a few spaces available for the Floydada Lions Club annual Christmas Arts and Crafts Festival, scheduled at the Massie Activity Center in Floydada on December 5, 1981. Exhibitors from throughout West Texas and Eastern New Mexico have helped make this event one of the most popular of its kind in recent years, and the 1981 edition will be no exception.

Doors will open to the general public at 10:00 a.m. on December 5 and will close at 6:00 p.m.

A variety of hand-made and hand-crafted items will be for sale. Woodwork, oil and acrylic painting, leathercraft, ceramics, silk flowers, and varied Christmas decorations are only some of the items available in a wide range of prices.

The Lions Crafts Fair is an annual project of the local Lions Club, with the booth rentals contributing to the club's general fund. The Floydada Lions Club was recently cited in the *Lions International* magazine for its effort in providing wheelchair ramps in Floydada's downtown area.

Other Lions' benefactors include the Texas Crippled Children's Camp, Lions Eye Foundation, Floydada Boy Scouts, and other worthwhile projects.

There is no admission charge for the Crafts Fair, which offers a good

opportunity for early Christmas shopping for unique and unusual gifts. Once again, the Floydada Fire Department Auxiliary will have the refreshment concession, the Floyd County "Friends of the Library" will have a spot to promote its activities on new members. Any additional information obtained by calling 652-6355 after 7:00 p.m. at the

## Pipelines... make good neighbors

America has over 220,000 miles of petroleum pipelines carrying crude oil and products to refineries and storage terminals across the United States. Each day, more than 1.5 billion ton/miles of crude oil and products move through this network. These pipelines have a safety record second to none in the transportation industry... and we want you to help us keep it that way.

- When you see signs like those shown above, they tell you that there's a pipeline nearby. If it's underground, you can't see it, of course. But it's there, working quietly to provide energy for you and other consumers throughout this nation.
- Some of these signs list the commodity transported in the pipeline, the name of the operator, and a telephone number where the operator's representative can be reached at all times.
- Although pipelines have an exceptionally good safety record, once in a while a leak can occur. Indications of a leak might include:
- A strange or unusual odor in the vicinity of a pipeline.
  - A hissing or roaring sound (caused by petroleum or product escaping from a pipeline).
  - A dense white cloud or fog.
  - A spot of dead or discolored vegetation.
  - An accumulation of petroleum liquids on or a mist above the ground in the area of a pipeline.
  - Flames originating from an opening in the ground. If you become aware of a pipeline leak...
  - LEAVE THE LEAK AREA IMMEDIATELY.
  - Avoid driving into vapor clouds.
  - Avoid direct contact with the escaping liquids.
  - Avoid creating sparks or sources of heat which could cause the liquids or vapor to ignite and burn. If you find yourself in a suspected vapor area, do not light a match, start an engine or even switch on an electric light.
  - Notify the pipeline operator as soon as you reach a safe area. Call collect. Give your name, a description of the leak and its location. If you do not know who the pipeline operator is, call your local fire, police or sheriff's department, or the state police. Advise them of the nature and location of the emergency.
  - If you see someone digging near a pipeline or doing other construction work... or if you plan to do such work near a pipeline yourself... please call the telephone number shown on the sign and let the pipeline company know so damage can be avoided. It's in your interest... and the nation's.

**Perspectives**

**BY MICHAEL O'CONNOR**

I write this on the day of the last football game of this season for Lockney. Let's face it, it has not been a wonderful season. Basketball is fast upon us, and I do not think many people are being much more optimistic about that season than they were about football. The question is: does it really matter?

There used to be a lot of propaganda out about how athletics prepared young folk for life in the real world. Athletes are supposed to be taught the value of team work, goal setting, discipline, etc., all of which they will be able to see when they enter society.

But there are other lessons taught athletes who do not win. They are that it was not their fault because they are unfairly placed in the wrong classification, or they lost because of inept officiating or coaching, or simply that they are a bunch of losers. In the real world they can excuse their failures, blame them on someone else, or simply decide they are losers.

How in the world we got to the point that people are judged on their athletic prowess, I have not quite figured out. If you were not a high school or college athlete, the response you will get from many people is, "Then, what did you do?" They tend not to be interested long after you begin to tell them about the chess club.

There are too many ways of being a winner for us to be judging kids on their athletic qualities. To come from a secure home, have friends that care about you, be able to participate in activities we enjoy doing, or just getting up every day, all these things are victories, and having victory in our lives makes us winners.

The football team my senior year had the only perfect record in the school's history to that date - lost them all. We also had the second highest number of honor graduates in the history to that date. Was that a school full of losers?

It seems to me that somebody named Paul once described a race he thought everyone should be involved in. And the strange thing about that race is, everybody who finishes is a winner. If you think about it, that is the only "contest" that will ever really matter.

**Applications for Auditor now being accepted**

Applications for the position of County Auditor are now being accepted by District Judge George Miller. The office is presently held by Olin Watson who has resigned after 22 years of service. The County Auditor is appointed by the District Judge for a two-year term. Judge Miller will consider any qualified applications for the office that will become vacant on January 1, 1982. Qualifications set out in the law are as follows: Article 1648, V.A.T.S. "Said auditor shall be a citizen of the county of at least two years residence, and must be a man of unquestionable good moral character and intelligence, thoroughly competent in public business details; and he must be a competent accountant of at least two years experience in auditing and accounting. The judges making such appointment must first carefully investigate and consider the qualifications of said person. If no such qualified citizen of the county can be procured, said judges may appoint a qualified citizen from another county." Applications from men and women should be written and mailed to Judge Miller in care of the Floyd County Courthouse in Floydada.

## Weddings and Engagements

CARY O'KEEFE BROWN, DR. ROGER E. MEINERS

### Brown, Meiners to wed in Floydada

Mr. and Mrs. W.E. Brown, Jr., of Floydada announce the engagement and approaching marriage of their daughter, Cary O'Keefe Brown, to Dr. Roger E. Meiners of Atlanta, Georgia. Miss Brown is a graduate of Floydada High School, Angelo State University and has been working toward her

Master's degree from Texas A&M.

Dr. Meiners is Associate Director of the Law and Economics Center of Emory University in Atlanta.

The wedding will be in the Willson Chapel of the First United Methodist Church in Floydada, November 28, 1981.

### Reed, Wimberly vows exchanged

The First Baptist Church parlor in Panhandle was the scene of the November 11 afternoon wedding of Carol Kaylene Reed and James Keith Wimberly. Rev. Johnny Wimberly, brother of the groom, read the ceremony.

Parents of the couple are Mr. and Mrs. Connie Reed of Panhandle and Mr. and Mrs. William K. Rowland of Amarillo.

Wedding selections were played by Mrs. Dwight Hardin. Miss Gracie Garcia sang "Evergreen."

The bride's street length mauve rose dress was fashioned with pleating accent on the skirt and topped with a long-sleeved jacket.

Guests were registered by Angie Bertrand, niece of the bride, from Floydada.

Another niece, Misty Bertrand, was ring bearer.

Punch at the reception was served by Nelda Gene Morris and Carolyn Cunningham, aunts of the bride, both of Lockney. Betty Patton of Amarillo served the cake.

Kaylene is a Panhandle High School graduate and attended school in Floydada for several years. She has been employed at Cargill, Inc. of Amarillo.

Keith attended schools in Norfolk, Virginia and is employed by Old Town Lumber

in Colorado Springs, Colorado where they will make their home.

