Horns advance to the playoffs for the second year

For the second year in a row the Lockney Longhorns have advanced to the bi-district playoffs and will face Hale Center Saturday night, in Plainview Bulldog Stadium. The game will begin at 7:30 p.m.

Lockney's top seed district championship came Friday night with the defeat of Ralls by a score of 20 to 12. Lockney will be noted as co-champions with Crosbyton but the Horns advance in the spot after gaining more penetrations in the Chiefs-Horns game earlier.

Friday's game with Ralls got off to a bang as Lockney scored in the first 15 seconds of the first quarter. The Horns kicked off to the Jackrabbits, who fumbled the ball on their own 20 yard line. Lupe Basaldua emerged from the

pile on of players seconds later and after looking to the referee ran 12 yards in for the touchdown. Ben Schuster made the extra point and the Horns were in the lead 7 to 0.

Lockney scored again in the first quarter when David DeLeon recovered a Ralls fumble on their 14 yard line. Matt Mitchell took the handoff on the first play moving the ball six yards. Quarterback Cates kept the ball on the second down play and garnered the Horns a first down on the three yard line. An incomplete pass followed and on the third down play Cates was sacked for a loss of two yards. On the fourth down and six play, Cates handed off to Jimmy Ballejo who reared back and hit Javier Bernal in the end zone for an additional six points. Schuster made the extra

point and the Horns were in the lead 14 to 6.

Ralls scored in the second quarter but the Horns blocked the extra point attempt again and Lockney was in the lead to stay 14 to 12.

The Horns came back after the half, stronger than ever and scored in the third quarter with 3:32 left on the clock. Lockney began this scoring drive on the Ralls 27 yard line after recovering a fumble. Tony Banda took the first handoff and moved the ball six yards. On the next play the Horns had a first down on the Ralls 14 yard line. Cates took the option keeper on the first down play and ran 13 yards for the touchdown. The extra point was wide but the Horns had all they needed to win the game.

In 1938, 1947 and 1956 the Horns were co-champions, and outright champions in 1939, 1948 and 1957. This will also be the second year in a row that the Horns will face Hale Center in the bi-district playoffs.

Of this year's game Coach Bob Purser said, "We know them a lot better now than we did earlier in the year, but they know us too. This game will not turn out like the one earlier in the year. Both teams are better than they were earlier in the season and it should prove to be a very interesting game."

Of this year's Lockney Longhorns Coach Purser said, "We have faced lots of adversity this year. Illness, injury, and death in the family have hit this team, but they have faced it all well and come out winners. I am really proud of these boys."

Cross country team wins at State

The Lockney boys cross country team left for Georgetown last Friday and began their trek to the State cross country title.

Saturday at 12:00 noon the boys team was lined up and ready for the long run that would eventually wind up in a state win. "We had a strategy for this year's run," said coach Patti Purser. "We had decided that since Abernathy bested us last year, and at the regional meet this year that we would try to keep one of our runners in front of each of theirs. This would enable us to finish with the necessary points to beat them."

The strategy worked as, Lockney finished in first place with 66 team points, well ahead of Abernathy's 93 points. S and S brought up 3rd place with 106 points. All three of these teams were the top three last year but in a different order, with Abernathy in first, S and S in second place and Lockney in

third. Four of this year's team members: Jessie Castro, Eddie Garza, Danial Rodriguez and Tony Banda were on last year's third place team. This year's win is especially rewarding for them. Other team members for Lockney are Cory Luna and Javier Bernal.

An added bonus for Jessie Castro was coming in first overall out of the 100 runners in the class 2A competition. Castro's time was 16:53. Other finishers included Cory Luna, fifth place with a time of 17:17, Eddie Garza with a time of 17:20 in sixth place, Danial Rodriguez in 35th place, Albert Martinez in 48th place. Javier Bernal and Tony Banda flew from Lubbock to the meet on Saturday morning to run for Lockney.

Coach Patti Purser said, "I told the boys this was something I had always dreamed of, a State win. It was a dream come true for me and the boys and I am really proud of all of them."

The boys arrived in Georgetown at about 4:00 p.m. After running the course they checked into their hotel and then drove into Austin to see the capital building and the University of Texas stadium. Saturday after the competition they returned to Austin, spent the night at the Marriott and got to eat at the Old San Francisco Steak House.

