Armed robbery suspects at large

HOMECOMING QUEEN at Dimmitt High School this year is senior Kyla Boozer, who was crowned during the Homecoming Pep Rally in the DHS gym Friday.

Two suspects from an armed robbery committed in Castro County Monday night are still at large as investigation into the incident by the Sheriff's Dept. is continuing.

Sheriff Lonny Rhynes declined to release descriptions of the two men accused of robbing Green's Package Store, located 3/4 mile east of Dimmitt on SH 86.

Rhynes said the two men entered the store about 8:20 p.m. One of the men was carrying a gun, but reportedly no threats were made and no one was injured.

Store owner L. E. Green was alone in the establishment at the time of the robbery. He reported that \$300 in cash was taken by the men. He said they did not cover their faces or wear any type of disguise. They were driving a two-tone Chevrolet car, about a 1970 model.

A \$300 reward for information in the case is being offered by the Castro County Crime Line. Call 647-4711 if you have any information about the incident.

Other incidents handled by local law enforcement officials during the past week included four DWI's, a minor accident and a case of criminal mischief.

Sunday evening an accident occurred in the 600 block of East Dulin in Dimmitt. A 1970 Mercury driven by Arturo Chavez, 39, of Garden City, Kan., backed out of

a private parking lot and struck a 1969 Dodge Coronet driven by Adrian Luna Espinoza, 21, of Dimmitt.

The police report noted that Espinoza was improperly parked on East Dulin, and Chavez was improperly backing. However, the citations issued to the two men were for not having motor vehicle liability insurance.

At 4:50 a.m. Monday, Richard Rivera of 320 W. Cleveland called police to report a vehicle that had driven up in his front yard and struck his four-foot-tall cyclone fence. The 19-year-old Dimmitt man driving the vehicle was not injured, and was subsequently charged with DWI.

A case of criminal mischief was reported Sunday by Janie Belle F. Lopez, a resident of Apt. #503 at the Azteca Complex in Dimmitt. She told police that the windshield of her 1977 Pontiac Sunbird was damaged sometime during the night Saturday or early Sunday morning. The incident is still under investigation.

DWI misdemeanor charges were levied against three men Sunday: a 21-year-old Amarillo man, a 25-year-old Friona man, and a 28-year-old from Dimmitt.

A 25-year-old San Antonio man was held on charges of failure to appear in court on a case of speeding and no liability insurance.

Fr. Chen to retire

Father Raphael Chen, pastor of Immaculate Conception Church of Dimmitt for the past 23 years, will retire Oct. 23.

His successor will be Father Norman Boyd, S.A. (Society of the Atonement) of Graymoor, Garrison, N.Y., where he has been serving as vocation director for the society.

A retirement Mass and supper will be held Tuesday at Holy Family Parish in Nazareth for Father Chen, with priests of the Amarillo Diocese as guests.

After a visit to Panama, where he has relatives and friends, Father Chen plans to retire in the Los Angeles area.

Before coming to Dimmitt, Father Chen served in Lamesa. He came to the Diocese of Amarillo from Panama in 1959.

Father Chen was born Aug. 25, 1919, in Panama.

He entered the Claretian Seminary in Compton, Calif., in 1940 and was ordained to the priesthood Sept. 20, 1952, in San Gabriel, Calif.

In 1962, Father Chen was incardinated into the Diocese of Amarillo, and served for a few months as associate pastor of St. Margaret Mary Church at Lamesa. He was assigned to the Immaculate Conception Church here May 1, 1962. During his tenure here, he supervised the construction of new church buildings for both the Immaculate Conception Parish of Dimmitt and St. John's Parish at Hart.

Registration deadline nears

Oct. 7 is the final day you can register to vote in the November General Election, County Judge Polly Simpson reminds local residents.

Any citizen 18 or older is eligible to vote, provided he or she is registered. Registration is free at the County Tax Collector's Office in the courthouse.

Any 17-year-olds who will turn 18 by election day (Nov. 6) may register anytime, then will be eligible to vote in the General Election, the tax collector's office said.

Absentee balloting will begin Oct. 17 for those who expect to be away from their home precincts on election day. For an absentee ballot, contact the County Clerk's Office.

City accepts paving units

The Dimmitt Board of Aldermen voted Monday night to postpone action on recommendations of the Airport Advisory Board, and agreed to release additional units in the 1984 city paving project.

Aldermen voted to immediately release units 6 and 7 to the contractor, and partially released units 9, 21 and 31, pending completion of sign up work. Preparation work on the project has already begun.

The final five units will cost the city \$12,200.18 for its portion, in addition to the \$22,233.14 being spent for the city's portion on the 13 other units to be paved. Property owners will pay a total of \$200,846.66 for their portion of the project.

Police Chief Don Franklin noted that the survey stakes along part of the unit on West Grant street had been removed. He said that the contractors had replaced them and work is progressing.

Recommendations of the Airport Advisory Board would bring in sufficient revenue to make payments on the principal and interest on the proposed loan sought by the board from the Texas Aeronautics Commission.

Revenue would be generated through increased commercial use fees, rental fees and hangar rental fees.

The current commercial use fee of \$120 per year would be raised to \$200 per year; and hangar rentals would be increased according to the size and location of the hangars, with newly constructed hangars bringing in revenue not previously received.

A general estimate of revenues shows an annual increase of from \$13,560 to \$16,560.

Aldermen voted to wait until their next meeting to consider the recommendations in order to give them more time to examine the proposal and to give the airport board a chance to make any additions.

Cook says Aguinaga suit settled under gag order

Plains Memorial Hospital settled the Aguinaga lawsuit in a settlement subject to a gag order, Hospital Administrator Marshall Cook told the Dimmitt Kiwanis Club Monday in a report on the current status of the hospital.

Cook said that the case, involving the death of an infant during the Christmas season in 1978, was the final lawsuit pending against the hospital.

In earlier suits against the hospital and the hospital district board of directors, punitive damages had been awarded that were not covered by the district's liability insurance. Cook said this was what prompted the board to seek a settlement in the Aguinaga case, rather than go through a trial.

"The hospital's troubles began with the acceptance of Hill-Burton funds," Cook said, adding that in 1978 more stringent regulations

were applied to entities that had accepted the funds.

Cook told the Kiwanians that the hospital is currently working on attracting more physicians to Dimmitt.

"We decided not to seek a foreign medical graduate because of problems that can arise in understanding and being understood," Cook said. He told the club that Dr. Hardy, scheduled to begin practice here next summer, was promised a guaranteed income for his first year. Cook also said that he will be provided office space in the hospital for his first year.

A significant change in the operation of the hospital involves the changes made in Medicaid payments, Cook said. He revealed that the "diagnosis related groups" method of determining what Medicaid will cover could cause patients to be dismissed

earlier than would have previously occurred, because Medicaid would not cover the entire stay.

Cook said that part of this problem may be solved by the hospital's application to be designated as a "skilled nursing facility," as well as a hospital.

