

## Gonzales receives father's kidney in transplant operation

By Neta Marble

Chris Gonzales received a kidney from his father, Lupe Gonzales, in a transplant surgery held in Lubbock at Methodist Hospital on Wednesday, July 11.

This was the first kidney transplant surgery done at the hospital since the renal transplantation program was started in May of this year.

In late March Chris made an appointment at the Lockney General Hospital and it was then that Dr. Gary Mangold diagnosed acute kidney failure. An

appointment was made with Dr. C.J. Wheeler at St. Mary's Hospital in Lubbock.

After many tests Chris was placed on a dialysis program at the South Plains Dialysis Center and he, along with one of the members of his family, made the trip to Lubbock three times a week. He was hooked up to a machine and his blood was cleansed of impurities on each visit.

Mrs. Pat Gonzales stated, "We knew Chris was in good hands with the doctors in Lubbock. Dr. Gary told us that

they were as good in Lubbock as anywhere and it was good to be close to home."

Dr. Wheeler and his associate Dr. Hoggard told Mr. and Mrs. Gonzales that Chris would be an excellent candidate for a transplant because of his age and his health. They were told that if a member of the family could donate one of their kidneys that in most cases it made the best match.

Chris' father, Lupe, immediately told Dr. Wheeler that he would give one of his kidneys to his son. His mother was

also willing to donate a kidney. Mrs. Gonzales made the remark, "How far can we go for our kids sake - we can go a long way for our kids."

Marilyn Bentley was named co-ordinator for the surgery. She was the go-between for the family and the doctors.

Dr. Baird Helfrich, M.D., a renal transplant surgeon was chosen to do the surgery. He had been involved in renal transplants since 1976 at Georgetown University Hospital. He served as director of the Division of Transplantation at Georgetown from 1979 to 1988 and was a member of the Methodist Medical Center Transplant program in Dallas from May 1988 to May, 1990 when he was appointed medical director of Lubbock's Methodist Hospital Renal Transplant program.

Each week in June father and son went through a series of blood tests. The tests showed the blood types to be the same and Gonzales kidney and heart to be healthy. Father and son underwent

several counseling sessions together so that they understood what was happening and what each felt.

Dr. O.L. Avant, M.D., a urological transplant surgeon removed the donor kidney from Gonzales. The surgery took approximately an hour and a half and when it was done Marilyn Bentley came out and told the family, "They have the kidney out and everything looks good. Now we are ready to give it to Chris."

Attaching the kidney in Chris took just over three hours and according to Bentley, "As soon as the kidney was attached it began to work."

Chris and Gonzales went to recovery and then to I.C.U. after which Chris stayed in the hospital for six days before being released. He is currently taking TK-3 injections to help prevent the body from rejecting the organ. He has to be careful not to be out in the sun too much as the sun can inhibit the medication.

The doctors have told Chris that he

can go back to school this fall and have assured him that he can lead as normal a life with one kidney as he could with

ney, Floydada, Plainview, Ralls and Jayton entered in the tournament. With so many teams entered it promised to be an exciting weekend.

Play began on Friday night at 7:00 with the Plainview Hawks pitted against the Bad Company team from the Lockney league. B.C. put forth a great effort but just couldn't stop the powerful Hawks and were beaten by a score of 25-3.

The 8:00 game was a little more excit-

ing with the Providence team taking on the SNC team from Plainview. The two teams were pretty well matched until the last inning when Providence came across with eight runs to win with a score of 13-7.

The Crosbyton-Ralls Gypsies battle against the Floydada Knights at 9:00 proved to be the most exciting game of the night. With runs made in each inning it stayed a tight game. When the 55 minute time limit was called the Gypsies

had come out on top to win by a score of 13-12.

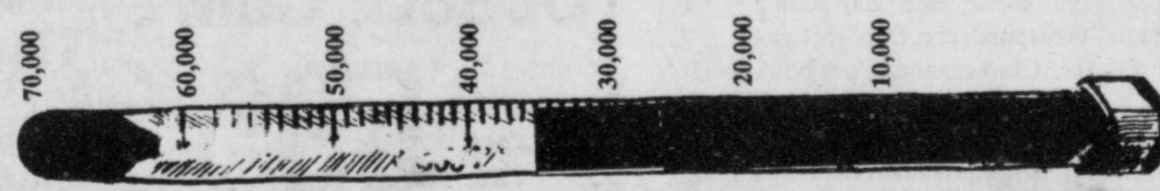

After the Friday night excitement, Saturday also turned into a fun and full day of softball. Play began at 10:00 a.m. with the Plainview Mavericks going up against the Jayton Lady Wranglers. ### HISTORY OF THE FIRST BAPTIST CHURCH OF LOCKNEY

On the first Sunday in December 1890, the First Missionary Baptist Church of Floyd County (as it was originally called) was organized in the dug-out home of Mr. R.M. Irick.

