As this is an information-gathering meeting, everyone interested is urged to attend. The City will also accept written comments up until the application is submitted to TDCA.

The first of the two meetings is scheduled for Tuesday, August 9, 1983 at 12:00 noon. This meeting will be held at the City Hall at 215 East Locust Street. At this first meeting the City's housing and community development needs will be discussed. Also an assessment of the City's past housing and development efforts will be made.

The second meeting is scheduled for Thursday, August 25, 1983 and will be held at 9:00 a.m. at the City Hall. This meeting will be to review specific details of the City's application before it is submitted to the TDCA.

Everyone interested in presenting suggestions or ideas is urged to attend these meetings. Handicapped persons who wish to attend and may not have transportation are urged to call City Hall to arrange for assitance.

Castro visits UT campus

Paul Castro, a senior at Lockney High School, this year, recently visited the University of Texas campus to participate in the 1983 Honors Colloquium.

Paul was one of 707 top ranked students who attended. All of those attending were identified as academically talented on the basis of scores

talked with academic counselors about educational planning, were introduced to an array of student services available for UT students and took in a dance, films and games at the Texas Union.

Colloquium participants were housed in a University dormitory. Many UT students and faculty members served as mentors for the small groups to which the visitors were assigned. Dr. Ronald M. Brown, vice president for students affairs, deemed the Honors Colloquium successful because of its "intellectual challenge and warm social atmosphere."

with a B.S. in Elementary education. Her specialty is music. She has four years of teaching to her credit. She taught first grade for two years in Robstown and also first grade for one year in Liberty before the Crowes moved to Houston.

In Houston, because there were no openings in any of the school systems around, she taught 2 year olds in a Mother's Day Out Nursery. Mendy is

Following his graduation from Premont High School, he attended Texas A and I University, graduating from there in 1974. Mickey's first coaching job was in Bishop where he coached for five years. He met head coach, Bob Purser there, and they worked together the five years Mickey was there. Crowe also coached for two years in Liberty and for one year in Houston at Cline Forrest High School, a 5-A school.

When asked what the main difference in South Texas and here were both of the Crowes had the same answer: the weather. South Texas is hot and humid. Here it is hot and dry. Our weather has effected Mendy most since she is expecting their second child in February.

Darrell, not to be left, has already named the new baby Kevin, whether it is a boy or girl.

Crowe also commented he would not miss the Houston traffic.

We welcome the Crowes to Lockney and hope they will enjoy Lockney and our school system. We hope their stay with us will be a long and successful

King to study in France

BENJAMIN KING

Benjamin King, Assistant Professor of Voice in the Houghton (NY) College School of Music, has been invited to spend September 1983 studying with the eminent French baritone Gerard Souzay at the International Ravel Academy in St. Jean de Luz, France (Ravel's birthplace).

King, a 1968 graduate of Lockney High School and 1974 graduate of Texas Tech University, is the son of Mr. and Mrs. Herman R. King of Route 1, Lockney.

According to King, who is also a doctoral student at Eastman School of Music in Rochester, NY, "I feel very honored to have been invited to such a prestigious gathering, especially since the invitation carries a full scholarship. Souzay worked with me in a master class at Eastman, and called the next day with this once-in-a-lifetime offer."

While in France, King will coach repertoire by Ravel and Poulenc with M. Souzay and will perform with the Academy orchestra. In addition, he will present a recital of American songs under the supervision of Thomas Grubb, prominent American coach and diction teacher. King said, "Both my teaching and performance abilities will be greatly enhanced as a result of this experience."

King will be on graduate study leave from Houghton during the 1983-84 academic year, completing a residency for the doctor of musical arts at Eastman. He hopes to complete the degree by 1985.

