Hospital Bond Election Fails, 419 to 480

The Castro County News

Official Publication of Castro County, Texas

THIRTY FIRST YEAR

DIMMITT, CASTRO COUNTY, TEXAS, THURSDAY, AUGUST 28, 1958

12 PAGES—NUMBER 44

County Farm Tour Set September 4

A Farm Tour and meeting will be held in the Arney Community Thursday, September 4th, beginning at 10:00 a.m. The meeting will be held in the morning at the Arney Community Center and the tour will be in the afternoon. The tour is sponsored by the Extension Service, the Soil Conservation Service and the First State Bank of Dimmitt.

Legion Clears Current Debt Against Building

Dimmitt's Greer H. Estes Post No. 445 of the American Legion has paid off current indebtedness of its building at the corner of northeast Second and Andrews this week according to an announcement by officials of the organization.

Plans are now well underway for installing a ten-foot ceiling in the building along with new wall-board material.

The Legion Building, as used during the past year as a community center, youth center, church, as a Legion meeting place and for other purposes, was finished to a usable condition about a year ago. Legion fund raising campaigns have been carried out during the year to retire the debt incurred for completion of the building.

It is expected the work will be finished before cold weather sets in so the heating problem will not be as serious as last winter. Work on the building is volunteered by Legion members.

Local Cheerleaders Tops at School

The Dimmitt High School cheerleaders returned last Friday from Dallas where they attended a one week school of cheerleading.

While there the Dimmitt squad rated a third, two seconds, and on the final day they won a second place over all the other teams in their group.

Hamilton, who is a judge in El Paso, also roundly defeated his opponent, a Houston lawyer, in the state-wide tabulations. The Texas Election Bureau's final count for Sunday gave Hamilton 293,835 to 244,693 for Smith.

There were no local run-off contests in the primary.

JayCee-Ettes to have Bake Sale
The Dimmitt JayCee-Ettes will have a bake sale at Bob's Super Market Saturday, August 30th. It will start at 9:00 a.m.

Farm Bureau 'Talent Find' Thursday Night

Castro County's cream of the vocalist and instrumental crop will appear before the public at the Talent Find Show sponsored by the Women's Committee of the Farm Bureau on Thursday, September 4th.

Already entered are James Richardson, Laurel Ivey, Pat Norris, Anabelle Taylor, Edgar Dennis, LaNelle Blanton, and the Flute Quartet and Frio Trio Plus One.

This is the first time for the Farm Bureau to sponsor a talent show in Castro County. It is replacing the usual Farm Bureau Queen contest held at this time every year.

A set of rules was published in the August 14th issue of the Castro County News.

The program next Thursday will be in the High School auditorium beginning at 8:30 p.m.

Carnival Rides Arranged for County Fair

The Castro County Fair will be loaded with all kinds of entertainment this year, according to a report at a Fair Association meeting Monday night.

Entertainment Committee chairman, Dr. James E. Wohlgenuth said, the Lone Star Carnival of Amarillo had been engaged for the week of the fair, the rides to be operated by members of the fair association or local clubs.

Other entertainment proposed by the committee consists of fireworks, sock races, greased pole climbing contest, and a pie eating contest.

The meeting also decided that the fair parade should be on a local and county participation basis and that all organizations and businesses be asked to construct floats.

Currents plans are for the fair divisions, awards and other information to appear in next week's issue of the Castro County News.

Grain Producers to Meet Tuesday In Dimmitt Theater

Grain sorghum producers throughout Castro County will take a closer look at their production, marketing and related problems and opportunities at a county-wide meeting next week.

Mr. Hugo Beyer, Castro County chairman of the Grain Sorghum Producers Association says the annual pre-harvest meeting will be Tuesday, September 2 at 2:00 p.m. in the Carlisle Theatre.

It is expected that government programs, production and marketing practices and reports on the organized activities of the Grain Sorghum Producers Association will be the chief topics of discussion.

Mr. Jack King, Grain Sorghum Agronomist, with the Texas Extension Service and Mr. Bill Nelson, Executive Vice-President of GSPA will participate in the discussion along with local leaders.

October 17 Last Day to Apply For Farm Program

County farmers have until September 26th to request the establishment of a maximum farm payment rate and until October 17 to make their application for a contract in the Conservation Reserve program.

Pointed out were three major changes in the Conservation Reserve program for 1959:

1. An increase in the national average annual payment for Conservation Reserve land to \$13.50 per acre from the previous national average rate of \$10.

2. Additional incentives, including a payment of ten percent above normal rates, for farmers to put all eligible land on their farms in the program for at least five years.

3. A priority system for accepting Conservation Reserve contract applications.

The Conservation Reserve is being opened early this year because the other phase of the Soil Bank—Acreage Reserve—will not be in effect in 1959.

Additional information about the Conservation Reserve can be had at the ASC office in the basement of the court house.

ASC Election Held to Choose Committeemen

Castro County voters in the ASC Community Committeeman election should return their ballots either by mail or in person by September 3rd.

Ballots for the election were mailed last week for the 1959 program year. Both husband and wife are eligible to vote and anyone interested in a farm in 1958 is eligible to vote. Persons eligible who did not receive a ballot may pick one up at the ASC office.

Candidates for election as committeemen are: Community A—Pirron Winters, Bill Simpson, Charles Burks, James Wilhelm, Dean Barden, L. L. Wagner, S. A. Hodges, Paul Venhaus, Phillip Huseman and John Schacher.

Community B—Guy Walser, Edmond J. Hodges, Joe Huckaby, H. C. Baird, Fred Axe, Jack Flynt, George Bagwell, E. F. Vogler, M. L. Simpson, C. W. Frye.

Community C—Noel Gollehon, James Autry, Dan Heard, Orlus Hastings, William (Judd) Baldridge, Clyde R. Davis, Hugo Beyers, Edd J. Drenup, M. A. Tidwell and H. C. Nelson.

Community D—Clayton Graef, Johnnie Haberer, Milton Bagwell, Marvin Sanders, Edward Jones, James Bradfords, Ray A. Axtell, Irvin Ott, Joe Collins, and Edwin L. Dawson.

Community E—Earl Jones, Paul Armstrong, Jr., M. M. Smitherman, Paul Brooks, W. C. Chick, Percy Hart, D. L. McLain, F. A. Smith, Phillip Jones and D. D. Myrick.

Fire Destroys South Dimmitt Vacant House

A fire about 3:20 Wednesday morning destroyed a house and garage in southeast Dimmitt belonging to Mr. Charley Pesina.

Castro County voters turned thumbs down Tuesday on a bond election aimed at the construction of a new hospital building in Dimmitt.

There was a 61-vote difference as 480 disapproved the measure while 419 were favorable. Total vote was 899.

Since a bond election for the construction of a county hospital building last year failed also, the defeat came as no great surprise to promoters of the hospital issue.

However there are indications that a petition will be circulated calling for another hospital bond election in November.

Strongest opposition, percentage wise, came from Sumnerfield, where the vote was 17 against and none for. Most serious damage was done to the hospital cause at the Hart box where 101 voted against the measure to 14 approvals.

All rural boxes except two were against the proposal. Frio voted a tie 6-6 and Easter approved 8-6.

Largest favorable vote came in precinct two, which is southwest Dimmitt. There 128 approved and 52 disapproved. Precinct three approved 126-58. Precinct 1 was 22-15 for the issue and Precinct 4 tied at 15-15.

In the following tabulations, the voting potential is listed as the number of poll taxes paid in each precinct. In a bond election these poll taxes are good only to those who have rendered property for taxation and are consequently eligible to vote. However this number is presented as an indication of the voting strength since by and large all poll tax holders are eligible to vote in a bond election.

Box Number	Location	Voting Potential	Total Vote This Election	For	Against
1	Southeast Dimmitt	98	37	22	15
2	Southwest Dimmitt	401	180	128	52
3	Northeast Dimmitt	370	184	126	58
4	Northwest Dimmitt	87	30	15	15
5	South Nazareth	85	52	8	44
6	City of Hart	287	115	14	101
7	Bethel	50	34	12	22
8	Jumbo	46	15	7	8
9	Summerfield	48	17	0	17
10	Sunnyside	55	28	13	15

13	Arney	50	25	5	20
14	Frio	64	12	6	6
15	Easter	42	14	8	6
Absentee				14	2
TOTALS		1374	899	419	480
		(47.97%)			

Sales Management Survey Shows High County Income

Taken as a whole, residents of Castro County are now in higher income brackets than are people in most parts of the United States.

