### GI Candy Project Faltering

Ladies, homemade candy is still desperately needed for the county's servicemen, and time is running out.

**"WE HAVEN'T** received nearly enough candy yet to mail just a box to each boy in service," said Mrs. Glenda Rickerd, chairman of the "Candy for GIs" project.

The Wednesday deadline passed without enough candy on hand, so it has been extended until Saturday.

If you can make one or more coffee cans full of candy, take it to the Castro County Farm Bureau office on North Broadway today, Friday or Saturday.

**ALTHOUGH** the Farm Bureau office is usually closed Saturday, a member of the Bethel Home Demonstration Club will be in the office from 8 to 5 to accept candy.

The last of the Christmas candy will be boxed and mailed Monday, Mrs. Rickerd said. That's the deadline for shipping packages overseas to insure their arrival and distribution by Christmas.

**LAST YEAR,** Castro County's ladies made enough candy to send 102 boxes to 66 servicemen, with an average of four pounds of candy per box.

But as of Monday, only enough candy for 10 servicemen had been made and turned in, Mrs. Rickerd said.

"Some of the Blue Bird and Camp Fire Girls groups have made most of the candy for the project so far," Mrs. Rickerd said. "It seems that if these girls can make candy, a lot of the women in the county could, too."

**CANDY** should be of a type that can be shipped without melting or crumbling. It should be packed snugly in one-pound coffee cans, and the cans should be cross-sealed lengthwise with masking tape.

Also, commercial candy, canned nuts and other such treats will be accepted for mailing to the county's GIs.

Getting first priority on the mailing list are the men in Vietnam, followed by those in other overseas stations, their wives stationed in the US.

**TOP CANDY MAKERS** — Blue Bird and Camp Fire Girls groups have out-produced the county's housewives so far in making candy for local servicemen. Here, members of the "In A Wa Pa" Camp Fire Girls Group deliver their candy to the Farm Bureau office. Front row, from left, are Beth Cleveland, Brenda Underwood, Lise McDaniel and Cinde Sides. Back row, from left: Melanie Nelson, Linda Wise, Lawanda Murphy, Annita Parker and Becky Veazy. Their sponsors are Mrs. Carolyn Sides, Mrs. Hazel Nelson and Mrs. Ellen Gregory.

### Piggly Wiggly Now 'Foodway'

Dimmitt's Piggly Wiggly Supermarket Saturday became part of the largest retail corporation in Texas, and now has a new name of Foodway.

**KIMBELL** Corporation, a huge chain headquartered in Dallas, purchased the local store and is now in the process of buying 34 other supermarkets in Texas.

Announcement of the Piggly Wiggly sale was made by Pete Cheaney of Lubbock, secretary-treasurer of Black & Associates, the store's former owners.

Curtis Christopher, who has managed the store for the past year, will remain here as manager.

**CHRISTOPHER** said further details of the transaction and the store's new policies will be announced within a month.

The Kimbell chain includes Foodway, Buddy's, Andy's and Village supermarkets throughout Texas.

### VFW to Sponsor Supper and Dance

Dimmitt's VFW Post and Auxiliary will hold a chili supper and dance Saturday night at the post home.

**CHILI** will be served from 6 to 9 p.m., and the dance will begin at 9. Tommye Haney and his western band will provide music. Admission will be \$5 per couple.

### Grain Is Asked For Boys Ranch

Dimmitt's Jaycees and Young Farmers are working together to collect grain for Boys Ranch, and they're asking for help from producers, elevator operators and business men.

**HEADING** the drive are David Hays of the Jaycees and Ben Holcomb of the Young Farmers.

"Dimmitt hasn't made too good a showing on this program in past years," Hays said. "We'd like to do a lot better this year."

The two young men's organizations have had pledge cards printed and are distributing them to all elevators in the area. With these cards, producers can pledge any poundage of their grain crop to the Boys Ranch program.

**PLEDGE CARDS** are also being distributed to business men for cash donations to buy grain for Boys Ranch.

Anyone who needs a pledge card can get one from any Young Farmer or Jaycee.

"We have all the trucks we need for hauling the grain," Hays said. "Several local producers have donated their trucks. What we need now are more grain and cash pledges."

**MEMBERS** of the two organizations will truck the grain themselves to Boys Ranch, where it will be used in the boys' cattle feeding program.

### Blood Donors Are Sought

The local "walking blood bank" will receive a transfusion Sunday when voluntary donors report to Plains Memorial Hospital to be "typed" and placed on the county's donor list.

**D. W. "DUB" SIMS,** laboratory and X-ray director at the hospital, is conducting the campaign to enlarge and update the donor list for future emergencies.

Civic clubs are supporting the campaign by asking their members to become part of the "walking blood bank," and Sims urged all local residents who are willing to give blood in the future to have their blood typed and their names added to the list Sunday.

"Anyone between the ages of 21 and 50 wishing to participate as a member of this donor system can be typed from 7 a.m. to 7 p.m. Sunday," Sims said. "If anyone who is a member of our donor system wishes to continue, notify me and you will be issued a new blood type card."

**SIMS** explained that the "walking blood bank" was established several years ago, but that many on the original list have moved, while others have had illnesses that prevent them from participating as donors.

"As a result, the few remaining donors are being called upon to donate blood more often than should be necessary," he said.

"To help take the burden off these people, we need to renew our donor supply," Sims said. "A walking blood bank is one of the best life insurance policies any community can maintain. Situations and emergencies arise many times which require emergency transfusions with whole blood."

**"IF WHOLE" blood** is not available locally, he continued, "the arrangements must be made to have it brought in by bus or some other means of transportation. Of course, these arrangements require time, and time often is not available in an emergency."

By maintaining an effective walking blood bank, Sims said, "everyone in need of emergency transfusions is assured that an ample supply of blood is available in the shortest possible time."

"If we can reactivate our walking blood bank, every member of the community will benefit just by knowing that their relatives, friends and themselves would have a donor available should they require blood at Plains Memorial Hospital," Sims said.

### Ex-Resident's Rites Pending

Eugene Morton, former longtime resident of the Flagg community, died Monday in San Antonio.

**HE IS SURVIVED** by his wife, Ruby, a daughter, Mary, and a son, Cliff. The family home is now 4019 Willow Drive, San Antonio.

Details of his funeral arrangements were not known at press time.

### County's Top 4-H'ers Rewarded

**GOLD STAR WINNERS** — County Judge Raymond Wilson proclaims the winners of the highest local 4-H award, the Gold Star Girl and Boy, during Saturday night's awards banquet. Winners of the coveted titles for 1968 are Debra Hochstein of Nazareth and Eugene Warrick of Frio. More than 200 attended the awards banquet in Dimmitt High School cafeteria.

Debra Hochstein of Nazareth and Eugene Warrick of Frio are the county's Gold Star 4-H Girl and Boy for 1968.

**THEY WERE** announced as the winners of the county's top 4-H honors at the annual 4-H Awards Banquet Saturday night in Dimmitt High School cafeteria.

Approximately 200 parents, officials and 4-H'ers were on hand at the awards presentations, including State Representative Bill Clayton, the featured speaker.

Miss Hochstein and Warrick received gold victory trophies from County Judge Raymond Wilson as proof that they attained the top individual achievements of any other county 4-H'ers during the year.

**MISS HOCHSTEIN** is the daughter of Mr. and Mrs. William Hochstein Jr., and is a member of the Nazareth 4-H Club. Warrick is the son of Mr. and Mrs. Billy Warrick and is a member of the Frio Jolly Workers 4-H Club. Both have been active in nearly every 4-H activity available to them.

Other top winners named Saturday night were:

Citizenship — Diana Adams and Gary Hart.

Achievement — Ronnie Burks, Marvin Smith and Mickey Simpson.

Leadership — Eugene Warrick, Larry Hochstein, Steve Acker and Bob Duke.

**IN THE** individual competition categories, these 4-H'ers received award medals Saturday night from County Commissioners Dale Winders, J. M. Wright, Al Maurer and E. I. McLain:

Agricultural Award — Curtis Smith, Norman Acker, Dan Trotter.

Bread Award — Agnes Acker.

Clothing Award — Charlotte Fisher, Linda Jones, Diane Jones, Donna Acker.

**DAIRY** Award — Benny Simpson.

Poultry Award — Marvin Jones.

Sheep Award — Marlan Hart.

Swine Award — Stanley Harris, Debbie Davis, Sue Smith, Weldon Wilhelm.

Electric Award — Bob Behrends, Terry Yerby, Patricia Yerby.

Entomology Award — Earl Behrends and David Hutchins.

**FIELD** Crops Award — Gregg Burks and Larry Luke.

Safety Award — Lester Womack.

Food and Nutrition Award — Carol Hochstein, Jo Ann Smith, Elaine Acker, Mary Damron.

Food Preservation Award — Patricia Hochstein and Rita Womack.

**HOME** Improvement Award — Debra Acker and Judy McLeroy.

Dress Revue Award — Marilyn McLeroy and Virginia Winchell.

Photography Award — Kenneth (See TOP 4-H'ERS, Page 12)

Urban problems; (2) the first of the post-war "baby crop" of the mid-1940's becoming eligible for their first presidential election; (3) free voter registration in Texas since last year; (4) concerted voter registration drives in many southern states during the past two summers; and (5) natural population growth.

**CLOSEST** race here was the 18th District congressional contest between Republican incumbent Bob Price and Democratic challenger Dick Brown.

Although the county's voters stayed in the Democratic column in every other race, enough of them crossed over to give Price a 1,400 to 1,332 margin over Brown. In the 18th District as a whole, Price won re-election handsily.

