**ELEPHANT UNDER THE BIG TOP**--Lockneyites have the opportunity to see this circus elephant perform tonight at the fairgrounds.

## Two circus performances slated in Lockney tonight

The Allen Bros. Circus will be in Lockney tonight at the fairgrounds. This event is sponsored by the Lockney Chamber of Commerce. The Circus big top has been set up and the performances will be given at 5:00 p.m. and 7:00 p.m.

For a growing number of urban dwellers the circus is something which

they see in an air conditioned arena. But those who live outside the big cities are lucky because they can still marvel at the sights, sounds and yes, smells of the traveling circuses of yesteryear. Allen Bros. Circus is an opportunity to relive the childhood excitement of the circus or to experience this special excitement for the very first time. This circus is one of ten tent circuses which operate in the United States.

Allen Bros. Circus has it all - jugglers, clowns, acrobats, aerialists, elephants and much, much more. Virtually every night during their annual tour of one day stands through the United States the performers and workmen pack all their equipment, seats, tent poles, props, musical instruments, animals and personal belongings into trucks and trailers and move on to the next town.

Allen Bros. Circus thus preserves the very essence of circus; a few magical hours of dazzling marvels, romance and incomparable entertainment that materializes mysteriously in town one day, and is gone just as mysteriously with the mornings light the next.

Another unique feature of Allen Bros. Circus is that the performances are sponsored by a local organization. In this instance the Lockney Chamber of Commerce. It is a family show, the kind that P.T.A.'s, churches, service clubs and little leagues are eager to sponsor in their towns because the entertainment is rated "G."

Don't let the kids miss the thrill of a tent circus when the circus comes to Lockney on Thursday, September 29. The performances will start at 5:00 and 7:00 p.m. at the fairgrounds.

## SWCD leaders meet scheduled next week

An array of top speakers will highlight the program of the Forty-eighth Annual State Meeting of Soil and Water Conservation District Directors when they meet October 3-5 in Lubbock.

The purpose of the meeting is to review developments affecting Texas Conservation programs. Speakers will include State Senator John Montford of Lubbock; Frank Dunkle, Director, U.S. Fish and Wildlife Service, Washington, D.C.; Robert Layton Jr., Regional Administrator, Environmental Protection Agency, Dallas; Robert Wetherbee, Vice President, National Association of Conservation Districts, Fairmount, North Dakota; and Harry W. "Wes" Oneth, State Conservationist, USDA Soil Conservation Service, Temple, Texas.

Approximately 1,200 SWCD directors and other conservation leaders are expected to attend the meeting.

Local directors Leslie Nixon, Junior Taylor, J.O. Dawdy, Leon Ferguson, and Keith Jackson plan to attend from the Floyd County Soil and Water Conservation District.

Jon J. LaBaume, district conservationist with the Soil Conservation Service, will attend with the directors.

Speaking during the Tuesday morning general session will be Senator Montford, Frank Dunkle and Robert Layton.

Montford, of Lubbock, serves as chairman of the Senate State Affairs Committee, Vice Chairman of the Senate Committee on Natural Resources, and Chairman of the Subcommittee on Water. He is also a member of Senate Finance committee and is a member of the Legislative Budget Board.

Dunkle, whose 40-year active experience in fish and wildlife management, includes administrative experience with state, federal and private agencies. He served as a senator in the Montana State Legislature during the 1970's. Dunkle was appointed director of the U.S. Fish and Wildlife Service in 1986.

Layton, a native of Corsicana, Texas, has served as Administrator of EPA's Region VI headquarters in Dallas since

his appointment in 1987. Prior to his current position, Layton managed the Layton Engineering Company of Tyler, a family owned business as well as engaging himself in a private consulting practice.

Wetherbee, NACD vice president, will speak on recommended changes for the 1990 Farm Bill. He will also speak on how USDA and other agencies are giving more emphasis on water quality.

Oneth, a native of Oklahoma, assumed the position of SCS State Conservationist for Texas last January. After working at four locations in Oklahoma, Oneth served as area conservationist in Indiana, state resource conservationist in New York, assistant state conservationist in South Dakota, and deputy and state conservationist in Ohio, prior to his appointment in Texas.

Clyde Hale of Sherman, president, Association of Texas Soil and Water Conservation Districts, will also attend.

## Chamber Spotlight Lockney Meat Company

Managed by Sam Fortenberry the Lockney Meat Company has a staff of 15 full time employees. The corporation has been in business for 12 years at the same location (corner of Hwy. 70 and 378) and has been a chamber member since opening.