Attending the wedding

from this area were Mrs. Annie Cunningham, grandmother of the bride, and Nelda Gene Morris and Carolyn Cunningham, aunts of

the bride, all of Lockney, and Mr. and Mrs. Randy Bertrand, Misty and Angie of Floydada. Mrs. Bertrand is a sister of the bride.

### Eastern Star welcomes new member

Floydada chapter No. 31 Order of the Eastern Star met November 12 in the Masonic Hall. An initiation was held.

Roberta and Wayne Russell served as Worthy Matron and Worthy Patron. Dell Gray served as conductress for the initiatory ceremony. Mr. and Mrs. Bobby Rainer presided in the East as Worthy Matron and Worthy Patron Pro-tem. Mr. and Mrs. Norman Hamilton, associate matron and associate patron pro-tem, presided in the West.

The Worthy Matron paid a special tribute to three of the members of the Floydada chapter, who recently returned from attending the Grand Chapter of Texas in Houston. Elise Hammack, Worthy Grand Matron of the Grand Chapter of Texas Order of the Eastern Star honored Flora McNeill with the station of Grand Esther as one of her Grand officers.

Other receiving Grand appointments for the year of 1981-1982 were Roberta Russell, member of the music committee and Wayne Russell, member of the masonic relations committee. An expression of appreciation to these Grand officers was extended by all present.

During the business session plans were made for the Christmas family turkey dinner, which will be held December 10. Each member is to bring a dish. The dinner will be served at 6 o'clock.

The regular chapter meeting will open at 7:30 p.m. Mrs. Osce Parson, Deputy Grand Matron, District No. 2 Section No. 3, will bring the Worthy Grand Matrons instructions for the ensuing year at that time. All members are urged to attend.

One of the highlights of the evening was the Happy Birthday song to Bobby Rainer, sung by the group, and a surprise gift was presented to him by his wife Norma

Lou. The Worthy Matron thanked all officers and a special recognition was given to her mother and dad.

Refreshments of cheese bars, chips, dips, cake and coffee were served in the dining room.

Hosting the fellowship hour were Kay and Bill Orman, and Polly and Fred Cardinal.

All chapter members will be hosting the December meeting.

### Mr. and Mrs. C.B. Lyles of Floydada.

Mr. and Mrs. Tommy Lyles are proud to announce the arrival of their first child, a son Jeffrey Thomas Lyles, born on November 3, 1981 at 4:01 p.m. at Methodist Hospital in Lubbock.

The 8 lb., 4 3/4 oz. newborn was 20 3/4 inches long.

His grandparents are Mr. and Mrs. C.O. Lyles of Floydada and Mrs. Edna Harris of Ballinger.

Great-grandparents are

### Dorcas Sunday School meet

The Dorcas Sunday School Class of the First Baptist Church, Floydada, met November 10 with their teacher, Mrs. May Garrett as hostess, and Mrs. Lona Sparks, co-hostess.

A lovely evening was spent visiting, with most of the members having a part on the program.

An interesting Bible Bingo game was directed by Mrs.

Garrett.

Refreshments of pumpkin pie squares topped with whipped cream and coffee were served.

Present were Lona Sparks, Cecil Whitehead, Ethel Warren, Lois Durham, Valree Turner, May Garrett, Beulah Denison, Vada Meredith, Carrie Cline, Cleo Goins, Ola Warren, Mable Meeks, and guests Ruth Smitherman and Edith Muncy.

LOU ANN WATSON, BRENT WATSON

### Watson, Barker winter wedding

Mr. and Mrs. Olin M. Watson Jr. of Floydada announce the engagement and approaching marriage of their daughter, Lou Ann, to Brent Wayne Barker, son of Mr. and Mrs. Barry Wayne Barker of Lockney.

The bride elect is a graduate of Floydada High School and a 1979 graduate of Texas Tech university. She is presently employed by the Mid-

### 1934 Study Club review book

Mrs. Jimmy Wilson gave a very interesting review of the book "Texas Women" by Patricia Lasher for members and guests of the 1934 Study Club.

She told about several women who are outstanding in their own fields. An exception was Texas' first woman judge, Sarah Hughes.

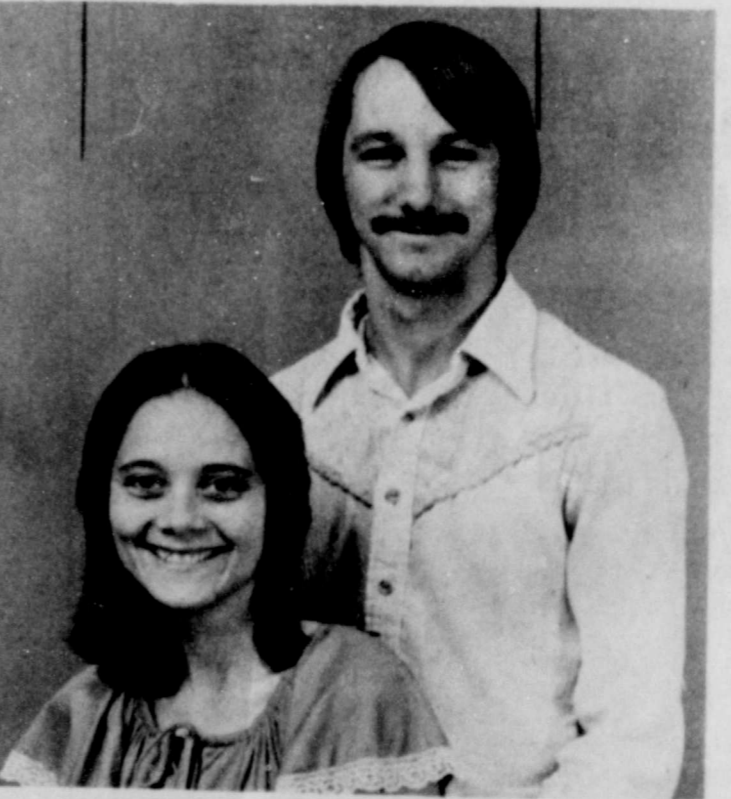

The meeting was held at the First Baptist Church Parlor on Tuesday, November 3, with Mesdames Kyle Glover, Willie Bunch and J.S. Hale as hostesses.

Those present were Mesdames: Milton Ashton, Ray Smith, Alan Bingham, T.L.

### Duvak, Beckner December wedding

Mr. and Mrs. Walter Duvak of Amarillo, formerly of Floydada, are announcing the engagement and forthcoming marriage of their daughter, Janet to Barry Beckner.

The couple plans a December 19 wedding at Irwin Road Baptist Church.

JANET DUVAK, BARRY BECKNER

### Yeary hosts Alpha Sigma Upsilon

President Rhonda Guthrie called the meeting of Texas Alpha Sigma Upsilon to order in the home of Vikki Yearly November 3, 1981. All members repeated the Opening Ritual. Roll was called and the minutes of the previous meeting were read.

The Perryton newspaper was passed around for everyone to see. A special edition was sent to this chapter on area convention.

Treasurers report was given and all outstanding bills will be paid.

Jan Nichols will reinstate to this chapter and Karen Lyles name was submitted as a possible rushee. Janice Potet and Jan Nichols were assigned to committees.

The next meeting will be at Rhonda Guthrie's house

November 17. The program will be to have pledge Rituals for Janice Potet, Lynn Daniel will have the raffle.

A schedule was made for the bazaar November 14. The bazaar will open at 9:00 and continue until 5:30. There will be a salad luncheon for \$3.50. Programs that will be given during the day were read and discussed.