"A patient could be dismissed from the hospital and enter the skilled nursing facility without getting out of his or her bed," Cook explained. He said that although Medicaid might not pay for all the days needed in a hospital stay, some funds would be allowed for a stay in a skilled nursing facility.

Cook also told the Kiwanians that the Home Health Agency will be a big help in holding down hospital costs where patients are able to go home with limited medical supervision.

Expo Bldg. to get new sound system

The County Expo Building is going to get a new sound system.

The Commissioners' Court voted Monday to call for bids on a "total" system that will include full-range speakers, four-directional microphones, a "mixer" amplifier unit that will take input from records, tapes or live music and speech, and a built-in paging capability.

The commissioners plan to have the Expo Building's present speakers installed in the three stock barns to be used for show-calls from the main building during the annual Junior Livestock Show.

Bob Caddell and County Auditor Reeford Burrous told the commissioners they had consulted with a representative of Audio-Video Corp., and that the system he recommended would cost approximately \$6,830, and include a year's warranty.

Since the county had budgeted only \$3,600 in federal Revenue Sharing funds for the project, Caddell suggested installing the

new speakers and adding the sound-mixing system later. But the commissioners decided they didn't want a piece-by-piece installation, and opted for a turnkey job to insure both quality and warranty.

The commissioners also voted to call for bids on the construction of a wheelchair ramp at the west entrance of the courthouse. County Judge Polly Simpson explained that the county must have plans on file by Oct. 17 for the ramp and a water fountain for the disabled in order to qualify for its Revenue Sharing funds, and that a grievance committee also must be appointed by them.

County Clerk Joy Jones notified commissioners that she has posted a notice about the planned disposal of old records, and that she will need help "getting all the stuff disposed of." She estimated that two truckloads of old records have been moved out of the basement storage room and approved for disposal by the County Historical Society and the affected county departments.

Treasurer receives course certificate

County Treasurer Oleta Raper received an administrative certificate from the Texas A&M Office of Continuing Education during the annual Texas County Treasurers' Conference in Amarillo last week.

The certificate was for her completion of 20 hours' instruction in administrative duties of office and procedure.

The classroom training for county treasurers is now required under a 1983 law that was advocated by the County Treasurers' Association. The course includes training in finance, management, governmental accounting and computerization.

Mrs. Raper took the classes at A&M last April.

Virgil and Geneva Justice were in Paris, on Sunday, Sept. 16 for the ordination service for their son, Ken Justice who was ordained as a deacon in the First Baptist Church of Paris. There were six other men who were ordained. Ken's mother-in-law, Mrs. Pat Murrell, called from Abilene to congratulate him as well as several from Dimmitt called. under the direction of Cody Myers, and the fireworks were very impressive. The lighting of the letters DHS was so pretty. I went with Charlene Howell and Sandra Bagwell after prayer meeting and choir practice and it was so cold we had to share one short coat!

Last week I reported that Beash Bradford attended the wedding of her nephew, Mike Davis in Hobbs, N.M. Beash's sister and husband, Mr. and Mrs. A. M. Stanley from Midland were at the wedding and they came to Dimmitt and spent a few days. Beash also saw Josie Bradford's niece and a sister-in-law of Homer Nisbett's at the wedding and she said this is a small world!

The Murdocks gave me their tickets to the barbecue on Friday evening and their tickets to the Homecoming football game between the Dimmitt Bobcats and the River Road Wildcats, so I invited Beral Hance to go with me. We enjoyed the meal but we nearly froze at the ballgame! Mr. Broderson borrowed a baby blanket from Jack and Jan Edwards for us to use and he also told us about a few plays that we did not understand about the game! W. J. Hill told us he was glad we were there instead of staying at home in the old rocking chair with arthritis. We were probably the oldest ones there and we had fun. Thanks Murdocks for the tickets!

My country friends are still bringing vegetables to me. Euleus Waggoner brought turnips and Sandra Bagwell gave me eggplant that her son, Rick, had grown. I appreciate all the fresh vegetables that I receive.

Swain and Katy Burkett have entertained relatives from different parts of the country this

summer. Swain's brother, J. C. Burkett, from Wichita Falls, spent a week in Dimmitt, and his sisters, Mrs. Ollie Skelton, from Amarillo, and Mrs. Otho Allen and husband from Bartlesville, Okla. spent a few days. Katy's sister, Mrs. Bow King, from Pampa was here for a short visit. The Burkett's son, Mike Burkett, and daughter, Kara from Santa Ana, Calif. were here for a few days, their son, Joseph Burkett, and his son Todd from Scottsdale, Ariz., and their granddaughter, Connie Burkett, from Scottsdale, Ariz. They celebrated Swain's birthday during all this visiting. Katy reported their fruit, grapes, apples, and peaches, all did fine this year. I know because they brought me some.

Beash Bradford was hostess to the Thursday Bridge Club that met at the Senior Citizens Center for lunch and a fun day of bridge. Loranel Hamilton won high score and Jean Christian won second high. Others playing were: Faun Welker, Tina Rawlings, Johnnie Vannoy, Ruth Skinner, Jo Gregory, Bernice Hill, Alice Collyer, Cleo Forson and Louise Mears.

The Friday Bridge Club met at the Senior Citizens Center with Betty Cartwright as hostess. Retta Cluck won high score and Cletha

George won second high. Others playing were Opha Burks, Cleo Forson, Gladiola Shipley, Carolyn Copeland, Jennie Miller, and Betty Renfro from Amarillo. Cletha reported they had a good lunch and a fun time.

Johnny and Kathy Poer from Plano were here for the 1964 class reunion and to visit Oleta and Guy Walser and other relatives.

Louann Bradley and daughter, Michele, from Denton were visiting Ruth Hays and other relatives over the weekend. Louann attended the 20th class reunion of her 1964 graduating class.

Some have been asking about their Community Concert tickets that were purchased last Spring. Nolan Froehner assured me they will be sent in time for the first concert, The Romanian Choir, scheduled for Oct. 10.

Cheryl Covington and her two children, T.J. and Amy, and her parents, Nathan and Ann Pevehouse, spent the weekend at the Brazos River near Mayfield in an

authentic log cabin. They went fishing and squirrel hunting. There were no modern conveniences in the cabin, so they went to a well to draw their water. The children were excited about the outhouse. They all reported having a wonderful time, even without the indoor plumbing.

The Order of Eastern Star held its Grand Chapter meeting in Dallas Sept. 20, 21, and 22. Beulah Speer of Abernathy was elected Worthy Grand Matron. Those who attended from the local chapter were Linda Grand, Ruth Slough, Wannie Stevens, Zonell Maples, Linda Withers, and Betty Vaughan. It was an enriching experience and everyone enjoyed it, they reported. The Eastern Star Home at Arlington and the Masonic Home were visited. The adopted lady of the home was a joy and a delight, they said.

Charles and Betty Vaughan went to Odessa for a Labor Day Barbecue at the home of Phil and Agnes Langford. There were visitors from Venezuela, Puerto Rico, Spain and Egypt. Needless to say they had a marvelous time with very interesting people. On the return trip Betty stopped and renewed acquaintance with a former friend of World War II days, Sylvia Simon in Levelland.