The boys were thanked in a big way

STATE CHAMPION CROSS COUNTRY TEAM—[l-r] Tony Banda, Javier Bernal, Jessie Castro, Eddie Garza, Cory Luna and Albert Martinez are all members of the first ever Lockney cross country team to win at State. Standing in front of the boys is team coach Patti Purser. This team of young men is the first ever to bring any kind of State championship home to Lockney.

upon returning home on Sunday afternoon by the citizens of Lockney. It was announced at the churches that when the boys returned to town the fire whistle would blow and all those who could were to meet and escort the boys back to town. They were escorted through downtown by a great number of people who turned out to offer their congratulations to the team and their coach.

Junior Varsity wins District

The Lockney J.V. team corralled a district championship Thursday night, defeating Ralls 22-18. The Horns fell behind 18-0 but received a shot in the arm late in the second quarter when Michael DeLeon ran back an onside-kickoff by Ralls, 50 yards to paydirt. Clay Harrison added the points after. The score remained 18-8 until late in the 4th quarter when Clay Harrison tallied two touchdowns and one 2 point

conversion. The Horns moved the ball well all game on Ralls and scored the last touchdown with only 55 seconds remaining.

For this total team effort the entire squad was selected as Horns of the Week. The victory and the championship gave the J.V. team back to back district titles.

Mangold delivers 5000th baby at Lockney

On Thursday, November 7, a milestone in the career of Dr. W.J. Mangold was noted by the hospital nursing staff when Dr. Mangold delivered his 5000th baby at Lockney General Hospital.

The baby, a boy, was born to Saul and Sylvia Rodriguez of Lockney. To make the occasion more special, Sylvia is employed at the hospital in Central Supply. She began working at the hospital in 1979 and has worked both on the floor and in Central Supply. Even more special is the fact that Dr. Mangold had delivered Sylvia in September of 1955. He also delivered several of her brothers and sisters, as well as her other two children, Jeremiah, age 9, and Elisa, age 10.

Dr. W.J. Mangold began his practice in Lockney in December of 1951. He delivered his first baby, a boy, in Lockney on January 14, 1952, to Bobbie Jean Wright.

When asked about delivering a second generation of babies, Dr. Mangold said, "It's special to deliver babies for those I had delivered years before. Delivering babies is routine and I really like the ob's. I also like the new addition of fathers to the delivery room. If they

have had the childbirth classes, we let them go into the delivery room here for normal deliveries. I like having the fathers in the room with the mothers. It's a special time for both the mothers and fathers."

Another special delivery for Dr. Mangold was when he had to deliver his son, Gary. "We had called in a doctor to deliver Gary but he was called out on another emergency and there was not time to call another doctor so I got to deliver Gary here at Lockney General Hospital," said Mangold.

When asked what the main differences are in deliveries now and in the past, he said, "They are almost totally different. The techniques and instruments used are different and costs have increased. We have always tried to keep the costs down here but everything has gone up in price and we have to also. It is about eight to ten times more expensive to have a baby now than it was when I delivered the first baby here."

As for the patients Mangold said, "We try to treat each of our patients like we would want to be treated if we were in the hospital."

5000 BABIES—Dr. W.J. Mangold and Sylvia Rodriguez are pictured with the 5000th baby delivered at Lockney General Hospital in the career of Dr. Mangold. Michael Saul was born last Thursday morning and weighed just four pounds, ten ounces. He is the 5000th baby that Dr. Mangold has delivered in the years since he came to Lockney in 1951. Michael is also a member of the second generation of his family that Dr. Mangold has delivered. Mangold also delivered Sylvia in 1955.

Dear Longhorn Fans,
This is going to be a big week for the Longhorn team! First of all we would like to congratulate the football and cross country teams on their success and a special thank you to the coaches who have helped make it possible! Saturday is an important and exciting day for Lockney. The cheerleaders would like for everyone to wear red and black to the game and all Lockney High exes wear your letter jackets! We are unable to have a victory line this week so we want everyone in the stands to have some kind of noise maker to let those Hale Center Owls know that the Longhorn Fans are behind our team all the way! The game will start at 7:30 at the Plainview Bulldog Stadium with us sitting on the East side. Don't forget our pep rally at 3:40 on Friday! Be ready to back our guys to another victory.
See you there,
The Varsity Cheerleaders

HORN OF THE WEEK—Chris Rodriguez, the son of Toribio and Amelia Rodriguez, is another one of those 'Horns hoping for a back-to-back district championship. He has played football on both the freshman and varsity teams, basketball his freshman year, and is currently running cross country along with football. During his junior year, he was voted Most Attractive and also a member of FHA. It is told around the school that this senior has a reputation for being a nice guy.