South Plains, August 1:

Wonderful, wonderful rain on Sunday afternoon, the last day in July! I think almost every farm in this community had rainfall, some more than others. The cotton is right at the time where some moisture will really help it to grow. Reports from one half to .90 inches of rain came to our area with a high of two inches reported by those living directly east of South Plains. This Monday morning it is a nice 66 degrees here in South Plains. Mrs. Ruby Higginbotham has had

Care Center Capers

By Mavis Barton and Mary Jo Fielding Saturday, July 23rd: It has been a very quiet day so far, nobody caused a ruckus or anything, and being Saturday it is a do-what-you-please day. I am catching up on my letter writing, while drinking jugs after jugs of water and I am beginning to feel water logged already. "Granny" is sleeping; as are a lot of Residents taking afternoon naps. No T.V.s blaring out and the only sounds I can hear are the nurses aides doing their chores.

Oh, this morning "Granny Self" got a letter from an old cowboy acquaintance of hers from yesteryear. She asked me to read it to her (she said there isn't anything about love in it so you can read it to me) and I did. It was from "Henry Merle? Merrill? It was indeed a very nice letter, from a friend to a friend.

"Granny" had some crumbs ready for the birds and our nurse, Barbara Brinkly brought her little daughter, Rebecca in to see us and she saw the crumbs and Granny told her what they were for - the birds. So they got a handful apiece, but when they got outside, she must have thought they looked good enough to eat, and started to do so, until Granny reminded her to feed the birds.

Well there is a shift change and it is getting noisy again.

We had a nice surprise this afternoon. I was keeping company with Granny, when I heard our "Western Troabadors" (that is what I call them) band tuning up and that meant some good old toe tapping music. We enjoyed about an hour of good music. It was hot so they broke up and left. I could have listened for another hour or more.

It was the women's turn to sit outside and take in the fresh air and the evening cool. There was John Charles Smith? (I put him ahead of us because he was the only man) Mamie Wofford, Hassie Arnold, Euna Bradshaw, Granny Self, and Mavis Barton, (that's me) and for a while Manemma Hutsell joined us. It was only women talk - but did we go! Sunday, July 24th: It was our anniversary on the 24th and I am glad it

Dottie's Doodlings

Recent guests in the home of G.L. and Dahlia Hight were Mr. and Mrs. John Harkey of Shreveport, Louisiana; Mr. and Mrs. Malcolm Collier, Chris and Melanie of Baltimore, Maryland; came on a Sunday, so we could celebrate it together, it was our 29th. Our son and grandson came over for a while and it was a good day. It was 105°, almost as hot as the day we married, in Bakersfield, California. It was 109° that day. We went the back way home, we turned left at Muncy Elevator, (but don't ask me which way we were going each time we turned, because when I leave home, I am lost.) We saw some different country and the cotton everywhere was looking good if it was only two months earlier. Lets hope for some more rain and a very late frost.

Monday, 25th: We have started taking exercises and I like it very much. Those who are able to stand for some of them, do so. It makes everybody feel good. We play ball for a few minutes and then church.

The Residents had planned a picnic in Mackenzie Park in Lubbock, but being hot like yesterday would have put a damper on things. (I was not going anyway) Then they thought about, having it in the front, but that was turned down, because of the heat. So we ended up having it in the lobby and kitchen.

Tuesday, 26th: I was in our room trying to keep cool. We had the air conditioners worked on and it certainly made it better. We had our exercise and then playing ball and church. In the afternoon we had "Bingo." We all won two fruits. Mrs. Edna Hunter won the blackout game. She won a "Lovers Knot" pin.

A new "resident" came to the Care Center this morning. Laverne Christian came in the dining room at lunch, and told me there was a puppy at the front door, and if I would start feeding it, she would see about the necessary shots for it. It doesn't look like the other residents — it is tan with a black muzzle face and a black tipped tail. I fed it my diced steak and had just finished when Esker Pyle brought out some chicken and dumplings to feed it. So it had a well balanced meal. However, I think he is going to be "ferocious" because he Pyle when he was out trimming the shrubbery.

