Activities Committee Makes Plans For County Roundup Week

The Castro County Activities Committee met Monday evening, November 22nd, in one of the regular monthly meetings held since September. Plans are already under way for next year's Castro County Roundup Week, which will begin Saturday, August 13, 1966.

Monty Boozer and Jimmy Presley have been elected to serve as co-chairmen for the parade next August, and it has been decided that parade prizes on floats only will be changed from trophies as in the past, to cash prizes.

Maurice Campbell has appointed as vice presidents to serve with him from Dimmitt: Guy Waldrep; from Hart: R. G. Henderson; and from Nazareth: Jerome Brockman. He has also appointed as vice presidents to serve from Eastside: S. L. Garrison; from Sunnyside: Houston Carson; from Flagg: Robert Yates; from Arney: Mrs. Gwen McFarland; and from Jumbo: Bill Simpson; and from Bethel: Wesley Smith. Raymond Crum and Rayphard Smithson have been appointed to the Barbecue Committee for Roundup Week.

1966 will be the 75th Anniversary of Castro County; and the Activities Committee expects with the help of all participating members, to have a special anniversary celebration.

The Castro County Activities Committee is comprised of all organized communities, clubs and organizations in the County, for the purpose of sponsoring Castro

County Roundup Week, and to coordinate the activities of all participating clubs organizations and communities, and to provide leadership and coordination for any activity that is county-wide in scope, as directed by the will of (Continued on page 12)

Eddie Drerup Is Candidate, Commissioner

The News has been authorized to announce the candidacy of Ed (Eddie) Drerup for the office of Commissioner of Precinct 4, Castro County, subject to the action of the Democratic Primaries.

Drerup, 57 years of age, was born in Ottawa, Ohio, and has been a resident of Castro County for 57 years, his parents having moved to this county the year he was born. Drerup, who owns and operates a section of land in Precinct 4, has been a civic worker since becoming an adult. He has been a member of many of the boards of directors of various agricultural, hospital and civic organizations of the county.

In announcing his intention of seeking the office of Commissioner of Precinct 4, Drerup declared that in event he is favored with election to the office he would arrange his affairs so that he could devote the most of his time to the discharging of the duties of the office. Drerup further stated that he had never been a candidate for public office before, but had on other occasions as well as the present, been solicited by his friends and neighbors to become a candidate.

"If favored with election to the office to which I aspire I pledge to discharge the duties of the office to the best of my ability. It will be my purpose as commissioner to look after the best interests of my precinct and county at all times while discharging the duties of the office in a fair and impartial manner.

"I will make every effort to personally contact and solicit the vote and influence of every person in the precinct before election date. While soliciting the vote and influence of every person in the precinct, I want it clearly understood that any consideration given my candidacy will be deeply appreciated." Drerup declared.

REV. E. R. (PETE) WINTER

Assembly Of God Church Revival Begins January 12

The Rev. E. R. (Pete) Winter of Muleshoe, Texas, who is known as the "Cowboy Preacher" will give sermons in a Revival Campaign at The First Assembly of God Church, corner of Belsher and S. E. second, beginning Wednesday, January 12 through 26. Services will be conducted at 7:30 p.m. each week day except Saturday, and at 7 p.m. on Sunday.

The Rev. Mr. Winter worked on the range in Texas in 1909, and was a peace officer at age 21. At age 30 he was a preacher and has been preaching for 42 years. He has been pastor of many churches as well as conducting approximately 490 revivals. He has recently resigned the First Assembly of God Church in Tucumcari, New Mexico at the age of 72, to again travel as an Evangelist.

John Sewell, pastor of First Assembly of God, invites all the public to hear the outstanding ministry of Rev. Winter.

Signup Period Announced For 1966 Diversion Programs

The signup for the 1966 programs for wheat, feed grains, and cotton will start on January 24, 1966, Jim Elder, Chairman, Agricultural Stabilization and Conservation Castro County Committee, announced today. The signup deadline will be April 1, 1966.

For the long-term Cropland Adjustment Program (CAP), the signup will begin (on the same date as for the commodity programs January 24, 1966; the signup deadline for CAP will be announced later. Producers who file intentions under CAP but do not enter into final agreements will have 15 days to file applications to take part in one or more of the annual commodity programs after applicants withdraw or after the County Committee notifies them that no agreement will be available.

The chairman explained that for 1966, a flexible schedule of signups has been adopted throughout the county, with each ASC State Committee determining the most appropriate period for the activity. In most States, the signup period is uniform in all counties.

In general, both the commodity programs and CAP call for diversion of crop acreage into an approved conserving use. By meeting provisions of the programs, farmers become eligible for various benefits in the form of payments — and also for loans under the commodity program.

However, Mr. Elder reminded farmers that participation in the various diversion programs is not automatic — filing an application which shows the operator's program intentions is the first necessary step in qualifying for pro-

gram benefits. All of the signups are conducted at the ASCS County Office. USDA LISTS COMMODITY PRICE SUPPORT APPLICATION DATES

The time between the final filing date for price-support applications and the loan maturity date on 1965-crop commodities will be about one month, the U. S. Department of Agriculture announced on December 27.

In several instances during prior years, there has been a space of several months between the final availability date for loans and the loan maturity date.

For the 1965 crop programs, the two dates have been brought closer in order to give farmers more time in which to make a judgment on the disposal of their crops. Producers of price-supported commodities now will be able to secure price - support coverage through loans or purchases on eligible quantities at any time between harvest and about one month before the loan maturity dates.

The new schedule of dates by which price-support applications need to be filed, and the loan maturity dates, is as follows (all dates are in 1966 except as noted):

Final date for filing price support applications on Barley, Beans, dry edible; Oats and Rye is March 31; on Grain Sorghum and Wheat is February 28 and on Soybeans, June 30.

Price support loan maturity dates on Barley, Beans, dry edible; Oats and Rye is April 30; on Grain Sorghum and Wheat, March 31, and on Soybeans, Mar. 31.

Dimmitt Young Farmers In State Publicity Finals

The Dimmitt Young Farmer Chapter is in the state finals for the Chapter Publicity Award according to a letter received Monday, January 3, by President Monty Boozer from Mr. E. L. Tiner of Austin, Executive Secretary of the Texas Young Farmer Association.

There are only four chapters remaining in competition for the coveted state award. Originally there were ten chapters in competition, each representing one of the ten areas of the state. The Dimmitt Chapter was declared winner of the Area I Chapter Publicity Award at the Area I Young Farmer Convention held last September in Hereford.

The winner of the state award will be named at the State Young Farmer Convention to be held at the Terrace Motor Hotel in Austin on January 14-15th. Among those representing the Dimmitt Chapter will be President Monty Boozer, Vice President Glenn Odum, Treasurer Ben Holcomb, also Area I Vice President, David Cole and Chapter Reporter Don Robb.

Farmers Supply Company Gets Face Lifting

Farmers Supply Co. in Dimmitt, owned and operated by Henry A. Cooper has been undergoing a paint-up and fix-up remodeling job during the past four weeks.

Cooper, who has been the Minneapolis Moline Dealer in Dimmitt since 1944 said that he built the present Farmers Supply Co. building in 1948 and has not been remodeled since that time.

Inside the building, Farmers Supply Co. is getting new fixtures, a new parts department, and a new paint job. Cooper said that he is planning to have a formal opening after the remodeling is completed. The date of the formal opening will be announced later so that everyone can see the new face-lifting of Farmers Supply Co.

Cooper, who was born in Dimmitt said that he has been in repair, parts and maintenance work in Dimmitt since 1935. He was the one who introduced the Moline engine to this country and presently there are 3,000 Moline power units in this area.

Farmers Supply Co., according to Cooper, has the most complete stock of parts in this area. The supply store also has complete shop facilities for any type of work from a minor tractor repair to a complete overhaul or re-building job. Farmers Supply Co. also has four field service units.

Cooper said that his business in Dimmitt was built on service and quality to his customers.

Zonell Maples Is Candidate For Re-election

The News has been authorized to announce the candidacy of Zonell Maples for re-election to the office of County and District Clerk subject to the action of the Democratic Primaries.

In making her announcement for re-election, Zonell made the following statement.

"It has been a genuine privilege to serve the people of this area as County and District Clerk. I have especially appreciated my office as an opportunity to become acquainted with almost every local family."

"If the voters of Castro County favor me by re-election, I will continue to work full time at serving the people of Castro County and of this 64th District."

"I wish to express my sincere thanks to the public for past support and I will gratefully appreciate your vote and influence in the coming election."

Dimmitt FFA Boys Competing In Denver Show

The Dimmitt FFA Chapter members will enter eight barrows in the National Western Livestock Show at Denver, Colorado, on January 14-19th. Those members who have sent in entries in the barrow division are Joey Hammonds, Tommy Youts, Tommy Martin and Michael Cranford.