A larger proportion of them are in the "have more" category and a smaller proportion are in the "have less" group.

This is made evident through a nationwide, county-by-county breakdown of 1957 incomes, conducted by Sales Management.

The copyrighted study reveals, for each community, whether the figure given as its "average income" represents earnings evenly distributed or whether it is made up of a small number of people with very high incomes compensating for a large number with depressed incomes.

In Castro County the more uniform situation prevails. Over 70.7 percent of local households have spendable incomes, after taxes, of \$4,000 or more.

This compares favorably with the distribution of earnings in the rest of the United States, where only 50.6 percent of the households are in the plus \$4,000 brackets. In the State of Texas here are 51.8 percent.

In terms of everyday business, the local situation makes for a better market. The average family can afford finer food, better clothes, more luxuries and more vacations.

The combined buying of a large segment of a population having middle-income earnings or better, as in this case, results in more business and in a more prosperous community, therefore, than would be produced by a high-low combination.

In Castro County, the breakdown shows, 15.0 percent of the households are now in the \$7,000 to \$10,000 bracket. They account for 13.2 percent of the net income locally.

Those with earnings of 2,500 to \$4,000 a year comprise 15.0 percent of the households. They receive 5.4 percent of the income.

The 70.7 percent in the "over \$4,000" class get 92.3 percent of the income.

has been upward. Since 1930, the real wages of American workers, allowing for price changes, have grown by two-thirds.

James W. (Rosy) Bates, sponsor of the group, said that "the cheerleaders wish to express their sincere thanks to the merchants and townspeople for the possible tags they bought to make it possible for the group to attend the school."

Those making the trip were Bates, Verna Brown, Aundrea Booth, Sharon Maynard, and Sharon Corica. Linda Robinson attended the twirling school.

Hamilton, who is a judge in El Paso, also roundly defeated his opponent, a Houston lawyer, in the state-wide tabulations. The Texas Election Bureau's final count for Sunday gave Hamilton 293,835 to 244,693 for Smith.

There were no local run-off contests in the primary.

JayCee-Ettes to have Bake Sale
The Dimmitt JayCee-Ettes will have a bake sale at Bob's Super Market Saturday, August 30th. It will start at 9:00 a.m.

Community D—Clayton Graef, Johnnie Haberer, Milton Bagwell, Marvin Sanders, Edward Jones, James Bradfords, Ray A. Axtell, Irvin Ott, Joe Collins, and Edwin L. Dawson.

Community E—Earl Jones, Paul Armstrong, Jr., M. M. Smitherman, Paul Brooks, W. C. Chick, Percy Hart, D. L. McLain, F. A. Smith, Phillip Jones and D. D. Myrick.

Hamilton Wins In County Primary

Only forty-eight Castro County voters turned out in Saturday's second Democratic primary to approve Robert W. Hamilton over Edwin Smith, 41-7, in the race for associate justice of the State Supreme Court.

Local Cheerleaders Tops at School

The Dimmitt High School cheerleaders returned last Friday from Dallas where they attended a one week school of cheerleading.

While there the Dimmitt squad rated a third, two seconds, and on the final day they won a second place over all the other teams in their group.

Hamilton, who is a judge in El Paso, also roundly defeated his opponent, a Houston lawyer, in the state-wide tabulations. The Texas Election Bureau's final count for Sunday gave Hamilton 293,835 to 244,693 for Smith.

THE 1958 BOBCATS

Bobcats to Scrimmage Farwell Here Saturday; First Reserved Seat Tickets on Sale at \$6 Each

The 1958 Dimmitt Bobcat football team, sporting only one returning letterman-starter will make its debut in a scrimmage game against Farwell Saturday afternoon at 4 o'clock at the local stadium.

The season's preview will give local football enthusiasts an idea of how coach J. D. Covington's team can be expected to perform this year.

Fans will have the opportunity of purchasing all-season reserved seat tickets at the game, according to a JayCee announcement. Several JayCeers are expected to be on hand at the game to sell reserved seats between the forty yard lines in the new bleachers for the coming season. The season tickets cost \$6 and assure the bearer a reserved seat all season. The tickets will also be available at the business office in the High School Building next week.

The only last year's starter back for the season will be Norman Nelson, one of the stars of last year's all-district team. Others who will make up the Bobcat team this year are Mike Bailey, Carlos Barnes, Jimmy Curtis, James Collins,

Ted Collins, Jimmy Slough, Romero Garza, Stanley Nelson, Houston Frye, Don Warren, Myles Sadler, Delbert White, Ben Holcomb, Carl E. Kemp, Boyce Tate, Hal Ratcliff, Jack Ragland, Gordon (Manish), Junior Coffee, David Hays (thaniser), Jerry Blackwell, Darless Goolsby, Marshal Young, Leroy O'Brian, Richard Arnold, Bobby Cummings, Jerry Hyatt,

Junior Pesina, Stanton Calvert, and Ronnie Buckmaster, manager.

FIRST GRAIN LOAD DELIVERED AT EASTER

Community Grain Company of Easter received its first load of grain Wednesday morning. It was brought in by Dan Nelson and the 1200 pound load tested 18 percent moisture.

CARDS OF THANKS

The employees of Castro County Hospital wish to thank the Martin Gin Company for the use of their trailer; the Gladman Drug for their car; the McMahon Machine Shop for a hitch; the Dennis Floral for grass and Willson & Nichols Lumber Company for lumber to decorate the Hospital's Rodeo parade float. It was through these generous actions we were able to win first place in the parade. Castro County Hospital Staff

We want to thank the many friends and neighbors for their many helpful deeds and kindnesses to us while John was sick and our thanks to the hospital nurses and staff.
Mrs. John Smith
Franklin and family

We wish to express our sincere thanks and deep appreciation to the Dimmitt Fire Department in their prompt response in combating the fire that destroyed our garage Sunday morning. Again may we humbly thank each and everyone of you.
The Fred Bruegels

Returns from Vacation
Mr. and Mrs. Raymond Wilson and Patricia have returned from a vacation trip to Arkansas.

Returns from Corsicana
Mrs. Sam Maynard returned home after a week visit at Corsicana. While there she attended a family reunion at Malaqoff.

Miss Rogers Is Shower Honoree

The home of Mrs. R. E. Wilson was the scene of a tea shower, Friday, August 15 honoring Miss Barbara Rogers, bride-elect of Jerry Dale Noble.

Miss Pat Wilson greeted the guests and presented them to Miss Rogers, Mrs. R. D. Rogers and Mrs. Ester Noble.

The honoree's colors of blue and white were carried out in the refreshments. The table was covered with a lovely blue net cloth over a blue satin cloth and was centered with a miniature bride and groom under an archway decorated with small pink rose buds. Lovely arrangements of summer flowers were used throughout the house. Mrs. Edd Bauman, Misses Melba Curry and Dorothy Wright presided at the punch bowl. Miss Hazel Rogers registered the guests.

Hostesses were Meses. J. C. Gilbreath, Arthur Oakley, Dewey Wright, O. B. Trimble, H. E. Hershey, Cecil Curry, Earl Brock, J. O. Seale, Roy Haberer, N. F. Cleavinger, and R. E. Wilson.

JayCee-Ettes Met In Beyers Home

JayCee-Ettes met Tuesday, Aug. 26th in the home of Dottie Beyers. It was decided to have a bake sale Saturday, August 30th at Bob's Super Market. Discussion was held on the fall style show.

Pie and coffee were served the following: Katy Thomas, Dorothy Mayfield, Eva McCleskey, Ina Cleavinger, Nell Brooks, Courtenay Armstrong, Mary Lu Smithson, Jackie Clark, Bonnie DuLaney, and Dottie Beyers.

We had 2 visitors from Dimmitt, Jean Byrnes and Vaudine Giles and five visitors from Plainview.

Janice Wesson and Jerry Andrews Exchanged Church Vows August 9th

Miss Janice Louise Wesson, daughter of Mr. and Mrs. N. R. Wesson of Dimmitt, became the bride of Jerry Wayne Andrews, son of Mr. and Mrs. J. B. Andrews of Dimmitt, in a double ring ceremony read by the Rev. M. A. Smith, in First Baptist Church Saturday evening, August 9.

The altar was decorated with baskets of white gladioli and white tapers in candelabra forming an arch. Palm trees of emerald foliage formed the background. The bridal path was marked with white satin bows and hurricane lamps bearing white tapers.

