

CRISS CARTHEL
Valedictorian

RALPH SCHEELE
Salutatorian

Carthel, Scheele take high graduate honors

Criss Carthel, with a grade point of 98.29, was named Valedictorian of his graduating class in an announcement by High School Principal James Poole Saturday night at the Jr. and Sr. Banquet.

Ralph Scheele was named Salutatorian. Scheele's grade point is 96.44 for his four years in high school.

Graduation exercises will be held on May 24 at The First Baptist Church. Baccalaureate will be held Sunday night, May 23, there also.

Criss is the son of John Lee and JoAnn Carthel, Route 1, Lockney. He is President of the band. He has been a member of the stage band for four years.

He is president of the National Honor Society.

Among other honors he was voted Most Studious all four years and Most Likely to Succeed.

Criss plans to attend San Jacinto College in Pasadena.

Ralph is the son of Albert and Otero

Scheele, Route 1, Lockney.

He has served as a band officer for three years, presently the vice president. He was a drum major his junior and senior years. He is president of the senior class. He has been a class officer the last three years.

He was a student council representative three years and served as vice president this year. He was also National Honor Society vice president this year.

He has been a 4-H Council delegate and a very active member of that organization.

At the banquet he was named Most Dependable.

Eleven students are graduating with a 90 or above average. Besides the top students the following students are in that classification: Chris Cooper 94.28; Jeff McCormick 93.41; Wade Jackson 93.41; Ernest Galvan 93.36; Karl Race 91.39; Pat Torrez 91.23; Tyke Dipprey 91.03; Garcy Cawley 90.29; and Yolanda Garcia 90.00.

Jean Phillips the new Allsup's manager

Have you noticed a new face around town lately? Jean Phillips has been appointed the new manager of the Allsup's store of Lockney.

Jean and her husband, Grady, live in Matador. Phillips is employed at Rip Griffin's in Lubbock. They have two daughters. One is married and resides in Carlsbad, New Mexico. The youngest attends eighth grade at Matador.

Jean has been associated with Allsup's since October, 1981. She had been employed at the Matador store prior to working at Lockney. She has completed the assistant manager's school and will probably attend a manager's school in Clovis. Allsup's headquarters, within the month. She is scheduled to attend a

seminar there this week.

The couple had the El Matador Travel Center service station and cafe leased before their present positions. They had managed it for some five and a half years. Phillips was a state employee on the Highway Department for 21 years before that.

Other employees of the Lockney Allsup's store include Dana Bland, assistant manager, Gordon Aylsworth, and Jo McNelly.

Jean said she had found Lockney people nice, kind and polite.

Allsup's will begin a new promotional program. It will run from June 1 thru September 30. Cards will be issued with purchase of slush puppies to play in the Slush Puppy "Video Game."

Tax Assessor drops big bombshell

Floyd County Tax Assessor dropped a bombshell in the laps of the County Commissioners Monday when she told them that an error had been made in her office and that the county had been overpaid in tax money.

The tax assessor collects the monies for the county, Caprock Hospital in Floydada, Lockney Hospital, High Plains Water District, Mackenzie Water Authority, and South Plains and Dougherty school districts.

Tax Assessor Jonelle Fawver said that she was short \$26,485.41 and could not make the prorated payments to the other entities. She said that there were not enough tax funds to pay Caprock Hospital the amount due them.

The county was the only entity that was overpaid she said.

County Treasurer Glenna Orman said that the money had already been spent. "It's gone," she said, "we don't have it either."

When questioned by County Auditor Bobbie Hamilton as the exact amount of the pay back due, Fawver could not give a figure because the fees of office had not been tabulated.

Hamilton said that the problem is "verifying the amount that the county is overpaid." The real and personal taxes

have been put on the computer, but the intangible taxes have not.

County Judge Choise Smith said he thought each entity should be paid the tax money they were due, but "I don't know how we can pay this back when we're not sure of our figures."

Fawver said that shortage of help in her office had caused them to be behind in figuring all of the different taxes and the bookwork that goes along with it.

Hamilton said she had only received two of the monthly reports since the beginning of the fiscal year in October and had no way of cross checking to know how much the county was due.

Commissioner Bob Jarrett said, "her office (County Tax Office) needs to be organized in an efficient manner so we can get this information."

Commissioners asked Hamilton what her recommendations were. She said there needed to be a better system of reporting from the tax office, and that they need to have their records accessible.

The only cross-check at this time, according to Fawver, is to go back through all of the receipts.

Fawver said that the mistake came about because taxes collected at the end of January were counted twice. The

exact amount of the duplication was not clear to this reporter. A figure of over \$63,000 was mentioned and also a \$49,000 figure was mentioned.

Fawver said that she thought there would be enough taxes collected to cover the prorated amounts due, but that had not happened. She therefore needed the county to pay back some of the money they were overpaid so that her office could take care of the commitments to the other tax entities.

Since Caprock Hospital is on lease, the shortage of payment would cause no undue hardship as far as the running of the hospital is concerned according to Hospital Administrator Joe Rice in a separate interview on Tuesday.

However, each of the tax entities bank their funds and collect interest until the funds are used.

Because of the late sending out of tax bills in 1981 and the according late payment of taxes, Commissioner Jack Lackey said that the county had lost at least \$30,000 in interest.

The re-appraisal of taxes in 1980 and the subsequent work-load has caused Fawver to appear before the court on several occasions because her office was behind.

Commissioners decided in afternoon

session on Monday that an audit of the tax office which would get the records up to date and provide complete figures was in order.

Motion was passed unanimously that Hamilton would hire an experienced tax assessor and that Hamilton, as county auditor, would work with them to audit the county tax records.

A limited audit was performed by Behner and Co. at the end of last year at a cost of \$5000 to the county. This audit was called to comply with Revenue Sharing regulations.

Book Sale

This year the Friends of the Library book sale will be an extra special occasion. Because featured at the sale will be the remaining editions of "The History of the Caprock Country," a historical edition printed July 15, 1965 on the 75th Anniversary of Floyd County.

Every Floyd County family will want at least one of these Special Editions. So come to the sale Old Settlers Day in the building just east of the Hesperian from 9 a.m. to 4 p.m.

The money from the papers will go into the Library construction fund.

Lockney cannery designated community facility for the county

Commissioners Court, in regular session Monday, voted to bring one county cannery up to state and federal standards before the beginning of canning season in July.

The Lockney cannery, which process two times as much food as the Floydada plant, was designated as the facility to be used. The Floydada cannery will be closed.

The Lockney plant will operate as a community cannery. No canned goods will be sold and there will be no canning "on the halves."

The standards set forth by the state and federal health departments for a "community" designated cannery are less rigid and therefore less expensive

than for a commercial facility.

Commissioners Bob Jarrett and Thomas Warren, and County Judge Choise Smith voted "for" on funding the updating of the one cannery. Commissioner Jack Lackey abstained. Commissioner Sam Spence was absent from the morning court session when the vote was taken.

Mrs. Pete Hulcy will operate the cannery at a salary of \$700 per month during the canning season. Daisy Dipprey will serve as assistant at a salary of \$550.

The court will follow the recommendations set down by Texas A&M Food Specialist, Dr. Al B. Wagner. As part of the A&M Extension Service, Wagner inspected both canneries and made a list of recommendations to upgrade the facilities. State Health officials concurred with Wagner's findings.

Equipment costs to bring the Lockney cannery up to specifications is estimated at \$570. That figure does not include labor.

Some of the equipment from the Floydada cannery will be moved to the Lockney plant.

One of the specifications is that supervisory personnel and interested persons would attend a one day training session.

The school will be conducted by Dr. Wagner and will be held sometime in June.

Beside the updating of equipment, a more complete system of record keeping will have to be instituted.

All cans will have to be labeled and coded. This is a precaution so that any

food suspected of contamination can be readily traced.

Complete records to include initial temperature of each batch, and process time will have to be kept.

Another recommendation is that all

canned goods be kept in the state. This means that no canned goods from Floyd County should be taken across the state line even as a gift to friends or relatives.

The commissioners are discouraging people from out of the county using the cannery.

"The Lost Horizon" made theme of Junior and Senior Banquet

The Junior and Senior Banquet was held in the Elementary Cafetorium Saturday night. The theme was "The Lost Horizon."

The banquet was held among fountains, flowers and fans. Entry was made over a bridge at the end of a white fluffy walkway.

A meal of Hawaii chicken breast or roast beef and cherry pie with side accents of rice pilaf and fresh fruit aided in the atmosphere of being in faraway places. Faculty members and board members accompanied by their spouses attended along with the junior and senior students.

Ginger Mathis furnished the dinner music. Servers were dressed in their oriental costumes from their cooley hats down to their bare feet.

Bart Bivins pronounced the invocation. Junior class president Karen Mathis gave the welcome. Ralph Scheele, Sr. class president, made the senior response.

Junior class members made the presentation of banquet favorites:

Ralph Scheele and Kelli Clark, Most Friendly; Jeffrey McCormick and Dena Casey, Most Popular; Elma Molina and Ernest Galvan, Most Representative; and Criss Carthel and Melissa Johnson, Most Likely to Succeed.

Jeff McCormick and Pat Torrez were recognized as Best All Around.

Principal James Poole announced the 1982 Valedictorian and Salutatorian; Criss Carthel and Ralph Scheele, respectively.

The selection of the Junior Who's Who were announced at the banquet also. They will receive awards at an assembly today. Gary Cawley, science; Karl Race, band; Ty Williams, ag; Ralph Scheele, English; Yolanda Garcia, business; Melonie Foster, journalism; Elma Molina, librarian; Criss Carthel, math; Criss Carthel, social studies; Jeff McCormick, sports; and Pat Torrez, sports.

The prom immediately followed the banquet. Jeffrey McCormick and Dena Casey were named Prom King and Queen.

Recommended rate increase 9%

Southwestern Public Service Company yesterday announced it would accept a 9% rate increase recommended by the Steering Committee which represents 66 Texas municipalities served by the electric utility.

The agreement was reached following a study by the cities' rate study committee, and represents 71% of the 12.7% Texas retail rate increase requested by the Company.

If approved by the Public Utility Commission of Texas (PUCT), the new rate would be effective July 1, 1982, and would be expected to provide additional revenues of approximately \$13.6 million annually from customers inside the cities. The agreement only covers the rates for service supplied within city jurisdictions. Rates outside the cities, which are regulated by the PUCT, would generate approximately an additional \$15.8 million annually at the 71% figure.

Company president Bert Ballengee said "SPS agreed reluctantly because the combined revenues of \$29.4 million from city and rural customers is less than had been requested, less than is needed, and less than is justified by today's high money costs and the commitment the Company has made to its customers to change to coal as the fuel source in new power plants."

Ballengee said that "SPS would go along with the reduced increase because of the current economic situation which is affecting everyone. I guess we'll hurt just like everyone else," he added.

Southwestern Public Service primarily provides electric utility service to a population of more than 1 million in a 45,000-square-mile area of the Panhandle and South Plains of Texas, eastern and southwestern New Mexico and the Oklahoma Panhandle and southwestern Kansas.

KING AND QUEEN—Jeffrey McCormick and Dena Casey were honored at the prom that followed the Jr. and Sr. Banquet Saturday. They had also won Most Popular earlier that night.

Court Justices request special police force

BY SGT. RAYNARD MACHA
Floydada Police Department

Recently I read where the United Supreme Court Justices have requested that their special police force who is responsible for the safety of the court and court grounds be empowered to operate off the grounds of the court. Under law they can only carry weapons and have police powers while in performance of their duties on the grounds of the Supreme court.

It seems that the justices are afraid of possible violence or some crime being committed against their person. So as a special privilege they are wanting police officers to follow them home to their cozy safe homes in the suburbs of Washington D.C.