The boys will leave Dimmitt Thursday morning January 13th, and exhibit on Saturday morning. They will be accompanied by Mr. Elroy Otte Vo-Ag teacher who has also entered barrows in the open show.

This will be the first year that the Dimmitt Chapter has participated in the National Western, which is replacing the Fort Worth Livestock Show on last year's schedule. It was at Fort Worth last year that Kerry Struve carried away the Reserve Grand Championship in the Junior Barrow Show.

Dimmitt Landmark Scheduled To Be Demolished This Month

One of the oldest buildings in Dimmitt that could be considered a landmark in the early development of this city is scheduled to be torn down this month, and a modern warehouse put in its place.

The small tin building located behind the Texaco Wholesale House on East Bedford in Dimmitt once housed the Texas Utility Co. Power house that brought the first electric service to Dimmitt in 1927. The building is presently owned by the Southwestern Public Service Co. and is being used as their warehouse.

Two Dimmitt men, Earl Brock and Buddy Birdwell worked on the Texas Utility Co. in 1927 when the power plant was built in Dimmitt and electric service was provided for the Dimmitt residents. Both men remarked that when the power plant was built in 1927, Dimmitt had only 40-50 meters. Now Dimmitt has approximately 1500 electric meters.

Brock, who is presently the manager of Southwestern Public Service in Dimmitt was a service man working out of Hereford when the power plant was built in Dimmitt. Brock was a service man at the time for Texas Utility Co. and helped build the electric lines and services into Dimmitt.

Birdwell, worked in the Texas Utility Power Plant in Dimmitt as the night engineer. Birdwell served as mayor of Dimmitt in the early 60's and is presently the Distributor of Gulf Oil Products in Castro County.

Brock said that there is quite a contrast in the number of electric services and changes that have been made in Dimmitt as he looks back over the years since the first electric power was brought into Dimmitt. One such change that he noted was that when the power plant was built in 1927, Dimmitt had only 40-50 meters. Now Dimmitt has approximately 1500 electric meters.

Social Security Representative To Visit Dimmitt

H. S. Geldon, district manager of the Social Security District Office in Amarillo announced this week that Field Representative Gerald Millard of the Amarillo District Office will be in Dimmitt at the Courthouse Wednesday mornings from 9:15-11:45 Jan. 12, 26; Feb. 9, 23; and March 9, 23. Millard will be available at these times to conduct any business relating to social security.

District manager Geldon said, "We also are pleased to provide social security programs for meetings of civic clubs, women's groups, Veterans organizations, etc." Geldon stressed that there is no charge for this service offered by the district office in Amarillo.

If anyone would like to have a social security representative talk to his club or group, write H. S. Geldon, District Manager, Social Security District Office, 106 Adams St., Amarillo, Texas, or phone Drake 6-5151, ext. 221.

Geldon also said that if anyone wishes to visit the district office in Amarillo, they should do so between the hours of 8:15 a.m. and 4 p.m., on Monday through Friday.

Bobcat Drive Inn Announces Plans For New Building

Bobcat Drive Inn located at 300 N. Broadway in Dimmitt will be closed for about one month while a new building is being erected on the same location reported Mrs. Earl Studer, part owner of Bobcat Drive Inn.

The present building housing the drive inn will be moved to Oklahoma and a new building will be raised on approximately the same location where the old building was located.

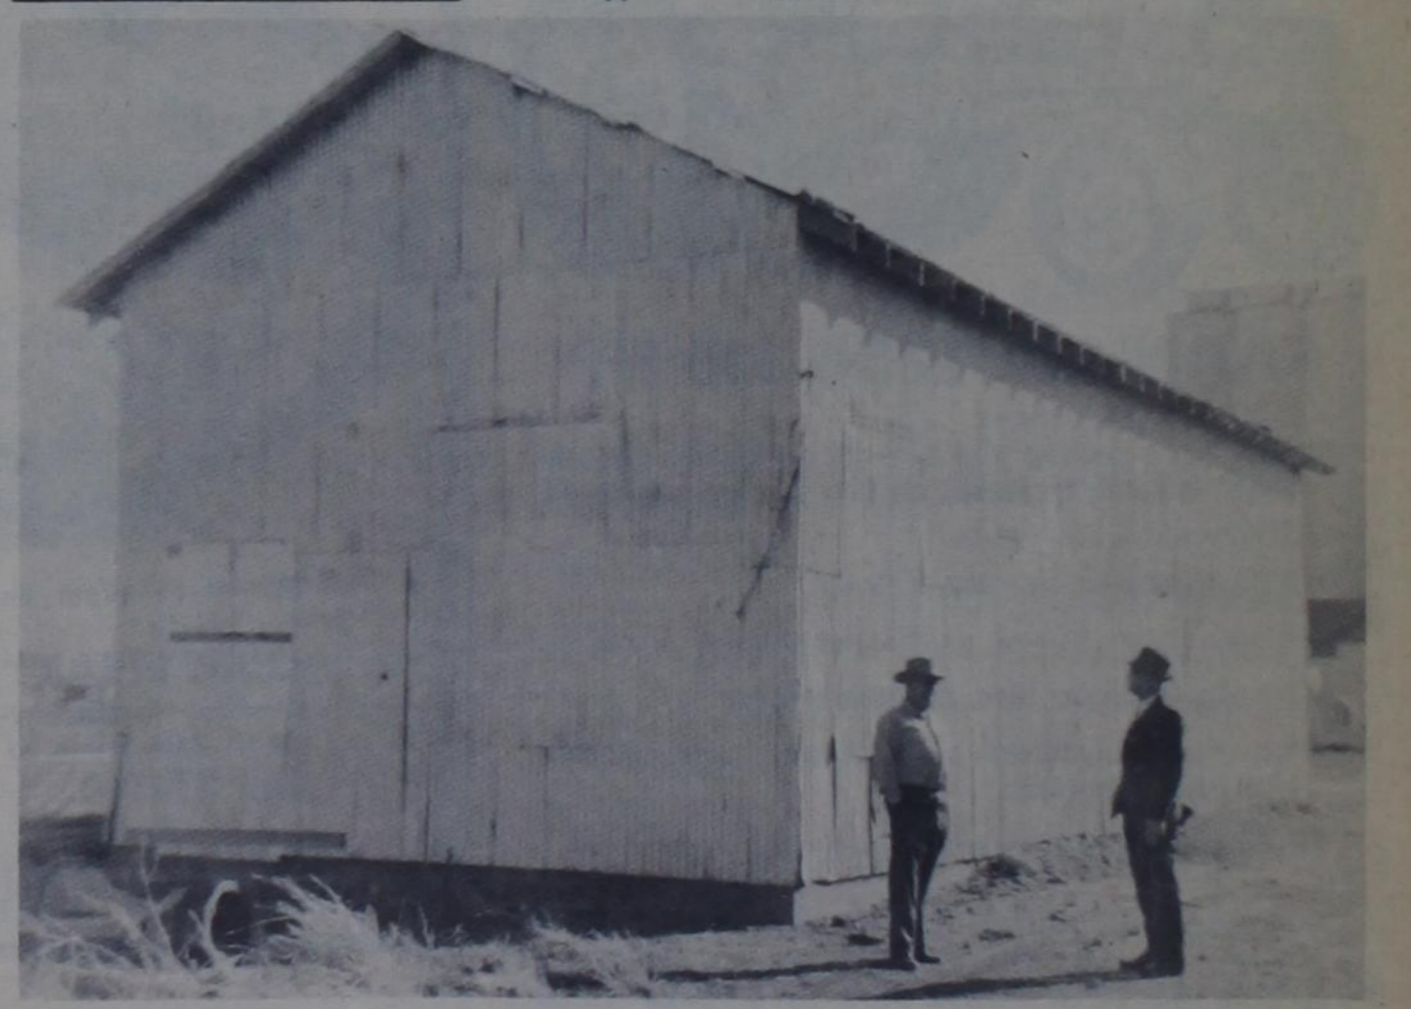

Earl Studer said that the new building will be moved back and north a few feet from the present site to provide more parking space for the Bobcat customers.

Bobcat Drive Inn was the first drive inn built in Dimmitt. The drive inn was originally built by Wayne Gipson, but the present owners are Mrs. Earl Studer and Edwin Hunter.

The owners of the drive inn hope to be completed with the new tile building and open for business again the first of February.

SOON TO BE A FORGOTTEN BUILDING, the Bobcat Drive Inn is tearing down the old building in order to erect a new tile Drive Inn on the same location. Bobcat Drive Inn will be open again the first of February in their new building.

TALKING OVER OLD MEMORIES of the days when Dimmitt was supplied with electricity from this old tin building are Buddy Birdwell and Earl Brock. Birdwell and Brock both worked for the Texas Utility Co. in

1927 when the electric power plant was housed in the tin building that could well be called a Dimmitt landmark. The building will be torn down this month and a new warehouse built in its place.