Finished bazaar items were looked at. Afagan tickets were handed out. Unfinished items were worked on. Magazines were looked at for ideas.

Meeting was adjourned. All members repeated the Closing Ritual and joined hands for the Mizpah.

Refreshments of tossed salad, kicce, and tea were served to Rhonda Guthrie.

### Rebekah bazarr Sat.

The Floydada Rebekah Lodge will have a Holiday Bazaar and Bake Sale on Saturday, November 21, at thier Lodge Hall, which is located at 110 N. 4th Street (Northwest of Post Office).

The Bazaar will open at 10:00 and will close at 3:00 p.m. A good selection of Christmas items and baked goods will be available. Come by and pick up a cake or pie for Thanksgiving.

### Buchanan, Ginn announce engagement

Mr. and Mrs. M.O. Buchanan, Petersburg, are announcing the engagement of their daughter, Jo Lezlie, to Philip Ginn, son of Mr. and Mrs. Vaughn Ginn of Petersburg.

The engaged couple plan to wed December 19, 1981 at the First United Methodist Church.

The bride-elect graduated from Petersburg High School in 1980 and attended Stephen F. Austin State University in Nacogdoches, Texas.

The prospective groom graduated from Petersburg High School in 1980 and is now attending South Plains College in Levelland, Texas.

### Reception to honor the Floyd Bradleys

BY JANET LLOYD

Members of the First Baptist Church of Floydada are honoring the Floyd Bradleys with a reception to celebrate their 18th Anniversary with the church. The reception will be held in the Wall Room of the church on Sunday, November 22 from 2-4 p.m. The public is invited to attend.

Pastors have the honor of baptizing a new baby to a family, seeing the child and his family grow, and then seeing his wedding, all the while being a part of the same church.

A minister is a unique position in a community. One must become acquainted with the members of a community, know the fact that anyone who is a small town the size of Floydada for more than three years can be pretty well acquainted with everyone in town. It is not hard to see why many people in Floydada look to Bro. Bradley the community minister.

One of the joys of being a pastor is to be at weddings. Vernon Parker related that he has worked with Bro. Bradley since he and his wife Eva began their photography studio in 1963. Parker said that he would estimate that they have worked at 75-100 weddings together.

He was reluctant to share any one incident that was humorous for fear of embarrassing someone, but it was obvious by the twinkle in his eye that many funny things have taken place over the years.

"We have worked together long enough now that we know exactly what to expect from each other," Parker said. "He is always prepared and can put the family at ease with a minimum of effort on everyone's part," he added.

There is no way to estimate the number of visits that he and Aline have made to persons in the hospital, those who have had a death in the family or just to share a word of encouragement. Nor of the countless miles that they have driven to area hospitals.

"The community owes a great deal of gratitude to both Bro. Bradley and Aline for all the work they have done and the family that they have ministered to."

### District controversy over championship

While the Whirlwinds have been steadily playing football and knocking off opponents to become District 3-AAA champions, their opposite number in District 4-AAA, the Tahoka Bulldogs and the Slaton Tigers, have been battling the UIL District Courts, and each other.

The two 4AAA teams have won some and lost some. Tahoka seems to have come out victorious in each clash (except the round with Slaton which they lost 20-16) and, at last telling, will represent their district in the Bi-District play-offs.

This puts Tahoka against the 'Winds Saturday night and thus raises local interests in the doings of district 4-AAA.

According to the Tahoka newspaper, the UIL informed high school principal Jim Marcus that his varsity team had an ineligible football player.

Also informed was UIL District Chairman Jim McClesky, who is the Superintendent at Slaton. In checking to see if any other schools were in violation of that particular rule, he found that indeed his own school had an ineligible player.

The ruling concerns player eligibility and requirements for participation in athletics. Under the UIL ruling students enrolled as a junior must complete three credits in two different academic areas. A student from Slaton and one from Tahoka were in violation of the rule.

Both students involved were special education students for which the same UIL ruling applies. Each received three credits as necessary although they were received in only one course, not meeting the UIL requirement that they be earned in at least two separate courses.

Because of the ineligibility of the students, and their participation in football programs, both teams had to forfeit all the games in which the ineligible players had participated. The decision meant that both Slaton and Tahoka forfeit all of their season games.

That is how things stood the last week in October. With Tahoka and Slaton out of the running, Frenship was the team most likely to represent 4-AAA in bi-district play.

The next week's headlines in the Slaton newspaper read, "Parents file suit against UIL."

Parents of football players called a meeting in Tahoka. Some Slaton parents of football players also attended. The Slaton group agreed to split the cost of attorney fees with the Tahokians and the firm of Huffacker and Green were engaged to bring action in district court.

The suit was against the district executive committee of the UIL and to seek a restraining order reversing the committee's ruling that the teams must forfeit all football games played before the preceding week.

Slaton and Tahoka were scheduled to play each other that coming Friday night. Slaton emerged victorious without using their ineligible player. Tahoka used theirs.

That same night the Winds defeated Abernathy and began to gear up for Tulia.

On Thursday a district judge overruled the UIL decision and reinstated the two schools to their positions on the teams and allowed the games of the two squads to count in the district race.

The decision was made in the 106th District courtroom in Lamesa. District Judge George Hansard handed down a temporary injunction against the UIL. Lamesa is in the same judicial district as Tahoka.

The eight hour court proceedings took place before a packed crowd with Huffacker on the one side and UIL head Dr. Bailey Marshall and two Austin attorneys on the other. Also present was an attorney representing Frenship High School, acting as a friend of the UIL.

Huffacker, Tahoka attorney, explained that Hansard ruled the UIL discriminated against the senior Tahoka tackle and senior Slaton linebacker because they are handicap under the definition set out by the Texas Education Agency and the Federal Department of Health, Education and Welfare.

Officials at both the offending schools claimed they were not aware of the rule.

interpretations cited by the UIL as the basis for its decision.

In an interview with Floydada High School principal Charles Tyeer, he produced a letter dated several year ago from the UIL giving an opinion and explaining fully the rule in question as it pertained to special education students.

Such an opinion could have been written for by either Tahoka or Slaton school officials. One report quoted the Slaton principal as saying he had called the UIL office for an opinion on the rule at the first of the season, but misunderstood that opinion. Tahoka principal, it was reported, said that they read the rule in the book and thought they were in compliance.

The University Interscholastic League, UIL, is made up of over 1000 schools in the state of Texas. Each school is allowed one vote by the Superintendent of schools.

All rules are made by the Superintendents of schools and are enforced by the schools.

Tyer said, "This is the first time I've ever known anyone to take this type of ruling, the scholarship rule, to task."

After the Thursday court decision, the UIL appealed to Amarillo court. An Appellate Judge upheld the district judge.

On Friday night Slaton lost their bid for championship as they were defeated by Post. Tahoka with a win against Roosevelt emerged as the district contender.

The Floydada win over Tulia that same night merely cinched their title.

On Saturday, representatives of both Floydada and Tahoka schools met for the usual bartering for field advantage of the bi-district game.

Coach L.G. Wilson would like to forget about the 4-AAA's problems and just concentrate on playing football. He is building his team to play Tahoka.

And yet, in a televised statement after the court decision, Dr. Billy Marshall said the UIL would "take the case to the supreme court."

Also standing in the wings is Frenship. They have been given permission to continue practice this week while all other schools not involved in post district play are required to stop.

It looks as if it is up to the Whirlwinds to solve the district 4-AAA dilemma Saturday night.