Wednesday, July 27th: Clyde and Manemma Hutsell went home today with their son and daughter-in-law. They did a few jobs around the house and inside. They told me later they enjoyed it very much. They came back

"Silverton". Donie Hanson also went out for the day with her cousin and did a few chores in her home too. She is a widow and lives in Floydada. She has an aunt who lives next door to her. The aunt and niece brought her back.

This Wednesday afternoon, we paint ceramics and have a good time getting the paint all over us as well as on the article we are painting. Bill Poole visited his father, Mr. William Poole.

Thursday, 28th: We usually do quilting Thurs. mornings, but didn't get started until afternoon. We were quilting when Jean said we could quilt all afternoon if we wanted and we did just that. I have taken some pieces to my room so when I have a little spare time I can add some to the big strip. If you ladies out there have some double knit material, or odd scraps that you do not want, we would greatly appreciate it if you would send them or personally drop them off here at the home. Please help keep us busy.

Friday, 29th: I was up early this morning, had breakfast and now I have to put my feet in the whirlpool and then have them doctored. I was almost late for church.

It is raining, a nice slow shower. If only it would rain like this on the cotton it would be great.

Mary Jo Fielding and Esker Pyle had to rush to lower the flag and bring it in. Saturday, 30th: The weekend is here again and it is our son's and son-inlaw's birthday today. They were born the same day in the "Matador Hospital" as it used to be called, and Dr. Stanley delivered them both. Eunice McFall and myself had no idea that our two boys would even be related. It was a surprise when Bruce started dating our daughter, Ann and found out where and what hospital they were born. So today it's kind of special to both families. Well, "Granny Self" went outside this morning and was playing with a little puppy that has been hanging around the home for a couple days.

We would like to say "Thank You" to John and Diana Truett for their love and really was barking up a storm at Mr. concern for us. John preaches in our church service on Fridays and sometimes on Thursday. Diana calls our Bingo games on Tuesdays and Fridays. Thanks to both of you for helping us out.

IS THIS SOMEONE OU KNOW

She is 84 years old and has lived in her home for the past 50 years. She raised two handsome sons and cared for a loving husband. Her husband died 5 years ago and her two sons left to start families of their own. One son visits at Christmas and writes occasionally; the other hasn't been to visit in 3 years.

These days Mary seldom goes out because she is afraid! She stays in and watches TV alone.

Everybody knows that cooking for yourself is no fun. Mary was once the best chili cook in the neighborhood and won many awards. Now she lives on peanut butter and an occasional can of soup.

We at ARA Living Centers have met many Marys over the years. The feeling of despair that comes from living alone is not new. We've created special rooms for special people like Mary, who need:

- the warmth of companionship.
- a sense of security,
- · nutritious meals, plus

· someone to rely on in emergencies. There is no place like home but we offer those things that make life worth living. If there is a Mary in your life, why don't you call today for more information.

The Hights live on a farm in the Irick raises wheat, corn, milo and cotton. Their daughter, Penny resides in Lub-

bock and is employed at the Lubbock International Airport. Son, Keith, will be a freshman at Clarendon College this fall.

Dahlia has entered items in the culinary and canned good departments at the Floyd County Fair for several years. She is employed as a secretary for an insurance company in Plainview.

Although desserts are her favorite food to prepare she has selected a breakfast muffin recipe to share. A friend in Lubbock gave her this recipe, because she knew her family loved items made with whole-wheat flour. These muffins are easy to make, delicious and very nutritious. She thinks your family will love them some morning for breakfast.

Whole-Wheat Pecan Muffins

1 cup all purpose flour 1 cup whole-wheat flour 1/2 cup firmly packed brown sugar 21/2 teaspoons baking powder 1/2 teaspoon salt 1 cup coarsely chopped pecans 3/4 cup milk 1/2 cup vegetable oil 1 egg

Combine flours, brown sugar, baking powder and salt. Mix well. Stir in pecans.

In small bowl combine milk, oil and egg, add to dry ingredients and stir until moistened well.

Bake at 350°F about 25 minutes or until lightly browned in greased 12 cup muffin tin.

Makes 12 muffins, serve with butter or cream cheese.