Price carried Precincts 2, 5, 7, 8, 9, 11, 12, 14, 15 and 16 by margins ranging from a hairline to 2-1. The rest of the precincts favored Brown.

**IN OTHER** key races, Castro Countians helped re-elect State Representative Bill Clayton by a sizeable margin over Republican challenger Frank Ford, and gave a definite nod to Lt. Gov. Preston Smith over Republican candidate Paul Eggers in the governor's race.

Here are the unofficial county returns in contested races: President — Humphrey 1,181, Nixon 1,033, Wallace 623.

**CARL KING,** County Democrat chairman, issued this statement to the News Wednesday morning: "It appears that Richard Nixon has won the election, and I hope that all the Democrats of the county, including the Democrats of Castro County, will stand behind our new President and work with him for the best interests of America."

Humphrey, with tears in his eyes and a catch in his voice, conceded defeat at 11 a.m. Wednesday.

Although Humphrey carried the county, Nixon led in nine of Castro's 16 precincts by margins ranging from a single vote in Precinct 13 to a 3-1 majority in Precinct 15.

**HUMPHREY,** however, received a 2-1 majority in Precincts 1 and 6, and a 3-1 margin in Precinct 10.

Wallace carried no Castro County precincts, but tied with HHH for the lead in Precinct 9 and ran second to Nixon in 11 and 15.

**A WHOPPING** 74.4 percent of the county's 3,845 registered voters cast ballots, posting a new all-time record. Voting records were broken at the state and national levels, too.

Five factors seemed to be largely responsible for the record turnout at various levels: (1) the three-party presidential race and the issues it raised, ranging from the Vietnam war to racial and

Agriculture Commissioner — John C. White 1,867, E. G. Schuhardt II, 666.

Railroad Commissioner — Jim C. Langdon 1,968, Jim Segrest 633.

State Board of Education — Herbert O. Willborn 1,951, Hugh Burdette 631.

### State Marker in Littlefield Honors Dimmitt Lady's Husband

Mrs. Grace Loyd, 107 SW Ninth St., has a new reason this week to be proud of her late husband, Franklin A. Loyd. An official Texas Historical Marker has been placed at his grave in the Littlefield Cemetery.

**MR. LOYD** was sheriff of Lamb County from 1935 until he was mortally wounded by a man he was attempting to apprehend on March 19, 1937. He died two days later of the bullet wounds.

His wife served the remainder of his term as sheriff, and later moved to Dimmitt to teach. She is now retired here.

The new historical marker will be dedicated Nov. 17 at the site of Sheriff Loyd's grave.

**THE** inscription reads: "Franklin A. Loyd, March 6, 1889-March 21, 1937. Born in Montague County, and took the office of sheriff in 1935. He served with honor until mortally wounded in line of duty. His widow, Mrs. Grace Owen Loyd, served the remainder of the term. He was the father of eight children."

According to Sheriff and Police magazine, Sheriff Loyd was conspicuous until his death and one of his last requests was that his assailant be given a fair trial. The assailant was a Negro man whom Sheriff Loyd had attempted to arrest on suspicion of bootlegging.

**BEFORE** being elected Sheriff of Lamb County, Mr. Loyd had been a merchant, civic leader, Baptist Church deacon, Mason, and school board member in Hall, Dickens and Lamb Counties.

He realized one of his life's main ambitions — that his children get to attend college. Mrs. Loyd and seven of the children attended Texas Tech, while a daughter attended Hardin-Simmons University. Together, they earned five

bachelor's degrees and two master's degrees.

**ONE** of the Loyds' sons was Owen T. Loyd, who died in 1953 while serving as principal of Dimmitt High School. He had been principal here, and his mother a teacher, since the early 1940's.

The other children are Tom Loyd of Lubbock, Mrs. Silva Adams of Lubbock, Mrs. Doris Blair of Hereford, Mrs. Lucille Bley of Olton, Mrs. Wilma Colbert of Brownwood, Aubrey Loyd of Borger, and Mrs. Jeannie Cryer of St. Joseph, Mo.

The marker honoring Sheriff Loyd is one of a series in Texas that will record the deeds of the state's lawmen from the days of the Republic to the present.

### Funeral Is Held For D. C. Berry, Dimmitt's Nephew

Daniel Clyde Berry of Lovington, N.M., nephew of the man for whom Dimmitt was named, died last week in West Texas Hospital in Lubbock, where he had been a patient for a week.

**MR. BERRY,** 85, visited Dimmitt as a special guest of the Castro County Roundup in August and helped tell the history of his uncle, Rev. W. C. Dimmitt, Christian Church minister after whom the city was named.

Berry had been a longtime rancher and banker in Lovington, and had served in the New Mexico Legislature.

Funeral services were held at 1:30 p.m. last Thursday in the First Christian Church in Lovington, of which he was a charter member. Burial was in Lovington Cemetery under the direction of Smith-Rogers Funeral Home.

**A** RESIDENT of Lovington since 1914, Mr. Berry was the first president of the Lovington National Bank, and had been chairman of its board of directors since 1950. He had served as county clerk and county treasurer, and as a member of the New Mexico Legislature in 1936-37.

He is survived by his wife, Eva; two daughters, Hazel Berry of Lovington and Mrs. Mary Sue Douthitt of Kingsland, Tex., and six nephews.

### Will You Buy A Buddy Poppy?

Saturday is "Buddy Poppy Day," and members of the VFW Auxiliary and Junior Auxiliary will be selling poppies throughout Dimmitt.

**"BUDDY** Poppies" are made by disabled veterans, and proceeds from their sale will go to help those in veterans' hospitals,

### Golf Tourney On Tap Sunday

The Castro County Country Club will hold its first golf tournament Sunday.

**IT WILL** be a partnership low-total tournament, with man and lady partnerships, said Gidd Faircloth, club pro.

Teams will be flighted according to individual handicaps, and competitors will play 18 holes, Faircloth said.

**TEE-OFF** time is 1 p.m. Sunday, and the entrance fee is \$2 per person.

**CHAMPIONSHIP FLIGHT** — Jim Butler, Dugan Butler; Bob Lindsey, Ann Touchstone; Joe Butler, Doris Faircloth; H. B. Thomas, Maxine Childers; Truman Touchstone, Joanis Robertson; Cliff Cook, Kathy Thomas; Bill Lee, Johnnie Wilson; Glen Render, Ruth Jackson; Gene Sealey, Esta Vandiver.

**FLIGHT I** — Judge Baldridge, Maxie Horton; Buster Tidwell, Connie Coulter; Ben Hill, Jerry Butler; Joe Andrews, Dorothy Gilbreath; James Wohlgenuth, Marian Lee; James Bradford, Frances King.

**FLIGHT II** — Bill Birdwell, Ann Carpenter; Edgar Dennis, Bernice Hill, John Gilbreath, Vaudine Giles; Charles Vandiver, Brenda Andrews; R. N. Carpenter, Mary Alice DiCuffa; Sal DiCuffa, Betty Dennis; Dale Carmichael, Dorothy Mayfield; Harry Hauf, Reba Touchstone.

NEW OFFICERS of the Castro County 4-H Council are (seated, from left) Rita Womack, chairman; Virginia Winchell, district representa-

ive; Debbie Davis, secretary; Jo Ann Smith, reporter; and Diana Adams, parliamentarian. Standing are Gary Hart (left), vice-chairman, and Bob Duke, treasurer. They

were introduced at the annual 4-H Awards Banquet Saturday night, and will coordinate all county 4-H activities during the coming year.

55 Attend Sides Party

By MRS. J. T. STEHR The George Sides and Monte Boozers held open house at the George Sides home Wednesday evening. About 25 grown-ups and 30 children came and visited, played games, ate Spudnuts and drank coffee. Seems a group of 4th, 5th and 6th grade boys got too busy playing ball to take time out to eat at first call!

C. G. GRAEF was the guest of honor on his birthday last Thursday at the home of his daughter and family. Mr. and Mrs. James Welch. Several interesting games were played and refreshments were served to Graef, the Gene Phillips of Clovis, the Raymond Carsons of Olton, the Frank Daugherty of Olton, Mrs. Clayton Ray Graef and children, Mrs. Paul Langford and Linda, and Mrs. Dean Myers, all of Dimmitt.

Mrs. C. G. Graef is sitting with her sister, Mrs. Billie Jo Mitchell, who is very ill in Littlefield Hospital. Mrs. Artie Beavers, another sister, is also sitting with Mrs. Mitchell.

MRS. JACK HOWELL visited her mother, Mrs. Carl Lee, at Summerfield Wednesday and they got a lot of candy made for the servicemen.

Mrs. J. T. Stehr and Mrs. Martin Hcbratschk visited the Golden Spread Rest Home late Tuesday. It is wonderful to see how they help each other. When the supper bell rang, a little lady who is unable to walk gets her wheel chair pushed to the dining room by one of the men who is able to get about.

CINDE SIDES entertained her Camp Fire Girls group Wednesday evening at her parents home. Monday night and Tuesday Louie Miller of Riverside, Calif., visited in the home of his friend, James Welch.

THE A. T. MORGANS and Mrs. Jim Howell met with the Elbert Smiths Monday night to hold a prayer meeting for the revival at the First Baptist Church at Dimmitt.

Mrs. Jim Bagwell and Mrs. Leona Rothwell called at the George

Bagwell home late Sunday. They had been to Muleshoe to see Mrs. Ro'hwell's daughter.

Mrs. Jack Howell was hostess for the WMU at her home Monday. Members present were Mrs. A. T. Morgan, Mrs. Jim Howell and Mrs. Elbert Smith.