For years they have spanned the seeds of crime with their many ridiculous rulings letting hardened criminals go free. Not to mention keeping the American justice system in a constant turmoil with their ever changing rulings. That predominantly seems to favor the criminal.

Now they think that the streets of America are not safe. The American public could have told them that years ago. Their recent request is an example of the mentality of the court. Rather than come up with a get tough policy against crime, they seek special protection while the taxpaying citizen who pays their salary and bears the brunt of the misery associated with crime must fend for himself on the unsafe streets of America.

As a result of years of liberalism emanating from the supreme court to lower Federal courts, America has experienced the greatest crime wave in the history of the world in this century.

European countries are aghast at the violence that our cities put up with on a daily basis. Our newspapers and TV are full of examples of state and local judges and juries sentencing criminals to prison sentences only to see a federal judge set him free on some minor technicality. Correction facilities are full of inmates awaiting death penalties never to be carried out as ordered by local juries who set through a fair trial and made a decision to put an end to a hardened criminals life of crime.

Somewhere there is always a federal judge who had nothing to do with the case and has a personal opinion against

the death penalty that will give a stay of execution. Two good examples of recent decisions made by federal judges that are totally out in left field are in the papers today. One deals with a judge locking up a farmer for taking his own soybeans out of an elevator to sell to pay off debts. The other is closer to home. A federal judge has ruled that the state of Texas cannot accept any more inmates into our corrections facilities because of over crowding. That means that many convicts will have to be let out into society before even serving a fraction of their sentences.

It has reached the point of insanity when one man can tell an entire state how to run their prison system. If federal judges can abolish or make laws with a judicial decree without the consent or will of the majority of the people then Democracy has ceased and we are now living in a dictatorship made up of an elite group of men and women who have to answer to no one for their actions. There is no need for congress or state government since the courts clearly are in control of our destiny.

I for one think that the supreme court justices should have to take their chances with the rest of the populace. Maybe then some of their liberalism will vanish after the first few muggings and they will once again decide that the purpose of police forces and prisons are to protect society.

Not until they are forced to live as the rest of society will they come out of their dream world and realize that crime pays today because of their dedication to strict legalism without common sence decency, or intelligence.

Jr. Friends tour libraries

Thirty-four members of the Junior Friends of the Library Club at Junior High School went to Lubbock Monday May 10 for their annual field trip.

They toured the Mahon and Texas Tech Libraries finding them very large with many books and magazines. They were surprised at how large the card catalog was also.

After the tours, the Junior Friends went to the Mall where they ate lunch. Everyone enjoyed the trip.

Peace Officers honor sheriff

Officers, Directors and Members of the Caprock Peace Officers Association have chosen their 34th Annual Peace Officers Meeting and Rattlesnake Rodeo to honor Kent County Sheriff Raldo G. Goodall for services rendered to the Association and to the citizens in his community.

Headquarters for the Association, Clairemont, Texas, will be the scene of this year's events, the date being Thursday, May 13, 1982. Again this year, officers from every branch of law

enforcement, will gather to compete in target shooting and rattlesnake shooting for the first prize of a pair of shark-skin boots given by the Spur Security Bank and Hurst Department Store; second place prize will be a \$100.00 Bailey hat given by the Bailey Hat Company; third place prize will be a \$50.00 gift certificate given by Ridge Range Western Store in Lubbock.

As an added attraction this year, a horse shoe pitching contest has been added with trophies being awarded to the three top teams with a cash award

of \$50.00 going to the top team.

Registration will get underway at 9:00 a.m. with the other activities beginning at 10:00 a.m. At noon a barbeque lunch will be served with a drawing at 1:00 p.m. for prizes donated by area merchants with the top prize being a Remington Shotgun.

At 3:00 p.m., President, Cecil Fox, will close out the event with the awarding of the winner's awards.

Area Peace Officers and the guests are cordially invited to attend.

National Salvation Army Week is May 10-16

While our society most often measures success by material possessions, there is an increasing number of people in our society whose yardstick for success has become survival.

The people using this yardstick go far beyond those traditionally living on the fringes of society—such as drug addicts, sidewalk alcoholics, runaways, leftover flower children from the 60's etc. Until recently, many of those in this

new class of survivalists held jobs in the auto industry, housing, airlines, educational institutions and every other field that has been hurt by the economic wrecking ball. Or if it wasn't the economy that got them, it may have been a tornado, fire, flood, an act of crime, or perhaps the death of a family's breadwinner.

It's not a position any of us would envy, yet none of us is immune. We all

are vulnerable to being swept away by forces over which we have no control. When one becomes such a victim, he or she often has no choice but to turn to others for help.

The Salvation Army has been helping such powerless victims since 1865. While the charitable organization is most visible at Christmas, its work goes on quietly behind the scenes 365 days a year. It seems that people's needs know

no seasons.

The week of May 10-16 is National Salvation Army Week. The Army asks that you support them during this special week as they continue to practice their theme of "Heart to God, Hand to Man."

STORE CHANGES NAME—Shop Rite signs went up this week at the local Piggly Wiggly store as they changed names and will now be known as Shop Rite Foods.

Dear Sirs:

Our Old Timers-Get Together will be held again. This means every one, old or young, who ever lived around, or near, Cone, Starkey, McCoy, Farmer, Lakeview, Mt. Blanco — on and on, we could go, but most important is getting the word to all our friends and love ones, to meet us at Cone school house which is the Primitive Baptist foundation.

The date is May 29 & 30. Bring a basket lunch, spread it with us, and we will guarantee you'll never be the same. You will see old friends and new friends, and have something to talk about, for months to come.

Each time we all meet, we can't help wondering who will be the next ones to

be "Promoted To Glory." Many are absent, and are missed so very much each year.

May God Bless and keep us all.

Invitation to sign up for Old Settlers Day parade

The board of Directors of the Floyd County Old Settlers Association would like to invite all civic clubs, all church groups, all business' and all individuals to participate in the parade at 2:30 p.m. Saturday, May 22.

This is a county-wide affair and the directors encourage groups from Lockney and Floydada, and the clubs from all the communities to enter floats, vintage autos, horses and all other things that would relate to the past, to take part, to make the parade a success.

There are many relics of the past that would be interesting to the present generation, that could be portrayed in many different ways, and the particip-

pants would have fun working up these projects. Also all are invited to bring their flowers and compete for the prizes in the flower show. Riding clubs, car and implement dealers, can make the parade enjoyable especially for the youngsters.

We urge everyone to make this a day of success for all. And Old Settlers, please attend, as people come from long distances to be here and meet with old friends, so you may miss a chance to relive many happy occasions of the past with those whom you shared your early life. Let's all work together to make this day a success.

MRS. JAMES MARVIN LAIRD

Reeves, Laird repeat vows in Lockney

Peggy Jill Reeves of Abilene, daughter of Mr. and Mrs. Duard Reeves of Lockney and James Marvin Laird, son of Mr. and Mrs. Ira O. Laird, Sr. of Abilene exchanged vows at the First United Methodist Church of Lockney Saturday, May 8 at 3:00 p.m.

The Rev. Michael O'Connor, minister, performed the ceremony. The bride was given in marriage by her father, Duard Reeves.

A brass kneeling bench flanked by a seven branch candelabra tied with tropical foliage made the setting. Blue satin baskets of white gladiolas and yellow daisies accented with blue satin ribbon completed the nuptial area.

The bride wore a gown of Chantilly lace touched in pearls and satin ribbon on a high-rise see-through neckline. Deep ruffles in V-style made caplet sleeves, and lace gauntlets matched the gown. Deep lace ruffles formed the bouffant skirt and chapel train. A chantilly lace cap showered in pearls held the walking length veil, edged in lace.

The bridal bouquet was of silk nosegay design of white daisies and yellow roses, accented with blue cornflowers. The bouquet was showered with white gypsophila. Bridal satin tied in love knots completed the arrangement.

Joan Heine of Abilene was the maid of honor. Mrs. Willa Murdoch of Stamford and Mrs. Edith Cole, served their sister as bridesmaids. They wore floor length blue dresses with accented pleats. The attendants carried silk nosegays of yellow daisies and blue primroses accented with yellow satin ribbons.

David Davidson of Abilene attended his step-brother as best man. Dell Laird, also a brother, of Houston and David Hancock of Abilene were groomsmen. Ann McCormick of Lockney provided the organ music, and Susan Walker of Abilene, soloist, sang "The Wedding Song."

The bride chose a lace handkerchief belonging to her mother for the traditional something old, her wedding gown for something new, pearl earrings she borrowed from her sister, Willa Murdoch, and her garter for something blue. A penny was worn in her shoe for good luck.

Rusty and Dusty Davidson, twin step-brothers of the groom served as ushers.

RECEPTION

A reception immediately followed the ceremony in the fellowship hall of the church. Connie Sanders, Molly Huffman, and Dahlia Hight assisted at the reception table. Cathy Hill of Lockney and Penny Lockridge of Plainview served cake and punch.

The table was laid with a lace cloth over blue. The bride's bouquet centered on a five-branch silver candelabra graced the table. The attendant's bouquets encircled the centerpiece. Crystal appointments completed the serving area.

Rhene Middleton of Abilene registered the guests.

The couple planned a wedding trip to Corpus Christi. They will make their home in Abilene.

Friday evening the rehearsal dinner was hosted by the groom's parents at Strickland's Restaurant.

DONNA K. OWENS, MIKE L. NICHOLS

Owens, Nichols select June for wedding

Miss Donna K. Owens and Michael (Mike) L. Nichols have selected Saturday, June 5, as the date of their marriage. The couple will exchange vows at 2:00 p.m. at Hillcrest Church of Christ in Abilene, Texas.

Miss Owens is the daughter of Mervin and "Chic" Owens of Abilene. The future bride-groom is the son of Bill and Billie Nichols of Floydada.

The bride-elect is a 1977 graduate of Abilene High School. She is now

employed with the Abilene State School.

Nichols graduated from Floydada High School in 1976 and is now enrolled with Hardin-Simmons University in Abilene. He is in the Army Reserve Officer's Training Corps with HSU and plans to receive the grade of 2nd Lt. in December. Nichols is also with the Texas Army N.G. in Abilene.

The couple plan to make their home in Abilene.

Allen, Graham plan summer wedding

The Lone Star Extension Homemakers club was hostess to the county-wide club meeting, which was held in the council room of the agriculture building in Floydada Tuesday, May 4.

A salad luncheon was enjoyed at the noon hour. The tables were decorated with mounds of nylon net balls in spring colors that also served as plate favors. Door prizes were also drawn.

In the afternoon a most enjoyable program was presented by Candace Killer who showed slides of paintings by prominent artists. Candace is a professor of art at Wayland Baptist University

in Plainview.

Those present were Bess Carr and Anna Maude Hopper from Harmony Club; Inez Walker, Blanche Williams, Ruth Trapp, Muri Mayfield, Lela Mae Burns and Gladys Widener, Homebuilders. Those from Lone Star were Elvira Stewart, Maudie Lawson, Vera King, Lorraine Nance, Ruth Reeves and Helen Huffman. There were also several invited guests, besides club members. Marilyn Tate, county extension agent, was ill and unable to attend. Unable attend.

Mr. and Mrs. Lloyd E. Allen announce the engagement and approaching marriage of their daughter, Debra to Scott Graham, son of Mr. and Mrs. Sam Graham.

Debra is a 1981 graduate of Floydada

High School and Scott graduated from Floydada High School in 1980.

They will be married July 3 in the First Baptist Church of Floydada.

The couple plan to reside in Floydada, where they are both employed.

