Terry Keltz joins hospital staff as administrator

Terry Keltz began his position as administrator of the Lockney General Hospital on September 1. He comes to the hospital with twelve years of experience in the health care field. He was previously manager of laboratory and X-ray services for the Edgemere Medical Laboratory in Plainview.

Of his new position in Lockney, Keltz said, "I am excited about my new position with Lockney General and look on the new job as a challenge. I am eager to help guide this organization through the changes we will face in an ever changing environment. I am pleased to learn of the fine tradition this hospital has of providing quality health care at reasonable prices. The hospital's motto of 'our family caring for your family' is certainly an appropriate statement when you meet the excellent staff of this hospital. They all express a sincere attitude of caring. My family felt that genuine spirit of caring when our son was born here in this hospital three years ago."

Keltz says he has been busy learning the internal structure of the organization. Meeting the staff, learning the systems, and getting acquainted with all of the department heads has taken quite a bit of time during Keltz' first few days at the hospital. He said, "I am looking forward to a bright future with the hospital. With our excellent physicians, staff and facilities, we are in a position to offer health care services that are second to no one. We are in a choice location to serve the people of this community and surrounding areas. I am elated to see the number of patients we are serving, not only from Floyd County, but also from five or six surrounding counties."

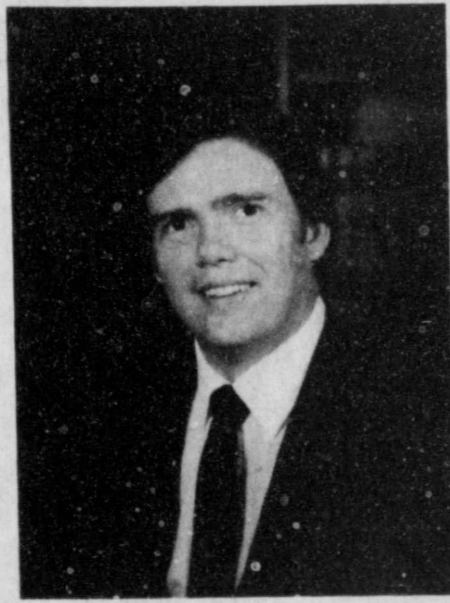

Keltz is a Matador native, having graduated from Matador High School in 1968. After attending Clarendon College and Texas Tech University, Keltz served in Vietnam with the U.S. Army as a military policeman. Afterwards, he entered Wayland Baptist University where he graduated in 1974 with a bachelor of science degree in biological science. While attending Wayland, he worked at Central Plains Hospital in Plainview as a microbiologist assistant.

Returning to Wayland in January of 1983, Keltz received a master of science degree in management in August of this year. Recently he enrolled in an individual study program in health care administration offered by Trinity University in San Antonio. "Wayland University has an excellent graduate program in business management. Most of the management courses I have taken were oriented toward corporate management. I enrolled in Trinity to take the knowledge I gained through the management program at Wayland and focus it upon health care administration."

Presently Keltz and his wife Donnetta along with children Kaci, age 5, and Kyle, age 3, are living in Plainview, but will be moving to Lockney at the end of this month.

In addition to his work at the First Baptist Church of Lockney as music director, Keltz is also known throughout this area for his watercolor paintings and bronze sculptures.

Keltz said he felt that he is a part of the people of this area. "Having grown up in a small town like Matador gives me an advantage in that I feel at home and can communicate with the people of this area."

TERRY KELTZ

New postal regulations effect rural customers

Recently the following changes were made through the local postal department. Postmaster, Doug Meriwether, issued the following information for the benefit of the local patrons.

All of Lockney's rural delivery area has been realigned and the assignment of new box numbers has become necessary.

Those customers who reside on Rural Routes 1 or 2 will receive their new box numbers via letter addressed to each customer.

Those customers who reside on Star Routes M, F, or Q will receive their new route designation along with their new box number via letter addressed to each customer.

The old designation of Star Route - Q will have a new designation of HCR 3.

The old designation of Star Route - M will have a new designation of HCR 4.

The old designation of Star Route - F will have a new designation of HCR 5.

All customers residing on all routes both rural and HCRs will be required to complete a PS Form 4232-A according to the instructions printed on the form. (This Form 4232-A is a customer name and address card and serves as a

In completing the form write the

delivery order to your carriers. complete names and initial of each person and complete the blank items as follows.

Date form completed.

Telephone no.

Item 1: The head of the household

Item 2: Name of spouse

Item 3: Start naming your children (using as many items as necessary).

In item spaces after naming all children name any employees. Complete the parcel delivery block by checking yes or no sign and date the delivery order.

All customers are requested to complete the form on the date of receipt from your carrier and place the completed form back in the mailbox for the carriers next trip to expedite the delivery of your mail.

All customers are encouraged to keep handy for ready reference the letter they receive advising of their new box number and or new route designation and number.

New customers who have just recently completed a delivery order and been advised of the new route number and box number are requested to complete the new delivery order received with their mail.

QUEENS—Jennifer Garza of Floydada, Wresha Rhoderick of Plainview and Misty Bertrand of Floydada took top honors at the Floyd and Surrounding Counties Fair last Saturday evening in Lockney.

Three take top honors in Floyd County Fair pageant

Closing the Floyd and Surrounding Counties Fair this year was the contest to select the queen, junior miss, and little miss. Wresha Rhoderick was named the 1984-85 Floyd County Fair Queen. She is the 17 year old daughter of Mr. and Mrs. Jimmy Rhoderick of Plainview. Misty Bertrand, daughter of Mr. and Mrs. Randy Bertrand of Floydada was named the Junior Miss this year, a new age range for competition this year. Misty is 7 years old.