HOLY BIBLE

The
GOOD BOOK

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

©Coleman Adv.

America in its early days depended on the "GOOD BOOK" for its guide in ethics, worship, and pursuit of freedom. These early gains are now in danger of falling and we need to turn all America once again to God and His word. America can be strong only when each individual looks to God for strength.

Swifts edge 'Horns in slugfest, 10-6

LONGHORNS SCORE—Somewhere under this pile-up is Hart's Freddy Washington, who has just scored the Longhorns' only touchdown with 1:28 remaining in the Hart-Nazareth game Friday night at Hart. The game was a white-knuckler all the way, with Nazareth holding a shaky

3-0 halftime lead on the strength of a Chris Gerber field goal. The Swifts got a TD and extra point midway in the fourth quarter to go up by 10-0 before Washington scored this touchdown to make the final score 10-6.

The Nazareth Swifts used an opportunistic offense in driving 37 yards for 10 points and holding on for an exciting 10-6 victory over the county rivals, the Hart Longhorns, Friday night at Hart.

The schools' featured the classic confrontation — the size and strength of the Swifts vs. the speed and quickness of the Longhorns.

The Longhorns received the opening kickoff and immediately showed that they could move the ball. Behind good blocking and good running from the Washington brothers, Freddie and Johnny, Hart moved from its own 20 to the Swifts' 34. But there the Nazareth defense stiffened and the Longhorns received the opening kickoff Longhorns received one of several costly penalties, forcing them to punt. The first quarter ended with neither team threatening after Hart's opening drive.

In the second period, the Nazareth defense made several big plays, forcing the Longhorns to punt. The snap from center went sailing over Freddie Washington's head and a swarming NHS defense tackled Washington on the Longhorns' 23-yard line. Three straight runs by workhorse Chris Gerber netted 13 yards and a first down, but then the Hart defense rose to the challenge and forced the Swifts to settle for a 23-yard field goal. The kick by Chris Gerber was good, and with 5:39 remaining in the second quarter, Nazareth led, 3-0.

After the kickoff, Hart marched from its own 25 right down the field. Good runs by Darrell Ethridge and Johnny Washington put the ball on the Swifts' 35. On first down, Freddie Washington broke through a big hole on the right and galloped 25 yards to the Swifts' 10, where he was run out of bounds by Chris Gerber. But the Nazareth defense became very tough at this point and the Longhorns tried a 26-yard field goal. The attempt by Arturo Guzman was short and wide to the left leaving Nazareth with a 3-0 halftime lead.

The third quarter didn't produce any points, but both teams had their chances. The Swifts took the second-half kickoff and drove from their own 31 to Hart's 30. Nazareth used the running of Chris Gerber and Frankie Huseman to chew up yardage. However, on fourth and four, a keeper run by

quarterback Ricky Backus came up short and Hart took over.

Unable to move the ball, the Hart punter, Kerry Newsom, booted one back to the Swifts' 35. On first down, the Swifts fumbled and Freddie Washington of Hart recovered on Nazareth's 31. But the big defense of the Swifts again came up with the big play, when on fourth and six, a pass from Hart quarterback Brett Ritter to Darrell Ethridge came up one yard short. Hart would not threaten again until late in the game.

Early in the final stanza, Hart quarterback Omar Longoria fumbled on the Longhorns' 14 and — you guessed it — Chris Gerber recovered. It took the Swifts seven plays to get it in, but with 7:24 left in the game Gerber went over from the 2. The extra point kick was good, giving the Swifts a 10-0 lead.

After several possession changes, Backus passed to the right flat where Hart cornerback Paul Ramirez was waiting. He returned the interception 27 yards to the Swifts' 4-yard line. On fourth and goal, Freddie Washington scooted through the left side for the score. The run for a two-point conversion failed, leaving the score at 10-6 in favor of the Swifts with only 1:28 remaining in the game.

Hart's onside kick try was unsuccessful, and although the Horns did get the ball back, the Hart quarterback was sacked to end the game, giving the Swifts a hard-fought 10-6 victory.

With the win, the Swifts pushed their record to 3-0. It was the Horns' first loss, leaving them with a 2-1 record.

Cats, Swifts face toughies

The Bobcats are underdogs, the Longhorns are favored and the Swifts face a toss-up match on Friday night's football schedule.

DIMMITT AT MORTON
Most of the players who carried the Indians to the Class AA quarterfinals last year have graduated. But this year's Tribe—which starts only three seniors, along with four juniors and four sophomores on offense—is doing quite well.

The Indians are 2-0-1, including a 22-16 victory over Muleshoe, a 14-14 tie with Denver City in their first outing, and a 39-8 walloping of Olton Friday night.

"They'll be the best team we've played so far," Bobcat Coach Clifford Smith said. "They'll be as quick as anybody we've faced all year. They're not very big, but they're quick everywhere."

Week's schedule

- THURSDAY**
- 5 — Kress Jr. High and Junior Varsity at Hart.
 - 5 — Nazareth 8th and Junior Varsity at Valley.
 - 5:30 — Abernathy Freshmen at Dimmitt.
 - 7 — Farwell Junior Varsity at Dimmitt.
- FRIDAY**
- 8 — Dimmitt at Morton.
 - 8 — Hart at Kress.
 - 8 — Valley at Nazareth.

On offense, Smith reported, the Indians "like to throw the ball and they like to go wide around the ends."

Senior end Doug Nelson received a knee injury Friday night and junior guard Eddie Jordan is nursing a badly bruised thigh, but both are expected to suit up Friday, Smith said.

It will be Homecoming at Morton High, and according to the Harris Rating System, the Indians are 20-point favorites. But those who saw the Bobcats play Friday night don't believe it.

Game time will be 8 o'clock.

HART AT KRESS
Just getting his team there semi-intact will be half the fun for Longhorn Coach Mark Stroebel Friday night.

"Manuel Ramirez, our starting right guard on offense, hurt his knee and may have to have surgery," Stroebel reported, "and our left tackle is going to be gone to California Friday and we won't have him. So we'll be missing a starter on both sides of our offensive line."

And flanker Arturo Guzman is nursing a badly sprained finger.

"He carries the ball quite a bit out of the Power I and we throw to him all the time," Stroebel said. "We've ordered a brace for his finger, and he'll play—but we don't know whether he'll be able to catch the ball or not."

However, he said, "We'll have everybody here on defense—and right now our defense is the strongest part of our game."

The Longhorns—especially that feisty defense—have proven they're for real, and they'll be favored by 12 when they meet the Kangaroos, who are 1-2 after losses to New Deal and Springlake-Earth and a 42-0 victory over Motley County.

"They'll run the veer, and will also run from the shotgun formation," Stroebel reported. "They've got a good running back named Sandy Shannon. If we can shut him

down, he's most of their offense."

Strobel said his Longhorns are ready to bounce back after their 10-6 loss to Nazareth Friday night—their first setback of the season.

"I think the Nazareth game was good for us," he said. "We found that we could move the ball against bigger teams. And our boys realized that just a couple of mistakes can be really critical against a good team. We've learned from it, and we're ready to play."