On May 15, 1891, Mr. Irick, Mr. R.C.B. Howell and Dr. I.B. Kimbrough, pastor of First Baptist Church of Plainview, met with a group of people to organize the First Baptist Church of Floyd County. There were 19 charter members and Dr. Kimbrough was called as the first pastor.

In 1896, with only eight members left, this group united with a group meeting at Lone Star and the name First Baptist Church of Lockney was adopted. The congregation met in Lockney.

The present building was dedicated on March 4, 1951; the educational wing was added in 1981 under the pastorate of John C. Jenkins, who was called to pastor First Baptist Church, Morton, that same year.

Twenty-eight pastors have served this church in her 100 years of ministry.

# 'Texas' drama important to three Lockney families

Lockney is important to three members of the "TEXAS" Company. Holly and Heath Huffman are the great-grandchildren of Mr. and Mrs. Herman Huffman of Lockney and Gwen Lane, daughter of Mr. and Mrs. Bob Lane, grew up in Lockney.

Holly and Heath Huffman are children in the show. This is the second year that they have had a part in the action on stage.

Their parents are Mr. and Mrs. Ronnie Huffman of Canyon and their grandpar-

ents are Mr. and Mrs. Joe Huffman of Plainview.

According to Mrs. Herman Huffman "They are on stage every night except Sunday and their mother has to go with them to help them make the clothing changes."

Gwen Lane has returned to the Hospitality staff for her second season. She is a 1990 graduate of Kilgore College with an AFA in theatre. She will attend Tarleton State University and is pursuing a

bachelor's degree

She has appeared in several college productions and enjoys stage managing, lighting, and directing. She hopes to continue directing.

For twenty-five years the modern magic of light and sound have bathed the huge stage in changing brightness and shadow and have brought the howling coyotes and the chirping birds to the

theatre along with thunder and a lightning bolt which streaks hundreds of feet towards the sky.

The actors, singers, dancers and horsemen have presented the story, sung the songs of the 1800's. They have showed their joys and sorrows in words and dance and have acted out their struggles against the drought, dirt and fire to recreate the story of the Texas Pan-

handle.

During the twenty-five years since the show opened more than 2,000,000 people have seen "TEXAS".

nine runs in the last two innings leaving the Lady Wranglers behind with a score of 12-2.

There was another 10:00 game in progress at Jessie Garcia's field which was used for a few second bracket games. SNC was eliminated from the tournament when Bad Company shut them down with a score of 16-5 after scoring 11 runs in the final inning.

At 11:00, despite the efforts of the Providence team, the Hawks just could not be stopped in their victory over Providence with a score of 16-0.

The Diamonds of the Lockney league suffered their first loss when they fell to the Gypsies by a score of 16-8, at the 12:00 game.

The game between Bad Company and the Knights, at 1:00 p.m., proved to be a fight to the finish as the loser would be eliminated and the winner would go in to play. With only one run scored in

the first three innings it seemed to be a deadlock until the Knights were able to jump ahead 5-4 in the 5th inning. The Knights were able to get one more run before the game was over to make the score 6-4 in favor of the Knights.

The Lady Wranglers were able to stay in the competition by eliminating the Diamonds with a win of 8-5.

At 3:00 the Mavericks began to wonder whether they had suffered their first loss as the Gypsies scored eight runs while the Mavericks were only able to score two until a second win came over the Mavericks and they were able to come back after scoring seven runs in the last two innings to squeak by the Gypsies 10-8.

At 4:30 the match between the Knights and the Gypsies was interrupted by a welcome rain shower which seemed to cool everything and everyone off a little. When play resumed the Gypsies were ahead 11-8 at the top of

the third inning. From then on out it was a fight to the finish as each team battled for more runs. Only after the dust had settled was it clear that the Knights had been eliminated by the Gypsies by a score of 18-12.

At 5:30, two undefeateds came together as the long-time rivals, the Hawks and the Mavericks, tried to give the other team its first loss. After a close first inning of 5-4 the Mavericks were able to hold on to their lead until the Hawks scored a run in the third to tie up the ball game. The Mavericks were able to jump ahead in the fourth with three more runs. Now all that had to be done was to keep the Hawks from scoring. With the Hawks only scoring one run in the final innings the Mavericks could claim a victory with a score of 8-6 over a team they had not beaten in several years.