Taking top honors in the Little Miss Contest this year was Jennifer Garza, the four year old daughter of Mr. and Mrs. Richard Garza of Floydada.

Runners-up in the queen contest included first runner up, Kelli LaBaume of Floydada, and second runner up, Christina Thompson of Plainview. Selected in the top five were Sherre Kinard of Lockney and Stacy McCune of Plainview. Other honors bestowed on the queen contestants included the Miss Photogenic title, which went to Shannon Edwards of Floydada and Miss Congeniality, Lana Fannon.

First runner-up in the Junior Miss division of the pageant was Jennifer Fortenberry of Lockney; Kathryn McCune of Plainview, second runner-up; Pepper Hinkle of Floydada, third runner-up; and Tana Pirkle of Plainview, fourth runner-up.

Named Miss Personality Plus in the Junior Miss category was Kori Kellison of Lockney. Miss Photogenic was Misty Bertrand of Floydada; Miss Sportsweat, Amber Finch of Plainview; and Miss Partywear, Robin Galloway of Floydada.

Runners up in the Little Miss Category included first runner-up, Desiree Bradford of Lockney, who was also Miss Photogenic; second runner-up was Laura Hale of Floydada; third was Lacy Golightly of Floydada; and fourth was Heather Graham of Lockney. Miss Personality Plus was Gretchen Quebe of Lockney; Miss Sportsweat, Allison Mangold of Lockney; and Miss Partywear, Shonda Smith of Floydada.

District governor addresses Lockney Rotary Club

"What Does Rotary Really Mean To You?" was the subject of an address given to the Rotary Club of Lockney on September 13 by Charles E. Beil of Big Spring, the governor of this Rotary district.

Governor Beil told Lockney Rotarians: "Rotarians must discover new means of service in today's world." Beil said that Rotarians should look on their club as a community service organization not just as a time to get together for a good lunch once a week. Rotary is an organization that recognizes all occupations and should promote good will and friendship. During his visit, Mr. Beil was informed of the local Rotary club's activities this year, including scholarships to worthy high school students, support of the youth organizations such

Judges for this year's contest include Maxine Caldwell, Brenda Becknel, and Diane Brookshire. Gary Brown of Floydada served as master of ceremony. Performing during the intermissions was Cecil Caldwell of Caldwell Studios and West Texas Opry of Lubbock. Also appearing was Becky Brookshire of Lubbock, the national winner of Kids of America, who performed tap dancing and sang for the crowd.

Stacey Smith was in charge of decorating for this year's pageant which featured a large basket of stuffed animals and balloons suspended from the ceiling. Lisa Mosley supervised the contestants' float in the parade.

Linda Morris served a second year as overall chairman for the pageant. Her co-chairmen included Gene McDaniel, who was in charge of the senior girls; Cindy Dudley, the junior misses; and Julianne Cornelius, the little miss division.

Penny Golightly was in charge of the awards for this year's pageants. Some of the awards included three gold bracelets from Thacker's Jewelry, three gift certificates from Hale's in Floydada and Kristi's in Plainview, a savings bond from the First National Bank in Floydada, a silver Olympic coin from the First National Bank in Lockney, and a gift from Summit Savings Association.

During the pageant fair board president, Laura Wilson, announced the winners of several drawings that were held during the fair. Winners included Wanda Dudley, who won the II Penrose quilt; Frank Duckworth, the painting from the Lockney Chamber of Commerce; Mrs. Joe Webb, the brass butterflies given by the Lockney Care Center; Sharon Kleypas, Mrs. E.M. Bailey, and Helen Huffman won necklaces given away by Contempo Jewelry; Kathy Barnett, a plant given by Schacht's; Johnny Peralez and Larry Guthrie won the Farm Bureau drawing; Terry Taylor and Cory Harrison won the Paymaster drawing; and Rosa Villarreal who will receive four pounds of pecans from 4-H.

as the cub scouts and the various athletic programs and the annual upcoming fall harvest auction which is the club's biggest fundraising project each year.

Concerning activities in this Rotary district, he discussed various youth projects, and efforts to further peace and understanding in the world through Rotary. These projects include youth exchange programs, international friendship and study programs and international vocational programs.

Rotary, with nearly 20,000 clubs in some 160 lands, is an organization of business and professional men who provide humanitarian service, encourage high ethical standards in all vocations and help build good will and peace in the world.

Variety show adds new excitement to fair this year

Added to the slate of fair events this year was a variety show sponsored by the Floyd County Arts Association. Spokesman for the Association said the organization promoted the event to encourage support for all forms of art not just painting and sculpting.

Leading off the evening of entertainment was Chuck Wilson and James Whitis in a trombone duet, accompanied on the piano by Joyce Wilson. Also performing with Wilson in a later act during the evening was his daughter Melinda of Lubbock in a trombone duet. Ruth Elaine Wilson also performed Thursday evening, playing the Millionaires Hoedown. She was also accompanied by her mother, on the piano.

Tikka Smith, daughter of Mr. and Mrs. Dan Smith sang 'Who's Afraid of the Big Bad Wolf'. Reeda Cay Smith sang 'Love Lift Us Up'. Both were accompanied by Mrs. C.L. Record.

Other singers were Lisa Mosley, who sang 'Leader of the Band', her brother, Jack Gregory of Floydada, who sang 'He Grew the Tree', and Misti Avila of Floydada.