"Think Anew" El Progreso's motto

A delightful luncheon concluded the activities for the 1981-82 El Progreso Study Club year in the home of Alice Mitchell last Saturday. Bobbie Kellison voiced the invocation.

President, Dorothy Smith conducted the final business meeting. In closing the year she quoted a short prayer. "O Lord, let us be people after your own heart and forever melt in your transforming hands, in Jesus name." She reminded the members of the club motto for the year "Think Anew" and cited some of the accomplishments of the past year.

Hazel Johnson installed the new officers using the rainbow as a symbol of love, hope and a token of promise. Each officer was reminded of her duties, and her color of the rainbow and

the symbols of her office. New officers are Arla Copeland, president; La Verna Sams, vice-president; Pauline Sams, secretary; Cornelia Johnson, treasurer; Hazel Johnson, parliamentarian, and Linnie Abbott, reporter.

Josie Taylor distributed the books and explained the programs that had been selected for the new year. The course of study will be "Potpourri."

Members present were Wanda Rogers, a new member, Jeanette Marr, Katherine Ball, Bobbie Kellison, Cornelia Johnson, Linnie Abbott, La Verna Sams, Dimon Schacht, Arla Copeland, Faye Holmes, Dorothy Smith, Hazel Johnson, Pauline Sams, Kathleen Thornton, Josie Taylor, Alice Mitchell and Wilma Brown, a visitor.

Mrs. Joe Nance, mother of the bride-elect, the honoree, and Mrs. J.D. James, mother of the groom.

The receiving party wore corsages of yellow carnations.

Special guests were Mrs. Wiley D. Nance, Jr. of Lockney, Mrs. Tom Nance of Plainview, aunts of the bride-elect, and Deborah McCandless of Abilene and Susan Nance of Brownfield, cousins of the bride-elect.

The table was laid with a yellow tablecloth. A silver candelabra with yellow tapers among with white daisies was the highlight of the table. Yellow streamers bearing the couple's names flowed from the centerpiece. Assorted cookies, punch, nuts, and mints were served from crystal appointments.

Jody Nance, sister of the bride, assisted in the fit room.

The hostess gift was a mixer.

Hostesses were Mrs. Worthy Cantwell, Mrs. Pat Lane, Mrs. Mary Francis Busby, Mrs. Norma Webb, Mrs. Louise Stone, Mrs. Jean Hayes, Mrs. J.D. Ellis, Mrs. Jakey Pinkerton, Mrs. Van Miller, Mrs. Avis Johnson, Mrs. Troy Pritchard, Mrs. Johnnie Rogers, Mrs. Teeny Hayes, Mrs. Birdie Brunson, Mrs. Barbara McDonough, Mrs. Margaret Kay, Mrs. Jack Hayes, and Mrs. Maudine Miller.

Atha Blake to be honored with bridal shower Saturday, May 15th

BY MRS. MURRAY JULIAN
 Cool mornings and hot days are the rule here, with clouds forming every evening. A beautiful full moon shone Sunday night, looking for all the world like a bright pumpkin. We had over an inch of rain here Tuesday and Wednesday nights, and Tuesday's wind and some hail was perfectly dreadful while the storm was in progress, but luckily it did not stay with us that long. Several have reported many acres of hail which ruined their wheat. One of our farmers lost 150 acres in the storm. Farmers are planting cotton this week, getting ready to plant.
 Miss Atha Blake, bride-elect of Sheldon Sue of Floydada, will be honored this coming Saturday afternoon, May 15, in Floydada from 3-4 p.m. at a bridal shower in the home of Mrs. John Wilson at 901 Garrison Street. The young couple plan a July 31 wedding. Miss Blake formerly lived in South Plains, when her parents were at the South Plains Baptist Church.
 Mrs. Leighton Teeple in the north-

ern area of South Plains and Mrs. Fred Marble in the southern part of South Plains have been working for the Cancer Crusade, and if they come to your home, please give as much as you can for this worthy cause.
 Mrs. Keith Marble will be hostess at a meeting of the South Plains Hobby Club on Wednesday, May 12, at her home right off the Silverton Highway, south of South Plains. She will be serving at a luncheon party beginning at 11:00 o'clock. Each member is to bring a dish to serve at the luncheon. Mrs. Mamie Wood is to prepare the program for the day.
 Mother's Day services at the South Plains Church were well attended and the weather was favorable for friends and relatives to be together to pay tribute to their mothers. Rev. Cecil Osborne gave special emphasis on the family, and their love for one another in the home. For Mother's Day, corsages were presented to mothers in the church, one to the oldest mother present, one to the youngest mother, and

lastly a corsage for the mother with the most children. Those who were chosen to receive them were, Mrs. M.M. Julian (Bonnie) for the oldest mother, Mrs. Carlton Johnson (Dianne) for the youngest mother, and Mrs. Sterling Cummings (Glyenne Earle) for the most children. Prayer meeting has been changed to 7:00 o'clock on Wednesday night, and at 6:30 p.m. for Sunday evening services.
 Mr. and Mrs. E.J. Kinslow and Mrs. Kinslow's sister, Mrs. Eula Ellison of Petersburg all went to Lubbock Sunday and enjoyed lunch together. Then they went out to Woodrow, south of Lubbock and visited E.J.'s sister and Navolia's and Mrs. Ellison's sister, Mr. and Mrs. Grady Scott, during the afternoon.
 Mrs. Cecil Osborne (Joyce) is in Dallas at present visiting her daughter Mrs. Karen Mauney, and her mother Mrs. Corda Taylor of Muleshoe is with her. Rev. Osborne will join them on May 17th, for a week of vacation from the church.

Mrs. Frank McClure is home since Monday of the past week, having spent a week at the Lockney Hospital.
 Mrs. Mamie Wood left South Plains Friday, February 26, for Baton Rouge, Louisiana, where she has been working the past two months with People Plus, along with her daughter, Mrs. Juanell Teague of Lubbock. She returned Saturday, May 1.
 Mr. and Mrs. Carl Higginbotham of Chillicothe accompanied by Mrs. Louise Crump of St. Jo came Tuesday and spent the night here with Mrs. Ruby Higginbotham in South Plains. Wednesday morning they all went to Kermit and spent the night with Mr. and Mrs. Oscar Theison and then they visited with her mother, Mrs. Vivian Pierce who is in the Leisure Lodge Rest Home in Kermit. Friday evening, after spending two days there at Kermit, they visited Mr. and Mrs. Bill Higginbotham in Balmorhea, and Saturday morning the Bill Higginbothams and their two boys and guests all went to have breakfast at "Chicken Charlie's,"

a unique place at Balmorhea. All then came back to Kermit to see Mrs. Pierce again, and went to their respective homes Saturday night.
 Mrs. M.M. Julian left last Friday for Roscoe to visit her son and family over the weekend. She went through some very heavy rain from Ralls to the Caprock Community, and then struck bad rains on the other side of Post and through Snyder. There was no rain at all as she came to Hermleigh and Roscoe. Saturday was voting day, and it was nice to see her son Terry, win his seat for the County Judge of Nolan County. Sunday they all had dinner with the R.E. Althofs, and Monday night she got to hear the Easter Contata, which was given twice. It was "Joy Comes in the Morning" in which her children, Terry and Leona, took part. She came home Tuesday in time for the storm which hit South Plains with a fury that night.
 Visitors at the home of Mr. and Mrs. Frank McClure on Mother's Day were Mr. and Mrs. Bill Clark of Plainview, and cousins of McClures, Mr. and Mrs.

Dick Taylor of Quitaque, and Mr. and Mrs. Reatha Moss of Anson. Other Visitors were Mr. and Mrs. L.N. Johnson and Mrs. Ruby Higginbotham.

Whirlers to graduate

Members of the Floydada and Lockney Square Dance Clubs (Whirlers) will have their graduation service next Tuesday night. 30 enthusiastic students will have completed 18 lessons, and are now ready to enter the fun and enjoyment of the square dance world.
 The graduation exercise will be held at the Massie Activity Center in Floydada Tuesday, May 18, at 8:00 p.m. Dudley Barber has been the instructor and will be the caller that night.
 Visitors and spectators are welcome to attend.

We put the care in Health Care

The staff of Caprock Hospital Medical Services are proud to serve the people of Floyd County. Our goal is to provide the best of health care and we are striving to outfit the hospital with the necessary equipment. Please continue to support Caprock Hospital; it is a vital ingredient in the growth of the community. Feel free to visit and see for yourself the improvements that are being made. Thanks again for your support.

MR. BOB McCORMICK OF LOCKNEY pulled this 24 pound, 6 ounce striped from the deep, blue waters of Lake Amistad. Mr. McCormick was fishing the 85 mile long Lake Amistad, located just north of Del Rio on the border between Texas and Mexico. The dam at Amistad restrains more than 5 million acre feet of clear water from three famous and scenic rivers, the Rio Grande, the Pecos, and the Devil's River. This catch is among many good ones being reported this season at Lake Amistad.

May — American Bike Month

By Preston Sides
State Extension 4-H & Youth Specialist
American Bike Month—May— is a great opportunity for 4-H'ers to get their communities involved in bike safety.

With bicycling growing by leaps and bounds, bicycle safety programs are becoming more important. An estimated 105 million bicyclists travel our streets. This means nearly half of the U.S. population ride bikes for fun, fitness, energy conservation and transportation.

Bicyclists need to ride defensively to protect themselves in today's traffic. 4-H clubs can help educate communities in bicycle safety in a variety of ways.

Here are some things 4-H'ers can do regarding bicycle safety:

—Hold an auto-bike rodeo to promote safe driving, including competition in auto and bicycle skill-driving and testing participants on their knowledge of road safety.

—Hold a bicycle safety workshop covering the proper way to give hand signals, driving on the correct side of the highway, the correct way to cross an intersection, and bike maintenance. The workshop can include a bicycle skill-driving contest with bicycle reflecting flags, 4-H ribbons and trophies as prizes.

Other activities could include a special bike ride, a free bicycle safety inspection, a bike film viewing, or a

bike-a-thon to raise money for a charity. 4-H'ers might also work with community leaders to establish bicycle routes or remove traffic hazards.

Remember, the more community leaders that get involved, the greater the chance of reaching a wider audience.

The American Bike Month Committee offers materials to help promote American Bike Month. Write the American Bike Committee, 1101 Fifteenth

Street, N.W., Suite 304, Washington, D.C. 20005-5098 or call (202) 452-1166.

For more information about the 4-H Bicycle program contact your local county Extension office at 983-2806. Your local 4-H coordinator is Benny Butler.

Educational programs conducted by the Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion or national origin.

Library News

The following 16 mm films and filmstrips are available at the Floyd County Library through June 11.

"Learning without thought is labor lost; thought without learning is perilous" Confucius

The American Sportsman: Flight of the Double Eagle II. 28 min. Color. 1978. A.B.C. Learning Resources, Inc. JH-A

The story of the first transatlantic crossing of a hot air balloon in August 1783 is told in this report from ABC's The American Sportsman. The thrill and excitement of this historic flight is highlighted by beautiful photography and on board interviews with the balloonists.

Aucassin and Nicolette. 16 min.

Color. 1975. National Film Board of Canada. EI-A

A 13th century fable becomes a beautiful animated film in silhouettes about the young prince Aucassin who searches for and regains his love, Nicolette.

The Coral Reef. Communications Park Video. Color. 26 min. JH-SH

The film shows the development of a coral reef in the Atlantic Ocean off the coast of Florida and how it serves the inhabitants as both a hunting ground for food and a hiding place for protection from other inhabitants. Excellent underwater photography.

Curious George Rides A Bike. 10 min. Color. 1958. Weston Woods. Pre-EI

Presents another adventure of the

monkey that makes mischief a habit. Based on the children's book of the same title by H.A. Rey.