Bobcats Shut Out Of Tournament By Denver City

The Dimmitt Bobcats after walling the Morton Indians with a 65-39 victory in the Seventh Annual ABC Caprock Basketball Tournament in Lubbock finally met their match in the third game of tournament play when the Denver City Mustangs won with a narrow 4 point margin.

The Bobcats played three games in the Caprock Tournament. The boys first met Lubbock Christian High School Tuesday morning and quickly closed them out of the tournament by gaining a 60-47 victory over them, but lost out in the third tournament game in a contest with Denver City.

Coach Kenneth Cleveland said that the boys played a very good game against the Morton Indians. Bob Bradford was the high point man for Dimmitt by netting 21 points. John Howell was second with 15 points, while Jackie Dunn came in third with a total of 11 points.

The coach said that Ronnie Kenmore did a wonderful job for the Dimmitt team defensively by holding Ron Heldlim to only six points during the game. Cleveland reported that Heldlim of the Morton Indians has scored an average of 20 points in every game this season. The coach added that the entire Bobcat team played an outstanding defensive game against the Morton Indians.

Statistics on the game against Morton showed that the Bobcats hit 26 out of 67 field goal attempts for 36 percent, while they hit 70 percent of the free throw attempts by completing 7 out of 10 tries.

Scores by quarters were as follows:

First, Bobcats, 16; Morton, 3. Second, Bobcats, 30; Morton 15. Third, Bobcats, 48; Morton, 31. Fourth, Bobcats, 65; Morton, 39. After taking a four hour rest following the Bobcats victory over Morton, the 'Cats met the Denver City Mustangs for a contest in Dimmitt's third game in the Caprock tournament.

The Bobcats grabbed a quick 15-11 lead over the Mustangs, but were unable to regain the lead after the Mustangs had wrestled it from them by halftime. The Mustangs ended the game with a 59-55 victory over Dimmitt.

"Even though the Bobcats lost the game with Denver City, the boys played a real good game," reported Coach Cleveland. He also said that Denver City had a good team with a lot of height. John Howell was the high-point man in the game against Denver City with 14 points in his favor. Ronnie Kenmore was second with 12 points.

Scores by quarters were as follows:

First, Bobcats, 15; Mustangs, 11. Second, Bobcats, 28; Mustangs, 29. Third, Bobcats, 43; Mustangs, 45. Fourth, Bobcats, 55; Mustangs, 59.

Coach Cleveland reported that John Howell made the All-Tournament team at the Caprock Tournament. Howell was high-point man in two of the games that Dimmitt played in the tournament, and scored a total of 50 points in all three games.

Cleveland said that the Bobcats have been invited to play in the Caprock Tournament every year since its origin seven years ago. The coach said that he was very proud of his team when the tournament officials told him that they were always glad to have the Dimmitt team in the tournament. In fact, they reported to Cleveland that Dimmitt is usually first on the invitation list to the schools invited to play in the Annual ABC Caprock Tournament in Lubbock.

Income Tax Forms Will Be Received Soon

The U. S. Treasury Department of Internal Revenue Service in Dallas reported this week that the 1965 income tax forms and instructions will be in the mail any day now. Tax man Sam says, "It pays to read these instructions."

The district office said that if anyone cannot find the answers to his questions in the instructions that a copy of "Your Federal Income Tax" can be received by sending 50 cents to the Internal Revenue Service in Dallas. "This publication answers your questions in a simple, easy to understand language," reported the Internal Revenue Service. "It will help you save tax dollars by telling you what you owe and what you don't owe."

Auto Accident Involves Two Dimmitt Residents

An automobile accident involving two cars occurred Thursday afternoon at 2:30 near the home of Mr. and Mrs. H. E. Henley 2.2 miles north of Dimmitt city limits on Highway 385. No injuries were sustained from the passengers in the cars according to Highway Patrolman Ed Richards of Hereford who investigated the accident.

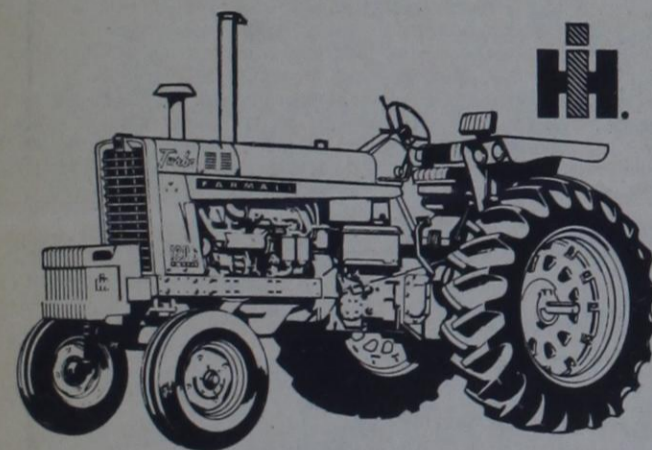

Involved in the accident was a 1955 Oldsmobile, owned by Anselma Gonzales, Rt. 5, Dimmitt, and a 1964 Chevrolet driven by Donald Johnson who resides at 1605 Bedford, Dimmitt.

According to Patrolman Richards, the injuries sustained by the two cars were minor.

1955 DHS Graduates Observe Class Reunion Monday, December 27

Twenty-two former Dimmitt students who graduated from Dimmitt High School in 1955 met at the Colonial Inn Restaurant Monday night, Dec. 27, to celebrate their 10 year class reunion and to reminisce about old times.

The 1955 graduating class was made up of 42 members, but only 22 of the former members of the class were able to assemble for the reunion.

During the reunion activities, George Ray Jr. read the class prophesy. The 1955 class will be read by Bryce Dowell, and Edgar Dennis read the class history.

Darlene Dowell, member of the 1955 graduating class from Dimmitt High School said that it was very interesting and amusing to compare what the class members were doing today, with what was written in the class prophesy in 1955.

Persons attending the reunion who were members of the 1955 graduating class were Charles

Electric Co-op Sponsors Contest

All expense paid trips to the nation's capitol city will be awarded to winners of an oratorical contest was announced this week by Lyle Robinson, Manager of Swisher Electric Cooperative.

The contest is open to any boy or girl at least 16 years of age but not 18 years of age prior to September 1, 1965. Mr. Robinson said. Winners will join winners of similar contests sponsored by other electric cooperatives across Texas on the second annual Texas Electric Cooperative Government-in-Action Youth Tour to Washington, D. C. All expenses of the 13 day trip beginning June 2, will be paid by Swisher Electric Cooperative.

Each entrant will be required to give a 5 to 8 minute talk on selected subjects and answer 1 or more of 50 questions asked by the judges.

The oratorical contest will be judged on the basis of (1) knowledge of subject — 40 percent; (2) speaking ability — 30 percent; (3) poise — 10 percent; (4) personality — 10 percent; (5) appearance — 10 percent.

Interested young people may obtain an official entry blank from their school or the offices of Swisher Electric Cooperative. The deadline for submitting entries will be February 11, 1966.

As participants in the Texas Electric Cooperative Youth Tour, local contest winners will travel by chartered bus to Washington D. C. where they will spend four days visiting places of historical interest and seeing the nation's government in action.

On Wednesday, June 8, the Texas group will meet more than 800 students from other states for a program sponsored by the National Rural Electric Cooperative Association and the Rural Electrification Administration. The program will feature presentations by officials of these organizations and other Washington personalities and possibly the presidential staff.

The eventful day will end with a charter cruise down the Potomac which will include entertainment and refreshments.

Also included on the 13 day agenda will be visits to the following: George Washington's Mount Vernon home, Arlington National Cemetery, the U. S.

House and Senate, the U. S. De- Smithsonian Institute, the Lin- coln Memorial and other places of interest.

Bible Thoughts

"WE BELIEVE THE BIBLE"
by Ronnie Parker

The Bible has, indeed, been an anvil on which many a hammer has been worn out. Critics and enemies have tried continually to destroy it. We have reason to believe, however, that the Bible is God's book and that it will never be destroyed.

One reason is that it is a UNIQUE book. It is among the oldest books in all the world. The Bible records events from the beginning of creation down to the year 96 A.D. Many of the things reported in the Bible happened long before the pyramids were built along the River Nile. The songs of David and Solomon had been sung before the great poet of Greece had given the account of the Trojan War. Many of the books of the Bible were completed before the first public library was built in old Athens. The prophets, from Isaiah to Malachi, had given a vision of future events and passed away before the philosophies of Socrates, Plato and Aristotle were given.

Almost two thousand years have passed since the inspired writers laid down their pens yet the Bible is just as applicable to the people of this hour as it was to those of the first century. The Bible is for you. Believe it.

Walter Rogers' NEWSLETTER WASHINGTON

For the seventh straight year, the United States in 1965 set new records for the value of its minerals production. Continuing advances may be expected next year. It is encouraging to note that growth rates in the values of all three major groups of minerals — fuels, metals, and nonmetals, — closely paralleled those of 1964, with fuels showing a value gain of 3 percent, metals a gain of 10 percent, and nonmetals a gain of nearly 4 percent.