Performing dance routines Thursday night were Tania Carthel, of Plainview, who did a jazz routine to a Negro spiritual; Mary Lindsey Poole, of Lockney, who also did a jazz dance to 'Beat It'; Lacy Golightly, who performed a dance routine to 'Walking Through the Park One Day' and 'Beat It'; and Gwen Lane of Lockney, who did an interpretive dance to a song from the movie 'Voices.' It was also announced that Gwen has recently been accepted into the Lubbock Ballet Company.

Coy Holley of Lockney performed a saxophone solo during the show.

Closing the event was the Floyd County Ballet Troupe consisting of Clar Schacht, John Quebe, Mac Willson, David Workman, and Bernie Ford. They performed their own rendition of the 'Nutcracker Suite', a most unusual act.

Don and Sara Probasco of Floydada did several comedy routines between acts in the show.

Emcee for the variety show was Jim Stewart of KFYO radio in Lubbock.

LISA MOSLEY (left) and Tikka Smith were just two of the performers in the variety show this year.

HEY LONGHORN FANS.

This week the Mighty Longhorns are traveling to Floydada to take on the Whidwinds for the Floyd County Championship. This week has also been designated as paint the town week and the cheerleaders will be painting various business windows for the occasion. Also on Friday from 6:15 to 6:30 cheerlead-

ers and band members will be at the fairgrounds to decorate cars for the city wide Longhorn victory drive to Floydada. We really encourage everyone to be a part of this. The pep rally begins at 3:40. We really want everyone to come to Floydada and support the Longhorns.

The Cheerleaders

This Week

AFTER GAME COFFEE

The class of 1968 will be meeting at the after game coffee at the Lockney Community Center (American Legion Hall), after the Homecoming game on September 28.

DOLL DONATED

Mrs. Revis Harris, the former Billie Sim of the Class of 1941, has donated a handmade doll to the Ex Students Association to be used to raise funds for the organization. Donations are presently being taken on a chance to win the doll. Tickets are \$1.00 and may be purchased from Clar Schacht. The doll may be seen at Schacht's Flowers and Gifts and will be given away during the business meeting of the Association Saturday, September 29. The doll is like the ones Mrs. Harris has made and marketed through Neiman Marcus in Dallas.

CLASS REUNIONS

All exes planning a class reunion in their home on Friday or Saturday of Homecoming weekend, please contact Karen Cooper at 652-2739 so a running list may be made of all class reunions. This list will be distributed at Homecoming festivities.

HOMEcoming MUMS

The junior class is presently selling mums and boutonnières for the homecoming activities. They will have a booth set up at the Floyd County Fair and will be taking orders starting at about 4:00 p.m. or as soon thereafter as possible on both Thursday and Friday and all day Saturday. This year's mums are being prepared by the Rose Shop in Plainview. If you cannot make it to the fair booth, orders may be placed by calling Shandra Bybee at 652-2132, Heather Holt at 652-3456, or Karen Ford at 652-2554.

ARTS ASSOCIATION

Arts Association Member Meeting - Sunday (Sept. 23) at 2:00 p.m., at the Museum building, in Floydada. See article elsewhere in paper for further details.

HOMEcoming

Local residents planning to attend the homecoming dance or to be visiting in the hospitality room at the fairgrounds after the game against Hale Center on September 28 are asked to bring your own lawn chairs. Some chairs will be provided but it is not known how many will be needed.

Monte's Magic Moments

By Monte Griffin

This has really been a busy week, but it sure has been fun. Monday was our bingo tournament and everyone seemed to really enjoy this one.

Tuesday started out being a little on the hectic side, but we all lived through it. We baked about 12 dozen cookies and four dozen brownies. We finished up the crafts we lacked so we could get them to the fair. After all the baking, we were a little tired but managed to get two signs painted: one for our booth and another for the float. After all this hard work, we enjoyed cokes and ice cream in Plainview for our bus trip.

Wednesday was set aside to get all the loose ends together. We cleaned up the booth, and got it ready for the big move Thursday morning.

Thursday went very well; we boxed everything up, even a little bit of the furniture, and moved to the fairgrounds. All the booths were open at 12:00 noon and ready to go.

The judges came by about 2:00 and judged our booth. Granny Self, Mary Jo Fielding, Nena Loudermilk, Esker Pyle, Clyde Morrison, Bessie Hunt and myself sat waiting to hear the results. About 3:00 the judges were back and brought us our 1st place ribbon. That really made our day. They told us it was for the Best Non-Agricultural Exhibit. This made us feel as if our effort was worthwhile.

Friday we got everything in order. We had to bake a few more cookies and wrap the rest of them. Bingo was cancelled due to the fair but will be back on schedule next week. Friday after-

noon was pretty quiet. I took Betha Cunyus out to the fair with me to take some ice cream to the Athena Jr. Study Club booth. We brought them ice cream, because they donated us cakes. Pam Armstrong caught us while we were out there and wanted us to sit at the booth to have our picture made for the paper.

Saturday morning was parade day. It was raining, but the parade went on. We had cancelled the float, but the residents wanted to go on.