Miss Sandra Sasser of Lubbock and Jimmy Beard, cousin of the bride, were candlelighters.

Cyril Reasoner, of Lubbock, sang "Whither Thy Goest" and "The Lord's Prayer." He was accompanied by Miss Mary Lynn Hendrix, who also played traditional marches.

Miss Patricia Rowan, niece of the bridegroom, was flower girl and Joe Beard, cousin of the bride was ring bearer.

Mrs. Charles J. Morgan, sister of the bride was Maid of Honor and bridesmaids were Misses Georgene Hughes, Karen Gray, and Omata Bradley. The honor attendant wore a white dacron and cotton dress styled with a fitted bodice, and bateau front neckline that curved low in back. The bouffant skirt was pleated, with inverted pleats at side front and center back. Her headpiece was a halo holding a net veil. Bridesmaids ensembles were identically styled in pink. They carried cascade bouquets of white gladioli, fashioned on the same style of the bride's bouquet.

Joe Bert Andrews, brother of the bridegroom, was best man. Ushers and groomsmen were Mac Wesson, brother of the bride, Don Crossland of Lubbock, and Jack Bradley.

Wed In Chapel

Joyce Ann George Weds Ronald Nelson At Dennis Chapel On August 12th

Miss Joyce Ann George, daughter of Mr. and Mrs. Woody George of Dimmitt, became the bride of Ronald Dale Nelson, son of Mr. and Mrs. Woodrow Nelson of Dimmitt, August 12 at 7 p.m. in the Dennis Memorial Chapel.

D. C. Lawrence, minister of the Church of Christ in Dimmitt read the double ring service. Miss Mary Lynn Hendrix was organist, Ann Touchstone, soloist. Songs were "Because" and "The Wedding Prayer."

Vows were exchanged before an archway of fern and greenery, trimmed with wedding bells and pink ribbon, with large baskets of white gladiolas, tied with pink ribbons on either side of the altar.

Miss Marilyn Howell was maid of honor, she wore a pale green dress with nylon over skirt. Bridesmaids were Miss Sandra George, cousin of the bride, and Miss Joy Walker. They wore identical dresses as the maid of honor, except in pink. They carried nosegays of Pom Pom mums with matching ribbon. They wore hats to match their bouquets.

Byron Ray Tate was best man, Charles Minchew and Richard Hunter were the groomsmen and served as ushers also.

The bride, given in marriage by her father, wore a white street length dress of lace and net over taffeta, was styled with a long fitted bodice with a big bow in the back. Her veil was attached to a crown of seed pearls and lace. She carried a bouquet of cascade of

Frenched carnations topped with a corsage of white orchid with white ribbon and laceon streamers.

Mrs. George, mother of the bride, wore a navy blue lace dress with pink accessories and wore a pink rosebud corsage.

Mrs. Nelson, mother of the bridegroom, wore a blue two-piece dress with brown accessories and wore a pink rosebud corsage. The reception was held in the home of the bride's parents, Mr. and Mrs. Woody George.

For the wedding trip, the bride chose a brown sheath dress with white accessories and a white orchid corsage.

After the wedding trip to Colorado, they are at home on a farm east of Dimmitt.

A rehearsal dinner was given by Mr. and Mrs. Woodrow Nelson at the Steak House Cafe.

Junior Garden Club Met Friday

The Junior Gardeners met in the home of Connie Sheffy, Friday afternoon. Kathy Huckaby presided in the absence of the president. Plans were discussed for the flower show and float for the fair to be held September 18-19 and 20. Jane Cleavinger was the leader in a discussion of annual flowers. The next meeting will be with Penny Hays.

Refreshments of cookies and lemonade with small fans as plate favors were served to 12 members.

BOB'S SUPER MARKET

DIMMITT, TEXAS

Bumper Grain, Cotton and Corn Crops Are Expected as Result of 4-H Growing Program

Castro County 4-H members—both boys and girls—are busy raising bumper cotton and grain sorghum crops to enter in the coming 1958 4-H Cotton and Grain Sorghum Contest.

The hard work of planning, marking off, designating, planting, fertilizing, irrigating, harvesting and record keeping has been going on for several years, but has intensified lately. Sponsored mainly by

the County Agent's office, these contests are working towards higher yields and better quality crops from the farms of future farmers who are 4-H members now.

Interest is not lacking in these contests. There are sixteen 4-H boys and girls entered in the cotton contest and fifteen in the grain sorghum contest.

Entered in the two contests are Burris McRee, Johnny Collins, Pat

Bailey, Kent Glenn, Mack Thompson, Donald Smithson, Glenn Ann Maples, Mary Helen Maples, John Burnett, Mary Taack, Mike Reed, Gary Davis, Jim Aldridge, Leon Collins, Lester Schulte, Jack Thompson, Billy Inscore, Dan Petty, Don Cortes, Jack Sharp, and Aaron Hutto. Some of these 4-H'ers are entered in both contests.

After the crops are harvested,

the boys and girls will turn in their record and they will be judged. The winners selected will have been judged on average yield, quality, and accuracy and completeness of their record.

Several hundred dollars in prizes and trophies will be given to the winners by the county gins and elevators who sponsor the contests. 4-H leaders working with the cotton contests are Ray Martin, Roland Shepard, Roy Cluck, Bob

Cranford, and Johnny McCleskey. On the grain sorghum program the 4-H leaders are Jack Bradley, Blanton Armstrong, Woodrow Nelson, Ray Axtell and George Blanton.

Visits in Littlefield
Mr. and Mrs. Sam Maynard, Wade and Miss Pat Norris attended a supper Friday night in the home of Mr. and Mrs. Clinton Phillips at Littlefield. Guests of honor were Mr. and Mrs. Kenneth Phillips, Laquita and Judy of Bakerfield, California.

Visits in Amarillo
Kent Hance visited last week with his sister, Mrs. Jack Hodges and family in Amarillo.

Call 88 for Printing

If everyone had a health check-up yearly, cancer's toll could be cut substantially. Your doctor would have a chance to detect cancer at an early stage, when chances for cure are more favorable.

4-H'ers Study Bugs

One project that every 4-H boy and girl can undertake concerns insects. It is 4-H Entomology, and provides unlimited opportunities to learn more about control of bugs and pests which annually cause millions of dollars worth of damage in the state.

Awards Offered

One of the best features is that little or no investment is required to get started in the project.

In fact, it pays handsomely to some dividends to 4-H'ers who do an exceptionally good job.

The Hercules Powder Co. offers awards like the medal pictured above, an all-expense trip to the National 4-H Club Congress in Chicago, and \$400 college scholarships for six national champions.

Has Varied Application

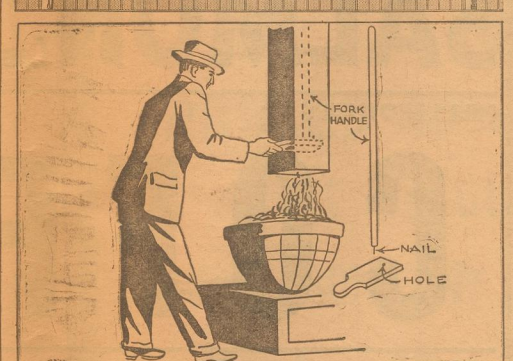

The entomology project is one that can be successfully completed by city 4-H'ers as well as those living in rural areas. There are several categories, namely: insect collections; life history studies; insect surveys and control; demonstrations and exhibits.

Already a favorite of many boys and girls, the project frequently leads to an interesting hobby. The Cooperative Extension Service directs the 4-H Entomology program, and information regarding enrollment can be obtained from the County Extension Agent.

TOP PRODUCERS—County Agent Charles Hottel (left) takes a late afternoon look at one of the best maize fields in the county with its owners, Leon Collins (center) and his brother Johnny. These two boys produced maize crops that made in the neighborhood of 6,800 pounds per acre last year and they will apparently repeat again this year in the 4-H Grain Sorghum Contest. They also have excellent plots of cotton and corn. Johnny was second and Leon third last year in a state-wide corn-growing contest. Johnny was first in maize and Leon third in last year's 4-H contest. Their corn production is around 200 bushels per acre and they have about 2.3 acres in each of the three crops. These two boys, the sons of Mr. and Mrs. Forrest Collins of Big Square, are outstanding examples of achievements made in the county 4-H program.