The business deals in retail and wholesale. Beef and pork are also processed here and meat packages are sold.

Lockney meat offers custom services to its many clients including custom slaughtering. Half beefs as well as custom meat cuts are also sold.

The meat company strives to

**SAM FORTENBERRY**  
satisfy their customers. "People can call in with their own custom order and we are glad to fill the order for them."

### Witches Hut

Susan Patridge is the sole owner and operator at the Lockney beauty salon, Witches Hut.

The salon has been in business in Lockney for 15 years, and has been a member of the Chamber of Commerce for approximately five years.

Susan specializes in perms, cuts, colors, shampoos and sets. She also pierces ears and sells a line of Redken cosmetics and shampoos. Witches Hut is also the place to go if you want your lashes or eyebrows dyed.

"I have totally enjoyed all my customers over the years," said Susan. "I love fixing hair and I

wish I could do all the people in Lockney, but I can't. I appreciate all the business I've had over the years and I'd like to thank past, present and future customers."

**SUSAN PATRIDGE**

### Lockney Oil and Butane

Ham and Mildred Gammage opened the Lockney Oil and Butane service station in 1952, when they came to Lockney from Plainview. Mrs. Gammage keeps books for the station. As dealers for Phillips 66, they primarily sell gas and oil. They also make deliveries on butane and diesel to the area farmers.

Juan Mariscal and Leonard Griffith have received many

compliments on the quality of their service and on the cleanliness of the cars they wash.

Mr. and Mrs. Gammage have been members of the Lockney Chamber of Commerce for as long as they have been in business.

Mrs. Gammage states that, "Lockney has been a good place to raise our children and we have enjoyed living here."

## Lockney third graders receive free values book

Students of the third grade at Lockney Elementary School have received the gift-book entitled "Feeling Good About Me" containing eight stories about realistic problems young people might encounter and how, using traditional values, they are resolved.

Each story has a full-color illustration and teaches such lessons as right and wrong, appreciation of family, what it means to be a good citizen, living up to one's full potential, and why (and how) to stay away from drugs.

These beautiful books are made to last and are likely to become keepsake editions for the students. Local sponsors provide this important gift to the children because they know young people are the most precious resource of this community. The local sponsors are: Moore-Rose Funeral Home, Lockney

Insurance Agency, and Schacht Flowers, Jewelry & Gifts.

## LISD approves use of drug dogs...

Continued from Page One

The BJR Investigators and their drug dog. It was decided to schedule them for unannounced visits to the building. They will also present programs each semester to each of the schools. Their first program will be given at high school and junior high on October 4 and their dog will take part in the program.

The board approved a resolution to tax personal property for 1989. Personal property to be taxed include vehicles, travel trailers, airplanes and boats.

Appraisal personnel were approved and will evaluate each teacher four times during the year, two times each semester. The first appraisal will be done by the building supervisor and the second time by the outside career appraiser.

A bid was accepted from the Texas Farm Bureau Insurance for fleet insurance on the vehicles owned by the school district. The bid from Texas Association of School Boards was accepted for the buildings, contents, liability and boiler insurance.

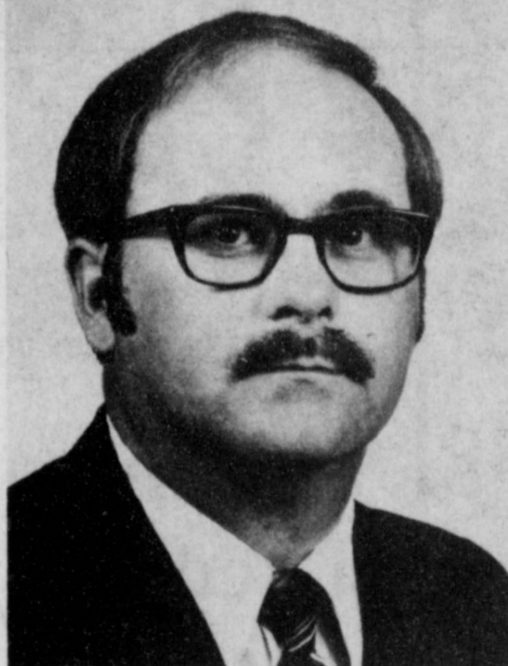

In other discussion it was decided to reject the bids. These bids concerning

the property to be sold at SE 2nd and Shurbert and to call for new bids were tabled at the August meeting. Also approved was the 21 cent per mile mileage allowance for travel. This is a guideline set by the state.