THE J. T. STEHRS visited Mrs. Dean Myers Tuesday evening. Mrs. Myers has five new black poodle puppies three weeks old.

Robert Booser started to kindergarten last week. Mrs. Booser and Mrs. Charles Rickerd take turns going after the boys at coming-home time.

Weekend visitors in the J. T. Stehr home were the Martin Stehrs of Willow, Okla. Mrs. Stehr comes to see a chiropractor at Hereford. They had a big rain early Saturday morning; as is usually the case after we get a shower, the clouds go on east.

Mrs. Paul Langford and Mrs. Dean Myers went to Littlefield and visited with the family of Mrs. Billie Jo Mitchell. Only relatives are sitting with her.

Put on the Full Armour

"Wherefore take unto you the whole armour of God" ...

In Paul's letter to the Ephesians, he makes a comparison of the children of God and warriors. He says that our loins should be girt about with truth, and having on the breastplate of righteousness. He makes many more comparisons that exhort us to a proper life. Another thing that Paul urges is that we gather together and worship the Lord. No part of our armour is greater than regular church attendance. Much strength for the week is derived from worshiping with others. Complete your suit of armour... attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Bible Thoughts

DESTROYING OURSELVES

By Ronnie Parker

Hosea once cried, "My people are destroyed for lack of knowledge" (Hosea 4:6). A later statement of his was, "Oh Israel, thou hast destroyed thyself." (Hosea 13:9).

Without a knowledge of God and things Divine a person can only grope in darkness. Too many people remain content without a knowledge of God and His word simply because of an unwillingness to pay the price for knowledge. Diligent study and effort must be made for the knowledge of God does not just come by accident.

If we would know God and His word, constant study, prayer, meditation and devotion toward things Divine is required. We must have a regard for deep Bible study. Many of us pick up our Bible and read at random a chapter here and there and lay them down. At intervals we repeat the process and wonder, after years of such practice, why we know so little about our Bible.

Constant, systematic, methodical searching for truth is the price of knowledge—without which we destroy ourselves. We must begin now to open and study the book of God at home and in Bible study.

At the Fourth and Bedford Church of Christ classes for all ages are held on Sunday morning at 9:30 and on Wednesday evenings at 7:30. You are welcomed at anytime!

Shelley's Chatter

'I Was a Witch for the DHS Pep Squad'

By MYRTLE SHEFFY
I have had a good time lately. Tuesday morning I was guest speaker and flower arranger for Mrs. Bill Snider's home management class...

THESE KIDS, probably 17-year-olds, are smart and pretty. Mrs. Hottel, the other home economics teacher, was baking a beef roast covered with ice cream crystal salt. It smelled so good. When the salt hardens after 30 minutes, it is removed and the meat cooks on until done.

And this same group asked me to be a witch at the pep rally Friday afternoon before the Hale Center vs. the Dimmitt Bobcat game. The band played and the kids did their yells.

Then on to the game later - the rain and hail came and Sid and I chickened out and came home at the half. But the Dimmitt boys won by one point, without us there to yell them on - good boys! The fathers of the Bobcats were honored before the game - not long ago those men were high school athletes that we went to see play.

ROY CLUCK and daughter attended to ranch business in the Clayton, N.M. area Thursday. Son Junior Cluck lives on a ranch near Tedine.

Mrs. Roy Cluck was hostess Friday afternoon at a bridge party. Here guests were Mmes. Winnie Cunningham, Cletha George, Ruth Wilson, Maggie Boren, Ann Singer, Beulah Wright, Gladys Cleavinger, Opal Bearden and Myrtle Sheffy came in later after the pep rally.

MR. AND MRS. Clarence Bearden went to Hollis, Okla., Saturday for a weekend visit with her sister Naomi Ruth Patton and Mr. Patton.

The George Bradfords spent a week in the Fort Worth area visiting her relatives. They went by Ardmore, Okla. to see an arthritis specialist.

Bo Jackson, son Bruce and daughter Brenda flew in for a visit with his Aunt Eva, who is here from San Francisco, visiting her brother Francis Jackson and family. Bo is with one of the big airlines there.

A big family get-together was at the Howard Cooks a while back. Beth's mother and stepfather, the Blymillers from Turlock, Calif., and 45 people were here from Colorado, New Mexico and parts of Texas.

MRS. VERNON Hasley went to Lubbock Friday to pick up their son Randy, who is attending business college at Draughons. He was home for a weekend visit.

Dr. David Bechtol, lawyer Jimmy Ross, farmer George Frye and another fellow went down south to McMullen County deer hunting. I heard they brought in two or three - don't know for sure.

Keith and Lily Marie Howard and daughters have bought and moved into the Jimmy Presley house on West Maple. Lily Marie has a music studio on Jones Street, south of us. It is full of organs and pianos.

LYNN POLSON and George Elder went over to Eastern Oklahoma and Western Missouri to visit Lynn's parents at Eucha and Garland Adams in Missouri. He is a former Castro County resident and the father of Doug Adams. Mr. Adams came home with the gentlemen. Lynn says that country is beautiful - gold and red trees covering the hills and dales. This is in the Venita, Okla. area where Grays, Eubanks and Williams boys live.

Kent and Mary Jo Birdwell and children went up to Kansas last week for the funeral of Dr. Charles Weinaug, who has been professor of Petroleum Engineering at the University of Kansas at Lawrence. Dr. Weinaug was the husband of Catherine, sister of Mary Jo. He has written many articles on the oil industry and this past summer lectured in Italy, Russia, and the other places interested in this subject.

Catherine has visited Dimmitt many times and played organ concerts with her longtime friend Lily Marie Howard.

JOE PAUL Weatherford and son Kyle spent last weekend in Bokchito, Okla., with his mother Renee Albright. He did some hunting and fishing - didn't hear his catch! He also helped clear out timber.

Wes and Alice Anthony spent a couple of weeks on their ranch near Sedan, N.M. and Wednesday

Vera Webb and Leola Haberer drove up for a two-day stay. John and Juanita Blaine and son Bill visited the J. B. Brannons in the foothills of New Mexico and Colorado. Bill brought in a deer. They all were residents of Dimmitt at one time. Mrs. Myrtle Williams is home from a two weeks' visit with relatives in Floydada with her brother Mr. and Mrs. J. T. McLain, then back to Plainview to visit sisters-in-law Alice and Beulah Williams.

MR. AND MRS. Clarence Bearden were hosts at a chicken a la rice dinner at the Colonial Inn Restaurant Tuesday evening, then later to their home for "42."

Guests were Mr. and Mrs. Horace Carlile, Mr. and Mrs. Edgar Ramey, Mr. and Mrs. Sid Sheffy, Mr. and Mrs. N. F. Cleavinger and Mmes. Leola Haberer, Ann Singer, Beulah Wright, Vera Webb, Winnie Cunningham, Cletha George and Ruth Wilson.

And the same evening the Cecil Dennises hosted a costume party for the First Baptist Church choir group. They spread the picnic supper on plastic cloths on the floor. A hilarious time was had by all. They presented gifts to Truett Whitehead of Plainview, the choir director. It was his birthday.

Mr. and Mrs. Dennis made a business trip to Dallas and Greenville recently and Neva and Claude Hickey of the Village Shop attended market at Dallas this week. I guess Polly Manning and the Jacksons went too.

DAN CRAWLEY, son of Mrs. Paul Acker, is here from New Mexico for a few days. Dan works for the Bell Ranch. Danelle Crawley is still in Europe on a touring trip and is now visiting Rose Ackers' family in Italy. She is on her way to Athens, Greece this week.

Jay Lee and Reba Touchstone were hosts to their dinner bridge club Saturday evening. Heard she served that good beef stroganoff to Evelyn and E. B. Noble, Dorit and Muriel Smiley, Lon and Betty Boothe and J. R. and Mary Jo Brown.

Recent guests in the home of Dan and Oma Dee Heard were her parents Mr. and Mrs. C. F. McCormick of Lubbock. Other relatives were the LeeRoy McCormicks of Littlefield, the Henry McCormicks of Dodge City, Texas, that is near Bonham. One day lately the Heards and children Pam, Leslie and Dan flew to Bonham to attend the funeral of an aunt, Mrs. Bob Bridges.

Mr. and Mrs. Martin Young and girls also were guests of the Heards while their relatives were visiting.

MRS. J. L. WEBB of Estelline has been a guest for a few days in the home of her daughter Mrs. C. B. Welch and family. I saw C. B. and Tommie Maples in the cafe. They are both with Redi-Fuel.

I visited the Assembly of God Church Sunday and met their new pastor and his wife Rev. and Mrs. Henry Russell. Bill Masten, a teacher from Plainview, presented the services on the danger of alcohol and narcotics. He says the Navy will not accept anyone who has ever been on LSD. The Navy must have men who are clear thinkers.

Debra Kay Hasley, 14 years old, was organist and a good one too. Mrs. Marvin Anderson was at the piano. Such fine singing at that church.

Joe Young says their son Tony is now in the Service in Vietnam.

ELMER AND MAUZIE Youts went to California in their "Winnie" mobile home. They will visit relatives and see the things in and around the Los Angeles area. Sam and Virginia Gilbreath went to Temple Sunday where Sam will have a physical check-up at Scott and White Clinic. Seems his hip is a bother.

Don and Karen Sheffy and daughters Kristi and Karla were weekend guests of her mother Polly Bell, brother Lonnie and family and Don's kin, the Sheffys.

MRS. GLEN SMITH of Wink was laid to rest in the Dimmitt Memorial Gardens Monday. Mrs. Smith was Maggie Boyd, who came here with her family, in the early part of 1900. Their ranch was south of town. Glen was with the City water works for years. His people were among the first to move into Castro County, living west of town.