Roundup at LHS

Cross country has put Lockney High School on the map. Congratulations guys!

Congratulations to our football team for winning district. Be sure to be in Plainview, Saturday at 7:30 to boost the Longhorns in their attempt for the Bi-District crown.

We invite all parents to our Open House on Monday, November 18. This is a good time to visit with teachers concerning your children.

Juniors felt important, Wednesday as they ordered their 1986-87 senior rings.

The girls basketball team has their first season game, next Tuesday at

home against Valley.

If you missed the bands performance Friday night, you missed some excellent twirling routines. These were performed by Joel Mitchell, Wesley Teeter, and Boyd Jackson. They looked very cute in their sparkling twirling suits.

Contratulations to the Football Sweet-heart Heather Holt, and also to the other nominee Elizabeth Guerrero. They were recognized during the pep rally Friday afternoon.

The Juniors will be delivering the meat they sold on Thursday after it arrives. If anyone isn't able to be home or misses their delivery, please contact the high school at 652-3325 to see about getting your meat.

In times like these... By Mary Jo Fielding

A human skull with four yellowed teeth stands sentry atop a stake. In a clearing in the woods, a man in camouflage fatigues instructs a small group of muddy and exhausted students in the finer points of interrogating a prisoner.

"I will hurt him before I ask him a question," the teacher notes. "I will shoot him in the leg, and he will answer the question." It's another day of learning in the Mercenary School, a no-holds, barred seminar in how to infiltrate hostile territory, blow up things and get back alive.

The instructor for this particular class is the school's owner, Frank Camper, a 38-year-old Vietnam veteran, novelist, self-described mercenary soldier and sometime informant for the Federal Bureau of Investigation.

It was five years ago that Camper set up his Mercenary School, tucked away so deep in the woods 20 miles outside his hometown of Dolomite in north central Alabama, that a four-wheel-drive vehicle is needed to reach it. He charges \$350 for a rough, two-week course in which the dropout rate runs about 80 percent.

Students spend days and nights at a

time hiding in the field with no food or supplies, living off snakes, squirrels or whatever else they can find. Instructors periodically run them through a "turkey shoot" in which trainees scamper through live bullets and explosions.

Camper, who says he served as a mercenary in the Middle East and Latin America, claims his training course is even better than the Army's. "After five days in Ranger school," he argues, "they still have trouble finding the mess hall. My guys can walk anywhere, eat anything and do anything necessary to get the job done."

THE ONLY WOMAN'S PANT FIT TO WEAR.

Resinized inseam for extra strength. Chain stitched seams for clarity and strength. Front-lined body for flattering trouser shape. Lined pockets to remove bunching. Lined fly keeps its shape and stays flat. Best-Bud® waistband eliminates rolling and pinching. Waist adjustment seam for easy alteration.

Fitting a woman into a pair of pants correctly has given manufacturers fits for years. What with sagging, wrinkling, and pinching. Fortunately, Allison Collectibles has designed the TailorFlex trouser. A woman's pant that streamlines a woman's figure by taking in sags, smoothing wrinkles and eliminating pinches. Of course no woman's pant would be worth putting on unless it looked good and remained comfortable. That's why you'll find the TailorFlex trouser perfect for a day at the office or a night on the town. So, for the best in quality construction, comfort and style, choose the only woman's pant fit to wear — The TailorFlex trouser.

Dr. Gary B. Mangold of Lockney, has been recertified as a diplomate of the American Board of Family Practice (ABFP) as a result of passing a recertification examination offered by the ABFP. The physician thus maintains specialist status in the medical specialty of family practice.

ABFP diplomates must continue to show proof of competence in the field of comprehensive, continuing care of the family by being recertified every six years. Family practice was the first medical specialty to require diplomates to be recertified on a continuing basis. The written examination is designed

Dr. Mangold recertified as family practice specialist

to prove the candidate's continuing competence in the basic components of family practice — internal medicine, surgery, obstetrics and gynecology, pediatrics, psychiatry and neurology, and community medicine.

To qualify for certification initially a physician must have successfully completed three years of residency training in family practice and passed an intensive certification examination. There are some 378 residency training programs in teaching hospitals and university medical centers across the United States.