VALLEY AT NAZARETH

Valley's Patriots have gone into the playoffs the last four years. Last year they handed the Swifts their only regular-season loss.

"Although they're not in our district anymore, it'll be a tough game because it's been such a big rivalry through the years," Swift Coach Rex Minshew said. "There's a lot of pride involved." Kickoff time will be 7:30 at Swift Field.

Minshew said he expects this year's Valley team to be "about the same as usual—tougher than a boot."

Running from a variety of offenses—the I, the Pro Set and Power I—the Patriots will rely heavily on junior fullback Will Williams and senior tailback Tim Clardy.

"They're the two who worry me the most because they've been there the longest," Minshew said. "Both are third-year starters. Clardy is deceptive—he's got good moves. Williams is just a tough power back—he's 6-1 and weighs about 215."

Overall, the Patriots "are not going to be nearly as big as we are, but they're going to be very quick. They're about the same as Hart on defense—quick and aggressive,"

Minshew reported.

The Nazareth-Valley set-to will be one of the state's spotlight games in Class A. The Harris Rating System places both teams in the state's top 20, (Valley 15th, Nazareth 20th), and the AP has the Swifts ranked No. 8.

All of which, Minshew believes, is a "bunch of bull."

"Ratings don't mean a thing," he said. "How your boys play and how you finish is what counts. It's okay for the boys to read them, as long as they don't start believing them. That applies to a team that's ranked 'way down as well as to one that's ranked 'way up. The only way you can find out is to play them."

Big-play Bobcats win thriller, 26-23

By DON NELSON

It was as though Dimmitt High School's 1984 Homecoming game was scripted by a Hollywood screenwriter:

The home team has these two flashy backs, see, who break away on touchdown runs of 77, 76 and 81 yards. Kinda like Butch and Sundance, y'know?

But the visiting team has this big, super quarterback who passes, runs, passes, punts, passes, kicks field goals and does everything but sell popcorn at halftime. He completes 12 of 23 passes for 278 yards and two touchdowns in the first half alone, and finishes with an amazing 360 yards passing, and kicks a 27-yard field goal with three seconds left in the third quarter to put his team ahead of the home guys, 23-20.

And the home team has these heroes on defense who stage a goal-line stand or two, see. No, let's make that THREE goal-line stands, and have the home team keep the visitors from scoring on fourth-and-goal on the final play of the first half. A couple of them make a dozen tackles apiece, and another dives on a fumble to give the local guys one last chance.

And finally, when the chips are really down in the final seconds, and the home team is trailing by three, and nothing but a touchdown will win it, let's have this junior end get his first pass call of the season (only YOU, Mark Shackelford!) and wrap around it for dear life for the winning touchdown.

HOT PURSUIT—Dimmitt quarterback Woody Glass [12] fights for yardage Friday night in the Bobcats' thrill-a-minute Homecoming game against the River Road Wildcats. Coming up to lend help is teammate Mike Love [20]. Because of River Road's aerial

attack, the game took almost three hours to complete, but there was hardly a dull moment for the big Homecoming crowd as the Bobcats won, 26-23, scoring their winning touchdown with 20 seconds left in the game. [Photo by Donald Gilmore]

That's how the script fell together as Dimmitt's Bobcats won a thrill-a-minute 26-23 Homecoming victory over the visiting River Road Wildcats Friday night.

It was one of the most exciting games ever played in

Bobcat Stadium.

Dimmitt won it with big plays. Fullback Mark Smothermon broke through the left side and raced 77 yards to open the scoring with 7:18 left in the first quarter. Wingback Nathan Nelson broke free on a counter play and outran the field 76 yards for Dimmitt's second TD with 11 seconds left in the first quarter, then brought the crowd to its feet again in the third when he outflanked River Road's defense on a reverse and streaked 81 yards for the Bobcat's third touchdown.

Quarterback Woody Glass kept the Bobcats' final drive alive when he gained 12 yards on a crucial fourth-and-three keeper to give Dimmitt a first-and-goal at the 7 with a minute left. Then, with just 20 seconds left and River Road leading by 23-20, Glass faked a power run into the middle and lofted a pass to Shackelford, all alone in the end zone, for the winning TD.

Coach Lyndal Norwood's young Wildcats, who had lost their first two games, unveiled a new pass-oriented offense built around super-QB Jeremy Johnson, a 6-4, 190-lb. junior. Often Johnson was the only man in the River Road backfield as the Wildcats stacked three wide receivers against the sideline and sent the maximum of five receivers downfield. The unusual spread formation, coupled with Johnson's sprint-outs and crossfield aerial bombs, gave Dimmitt's defensive secondary fits all night.

The strong-armed Johnson — probably the best athlete the Bobcats have faced this year — unleashed 35 passes during the game, completing 17 of them for a pro-sized 360 yards and two touchdowns. He also punted twice for a 36-yard average and kicked a field goal from 17 yards out.

Dimmitt's defense stopped three River Road drives one-half, four and two yards from the Bobcat goal line, limiting the Wildcats to a single field goal out of those three campaigns. The goal-line stands featured "big sticks" by linebacker Charlie Perez and tackle Bobby Nino, pass deflections by Mike Trevino and Mike Love, and key-play losses inflicted by Dimmitt's swarming defense.

But the biggest defensive play of the night came with 2:44 left in the game, when the

receiver. We knew he would be open — they were all coming right to our first movement."

After making a brush-block, Shackelford sneaked into the end zone on a button-hook pattern and was all alone as Glass lofted a perfect lob to him for the winning TD. The PAT kick was wide, leaving Dimmitt with a final victory margin of 26-23.

Nelson was named Dimmitt's outstanding offensive back. He carried twice for 157 yards and two touchdowns, returned three kickoffs for 99 yards, including a 62-yarder, and caught a pass for six yards. He also returned a pass interception 15 yards on the game's final play, finishing the night with 277 yards in runs, receptions and returns.

Smothermon had a big night, too, carrying seven times for 107 yards and a touchdown, and Love earned 63 yards on 17 carries.

Shackelford's game-winning touchdown catch was named the biggest offensive play of

the game, and Arce's fumble recovery in the fourth was chosen as the biggest defensive play.

Outstanding offensive lineman was Bobby Nino. Top defensive players were Nino and Perez with 12 tackles each, Love with 11, Glass with eight and Smothermon with seven.

Cody White has made a miraculous recovery from an accident Tuesday evening when his horse fell on him. He was rushed to Dimmitt and then on to Northwest Texas Hospital in Amarillo with a concussion and possible internal injuries, and with no reflexes in either leg. He was much better when he arrived in Amarillo, but was still in a dazed condition. He was dismissed Wednesday evening with some numbness still in his feet, but by the weekend he was running and playing as usual. He will see the neurologist again next week for a follow-up examination to see if there was any damage.

Farmer's Grain Leg here received its first load of corn last Wednesday. It was brought in by Bob Clevenger. River Road tops 9th, JV Bobcats

River Road's Junior Varsity hammered out a hard-earned 14-0 win over the Dimmitt JV last Thursday in Amarillo.