FENCE LINES

NO CLOGGING . . . A "wiggler rod" inside grain spout will prevent clogging. Rod consists of an old pitchfork handle and a spike. Drill hole in shut-off slide to take spike which has been driven in lower end of pitchfork handle. Slip handle up into the spout and allow the spike to drop down into the hole in the slide.

DEPENDABILITY of ELECTRIC home freezers

proven by Texas Panhandle's first upright model—still giving faithful everyday service after 12 years!

OWNED BY Mrs. John Detton, ROUTE 3 AMARILLO, TEXAS

Mrs. Detton's Recipe for APPLE STRUDEL

Beat one egg in cup. Fill cup with lukewarm water. Add 2 cups of flour (a good pint). Add a pinch of salt and mix well. Beat and knead (by picking up dough and throwing or hitting it on table) until white blisters appear. Divide into 4 parts and cover each. Let stand 2 hours. Roll and pull tissue-paper thin. Spread with sliced apples, sugar, cinnamon, butter and sour cream. Roll up—place in greased pan. Bake in moderate oven for one hour, basting with hot milk. Apple strudel may be frozen unbaked. After removing from freezer, bake, basting with hot milk. Bake slightly longer than one hour.

from an old Austrian Recipe

Ever look into the bright, expectant faces of hungry children eagerly awaiting a freshly-baked cookie? Or see the downcast, disappointed look that only kids can show when the cookie supply is "all out?" Mrs. Detton knows that look—that's one reason she's so pleased with her electric home freezer. She bakes large supplies of cookies, in advance—then freezes 'em. The happy faces of her grandchildren stay happy because Grandmother Detton just never runs out. She's always good for a fresh cookie, thanks to her electric home freezer—the first upright model in the Panhandle of Texas.

UPRIGHT OR CHEST TYPE—YOUR ELECTRIC FREEZER IS DEPENDABLE! SEE YOUR REDDY KILOWATT APPLIANCE DEALER

SOUTHWESTERN PUBLIC SERVICE COMPANY

NEWS FROM BETHEL

The Bethel Community is having its annual Chicken-Fry tonite, Thursday. Being that it is such pretty moonlight weather, I know there'll be a large crowd. Tell you more about it next week.

The Farmer-Merchant Banquet for the Bethel Community is planned for September 11th. at about 8:00 p.m. The "Hobo" theme will be carried out. Plans are for a short program of the entertainment kind and for lots of fun and food. For further information, one may get in touch with either Mrs. Houston Lust, President of the Bethel H. D. Club, or Mrs. Moss Howell, Secretary and Chairman of the Banquet committee.

There was quite a bit of excitement around the Fred Bruegel home Sunday morning. While the Bruegels were getting ready for church, one of their Mexican laborers rushed in to tell them the garage was on fire. It was, too! The garage and its contents were completely destroyed.

Fortunately, their car was already out of the garage and they were able to remove the childrens bicycles and the pick-up before they were damaged.

However, their washing machine, some stored belongings, their water pressure system, hot-water heater, etc., were ruined along with \$102.00 and all his clothing belonging to one Mexican and \$22.00 and all his clothing belonging to another.

The Bruegels plan to start construction on another garage some time next week according to Mrs. Bruegel. And, to hear her tell it, she hopes the water-system is the first thing to be replaced.

Mr. and Mrs. R. M. Warren visited with Mr. and Mrs. Moss Howell Saturday morning.

Mrs. Leota Smith visited in the Jack Flynt home Sunday evening. Mr. and Mrs. Ben Fowler took Mrs. Othell Simmons to Wellington for medical treatment this week.

Mr. and Mrs. L. C. Byrd, Larry and Jerry of Santa Fe, New Mexico, visited her parents, Mr. and Mrs. Ira E. Brown, from Tuesday until Saturday. They all spent Thursday in Lubbock and Friday-ada visiting relatives.

Mr. and Mrs. Leland Smith took Miss Zella Vee Smith to Amarillo Sunday afternoon. Miss Smith had been visiting her parents.

Mr. and Mrs. Houston Lust and family and Miss Alan Webb visited in the Jack Flynt home Friday evening. The youngsters had a wiener-roast in the back yard.

Mr. and Mrs. Fate Shannon and family were Sunday dinner guests in the Houston Lust home.

Mr. J. R. Brown and Mr. Fred Bruegel, Jr. were on a business and pleasure trip to Brownsville, Texas from Thursday until Monday. When relating their fishing story, they reported a good catch, but that what they caught was not edible.

Mr. and Mrs. G. O. Garrison and Brenda of Childress spent Sunday and Monday with their daughter and sister and her family, the Carl Bruegels.

We were very sorry to hear of the death of Mrs. Jim Holland's father, Mr. B. J. Cox, of Fresno, California. Mr. Cox passed away Thursday and services were held for him Saturday.

Mr. and Mrs. Jack Flynt attended an "8 et 40" dinner in Amarillo Sunday. Following the meal, the members held Initiation and Installation ceremonies.

Little Miss Debbie Underwood is in the Castro County Hospital where she was admitted last Monday. We do hope she is doing fine and will be back with us in the very near future.

Mrs. Chas. Gibson and sons, Chas, Jr., and Tony, returned home Wednesday from Leonard, Texas.

Mr. and Mrs. Chas. Gibson and boys and Mr. Gibson's mother, Mrs. Ethal Gibson of Leonard, were visiting and getting better acquainted with their new granddaughter, little Charla Norton, daughter of Mr. and Mrs. Gerald Norton of Aztec, New Mexico,

last week. While they were there, Mrs. Chas. Gibson received word that her mother, Mrs. T. F. Macon of Leonard, Texas, had passed away. They immediately returned home and Mrs. Chas. Gibson and boys and Mrs. Ethal Gibson then left for Leonard.

Mrs. Macon, 84 years of age, passed away early Friday morning and funeral services were held Saturday afternoon. Our deepest sympathy is extended to the Gibsons in her passing.

Little Mikela Ann Langford celebrated her sixth birthday with a party in her home. Those attending were Ricky, and Deanna Morgan, Sherri Vanlandingham, Terri Kirby, Sandra and Charles Ray Phillips, Linda Langford, Rhonda and Mark Welch.

Marlene Langford helped her sister entertain her guests.

Also present were Mesdames Gene Phillips, Troy Kirby, James Welch, Buster Morgan and Paul Langford.

Mr. and Mrs. C. C. Graef and young granddaughter, Sharon Welch, are still vacationing. While still in Missouri, they decided to visit Canada. Sharon's parents received a card from her telling how much she enjoyed seeing Niagara Falls. They have been gone about three weeks and while they are having a wonderful time, Sharon's parents and younger brother and sister are really missing her.

4-H Electric Program Sparks Future Scientists

Somewhere in this great state may be a teen-ager who one day will make a vital contribution to the nation concerning new uses of electricity and electronics. The opportunity lies in the 4-H Electric program conducted by the Cooperative Extension Service for 4-H Club members between the ages of 10 and 21.

It is highly probable that many 4-H'ers participating in the project will find a future career in electrical and scientific fields. They will help to lessen today's urgent need for more and better scientists.

County Medal

4-H'ers Rewarded
Hundreds of 4-H'ers already have achieved nation-wide recognition for their inventiveness and application of electrical energy to both farm and home use. In addition, thousands have been rewarded by the Westinghouse Educational Foundation, which has supported the 4-H Electric program for almost a quarter of a century.

Maintain High Goals
The principal objectives of the project are to learn more about electricity and its uses, and to develop good citizenship along with effective leadership. All 4-H'ers completing projects may submit their achievement records in competition for county, state and national awards provided by Westinghouse.

County winners will receive medals like the one pictured above. The state winner will attend the National 4-H Club Congress in Chicago with all expenses paid, while six national winners will be awarded \$400 college scholarships.

"Learn" Stressed
Recently one of the nation's top atomic scientists stated that educators should stress "learn" instead of "teach."

Since the beginning of 4-H Club work, the 4-H slogan has been "learn by doing," the Extension Service points out, and the electric project is no exception.

Local volunteer 4-H leaders cooperating with State and County Extension workers guide club members in their various undertakings.

Boys Ranch Rodeo Set for Labor Day

Two of Amarillo's most colorful attractions will be features of the 14th Annual Boys Ranch Rodeo at Boys Ranch rodeo arena Labor Day week end.

For the eleventh consecutive year, the Will Rogers Range Riders will introduce each afternoon's performance with a brand entry and presentation of colors. Ben Andis will be in charge of the widely known western group.