Renee Baker, daughter of the Bob Bakers, was the honoree at

a party for her 13th birthday Friday evening. Thirteen girls came for the night. Mrs. Baker served them supper in the party room at City Drug Store, all were in costume. At the house they had their musical instruments and made band music, then performed a talent show - quite good the mama said.

Dr. Jack Harris and his brother Tom Harris of Borger went to Pagosa Springs, Colo., to hunt, but ended up fishing and caught some trout. The Harrises' son David is in school at Oklahoma State in Stillwater and his is double

majoring in Chemistry and Pre-Med. He would like for his friends to write. Ben and Bernice Hill are home from a fishing trip down Falcon Lake way. Heard they caught quite a few, but they missed the supper at the Touchstones.

STANLEY SHIPP, evangelist and missionary from all over the world, recently of Saigon, has been preaching this week at the Bedford Street Church of Christ. His home is Abilene. I heard Peggy Webb interview Mr. Shipp Monday morning. He

helped with the area youth rally Saturday. Mrs. Calvert said he is a live wire worker. He says the problems in Asia are nearly too much for us - poverty and wars - scattered over such a big place. He says he gets his impressions of a town from the young people and he complimented Dimmitt's kids. - And doesn't Peggy give Dimmitt the old Texas Brag?

MR. AND MRS. R. H. Gunn honored his daddy R. L. Gunn with a 83rd birthday dinner Sunday. Present were Mr. and Mrs.

R. L. Gunn, Mr. and Mrs. Dail Burnett, Mr. and Mrs. Darwin Reid, Mr. and Mrs. E. W. Farmer all of Sudan, Mr. and Mrs. Luke Grantham of Lockney, Mr. and Mrs. Herman Taylor of Canyon, Mr. and Mrs. Sam Smith, Carolyn and Craig of Lubbock, Mr. and Mrs. Leon Gunn, Mrs. R. E. Bradshaw of Dimmitt and Mrs. Micky Presley and Carla of Pampa.

# Frio Halloween Party Draws Big Crowd

By Mrs. Owen Andrews

About 40 or 50 people attended a community Halloween party at Easter Community Center on Thursday night. They brought supper, after which the children played games and the adults played "42."

**MRS. BILLY WARRICK** has been visiting her mother at Vailant, Okla., for the past several days. She went with her sister, Marjorie Isaacs from Goshen, Calif., and they were expected to return home the last of this week.

Jim Brooks attended funeral services for a cousin, Ralph Brooks, at Ardmore, Okla., Wednesday of last week. Burial was at Graham.

D. C. Benson has been in Parkland County Hospital in Friona since Sunday and relatives around here have visited him.

**THE TONY VIGILS** left Wednesday to attend funeral services for a nephew, a victim of accidental drowning at Cheyenne, Wyo. Susie, Mary Lou and Johnny Vigil stayed with their relatives, the Cipriano Vigils, while their parents were away.

The Harlan Barbers were in Lubbock for Tech's homecoming and to visit their son, Virgil, last weekend.

Mrs. and Mrs. Raymond Mobley, Karla and Kirk visited the Mobley and McMahon relatives during the weekend. Mrs. Mobley had been here several days and Raymond and the children came Thursday. On Saturday they and the Don Mobley's, D. C.

# Social Security Agent to Visit

A field representative of the Social Security Administration will be in Dimmitt Wednesday morning to help local residents on matters relating to social security.

**HE WILL** be at the county courthouse from 9:15 to 11:15 a.m.

If you have a social security question and are unable to see him during his visit here you may visit the Amarillo office Monday through Friday from 8:15 to 4:30 p.m., or until 6:30 p.m. on Thursday evenings.

The social security representative visits in Dimmitt every other Wednesday morning from 9:15 to 11:15.

# Grain Sorghum CHAFF

By WES ANTHONY

I hope you were fortunate enough to get to see thousands of acres of yellow maize and the tall stalks of corn with the drooping ears hanging straight down, also the cotton that is loaded with white and red blooms and bolls. And the carrots that are so juicy and sweet, and the soybeans are a mellow brown.

**IT SURELY IS** something to see the cattle grazing on that luscious green wheat. And by the way, those who have beets are having a good harvest, so maybe we will not run out of sugar. And if you haven't seen enough just go out and visit the cattle and hog feed lots with thousands of head of livestock in them.

**AND THOSE** of us who like foliage in the fall do not have to go to Red River or Cimarron, just go about 70 miles north to the Canadian River and it is a sight to behold. It would be well worth your time to go to Boys Ranch while there.

If you were careless and failed to vote, you have no right to complain about our government and officials.

**THIS WEEK** is Consumer Education Week in Texas. "Calling All Consumers" is the theme. This is the third year that we have had this special week to let the public know of the information available in our office.

As all homemakers know, there is more than cooking and housework needed to have a good home. In the office I have information on all areas of homemaking, including food preservation, sewing, family financial management, time and energy management, child care, aging, home financing, plans, furniture refinishing, draperies, and any other item of interest. There are many excellent bulletins available on these and other topics.

Some of our bulletins are available free of charge and others can be purchased at a reasonable charge. For example, "Christmas Time At Home" (35 cents) has many good holiday food recipes — it is very popular at this time of year.

**HERE ARE** some rules to follow to be a good consumer:

1. Before you sign a contract or any form of agreement with a company or a salesman, ask yourself two questions: "Do I understand everything it states?" and "Do I agree with everything it states?"

If the answer is "no" to either one of these questions, then do not sign the contract or agreement. If you really want the product or service, ask the representative questions, check with your lawyer and ask a competent friend about it.

2. **YOU** probably receive much "junk mail" every week, but before you by anything by mail, check to determine how the "deal" compares with a similar product or service at a local store. Beware of all the "bargains," "easy money items," and "penniless opportunities" you read about.

3. Be suspicious if someone comes to your door and wants to repair your home. Do not sign on the dotted line until you make sure

**NOTICE**

Wallace Monument Co. is no longer associated with Dennis Funeral Home selling concrete burial vaults, monuments and curbing.

The same fine service can still be obtained by calling our office direct — 806-874-2442, Clarendon Texas.

# Office to Close For Veterans Day

The Driver's License Division office in Dimmitt will be closed Monday in observance of Veterans Day.

**THE OFFICE** regularly has a clerk on duty from 8 a.m. to 5 p.m. five days a week. A patrolman is in the office to give driver's license examinations every Monday and the first, third and fifth Friday of each month.

**TO REMOVE** a coffee or tea stain, soak it in cool water 30 minutes or longer. If it remains, work detergent into stain, then rinse thoroughly and dry.

# Teachers to Try To 'Net' Parents

The Dimmitt PTA is whipping four teams into shape for the "First Annual Parent-Teacher Volleyball Contests" to be held Nov. 16 in North Elementary School gym.

THE volleyball exhibition will pit the male teachers against the fathers and the lady teachers against the mothers. Coaches are Ike Moore and Emmett Broder-son for the teachers and Jack Howell and Charles Nutt for the parents' team.

"We need a lot of people to help," said Mrs. Marilyn Carver, who is helping organize the event. "We need double squad of players on each team, so everybody can get some rest."

Those interested in playing on any of the teams should show up at the practice sessions in North Elementary School gym, Tues- day nights at 7:30 and Thursdays from 3:45 to 5 p.m. until the night of the games.

AND IF you don't want to play, you can help as a cheerleader or referee, Mrs. Carver said. She added that if you don't volunteer you may be drafted.

The volleyball games will raise funds to help the PTA buy items for school use here. Admission to the game will be \$1 for adults and 50 cents for students.

# Sailor From Hart Goes to Beeville

Billy Bob Bell of Hart has gone to a new Navy assignment at Bee-ville to receive intensive training, after spending a 15-day leave with his parents, Mr. and Mrs. Bill Bell, and Brother, Ralph Edd Bell, of Hart.

Completing his four months' training in Memphis, Tenn., Bell attained the rank of structural engineer-airman apprentice.

BELL IS a 1966 graduate of Hart High School. Prior to entering the service he attended South Plains Junior College at Levelland, with a major in agronomy and science. While home on leave, he assisted his father with the fall harvest.

# The View From Your Library

By VIRGINIA NEWSOM

Time has a way of passing by in a hurry. I came to the realization that we only have two months left in 1968.

AT THE end of this month, I will have been in the library for a full year. So much has been accomplished for our library in this past year, thanks to the many people who have shown so much interest. We have high hopes for 1969 and with the help of our many friends it will be a good and profitable year also.

For all of the people who are interested in genealogy, we have a new addition in the library.

In our reference department there is a rack with all of the genealogy material displayed.

Mrs. Robb and Mrs. Gregory came down and arranged all of the material one afternoon. They have also arranged for their mem- bers to check out the material for study at home. The Genealogy Society meets the third Thurs- day of the month in the basement of the courthouse. Mrs. P. P. Robb is president of the organiza- tion and anyone interested in more information may contact her. She will be very happy to answer your questions.

DURING NATIONAL Childrens Book Week, we will have open house at the library. We will have a display of some of our new books and refreshments. We would invite everyone to come down and visit us anytime, but especially try to come during the week of Nov. 17-23.

If I had all the books there are that tell of places near and far and I could read them one by one

Wouldn't I have worlds of fun. —Virginia Newsom

# Square Dance Tips

By BILL HARMAN

A little over four squares enjoyed the regular Promenaders Dance Tuesday night with the fine calling of Sid Perkins. Bob and Wanda Murdock were the hostesses which included Hallow- een decorations.