Lewis Roberts, Hallie Roberts, Mary Jo Fielding, Bessie Hunt, Clyde Morrison, Mary McCracken, Mavis Barton, Monte Griffin, Sammy Silva, Martha and Robbie Reyes, Janet and Daniel all rode the float. It may have been cold, but so far no one is sick. After the parade, it was back to the fair to keep the booth running. We would like to give our thanks and appreciation to May Pearl Burns, Mrs. Raymond Martin, Lucille Brown, Karla Stapp, Donna Bobbitt, Georgia and Ray Ford, Hazel Johnson and Brenda Poole. They all did excellent volunteer work, and without their help we would have never made it. Also we would like to thank Mrs. Almeda Phillips for her two German chocolate cakes, Delinda Glasson for her maple candy, Donnie Meriwether for her jam loaf, Donna and Gladys Bobbitt for their sugar cookies, Keri Dee Lusk for her carob brownies, and LaDora Aull for her \$5.00 donation.

We would just like to say thanks one more time to everyone for everything that made the fair such a success. Until next week.

DELLA AGNES DAGLEY

Dagley hits century mark

One of the children of an original Texas pioneer will celebrate her 100th birthday on October 1, 1984. Della Agnes Shackelford Dagley was born in Jacksboro, Texas and moved to Lockney, Texas in the 1890's. While in Lockney, she met and married James Levi Dagley and together they fostered 12 children. Dagley was a self-employed businessman before his death October 2, 1952. Mrs. Dagley now resides at the Anderson Lane Nursing Home, 7901 Lazy Lane, Austin, Texas 78758.

In celebration of the century birthday

mark, family members are planning a family reunion in Austin. Mrs. Dagley has 8 surviving children, 28 grandchildren, 39 great-grandchildren, and 13 great-great-grandchildren. Those surviving children in planned attendance at the family reunion include Xevus Dagley Corbin, Austin; Avy Dagley, Lubbock; Loretta Dagley Gotcher, Newport Beach, Calif.; Juanita Dagley Loughry, Fort Worth; Leon Dagley, Corpus Christi; Elbert Dagley, Houston; Delbert Dagley, Lincoln, Ne.; and Venita Dagley Gardner, Denver.

TPA MEMBER 1984
TEXAS PRESS ASSOCIATION

Open Letter

An open letter to the Lockney School Board:

I was shocked and appalled as I read in the newspaper that the LHS junior class is selling football mums from a florist in Plainview! I cannot believe this could possibly be sanctioned by the school. Was any consideration given by the board to this decision of shopping out of town or was this the lone decision of the class sponsor and the students? It is obvious that no thought was given to the merchants of Lockney who pay the salaries of the teachers through their taxes--Plainview merchants pay taxes in Hale County.

All local merchants should keep this boycott against them in mind when they are asked to contribute to various school fund-raising projects. These are many ranging from annual advertising to outright donations of cash. Rarely a week goes by that merchants are not badgered to contribute to "support our local schools".

I am also curious as to the actual amount of money savings involved in this. At best it could only be a few cents per mum. Does this small amount justify the ill-will which is bound to be caused by this obvious disregard for community unity. This does not just involve one business--it affects all local businesses by setting a precedent for penny-pinching disregard for those who support Lockney schools the most.

In closing I have one question...when you find a mistake in your mum when you get it on Friday afternoon, do you think for a minute that a Plainview florist is going to be available to correct it for you? I urge all community and civic minded citizens of Lockney to place their orders through the local florist directly rather than through the junior class. You get what you pay for and because of Schacht's excellent reputation, you know what you'll get in Lockney.

J. Williams
 Floydada

Roberts wins chili cookoff

New this year at the fair was a chili cookoff.

Five teams and individuals entered the cookoff and the winner was Terry Roberts representing Sterley Gin. Other cooks included Cliff Hardy, Donnie Bybee, W.L. Thomas and Billy Joe Turner.

Held in conjunction with the cookoff were several various contests. A jalapeno pepper eating contest proved interesting as winner Bud Crump ate seven peppers in 30 seconds; Billy Joe Turner came in second in the event. Donnie Bybee won the watermelon seed spitting contest and Bud Crump also won the tobacco spitting contest.

TERRY ROBERTS and Donnie McLaughlin were the first place winners in the chili cookoff during the fair.

For the first time in months, the ever optimistic people of Beirut are hoping that the latest cease-fire in the war-battered capital is really going to lead to an enduring peace. Artillery shells no longer scream endlessly across the city. Traffic crossings are being opened in the "Green Line" dividing Christian and Moslem quarters of the capital.

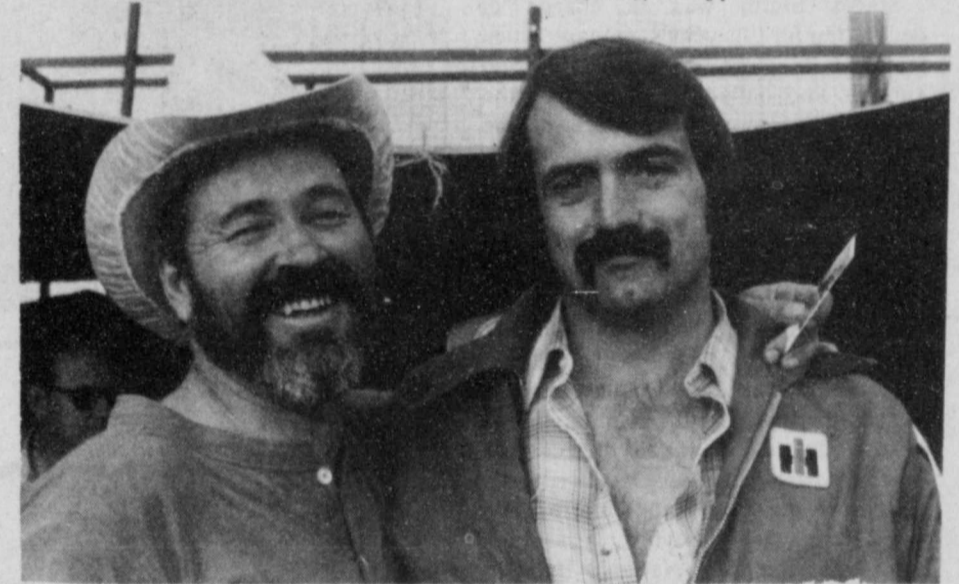

The hurdles that must be overcome to restore normalcy to Lebanon are evident along most of a trip from Beirut to the mountain resort town of Aley (main city in the strategic Chouf Mountains east of Beirut). The destructive power of the war is seen on every side. Old stone houses have collapsed into piles of rubble. Broken telephone and electric wires hang in disarray in deserted villages.