There now have been certified more than 29,000 diplomates in the specialty.

Most are members of the American Academy of Family Physicians, the national association of family doctors. The Academy was the first national

medical group to require members to take continuing study, and was chiefly responsible for securing specialty status for family practice.

Harvest Festival deemed success

The First United Methodist Church of Lockney held its annual harvest festival on October 26 and fed about 650 people. This number was down by about 50 from the number fed in 1984.

The men and women of the church prepared a superb turkey and dressing dinner with green beans, sweet potatoes, giblet gravy, rolls, and pumpkin pie cake. Of the 650 plates fixed by church members 350 of those were take outs.

Not only was the dinner a success, but the country store, which featured home baked goods and small craft items made about \$1100.00 during the day.

Highlighting the day was the annual auction which was conducted by Bennie Reagan and Mervin Evans. The auction raised about \$3000.00. Items auctioned

included eight afghans, oil paintings, hat racks, hoops, woodworked items, 10 pounds of venison sausage, a cabbage patch doll, a rocking horse, Christmas decorations, tapes and records.

The biggest item was the king size quilt made by church members. The quilt featured 30 handmade squares made by church members. Jerry and Andy Ford furnished the block fabric, and Inez and Loren Rhodes furnished the Wedgewood blue fabric for the stripping and bordering of the blocks. Kathleen Thornton spent many hours placing the squares together and Charles and Molly Huffman furnished the fabric for the backing. The hand quilting was done by Linda Smith of Plainview.

Annual Farm Bureau meeting set

Texas Farm Bureau, the state's largest farm organization, will hold its 52nd annual meeting in Fort Worth December 1-4, at which time more than 1,300 voting delegates will decide policies for 1986.

Theme of the convention to be held at the Tarrant County Convention Center will be "Together We Succeed."

Voting delegates from 217 organized county Farm Bureaus will adopt state policies for 1986. Approved resolutions on national issues will be forwarded to the 67th annual meeting of the American Farm Bureau Federation, January

12-16 in Atlanta.

Navy Capt. Gerald Coffee, a former American prisoner-of-war in Vietnam, will be the keynote speaker during the general business session December 2.

TFB President S.M. True, a cotton and grain farmer from Plainview, will deliver his annual address preceding Coffee's speech. TFB Secretary-Treasurer Roy Johnson of Desdemona will also make his annual report that morning.

TFB Executive Director Warren Newberry will begin the business session on December 3 with his annual administrative report. The convention business will conclude on December 4 with the election of board members and a president.

A young farmer and rancher breakfast will be held at 6:30 a.m. on December 2. Michael Broome, a motivational speaker from Charlotte, North Carolina, will be the guest speaker. His topic will be "Killing Stress Before It Kills You."

There will be five special conferences conducted from 1 p.m. to 2:30 p.m. on December 2. These include farm legislation; agricultural financing; taxes and education; unemployment compensation and farm labor; and toxic waste disposal.

They will be followed by six commodity conferences from 2:45 p.m. to 4:15 p.m. These include beef cattle and sheep and goats; wheat and feed grains; cotton and peanuts; rice and soybeans; citrus and pecans; and forestry and hay and forage.

Youth activities will include selection of a TFB queen from 12 district winners; a talent find winner from 12 finalists; and a free enterprise speech contest

winner to be chosen from 13 district winners.

The speech and talent find contest will begin at 7 p.m. on December 1. The queen contest begins at 7 p.m. on December 2. Announcement of the Outstanding Young Farmer and Rancher for the year will also be made during the queen contest.

The speech winner receives a \$2,000 scholarship; the runner-up, \$1,500; and the four other finalists, \$1,000. All district winners are assured of at least a \$750 scholarship.