Desert Mariners. 7 min. Color. 1975. Ramsgate. EI-A

Shows the beauty of the desert and the speed and excitement of the recently revived sport of sand sailing. Non verbal.

Dragon Over The Hill. 8 min. Color. 1976. Paramount. All ages

Unusual animation using metal sculptures is the medium for telling a light-hearted story about two blacksmiths and their encounter with a fire-breathing dragon.

Giants Come In Different Sizes. Paramount. Color. 1971. 15 min. Pre-Lower EI

Dingleburg was a happy, sunny island kingdom which grew hamburgers, until a mean wizard cast a spell over the tiny island. Only with the help of three friendly giants can the spell be broken. Author-illustrator, "Jolly Roger" Bradfield narrates.

I Am A Guitar. 8 min. Color. 1972. International Film Bureau. SH-A

The craft of Ignacio Fletat Sons (the Stradivari of guitar makers) is explained as Liona Boyd, one of Canada's foremost guitarists, performs selections from Tarrega and Albeniz. The attention to detail and skilled workmanship of these artisans are highlighted.

Let No Man Regret. 11 min. Color. 1973. Higgins. EI-A

A reminder of responsibility to the environment that each of us has, especially when using our scenic resources. Pictures man's carelessness intruding on images of wildlife amid

peaceful forests, meadows, and streams.

Luke Was There. 32 min. Color. 1976. Learning Corp. of America. EI-A

After his mother is taken to the hospital, Julius is sent to a children's shelter in New York City. In it Julius is withdrawn until Luke, a perceptive counselor, wins him over. When Luke leaves for awhile Julius, feeling deserted again, runs away with his roommate Max. After several dramatic situations, Julius learns the meaning of trust and friendship from Luke. Scott Baio of **Happy Days** stars in this award winning film.

Master Kiteman. 12 min. Color. 1977. Barr Films. EI-SH

The kiteman uses his kite to approach the world on a very personal basis. As he files a variety of kites, he discusses his feelings and reveals how kites help him discover his inner self.

Money. 15 min. Color. Xerox Films. JH-SH

Nearly every day of our lives we spend some money. But have we ever wondered how money happened to be invented? This film highlights the history of money, from cows and elephants tails to credit cards and computers.

My Darling Clementine. 15 min. B&W. 1947. Films, Inc. JH-A

The legendary Wyatt Earp arrives in Tombstone, the town he will soon tame, and becomes acquainted with Clementine. Extracts from the feature film starring Henry Fonda as Wyatt Earp.

100 Watts, 120 Volts. 9 min. Color. No date. Pictura. All ages

This nonverbal film shows the various

processes a light bulb goes through to be made.

Palette Knife Painting. 29 min. Color. 1973. Mar/Chuck Films. JH-A

Beautifully contrived presentation of an artist painting with a palette knife. He gives step-by-step instruction on how to render a landscape from the preparation of the white ground to mixing the basic color wheel and filling the overlapping planes of depth. Good basic color wheel and filling the overlapping planes of depth. Good for the beginner or advanced painter, as well as the would-be painter.

Petey The Pelican. 10 min. Color. 1978. International Film Bureau. EI

Petey the talking pelican describes the life cycle of the pelican from birth to leaving the hatching grounds. During his narration he discusses hunting skills, scientific research and the eating habits of pelicans.

The Rocky Mountains. Barr Films. Color. 1980. 17 min. EI-JH

The Rocky Mountains are rich in vegetation and wildlife, supporting a variety of ecosystems that include river, meadow, forest, mountainside and high alpine regions. The film shows the beauty and variety of the plants and animals that thrive in this magnificent mountain chain.

Under The Covers. 12 min. Color. 1976. Pyramid Films. JH-A

One of today's art forms, quilting, is the topic of the film. The film surveys patterns and stitches, colors and shapes, and focuses on the historical importance and homespun vitality of American quilts. A toe-tappy banjo and guitar soundtrack accompanies the nar-

ration and adds to the authentic feeling.

Floydada Volunteer Fire Dept. receive checks

The Floydada Volunteer Fire Department received two checks for \$150.00 each recently from Texas Farm Bureau Insurance Companies as an expression of thanks for the Department's work on the property of Harold Bertrand and Darrell C. Mayo.

The money will be used to purchase equipment.

The Texas Farm Bureau Insurance Companies pay fire departments this

amount when the department works at a fire in rural areas, involving property insured by them.

The Insurance Company believes fire departments have contributed to reduce the amount of loss involved by fire and more importantly, to prevent fires. It is their hope this money will help the Floydada Volunteer Fire Department in their program.

Southwestern Public Service Company power lines meet the highest safety and service standards. When wind, weather, tree growth or other factors affect these lines, SPS crews correct the problem quickly. If you see a downed power line or other equipment that might cause an injury or service interruption, call your local SPS office. Your call could help prevent an accident or service outage.

Raymond Dement, Line Supervisor, Roswell.

Typically, heating and cooling account for more than 60% of your home's energy consumption. Selecting the correct size of air conditioning unit can help reduce this consumption. You also can conserve energy by placing outside air conditioning units away from shrubbery or other obstructions which could block the flow of outside air to the unit. When using an air conditioner, keep blinds or draperies closed against direct sunlight and keep all outside doors closed. Conservation efforts like these can help you "keep your cool" this summer.

Al Rettig, Senior Consumer Services Representative, Lubbock.

We at SPS applaud those customers who reduce their monthly electric bills by using electricity more efficiently. One such customer, Amarillo College, recently voted to remove 94 lighting fixtures from a classroom building. This action allowed the school to meet engineering standards for lighting levels, and is expected to save the college about \$5,628 a year in electricity costs.

John Marshall, Manager of Revenues, Amarillo.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.

CITY OF FLOYDADA HOUSING REHABILITATION PROGRAM

The City of Floydada will again be taking application for the Community Development Block Grant housing rehabilitation program on Friday May 7, 1982. Applications may be obtained at the Floydada City Office, 114 W. Virginia St., between 8:00 A.M. and 5:00 P.M. Monday through Friday.

Under the CDBG housing rehabilitation program, persons who meet specified income limits and own their homes may be eligible to receive grants to make needed repairs to their homes. Only persons living in the City's 1981 Target Area will be eligible for this assistance. A map of the Target Area in north Floydada is available for inspection by all interested persons at the Floydada City Hall. The Target Area is bounded on the south by Missouri Street, on the west by Third Street, on the north by Price Street and on the east by Twelfth Street.

The City of Floydada will provide all necessary assistance to interested persons in completing applications for the housing rehabilitation program. Smiths to present Kids Crusade

Pastor Jim Guess would like to welcome the entire community to join in a Kids Crusade at the First Assembly of God Church, 701 W. Missouri, beginning Sunday, May 23 at 6 p.m. and 7:30 p.m. nightly, May 24 through May 27.

Louis and Mary Smith have been involved in children's ministry since 1974. An ordained minister affiliated with the North Texas District of the Assemblies of God, Louis attended Southwestern Assemblies of God College in Waxahachie, Texas, where he earned a B.A. degree in Christian Ministry. His wife, Mary, has attended Panola College, Carthage, Texas, and East Texas Baptist College, Marshall, Texas.

Their ministry has taken them to crusades and camps in several districts. Prior to their role as children's evangelists, they served as children's ministers at First Assembly of God, Marshall, Texas.

Puppets play an important role in their ministry. They use several, each with a different personality, and each with a Christ-centered message to share. Some of the couple's puppet friends are Malcolm the Mouse, Elmer the Country Bumpkin, Dusty, and Sally Sue.

Ventriloquism is another part of the crusades. They employ three ventriloquist characters in their ministry to kids. Randy the Dummy, one of the leading characters in every crusade, shares in a lighthearted way in telling Bible stories and life application skits. Along with Randy, they use Orlando the Ostrich and Donald, a furry creature

who lives in a box.

They also use stories that share the Gospel in a way that relates to today's children. "Cartoon talks", magic, object lessons, songs, memory verses, and more are used to present the Good News to boys and girls. It's all evangelistic, Bible-based, and Christ-centered.

Moosbergs enjoy Mexico

BY JOYCE WILLIAMS

Mr. and Mrs. Carl Moosberg recently flew to Manzanillo, Mexico to check on the winter crop cotton tests for Gro Agri Seed company of Lubbock. They report the cotton was beginning to open and the company should receive the seed by late May for 1982 tests, made west of Lorenzo. The airport runway in Manzanillo, Mexico is parallel to the beach and the Pacific. Beautiful hibiscus and bouganvillea were blooming. The temperature in the test fields at Colina, about 55 miles inland, was 120 degrees. Manzanilla is a resort town with an ideal 79 degree temperature the year round. The Moosbergs saw several large ships in the port. It was all very easy to see as the wharf is alongside the main street. Workers were loading cotton bales from early cotton already harvested. Here in Lakeview, cotton farmers are just this week starting to plant our area's 1982 cotton crop.

Mr. and Mrs. Don Harrison were Sunday dinner guests Mother's Day of Mr. and Mrs. Max Harrison and daughters, Tracy and Debby, at King's Restaurant. Debby is home for the summer from her studies at South Plains College.

Mr. and Mrs. Howard Bishop worked cattle at their Roaring Springs Ranch Saturday. They and their neighbors traded work with Bob Cooper, who worked his cattle that morning. All enjoyed a bountiful dinner outdoors beneath the beautiful pecan trees on the Bishop's place. Those present included Bob and Robert Cooper, Johnny Moss,

Mr. and Mrs. Dee Adams, Mr. and Mrs. Norman Muncy, Mr. and Mrs. Pete Calloway, Mrs. Donie Hensen, Mr. Holt Bishop, Greg and Mike Bishop.

Mr. and Mrs. Jimmy McLaughlin took Marlis and Penny Bearden to Roaring Springs Sunday, Saturday, Marlis and the Floydada Junior High Band won first place as Outstanding Band in the contest at Petersburg.

Miss Jody Smith attended the final 4-H meeting of the year Monday evening.

Mrs. Jan Nichols was hostess to her sorority Wednesday night. The Alpha Sigma Upsilon entertained Saturday with a luncheon in the community room at the First National Bank in Floydada. Guests of honor were the member's mothers and mothers-in-law. Mrs. Jimmy McLaughlin also attended the meeting and luncheon.

Mr. and Mrs. Mike Bishop hosted a Mother's Day dinner in their home Sunday honoring Mrs. Howard Bishop, Howard and Greg.

Judge and Mrs. Choise Smith visited Choise's parents, Mr. and Mrs. Flukie Smith in Lubbock Saturday evening for a Mother's Day Eve greeting.

Mrs. Roy Fawver and her daughter and her husband, Mr. and Mrs. L.D. Golightly, were in Clovis, New Mexico for Mother's Day weekend with Mrs. Linda Hall and family. Mrs. Fawver is not feeling well this week.

On Tuesday, Mona and Jean Dunn and Weldon and Sandy Jones of Hagerman, New Mexico ate supper with Mr. and Mrs. Don Harrison, Mr. and Mrs. Max Harrison and Tracy were also guests.

A&M Research Center names resident director

A scientist who has coordinated nationwide tree nut research programs for the U.S. Department of Agriculture and given leadership to pecan research in El Paso has been named resident director of research at the Texas A&M University Agricultural Research and Extension Center at El Paso.

He is Howard L. Malstrom, who has served as acting director of the A&M Center since August of 1981.

Malstrom married the former Claudine Goen, daughter of Mrs. M.P. Goen of Floydada. They lived in Floydada in 1965, while he worked at High Plains Research Foundation in Plainview.

