# **Neighborhood Watch program** to be presented tonight

Concerned citizens are urged to meet with Sergeam Bennie Ussery of the Lubbock Police Department, Thursday, May 24, at 7:00 p.m. in the Lockney Elementary Cafetorium to discuss implementation of the Neighborhood Watch Program. Due to an increase of residental crime, it was the general consensus of those present at the town meeting, May 8, that such a program is needed in Lockney.

Conceived originally as a program for discouraging crime in neighborhoods, watch programs have shown spectacular results in many areas of the country.

Watch programs are not asking that one should take a personal risk to prevent crime. The programs leave the risks to the police who are trained to deal with crime. Watch programs are not vigilante groups. No one is asked to act as a "hero". Neighbors are asked only to be alert and observant. Neighbor

hood Watch is more neighborhood awareness and this increased awareness extending throughout the community will serve to further protect property and lives. For more information contact Gary Marr at 652-3706 or Cindy Smith at 652-2170.

# PERSPECTIVES By The Rev. Michael O'Connor

the Barbie doll is now not too sure he did children a favor by giving the doll the proportions he did. He feels there may be something to the theories that Barbie's looks may have caused inferiority feelings in teenage girls, and that in turn could have led to all sorts of ills, including the current problem of anorexia, girls starving themselves to be thin. Barbie is a classic by now. I am sure she will go down in history with the Teddy bear, Raggedy Ann, and a whole host of other famous dolls and toys. She has been a fixture in many a young girl's life, and will continue to be part of many more lives. But is she an evil influence?

My daughter was given a Barbie recently. I had originally thought that might not be such a good idea, but watching her play with the doll, dressing it, pretending all sorts of things with it, I can see a healthy imagination going to work, something I don't always see when other toys are played with. My anxiety about the doll centered around her looks. By allowing my child to play with such a doll, would I be condoning or pushing a poor concept of what women ought to look like?

To be sure, Barbie is a bit top heavy. If you proportion her measurements to a woman 5 ft. 6 in., the woman's chest would be some 14 inches larger than her waist. "Ideal" proportions would have the chest only ten inches larger than the do not a useful person make.

The man who designed the shape of waist. But the problem is not her chest size, it is the rest of her. Barbie is remarkably thin compared to the average woman. Her chest size is average for the size woman mentioned, but her hips and waist are ridiculously small. Barbie alone, however is not likely to

cause a great deal of trauma to a child. Dolls are dolls, and one of the features I noticed about dolls is that, unless they are patterned on real individuals, they really don't have much in common with humanity. My daughter's other dolls wouldn't measure out right proportionally either. Her baby dolls have heads that are too small compared to a real baby's, for example. No, I think dolls are useful for developing imagination and fantasy in a young child's mind.

Instead, the blame is going to have to be shifted to a wider group. It will have to be placed with advertisers who almost universally show us women who are thin, except when they are trying to make us thinner by selling diet food and aids. Blame will have to be placed on we men who are stupid enough to want the women we love to look like the fashion models and beauty queens, instead of appreciating the qualities in women that do not dim. And the blame will have to be placed on women who succumb to societal demands for thinness rather than health.

Barbie is here to stay. It is up to parents to teach their children that looks

# **TABS** tests scores released **B** & **PW** elected officers

# by local school officials

R.L. Knox released the Lockney T.A..B.S. scores to the Lockney school board and to the Lockney Beacon for publication during the May 10 meeting of the school board. These tests are given to students in grades, 3, 5, and 9 to assess the students' knowledge of the basic skills including math, reading, and writing.

The third grade scores proved to be excellent, well above the 85% mastery recommendation set by the state, in all three subjects. In math the students scored 100 percent on 6 of the 10 objectives on the test. They also scored 98 percent in 3 of the objectives and 95 percent on 1.

The third grade reading test was much the same with students showing 100 percent mastery of 6 objectives and 98 percent in 2 of the objectives. Of the 3rd graders handwriting test 98% were acceptable with only 2% being hard to read.