The strength of segments of the minerals industry, including the very important oil and natural gas industry, is a key factor in the country's general economic well-being. Of special interest to residents of the Texas Panhandle are 1965 figures related to oil, natural gas, and helium production. Some of the key points are as follows:

The production of crude petroleum in the United States this year totaled 2,846 million barrels, valued at \$8.2 billion. The total demand for petroleum products averaged 11.5 million barrels daily, up 4.1 percent from 1964.

The marketed production of natural gas in 1965 was 16,432 billion cubic feet with an average well-head value of 15.5 cents per thousand cubic feet, representing a 5.7 percent gain in production and a 1 cent increase in average well-head value.

Helium consumption in the United States increased by more than 30 million cubic feet (a gain of approximately 4 percent) to an estimated 743 million cubic feet during 1965. The price from Bureau of Mines plants and the single commercial producer remained at \$35 per thousand cubic feet.

Since most of the Free World's supply is concentrated in the Panhandle area, helium is of special interest to us. In addition to the helium sold, more than 3.5 billion cubic feet of "crude" helium was supplied during 1965 by five privately owned plants for purchase by the Bureau of Mines under the helium Conservation program. This program was set up under legislation I had introduced in order to conserve helium that would otherwise be wasted when natural gas containing it is burned as fuel. After being removed from natural gas being piped to market, the helium is piped to the Cliffside gasfield northwest of Amarillo and stored for use later, as needed. Helium is vital to projects involved in our national security; about 75 percent of helium consumed this year was purchased by the Department of Defense, the National Aeronautics and Space Administration; the Atomic Energy Commission, and other Federal agencies. Helium is becoming increasingly important as technological and scientific progress advances the frontiers of weaponry and peaceful space exploration. It is expected that the helium stored at Cliffside will one day be essential to continued progress.

Bobbies Bow To Olton In Farwell Tourn.

The Dimmitt Bobbies stepped toward the finals in the Farwell Basketball Tournament Thursday night by netting a 47-43 victory over Muleshoe in the second game of the holiday tournament.

Girls coach, Van Kountz said that the Bobbies played a good game against the Muleshoe girls. He also stated that Muleshoe had a good ball club, but a look at the game statistics showed that the Bobbies were leaders at the end of each quarter in the contest.

Donna Summers was the high-point girl for the Bobbies by sinking 19 points through the basket. Victor Gene Hughs and Debra Summers both tied for second, score-wise, in the game with 14 points each.

A look at the game by quarters revealed:

First, Bobbies, 16; Muleshoe, 6.
Second, Bobbies, 30; Muleshoe, 21.
Third, Bobbies, 36; Muleshoe, 33.
Fourth, Bobbies, 47; Muleshoe, 43.

The Bobbies finally met defeat in the finals of the Farwell Basketball Tournament Friday night when they bowed out to Olton 1-41. Coach Kountz said that the girls played good basketball despite the final score.

Dimmitt was ahead at halftime with a 24-22 edge over Olton, but the Olton girls grabbed the lead in the second half and had their hands on the top rung of the ladder when the final horn sounded.

Donna Summers was the high-point girl for the Bobbies with 26 points credited to her favor.

Two Bobbies, Donna Summers and Penny Hays made the all tournament team at Farwell.

Kountz said the Bobbies will have another shot at Olton when the Olton teams travel to Dimmitt, Friday night, Jan. 14 for the first district game of the season.

ENTERED AS SECOND CLASS MATTER IN THE UNITED STATES POST OFFICE AT DIMMITT, CASTRO COUNTY, TEXAS, UNDER THE ACT OF MARCH 3, 1879

Motorboats Must Be Registered By April 1

State Highway Engineer D. C. Greer said today that more than 200,000 motorboats subject to the new Texas Water Safety act must be registered by April 1, 1966.

The law gives the Motor Vehicle Division of the Texas Highway Department the task of issuing certificates of number for boats operating in Texas waters, just as the division administers issuing licenses and titles to motor vehicles operating on Texas highways.

Renewal notices for boats now registered in Texas will go out starting Jan. 3, along with a brochure outlining key features of the new act.

"This is a good time for Texas skippers to brush up on the law," Greer said. "To make certain their craft complies with the extensive changes in the new Water Safety Act."

For the first time, state game wardens have full authority to enforce water safety statutes.

"All current certificates of number for motorboats operating in Texas waters expire March 31," reported Greer. The new registrations will be valid for a two year period instead of the old three year period.

New fees are Class A boats (less than 16 feet), \$3; Class 1 boats (at least 16 feet long, but less than 26 feet), \$6; Class 2 boats (at least 26, but less than 40 feet long), \$9, and Class 3 boats (40 feet long and over), \$12.

As an example of the changes in equipment in the new act,

Hart & Nazareth Invited To Cage Tourney

Both Hart and Nazareth High School Basketball teams have been invited to play in the 27th annual Amherst High School Basketball Tournament in Amherst, Jan. 6, 7, and 8.

The Nazareth girls are scheduled to open the tournament Thursday at 12:00 noon when they take on Pep. The Swifts then will take on the Pep boys following the girls game in the Amherst gymnasium.

Hart Longhorns will be introduced into the tournament later in the afternoon when the girls will be challenged by Whitharral at 2:40. The Hart boys will meet the Whitharral boys at 4 p.m. Thursday afternoon.

Other schools entered in the Amherst Basketball Tournament are Anton, Sudan, McAdoo and Amherst.

Greer noted that under the old regulations a small Class A boat needed only to show a single white light for nighttime operation. Now, such craft cruising on Texas waters after sundown must have red portside and green starboard lights as well as a white light showing from the stern.

The regulations also require horns, bells, fire extinguishers, flame arresters and other equipment, depending on the class and type of boat.

It also requires a boat towing skiers to mount a 4-inch rear view mirror.

Details of the new regulations also are contained in booklets supplied by the Motor Vehicle Division to more than 500 marine dealers in Texas. Copies of the Texas Water Safety Act are available at 10 cents a copy from the Texas Highway Department, Motor Vehicle Division, 40th and Jackson Street, Austin, Texas, 78703.

All fees over the cost of administering the certificate of number program are used by the Highway Department in construction of boat ramps on Texas lakes and waterways. More than 40 ramps have been constructed so far.

The law authorized political subdivisions, the authorities operating many Texas lakes and waterways and the Texas Highway Department to "zone" Texas water for specific boating and recreational uses, and make local rules and regulations relating to the operation and equipment of boats, provided a copy of any rule or regulation be filed with the Texas Highway Department and the Texas Parks and Wildlife Department.

The Texas Highway Department however, has left such zoning to local authorities, since the Department has no means or facilities for enforcement.

An investment in Your Future

ATTEND CHURCH

GOD LOOKS ON THE HEART

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Man's first reactions to another is based on outward appearances, and only time will help him to know the heart of another. God knows, immediately, every attitude of the heart, whether it is good or bad.

"Blessed are the pure in heart: for they shall see God."

There are many rewards for those that follow the Lord. *"Let the heart of them rejoice that seek the Lord."* Attend church Sunday and share in the joy of worshipping the Lord.

BEAT HER TO HIM

By Oma Siler

Dear Blabby: My daughter is serious about a bartender twice her age. I fear she would be unhappy with a man so much older and with such different interests. My daughter feels I object to the marriage because of her leaving home and my being. —LONESOME.

DEAR LONESOME: The guy may look effervescent to your daughter now, but after a year he may turn out to be stale beer. You're not so much older, though, and YOUR interests are not so different from his. Make a pass! You may come up with a mugful of happiness . . . Campus Chat

Hi. I am called Miss Holiday. I watch people for Santa all during the year to see who is good and who isn't. During the past couple of weeks, I have been keeping an eye on the teenagers in Dimmitt and thus far, all I can say is that they are certainly a lively bunch.

The afternoon of December 22, town was full of people who were driving up and down streets celebrating the start of the holidays.

Thursday, last minute Christmas shopping was done by Donna and Tommy in Lubbock.

Friday was Christmas Eve. Town was literally empty. Everyone was home with their families just like good little children should be. Santa made his annual visit to all the homes and left goodies for everyone.

Saturday night found the younger set a little slow. They were all so full of Christmas dinner that everyone took it easy by staying home. Anyway there was no place to go because all the drive ins were closed.

Sunday night was a little more lively. Some of the regulars were seen in town, Donna and Tommy, Vickie and Joe, Johnna and Richard, Evelyn and Robby, and Jean and Dan.

Monday was the start of an exciting week for the Bobcats and Bobbies. The Bobcats played in the Caprock Holiday Tournament and the Bobbies played in the Farwell Tournament. Both teams brought home runner-up trophies.