However, the real casualty of the war is this. Thousands of people, most of them noncombatants, are missing after they were captured or kidnapped during the fighting. A typical case involves a

man named Fuad, a 60-year-old Aley auto dealer, and Emad, his 27-year-old son. The two Druze men disappeared on October 25, 1982 while driving two new Mercedes cars being delivered from Europe. Their families later learned that the pair had taken a detour into an area controlled by the Maronite Lebanese Forces militia only a few miles from Aley. Neither has been seen since.

A committee in East Beirut, predominantly Christian, has gathered names of 1,460 persons who have disappeared since Israel's invasion two years ago. A similar group in West Beirut, Moslem-dominated, lists 2,100 persons missing since the civil war broke out in 1975.

A former cabinet minister, Marivan Hamadeh, says, "Lebanon is going to have to live with a very tragic problem of missing people, like Argentina and Chile."

BILLY JOE TURNER won second place in the jalapeno pepper eating contest. Bud Crump was the first place winner after eating seven peppers in 30 seconds.

HELP TO FIGHT CANCER

Board hires

4 aides

In the regular monthly meeting of the Lockney School Board the board approved the hiring of four new teachers aides. They included Glenda Ford, Debra McCarty, Karen Wilson, all for the elementary school, and Dahlia Hight at the junior high.

The board discussed and approved completing the concrete work near the gym and band hall where the concrete walkway will be continued from the east door of the gym to the patio.

Also approved was the continued participation in the South Plains School Board Association.

The directors approved the school liability insurance and the hiring of a school maintenance person. They also approved the selling of old and unused equipment the school has stored in the old bank building in the upcoming Rotary auction.

During the meeting Superintendent W.H. Hallmark reported school enrollment increased over that of last year at this time. The Lockney school system has a total of 717 students enrolled in grades K-12. Enrolled in high school are 210 students; 204 was the maximum high school enrollment last year. Enrollment includes 144 students in junior high and 363 in the elementary school. Peak enrollment in the elementary school last year was 353.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 6, 1984

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks. The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide state banks the same rights and privileges as national banks."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (3% for The University of Texas System and 1% for the Texas A&M University System) to 30% (20% for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin. House Joint Resolution 19 also annually appropriates \$100 million in each fiscal year, beginning September 1, 1985 (from the first money coming into the state treasury that is not otherwise appropriated by the constitution) for the use of those

agencies and institutions of higher education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 2/3 vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects. Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees, and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of

such officers, employees, and agents are already authorized by the Constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for payment of assistance to the surviving dependent parents, brothers, and sisters of certain public servants killed while on duty."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of these counties would be transferred to the county clerk. The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to abolish the office of county treasurer in Bexar and Collin counties."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the state senate to fill a vacancy in the office of lieutenant governor."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

The proposed constitutional amendment will appear on the ballot as follows: The constitutional amendment to permit use of public funds and credit for payment of premiums on certain insurance contracts of mutual insurance companies authorized to do business in Texas."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to change the membership of the State Commission on Judicial Conduct to include one Judge of a Municipal Court and one Judge of a County Court at Law, who shall be selected at large and appointed by the Supreme Court with the advice and consent of the Senate. The amendment also provides additional grounds for removal from office of judges or justices of Texas courts, and provides additional disciplinary actions that could be taken in lieu of removal or censure. The amendment would extend the Commission's disciplinary authority to masters, magistrates, and retired or former judges who hear cases by designation. The amendment creates a tribunal to review recommendations of the State Commission on Judicial Conduct for removal or retirement of a judge or justice. The review tribunal would be composed of seven (7) Justices or Judges of the Courts of Appeals selected by lot by the Chief Justice of the Supreme Court. The amendment also provides for appeal of the review tribunal's decision to the Supreme Court of Texas and grants an accused judge the right to discovery of evidence. The proposition will appear on the ballot as follows: The constitutional amendment relating to the membership of the State Commission on Judicial Conduct and the authority and procedure to discipline active judges, certain retired and former judges, and certain masters and magistrates of the courts."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75. The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide a per diem for members of the legislature equal to the maximum daily amount allowed by federal law as a deduction for ordinary and necessary business expenses incurred by a state legislator."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 6 de noviembre de 1984. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/9602 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

DEPARTMENT STORE

104-06 North Main Lockney, Texas

Brewer recognized for outstanding service

Southwestern Bell recently honored Dowell Brewer for his outstanding contribution to the company announced Jim West, Community Relations Manager, Plainview.

Southwestern Bell goes by a different name in these parts of the Panhandle. To the 2000 or so customers of Lockney, it is known as "Diggers" telephone company.

Brewer is the last of a dying breed of telephone men. As a combination technician, Brewer is responsible for all of Lockney's 1,049 lines, and the maintenance and operation of its central office.

