Governor urges citizens to register and vote in the March 13 primary election

announced that Gov. Bill Clements has signed a proclamation urging Texans to register and vote in the March 13 primary elections.

In the proclamation, Clements urged Texans to support Secretary Bayoud's VOTE '90 registration/education campaign, and he reminded Texans that Feb. 11 is the last day to register to vote in the March 13 primaries.

"I deeply appreciate the governor's interest in VOTE '90 as shown by his willingness to get involved in this nonpartisan, statewide effort to promote voter registration and participation," Bayoud said.

Earlier, Clements signed an executive order urging all state agencies and institutions of higher education in Texas to participate in the VOTE '90 drive.

The main goals of VOTE '90, Bayoud said, are to register new voters and increase turnout. Of the state's currently estimated 12.4 million eligible voters, about 8.2 million, or 66 percent, are registered. Nationally, about 68 percent

Congressman's mobile office due in Lockney

U.S. Rep. Bill Sarpalius' mobile office will be in Lockney at the First National Bank on Monday, February 5 from 3:00 - 4:00 p.m. and in Floydada, on the same date, at the Courthouse from 1:00 - 2:00 p.m.

The mobile office allows the congressman to bring his office services directly to his constituents.

"I have always believed that to be an effective public servant you have to go to the people and hear their wants and needs." Sarpalius said. "I was elected not just to represent you, but to serve you. That's why I have this mobile office."

The mobile office will be traveling to each town in the district on a monthly basis. For more information, contact Aaron Alejandro, District Coordinator, at (817) 767-0541.

Secretary of State George Bayoud of eligible voters are registered. "It is the fundamental responsibility every Texas to participate in the electoral process by exercising his or her constitutional right," Clements stated in the proclamation.

> The VOTE "90 effort runs throughout the year, culminating Nov. 6 when Texans elect a U.S. senator, governor, lieutenant governor and hundreds of

other statewide and local officeholders. To obtain a voter registration application, call your local voter registrar or the Secretary of State's office at 1-800-252-VOTE (8683).

The VOTE '90 campaign includes a series of public service announcements produced for radio, television and newspapers. The campaign's slogan is "VOTE '90. Every One Matters."

It's Groundhog Day!

Can spring be far behind?

Did the groundhog see his shadow? Will we have six more weeks of winter? Those answers will come on Feb. 2 when we celebrate the popular annual tradition of Groundhog Day.

Groundhog Day marks the emergence of the groundhog, or woodchuck, from hibernation. According to legend, if the sun is shining, it is still winter and he returns underground for another six weeks of sleep. If it is cloudy, spring is coming, and he stays above ground. Groundhog Day is recognized by many towns in unique ways. Perhaps the most well-known is the town of Punxsutawney, Pa., whose citizens make a trek each year to locate "Punxsutawney Phil, king of the weather prophets."

Groundhog Day stems from beliefs associated with Candelemas, a religious holiday observed by the Roman Catholic and Eastern Orthodox churches on Feb. 2 in England. According to an English folk song, "If Candlemas be fair and bright,/Come, Winter, have another flight;/ If Candlemas brings clouds and rain/ Go, Winter, and come not again."

Letters to The Editor

Dear Editor,

This is a message of appreciation for the town of Lockney and surrounding communities for the fine support you give the Lockney Care Center. The help given at Thanksgiving and Christmas gave the residents a wonderful holiday season.

The churches that bring music and singing and devotionals is more help than you may realize. Those patients who are not able to attend can hear and enjoy the singing in their rooms.

The birthday parties and other programs help everyone to know people care. Your visits, gifts of fruit, cookies, ice cream and cold drinks brighten many lives.

My husband has been in Lockney Care Center almost two years. We feel like we made a good choice in selecting this location. The staff does a fine job and are always kind and helpful to everyone.

When we had to select a care center, I talked to friends, and the Lockney Care Center kept being named as being good. We feel we made a good choice.

We wish to say thanks to everyone who helps make Lockney Care Center a good place.

Dear Editor:

the Texas Capitol, the Old 1857 General Texans everywhere. Land Office, and the Capitol grounds, we have some exciting mysteries to solve and are looking for any photographs dating prior to 1920. We also need interior views of the rotunda,

dome, corridors, foyers, and offices in the Capitol prior to 1959.

The State Preservation Board invites you to join us in our quest and we ask that your readers help us by searching through their family photographs for snapshots taken while visiting the Capitol. Quite often the building or an interior of a room is only visible in the background, but such a photograph can still provide invaluable details about furniture, carpet patterns, or light fixtures.

Surely, your readers' grandmother, grandfather, aunt, uncle, mother, father, brother or sister took great joy in standing in the middle of the rotunda to have their pictures made. Surely, someone through the years has gone "Kodaking" to the State Capitol and taken just the kind of snapshots we are looking for.

If your readers have any photographs of the Texas Capitol, the Old General Land Office, or the Capitol grounds, we ask them to please forward a xerox copy to us as soon as possible. We will be more than happy to give them credit for any photographs that provide new information.

Thank you for any help you can give us on this joint, statewide effort. Together, we can make Texas' beautiful Capitol second to none in Victorian restoration magnificence and authentic-In preparation for the restoration of ity for the future enjoyment and pride of

4-H organization seeks former members

WANTED: 4-H alumni in the Texas Panhandle and South Plains.

A 4-H volunteer leader is gathering names, addresses and phone numbers of former 4-H members with plans to eventually form an alumni organization.

Janie VanZandt of Pampa, herself once a 4-H'er, says no comprehensive record of former members exist - a void she plans to fill.

"It's very important we have a list of these people. We'd like to know who is where so we can gather them together for reunions as well as draw on their expertise from time to time," she said. "We'd also like to be able to recognize them for special contributions they've

alumni organization," she said. Four-H — which stands for head, heart, hands, health - is the largest youth organization in the nation. Its mission is to develop self-directed, contributing, productive members of society.

About 24,500 4-H members live in Texas Districts 1 and 2, which roughly encompass the Panhandle and South Plains. About 383,000 members are in Texas.

VanZandt plans to build a network of 4-H supporters, many former members, throughout the area. VanZandt sees many as potential volunteers.

"Alumni need to be updated on what's going on in the organization. They might see something they want to be involved in. They might want to give back to the organization that gave them so much," she said.