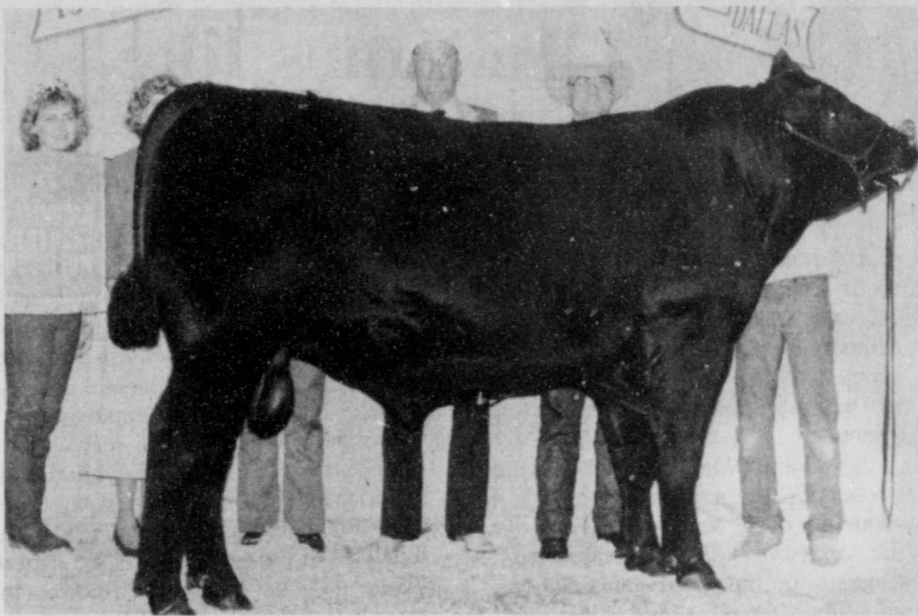

The talent find winner receives a \$1,500 scholarship; the runner-up, \$1,000. All district winners are certain

to win a \$500 scholarship.

The queen receives a \$1,500 scholarship. The runner-up, \$1,000. Each district winner has been assured a \$500 scholarship.

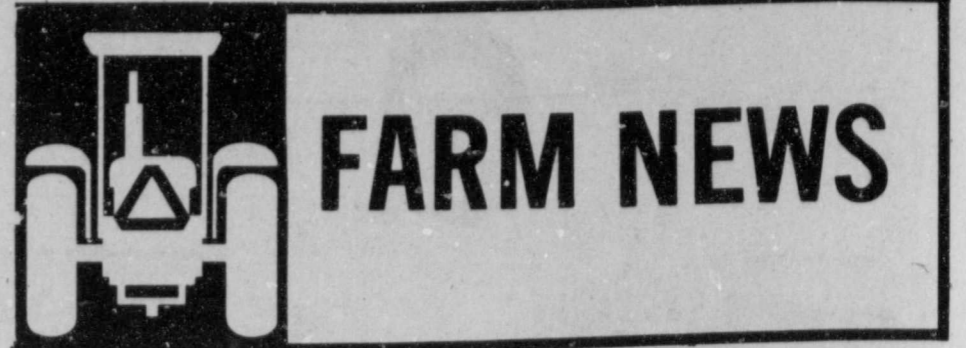

The Outstanding Young Farmer and Rancher will receive one year's free use of a 1/4 ton 1986 Ford pickup. The other two finalists receive one year's free use of a 1986 Ford Ranger pickup. Each truck is provided compliments of Bird-Kultgen Ford Co. of Waco.

All finalists have been assured of an expense-paid trip to the 1986 AFBF Young Farmers and Ranchers Leaders Conference, February 9-11, at Orlando, Florida.

GRAND CHAMPION ANGUS bull honors at the 1985 State Fair of Texas, Dallas, went to this senior champion J K Pine Tar. He is owned by Jerry Williams, Lockney; Pine Tar Associates, Lockney; and Premier Angus Inc., Cloverdale, Indiana. Bill Jacobs, Guthrie, Oklahoma, served as Judge.

Whole cottonseed can be a bargain for livestock feed

With the winter season approaching, cattlemen looking for a bargain in livestock feed should consider whole cottonseed.

Cottonseed is a high energy feedstuff and is readily available at a low price due to a large cotton crop this year, points out Dr. Larry Boleman, beef cattle specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

According to Boleman, cottonseed is a good buy when 100 pounds costs less than 35 pounds of cottonseed meal plus 65 pounds of sorghum. Cottonseed is currently selling for about \$3 per hundredweight, representing almost a \$2 savings over a like amount of meal-sorghum mix.

Whole cottonseed is packed with energy (90 percent total digestible nutrients) and may be used to make up as much as 20 percent of the total daily ration of beef and dairy animals, says the specialist. However, livestock should also receive adequate levels of minerals, vitamins and roughage since the high energy content of cottonseed can cause scours.

Other factors that cattlemen should consider in feeding cottonseed are these:

1. Since cottonseed is fed whole, it

does not require grinding, rolling, pelleting or any other preparation.