The writing test had 5 objectives and the students showed 100 percent in 4 of those and 98 percent in the remaining subject.

The test results from last year showed a total of 98.6% mastery in all three subjects and this year the students improved to 99.3% mastery of all three tests.

The fifth grade tests showed the students are grasping the main ideas in each subject with the only score under

The ninth grade tests were the only ones to show slight decreases in the results. The math tests had results ranging from 95% mastery down to 27% which involved problems solving personal finance situations. Posing some handicap for the ninth graders were the use of decimals, fractions, measurement units, and ratios.

The ninth grade did not meet the 85% mastery recommendation set in reading. The scores ranged from 84% in three objectives to 59% in the area of distinguishing fact from non-fact.

Ninth graders mastered 2 of the 6 objectives in writing. The four not mastered included: spelling at 82%, commonly used forms at 67%, punctuation at 58%, and 56% in the correct use of English.

Members of the school board and the principals of the junior high and high school sited part of the reason for the decreases in ninth grade scores could be that "these students have entered their first year of high school and do not spend as much time on studies as they should."

The ninth grade students not mastering any part of the tests this year will be retested next year. When necessary it will be repeated each successive year until they have mastered each part of the test.

As in past years, the teachers will be given copies of the T.A.B.S. tests and

The United States Achievement Academy announced today that Tamara Elam has been named a 1984 United States National Award winner in basketball.

This award is a prestigious honor very

few students can ever hope to attain. I fact, the Academy recognizes less than 10 percent of all American high school students.

Tamara, who attends Lockney High School, was nominated for this National Award by Coach Nancy Ray, a girl's basketball coach at Lockney.

Tamara's biography and picture will appear in the United States Achievement Official Yearbook, published nationally.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Tamara is the daughter of Larry and Brenda Elam. The grandparents are Mr. and Mrs. W.N. Gant of Lockney and Mr. and Mrs. Bert Elam of Lockney.

## **PUBLIC NOTICE CITY OF LOCKNEY TEXAS COMMUNITY DEVELOPMENT PROGRAM**

The City of Lockney is planning to file an application with the Texas Department of Community Affairs (TDCA) for a Texas Community Development Program (TCDP) grant. The City's application will be submitted to TDCA on or before June 20, 1984.

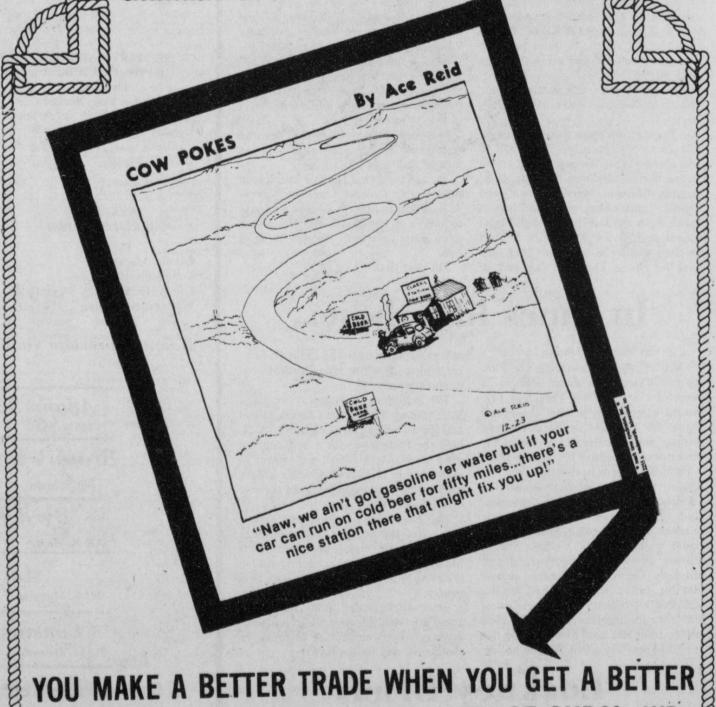

A public hearing will be held at 9 o'clock a.m. on Thursday, June 7, 1984 at City Hall, to discuss the details of the application which the City is planning to submit to TDCA. All citizens are encouraged to attend this public hearing and learn about the activities which the City will include in its TCDP proposal.