"The center at El Paso is there to serve the broad needs of the agricul-

tural and urban communities," Malstrom said. "We look forward to working with the leadership in the West Texas area to assist in the development of this dynamic region of Texas."

The new resident director holds a bachelor's degree in agriculture from the University of Illinois, a master's in horticulture and a doctorate in plant physiology from the University of California at Davis.

our best wishes to you

Floydada Nursing Home Happenings

BY LINDA EMERT

May 5, 1982:

The weather has been cold and hot. I hope we get some rain before too long. The crops are going down fast.

We have two new residents. They are Jeffie Smith and Noah Crowley. Jeffie is in 4 West and Noah is in 3 West. If you know these two lovely people please come by and visit them. They would enjoy you.

We lost our own Mr. A.G. Eubanks last week. Our Juanita Bailey is still in the hospital. Hope she gets well soon.

Monday the residents had Musical Therapy. Tuesdays we have Bible Study.

Wednesday we played bingo. Mrs. Roberts won 1, Mrs. Duke won 1, Mrs. McMahan won 1, Mrs. Thompson won 1, Mr. Lawrence won 1, and Mr. Campbell won 5. Mr. Campbell was our big winner for bingo.

Thursday the residents made some pictures to hang on their walls.

Friday we had two movies and some popcorn.

Visitors for the week were: James and Joyce Crowley, Evelyn Crull, Charley L. Berry Sr., Newell and Fara Burk, Vada Harris, Mr. and Mrs. P.L. Hart, Burmah Probasco, Dixie and Zacha Harris, Gene Baird, Hazel Bradley and Kim, Dola Lackey, Wayland and Debbie Richardson and Holly, Heather and Misty.

May 11, 1982:

The weather has been cold, warm, and hot. The rains were real nice. Some of the farmers got enough rain so they can plant, and some need a little more to plant on.

Well, on Monday the Sunshine Sunday School class of the First Baptist Church brought bananas and cookies to the residents. They all enjoyed them very much. We want to thank that class very much.

Tuesday we had eight residents for Bible study and after that Kim came from Plainview for musical therapy. The residents enjoy the music.

Wednesday we played bingo. The residents enjoy games very much. Vera Duke won one game, Fay McMahan won two games, Emmitt Lawrence won four games, Geneda Roberts won one game, Sue Thompson won one game, Una Clark won two games, W.C. Cates won two games, and Richard Campbell won one game.

Thursday some of the volunteers came and helped the residents do some pictures with gold tooling paper. They seem to enjoy these kinds of crafts. Friday we had two picture shows and some popcorn.

We have a new resident that came in Monday. Her name is Norma Webster. She is in room Five North. If you know her please come by and visit with her. She would enjoy your company.

We lost one of our own residents, Mr. Harvey Lee. He passed away Wednesday morning.

Our residents enjoy all of the visitors that come by. Visiting this week were: Ethel Cross, Helen Breed, Marilyn Smith, Otis and Dana Ellis, Christine Robertson, Estelle Hinkle, May Smith, Jack Rosson, Otis, Dana, Kim and Jo Lee Ellis, Brady and Todd Anderson, St. Mary Magdalen 5th grade religion class with Irma Garcia and Sophie Garza, teachers: Mr. and Mrs. M.H. Hartness, and Babe Dillard.

Also Sherry Colston, Jerry Ferguson, Bernice Martin, Otis, Dana, Kim and Jo Lee Ellis, James and Joyce Crowley, Charley L. Berry, Sr., Corene and Murry Stewart, Bari Crull, Evelyn and Jack Crull, Charley L. Berry Sr., Myria Dade, Laure Dade, Artie Muncy, Frances Badgett, Babe Dillard, Hazel Bradley and Kim and Frank and Helen Breed.

Old Settlers' Day - May 22!

Official Memorandum
By
WILLIAM P. CLEMENTS, JR.
Governor of Texas

GREETINGS: AUSTIN, TEXAS

Life, health and well-being are of the utmost importance to all people. Hospitals throughout Texas deliver not only necessary and oftentimes critical care to hundreds of thousands of sick and injured Texans each year; these hospitals, staffed by many highly skilled and dedicated health care professionals, also play an important role in educating Texans in living healthier lifestyles.

Additionally, hospital governing boards provide leadership and direction for the delivery of health care in their communities and hospital trustees, auxiliary members and volunteers contribute many thousands of hours in helping their fellow Texans.

Apart from and through the Texas Hospital Association, hospitals have effectively promoted the health and welfare of the people of our State. Texans truly have a "friend in the hospital."

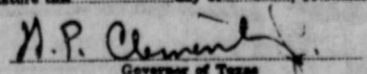

It is fitting to salute the health care system in Texas for its contributions to the public welfare, for high standards of care and for educational and research programs that each year raise those standards to higher levels.

THEREFORE, I, as Governor of Texas, do hereby designate the period of May 9-15, 1982, as

TEXAS HOSPITAL WEEK

In recognition of Texas Hospitals, their trustees, volunteers, employees and medical staffs; and the Texas Hospital Association membership for their efforts in providing and promoting better health care for all Texans.

In official recognition whereof, I hereby affix my signature this 8th day of April, 1982.

Governor of Texas

NOTICE OF HEARING

TO I.G. SOLOMON, H.H. HINES, and O.W. KEETER, if living, and if any or all of the foregoing named individuals be dead, then the heirs, unknown heirs and legal representatives of each or all of the aforesaid named persons who may be dead; and the unknown heirs of the unknown heirs of the aforesaid named persons; and the unknown owner or owners of the hereinafter affected property; and any and all other persons, including adverse claimants, owning or having or claiming any legal or equitable interest in or lien upon the property the subject of the condemnation proceeding hereinafter described; and the executors, administrators, guardians, legatees and devisees of the aforesaid named persons, and all unknown persons, owning, having or claiming any interest or lien in the property the subject of the condemnation proceeding hereinafter described, their heirs, unknown heirs, assigns and legal representatives, all of whom are referred to herein collectively as "Defendants".

On the 26 day of April, 1982, the City of Lockney, Texas, filed with the judge of the above-designated court a condemnation petition with regard to real property therein described. The petition is set forth as follows:

NO. 6734
CONDEMNATION PROCEEDINGS FILED
THE CITY OF LOCKNEY
VS.
WITH THE JUDGE OF THE DISTRICT COURT OF
I.G. SOLOMON, H.H. HINES
and O.W. KEETER, ET AL
FLOYD COUNTY, TEXAS

STATEMENT OR PETITION FOR CONDEMNATION TO THE HONORABLE JUDGE OF SAID COURT:

Now comes the CITY OF LOCKNEY, a city having right of eminent domain, herein called Plaintiff complaining of the Defendants hereinafter named and for cause of action would respectfully show the Court as follows:

I.
Plaintiff is a municipal corporation, a city, located in Floyd County, Texas. The Defendants are I.G. SOLOMON, H.H. HINES, and O.W. KEETER, if living, and if any or all of the above named Defendants be dead, then the heirs, unknown heirs and legal representatives of each or all of said above named persons who may be dead; and the unknown heirs of the unknown heirs of said above named persons; and the unknown owner or owners of the hereinafter described property; and any and all other persons, including adverse claimants, owning or having or claiming any legal or equitable interest in or lien upon the property hereinafter described; and the executors, administrators, guardians, legatees and devisees of the above named persons, and all unknown persons, owning, having or claiming any interest or lien in the property hereinafter described, their heirs, unknown heirs, assigns and legal representatives, all of whom are referred to herein collectively as "Defendants".

II.
The respective addresses of the Defendants are unknown to Plaintiff.

III.
Under Revised Civil Statutes, Article 1109b, Plaintiff is authorized to exercise the power of eminent domain to acquire private property for the construction and maintenance of streets, water lines, sewer lines and utility lines and for any other municipal purpose that may be deemed advisable. The City Council of the City of Lockney, Texas, by resolution, has heretofore found and determined the necessity for and ordered the acquisition of the fee simple title by Plaintiff of the following described lot, tract or parcel of land lying and being situated in the City of Lockney, County of Floyd, State of Texas, to-wit:

The North 9.55 feet of Lot 16, Block 6, Moore Addition, City of Lockney, Floyd County, Texas, described by metes and bounds as follows:

BEGINNING at a 3/8" rod in the East line of E. Fifth Street;
THENCE North, 9.55 feet to a 3/8" rod;
THENCE East 145.0 feet to a 3/8" rod in the West line of an alley;
THENCE South 9.55 feet to a 3/8" rod;
THENCE West 145.0 feet to the point of beginning and containing 0.032 acres, more or less.

IV
The Defendants own the above described property.

V.
The Plaintiff has been unable to agree with the owners upon the value of the land or the damages.

VI.
The purpose for which the land sought to be condemned is intended to be used is for street paving, installation of sewer lines, water lines and maintenance thereof.

VII.
Plaintiff is entitled to condemn the fee title in the above described land for purposes aforesaid and asks that the same be condemned for such purposes aforesaid. Petitioner says that the Court should appoint special commissioners as provided by law to assess the damages of the owner.

VIII.
All conditions precedent to the institution of these proceedings have occurred or been performed.

PRAYER

WHEREFORE, Plaintiff respectfully prays that three disinterested freeholders be appointed as special commissioners to assess the damages of the owner and file their decision all as provided by law, to the end that Plaintiff may have a final judgment or decree of condemnation vesting in it the fee simple title to said land, and for such other relief to which it may be entitled.

Polanco places first on area 1 essay contest

Lillian Polanco, daughter of Mr. and Mrs. Jose Polanco, accepted a plaque for being named the first place essay winner in area 1. She accepted the award Friday night at West Texas State University in Canyon.

More than 200 persons attended the Awards Banquet to honor winners in several different categories. The awards program covers 51 Panhandle and South Plains counties. The purpose of the awards program is to acknowledge, recognize and honor individuals who have dedicated themselves to the conservation and wise use of renewable natural resources on their land.

Attending the banquet were directors of the Floyd County Soil and Water Conservation District and their wives, Mr. and Mrs. G.L. Fawver, Mr. and Mrs. Leslie Nixon, and Mr. and Mrs. Herman R. King. Attending also were Mr. and Mrs. Fred Cardinal, Miss Norma Castillo and Jon J. LaBaume and Paul Burnham with the Soil Conservation Service.

Categories in which awards were given included Outstanding Conservation Farmer, Outstanding Conservation District, Absentee Conservation Farmer, Business/Professional Man, Conservation Homemaker, Poster Winner, Wildlife Conservationist and Public Media Award.

BY LILLIAN POLLANCO

Characteristic of a prosperous society is a permanent agriculture, founded upon rich soil and water resources. Flourishing societies are possible only in nations which are able to produce a plentiful supply of food. Due to America's vast expanse of good land and ample water supply, America is such a nation. We have water and soil resources but in the light of technological advances and population growth, resource problems have become visible. In order to combat these problems, local

Soil Conservation Districts were organized.

These districts have the responsibility of local soil and water conservation in the land. Governed by local landowners, the organization plans programs, obtains information and procures services.

Another organization which aids in the process of conservation is the Soil Conservation Service. This group provides technical advice, exhibits, films and publications. They also make surveys to obtain scientific information on land use and treatment, as well as assisting the farmer or rancher with an economically sound farm or ranch plan for his land.

These programs plus countless of others can help to repeal the problems facing our land. Problems such as water and wind erosion can be overcome. Conservation treatments for croplands have helped in this conquest. Terraces for example help to prevent erosion while conserving moisture as well. To conserve water, installing underground irrigation pipelines, planned irrigation systems and proper use of water is advised. The conservation treatment needed by a given unit of land is determined by its use whether cropland, recreation land or building site and soil characteristics. Upon gathering all information needed, the conservationists and landuser decide what practices are best for the land.