But Brewer takes that responsibility far beyond the call of duty. He adds a personal touch that is unsurpassed. The telephone lines become his lines; the customers are Digger's customers; and his central office is just like a part of his home. It's long been known any visitor to the switching center must first wipe his feet upon entering, or you don't enter at all.

"He's one of the best we have,"

West said. "We let 'Digger' take care of Lockney and if something needs attention that Digger can't handle or doesn't know what to do, he gives us a call. No calls means all is well in Lockney."

People come and go from this community, but for most, Digger Brewer is the only telephone man they have ever known.

"He gives the company a good name," Lockney mayor Dee Copeland said. "I've known him since 1947, and I've heard him cry some when someone cut the cable."

Claude Brown said, "He is an outstanding citizen and provides good telephone service to the community."

It's that personal touch that has endeared the community to Brewer.

"I personally feel responsible for good service to the Lockney exchange," the 56-year old Brewer said. "It's my job to see that they get it. I have the responsibility to repair it or get someone to get it done."

"There's not too many of us (combination technicians) around anymore.

Most are either inside or outside but I do inside and outside work. The biggest problem we run into is trouble on the outside.

He does understand how to give good service. For instance, when one of his customers was bedridden and telephone communications was a must, Brewer repaired the customer's downed-line before the order had cleared all channels.

A lot of Brewer's outside work comes from aerial lines being cut. The problem stems from telephone poles set in the late '40's and early '50's, which were about 15 feet tall. When farming machinery such as cotton strippers and combines developed into larger machines as the years rolled on, they would stretch phone lines when they rounded a row. So when a good wind came along and tossed the damaged lines, phone service was reduced to a snap, crackle and pop. Nowadays, the poles are much higher or facilities are underground.

"I had one guy tell me they used to be 50 feet tall, but I climbed them so much

I pounded them down," Brewer said. "Climbing those poles as often as I did made a young man old."

"Digger's been around. He just has that dedication," West said. "He grew up with the company when times were really hard. He's definitely a dedicated man. Men like Digger are few and far between."

Brewer has been honored for his work. The central office where "you can eat off the floor" was named the outstanding central office for the San Antonio Section in 1983. Brewer obtained the award with the help of assistant Larry Griffith, who has worked with Brewer since 1976.

Brewer plans to stay on the job for another six years. And until then, he'll run his ship like the last 34.

"I really don't understand why the government broke up the best-run company in the world," Brewer said. "It was just another government mess-up."

But for the people of Lockney, Southwestern Bell Telephone service hasn't missed a beat.

DEE COPELAND, left, Claude Brown and Dowell "Digger" Brewer reminisce about the 34 years of service Brewer has given Southwestern Bell Telephone and Lockney.

Cedar Hill News

By Grace Lemons

Church services met as usual at the Assembly of God Church and the Baptist Church Sunday with average attendance.

Raymond Love of Bridgeport visited his sister and her husband, Imogene and Cephus Fortenberry this week. Betty Joe Wilks of Carlsbad, New Mexico and Ernestine Gilly visited with them Friday evening.

George Mize of Ruidoso and Steve and Emily Mize of Stockton, California have been here with their mother this week. George returned home Thursday and Steve and Emily returned home by plane Saturday.

Vikki was able to leave Methodist Hospital Friday and return home after undergoing surgery on her right arm. She is reported to be improving satisfactorily.

Albert and Evelyn Seay of Carrizozo, New Mexico visited with Tom and Gladys Fortenberry a while last Sunday and later did some work at the cemetery in Lockney. Alta Mae and Charles Higgins, Mrs. Peat Kelley, Nora Welch, Cephus and Imogene Fortenberry, Mattie Davis, and Mr. and Mrs. Carl F. Lemons visited with them there before they left for home.

Billy Ruth Lackey had a birthday on September 1st, Carl F. Lemons on the 5th, and Lindsey Lackey on the 6th.

Happy Birthday!

Grace Lemons and Vance visited Clara Mize in Floydada Friday and also Sylvia Yearly in Lockney.

Gladys Fortenberry accompanied her daughter, Patsy Boone to Lubbock Sunday where she left by plane for Dallas Sunday afternoon to be with her granddaughter, Paula Vick, who is in the hospital and to stay with her great grandson, Patrick.

Dinner guests in the home of Junior and Martha Taylor Sunday were Frank and Mae Taylor of Hollis, Oklahoma, Mattie Davis and Agnes and Gus Wesley of Plainview.

We are glad to have new neighbors who have moved into our community recently. Welcome to the Jerry Lackeys, the Nathan Johnsons, and the Craig DuBois families.

Dozier Dillard is a patient at Caprock Hospital and we trust that he will soon gain his strength and be able to be back home.

Houseguests in the home of Edna Gilly from Tuesday until Thursday were Will Hammitt of Stevenville and her daughter, Wouida Hise of Haskell and Gertrude Hammitt of Plainview visited with them also. Thursday afternoon they visited Bill and Bessie Sauls near Quitaque.

The only happiness you can keep is the one you give to others.

Horns defeat Dimmitt

The Longhorn varsity scored its first win of the new football season against the Dimmitt Bobcats Friday night. The final score of the game was Lockney 24, Dimmitt 13.

Lockney scored in the first quarter of the game as sophomore Dickie Hernandez took the ball and ran over the line from one yard out. The touchdown was followed by an extra point made by Mathis.

Lockney lead until Dimmitt scored in the second quarter to tie the game at the half.