Playing for the rodeo will be the 39-piece 3320th Air Force Band from Amarillo Air Force Base. The AAFB band is under the direction of Chief Warrent Officer Guy L. Stone, bandmaster.

This year's rodeo, with performances on both August 31 and September 1, promises to be the most colorful yet produced at the Ranch, and the boys themselves are the only performers. In addition to the varied rodeo events, Boys Ranchers will also portray clowns for this year's show.

Since the completion of Ranch Road 1061 offers a short cut to Boys Ranch this year, plans are being made to accommodate many visitors, and plenty of seats in the shade have been put into place, says Cal Farley, founder of the famous Ranch.

Performances on both days will begin at 2:30 p.m., and admission is \$1.25 for adults and 75 cents for children.

Vacationed in Oklahoma

Mr. and Mrs. P. O. Goodwin and children vacationed and visited relatives in Oklahoma last week. They visited at Elk City, Altus and fished at Lake Lugert.

Walter Rogers' WASHINGTON NEWSLETTER

This letter is being written on what I hope is, the day before adjournment. I have wished this so many times that I doubt it will be true this time. The ever expectant adjournment is like a sword of Damocles hanging over the heads of those having pet bills they desire for the Congress to pass this session. The constant buttonholing that you undergo during these last days would lead one to believe that this is the last session of Congress that will ever be held. The fact is that, if we do not hurry up and adjourn, we will overlap the 86th session of Congress which is scheduled to be convened on January 3, 1959. Most, if not all, of the bills now on the Calendar could very well rest for a few months without great danger to the nation. In fact, many of the problems sought to be solved by these bills would probably solve themselves during the four months interim.

MEDAL FOR RICKOVER
The Congress last week unanimously approved a resolution calling for the award of a Special Congressional Gold Medal of Merit to Admiral Hyman G. Rickover. Admiral Rickover is recognized as the father of the nuclear powered submarine. His efforts to push the project were blocked on several occasions by his superior officers. His extreme dedication to the project prompted him to go over the heads of his superiors in order to salvage it. In the Military, such action is considered unforgivable. However, Rickover did save the project and the result is that the development of the atomic undersea vessel is one phase of military defense in which the United States can claim exclusive leadership. Many people felt that Admiral Rickover's previous activities had placed him in a position of personal grata with the high brass in the Defense Department; that because of such situation, Rickover was not invited to the White House for the commemoration ceremonies relating to the undersea crossing at the North Pole. Whether or not the Admiral was deliberately snubbed by the White House and high Defense brass is a question for those departments to answer. But the Congress, the representatives of the people, have recognized Admiral Rickover's great contribution to this country and the world.

ALASKA
The admission of Alaska into

the sisterhood of states has brought forth a deluge of schemes, projects, and what-have-you concerning this great area. Advertisements are appearing all over the United States indicating great opportunities with high pay and high return in Alaska. I have discussed this matter at length with my good friend, Bob Bartlett, the present Delegate from Alaska, who is running for the United States Senate seat in the new state.

Mr. Bartlett advise me that it would be well for everyone to thoroughly examine all such schemes, plans or projects. He tells me that there are no unfilled high-paying jobs in Alaska and that people should not go there with the expectation of grabbing off a job with high pay. Anyone wanting to go to Alaska should have ample funds to sustain themselves, just as they would in any other state of the United States. It is expected that many fraudulent schemes will be attempted. I sincerely hope that anyone desiring information on the subject will request the information from my office and not depend upon some unknown and possibly false organization that might have been set up to bilk the people.

A NEW ERA
The world is definitely moving into a new era in which there will be opportunities that will challenge the credibility of man. An entirely new field of technology is being opened as earth man prepares to move into outer space and to explore the other planets. These operations will require a vast amount of high heat resistant metals and minerals in which the United States is sadly deficient. Surely there must be vast deposits of these minerals on our continent that have not been discovered, just as there were ample supplies of uranium about which we knew nothing until a program was devised making it profitable for people to go out and find it. Iron melts at 2802 degrees F. and is, therefore, unsatisfactory in meeting the needs to package the rockets, missiles and containers that will be necessary for utilization in outer space. The metal that will probably be most in demand is tungsten, which has a melting point of 6143 degrees F. and columbium, with a melting point of 4379 degrees F., both of which are highly important in the manufacture of high temperature alloys and electronic equipment. 99 per cent of the columbium and tantalum processed in the United States is imported, and the world supply has seldom been adequate since before World War II. Another is chromium, which has a melting point of 3424 degrees F. Virtually all of this metal consumed in the United States is obtained from foreign sources.

WALTER ROGERS

Nazareth News

By Faye Annen
Carol Ann, daughter of Mr. and Mrs. Wm. Hochstein, Jr., was baptized by Rev. Father Peter Morosh. The sponsors were Mr. and Mrs. Walter Kleman.

The Big League Baseball Team played in Clarendon, where Nazareth defeated them.

Dinner guests in the Raymond Annen home Sunday were Mrs. Eugene Hubbard of Amarillo; Mr. and Mrs. Gus McLain and family of Hart; and Mr. and Mrs. Thomas Annen.

Mr. and Mrs. Albert Schulte, Eileen and Ralph returned from a vacation in South Dakota, Minnesota and Nebraska.

An ice cream farewell party was held for Mrs. Wm. Thiel and family in the Raymond Annen home Thursday night, those attending were Mr. and Mrs. Thomas Annen, Mr. and Mrs. Steve Huseman of Tulla; Mrs. Martha Bauman and Antionette; Mr. and Mrs. Joseph Bauman; Mr. and Mrs. Lyndall Warren and children all of Hart.

Mr. and Mrs. Steve Leinen and Charles of Amarillo were here visiting Sunday.

Mr. and Mrs. Vincent Braddock and Mrs. Theodore Schmucker returned from South Dakota where

HOSPITAL STAFF HONORS MURPHY

The 20 employees of the Castro County Hospital and their families held a hamburger cook-out Monday evening in honor of Bill D. Murphy who is leaving after working at the hospital during the summer. Murphy completes his medical studies at Southwestern Medical School at Dallas next year. The party was held at City Park.

Returns to Dallas

Mr. and Mrs. Bill Murphy and children returned to Dallas Wednesday where he will continue his studies at Southwestern Medical School.

Visitors from Fort Sill

Lt. and Mrs. James Good and children of Fort Sill, Oklahoma visited here last week with Mrs. Shirley Easterwood.

Returned home Tuesday

Mr. and Mrs. C. A. Hance and Linda returned home Tuesday from a visit with their daughter and husband, Mr. and Mrs. David Honea.

Visits in Colorado

Mrs. Edna Lippard is visiting her son and family in Craig, Colorado this week.

They attended the funeral of Mrs. Schmucker's brother.

Visited with Mother
Harold Johnston and daughter,

Barbara, of Cleburne spent last week end here with his mother, Mrs. W. C. Johnston. They were accompanied to Dimmit by Chesley Johnston who had spent the summer months in Cleburne.

A Tribute

To Our Laborers!

Sometimes we forget that the unsung man who mixes cement or repairs your motor car is worthy of the highest commendation. Could YOU, the average citizen of this town, handle a trowel or cure the costly ailments of a temperamental car? This requires specialized knowledge and this is the day of highly-trained specialists. The Laboring Man, whatever his calling, is a factor in our community life that cannot be discounted. Look upon him as someone who contributes largely to your modern way of life. Pay him the respect that is due his trade or specialty . . . and remember that he, too, is one of our good citizens!

NEWS FROM SUNNYSIDE

By Wanda Rogers Mrs. Carl Bruegel and children from Dimmitt visited with Mr. and Mrs. J. T. Holcomb and family Monday.

Mr. and Mrs. Charlie Gray and Mrs. Iris Weatherford arrived Monday to visit with Brother and Mrs. Murie Rogers. They all Tuesday morning to spend a few days in the mountains of New Mexico.

Carl and Lee Bradley went to Big Lake, Texas Monday with their grandfather to visit with their uncle.

The nominating committee met at the church Monday night to obtain officers and teachers to recommend to the church. Mrs. V. H. McRee is the chairman.

Mr. and Mrs. J. Paul Waggoner visited with her brother, Garner Ball in the Muleshoe Hospital Monday. Mrs. Waggoner gave him a blood transfusion after he suffered a hemorrhage following a tonsillectomy. She brought her niece and nephew, Patty Little and Mike McMillen home with her Monday evening. They returned with her Tuesday evening to Muleshoe when she visited with her brother again.