The basic intent of the TCDP program is to eliminate slums, blighted housing and deteriorated neighborhoods by providing improved streets: parks and community centers; improved utility systems; better drainage; and other public facilities. TCDP funds may also be used to support economic development activities and public services including manpower training, crime prevention, health care, drug abuse and child care programs.

For further information on the TCDP program, contact Erma Lee Duckworth at 652-2355. **By Tomasa Banda** Boy, what a week! Apart from all the activities that we had this week, it finally looks like we are getting some rain. Hopefully, we will get a sprinkle or two.

I would like to say "Thank You" in behalf of our residents and staff of Lockney Care Center to all the wonderful people who took time to help make this past week a success. And that means to all the faithful people who baked cakes, gave money or just came in to say hi. We appreciate it very much and we love you!

Sunday, May 13, 1984 marked the beginning of National Nursing Home Week. We had a Mother's Day Tea at 3:00 p.m. We had a "little something" for the three special mothers. Bertie Bradley, 97, won the Oldest Mother, Ruby Vaughn was the Youngest Mother and Billie "Granny" Self won the mother whose kids are the fartherest away. After this presentation, there was punch and cookies for everyone to enjoy. Thanks to all the families who came by and spent time with our mothers.

I would also like to thank all the church groups who come faithfully each day. Our residents appreciate it very much. They always look forward to singing and hearing the Word of God!

## donations will go toward building a patio for our residents. Again, thank you. Thanks to Simona Blanco, Palonia and Blanca Blanco for helping with Bingo. Our residents enjoy Bingo alot. They had oranges as prizes.

On Wednesday, it certainly was a busy day. I would like to thank our Dietary Staff, Housekeeping staff, and Nursing staff for all the help in preparing for our Enchilada Luncheon. Thanks to Gloria Villarreal and Mertie Gibson for coming to help in the kitchen. Our luncheon was also a success. We had several people from the community come in to eat and we had alot that carried out. Thanks to all of you for your support in making this a success. Our patio is now just around the corner.

On Thursday, it was Crazy Day! Some of our residents were dressed for this occasion. Also, most of our staff dressed crazy. Everybody had a good time just by laughing at one another. The most wonderful reward in my job is seeing a great big smile on our resident's faces or hearing them laugh. Now, that makes my day! Also, thanks to Dalia Bernal and San Juanita Bernal for coming to do nails

On Friday, we had our family luncheon. Thanks to all the families that helped make this luncheon a success. On Monday morning at 10:00 a.m., Our residents enjoyed it so very much

some of the residents and staff had a Balloon-Send off. In the balloons was a little note asking who ever found the balloon to please let us know. Sure enough, we had a card from Mr. and Mrs. C.D. Oringderff of Kress, Texas. They found it about 1<sup>1</sup>/<sub>2</sub> miles north of Kress. We would like to thank them for letting us know!

Also, on Monday, our staff wore our "National Nursing Home Week" Tshirts!

On Tuesday, we had a Bake Sale which was also a success. Special thanks to Almeda Phillips, Lorene King, Nora Ayres, Emma Stalbert, Claudia Belt, Delinda Glasson, Mertie Gibson and Estella Castro. Also, we would like to thank Resa Ford, Elmo Savage, Opal Blount, and Mr. and Mrs. W.N. Bobbitt for their wonderful donations that they her. gave our Home. The Bake Sale and all

and so did the rest of us. The food was delicious. Thanks to everyone who helped us get ready for the luncheon. Thanks to Toni Severa, Toni Felan, and Rosalinda Hernandez for coming to help us on their days off. Thanks to Gloria Villarreal for helping us in the kitchen.