The board approved placement of personnel on the Level II Career Ladder. Three teachers were approved, Donnetta Keltz, Susan Morehead and Treena Aston.

Present at the board meeting were Dr. Gary Mangold, Dr. Paul Glasson, Lisa Mosley, D.K. Jackson, Dickie Lambert, Eddie Teeter, and Jim Bob Martin and W.H. Hallmark, superintendent.

## RAY MACHA NEEDS YOUR VOTE TO IMPROVE LAW ENFORCEMENT IN FLOYD COUNTY

1. Ray Macha will insist on higher standards of performance for the employees of the Sheriff's office. Employees who cannot, or will not meet these standards will be replaced. Employees who excel will be rewarded.
2. Ray Macha will not allow prisoners to answer the telephone, dispatch on police radio, operate police teletype or act in the capacity of a jailer. They will not be allowed to represent themselves as an employee of the Sheriff's office.
3. Ray Macha understands the importance of cooperation between law enforcement agencies. He is committed to fair, clearly defined responsibilities between agencies that are worked out in a spirit of cooperation and compromise, so that all Floyd County residents will benefit.
4. Ray Macha believes Floyd County residents expect, and deserve more active patrol to help prevent crime and less time spent sitting in an office or coffee shop.
5. Ray Macha will not waste your tax dollars.

I believe there are changes taking place in Floyd County. Changes that can benefit us all. Recent elections of new county officials, and new officials to be elected, point to a desire of the voters for a change. I believe that I can be a part of that change. A positive change for us all. I would appreciate your vote in November.

## Statewide economy improving 7.9 million Texans employed

The Texas economy continued to improve in August, with the statewide unemployment rate at 6.7 percent. Statistics released recently by the Texas Employment Commission show the lowest August unemployment since 1985.

"The August non-farm employment of 7.9 million Texans is 159,000 more than in August 1987, with many of the additional jobs in manufacturing," said Commissioner Mary Scott Nabers of the Texas Employment Commission. "Salaried jobs increased by more than 120,000 during that period."

Nabers noted that all Metropolitan Statistical Areas (MSA's) in Texas posted lower August unemployment rates than one year ago. In August, 14 areas had rates lower than the state average, while 13 were above it.

Areas with the lowest unemployment rates were Bryan-College Station, at 4.2 percent; Lubbock and Midland, both with 5.1 percent; Amarillo, Dallas and

Wichita Falls, all at 5.4 percent; Abilene, at 5.7 percent; Austin, Fort Worth-Arlington and San Angelo, all with 5.8 percent; Sherman-Denison, at 5.9 percent; Houston, at 6.2 percent; Victoria, at 6.4 percent, and Waco, at 6.5 percent.

Those areas with the highest rates in August were McAllen-Edinburg-Mission, at 15.9 percent; Brownsville-Harlingen, at 12.5 percent; Laredo, at 11.1 percent; El Paso, at 10.0 percent; Beaumont-Port Arthur, at 9.5 percent; Corpus Christi, at 8.5 percent; Galveston-Texas City, at 8.1 percent; Longview-Marshall, at 7.8 percent; Brazoria and San Antonio, both with 7.4 percent; Killeen-Temple, at 7.3 percent; and Odessa and Tyler, both with 7.0 percent.

## McCulloch, Gatlin marry

David McCulloch and Kay Gatlin, both of Plainview, were united in marriage Friday, Sept. 23, by Judge Frank Curry.

## Social Security News

By Terry J. Clements

People who are planning to retire around the first of the year should not wait until then to contact Social Security. To have their checks start on schedule, Social Security recommends that applicants file about 3 months before the month they stop work.

Filing ahead of time gives the applicant time to resolve any problems that may crop up, officials state. Such problems may range from a discrepancy in the available proofs of age to inability to establish the relationship of spouse and children.

A person applying for retirement benefits must be able to establish that he or she will be at least 62 years old when benefits are to start. If a spouse and children are also involved, the applicant will need a marriage license and birth certificates to establish the relationships. Other proofs may be needed if there have been previous marriages, or if there are minor children outside the present marriage.

The preferred proof of age is an official birth certificate or a baptismal certificate issued before age 5. If these are not available, a combination of other evidence may be acceptable. The Social Security office will help a person secure any necessary proofs that are not immediately available.

A person may file a claim for retirement benefits at any Social Security

office. A claim may be filed by phone or mail as well as in person. In addition, a person may call and make an appointment to apply for benefits at his or her convenience.

For more information or to file a claim call 293-9623.