After a scoreless first quarter in which the JV Bobcats stopped a River Road drive at the 15, the Wildcats blocked a Dimmitt quick-kick attempt on the Bobcat 6 and the ball went into the end zone for a safety, giving the host team a 2-0 edge.

Then, just 31 seconds before halftime, the JV Wildcats scored on a three-yard pass. The two-point conversion play failed, leaving River Road with an 8-0 halftime lead.

The third quarter was scoreless. Dimmitt's Dwayne Talley kept it that way when he broke up an attempted scoring pass by RR at the Bobcat 6

midway in the period. With 7:13 left in the game, River Road broke a 52-yard scoring run to finish with a 14-0 victory.

In the freshman game, River Road walloped Dimmitt, 37-0.

Salvation Army starts fund drive

The Castro County unit of the Salvation Army kicked off its annual fund drive Monday with the aid of the four financial institutions in Dimmitt.

"These institutions are making it possible for local people to receive information about our drive, along with a return envelope for donations," said Doug Rains of

Museum group to meet today

The Castro County Historical Museum association will meet at 7:30 p.m. today (Thursday) in the museum.

Lubbock, Field Service Representative of the Salvation Army.

Dorothy Hopson and a team of workers will begin the business portion of the drive in the next week or so.

Goal for this year's drive is \$1,500, with a portion of the funds raised being sent to the state organization and a portion designated for local use.

Rains reported that Summer Camp Chairman for the Castro County unit, Emmett Broderson, arranged for four local boys to be sent to camp this summer, using local funds.

Figures from the local unit show that over 100 requests for help have been handled here in the past year alone, with many of those requests coming from families.

Cat's Corner

It was billed as the "battle of the Cats" and that's just what it was...and it took the entire game, less 20 seconds, to see who was going to claw their way to the top. While R/R took the air route, the Bobcats traveled by land — and travel they did! However, I'm not sure that Nelson and Smothermon were not airborne on their electrifying runs. But let's not forget the troops in the trenches who helped clear the way for those runs. Well done, Cats! Folks, if you missed this game or the film of it...well, you missed A game.

Another Paw Power winner, Karen Rials, won two steak dinners donated by K-Bob's...Who will be the next winner?

A BIG thank you, this week, goes to Randy Holme of Amstar Corp. for their contribution of \$500 to the Booster Club.

The Cats travel this week to Morton to take on the Indians; game time is 8 p.m....They need your support. See you there.

1985 farm programs are announced

US Secretary of Agriculture John R. Block Monday announced provisions of the 1985 farm program, including requirements for the feed grain program and for upland cotton. Signup period for both programs will be Oct. 15 through March 1. Producers may re-

quest 50% of their projected 1985 deficiency payments when they sign up. Also, cotton producers may request 50% of their 1985 diversion payments when they sign up. A producer who accepts an advance payment, but who later does not comply with pro-

gram provisions, must refund the amount of the advance payment with interest plus liquidated damages.

FEED GRAIN

The feed grain program includes a 10% acreage reduction requirement for participants. USDA estimates that per-

bushel deficiency payment rates will be: corn, 47 cents; sorghum, 46 cents; barley, 44 cents; and oats, 0 cents. Advance deficiency payments to eligible farmers will be half these rates.

Price support loan and purchase rates and target prices will be the same as in effect for the 1984 crops.

Loan and purchase rates, per bushel, will be: corn, \$2.55; sorghum, \$2.42; barley, \$2.08; oats, \$1.31; rye, \$2.17.

Target prices, per bushel, will be: corn, \$3.03; sorghum, \$2.88; barley, \$2.60; oats, \$1.60.

Other 1985 feed grain provisions include:

— To be eligible for program benefits, a producer must agree to limit corn, sorghum, oats and barley acreage planted for harvest to not more than 90% of the farm's feed grain base and devote to acreage conservation reserve (ACR) an acreage of eligible cropland

equal to 11.11% of the planted acreage. As under the 1984 program, two bases will be established for determining permitted acreages — one for corn and sorghum, and one for barley and oats.

— The 1985 acreage base will be the average of the acreage planted and considered planted to feed grains in 1983 and 1984.

— There will be no immediate entry into the farmer-owned reserve for the 1985 crops of feed grains. USDA intends to review the size of the reserve before regular price support loans for the 1985 crops reach maturity. At that time it will be determined whether entry into the reserve will be permitted.

UPLAND COTTON

For upland cotton, a 20% acreage reduction program and a 10% paid land diversion program were announced. USDA estimates the defi-

ciency payment rate at 19.80 cents per pound. Advance payments to eligible farmers will be half that rate.

The land diversion payment rate has been established at 30 cents per pound, based on the per pound payment rate times the farm yield times the acres diverted. Advance payments will be one half of the diversion payment.

Secretary Block encouraged cotton producers to participate in the 1985 program and help prevent stocks from rising to excessive levels.

To be eligible for program benefits, a producer must agree to limit upland cotton acreage planted for harvest to not more than 70% of the farm's upland cotton base and devote to acreage conservation reserve (ACR) an acreage of eligible cropland equal to 28.57% of the 1985 planted acreage plus 10% of the applicable upland cotton base.

The 1985 target price is 81 cents per pound. The loan rate for the 1985 crop cannot be determined until after Oct. 15. The statutory minimum loan rate is 55.0 cents per pound.

Other 1985 upland cotton program provisions include:

— The 1985 acreage base will be the average of the acres planted and considered planted to upland cotton in 1983 and 1984.

— Recourse loans will be available for seed cotton. The seed cotton will be adjusted to a lint basis and the loan rate applicable to lint cotton will be used.