2. Cottonseed can be fed alone or combined with other ingredients to produce a variety of mixed feed, cubes or pellets.

3. Cottonseed can combust spontaneously if stored too wet and stacked too high, so it should be bought at a moisture level of 14 percent or lower and stored in a flat bulk container. Cottonseed can be stored a year or more without fumigation if kept dry.

4. Cottonseed is best fed from a trough since it will not flow well in self feeders.

5. Because of the high oil content, cottonseed should be fed so as not to exceed these daily limitations—4 pounds for weaned calves, 5 pounds for yearlings, 6 pounds for cattle from 1,000 to 1,300 pounds and 7 pounds for heavier animals.

6. Cattle unaccustomed to eating cottonseed may have to be trained a bit, and sprinkling cottonseed with molasses or grain will entice them.

Boleman advises cattlemen interested in cottonseed for feeding a cattle this winter to contact a cotton farmer or gin as soon as possible while supplies are still plentiful and the price is right.

Unemployment Compensation Act amended

The 69th Texas Legislature amended the Texas Unemployment Compensation Act, increasing the number of farm or ranch workers who may be eligible for unemployment compensation by expanding the definition of an employer liable for State Unemployment Tax.

House Bill 32, effective January 1, 1986, defines as a liable employer anyone who employs:

1. FARM OR RANCH workers during 1986, or the preceding year, if they employ four (4) or more workers for 20 weeks or pay cash wages of \$7500.00 or more in a calendar quarter. Beginning January 1, 1987, employers of farm or ranch workers, who during 1987, or the preceding year, employ as many as three (3) or more employees for 20 weeks or pay cash wages of \$6250.00 or more in a calendar quarter are required to pay the tax.

2. MIGRANT workers (any individual required to be absent overnight from his or her permanent place of residence) regardless of the amount paid to that worker or length of time employed.

3. SEASONAL workers (any individual employed in farm or ranch labor of a temporary nature and who is not required to be absent overnight from his or her permanent place of residence):

- a. on a truck farm, orchard or vineyard; or
- b. who work at the same time, same location, and do the same work as migrants;

regardless of the amount paid to that worker or the length of time employed.

Employers who meet any of the above conditions should contact their nearest Texas Employment Commission Tax Representative to establish an account. They may also write to the Texas Employment Commission Tax Department, TEC Bldg., Austin, Texas 78778 for the forms to establish an account.

WHAT YOU SEED IS WHAT YOU GET!

We

WE GET BETTER COTTON, YOU GET A BETTER PRICE.

YOU PLANT You want a good cotton variety that sticks well in the boll, isn't easily wiped out by disease and fruits high off the ground. And when it comes time for stripping, you want a cotton that grades well, has good staple length and uniformity, and provides good turnout at the gin. Certified and Generation One Deltapine SR-383, both from Terra Seed Company, are just what you're looking for in stripper cotton. Generation One, from Terra Seed, is one year away from certified, yet has all the same properties of the SR-383 parent plant. For the past 3 years, farmers who planted our Deltapine SR-383, and sold it through an astute marketing program, have realized premiums of up to \$25 per bale, based on premium micronaire and strength. And for those of you who want a more economical seed, new Generation One helps take the hassle out of catching your own seed for replanting next season. No longer do you have to go through all the headaches of catching and delinting your seed when Terra Seed's Generation One is already done for you, and will be available at select seed prices in 1986.

YOU GET When you plant Certified or Generation One Deltapine SR-383 from Terra Seed, you get the combination of superior fiber properties and high yield potential! You get an erect, compact plant with short fruiting branches and large to very large boll size, excellent tolerance to verticillium wilt and good tolerance to the fusarium wilt-rootknot nematode complex. Five year records show an average strength of 28 grams/tex, average staple of 33, average uniformity of 81.8, and premium micronaire. Plus you get a cotton with built in marketing advantages that has consistently sold well above the loan.

WE WANT Texas Cotton Marketing Corporation (TCMC) wants to buy your Deltapine SR-383 lint cotton produced from Certified and Generation One cottonseed. TCMC has provided textile mills the Texas Tech Research Center spinning results for several years in order to generate a premium market for SR-383. By sending HVI information and supplying sample loads for mill trials, mill buyers have discovered SR-383's benefits of high strength, high uniformity, and good mio. We need your SR-383 lint to supply the market TCMC has helped to develop. TCMC encourages you to block gin your SR-383 production thus assuring pure SR-383 lint cotton. You should contact your ginner concerning harvest and ginning arrangements needed for the 1985 crop. If you planted SR-383 this year, call your ginner or Texas Cotton Marketing Corporation for more information on premium markets for your 1985 production.