THE CLUB voted to dance ev- ery Tuesday night, and to have a special dance New Years Eve with Sid Perkins selected for the caller. Murray Hall was select- ed for the office of vice-president of the club.

The following is taken from the official publication magazine for square dancers, "Sets In Order" June 1968 issue.

"MR. AVERAGE Square Dan- cer," now that the ballot ques- tions are in from the January issue of "Sets In Order" the results are:

How frequently do you square One a month — 1 percent. Twice a month — 5 percent. Once a month — 1 percent. Twice a week — 2 percent. More than twice a week 1 per- cent.

How long do you feel a course in beginner's square dance les- sons should last? Less than ten weeks — 1/2 per- cent. 11 to 15 weeks — 1 1/2 percent. 16 to 20 weeks — 30 percent. 21 to 30 weeks — 66 percent. 31 or more — 2 percent.

Are you a square dance club member? Yes — 89 percent. No — 10 percent.

Do you enjoy doing round dances? Yes — 66 percent. No — 25 percent.

THE DIMMITT Promenaders dance every week so we are about average for the Nation. The Promenaders hold beginners classes from 10 to 15 weeks or longer if need be, so we are be- low average in this department.

Most Promenaders enjoy round dances between tips of square dancing.

IF YOU are interested in tak- ing square dance lessons, please let us know. Remember! Square dancing is fun.

# Car Damaged, Injury Avoided

By RUBY STONE  
 Mrs. Carman B. Flood narrowly escaped serious injury last Thursday afternoon when she drove her car off the road to avoid an accident with a truck, and tore down three mail boxes and a fence.  
 The mishap occurred near the Frio Baptist Church.  
 The truck involved was owned by Loyd Schultz and driven by Antonio Garza. Garza was cited for giving no left turn signal.

## Savings Bonds Sales Are Listed

Judge R. E. Wilson, chairman of the Castro County Savings Bonds Committee, reported this week that sales of US Bonds and Freedom Shares in the county totaled \$1,463 during September.  
**SALES during the first nine months totaled \$49,778, which is 71 percent of the 1968 sales goal.**  
 September sales in Texas totaled \$13,508,678 and the January-September sales were \$134,729,099 — an increase of 8.3 percent over sales during the same period of 1967.  
 Nationally, the cash sales of E and H Savings Bonds and Freedom Shares totaled \$361 million for September and topping September sales for 10 of the previous 11 years. Holdings of Savings Bonds-Freedom Shares as of September 30 total \$51,964 million.

## Turkey Shoot Slated Sunday

Men, here's your chance to be the first to 'shoot' a Thanksgiving turkey:  
**THE Dimmitt Young Farmers** will have a turkey shoot (trap only) Sunday from 1 to 5 p.m. at the Dimmitt Trap Range, half a block east of Dimmitt High School.  
 Gunners will shoot clay pigeons in five-man flights, and all size shotguns are approved. The winner of each flight will be awarded a dressed turkey of 8 to 10 pounds.

**BLAST OFF** — Construction of the state's tallest man-made structure literally "blasted off" last week as officials of KVII-TV in Amarillo broke ground for the station's new 1,700-ft. antenna. Here, members of the Stanley Marsh Jr. family and John Tyler, owners of the TV station,

and Jim Keeley of ABC-TV, push the plunger to ignite the first dynamite charge at the site. The new antenna, taller than any building in the world, is expected to expand the station's coverage area by more than 9,000 square miles.

## SS Retirement Isn't Automatic

Social Security benefits don't start automatically when you retire.  
**THIS MAY seem strange** since the social security contribution comes out of the pay check without the worker requesting it, but the monthly retirement benefits do have to be requested.  
 Along with the application, certain proofs have to be furnished, according to Travis C. Briggs, district manager of the Amarillo social security office.  
 What does a person need to get his retirement check started? Briggs says that along with his social security card, proof of a person's age should always be brought with him when he files.  
**MOST PEOPLE** decide to file a claim the first trip to the social security office after they see how simple it is, Briggs says, even though they were just inquiring about how to file. Usually one visit is all that is needed if the necessary proofs are brought along. If the spouse and children are also claiming benefits, they will need proof of their age.  
 Since most people in this area don't have a birth certificate recorded near the time of birth, they usually need two old documents showing their age, the older the document the better. Baptismal records, family Bibles, school records, insurance policies, marri-

age licenses, and practically any other old document showing the person's age can be used to establish his date of birth. If the person was baptized near birth and this was recorded by the church, this baptismal record is considered excellent proof by the Social Security Administration, and must be obtained.  
**BRIGGS says** that your last year's W-2 Form, or tax return, if you were self-employed, should also be brought with you when you plan to apply for social security. The W-2 form is the statement of earnings furnished to employees at the end of each year by the employer.  
 The retirement claim should be filed during the three months before the month one reaches 65. The social security office is located at 1006 Adams, Amarillo.

## Outmoded Building Codes Can Prove Costly to Home Buyer

Outmoded building codes increase the cost of housing by prohibiting the use of newer and cheaper building products and construction methods, according to Jane Berry, Extension housing and home furnishings specialist.  
**ALTHOUGH houses built** under antiquated codes cost more, they may not be better houses.  
 Building codes, one of the oldest controls over local house-building industry, protects life, safety and health. They govern the types of construction materials, relation of materials to design, sanitation facilities and other features, Mrs. Berry explains.  
 The codes also can determine whether a house is built with or without excessive expenses of labor and building materials.  
 But all building codes do not accomplish these purposes, according to Mrs. Berry.  
 Some cities operate under outdated specification-type codes which prescribe out-of-date and uneconomical types of building materials and methods of construction. Codes need constantly revision.  
 For example, in some cities, codes dictate roof trusses be spaced 16 inches apart on the center. Engineers and building experts agree that in residential communities 24-inch spacing gives a roof the strength it needs. But because the codes demand it, homeowners pay about \$100 extra for unnecessary trusses, Mrs. Berry cites.  
 The performance code, stating what a structure must do, or how a material must perform, is more contemporary. Under it, architects, builders and homeowners are free to choose the best or cheapest materials and techniques which will perform satisfactorily.

# Computer Age Reaches Road, Safety Officer Tells Lions

Next time you see a Highway Patrol car — or even if you don't see it — the patrolman may be clocking you with a computer.

**THE LITTLE** device that signals the arrival of the computer age on the road is the VASCAR. Its weird name stands for "Visual Average Speed Computer and Recorder," and it was explained to the Dimmitt Lions Club last week by Jim Ferguson, safety officer for the Texas Dept. of Public Safety.

"The VASCAR is a speed checking device that utilizes a computer to determine the average speed of a car over a known distance," Ferguson said.

Nearly anything along the road can be used as a starting or stopping point for the measured distance — a sign post, a tree, a culvert — and the system can be even more accurate at night than during the day, Ferguson explained.

"VASCAR can be used in 23 different ways to tell the speed of cars on the highway," Ferguson told the Lions. "Motorists won't know which Highway Patrol cars have a VASCAR unit in them, because you don't see anything in the car."

Using the VASCAR device, highway patrolmen can learn a motorist's average speed over a known distance while approaching his car, while driving in front of or behind him, while sitting on a side road, atop a hill, or behind the traditional billboard.

"All we need are the known distance and the time factor," Ferguson said. "We 'feed' the known

distance into the unit beforehand — usually a half-mile — then we time the vehicle over that distance. We 'feed' the time into the unit, and immediately it computes and flashes the average speed of the vehicle."

**THE SCOREBOARD** type speed reading stays on the unit's screen until cancelled off, Ferguson said, so a motorist can be shown what his exact speed was. The VASCAR, checked each morning for accuracy, is always correct within a tenth of a mile per hour.

Ferguson emphasized that the VASCAR unit, now in use throughout the state, is not merely a patrolman's tricky way to snare a speeding motorist.

Instead, it is intended to encourage the motorist to voluntarily comply with the speed limit, he said.

"IN Texas, our patrolmen have an average of 137 miles of highway apiece to cover," he said. "They don't have time to chase speeders all the time. They're usually too busy with accidents or other calls."

He explained that "when the speed limit was 60, many motorists drove 70, and now that it's 70 on most of our major highways, a few motorists are beginning to drive 80. You're just not safe at that speed."

"ALL THE VASCAR is intended to do is to slow you down," he said. "If you'll do that voluntarily, without having to be called down on your speed, then the highway patrolmen will breathe a lot easier and you'll be a lot safer."

**Financial Facts**  
By Willis A. Hawkins, Jr.

Prior to 1933, those beautiful American gold coins in various denominations were in full circulation.

Then came the Emergency Banking Act of 1933, which nationalized all gold except for limited amounts permitted in the manufacturing of jewelry, dentistry and other industrial uses.

This Act prohibited banks from paying out gold coin, bullion or gold certificates. And it required the public to turn in all gold coin, bullion and gold certificates to a Federal Reserve Member Bank in exchange for suitable currency.

Then the gold was melted and formed into Standard mint bars 7 inches long, 3 and five-eighths inches wide, and 1 and five-eighths inches thick, each worth \$14,070.

About four-fifths of this country's huge gold reserve, the

world's largest, is stored in the United States Bullion Depository at Fort Knox, Kentucky.

## Bureau Reports Plenty of Geese

A fall flight forecast from the US Bureau of Sports Fisheries and Wildlife indicates that geese hunters should have good shooting this year.

THE GOOSE season opened in Texas Oct. 30.

A. J. Springs, assistant director of wildlife services, says this year's season should be similar to last year's. The Canada goose population forecast for the western part of the state is as good or a little higher than last year's, and in the eastern portion of the state the population should show a slight increase.