Mr. and Mrs. Pete Grisham and family arrived Monday night to visit with Mr. and Mrs. Robert Paschal and family and other relatives a few days.

Mr. and Mrs. Carl Shultz from Abilene arrived Tuesday to visit with Mr. and Mrs. Howard Cummings and family and other relatives for a few days.

Mr. and Mrs. Cleo Widner and their grandson from Melrose, New Mexico spent Tuesday night and Wednesday with Mr. and Mrs. Ezell Sadler. They also visited with Mr. and Mrs. Dale Widner, Mrs. L. B. Widner and her sister-in-law from Melrose also visited in the Sadler home Wednesday.

Mr. and Mrs. John Arledge returned Tuesday night from a sixteen day trip to Colorado and New Mexico. They spent most of their time at South Fork and Durango, Colorado and came back by Red River, New Mexico where they spent a week.

Mrs. S. M. Taylor visited in Lubbock Monday afternoon with Mrs. Cecil Bridges and Miss Jo Taylor. Jo came home with her to attend a bridal shower given in her honor. The shower was given Tuesday afternoon at the home of Mrs. Wes Anthony in the Big Square Community. Mrs. Taylor attended the shower also.

Bill Behrends from Lubbock was a supper guest in the S. M. Taylor home Tuesday night. Jo Taylor returned to Lubbock with him.

Mr. and Mrs. V. H. McRee spent Tuesday night and Wednesday with Mr. and Mrs. Merrill Dryden in Sunray. Van Dryden returned to his home and Gary Mae Dryden came back with them to visit a few days.

The W.M.S. met Wednesday night for Bible Study with Mrs. Roy Lilley and Mrs. Roy Phelan in charge of the studies. Mr. Roy Phelan conducted the Prayer Service in the pastor's absence.

Mr. and Mrs. E. R. Little and Mrs. J. T. Holcomb spent Monday night in Lubbock to receive medical tests on Mrs. Little. The test Tuesday confirmed hepatitis and she was admitted to the Castro County Hospital for treatment Wednesday.

Mr. and Mrs. Paul Redwine from Melrose spent Tuesday night with Mr. and Mrs. Weldon Bradley and family.

30 inch of rain was reported from a shower Thursday morning. Mrs. P. L. Moore from Dimmitt visited this week with the C. J. Johnson family.

Mr. and Mrs. Hollis Buchanan and family from Abilene were house guests of Mr. and Mrs. Ezell Sadler and family from Thursday until Saturday.

Mrs. Roy Lilley visited Tuesday in Hart with her sister, Mrs. Owen Hankins.

Mr. and Mrs. Freddie Lilley moved from Dimmitt into the community recently. Mrs. Lilley was

honored on her birthday with a surprise ice cream supper Thursday night. Those present were Mr. and Mrs. Hubert Lilley, Mr. and Mrs. Truman Swopes from Hart and Mr. and Mrs. Roy Lilley and family.

Mrs. Johnnie Armstrong from Hart visited with Mr. and Mrs. Roy Lilley and family Friday.

Mr. and Mrs. Bob Ott and family from Dimmitt visited with Mr. and Mrs. Milton Ott Friday afternoon. Juanelle Conard attended the birthday party in honor of Nancy Jones in the Flag Community Thursday afternoon.

Mrs. V. H. McRee, Mrs. J. T. Holcomb and Mrs. L. B. Bowden attended the First Aid Class at the Faust Clinic in Earth Friday night.

Mr. and Mrs. L. B. Bowden and Mr. W. E. Loudder spent Saturday night and Sunday in Ballinger, Texas at the Loudder reunion. Mr. and Mrs. Ezell Sadler and boys joined them Sunday.

The Ezell Sadler family, the E. R. Sadler family and the Gale Sadler family attended the Sadler reunion in McKinsey Park in Lubbock Saturday.

Mr. and Mrs. Milton Ott left Sunday to spend a few days in Hot Springs, New Mexico.

Mr. and Mrs. H. F. Moore and boys from Weatherford spent the week end in the home of Mr. and Mrs. Roy Phelan.

Mr. and Mrs. Gordon Wanamaker and family from Hawthorne, California arrived Saturday and Mr. and Mrs. Gordon Ghering and family of Indianapolis, Indiana arrived Sunday night to visit a few days with Mr. and Mrs. Tex Conard and family. Mrs. Wanamaker and Mrs. Gering are Mrs. Conard's sisters.

Mr. and Mrs. Myers Ogletree from Amarillo spent the week end with Mr. and Mrs. Jack Ogletree and Jane. Mrs. Ogletree remained to visit a week.

Mr. and Mrs. Eldon Lilley and Twila went to Big Spring Tuesday to visit Mr. Lilley's mother, who is ill.

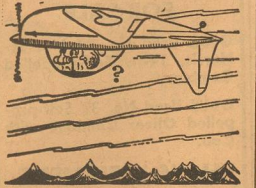

Mr. and Mrs. C. J. Johnson and

family had supper Saturday night in Plainview with Mr. and Mrs. Wayne Powers and family. Dennis and Shirley Jo came home with

By FRANKLIN J. MEINE Editor, the American Peoples Encyclopedia.

THE flying team of Daedalus and Icarus never had a chance to reach the sun. Even though solar heat hadn't melted their wax wings, the high altitude would have resulted in the first space travel casualty. When flying, the effects of oxygen want are usually not felt below 5,000 feet. Up to

10,000 feet they usually are not serious. Flying above 10,000 feet may give the flyer a false sense of well-being. Every act requires more effort above 14,000 feet, and vision and judgement are impaired. From 23,000 to 25,000 is considered the maximum to which man can ascend for brief periods without supplementary oxygen. However, some barrel-chested Chilean natives live at altitudes of 17,000 feet and work in mines at altitudes as high as 19,000 feet.

Thousands of people owe their lives to parachutes when they have been forced to abandon an aircraft. The correct packing of parachutes is so important that "riggers" are licensed by the Civil Aeronautics Authority. Parachutes must be inspected every 10 days and repacked every 60. Civil aircraft don't have to carry them, except when acrobatic flying is to be done. Occupants of military and naval aircraft must wear them. A man falling freely will reach a terminal velocity of about 118 miles per hour.

them to spend Saturday night. Mr. and Mrs. Eldon Lilley and Twila left Thursday for a few days fishing trip near Dallas.

Mr. and Mrs. Ronald Armstrong, and Rita, and Mr. and Mrs. Ralph Nichols, Sheri and Ricky from Jal, New Mexico and Mr. and Mrs. Carl Shultz from Abilene visited Wednesday and Thursday with Mr. and Mrs. Howard Cummings and family.

Mr. and Mrs. Stewart and daughters from Jal, New Mexico spent Saturday night with Mr. and Mrs. Ed Townsend and family. Mrs. Stewart and Mrs. Townsend are sisters.

Mr. and Mrs. V. H. McRee and Mike visited Saturday night and Sunday in Borger with Mr. McRee's mother.

Mr. and Mrs. S. M. Taylor and Mr. and Mrs. Jess Herriage visited Sunday afternoon in a Lubbock hospital with Jerry Bridges, who had his tonsils removed. They also visited with Mr. and Mrs. Cecil Bridges and Susie.

Mr. and Mrs. Howard Bridges and Mr. and Mrs. Raymond Haydon visited with Mr. and Mrs. D. N. Gambin and girls in the Frio Community Sunday afternoon.

Mr. and Mrs. Weldon Bradley and family enjoyed a picnic and visit to the zoo in Clovis Sunday afternoon.

99 attended Sunday School with 48 in Training Union Sunday.

Rita Fern Holcomb and two of her classmates from the University of Colorado arrived Saturday to spend the week end with her parents, Mr. and Mrs. J. T. Holcomb and family. They all visited Sunday with friends in the West-camp Community near Muleshoe.

Mr. and Mrs. Marlin Power wish to thank their friends and neighbors who came to their aid during the recent fire at their shop.

Vacationing in Hot Springs Mr. and Mrs. Glenn Merritt and children are vacationing in Hot Springs, New Mexico this week. Little Mark Merritt remained with his grandparents, Mr. and Mrs. Earl Brock while his parents are away.

Mr. and Mrs. Ray eBarden and Mrs. Leonard Fry and little son returned home Saturday from Salt Lake City, Utah where they had spent the past two weeks visiting relatives. Mr. Fry came to Dimmitt Sunday and was accompanied to Abilene by Mrs. Fry and little son Monday.