## Lubbock hosts SHL

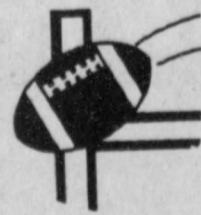

The residents and staff of Lubbock Village will host a reception in honor of the Texas Silver Haired Legislators representing the South Plains area on Friday, September 30.

The Silver Haired Legislators, to be honored at the retirement community at 2:00 p.m. that day, are Manuel Ayers of Plainview, Dolly Brown of Slaton, William Eubanks of Lubbock, and Mary Fern Maddera of Levelland. These individuals were elected by popular vote to a two year term earlier this year by area senior citizens age 60 and over. Brown and Eubanks are serving second terms.

First formed in 1986, the main responsibility of the Texas Silver Haired Legislative is to draft and propose legislation to state lawmakers. They are particularly concerned with issues that affect senior citizens. The Texas Silver Haired Legislative is comprised of 116 representatives throughout the state.

## Host families sought by International Friends

Lubbock Area International Friends and the Texas Tech University Office of International Programs are searching for interested people to act as host families for international students at Texas Tech. For further information, please call 742-3667.

Host families assist international students by introducing them to the West Texas community, American culture, and our way of life. International students do not live with their host families, but enjoy sharing special holidays and everyday activities with Americans from all walks of life. Participation in the International Friends Host Family Program benefits everyone involved. By including international students in their regular activities, host families

learn something of their guests' language, traditions and culture. The international students learn about American culture and traditions while finding a listening ear and a helping hand to guide them in adapting to a new country and to overcome their loneliness and homesickness.

Anyone can participate in the host family program. The beginning of a new school year has brought many new international students to Texas Tech and host families for these students are urgently needed. For further information about this and other programs sponsored by Lubbock Area International Friends please call the office of International Programs, 742-3667.

## Energas changes name to Atmos Energy Corporation

The shareholders of Energas Company (OTC-EGAS) have approved a change in the company's name to Atmos Energy Corporation effective October 1, 1988.

At a special meeting of shareholders held this morning, Charles K. Vaughan, chairman, president, and chief executive officer announced the results of the shareholders' vote. In addition to the name change, shareholders also approved a proposal to increase the company's authorized common shares to 50,000,000 and approved a restricted stock grant plan.

In related action, the company announced that common shares of Atmos Energy Corporation will begin trading on the New York Stock Exchange beginning Monday, October 3, 1988 under the trading symbol "ATO."

Said Vaughan, "These actions set the stage for our company's continued growth and expansion. We are pleased that our shareholders have demon-

strated their support for our plans." Energas (Atmos Energy Corporation) distributes natural gas to more than one-half million customers through its operating divisions - Western Kentucky Gas Company in Kentucky, Trans Louisiana Gas Company in Louisiana, and Energas Company in Texas.

## McPherson speaks to Athena Study Club

Athena Study Club met in the home of Donnie Meriwether, with Denise Doucette as co-hostess for their August meeting. Becky Bybee McPherson, assistant district attorney of Hale County gave an informative program on laws and legal matters.

Secret sisters were revealed for the 1987-88 year. Barbara Mathis took the honor as Athena Rose and Vera Jo Bybee was voted outstanding club member for 1987-88.

Final plans were made concerning the ice cream booth and float for the Floyd County Fair.

Members present were Kathy Allen, Vera Jo Bybee, Barbara Cawley, Tanya Covington, Denise Doucette, Shirley Hardin, Vida Hrbacek, Dani Johnson, Barbara Mathis, Donnie Meriwether, Gayle Reay, Laura Wilson, Shelley Brock, and Laura Smith.

Athena's ice cream booth took first place in the Floyd County Fair and the float won first place in the parade.

Athena Study Club met September 3 in the home of Denise Doucette for the yearbook party. A southern dish dinner was enjoyed by members. Co-hostesses were Laura Wilson, Katy Allen, Shelley Brock and Donnie Meriwether.

Fund raisers and projects were discussed.