Also, we had our usual Friday Bingo. This time they had bananas. Everybody nearly played twice. One prize for themselves and one for a resident that is unable to attend.

We would like to thank Gordon Aylesworth for bringing some pajamas for our residents.

We are sorry that Hallie Roberts is in the hospital. Laverne Christian, Vanessa Bart Don and I went over for a minute to look in on her Friday and she seems to be doing very well. We sure do miss

Till next time.

Politically and economically the Philippines is facing the worst crisis in 38 years of independence. President Ferdinand Marcos has headed the island nation for 19 years as President and dictator and is expecting to retain his powers until the end of his term in 1987.

Political tensions have risen since last August when the popular opposition politician Benigno Agrina was assassinated. He was at the Manila airport only minutes after returning from self imposed exile in the United States. Marcos claims that the murder was hired by Communists. Critics charge that the evidence shows that Aquina was shot by military guards escorting him from the airplane-most likely on orders from the administration or the armed forces. President Reagan had to cancel a state visit to the Philippines in November due to the anti-Marcos demonstrations. The Philippines is home to two large

U.S. military bases-the Clark Air Base and the Subic Bay Nval Base. The U.S. held the Philippines for a half century until 1946. Now they are wary of interfiring in the island nation's affairs for fear they might jeopardized the use of the two bases.

The bases are so important to the U.S. that the Reagan administration agreed to nearly double the "rent" paid Manila in military and economic aid for their use to 900 million dollars over five vears.

Clark Air Base and Subic Bay Naval Base are vital to America's position, military power, and future planning in the Pacific and Indian oceans

Verdie Smith and daughter Josephine Smith have moved to the Village Apartments in Plainview. They have lived in Lockney since 1962, although Verdie came here in 1904 with her parents, the late Mr. and Mrs. Charlie Wofford.

Verdie's son, Johnny and Louise Smith of Carlsbad, NM, were here to help with the sale of house and household goods. The house has been purchased by Jim and Carol Huggins. Keith Marble of South Plains attended the college graduation of his nephew at the recent ceremonies for students in the college of agriculture at Texas Tech University. Rev. Michael O'Connor rode 25 miles

in the Golden Cross Fund bike-a-thon held in Amarillo Saturday. With the help of local sponsors, Rev. O'Connor raised nearly \$300 for the fund which benefits needy hospital patients. The fund is administered through High Plains Baptist Hospital at Amarillo and Lubbock Methodist Hospital.

Jackie Cunyus' brothers were here to see Jackie graduate from LHS Monday night. They are Danny and Marita Cunyus, Adam and Patrick of Dallas; Larry and Linda Cunyus and Coe of Richardson, and Ronnie Cunyus of Lubbock. Also here were their aunt, Nell and Ewell Kelley and Kristi of Dimmitt, and cousin, Cindy Kelley of Pampa.

Judy Davis' expected guests for graduation were her aunts, Melva Richardson of Wolfforth, Phyllis Davis of Lake Ransom Canyon and June Taylor of Plainview; and brother, Larry Davis and a friend from Canyon. Mrs. Richardson also visited in

Lockney with her mother, Mrs. Ruby Smith.

Mother's Day guests of Buddy and Georgia Brandes were their daughters, Pam Hall and Hayley of Garland, Debra Hays and Megan of Lubbock; and Mrs. Brandes' parents, Mr. and Mrs. Morris Nance of Plainview. Several office and research employ-

ees of Paymaster hosted a picnic supper for about 25 people at Paymaster Farm recently to honor Keith Owens, LHS

SATURDA

senior, and Mike Matthews, Plainview High School senior. They are the sons of Gene and Virginia Owens and Mr. and Mrs. Bill Matthews. Mike had attended Lockney schools while his parents resided in Lockney.

Polly Gilbert and Sheree Cannon of Floydada attended the wedding Saturday night in First United Methodist Church of Post of Ches Carthel and Susan Sawyers.