JIM AND [the late] DOT WORD received one of the highest awards given by the American Heart Association. A research grant was awarded in their honor to Jeffrey Nordstrom, Texas A&M. The title of the grant is Molecular Cloning of the Gene for the Key Regulated Enzyme of Cholesterol Biosynthesis. Jim and Dot have been active American Heart Association volunteers since 1975. At a Regional Workshop held in Lubbock for American Heart Association volunteers from a twenty county area, Jim was presented a plaque by Larry McEachern of Plainview, who is the Regional Representative to the state organization in Austin. Also pictured is Pauline Hefley of Amarillo, Council I Vice President of the American Heart Association.

### Molecular cloning of the gene for the key regulated enzyme of cholesterol biosynthesis

Cholesterol is an important biological molecule that confers rigidity to membranes of cells. Cholesterol for membranes is obtained in two possible ways: from food (i.e. eggs) and from enzymes inside the cell that are capable of synthesizing cholesterol. Cholesterol levels are maintained within closely set limits. Thus, when cholesterol is obtained from the diet, cholesterol synthesis inside the cells is shut down.

The goal of the research in this proposal is to determine how dietary cholesterol regulates the capacity of cells to make cholesterol. Knowledge of this process is important because aberrations in the process can result in over-production of cholesterol. This results in the accumulation of cholesterol-rich deposits in arteries and is known as atherosclerosis.

Many enzymes are required to synthesize cholesterol, but only one, HMG-CoA reductase, is regulated. Thus, when dietary cholesterol is taken up by cells, HMG-CoA reductase ceases to function, and the whole pathway for making cholesterol shuts down. Experimental evidence suggests that HMG-CoA reductase disappears after cells take up dietary cholesterol.

Appearance and disappearance of enzymes is controlled by genes. The specific goal of this research is to determine how cholesterol controls the expression of the gene for HMG-CoA reductase.

In order to study the gene for HMG-CoA reductase, it is necessary to isolate it. A typical mammalian cell has about one million genes, only one of which is that for HMG-CoA reductase. Using recently developed techniques that involve recombinant DNA molecules and cloning, it is now possible to isolate a gene that is present as one part per million.

Two different, but complementary strategies for the cloning of the HMG-CoA reductase gene are presented. Cloning the gene is the primary goal of this proposal. Once the gene is cloned, it will be used to study the molecular details by which cholesterol turns the gene off.

Successful completion of the project should shed valuable insight into how cholesterol levels are maintained in normal cells and how abnormal conditions like atherosclerosis might be prevented.

AWARDS WERE PRESENTED to the Floyd County Division of the American Heart Association at a recent Regional Workshop held in Lubbock, Texas. Accepting the Award of Achievement [above] which represents an outstanding campaign year, is Ted Jordan 1981-82 President of the local organization. Nancy Willson [below] accepted an Outstanding Program Award-Honorable Mention. This award is presented to counties in the state who reach the most people per capita on the risk factors of heart disease. Floyd County was in the top ten counties in the state of Texas reaching the most people. Nancy Willson is the Program Chairman for the local division.

### Lakeview News

#### Nice weather holds at Lakeview

BY JOYCE WILLIAMS

Mrs. Willie Mae Stambough, mother of Mrs. Harold Bertrand, was buried at Plainview Monday, after services in the First Baptist Church at Floydada that morning. Darrye Munday, grandson-in-law of Mrs. Stambough, conducted the service.

Mr. and Mrs. Odell Breed assisted at the estate sale for Mrs. Green in Floydada Saturday.

Lakeview artists displaying work at the Floyd County Extension Clubs Christmas Bazaar Saturday included Mrs. Lanny Glasscock, who showed hand-painted wood crafts; Mrs. James Lee Nichols, ceramics; Jim Nichols, wood burning art; Mrs. Jimmy McGaugh and Mrs. Jim Nichols with their sorority's booth.

Among those present for the meeting of the Daughters of the American Revolution at the First National Bank Monday were Mesdames Buell Neff, Bill Norris, and O.D. Williams.

Mrs. Viola Brown spent Saturday night at the home of her daughter, Mrs. Billy Joe Hambricht. Kathy Green of Lubbock was home for the weekend while her husband was deer hunting at Justiceburg. Todd Hambricht was home from Texas Tech.

Jodi Smith came home from Caprock Hospital last Tuesday. She and her mother, Mrs. Choise Smith, are teaching junior 4-H cooking class at the Agricultural Building each Monday.

Mrs. Mike Bishop was named honoree at a bridal shower given Saturday morning in the home of Mrs. Norman Muncy.

Mr. and Mrs. Howard Bishop, Mr. and Mrs. Mike Bishop, and Mrs. Donie Hanson ate lunch with Sid Brown Saturday.

Mrs. B.L. Breed is getting around with a cane now. Her daughter, Mrs. Ella Lloyd, took her to the doctor for a check-up on her phlebitis condition last week and she is improving somewhat. Her granddaughter, Mrs. Pam Rogers and baby came from Crosbyton Sunday to visit Mrs. Breed, as did Mrs. Frank Breed.

Tye Stovall spent Friday night with Hunter Smith. On Saturday Judge and Mrs. Choise Smith and children, Dean, Hunter and Jodi, went to Lubbock to visit their grandparents, Mr. and Mrs. Flukie Smith, and Charley's mother, Mrs. Berd Oats, also is a patient in Methodist Hospital.

The 80 degree weather the first part of the week is drying out the cotton.

Greg Bishop and Gary Nixon camped at Roaring

Springs Sunday night to be ready to go deer hunting.

Mrs. Pete Calloway, Mrs. Donie Hanson and Sid Brown visited Mr. and Mrs. Howard Bishop Sunday.

Mrs. O.D. Williams attended the Texas State Teachers Association banquet at Duncan school Tuesday evening.

All you Lakeview cooks be sure to turn your recipes in so the rest of us can cook them too.

# Electricity. Knowing what it's worth is worth knowing.

One thing we've probably all learned to have an appreciation of things that have worth and to know their value. How do you rate yourself on knowing the value of the electricity you use? Take this simple exercise:

1. How much was your electric bill last month?
2. Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day.
3. How many people are in your family?
4. Divide Number 3 into Number 2. This was the cost of your electricity per day per family member.

Knowing what electricity is worth is worth knowing. Just look around.

# Electricity.

## Knowing what it's worth is worth knowing.

- One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise.
- How much was your electric bill last month? \$
- Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day. \$
- How many people are in your family? #
- Divide Number 3 into Number 2. This was the cost of your electricity per day per family member. \$
- Knowing what electricity is worth is worth knowing. Just look around.

**GRADUATES ASSISTANT MANAGER** — Joyce Whittington receives her diploma from Gary Whittington, for successfully completing the Allsup's Assistant Manager Training Course. Held at the company's home in Clovis, New Mexico, the class is a requirement for the company's assistant managers. According to Whittington, the course prepares individuals for future advancement by teaching them proper food handling, cooked food procedures, sanitation and maintenance as well as public relations. "The course is designed to produce a more professional employee who can better serve the customer and community," Joyce will be store at 102 E. Houston in Floydada to assume the duties of assistant manager.

### Cedar Hill News

#### Invest continues at Cedar Hill

**GRACE LEMONS** — Weather is warm and dry as we are stripping away the winter. The day is still in the sun. Harris of Floydada attended the Assembly of God Sunday morning and Edna Gilly last Thursday, Friday and Saturday.