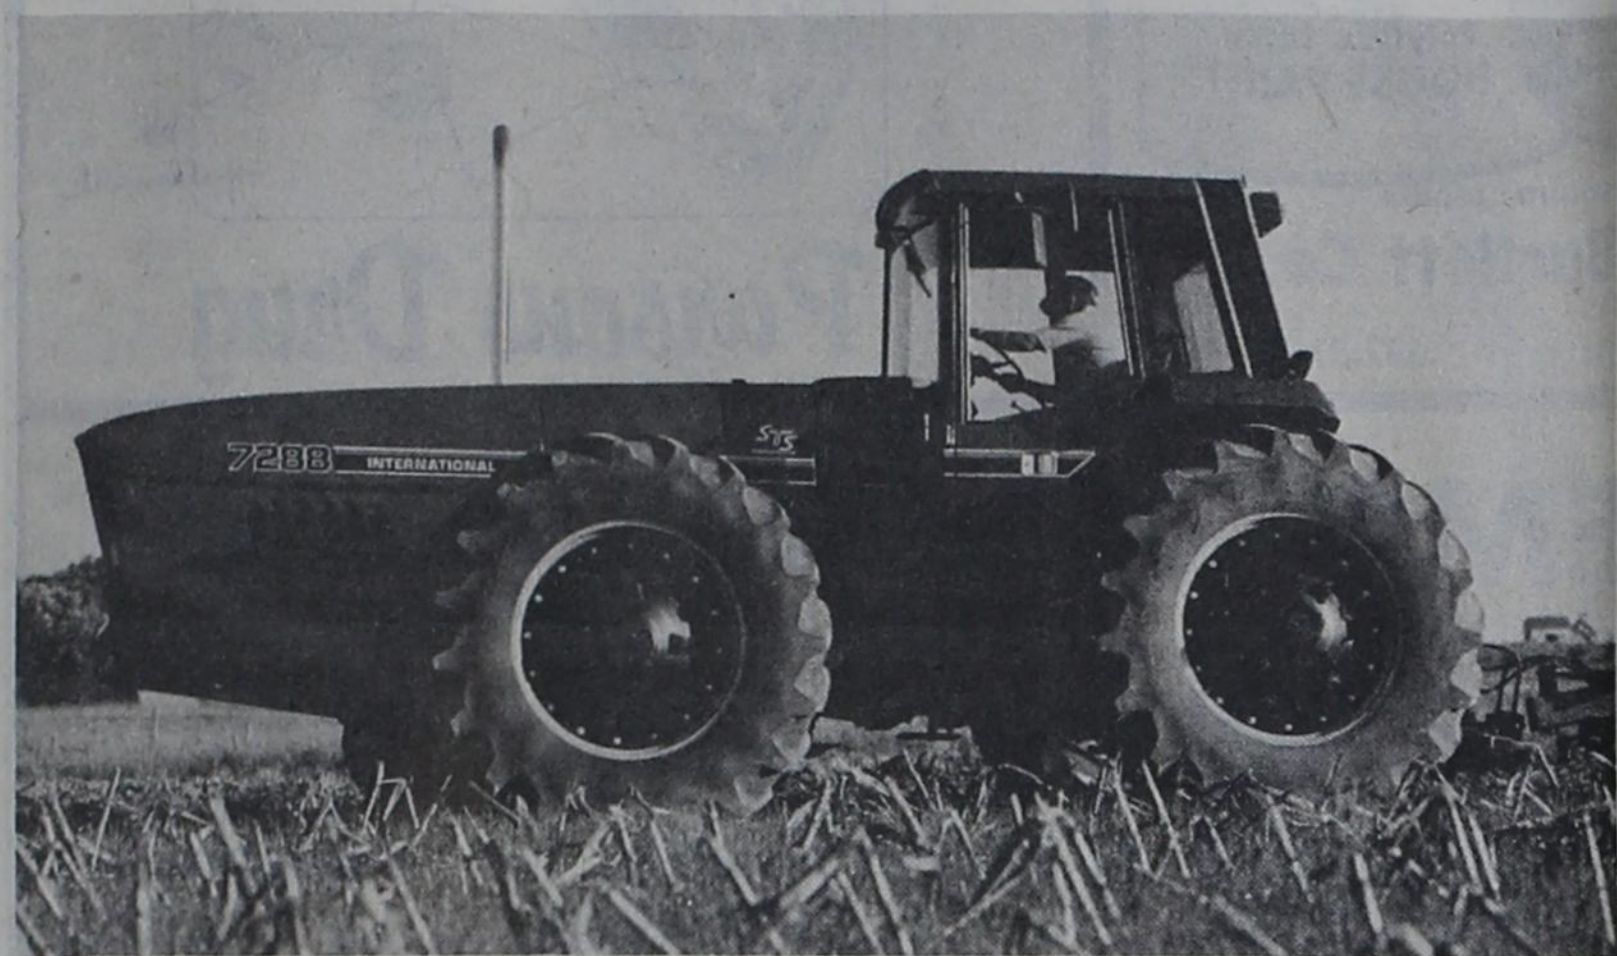

OTHER PROVISIONS
Common provisions of the feed grain and cotton programs include:

— Land designated for ACR must have been devoted to row crops or small grains in two of the last three years except for a summer fallow farm. In the case of summer fallow, the cropping requirement is for one of the last two years. The land must be protected from wind and water erosion throughout the year.

— Offsetting and cross compliance will not apply to the 1985 program.

— Haying will not be permitted on the ACR land. However, the acreage may be grazed except during the five principal growing months as designated by county ASC committees. Block also approved a standby measure authorizing, in the event of natural disaster, implementation of emergency haying and grazing privileges. Approval of the emergency privileges would be made as needed on a county-by-county basis.

— Contracts signed by program participants will be considered as binding and will provide for liquidated damages for failure to comply with program requirements.

INTERNATIONAL HARVESTER has unveiled its new "Super 70 Series" of four-wheel-drive tractors. The 7288 (pictured) and the bigger 7488 feature 466-CI diesel turbo-charged engines, an STS transmission

with 18 evenly spaced forward speeds including nine power shift gear ranges, rear placement of the control center, and 360-degree visibility. Local dealer is Hays Implement Co. of Dimmitt.

Transmission device is safer

Deere & Company recently announced that in the interest of farm safety it will make available at no cost to the farm equipment industry its patents for a transmission device that reduces the risks of tractor accidents.

The special transmission valve, which was developed at the John Deere Product Engineering Center in Waterloo, Iowa, prevents hydraulically activated transmission clutches from engaging unless the clutch pedal has been depressed and released by the operator following each start.

Operators have been injured when they improperly started their tractors by bypassing normal cir-

cuitry while standing on the ground. It is a practice that manufacturers have urged farmers not to use and have tried to discourage through other design changes.

The danger in such a start, of course, is that the tractor will move if the transmission is in gear. With the Deere safety device in the clutch hydraulic circuit, the machine won't go into motion following a start even when it is in gear, at least not until the operator mounts the machine and depresses and releases the clutch pedal.

Currently Deere has the safety feature on its 50 Series row crop and four wheel drive tractors with

the Quadrange transmission, and within the next few months it will be installed on all 50 Series row crop tractors.

This action by Deere marks the fourth time the company made its safety patents available to the entire industry at no cost. In 1971, Deere released its patented rollover protection structure, and four years later it gave the industry its patented method for covering power take-off shafts to reduce exposure and thus injuries. In 1982, Deere released its patent for a tip-up shield on the tractor which reduced the necessity of removing the shield to accommodate large power take-off connections.

Cleaning to fall under taxes

On Oct. 2, a laundry list of new items will be subject to the Texas sales tax for the first time ever.

That laundry list of new taxes includes just that — laundry.

Texans are going to pay the state sales tax of 4 1/8 percent and any additional local sales taxes on their cleaning bills.

The most common type of bill is dry cleaning personal clothing. A \$20 dry cleaning or laundering bill will jump to \$20.82 — higher still if any additional local taxes are charged.

But the new tax includes more than cleaning bills for clothing. Employee uniforms or linens such as table cloths or cotton napkins sent out to be cleaned will also be taxed.

Drapes that are repaired or steam cleaned also will be taxed.

If you have someone shampoo a carpet or rug, or have a suit mended or tailored, or store a fur coat during the summer months, you must pay the new tax.

Upholstery cleaning and repairs fall under the new tax, as do valet services at hotels and other ironing or pressing services.