The Horns came back after the half and scored another three points as Danny Peralez booted a 32 yard field goal. This put the score at 10-7 in the Horns favor. Later in the third quarter Hernandez scored again, this time from three yards out. Peralez again popped the extra point through the uprights making the score 17-7. Lockney's favor.

In the fourth quarter Lockney scored again as Ritchie Thornton made a four yard run through the line and Peralez put another point through the uprights, bringing the score 24-7.

Dimmitt scored again in the fourth quarter on a fumble in the Lockney end zone; the extra point failed.

During the game against Dimmitt Lockney outgained the Bobcats on the ground with the Horns having 129 yards to their 62 but did trail in the passing game with Dimmitt's tally showing to 87 yards and Lockney's 48 yards.

Last week's outstanding players in the game against Dimmitt included Paul Moats, outstanding offensive lineman; Monty Teeter, offensive back or receiver; Scott Poole, defensive forcing unit; Johnny Torrez, defensive back; and Danny Peralez, outstanding on the specialty team. MOE of the week was Johnny Torrez; Big Hit of the Week went to Scott Poole.

Lockney now has a 1-1 record and will be playing Floydada there this week for the Floyd County Championship trophy. Everyone make plans to be in Floydada to support the Horns to a victory and the county championship Friday night.

GAME STATISTICS

Dimmitt		Lockney
4	First Downs	11

 Passing—L-Cates 1-2, seven yards, Hallmark 2-6, 41 yards.
 Receiving—L-J. Mathis 2-41, Sutterfield 1-7.

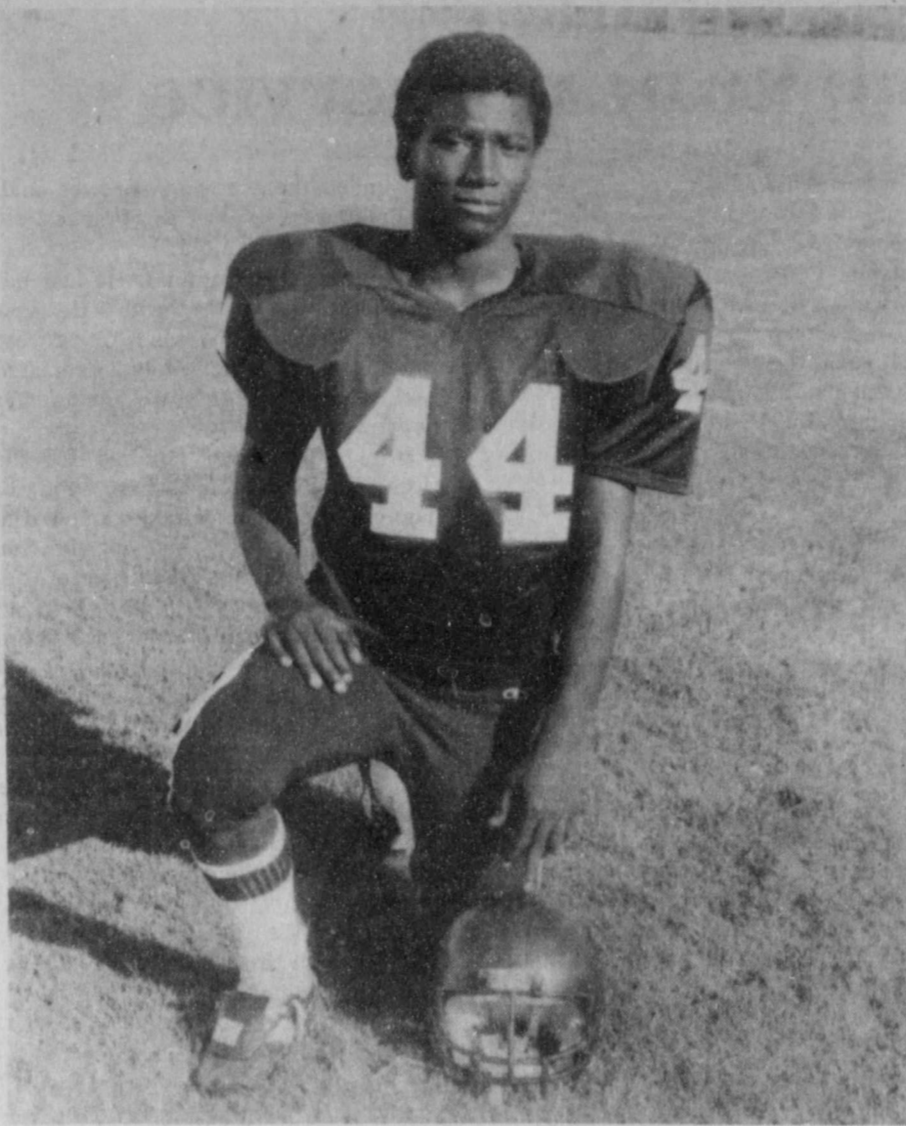

Dimmitt squeaks by Shorthorns

The 8th grade Shorthorns went to Dimmitt and scrimmaged the Jr. High Bobcats. It was a hard fought battle with Dimmitt scoring one touchdown against Lockney, who failed to score. The Bobcats were a very big 8th grade team with their offense and defense line averaging around 200 lbs. The Shorthorns moved the ball the first time they had it, but couldn't score. The Bobcats scored on a 4th down fumble that they picked up and carried 12 yds for the score. The Shorthorns also had 2 goal line stands against the Bobcats. The 8th grade Horn of the Week was Jorge Bernal with his good play on defense and hard running on offense.

The next game is at Floydada Thursday following the 7th grade game.