Martha and Junior Taylor visited Garland and Mary Ann Tucker in Lubbock Sunday evening. Pauline and John D. VanHoose attended the wedding of Jimmy Durham, son of Louise and Russel Williams and Katie McDonald, daughter of Mr. and Mrs. Kenneth Jackson, in a beautiful home wedding in the home of Mr. and Mrs. Kenneth Jackson. After a short honeymoon at Red River, the couple will make their home in Lockney. The wedding took place November 7.

Of all the awkward people in your house there is only one whom you can hope to improve very much.

State Comptroller Bob Bullock warns that vehicles using liquified gas must display a new tax decal by January 1, 1982.

Bullock said legislative changes in the LP gas law will permit his office to tax vehicles on both weight and mileage and decals should cost less for those who drive fewer miles.

An LP-powered vehicle cannot legally be refueled or pass state vehicle inspection without a valid tax decal.

Fuel tax decals range in cost from \$24 a year for a vehicle driven less than 5,000 miles annually and weighing less than 4,000 pounds, to \$300 for a vehicle weighing over 43,501 pounds and driven more than 10,000 miles a year.

Bullock said renewal notices to owners of LP-powered cars and trucks are being sent out by his office, and decals are available from the Comptroller's field offices and at the agency's Austin office.

Bullock estimated that there are more than 40,000 liquified gas powered cars and trucks in Texas.

The motor fuels tax on LP gas brings in about \$4 million a year in tax revenue.

## Weaver attends conference

Four Office Education Association representatives from South Plains College won parliamentary procedure awards during the recent OEA Post-Secondary Officer Training Conference in Austin.

SPC's OEA members on winning teams were Karen Roberts, St. Vrain, New Mexico, first; Debbie Dennis, Dimmitt, and Linda Dickson, Levelland, second; and Denise Bailey, Lamesa, on third place team.

Officers of the 15 OEA Chapters in the state heard an address by Dorothy Goodman, national executive director of OEA; and Don McCauley, advisor from McLennan Community College, led a workshop on fundamental parliamentary practices.

Among those attending the conference from SPC was Teresa Weaver, daughter of Mr. and Mrs. Gary Fuller of Floydada.

The state OEA conference will be March 4-6, 1982 at Brazosport.

# OBITUARIES

## JEWELL COOPER

Services for Jewell Maybell (Billie) Hutton Cooper were Monday, November 2, in the James B. Totten and Sons Funeral home. The Reverend G.B. Willmont officiated.

Burial was in Electra Memorial Park.

Mrs. Cooper was born May 6, 1906 in May, Texas. She had lived in Electra many years. She was a step-daughter of Mary Hutton and aunt of Tommy Hutton.

Survivors include a daughter, Ouida Mae Lyon, of Electra; three brothers, Raymond Hutton of Amarillo, N.J. (Junior) Hutton of Azel, Texas and Thomas A. Hutton of Oklahoma City, Oklahoma and one grandchild.

Tommy, Vickie and Mary Hutton attended the funeral.

## BERTHA F. HOWARD

Services for Bertha Florence Howard, 85, of Colorado were at 2 p.m. Friday, November 6, in the Broadway Church of Christ with the Rev. Howard Bryan, pastor, officiating.

Interment followed in Mountain View Cemetery, Pueblo, Colorado with Davis-Wallin Funeral Home of Pueblo, in charge of arrangements.

Mrs. Howard died Tuesday November 3.

Born July 24, 1896 in Floyd County, Bertha Day married Weaver Howard in Floyd County. They moved from Floyd County to Plainview and then to Colorado, where she had lived 53 years.

Mrs. Howard was an aunt of Lloyd Murray of Floydada and a sister-in-law of Orland Howard of Dougherty.

Other survivors include one son, Lyndle Howard, Denver, Colorado; one daughter, Bernice Johnson, San Angelo; one sister Mrs. Clara Murray, Floydada; four grandchildren; and six great-grandchildren.

Pallbearers were Ken Wilson, Dean Preston, O.D. Parsons, Frank Groves, Sam Kramer and Sam Jackson.

## RICHARD MCCOWN

Services for Richard (Dick) Owen McCown, 59, of Amarillo were at 2 p.m. Friday, November 13, in Calvary Baptist Church in Floydada with the Rev. Hollis Payne, pastor, officiating.

Burial was held in Littlefield Memorial Park under direction of Moore-Rose Funeral Home of Floydada.

Mr. McCown died Wednesday morning, November 11, in Amarillo High Plains Hospital.

He was a native of Paris and was married to the former Clara Mae Ball March 23, 1950 in Fieldton. They moved to Floydada in 1952 and eight years ago moved to Amarillo.

An employee of United Transports, Mr. McCown was a veteran of World War II. He was a member of the Church of Christ.

Survivors are his wife; one son, Bill McCown of Waco; one daughter, Kay Roe of Amarillo; one brother, Jack McCown of Lamesa; three sisters, Mrs. Pat Briggs of Amarillo, Mrs. Ernest Bartlett of Lamesa and Mrs. Al Squire of Odessa and five grandchildren.

## RAY NOLAN

Services for Ray Nolan, 70, of Muleshoe were at 2 p.m. Monday in Second Baptist Church in Progress. Burial was in Muleshoe Cemetery under the direction of Ellis Funeral Home.

Nolan died at 9:05 p.m. Tuesday, November 10, Littlefield Medical Center.

He was a resident of Muleshoe since 1969, having moved there from Lockney. He was a farmer and a member of St. Matthew's Baptist Church.

Survivors include a daughter, Evelyn Hampton of Clovis, New Mexico; a son, C. Ray Nolan of Levelland; three sisters, Myrtle Smith of Borger, Bertha Sauls of Seattle, Washington, and Mozelle Nolan; a brother, Thelma Nolan of Temple; seven grandchildren and nine great-grandchildren.

## EDNA PHILLIPS

Funeral services for Mrs. Edna (Hinkson) Phillips, 85, of Richmond, Kentucky were conducted at 10:30 a.m. Monday, November 16, at the Oldham, Roberts and Powell Funeral Home in Richmond, Kentucky, with the Rev. William R. Young, Jr., officiating. Burial followed in the Richmond cemetery.

Mrs. Phillips died about 10:30 a.m. Friday at the Patis A. Clay Hospital in Richmond, following a short illness.

She had been making her home in Richmond with her daughter, Juanita, for the past few months. A native of Floyd County, since 1907, Mrs. Phillips was born on October 4, 1896. She married Sam H. Phillips, He died on August 7, 1954.

Mrs. Phillips was a long time member of the First Baptist Church of Floydada. She was a school teacher, having taught in the elementary school in Floyd County for 52 years, until her retirement in May 1972.

A member of the Texas Teachers Association and the Kappa Gamma Sorority, she had received her Bachelor of Arts degree at West Texas State Teachers College in Canyon and also graduated from Texas Tech, where she received her Master of Arts degree.

Surviving is one daughter, Miss Juanita Phillips of Richmond, Kentucky.

## MYRTLE MAE ROY

Services for Myrtle Mae Roy, 88, of Floydada were at 4 p.m. Monday at First Baptist Church, Floydada, with the Rev. Floyd C. Bradley officiating, assisted by the Rev. Jim Guess, pastor of Floydada Assembly

Surviving are her husband, James Roy, and eight grandchildren.

Funeral services for Mrs. Edna (Hinkson) Phillips, 85, of Richmond, Kentucky were conducted at 10:30 a.m. Monday, November 16, at the Oldham, Roberts and Powell Funeral Home in Richmond, Kentucky, with the Rev. William R. Young, Jr., officiating. Burial followed in the Richmond cemetery.