Beverly On Carrier Alvin H. Beavers, fireman, USN, son of Mr. and Mrs. O. L. Beavers of Hart, is serving aboard the attack aircraft carrier USS Midway which departed the state August 16 for an extended cruise in the Western Pacific as a unit of the U.S. Seventh Fleet.

The 60,000-ton vessel is expected to visit Pearl Harbor, Hawaii; Yokosuka and Iwakuni, Japan; Hong Kong, B.C.C.; and Subic Bay, Philippines, before returning to her home port of Alameda, California, early next year.

Visiting here from Midland Barbara Stevens of Midland is visiting her parents, Mr. and Mrs. L. H. Stevens this week. Her mother will undergo major surgery Thursday.

Spent week in Midland Billy Joe Stevens spent last week visiting his sister, Barbara in Midland.

Visited Rita Holcomb Carolyn Cummins of Monroe, La and Perri Midgett of Shreveport, Louisiana were guests last week end of Miss Rita Holcomb.

Visits in Slaton Mrs. Sid Sheffy visited her sister Mrs. Bill Sikes in Slaton Monday. Their father, J. C. Knox of Kerrville who suffered a stroke in December is in Slaton now.

Bushland, Tex., Man Reports—

"Made \$15 an acre grazing wheat—cut a 40-bu. crop"

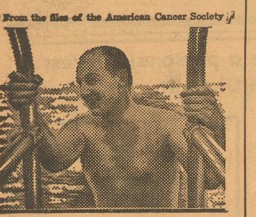

Bill D. Wood, who farms 640 acres, says: "My records show the dollar profit in applying Phillips 66 Agricultural Ammonia pre-plant to wheat land. On my irrigated wheat, I paid for my seed and fertilizer and made \$15 net an acre grazing it, when I used Phillips 66 Ammonia. The next year, I cut a 40-bushel wheat crop."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields... and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a fast start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on matz land. They know that the 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Order Your Supply Of Phillips 66 Agricultural Ammonia Today!

HART NEWS

By Mrs. Granville Martin Tolbert and Phillips United in Marriage Sunday

Miss Lillian Tolbert and Monty Phillips of Hart were united in marriage Sunday, August 24th in a double ring ceremony in the home of Mr. and Mrs. Bill Phillips of Tullia, Texas.

Rev. George W. Lane, Jr., pastor of the Antioch Baptist Church of Plainview officiated for the wedding vows.

The bride wore a waltz length with molded bodice dress of Chantilly lace over taffeta. Her veil was of net and iridescent sequins and pearls.

The bride's only attendant and matron of honor was Mrs. Freefred Weems. The groom's brother, Jerry Phillips served as best man.

The reception was held in the home with Mrs. Dean Phillips and Mrs. Bill Phillips serving at the refreshment table. The table was laid with white lace cloth over blue centered with white and blue carnations.

For the wedding trip the couple chose to visit Carlsbad, New Mexico.

Mrs. Phillips is the daughter of Mrs. Mary Lou Minicks, and Mr. Phillips is the son of Mr. and Mrs. M. E. Phillips, all of Hart.

Guest at the wedding were Mr. M. E. Phillips and Jerry of Hart; Mr. and Mrs. Dan Wakefield and Marsha Ann, Mr. and Mrs. Dean Phillips, Mr. and Mrs. Bill Phillips and Vicki, all of Tullia; Mr. and Mrs. Andy Higgins of Amarillo; Mr. and Mrs. Calvin Alexander and Kathy of Hart; Troy Minicks of Hart and Rev. and Mrs. George W. Lane, Jr. of Plainview.

Visiting Mr. and Mrs. Lester Lancaster is her mother, Mrs. Jim Wellborn from Weatherford.

Mr. and Mrs. Lester Lancaster visited Mrs. Lancaster's brother, Curtis Wellborn and family in Muleshoe Sunday.

Mr. and Mrs. U. S. Grant of Plainview visited this week with Mr. and Mrs. O. L. Beavers.

Mr. and Mrs. Judd Davis visited with Mr. and Mrs. O. L. Beavers Sunday.

Mr. and Mrs. Ray Warren visited in Floydada with Mr. Warren's brother and sister, Mr. and Mrs. Charley Warren and family and Mr. and Mrs. Foster Amburn and other relatives Sunday.

Kenneth Warren, Billy Gallion and John Holloway visited with Joe Ray Warren in Plainview over the week end.

Mr. and Mrs. Ray Warren visited with their son, T. R. Warren of Plainview and family.

Jerry Phillips began his teaching duties at Kress Monday, August 25th.

Mr. and Mrs. Granville Martin and children have returned from visiting relatives and friends in Cottle, King and Floyd Counties. Marie Hay and children of Cor-

tez, Colorado are visiting with her parents, Mr. and Mrs. E. E. Foster. Visiting with Mr. and Mrs. E. E. Foster is their daughter, Mrs. Alyene Tucker and family from Floydada.

Mrs. Debbie Uzzle and children from Ducan, Oklahoma are visiting with her sister, Mrs. Jimmy Davis.

The Zelot Club reminded each voter by phone to vote Tuesday on the Hospital bond.

Mr. and Mrs. Pat Love of Paducah visited with Mr. and Mrs. Roland Shepard Sunday.

Homer Hill Store Burgerized Saturday night

Sometime during the night someone broke and entered the Homer Hill Store through the back door. It was discovered Sunday morning about 8 o'clock by Kenneth Lambreth, store manager. A radio and two cameras were missing among several little things. Officers are following a good lead, Deputy Sheriff Granville Martin stated.

Revival Starting at the Assembly of God Church in Hart

Assembly of God Revival begins Sunday, August 31. Services each evening at 7:45 with Rev. Jess Ashly as the speaker. Gerald Boggs of Amarillo will be the assistant. Everyone is welcome.

CONTROL JOHNSON GRASS CHEMICALLY... WITH DOWPON

Unwanted grasses are usually the toughest problem where farming is best. They thrive on the very climate and soils that should produce top crops.

Now you can control grasses, without cutting, cultivating, or oiling. Dowpon, is the new chemical way to keep grasses from invading your fields, throttling irrigation and drainage ditches. Hoeing, chopping, cultivating, and oiling only get grass out of sight temporarily. Dowpon gets rid of it.

How DOWPON works

Dowpon is a systemic grass killer—meaning that it kills by working through the plant's system. You simply spray the foliage. Dowpon is absorbed through the leaves and works down through the plant, right into the roots, usually killing the entire plant.

Because it works inside the plant, a Dowpon spray is less likely to be affected by weather conditions. Rain can't wash it off after it has been absorbed.

You can use Dowpon with safety on your farm—foliage sprayed with Dowpon is non-hazardous to grazing livestock.

Light Spotted Cotton to be Recognized as Split Grade In Loan

Attainment of one of the major goals of the Plains Cotton Growers, Inc. has been reached with passage of new farm legislation by Congress, W. O. Fortenberry, President, said last week as he disclosed that separate price support rates for split grades are a feature of this new legislation.

Section III of the House Farm Bill says "Beginning with the 1959 crop, in adjusting the support price for cotton on the basis of grade, the Secretary shall establish separate price support rates for split grades and for full grades substantially reflecting relative values."

Records show that the Plains

crop will average about 50 percent light spotted cotton. Previously the Commodity Credit Corporation has not recognized light spots as a separate grade. A producer putting light spotted cotton into the loan received only the value for full or heavy spotted bales. The cotton trade has at times given substantial premiums for light spots over the full spot, but in effect the producer had no real price protection on light spots other than the full spotted loan, Pfeiffenberger explained.

"The loan difference between spotted and white cotton has been widening rapidly the past several years. In 1956 the difference between a bale of Middling inch white cotton and a Middling inch spotted or light spotted bale was 440 points or \$22 per bale. In 1957 this difference had widened to 575 points or \$28.75 per bale, and in 1958 had widened still further to 725 points or \$36.25 per bale.

"Since all spinning records and experience show that light spotted cotton is practically equal to white

cotton in value and the physical difference in classing is often quite small, this difference of \$36.25 per bale has become ridiculous," Pfeiffenberger continued.

However, beginning in 1959 the CCC is directed by this new legislation to establish separate loan rates for light spotted and spotted cotton. Since there are no official market quotations on light spotted cotton it is not known exactly what the differential will be, but the CCC has for years set up a value for light spots half way between white and spotted cotton when it sells out of its catalogue, and it seems likely they might carry this practice into the loan schedule, Pfeiffenberger explained.