Not affected are coin-operated laundry machines operated by consumers, including dry cleaning machines found in some public laundries. But operators of detergent vending machines have found the new tax rate, so the price of soap at public laundries may go up, too.

Questions concerning the new tax on cleaning can be answered by State Comptroller Bob Bullock's

office at 512/475-1931 or on the toll-free line, 1-800-252-5555.

Dimmitt FFA names winners

Tiffany Braafladt, daughter of Chuck and Patricia Braafladt, was named club sweetheart and will be entered in the district sweetheart contest in April. Kim Howell was elected as Plowgirl. She is the daughter of Jimmie and Sue Howell.

Four-year FFA student Bruce Bryant was elected as chaplain.

Trips to a Dallas Cowboys football game were awarded to the top salespeople in the club's annual magazine sales project. The winners included Charlyn Hunter, Chad Smithson and Cinnamon Cox, along with Curtis Daniel.

Broderson and Campbell are united in garden ceremony

Mr. and Mrs. Michael Allen Campbell are at home at 2710 Fifth Avenue #10 in Canyon after their Sept. 15 wedding in Dimmitt.

The bride is the former Joylyn Broderson, daughter of Mr. and Mrs. Emmett Broderson of Dimmitt. The groom is the son of Mr. and Mrs. David Miles of Amarillo.

The informal, double-ring ceremony was held in the garden of the home of the bride's parents, with Castro County Judge Polly Simpson officiating.

Donna Schilling of Dimmitt, life-long friend of the bride, served as maid of honor. Best man was John C. Impola of Amarillo, cousin of the groom. Kyle Broderson, brother of the bride, served as usher.

Music at the piano was provided by Mrs. Terry Ellison, who also sang. Selections included "Eternal Life: Prayer of St. Francis of Assisi," as well as the traditional wedding march and recessional, and a medley of love songs.

The bride, given in marriage by her father, wore a dress made by herself and the groom's mother. Fashioned of ivory crepe de chine, it was styled in a modified Grecian line with a rounded neckline trimmed with two rows of seed pearls. The sleeves were shirred at the shoulder and stitched with seed pearls to create a draped cap sleeve. The tea-length skirt was softly gathered and self belted. For the traditional something old she wore a velvet mesh Juliet cap, adorned with seed pearls and mother-of-pearl flowers, that had been designed for and worn by her mother in her own wedding 34 years ago. From this cap fell an elbow-length veil of double-layered ivory lace. For something borrowed, she wore on a gold chain the wedding ring of her grandmother, Mrs. Tom Michael of

MRS. MICHAEL ALLEN CAMPBELL
...nee Joylyn Broderson.

Wichita Falls. Her garter was something blue.

A cascade of ivory and white cushion poms and pixie carnations mingled with gypsophilia, lemon leaves and ivory satin streamers formed the bride's bouquet. It also held two pull-out carnations for presentation to the mothers.

The maid of honor wore a French-blue dress styled with a softly gathered skirt and a matching jacket with rolled collar and elbow-length sleeves. She carried a single carnation with gypsophilia and ivory satin streamers.

A white lattice archway entwined with fresh greenery and ivory satin bows, banked by flowering shrubs and potted plants, formed the setting for the morning ceremony.

The reception was also held in the garden. The table was covered with a floor-length ivory cloth edged in lace. The three-tiered cake was decorated with a spiral of roses and topped with white doves surrounded by the heart forma-

tion of mother-of-pearl flowers. The cake was made by Mrs. Bill Snider.

A blue silk floral arrangement added to the decorations, and crystal serving pieces were used for the punch, tea, sandwiches and fruit.

Servers included Mrs. Kyle Broderson, Mrs. Tom Morrison and Mrs. Bryan Myers, all of Lubbock. Members of the houseparty were Mrs. Melton Richardson, Mrs. Weldon Skinner, Mrs. Trent Downing, Mrs. Don Nelson and Mrs. William P. Dannevik.

At the registry was Julie Christensen of Canyon.

Special guests included the bride's grandmother, Mrs. Tom Michael, and aunts Joy Michael and Mrs. Thomas Kimes, all of Wichita Falls, and Mrs. Max Walker of Odessa; the groom's sister, Tracey Miles, aunt, Mrs. Joyce Howell Impola, and cousins John C. Impola and Stacy Northam, all of Amarillo.

A graduate of Dimmitt High School, the bride is now doing practice teaching at West Texas State University. The groom is also attending WTSU. He is a graduate of Boys Ranch and served in the US Army.

Heath and Hooks are wed, make home in Levelland

Mr. and Mrs. Phillip Robin Hooks are at home at Rt. 1 Levelland following their Aug. 12 wedding.

The bride is the former Rhonda Michelle Heath, daughter of Mr. and Mrs. Gene Heath of Dimmitt. The groom is the son of Linda Hooks of Raleigh, N.C.

Wedding vows were exchanged in a formal, double-ring ceremony in the Dimmitt Odd Fellows Lodge with Castro County Judge Polly Simpson officiating.

Anne Guy of Sunnyside served as maid of honor. Shelly Proffitt of Dimmitt was bridesmaid.

Russell Heath of Dimmitt, brother of the bride, served as best man. Groomsman was Kevin Reed, brother of the bride.

Serving as ushers were Perry Gaal of Hereford and Shawn Ewing of Dimmitt. At the registry was Darlene Howard of Dimmitt.

Elsie Smith of Dimmitt provided music at the piano and accompanied soloist Deanna Mullin of Dimmitt as she sang "The Rose."

The bride chose a gown of white taffeta overlaid by sheer white organza. The organza formed a capelet from the neckline, covering her shoulders and edged with a self ruffle. A wide ruffle formed the flounce of the gathered skirt, also made of organza. The hemline ruffle was caught at one side, rising to the waistline, forming an accent down the side of the skirt.

Her picture hat was decorated along the brim with organza, and anchored her veil, also of organza. The veil was finger-tip length and bordered by a self ruffle. Her bouquet was formed of white carnations and strands of English ivy, mingled with baby's breath and ribbons and streamers, all in peach. She wore a heart-shaped necklace that was a gift from her aunt, Joyce Armstrong of Sweetwater.

Her attendants wore formal-length gowns of taffeta overlaid by floral printed organza, in a light lavender for the maid of honor and in a peach shade for the bridesmaid. They wore corsages of white carnations.

The couple exchanged vows before an archway of greenery accented by a large white satin bow at the peak.

At the reception, the serving table was covered with a white cloth. The three-tiered cake was separated between tiers by white columns, and the white frosting was accented by peach rosebuds. In the middle of the columns between layers were placed white wedding bells tied with peach ribbons. The topside was a bride and groom figurine surrounded by a circle of lace.

Peach punch and mints were served from crystal appointments.

Servers were Deanna Mullin and Darlene Howard.

The bride is a 1984 graduate of Dimmitt High School and is majoring in law enforcement at South Plains College in Levelland. The groom is employed with Brown and Root Construction in Levelland.