**GENE'S CLEANERS**  
 We will be closed November 26, 27, & 28 for Thanksgiving. Thank you for your consideration.  
 Gene McDaniel

**agri-facts**  
 Jerry Perry

It's high time agriculture had a voice on the federal reserve board. That was the sentiment expressed by U.S. Senator Roger W. Jepsen, Iowa Republican, Jepsen introduced a resolution in the U.S. Senate calling for President Reagan to use the next vacancy on the Fed to nominate someone from the agriculture community. Jepsen said agriculture, along with small business, is directly responsible for almost half of our total national income. Roughly 53 percent of our national employment also comes from the agriculture-small business sector. Jepsen told the Senate. The agriculture and commercial sectors have a statutory right to representation on the board. Jepsen stressed two large sectors of the economy have never had any say in monetary policies which affect them dramatically. The next vacancy on the Fed is expected in six months.

# Caprock Hospital Report

November 9-16

Ramon Cuellar, Floydada, adm. 10-6, dis. 11-11, Hong.

Ella Finley, Floydada, adm. 10-6, dis. 11-9, Hong.

Pablo Salquero, Lockney, adm. 10-18, continues care, Hong.

J.B. Henslee, Hale Center, adm. 10-19, continues care, Hong.

Amy L. Bethel, South Plains, adm. 10-28, dis. 11-14, Hong.

Charles E. Welborn, Matador, adm. 10-30, dis. 11-9, Havasi.

Joey Payne, Floydada, adm. 11-1, dis. 11-9, Jordan.

Ela Bailey, Floydada, adm. 11-3, dis. 11-9, Hong.

Paula Porter, Floydada, adm. 11-3, dis. 11-10, Jordan.

Linda Matsler, Floydada, adm. 11-4, dis. 11-15, Hong.

Donald Gray, Quitaque, adm. 11-5, dis. 11-11, Hong.

Mattie B. Martin, Floydada, adm. 11-5, dis. 11-13, Jordan.

Jodie Smith, Floydada, adm. 11-5, dis. 11-10, Jordan.

Jan Thayer, Floydada, adm. 11-6, dis. 11-10, Jordan.

Tony Lee Collins, Floydada, adm. 11-6, dis. 11-10, Jordan.

Marvin D. Goolsby, Roaring Springs, adm. 11-7, dis. 11-15, Jordan.

Thomas Warren, Floydada, adm. 11-9, dis. 11-10, Jordan.

Anita Maldonado, Floydada, adm. 11-9, dis. 11-14, Hong.

Guadalupe Baltierra, Floydada, adm. 11-9, dis. 11-15, Hong.

Maria Garcia, Silvertown, adm. 11-9, dis. 11-11, Hong.

George Weeks, Turkey, adm. 11-11, continues care, Hong.

Jim Stockton, Afton, adm. 11-11, dis. 11-12, Hong.

Verdie Neighbors, Matador, adm. 11-12, continues care, Acar.

Wilson Fowler, Floydada, adm. 11-12, continues care, Jordan.

Stella Hart, Floydada, adm. 11-13, continues care, Hong.

Juanita Vasquez, Floydada, adm. 11-14, continues care, Hong.

Jessie Sims, Matador, adm. 11-14, continues care, Jordan.

Mary Corley, Floydada, adm. 11-15, continues care, Hong.

Charles Kevin Haney, Afton, adm. 11-15, continues care, Hong.

# Miller receives degree

More than 800 students at Texas Tech University received degrees in commencement exercises at the conclusion of the 1981 summer session.

Degree recipients included Patrick Miller of Floydada. Texas Tech University has an enrollment of more than 23,000 students.

**ENERGAS**  
 Cooking with gas saves 46 percent  
 Cooking with a new gas range costs 46% less than cooking with an electric model. And, pilotless ignition, instant-off heat, precise controls and smokeless closed-door broiling add enjoyment and convenience to your cooking. Ask for our booklet with conservation tips to help you use energy even more efficiently. At Energas, we're committed to helping you save with efficient gas appliances.

South Plains News

Autumn continues at South Plains

South Plains, November 16: Beautiful, beautiful bright blue autumn weather has been with us the past two weeks, with cool nights and sunshiny days. Cotton gins are running day and night, and farmers are trying to take advantage of all the great weather. Even so, some of the fields are not ready for stripping. Great modules of cotton stand in the stripped fields, and we are all so thankful for the good weather and for crops already garnered.

Mrs. Letha Mulder went to Tula and spent Sunday with relatives there who had come for the funeral of E.L. Gardner, 92, whose services are this Monday, November 16, at 3:30 p.m. in the First United Methodist Church in Silverton, with burial there in the Silverton cemetery. He had passed away Saturday. He was the grandfather of Don Dell Mulder of Albuquerque, New Mexico, but he was unable to be present, because of his illness at this time. His mother, Mrs. Alta Whorton and her granddaughter Shawn of Albuquerque, were present at Tula.

Mrs. Cecil Osborne was confined to the parsonage over the weekend with illness, but is better this Monday.

Mr. and Mrs. Grisyb Milton returned Sunday evening from a Flying Farmers trip which took them to Nashville, Tennessee over the past weekend.

Hobby Club Meeting

The South Plains Hobby Club met on Wednesday, November 11, 2:00 p.m. at Lockney in the home of Mrs. Fred Fortenberry. Mrs. Letha Mulder presided over the business meeting, and roll call was answered with: A Trip I would like to make. This is the last real Hobby Club meeting for them this year, as the next meeting will be the Christmas party in December. Plans were made for the Christmas Club meeting and for the Christmas menu. Husbands of the members will be invited, and each member will bring a dish, and gift for exchanging under the Christmas tree. The home of Mrs. Fred Marble (Carolyn) will be the meeting place, and you will receive word of what dish you are to bring. Time for the Christmas party is 7:00 p.m. December 12. Mrs. Bonnie Julian gave the program with "My trip to Alaska." Hostess Jewel Fortenberry served cheese tidbits, delicious

fresh apple cake, and coffee and fruit punch. Present were: Mmes. Louzilla Nichols, Leighton Teeple, Kendall Cummings, Harold Hamm, Letha Mulder, Bonnie Julian, Mildred Wells, Grigsby Milton and hostess Mrs. Fortenberry.

Many of our community have been visiting with Mrs. J.P. Taylor (Trudie) who is in the Central Plains Hospital in Plainview, following a serious operation last week. She has been in the hospital two weeks, and hopefully she will soon be able to go home.

Mrs. Early Pritchett returned here to her home last Wednesday, and was present for Sunday morning Baptist Church services. We have missed her sorely all the past summer, as she has been out at their Ruidoso, New Mexico home all the past months. We are glad for the killing frost, because Mrs. Pritchett's allergies do not bother her after frost comes.

Jerry Taylor of Canyon was here on Friday for the funeral services of his friend, Richard McCown of Amarillo, who had died last Wednesday at Amarillo in the High Plains Hospital. The family lived in Floydada, but had moved to Amarillo a few years back. Taylor is the son-in-law of Mrs. Letha Mulder.

Mrs. Alvin Nichols went to Plainview last Tuesday morning to attend funeral services for an old friend, Les Taylor, 82, Tuesday morning, with the services being held in the Lemons Funeral Chapel.