"If this is done, and the same differential were to exist in 1959 between white and spotted cotton as exists in 1958 the light spotted loan would be 362 points above the spotted loan price. This would guarantee the West Texas farmer a premium of 362 points over the spotted loan for his light spotted cotton. Since white cotton is still another 362 points higher than this, it is not believed this loan level will adversely affect the sale of light spotted cotton," Pfeiffenberger added.

Mills have found that light spotted cotton is practically identical with white cotton for most purposes and since it will still be considerably cheaper than white cotton it has every opportunity for sale in the market.

A further advantage in getting a separate loan base for light spotted cotton is that the farmer could put light spots in the loan purely for orderly marketing purposes and then could sell it out later if the market advances. He can do this now, of course, but he must take an extremely low price for it, which has greatly discouraged his use of the loan for marketing purposes, Pfeiffenberger said.

One of the original purposes of the government loan was to stabilize the market, and to prevent prices from falling when a large quantity was available at one time.

This loan base for light spots should accomplish such a purpose, Fortenberry said.

While the Plains Cotton Growers, Inc. led the fight for recognition of light spots, other producer groups elsewhere assisted in the struggle. Congressman George Mahon and Congressman Falter Rogers of

Pampa also played vital roles as did Congressman W. R. Poage of Waco, who is Vice Chairman of the House Agriculture Committee.

"This is another example of what can be done through organized effort through an Association such as the Plains Cotton Growers, Inc.," Pfeiffenberger concluded.

"The passage of this act alone will repay High Plains farmers many, many times for the 15 cents a bale dues to this organization," Fortenberry said.

The Greatness of John the Baptist

"Verily I say unto you, Among them that are born of women there hath not risen a greater than John the Baptist: not withstanding he that is least in the kingdom of heaven is greater than he." Matt. 11:11.

This is the great tribute Jesus paid to John. His great power was manifested when multitudes came to him, Lk. 3:7. His great fearlessness was evident when he denounced sin in its den, Matt. 3:7. His great humility was shown in his hesitancy to baptize Christ, Matt. 3:14.

Yet Jesus said he that is least in the kingdom of heaven is greater than John. This is true because he lived and died before the kingdom was established, Matt. 16:18,19. The least live in the kingdom, Col. 1:13. He lived before the bridegroom had a bride, Rom. 7:4; the least in the kingdom are married to Christ, Rev. 21:9. He preached the coming kingdom, Matt. 3:2; the least proclaim the established kingdom, Col. 1:13. He had access to animal sacrifice, Heb. 10:1-5. The least have access to the sacrifice of Christ.

D. C. Lawrence, Minister
Church of Christ

OUR STORE WILL BE CLOSED MONDAY, SEPTEMBER 1, IN OBSERVANCE OF LABOR DAY

MANNING'S DEPARTMENT STORE

I saw some of the cutest "Kids" last Saturday night at the Teen Can-Teen. I certainly didn't envy the judges their job. However, after much deliberation, they selected "Little Miss Freckled-faced" Donna Gladman and Jack Thompson as the two winners.

I never saw so many little stuffed animals, stick-candy, bubble-gum, etc., at a "Teen Can-Teen." All the "kiddies" with their toys seemed to be having a lot of fun.

Tighten your belts, my friends, while I give some of you thunder and lightning!

The ones to whom this is directed is to the "eligible non-voters." The Constitution of the United States has given you the right to VOTE. Use it, or forever hold your peace. No one has a right to criticize our Federal, State and County government or their elected leaders if they do not have the get-up and go about them to go to the Polls and vote. Remember that, the next time an election is held.

The incident that prompted my saying this is the Hospital Bond election which was held Tuesday. Do you realize that less than half of the approximately 2200 eligible voters showed up at the Polls? There were 899 votes counted. Where were the remaining approximate 1300?

As I have stated before, I was and still am, FOR the Hospital Bond Issue. Why? Simply because we NEED it.

Castro County ranks among the highest in wealth per capita in the Nation, yet we fall very low when it comes to Hospital Building standards. Our Church buildings are of the finest, our school facilities are rated among the highest,

our courthouse is of the more modern, our homes are far above the average, but, when one of our citizens is hospitalized, we shamelessly provide him a second rate building to convalesce in.

A good hospital is like unto a good hospital insurance policy . . . we hope we never have to use it, but if and when we do, it's there for us to use. However, the comparison ends there as an insurance policy is owned for only short periods and must be renewed periodically and the county hospital is permanent county property.

The question has arisen as to what will be done with the present equipment should we build another hospital. The answer is quite simple. It will be used. There is thousands of dollars of good equipment in the present hospital which would not be replaced but put to immediate use. Very little, if any, of the present equipment would be replaced.

"But the increase in taxes," we say. "Of course we want a new hospital, but . . ." Are we that short-sighted that we put a monetary value on proper medical care? If the time should come that one of our lives hinged on the Time element and we couldn't be given hospital care at home because of lack of space, would the increase in taxes look so big? THINK about this. Our number of hospitalized patients is steadily increasing as is our county population. Something must be done.

If our fore fathers showed the lack of faith and interest in PROGRESS as was displayed the other day, where would we be today?

Another bond election will be held again. When, I do not know. But when it does, don't toss your voting rights away with a shrug, but go to the polls and vote. I cannot tell you how, even tho I stand for one side. Vote the way you see fit, that is your privilege, but VOTE.

nuff said,
Mary

Seventeen Boys Report for Hart Football Practice

Hart Longhorns opened their grid practice with seven-teen boys reporting for practice. Coach Shelby has a big rebuilding job to do with eight boys gone from last year's team. He will be looking for a quarterback, fullback and both guards lost through graduation; a halfback and a big 225 pound center lost through moving away.

The boys are practicing twice daily until school commences. They will journey to Tulia Thursday night for a scrimmage and will host Cooper at home Saturday night, starting at 6:00 o'clock.

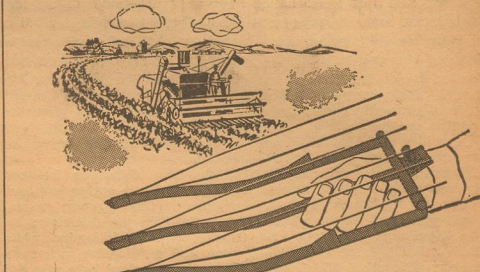

Boys returning from last years team are: Halfbacks, J. D. Myrick, Connard Riddles, and Gene Varner. Tackles, Kenneth Jennings,

Thomas Holster, Ronald Clark, Donald Clark, Guards, Bob Bowden, Mando Gonzales.

Newcomers to the squad are Gene Johnson, Eufemio Rubalcaba, Larry Lee, Ralph Myrick, Robert Mollina, Mike Morrison, John Holaway, and John Smith. Managers are Jerry Felder and Wilburn Brooks.

DR. JAMES E. WOHLGEMUTH
OPTOMETRIST
First State Bank Bldg.
Phone 312 Dimmitt, Tex.

The Longhorns open their season away from home, with a game at Estelline on the fifth of September. The first home game will be on September 12 when New Home comes to Hart. Both of these will be non-conference games.

- Saves up to 5 or more bushels per acre; pays for itself quickly
- Harvests thin stands, broken stems, small heads in rowed or drilled fields
- Catches thrown-out heads; stops drop-through losses; protects heads from cutter bar
- Improves auger or reel action; lengthens sickle life
- Won't clog with weeds nor catch on ground
- New rocket point goes through grain faster
- Sturdy construction—7/16 steel rod and 11 gauge spring wire fines
- Can be installed easily in just 15 minutes; fit any combine
- Can also be used to harvest downed soybeans and other small grain

?!
spatter paint?

yes! straight from the jar

VARI-KROM paints spatter colors

Have a ball, lady — and the most dramatic walls and furniture, ever! Right from the jar, spatter fabulous flecks of color with VARI-KROM. No more dull monotonous for you. Instead, 20 "pinch-me" color blends and hundreds more if you intermix. But VARI-KROM is more than multicolor—it's a handsome, hardy texture that works wonders on any interior surface, including masonry. And, the most marvelous part of all! Just apply VARI-KROM with your vacuum cleaner spray attachment. No haze, no mist, no messy over-spray. This scrubbable, chip-proof paint covers nicks and mars, foils soil. It's the original do-it-yourself multicolor paint. Like "Antique-ing?" Add "Golden Touch" to any VARI-KROM color.