This increase can be attributed in part to the restricted bag limit last year in this area, and Springs pointed out the reduced bag on Canada geese will continue this year in this area.

Spring says the white-fronted goose population is also still below the desired level, while the snow and blue goose populations are about the same as last year's.

THE SEASON will run through Jan. 12. The bag and possession limit is five, but with the following restrictions:

The daily bag and possession limit west of US Highway 81 is one Ross's goose and, in the alternative, one white-fronted goose; or one white-fronted goose and one Canada goose; or two Canada geese.

# Brady Shines as Bobcats Win 28-27 Thriller

By JIMMIE CHAPMAN  
With the rain blowing in his face and his team behind 27-21 and only 1:40 left on the clock, Quarterback Jerry Birdwell took the snap from center Gary Langford, faded back into the pocket, then found Jerry Brady racing down the sidelines and hit him with a pass that carried for 64 yards and the tying six points Friday night at Bobcat Stadium.

Then David Land kicked the most important extra point of his career, and the Bobcats had pulled out a 28-27 District 3-AA win over the upset-minded Hale Center Owls.

**THE GAME** seemed to be out of reach for the Bobcats after, the

Owls threw Roy Thomas for a 15-yard loss on a fourth down fake punt to take over the ball at the Cats' 34-yard line with a little over two minutes left to play.

The Owls attempted to run out the clock, but on third down Jerry Brady and Thomas broke through and slammed Owl halfback Larry Hammitt for a 10-yard loss, forcing the Owls to punt. The Cats got the ball back, after a 14-yard punt, but there were less than two minutes left to play and the Cats had a long 75 yards to go.

The most outstanding feature of the game, besides the desperation pass that won it for the Cats, was the outstanding defensive play of linebacker Jerry Brady.

Every time that big defensive play had to be made, it seemed as though Brady was reading the Owls' mail. Five Owls had to leave the game after colliding with Brady, and two did not return.

It was Dad's night for the Bobcats, and the proud papas filled the dressing room after the rain-soaked Bobcats had come from behind to win. Birdwell and Brady had mile-wide grins on their faces, proud of the fact that they had managed to come up with the play that won the game. Parents were also slapping the backs of every lineman who had formed the pocket for Birdwell, giving him time to unleash the "bomb."

Hail and rain started in the second quarter, and with the score tied at 14-14 and the Cats on the Hale Center 11, there were only five fans in the Dimmitt stands and two on the Owls' side. The rain was coming down hard, and handling the football was like trying to hold onto a greased pig. Within a minute and a half, there were four fumbles inside the Owls' 15-yard line, two by the Cats and two by the Owls.

Dimmitt threatened first in the first quarter when David Land broke over right tackle and went 46 yards to the Hale Center 14 before being hauled down from behind. But Hale Center held the Cats and took over after a 34-yard field goal attempt by Land was wide.

Tommy Dyer picked up six yards from the 20 on the first carry for the Owls, and on the second play quarterback Larry Hammitt kept the ball on a roll-out and behind beautiful blocking went 74 yards for the first score of the game. Burt Ferguson passed to Dyer for the extra points and the Owls had an 8-0 lead with the game six minutes old.

Dimmitt took the kickoff and drove from its own 30 yard line to the Owl 39 behind the running of Land and Roy Thomas. On third and long yardage, Land found Co-Captain Larry Gamble speeding toward the goal line and hit him with a 39-yard pass. Gamble took it and fell into the end zone to get the Bobcats on the scoreboard. The Cats went for a two-point conversion but failed, and Hale Center held an 8-6 lead at the end of the first quarter.

The Owls got their second touchdown early in the second quarter when Thomas was hit hard and fumbled on the Bobcats' 16. The Owls couldn't penetrate the tough Dimmitt line, and on third down Land and Danny Newton threw Hammitt for a six-yard loss. On fourth and 17 at the Dimmitt 23, Paul McDaniels hit Melvin Roberts with a pass in the end zone. T. J. Ozburn tried to kick the extra point but it was wide and the Owls had a 14-6 lead.

The Bobcats needed only three plays to tie the score. They started on their own 35 after the kickoff. Land gained seven and Thomas was held for no gain on second down, then Birdwell hit Coleman with a pass on the 40-yard line and Coleman streaked down the sideline for the touchdown to complete the 58-yard pass play. Land rammed over the two extra points behind good blocking, and the score was tied at 14-14.

After the Owls returned the kickoff to their own 34, the rain and hail began coming down. The stands emptied and the lights were a-poppin' but the Owls and the Bobcats kept fighting it out with hard-knocking football, interrupted only by fumbles.

The Bobcats held the Owls and took over at their own 40 after the punt. On first down, Danny Newton showed that the Bobcats had plenty of speed as he rambled for 60 yards for an apparent score, but it was called back and the Cats were penalized back to their 37 for clipping. This was to be the first of two 60-yard touchdown runs by Newton that were called back, denying the Cats of scoring a touchdown on the ground for the first time this year.

The Bobcats cranked up again and moved the ball to the Owl 16, but this is where the slippery ball began to get lost. The Cats fumbled the ball away, then after a punt by Hammitt that went for only five yards into the wind and rain, the Cats again fumbled. The Owls finally got out of their end of the field with a punt that was downed on the Dimmitt 36.

The Cats could not move the ball on the slippery field, and from their own 16-yard line, Baker attempted to punt. But Burt Ferguson came through to block it and Larry Hammitt fell on it in the end zone for the touchdown that put Hale Center ahead.

Ozburn's kick for the extra point was good and the score suddenly stood at 21-14 in favor of the Owls. The Hale Center score came with only nine seconds on the clock. The rain stopped at halftime, but the fumbling kept going for a while. The first fumble was by Birdwell on the Dimmitt 26 early in the third period, and Hugh Garrett fell on it for the Owls. Dimmitt held and forced the punt, but this time Land fumbled and Hale Center got the ball on the Bobcat 16.

Again the tough defense would not let the Owls score, and when Ozburn tried the field goal, Brady made like a one-man gang and eluded through to block it at the 16 and recover it on the Dimmitt 38.

Dimmitt's defense got the Bobcats into a tie with the Owls late in the third period when Jimmy Coleman reached to his shoestrings and picked off a flat pass from Hammitt, then rambled 35 yards untouched to score his second touchdown. Land kicked the extra point to pull Dimmitt into a 21-21 tie with the Owls. The third quarter ended two minutes later.

Hale Center went into the lead again in the fourth period when Hammitt hit Tommy Dyer with a five-yard touchdown pass. The score climaxed a 51-yard drive, with the big gainer being a 22-yard run by Dyer. Ferguson tried to pass for the extra points but was smeared back on the 20-yard line after a bad snap from center, and the scoreboard read 27-21 in the Owls' favor with 7:09 remaining in the game.

This set up the frantic finish that left even the Bobcat fans stunned for a moment. A 75-yard drive by the Bobcats took only three plays and two penalties — one against Hale Center and another 15-yarder against Dimmitt. At the time of the Dimmitt penalty, it looked like curtains for the Cats. But immediately after the penalty, Birdwell threw the 64-yard touchdown pass to Brady that put the Cats ahead.

This was the play that had to work, had to score. The clock was running out and if this play failed, the Bobcats would have been forced into a fourth down and 20 situation on their own 36-yard line.

The blocking in the middle of the line was perfect as the Bobcat

linemen kept the Owls off of Birdwell until Brady could make his cut downfield. Birdwell laid the pass perfectly in front of the big end, and Brady used his basketball grip to pull in the ball, dodge that last defender and ramble for the score.

So many of the defensive players — Brady, Gamble, Coleman, Langford, Randy Griffitt, Randy Schumacher — made this their best defensive game that all of them share the credit.

On offense it was Land, Thomas, Birdwell, Newton and Coleman, along with the pass catching of Larry Gamble and Brady.

This was the first time this year that the Cats failed to score on the ground. The most disheartening two calls of the game were when the two fine 60-yard scramblers by Danny Newton were called back. Newton, along with Coleman, kept the Cats in the game when both Land and Thomas had to leave because of injuries. But "Mr. Inside and Mr. Outside" returned to play an important part in the finish.

After Land booted the winning extra point, he put the ball into the end zone on the kickoff and Hale Center tried to run it back but the defense would have no part of that, and smeared Hammitt on the Hale Center 4-yard line. Three times, Hammitt tried to get a pass to end Bill Davis, but the big 185-pounder found Larry Gamble too much to ask for as the scrapping defender twice cut Davis down as he was catching the ball, and the passes were incomplete.

Dimmitt took over on Hale Center's 21, and Birdwell fell on the ball to run out the clock.

The players of the two teams were shaking hands before the clock had run out, as Hale Center had no more time outs and the Cats were satisfied with the

## Bobcat Coach Voices Respect For Hard-Luck Lockney 'Horns

If you think your hard-luck story is worse than anybody else's consider the woes of Lockney Coach Jack Tayrien.

His Longhorns are in the District 3-AA cellar, but with seven more well-placed points during the season, they could have been tied for second.

The Longhorns have lost three conference games by a grand total of four points. Floydada beat them 8-7, and the following week Friona eked past them, 14-13. Last week they lost to Abertamy, 21-19.

And Coach Brown L. Smith and his Dimmitt Bobcats — despite

the tears they may be shedding over the Longhorns' plight — will go to Lockney Friday night intent on handing the Steers still another defeat and keeping them locked in the cellar.

**IT WILL** be the final road game of the year for the Bobcats. They'll close out their already-successful 1968 football season at home next week, against Floydada.

Kickoff time Friday night will be a good, dark 7:30 in Lockney High School Stadium.