Running Water Soil and Water Conservation District

SEPTEMBER 1984 QUARTERLY REPORT

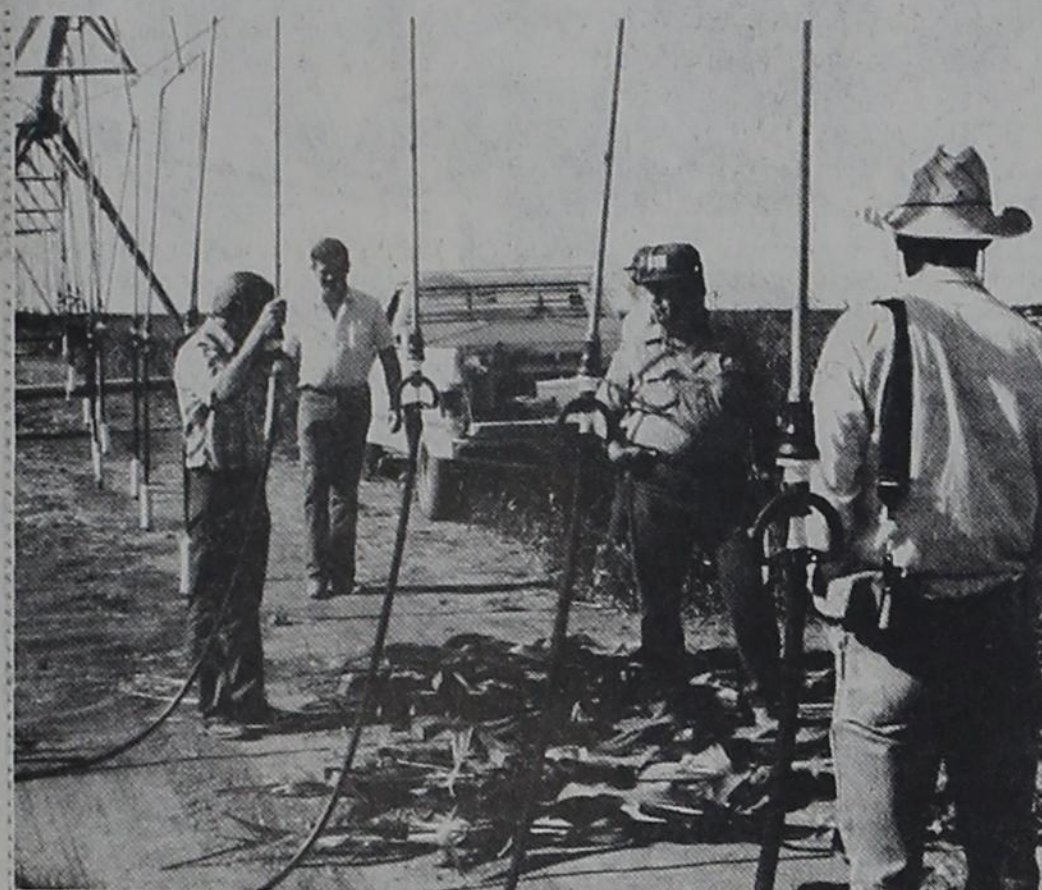

Harold Bob Bennett is shown with the Pen and Pencil set the Running Water SWCD gave him for his services as a past Director. The District appreciates his work and effort over the past five years of service.

Herb Bruns, Area Agronomist from Amarillo with the Soil Conservation Service, is looking at an excellent stand of Kleingrass planted on Julian Huseman's farm west of Nazareth. This is an excellent grass for hay and grazing of livestock.

Gary Rainwater, District Conservationist in the Dimmitt Field Office, is explaining the growth of the 24 different grass species planted in the District Grass Plot east of Hi Plains Savings and Loan building. This was the first stop on the County Tour.

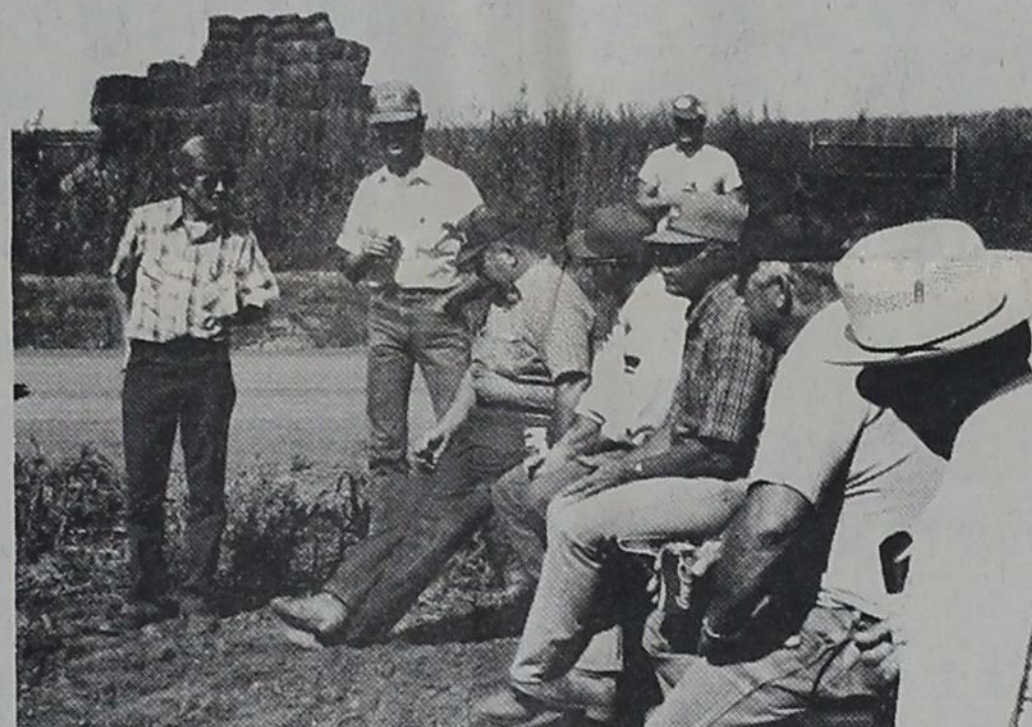

The LEPA irrigation system is being evaluated on the Rayphard Smithson farm. The Extension Service is working closely with Rayphard and Randy and a lot of information is being gathered. This was an interesting stop on the Farm Tour.

Jerry Walker, Civil Engineer with the Soil Conservation Service office in Amarillo, is explaining the use of the Neutron Probe. The Probe is used for soil moisture information at the depths of the root zones. The Probe is very active on moisture available to the growing plant.

The use of surge irrigation is spreading in Castro County. At the Farm Tour there were four different surge systems for people to look at. George Sides gave a good talk on how the surge system has helped to save him money on his fuel bills.

The Farm Tour was a success again this year with over 60 area farmers in attendance. The Running Water District in conjunction with the Castro County Extension Service, Soil Conservation Service, and the Chamber of Commerce wish to thank all the participants that attended the Tour. Also a SPECIAL THANKS to the Texas Corn Growers and the Bethel Homemakers for the Outstanding noon meal.