With these problems it becomes more imperative that we put forth our best effort to improve and conserve all resources available to us. Every citizen can improve the environment by becoming a conservationist.

With everyone working together, each citizen can determine the solutions to conservation problems. A country's most valuable asset is its natural resources. It is up to each citizen to preserve and wisely use this asset.

Marquis excepts assistant band director position

Billy Marquis, a 1977 Floydada High School graduate, will be the new assistant band director in Floydada next year. Billy is the son of Mr. and Mrs. Billy F. Marquis Sr. of Floydada.

Marquis graduated from Texas Tech in May of 1981 with a Bachelor of Music Education Degree. He is teaching band in Morton this year. Billy plays the trumpet and his wife, Yvonne, plays the clarinet. She is also a graduate of Texas Tech majoring in music. They have one son, Timothy, who is 9 months old.

While at Tech, Billy participated in

Students' Reception held

Approximately 200 guests attended the Honor Students' Reception at the Gerald Lackey Community Room at Lighthouse Electric Monday night. Jerry Cannon, Superintendent of Public Schools and Chairman of the Education Committee of the Chamber of Commerce gave a short address stating the pride held for the students who had achieved this level of excellence.

Sixty-four students in the school system had been invited to the reception because of their straight A's this academic school year. Mr. Cannon

stated that so often athletic and music achievements are recognized but not so for academics, and it was the desire of the Education Committee to recognize those students.

Certificates of Recognition were handed out to each honored student.

President of the School Board, Harvey Allen, and board members Don Hardy and Martha Farris and school principals, Charles Tyer, Bob Copeland, and Jimmy Collins were also in attendance.

The Women's Division of the Cham-

ber of Commerce provided the refreshments.

Those recognized from Floydada High School and Junior High were: Tammy Boothe, David Carr, Nina Campbell, Christi Norrell, Martin Eastham, Kelli Ferguson, Carlos Rainwater, Yrene Alvarez, Brenda Hicks, Norman Allen, Ricky Benjamin and Tommy Cathey.

Students recognized from Andrews Ward were: Gracie Mercado, Amy McCormick, Delinda Jackson, Kim Perry, Travis Bishop, Tiffany Gentry, Kristy Dawdy, Sharon Smith, Anissa Crabtree, Amy Burns, Julie Smith, Jamie Morrison, Joey Thayer, Andrea Bonner, Ludustria Leatherman, Jill Smith and Angie Bertrand.

And the students recognized from Duncan Elementary are: Rhealene Brown, Amanda Bailey, Morris Scott Crader, Stacy Ferguson, Andres Cranford, Michael Gilliland, Rance Golightly, Victor Mendoza, Brandon Baxter, April Beaty, Wendy Forbes, Annett Garcia, Susana Segura, Elisa Suarez, Tian Younger, Amanda Watson, Jason Bailey, Cory Peel, Dedra Hardy, Jennifer Crow, Shonda Guthrie, Amy Ogle, Nathan Whittle, Alan Livingston, Christy Benjamin, Stacy Dawdy, Bertha Hernandez, Katharine Davis, Rhoda Hernandez, Amy Hinsley, Troy Peel, Alicia Vargas, Fidencio Reyes, Ryan Burns, and Angie Glasscock.

Hatley hosts Sandhill Hobby Club meeting

The Sandhill Hobby Club met May 6 in the home of Mrs. R.B. Hatley. Nine members and one guest answered roll call.

President Mrs. Glenna Miller had charge of the business meeting. Games were then conducted by Mrs. Billie Hanna.

Mrs. Ruth Trapp presented an inter-

esting program on "Flowers of Texas". She distributed folders on Texas flowers. She also demonstrated butterfly shoulders pins, while each member made one with Mrs. Trapp's assistance.

The hostess served delicious refreshments.

Each member took a flower plant to exchange with one another. Following the meeting each member selected a plant.

Those present were Neva Smith, Libby Becker, Maragarette Jackson, Sarah Hunter, Ruth Trapp, Billie Hanna, Glenna Miller, Mary Lou Bullock, hostess Nora Hatley and a guest Mrs. Robbie Hatley.

Newberrys travel to Midland

Mr. and Mrs. W.O. Newberry spent Mother's Day weekend in Midland with their daughter Deanne Jones and her family.

Their granddaughter RexAnne Dice and husband Ken were in the process of moving to Midland where Ken will begin work with Texas Electric. Both Ken and RexAnne are graduating from Texas Tech May 15; Ken receiving a degree in Electrical Engineer Technology and RexAnne a degree in Business Management. RexAnne was a 1980 graduate from Coronado High School in Lubbock.

The Jones' son, Von, will graduate from Midland High School, May 28 and plans to attend Rice University in the fall.

The group was joined by the Newberry's son Dale and his family from Lamesa for Mother's Day dinner.

Janie Klein to graduate from Wayland in May

Janie Klein of Lockney will be among the 200 candidates for degrees this spring at the Wayland Baptist University.

Klein will be awarded the bachelor of arts degree in elementary education. Wayland's 72nd Spring Commencement will be held in the Herral Memorial Auditorium on the campus Saturday, May 15 at 10:00 a.m.

This year's ceremony is a historical occasion since the Class of 1982 is the first to graduate from Wayland since it assumed university status.

The four-year, coeducational institution of arts and sciences is in its 73rd year of operation.

Degrees for December and May graduates will officially be conferred upon those persons during Saturday's ceremonies. Candidates for August graduation will receive their diplomas upon completion of their course of study, although they will also participate in spring commencement.

Presentation of candidates for degrees will be made by Dr. Dan McLallen, academic vice president, with Dr. David L. Jester, president of the University, conferring the degrees and delivering the charge to the graduates.

The Wayland Board of Trustees will be represented by James Mims of Midland, who will bring congratulations to the class from the Board.

Of the 181 candidates for May and August graduation, 93 are scheduled to receive the bachelor of science in occupational education degree, 41 will receive the bachelor of arts degree, 39 will be awarded the bachelor of science degree, and eight will receive the bachelor of music degree.

The Wayland International Choir, directed by Duane Harris, will perform immediately prior to the commencement address.

Thompson initiated into honor society

Melinda J. Thompson is among more than 240 Texas Tech University juniors, seniors, law and graduate students ranking academically in the top 10 percent of their classes who has been installed into the university's chapter of Phi Kappa Phi honor society.

New initiates were installed during the Texas Tech chapter banquet April 13.

Phi Kappa Phi recognizes outstanding scholars in all academic disciplines and limits membership to those ranked in the top 10 percent academically.

Melinda is a graduate student of family relations. She is the daughter of Mr. and Mrs. Chuck Wilson, of Route 1, Lockney.

Baxter graduates from Abilene University

Lisa Michelle Baxter, daughter of Mr. and Mrs. Robert Baxter of Lubbock and granddaughter of Mr. and Mrs. Clyde Baxter of Lockney, graduated in the spring commencement exercises Sunday afternoon, May 2, of the Abilene Christian University.

The service was held in the Moody Coliseum Auditorium in Abilene. Lisa received a bachelor of science in education degree.

The grandparents attended the festivities.

DEON ZUMWALT placed 2nd in the Headline Writing division at the Regional UIL Journalism competition at Texas Tech. This enabled her to compete at the state level which was held at the University of Texas in Austin.

Oil painting of the C.W. Smith home donated to museum

BY ALMA N. HOLMES

Carl Smith, Jr., an established artist of the Southwest, has donated a painting of "The Big House" to the Floyd County Historical Museum, to be unveiled on Saturday, May 22. The public is cordially invited to come by the museum any time Saturday.

Carl Jr. lived in this house as a boy. He is the son of the late Carl W. Smith, who at one time was the youngest postmaster in the state of Texas, acting as postmaster for Mickey, Texas, better known nowadays as the Sand Hill Community.

This house was located three miles north and west of the Sand Hill school. It sat on top of a hill, overlooking the running water draw. It was built in 1907 by Carl Jr.'s grandfather, Charlie Walker Smith, who was a pioneer Church of Christ preacher in Floyd County. The actual builders or carpenters were Uncle Zeph Mickey and a Mr. Wadell. Mr. Wadell also fixed windmills.

I too lived in this house as a child, being the youngest daughter of Charlie Walker Smith. This beautiful painting that Carl Jr. has painted brings back many happy memories for me. We kids always called it, "The Big House" as did most of our neighbors. I believe.

This eleven-room house had a small back porch and a long verandah that stretched almost all the way around the house. This covered porch was the perfect place for children to run and play on a rainy day. It was a nice cool place to sit in the late afternoon and gaze at the magnificent scene of the running water draw and the endless pastures that spread beyond. In summer the verandah was the place where my papa sat, at the end of the day, to read his Bible and to tell us children stories of his boyhood.

The "Big House" had several brick chimneys, not fireplace chimneys mind you, but the kind you stick a stove pipe into to carry off the smoke. These pipes were hooked to a pot-bellied stove that would guarantee you'd burn up in front and freeze to death in the back.

Woe to the child who forgot to do his chores for the day, to bring in a bucket of coal and enough kindling to start the morning fire.

Upstairs there were three dormer windows, a great place for little girls to make a house for paper dolls, cut from an old Sears catalogue. Something else I remember about these upstairs were the long dark closets, just under the eaves of the house. You could not stand up in them, but you could crawl. They made a wonderful place to play "Hide and Seek," and even better yet: for hiding gift packages until Christmas day.

Just off the kitchen was a room called the pantry. On one side it had shelves, on the other a wooden milk trough, through which ran fresh windmill water day and night. That was our refrigerator, and it kept our milk and butter cool. Nothing, absolutely nothing, is

better or more refreshing than a drink of fresh-pumped windmill water.

Something else we had that might have been a little out of the ordinary during that day and time, was a bathroom. It, of all things, was off the back porch, and you had to go outside to get to it. There was no comode, no sink, nor anything like that, but it did boast a tub, a huge tin bathtub set up on legs with claw feet. I'm sure we carried all the water, both cold and hot, to the tub, but all we had to do to let it out was pull the plug, and it watered the flowers in our back yard. That tin tub didn't last too awful long though, because it was all rusted out and had to be removed in a few years.

The well-known poem:

"This old house was full of laughter,
This old house has known much pain..."

could be true of "The Big House." My brother Milton Smith, of Mountainair, New Mexico, was born in this house. My Grandfather Mickey and my dear mother died here.

Milton and his wife Bertha lived in this house during the 1930's. In the early 1940's this house was torn down and rebuilt into a modern bungalow-type home for his family by Carl W. Smith. This house now belongs to the Elliotts.

THIS OIL PAINTING OF THE C.W. SMITH home was done as a memorial to his parents by Carl J. Smith. It was given to the Floyd County Museum to be part of their permanent art collection. Presenting the painting is Wendall Clark, Amarillo, from Sagebrush Galleries who is Smith's agent. Clark did the framing and hung the

painting in the museum. Accepting the art work is Frances Stanforth, Floyd County Museum Director. The presentation was made Saturday, and the painting is now on display.

Carl Smith translates early west to canvas

"The West is like a sweetheart: you may lose her but you will not forget her." This haunting pastel cameo of the West also describes the emotional impact and heart beat of Smith. Once you have seen his paintings you cannot forget them and if you accept his misty or dusty romantic color fragments of the Settlement Southwest as valid, you are in his debt forever.

Born in 1928, one of ten children of a pioneer family in the Texas Panhandle, Carl J. Smith was raised in the harsh dust bowl days of the '30's when only the strong of spirit stayed on. His parents and grandparents, like the other hardy folk who settled the plains, passed on to their children a faith to live by, the self discipline and courage of creativity, and the empathy for their fellow man that Carl J. Smith translates onto canvas with a feeling that has already established him as a leading folk artist of the Southwest.