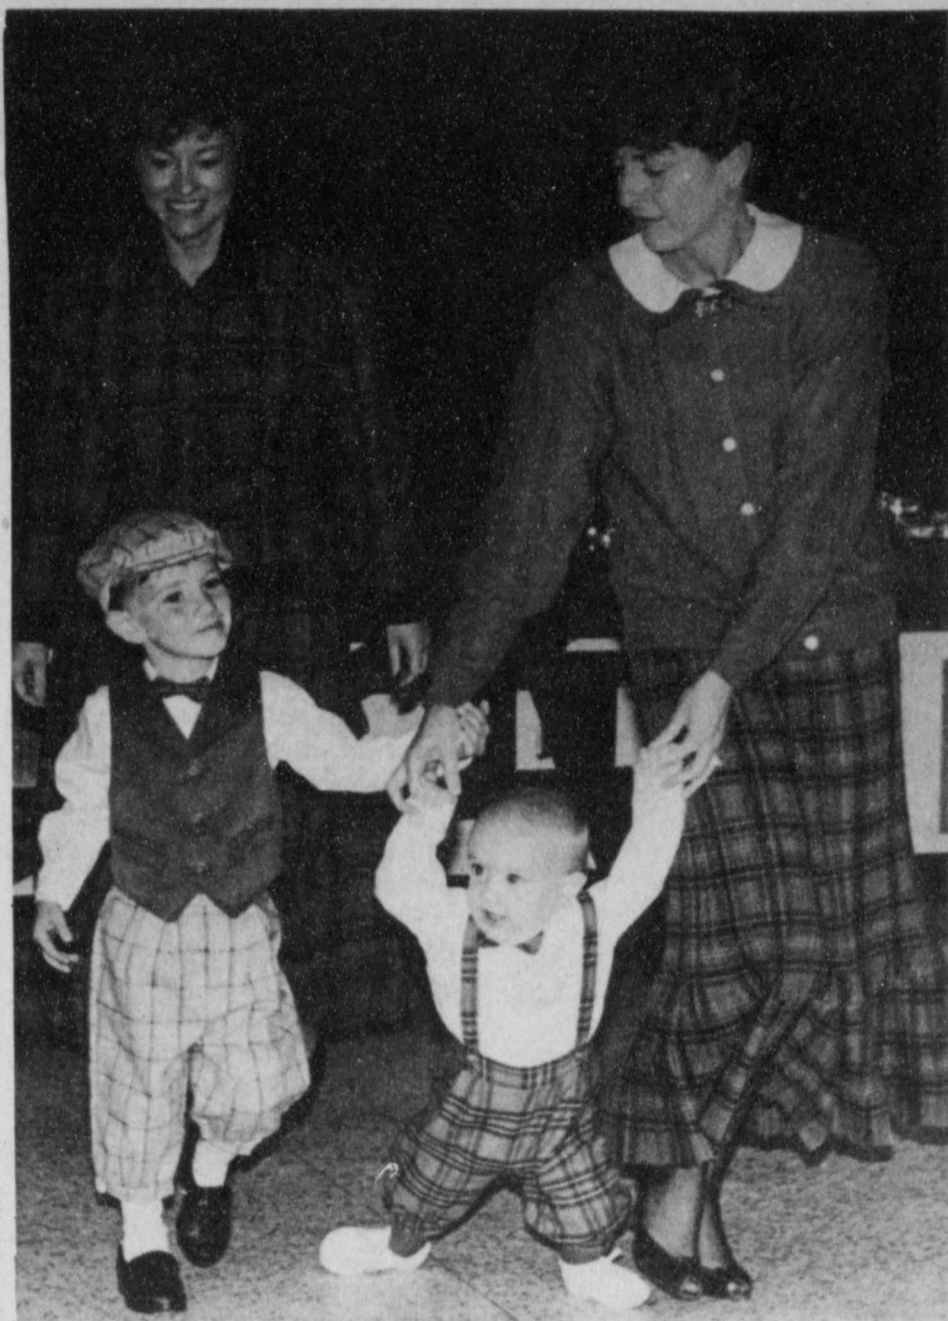

Donations were approved to the Lockney Baseball Association, Christy Ochoa Love Fund and others. Athena will assist P.T.A. and other organizations on landscaping, repairing present equipment and securing new equipment for the Lockney school playground. A ring toss booth at the P.T.A. Halloween carnival on October 29 will be sponsored by the group.

Secret sisters names were drawn and members were reminded to get their finished quilt squares to Jane Archer.

A monthly newsletter will be mailed to all members so associates, L.O.A.'s and absentees can be informed of business, projects and so forth.

Members present for this meeting were Kathy Allen, Jane Archer, Vera Jo Bybee, Shelley Brock, Denise Doucette, Shirley Hardin, Vida Hrbacek, Bettye Jackson, Gayle Jackson, Barbara Mathis, Donnie Meriwether, Virginia Owens, Leslie Patterson, Gayle Reay, Laura Smith, Lanell Stone and Laura Wilson.