Molly Bradley spent the week in Farwell and it looks as though the stay was worth it; she brought home another senior ring.

After Christmas shopping was a popular thing to do; Donna and Penny, and Pam and Kay were seen in Lubbock. Ann Scarborough made three trips to Amarillo.

Thursday after the ballgame, I saw several couples in town discussing who had gotten the best Christmas gifts. Some of them were Ray and A'llan, Jay and Jan, Stanley and Kay, and Paraly and Jacky.

Friday brought New Year's Eve. Since there was a ballgame at Farwell, many celebrated the New

EDITOR'S NOTES

End Of Round One

In a few short days we will have completed the first semester of the school year 1965-66. It seems only yesterday that we walked into this building and began the first few hours of class work. Many students and teachers were new to us and we had to adjust to each other. Now, after a four month period of time, there are still many adjustments that need to be made in the next semester.

Many students will be changing their schedules in order to take necessary courses. The seniors are excitedly making plans for graduation and are nervously counting the days until May 28. There is a great deal of excitement in the air, and the tension is mounting with every day.

Let us not lose our heads in all the excitement. The second semester is very important; it is the determining factor in passing or failing. Many teachers require projects or themes during the last semester, and these also determine the yearly grade.

Round one is over; now, let us do our best to be the victor of round two.

There will be many new students entering our school at semester. New students are often confused and bewildered in a strange building. Let us do our part in making the new students feel that they are welcomed in our school system.

Year in Clovis. Charley and Sue, along with Ray and A'llan seemed to be having a very good time. Also on the Clovis drag were Molly and David, Donna and Tommy, Evelyn and Robby, Johnna and Richard, Jay and Paula, and Coach and Mrs. Kountz. I'm sure there were others there, but they must have been hiding in dark corners because I didn't see them.

I was told that Dimmitt was a busy place on New Year's Eve. Our drag was busy until after 1 a.m.

The first day of 1966, was rather uneventful as far as action at home. Nothing particularly exciting happened. I suppose everyone was resting after the night before.

Sunday was an ordinary night. Several couples were in town; Kathy and A. D., Johnna and Richard, Evelyn and Robby, Donna and Tommy, Vickie and Joe, Kenneth and Rochelle, Doricell and Joe Bob, Jean and Dan, Eva and Gary, and Kathy and Donnie and Linda and Harley.

I enjoyed making a stop in Dimmitt and I am sure that Santa will be sure to return next year.

The Shadow

It isn't easy being Dick Tracy's sister; in fact it is sometimes thoroughly exhausting. For example this week I was assigned the job of finding a certain 17 year old girl who had done a thorough job of shop lifting in a New York department store. I was told only that she was a girl of medium height with brown hair, brown eyes, and a squeaky voice. I did not have much to go on, for there are millions of girls who fit that description, but I grabbed my hat and special equipment and took off.

As I searched the country, in the disguise of a tourist, I came upon a girl who fit the description perfectly and decided to follow her every move; this proved to be more difficult than I had ever anticipated. Wednesday after school I followed her as she went downtown for a short session of Christmas shopping, and then to the home of a man called "Smith" where she joined five others to sell vanilla. Rapidly running out of breath, I tagged along behind her as she and Claudio went from door to door peddling vanilla. Finally about 6:00 they got tired and returned to Smith's to leave the money they had made. Then my unsuspecting victim went home, opened her Christmas gifts, packed a suitcase and went to bed.

Early the next morning I watched as this girl's daddy dragged her out of bed and told her that if she didn't hurry they would leave her at home. She then finished her last minute packing and hopped into the car with the rest of the family. Except for a short stop for lunch in Merkel, Texas, they rode all day until about 4:30 when they reached their destination — Temple, Texas. That night my victim went to a Training Union Banquet with a handsome Texas University freshman, Rodney McCutcheon; they doubled with this girl's cousin, Martha Jo Hill and her date, Robby Black. They then drove all over town looking at Christmas decorations; the evening was ended with a visit to the Veteran's Hospital Chapel which was practically covered with fresh flowers. After this inspirational visit, the two cousins were taken to their aunt's house where they spent the night.

Friday my victim returned to her grandmother's house where she spent the day — eating and visiting. Saturday she had Christmas dinner there and later rode around with two of her cousins.

Sunday this girl attended church at Heights Baptist Church and returned there later in the afternoon to help Martha Jo decorate for student's night. After church, she and Marvin Rainwater went with Martha Jo and Robby to the Arcadia Theater to see the new James Bond movie, "Thunderball."

Monday my victim got up, packed her clothes, and headed toward Waco for a tour of the Baylor Unlunch at her aunt's house, she and her family went to Dayton, Texas to visit her uncle.

Tuesday she sat around and watched television all day so that she wouldn't be too tired to eat that huge shrimp supper her aunt was preparing. Wednesday my victim left Dayton for home where she arrived about 7:30 p.m. After sleeping late Thursday, she got up, unpacked her clothes, and that afternoon went to town to visit Gayle Ratcliff in the hospital. That night she recalled old memories as she watched "Rome Adventure" for the second time.

By this time I was growing tired following her; so I was glad that Friday and Saturday proved to be only routine days. Friday night my victim brought in the New Year by going to the show with Sherlon and Rochelle and spending the night with Sherlon.

Morning worship at the First Baptist Church was the beginning of Sunday for my victim. A visit with her grandmother at Sunnyside and evening worship at the First Baptist Church concluded the day.

Having followed my victim all this time, I found out that she was not the one I was after, for Dick had caught the real shop lifter and had been unable to notify me. The girl I had followed during the Christmas holidays was only a senior girl by the name of Peggy Ott. So now I will leave Dimmitt and return to headquarters — fooled again. But next time I'll get the right one — so beware of the shadow!

Ward And Schreck "Seniors of Week"

April 6, 1948, a tiny pink bundle was left in the home of Mr. and Mrs. Clarence Ward. They were very proud parents and they have more than ample reason to be. These proud parents named their bundle of joy, Carla Ann.

D.H.S. was very fortunate in 1964, when Carla came from Paducah to brighten its halls. She has added much to the D.H.S. student body.

Carla is a very pleasant person. She is well liked by everyone who knows her. One of her many friends had this to say about her. "Carla has been very sweet and understanding to me as I am a new student and she seems to understand people very well. She is a very sweet girl."

After graduation Carla plans to go to college and major in business. I have no doubts that Carla will be successful in all she plans.

Arthur Dewey Schreck III, better known as A. D., became a part of the senior class of 1966 in 1960, when the members were green freshmen. For awhile after his arrival, A. D. sounded a bit like a foreigner, and even now he has a little of his Ohio accent left.

A. D. has made many friends since he's been in D.H.S. I don't believe there is a member of the student body who can't call him a friend.

One person was overheard to say, "A. D. is a fellow who will help any friend when he needs it."

A. D. has an outstanding sense of humor. If one hears an outburst of laughter it will not be unusual, after investigating to find A. D. the principal reason.

A. D. is looking forward to attending High Plains Junior College at Levelland, Texas.

Stick To It Fellow

New Year's resolutions seem to be something of a joke these days. They are only as significant as John having a cold. For so many years now people have made long lists of ways they would like to improve themselves. Most of the rules or new ways of life they list are only forgotten or broken within a day or so. This does not help our world or any of the people in it. Besides — no one can completely change or remake themselves in one single day simply by listing resolutions. No one can break all their bad habits in one day and start all over. Why do we make these resolutions, only to break them?

Just suppose everyone in the world made one resolution and kept it throughout an entire year. We will use the suggestion "Be Kind To Everyone" for an example. At home there would be no unnecessary quarrels and fights. Family unity would grow stronger and the love between brothers and sisters, parents and children would increase.

At school everyone would have many more friends, and there would be more, stronger and lasting friendships. Everyone would make much higher grades, do better work, and enjoy school more. There would be more pleasant teachers, happier students, and fewer dropouts.

Don't you think all this would be worth keeping just one resolution? If you still don't think so, consider putting it into effect on a larger scale. Every community would have better business relationships. There would be more and better cooperation between employees and employers. The churches would have an attendance much greater than that at the present, and they would probably play a larger role in the community than they do at the present. Civic and social relationships would accordingly be improved. If all this were so, each community would be taking care of its older people, orphans, disabled people and the underprivileged people instead of letting the federal government do it with social security, old age pension and welfare.

State, national and international affairs especially would be much improved. How much they improve or how long they would stay improved would depend upon us. Could everyone keep a resolution a whole year?

Victor Gene Hughes Selected "Bobbie Of Week"

This week our bobbie is Victor Gene Hughes. Victor was born on December 27, 1948, to Mr. and Mrs. Edd Hughes.

Victor is a very important and valuable forward on the Bobbie's team. She can always be depended on to do her very best in everything. Along with being a member of the Bobbies, she is a very active student of Dimmitt High School. She is a member of the Bobcat Band, Future Teachers of America and the reporter of the Lyre Club and business manager for the annual staff. Some of the honors given to Victor are: Friendliest, her freshman year, Most Likely to Succeed, her junior year and Most Talented, her senior year.