Personal modesty, a warm friendly spirit, and dedication to his work have combined with natural talent to make

his works a treasured part in the art collections of the King Ranch, Arthur Godfrey, Bud Wilkinson, Lyndon B. Johnson, John Connally and many other public and private collections.

Except for a tour of duty with the U.S. Army in Europe, Carl J. Smith has spent his entire adult life teaching art and portraying this heritage. The demand for his work is such that only a few galleries receive his current works for presentation. We are proud to be among them.

The paintings of Carl J. Smith are Americana at its best, and many authorities on Western Art feel that his will be one of the major contributions of the Twentieth Century in portraying the heart and soul of pioneer America. He obtained his BA in art education at West Texas State University, worked on his master's degree at Eastern New Mexico University and taught art for a decade before retiring from the teaching profession to devote full time to his first love — painting the heritage of the plains.

County residents to participate in Wayland's Commencement exercises

Three students from the Floydada area will participate in Spring Commencement exercises this week at Wayland Baptist University, Plainview.

Scheduled to receive the bachelor of science degree are Leslie Soto of Floydada, in physical education, and Atha Eloise Blake of South Plains, a

business administration. One other Floydada native, Roxanne Marie Ford, will be awarded a one-year certificate in word processing.

Wayland's 72nd Spring Commencement will be held in Plainview Saturday, May 15, beginning at 10 a.m. in Herral Memorial Auditorium.

Degrees for December and May graduates will officially be conferred upon those persons during Saturday's ceremonies. Candidates for August graduation will receive their diplomas upon completion of their course of study, although they will also participate in spring commencement.

Wayland Baptist University is a four-year, coeducational institution of arts and sciences presently in its 73rd year of operation.

Robbie Biggerstaff to receive Masters Degree

Robbie N. Biggerstaff will be among 450 graduates to receive degrees and diplomas May 14 at Southwestern Baptist Theological Seminary in Fort Worth.

President Russell H. Dilday Jr. will confer degrees on the largest spring

graduating class in seminary history. Robbie, a native of Tahoka, taught school in Lockney for six years and will be receiving her Masters Degree in Religious Education.

She is the sister of Mrs. Don Wilson of Floydada.

Southwestern Seminary is the largest of six such institutions owned and operated by the Southern Baptist Convention. More than 40,000 students have been enrolled during the institution's 74-year history.

Fight the Biotype E greenbug problem with new resistance from Funk's G.

Put up a strong defense against Biotype E greenbugs this year. Plant Funk's new hybrids with greenbug resistance expanded to include Biotype E as well as C and D. You'll be striking back hard against greenbugs while securing consistent yields. These new hybrids offer the same high-performance you've come to expect from Funk. And all are available as HERBISHIELD® or regular seed.

G-1460 medium-early maturity, has white grain, a semi-compact head and moderate resistance to head smut and maize dwarf mosaic virus (MDMV). Just right for late planting and shorter-season areas.

G-1560 is a white-grain hybrid with medium maturity and moderate resistance to head smut and maize dwarf mosaic virus (MDMV). Very good yielder.

G-1561 is a red-grained hybrid with medium maturity and moderate resistance to head smut and maize dwarf mosaic virus (MDMV).

G-1562 is a white-grained hybrid with medium maturity and moderate resistance to head smut and maize dwarf mosaic virus (MDMV).

G-1660 maturing medium-late, has excellent standability. It has moderate tolerance to head smut and maize dwarf mosaic virus (MDMV).

Seniors feted with dinners

Several churches have honored members of the graduation class of 1982 recently with dinners.

Monday night they were hosted by the Main Street Church of Christ at a Baked Potato Supper. Favors were Ziggy bookmarks. Jerry Klein addressed the graduates.

Graduating eighth graders were also honored with a Baked Potato Supper Tuesday night.

The seniors took in an annual Mexican dinner at the San Jose Catholic Church. The meal of enchiladas, beans, rice, and tossed salad was prepared by the women of the parish. A poster

showing a graduate on a ladder helped to illustrate the theme "You've Made It To The Top."

Youth workers of the church, Mark and Patty Standish, gave the welcome. Also attending was Deacon Joe Garcia.

A meal of smoked and barbecue brisket, stuffed potatoes, pinto beans, green salad, and strawberry dessert was served at a twilight buffet dinner by the First Baptist Church. The theme of the dinner was "Care for your Tomorrows."

The new garden room served as the setting for the occasion. Tables laid with yellow or green were centered with yellow candles in brass candlesticks.

Favors were calligraphy mottos with messages bearing out the theme.

The WMU, BYW and members of the Youth Committee teamed up to provide the dinner. The church's high school department youth served the meal.

Special guests were church pastor Murle Rogers and his wife, Supt. W.H. and Mrs. Hallmark, Principal James and Mrs. Poole, Mrs. Keltz, and class sponsors, Mr. and Mrs. Mark Montandon and Mr. and Mrs. Robert Murdock.

June Ware installed in Alpha Chi Honor Society

June Ross Ware of Floydada has been installed as a member of the Texas Alpha Eta chapter of Alpha Chi National Honor Society at Wayland Baptist University, Plainview.

A graduate of Flomot High School, Mrs. Ware is a junior majoring in history and English and is pursuing teacher certification in secondary edu-

cation. She is also a member of the Zeta Psi chapter of Phi Alpha Theta, national honor society in history.

Membership in Alpha Chi is based on academic achievement, and juniors and seniors whose overall grade point average places them in the upper 10 percent of their class are eligible for consideration.

SWARMING TERMITES ABOUND IN SPRING

Spring is the time for termites to swarm.

Perhaps nothing is more alarming than for homeowners to suddenly find hundreds or thousands of small winged insects flying around outdoors, particularly around night lights. What is worse is to find these termite swarms indoors, almost always indicating an infestation somewhere in the house. Swarming is a naturally occurring

phenomena for termites; it's the way well-established colonies extend and perpetuate their own kind. Termites swarm outdoors regularly in the spring, with swarms coming from dead trees, fallen logs, fences and outbuildings.

When swarms are found indoors, homeowners should take a calm reasonable approach to solving the problem.

First, make sure the winged insects are termites, since ants commonly swarm at about the same time. These drawings will help you tell the two pests apart.

After making sure you have termites, call a professional, and commercial pest control operator who offers a termite control service. In fact, contact two or three such companies and ask for an inspection of your premises.

Before signing a service contract, be sure you understand the terms of a termite control job. Always ask for a written or graphic description of where infestations were found and what will be done to solve the problem. This way you will be sure of getting your money's worth.

Landscape & Gardening

BY BENNY J. BUTLER

WEATHER IS A BIG FACTOR

The factor with the greatest impact on the success or failure of your vegetable garden is the weather. Regardless of how carefully you have chosen the recommended varieties, prepared and fertilized your soil and planted your transplants and seeds, poor weather conditions can drastically reduce the quantity and quality of vegetables.

The first decision that must be made is when to set out cold susceptible plants such as tomatoes, peppers and eggplant. Determine the date of the average last frost in your area. The key word is "average." This means there is a 50 percent chance a killing frost will occur again after this date. Here in Floyd County the last frost is usually about April 11.

Be prepared to cover or protect tender plants. If these plants are damaged by a light frost or freeze, they will probably recover. However, if damage is severe, pull them out and

start over. Often stunted, damaged vegetable plants never fully recover, and the results show up at harvest time. This is especially true for tomatoes, beans, squash, cucumbers and melons.

In most areas of Texas, and especially here in the High Plains, the day after you set out tomato plants the wind starts to blow. Protect your garden vegetables from these strong, spring winds. Severe damage can occur to seedlings or transplants from the wind itself, from drying or desiccation of the foliage and from blowing sand. Some type of windbreak such as roof shingles, fences and scrap lumber placed on the windward side helps protect plants. Cages made of concrete reinforcing wire wrapped with plastic also provide wind protection for tomatoes, peppers and eggplants.

Heavy spring rains or hail also can ruin hopes for a bountiful vegetable garden, as many areas of the county found out last week. There is not a lot that can be done to protect vegetables from these forces of nature. Locating a garden in an area that drains well and planting vegetables on raised beds help prevent some of the problems associated with heavy rainfall. If your garden is severely damaged by hail, and there is still time, it is best to replant.

SOIL TEMPERATURE IS A FACTOR
Soil temperature is a factor few gardeners check before planting, yet it is probably the most important factor affecting seed germination and plant growth.

Soil temperatures at which vegetable seed will grow include the minimum temperature required for seed growth, an optimum temperature and a "realistic" soil temperature is somewhere between optimum and minimum at which you should plant to insure maximum success. For instance, the optimum soil temperature for seed germination of vegetable crops such as cucumber, cantaloupe, okra, pumpkin, squash and watermelon is 95 degrees F. However, if planted this late, summer heat will decrease plant vigor and yields. The minimum soil temperature for these crops is only 60 degrees F., yet at this temperature the seed will not grow vigorously. Thus, there must be a "realistic" soil temperature. For the above crops, the realistic soil temperatures for the best plant production are: cucumber (64 degrees F.), cantaloupe (68 degrees F.), okra (73 degrees F.), pumpkin (75 degrees F.), squash (70 degrees F.) and watermelon (72 degrees F.).

Crops such as beans, beets, cabbage, chard, eggplant, pepper, radish, tomato, turnip and corn have an optimum soil temperature for seed germination of 85 degrees F. Yet the minimum soil temperature required for some of these cold-tolerant crops such as beets, cabbage, chard, radish and turnip is as low as 40 degrees F. The realistic soil temperatures recommended for these crops are: beans (72 degrees F.), beets (45 degrees F.), tomato (55 degrees F.),

turnip (50 degrees F.) and corn (55 degrees F.).

As might be expected, vegetables which are really cold tolerant such as carrots, parsley, lettuce and spinach have lower optimum soil temperature for seed germination of carrots is 80 degrees F., for parsley and lettuce 75 degrees F. and for spinach 70 degrees F. The minimum temperature required for these crops is 35 degrees F. The realistic soil temperature at which all these crops should be planted is 45 degrees F.

Soil temperatures here in Floyd County reached up into the 60's before these last rains. However, with the rain and the cooler temperatures last week, the soil temperature was back down to 53 degrees F. last Friday. But the warm temperatures the last few days have brought the soil temperature back up to 69 degrees F. as of Tuesday morning.

Educational programs conducted by the Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion or national origin.

Soil Stewardship Week is May 16-23

Soil Stewardship Week annually focuses on the care and conservation of our soil, water and related resources. This year's observance is set for May

16-23, with the theme: "A Time for Tenacity."

"Tenacity (firmness or persistence) is needed in using our natural resources

Crop and livestock reports from farmers and ranchers needed

AUSTIN—The Texas Crop and Livestock Reporting Service will begin interviewing Texas farmers and ranchers in mid-May on 1982 crop acreage and midyear livestock inventories. State Statistician Doug Murfield has announced.

Results of the confidential interviews, conducted through the mail or in person by field enumerators, will be published in June.

Murfield is urging farmers and ranchers to complete and return mail questionnaires promptly. Information will be combined for state and county estimates.

Murfield said estimates give Texas farmers and ranchers planning information for planting, breeding, feeding, storing, production, and marketing. "Without these reports, most producers would have to depend on trade and other sources for information on crop and livestock prospects," he said.

Reports are also used by farm organizations and legislatures to plan and develop farm programs, extension economists and farm and ranch management consultants to advise farmers and ranchers, and exporters to plan and

promote sales of Texas agricultural products in foreign markets.

Estimates are published annually of livestock, dairy, poultry, cotton, small grains, vegetables, fruits and pecans, and cash receipts from the sale of Texas farm commodities.