The next meeting will be held October 18 in the home of Kathy Allen. Each member is required to come as a ghost and encouraged to bring a guest. Co-hostesses will be Laura Wilson and Laura Smith.

## Automobile fatalities outnumber deaths from aerial accidents

Thirteen people were killed on August 31 when Delta flight 1141 crashed on takeoff just beyond the runway at DFW airport. Sunday claimed the life of the fourteenth victim.

This story splashed the headlines across the country and grabbed people's attention for days. Another plane crash. A story such as this instills tremendous fear in some people to ever travel by plane again. It is tragic, there's no doubt. But, there are days when fourteen or more people are killed on Texas roadways, yet the events pass almost without notice.

Traffic accidents and fatalities have become so commonplace that they are seen as the price you pay to play. But driving is no game. The fact that people are killed everyday proves it.

Texans should not become complacent with accidents and deaths on the

roads we travel. And remember, safe driving Pro-Tex-Us.

Some interesting facts from 1986 (National Figures):

No. of accidents on airplanes, 2,500\*, no. of fatalities, 700\*.

No. of accidents in automobiles, 17,700,000, no. of fatalities, 47,900.

(\*Note these figures are estimates from the Federal Aviation Administration.)

FASHIONS FROM THE PAST were donated to the Lockney FHA, from people who have been saving them for years. They were modeled along with present fashions Saturday at the Lockney Elementary cafeteria. Staff Photo

## Vaccines are a boon to modern health care

You may be old enough to have grandchildren if you can recall when vaccinations for youngsters were neither available nor required in Texas. Some parents of children entering school and day care this year were themselves born after the advent of modern vaccines.

They do not realize that only a few decades ago, such deadly and disabling diseases as polio and diphtheria threatened every child, and outbreaks and

epidemics occurred more frequently every year.

But with the development of vaccines, large-scale outbreaks of some once-common diseases may have become items in our history books. Texas law requires children entering day care or school, public or private, to be immunized at certain ages against polio, tetanus, measles, rubella (German measles), mumps, and diphtheria. In addition, the law requires pertussis (whooping cough) vaccine for all children less than 5 years old in day care and public school. The Texas Department of Health (TDH) further recommends the pertussis vaccine for all children through age 6.

Not only have immunizations for these diseases averted misery and death for thousands, they have proved to be the nation's most cost-effective preventive health care practice. It is estimated that these vaccinations, begun early in childhood and kept up-to-date, save at least \$1 billion in health costs each year in the U.S.

Robert D. Crider, director of the TDH Immunization Division, said, "The vaccine-preventable diseases are certainly not wiped out, but they could be, if everyone would be sure to keep their immunizations current." Today's victims include not only children whose parents have neglected their youngsters' immunizations, but also adults who have allowed their own diphtheria-tetanus immunizations to lapse.

In 1987, TDH recorded sporadic outbreaks of measles (452 cases), mumps (339), pertussis (111), rubella (5), and tetanus (5) in the state. No cases of either polio or diphtheria were reported.

## Lockney Care Center

Our bake sale on Saturday was a huge success. We would like to thank the community for your patronage and we would especially like to thank our staff for the time and effort put into their baked goods that were sold just as quickly as they were brought in. The money raised went into the activity fund and will be used in the manner that the residents wish for it to be used for. This will be discussed at our next resident council meeting.

Our bus ride last Monday took us to

McDonald's where we were treated to ice cream and cokes. Thanks, McDonald's for being so kind to us. The remaining days of the week were used to prepare for the bazaar.

Bessie Jackson had a special group of visitors last weekend. There were five generations of Jacksons that gathered together. Bessie, her son David Jackson, her grandson Donny Jackson, great-grandson Clint Jackson, and great-great-granddaughter Nicole Jackson. It was a proud day for Bessie.

## VA News

EDITOR'S NOTE: Following are representative questions answered daily by VA counselors. Full information is available at any VA office.

Q — I receive education benefits from the VA. Can I set up a direct deposit of those checks?

A — No. Only compensation and pension benefits can be directly deposited to a personal bank account.

Q — Are common-law marriages

recognized by the VA?

A — Yes, in a state that recognized common-law marriages at the time the relationship was established.

Q — My ex-husband says I am the beneficiary of his National Service Life Insurance policy. Can I verify this?

A — Verification is possible only with the husband's permission in writing. This does not preclude a change in beneficiaries at a later date.

Have a Good Week!