Mrs. Grady Spivey arrived here Tuesday afternoon from Navasota, and has visited here with sister-in-law, Mrs. Sylvin Kinnibrugh and Sylvin. She also was in Lockney with Mr. and Mrs. Ray Dillard, and Wednesday they all had supper in Plainview with the Kinnibrugh's daughter and family, the Teddy Hornes and Melissa. Also present from Odessa was another sister-in-law, Mrs. W.H. Smith.

We are so glad to hear that little 6 year old Amy Bethel, who lives here in South Plains with her parents, the Rogene Bethels, got to come home from the Caprock Hospital Saturday. She had been there 2 1/2 weeks, and was lucky to get to come home now. She fell from the slide at school, and broke her right arm, and will still have to have the cast on her arm for four weeks. She got to go back to school this Monday with the admonition to be very careful not to fall and

she cannot go outside on the playground.

Krisit Julian was home for the weekend with her parents, the Kendis Julians. She attends Texas Tech and got to attend Sunday Baptist morning church services.

Renee Sanders was at the Baptist Church morning services, also, from Plainview, and had Sunday with her parents, the Richard Sanders.

Bridal Shower honors Denise Johnson

A lovely bridal shower, honoring Miss Denise Johnson of South Plains, bride-elect of John Burson of Silverton, was held on Saturday, November 14, from 2:00 to 4:00 p.m. at the home of Mrs. Ruby Higginbotham in South Plains. The brides chosen colors of cranberry and candlelight were used in corsages and in decorations.

Special guests were John's grandmothers, Mrs. Iris Burson and Mrs. Nannie Bomar; mothers, Mrs. L.N. Johnson and Mrs. Mary Burson; John's sister-in-law Debbie Burson; Denise's sisters, Mrs. Shari Smith, her twin sister, Deneen Johnson, her sister-in-law Mrs. Carlton Johnson, her aunts, Mrs. Beth Burgess and daughter, Mrs. Trenda Brown and Tony of Dumas and Amarillo, her aunt Mrs. Inez Johnson and her grandfather, Mr. O.A. Johnson of Pampa. Mrs. Shari Smith and twin sister of Denise, Deneen Johnson, presided at the serving area. The serving table was laid with a lace cloth over a cranberry colored cloth, and the brides colors of cranberry and candlelight were used in the floral centerpiece. Cake squares, punch, nuts and mints were served from crystal appointments.

In the guest room presiding were Mrs. Jerry Chappell and Mrs. Cecil Osborne. The wedding date is December 12, at the South Plains Baptist Church. Hostesses for the party were Mmes. Cecil Osborne, Alton Higginbotham, Grigsby Milton, Jerry Chappell, J.P. Taylor, Bonnie Julian, Letha Mulder, Andy Ford, Algene Barker, Sterling Cummings, Harold Hamm, Glen Wood, I.H. Parks, Nathan Johnson, Kendis Julian, Raymond Upton, E.J. Kinslow, Sylvin Kinnibrugh, and hostess Mrs. Ruby Higginbotham. The hostess gift was stainless steel Farberware cookware.

# Tarps protect modules

With winter weather moving in, tarpaulins offer good insurance against weather damage to cotton modules, says an agricultural engineer with the Texas Agricultural Extension Service.

Rain and snow may cause excessive damage to cotton modules stored in the field or gin yard, said Elston K. Grubaugh, the Extension specialist. He cautioned that moisture may penetrate the module and result in serious deterioration of lint and seed quality due to rotting and heating.

"Since the harvest season on the Plains is usually characterized by dry weather, many modules aren't covered with tarps," Grubaugh said. "Nevertheless, provisions should be made to cover modules if wet weather is forecast."

Snow or rain on unprotected modules can endanger more cotton than any given gin can handle before damage to lint and seed occurs, the agricultural engineer warned.

Cotton tarps are usually best suited for protecting modules, he said. In addition to protecting the module, a cotton tarp will permit air movement and eliminate any buildup of condensation under the cover.

"A tarpulin should be at least twelve feet wide and six feet longer than the module so it will still cover the sides and ends of the module after shrinkage," Grubaugh said.

In addition to cotton tarps, some manufacturers are offering vented weave polypropylene tarps suitable for tarping modules. When considering polypropylene tarps, be sure they are woven, vented types, not solid polypropylene sheets, he suggested.

Tarps are difficult to hold in place in the windy regions of West Texas. Bringing the tarps down over the sides and ends of a module will help keep wind from blowing under the tarp and loosening it, Grubaugh said. A wire looped around the module and through the tarp pins provides additional assurance of keeping pins and tarps in place, he advised.

Securing tarpaulins with ropes placed under the module as it is set on the

ground will also help keep tarps in place during windy periods, he said. Only cotton ropes should be used for securing tarps, he noted.

"Make sure black poly twine is not used to tie down tarps. Serious lint contamination resulting in lower lint value can result if poly twine gets mixed in with seed cotton prior to ginning," Grubaugh warned.

Standing water will eventually penetrate tarps. Water-holding depressions can be eliminated, he said, by placing the last stripper dump in the middle of

the module builder. "Doing so permits a firmly packed, rounded top that can be protected better with a tarp."

Check the tops of modules after every rain and snow and remove all collected water, he urged.

In considering cotton module protection during the period from harvest to ginning, a producer should consult his insurance company for their specific requirements regarding field or gin yard storage of modules, the Extension engineer said.

# Top 4-H members earn salute at banquet

Floydada — two outstanding 4-H Club Members from Floyd County will be honored at the South Plains District 4-H Gold Star Banquet at 6:30 p.m. Monday, November 23 in Lubbock.

Among the top 4-H'ers in the district being honored will be Jodie Smith, daughter of Mr. and Mrs. Choise Smith of Floydada, and Keith Hight, son of Mr. and Mrs. G.L. Hight of Lockney.

Dr. Uel R. Stockard of College Station, state leader for county programs with the Texas Agricultural Extension Service, will be the banquet speaker. Dr. Sam E. Curl, dean of the College of Agricultural Sciences at Texas Tech University, will be master of ceremonies. The program will be in the cafeteria of Coronado High School, 34th Street and Vicksburg Ave., Lubbock.

Some 450 persons, including parents, distinguished guests and special friends of 4-H will attend the banquet to salute the county winners, Ken Langley, county Extension agent said.

To qualify for the Gold Star Award, highest 4-H honor at the County level, a 4-H'er must be at least 13 years old, have completed three years of club work and be active in 4-H. The award is intended to stimulate winners to higher achievement and to encourage other young people to participate in the county 4-H program, Langley said.

The awards will be presented by Dr. Catherine Crawford and Billy C. Guntter, district directors for the Texas Agricultural Extension Service. Four-H is the youth program of the Extension Service.

# Farm-City Week is set for November 20-26

Farm-City Week, November 20-26, focuses on the involvement of farm and city people as partners in growing, processing, marketing and consuming food and fiber.

"In Texas, movement of food and fiber from field to factory to the family table provides jobs and income for about a fourth of the working force," points out Dr. Carl Anderson, marketing economist with the Texas Agricultural Extension Service, Texas A&M University System.

"One out of every 30 Texans is a farmer or rancher, and 30 percent of the state's retail trade business is directly associated with agricultural production and selling of food and fiber products," says Anderson.

Many businesses, financial institutions and individuals are involved in providing supplies, credit and services to farmers and ranchers and in processing and marketing agricultural commodities.

While the overall cost of living has increased about 11 percent from a year ago, food prices in the grocery store have increased 6.4 percent and apparel has risen less than 5 percent, notes the economist. This compares with an increase of nearly 13 percent in housing, 16 percent in fuels, 11.5 percent in medical care and 25 percent in public transportation.