For free copies, write the Texas Crop and Livestock Reporting Service, P.O. Box 70, Austin, Texas 78767, or Agriculture Commissioner Reagan V. Brown, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

local soil conservationists, and Benny Butler, assistant County Agent.

Not only did the team win, but Shannon Edwards was High Individual from District 2, and Shannon Smith was 2nd-High Individual.

To compete in the Grass Identification Contest, the team had to learn to identify over 70 different grasses and remember the characteristics of each

one.

The Grass Identification Team will be going on to compete in the State Contest in June which will be held on the Texas

A&M University campus in College Station. "We are very proud of Shannon, Shannon, and Jenny, and we know that District 2 will be well-represented at State," commented Benny Butler.

Grass Identification Team takes frist

Floyd County 4-H was well-represented at the Tri-District Grass Identification and Range Evaluation Contests held April 29th at the Plains Baptist Assembly.

The local Grass Identification Team, composed of Shannon Smith, Shannon Edwards and Jenny Keen, took 1st place honors in District 2. The team was coached by Paul Burnham, one of the

Cundiff cites beef research on cattle types

"More than half of the increased performance was attributable to crossbred cows. Crosses between Zebu and European breeds yield even higher levels of hybrid vigor," Cundiff said.

He pointed out that significant differences exist among breeds for traits of importance to efficient beef production.

Generally, faster gaining breed groups have heavier birth weights and higher levels of calving difficulty associated with reduced calf crop percentage. Incidence of calving difficulty can be a serious problem in cows calving at two and three years of age. If efforts are made to avoid use of bulls with excessive birth weight, calving difficulty is not a serious problem in cows calving at four years or older, the researcher said.

Breed groups reaching the small degree of marbling in the fewest days tended to be the most efficient to the grade and point of USDA choice. Evaluation to a grade end point of USDA choice assumes that feeding to a small degree of marbling is justified in terms of improving eating quality, an assumption not documented in evalua-

tion of flavor, juiciness and tenderness by trained sensory panels.

"Although differences among breed groups are large for marbling and percent grading choice, differences in trained sensory panel scores for flavor, juiciness and tenderness were small," the researcher said.

Breed groups which had the highest marbling scores had higher fat trim and lower retail product percentages. The research indicated there is limited opportunity through breeding to increase marbling without reducing yield of retail product.

Steers from faster gaining breed groups used feed more efficiently from weaning to slaughter and produce carcasses with a higher percentage of retail product when compared at the same weight or age end points, the research showed.

Cundiff said that to maximize efficiency of beef production, it is important to match the crossbreeding system and the characteristics of breeds used with feed resources available on farms and ranches.

Don Guadalupe: in search of Calif.

Actors Alejandro Rey and Edward James Olmos received an extra benefit when they took on key roles in CALIFORNIA DREAMS: THE DREAM OF DON GUADALUPE, airing Tuesday, May 18 at 9:30 on KTXT Channel 5. The program, which examines the life of Don Mariano Guadalupe Vallejo, taught the actors an important lesson in California history. They learned about the early days when Mexican landholders and soldiers, "Californios," ruled the land. Alejandro Rey, on-camera presenter of THE DREAM OF DON GUADALUPE, held the widely-believed view that the Mexican missionaries had lost California to the Americans. He didn't realize then an internal rebellion by the Mexican upper-class soldiers, who called themselves "Californios," first claimed the land. "Don Guadalupe Vallejo, Pico, Sepulveda, Alvarado — they took the land from the Mexican

government with the idea of forming an independent California," reflects Rey, who read a great deal on the history of early California in preparation for this project. "Mexico governed in name only," Rey continues, "but Californios ruled the land. Eight million acres were divided among 800 Californios." He marvelled at the adventurous spirit of men like Vallejo — Latinos whose courage, strength and ambition left an indelible stamp on this state. Although Rey's roots lie in Argentina, he has made California his home for the past 20 years. Now a successful producer/director and acting coach, it is Rey's acting ability which has kept him in the public eye. He is stopped in the street by young and old alike who remember Rey's kind-hearted character in "The Flying Nun." "I have played Mexicans, Spaniards, Puerto Ricans, Italians and Frenchmen but oddly

Longhorn revue.....

Creating The Great Texas Longhorn Revue is a complicated process, involving a large team of creative and technical experts. Artists, writers, architects, designers, musicians, model makers and computer engineers all join together in bringing fantasy to life.

The show was created and produced by Gary Goddard Productions in Los Angeles. Goddard, founder of the entertainment production company is an ex-Disney associate.

At Gary Goddard Productions, life began for each character on an artist's sketchbook. From a two-dimensional drawing, model builders sculpt each individual character in one inch scale. The models are called "maquettes" and each is carefully hand painted to show detailed design characteristics and costuming.

These scale models are turned over to Advanced Animation, a manufacturer of computer-animated characters. Engineers build and shape the life-sized characters and construct the highly advanced computer system that operates the show.

Advanced Animation uses a very sophisticated method of programming. Each character has up to 24 different movements. Once the programming is finished, engineers can edit—or change—any movement for any character without redoing the entire program.

The new Texas Cow Palace, sponsored by First Texas Savings, will house the all-star cast of The Great Texas Longhorn Revue. Audiences are surrounded in Victorian splendor and are taken back to the bygone era of shoot 'em up cowboys. There are three stages with lavish Austrian drapes, lined by flickering hurricane lamps. Ornate lighting fixtures with cows in decorative poses, elaborate carving and portraits of the animal "stars" adorn the room.

The Great Texas Longhorn Revue will run every operating day throughout the 1982 season. AstroWorld will be open weekends during the spring.

Army Reserve says, vacation with us

Psychologists tell us that periodic vacations are necessary if we are to maintain a high level of productivity, to remain healthy or to be happy. A vacation amounts to replacing our usual, possibly stressful, environment with another temporary environment — more restful, more exciting, and often more expensive.

As part of the benefits package given to its part-time soldiers, the Army Reserve makes a vacation a lot cheaper. Reservists are able to hitch a space-available ride on a military aircraft to a favorite vacation spot anywhere within the continental United States, Alaska, Hawaii, and Puerto Rico. This could mean savings of hundreds of dollars for vacationing Reservists. The Army Reserve provides a bonus that far surpasses any currently offered by airlines. Spouses and dependents are eligible for space-available flights with the sponsor to Europe and other places over-

seas.
 Last year thousands of Reservists used space-available military flights to help them get to vacation areas throughout the country. Active Army soldiers who are planning to return to civilian life can retain their ability to use space-available travel as well as many other military benefits by joining the Army Reserve.

Old Settlers Day
75th Anniversary
Edition of the
History of the
Caprock County

We found, tucked away in the dark recesses of the Hesperian attic, at least 1000 copies of the "History of Floyd County, 1890-1965."

We have donated these 104 page editions to the "Friends of the Library."

The "Friends" will be selling these collectors editions on Old Settlers Day from their book store in the east side of the Hesperian building.

On display Old Settlers Day

Della Plain exhibit planned for county museum

"Della Plain, The Beginning of Settlement," will be the theme of the Old Settlers Day exhibits at the Floyd County Historical Museum, for this year's Pioneer Day on Saturday, May 22, in Floydada.

Alma N. Holmes, a well-known Floyd County historian, has written a magazine-type book for this special occasion. This book not only gives vital statistics such as dates and places, but gives actual true stories about the people who first settled in Floyd County in the middle 1800's.

Mrs. Holmes is a pioneer herself, and she was personally acquainted with many of the pioneers she writes about. At one time she was part owner and manager of Floydada's radio station, KFLD.

Other material that has been published by Mrs. Holmes include "Favorite Stories of Floyd County," "The Locknev Christian College," and numerous articles in previous issues of the Floyd County Hesperian.

The attractive cover pages of "Della Plain, The Beginning of Settlement," are pictures of a windmill on the front and a covered wagon on the back. These pen and ink sketches are done by Dena Dallas, a student

at Abilene Christian University. Dena is the granddaughter of Alma Holmes and the daughter of Mrs. Beuna Wilson of Duncanville.

This magazine-type book would make an ideal gift for some older person you love, or

as keepsakes for your children. The price is \$6.00. Proceeds from the sale of the book go to the Floyd County Historical Museum. The books will be on sale at the museum on Old Settlers' Day, Saturday, May 22, and Alma N. Holmes will be on hand to autograph it for you.

Round-up begins with "old timer" reception

The Pioneer Round-Up, scheduled for Saturday, May 15, will be the fifty-fourth consecutive year the Plainview Business and Professional Women's Club has sponsored this event. The theme chosen is "The Old and the New".

The first celebration took place March 14, 1929 in the City Auditorium in Plainview when Mrs. Adella Drew served as president. Georgette Masso, the current president of the Plainview BPW Club, stated all activities this year will be held in the Hale County Agriculture Center.

The reception beginning at 10:00 a.m. at the Hale County Agriculture Center in Plainview, is a big feature and is a time when the real "old timers" get together to reminiscence and exchange stories of the past. Mrs. Florence Montgomery, chairman of this committee, and

her assistants are expecting many pioneers from near and afar to arrive soon after 10:00.

One of the few remaining parades in Plainview will be staged at 2:30 p.m. originating at the Santa Fe Depot on north Broadway. Those participating are asked to be on hand by 1:30 p.m. Parade will move south on Broadway to the American Legion where it will disband.

Durward Lynch will be parade marshal. The color guard will also head the parade and the Plainview bands will march. Some floats have already been entered and Pat Kelly, chairman of the parade committee, stated additional floats are welcome on that date. Antique cars, riding clubs, and miscellaneous riders are some of the other attractions scheduled for the parade. Winners will be announced at the night program.

The concessions and Kuntry Kitchen will be open all day at the Hale County Agriculture Center and Jacqueline Masso and Nancy Bubliss are the chairmen. Sandwiches, pies and cakes will be available at lunch time. Everyone is invited to shop for baked products made by members of the Plainview BPW Club.

The evening activities will also be held in the Hale County Agriculture Center. From 6:00 to 8:00 p.m. the chuck wagon supper will be served. "Take out" plates will also be available. The meal will consist of a son-of-a-gun, barbecue, sour dough biscuits and all the trimmings. Dorothy Morton, chairman of the Foods Committee, gives assurance that plenty of food is being planned for and that this year the members of the BPW Club will prepare the food and assist in the cooking.

The club members will "rock the beans" on Thursday afternoon with the cooking beginning early Saturday morning.

The program, chaired by Mildred Tucker, will begin at 8:00 p.m. and will be a musical program featuring Joe Berry, Plainview.

To highlight the evening's activities, the Pioneer Woman of the Plains will be announced. Prizes will be awarded to the couple who have been married the longest, the oldest pioneer present and to the pioneer (over 60) traveling the farthest distance to attend the Round-Up. There will also be group singing.

The square dance will conclude the Pioneer Round-Up again this year. Helen Pemberton, chairman of the committee, has announced that Roy Johnson of Amarillo, will be the caller. She stated that all who

like to square dance, waltz and participate in other couple dances are invited to do so. The Agriculture Center is air conditioned and will be comfortable for dancing from 9:00 p.m. until 12:00 midnight.

Tickets, \$3.75 (tax included) includes the supper, program and square dance, and may be purchased from any member of the Plainview BPW Club or secured at the door. Bula McGowen is ticket chairman. People of all ages are most welcome and are cordially invited to attend and help make this 54th Pioneer Round-Up on May 15 the best yet.

Other committees appointed to help carry out activities during the Pioneer Round-Up are as follows: Registration, Doris Henderson; Door, Lou Ella Scarbrough; Float, Gretchen Bills; Serving, Pat Ray and Publicity, Jo Ann Clements.