WE GET When we buy your locked Certified or Generation One SR-383 cotton, we get one of the finest stripper cotton fibers on the market today. We also get pure SR-383 which is of more value in our market, so in return we are able to offer you the best price possible.

WE ALL WIN! You'll win with the high yield and storm resistant qualities of SR-383, plus you get the added benefit of having established markets through Texas Cotton Marketing Corporation. Pure and simple, premium markets demand premium quality.

GARY KLEYPAS is the pastor of Trinity Lutheran Church in the Providence Community—Lockney. He grew up in the small central Texas town of Buckholts. After graduation from high school in 1967 he attended Temple Junior College and received his BA degree from Texas Lutheran College in Seguin. He earned an MDiv degree from Wartburg Theological Seminary in Dubuque, Iowa and was ordained as a pastor in the American Lutheran Church in June 1975. He is married to Sharon Richards from Stamford, Texas and they have one son, Jeff who is in kindergarten.

What's Happening In Your Marriage?

by Gary Kleypas

Read Ephesians 5:21-33. "Submit yourselves one to another in the love of Christ...Wives, submit yourselves to your husbands as to our Lord...Husbands, love your wives, even as Christ loved his church and gave himself for it...He who loves his wife loves himself. For no man ever yet hated his own body, but nourishes it and cherishes it, even as Christ does for his church..."

I have to laugh at myself for the odd things I do. Some people cannot do that. This past summer I tried to water some artificial flowers. I've heard of other people doing that but not me! They looked so real that I finally had to take them to a bright light and even feel them to realize they were not real! Many of our personal relationships and marriages are much like those flowers. They look real but they're not. They have become meaningless and sterile, a far cry from what God originally intended. We have forgotten the blessedness of relationships and marriage for the sake of intolerance and divorce. We are sophisticated, proper, respectable and faithful people—but can't seem to tolerate the person closest to us. Like the poetic words: "We flatter those we scarcely know, we please the fleeting guest, and we deal many a thoughtless blow to those we love the best."

A successful relationship between neighbors and for marriage partners needs constant loving care, kind gestures and considerate acts. I am thoroughly convinced that the best thing parents can do for their children is to love their spouse. Let your children and neighbors and the world know that this one spouse is infinitely loved. Let them know that you care and love each other. If husbands and wives have not found fulfillment and happiness in each other, if they have allowed other priorities to take away the romance then it will not be uncommon to see marriages of 20 years end in divorce. Mainly because they have stayed together for the children and now that the children are grown and gone from home there is no need to continue together.

Unfortunately many people, young and old, take the marriage step before they are prepared. Much more preparation is required of us before we can get a driver's license than it is to get a marriage license. As ministers we attempt to alert potential marriage partners to both the joys and frustrations of marriage, but the spiritual aspect is often over-shadowed by the social. The purpose of the above text is not control or subjection but love. That is the guiding principle. Love means to love you spouse as Christ loved the church and as you love yourself! This love is not selfish but always seeks good for the other. This love unites.

How is your relationship with your spouse, your family, your neighbors? Is it artificial or real like Christ's love for you?

Belt is on winning soil team

The Texas Tech University soils team won the southwest regional contest October 25 at Tarleton State University at Stephenville.

The team will advance to the national contest at Colorado State University in Fort Collins in April.

The team members are Kevin Belt of Lockney, J.K. Wipff of Del Rio, James Bauchert of El Paso and Grant Aldrich of Seminole. Belt and Wipff finished first and second respectively in individual competition.

Only the first- and second-place team in each region advances to national competition. The University of Arkansas finished second in the four team contest.

The team is coached by soils Professor B.L. Allen and Jim Walters, a plant and soil science graduate student from Houston.

Belt is the son of Mr. and Mrs. John G. Belt of Lockney.

Lockney Briefs

Kevin Belt of Lockney is a member of the Texas Tech University soils team which won the southwest regional contest recently at Tarleton State University in Stephenville. Belt, a senior at Texas Tech and the son of Johnnie and Betonia Belt, was first high individual. The team advances to the national contest at Colorado State University in Fort Collins next April.