Freshmen tame Bobcats

The Lockney Longhorn Freshmen evened their season at 1 and 1 with a convincing 16-0 victory over Dimmitt. Lockney opened the scoring with a six yard Javier Bernal run. Todd Hallmark passed to Albert Martinez to make it 8-0. The Horn defense tallied the next score as John Herrera tackled the

TERRY MATHIS

Horn of the Week

Terry Mathis plays linebacker and fullback on the Longhorn team. This is Terry's fourth year to play football. He was Second Team All-District his sophomore year and First Team All-District last year. He received the Leadership Award in football and was also named to the Outstanding Forcing Unit. He has

been a member of FHA for all four years. He has played basketball for two years and was in track his freshman year. His classmates have voted him Class Favorite the past three years. Terry is the son of Wilma Mathis.

Go For More #44!!!

JV downs Dimmitt

The Lockney Longhorn J.V.'s evened their season record to 1-1 by downing the Dimmitt Bobcats 14-6. Lockney

struck first with Matt Mitchell scoring from 4 yards out. Extra point was good for 2 with Jimmy Ballejo's hitting Rusty Teeter on a pass.

The game see sawed by and forth; both teams making crucial mistakes. Dimmitt scored right before the half on a 37 yard run.

The Longhorns were in scoring position three more times in the second half but mistakes again kept the Horns out of the end zone.

The Longhorns final score came in the last 50 seconds of the game with Jimmy Ballejo making a great 65 yard run. Horn of the week went to Jimmy Ballejo.

Husband and wife win this week's football contest

The second week of the football contest proved interesting, with a husband and wife taking the first and second place winnings.

Both Randall and Virginia Stapp missed three games each, but that is where the similarity ended. Randall guessed the final score of the Lockney-Dimmitt game at 34; Virginia had the final score as 41. Randall will receive the \$10.00 first prize, and Virginia will receive the \$6.00 second prize money.

The third place winner was Cindy Means, who missed four of the area football games. Cindy beat out her husband, Mike, who also entered but missed six of the area games. Cindy will receive the \$4.00 third prize.

This week's entries had far less

games missed than last week which goes to prove that it is hard to guess who will win the first week of a new season.

Two entries, submitted by R.C. Mitchell and last week's winner, Frank Saucedo, had five games marked incorrectly. Keep those entries coming in since one can never tell. Winners are different every week.

Prize money may be picked up at the Beacon office on Friday afternoon after the winners have been announced in the paper.

If you are enjoying the contest, please take time to thank the sponsors on the contest page; without them we would not be able to bring you the football contest.

Lockney School Menu

Golden initiated Monday

Kay Golden was initiated into the Iota Tau chapter of Delta Kappa Gamma Monday night, September 10 at the Abernathy Academic Center.

Delta Kappa Gamma, an international society of women teachers, was founded in Austin, Texas, May 11, 1929. The organization seeks to stimulate personal and professional growth of members and to keep them informed of

current economic, social, political and educational issues.

Iota Tau chapter was organized April 20, 1974 in Plainview. Membership consists of teachers from Abernathy, Floydada, Hale Center, Kress, Lockney, Petersburg and Plainview.

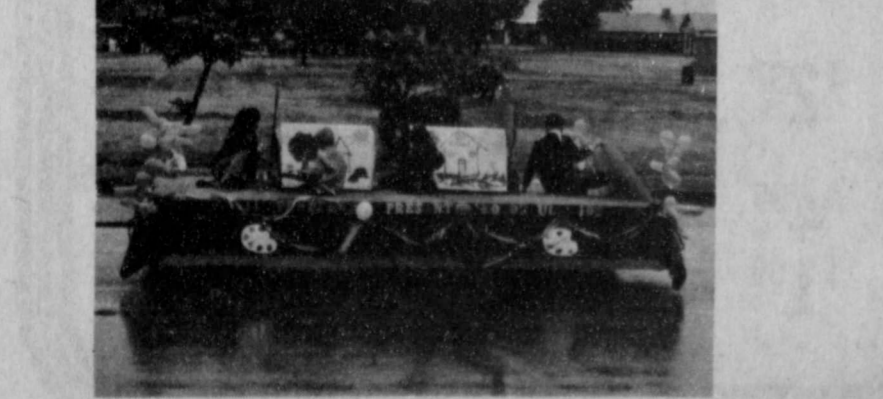

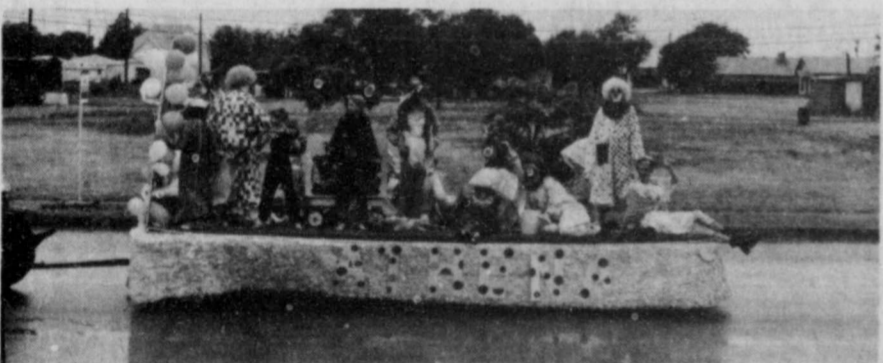

Other Lockney members who attended the Monday night meeting were Peggy Hallmark, Jeanette Marr and Dorothy Bradley.