The Steers have only seven seniors on their squad, and considering the inexperience and lack of depth, they've done pretty well during Tayrien's first year as their coach.

**THEY WON** a 14-0 decision over Crosbyton in their first outing, and followed it up with a 28-0 victory over Post. Their first loss came at the hands of Ralls, 33-6. In their final non-conference game, they topped Idalou, 14-7, to go into the district melee with a 3-1 record.

But their district battles have been mainly a series of disappointing squeakers, losing by a point to Floydada, a point to Friona and two points to Abertamy. Their worst defeat of the year came two weeks ago at the hands of (who else?) the Olton Mustangs, 35-0.

**WHEN HE** surveyed his new squad for the first time before the season, Coach Tayrien decided to run a pro-type offense this year "because we can't overpower anybody."

"We don't have any size or speed to speak of," Tayrien said. "If they walk and chew gum and are warm, we'll have to use 'em." Quarterback Tandy Johnston, a defensive specialist last year, has shown an impressive passing arm, so the Steers will probably launch a lot of missiles Friday night—unless the ball-hawking Cats make the skies too unfriendly.

**JOHNSTON'S** top receiver is split end Raymond Sterling, and he has other good targets in flanker Robert Duckworth and tight end Tim Jeffries.

Dimmitt's starting quarterback, Bill Sanders, is out of action for the rest of the season after having a broken cartilage removed from his left knee in Lubbock Monday.

Quarterback Mark Cleavinger also will probably miss Friday night's game because of the back injury he received in the Spur game, Coach Smith said, but Cleavinger is expected to be back in the lineup for the final game.

**JERRY BIRDWELL** will guide the Bobcats from the key post again Friday night, with sophomore Mark Wohlgenuth backing him up.

Smith said he hopes his Bobcats will be ready for Friday night's game.

"Lockney is just like Hale Center," Smith said. "They'll beat you if you give them a chance."

# 60 Attend Halloween Party

By TEENY BOWDEN  
Approximately 60 attended the Halloween party at the church Saturday night. Sponsors were the Sunday school teachers and Training Union leaders of the departments from junior to nursery.

MRS. REX JENKINS was admitted to University Hospital in Lubbock for tests.

Mrs. A. L. Aven and Mrs. Buster Aven of Hart visited Sunday afternoon with Mr. and Mrs. Houston Carson, Carl Dean and Resa. All talked to Gene, who is with the National Guard stationed at Fort Dix, N.J.

Mr. and Mrs. J. Paul Waggoner and Jimmy of WTSU and Mr. and Mrs. Randal Ball had dinner in Olton with their parents, Mr. and Mrs. Bob Ball.

EIGHTY-FIVE attended Sunday School with 48 in Training Union Sunday. Dr. Franklin Swanner brought the message in the absence of a pastor. He and Mrs. Swanner were Sunday dinner guests of Mr. and Mrs. Cliff Brown, Lee and Lynn. Mr. and Mrs. Roy Phelan also had dinner with them.

M. H. Fowlkes spent the weekend in Dimmitt with Mr. and Mrs. Earl Harrison.

Raymond Lilley spent the day Sunday with Mr. and Mrs. Raymond Lewis, Karen and Tommy.

Mr. and Mrs. John Gilbreath attended a Halloween costume ball in Hereford Saturday night, Oct. 26.

MR. AND MRS. Tom McGill were in Lubbock last weekend helping their daughter prepare to move to Shallowater, and they helped them move this week. She teaches school in New Deal and her husband is engaged in farming at Shallowater with his father, but still is a student at Tech.

Mrs. Thelma McClanahan spent last Sunday with Mr. and Mrs. Doyle Meadows of Canyon.

Mr. and Mrs. R. A. Axtell visited last Sunday afternoon with Mr. and Mrs. Gentry Armstrong in Earth, and their several guests.

THE BOOK, "The Gospel of Redemption," has been ordered for the church library by a relative, Wayne Cook of Lubbock, in memory of Mrs. Raymond Lilley. He is the chaplain of the Methodist Hospital in Lubbock.

The book, "No Graven Image," has been ordered for the church library by Mr. and Mrs. Carl Bradley, Kent and Kelby in memory of Mrs. Raymond Lilley.

Mr. and Mrs. Clarence Gannaway, Kelly Don and Shelly Ann of Deming, N.M., visited recently with her aunt, Mrs. Thelma McClanahan, and the Bill Matlocks. She is a former resident of the

community, and will be remembered as Frances Ann Dodson.

MR. AND MRS. Jack Vice returned home from their wedding trip Monday. They visited with the Paul Chance family near Dodd Friday night and got caught in the hail storm on the way home. Several dents were left in their pickup.

Paula Sue Ivey was dismissed from Plairs Memorial Hospital in Dimmitt Tuesday, but was sent to a baby specialist at Lubbock. She was not hospitalized there, but Wednesday they took her to a physician at Plainview who has been keeping in daily touch with them by phone.

The WMS round table group met at the church Tuesday morning to make plans for this year. Mrs. Cliff Brown is the group leader, and it is planned for anyone in the community who likes to read. Just let Mrs. Brown know of your interest.

Rev. and Mrs. M. D. Durham moved from the community to Lubbock after almost eight years here.

LEE AND Roy Bradley of the gas camp flew last Sunday to Olustee with Weldon Bradley. Mrs. Weldon Bradley drove from

Dallas to Olustee to meet them. They all came home Sunday night. Mr. and Mrs. Weldon Bradley, Mr. and Mrs. Roy Bradley and Mr. and Mrs. Carl Bradley attended the funeral services of Haskell Bradley in Olustee Monday afternoon. Kent and Kelby stayed with their grandparents, Mr. and Mrs. Jess Matlock of Springlake. The Weldon Bradleys and Carl Bradleys flew to the services.

Mr. and Mrs. Eldon Lilley and Donnie Lilley left Wednesday morning for the coast for some deep sea fishing.

The current missions group of the WMS met Wednesday night for a program from Royal Service. Mrs. Houston Carson, group leader, had charge of the meeting.

Mrs. Raymond Lewis of Olton had dinner with Raymond Lilley Thursday.

MRS. PEARL SADLER of Dimmitt had dinner Thursday with Mr. and Mrs. Gale Sadler and girls, and spent Thursday night with Mr. and Mrs. Ezell Sadler. Mrs. Alton Louder, Mrs. Milburn Haydon and Mrs. Clarence Mitchell of Springlake visited Thursday afternoon with Mrs. Irvin Ott of Big Square.

Mr. and Mrs. Johnny Epperson and children, Mr. and Mrs. Hershel Wilson and Mr. Grady Epperson attended the funeral services of Mrs. Grady Epperson's mother in Big Spring. Mrs. Epperson had been with her mother for the last three weeks. They came home after the funeral Thursday.

NOAH SPENCER left Thursday for a three-week visit with Mr. and Mrs. Olvis Spencer at Austin, and with relatives in Fort Worth.

Mr. and Mrs. Vernon Orr and Lesa moved into the community Friday from Crane. He is employed at El Paso Natural Gas Co. plant.

Mr. and Mrs. Houston Carson have visited several days this week and last week with his mother, Mrs. J. L. Carson of Olton, in the Plainview hospital. Mrs. Carson suffered a light stroke about two weeks ago.

GINNING season was well under way this week until rain and hail Friday night slowed the gathering for a couple of days. One-fourth of an inch of rain was recorded in the north part, more of the hail was in the west.

Bill McWilliams of Plainview spent the day Friday with his

HART NEWS

Mumps Making Rounds

By MYRT LOMAN
Mumps is making the rounds at Hart this week. The outlook has caused a high absentee rate in the schools...

HART HIGH School's seniors are now taking orders for the 19-68-69 annuals. Anyone wishing to buy one should see a member of the senior class...

THE NEW adult education class taught by Isabel Rodriguez meets each Monday and Wednesday night in the old lunchroom at Hart Elementary School.

Those attending Monday night's class for individual self improvement were Juanita Garcia, Felipe Garcia, Anselmo Alcocer, Cruz Garza, Tomasa Gomez, Guadalupe Valadez, Marie Velia Gonzalez, Juan Gonzales, Eudelia Hernandez, Leonardo Garcia, Acenton Garcia, Fidencia Maya, Jesus Hernandez, Jesus Guzman, Rosa Guzman, Aurora Esquivel, Francis Martinez, Tony Martinez, Odilia Rios and Lionarda Robledo.

THE JUNIOR class of Hart High School will present its class play Nov. 19 at 8 p.m. in the elementary school gym.

BROWNIE Troop 256 met Monday after school in the community room of Farmers State Bank with 14 girls present, plus their leader, Mrs. R. L. Hawkins.

The program subject was "Safety and Health in Home, School and Street." The girls practiced on new songs and discussed how to use a fever thermometer, good health habits, good food and the need of proper rest and sleep.

TUESDAY night of last week about 30 young people from the churches in Hart participated in "Trick or Treat for CROP."

THE FIRST Baptist Church will use its youths in many of the activities Sunday. During Sunday school, the youths will lead the opening exercise by giving devotionals, leading the songs, playing the piano and organ and teaching the Sunday School classes.

MRS. H. H. PARKER was in charge of program, "Day of Prayer and Self Denial." Thursday at the meeting of the Women's Society of Christian Service at the United Methodist Church.

JIMMIE JOBE of Pea Ridge, Ark., is here visiting with his grandparents, Mr. and Mrs. E. L. Jobe, and other relatives.

Lazbuddie 'Horns To Invade Hart; Swifts to Travel
With taxes, there's nothing to do but pay 'em. And with the Lazbuddie's Longhorns, there's no 'hiring to do but play 'em.