"Americans spend far less of their take-home pay on food than people in other countries of the world," Anderson points out.

"Together, farm and city people make the best food and fiber team in the world," he believes. "This gives a country the capacity to feed its own people and to export for economic gain as well as for humanitarian purposes."

With more than \$3 billion in farm exports last year, Texas is one of the leading states in shipment of agricultural products abroad. Texas led the nation in shipments of cotton, cottonseed and animal fats; was second in meats and meat products, hides and skins; and third in rice, peanuts and peanut oil.

On a national scale, farm exports total about \$44 billion, Anderson estimates that production from about one out of every three acres of cropland is exported. Leading customers are Japan, Netherlands, Mexico, China, Canada, Germany and Korea.

"Farm exports support more than a million jobs, and the added business stemming from agricultural exports about equals the value of products shipped," says Anderson. "Exports help both farm and city people make a living. At the same time, they boost the economy and offset some of the cost of imported oil."

# Nutt competes with livestock judging team

Abilene Christian University's senior livestock judging team just returned from a successful trip to Louisiana, where it took the overall top spot at the Louisiana State Fair last week.

The team of agricultural majors collected a total of 15 trophies in the judging competition, said Stuart, who is the Block and Bridle club president. Besides the team's first place, members of the judging team received individual overall first, second, third and sixth place honors, Stuart said.

Winning first place was Britt Stuart, sophomore from Roby. Danny Nutt, sophomore from Floydada, took second place and Mike Bragg, sophomore from Coleman, third place.

Future Farmers of America chapter president Brent Carpenter, junior from Webb City, Missouri, finished sixth in the competition. Others who partici-

pated in the individual competition were Jana Jackson, freshman from Worcester, Massachusetts; Jennifer Johnson, sophomore from Boulder, Colorado; Grant Sandusky, junior from Merkel; and Kyle White, freshman from Knox City.

The judging team, coached by Edwin DuBose, agriculture professor, took first place in the market steer judging and second place in the sheep judging. The team also won third place in horse judging, fourth place in breeding beef judging and fifth in swine judging, Stuart said.

The team's next judging meet will be the American Quarter Horse Association Contest November 19-21 in Oklahoma City, Oklahoma. This contest consists only of horse judging, Stuart said.

## Predation losses point to need for

Predators continue to inflict heavy losses to livestock, poultry and other wildlife, pointing to the need for an effective remedy.

That remedy could come in the use of toxic chemicals, but use of such materials, particularly Compound 1080, is not yet sanctioned by the Environmental Protection Agency.

However, some inroads are being made toward legalizing the use of these chemicals, points out Dr. Dale Wade, a wildlife specialist with the Texas Agricultural Extension Service, Texas A&M University System. Information presented at recent informal hearings may warrant the EPA to open formal hearings before an administrative law judge.

"If such hearings do come about, they would include information on the use of the 1080 toxic collar to protect sheep and goats as well as possible use of 1080-treated baits," notes Wade.

While such hearings might finally lead to an effective predator control technique for ranchers, they likely would not be completed in time to allow use of toxic chemicals during the coming winter season, adds the specialist.

"Coyotes continue to cause the heaviest losses to livestock and poultry, and their populations are increasing," says Wade. "They have been a problem to sheep and goat producers for many years, but now they also are causing increased losses in cattle. And the problem is no longer confined to western states; several eastern states now report increased coyote populations and significant livestock losses."

In addition to preying on livestock and poultry, coyotes also have inflicted heavy losses in pronghorn antelope, mule deer and other wild species in recent years, adds Wade. This has led some state wildlife agencies to support the use of toxic agents against predators.

"With ranchers currently operating at low profit margins or even losses due to poor prices, livestock losses to predators are a major concern," points

out Wade. "Furthermore, these losses will ultimately be reflected in reduced meat supplies at higher prices."

An added factor is the loss of agricultural land to other uses when

small operations are abandoned and production and the whole area is left to the specialists.

## Hog prices continue to look bleak in

COLLEGE STATION — Although hog prices continue to look bleak, many producers are starting to expand their operations in anticipation of better prices next year.

Such action could further hamper any improvement in hog prices, says a livestock marketing economist.

"Indications are that the liquidation phase of the hog cycle is slowing and pork producers are preparing for increased production," says Dr. Ernest Davis with the Texas Agricultural Extension Service, Texas A&M University System.

Nationally, producers farrowed 2.735 million sows during the June-August period, 3 percent more than expected. Also, September-November farrowings are expected to be 5 percent more than previously anticipated.

But Texas June-August farrowings of 35,000 sows were off 34 percent from a year ago while September-November farrowings are expected to remain unchanged.

The September inventory of all hogs and pigs for the 14 major producing states was estimated at 52.2 million head, 5 percent below last year, points out Davis. The breeding inventory at 52.2 million head also was off 5 percent while the market inventory was at 45.1 million head, 6 percent less than a year ago.

Texas' September breeding inventory of 90,000 head was the lowest on record, down 10,000 head from June 1 and 36

percent from last year. Hogs at 610,000 head were 10 percent from a year ago. Hog and pig prices were lowest since June 1978, the lowest on record.

"This is the first time hog inventory reached this low," says Davis. "All these indications supplies during the fourth quarter (January-March) will be 10 percent from the same time last year."

What about the market? Fourth quarter prices in 1981 have dropped 10 percent. Davis notes market hogs are \$49 per hundredweight, down from \$54 per hundredweight in October-December 1980.

And considering the market and a still recovering economy, he expects market hogs to stay in the \$40 to \$45 weight range early next year. "With those market prices, producers may wait to market while rather than expanding operations," cautions Davis.

Seventeen textile executives from 13 European countries and two from the People's Republic of China were in Lubbock November 8 and 9 to study High Plains cotton production, processing, merchandising and research facilities.

Plains Cotton Growers, Inc. of Lubbock coordinated the foreigners' activities for the Lubbock visit, which was part of the annual U.S. Cotton Orientation Tour sponsored by Cotton Council International, National Cotton Council, the U.S. Department of Agriculture's Foreign Agricultural Service and local hosts. Joining PCG as hosts in Lubbock were Lubbock Cotton Exchange and Plains Cotton Cooperative Association.

Bob Squires, this year's President of Cotton Council International, received the visiting dignitaries at his Lubbock home on their arrival November 8.

The People's Republic of China for the past two years has been the largest single importer of U.S. cotton, purchasing 2.2 million bales of the 1979 crop and 1.4 million bales in 1980.

Combined annual U.S. exports to the 13 European countries in recent years is estimated at something over 500,000 bales.

Europeans in the touring group represented Belgium, England, Finland, Germany, Ireland, Israel, Italy, Morocco, Norway, Poland, Spain, Sweden and Switzerland.

"There is a real opportunity for us to expand the markets for our cotton in these countries," said PCG President Gary Ivey of Ralls, "and our purpose in having them here was to impress upon them our capacity to continue producing their fiber needs in the quantities and the qualities desired, our constant efforts to improve our product and our ability to prove its spinning value."

The group came to Lubbock after touring the mid-South and a stop in Dallas. The remaining itinerary includes El Paso and the cotton growing regions of California.

In Lubbock the delegation saw the extensive facilities at Texas Tech University's Textile Research Center, the Texas A&M Research and Extension Center, USDA's South Plains Ginning Research Laboratory and the instrument classing line and merchandising facilities of Plains Cotton Cooperative Association.