Alice Mitchell, Elaine Gibson and Wanda Turner of Floydada flew to San Francisco Monday week and enjoyed touring the city and area before returning home on Thursday. En route home, they visited briefly in Albuquerque, New Mexico, with a former Paymaster employee, Frank Dickson.

Georgia and Raz Ford returned home Wednesday week from Houston where they had spent a week visiting with their children: Peggy and Tommy Bickel and Gina; Donnie and Carol Hanst, and John and Clo Ann Hanst and Mitch. Raz went with Donnie, John and Clo Ann to see Mitch and his high school football team play a game in a rainstorm. In better weather, they saw Gina's high school team from Spring play a game. Gina is a trainer for the team. Before coming home, Georgia and Raz also attended the Texas A&M-SMU game, and a Houston Oiler game.

Warren Mitchell and John Paul Schacht were in a hunting party near Doss (Fredricksburg) this past weekend. Also in the group were Warren's brother, Neil Mitchell of Waco; their cousin, Larry Mitchell of Bovina; and the husbands of two cousins from Georgetown. Every man brought home a deer.

Joel and Matt Mitchell spent Saturday and Sunday in Snyder with their grandparents, George and Shirley Mitchell, to hunt for wild turkeys. They bagged their limit.

Clydelle Jack and her mother, Maxine Hill, visited Friday through Sunday in Odessa with Clydelle's daughter, Bonnie and Jackson Jordan. On Saturday morning, they attended a layette shower honoring Bonnie.

Frank and Lena Hawkins and Edna Cox were in Hobbs, New Mexico, this past weekend to visit with the ladies' sister, Dorothy and Maurice Young.

Russell McAnally arrived home Wednesday night from Benicia, California, where he had visited since Friday with his brother, James and Helen McAnally; and a sister, Cleo and Claude Russell.

Elsie McAnally visited Sunday afternoon in Quitaque with her cousin, Mrs. Wayne Hooks.

Dr. Bonner and Le Nora Teeter were visitors last week with their son, Eddie and Cheryl Teeter, Rusty and Wesley. Bonner and Le Nora live in Oklahoma City.

June Sherman and Rolf were in Floydada Friday and Saturday visiting with her parents, Carl and Pearl Moosberg, and with her sisters: Alice and Ken Steele of Perryton, Carla and Donny Winslow, Zade and Robbie of Duncan, Oklahoma.

Tommy Sherman and Rolf went to the Lubbock airport Sunday morning to meet Mrs. Winifred Lee of Matador and Mrs. Clarice Jemeyson of Roseburg, Oregon, and to take the ladies to Floydada to attend the 40th wedding anniversary reception honoring Carl and Pearl Moosberg.

Also attending the Moosberg reception, held in the Wall Street Parlor of First Baptist Church in Floydada, were Elfie Sherman and Gayle Sherman of Lockney.

Pete and Maxine Yeary of Jacksonville, their children and grandchildren, ate supper Saturday night with Pete's aunt, Sylvia Yeary in Lockney. Funeral services for Pete's father, Esley Yeary, were held Sunday afternoon in Floydada.

Maxine Hill and Murillo Gilbreath Davis of Amarillo visited early this fall

in Mena, Arkansas for two weeks with Maxine's sister, Mildred Hardy and her son, Clarence and Joy Hardy and Lanny, all former Lockney residents.

Maxine and Murillo also visited several days in Greenwood, Arkansas, with Robert and Amy Fisher who had been schoolteachers in Floyd County. The ladies took the Fishers with them to spend the day in Eureka Springs.

Mildred Hardy returned to Lockney with Maxine and visited three weeks with her daughter, Janice and Gordon Aylesworth, and granddaughter, Kimmie and Tony Garza and Cody.

Maxine Hill and Murillo Davis of Amarillo have returned recently from a two-week trip to California where they visited in Bakersfield with Murillo's niece, Bonita and Don Dunn. The ladies also toured in Los Angeles and Santa Barbara and took a side-trip to the Grand Canyon before returning to Texas.

Byron and Madonna Schacht, Jackie Don and Fritz of Lubbock visited Friday night with their parents, Durward and Flora Lee Jack and Eleanor Schacht.

Maec Chandler recently has moved from Plainview to Lockney. The sister of Glen, Melvin and Ross Cooper is a former resident of Lockney, where she raised her family.