### PUBLIC NOTICE CITY OF LOCKNEY COMMUNITY DEVELOPMENT FUND TEXAS COMMUNITY DEVELOPMENT PROGRAM

The City of Lockney is planning to file an application with the Texas Department of Commerce (TDOC) for a Texas Community Development Program (TCDP) grant under the Community Development Fund. This application will be submitted to TDOC on or before October 27, 1988.

A public hearing concerning the proposed grant application will be held at 7:30 o'clock P.M. on Monday, October 10, 1988, at City Hall, Lockney, Texas. The purpose of this public hearing is to review the City of Lockney's proposed 1988 request for TCDP funds including the amount of funds to be requested and the scope and location of proposed project activities. No displacement of residents is expected as a result of the proposed 1988 TCDP project.

All citizens are encouraged to attend this public hearing and present their views on this proposed project. Written comments will be accepted by the City up until the time that the City's application is submitted to TDOC. A copy of the City's application will be available for inspection during normal business hours at the City Hall, 218 East Locust, Lockney, Texas.

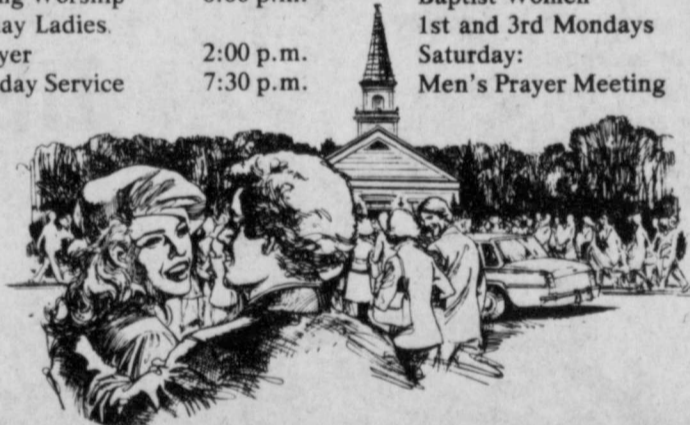

The basic intent of the TCDP grants is to provide programs to benefit low and moderate income persons, to prevent or eliminate slums and blight and to meet other urgent community development needs. Eligible activities include improved streets and drainage, utility systems and other public facilities improvements. Housing improvement programs are also eligible as are certain public service activities which meet one of the three TCDP basic intents noted above.

For further information about the City's proposed TCDP application, contact Erma Lee Duckworth, City Secretary, City of Lockney, at (806) 652-2355. Handicapped individuals who might have difficulty in attending this public hearing should contact City Hall to arrange for special assistance.

# Longhorns fight hard against Sudan Hornets

The Lockney Longhorns came out fighting and kept fighting against Sudan Friday night in their best played game of the season. Even though Sudan defeated Lockney 26-14, the score was deceiving.

Sudan came out quick scoring on their first possession. The Hornets began their drive on their own 30 yard line and drove down the field. Quarterback Kyle Maxfield kept the ball and scored running. The extra point was good. The Hornets began their second touchdown drive late in the first quarter and continued into the second. Maxfield again was the key factor by leading the Hornets for first downs and completing passes for important yardage.

Lockney gets the chance to show their improvement in offense with their first possession in the second quarter. The offensive line was the major factor to the success of the drive. Horns Michael Monroe rushed up the middle for two consecutive first downs.

The line once again provided excellent protection for quarterback Louis Peralez to throw a successful first down pass to Joe Luis Guerrero. Freshman halfback Augustine Pena ran in for a two yard touchdown. A penalty against Sudan on the extra-point attempt sat up a two conversion try. Jorge Bernal received the call but was stopped short. On the next play, Lockney shocked Sudan with an inside kick. A surprised Hornet Chris Harper fumbled the ball and Lockney recovered on Sudan's 45 yard line.

A five yard penalty against Lockney on the next play pushed the ball back to mid-field. The Horns not able to capitalize on their successful inside kick had to punt. The tough Horn defense held

Sudan on their next possession and forced a bad Hornet punt. The Longhorns began on Sudan's 38 yard line. Again, the Horns offensive line was the key. The line opened up holes allowing the backfield to gain important first downs and worked their way to Sudan's 18 yard line on a third down and 2.

With :54 left in the first half, Lockney calls a time out to plan their strategy. Their strategy works with Monroe rushing for the first down. Horns Peralez was stopped on a first down attempt setting the Horns on second down and 10. A penalty against the Horns on an incomplete pass from Peralez to Bernal brought the ball back to the 10 yard line. Monroe gets the call and runs 10 yards for a touchdown.

The touchdown was called back on a clipping penalty against Lockney. The penalty ends Lockney's drive and the second quarter.