At 6:30 the Lady Wranglers and the Gypsies met in a game that was to determine who would continue and who would be awarded the 4th place trophy. Despite all the efforts by the Lady Wrangler they just could not keep the aggressive gypsies from scoring. The Wranglers were defeated by a score of 12-1 and were awarded the 4th place trophy by L.W.S.A. President Isaias Lerma.

After a brief rest the Gypsies and the Hawks met to see just who would face the Mavericks in the championship game. The Gypsies just could not get started after playing four games in the last five hours. The heat and the tough playing by the Hawks were just too much for the Gypsies as they fell with a score of 15-1. The Gypsies were awarded the 3rd place trophy and each member received individual trophies for their excellent efforts.

At 8:35 the championship game got underway against the Mavericks and the or die fight to the end. With the score 5-7 in favor of the Hawks in the third inning the Mavericks knew they would have to play their best ball if they were going to come out of this as winners. The score remained the same in the fourth inning as each team made fantastic defensive plays. Things began to happen in the fifth inning with the Mavericks scoring three runs and the Hawks two. The Hawks were able to move ahead in the sixth making the score 11-9. The Mavericks had one last chance to score and came out with four runs. Since the Hawks were home team they were allowed to have last bat. The score was 11-13 in favor of the Mavericks. It was up to the Mavericks to keep the Hawks from scoring until they could get the three

Hawks. With both teams so equally outs needed to end the game.

Miraculously the Mavericks were able to keep the Hawks off of the bases by getting the first three Hawks out to end the game with a Maverick win. The Hawks were awarded the 2nd place trophy and the players each received individual trophies. Mr. Leon Phillips, head coach for the Mavericks was awarded the championship trophy for the Mavericks and the team each received individual trophies.

The top three teams in the tournament will advance to the state tournament to be held in Lubbock on August 10, 11, 12.

### L.W.S.A. SEASON COMES TO A CLOSE

Monday, July 23 marked the end of the softball season for the Lockney Womens Softball Association.

After three final games there was an awards presentation by the LWSA officers. Placing first in the league play was the Mavericks from Plainview. Coming in second was the team from Providence and third place went to the Knights of Floydada. Fourth place was won by the Diamonds of Lockney.

The Mavericks and the Providence team are eligible to advance to the state tournament to be held in Lubbock on August 10, 11, and 12.

Other awards included a \$50.00 check which was presented to Susy Smith for selling the most candy in a recent fund raising project. There was also a drawing for a trip for four to South Padre Island. The trip was awarded to Susy Smith.

L.W.S.A. president, Isaias Lerma, along with Lockney Chamber of Commerce president, Robert Delgado, presented a check for \$500.00 to Jimmy Kemp of the Lockney Volunteer Fire Department. The money is to be added to the ambulance fund.

## Bedside manners listed for visitors

A visit from a friend or relative can be a shot in the arm for a hospital patient. By observing some medical manners, the experience can be enjoyable for both patient and visitor.

"When a friend or relative visits a

patient, a sincere hug, kiss, pat on the arm or squeeze of the hand can express more than any words. The conversation also should be kept light, not heavy and depressing," said Lisa Flathers, director of Methodist Hospital's Guest Services

Department.

Following are some other medical manners suggested in the September 1988 issue of "Mayo Clinic Health Letter."

**Timing is important.** Call the patient to determine a good time to visit.

**Stop at the nurses' station.** Upon arrival, check with the nurses before visiting the patient. After you are given permission to visit, knock on the patient's door before entering. This ensures privacy.

**Sit down whenever possible.** When lying in bed, patients sometimes feel uncomfortable if visitors stand and peer down at them. To ease the conversation, pull up a chair. Do not sit on the bed because this could disturb medical equipment.

**Be a good listener.** Ask upbeat, open questions, and let the patient express his concerns. Don't cause additional worries by talking about problems at home or work.

**Keep the visit brief.** Visits should be limited to 10 to 20 minutes because patients need rest. Sometimes patients are reluctant to admit they are too tired to talk.

**Do not visit in groups.** No more than two or three visitors should be in the room at one time because the patient may have difficulty visiting with a large number.

**Keep an eye on children.** If the nursing staff gives approval for children's visits, keep them quiet and the visit brief.

**Don't interfere with care.** If a doctor, nurse or other hospital staff member enters the room, the visitor should ask if he should leave.

**Do not visit during meals.** Eating with an audience can be difficult.

**Leave equipment alone.** Never adjust equipment. If something is accidentally bumped, ask the nurse to see if anything was disrupted.