Some of Victor's favorites are: Food — sea food, subject — shorthand, color — blue, sport — basketball, movie — Ben Hur and book — The Robe. Victor is the type person that is always smiling except when she sees a dishonest person and then this becomes her pet peeve.

We would like to congratulate Victor for being the type of person we can all trust and admire.

Students Eye-View Of The DHS Library

The Dimmitt High School library is a pleasantly lighted room that can accommodate two classes plus ten students at one time. Book shelves cover two walls of the library, and a partition of book shelves divide the room into two sections; the encyclopedias and other reference books are on shelves below the windows. At the front of the library is a large desk with a special place for returned books, and near the windows is the card catalogue. In one corner is a shelf that holds many recent magazines and newspapers. Behind the desk are three small rooms: the work room, the office, and the reference room that stores all the magazines on file for references. The light blue and white chairs and tables add color to the room and look very attractive with the walnut book

All School Christmas Program Highlight Of DHS Christmas

D.H.S. students attended a Christmas program presented by several members of the student body, Wednesday, December 22. After the Pledge to the Flag and the school song, Keith Ann Howard and Bill Simmons sang "Blue Christmas" and "White Christmas." The audience waltzed along with Keith Ann, Paula Birdwell and Juanelle Conard as they sang "Winter Wonderland." A freshman girls' quartet entertained the students with "The Little Drummer Boy" and "Let It Snow." A little boy who discovered that Santa Claus looked just like his daddy was played by Keith McMahon. You will never guess who came down the aisle next. Yes, it was old St. Nick himself; he had candy for all the "little" boys and girls in the audience. Dan Petty couldn't decide whether he had been a good boy or not, but Santa gave him some candy anyway.

The Latin classes restored the Christmas spirit by singing the lovely Latin carol, "Adeste Fideles." Jack Flynt read the Christmas Story from St. Luke, and the student body sang some traditional Christmas songs led by Keith Ann.

shelves and main desk. Potted plants add to the beauty of this room and help give it an atmosphere and pleasantness conducive to study. Many students will agree that the library is one of the best places to study in our high school.

Seen often in the D.H.S. library are the library assistants who do many things besides the ordinary jobs of signing permits and checking books in and out. One of the big jobs is typing call numbers on cards for the card catalogue and typing labels on cards and pockets for books. These girls assist in checking invoices and in taking inventory; they process books by making cards for almost all entries in every book, and they check and post magazines for filing and keep accurate records of all magazines. Among their other duties are reading shelves and sorting of cards for the card catalogue.

The winner of the "Letters to Santa" contest sponsored by the journalism department was Julian Acevedo; he was presented a gift by Connie Sheffy. Sue Lust then gave Claudio Bendazzi a special gift from the F.H.A. Irene Thornton sang a carol that is a favorite of most people, "Silent Night." Jay Nelson closed the assembly with a prayer.

Horse Sense—and the Mustang Six

I don't know much about engines.

If mine's smooth, powerful and gives great gas mileage, I'm satisfied.

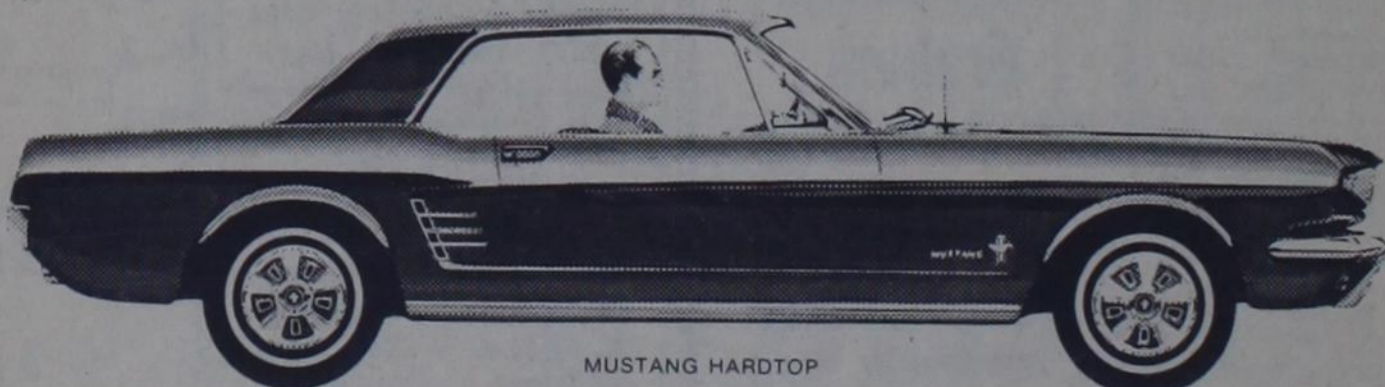

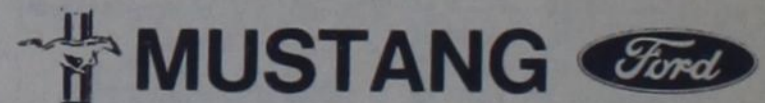

That's why I got a Mustang Six.

You don't have to be an engineer to appreciate the Mustang Six. Just get comfortable in one of those deep-foam bucket seats, fire up that husky 200-cu. in. powerplant... and let yourself go.

Nor do you have to be an investment banker to realize you've made a great buy. Standard Mustang Six luxury includes: all vinyl upholstery; plush wall-to-wall carpeting; padded instrument panel and many other extras at no extra cost.

Sound sweet? Mustang makes lots of nice sounds. Optional stereo-sonic tape is one. Another is money jingling in your pocket, thanks to Mustang Six's meager appetite for gasoline.

See for yourself. Stop in at your Ford Dealer's and test-drive America's runaway success car.

Milady Garden Club Learns About Pruning Shrubs

The Milady Garden Club of Dimmitt met in the community room of the Bank Jan. 4, and heard a program on pruning, presented by Jim Dowty.

Dowty, in speaking to the garden club stressed the importance of trimming and the method used in pruning shrubs. "Severe pruning will produce dense vegetation," Dowty said. He also stressed that flowering shrubs should be pruned in the summer to increase blooms the following year.

Dowty also said that pruning should be done in the spring. The reasons that Dowty gave for pruning were: appearance, regulate growth, strengthen tree or shrub, and for flower protection.

Jean Robb and Gail Bruegel were the hostesses for the Milady Garden Club. One visitor, Charlene Murphy was present for the club meeting.

Texas Deaths Climb To 180 During Holidays

The total number of violent deaths reported in Texas during "Operation Deathwatch" fell below the number estimated by the Texas Department of Public Safety for the period beginning Dec. 24 at 12:01 a.m. and lasting through 11:59 p.m., Jan. 2, 1966.

180 persons died violently in Texas during the holiday season this year. The Department of Public Safety had estimated that 195 persons would die a violent death during the 1965 Christmas season.

"Operation Deathwatch" predicted 110 deaths as the result of traffic accidents. At the end of the holiday period, 87 deaths were reported to the Texas Department of Public Safety.

The total number of homicides and suicides during the holiday season was 44. The Department

Don McCormick With McMurry Chanter Tour

Don McCormick, a McMurry College student, will be with the McMurry Chanters when they make a 10-day tour Jan. 22-31 to perform 18 concerts in 14 cities and towns in South and East Texas.

The Chanters are directed by Professor Paul Engelstad, who is regional governor of the Southwest Region of the National Association of Teachers of Singing.

While on tour the Chanters will sing in Hamilton, Houston, Pasadena, Galveston, Corpus Christi, Port Lavaca, San Antonio, New Braunfels, Austin, Clifton, Irving, Dallas, Fort Worth, and Abilene.

Mr. McCormick is the son of the Rev. and Mrs. H. Weldon McCormick, 712 West Grant Dimmitt. Rev. McCormick is the pastor of the First Methodist Church here. A 1964 graduate of Cooper High School in Abilene, Mr. McCormick was active in the Future Teachers of America, Speech Club and National Thespian Society. At McMurry Mr. McCormick is majoring in history and plans to teach in high school or college.

Dimmitt Book Club Will Meet Jan. 12

The Dimmitt Book Club will meet for their regular monthly meeting January 12 at 4:00 in the Community Room of the First State Bank. Miss Zafar Cetinkaya from Istanbul, Turkey will appear as the guest of Mrs. Goldman Dyer.

Miss Cetinkaya received her high school training from an American Academy for Girls located in Istanbul. She came to the United States in the fall of 1962. She is seeking a degree in Home Economics Education and is a candidate for that degree January 22, 1966. Miss Cetinkaya has done outstanding work during her college career at Tech. She was recently selected most outstanding Home Economics student of Texas by the Texas College Chapter of Home Economists. She is a member of: The Mortar Board, the Phi Upsilon Omicron, a Home Economics fraternity, Who's Who for two years, Phi Kappa Phi, and was Secretary General to the Model United Nations Program, a yearly event observed at Tech.