HAROLD SMITH, teacher of the junior boys' Sunday school class of the Baptist Church, enjoyed bowling and supper in Olton Saturday evening.

Hospital Can Find Its Reason And Rules in Word, 'PATIENT'
By JERRY COCKREHAM Hospital Administrator
There are several reasons for a hospital, its employees and volunteers and the patient. If the patients did not need the attention of the hospital and its staff, the hospital would have no reason to exist.

THE OBVIOUS fact can sometimes be related to the background of our thinking as we become increasingly concerned with its complexities surrounding the daily routines.

THE PATIENT is the main concern of this years Texas Hospital Association president, Bill Burton, who is mindful of the hospital qualities that the patient has a right to expect. They are easily recognizable qualities which in personal contact can lead to respect and trust, or conversely, to suspicion, fear and hostility.

THESE qualities are demonstrated either affirmatively or negatively by every person working in the hospital, whether it be the administrator, auxiliary nurse, credit clerk, porter, or one of the many other persons who make up the staff, and these qualities are demonstrated every time the patient and an employee or a volunteer have contact.

TO THE patient, the employee or volunteer is the hospital, and the hospital's reputation throughout the community is based on the total accumulative contacts and the good or bad influence that the staff member has had on the patient.

Let's think of qualities that are most desirable in each person who represents the hospital to the public. In taking the word PATIENT, the P represents Patient, the A-Adaptability, T-Tact, I-Initiative, E-Energy, N-Neatness, T-Treatment.

More About: Election Returns

(Continued from Page 1) well led the ticket with 2,207 votes, followed by Sheriff Jack Cartwright with 2,188. Suprisingly, State Treasurer Jesse James — who had an opponent — was the third highest vote-getter here with 2,155.

In the uncontested precinct-level races, Precinct 1 Commissioner E. I. "Tump" McLain received 548 votes; Precinct 3 Commissioner J. M. Wright was re-elected with 551; Elvon DeVaney received 697 votes for justice of the peace in Precinct 2; and T. E. Harrison was re-elected justice of the peace in Precinct 3 with 539 votes.

ON THE 14 proposed amendments to the Texas Constitution, Castro Courtians followed the general state trend by supporting only five of them while turning thumbs down on the other nine.

No. 1, state employees' retirement fund — 1,184 for, 897 against. No. 3, investment of University Permanent Fund — 1,229 for, 814 against.

No. 5, salary increase for legislators — 1,224 for, 877 against. No. 9, teacher retirement schedule — 1,34 for, 620 against.

No. 14, legislators' office restrictions — 1,365 for, 779 against. County voters vetoed all other amendments by sizeable margins.

THE COUNTY'S votes will be canvassed Monday by the commissioners' court, and the complete, official tabulations will be printed in next week's News.

Crane Flight Big This Year

Hunters after the sandhill crane when the season opened Saturday had plenty of birds available, according to preliminary reports received by the Texas Parks and Wildlife Department.

THE BIG bird, also called the little brown crane, is known for its speed and elusiveness. For example, 1,070 sandhill cranes out of a population of over 163,400 were killed by hunters last year.

Crane hunters this year will have two zones in which to hunt. The first season runs from Nov. 2 through Dec. 28 west of US 87 to its junction with US 287 at Dumas, then following US 287 to the point where it crosses the state line in Dallam County.

The second season runs from Dec. 14 through Jan. 12 in that portion of the state lying west of the line from San Angelo along US 277 to Abilene, then along State 351 to Albany, then along US Highway 283 to Vernon, then easterly along US 183 to the point where it crosses the state line in Wilbarger County.

The western boundary of this second zone is US 87 from San Angelo northwesterly to its junction with US 287 at Dumas, then following US 287 to the point where it crosses the state line in Dallam County.

Mrs. Glenn Smith Is Buried Monday

Graveside services and burial were conducted here Monday morning for Mrs. Margaret "Maggie" Smith of Wink, wife of former Dimmitt Water Supt. Glenn Smith.

MRS. SMITH, 72, died at 7:30 a.m. Friday in a Kermit hospital after a short illness. Funeral services were at 2 p.m. Sunday in Cooper Funeral Chapel in Kermit, conducted by Rev. Mert Lampson, pastor of the First Methodist Church of Wink.

Burial was in Castro Memorial Gardens at 10 a.m. Monday, with graveside services conducted by Rev. Jim Picketts, pastor of the First United Methodist Church. Demr's Funeral Home was in charge of local arrangements.

SHE IS survived by her husband Glenn, of Wink; two daughters, Mrs. Mary Jo Price of Houston and Mrs. Ladell Jeter of San Antonio; a son, James, of Wink; three brothers, L. D. Boyd of Hereford, Arthur Boyd of Vanhorn, N.M., and Claude Boyd of Clovis; and two sisters, Mrs. Lillian Miller of Amarillo and Mrs. Lillian Warren of Seymour.

Dimmitt Man Cut, Jailed and Fined

A young Dimmitt man was the big loser in a fight Sunday night when he received a serious knife wound in the abdomen, then was fined on two counts of creating a disturbance.

ROY LESTER Gotzman Hood, 21, was arrested in East Dimmitt Sunday night and taken to Plains Memorial Hospital's emergency room, where 12 stitches were required to close a knife-slash in his abdomen.

"We haven't found the men he was fighting with," Police Chief W. W. Jones said. Before being booked for fighting, Hood also allegedly created a disturbance at the hospital when Patrolman Ellis Butler took him there for treatment. The hospital incident brought about a second disturbance charge against him.

HOOD pleaded guilty Monday morning and was fined \$35 on each disturbance count by Corporation Court Judge L. G. Manning.

He is still in city jail, pending payment of his fines.

Reseal Okayed On '68 Crops

Wheat, corn, sorghum, oats, barley and soybeans from the 1968 crops which are eligible for price-support loans in on-farm storage or in commercial storage, will be eligible for loan extensions (reseal) following loan maturity dates in the spring and summer of 1969, Secretary of Agriculture Orville L. Freeman announced last week.

In addition, 1967 crops currently under extended warehouse storage loan will be continued in similar status.

THE EXTENDED reseal program enables farmers themselves to continue to own and control the major share of the nation's grain reserves, Secretary Freeman stressed. This, along with the assistance given farmers to increase farm grain storage capacities, is aimed at helping producers to strengthen their bargaining position in markets, he added.

"These are part of the continuing actions to give farmers the tools they need to help firm up grain prices," Secretary Freeman said. "Many farmers, faced with record crop yields this year, are using the price-support loan program to keep excess supplies of grains off the market. I confidently believe that we now have started on the route towards a gradual upturn in grain prices. However, farmers, themselves, hold the key. If farmers put larger quantities from 1968 crops under loan as quickly as possible market prices will be strengthened."

THE CROPS now under extended loan include 1967 wheat, corn, barley, oats, grain sorghum and soybeans.

This also follows the recommendation of the National Advisory Committee on Grains for an early announcement of the reseal program for 1968 to strengthen prices and help farmers make better advance crop plans for 1969, Freeman said.

Book Club to Hold Annual Silver Tea

Dimmitt Book Club will hold its annual Silver Tea Wednesday in the community room of the First State Bank.

THE TEA will be preceded by a review of Moss Hart's book, "Act One," by Mrs. Clint Formby of Hereford at 4 p.m. "The public is invited to our Silver Tea," said Mrs. Charlie Hays, president, "and we particularly want members of the Friends of the Library as our special guests."

Mrs. Moore Hosts Birthday Party

The traditional birthday celebration for Mrs. Charity Moore, J. B. Moore and Omega Johnson was held Oct. 27 in Mrs. Moore's home.

THE ALL-DAY celebration featured a potluck dinner of turkey and dressing, ham, fried chicken and all the trimmings.

Forty-six relatives attended the party and fellowship, including all of Mrs. Moore's children and grandchildren, except three who live in Arizona and Virginia.

During the celebration, Mrs. Moore received a phone call from two nieces and a nephew in Hollis, Okla., offering congratulations on her birthday.

Tops Club Has Salad Supper

Eighteen members of the SOS Tops Club enjoyed a salad supper in Lamar Fellowship Hall of the First United Methodist Church last week.

A highlight of the meeting was the crowning of Ann Armstrong as the Tops Queen for the last six-month period.

Also, Dorothy Ellis was honored as Queen of the Week for a weight loss of 3 1/2 pounds.

Ag Workers To Meet in Dallas

The 42nd annual meeting of the Professional Agricultural Workers of Texas will be held Nov. 6-7 at the Baker Hotel in Dallas. Theme of the program is "People — Our Future."

The Silver Tea is held annually in conjunction with National Book Month. Members of the Book Club will serve as hostesses, and contributions will be accepted to purchase new books for the Castro County Library.

THE BOOK Club event will begin with a business meeting at 3:30 for members, the public book review at 4 p.m., and the tea at approximately 5 p.m.

Dimmitt Book Club is composed of 30 ladies from Dimmitt and surrounding communities who are interested in current literature and the betterment of the local library.

don't gamble against a sure thing
You could sit back and take a chance on there NOT being a supply shortage or a late wet spring, but why gamble? A fall application of CO-OP ANHYDROUS AMMONIA will deposit enough nitrogen to last the entire growing season. The kind of nitrogen you can put into your soil to replace the large quantities that crops drain out. When temperatures are below 50° the Nitrogen stays in ammonia form and will not leach. When temperature is above 50° but with little rainfall the problem of leaching will still not occur. It's no gamble when you use CO-OP ANHYDROUS AMMONIA, it's a sure thing. So this fall apply CO-OP ANHYDROUS AMMONIA and give yourself and your soil a break.