Lockney began the second half with an inside kick. The kick attempt was unsuccessful because it did not go the required 10 yards. Sudan began the third quarter running. The tough Lockney defense causes an important turnover. Hornets Joe Gonzales coughs up the ball and Lockney recovers. Sudan in return causes a Longhorn fumble which results in a Hornet touchdown. The extra point attempt failed. Lockney controlled the ball for the rest of the third quarter. Horns kept the ball on the ground using the clock and gaining the most rushing yards of the year.

After an unsuccessful attempt to score, Lockney's Guerrero was back to punt. A bad snap forced Guerrero to rush the punt and draw a roughing the kicker

penalty. The call goes Lockney way and puts the ball on Sudan's 30 yard line. The turning point on the drive was a successful pitch-out pass from Peralez to Monroe on fourth down and 5. A penalty against Sudan on the next play put the ball on Sudan's 10 yard line. Michael Monroe ran 10 yards for a touchdown with Michael DeLeon scoring the two-point conversion. Lockney dominated the third quarter and brought the score within six points. Sudan 20, Lockney 14.

Sudan scored their last touchdown off a Longhorn fumble. The final score was Sudan 26, Lockney 14.

"The kids played a great game," says Coach Jim Clark. "The offense has come a long way. The offensive line did a good job opening holes for the backfield and protecting the quarterback. The defense played tough against a good Sudan team. This was the first time all year the running game was effective gaining 210 yards."

The Horns will be ready for district as long as they continue to improve as much as they have the past few weeks and can keep it all together.

The 1988 Homecoming game should prove to be an exciting game between the Horns and the Springlake-Earth Wolverines. This game along with last week's game against Sudan could be the turn around the Horns need and prepare them to enter district with renewed confidence.

Springlake-Earth defeated Hale Center last Friday for their first win of the season.

"Springlake-Earth is a good ball club even though their record doesn't show

it," says Horns head coach Jim Clark, "If we can control their quick backfield we'll be in good shape. If the kids play as well as they did against Sudan, the game will be good."

The Horns will be hosting the Wolverines at Mitchell-Zimmerman field Friday at 8:00 p.m.

## 8th Shorthorns just fall short

The 8th grade Shorthorns just fell short to Sudan Thursday, 20-0. Lightning played havoc on the game cutting it short in the third quarter.

Sudan scored on a Lockney blocked punt and on a Lockney fumble. The Hornets third score was a long drive down the field.

The defense greatly improved from last week's bout with Floydada and continue to be aggressive.

The Shorthorns will meet Springlake-Earth Thursday.

## Shorthorns still undefeated

The 7th grade Shorthorns remain undefeated for the year by keeping Sudan scoreless Thursday night, 36-0.

TD, David Luna, 47 yard run, 2 pt. conversion good.

TD, Juan Cejas, 41 yard run, 2 pt. good.

TD, Patrick, 37 yard run, 2 pt. failed.

TD, Abel Reynosa, 34 yard interception return, 2 pt. failed.

TD, Phineas Riddle, 4 yard run, 2 pt. good.

The offense line showed great improvement this week. The lineman did an excellent job firing off the football and sticking with their blocks.

The Shorthorns continue to play good defense. Lockney held Sudan to just two first downs.

## Dorman wins first in contest

This week's football games must have been harder. There were more missed games than there have been.

First place winner in the fourth edition of the football contest was Johnny Dorman. He missed only three games and will collect a check in the amount of \$10.

After winning first place last week E.M. Pyle Jr. turned in the second place contest winning entry. Pyle missed only four games and will collect \$6.00 for his efforts.

Third place ended up in a three way tie and Amelia Guerrero came out on top with her tie breaking score of 31. She missed five games and will take home \$4.00.

Honorable mention goes to Roy Saucedo and Cindy Means. Both missed five games. Saucedo had a tie-breaking score of 29 and Means score was 28.

Please remember that you must circle the name of the team you think will win on each of the games and write in the total score of the Lockney game. To win the Dallas Cowboy-Houston Oilers tickets it is important that you enter each

week. If you have not entered each week don't give up, you could still bring home the weekly prize money.

Top scores in the run for the tickets are Johnny Dorman, 47; Ricky Mosley, 46; Sarah Sanders, 46; Kip Holt, 44; Lisa Mosley, 44; Pat Stansell, 44; Doug Ward, 44; Jared Mosley, 43; W.L. Carthel, 43; Eddie Fortenberry, 43, and Brent Sanders, 43.