Immediately following graduation, Miss Cetinkaya, who is 22, will attend Kansas State College on a part time scholarship. She expects to earn a Masters Degree in General Home Economics. Following schooling she expects to return to Istanbul and teach on the High School level. Miss Cetinkaya and Miss Mary Beth Cox of Lubbock are presently doing their student teaching in the Dimmitt Schools.

Drama Club Discusses School Play

The Drama Club met January 3, 1966 in the speech room. The play was discussed and the following committees were set up: usherers for the 6th and 8th, the ticket committees, and poster committee.

The play is to be given January 6th and 8th at 8 p.m. in the Dimmitt High School Auditorium. The play is "Diary of Anne Frank," please ask Bob Bradford, business manager.

What If ...

Christmas Holidays lasted longer?

Our mothers and fathers were not so glad to be rid of us after the holidays?

If we did not have to come back to Six Weeks and Semester tests? (From the teachers too.)

If we were not as tired when we come back from the holidays as when we left?

If referees did not carry change in their pockets?

If all our New Year's resolutions we make, we could keep?

If Batman becomes the latest rage as UNCLE is now?

If we all accomplished over the holidays what we intended to do?

Our spirit of giving at Christmas lasted all year long?

If we all made "Peace on Earth, Good Will to all Men" our New Year's resolution?

If Nancy did not giggle so much when that little imp watches her type?

If part of the things we got for Christmas fit?

If we were not as busy after Christmas exchanging gifts as we were before Christmas buying them?

We did not wait until the last minute to do our work?

We could really learn from the mistakes we made last year?

If you had a happy and prosperous last year or not, the journalism class wishes you a happy and prosperous 1966 and 67.

Resolutions Made For The New Year?

The New Year is here and according to tradition everyone made New Year's Resolutions. Of course these resolutions are sometimes broken but nevertheless people make them. Some of our students volunteered their resolutions and here they are.

Keith Ann H. — Plead the 5th.
Janet Whitten — I resolve not to be as bad as I was last year.
Christine Shugart — I resolve to run around more and flirt with the boys.
Sheila Hamilton — I resolve to make straight A's.
Sheila Hamilton — I resolve to raise more ...
Bob Bradford — Ditto
Connie Sheffy — I resolve to be more patient in Journalism class.
Miss Littlepage — I resolve to stop worrying about my American history students' grades.
Ann Scarborough — I resolve not to wear metal pants in a rain storm.
Brice McRee — I resolve to be meaner than ever.
Bruce Fuller — I resolve to not make any resolutions because they don't last till the 2nd.
Kathy Leinen — Ha! Ha! That's my secret but what I'm going to raise isn't corn!

Operation Christmas Greeting was a most successful undertaking. We now have over \$1800 in the fund to buy needed equipment for the hospital. The Auxiliary wishes to thank everyone who participated.

Our thanks go to all those who made our gift show so profitable. Around \$300 was raised which will be used to help finance the upcoming Licensed Vocational Nurse School. Our hospital staff et al are to be congratulated for this advantageous project.

There will be a meeting of the Auxiliary Wednesday, January 12 at the Methodist Church at 10 a. m. The executive board will meet at 9:00. This is an important meeting because the Awards better be there so you can have Banquet will be discussed. You'd your duthers as to the committee you wish to serve on.

Emily Clingsmith says everyone did quite well in keeping their hours up during the holiday season. Good for you workers.

Be sure and get your hours, regular or extra, recorded in the

book at the hospital. There will be a deadline set at our meeting for your hours so that Jody Lippard can get them recorded and mailed for your awards.

We wish we could think of a pithy statement to make at the New Year about regularly attending to duties, willingness, promptness, dedication; all these things are simply the responses we make to being needed. So, Happy and Responsive New Year.

NOTICE TO MEMBERS OF SWISHER ELECTRIC COOPERATIVE, Inc.

As of January, 1966 ALL meters will be read each month by your cooperative personnel. This will relieve you of a chore many of you have performed faithfully over a period of a good many years.

It is felt this added service will be to the best interest of all concerned. Since it is estimated that a period of some three weeks will be required for the personnel assigned to completely cover the area, some of you will, on February 1st, receive bills covering less than 30 days consumption and others possibly more than 30 days. Beginning with March 1st you will again receive a bill covering a 30 day period.

Your continued cooperation will be greatly appreciated.

Study Course For G.E.D. Test Will Be Offered In Dimmitt

Adults 21 years or older, who did not complete high school may take a General Education Development Test (G.E.D.).

If you score high enough on the G. E. D. Test, the Texas Education Agency in Austin, Texas, will issue you a Certificate of Equivalency. This certificate will in many cases serve the same as a high school diploma in helping you get a job. Some colleges will also admit students who did not finish high school, but who have a Certificate of Equivalency.

The G. E. D. test is over four general areas of study: English grammar, American History, Science and Mathematics.

The Dimmitt Schools will offer 12 review lessons, each 3 hours long in the four above areas. Meetings will be on Tuesday night from 7 to 10 p.m. Classes will meet in North Elementary School.

An enrollment fee of \$15.00 will be charged to defray teaching salaries. This fee is payable in advance. We will have to have enough to enroll to pay salaries or

we cannot have the classes.

Our tentative schedule is as follows:

Jan. 4, 11, 18, 25
Feb. 1, 8, 15, 22
Mar. 1, 8, 15, 22

On completion of the course we will try to arrange to have someone come to Dimmitt and administer the G. E. D. test. If such cannot be arranged, then you can take the test in Littlefield or Levelland. Fee for taking the G. E. D. test is about \$15.00.

If you are interested in enrolling in the study course, you should send or bring your money to: Weldon A. Skinner, North Elementary School, 805 W. Jones St. Dimmitt, Texas, Phone 647-2104.

If you enroll and the class does not materialize, your money will be refunded — however if you enroll and start attending the class and later decide to drop out, we cannot refund your enrollment fee. There are no outside funds available to support this particular class, it will have to be self sufficient.

"I KNOW IT'S TERRIBLE, trying to have any faith . . . when people doing such horrible . . . but you know what I sometimes think? I think the world may be going through a phase, the way I was with Mother. It'll pass, maybe not for hundreds of years, but some day . . . I still believe, in spite of everything, that people are really good at heart." Anne Frank, played by Ginger Kemp and Peter portrayed by Jay Nelson in "The Diary of Anne Frank."

"NO, NO, IT WASN'T SUFFERING. You can't say we suffered." Miop, played by Sharron Flynt talking with Mr. Frank, Jack Flynt in "The Diary of Anne Frank," to be presented by Dimmitt High School Thursday and Saturday nights in the High School Auditorium.

Six Local Families Plan To Attend Austin Convention

More than 1200 Young Farmers and Young Homemakers from Texas are expected to attend the annual conventions for the two organizations in Austin January 14-15. It will be the 12th annual convention for the Young Farmers and the 4th for the Young Homemakers.

The Young Farmers will meet at the Terrace Motor Hotel, 1201 South Congress. The Young Homemakers will meet at the Commodore Perry Hotel in downtown Austin.

The Young Homemakers has 160 chapters in Texas and is made up of approximately 2400 members. The Young Farmer association is made up of 220 local chapters and some 4500 members. The Young Homemakers are sponsored by the Home Economics Teachers in the public high schools, while the Young Farmers are sponsored by vo-ag teachers.

The Young Homemakers Convention will begin at 8:30 Friday morning, Jan. 14 with a coffee honoring past state presidents. Some of the highlights for the Young Homemakers will be an address Friday afternoon on "Communications in the Heart of the Home" by Mrs. Maurine Amis of the University of Texas, and the election of a new state president and installation of new officers Saturday morning.

The highlight of the Young Farmers convention will be the 12th annual awards banquet in the Grand Ballroom of the Terrace Hotel at 6:30 p.m. Friday. The climax of the awards banquet will be the announcement of the 1965 Young Farmer of Texas and the presentation of \$1100 in bonds to the winner by the Sears-Roebuck Foundation.

Featured speaker at the Young Farmer Convention will be Dr. C. William Swank who is manager of the Ohio Agricultural Marketing Association in Columbus, Ohio.

Young Farmers and Young Homemakers from Dimmitt who are planning to attend the convention are Mr. and Mrs. Glenn Odum, Mr. and Mrs. Ben Holcomb, Mr. and Mrs. David Cole, Mr. and Mrs. Don Robb, Mr. and Mrs. Milton Moore, and Mr. and Mrs. Monty Boozer.

Sheffy's Chatter

This has been a gay week. Everyone is giving or going to parties. The prettiest I have "looked in on" in a long time was the ex-students of Jeanne Campbell's School of Fashion that met in the Colonial Inn dining room Thursday evening. About fifty persons were present for the meal. The girls were dressed in long skirts with sequins, brocades, furs, etc. Their gentlemen escorts in their Sunday School suits, black ties made it very colorful. Keitha Davis a medical student at Houston gave the talk, telling how the charm course had given her confidence and how now in her busy hospital world.

I was hostess the same evening in the smaller room with dinner and "42" at the house later. 20 people helped us celebrate Sid having another Jack Benny birthday. Jack Summers and Clarence Bearden and Vera Webb and Edith Ramey were high. We had a good time too.

Ruidoso's ski resort seems to be a popular place this winter. I heard that Dicky Dyer, Charles Axtell and Ross Morris of Earth were there for a few days. Also Robert and Mary Lee Singer and their boys, Natalie Doney went with the Merritt family party.

Jack Nichols, who is in school in Okla. City, Dicky Dyer from Texas Tech, Tommie and Karen Nichols attended the Dimmitt basketball games in Lubbock as did one-half of Dimmitt folks, according to the George Bradfords who were there.

Dr. and Mrs. Bill Lee, James Bradford and son, Jack, Claudio Bendazzi and J. G. and Arlyle Davis were in Dallas for the Cotton Bowl game and the very fine parade. We saw it on TV.

Mr. and Mrs. James Horton and small son visited a few days with his parents in Odessa. Mrs. Horton plans to teach voice and music for Miss Kathleen Robinson who tells me that she and Edd Burrus, who is a farmer and Gin manager at Olton will be married Saturday, January 8. More about this later. They plan to live on the Burrus farm. Miss Robinson will continue teaching in the Dimmitt schools.

Mrs. Glen Stiff and son, Garland and daughter, Carolyn of Roswell, N. M. and Mr. and Mrs. Mark Loudder of Clayton, N. M. are here for a few days with Mrs. Ann Singer and the Singer boys, Robert and Elton. Little Leslie Singer who is in school in Nebraska has been home for the holidays.

Carl and Gail Bruegel were hosts to about 45 friends who came in for a New Year's Eve party. They enjoyed much good food and talk. The same folks went to and from Mr. and Mrs. Hugh Evans' home that evening. Jo said they had a gay Hootennanny type party with Herbert Mayfield picking his guitar for group singing. Hugh's sister and parents were up from Lubbock for dinner and a visit.

I heard all the Dimmitt Country Club people attended a dress-up party at the Hereford Club New Year's Eve. They had music, dancing, food and all sang Auld Lang Syne.

Mr. and Mrs. Bill Bennet visited friends in Sweetwater, Okla. last week.

Recent guests in the Walter Myrick home were his parents, Mr. and Mrs. Walter Myrick, Sr., his sister and family, Dr. and Mrs. J. K. Richardson and Betsy of Sweetwater. Betsy is a student at Texas University at Austin and Mr. and Mrs. Henry Green, friends of Amarillo, and the Myrick's son, Walter 3rd. of Texas Tech.

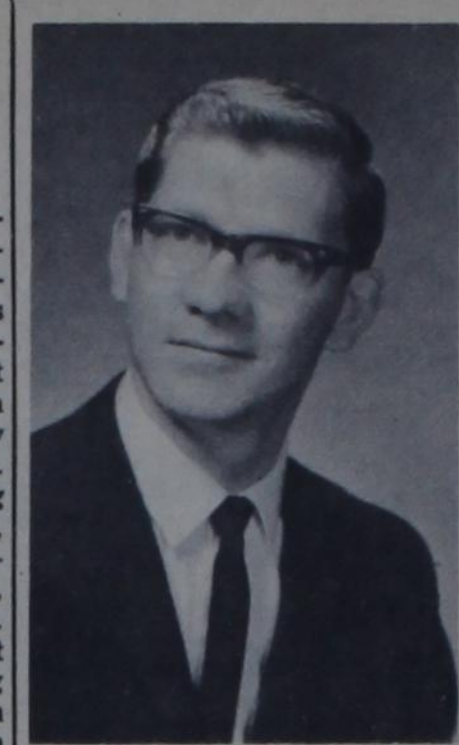

Mr. and Mrs. Allen Webb, A'lan and friend visited their Kristi and Steve Wesson in Lubbock last week end. Steve received notice of his need in the U. S. Service but he may be able to finish school. Don Shelton will leave for basic training the 6th. Our good wishes go with you, boys.

LaDawn Kemp who has been home visiting her parents, Mr. and Mrs. Carl Kemp returned to school at Baylor University at Waco. Carolyn Blye of Olton, granddaughter of Mrs. Grace Loyd, went back with her. All the students are back but I don't know the hundreds.

Mr. and Mrs. Dexter McGeachy and boys visited the holidays with his relatives in Nocona, also to see her father, Mr. Howard who is ill in a hospital.

My neighbors to the south, Mr. and Mrs. Van Kountz visited their parents last week. His folks in Lubbock and her parents, Mr. and Mrs. Covie Williams in Ackerly. Mr. Kountz is basketball coach of all the girls, Mrs. Kountz also teaches P.E. and other things here.

Mr. and Mrs. Woodrow Jones and son, Cecil visited their daughter, Mrs. Vic Stewart and family at Hereford. The Stewarts have new baby boy, Mrs. Bobby Cagle, another Jones girl, spent the holidays with her parents.

CECIL STEHR, D.C.

Cecil Stehr Is Chiropractic College Grad

Cecil Stehr, son of Mr. and Mrs. J. T. Stehr of Dimmitt, graduated from the Palmer School of Chiropractic, Davenport, Iowa, on December 16.

Dr. Stehr is a Dimmitt High School graduate and attended Texas Tech before enrolling in Palmer College.

Dr. and Mrs. Stehr and son, Daniel, are visiting his parents in the Bethel Community. They have not announced where they will make their home or where Dr. Stehr will practice his profession.

Hospital Still Taking Applications For LVN School

Don Newman, administrator of the Plains Memorial Hospital in Dimmitt announced this week that the hospital is still taking applications from those interested in enrolling in the school for training of Licensed Vocational Nurses. The school will be conducted at the hospital in Dimmitt.

The hospital started taking applications for the school last Dec. 15. Newman pointed out that 10

Activities Committee

(Continued from Page 1)

Each participating organization, community or club is allowed 3 representatives as official members of the committee, and these names should be given to the secretary of the Activities Committee immediately upon designation by the community, club or organization. Each participating community, club or organization is allowed one vote. There are no dues for membership.

Because next year, and in fact each year, promises to be an important one in our county, and because the results achieved will be commensurate with the number of organizations and people of the county working together in this area, it is most important that each club, organization and community in the County join in this activity. Maurice Campbell, the President of Castro County Activities Committee, makes an urgent plea to every organization, community and club in the County to contact him or the Secretary of the Activities Committee, Bettye Huckabay, giving her names of three representatives from its respective group. The Activities Committee needs you, and your club, organization or community needs to be a part of the Activities Committee.

This Committee, by virtue of its very purpose, is an important one in our County, but it cannot operate to the best advantage of the County unless it has county-wide participation.

Although the primary purpose of the Activities has been to sponsor the Roundup Week held annually in August, it will probably, as time goes by, increase its activities, and there are a lot of good ideas banded back and forth at these meetings, some of which will eventually be executed, to the good of the County.

This word "important" keeps cropping up through this writing, but it is important that the representatives from each of the member organizations or clubs, or communities, have a love for and interest in our County which will inspire the work of the Activities Committee. It could create a "Utopia" in our County, which would find us working and sharing together for the betterment of all.

The next meeting has been set for January 17, 1966 at 7:30 p.m. in the Assembly Room of the Courthouse.

Fire Dept. Summoned To Halt Flames

The fire that was reported to have burned down a tool shed in Nazareth last Wednesday caused approximately \$2000 damage according to Mr. and Mrs. Al Cameron, owners of Ralph Lowe's Package Store in Nazareth.

"The building that burned was not a tool shed," reported Mrs. Cameron, "but was a small metal building containing many of our personal belongings."

Some of the things that burned in the fire were some clothes belonging to the Cameron family, toys, a new shotgun, luggage and two Chihuahua dogs. The belongings in the building were not insured.

Mrs. Cameron said that they tried to fight the fire, but the water hose was frozen, the wind was blowing, and the Nazareth fire truck was not working. The Dimmitt Fire Department was unable to save many of the things that were in the building, although the metal building, itself, is still standing.

The storage building was only 10 feet from the Cameron's trailer home, but the wind was in the right direction to keep the flames from causing any harm to the home. The package store also sustained no injury from the fire.

The Cameron's blamed faulty wiring for the cause of the fire.

Other fires reported this week by the Dimmitt Volunteer Fire Department were, a cotton trailer on the Haydon Farm; seven miles north of Springlake, a grass fire at 502 S.W. 5th St., a grass fire on N.E. 4th, and a car fire 12 miles north on Highway 385.
